BICENTENNIAL
LET'S MAKE IT
A GOOD YEAR

LASOTA SEEKING ELECTION TO SCHOOL DISTRICT IN ONTONAGON

John P. LaSota, 311 Pennsylvania Avenue, Ontonagon, is seeking election to the School Board for the Ontonagon Area School District.

John is presently the Assistant Director and also Acting Director of the Ontonagon County Department of Social Services.

He has been employed with the County Department of Social Services for over nine years and also has been a resident of Ontonagon for that same period.

He earned an Associate Degree from Gogebic Community College and a Bachelor of Science Degree from Northern Michigan University in 1965.

John has been a member of the Siloa Lutheran Church Council for five years and was president for two years.

During the past three years he has been active in the Cub Scout program. He is a member of the Community Action Agency Energy Committee and newly elected member of the Community Action Agency Governing Body.

He is also a member of the Ontonagon County Commission on Aging.

John is married and has three school-age children.

GREENLAND TOWNSHIP DENIED HUD FUNDS

The Greenland Township Board learned recently that their application to HUD for funding for a new Community Center has been denied. The letter received stated that applications in excess of \$80,000,000 had been received and priority was being given low income, Senior Citizens and rehabilitation housing.

Mrs. Bernice Huotari, Greenland Township Clerk, indicated that although this was a blow to optimistic plans, the township board would continue to search all avenues for possible funding for the project.

LOYALTY DAY DINNER AT KONTEKA ON MAY 8TH

The White Pine Veterans of Foreign Wars Post No. 439 will hold a dinner Saturday, May 8, in the Konteka. The dinner is open to the public and all residents of the area are invited.

The local post is presenting this Loyalty Day dinner as part of the programs celebrating Loyalty Week throughout the nation. These programs are part of the national Bi-Centennial observances and are not fund-raising activities.

Judge Donald Munro, of the 32nd District Circuit Court of Ontonagon and Gogebic Counties, will attend and will be the featured speaker. His address will be appropriate to the occasion.

Serving of the buffet dinner will begin at 7:00 p.m. in the main dining room of the Konteka. Tickets for the dinner are available from members of the VFW and the Auxiliary.

GREENLAND CLERK CANDIDATE FOR POST AT COUNTY LEVEL

Mrs. Bernice Huotari, a thirteen-year veteran as Greenland Township Clerk, has announced her candidacy for Ontonagon County Clerk.

Mrs. Huotari, who has been conscientious in her capacity as a clerk for her township, has been active in civic affairs and church work while attending to the responsibilities of being a mother of six children.

She is a graduate of the Mass High School Class of 1958. She has also completed special courses in Government Accounting at Michigan Technological University.

WHITE PINE PRINCIPAL ELECTED TO CHAIR COPPER COUNTRY ROUNDTABLE

Peter Rigoni, principal of the White Pine Elementary School, has been elected chairman of the Copper Country Elementary Principals' Roundtable for 1976-77.

Elected secretary of the Roundtable was Donald Karvonen who is presently the Principal of the Mohawk Elementary School.

The Elementary Principals' Roundtable meets nine times a year and discussions allow the local districts to communicate on common issues and problems.

Major items of concern include curriculum, Title programs, Camp Nesbit, master contracts, Intermediate services and in-service programs.

Members of the Roundtable include: Al Anderson, South Range; Larry Wadaga, Baraga; Ed Huls, Chassell; Dean Londo, Lake Linden; Dave Kauranen, Covington; Bill Givens, Hancock; Don Karvonen, Calumet; Karl Gipp, L'Anse; Bob Shea, Calumet; Bob Hager, Calumet; James Ollila, Ontonagon; Peter Rigoni, White Pine; Gerry Sipola, Houghton; Dale Penny, Intermediate District; Harold Stout, Dollar Bay.

Out-going officers include Chairman, Larry Wadaga and Secretary Bob Hager.

U.P. NON-MOTORIZED TRAILS COUNCIL TO MEET IN MARQUETTE ON MAY 8TH

It is highly important that your county be represented at the coming meeting of the Upper Peninsula Non-Motorized Trails Council to be held in Marquette on Saturday, May 8th, at 1:00 p.m., E.D.T., in the John X. Jamrich Facility on the Northern Michigan University Campus.

This organization was triggered by the work now being done on sections of the East-West Trail from St. Ignace to Ironwood.

Preliminary meetings were held on March 24 and April 8. A set of by-laws has been prepared for consideration and directors of the permanent group will probably be selected.

If your area is to be represented, people from your county must be there. This meeting is chaired by Myron Gallagher, Nordic Coach at N.M.U.

It's Up To You! Please get on the phone and see that your county is represented. If you can not find someone to go, you're "It."

INSULATION PROGRAM UNDERWAY IN THE COUNTY

The insulation program is now underway in Ontonagon County, and there are three full-time employees in the total Ontonagon County area.

People who own their own homes and know they are in need of insulation or weather stripping of some type and cannot afford this, could possibly be aided by this program. The highest priority will be given to homeowners who are recipients of Supplemental Security Income (S.S.I.). Other low-income homeowners could possibly benefit also, such as those who are recipients of Aid to Dependent Children (A.D.C.).

The three employees will pick up storm windows or storm doors which people are willing to donate. These items will be repaired by the workers and then utilized for homeowners who qualify for the program.

Homeowners who are interested in applying to have their home insulated or those who would like to donate doors, windows, etc., please call the Ontonagon County Department of Social Services at 884-4951, or go to their offices in the

Courthouse, or call Mrs. Alice Kosey, Community Action Representative, at 884-2106.

GAYLE JOUSMA, BRUCE CROSSING, MI. IS PREPARING TO TRAVEL TO JAPAN IN 4-H YOUTH EXCHANGE PROGRAM

AREA 4-H'ER PLANNING TRIP TO JAPAN

Gayle Jousma, 14, daughter of Mr. & Mrs. Fred Jousma, Bruce Crossing, is very busy preparing for her upcoming trip to Japan.

Gayle, a member of the Happy Helpers 4-H Club, will attend a special orientation session on May 22 and 23 at Kettunen Center, the 4-H training center at Tustin, Michigan. The program will be on general orientation to country, history, and culture, special customs, food, what to take, etc.

Gayle will be staying with the Nakayama family, Tokyo, and will leave for Japan on the 21st of July.

Rika Nakayama spent one month with Gayle and her family in Bruce Crossing last August. The Jousma's have a dairy farm, and farming was very different from Rika's city-bred culture. She was awed by the size of a dairy cow, but loved the rabbits.

Rika has already taught Gayle a few Japanese words, and Gayle has been practicing the language via cassette tape recordings.

Gayle's trip is made possible through the 4-H LABO exchange, an international cultural understanding and exchange program for Japanese and American Youth.

Gayle and her parents are financing the greatest share of the trip cost, with some help from the County 4-H Advisory Council, county service organizations and friends.

A special bake sale, coffee and crafts and white elephant sale will be held in Ewen, in the basement of the State Bank of Ewen, starting at 10:00 a.m. on May 7th. All donations will be welcome and greatly appreciated. Everyone is invited to come in and see Gayle's scrapbook of Rika's visit to the Jousma family last summer.

A compulsion is a temptation we're not trying too hard to resist.

Letters TO THE EDITOR

The Editor
The Nonesuch News
White Pine, Michigan 49971

Dear Editor:

I note the article entitled "Auto Insurance Is Too Good A Bargain" on page 12 of your April 14 edition. There is no indication in the newspaper as to where the article comes from, but I recognize the reference to the \$5200 1973 car as material in local insurance offices which I believe have been provided them by some insurance association.

The organization drafting that literature knowingly engaged in blatant propaganda. Implication given is that an insurance company may pay up to \$24,000 for a car which initially cost \$5200 new. I can assure you that is certainly not the case. My experience has been, as has that of anyone who has tried to collect upon the loss of his automobile, that the insurance companies will ignore the recommendation of their local agents and adjustors and be as niggardly in paying off as possible by claiming that the maximum value of the car is much lower in fact than the retail sales value of the car as a used car; and, of course, when the damage to the vehicle approaches a certain point, they declare the car a total loss, and pay you their idea of what the current retail value of the car is.

Insurance companies also ignore the fact that your automobile may be worth a great deal more to you than what its value is on the current used car market. Because they have the resources to go to appellate courts, they have established precedential law that the value of an automobile is, essentially, the "blue-book price" or the local retail value. No room is given for the value of the car to the owner.

I believe the inference that they might pay such an astounding price as \$24,000 for a car must be disputed as well as the implied suggestion that no insurance company should lose out in the competitive struggle to remain financially sound. What the insurance companies are saying is that they do not believe in a competitive business system, but demand a socialized system whereby they would be able to continue in business, regardless of their inefficiencies. To further this, they have foisted upon the public, with great declamation that it would cost you less, no-fault insurance. "No-fault insurance" is misnamed; it should in fact be called "your-fault insurance" since it is now obvious that any accident in which you are involved, regardless of the facts, is your fault. Probably under the theory that if you had not been on the street, highway or road that day, the person who crossed the centerline and drove head on into you would not have been able to hit you.

Thank you for publishing this letter. It will assist in exposing the type of deceptive non-communication presented in this article.

Yours truly,

J. B. Jenkins

LAKE SUPERIOR COLLEGE LISTS STUDENTS FROM AREA ON HONORS ROLL

Ten Ontonagon County students were recently included on the dean's list at Lake Superior State College, Sault Ste. Marie, with grade point averages of 3.0 or better.

In the school of arts and social sciences the following students were listed: Linda Kaare, White Pine, junior; Jean Heikkala, Trout Creek, freshman; William Hemmila, Mass, senior; Sherry Store, Mass, freshman; Jamie Flemming, Ewen, freshman and Gary Fors, Ewen, senior.

In the school of science and technology the following students were listed: Dennis Martin, Greenland, senior; Bonnie Buccanero, John Mazurek and Barbara Slye, all of Ontonagon and all sophomores.

CONGRATULATIONS

Congratulations to the White Pine High School Concert Band for their outstanding performance at the State Band Festival which was held in Traverse City this past weekend. Many hours of hard work in extra rehearsals as well as excellent regular class rehearsals resulted in the White Pine students receiving straight 1's from all four judges at the festival. Of the 12 Class D bands scheduled for the Traverse City High School site, White Pine and Suttons Bay were the only groups to receive all 1's. However, our district can also be proud of the other representatives from our area with Baraga and Crystal Falls receiving an overall rating of I and North Dickinson receiving a II. The high school band students wish to thank the chaperone-drivers who donated their time and efforts to make this trip possible. They were Mr. & Mrs. Lido Paoli, who drove their van; Mr. & Mrs. Gary Crocker who drove the school car, and Mr. & Mrs. Mike Potvin and Joseph Banaszak who shared the bus driving duties. Also a big thanks to the parents who backed the state trip from the beginning and have helped in the fund-raising campaigns throughout the year. In addition, we wish to thank anyone who donated money especially for the trip. This trip was the most satisfying, cooperative, and rewarding school event I have ever been a part of in my life.

Larry Baker

White Pine High School Band Director

A meeting regarding Title IV - Indian Education - will be held at 4 p.m., Monday, May 10th, in the White Pine High School Library. All concerned parents are invited to attend. Roland Antoine, Chairman.

RESERVATIONS REMINDER FOR WOMEN'S CLUB LUNCHEON ON MAY 14

All members of the White Pine Women's Club who wish to attend the luncheon on May 14, and who did not sign the reservation list passed at the last regular meeting may make reservations by calling Mrs. W. Finlay, 885-5487.

W.A.A.I.M.E. Meeting - Tuesday, May 11th, at 9:30 A.M. At The Konteka, White Pine.

ONTONAGON-GOGEBIC AFL-CIO - USWA Retiree Chapter - Will Meet At White Pine Union Hall at 1:00 P.M. On May 8th.

CANCER CRUSADE KICK-OFF MEET TONITE

Mrs. Clarice Strong, County Crusade Chairwoman invites the White Pine Captains and volunteers and all other interested citizens to attend the Kick-Off meeting tonight, Wednesday, May 5th, at Cane Court at 7:30 p.m.

The latest cancer materials and kits will be available. Come out for a short time and meet your fellow volunteers and the Board Members of the Ontonagon County Cancer Unit.

TRANSCENDENTAL MEDITATION

Wednesday, May 5th, 7:00 P.M.
Above Teen Center, White Pine

WHITE PINE SCHOOL MILLAGE ELECTION ON MAY 18

On the 18th of May the taxpayers will be asked to renew the same millage we had last year. The key word is renew. It is not an increase in the amount of millage the board of education is requesting.

Your board of education has cut the budget for 1976-77 school year by fifty thousand and more cuts will have to be made this coming summer, after more information on student enrollments, staff needs, and revenue available are known.

Rumor has been circulated that if the millage fails, the board will ask for less mills. This is a false statement. The tax needs would increase because of summer tax loss, new election costs, and other costs to a point of needing more than twenty mills. Summer tax is very important to the school and does save you the taxpayer money.

Other questions have been raised on school expenditures which must be clarified. The golf program is operating at no cost to the district. Coaching is donated and parents will transport the students to the meets. The ski program will also operate in the same manner. The community schools program and the hot lunch programs have operated at a break-even level. Your school board will, I'm sure, continue to look over all programs offered by the school to assure prudent spending of tax money and still provide a quality education for the youth of White Pine.

WHITE PINE GIRL TO ATTEND SPELLING BEE FINALS IN MARQUETTE

Carol Johnson, a student at the White Pine Elementary School, will participate in the U.P. Community Schools Bi-Centennial Spelling Bee Finals to be held in Marquette on May 7th. She is one of two fifth-graders from our region who will be competing in the Finals. Good Luck to Carol!

A MEMBER OF THE WHITE PINE BOY SCOUTS TROOP 221 PARTICIPATED AT THE STARTING CEREMONIES OF THE "HIGHWAY 41 FLAG MARCH" HELD AT FORT WILKINS AND COPPER HARBOR.

THE OFFICIAL "HIGHWAY 41 FLAG MARCH" AMERICAN FLAG IS ENTRUSTED TO BOY SCOUT TROOP 200 BY AN OFFICIAL OF THE U.P. ORGANIZING COMMITTEE. THE FLAG, ENCASED IN PLASTIC TO PROTECT IT FROM THE ELEMENTS, WILL BE CARRIED FROM COPPER HARBOR TO GARY, IND.

WHITE PINE SCOUTS PARTICIPATE IN FLAG MARCH FOR BICENTENNIAL

Twenty White Pine Boy Scouts participated in the opening ceremonies at the start of the "Highway 41 Flag March" at Copper Harbor last weekend (April 30-May 1). A specially designated American flag will be carried in relays down Highway 41 from Copper Harbor to Gary, Indiana by participating organizations. An identical flag is now being carried north on Highway 41 from Miami, Florida, and both flags will arrive in Gary by the 4th of July. The flags will then be sent to Washington, D.C. and used in the Bi-Centennial programs scheduled in the national capital.

Numerous service and fraternal organizations have been assigned sections of the routes through the many states that the flags will be carried. However, in Michigan only the Boy Scouts of America will carry the flag across the entire state.

Scout troops from throughout the northern Upper Peninsula gathered at the Fort Wilkins campground and camped overnight. Saturday morning a colorful ceremony was held on the Fort Wilkins parade ground. All the Scouts assembled there and marched to Copper Harbor with each group flying their Troop and American flag. At Copper Harbor the special honor flag

was entrusted to the Calumet Air Force Base Troop 200. This troop was assigned to carry it in relays for the first stretch of about 22 miles. On the following morning the next troop took charge of the flag, carried it over their assigned stretch of the route and then passed it on.

White Pine Boy Scout Troop 221 and the Ontonagon Boy Scout Troop are scheduled to receive the flag at Tioga Creek State Park at 4:00 p.m., Friday, May 7th. The two troops will then carry the flag in relays about 11 miles to Michigamme, arriving there about 9:00 p.m. There they will turn the flag over to the Marquette Boy Scouts who are assigned to carry it further on.

Plans are being made for a brief, appropriate ceremony at Tioga Creek State Park when the flag is entrusted to the White Pine-Ontonagon Scout Troops.

Earl "Bud" Stukel, Ernie Deason, Robert Ketchum and Ray Garcia accompanied the White Pine Scouts to the Copper Harbor ceremonies.

Special Boy Scouts of America patches were awarded to those Scouts who attended the opening ceremonies of the Flag March. Another special patch has been authorized exclusively for those Scouts who participate in the Flag March itself.

ONTONAGON COUNTY RESPONDS TO SUOMI

Over \$10,000 has been collected in pledges and gifts a week after the Suomi Dinner in Ontonagon County, according to Bill Ryan and Frank Kaarto, Ontonagon County Co-Chairmen. The local campaign is just beginning as volunteers are calling friends and neighbors in the area.

Both Kaarto and Ryan stressed two points that people talk about when giving: First, people are being motivated to send dollars to Suomi instead of Lansing or Washington. Second, people believe that Suomi is doing a good job with Ontonagon County youth.

The Suomi Challenge Campaign has involved over 50 volunteers so far in asking friends and neighbors of the college. Ken Seaton, Copper Country Campaign Chairman, stated that a total for the first half of the campaign would be announced soon. Seaton announced after the first Leadership Gifts Luncheon recently, that over \$150,000 has been raised thus far.

WHITE PINE SCHOOLS - MAY 10-14, 1976

Monday - Spagetti/meat sauce, green beans, chilled fruit, bread/butter/milk.

Tuesday - Oven fried chicken, whipped potatoes/gravy, sweet potatoes, cranberry sauce, chilled fruit, bread/butter/milk.

Wednesday - Choice of cream of tomato or vegetable beef soup, choice of peanut butter or tuna salad sandwich, carrot stix, fruit cup, milk.

Thursday - Pizza burger/bun, potato chips, corn, chilled fruit, milk.

Friday - Home-made chili, soda crackers, peanut butter sandwich, pudding/topping, milk.

CLEMENTS AND CARRIERE ENDORSE SUOMI

Over 75 people from Baraga County heard John Clements and Russell Carriere endorse Suomi College. John Clements, as Baraga County Suomi Challenge Chairman, encouraged all to become partners with the Upper Peninsula's only private college. Russell Carriere, General Manager of the Pettibone Michigan Corporation and a Leadership Council member of Suomi Challenge spoke about the strength of the college and its President, Ralph J. Jalkanen. "Suomi College is our college. It serves our youth, it has economic impact with over 100 employees from the Copper Country. The programmatic and campus growth under the guidance of Ralph J. Jalkanen has been dramatic. The college, its staff and faculty deserve our support in serving Copper Country youth."

The campaign to raise \$1.2 million for support of student financial assistance, curricular development and campus improvement began in Ironwood last fall. This spring all sections of the Copper Country are being asked to support the College. By May 1st over half of the Copper Country will have been involved. Dinners remain in May with the Range Cities, CLK, Houghton and Hancock.

THANK YOU

Gilbert Koski is home convalescing from surgery at a Marquette hospital and wishes to thank all friends, neighbors and relatives for the many get-well messages received. A special thanks to the staff at LaCroix Hospital for the care received while a patient there.

FIVE STUDENTS FROM COUNTY EARN TECH HONORS

A total of 690 students achieved placement on the winter quarter Dean's List at Michigan Technological University at Houghton by earning a grade point average of 3.5 or higher. Dean of Students Harold Meese reported 194 students earned straight A averages of 4.0.

Five honor students were from Ontonagon County. They are:

Rebecca M. Kallunki, a sophomore majoring in medical technology, daughter of Mr. & Mrs. Gordon Kallunki, Ontonagon;

Debra L. Moskwa, (4.0) a freshman majoring in business administration, daughter of Mr. & Mrs. Joseph S. Moskwa, Ontonagon;

David J. Tucker, a freshman majoring in pre-medicine and pre-dentistry, son of Mr. & Mrs. D. B. Tucker, Ontonagon;

Holly B. Sandercock, (4.0), freshman majoring in nursing, daughter of Mr. & Mrs. Francis Sandercock, White Pine;

Steven M. Maki, a senior majoring in civil engineering.

SPORTSMEN OPEN SEASON WITH A BANG

Thursday being a beautiful spring day, turned out a number of trap shooters to begin the 1976 Clay Bird season.

There were some new shooters with old guns and some old shooters with new guns. John D. & his brother Carl showed up with a couple of sharp over & unders.

It was rumored that John's had a built-in radar on his.

Evidently it was zeroed in as John was lucky to get a shakye 16 on his first round.

A hurried call on the hot line to SAC headquarters quickly brought in a low-flying jet that dropped instructions on the Norton Bomb Sight, and after a few adjustments John's next round was a perfect 25 - which proves that with a good gun and a little bit of talent anyone can be an expert shot.

After the Shoot, President Joe Kukanich announced the next regular meeting of Lake Superior Sportsman Club will be held Thursday evening, May 13. It is an important meeting and all members are requested to attend. A Roast & Bar-B-Q beaver feed is also planned for after that meeting.

Trap shooting will continue on Thursday evenings throughout the summer starting at 6:30 at the clubhouse - located 2 miles east of Silver City. Everyone is welcome to take part in this fascinating sport.

Shooters with scores of 20 & over were: Haws-worth, 21-23-23, Van Able, 24, John Domitrovich, 21-25, Carl Domitrovich, 22, Dutch Kempen, 20, Joe Kukanich, 23-23-22, Ken Kioski, 20-24, L. Butler, 20, R. Baker, 20, Pete Store, 24-20.

CANOE RACES SLATED FOR WATERSMEET

The Watersmeet Lion's Club will sponsor team canoe races on the Middle Branch of the Ontonagon River on Saturday, May 15. Two classes of racing, both a men's and a women's division, will be featured. The 6-mile men's course will begin at Russ's Road, three miles west of Watersmeet and end at the old Fish Hatchery site, near Old Highway 2, two miles east of Watersmeet. The women's course will be 4 miles in length, beginning at Russ's Road and ending at Highway 45 in North Watersmeet.

Both races will be two man team events, with contestants racing against the clock. Teams will be spaced at two minute intervals, to minimize congestion on the river. Racing will begin at 2 p.m. for women and 2:30 p.m. for men. Races will be held regardless of weather conditions.

Registration fees will be \$5.00 for men's teams and \$4.00 for women. Trophies will be awarded to first, second, and third place finishers in both divisions. Presentation of the trophies will be made in conjunction with a luncheon to be served at the Watersmeet Town Hall. The luncheon will begin at 4:00 p.m. with trophies to be presented at 5:00 p.m.

Entry forms are available at local sporting goods stores. For more information, contact Sam Gehr, Race Coordinator, Box 43, Watersmeet, Mi., or phone (906) 358-4534.

OUTDOOR REPORT: Jim Magnuson, MDNR

Most outdoor conditions this past week were just about ideal for this time of the year. The transition from winter to summer is said to be about two weeks earlier than usual by residents of this area. Fields, lawns and other open areas are quite green and most hardwood trees are budding out. Streams are at or near normal levels and about the same stage in temperatures. The major weather factor of the past week, particularly the weekend, was the cold air coming out of the north across Lake Superior. Air temperatures were mostly in the low to mid-40's during the day and in the upper 20's at night. Quite a few brook trout fishermen were out early Saturday to get a start on the opening weekend of the regular trout season, but the cold air and light success made most of them call it a day by mid-morning.

The rainbow trout fishing this past week was also on the light side for both success and activity. Some fish were taken, but about half were dark-colored to indicate they had wintered in the streams. Most of the female rainbow trout were spawned out and this could mean that the run, if there was one, is ending. The same seems to be true of the smelt in the Lake Superior streams. There were plenty of people on the better streams the past week, but not many smelt in the streams. When the smelt did show up, 5 or 6 smelt per sweep of the net was about the best the fishermen could do.

If our weather warms up in the next few days, we may have some better action on the trout streams this coming weekend. Very few boats have been out on Lake Superior as yet for lake trout fishing, but their numbers should increase considerably with warmer air temperatures also. If a warm rain or two happen to move in with a weather change, conditions for all fishing should be a lot better than we have had in the past couple weeks. It will also finish the "green-up" period and our fields and forests will be in full summer color.

VOLUNTEER FIREMEN HOLD TOURNAMENT AT KONTEKA LANES

The 1st Annual U.P. Volunteer Firemens bowling tournament was held at the Konteka Lanes in White Pine on April 24th.

80 Volunteer Firemen from the U.P. competed in this first tournament and plans are already being made by the White Pine Firemen for next year.

Teams placing were as follows: 1st Place, Tamarack Fire Department; 2nd Place, Bergland Fire Department; 3rd Place, Ontonagon Fire Department; 4th Place, White Pine Fire Department.

Winner in the High Individual Game was Bob Davidson of Ontonagon with 222. The High Individual Series was won by Jim Rivest of Tamarack with 581. High Team Game was taken by Bergland with 1061. Low Individual Game was taken by Dennis O'Brien of Ontonagon with a 37; and the Low Individual Series was also won by the same gentleman with a 167.

ANNUAL GOLF CLUB OPENING ON MAY 15

The Annual Opening Party for the Ontonagon Golf Club will be held Saturday, May 15. A cocktail hour will be held from 6:00 to 7:00 followed with a smorgasbord dinner. There will be live music for dancing after the dinner provided by the Easy Money.

If you plan on attending, call your reservation in to the Club or Joyce Szaroletta, 884-4273, or Sandy Morin, 884-4939, or Mae Sloat, 884-2636, so that proper preparations may be made.

All members and guests are encouraged to come out and partake in this enjoyable evening.

WHITE PINE DAY CAMP REGISTRATION SET

Day camp registrations for Brownies and Girl Scouts of White Pine will be held on May 12th at White Pine Elementary School in the Library from 3 to 5 p.m. Mothers must register the girls. This will be the only day that the girls may register. Anyone having questions may call 885-5360 or 885-5405.

MY PRAYER
Robert Hemming

I Pray
That the Venom
That brews
In your hearts
And thoughts
And then spews
From your mouth
In wanton
Depredation
Of others
Become the agent
For the cleansing
Of its
Creator.
Amen
