Plan Survey To Determine Sewer Cost

Casson, Townsend and Associates of Chicago were engaged to make a preliminary survey to determine the cost of a new sewer project in Negaunee by the City Council meeting in special session Tuesday night. John R. Swanson, representing the Chicago engineering firm, informed members of the council that the cost of the preliminary survey would be \$1,000 with \$500 of this amount to be refunded if the organization continues with the work. Representatives from three other engineering firms, Larnorne and Dauphin, Inc., Drury, McNamee and Porter, and Francis Engineering Co., submitted bids on the preliminary survey.

The city fathers, after receiving bids of \$350 from Service and Supply and \$250 from Frank River Culvert & Pipe, were inclined to purchase a new portable air compressor for use on the street lighting project from the Service and Supply concern.

Mrs. Thelma Davis appeared before the council to request aid for loss due to damage caused by the recent recent rainfalls. Mrs. Davis stated that her house on Cold street was flooded as a result of the water overflowing, and declared that ever since the road near her home was laid across the road near her home six years ago she has been troubled by water.

Mayor Hanson informed Mrs. Davis that the responsibility for the damage caused by the flood was a legal question which would be referred to the city attorney. Mrs. Davis stated that if the city was responsible for the damage, she would be willing to pay for it. He instructed City Engineer J. W. Ruhnau to make a survey of this section to determine what also should be installed in the area and also to survey the sanitary sewer.

Gingras Resigns St. Paul Post To Continue Studies

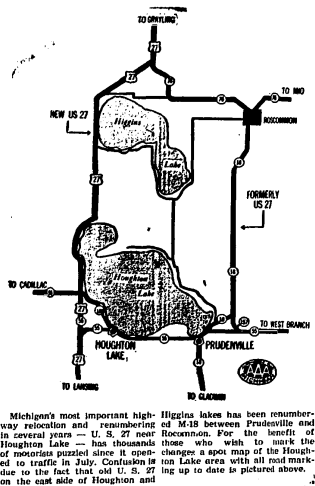

Rev. P. Howard Drollet, team athletic director of St. Paul High School, is in the midst of a football and basketball season, a result of the resignation of Morgan Gluzman, who for the past two years has served as athletic director of the Parish school. Rev. Drollet hopes to coordinate either a single coach for both sports or separate coaches for each one and individuals desiring to become candidates for the job should contact the Catholic athletic director as soon as possible.

In modifying Fr. Drollet of his intention to resign, Gingras expressed deep regret that he felt he was severing relations with the Parish, but stated it was his best interest, as he is planning to return to school this fall to complete work on his degree.

During the three seasons that Chitross directed the chess and tennis teams, his tennis won 42 games while losing 15 for a percentage of 73.6, one of the best records in the country in the last three-year span. Highlighting his coaching career was the convincing manner in which he defeated the 49 five-cinder "Mighty Miss Math" when they traveled to the 1948 Class D titleholders by 20 points in Negaunee Park.

In 1948, the Endeavor went to the Upper Peninsula regional championship where they lost to Mass when they won to play the state Class D title. "Mighty Miss Math" were defeated by 20 points in Escanaba.

Miss Grace Wood has returned from a Manhattan where her sister, Mrs. Harry Beedy, Jr.

Council Okays Cliffs Rate Hike; Reduces Consumer Discount

Moving in special session Tuesday night, the Negaunee City Council approved a resolution authorizing, in its opinion, to raise paid the rate for electric power and light company, which would result in a 10 percent hike the city for distribution to local residents from 11 mills per kilowatt-hour to 12.6 cents. The mayor and city council members also executed a contract on behalf of the city with Cliffs Power and Light Company, Inc., July 1, 1949.

Although there is an increase in the rate charged the city, the cost will not be passed on to consumers in the form of a higher rate. The resolution provided that beginning with the month of August, the amount allowed to customers of the city shall be reduced 10.10 per cent to three per cent.

Meanwhile Johnston will do "The Big Hangover" with Elizabeth Taylor . . . Alan Hale has been added to the cast of "Always Leave Them Laughing." Deborah Kerr, now seen in "Edward, My Son," will leave for South Africa as soon as she finishes "Please Believe Me" at M.G.M. She will star in "King Solomon's Mines" the long-time best seller by Rider Haggard.

Top stars of Paramount will be exclusively featured in a new radio series sponsored by a cereal company. The show is slated to go on the air this fall, to be broadcast Mondays, Wednesdays and Fridays over the Mutual network.

Atomic Chemical Is Used As Aid in Brain Surgery

CHICAGO. - Radioactive phosphorus produced in atomic-energy laboratories has aided in difficult surgery on brain tumors, three Boston doctors said. Dr. B. Silverstein, A. K. Solomon, and W. H. Sweet said that in 14 cases they were able to locate brain tumors at the time of surgery by the use of the isotope. Radioactive phosphorus was

given the patients by injection and became concentrated in the brain tumors, they said.

The doctors then used a miniature Geiger counter, an instrument for measuring radioactivity, as a probe to locate the tumors. They described the technique in the Journal of the American Medical Association.

Lois Dondorf, Fred Bye, Jr. Wed August 6th

St. Paul's before was the venue of a pretty wedding at 3:30 p. m. Sunday afternoon August 6th, when Lois Marie Dondorf, the daughter of Mr. and Mrs. Louis Dondorf, St. Paul, Minn., and Fred Bye, Jr., son of Mr. and Mrs. Frank Byers, 2240 S. Paul St., Marquette, were united in marriage by Dr. Roy, State Surgeon J. E. Hoffman. The bride was escorted by Miss Marjorie Seaman and Mr. Paul Venulus, brother of the groom. The guests attending were Lois Dondorf, J. J. Dondorf, sister of the bride, and Paul Seale, brother of Marquette.

After satin with a high neck, long sleeves and a long, silk sash, the bride, fashioned entirely of white, was worn by the bride. Her long edged finger tip veil fell from a satin helmet. Her only jewelry was a necklace of blue and white pearls, a gift of the groom. The bride carried a colonial nosegay of tiny white roses with satin streamers.

The bridesmaid was gowned in tea blue net over satin, with a shoulder length veil held in place with a handful of trailing flowers. She carried a nosegay of pink roses with blue streamers. The train of her gown was a pink sash length veil held in place with flowers. Her bouquet was a rose with pink ribbon. Both attendants' veils were styled to harmonize with the bride. The bride and groom wore a wedding, a gift of the bride.

The strains of "Lobenzheimer" Wedding March, played by Mrs. Joseph B. Rosen, the bride and groom, were the first of the wedding on the "Star Marlin", and at the conclusion of the service, a nosegay, accompanied by her mother.

Immediately following the ceremony, a wedding dinner was served at the Marlin Inn to the immediate families. The table decor was a low level of white flowers, balanced by candlelight, with the white linens tied with pink tulle bows.

flowers. Covers were laid for thirty-four.
 For her daughter's wedding, the bride's mother wore a green gown, trimmed with cut-of-heart, with very narrow sleeves. The mother of the groom wore a sea view of American beauty style, with blue new-rose, and a nosegay of yellow roses.

Guests were received at the home of the bride from 7:30 until 9:30 p. m. with Mrs. Marjorie Armstrong, sister of the groom presiding, and led first by Mrs. "Frog" Bennett. The four-bridal wedding was followed by refreshments for the late received table. It was topped with hand crocheted white lace table, fashioned in a bow with a base of white nylon net surrounded with white roses. They were designed and made by Mrs. Frank Kuchler, 1001 W. 17th and groom cut the cake. It was served by Mrs. Arthur Kuchler.

For traveling, Mrs. Bye wore a very blue and white dress, with a white top and small smock over the top. After a three week honeymoon, spent in the West, she will be at home at 412 Kimball, Suite 516, Marquette.

The bride is a graduate of St. Paul's High School, and the Illinois Central Hotel, Chicago, Ill., and has been employed for the past year in the office of the Marquette branch of the National Life Insurance Co. She was in service with the Iron Works for two years. After her return from service she became associated with her father in business.

Her father, Mr. and Mrs. Fred Bye, Sr., parents of the groom, Mr. and Mrs. Joseph Armstrong, Mr. and Mrs. Paul Venulus, Mr. Thomas Bye and Mrs. John Sharpe, all of South St. Marie; Mr. Albert Minch of Pigeon Lake, Minn.; and Miss P. Mandelque, Mr. J. O. Gendron, Marquette.

Beverly Phillips Guest of Honor at Pre-Nuptial Shower

Miss Beverly Jean Phillips, who will be married Saturday to Charles Deffard, Jr., of Ishpeming, was guest of honor at a pre-nuptial shower held at the Jackson Grove recreation lodge Wednesday evening.

Members of the home economics were Mrs. Viola Hawkins, of Marquette; Mrs. Evelyn Korff, chairman; Mrs. William Currier, and Miss Marjorie Looby.

The six guests spent the evening playing games and at the conclusion of play prizes were awarded by the chairman. The bride-to-be received four shower gifts including a new dress.

Mrs. Korff and Miss Beverly had as its decor a house with small floral red flowers, balanced with yellow carnations in crystal holders. The table had a white tablecloth with white and yellow streamers. The banquet, on which was a miniature bride and groom, was placed on a circular arrangement of green pine in the center of the table.

Gifts of crown pieces included Mrs. William Shultz and Mrs. Hilda Prichard, all of Detroit; Mrs. Hilda Prichard, Mrs. Charles Deffard, Sr., and Mrs. Glouven, Ishpeming.

Grandfather of the bride, Mr. and Mrs. David Gendron, Mr. and Mrs. William Shultz and Mr. Prichard, Detroit, all of Detroit; Mrs. Hilda Prichard, Mrs. Charles Deffard, Sr., and Mrs. Glouven, Ishpeming. Bridal showers were given by Mrs. Venulus and Mrs. Armstrong of Pigeon Lake, Minn.; and Miss P. Mandelque, Mr. J. O. Gendron, Marquette.

The bride-to-be received many beautiful and useful gifts including gown, rain coat, trunk, and a suitcase. Miss and Mrs. Korff.

Are private home builders facing doom on the job?

Governor G. Mennen Williams thinks so: "If private industry, unaided, could meet this problem, homes for low-income workers would be entirely in favor of being private industry handle it. But the record shows that private industry can't handle the housing problem alone."

In reducing public housing, whether plans are authorized by taxpayers, Williams points to his four years' experience in Detroit, as reported by the Detroit Housing Commission. "The housing needs of the City of Detroit increased during the last four years to a total of more than 141,000 dwelling units. During that same period, the private building industry constructed a little more than 27,000 units, leaving more than 117,000 Detroit families still without adequate homes."

H. E. Allen, executive secretary of the Michigan Association of Home Builders, echoes the sentiment of the governor's blanket statement. "According to the U. S. Bureau of Labor Statistics, 46,000 new homes were started under construction in the first six months of 1939. This is 55.8 per cent of the record rate of production in 1928 when 1,238,000 homes were completed. More than half of those homes were built to sell for \$7,500 or less."

"The U. S. Federal Reserve board authority for information that 80 per cent of these homes sold less than \$5,000. Financing of this type to sell the number-one problem. Senate Bill 72, expanding the Federal Housing Administration insurance loans must be approved before Congress adjourns." Governor Williams continues his hearing is a government responsibility. "Many of us, regardless of our economic position in life, have

Hay Fever Victims Must 'Take It' Again 'This Year'

Hay fever sufferers will just have to "take it" again this year, according to University of Michigan Doctors, who report there's nothing new to tell them this summer.

"I have had hay fever problems, I myself, but a difficult time finding a suitable home for my family in Lansing. With the exception of a very wealthy few, there isn't anything of our cities which hasn't felt, in some way, the effect of the hay fever season."

Gov. Williams also says that the "doubtful" result of a year's particularly rampant collection of all this American pollen. For the men and women who fought in World War I risked their lives in the defense of our country. It is one thing to say that as an indirect result of their strenuous struggle, there are no homes for them."

Woman Defeats Burglar By Using Butcher Knife

CHICAGO.—A first-time woman manager of a downtown candy shop used a butcher knife to fight off a luskky hoodlum man wielding a penknife.

Two policemen captured Charles Sanders, 23, after a short chase from the Dutch Milk candy shop. He had taken \$14 before he fled.

Sanders is six feet tall and weighs 210 pounds. The manager, Mrs. Elizabeth Bergstrom, 52, who weighs 100 pounds, struggled with Sanders bravely, then ran to the street, shouting a holdup was in progress. He fled after her. In their scuffle she suffered a small finger cut.

The man gave his address as San Antonio, Tex. Police said he told them he came here from Texas and had robbed another candy store of \$15.

Doodlings on Cliffs Puzzle Archaeologists

LAS VEGAS, Nev.—Archaeological scouts are facing a perplexing "whodunit."

The mystery concerns numerous doodlings found on the steep cliffs and rock-bottom floor of nearby Keyhole canyon in the heart of the Mojave desert.

Two diversified schools have their own solution, but both agree those latest finds of the primitive art of leaving a mark, date back at least 1,500 years.

The doodlers, or petroglyphs—as the more technical folk call them—have intrigued archaeologists and students of Indian lore all since their discovery.

One school, headed by Dr. George Bandwin, archaeologist with the national park service, says it was the work of the Patayans who disappeared from Nevada culture around 2500 A.D.

On the other hand, Dr. Robert Fenton of Boulder City, Nev., contends the petroglyphs are the work of the "little men." Dr. Fenton asserts, were perfectly formed midlegs about two feet tall, who were the leading citizens of the area in the first centuries of the Christian era.

Fire Department Called To Cool off Turkeys

HAGERSTOWN, Md.—The fire department was called out to cool off 6,000 turkeys.

As the mercury climbed to 100 degrees, 600 gobblers on Adam Martin's near-by farm flocked over and died.

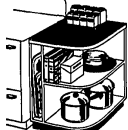

Martin, already out a \$2,000 worth of birds, put in a bulky call to city officials. They sent out a fire truck. The firemen spent the rest of the afternoon shooting cooling streams of water into the air and over the survivors.

Executed Slayer Gives Eyes to Help the Blind

OSNING, N. Y.—A one-time waterfront gunman, whose nose-sight once caused him to murder the wrong man, has willed his eyes to help the blind. His nose was quest before being put to death in Sing Sing prison's electric chair.

Concerns from the man's eyes were removed at an autopsy immediately after his execution. They were delivered to the eye bank for sight restoration in New York.

DOAN'S PILLS

Here's WHY Firestone CHAMPIONS

IT'S talk facts . . . Here is a tire that has extra bar height, extra bar length, and a curved bar design that outlasts, outpulls, and outlasts any other tire. NO OTHER TIRE has ALL these advantages.

Those massive tread bars take a bigger bite, a better hold—and THAT'S NOT ALL. Because they're curved for self-cleaning, they keep right on pulling while other tires only clog and spin.

And here's another big feature. Every inch of tread-bar length does its share of the pulling because the low-pressure body design puts ALL of the tread in FULL ground contact for a FULL TRACTION BITE. Because it's patented, this tire gives you many advantages which no other tire has. Let your Firestone Dealer or Firestone Store demonstrate these facts to your satisfaction.

Sports Rowwow From the

by TOM FELLOW

We held our annual summer "Rowwow" recently at the Sheffield, former Negaunee court and currently golf proctor and athletic director at the school, who is spending the summer at the Sheffield residence of Mrs. L. A. Smith. As usual, "Tommy" was singing the "Ladies and Gentlemen" and we were all well. We believe he would do any job 100 times in the field this fall, as he claims to be "stronger than a bull" and "faster than a cheetah." He also claims to be "stronger than a bull" and "faster than a cheetah." He also claims to be "stronger than a bull" and "faster than a cheetah."

He, F. H. Howard, Detroit, new St. Paul High athletic director is going all out for a fall. Line officials program at the football field. The initial set was taken during the night when a meeting was held of boys interested in playing football. The football, it is said, will play a full, inch-wide schedule, and plans are in the making for both indoor and track next spring. Fine to the fact that the first attempt at football at St. Paul, F. H. Howard does not plan to complete school this fall, but he expects to be back at least one or two years with a Class C or B diploma in the autumn of the peninsula and also to arrange for two or three more with it comes from the larger schools.

Emil Pontow's 72-Yard Punt Return Gives South Second Victory In All-Star Series

Emil Pontow, Negaunee, scored on the ball at this point. In the first period, the South defeated another outstanding drive which carried from its own 20-yard line to the North seven yards where Lee, Negaunee quarterback, called the threat by intercepting the ball. At this point, one of the most spectacular plays of the night occurred, when with 10 minutes to play the North scored in overtime. Lee's punt landed in the end zone, but the South was unable to score.

ALL-STAR MIDLIGHTS

When Emil Pontow runs punt with Jack Zank's pass, it is said, as far as we can ascertain, made for All-Star record — the longest punt run in the four-year history of the game. It was a beautiful play of the game, in the opinion of the press, which was noted by equally beautiful down field blocking on the part of his teammates.

Return halves entertainment reached a new peak this year, on the strength of top-notch performances by the Annual Temple-Shrine drill team and the Negaunee, Miss Drum Majorettes of America, patrol was a masterpiece of precision drilling and particularly effective were the routines in which colored lights were used while the drummers performed. Miss Schwab's march band lined up in her obedience drill and it was a pleasure to see every man in uniform of every gun we talked to in the tent. The drum majorettes field they had seen — unfortunately, things went wrong with Rosemary's flaming baton but she didn't need it — her exhibition under the lights was more than enough to satisfy the most exacting.
