NEGAWEE, MICHIGAN FRIDAY, JANUARY 28, 1954

NUMBER 8

Operation of Dial System Begins

Negawee Mayor Fred Harris places the first of several cut over his new dial telephone system shortly after midnight Saturday night, as William S. Ryan, Negawee-Negawee manager for Michigan Bell looks on. Mayor Harris called his brother John at the Negawee Fire Hall. The call was placed during informal ceremonies inaugurating the event.

Chouquette Rites Held Wednesday

Final rites were held at 9 a.m. Wednesday in St. Paul's Catholic Church, Rt. Rev. Mgr. Joseph L. Zyz, officiating, for Henry Chouquette, well known Negawee man, who died suddenly at Augustana Hospital, Chicago, at 11:45 Sunday morning, where he had recently submitted to surgery.

Although he had been ill for about four months, Mr. Chouquette had apparently come through surgery in fine condition and his death was unexpected.

Mr. Chouquette, who was known by a wide circle of local acquaintances as "Bron" was born in Negawee January 7, 1890 and had been a lifelong resident of the community.

He was employed by the Cleveland Cliffs Iron Co. for nearly 40 years, his association with the mining concern dating back to 1916, when he became superintendent at the Negawee mine, where he remained until 1950.

From 1950 to 1952, he occupied a similar position at the same mine and during the past 18 months worked out of the central office in Ishpeming as the company's tax auditor.

Active in local organizations, he was a member of the Holy

Local Residents Enjoy New Extended Area 'Phone Service

Local residents had a field day Sunday calling "Grandma" in Marquette and Aunt Minnie in Ishpeming as extended area, or "no toll" service to the neighboring communities became available coincident with installation of the dial system in this city at 12:01 Sunday morning.

Junior's cold, Mary's progress on the piano, the latest dirt from the neighborhood card club up to the minute dope on athletes and other important topics of similar nature received a thorough going over as Negawee phone patrons not only called relatives in Marquette and Ishpeming but old friends as well and all for free.

Despite the fact that the number of calls emanating from Negawee calls of St. Paul's Church, Negawee Elsie Lodge 1118, John B. Mitchell, American Legion Post 66, Wawanawton Golf Club, and Negawee Business & Professional Association. He was a veteran of World War II.

Survivors include his wife Gertrude, one daughter, Ann, two sisters, Mrs. E. W. Hogan and Mrs. Emma Krogsholm, several nieces and nephews.

Pall bearers were John McEachin, Roy Conners, Gus Koopey, Sidney Northey Harry Bee, Sr., and Arthur Olsen. Burial was made in the family lot in the Negawee cemetery.

Initial Reports On 1955 March Of Dimes Drive Are Encouraging

With the Mothers March on Polio here last night expected to provide a major share of the impetus, Negawee's 1955 March of Dimes, following a slow start, is making definite progress, according to a report by Tom Fellow, city chairman.

"Although due to present economic conditions in the area we may not reach the record amount of \$4,000 attained here a year ago, figures to date look encouraging," the chairman said. He cited donations by students in the three public schools in the city as a basis for his optimism, pointing out that they exceeded the total of last year.

37 Memberships Received by BPA

In response to a letter opening the 1955 membership drive, a total of 37 memberships from business organizations in the area and professional men have already been received by the Negawee Business & Professional Association, Thomas Fellow, secretary, announced this week.

Heading the list is the Cleveland Cliffs Iron Co., which has a total of eight memberships from the mining department plus three from the land department.

First check for a 1955 membership was received from August P. Johanson, oldest member in the organization.

Other memberships received to date are as follows: Diggers Insurance Agency, Rt. Rev. Mgr. Joseph L. Zyz, Section 8 Restaurant, Bancroft Dairy, Violette's Theatre, Ted's Shell Service, R. S. Archibald, Lowenstein's, Northern Terrace & Title, Ericson Oil, Fellow Printing, System Hardware, First National Bank, two, Levine Bros, Sells's Mining Journal, Michigan Gas, P & M Contractors, Twin City Finishes Corp., Negawee-Negawee and Ishpeming Broadcasting Co.

Concerns that have not yet mailed in memberships are urged to do so prior to the February meeting of the Association at which time a report on the latter campaign will be presented.

Following this meeting the membership committee will personally contact business and professional men who have not obtained their 1955 memberships.

Former Local Man Assists Sen. Nolan

Appointment of a former Negawee resident, Oliver (Bub) Dempierre, as administrative assistant to the minority leader in the United States Senate, Senator William F. Nolan, of California, has been announced.

Mr. Dempierre, son of Mr. Eva Dempierre, 116 East Clark street, formerly served as administrative assistant to Senator Homer Ferguson, of Michigan, who was defeated in his bid for re-election last November.

The new position, which the former Negawee man occupies carries considerably more prestige than that which he formerly

Despite the fact that employment in the Negawee area is down from a year ago, Central Grade School pupils promptly matched their 1954 contributions donating \$182.00, while those at the Lakeview showed a slight increase with \$78. Negawee High students nearly tripled the amount they turned in last year, donating a total of \$118.00.

In addition, special collections at two basketball games, resulted in a month's total of \$42.00 was collected at the Negawee-Ishpeming game and \$31.27 at the St. Paul-National Mine fight.

All high school collections to date amount to \$542.47 with results of coin card donations by P. P. P. School pupils still to be submitted.

Only two special fund raising events remain on the agenda—union drive officials decide to postpone closing of the campaign beyond the original closing date of January 31. They include a "dinner coffee day" today at the Mat's Ditt restaurant at which 20 cents will be charged for each cup of coffee instead of the usual nickel with the entire amount going to the polio fund and the annual spaghetti supper sponsored by Negawee Veterans and the original closing date of January 31, which will be held Sunday night in the V.P.W. clubrooms. Tickets for both are contributions obtained from V.P.W. members or at the clubrooms. Serving will be from 7 to 10 p.m. and the total two drives the V.P.W. has raised approximately \$100 each year from the benefit supper, and it is hoped to equal that amount again.

Present returns do not include any donations made in individual coin cards. Contributions placed in canisters that are in practically every business concern in the community.

He occupied with Senator Ferguson.

As administrative assistant to the minority leader, he serves Senator Nolan's side at the Capitol and assists him in the legislative work and program on Democratic issues. He also handles the work of the California senator's office in the capitol area, and assists him in the building. In his former position he ran the Senate building office in the capitol area.

Graduating from Negawee in 1934, Dempierre has spent the past 18 years in Washington as secretary of the late Arthur Ferguson, carries considerably more prestige than that which he formerly

COUNCIL PROCEEDINGS CITY OF NEGAUNEE

REGULAR MEETING
December 6, 1955-7:30 P.M.
The regular meeting of the Negaunee City Council was held on Thursday, December 6, 1955, at 7:30 P. M. in the Council Chambers.

Members present:
Mayor C. Vanne Hiney
Councilman Ollila
Councilman Harris
Councilman Catron
Councilman Agosti
Councilman Phillips
Councilman Lehto
Supervisor Dempster
Supervisor Beltrami
Supervisor Sandstrom
Supervisor Ghirardi
Supervisor Reichardt

supported by Councilman Catron that the report of Cash Receipts, Cash Disbursements and Cash Balances for November, 1954 be accepted and published. All voting aye.
Motion by Councilman Ollila supported by Councilman Agosti that the report of Claims and Accounts for November, 1954 be allowed and ordered. All voting aye.
Motion by Mayor Hiney supported by Councilman Catron that the Payroll Detail Report for November, 1954 be received and placed on file. All voting aye.
Motion by Councilman Ollila supported by Councilman Phillips that the Budget Summary Expense Report for the period ending November 30, 1954, be received and placed on file. All voting aye.
Motion by Councilman Harris supported by Councilman Catron that the Water & Electric Utility reports for the third quarter be received and placed on file. All voting aye.

Minutes
Motion by Councilman Lehto supported by Councilman Phillips, that the minutes of the regular meeting of November 11, 1954 and the special meeting of November 29, 1954, be approved as read and published. All voting aye.
Financial Reports
Motion by Councilman Harris on file. All voting aye.

CITY OF NEGAUNEE - Statement of Cash Receipts, Disbursements, and Balances for the Month of November, 1954

Table with financial data for November 1954. Includes items like Bank Balance Nov. 1, 1954; Deposits as detailed below; Less Claims and Accounts for Nov.; Less Payroll for Nov.; Actual Cash Balance Nov. 30, 1954; Detail of Cash Income-General Fund; Miscellaneous; Delinquent taxes; School taxes; Interest on taxes; Tourist Park fees; Sales tax Diversion; Gas and Weight tax; Court Fines; Burial Permits; Refund on Insurance; Motor Vehicle License fees; Sale of Cemetery Lots; Royalty - Baldwin Kilt Road; Sewer permits; Electric utility; Customers' Deposits; Water Utility; Water sales.

Monday thru Friday - 8 A.M. to 4 P.M.
Saturday - 8 A.M. to 12 Noon.
The City Health Department does not recommend, and

40 YEARS AGO

THESE ITEMS REPRODUCED FROM THE FILES

OF THE NEGAUNEE IRON HERALD

E. J. Pearce, who returned last Sunday morning from Chicago, has returned to his home at Albia.

Paul Bell arrived home this morning from Ann Arbor.

John Manning who has been employed as manager of F. Brannan's store ever since its inauguration in this city four years ago has resigned his position.

Michael J. Curley departed on Sunday night on his return to St. Paul after visiting here for a few days with his parents, Mr. and Mrs. M. H. Curley.

The Negaunee High School basketball team lost its second game of the season Friday night when Marquette won a hard fought game played in the championship county series by the local team which previously lost to Tappan.

Winter & Suez ice house has just been filled with a fine quality of Teal Lake ice.

The thermometer at the grocery house, Teal Lake, registered 37 below zero at 8:40 yesterday morning and all below at the same hour this morning.

Mrs. E. M. Klein royally entertained a number of her friends yesterday at her home on Main street.

The price of admission to the Royal Theater has been changed from five cents for one and all to five and ten cents as formerly.

Miss Myrtle Mitchell was among passengers to Chicago on Tuesday evening.

A very pleasant surprise party was held at the home of Mr. and Mrs. Max Faust, Cherry street, Wednesday evening. All present were royally entertained.

A number of local ice skaters have formed a hockey team and are engaged and anxious for a contest with any similar team in Marquette county. Lineup of the Negaunee team is as follows: Jesse Post, goal; Penton Manning, point; Richard Grandville, cover point; Everett Amnell, recovery; Leonard Field, center; Wm. Davey, right wing; Wm. Pello, left wing.

The first annual Upper Peninsula Auto Show is the name that has been selected for the big exhibit which it is planned to conduct in the Coliseum rink in Sault Ste. Marie early in April.

Negaunee, as usual, made the most prompt as well as largest returns on tax collections. Of the amounts turned over by the city and township treasurers to and including January 15, Negaunee headed the list with \$78,700. Old Wintery sure did step in this week. The thermometer at

the Breifing Hotel registered the following at 3 o'clock each morning for the day mentioned: Tuesday, 8 below; Wednesday, 10 below; Thursday, 20 below; Friday, 15 below.

The ingenious invention of a revolving door solved the problem of the modern skyscraper.

A new storm clock has been developed so accurate that it would take three million years as severe pressure on an ocean for it to gain or lose a second.

Making First Long Distance Call

As one Lewinsten, Marquette city attorney, is pictured above as he made the first long distance call from this area over a special telephone installed in the Mather Inn dining room during international ceremonies making the start of that service in Marquette County, Atty. Lewinsten shortly after midnight Saturday night called his sister who resides in Santa Monica, Calif.

Negaunee Hopes For Conference Title On Block This Weekend

Great Lakes Conference basketball title hopes of the Negaunee Miners go on the block this weekend, when Coach Harry Sorlat's cagers play host to the Marquette Emeralds tonight and the once visiting Soo Blue Devils Saturday night at Memorial Gymnasium.

Still in the thick of the championship race, as a result of coping their last three games in a row, all at the expense of conference opponents, following a earlier defeat at the hands of league opposition, the Maize & Blue climbed to third spot in the Great Lakes Conference race by whipping Marquette last Friday night.

With the right combination of circumstances this weekend, the Miners could find themselves at the top of the heap in the championship scramble as of Saturday night.

This combination involves several "ifs" however, chief among which are if the Sorlatites defeat both the Emeralds and Blue Devils. Another "if" necessary to bring about this outcome is if Gladstone loses to either Marquette tonight on the Hemmetts court, or to Newberry at Gladstone Saturday night, for the Braves are currently in the runner-up spot in the league, a half game ahead of the Miners.

Although the Miners will be favored to take Marquette who are occupying the top cellar, with a record of one victory and five outings, the Soo tilt is another story.

One of the two league losses inflicted on the Maize and Blue by the Blue Devils prior to the Christmas holidays at the Sault.

In this game, the Sorlat club outscored the Eddie Oles outfit for three quarters, but were victims of a bad second period and dropped a six point 51-45 verdict.

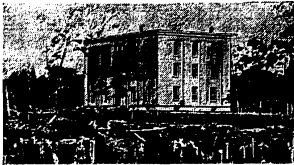

However, in the initial encounter between the teams, Negaunee was without the services of Bill Mitchell, and the Miners were unable to control the rebounds. Sorlat pointed out yesterday that with Mitch again available for duty it has been a different game. The big pivot man, who is recovering from an appendectomy, has yet to play more than half a ball game, but if necessity demands it Saturday night, he may go at least three quarters.

Hurling the Maize and Blue hopes may be the absence of Louie Chiri, who has been used more and more by Sorlat in recent games because of his rebounding ability. Chiri who has been rough and rugged on the boards, developed an infected toe following the Marquette tilt and missed the first three nights of practice this week. If the toe is not too sore, he may see action, but in all probability he will be used sparingly.

Another replacement, Chinky Lahtinen has recovered from an arm infection, which caused him to miss several practice sessions and kept him out of the Marquette game.

Sorlat indicated yesterday he will probably stick with the same starting five he has used over the last several weeks with Roger Jennings in the pivot spot, Bill Mitchell and Jim Gervase forwards, Bob Herman and Dave Ghilardi, guards.

M. S. C. to Observe 100th Anniversary

On February 12, 1955, Michigan State College will be 100 years old. On that date—Founders' Day—M.S.C. will begin a year-long celebration of the event which drastically changed the course of higher education in America. It will commemorate the founding of a college which for the first time was to serve large numbers of people rather than the relatively few.

Michigan State College was the first agricultural college and the model for the land-grant college system established by the Morrill Act in 1862. Pictured above is Old College Hall, where agriculture was first taught as a science. Bessemer Tower, left, stands today on that historic spot and is the landmark for the Michigan State College of 1955, eighth largest university in the nation.

Magr. Sp. J. gatti Heads Committee On Cage Teams.

Meeting for their quarterly winter business session in Negaunee, members of the Upper Peninsula Weekly Publishers Association named a committee consisting of Magr. David P. Spelagatti, editor of Our Sunday Visitor, Tom and Dick Fulton, Iron Herald Publishers, to make plans for selection by the Association of honorary Peninsula basketball teams in various classes.

Appointment of the committee in order that selection of teams

will be made in the spring meeting of the Association. It was emphasized that selection of honorary teams should be made on a basis of merit, rather than sectional or geographical basis.

Publishers were of the opinion that the 13 weekly papers in the Peninsula are strategically located, so that it will be possible between them for representatives to personally see practically every team in action. It was suggested that the committee also consider a contact with the coaches and officials in selecting the teams.

The committee will make its report to members in February.

can be made at the spring meeting of the Association.

1935 License Sale Moves Slowly Here

With little more than a month remaining prior to the deadline for 1935 automobile licenses, sales of 1935 plates at the Negaunee branch of the Secretary of State's office are moving slowly, Miss Shirley Mallett, who is supervising the sale disclosed this week.

Miss Mallett, who was appointed temporarily to take over the local office following the death of Capt. Jos. Thomas, revealed that to date only 1,250

passenger plates and 600 commercial plates have been sold. "This today" she said, "is less than 20 per cent of the number which three last year, when the Negaunee office handled 7,194 passenger plates and an additional 225 licenses for commercial vehicles."

"New plates have been available here approximately two months and unless sales show a

considerable increase during the next two or three weeks there is probable to be the usual amount of last minute congestion she added.

Miss Mallett urged fleet owners to make plans for obtaining plates well in advance of the deadline, as listing these tags ties up at least one member of the office staff for a considerable period of time and compli-

cates matters when there are lines of other vehicle owners waiting to obtain plates.

Motorists in addition to the prepared application blanks that were mailed them by the Secretary of State are reminded they must bring with them titles to vehicles in order to purchase new plates.

chairman of the Marquette-Croft Board of Supervisors, Vera Johnson, who furnished the information that accompanied the plates, Mayor Sven Eskola of Ishpeming, Fred Harter of Negaunee and Ryan.

Sports Powwow from the

Though there's an old saying the Polar Bears were edged by dispensable", apparently one man can make a whole of a difference in a basketball game.

Harry Sorial attributed his team's win over Marquette last Friday night, a victory which pleased the local mentor no less than the players. "We were more aggressive than we have been in any other game this season, and our rebounding was and Blue coach said in reviewing the game Monday.

Sorial pointed out that while Negaunee was aggressive throughout the game, Marquette was hurt by the fact that its three tall men, Pengate, Morrison and Micklow, were reviewing their first setback. This loss was followed by defeats at the hands of Newberry, Soo and Ontonagon, before the Maize and Blue departed tapering hot. The last two weekends, though Mitchell was used in just one game when the going was rough, the Sorial five beat Musauito at Marquette, both ways from home, and now have a three game winning streak.

Gwin opened with seven victories in a row before losing the services of Musauito due to a broken index finger on his left hand in the closing minutes of the Musauito game. The Model Towners managed to hold off the Maizers but the following week, playing their first full game without Barry in the first half, they were routed by Frodo, 77-55, and last Friday dropped a 44-41 decision to Rock. Incidentally, the rumor making the local rounds that the Gwin sharp shooter would lose the finger is just so much folklore. Musauito suffers from an condition which the bones in his hand fail to assimilate calcium, but doctors have set the injured finger and expect he may be able to play again shortly before the tournament.

Ontonagon likewise posted a winning record, including the triumph over Negaunee before losing the services of White, a high scoring forward, because of a broken bone in the arch on his right foot in the game at Calumet. As a result of the injury, White is through for the season. Ontonagon managed to shade the Copper Kings but last Friday, playing their first full game without his services,

First he lost Bill Mitchell for several weeks due to an appendectomy. Then since Mitchell returned to the squad, Chinky Laitinen has been a source of action because of an infection in his arm. Over the weekend, Louie Chiri, who has become an invaluable replacement due to his defensive rebounding ability, appeared with a swollen eye on his right foot. At first it was feared it might be broken but examination revealed it was infected and it was lanced Monday. Chiri's couple of penalties resembles this week, but will probably be available for limited duty, if needed, tonight and Sunday.

Miners Trim Redmen For 5th Victory

Following a nip and tuck first half in which the lead changed hands on numerous occasions, the Negaunee Miners held Marquette to a single point in the third quarter to coast home with an 87-44 victory at Sidney Adams Gymnasium Friday night. It was the third win in a row for the Sorial quint, its third consecutive Great Lakes Conference victory, and fifth triumph of the season, giving the Maize and Blue an overall record of five wins as compared to four losses.

Marquette, hitting on seven of its 12 attempts from the field in the opening eight minutes, held an 18-16 lead at the end of the quarter, but Negaunee, due to a long shot by Dave Ghilardi as the gun pointed for the half, gave the game to the Miners, 30-29, at the intermission 30-29. Controlling the rebounds consistently throughout the last half, the Miners increased their advantage to nine points in the third quarter 38-29 before Micklow scored from the foul stripe

for the Redmen shortly before the period ended.

After Morrison tallied from the free throw line to reduce the Negaunee margin to seven points, at the final period opening the Miners broke the game over the way.

JIM GEDVAC

With a team victory of 81-61, plus Bill Mitchell's starting five, plus Jim Mitchell and Louie Chiri, who were used in spots turning in better than average performances, Jim Gwyn probably came up with his best job of the season, as he netted 8 points and rebounded well defensively.

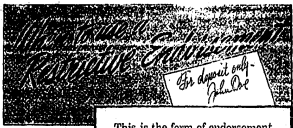

Leading the Negaunee attack was Roger Janowski who tallied 15 points, although he sat out part of the contest due to an accumulation of four fouls in the last half. Dave Ghilardi hit 10 double figures for the second week in a row, netting 13 points on three buckets and seven gift shots.

HARRY SORIAL

to avoid taking any chances in the second half because of fouls. Pengate and Morrison each had three fouls at the intermission, while Micklow had four.

The Maize and Blue mentor is having a rough time this year keeping his squad intact due to the sickness and injury bugaboo

Saints Stop Rock Streak At 9 Games

Jack, the Giant Killer, fabulously fine tale character, apparently has nothing on the St. Paul Emeralds. For the second time this season, Coach Matt Vanni's basketball quint pulled "The Killing" act Wednesday night, when the Parochials removed U. P. basketball coach by trimming the Delta County club out.

In snipping at nine games the victory string compiled by the Little Giants, the Catholics received a performance they staged earlier in the current campaign, when they halted the win streak of John D. Pierce High.

Vanni's eagles came up with their best game of the season to date, as their ball handling was smooth, passing accurate, and shooting better than average. But for the loss of both Don Bespura and Bob Jandron via the foul route the margin of victory compiled by the Emeralds probably would have been much larger.

Bespura and Jandron were assigned the defensive task of double teaming on Hede, lanky-Rock point man, and between them they held the Little Giant center to five field goals in the first three quarters. When the two defensive stars left the ball game, however, Hede broke loose with six buckets in the final period to take scoring honors for the night with 23 points.

Finishing the St. Paul attack was Tony Miljour, who came through with his finest performance of the year, playing a good floor game and rebounding well, in addition to tallying 20 points.

eight field goals and four free throws.

After Rock opened the scoring in the first quarter, St. Paul went out in front 3-0 on a basket by Bespura. Two charity tosses gave Rock a 4-0 lead, the last time the Little Giants came ahead for the evening, before the Emeralds came back on baskets by Bob Jandron and Miljour, plus two key shots by Jandron to roll up a 6-4 lead. Hede closed the scoring for the first quarter with his first field goal.

St. Paul hit 20 points in the second quarter, Miljour and Bob Jandron accounting for 18 of them, to take a 20-10 lead at the half and ice the ball game.

Early in the third period, the Parochials ran their lead to 40-

Emeralds Meet Model Town Five On Final Road Trip Of Season

Coach Matt Vanni takes his St. Paul High team on its final road trip of the 1937-38 season tonight, when the Emeralds go to Gwin to meet the Model Towners in the second game of a home and home series.

Due to a switch in scheduling by Joe deKansie (now Holy Name) on the St. Paul basket ball calendar, the Emeralds are playing 10 of their 17 games at home this year. They opened the season with three tilts in a row on foreign courts, and will be home throughout February, as they meet Republic, Eben, Pierce and Champion at Memorial Stadium.

St. Paul which appears to have hit its stride since the hol-

id before Bob Jandron left the ball game after committing his fourth foul. Rock, with the aid of Jandron began to whittle down the deficit and reduced the margin by six points before the quarter ended with St. Paul leading 41-27.

In the last eight minutes, the Little Giants cut the Parochials lead to 10 points on baskets by Norman and Hede but field them, to take a 20-10 lead at the half and ice the ball game.

Early in the third period, the Parochials ran their lead to 40-

days will be a slight favorite, despite the fact that Gwin will have a home court advantage.

In their pre-holiday clash here, the Model Town five shaded the Catholics 60-43 with Barry Muscato accounting for 37 of the Gwin 60 points.

Muscato has been out of the Gwin line-up since he broke the index finger of his left hand against Munising three weeks ago, and Coach Paul Thurston will not have him available for duty again until shortly before tournament time.

After rolling up seven consecutive victories, the Muscatoless Model Towners have been defeated in their last two outings taking a 77-42 shellacking from Piche, and last weekend dropped a thriller to Rock 49-46.

St. Paul meanwhile, started slowly but has rolled up five consecutive wins after dropping its first post holiday start to Nargis Parochial.

Strengthening the Emerald club for the balance of the season will be Dick Martlett, promising young sophomore and a transfer student from Ishpeming who becomes eligible with the start of the second semester.

On the strength of his performance in practice, Vanni rates Martlett as the best shot on his

squad. However, he cautioned that practice and actual competition are two entirely different conditions. "He has looked exceedingly good in practice, but it remains to be seen what he will do under pressure," Vanni said. "If he continues to shoot that way in regular competition, there is no doubt, but what he will do is a lot of good."

Vanni plans to use Martlett as a replacement for either of his present forwards, Miljour or Dick Jandron, unless the sophomore shows sufficient ability to win a starting assignment at either of the jobs. The remainder of the Emerald line-up will consist of Bob Jandron in the post spot, with Bespura and Pepin guards.
