## Council Will Ask Approval Of Tax Notes

Meeting in special session Wed-nesday night, the Negaunce city council acting on a motion by Ald. Juryi, supported by Akl. Cattron. ununimously approved a resolution requesting the Michigan Finance Commission to approve bauing of rax anticipation nute: in the of \$60,000 as a menns of solving the city's financial prob-

on Monday night, Mayor Alvin C. Hampton informed members of the council that the city was practic ally broke, estimating there was between \$12,000 and \$14,000 in the bank -- sufficient to meet ex penses of the current city pay day.

the resolution requesting the finance commission to approve is suing of tax anticipation notes suing of tax anticipation note was made rendy by City Attorney Michael DePant, who informed the council prior to reading of the resolution that he had checker, with the commission and the recent state law requuiring approxal of that body for a loan supersedes the city charter provis The \$60,000 in tax anticipation notes will be used to pay wages, salaries and operating expenses up to the first of the year. The re-

clution provides that the city borrow this amount or such part thereof as the finance commission may authorize, that the interest may authorize, that the interest rate be four per cent and that the loan be payable on January 15, of 1950. The deadline for bids on the notes was set at Sept. 28.

A resolution was passed also authorizing the auditing firm which handles the city account to

Council members took action also to bolster the treasury by elim-inating entirely the discount on electric light bills retreactive to August 1, At a previous meeting it had been decided to reduce the amount of discount from 10 per cent to three per cent. It was then pointed out that elimination of the three per cent would mean an increase in revenue for the city of Kelly Lists \$300 per month,
