WHITE PINE, MICHIGAN 49971

VOL IV NO 25, WEDNESDAY JUNE 23, 1976

BAY CLIFF CAMP IN FORTY-THIRD YEAR

For the forty-third consecutive season, Bay Cliff Health Camp for handicapped children will open its doors on June 19 and 20 when approximately 200 campers are expected to arrive from all parts of the Upper Peninsula. Campers will spend seven weeks at Bay Cliff receiving therapy and participating in a variety of activities. In the past years once campers arrived at camp their families did not see them until the end of the session. This year for the first time, on a trial basis, there will be a family visitation weekend on July 17 and 18. A limit of four visitors per camper has been set and the visitations are divided so that half of the campers can receive visitors Saturday, July 17 and the other half can receive visitors on Sunday, July 18. This is similar to the opening weekend schedule. During this trial weekend all visitors must register with the Bay Cliff office. If the group visiting the campers does not include a parent or guardian of the child, a note permitting the visit is required. Visitors will be permitted to use the campgrounds including the orchard, beach, auditorium, recreation center, and swimming pool. Campers will not be permitted to leave the Bay Cliff grounds.

The staff of the camp stress that this is not an open visitation period and that numbers must be limited because even with the present arrangement an additional 400 visitors could be added to the resident population of 350 staff and campers. More detailed guidelines for this visitation have been sent to the families of the campers.

Located near Big Bay in northern Marquette County, the camp provides various therapy programs including physical and occupational therapy, speech and hearing therapy and reading instruction. An integral part of the camping experience for the children is their participation in swimming, nature, boating, arts and crafts, and recreation programs. The wooded area within the camp grounds and the nearby shores of Lake Superior and Lake Independence provide abundant opportunities for cookouts, campouts and hikes.

Bay Cliff is known throughout the United States for its outstanding program of helping impaired children. Its staff is composed of registered and certified professionals from various parts of the country. Many of the 145 staff members in addition to the regular professional staff are studying in the field of special education and seek positions at Bay Cliff for the experience they may gain from working with children with a wide variety of handicaps.

Bay Cliff employs a full-time dentist, one dental hygienist,

a dental hygienist, a dental assistant, two nurses, a nurse's assistant - to care for the medical needs of the children.

The approximately 200 children who will be enrolled this summer come from all 15 of the Upper Peninsula counties. In addition, four campers come from outside the Upper Peninsula. Pre-camp enrollment approximations indicate that Marquette County has the highest enrollment with 58. The enrollment for other counties is estimated at: Alger, 6; Baraga, 10; Chippewa, 16; Delta, 21; Dickinson, 11; Gogebic, 7; Houghton, 20; Iron, 6; Luce, 6; Mackinac, 4; Menominee, 14; Ontonagon, 9; and Schoolcraft, 14.

Preceding and following the regular seven-week camping period Bay Cliff's facilities are used for a variety of educational camping programs including Adult Easter Seal Camp.

John A. Vargo, director of the camp, extends an invitation to individuals and groups to visit the camp during its forty-third summer of operation so that they may see why the assistance of every person in the Upper Peninsula is

needed to help operate this program which is financed primarily by contributions. Visitors would also be able to see how their assistance is put to work, Vargo says. The 1976 camping session will end on August 8.

OLDER AMERICAN PROGRAM TERMED A SUCCESS ON OTTAWA

The Older American Program has proved to be a very effective program on the Ottawa National Forest according to Forest Supervisor M. K. Lauritsen. The Forest currently employs 14 "older Americans."

The federally funded program allows participants to work 30 hours per week and receive \$2.30 per hour. To qualify, a person must be at least 55 years of age, meet poverty income levels set by the Federal Government, and pass a medical examination. However, the cost of the examination is paid for by the program.

Older Americans on the Ottawa National Forest are involved in maintenance work on buildings, campgrounds, picnic areas, and signs. Others serve as clerical help and auto mechanics.

Examples of poverty levels of annual income are: family of one, non-farm \$2,800, farm \$2,400; family of two, non-farm \$3,700, farm \$3,160; family of three, non-farm, \$4,600, farm, \$3,920; family of four, non-farm \$5,500, farm \$4,680.

Older Americans are employed at the Supervisor's Office of the Ottawa National Forest as well as Ranger Districts located at Bergland, Bessemer, Iron River, Ontonagon, and Kenton.

FORMER ONTONAGONITE RECEIVES A DOCTOR OF MEDICINE DEGREE

A medical student from Ontonagon received a doctor of medicine degree at Michigan State University's spring term commencement held June 12.

Dr. Gerald M. Takala, son of Mr. & Mrs. Marvin W. Takala, 1114 Rockland Rd., is one of 87 men and women who earned M.D. degrees during the 1975-76 academic year at MSU's College of Human Medicine.

He completed his premedical work at Northern Michigan University where he was graduated with honors with a B.A. in biology. As a medical student, he took his two-year community clerkship in MSU associated hospitals in Kalamazoo.

He is taking his residency training in family practice in Kalamazoo, in a program of the Southwestern Michigan Area Health Education Corporation.

Dr. Takala is married to the former Molly Thompson of Paradise, Michigan. They have a son Michael Kelly.

Gerald served for four years with the U.S. Navy Medical Corps during the Vietnam conflict.

NOTICE TO DOG OWNERS

Ontonagon County Dog owners are given a warning by the Animal Control Officer.

Many complaints have been received from people with gardens that dogs are running at night and trampling the gardens.

We now have a dog pound and all stray dogs will be picked up.

Dog Licenses may be purchased either from the County Clerk's office or from the Animal Control Officer.

Wilho A. Murto
Ontonagon County Animal Control Officer

THANK YOU

To All Those Who Supported Me In The Recent Carp Lake Township School Board Election. Your Confidence Is Appreciated.

SOUTH END BICENTENNIAL PLANS FOR JULY 4TH WEEKEND PROGRESSING

A tremendous two-day affair is nearing the final stages of planning and preparation as the various committees for the South End Bicentennial Celebration complete their work. A great deal of time and effort has been put forth to ensure that this celebration of the Nation's 200th Birthday will be the "greatest ever!"

The timetable of events will actually begin on Saturday evening with a "Night of Music." On July 3rd at 7:30 p.m. the Bi-Centennial Chorus will perform, as will the Sacred Heart Singers at Co-op Hall in Bruce Crossing. These concerts will be followed by music for listening and dancing at 9 p.m. This will primarily be "Music of Yesteryear." At 9 p.m., also, a dance will be held at the V.F.W. Hall in Bruce Crossing, featuring the music of "The Coppertones" and music for all ages. Refreshments will be served.

On Sunday the celebration will officially begin with an Ecumenical Worship Service at 11 a.m. at the new Little League Ballpark, followed at 11:45 by the dedication of the park as "Steamboat Bill" Little League Park. George Brown is committee chairman for the worship service and Tom Caudill is the chairman for the dedication and building of the Ballpark. At 12 noon a Time Capsule will be buried at the park at the base of the flagpole. Howard Johnson is in charge of this portion of the dedication. Any person who has ideas or time or labor to offer for any of these events of the Bi-Centennial Celebration is invited to contact any of the chairmen.

The Grand Parade, which will include many more floats and participants than in the past, will commence at 1 p.m. Willie Johnson and Bruce Cook are the co-chairman for the parade, and again everyone is invited to participate. Prizes will be awarded for the various categories and in the Children's Division, a Bi-Centennial half-dollar will be awarded to each participant.

A special feature of this year's parade is the group chosen to be Parade Celebraties. All Senior Citizens 76 years of age and over will be specially honored as "Our Pioneers" and commended for the great service rendered to our communities and our nation in years gone by.

The Ewen Trout Creek Band will march and a number of area horse clubs will also take part.

Following the Parade the events will continue at the Stannard Township Park where contests galore for all ages will go on. Included here will be the Beard & Mustache Contest. Also, prizes will be awarded in this contest as well as awards for the "most authentic costume of the past" and many of the other events. Qualified judges will serve for all events. Other spirited matches will take place - including Tractor Pull, Tug of War, Log Chopping, Arm Wrestling, Watermelon Seed Spitting, Pie Eating, Rolling Pin Throwing, One & Two Man Cross-Cut Sawing, Tobacco Spitting, 4-Wheel Drive Pull, Frisbee Throwing, and the greatest assortment of Children's Games & Contests Ever! There will be music for dancing on Sunday afternoon as well.

At approximately 3 p.m. a Softball Round Robin involving teams from Ewen, Trout Creek and Bruce Crossing will be held. A Men's Bloop-er Ball for men over 40 years of age will take place and prizes will be awarded.

At 5 p.m. the Ontonagon Valley Little League teams, including Bergland, Ewen, Bruce Crossing and Trout Creek, will play at the new Steamboat Bill Memorial Park.

Bingo will be offered throughout the day, and there will be various carnival games - with prizes from small to the large deluxe stuffed animals. A number of booths and concessions are Continued On Page 7, Col. 2

Letters TO THE EDITOR

Editor
Nonesuch News
White Pine, Michigan

Dear Editor:

In as much as I am a taxpayer and resident of Ontonagon County, I feel that there should be some public awareness of the neglect of our County Commissioners in the operation and function governing their denial to afford exercise for County prisoners.

Some deputies show favoritism towards individuals.

Individuals, while others are neglected. Some prisoners have no exercise day in or day out, spending 24 hours a day in their cell - with limited reading material, limited visits, and mail being held up and read after being opened. There is also a conflict in personalities in the County Jail, because the Sheriff wants to do what he can, but different deputies are against him.

When the Sheriff or undersheriff are away, certain deputies exercise their authority to the extreme and the end result is abuse toward the prisoners.

The Board of County Commissioners denied the Sheriff a fence near the jail for exercising prisoners. The jail made the same mistake as others do and failed to look into how your township commissioners vote and how he looks into these matters of public interest. If they don't care, the Prosecuting Attorney won't. So support better government and policies by using common sense --- and not common abuse. Who knows? Someday your husband, wife, son or daughter may be in jail, and then you'll see!

Sincerely yours,

A Resident of Ontonagon County

Meetings

... There will be an important meeting of the Carp Lake Township Bicentennial Committee on Wednesday, June 23, 1976, at the Mineral River Plaza Shopping Center, Room 303, at 7:30 p.m. Everyone involved with festivities should attend this meeting.

NOTICE - W.P. STAGE BAND - NOTICE

The White Pine Stage & Lab Band practice for the July 5th concert will be held this Friday, June 25th, at 6:30 p.m. in the High School Band Room.

ASHLAND-BAYFIELD ART COUNCIL TO SPONSOR FESTIVAL

A FESTIVAL OF THE ARTS, sponsored by the Ashland-Bayfield Counties Arts Council, will be held in Ashland on July 24-25. The National Guard Armory on Sanborn Avenue is the location of this bicentennial event. The festival will feature both the visual and the performing arts. Hours for the exhibit: Saturday - July 24, from 10 a.m. to 7 p.m.; Sunday - July 25, from 10 a.m. to 4 p.m.

Artists 18 years and over, who wish to exhibit and sell work of original concept, are eligible to enter the festival. Works displayed must be for sale.

VISUAL ARTS will include painting, sculpture, graphics, photography, as well as crafts in wood, fiber, leather, metal, clay and glass. Display fee per booth is \$5.00. Props, tables, chairs, etc. are furnished by the exhibitor. Set-up time on Saturday morning, is 8 a.m. The Arts Council will furnish free coffee and rolls to all exhibitors. Please make check payable to FESTIVAL OF THE ARTS.

PERFORMING ARTS will include music and dance. The BEAUS AND BELLES, Duluth, will sing music of the Gay Nineties on Saturday afternoon at the National Guard Armory. The SQUARENADERS, directed by Nellie Brauer of Ashland, will also perform at the Armory on Sunday afternoon.

For further details write FESTIVAL OF ARTS, Attention: Ms. Lucele Gadda, Rt. 1, Box 350, Ashland, Wi. 54806, or telephone - 715-682-6471.

YOUTH CORPS ON OTTAWA EXPERIENCE FULL PROGRAM OF WORK & EDUCATION

Youth Conservation Corps participants may be frequently busy and sometimes tired, according to M. K. Lauritsen, Supervisor of the Ottawa National Forest, but they will seldom be bored. Enrollees have all now been selected for this summer's program.

The program which is scheduled to begin the week of June 27th (Nesbit Lake, July 5th) will provide 142 young people ages 15 through 18 an opportunity for understanding and appreciating the natural environment in a productive on-the-job learning situation. The program is co-ed giving summer employment to an equal number of males and females.

The eight-week long program is divided into two types -- resident (live-in camp) and non-resident (live at home). Resident programs will be conducted at Golden Lake, which is half-way between Iron River and Watersmeet on Highway U.S. 2, and at Nesbit Lake, which is 8 miles south of Sidnaw on M-28. Non-resident enrollees will reside at home and commute daily to one of the Ranger Districts located at Bergland, Bessemer, Iron River, Kenton, Ontonagon, and Watersmeet.

In both programs enrollees are paid for a 30-hour work week with 10 hours a week spent on environmental education. The work education programs will be tied in with the actual "work" projects; projects such as clearing stream banks, trail construction, constructing camp and picnic facilities, erosion control, silvicultural activities such as thinning, pruning, and releasing stands, and a variety of other similar conservation projects.

The Youth Conservation Corps was established by Congress to be administered on public lands and water areas administered by the Secretaries of Agriculture and the Interior.

Enrollees will learn prior to the start of each project why it is being done, what the results will be, and how it will be done. Safety will be stressed. Educational activity will include classroom training, field trips, and demonstrations. Opportunity will be provided for visits to sawmills, on-going timber sales, and the sites of projects similar to the projects currently being accomplished. There will also be field trips to local points of interest.

Last year, YCC'ers at Golden Lake (resident) did an ecological survey of that area. Groups which represented a variety of interests such as wildlife, fish, insects, geology, soils, water, forestry, and recreation were formed. Comprehensive studies were made of the assigned subject and presented during the last week of class.

The enthusiastic response of the enrollees is contagious and rewarding. For many resident campers, especially those from larger cities, YCC provides a first opportunity to see a stand of timber, to see a sawmill work, to understand the chain of life, to have trained personnel available to demonstrate and to question, to realize what "camping" is, to see how a recreation area must be maintained, to comprehend the management of natural resources, and a host of other items. For most, it is an experience they will never forget.

This year's non-resident YCC enrollees are: Bergland - Cheryl A. Baily, Sharon L. Franke, Gayla J. Salmi, David A. Tahtinen; White Pine - Rick M. Blom, Mark J. Bushaw, Tony R. Gasparac, Gloria J. Simmons; Bessemer - Rachelle E. Betlewski, Michael R. Harvey, Gail F. Maki, Harold A. Stein; Wakefield - Carol L. Brunelle, Ann M. Daniels, Jim D. Laessig, Eric A. Saari; Ironwood - Martha L. Fitzgerald, Dave Kevan; D'Ann Kinnunen, Linda Malmberg, Tammy Pertile, Shirley Rouse, Michael Sodervick, Joseph Vizanko; Iron River - Julie Frazier, Cathleen Lambert, Mike Linna, Kathy Ridolphi, LuAnn Thompson, Ronald Woodworth; Caspian - Chet Busakowski; Stambaugh - David Ciochetto; Bruce Crossing - Darcy Juntunen, Michael Pietila; Ewen - Stanley George, Jr.; Dennis Morrison; Trout Creek - Pamela Voigt; Watton - Sally Alatalo; Ontonagon - Warren Hill, Edwin Hiltunen, Arlene Kaurala, Thomas Mansell, Michael Thompson, Linda Webber; Mass - John Hoover, Tammy Huotari, Debra Miilu; Greenland - Dawn Pank; Watersmeet - Jeanette Caron, James Gorshe, Neily O'Donnell, Nancy Rogers, Mary Zelinski; Paulling - Richard T. Urbis.

THE PRIVATE LINE

Annoyance Calls: Malicious, threatening, harassing, or abusive calls and obscene or profane language, are prohibited by state and federal laws. Making such calls may constitute cause for disconnecting service and possible criminal prosecution, and civil action by the person called. This would apply to the person who has been calling in false fire alarms lately, or his parents.

The telephone company is particularly concerned about obscene and harassing calls and will help stop them. Don't talk or listen to such calls - just hang up. If calls persist call the telephone company.

Guarding against fraud: For your protection, new equipment and procedures enable the telephone company to detect and investigate fraudulent calls. State law provides that no person shall defraud or attempt to defraud the telephone company of its lawful charges. Violators, upon conviction, are subject to imprisonment for up to one year or to a fine of up to \$500, or both.

June 17 - Thursday, White Pine Legion, 15 - Northland, 11.

AMERICAN LEGION POST 462 NOTES

The Legion along with the Auxillary will be selling beverages, strawberry shortcake, sloppy Joes, cigarettes and coffee on the 5th of July by the skating rink. Anyone crazy enough to volunteer to work a 2-hour shift can call Bob Marchand at 885-5780.
The date for the Community Picnic has been tentatively set for August 8th. Watch for further details. (Workers are needed here too.)
The Legion Auxillary has American Flags for sale at \$6.00 each, including bracket and pole. Fly our colors on the 4th. If interested call JoAnne Maksym or any Auxillary member.

GEM & MINERAL SHOW COMING TO THE PLAZA — JULY 9, 10, 11

The Rock Head Gem & Mineral Club of White Pine is hosting the 1976 Gem & Mineral Show, scheduled for the Mineral River Plaza on July 9, 10, and 11, 1976.

To date ten dealers from all parts of the United States have registered to participate in this very popular event. During the three-day show there will be Silent Auctions, Field Trips to area sites of interest to rock collectors, an Indoor Field Trip, numerous displays of Lapidary work plus mineral collections.

The show is open and free to the public. Times during the three days of the show are as follows: Friday - 9 a.m. to 9 p.m. (EDT); Saturday - 9 a.m. to 5 p.m. (EDT); Sunday - 10 a.m. to 5 p.m. (EDT).

Plan to attend this educational and very interesting fun event the weekend of July 9-11.

DEPARTMENT OF NATURAL RESOURCES
"REMINDER"

As of June 1, 1976 all off road vehicles must be registered in the state of Michigan. This consists mainly of motorcycles, dune buggies, or any vehicle capable of motorized travel.

The registration stickers can be obtained at any local Secretary of State Office. Some exceptions to this law are:

- 1.) ORV's operated on lands owned by or under control of the ORV owner;
- 2.) ORV's licensed under the Michigan vehicle code and only if operated on designated highways, roads, and streets. As soon as an ORV leaves a designated highway, road or street it is required to have an ORV registration.

Also, after January 1, 1977 all people 12 - 15 years of age will be required to have in their possession a DNR ORV safety certificate unless under direct supervision of a person 18 years of age or older - except on lands owned by or under control of the parent or guardian.

ADVENTURE FILM OFFERED TO PUBLIC BY CYF OF ST PAUL'S LUTHERAN, MASS

"A Stranger in My Forest" - a thrilling adventure movie about a boy, a bear, and the forest - will be shown at 7:30 on June 27th at the St. Paul's Lutheran Church, Mass. The film is being sponsored by the Christian Youth Fellowship of the Church.

Following the film, refreshments will be served. There is no admission for the evening's entertainment, however a free-will offering will be taken. Don't miss this opportunity to see a really worthwhile film.

WHITE PINE STUDENT NOMINATED FOR WHO'S WHO PUBLICATION

Craig Kinnunen, son of Mr. & Mrs. Gilbert Kinnunen of White Pine, and a senior student at White Pine High School, has received word that he has been nominated to inclusion in the "Who's Who Among American High School Students, 1975-76."

In addition to inclusion in the forthcoming publication, Craig is now eligible to compete for scholarship grants totaling over \$35,000.

Craig is currently attending the summer session of Boy's State at Lansing, Michigan.

TENNIS INSTRUCTION AVAILABLE TO EWEN & BRUCE CROSSING RESIDENTS

It's still not too late to join the classes being held in Ewen and Bruce Crossing for instruction in tennis. The classes are held on Monday or Tuesday mornings at 9 a.m. at Ewen, and on Monday or Tuesday mornings at 10:30 at Bruce Crossing or on Monday or Tuesday evenings at 7 p.m. at Bruce's. The fee will be 50¢ per lesson for school-age children and \$1.00 for adults per lesson. Instructor for these sessions is Mr. Frank Wesman, Ironwood. Frank was a tennis star with the Ironwood Red Devil tennis team and can assist in basic and advanced techniques of the game. For further information or to register persons may call Dan Ojala at 988-2350.

OUTDOOR REPORT: J. Magnuson, M.D.N.R.

The weather of the past week was a delight for most people who like to be in the out-of-doors on their free time. In fact, at times it was too hot for comfort for the more strenuous outdoor activities. We did get some rain this past weekend and again early Tuesday morning, but the effect on the vegetation is doubtful at this time. The first rain fell roughly an hour or so either side of midnight, with a wide range of amounts. The Baraga Field Station received .58 of an inch, Calumet Field Station got .48 of an inch, Twin Lakes Field Station barely had the dust laid with their .18 of an inch, and Camp Baraga received .62 of an inch. When the Fire Danger Rating was figured out at 2:00 p.m. last Saturday, it was a low 3. When it was calculated Sunday afternoon it was a high 7, even though we had the .62 inches of rain at Camp Baraga where our instruments are located. The effect of the rain was wiped out when the winds picked up early Sunday morning and evaporated the moisture to the point where it dried the vegetation more than it had been wet down by the rain. Early Tuesday we received more rain with some thunder showers beginning about 5 a.m. It is again raining quite heavily at this time and I believe we will get more rain between now and Wednesday morning as predicted. It is very unlikely that our fire danger rating will act like it did Sunday, because it looks already like we will get more rain than we have had for quite awhile.

If I were a brook trout fisherman, this coming weekend would have all the prospects of being the right time to get back to some of the smaller creeks and streams that have been ignored for awhile. Water levels should be up enough in most streams to make it possible for the fish to move out of the big holes or away from the beaver ponds where the water must have been quite limited for the past few weeks. Brook trout seem to bounce back from a long dry spell quite quickly with the next sizeable rainfall.

We did get one report of good brook trout success last week, but it was in one of the larger streams in Gogebic County. Just try and get a better location from a brook trout fisherman of where he managed to make a good catch.

Fishing on the inland lakes improved some last week, with the climbing numbers of tourists and summer residents moving into this area for the summer. Walleye success was rated as fair to good in most of the better walleye lakes and streams. Probably the best spot last week for walleye fishing was in the Ontonagon River, both in the city limits of Ontonagon and upstream. A fair number of 10 pound walleye were noted. The south end of Lake Gogebic also produced some good catches of walleye, as did the Bond Falls Basin and the Portage Canal area. Bass, perch, crappies, and bluegills were also mentioned for most of the string of lakes along the south side of Gogebic County, but the success rating was only fair.

The lake trout fishing on Lake Superior probably would have been better, but strong winds the latter part of the week and the weekend kept the number of fishermen down, and with it the success. The best report of fishing success on Lake Superior came from the west end of the district where some good catches of coho salmon and rainbow trout were checked. Quite a few limit catches and even more just shy of being a limit were mentioned. A good share of the success mentioned was by fishing parties on the charter boats available at Black River Harbor and Little Girls Point. The charter boats are larger than most of the private boats and can go out in weather that would keep most of the other boats on shore. Trolling about 20 to 50 feet below the surface where the water is 200 to 250 feet deep continues to be the best method for success.

THANK YOU

I sincerely thank and appreciate the support of all concerned citizens - parents, taxpayers, community-at-large - who voted for me in the Ontonagon Area School Board of Education Election on June 14th.

planned. At some point during the afternoon, a special precision flying display will be seen overhead with the performers being a group of flyers from the K.I. Sawyer Air Force Base. As a special feature for the kiddies, a Plate Drop from a small aircraft will offer to the lucky finders of the plates gifts or merchandise redeemable from area merchants.

At approximately 8 p.m. the "Copper Drifters" with Mike Urbis will perform at the tennis courts, playing throughout the evening right up to the bewitching hour of 7.

And then, at dusk, the long-awaited moment of splendor as the Fireworks Display begins. Here too, this year's production will be the biggest and best ever.

Monday, the 5th, will be devoted to family type activities with a Community-Family-Type Social Afternoon at the Stannard Township Park set to begin around noon. Folks are asked to bring food to share with friends and neighbors. The afternoon will include music, concessions, greased pole and various races and contests for the children, a Horseshoe Round Robin. For more music pleasure Art Moilanen and Tommy Hiltunen will play at the tennis courts from 2 to 6 p.m. All individuals and groups with some Hometown Talent to offer are invited to share in the social atmosphere of the afternoon by volunteering their performances.

In addition to all the abundance of fun things planned for every family member during the weekend - the Ottawa Lions Club will be serving a pancake breakfast at the VFW Hall in Bruce Crossing on Sunday and Monday mornings, beginning at about 7:30 and continuing to about noon.

In case of inclement weather (George Washington Forbid!!!) all activities otherwise scheduled for out-of-doors will be held at the Co-op Hall in Bruce Crossing.

General Chairman for the South End Bi-Centennial Celebration is Harold Essig. The Chairwoman of Scheduled Activities is Mary Jane Kurtti. Both of these persons, as well as the many others involved in the planning of the event, have worked long and hard to assure a successful celebration. Questions or comments regarding any part of the celebration should be directed to either Mr. Essig or Mrs. Kurtti.

For the time of your life, join the happy folks at the South End Bi-Centennial Celebration - Bruce Crossing - July 3, 4 & 5!!

THANK YOU

My Family And I Want To Thank All Of You For Your Thoughtfulness. The Cards And Letters Of Encouragement, Your Prayers, Gifts And Visits Are Deeply Appreciated. God Bless You!

BIDS WANTED - BUSTEL PROPERTY

The John Bustel property near Mass, Michigan, is being offered for sale by Elma Lukkarila, General Fiduciary of the Estate of John Victor Bustel, Deceased.

The dwelling is a cabin-type building approximately 16 1/2 feet wide and 30 feet long. It is ready for occupancy and would be ideal as hunting camp property or summer property.

The cabin has two rooms and electricity but does not have running water or indoor plumbing; however, there is a sauna on the property, as well as a little house out back. It is located on property described as the NE1/4 of the NE1/4, Section 18, Town 50 North, Range 38 West, Greenland Township, Ontonagon County, Michigan. This is a 40 acre parcel completely covered with woods, but no standing timber. Some parts of the parcel are marshy.

Bids should be submitted to Allen R. Briggs, Attorney for the Estate, 204 River Street, Ontonagon, Michigan, in an envelope plainly marked on front: "BID ON BUSTEL PROPERTY." Bids must be received by 11:00 a.m. on June 25, 1976. The Estate reserves the right to reject any or all bids. For viewing of the premises, contact Elma Lukkarila, Mass, Michigan, Phone (906) 883-3313.

BIDS WANTED

For Dairy Products

The Ontonagon County Board of Social Services are requesting bids for dairy products for the year August 1, 1976 through July 31, 1977.

All dairy products must meet state and federal regulations. Bids should be delivered or mailed to:

Mr. Robert Mazurek, Administrator
500 7th Street
Ontonagon, Michigan 49953
and must be received no later than 3:00 P.M. Wednesday, July 7, 1976.

The Board reserves the right to reject any or all bids. Bidders may attend the bid opening on July 8, 1976, at 10:30 A.M. at the Ontonagon County Medical Care Facility.

Specifications may be obtained from the Administrator at the Ontonagon County Medical Care Facility.

NOTICE

Residents Of Carp Lake Township

Under the Zoning Ordinance all junk cars and equipment must be removed from property in two weeks or arrangements must be made in that time for removal as soon as possible.

JERRY'S T V Will Be Closed From July 1st through August 15th. Thank You For Your Patronage!

... A General Membership Meeting of the Mineral River Merchants Association will be held on June 29, 1976 at 7:30 p.m. at the shopping center, Area 303. The Agenda will include final details on Bicentennial Celebration plans and the nomination of directors for next year.

WORK NEARS COMPLETION AT LITTLE LEAGUE "STEAMBOAT BILL" PARK

Thanks to the hard work and devotion of many volunteers, the "Steamboat Bill" Little League Park in Bruce Crossing is nearing completion and is expected to be in good shape for the formal dedication of the park during the 4th of July festivities.

The grounds are in the process of being completely sodded and enclosed with fencing. Bleachers will be furnished for the dedication and for persons attending the Ecumenical Worship Service on July 4th.

Tom Caudill, general chairman of the project, reports that Little Leaguers are now out selling Booster Buttons, which bear the inscription "I Helped Build Steamboat Bill Little League Park." Also planned as additions to the work already completed are a flag pole, sign and dugouts for the teams.

The park will be formally dedicated on July 4th to "Steamboat" Bill Wuolo, a former resident of Bruce Crossing, who died last August in an automobile accident. Steamboat Bill was a retired Great Lakes sailor, a sports enthusiast who enjoyed helping children and served them and the community as a baseball umpire. The dedication of the Ballpark in his name is a fitting tribute and memorial to the man.

Persons who might like to contribute to support of this community project are invited to contact the chairman, Tom Caudill. Monies are still needed to assure completion of all the improvements planned for the park.

BICYCLE TOURING - A GREAT SPORT!

With the arrival of summer I am pleased to see that many individuals here in the community are bicycling and am especially pleased to learn that some members are participating in bicycle touring.

For those that are considering touring by bicycle and have not had previous touring experience, perhaps the following suggestions will be of some help.

1) Know your own limitations! Don't expect to just get on a bicycle and pedal 80 miles in one day. You might make it but will you be in any condition to pedal back? Gradually work up to the distance you have in mind.

2) Be familiar with the operation and maintenance of your bicycle. Ideally your bicycle should be in good condition before you begin your trip. Tires inflated to the proper pressure? Brakes and derailleurs working properly? Steering OK? Cables and chains OK? Bicycle adjusted to the rider? All nuts and bolts tight? Can you, or if riding with a group, can one of the members of your group repair flat tires? Replace broken spokes? Install brake/derailleur cables? Adjust brakes and derailleurs?

In case of a breakdown do you have the proper parts and tools necessary to do the repairs? For instance, let us assume that your bike has some broken spokes on the freewheel (sprocket cluster) side of the wheel. Do you have the freewheel remover for your bike? An adjustable wrench (usually a 6" or 8" crescent) that fits the freewheel removing tool, and the proper size spokes for your bicycle. Do you also have a spoke wrench, tire pump and bicycle tire gauge?

3) Be watchful and respectful of both automobiles and pedestrians. A friendly wave usually brings one in return.

Bicycle touring isn't difficult and, indeed, it is a lot of fun. If you are considering bicycle touring of any distance, I've listed below some of the items/equipment I've found useful. If you have any questions please feel free to give me a call. I will be glad to be of help.

Water bottle, suntan lotion, pump & tire gauge, freewheel remover, spare rear brake/derailleur cables, small screwdriver, adjustable wrench, proper size Allen wrenches, tire repair kit & tire irons, spare spokes (proper thickness, length) and nipples, Bicycle tool kit (Macfac is a very good one.). . . Jim Mackey. . .
