

Departmentalization Excessive in Local Schools, Says Reavis

Excessive departmentalization is the chief danger in the avoided it Negaunee schools in the opinion of Dr. William C. Reavis, whose report on a survey of local public schools is before the Negaunee board of education at its meeting Monday night.

The danger is most apparent in the intermediate grades, although it is also present at the junior high level, in the opinion of the superintendent. Dr. Reavis, chairman of the committee on local services, department of Education, University of Chicago, spent a week here in May '19, which he made a complete study of the Negaunee school system.

"Over specialization in grades four, five and six is undesirable and is contrary to the tendency of the best elementary schools," Dr. Reavis stated in his report. "At least half of the work in these grades should be under one teacher, while the rest may be departmentalized, if as a result instruction can be improved."

"It is strongly recommended," he continued, "that the principal of the elementary school and his staff of teachers consider very seriously the proposals made and that steps be taken at the beginning of the next school year to move from the present to the departmentalization of the intermediate grades to a semi-departmental plan."

Diverses Core Program

"In grades seven, eight and nine, the best method of avoiding this danger is by the development of a core program and by treating the sides as units of the core program. The pupils should spend about half of their time with one teacher, who takes care of the English and Social Studies. The rest of the work can be departmentalized. The home room teacher should also be a principal counselor of the pupils assigned for instruction in English and Social Studies.

"While the general plan of school organization in Negaunee is commendable, it is believed that the educational program should be strengthened by accepting the recommendations made by gradually making modifications in the present internal instructional organization now in operation," Dr. Reavis stated.

The University of Chicago educationalist recommended that a core program for the junior high level with the view of providing a stronger program of general education than is now offered. Improvement in this level would send pupils into the senior high grades better prepared for work at that level, he said.

Dr. Reavis also emphasized that the opportunity to take the educational program of the pupils for six years of secondary education for the junior and senior high would enable the high school to establish the present plan of conferring different types of diplomas for different courses of study, which he termed a "manifold program."

All work offered in the high school should be equally respectable and the differentiation factor should be the course of study selected. "General requirements for high school graduation should be adopted and beyond meeting these basic requirements a pupil should be privileged to select his own subjects, he stressed.

Commenting further on the present high school course of study Dr. Reavis declared that the curriculum requires thorough recommendation by the principal and the board of education. "The program of studies made provide for pupils during a period of six years of schooling should be a unified program which offers opportunity for general and specialized preparation at each grade level for the pupils enrolled," he said.

Local Resources Neglected
Particularly neglected has been the use of local resources in the

various fields, the surveyor pointed out. "The community has many resources of educational value which should find a place in the curriculum and, in the better courses some evidence was noted of the use of these resources. In general, however, local resources were neglected in the curriculum, especially, particularly the social and economic implications of the local resources — iron, timber, wild life, water power, scenery and vacation opportunities. The conservation and development of local resources present a problem which young people in the high school should understand and appreciate.

The programs in commercial education, home economics and industrial arts courses of instruction which offer vocational preparation were not so well studied and in special need of re-thinking and re-organization. These areas must make more progress in meeting the needs for pupils who are unable to make progress in more traditional areas, as they provide learning levels in addition to technical instruction. These students should be given more opportunity for academic minded studies as well as those who are not expected to continue formal schooling beyond a secondary school education.

"The curriculum of the junior high grades in particular is also in need of study and development. This need should result from the early entrance of the principal and faculty, as results of the study should be made known which will bear fruit in the senior high grades and will do much to increase the ability of the pupils to realize the importance of a secondary school education.

Other recommendations later by the University of Chicago educationalist included lengthening of these periods from 45 minutes to one hour, the establishment of a central library as soon as space facilities are available, the elimination of transferring admission of children to kindergarten to those who are five in October, and the starting of the first of November of the year for the school admission.

Commenced Business Plan

Dr. Reavis commended highly the business administration in the school, stating that in his opinion it is the best in the district. "This applies to purchasing, the stock and distribution of clothing, the use of supplies and the administration of school finance," he said. "The school is doing very well in this respect, he declared, that in his view, he has never seen a better job done by the staff of the pupils and the minimum for the school. "The work of the classrooms. In general, the learning environment of the school is good and stimulating, although in spite of the handicaps of oversize classrooms, the work is being done, he pointed out.

"This report is submitted for the study and consideration of the board as a proposal for modern re-organization of the school system. It is the responsibility of the board for the organization, administration and financing of the Negaunee schools may take place in what has already been accomplished, they can by joining cooperatively in seeking solutions to the problems pointed out in this report, making the Negaunee schools better schools," he said.

Hampton To Seek Post on State Tax Commission

Announcement was made Wednesday by Mayor Alvin C. Hampton of his intention to seek an appointment to the state tax commission.

Capacity Crowd Will Attend All Star Game Here Saturday Night

With advance ticket sales of grand stand and bleacher seats practically a sellout, City Recreation Director Edward Stevens and members of the Negaunee recreation committee are anticipating that with a break from the weather a mass of general admission patrons will insure a crowd of over 5,000 persons—largest in the history of the event—for the fourth annual Youth Pinnacul All Star football game Saturday night at the Negaunee playground.

Purchase of 1000 new bleacher seats this spring, plus 1200 bought a year ago, provides a total of 3800 seats, including the already existing 1940 fair. Practically all that remains to be sold are a few seats between the 10 and 20-yard lines.

Kick-off time has been set for 8:40 p. m. with the pre-game exercises, consisting of the firing salute, ceremony and introduction of the All-Stars, beginning at 8:30. Dr. George Dugan implies that the majority of local fans who have watched both teams in practice here at the Negaunee playground in the fourth annual game are from South Haven, Michigan, and from South Haven, Michigan, and will present an array of football uniforms, including six members of Menominee's mythical "A. T.," champion of last fall and five boys from a recent football team from the margin of a point after each team's score. Earl Tuomi and Jim Will be the heralding city cheerleaders. The Negaunee and Hamlet Dinos, from River, who will perform behind a line including such stalwarts as Jack Tuomi, Roy River and Gary Abrahamson, Hamlet's elite, Tony Gung and Jim Prosz, Troy River, three rugged players, and Ray Gung and Jim Prosz, and Hal Baber, captain, a 250 pound center from South Haven.

To counteract the Sunitt's speed, the Negaunee team will have backfield stars of last year's Mustang eleven, James Hynes, White, who will be the outstanding line backer on the Gophle Hines full back, and the Mustang's full back, who is in the front line with the North Haven team, while the Hamlet Dinos, full back, Steve Gears, full back, and the Hamlet Dinos in the football full back.

Legion Auxiliary Will Meet Tuesday

The American Legion Auxiliary will hold its regular monthly meeting on Tuesday evening, August 13, at 7:45 in the Legion building. Invitations to the state Legion convention will present their reports and a slate of officers for 1920, will be presented by the nominating committee, which is composed of Mrs. Lillian Johns, Mrs. Elizabeth Giffin and Mrs. Sarah P. Cook. Yellowstone National Park is the subject and honor of a new National Park, which is an area of over two million acres.

Negaunee Girl, Marquette Man Exchange Vows

Edward Peterson announces the marriage of his daughter, Muriel, to a local doctor. Miss Helen Jensen and the late Otto Jensen, of Marquette at 7:30 Saturday evening, August 11, in the Embassy Lutheran church, with the Rev. Luther Knack officiating in a double ring ceremony. The bride entered the church in the arm of her father to the strains of Lohengrin's Wedding March.

The couple was attended by Miss I. M. Petrusen, sister of the bride, a maid of honor, and Newman Bergh, cousin of the groom, an best man. Edward Peterson, Jr., brother of the bride, and George Callan, Jr., nephew of the groom, ushered.

The bride chose a gown of white marquisette over tulle which was fashioned with a sheer yoke and fitted tulle, trimmed with tulle which flowed the bouffant skirt. Her finger tip veil fell from a spray held crosswise but she carried a nosegay of white gladioli and pink roses. Her only jewelry was a three-carat pearl necklace a gift of the groom.

The maid of honor wore a gown of pale blue marquisette over tulle, similar to the bride's gown, and with it she wore a blue sash hat. Her nosegay was white gladioli with yellow roses.

Musical music preceding the ceremony was played by Florence Henriksen, an aunt of the bride, who also played the wedding march and accompanied Mrs. George Collins, sister of the groom, who sang O Perfect Love, and A Wedding Prayer.

Mrs. Lillian Caldwellworthy an aunt of the bride, and the groom's mother both wore gray dresses with white accessories and had similar ensembles of yellow roses and orchid sweet peas.

Immediately after the ceremony a reception was held in the church parlors. After the bride and groom cut the traditional first cake, a four-tiered wedding cake was then served by Mrs. Florence Henri-

Rachel Pentimaki Becomes Bride of Rev. Paul Hetico

At a candlelight ceremony performed on Saturday evening, August 11, at the Immanuel Lutheran church, Miss Rachel Pentimaki of Neaussee, became the bride of the Rev. Robert Paul Hetico of Chicago, Ill.

The bride is the only daughter of Mr. and Mrs. Jean Pentimaki of Neaussee and the groom is the son of Mr. and Mrs. John Hetico of Erie, Pa.

The ceremony was performed by Rev. John Wargolin of the local church and the Rev. Henry R. Hennessy, friend of the groom from Warren, Ohio, before an altar banked with cedar and gladioli.

The bride, given in marriage by

her father, was radiant in a gown of white lace adorned with pearl jewelry, fashioned with long sleeves, fitted bodice and a long train. Her finger tip veil of brilliant illusion lace descended from a crown of pearl pearls. Her only jewelry was a pendant of diamond and pearl earrings with white gladioli centered with red roses.

Miss Vera Pentimaki of Neaussee, childhood friend of the bride attended her as maid of honor. She wore an ornate fall-gown of colonial style and carried a nosegay bouquet of yellow gladioli.

The bridesmaids were Mrs. Lillian Hetico of Erie, Pa., sister-in-law of the groom and Miss Florence Hagström of Dixon, Mrs. Hetico wore a colonial style dress of yellow marquisette and carried a bouquet of similar design was of turquoise garnetized, and she carried pink gladioli.

Mr. Harry Hetico, of Erie, Pa., brother of the groom, accompanied him as best man. Ushers were Wilfred Pentimaki, brother of the bride, and Thomas Assum, of Ashabun, Ohio.

Following the ceremony, Mrs. Hannah Koski of Hancock, presented several gram selections, including "Lohengrin" and "The Joy of Man's Desires." Pastor Larry Larvo of St. Wilmers, presented two vocal selections, "I Shall Never Leave Thee" and "All The Way My Savior Leads Me."

The mother of the bride wore a brown and white prim dress with white accessories. The groom's mother also wore a brown and white prim dress with white accessories. They both wore a nosegay of red gladioli.

After the ceremony, a reception was held in the church parlors for approximately 400 guests. There were guests present from the Immanuel Lutheran church in Neaussee, Ohio, Wisconsin, Illinois and Minnesota.

Mrs. Hetico's going-away suit was of beige and black marquisette with white accessories. Her nosegay of red roses was removed from her bridal bouquet. They departed for an extended trip

Specs And I See Eye To Eye

Asked Specs Allen to go hunting last week. Knows him all my life, so I wasn't surprised when he showed up with no gun. Specs doesn't like to kill anything.

Couldn't ask for a better hunting companion, though. We can roam around the woods, and whenever the dogs bawl a bit, I hino away while Specs just watches.

Told him once I was surprised he went along... feeling the way he does about shooting anything. "Well, Joe," he says, "you do what you think is right and I'll stick

to what I think is right. I've no call to dislike you for not doing everything the way I see it."

From where I sit, open-mindedness is a wonderful quality. There are plenty of things Specs admits that I don't care for. Like his love for a glass of beer anytime... but Specs Allen and I don't let little differences get in the way of something like friendship.

FRANK L. DENNY, Controller.

Supervisor Van Ripper told the Board that Frank Denney, the County Controller was ill and in need of a three month's rest and inasmuch as much work has been done for the Tax Assessment Commission and for the board meeting, moved that the Chairman appoint a Committee to look into the matter of the County Controller's work to be done and if necessary to have moved to the employment of any assistance on any occasion. Supervisor Van Ripper's idea was carried by the Board.

Vacationists Are Wanted To Avoid Raw Milk, Cream

A warning to Michigan vacationists not to drink raw milk, cream, or purchase homemade ice cream, cottage cheese, etc., was issued today by the Michigan Department of Health. The warning was given because the Department fears that vacationists may be tempted to do so to that to eat, or milk and milk products must be inspected and that while they render city milk safe, the city's milk products they get from farmers in rural areas may not be so.

HUNSELL E. LERNELL

Hollersch of the North squad is a native of Ironwood, where he played at Luther L. Wright High School. During the four years that Lohrwell performed at Ironwood, the Red Devils were undefeated. From 1927 to 1930, Lohrwell performed as a halfback and fullback at the University of Minnesota under Dr. Clarence Spears and Fritz Cribler.

WIN O. BROCKMEYER

Win Brockmeyer, assistant North coach, is a native of Minnetonka, Minn., and played his collegiate football under Dr. Spears and Fritz Cribler. Brockmeyer this year was awarded a Hofus foundation medal for his outstanding coaching record at Wausau High School, where his teams in the last 12 years have won 67 conference games, tied four and lost none.

Network Will Air All Star Classic

The Paul Bunyan network of stations will participate in the All-Star Football classic at Negaunee on Saturday evening, August 19th, at the playgrounds. This annual football game, the North vs. South, will be played under the lights with special features of entertainment between the halves. White Escanaba, Ironwood, Houghton Independent radio stations will be fed this play by relay broadcast from station WJWP of Ishpeming Broadcasting Co., 1 of the starting of other local cities on the Paul Bunyan network.

The Directors of the Paul Bunyan network are as follows: Les Underhill, of Ironwood; George D. Lindstrand, of Escanaba; Al W. Payne, of Houghton; James P. Deegan, of Ishpeming.

Station WJWP will start broadcasting at 8:30 P.M. and other stations of the chain will participate before 8:30 so this will give the All-Star game a huge listening audience. The only station of this chain that is outside of Michigan is WATW of Ashland, Wisconsin. Station WJWP of Iron River will be a member when the new station is completed.

In the Lower Peninsula the Paul Bunyan group consists of the stations of Traverse City, Alpena, Cadillac and Petoskey.

Upper sports announcers who will be featured on the daytime will include the play-by-play of Paul Crowley and Paul Peterson for the objective service of the game.

HOUSEHOLD MEMOS

Serve Plenty of Frosty, Cool Foods to Tempt Heat-Ridden Appetites in Sweltering Weather

By Lynn Chambers

WHEN the sweltering days hit us, there's nothing more pleasing than to have plenty of frosty cool foods to tempt heat-ridden appetites.

Molasses, too, can keep a hot cooler and comfortable with your paré chilled rather than your food, and the former can be just as nourishing. However, if a hot food is desired, it might easily be a cup of hot soup or a toasted sandwich with the salad, for neither of these takes long enough cooking to heat the kitchen or the cook!

Salads as main dishes should be nourishing, so plan to build them with most fish, fowl or cheese, one of the good protein foods which are needed daily. Fill them brimming with vitamins and minerals to keep their energy—giving qualities high.

PREPARE salad ingredients in the cool hours of morning so they will chill thoroughly and need just minding at lunch or dinner time. This cuts down preparation time when energies are low and the heat is at its highest.

Tomato Crabmeat Salad

(Serves 6)

- 1 large ripe tomato
- 1 can crabmeat
- ½ cup lemon juice
- 1 tablespoon chili sauce
- 2 cups finely chopped celery
- 1 tablespoon grated onion
- ½ cup sliced green pepper
- ½ cup chopped pecans
- 1 teaspoon salt
- ½ cup mayonnaise
- 4 hard-cooked eggs, sliced

Slice tomatoes one minute in boiling water or turn over heat on a long fork to loosen the skin. Peel and scoop out center. Sprinkle the tomato cavity with salt and turn upside down to drain. Mix all remaining ingredients, except eggs. Fill tomato cups and serve on a bed of greens, garnished with egg slices.

Frozen Chicken Salad

(Serves 4)

- 1 tablespoon gelatin
- 1 ½ tablespoons cold water
- ½ cup mayonnaise
- ½ cup heavy cream, whipped
- 1 ½ cups minced cooked or canned chicken
- ½ cup sliced chopped almonds, toasted
- ½ cup macaca grapes, halved and seeded
- ½ teaspoon salt

Soften gelatin in water or fruit juice. Dissolve over hot water and add sugar, lemon juice and apricot. Fold mayonnaise into stiffly beaten cream. Fold in gelatin, mixture and prepared fruits. Turn into refrigerator trays and freeze, stirring once before the mixture becomes firm. Freeze for one to three hours. Slice and serve on chilled hot mayonnaise, if desired.

A luscious red ripe tomato makes the base for this salad and may be filled with cold stew or shredded chicken for a nourishing luncheon when combined with creamed corn in a beverage. If you need a more filling meal, start off with a chilled or hot soup.

One of the most delightful salads ever devised is a frozen fruit salad with whipped cream, bananas, pineapple and maraschino cherries. Use this salad when the rest of the meal has been on the light side, or as a small dessert with cookies or small cakes. It's perfect, too, for entertaining.

Dissolve gelatin in cold water for five minutes. Dissolve over boiling water. Cool, then combine with mayonnaise. Add remaining ingredients, folding in the whipped cream first. Freeze in tray of automatic refrigerator until firm. Slice and serve on lettuce or watercress.

"Hearty" Salad Bowl

(Serves 6)

- 1 cup cooked ham, cut in thin strips
- 1 cup thin slices, cut in thin strips
- 1 cup cooked green beans
- 1 cup corn salad strips
- 1 cup celery sticks
- 1 cup French dressing
- 2 hard-cooked eggs, cut in wedges
- 1 cup salad dressing
- 1 teaspoon mustard
- 1 teaspoon horseradish

Marinate and chill green beans, carrots and celery in the French dressing for at least one hour. Break lettuce up to 1- to 2-inch pieces in a salad bowl. Arrange meat, eggs, vegetables and eggs over the top. Serve with mustard and horseradish.

Frozen Fruit Salad

(Serves 6)

- 2 teaspoons unflavored gelatin
- 6 ½ tablespoons water or fruit juice
- 2 teaspoons powdered sugar
- 2 tablespoons lemon juice
- 1 cup fresh maraschino cherry syrup
- ½ cup red mayonnaise
- 1 cup heavy cream, stiffly beaten
- 1 large banana, cut in cubes
- 1 ½ cups sliced pineapple
- ½ cup sliced maraschino cherries

Soften gelatin in water or fruit juice. Dissolve over hot water and add sugar, lemon juice and apricot. Fold mayonnaise into stiffly beaten cream. Fold in gelatin, mixture and prepared fruits. Turn into refrigerator trays and freeze, stirring once before the mixture becomes firm. Freeze for one to three hours. Slice and serve on chilled hot mayonnaise, if desired.

American Cheese Ring

(Serves 2)

- 1 No. 1 can sliced pineapple
- 2 cups of 2 lemons
- 2 tablespoons gelatin
- 1 cup sugar
- ½ pint whipping cream, beaten

LYNN CHAMBERS' MENU

- Cream of Tomato Soup
- Hearty Salad Bowl
- Bread and Butter Sandwiches
- Beverage
- Chilled Melon
- *Recipe Given

1 cup processed American cheese, finely grated

1 cup white grapes
Melon balls (cantaloupe, watermelon and honeydew)
Drain the pineapple. Boil water and add to it the lemon juice and one-half cups of liquid, acid and sugar and bring mixture to a boil. Pour over gelatin and stir until dissolved. Chill until partially congealed, then fold in all remaining ingredients except melon balls. Pour into an oiled ring mold and chill firm. Remove on lettuce and garnish center and outside of mold with three kinds of melon balls to give a rainbow effect. Serve with dressing made as follows:

- ½ cup salad oil
- ½ cup vinegar
- 1 teaspoon salt
- 1 teaspoon paprika
- 1 cup chili sauce
- 1 cup chopped watercress

Stir together ingredients until thoroughly mixed. Serve well chilled.

LYNN SAYS:

Use Citrus White Servings Summer Meals

Make tomato aspic in a ring mold during the cool of morning and serve with a chilled seafood salad in the center. Use the outside of the ring with stuffed deviled eggs and crisp cucumber slices.

Collage cheese makes a delicious and filling luncheon salad if you add to it the following: sour cream, frozen chives, diced cucumber, tomato and redolers.

Frozen berries and fruits make delightful toppings for ice cream desserts. Traw them slowly in the refrigerator for best results.

Cup cubes taste as a glamorous dessert look with no effort at all if you serve them in a lemon-flavored gelatin. Serve with cold meats or fish for a good main dish.

Surround your cold soups with crushed ice if you want make them really chilly and attractively enough on the hottest of days.

Wash and prepare all fruits and vegetables as soon as they come in from the garden, orchard or market. Then they'll be ready for meals while you have other things to do.

Let your beverage glasses take on a frosty look for cool service. Dip the rims in slightly beaten egg white, then dip them in granulated sugar and chill long enough to let the decoration set firm.

Broil tender cuts of meat for hot weather meals to cut down on preparation time. Do it out-of-doors, if you can. Take your choice of ham slices, chicken, hamburger, steak, lamb chops and kabobs.

Keep at least one stick of the refrigerator well stocked with cool drink preparations for unexpected guests.

Spray Barn Walls

Insecticide DDT may be used to spray the ceiling and walls.
