## No Word From Supt. Born on **New Contract**

Although voted a two year contract with the salary figure and expense allowance to be decided at a later date, no an nouncement has been made up to yesterday by Supt. E. W. Born whether or not he was accepting the Negaunee Board of Education offer made at a special meeting Saturday morning.

Approval of a new contract for the superintendent was by a three-te-one vote. Voting in favor of the proposal were Leslie Rich-ards, Paul Bell and Sam Ford, while the negative vote was east by Thomas Collins.

Absent from the meeting was Onnie Marjama, who accompanied his wife to Ann Arbor, where she is a patient in University Hospi-

Marjuma contacted Leslie W. Richards in a long distance call from Ann Arbor Monday night, and expressed his approval the action taken by the majority of the board in offering Supt. Born a new two year contract.

In explaining the reason for his action, Collins stated he believed contracts should be considered only at contract time, usually in March or April of each year, when contracts are considered for faculty members and non-teaching personnel.

Supt. Born requested the spec-ial meeting in view of a contract which he has been tendered by a school system in a Wisconsin city of 10,000 people.

He disclosed that in the event

he accepted the position it would be necessary for him to report to the Wisconsin City as of Jan.

To the Honorable Chairman and Members of | Marquette County Board of Supervisors, Murquotte County, Michigan

#### Gentlemen:

Your Finance and Taxation Committee recommend that the various Departments in the Court House keep within the budgets as adopted at the annual meeting and that no clerk hire or salaries be paid beyond the amount fixed by the Board of Supervisors.

In the case of an emergency or a Department requires additional funds or needs some special equipment, which could not be foreseen at the time of the annual meeting, we recommend that the head of that Department, together with the Controller, present this mattor to the Board of Supervisors for their consideration and that they grant, where deemed necessary, authority to exceed the figures cstablished in the annual budget.

If it develops that the amount stipulated in the budget of any Department exceeds the need of that Department or it a sum authorized is found unnecessary, then we recommend that authority be granted transferring a sum or surplus to some other Department by proper resolution of the Board of Supervisors.

Chairman, Finance and Taxation Comm. To the Honorable Chairman and Members of Marquette County Board of Supervisors, Marquette County, Michigan Contlemen:

Your Finance and Taxation Committee has considered the request of the Michigan Corrections Commission for an appropriation of \$1,080.00 to cover the cost of a one-half time clerk in probation work for Marquette County. The State has provided this district with an additional full time probation officer but no provision was made for clerical help. It is believed that this additional service will save a considerable amount in county expense by shortening the "lay over" time for prisoners in the county tail and by the collection of court costs which are payable to the General Fund of the County, This committee wishes to recommend the appropriation of \$1,080.00 on a provisional basis for one year,
