VOL. IV NO. 3 WHITE PINE, MICHIGAN 49971 WEDNESDAY, JANUARY 21, 1976

## 1776 1976

BICENTENNIAL

LET'S MAKE IT  
A GOOD YEAR

PICTURED WITH CHARLES CANAAN, DIRECTOR OF BLUE LAKE'S 1976 INTERNATIONAL CHOIR, IS KAREN JONES (SOPRANO), DAUGHTER OF MR. & MRS. GEORGE JONES OF WHITE PINE.

### AREA STUDENT APPOINTED GOODWILL AMBASSADOR

Karen Jones, a sophomore at White Pine High School, has been selected by the Blue Lake Fine Arts Camp International Program to represent her community and our country as a musical goodwill ambassador in Europe next summer.

Karen, a daughter of Mr. & Mrs. George Jones of White Pine, sings soprano in Blue Lake's 1976 International Choir.

Blue Lake's International Program Director, Gretchen Stansell, has announced that all three groups, the International Band, Choir, and Youth Symphony, will perform programs of entirely American music in keeping with the Bicentennial spirit. The students will spend 32 days in Europe visiting Holland, Luxembourg, France and Germany, staying in homes with local families.

### MULTI MEDIA FIRST AIDE TO BE OFFERED AT MASS-GREENLAND SCHOOL

A course in multimedia first aide will be offered at the Mass-Greenland elementary school on Tuesday, February 3rd beginning at 7:00 p.m. This course is valuable to employees to meet OSHA guidelines and for maintaining good safety practices at their job sites. The class will be eight hours and will be taught by Hank Wilber. There is no cost for the course but a \$4.00 book fee is charged to all participants.

To enroll in this valuable course, contact the Community School office at 884-4720 or attend the first class session at the Mass-Greenland School.

### ONTONAGON BRANCH OF STATE LICENSE BUREAU HAS FOLLOWING HOURS

The Driver's License Bureau of the Secretary of State, State of Michigan, maintains the following schedule for the convenience of persons applying for driver's license or any of the other services offered by the Bureau:

Monday through Friday the Bureau is open from 9:00 to 5:30, with a 12:30 to 1:30 closing for lunch. On the third Thursday of each month, the examiner travels to Ewen for performance of these services and the hours on that day are 12:00 to 6:00 p.m.

An additional service available at the License Bureau is voter registration. Any person, 18 years or older, who is not a registered voter and desires to register may do so at the License Bureau.

### WINTER REVIEWS UNDERWAY BY SCS

The Soil Conservation Service uses the winter season to plan and begin its conservation plan reviews.

Thomas Immonen, District Conservationist and David Newkirk, Soil Conservationist, will visit as many district cooperators as time permits.

During these visits, last year's accomplishments will be reviewed with the land owner. Visits will provide an opportunity to air problems and questions the individual may have regarding Soil Conservation Service. Also, planning of next year's practices will be discussed.

In the case of significant changes in management or acreage, the conservation plan will be revised by the S.C.S. This plan includes aerial planning maps, soil maps with the descriptions of each soil type and recommended practices and treatments for sound soil and water conservation.

Any person or group, cooperator or non-cooperator alike, desiring these services are welcome to contact the Soil Conservation Service on any facet of the service. The field office in Ontonagon serves both Ontonagon and Gogebic counties.

Interested persons may call between 8 a.m. and 4:30 p.m. Monday through Friday, or send correspondence to the U.S. Soil Conservation Service, 200 River Street, Ontonagon, Michigan, 49953. The phone number is 884-2141.

### WUPDHD TALLIES DISEASE INCIDENCE

There was a "fairly substantial" outbreak of chicken pox in the Western Upper Peninsula late this past fall, according to a report from the Western U.P. District Health Department.

Dr. Kenneth Towe, the department director, said the district has had five cases as of the week ending Jan. 2.

He noted, too, that it is more usual to have chicken pox occur in the spring but that the incidence elsewhere in the state has also occurred this past fall and is also a little more than last year. There is no vaccine for chicken pox.

There was also an increase in measles in the district in 1975, compared to the previous year. But there is none going around now he noted. The 1975 outbreaks which were of some size occurred mainly in the Watersmeet area and Baraga County.

Rowe said the measles vaccine is ineffective in five of every 100 persons and that the cases seen in 1975 were among people who a) are now in their teens and had never been inoculated, b) were inoculated when very young, 10 to 12 years ago or more, and have apparently outgrown the immunization, c) those in whom the vaccine fails to work.

On the brighter side of the ledger said Rowe, it was an excellent year for German measles or rather the absence of it. There were only 13 cases of it in the five-county area so it is reasonable to assume that the vaccine has pretty much eliminated it as a serious problem.

The incidence of mumps is also down over that of a year ago and this he attributes to the introduction of a mumps vaccine in the past several years.

There was one case of whooping cough and none of diptheria or tetanus.

Veneral disease, meanwhile, continues to slowly, but steadily, increase in incidence.

There were 23 reported cases of gonorrhoea, compared to 14 to 15 in the previous year. Three cases of syphilis were reported in the district. The director said that his department has reason to believe that for each reported case of veneral disease, another case goes unreported, though doctors are required to report to the department every case of VD treated.

He said that 90% of the cases are in the under-25 age group in the Western U.P., while state-wide the age group is 15-19.

For comparison's sake, said Rowe, Genesee County had 30 reported cases of gonorrhoea last week alone, more than were reported for the entire Western U.P. all year. For the year, Genesee had 2,800 cases reported.

He added, however, that there is the consideration of a great difference in population density between the two.

### CHANGING TAX STRUCTURE SERIES CONTINUES AT ONTONAGON AREA HIGH SCHOOL

"Our Changing Tax Structure", second in the series of tax structure study, will be led by Dr. Alvin House, Michigan State University professor and extension specialist in economics at 7 p.m., Tuesday, January 27, at the Ontonagon Area High School.

Dr. House will discuss our dynamic tax structure and help us understand how rebates, sales taxes, income tax and property tax are interrelated; how changes in one affect another; and how each change affects us...the citizen.

The session is open to all interested persons without charge, according to Aune Nelson, Extension Home Economist for Ontonagon and Gogebic counties.

2022.15.2

# CLUBS

## WHITE PINE BOOSTER CLUB MINUTES

Present: John Bley, Joseph Giuliano, Paul Lencioni, Ron McNabb, Eleanor Helakoski, Carole Bergman and Ben Leiker.

Meeting was called to order by president John Bley. Minutes of last meeting approved as submitted. Treasurer reported a check book balance of \$208.05 plus \$61.50 to be deposited. It is expected that a loss of revenue will occur due to curtailment of company (White Pine Copper Company) operations. Ron McNabb reported that the hockey program was now underway. Ron McNabb was selected by the nominating committee to replace outgoing president John Bley and accepted the nomination. By unanimous vote the nomination was carried. Motion made and carried to pay a \$5 award to student whose design was selected for the 1976 Booster Club button. A short discussion was held on possible ways to improve attendance at future meetings. One way suggested was for each member who regularly attends to phone one or two friends as a reminder prior to each meeting. It is pointed out once again that there are no dues payable and that the meetings are open to all interested community residents. All new ideas are welcomed. A special welcome goes out to high school students to attend meetings.

The meeting adjourned followed by serving of refreshments. Next meeting will be held on Thursday, February 12, 6:30 p.m. at the Konteka.

### ONTONAGON COMMUNITY SCHOOLS SPONSORING NATURAL CHILDBIRTH CLASS

The Ontonagon Area Community Schools will sponsor a natural childbirth class beginning Wednesday, January 28th, at the Ontonagon Area High School conference room from 7-9 p.m.

Sally McGuire, R.N., will conduct this course which has been offered in all areas of the county previously and with a great deal of success.

Expectant couples are urged to enroll in this class which stresses exercise and techniques for natural childbirth. Cost of the course is \$10. per couple, payable at the first session. Interested persons should pre-register by calling 884-4720.

### WHITE PINE TEAM PLACES IN FIRST SKI MEET OF SEASON FOR NORTHERN LEAGUE

Copping third place in the overall tally for the first meet of the season for the Northern Ski League was White Pine's team. First place in the event went to Ironwood, followed by Rhineland, White Pine, Wakefield, Bessemer and Phelps. Thirty-two youngsters competed in the meet.

Local placements in the individual events was as follows:

Slalom - Mike Calhoun, 6; Tim Steig, 10; Dan Mick, 13; Robin Mick, 15; Joe Bingham, 16.

Giant Slalom - Dan Mick, 4; Mike Calhoun, 8; Tim Steig, 15; Joe Bingham, 16; Robin Mick, 25.

Downhill - Dan Mick, 1; Mike Calhoun, 13; Joe Bingham, 17; Robin Mick, 21; Tim Steig, Disqualified.

#### MEDICARE PATIENTS WON'T FACE HIGHER HOSPITAL COSTS

Medicare patients with Michigan Blue Cross-Blue Shield "complementary coverage" won't be faced with higher hospital deductible and coinsurance costs in 1976.

Deductible and coinsurance costs are the patient's out-of-pocket expenses required under the federal government's Medicare program.

Starting Jan. 1, 1976, the government increased the deductible for inpatient hospital care from \$92 to \$104. At the same time, the coinsurance charge for the 61st to the 90th day of hospitalization (per benefit period) will increase from \$23 a day to \$26 a day.

The deductible and coinsurance are both paid under the Blue Cross-Blue Shield complementary coverage.

Approximately 950,000 persons in Michigan are covered by Medicare and about 60% have Blue Cross-Blue Shield complementary coverage.

The government also increased the coinsurance liability for Medicare skilled nursing facilities. The patient's expense will increase from \$11.50 a day to \$13 a day for the 21st through the 100th day of care.

Persons with Blue Cross-Blue Shield complementary coverage which includes benefits for skilled nursing facilities will have the coinsurance paid under the Blue Cross-Blue Shield policy.

Medicare was introduced in 1966 as part of the Social Security Act. It was designed for persons 65 and older and the disabled.

The latest changes affect the "Part A" portion of Medicare---basic coverage for hospital, post-hospital and nursing home care, plus diagnostic services, home care and psychiatric hospital care.

Part A is automatically available to persons who reach age 65. There is no cost for this portion of the benefit.

"Part B" is a supplement which primarily covers physician and medical services. This benefit supplements home care and covers diagnostic tests, surgical dressings, ambulance service, and the rental of medical equipment. It's optional and can be purchased for about seven dollars a month.

Blue Cross-Blue Shield offers complementary coverage for either or both benefits (Part A or Part B).

The Department of Health, Education and Welfare has recently revised their free booklet called Medicaid-Medicare. For your single free copy write to: Consumer Information Center, Dept. 79, Pueblo, Colorado, 81009.

### SCHOOL LUNCH MENU

**THURSDAY:** Chili/ground beef, peanut butter sandwich, chilled fruit, milk.

**FRIDAY:** Oven fried fish stix/tartar sauce, whipped potatoes/butter, toss salad/dressing, chilled peaches, bread/butter/milk.

#### UPCCAS BOARD SELECTS NEW CHAIRMAN

William G. Lepthien of Escanaba was selected as the new chairman of Upper Peninsula Citizens Concerned About Sanguine (UPCCAS) at the board meeting held on December 18, 1975. Lepthien replaces David Lori of Iron Moun-

tain, who has been chairman since the inception of UPCCAS in 1973.

Lepthien retired from the Air Force in 1973, after 21 years of service. He and his family reside at 429 South 8th Street in Escanaba. His two younger children are students at Escanaba Area High School. Two older children are college students, one at Northern Michigan University and the other at the University of Wisconsin, Green Bay. His wife, Katherine, is active in the League of Women Voters.

Lepthien entered the Air Force in 1952, upon graduation from the United States Naval Academy. Most of his career was devoted to duty in the Strategic Air Command, several years as Radar Navigator on B-52 aircraft and the last ten years in Air Force Civil Engineering. He was the Base Civil Engineer at K.I. Sawyer A.F.B. for three years.

Retiring Chairman, David Lori, commented that it is necessary for UPCCAS to increase its efforts at this point to prevent the Navy from locating Seafarer in the Upper Peninsula. Lori stated: "It is necessary that a chairman be available on a full-time basis. UPCCAS can no longer be a part-time organization. We are glad to have Bill Lepthien available."

Lori commented further: "I am firmly opposed to the Sanguine/Seafarer project and will remain on the Board of Directors of UPCCAS. I can only hope that our increased efforts will demonstrate to Governor Milliken that he is not representing the wishes of the people of this area."

#### WHITE PINE UNITED METHODIST CHURCH...

The White Pine United Methodist Church School meets every Sunday at 9:45 a.m. Welcome are all ages from four years through sixth grade. The confirmation class is being held for 7th and 8th graders.

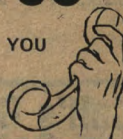

Car pools are being formed to encourage attendance. If you are interested in having your child picked up on Sunday a.m. or if you wish to donate your time as a driver, please call Donna Johnson, 885-5482 or Donna Gedcke, 885-5470.

#### "THOUGHTS FOR AMERICA'S 200TH BIRTHDAY"

"We should participate in the business of government, not only in the limited sense of electing officials and reacting to measures submitted for referendum, but also in finding the goals for the common good and for living a servicable life...."

"The pioneers of America were a great people. They were sturdy of body, broad in outlook, they dreamed a vision of a glorious future. They laid the foundation of a great and good government. We are their proud and grateful inheritors. We are also their responsible trustees. Ours is the obligation to pass on the traditions that have made our country great...to inspire in the youth of our land the basic concepts of our freedom undergirding our country's government."

"If our young revolutionary idealists are proclaiming their indignation at the lack of fidelity we show to the concepts we hold of freedom; of equal access to opportunity; of the respect due the individual; of the ideals of justice; of one's sense of brotherhood and responsibility; then we can understand and share their indignation."

"Democracy, while it is the finest type of government yet evolved by man, is difficult to administer and exceedingly complex to accept and support. It grants us no security. It tolerates no weakness. It is for people, proud and stalwart people, courageous people... it doesn't need a crowd or a following. It needs the individual willing to share, participate, even to stand fearlessly alone."

"We often hear expressions of concern for America's future. But there are many Americas. Some are not worth serving; there are the Americas of privilege and smugness, an America of lethargy and inequality, an America of discrimination, and an America of violence. But there are other Americas, too: of tolerance and generosity, of benevolence and understanding, of curiosity and creativity, an America of dynamism and access to opportunity...the America we finally hope to realize."

"To buy a beneficent America, we must pay the bill of alert and watchful care; we must yield not to apathy and placid acceptance that permit creatures of privilege and self-interest to remain unmolested in their seats of authoritarian power."

"Our Declaration of Independence is not a guarantee. It is merely the statement of an ideal; it is ours only as we defend it. It is important to remember that our liberty depends upon our willingness to accept responsibility."

**WHITE PINE HOCKEY LEAGUE REPORT**

While the White Pine Mites hockey team was busy at practice on the local rink on Saturday preparing for up-coming games, the Squirts and Pee Wees traveled to Wakefield to play the Gogebic county sextet on their new rink...located in Thomaston Location.

In the first game the Squirts, despite being outmanned inasmuch as they only had two line changes, defeated Wakefield by a score of 11-2. Leading the scoring parade was P t Lencioni with 4 goals and 1 assist. He was followed by Dennie Gougeon with 3 goals, Mike Manninen, 2 goals, Jimmy Steber, 2 goals and 2 assists. Also getting 1 assist each were Brian Hughey and Mike Lencioni. Although having a quiet time in the nets, Greg Maierle kicked out a couple of sure goals for the local sextet. The Squirts team is coached by Ken Manninen.

In the Pee Wee contest White Pine was again victorious by a 8-1 count. Leading the scoring for White Pine was Mike Aldrich with 3 goals, followed by Mike Steber with 2 goals and 1 assist, John Butina, 2 goals, and Paul Lencioni, 1 goal. Receiving assists were Andy Hillden, with 2, and Kevin Maierle received credit for 1. The Pee Wee team was handled by John Baima in the absence of regular coach Ron McNabb.

**WARRIORS SPLIT ANOTHER PAIR - DOWN IRONWOOD, BOW TO BERGLAND VIKINGS**

Overcoming a cold first quarter, the White Pine Warriors got their game going in the last three quarters to forge a 63-46 win over the Ironwood Catholic Ramblers in a PMC contest.

The Ramblers had jumped out to an early lead and led 16-8 after one period before Coach Roland Antilla's boys began to hit.

The Scarlet and Gray were out in front, barely, after the first half, 25-24, but saved their best efforts for the third quarter when they took a 46-36 lead. The play of Dave Charles and Bruce Johnson was the key in the surge as both hit from underneath. White Pine, at 4-6 with this win, continued to increase its lead in the final quarter, allowing the reserves some playing time in the final minutes.

Johnson and Charles each finished with 19 points and Chris Makysm had 11 markers for the evening.

The White Pine JV's, with only one loss for the season, continued to sparkle with a 106-57 win in the preliminary game. Kevin Johnson led the way with 19 points.

The wind had changed for the Warriors when they faced the Bergland Vikings two nights later, however.

The Vikings blistered the nets for 51 points in the second half, handing the Warriors a 79-53 defeat in a PMC game. The Vikings, which clinched the conference title on Tuesday night with a victory over Watersmeet, boosted the season record to 9-2. The loss drops the Warriors to 4-7 on the season.

Both teams battled on even terms in the first quarter with the period ending in a 12-12 tie. The Vikings went ahead for good in the second, 27-20; then upped their lead to 48-35 at the 3rd quarter mark, coasting the remainder of the game to the 79-53 finish.

Rick Walmer paced the winners with 27 points, 19 of them in the 31-point final quarter. Others hitting in doubles were Jeff Borseth, 16 and Scott Applekamp, 14. Joe Davis led the Warriors with 17 points and Dave Charles added another 11.

In the Junior Varsity contest, White Pine was the winner, 61-54. Kevin Johnson paced his team with 16 points.

Next issue of Nonesuch will feature the results of this week's games.

**FOUL TROUBLE BEATS ANTONIO'S BB TEAM**

In a wild-fought game between the two biggest teams in the league, the Shangralla Bar of Bergland beat Antonio's of White Pine, 98-92. Leading point-getters were Floyd Gentiline with 30 big points and right behind were Martin Robertson and Joey Lenatz with 28 and 22 points. Rounding out the scoring for Antonio's were Don Wernholm with 8 and Darrell Symons with 6. Playing outstanding defense and leading in assists was Dave Harris. Playing without Gentiline, Symons, Wernholm in the fourth quarter, Antonio's couldn't quite catch up. Leading Shangralla were J. Bergland, 34, L. Johnson, 26, and L. Wewhouse, 17.

Remaining games for Antonio's are: Jan. 26, vs. Miz Bar in Ewen; Feb. 2, Peterson's in Ontonagon; Feb. 9, Dry Dock at White Pine; Feb. 16, Lakeview at White Pine; March 1, League Playoff. All BB fans are invited. FREE admission.
