NUMBER 36

Begin Work On Span

Pictured above workmen begin work on footings for span in railroad bridge which crosses new road to Buffalo Hill location. The center section of the wooden structure will be removed and replaced by four steel I beams, each 36 feet in length.

Expect Gain in Enrollment Despite Census Statistics

Although the 1955 school census figures show a slight decline in the number of students between the ages of five and 19 there will probably be one of the largest enrollments in public schools here next year in local history, according to E. W. Born, superintendent of schools.

In announcing statistics on the recently completed annual school census, Supt. Born disclosed that the total number of students of school age numbered 1,646, which is a drop of 29 from a year ago. However, he pointed out that it is not a true picture of public school enrollment, as the home room system also includes tuition students from Negaunee and Richmond Townships. The number of pupils from these two areas during the ensuing school year is expected to hit between 250 and 300, which will give Negaunee a total enrollment of somewhere in the vicinity of 1,900.

Local census figures show that in the 1,646 local boys outnumber girls, as there are 868 boys of school age and only 778 girls. These figures continue the trend here in recent years.

Census enumerators also obtained figures on the number of children under age of one thru four years of age and there are 580 youngsters in this bracket in the city.

In this age group also boys predominate, as there are 283 boys compared with 293 girls.

Statistics are obtained annually by census and enumerators

as the number of children of school age is the determining factor for payment or primary funds to the local school system.

Rites Held Tuesday for Mrs. Prudom

Final rites were held at 9 a.m. Tuesday in St. Paul's Catholic church, Rev. Robert Cordy officiating, for Mrs. Clarence Prudom, who died early Friday morning in Billings Hospital, Chicago, following an illness of one month.

Mrs. Prudom, who was 47 years old at the time of her death, was born in Ishpeming and resided in that city until 1934 when she moved to Negaunee.

An active worker in church and community organizations, Mrs. Prudom was well known here. She was a member of the Altar Society and Senior Chorus of St. Paul's church, the Daughters of Isabella, Negaunee Women's Club, Women's Benefit Association and Morgan Heights Sanatorium Auxiliary.

Survivors include her husband two sons, Theodore, Ishpeming, and Robert at home, and one granddaughter, Kristine.

Pall bearers were Dominic DiGeroni, John Johns, Elmer DeChambone, and Clarence Kuchel of Negaunee, Leonard Johnson of Marquette and Leonard Altonello, Ishpeming. Burial was made in the Negaunee cemetery

Negaunee Aerie Represented at Eagles Conference

Approximately 20 members of Negaunee Eagles Aerie 1944 and its Auxiliary are attending the International Conference of the Fraternal Order of Eagles, which opened yesterday in Milwaukee.

Heading the local delegation as the official representative of the Negaunee Aerie is Past President Leonard Hill, who was accompanied by his wife.

Attending the conference also from Negaunee are Mr. and Mrs. Clarence Chapman, Mr. and Mrs. Oliver Sippola, Mr. and Mrs. Wm. Oikilainen, Mr. and Mrs. Pentti Rantanen, Mr. and Mrs. Oliver Kreek, Robert Toote, Robert Mattson, Oliver Meni, Wilfred Kranis, Clyde Eddy, John Mattson and Bill Pykola.

More than 30,000 Eagles and auxiliary members from the United States, Canada, Alaska and Hawaii and the Philippines will jam Milwaukee for the four day gathering, which ends Sunday.

Heading the list of distinguished visitors who will appear on the speaker's platform is Harold Stassen, special assistant to President Eisenhower on disarmament affairs, who just returned from the Big Four Conference, Stassen's address entitled, "The Path to Peace."

Other persons from the entertainment and sports field who will be present include singer Jimmie Melton, Jack Dempsey, Victor Berge, and Jack Carson, Milwaukee's motion picture and television star.

The convention parade, which will include Eagle drill teams, bands and floats from throughout the nation, is scheduled for 2 o'clock Saturday afternoon.

Brass Sextet Will Be Featured on City Band Program

Members of the Negaunee City Band will present the 5th edition of their 1955 summer concerts at 8 p.m. Sunday at the municipal band shell.

Featured this week in the number, "September Song" will be a brass sextet. The program announced today by Director Joseph Barabek follows:

- Bandman March, Smith
- Scout's March, Zernick
- Waltz of St. Louis, Barnhouse
- September Song, Well
- In a Moonlight Garden, King
- Bell of the Ball House
- Fortune Teller, Herbert
- Colonel Bogey March, Alford
- Waltz in Blue, W. W. Young
- Leaser

The Mouse and the Clock, Princess Oskaloos, Barnhouse

Plan Resumption Of Polio Inoculations In Twin City Area

Resumption of Salk vaccine inoculations as a polio prevention measure will get underway in the Negaunee-Twin City area within the next two weeks, Dr. G. O. Knutson, Negaunee, who is in charge of the program in Marquette County, revealed Thursday afternoon.

Dr. Knutson was advised this week that an initial total of 800 CC's of the vaccine has been received at Powers for allotment in Marquette county. This is approximately 40 per cent of the amount required to inoculate approximately 1,100 school children, who received initial shots back in April.

New Clergymen

Rev. Robert Cordy exchanged positions with Rev. Magr. Joseph L. Zryl, Fr. Cordy became pastor of St. Paul's Catholic church, Negaunee and Magr. Zryl returning to St. Michael's parish in Marquette.

Pastor Arthur Johnson arrived here this week to succeed Rev. Emil Nyland, who accepted a position at Killdeer North Dakota, at the Calvary Baptist church.

Petitions Forwarded to Congressman

Petitions, which had been distributed by the secretary's office of the Negaunee Business & Professional Association, were collected Tuesday for forwarding to Congressman John D. Bennett requesting his assistance in obtaining for this area immediate establishment of Highway Post Office Service.

With the supply of vaccine presently available to this area not sufficient to include all children of the first and second grade levels, who received the original inoculation, it was decided to use the shipment on hand for youngsters in the Negaunee - Ishpeming area. Dr. Knutson disclosed, it is planned to extend the program in Marquette when the next quantity of vaccine is received.

Consent of authorities at Francis Bell Memorial Hospital has already been assured and the hospital will be utilized as the site for the second inoculations.

William S. Peterson, superintendent of schools in Marquette, will again be in charge of registering children who will receive the second shot. It is expected that parents will be requested to sign another registration blank in favor of children who will receive the vaccine.

According to latest information from Dr. Knutson, the second shot will be the final inoculation. When the program was initiated in April, a series of three inoculations was scheduled with a second shot one week after the first, and a third, or booster shot one month later.

Before the program could be continued efficiently areas with vaccine manufactured in certain sections of the country and the project was interrupted by order of the United States Department of Health pending an investigation of recently. The general signal to resume the program was granted recently by the health department and inoculations will get underway in some sections of the state next Monday.

Bearing the signatures of approximately 400 citizens of the Negaunee post office, the petitioners asked that the government establish a Highway Post Office service as well as a highway post office service, which would benefit Smith Shire and Atlantic shirelines in its entire through St. Ignace in Marquette effective July 31.

In addition to the petitioners, copies of resolutions requesting the service, which have the endorsement of the Negaunee Lions Club and officers of the B. P. O., are being mailed to Congressmen Ben Smith, Charles Pitter and Senator Patrick McNamara.

The resolution, similar to that approved by the local business and civic organizations, will be forwarded for consideration by the City Council at a special

NEGAUNEE TOWNSHIP SCHOOLS

ANNUAL MEETING JULY 11, 1955

Annual School Meeting
and Election July 11, 1955
The polls were open at 7:00 p. m. for the purpose of electing one trustee to the Board of Education for a three year term. Veri Wilg was the only candidate.
Louis Jansen, Pearl Granlund, Wm. Wren, Youren and Lillian Jordan were appointed members of the Board.
Mr. Wm. Youren was appointed chairman for the annual business meeting.
The annual meeting was called to order by the chairman Wm. Youren, at 8:00 p. m.
The secretary read the minutes of the last annual meeting held July 13, 1954. A motion by Louis Jansen, supported by Lillian Jordan, that minutes be approved as read, motion carried.
The secretary read the annual statistical and financial report. A motion was made by Lillian Jordan, supported by Pearl Granlund, and carried that financial report be approved as read and placed on file.
A motion by Louis Jansen, supported by Lillian Jordan, that school term conform with that of Negaunee City, which is approved by Veri Wilg, motion carried.
A motion by Pearl Granlund supported by Veri Wilg, that First National Bank of Negaunee be designated as depository for school funds for the ensuing year. Carried.
A motion by John Kivela that salaries of members of Board of Education be limited to \$2,000 for 1955-56 school year. Supported by Louis Jansen and carried.
A motion by John Kivela that a budget of \$73,500.00 be adopted for the 1955-56 school year. Supported by Wm. Youren and carried.
A motion by Louis Jansen that 14 mills be levied on all 1955-56 property in the district for the general school fund of the district school year. Supported by Pearl Granlund and carried.
There being no further business, a motion by Lilla Rivera, supported by Lillian Jordan, motion was adjourned at 5:55 p. m.
At the closing of the polls at 8:00 p. m. it was found that a total of 70 votes were cast. Veri Wilg received 70 votes, with the one vote for both Charles Ruewing and Leonard Seeg.
Veri Wilg was declared duly elected a member of the Board of Education for a three year term. Proximal No. 1, to discontinue grades 3 thru 8 in district and transport to a school in another district received 56 "yes" votes and 20 "no" votes.
At the recognition meeting, called to order at 8:00 p. m., Veri Wilg was reappointed president. Lilla Rivera, secretary, and Alexander Frost, treasurer. Don Grayson and Solo Grayson to serve as trustees.
There being no further business, the meeting was adjourned at 9:45 p. m.

Bell Completes Economic Survey Of Neganeue-Ishpeming Area

Michigan Bell Telephone Co. has completed an economic survey covering the Neganeue-Ishpeming area, plus the townships of Champion, Ely, Hornbaldt, Ishpeming, Neganeue, Michiganumme, Republic and Tilden.

According to the survey, the total effective buying income for the area during 1934 was \$35,800,000, with the average family income for the year amounting to \$4,000.

In the three banks serving the area, there was an increase of 3.8 per cent in resources and 3.9 per cent in deposits in the period from April 15, 1934, to April 15, 1935. Total resources of the financial units in April of this year were \$1,391,485.11, and total deposits \$1,307,852.36.

Bank debts, which represent

money at work, for 1934 for the Ishpeming-Neganeue area amounted to \$29,531,000.

Total retail sales for the trading zone with a population of approximately 20,000, were \$17,811,052 in 1934. Of this amount, \$7,251,251 was spent on food; \$3,700,000 on miscellaneous items, \$2,400,799 for automobiles, or automotive needs and repairs; \$1,000,324 for building materials, and \$1,000,700 for general merchandise.

During 1934, permits were issued for 23 homes with a valuation of \$250,500. 19 garages valued at \$52,200; five industrial and commercial buildings with a value of \$22,000, and five additions or alterations valued at \$12,400.

During 1934, 619 weekly pay brochures, the average weekly earnings of workers engaged in manufacturing industries was \$70. U. S. Social office receipts in Ishpeming and Neganeue totaled \$12,250.00 in 1934, an increase of about \$1000 over 1933, when the total amount was \$107,381.82.

Delegate From Legion Post Active At Boys State

Tony Millour, who represented John H. Mitchell American Legion Post 68 at the annual Wolverine Boy State on the Michigan State University campus, was one of the most active delegates from this community in recent years, according to reports received by the local post.

They were elected health inspector of his city and also named a delegate representing the municipality at the state convention, where representatives had the opportunity to work out problems with State of Michigan officials.

In addition, the Palmer resident, who is a student at St. Paul's High School, gained considerable recognition as a softball player, pitching the team record for his city to the championship of the Michigan State state, in five days. Tony visited five schools.

Begin Work On Buffalo Road Span

Progress is being made on construction of the railroad span over the new road leading to Buffalo Hill location with the footings now in the process of being poured. City Manager George E. Moholtick Jr., announced, Tuesday.

Work on the new road leading to Buffalo Hill, made necessary because of mining operations by Jones & Savatelli, resulted in closing of the old highway, has been at a standstill during the past month, pending arrival of steel

beams required in construction of it. At once as the railroad span is installed, work will be resumed on that portion of the Buffalo Hill road between the bridge and Ann Street, Moholtick announced. It is expected the work on the road will be completed by the end of August, the railroad bridge which passes over the thoroughfare.

Four steel "I" beams, each measuring 32 feet in length and 30 inches in width, arrived here Friday, and it is expected construction of the overpass will be completed in about two weeks.

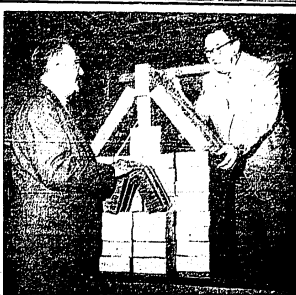

Local Man Attends Area School Meet

Louis W. Richards, member of the Neganeue and Marquette County Boards of Education attended a three day meeting last weekend on the Michigan State University campus of school officials from 11 states held for the purpose of discussing reorganization of school districts.

The session was sponsored by the Michigan Association of School Boards of which Mr. Richards is currently serving as vice president.

Approximately 100 officials of school board organizations and Michigan leaders in education were in attendance. Speakers included Edward Tuttle, executive secretary of the National School Board Association, and Dr. Howard Brown, secretary of the National Education Association, Department of Rural Education, Washington, D. C.

The program was co-ordinated by Everett N. Luce, Michigan superintendent of schools, present at the Michigan Association of School Boards; and Sid H. Stelman, East Lansing, executive secretary of the Michigan group.

\$3,000,000 SCHOOLHOUSE . . . J. L. Mehan (right), chairman of the Railroad Community Committee of Greater Detroit, and State Revenue Commissioner Louis H. Nims put the finishing touches on a "Little green schoolhouse" built out of nearly \$3,000,000 in cash, representing state taxes from railroads operating in Detroit pay for first half of 1935. Since that money is earmarked for distribution to public schools throughout Michigan, cash was used instead of the usual check to dramatize the railroads' fair contribution to school support.

Modern Science Finally Catches Up With Grandpa

I got put in my place the other night. Darned it, too. My father-in-law said we were due for bad weather. "Birds are flying low," he reported. "That means a storm."

I started to joke with the old gentleman about being superstitious. Then my nephew Jim, an aviation from college, piped up: "Granddaddy's right," he says.

"At least, that's what they say at school!" Jim goes on. "The heavy stuff you get before a storm forces inside down low—so high-flying birds have to swoop along the ground if they want to eat."

From where I sit, there's probably sound reasoning back of most old sayings. . . back of anything people have learned to believe in. Take the idea of a witch in time-saving time-saving rods and spooling children—of drinking hot milk, or a refreshing glass of beer, at bedtime. You may not hold with any of these beliefs yourself, but I think it's not smart to give them the "bird."

COUNCIL PROCEEDINGS CITY OF NEGAUNEE

SPECIAL MEETING - Thursday, June 23, 1935 - 7:30 p.m.
A special meeting of the Negaunee City Council was held Thursday, June 23, 1935 at 7:30 p.m., in the Council Chambers.

Members present:
Mayor Fred Harris
Councilmen Hiney
Councilmen Agnoli
Councilmen Cattron
Councilmen Phillips
Councilmen Lehto
Councilmen Mielke

Bids - New Road For Fire Hall
Motion by Councilmen Hiney, supported by Councilmen Cattron and Phillips, that the contract for a new 15 year bonded guaranty road on the Fire Hall at the bid price of \$1,250, which also covers the replacing of not more than two pieces of asphalt be awarded to H. H. Fellow & Sons Inc., Marquette, Michigan, as per bid. All voting aye.

Bids - MC-5 Road Oil For Cemetery and Selected City Streets
Motion by Councilmen Lehto, supported by Councilmen Mielke, that the City purchase the MC-5 Road Oil from the American - Mexican Petroleum Company at the bid price of 22.10, that being the low bid, 10,000 gallons to be shipped immediately and the remaining 10,000 gallons to be shipped August 15, 1935. All voting aye.

Bids - Culverts
Motion by Councilmen Agnoli, supported by Councilmen Hiney, that the Culvert Pipe be purchased from Mr. James Vivian, Box G, Atlantic Mine, Houghton, Michigan, representing the Culvert and Supply Company, that the bid price of \$282.50, that being the low bid meeting specifications. All voting aye.

Bids - Summer Uniforms For Police and Fire Departments
Motion by Councilmen Agnoli, supported by Councilmen Cattron, that the bid to furnish summer uniforms for the Police and Fire Departments, be awarded to Levine Bros., Negaunee, Michigan, at a total bid price of \$17.45 each, this being one bid. The trousers to have a 1 and one half inch light blue stripe down the sides, and the shirts to be of the same color as the stripes. All voting aye.

Communication - National Recreation Association
Motion by Councilmen Agnoli, supported by Councilmen Mielke, that the communication from G. Leslie Lynch, National Recreation Association be received and placed on file, and that the City Manager be authorized to purchase 200 additional copies of the survey report at the price of \$25 per hundred. All voting aye.

Communication - International City Manager's Association

Motion by Councilmen Hiney, supported by Councilmen Agnoli, that the communication from the International City Manager's Association with reference to an invitation to the City Manager to attend the 41st Conference to be held at the Mount Washington Hotel, New Hampshire, on October 2 to 6, 1935, to receive, be placed on file, and that the Mayor be authorized to attend. All voting aye.

Agreement - Rex Dog Pound

Motion by Councilmen Hiney, supported by Councilmen Cattron, that the Agreement between Alk Pulkkinen and Harvey Pulkkinen and the City of Negaunee with reference to the Dog Pound be accepted and placed on file, and that the Mayor and Clerk be authorized to sign. All voting aye.

Bids - Paint For Fire Hall

Motion by Councilmen Mielke, supported by Councilmen Hiney, that the City purchase the paint for the Fire Hall from Symons Hardware, Negaunee, at the bid

bid price of \$3.77 per gallon, that being the low bid meeting all specifications. All voting aye.

Communication - Michigan Municipal League
Motion by Councilmen Hiney, supported by Councilmen Cattron, that the communication from the Michigan Municipal League, with reference to attending the 1935 Annual Meeting, be held on Mackinac Island, September 8, 9, and 10, 1935, be received and placed on file and that City Officials and other members of the City Council be authorized to attend. All voting aye.

Bids - Pistols for Police Dept.
Motion by Councilmen Hiney, supported by Councilmen Lehto and Phillips, that the contract be authorized to call for bids for pistols for the Police Department. All voting aye.

Uncollected Accounts - Water and Electric
Motion by Councilmen Agnoli, supported by Councilmen Hiney, that the list of Uncollected Water and Electric Accounts submitted to the Council in the sum of \$338.46, be written off. All voting aye.

Report - American Water Works Association Conference

Motion by Councilmen Lehto, supported by Councilmen Hiney, that the report of the American Water Works Association Conference, held in Chicago on June 12, to 17, 1935, as submitted by Doyon Kellan Jr., be received and placed on file and the expense allowed. All voting aye.

Lighting - Public Library

Motion by Councilmen Hiney, supported by Councilmen Agnoli, that the contract to furnish lights for the Public Library be awarded to the Westinghouse Electric Company, through the Wongsberg Electric Company, Negaunee, at the bid price of \$2,076, that being the low bid meeting all specifications. All voting aye.

Discussions - Use of Jackson Park Pop Trailers

There was considerable discussion on the matter of permitting trailers to stay at the Jackson Park for a period of more than 7 days, as provided by Ordinance. It was pointed out that there are Trailer Courts in this area to take care of those people who plan to spend several weeks in the community. The operators of these Trailer Courts have gone to considerable expense in establishing this business, in order to comply with State regulations with regard to sanitation and health. It was also felt that the Trailer Court business has become extensive enough to be considered a private enterprise, and that the City of Negaunee should not be in competition with private enterprise. It was presumed that beyond a 7 day period would be interpreted as being more or less "permanent living". Our facilities at Jackson Park were installed and maintained for local use, and do not provide all the conveniences of trailers. Our Charter specifically states: "The use or occupancy of trailers as homes or living quarters within the Corporate Limits of the City is hereby expressly prohibited." Since we have, further, an Ordinance regulating this matter, the Council was unanimous in its belief that it should abide by the provisions of the Charter and the Ordinance.

Resolutions - New Road
Mr. Lewis of the Buffalo Hill Location, was present and expressed the appreciation of the people of that area for the work the City has done in their road, and to inquire as to further work on the road. The City Manager explained that the main ob-

stacle in continuing the work was the delay in the shipment of beams for bridge (underpass), and assured the people of the Buffalo Location that as soon as the material was received and put in place, the work would proceed according to schedule.

Discussion - Electric Speed Timer

After some discussion the Manager explained that the Electric Speed Timer has been sent in for repairs, and as soon as it was returned, it was planned to use it on V-8-A, Co. Road 450, thru Cornishman and in town.

Adjournment
Motion by Councilmen Cattron, supported by Councilmen Agnoli, that the meeting be adjourned. All voting aye.

Respectfully submitted,
Jacob H. Anderson,
City Clerk.

Orientation Program Will Be Held Here

Arrangements will be completed this week by Supt. E. W. Born for an orientation program, or pre-school workshop which will be Sept. 1 and 2, for members of the faculty of the Negaunee Public Schools.

This will mark the third year that a two day program of this nature has been scheduled for Negaunee.

Board of education members expressed complete satisfaction with an evaluation of the results of the project at their July meeting and unanimously endorsed repeating the idea again this year.

Included in the two - day program will be group discussions and general sessions. Arrangements are being made by the superintendent

to obtain the services of two or more well known educators from universities in the mid-west as guest speakers for the clinic.

Weekly Publishers

(Continued from Page Two)

Hosting the gathering were Merle and Rod Pritz of the Newberry News, who arranged for a boat trip to Touchstone Falls and a dinner at the Falls Hotel.

Following the dinner, an evening meeting was held during which publishers had an opportunity to discuss several problems with Elmer White, secretary of Michigan Press Association.

L'Anas was designated as the site of the full quarterly meeting, which will be held Saturday

October 22, 1935, will be Roy and Carl Menze, publishers of the *Ann Arbor Sentinel*.

FOR BRIDES-TO-BE

A SPECIAL OFFER!

With the purchase of each set of 50 or more wedding invitations we will furnish absolutely free the first 50 wedding napkins.

Invitations are available in the latest folded or paneled card types and may be obtained with regular printing or "virkotype," which gives them an appearance similar to engraving.

Our wedding napkins are white, dinner size, imprinted with silver border and imitating bride and groom. Names of the bridal couple are imprinted on the napkins.

Richard Ewelt left Wednesday on a three day business trip to Washington, D. C.

Mr. and Mrs. George Kilvin, of Midland, Wis., are spending the week with relatives here. Leslie Richards returned on Monday from East Lansing, where he attended a three day mid-west conference of representatives of school boards at Michigan State University, that was sponsored by the Michigan Association of School Board members.

Mr. and Mrs. Myron John

UNWRITTEN LAWS

Any vehicle moving slowly on a high speed highway should be an automatic danger signal to motorists approaching from the rear at great highway or high speed. Specially a form factor appears on the left hand side — into which slow moving vehicle could turn.

To pass such a car at high speed when there is an available place for it to turn is to court disaster. A slow moving vehicle has something in common with a pedestrian. Either one can move sideways very quickly and sometimes with no warning at all.

Smart drivers pass slow drivers very slowly so that they can stop in time if an unexpected turn takes place. Remember the safety slogan, "SLOW DOWN AND LIVE!"

First National Will Erect Branch Bank at Republic

Announcement was made Monday by R. S. Archibald, president of the First National Bank of Negaunee, that the bank plans to establish a branch of the First National in Republic.

The bank will be known as the Republic Branch of the First National of Negaunee, and anticipated that the new unit will be opened for business by Jan. 1, 1934.

Archibald revealed that application for permission to establish a branch bank in Republic was made after several weeks of discussion by customers in the Republic area for enlarged and more convenient banking services.

It is the plan of the officers of the First National to provide complete banking service to residents in the Republic area.

Following investigation and analysis of business conditions, it was determined that there was a definite economic need for banking service in the Republic area. The comptroller of the currency approved the branch bank application on July 8.

Executive Vice - President Roy J. Johnson, of the First National, disclosed that the branch unit will be located on the northeast corner of Kelman Avenue and Front Street. A one - story cement block building of modern design will be erected in the near future to house banking facilities.

The branch will be staffed by Sydney W. Northey, Negaunee, branch manager, and Miss Wanda Brock, Republic, office assistant and bookkeeper, respectively. If additional personnel are needed in the future the bank is in operation, it is hoped that it may be staffed from persons in the Republic area.

Northey has been with the First National for nearly 20 years. His work has progressed through all of the banking positions up to and including that of assistant cashier, and is now in the savings and loan department.

The branch will have the benefit of the supervision and supervision of Roy H. Johnson, executive vice - president and John T. Linton, cashier of the First National.

Decision to establish a bank in Republic augurs well for the future of the community, as it indicates that banking when established in a free economy is well known to stimulate the economic progress of the community in which it operates.

JULY 22 - AUG. 12 PROBATE NOTICE

THE PROBATE COURT OF THE COUNTY OF MARQUETTE

At a session of said Court held at the Probate Office in the City of Marquette in said County on the 13th day of July, A. D. 1933, Present, Hunt Carter, Clerk, and Huston, Judge of Probate.

In the matter of the Estate of Phila. Erickka, Deceased.

It appearing to the Court that the time for presentation of claims against said estate should be limited, and that a time and place be appointed to receive, examine and adjust all claims and demands against said estate, and before said Court:

It is Ordered, That all of the creditors of said deceased are required to present their claims to said Court at said Probate Office on or before the 10th day of Sept., A. D. 1933 at 10 o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said deceased.

It is Further Ordered, That Public notice thereof be given by publication of a copy hereof on three successive weeks previous to said day of hearing in the NEGAUNEE, ION HERALD a newspaper printed and circulated in said County.

Carroll C. Rusthon, Judge of Probate.

A True Copy
Elin M. Trickett, Register of Probate.
Aaren Lovrenstein, Atty.

The new mining developments in the Republic area, and the plans for a residential sub-division were factors in a study of known economy in the area, that guided the First National's directors in making this decision.

A survey of public opinion in the area several weeks ago indicated strong support for the new branch in addition to the business district in Republic.

Rev. Matero Will Leave Local Post

Rev. Herman Matero will resign his position as pastor of St. Ignace Lutheran church in Negaunee effective Sept. 15, he has announced.

The announcement concerning Rev. Matero marks the fourth in recent weeks. Rev. Arnold Bjork has resigned as pastor of the Mission Covenant. Rev. Arthur Johnson this week succeeded Rev. Emil Nyland, who left the Calvary Baptist to accept a call at Killebuck, N. D.; and Miss Joseph I. Zyd was transferred to St. Michael's at Marquette, with Rev. Robert Coray succeeding him as pastor of St. Paul's Catholic church.

Rev. Matero plans to take a leave of absence for one year from his ministerial duties. The family will be leaving for the Republic area, and he expects to spend the winter months in Florida.

In January, 1932, Rev. Matero became pastor of Immanuel Lutheran church in Detroit. He was in the position here for 20 years. Rev. Matero was stationed at Zion Lutheran Church,

Construction Lowest Here In 4 Years

For the first time in five years there is a decrease in construction of new homes and remodeling of existing dwellings in Negaunee as a result of 1933 building permits.

Charter provisions require realtors to obtain permits from the clerk before erecting new homes or making any changes in existing ones. Jacob H. Anderson, city clerk, disclosed today that only 10 permits have been issued to date this summer.

Anderson anticipates the building field is once again centering in the area adjacent to First Lake, which is presently known as the Beverly Hills district. No new homes are being equally divided between brick and frame construction.

Anderson anticipates a considerable increase in construction activity as soon as approval is received from the state health department on plans submitted for the new Cleveland - City I. O. O. F. third addition.

Constructive approval has already been given by the City Council to this plan, and work has been completed on installation of streets, alleys and a major share of the sewer system. However, no permits can be issued until the health department gives its "okay" to the project. The area will contain space for 18 dwellings.

In addition to the new home and remodeling work that is underway, one of the largest exterior painting programs in recent years is being carried on, according to business firms handling house paints.

The new church board is in the process of selecting a successor.

NO SINGLE FIGHT! It is responsible for Al Kallins' spectacular success in hitting pitcher Ed Smith on the word of 20-year-old Al himself, who discusses his big, nominal hitting as impersonally as an engineer.

Ed Kallins paid him a \$30,000 contract when a Detroit contract was offered. He tried him out after Smith had been home as he himself, who discusses his big, nominal hitting as impersonally as an engineer.

Here's what young Mr. Kallins believes has contributed to making him the major league's leading hitter.

But Al was fearful that he couldn't hit his big league pitching "too small." His money, reputation, he worried particularly over the cunning slow ball pitchers.

Added weight. Since marrying Louise Hamilton, last winter he has gained almost 10 pounds.

Stronger wrists. He did lots of push ups and pull ups and swung a heavy bat in a gym all winter.

Better knowledge of opposing pitchers. Just out of Baltimore Southern High School last year, Al needed about a full season to learn what kind of stuff every pitcher was and how when they used it.

Former Manager Freddie Hutchinson told 'D' last year that if Kallins hit .270 he would help the team. Al played virtually the entire season and wound up with a .270 average and four home runs.

Early Signs. Hit long ago there were signs of Kallins' big league potential. Back to those days on the sandlots when he played as many as three games a day.

270. This year of course, he started average and wound up with the noise all winter, his batting average as of this writing around .370 and his home run production in the twenties. Not to mention those hits and runs batted in.

What makes this all the more amazing is that Al now rarely gets a good ball to hit. Pitchers are too wary of him. Boston's Willard Rice has been the only one still giving him any trouble.

Kallins not only likes playing catcher who taught him much about baseball, and his two older sisters. To his championship play on the ballfield and top winter line that twice won the state title.

The signs were there when coast to coast.

Lions Club Asks Highway PO Service

Immediate action in establishment of Highway Post Office Service to replace railway post office service, which is discontinued when the Duluth South Shore and Atlantic train between St. Ignace and Marquette is discontinued effective July 31, was requested by Neegaunee Lions in a resolution passed at their meeting Monday night.

Action by the Lions is the result of letters sent out by George Blum, secretary-manager of the Upper Peninsula Development Bureau, to business organizations and civic groups in this area, pointing out that mail service will suffer unless some substitute form of transportation is provided following is the resolution adopted by the Lions:

"Whereas, the Duluth South Shore and Atlantic Railroad will terminate its railway post office in our area by discontinuance of the train service between St. Ignace and Marquette, July 31, 1955; and

"Whereas, the discontinuance of this train will very seriously affect the mail service of Neegaunee and other governmental units in this area; and

"Whereas, the establishment of a truck route will not adequately replace the railway post office service, now provided; and

"Now, therefore, be it resolved that the Neegaunee Lions hereby urge and request that the United States Post Office Department provide immediately a highway post office service in this area upon the discontinuance of the railway post office service; and

"Be it further resolved, that copies of this resolution be sent to Congressman John B. Bennett, Senator Charles Potter and Senator Patrick McNamara."

GREATEST FISHING YEAR

We are in a fairly good position to figure a fishery's luck in Michigan, thanks to our weekly TV show upon which lucky anglers are named.

And from the response since the last season in mid-June it is now apparent that 1955 will go down in the books as one of the best years Michigan has ever experienced for sports fishing.

Pike Sale Exceptional
The great northern pike is the single exception, with fewer catches of large fish reported anywhere in the state. A few ranging up to 14 pounds were captured from upper peninsula waters but in other years 18 and 18 pound pike are not uncommon by midsummer.

Man fishing generally has been excellent. A number of large mouth bass topping 7 pounds have been entered in various contests and while this is far from the state's 21 pound record, it is still exceptional. Hundreds of 5 and 6 pound bass have been taken and some in the 10 pound class have been small inroads—a catch that's rare in Michigan.

Perch Phenomenal
Perch fishing, particularly in the Great Lakes is topping all records—for sheer quantity, at least.

Next, the Lake Huron shoreline all the way from Tawas down around Saginaw Bay, across the Thumb and down to Fort Hires has been literally tons of yellow perch taken by hook and line.

Boat hivers and party boat operators report excellent catches Monday after day, all season long. Perch up to 10 inches have been taken in Port Hope and Hiram Beach.

Muskies on Rampage!
Never before in the memory of man has the muskie fishing been anywhere near its present peak in Lake St. Clair. One boat, Uvero alone is recording over one hundred muskies brought in by anglers each week! The big fish have ranged up to 35 pound in weight, and are still being taken every day from ordinary outboard-powered rowboats, but in regular size boats! Just on the edge of the Michigan Channel in lower Lake St. Clair.

Contrast this with some of the largest Wisconsin muskies: Never where do 7 muskies a week, something to brag about! One muskie music, estimated at anywhere from 70 to 80 pounds has been hooked and 150; reportedly, and there is a current rumor that he will be caught before the year is out, and will set a new world's record!

Motion by Councilman Catron supported by Courtland Hinesy that the meeting be adjourned. All voting yeay. Respectfully submitted, Jacob H. Anderson, City Clerk

Rev. Bolin Preaches Last Sermon Sunday

Rev. Arnold Bolin, pastor of the Mission Covenant church here for the past three years, whose resignation was previously announced as effective Aug. 31, will preach his farewell sermon here Sunday.

Advancement of the date for termination of his work in the Neegaunee parish was suggested due to a change in plans, Rev. Bolin revealed yesterday.

The Mission Covenant pastor had originally planned to continue his seminary training in Chicago at North Park College,

but has been offered a position on the school faculty, which will require him to leave Neegaunee at the end of July.

North Park is composed of 4 separate schools, the Academy, which corresponds to high school, the school of music, junior college and theological seminary.

While pastor of the Mission Covenant, Rev. Bolin has been chairman of the Neegaunee Youth Guidance Council and a member of the Inheriting a Neegaunee Ministerial Association. He is vice-president of the Sunday School and Youth Association of the Great Lakes Conference, and during the past year served as assistant secretary of the Great Lakes Ministerial Association.

Succeeding Rev. Bolin here on Sept. 1, will be Rev. Robert E. Hirsch of Chicago. Rev. Hirsch who studied at North Park Theological Seminary during the past year is currently serving as instructor as assistant secretary of the Covenant church at Blue Island, Ill.
