ATTORNEY ANNOUNCES CANDIDACY FOR COUNTY PROSECUTING ATTORNEY POST

Ontonagon attorney Roy D. Gotham announced his candidacy recently for the office of Ontonagon County Prosecuting Attorney. He will seek the Democratic nomination in the August primary election.

Gotham and his wife, Mary, who teaches first grade at the Ontonagon Elementary School, have lived and worked in Ontonagon since 1973. He is a graduate of the Wayne State University Law School and is associated with the Law Offices of Allen R. Briggs.

During his practice of law in Ontonagon, Gotham has represented various townships, schools and other municipal bodies.

"Although there is a natural, built-in tension between a Prosecutor's office and police agencies, a Prosecutor must do all he can to develop cooperation and respect between these departments," Gotham said. "Only in this way can we have law enforcement which is worthy of the respect of Ontonagon County residents, who are, after all, the people who elect the officials, pay the bills, and sometimes suffer the consequences."

Gotham indicated that the increasing responsibilities and complexities of legal issues facing counties, both in the prosecutive function and in the general representation of county officials and agencies, have increased to such a point that the Prosecuting Attorney must be prepared to spend as much time as necessary in such representation.

Gotham said, "Today's society is entangled deeply in law, and the Prosecutor's duties in both criminal work and county civil representation increase with new laws every year, so the job requires and deserves much attention. I am prepared to give to that job as much of my time and attention as needed to fully and effectively perform as Prosecuting Attorney of this county."

Gotham and his wife are purchasing their home at 706 Chippewa St., Ontonagon, and have been active in civic affairs since coming to Ontonagon in 1973.

VFW POST 4359 HOLDS LOYALTY DAY DINNER AT KONTEKA

"Only in this great country could the debacle following the Watergate scandal be handled without bloodshed or revolution," said Judge Donald Munro in his address to the guests assembled at the Konteka in White Pine on Saturday, May 8, in observance of Loyalty Day. Judge Munro called attention to the many privileges enjoyed by citizens of the United States, but cautioned that we must be ever mindful of the ugly forces which rise up from time to time in the form of ridicule and contempt of our national leaders. He expressed the hope that by the time we reach our tricentennial anniversary, ours will be a nation which has learned to abolish hatred and where man will have learned to "love his neighbor."

Approximately forty guests attended the dinner, which was sponsored by the Veterans of Foreign Wars Post 4359. Following a welcome by Commander Phil LaPoint, a buffet was served consisting of turkey, ham and roast beef.

Excerpts from an operetta entitled, "I Like the Sound of America," by Flo Price was presented to the group by the sixth grade students of White Pine Elementary School under the direction of Alex Ramsay.

NORTH SOUTH INTER-CITY BUS SERVICE NOW SERVING WESTERN U. P.

MICHIGAN WEEK PROGRAM & OPEN HOUSE SET FOR W.P. SCHOOLS ON MAY 20

In recognition of Michigan Week, a special program will be presented to parents and the general public by the students of the White Pine Elementary School on May 20. The program begins with an Open House from 12:45 to 1:30. This will be followed by an Operetta, "I Like the Sound of America," performed by the 6th graders, at 1:30 to 2:15. The second graders will next perform a Dance, from 2:15 to 2:30. "Song of America" will be sung by the first grade students, 2:30 to 2:45, followed by a choral reading done by the 4th grade, 2:45 to 3:00 and a Choral reading by the 3rd graders from 3:00 to 3:15. The program will close with the 5th graders singing two songs. The conclusion will be approximate 3:30. All the times are approximate.

ALSO, Metropolitan Achievement tests were given to children in grades Kindergarten through 7th at the Elementary School. Any parent that is interested in their child's results of this test may visit the child's teacher who will discuss the results with you.

HEALTH CLINICS IN AREA NEXT WEEK

The Western U.P. District Health Dept. will hold regular monthly clinics on Thursday, May 20, 1976.

The Ontonagon Clinic will be held in the offices of the Health Dept. located in the Medical Care Facility. The time of this clinic will be 8:45 a.m. to 9:45 a.m. The Clinic leaves for Ewen immediately following this time so persons are urged to be on time.

The Ewen Clinic will be held in the Ewen Community Building from 11 to 11:30 a.m. (This is the new library.)

Inoculations for diphtheria, tetanus, whooping cough, polio, rubella, regular measles and mumps will be offered. This is a free clinic and everyone is urged to attend. A parent or guardian must accompany the child if it is his or her first time at the clinic. This is to sign the consent form for these inoculations. Check with your family physician or call the Health Department, 884-4485, to see if your children are fully protected against childhood diseases.

Tuberculin testing will be done every Monday from 8:00 a.m. until 9:30 a.m.

The Western Upper Peninsula Dist. Health

Dept. will also be holding a Hypertensive Screening Clinic on May 20th from 1:30 until 2:30 p.m. at the Mass-Greenland School. The purpose of this clinic is to detect people with high blood pressure and refer them to their family physician for care. Hypertensive booklets will also be available. This clinic is not intended for monitoring the blood pressure of those people who are already on anti-hypertensive drugs and under a doctor's care. This is a free clinic and open to the adult public.

Hypertensive Screening Clinics will be held periodically in different locations throughout Ontonagon County. Check news media or contact the Western U.P. Dist. Health Dept. by calling 884-4485.

ANN & FRED JOUSMA, BRUCE CROSSING, MI., RECEIVE A CERTIFICATE OF COMPLETION FROM GLENN M. ANDERSON, IL., WISCONSIN FEDERATION OF COOPERATIVES, AT THE CLOSE OF THE EVENT.

COMMUNITY DRIVE UNDERWAY TO HELP WHITE PINE FAMILY

Phil Symons, White Pine, recently underwent his second open-heart surgery at the Mayo Clinic. A community assistance drive has been organized to aid the Symon's family with the extraordinary medical expenses which face them.

Contributions may be sent to the Citizens State Bank, White Pine; Mrs. M. June Aho, or directly to the Symon's family.

NOTICE TO CARP LAKE RESIDENTS

Sometime during the night of May 3, 1976, a person or persons unknown did unlawfully damage electric components situated in our park. This is the third instance of willful damage done.

This last instance was one of major consequence. These electrical boxes had live 220 volts in them. One slip and we would have had a catastrophic. For this wholly unnecessary act of violence the Carp Lake Township Board is at this time offering a \$50.00 reward for the arrest and conviction of the person or persons involved in this latest act of vandalism. Parents and/or guardians will be prosecuted to the full extent of the law.

Carp Lake Township offers a teen center, park, tennis courts, softball diamond and hockey rink for the use (not abuse) of all our citizens. Now is the time to end the actions of those who want only to destroy that which we should all enjoy.

FOURTH OF JULY CELEBRATION PLANS ARE UNDERWAY IN WHITE PINE

The next meeting of the Planning Committee will be held at the Konteka on Wednesday, May 19, at 7:30 p.m. All organizations or individuals who plan to participate are asked to attend. Let's Make This Bi-Centennial Anniversary A Day To Remember!

AUXILIARY TO LEGION POST 462 TO SEND TWO GIRLS TO GIRL'S STATE

The American Legion Auxiliary Post 462 of White Pine is sponsoring two girls to attend Girl's State, which is held on the campus of Olivet College, Olivet, Michigan. The girls that have been selected are Sheila Keto and Kim Leveque. Both are juniors at the White Pine High School. They will be attending Girl's State from June 12 through June 20th. Their alternates are Karlene Aho and Julie Skoviak.

U.P. SPELLING BEE WINNERS ANNOUNCED

The Annual U.P. Community Schools Spelling Bee Finals were held in Marquette on May 7th. The event, sponsored by the U.P. Community Schools Directors Association, included participants from Ontonagon County schools who had placed in the Regionals held earlier this spring.

In the 5th Grade and Under Competition Carol Johnson, a fifth-grader from White Pine won First Place. Also placing was Lorna Riikonen of Mass who won Fifth Place. In the 6th Grade Competition, Rusty Harry of Ontonagon was the 4th Place winner.

On behalf of the Ontonagon Community Schools and the residents of the county, congratulations to the students on the results and the fine participation as well as your good sportmanship.

WHITE PINE SCHOOL ELECTION

For the past four weeks the Nonesuch News has carried articles on the up-coming May 18 Special School Election. These articles have attempted to provide you, the taxpayer, with factual information relative to the operation of your schools. The question now is; do you have all the information you need to make a sound decision on election day?

If you, the taxpayer, feel you do not have all the facts please contact members of the School Board or the Superintendent of Schools and all effort will be made to answer your questions.

Points to remember concerning the coming election are:

1. The millage request is not an increase but a renewal of the same millage as last year.
2. The millage must pass on May 18th to make it possible to continue summer tax collection.
3. Program cuts have been made. The millage is essential for the continuation of a quality educational program for the youth of White Pine.

The school would also like to remind you that on June 14, 1976, two vacancies on the board of education will be filled. Persons who wish to become candidates may pick up nomination blanks from the superintendent's office or Mr. Larry Chabot, the board secretary. Nomination petitions must be filed by the 17th of May with the board secretary.

LIONS EYE BANK ASKS FOR DONORS

There are one million people in the United States who cannot see the things that you see... a ball game, the trees, the moon, the face of a loved one. You and I have a lifetime of such enjoyment. Would you like to make it possible for those million people to actually see the life that goes on around them? After your pleasures are over... after death, your eyes can be used to give vision to those people. Pledge your eyes by signing a donor card from the Upper Michigan Lions Club of Bruce Crossing and Ewen, any Member will be glad to assist in this worthy cause.

THANK YOU

To express my deepest appreciation and thanks for the cards, gifts, and visits, and to the women who helped out in my home and brought food to my home, while I was in the hospital. Your kindness will always be remembered.

Joyce Shelky, White Pine

THANK YOU

I wish to thank each and everyone for the cards, flowers, prayers and gifts of money I received during and after my heart surgery. God Bless You.

BAY CLIFF HEALTH CAMP: A GOOD DEAL

A good deal is one that gets better and better as time goes on. Thanks to the kindness and generosity of the people of Ontonagon County, Bay Cliff Health Camp near Marquette is one of those "good deals" for the people of the Upper Peninsula.

Bay Cliff has come so far in the past few years that the good things it does for handicapped children are uncountable. A good many of these improvements are due to the continued generosity of the people of Ontonagon County.

As the Ontonagon County Bay Cliff Committee begins its 1976 fund drive, so that this very good deal for our children can get even better, we are calling on our trusted friends to help us once again, and on some new friends with the hope that they will join us in 1976. Last year, we were able to send ten handicapped children to Bay Cliff from Ontonagon County.

Bay Cliff Health Camp is a non-profit, non-denominational summer therapy center for physically handicapped children ranging in age from 4 to 17. It is located on 170 acres along Lake Superior near Big Bay in Marquette County, and is believed to be the only facility of its kind in the United States which accepts children with any and every kind of physical handicap regardless of race, creed or color. During its years of operation, the camp has helped over 5,000 children.

Bay Cliff was founded in 1934, and now has 35 buildings used for housing and program facilities, and has an enrollment of about 200 children in session for seven weeks each summer.

All children attending the camp are given loving care and guidance in a wholesome, healthy atmosphere, along with specialized treatment for their individual handicaps. The camp program includes speech correction, instruction for the deaf and hard of hearing, occupational therapy, physical therapy and remedial reading. These programs are administered by qualified registered therapists.

The program is supported entirely by contributions from organizations and public spirited individuals. The cost per child averages over \$700.

Contributions may be sent to committee chairman Loren Rogers at 533 River Street, Ontonagon.

CANOE RACES SLATED FOR WATERSMEET THIS SATURDAY

The Watersmeet Lion's Club will sponsor team canoe races on the Middle Branch of the Ontonagon River on Saturday, May 15. Two classes of racing, both a men's and a women's division, will be featured. The 6-mile men's course will begin at Russ's Road, three miles west of Watersmeet and end at the old Fish Hatchery site, near Old Highway 2, two miles east of Watersmeet. The women's course will be 4 miles in length, beginning at Russ's Road and ending at Highway 45 in North Watersmeet.

Both races will be two-man team events, with contestants racing against the clock. Teams will be spaced at two minute intervals, to minimize congestion on the river. Racing will begin at 2:00 p.m. for women and 2:30 p.m. for men. Races will be held regardless of weather conditions.

Registration fees will be \$5.00 for men's teams and \$4.00 for women. Trophies will be awarded to first, second, and third place finishers in both divisions. Presentation of the trophies will be made in conjunction with a luncheon to be served at the Watersmeet Town Hall. The luncheon will begin at 4:00 p.m., with trophies to be presented at 5:00 p.m.

Entry forms are available at local sporting goods stores. For more information, contact Sam Gehr, Race Coordinator, Box 43, Watersmeet, Mi., or phone (906) 358-4534.

SPORTSMEN TO HAVE BEAVER FEED

Thursday evening, after the regular outing of shooting at clay pigeons, the Lake Superior Sportsmen Club will hold their monthly meeting. Following the meeting a delicious meal of prime northern beaver, home made bread and baked potatoes will be served to members and prospective members.

Many people have not eaten beaver, believing that its only value is in the fur. However, in many countries it is considered a delicacy. The Lake Superior Sportsmen Club is fortunate enough to have a couple of cooks of German and Croatian heritage to prepare this feast. There will be two choices of meat - one will be cooked with a homemade bar-b-que sauce. The other will be Beaver Ala Polack - cooked in wine.

The president of the club announced this to be an important meeting and urged all members to attend.

Last week's trap scores, like the weather, were not too hot. John Domitrovich had a 22 & a 16; Dutch Kempen was not too far behind with a 22 & a solid 11. P. Hawsinth, P. Store, and B. Holmes had a number of rounds of 21 & 22. Next week's shoot will start at 6:30 p.m.

THURSDAY NIGHT MEN'S LEAGUE ENDS SEASON WITH ROLL-OFF & BANQUET

At the end of the second half, Bingo's and Silent Sam's were tied for the league lead. On May 3rd they rolled off and Silent Sam's emerged as second half champs, rolling a 2920 series. Bowling for Silent Sam's was Bob Nowicki, 579, Stan Nowicki, 515, Butch Tauriainen, 584, John Nowicki Sr, 560, and John Nowicki Jr., 567.

On May 6th Silent Sam's rolled off against the Konteka Lanes, the first half champs, and in a match that went down to the final ball, Silent Sam's defeated the Konteka by the score of 2716 to 2714. It was said by many to be one of the finest roll-offs seen in the area.

This was followed by a banquet and new officers were elected. The league wishes to thank the Nonesuch News for their coverage of the league all season.

WHITE PINE WEDNESDAY MEN'S LEAGUE ENDS SEASON WITH BANQUET & MEETING

The White Pine Men's Wednesday Night League completed its season on Wed., April 24, with its roll-off, banquet, and annual meeting. White Pine Standard edged out the Salt Lick Inn for the Championship trophies, in a series that wasn't decided until the 10th frame of the final game. Members of the Salt Lick Inn team bowling the roll-off were: Dave Boullion, John Shelky, Chris Mayer, Bob Durand and Mike Razmus. White Pine Standard was represented by: Dave Koski, Joe Giuliano, Dan Linna, Jack Eng-

berg and Mario Caramella.

After a delicious meal served by the Konteka staff, the following officers were re-elected: President, Joe Giuliano; Vice-President, Steve Stemberger; Secretary-Treasurer, Mario Caramella.

Trophies for perfect attendance were presented to: Ed Yankovich, Joe Giuliano and Larry Chabot. Dave Niemi received the ABC's Achievement Award for the most improved bowler. Tony Meneguzzo, Jr. received a patch from ABC for a triplicate award.

Frank Girucky, Jr. received a trophy for the high individual game and Jack Engberg for the high individual series and also for the high average.

Humorous trophies were presented to two bowlers who had the low game of the year and low series. Captains of the two teams who had low team game and series also received appropriate trophies. They were too modest to have their names published, however.

During the business meeting, the league voted to make a schedule change with 2 position nights at the end of the 1st and 2nd half. Other action provided that the roll-off loser will receive a 2nd place trophy (sponsor only.)

The next league meeting will take place in early August - time and place will be publicized in the Nonesuch News.

SLOW PITCH SOFTBALL TEAMS TO PLAY ON NEW FIELD THIS YEAR

The White Pine American Legion's new field is rapidly nearing completion. Fencing, backstop, infield, and improved parking area work is now in progress or will be soon.

The Bill Pierpont Memorial Tournament will be held this year, on the new field, on July 3, 4, & 5.

Hopefully, three teams will be fielded this year - an old-timers team (35 or over), a men's team (18 or over) and a women's team (18 or over.)

Anyone interested in participating in this healthy, fun sport on any of the above teams is asked to attend an organizational meeting on Monday, May 17, at the Legion Clubrooms. If persons prefer they may call Don or Gwen Picotte.

ROBERT BERGMAN, WHILE STILL A FULL-TIME RESIDENT OF WHITE PINE, WAS ALREADY BEGINNING THE TRAINING ROUTINE NECESSARY TO QUALIFY FOR THE "BIG TIME" IN THE BICYCLE RACING CIRCUIT

WHITE PINE ATHLETE PARTICIPATING IN NATIONAL BIKE RACING EVENTS

A former White Pine athlete is on his way to the top in American Bicycle League racing. Robert Bergman, a sophomore at Michigan Technological University has become a thoroughly dedicated athlete, particularly when it comes to bike racing. At present "Rob" is participating in a co-op program designed by Michigan Tech, whereby the student spends part of his learning period off-campus. It is referred to as Earn-While-You-Learn. Rob is one of 41 students participating. While majoring in mechanical engineering, he is presently on the job with Republic Steel Corporation, Cleveland, Ohio. Racing his bike on weekends, Robert has begun to create quite an impression in racing circuits. You might say he has 'come a long way, baby' since his first training sessions with "Stu" Ostrander, a former White Pine resident who created a lot of spark in this community in the areas of skiing and bicycling. The class of people Robert races against has improved substantially also. For now he races against Olympiad class racers which includes some top European racers.

His classification is Group II, Senior Divi-

sion... Group II and I are the elite class in Bike Racing. Rob worked his way up from the bottom with the determination necessary to qualify him as a member in this top class.

Working all week Rob finds it rather difficult to train as much as he'd like to but still manages to clock approximately forty miles a day. I imagine it must be quite trying to fight such elements as congested traffic and that famous Cincinnati smog.

Rob is now a member of the United States Federation of Bicycling and has participated in five races so far this year.

The first race in Cincinnati found Rob a bit out of shape and he had to drop. The second race which took place in Jackson, Michigan was proving to be a better race for Rob, as he was way up front with the leaders. However, he suffered a jolting crash right near the end due to a blow-out. With these two minor disappointments behind him, Rob traveled to Washington, D.C., where he competed with Pan-American and top European racers. He managed to come in 17th in a group of 80 racers consisting of top Olympiad racers. This race took place around the White House grounds. Most of the races he participates in consist of approximately 35 miles. Last week produced a fifth place for Rob in a race that took place at Ohio State.

Rob was one member of a four-man time trial team last weekend at Milford, Michigan. It was a 100 kilometer race where four men actually race at the same time as a team against other 4-man teams. Each man takes turns leading his team members and establishing a pace. The results were quite satisfactory as Bob's team received a third place.

The next real big race will be on Memorial Day weekend at Summerville, New Jersey. This race is one of the biggest in the country and I'm quite anxious to see how our "small town lad" makes out. The Lord be with you, Robert.

"PROJECT 41" FLAG MARCH INCLUDED AREA SCOUT PARTICIPATION

Area Boy Scouts participated in the "Project 41" Flag March last Friday, May 7, on Highway 41 in southern Ontonagon County. The Michigan Boy Scouts of America are carrying a specially dedicated American flag from Copper Harbor along Highway 41 the length of the state. White Pine Boy Scout Troop 221 and Ontonagon Troop 209 were selected to carry the flag from Tioga Creek State Park to Michigame.

Twenty Scouts from White Pine and 19 from Ontonagon escorted the flag to the Marquette County line at Michigame.

The combined troops marched as a group flying their Troop national flag and Troop standard as well as a Bi-Centennial banner. The special American flag was carried in a case to protect it during the long trip.

A group of six Scouts from Calumet AFB Troop 200 joined the local units along the line of march. The combined column of 45 Scouts plus the adult participants formed an impressive escort for the honor flag.

At Tioga Creek the special flag was entrusted to the White Pine and Ontonagon Troops at 4:00 p.m. by the Scouts from Hancock Troop 207. The flag had been carried in relays by different Troops since leaving Copper Harbor Saturday, May 1.

Ontonagon County Boy Scout Commissioner Ernie Deason conducted a brief, colorful ceremony as the flag was passed on by the Hancock Scouts and accepted by the local Troops.

At the end of the 12-mile march at Michigame the flag was entrusted to the Marquette County Scout organizations. Jim Klieber, who coordinated the Flag March through Copper Country, accepted the flag. Marquette Scouts left with the flag the following morning at 10 a.m. to carry it on through their assigned section of the route.

The flag will be carried exclusively by Boy Scouts to the Michigan state line where it will be received by Scout and other organizations to carry it on its way. This flag will arrive in the Gary, Ind., area on July 4. On the same day a similar flag which was carried north along Highway 41 from Miami, Fla., will also arrive. Both flags will then be sent to Washington, D.C., and displayed in the national Bi-Centennial celebrations. Scouts and other members of the Boy Scouts of America organization who participated in the march will be awarded a special honor patch to wear on their uniforms. The distinctive and colorful patch designating participation is embroidered with the digits "76" superimposed on a likeness of the U.S. Highway 41 route markers.

George Hoefflerle, Scoutmaster of the On-

tonagon group, accompanied the Scouts throughout the entire march.

Other adults also participated in the march along the way. Joe Banaszak, Larry Ross and Ray Garcia of White Pine and Mickey Hoefflerle and Bob Schneck of Ontonagon accompanied their Troops to the event. Mrs. Mary Deason of Silver City attended and provided the photographs for this article. A number of the parents of the Scouts were also present to watch along the line of march.

TRACK & FIELD

Although the snow left us earlier than usual the over-all weather picture has been unfavorable this track season. And as we all know track season hits so fast and furious that it seems the athletes don't have time to develop fully before the meets are all through. Track is probably the most individualistic sport due to the fact that team effort is on a large scale dependent upon individual performances. This makes track the exciting sport that it is today and it's popularity is growing more and more.

I hope there will be a large turnout at this weekend's Porcupine Mountain Conference track meet at White Pine. Participating schools will be: Watersmeet, Marenisco, Bergland, Ironwood Catholic, Ewen-Trout Creek and White Pine. White Pine currently holds the conference title as it has for 9 years. As usual the battle for 1st place seems to be between Ewen and White Pine with Ironwood Catholic the strong pointer from the West. Ironwood Catholic has always come up with the few outstanding individuals necessary to gain points, however they also seem to suffer due to their lack of depth. Ironwood Catholic track coach Ken Bettiga feels that he lacks the depth necessary to win the meet but expects his point getters to raise some eyebrows in most of the running events outside of the hurdles. He made particular mention about 440, 880, long jump, discus and shotput, as well as mile, 2 mile and dashes - giving recognition to Jeff Fredrico, Gene Fabbri, John Vinski, Tom Buchko, Steve Semenak, Mike Ruppe. The girls track team also has its share of outstanding runners, as was displayed a few weeks ago at White Pine's track. Girls Super Stars include Mary Safford, Annette Bonato and Debbie St. Johns.

Tom Caudill, Ewen-Trout Creek track coach, feels that good performances from all his men is a must. It could mean the difference between winning and losing the P.M.C. As all the other coaches feel, so does Tom in the aspect that there is no real powerhouse team this year to dominate substantially so it should be a close and interesting meet. Some Ewen strong points will be Pole Vault, Long Jump, Discus, Hurdles. In middle distance and 220 Ewen will undoubtedly be a top contender with such athletes as J. Pertilla, Mark Johnson, Tony Kuzmanich, Anderson and Gerber, and Wayne LaBine. . . and I'm sure some surprise performances are in store from other athletes.

Bergland's track team is not expected to bring a real strong team to Friday's meet due to the senior class trip. Their team on the whole is strongest in shot put, discus with Ray Verta; Hurdles featuring Rick Wollmer. Steve Malewitz, Bergland coach, also indicates some enthusiasm in pole vault and high jump. But he strongly emphasizes the fact that the up-coming Jr. High athletes will most likely constitute a strong team in the future.

Henry Appala, Marenisco High track coach, states that he will be supporting a small team this year. But he'll be looking for performances from Bill Dabill, Dave Lillie, Gunderman and Rusty Smith in the middle distance, 2 mile, high jump and sprints. Perhaps Marenisco will be able to rob enough points to make the meet even more interesting.

Watersmeet did not contact us as to outstanding athletes or general team outlook for the P.M.C. Maybe they have a secret weapon that they want to keep under wraps till Friday.

Dave Koski and Roland Antilla are rather calm about the P.M.C. because, being early in the season, it is difficult to say what performances to expect or to analyze other teams. They do expect to be on the top in competition and defend the P.M.C. crown as usual. Again, as with Ewen, White Pine must get the most out of each man in order to stay on top. Although White Pine lacks sprinters, they should be strong in middle distance, long distance and field events with such standouts as Dan Mick in the middle distances, Dave Koski commented that Ross Powell and Dave Yaklavich should prove to be strong points in the 2-mile.

John Tiberg will undoubtedly show up in star form and good results are expected from Chris Maksym in the pole vault, Bruce Johnson in the shot put and Marvin Moilanen in the high jump.

Joe Rankin,

ONTONAGON OPENS TRACK SEASON WITH WIN

Last Tuesday's track meet at White Pine saw one record set as Dan Makela of Hancock jumped 5 feet 11 1/4 inches.
