Activities will begin with a competitive program at Assembly hour. At 11:30 A. M. street cars will be waiting in front of the college to take students to Presque Isle for a picnic dinner. The picnic will be held on the pavilion side, and it is suggested that students arrange groups to eat together, and also that all lunches be ready at starting time. No time should be lost at lunch, for the first event will begin promptly at 1:30. Upper classmen will act as police and judges. They will wear badges, and their directions will be accepted and followed by all participants in the contest.

FRENCH STUDENTS HOLD ANNUAL FORMAL BANQUET

Periodical Makes Its Bow to the Public.

L'Alliance Francaise held its fourth Annual Banquet on Friday, May fourteenth, at the Hotel Clifton. Dinner was served at seven o'clock with covers laid for sixty. The head table at which the speakers sat was prettily decorated with red, white, and blue candles. The places at both the large and the small tables were marked with cunning favors of the American and French flags combined.

Just previous to their being seated, the members joined in singing "La Marseillaise." Following the dinner Percy Murphy played a delightful solo, "Elegie by Massenet"; he was accompanied by Martin Ruona. President Munson, who was a guest of the club for the occasion, gave a very inspiring and interesting talk, in which he stressed certain advantages which may be credited small colleges. Mile. Archambeault spoke of the values to be realized in such an organization as L'Alliance Francaise. Lola Theriault gave a clever and entertaining talk which was followed by a lovely vocal solo by Miss Eleanor Blixt, accompanied by Miss Alice Maline. Miss Archambeault was presented with a gift in token of the club's appreciation of her interest and helpfulness.

An important event was the appearance of L'Action Francaise, the monthly periodical which the class is editing. The paper provides a field for the practicable usage of the language and thus has an objective in that sense as well as in that it makes most enjoyable reading material. The first edition was a splendid success and reflects much credit upon the members of the French classes. A long share of the success of the paper may be attributed to the work of Miss Helen Martinkevitz, whose enthusiasm and persistence did much to make the edition what

Anderle Going To Lake Linden

Harry Anderle, of Menominee, who received his degree from Northern in 1927 and who has been history and geography instructor in Bessemer high school and athletic coach in the Junior high school for the past two years, has accepted the position of athletic director of Lake Linden high school for next year.

Anderle starred on Northern grid and cage squads in college and previous to that made a name for himself in high school athletics for Menominee. Since he was graduated he has participated in professional football and has acted as referee in high school basketball games.

GALA NIGHT FOR NORTHERN WOMEN IS BIG EVENT

Men Have No Chance In Comparison With Their Subs.

Heartbreakers—hundreds of them—tall and short, large and manly, small and just a wee bit sissified—but gracious and gallant? Oh, yes! Co-eds outdid themselves in many places. Did you ever see such form, such dignity! Maiden hearts fluttered as many arms embraced them. Romance? All there.

"The dancing was simply divine! And the orchestra? Some pep! Wonder how everybody got that way?" (Just one of the few thousand strong comments). It seems a shame to say such a lot about the Co-ed party when everything's been raved about over and over again, until the males of Northern agree to turn deaf ears to any stories of the gala event. The reason? The poor dears are jealous, of course!

Here's a hint to uninspired Northern men—they're talent, they've time for a stag party just like ours. Can't you see Treado in a chiffon formal, escorted by Kenny in a Tux?

Manual Arts Man Goes to Mattawan

R. MARSHALL EVERETT

E. Marshall Everett will receive his degree of bachelor of science from the Northern State Teachers college in August, but has already signed a contract for a teaching position next year.

Everett, was graduated from the John D. Pierce school and then enrolled at the Teachers college where he received his life certificate. He taught drafting and woodworking in the Palmetto schools for three years. Meanwhile attending summer school terms here. He will have completed his degree work by attending six summer school terms and the past year, majoring in manual arts and minoring in mathematics and art.

Mr. Everett's hobby works in well with his major, for he is keen for Boy Scouting. For two years he was a scoutmaster in Palmetto and for a year in South Range. There was fun in the outdoor camping and hiking, and his troops during the time he was in charge built the Scout cabin on Salmon Trout creek about six miles from South Range.

He took as art work such courses as history of architecture, period furniture and related subjects, topics that can be so practically, but are too infrequently, carried over into the class work in manual training in the grades and high school.

Mr. Everett will teach mathematics and manual training in Mattawan, Mich., where he will be principal of the school.

**Girls' Glee Club
Give Programs
Before H. School**

Last week, on Tuesday, May 14, the Girls' Glee Club gave a concert in Ishpeming and Negaunee respectively.

The program was similar to that given in their "Concert Debut" in the N. S. T. C. auditorium May 3. The program consisted of several groups of songs sung by the Girls' Glee Club and vocal solos by the Misses Eleanor Blixt and Ruth Sundwick, and piano solos by Miss Signe Malen.

The program was given to a very appreciative and attentive high school audience.

On Wednesday afternoon, May 15, the same program was repeated in the Graveram High School.

QUEEN MARIAN WILL REIGN OVER SPRING FESTIVAL

Event Ready for An Impressive Ceremony June 7.

Marian Needham has been chosen Queen of the festival to be held on the campus June 7. Her winsome poise and charming personality have won for her the award of being selected as the loveliest of the number of girls chosen by the Gym Classes to represent them in the Annual Spring Festival. This is an affair that is becoming more of a tradition every year with a great many colleges. With us it is an event greatly anticipated and carefully planned. Each year more enthusiasm is shown, and the friendly rivalry in the choosing of the queen who presides over the event adds to the fun.

A great many girls were selected as possible queens, and upon the final vote which gave Miss Needham the privilege, the remaining competitors were placed as attendants of the queen.

MICH. TECH BEATS US AGAIN IN TRACK MEET AT HOUGHTON

Northern's track team lost the meet at Houghton to Michigan Tech 71-46, but broke five Northern-Tech track meet records. Wassberg and Phillips each set a new mark. Phillips' time was 2:27 to beat the old mark of 4:56.4 and 2:8. Jamieson cut down the time on the 220 yd. low hurdles from 27.2 seconds (by Robbins of Tech), to 26.2. In the pole vault Hassan of Tech cleared the bar at 11 ft., 3 in., for a new record. The old mark was 11 ft.

Four Northern men have won their letters this year by winning first places. They are Captain Wassberg, sprinter; Earl Phillips, miler; Knos Jamieson, high jump and hurdles; and Dewey Kalamber, high jump. Only one man on the Northern track team, Seger, is graduating this year. We should break a few Olympic records next year.

Heermann-Mattson Program Pleasing

On Thursday evening, May 16, Mr. Clyde Mattson, tenor, and Walter Heermann, cellist, accompanied by Miss Delphine Lindstrom, gave a joint recital in the auditorium of N. S. T. C.

Mr. Mattson possesses a lovely tenor voice, although not that of a dramatic tenor, he possesses a voice of expressive "timbre" and Mr. Mattson employs it with ripened technical skill and sings with a sympathetic understanding. Of his miscellany of tenor songs, "Where'er You Walk" by Handel, and "Celeste Aida" by Verdi were best liked. Although not possessing a powerful voice, his reasoning and clear voice contributed much to the dramatic effect so essential in this grand opera "Aida."

The feature of the evening was the cellist, Mr. Heermann. His beautiful playing was the most rewarding detail of this program.

His playing was a work of increasing vividness and power, summing forth qualities of the highest order—a beautiful tone and a mastery not only of the technique of the instrument but of the pictorial and dramatic effect.

Mr. Heermann will appear in a concert in Marquette, during the summer term.

Popular Girl Goes to Ironwood

RUTH ROEPKE.

Do you remember when you were a small girl or boy how sure you were of just what you were going to do when you grew up? And then you probably didn't do any thing of the kind.

Well, this college student has when she was a wee girl she played school whenever it was possible to get a group of youngsters to be her pupils. She wanted to be a teacher. In June she will get her degree of bachelor of arts from Northern and next year will teach ninth grade mathematics in the Ironwood high school.

Miss Ruth Roepke was graduated from Marquette high school and enrolled at Teachers college for her degree work, majoring in mathematics and minoring in chemistry and Latin.

Music is her hobby. She has played the piano since she was about 10 years old and was accompanist for musical organizations in high school. Her talent has been used, too, to play her way through school. She has been organist at the Trinity Lutheran church for the past six years. During her freshman year in college she worked in the Peter White Public Library.

Miss Roepke likes children, and for four summers was governess in the C. M. Roser home, East Arch street.

Herbert K. Baker Enters Pupils in Senior Contest

From time to time news drifts back to us of work done by former Northerners. One of the latest to have given a good account of himself in his work is Herbert Koopp Baker. In a letter he writes:

"Each year there is held at Ithaca, N. Y., a Little Theater tournament for high school and junior colleges in the east. Well, there had grown out of my work in junior high schools here, the belief that we were doing work of sufficiently fine quality to justify our attempt to compete even though there was no definite class in which we could enter. I selected a cast from a number of junior highs and rehearsed them in Tarkington's 'Bimbo, the Pirate.'

"We learned that we were the first junior high school cast ever to enter a Little Theater tournament in America.

"Since we really didn't belong anywhere we weren't eligible in Class A, so they created Class B when we got there. . . We left with honorable mention and a medal and the honor of being 'the first of our kind.' We have been invited to compete in a national to be held soon somewhere in the west or south."

1,120 H. S. BOYS AND GIRLS ENTER MUSIC CONTEST

Northern Grads Make Fine Record With Students.

Northern State had an excellent opportunity of displaying her skill in managing and participating in the largest, the most successful, and the most efficiently worked Music Contest that has ever taken place in the Upper Peninsula.

To the young contestants, it was a memorable event. But to the students of Northern the occasion was significant. It was not merely two days vacation to listen to a group of High Schools competing. It had the interest of an exciting intercollegiate battle. It gave us a concrete example of how Northern products compare with those of other colleges. Of the 29 directors participating, 15 were graduates of Northern or students of our Music Department.

Among Northern students who directed organizations which competed, Raymond LeMieux, '27, deserves special commendation for having won first place with his Boys' Glee Club, and third place in mixed chorus and orchestra. This is the first time he has entered an organization in a contest. With a total of 7 points to his credit, his school, Negaunee High, received second place in Class B.

Octave Paquette, also of '27, and who directed the Menominee division, won second place in band, while Walter Daley, one of his classmates received third place.

John D. Pierce is indebted to Aarne Oikonen, Ruth Sundwick, Signe Malen, and George Huskins for the fine showing they made, having won first place in Class C with a total of 17 points. George Huskins entered his String Ensemble in Class B and took second place. His band also won third place in Class C. Signe Malen directed the mixed chorus which was first place in Class C. Aarne Oikonen led the Boys' Glee Club which won first place and the Orchestra which won second.

Van Kniebes, graduate of '26, who directed the Gladstone group, won second place in Class C with a total of 13 points.

Harry Reinhold, '30, directed the Baraga Parochial organization which received second place in Class C.

Harold Christian won first place in Class D, the Champion orchestra getting first place, and his mixed chorus and band getting second, giving him a total of eleven points.

Ennis Fleming, '27, won the second place for Grand Marais in Class D. Orchestra. This is Grand Marais' debut in the musical world of the Upper Peninsula.

There were also many others who did excellent work even if they did not walk away with a cup. The standard of performance was distinctly higher than it has been in previous years. The contest itself is no doubt a positive help in elevating the quality of High School music.

The efficiency of the housing committee and the contest management should be especially commended. Over a thousand children were accommodated with rooms. The contest ran along smoothly. In spite of the fact that there was a greater number of contestants, the program closed shortly after eleven o'clock on Friday night, whereas it has never before been known to finish until half past midnight.

We are very proud of Northern's ability to stage such an event. Here's to more and better Music Contests in the future.

Again—Rush!

As the annual class struggle draws near ominous rumblings emit from the enemy camps. The determination of each class is bound in winning. If it is possible to do so by organization, or numbers, or strategy. Underneath this apparent antagonism one detects the good fellowship and sportsmanship of youth who does not forget the code of the game. Every one is willing to play as hard as he knows how and still not transgress the rules of the contest.

There is sentiment and tradition wrapped up in the clamor of a tug-of-war or a push-ball contest. There is not only the fact that the honor of the class is at stake, but there is the pride and spirit of each and every individual in the classes represented. They have more determination than the American Army and get more fun out of it than a dozen football games.

Let us remember then to limit ourselves accordingly. Let us remember that the Rush reflects on All Northern, all the student body, faculty, and administration. It behooves us to limit the activities to those that are consistent with the policy of the school.

Sophomores! You have the experience of last year. Use it well, and Freshmen! You have the strength of numbers and you lack in experience you may equalize by remembering that the Freshmen have generally won in the past.

We're watching you! Do your stuff!

Notice, Frosh!

Zzz! Bang! The Frosh are getting ready to explode. And then, watch out of Soph! It's been a long, long time since we first heard somebody say, "They've no class spirit. No pep. A dumb bunch of Freshies." And we've waited with patience and fortitude for a wee chance to show 'em that we have spirit, pep, and even a few brains scattered among us. Come on, Frosh! Our chance is here—we'll not let the Soph get away with very much this year. Rush Day's coming. Be out to show 'em where we stand—three hundred strong!

Judges—Jean Weston and Robert Richards.

D. 2:10 P. M. Girls' Balance Beam Walk (15 points).

Directions—Ten contestants are chosen from each class. The girls are given one trial each. They stand on one end of the beam, walk to the ribbon, squat,

Judges—Olive Blom, Frances Derleth, Mrs. Laury.
E. 2:25 P. M. Men's King of the Float (15 points).

Five men from each class will participate. The freshmen will line up on one end of the float and the sophomores on the other. On the starting signal they will try to force their opponents off the float. When forced off the contestants may try to get back on. At the end of two minutes the class having the larger number completely on the raft wins all points. If a tie is declared the points will be evenly divided.

Judges—Joe DeCooke and Wm. Peterson.
F. 2:35 P. M. Girls' Tug-of-War (25 points).

The full girl membership of each class will participate. Each side will have one half the rope. A handkerchief will be tied in the center of the rope, which will be placed directly over a white line. At equal distances from this center line will be placed two other lines, one on each side. At the starting signal each side will try to pull the handkerchief across the line on its side of the center line. When this is done the contest will be decided. If neither side does so by the expiration of two minutes, the side having the handkerchief nearest its own line will be declared the winner, and will receive all the points.

Judge—Ellen Hogan.
G. Mixed Medley Relay Race (20 points). 2:55 P. M.

Three girls and two men from each class will participate. At the signal, one girl from each class will row from the starting platform at the north end of the pool to the opposite side of the pool, give the token to a man who will swim the south channel and run along the east side of the pool to give the token to a girl stationed at the north end of the bridge which crosses the north channel. This girl will run around the west side of the pool and give the token to a girl stationed at a halfway mark. This girl will finish the distance around the pool and give the token to a man stationed at the south end of the pool in a boat. He will row across the pool to the starting platform wins the race and the platform. The first boat to the points for the rower's class.
Judges—Emma Wintler and Richard Hadrich.

H. Men's Tug of War (25 points). 3:30 P. M.
Full male membership of both classes will participate. The contest will be held on the beach on both sides of the mouth of Dead River. Contestants may dig foot holds, but may not use logs, pipes, stones, etc, for braces, nor may they fasten the rope in any way. As soon as a man is pulled across the river he is eliminated. The first class to pull the other through the river wins. Sufficient pulling space is to be allowed each contestant.

Judges—Carl Moyer, Earl Phillips.

The crowd will now adjourn to the college athletic field where the next series of events will take place. Those in wet clothes should have a change of clothing awaiting them at the school, so that a change may be made without loss of time.

I. Girls' Relay Race (15 points). 4:15 P. M.

Four girls from each class will participate. They will be stationed around the track at equal distances from each other. At the starting signal the first girl will run the baton and hand it to the next girl, and so on. The winner of the race will win all points for her class.
Judges—Hope Mattson.

J. Men's Relay Race. 4:25 P. M. (15 points).

Five men will participate from each class. The first pair will run 110 yards, the next three pairs will run 220 yards each, and the last pair will finish with a dash of 110 yards.
Judge—Oscar Wassberg.

K. Girls' Push Ball Contest (25 points). 4:35 P. M.

Fifty girls from each class will participate. The contest will take place on the football field. Each class will be stationed at one end of the field, behind the goal line. The ball will be in the center of the field. At the signal the girls will rush to the ball. The contest will be decided when the ball is carried over the opponents' goal line. If this is not done within five minutes the side

having the ball in the opponents' territory at the end of that time will win. If the ball is pushed offside the judges will signal time out and will replace the ball thirty yards in from the point where it left the field. The teams will then line up five yards from the ball on either side, and will rush it when the signal is given again. The judges will remove contestants from the contest at their discretion for unnecessary roughness.

Judges—Miss Gray, Miss Johnson, Mrs. Rushton.

L. Men's Push Ball Contest (25 points). 4:45 P. M.

The rules for this are the same as for the girls' contest. The Freshmen participants will number as many as the total fit membership of the sophomore class as determined by Mr. Hedgcock. The contest will last ten minutes unless one side succeeds in pushing the ball over the goal line.
Judges—Mr. Hurst, Mr. Ferns, Dr. Clucas.

M. Parade (7:30 P. M.)

At the close of the Men's Push-ball Contest everyone will hurry home to change clothes, eat, and return in time for the parade, which will begin promptly at 7:30 P. M. from the main entrance of the college. The floats will be ready at the time. In every contest there is always a decisive moment that is known in sporting circles as "The break of the game." It is then that one or the other of the contestants forges on to victory.

CAMPUS NOTES

Gamma Phi Alpha held its formal initiation Saturday afternoon, May 18, at 1:30 o'clock, at the S. R. Anderson home at 619 Spruce Street. Those who became members were Olga Olson of Ishpeming, Barbara and Irene Whitehead of Alpha, and Marie Beauchaine of South Range.

Following the ceremonies, members lunched along the shore of Lake Superior to Cleven's camp, where they enjoyed a tasty supper. Dancing and music furnished the evening's diversions.

Mrs. L. O. Gant and Miss Brand were with the girls, Mrs. Perro, Mrs. Johnston and Miss Schrandt assisted with the refreshments.

The Cegmer Segs entertained at their May Frolic Saturday, May 18, at the Guild Hall on High Street.

Dinner was served at 7:30 o'clock with covers laid for sixty-eight. A long table seating twelve extended across one end of the hall while fourteen smaller tables were grouped forming a semi-circle. The tables were decorated very prettily with the sorority colors, rose and silver, effectively carried out with dainty pink garden flowers, ferns and rose candles in silver sticks. At each gentleman's cover was a handsome tooled leather box filled with cigarettes. Each lady guest received a lovely corsage of sweet peas and roses. Miss Sadie Karki gave a very pleasing spring dance following the dinner.

The hours for dancing were from nine to twelve. A beautiful garden scene with sorority colors predominating, effectively decorated the hall. The ceiling and side walls were latticed in rose and silver while grey stone wall paneling over which was draped a profusion of ground pine enlivened the room. The soft light of Japanese lanterns filled the hall with mellow light. Palms banked three corners of the room where gay swings and porch furniture were placed; in the fourth corner punch was served from an old stone well which was made colorful by lily-pinks and ground pine. Formal box shrubs and large bouquets of garden flowers decorated the stage prettily. The feature dance of the evening was the favor dance during which the ladies were presented with dainty wristlet corsages of pastel shades.

Guests were received by Miss Archambault and Miss Hunting, faculty advisors, and Miss Katherine Watson, president, John Hicks, Lucille Sundberg, vice president, and Howard Billings. The guests included Miss Carey, President Munson, Mr. and Mrs. H. D. Lee, Mr. and Mrs. M. J. Sherwood, Alumnae guests were Jean Pearce of Ishpeming, Anne Johnson of Negaunee, Gladys Wiggins of L'Anse, Anne Jackola of Palmer, and Genevieve Baril of Iron Mountain.

Phi Kappa Nu entertained at its annual dinner dance last Saturday evening.

Dinner was served at 7:00 o'clock at the Hotel Clifton with covers laid for seventy. The decorations made the tables beautiful, the Dutch motif being carried out with colorful fresh-cut tulips and butterflies. The favors were black leather bill-folds decorated with the sorority crest.

The John D. Pierce gymnasium was transformed into a veritable garden with a gay profusion of bright flowers and vari-colored but-

terflies. The ceiling was done very effectively, heaped with fluffy clouds through which mellowed lights gleamed. The Sherry Kiddies, garbed in quality Dutch costumes, delighted their audience with a cunning dance, The Wooden Shoes.

Faculty guests for the evening were Misses Ethel Carey and Ethel Griswood, President Munson, Mr. and Mrs. Conway Peters and Mr. and Mrs. H. D. Lee. Alumnae guests included Misses Erika Eckhardt, Mabel Haglund, Alice Stockwell, Betty Kerr, Susan Jase, Cecile Pepin, Diadama Mason and Lillian Hansen.

Music was furnished by Fontaine's orchestra.

The following pledges of the Tri Mu fraternity were given the first degree on May 13: Herman Aho, Frederick Chaney, Joseph DeCook, George Gundry, Martin Ruona, Wilmer Savela, and Albert Treado.

Preparations are under way to hold the Tri Mu Dinner Dance on June 8.

The Fourth Annual Alpha Delta Dinner Dance was held Saturday evening, May 25, at the Guild Hall. Covers were laid for eighty-four. Toastmaster Rayburn Hill, president of the fraternity, introduced the speakers of the evening who were: Raymond Freid, of the Soo, Cornelius Sullivan, of Calumet, and John Hogan of Marquette. After the dinner all the members and their guests went out to the College Gymnasium where dancing was enjoyed until twelve o'clock. Music for dancing was furnished by the Collegians.

The gym was tastefully decorated with myriads of colored lights while the orchestra booth was enclosed with an artistic covering of hearts; the many comfortable arm chairs and deep-seats lent a home-like atmosphere to the occasion.

Alumni members present were: Raymond Freid, Soo; Raymond Trudgen of the Soo, Vernon Carr, Melstrand; Norman Cobb, Vuican; Cornelius Sullivan, Calumet; William Ebbesen, Eben; Donald McDonald, Negaunee; Glen Mueller, Ironwood; James Bennett, Marquette; James Wright, Marquette; Donald Walsworth, Appleton, Wis.; Lester Kenney, Schaffer, and Minden Maynard, Marquette.

Faculty guests were: Mr. and Mrs. J. C. Bowman, Mr. and Mrs. E. A. Ferris, Mr. and Mrs. C. C. Spooner; Mr. J. M. Munson, and Miss Ethel Carey.

The dining room at Hotel Marquette was monopolized Saturday evening by the Thets and their ladies. A gorgeous dinner came to a pleasant end with a violin solo by Reimo Ahlman and a trombone solo by Harold Christian.

After dinner the party were taken by auto to the fraternity house where they danced until midnight. The house was festive with palms and cherry blossoms while on every hand inviting corners coaxed one to a tete a tete. Punch was served during the evening and the ladies received as dainty favors little manicure sets bearing the fraternity crest.

The guests of the evening were Dr. and Mrs. Clucas, Mr. and Mrs. McClinck, President Munson, Miss Carey, Mr. and Mrs. Lautner, Mrs. W. E. Parker and Mr. E. M. Parker.

On the regular assembly, Thursday, May 16, the Men's Glee Club gave a few selections prior to their trip to the Copper Country. As usual they could not satisfy the demand for more, but due to the fact that they had to leave, their program was by necessity brief. Dr. Clucas spoke on the efficiency of education, in education. He stressed the increase of the number of schools as compared to the small amount some years ago.

Of all the delightful musical assemblies we have had, the one last Thursday was the most enjoyable. The band played numerous selections both for the enjoyment of the student body and for the edification of the hundreds of participants in

John D. Pierce School

On Tuesday, May 7, the American Legion held its annual Flag Contest in the eighth grades of the Marquette Public Schools, the Baraga Parochial School, and the John D. Pierce School. For each school a separate prize was awarded. The contest was based on facts concerning the origin of the American flag, the meaning of the symbols, and the manner of displaying the flag. It was also based on facts concerning the national anthem, "The Star Spangled Banner". Two prizes, a first prize of \$3.00 and a second prize of \$2.00, were awarded the winners of each school. In the John D. Pierce School the first prize was won by Elsie Storsrang and the second prize by Charly Erickson. Honorable mention was given to Arvi Savola, Meron Kuisely and Edward Lake.

On Tuesday, May 14, the 12th grade class in Problems of Democracy made a visit to the Federal Court held in Marquette. They witnessed the trial of a violator of the prohibition law. They watched the procedure from the start to the completion of the case. They observed men plead guilty without trial. They saw court officials performing their duty. They observed a jury was selected and learned some of the causes for the disqualification of a person for service on a jury. They observed the procedure of swearing in witnesses as well as the manner in which witnesses were required to testify. One thing that impressed the class was the formal respect shown the judge of the court when he entered the court room and the decorum maintained in the room by the judge throughout the trial.

Campus Notes-Cont.

The Music Contest. The visitors showed their appreciation by applauding enthusiastically. The Sundwick sisters gave two delightful numbers followed by selections by the Girls' Glee Club. One of the judges afterwards expressed his appreciation of their rendition of the pieces sung.

The three judges who had been engaged to judge the Music Contest spoke briefly and expressed their satisfaction on visiting the Upper Peninsula and getting acquainted with many of the contestants. All enjoyed their criticisms regarding years of connections with "state institutions."

Mr. and Mrs. J. E. Lautner entertained the members of Delta Sigma Nu at their camp at Middle Island Point Sunday, May nineteenth.

The group started at nine-thirty o'clock and hiked to the camp where they enjoyed a delicious camp dinner. The afternoon was spent exploring the woods. The weather was, singularly enough, most favorable and added much to the pleasure of the occasion. Marshmallows were roasted in the evening, following which the girls hiked back.

Miss Schacke, faculty advisor, and Miss Clara June, an alumna, were also guests.

It was. Credit is also due the staff which is as follows, Editor-in-chief: Dorothy McAskill, assistant editors: Alma Anderson, Martin Ruona, and William Jova. The club is also much indebted to Sister Mary Catherine, an alumna member, whose work in mimeographing the paper was much appreciated.

The banquet was a fine achievement from whatever angle it is viewed. Miss Dorothy McAskill, the president of the club, was a most charming and clever toastmaster and is most deserving of a great share of the credit for the success of the affair. The entire group entered into the spirit of the occasion with such whole hearted enthusiasm that it could not but have been the enjoyable party that it was.

Alumni News

The alumni editor recently received a letter from President D. B. Waldo of Western State Teachers College, Kalamazoo, which contains several items that will be of interest to our early graduates. President Waldo, as many of our readers will remember, was the first principal of Northern Normal, and he is always greatly interested in the whereabouts and doings of all Northerners who were in school during his stay in Marquette.

His letter follows in part:

"I was in Spokane on Thursday and Friday, April 11 and 12, attending a meeting of the Inland Empire Education Association. Friday morning a group of five graduates of Northern State Teachers College came in a group to say 'hello'. The list is as follows:

Maud E. Bettes, '03, now Mrs. Maud La Veine, Principal of Central School at Coeur d'Alene, Idaho.

Ella Louise Heiser Gay, '02, 108 W. 15th St., Spokane. She is doing substitute work in the Spokane schools.

Maude Brebner (Corbin) Coeur d'Alene, Idaho.

Estelle Robbins, '03, Spokane. Ross E. Youngbluth, '02, 12 S. Wall St., Spokane. Miss Youngbluth is working in one of the railroad offices where she has been for a long time. I think she is with the Northern Pacific.

These girls all looked as natural as life, and it was mighty good to see them."
