

# THE NORTHERN MICHIGAN COLLEGE NEWS

## FOURTEEN ELECTED TO PHI EPSILON

### PUBLIC TO HEAR NORTHERN'S BAND TOMORROW NIGHT

#### Is Last Annual Concert Under Baton of Conway Peters.

Conway Peters will direct the last concert of his career at Northern tomorrow evening, when the college band and glee club will present its annual concert, beginning sharply at eight o'clock in the college auditorium.

A program containing a wide variety of band and chorus compositions has been prepared. When Mr. Peters gives the first swing of his baton, twenty-seven bandmen will respond by breaking into the stirring rhythms of Alford's "Law and Order March." Following the opening march, the musicians will swing into probably the most difficult number on the evening's program, the overture to the Opera "William Tell." The interpretation of this piece is extremely difficult, but with expertly played it carries the listener through a series of rapidly changing moods.

Ahti Tuuri, a freshman, will be featured in a solo, "Beauty's Eyes" by Tosti. Those ever-popular songs to be sung by the glee club include "Shorty" Bread" and "Annie Laurie." The performance will be brought to a close with the playing by the band of a group of Northern songs, composed by Conway Peters and Joseph LaVigne, a member of the band.

The entire program follows: "Law and Order" March by Alford Overture to the Opera "William Tell".....Rossini

This overture, which is played probably as often as any other single work at concert of the world over, was called by Berlioz "a symphony in four parts." The opening Andante depicts the serene solitude of Nature at dawn, and the music is enchantingly reposeful. From the slowly on the bassoon the wayward elusive air resolves after a time into a more definite rhythmic tune which continues to the close of the movement.

(Continued on page 4)

### MEN'S DINNER OF AFFABLE NATURE

#### Witty Speeches and Well Arranged Program Mark 4th Dinner.

Four intelligent and amusing addresses helped to make the Men's Banquet, Thursday night, a completely successful evening for all and maintained the friendly spirit of the occasion from beginning to the end of the program. Before the entertainment and speeches began, the men demonstrated ably just how good the dinner was by doing away with it in almost record time and in record time the next day too.

President Pearce, in telling about "Northern from the President's Office" covered all angles of local life and did not fail to make a few remarks as to the fine examples of co-educational relationships—concretely illustrating this point by naming several outstanding "teams."

Turning to the serious part of his talk, the president praised Northern's football team for its "chin-up" spirit and stated that learning to meet defeat in life with a smile is often a more valuable lesson than tasting success. Pointing to the ideals of Lincoln and the fine inspiration in them, he hoped that the men would go through school and leave a worthwhile shadow. He was convinced that there was a strong comradeship between the men and the faculty.

First on the list of student speakers was Lawrence Hebbard, who cleverly presented his view of "Northern from the Foyer," in picturing the various scenes that have passed and are passing every day through the foyer, he said that those scenes would be missed more by him than by any other. He considered the foyer important in school life because it represented the students.

(Continued on page 4)

### TO AWARD HONORS AT PEP ASSEMBLY

A stupendous and "colossal" pep meeting will be held in the college auditorium on May 21st, at which time there will be an effort made to instill the Freshmen and Sophomores with new ideas in preparation for their rush.

The assembly will also witness the bestowing of all varieties of medals, awards, and other decorations, to the galaxy of Northerners who have brought honors to their school—debatable awards, basketball awards, oratorical awards, are some that are to be presented. John D. Pierce students will come in for their share of awards, as efforts will be made to have all possible awards to be presented.

### STUDENTS DIRECT PIERCE CONCERT

#### Fine Technique Shown in High School Music Presentation.

Every type of music from the racy, rhythmic march to the mellow harmony of choral songs was presented in the college auditorium Wednesday evening, May 9, when the John D. Pierce band, orchestra, chorus, and girls' glee club gave their annual concert under the direction of student directors, Edwin Vrkoča, Harvey Thomsen, Mildred Johnson, Carol Leese, Fanny Thomas, and Marie Gendron.

The orchestra gave a fine performance, playing three numbers, "Junior March," "Sweet Melody Waltz" and "War March" from "Athalia." Besides the ensemble selections there were four solos. Noble Hatch, at the piano, played "May Nite." Harriet Patrick, soprano, sang "Luxembourg Gardens." "The Southern Cross" was played by Harold Carpenter, baritone. Robert Peters offered two numbers as violin solos, "Klezmer," "Second Mazurka" and "Schon Rosmarin." All of the solos were especially pleasing and beautifully done.

With verve and precision, the band played "Activity March," "Idle Fancy Serenade," "Project March" and "Zenith Overture."

The charming young voices of the girls' glee club blended in singing Nevin's composition, "Mighty Lak" a Rose." "The Call" and "Sunbeams" were other numbers which they sang. The chorus sang with lovely harmony "The Swanee River," "The Oars are Plashing Lightly" and "The Crusaders."

The faculty members in charge of the program were Conway Peters, Miss Ruth Craig, and Miss Marie Irish.

### MUSIC DIRECTOR GOES TO ALBION

#### Conway Peters' Resignation to Take Effect September 1.

Mr. Conway Peters, head of Northern's Music Department has created a splendid musical organization with Northern and has sent out many efficient music instructors into the educational world, but this is his last year here.

He handed in his resignation to President Pearce a week ago and has announced that he will accept a new position at Albion College. At that institution he will be the band and orchestra director and head of the violin department.

Albion is acquiring the services of a capable person in Mr. Peters who has played in and directed many notable musical groups. Among his earlier experiences were those of: playing trumpet in Sousa's band; violin director at Adrian and Hillsdale colleges; and music teacher in Grand Rapids High School.

His resignation will become effective on September 1st, but the administration has not announced the selection of his successor as yet. His work has always been appreciated at Northern both by students and by the townspeople. The various programs that are constantly being presented, have certainly attracted much praise for Mr. Peters and have convinced everyone of his power of directorship.

### FOREST ROBERTS TO PLAY "DEATH" IN JUNIOR DRAMA

#### All Roles Not Filled for Class Play to Be Given June 7.

Forest A. Roberts, instructor in dramatics, will play the leading role of Death in Casella's "Death Takes a Holiday," the Junior Class play which will be staged in the auditorium Thursday evening, June 7.

Those Juniors who will portray the other parts in the drama have not been definitely picked as yet. Tryouts have been made and tentative roles assigned. Several students, however, are working on each part.

"Death Takes a Holiday" has become extremely popular of late and has recently been adapted for moving pictures. Fredric March is cast in the title role of the picture, which was released just last month. The drama finds special favor among the more advanced theatre groups.

The development and maintenance of the plot depends almost entirely upon the force with which the main character is portrayed, and it is for that reason that Mr. Roberts has decided to take the leading part.

Junior class heads will begin early this week to organize a ticket campaign.

### LIBRARIAN WANTS BOOKS RETURNED

#### Collegians Urged To Join In Drive to Find 1500 Volumes.

College students are welcome to use the facilities of the Peter White Public Library without charge, says Miss Margaret Smith, librarian, who hopes that more co-operation will link the Northern student body and the staff at the Marquette library.

Along with the above good news comes the report that during May no fines will be charged on overdue books. If the tryout is successful, it is possible that in the near future all fines will be abolished.

But there is another side to the picture. 1500 books, 600 fiction and 900 non-fiction, are missing from the shelves and a comprehensive campaign, which includes a drive by Marquette clubs, church groups, and other organizations, is being made to bring back the missing volumes. Students at Northern who have inadvertently picked up library tomes and forgotten to check them at the desk are asked to return them immediately.

Miss Smith points out that the books are valued at \$3,000 and the annual allowance for books at the library is only \$1,800. She states also that many of the lost books are those which are in constant demand and patrons desiring the volumes must be turned away from the desk.

### HATS OFF!

Not since Washington's Birthday, February 22, have Northerners enjoyed a vacation during a term. Relief is in sight, however, for the administration announces that there will be no classes on Memorial Day. This announcement is made, in order that students may plan to spade the garden or clean the basement off.

### SENIORS SIPPED AFTERNOON TEA

The Senior women, taking advantage of their fast-waning opportunities to lounge in the recreation rooms, held a series of teas on the last three Wednesday afternoons. The austere dignitaries serenely conversed and munched delicately at delightful luncheons.

Those active in managing the teas were: Marion Carter, Anne Moberg, Elizabeth Bonnell, Ellen Peterson, Paula Larson, Ruth Marshall, Jessie MacDonald, Irene Bant, Myrtle Hoppe, Ruth Bernhardt, Mary Jacques, and Viola Wilfala.

### CALENDAR

This Morning  
J. D. P. Assembly  
Auditorium, 9:55

Wednesday, May 16

Triangular Track Meet  
Houghton

Saturday, May 26  
Delta Sigma Nu Formal

Wednesday, May 30  
Memorial Day  
No classes.

### CO-EDS TO DINE NEXT THURSDAY

#### Ticket Sale Was Inaugurated by Girls League Yesterday.

Final plans have not yet been made for the Girls' Banquet, but the date has been set for Thursday, May 24, at six-thirty o'clock. Ruth Ryan, president of the Student Girls League, will be the toastmistress, and there will be other student speakers. The girls' glee club will sing several numbers and lead in the group singing, there will be numbers by an orchestra, and probably some other kind of entertainment. And of course, men of Northern will act as waiters again.

Table decorations will accentuate a spring motif, particularly of cherry blossoms. A vigorous ticket-selling campaign was begun on Monday, May 14, chairmen being chosen from campus co-ed groups. A list of saleswomen was posted on the foyer bulletin board yesterday.

The menu has not yet been decided upon, but the girls are promised something good to eat, something with better stictative qualities than have previously been served. Every girl in school is urged to attend, and to get her ticket as soon as possible. The girls in school who have attended previous girls' banquets are urged to tell the newer girls what is in store for them, so there will be a one hundred per cent attendance.

### REGISTRAR MAILED 9,000 PAMPHLETS TO INSTRUCTORS

"Make Your Summer Count." This is the advice offered to Michigan teachers by Northern State Teachers College Administration, which urges them to make this summer an investment in both education and recreation and attend summer school.

This advice is contained in an illustrated sixteen page pamphlet sent out last Thursday to more than nine thousand prospective summer term students. The beauties of Marquette, and the fact that the mean temperature for Marquette during the summer sessions is 63.4 are included in the folder, as is such information as the fees, expenses, courses offered, concerts and lectures, excursions, and the dates for the opening and closing.

### FAGAN WILL HEAD TRI MU BROTHERS

TRI MU, at a recent meeting, elected Thomas Fagan to serve as president of the fraternity during the coming months. Fagan succeeds William Raffin, who held the office since the fall term. The names of the other officers were printed in the last issue of the News.

### New Memberships To Bring Roll of Honor Society Over 600; Only Two Men Are Honored

#### BATTLE OF WITS BETWEEN LOWER CLASSES MAY 30

Next Friday a list of 1000 words will be handed to Freshmen and Sophomores for studying. This is the initial step in the annual rush. From that list there will be chosen one hundred words (not the easiest ones either) to be used for the spelling bee between the Sophs and Frosh.

G. C. Meyland, general manager of the entire rush program and chairman of the faculty committee on the rush, has announced that the date for the intellectual struggle will be Wednesday, May 30th, at 11:00 A. M.

The contest will be waged by two hundred students—one hundred to be chosen by lot from each class. The class presidents are to conduct the drawings. Though out-numbered, the second year Northerners are confident of scalping the yearlings and are planning to catch the frosh by surprise and cop the initial battle of wits.

### GRADERS TO GIVE RESUME OF WORK

#### Children Will Present Program at 9:55 This Morning.

This morning's assembly will be a resume of just what the lower grades do in the classroom at the John D. Pierce training school. The college students will receive a practical demonstration of what their classmates are accomplishing during their practice teaching.

The program has been arranged by Miss Irish, music critic, and includes the first six grades of the school. The participants have been selected by the various grade teachers and have spent much time preparing for their stage performance. The program as it is to be presented is as follows:

First Grade—Dramatization of spring songs; toy orchestra.

Second Grade—Dramatic presentation of the use of the library in the second grade. (The children have made their own furniture and equipment to be used.)

Third Grade—Presentation of a third grade club meeting.

Fourth Grade—An original play, "Songs of the Words."

Fifth Grade—Dramatization of a part from the opera "Hansel and Gretel." (This is taken from the book, "Great Opera Stories," which is used in the reading classes of this grade.)

Sixth Grade—Blackboard talk on a visit to the city water works.

### MARITAL FUSSES IN FRENCH PLAY

#### Dramatic Humor and Pathos Entertain L'Al- liance Francaise.

Epithets, tears, and laughs were the chief ingredients of a play produced by the French Club at its meeting last Tuesday afternoon at 4:00 P. M. in Room 206. The title of the play was "L'Ecole de Belles-Meres" (Grandmother's School).

The plot involved the troubles of a young doctor and his wife—who, because of their disagreement over mothers-in-law, threatened to separate, but who are happily reunited by the diplomacy of the wife's father.

One of the amusing incidents in the drama was the outcome of the wife's "Fine" purchase of a pet dog which soon aroused the jealousy of an affectionate husband.

The leading characters were Robert LeGolyan, Helen Swanson, Charles Wells, and Helmi Harkala.

Fourteen members of the Sophomore Class have been informed by President Pearce that Northern Committee of Honors and Honor Organizations has conferred upon them the highest scholastic honor that Northern State Teachers College is able to offer, that of election to Phi Epsilon.

Only two boys are included in the groups winning membership this year. The entire list of honored Sophomores is:

Eleanor Attama, Calumet; Farrell Beaucock, Menominee; Marie Dreah, Gladstone; Mrs. Mable DeFere, Bergland; Elsie Haulta, Calumet; Winifred Jackson, Gladstone; Silvia Lien, Wakefield; Elizabeth Moyer, Baraga; Bertha Palo, Iron River; Helen Raatikainen, Negaunee; Eleanor Robichaud, Kingsford; William Sawyer, Ishpeming; Helen Marie Swanson, Marquette; Kauko Wahtera, John D. Pierce.

Membership in Phi Epsilon is limited to the upper one-twelfth of those students who complete 96 term hours of work during the ensuing term. The record made during the first 80 term hours of work is used as a basis for calculations. The new members bring the total number on the honor roster well over 600.

June 9 has been set as the date for the annual banquet. The date was originally set for a week later but has been changed, in order that all will be allowed to attend, even if they leave town immediately after exams. A speaker has not yet been picked.

At the dinner the officers for the ensuing year will be elected. The officers for 1933-1934 are: Mrs. Raymond R. Johnston, president; Mrs. Cora Harris Fosmoe, vice-president; Carl Eklund, treasurer; Alfred Erickson, secretary; and Stephen Paull and Henry Heimonen, executive committee.

Twenty-two Northerners were honored with memberships in the honor society last year. They were: Audrey Anderson, Ironwood; Robert Anderson, Marquette; Elvera Backlund, Felch; Marion Carter, Marquette; Eleanor Chesarek, Calumet; (Continued on page 4)

### FEMININE CHORUS PLEASES HEARERS

#### Glee Club Sang Over WBEO and Before Rotarians.

The Girls' Glee Club, under the direction of Miss Ruth Craig, delighted a large audience in the college auditorium, May 2, when they presented their annual concert.

"There was a power, a robustness of tone," to the singing, according to Maudie Howe, Marquette critic, who declared that this year's program was the most successful in a series of concerts.

Winifred Jackson was highly praised for her splendid violin solos. The three soloists, Dorothy Ruona, Eleanor Chesarek, and Marie Gendron, each with very different voices, added great charm to the program.

Besides the very beautiful selections, "Flower of Dreams," and "Snow Legend," by Clokey, "The Last Night," and "Twilight," other numbers which required careful diction and technique were, "Peter Piper," by Bridge, "My Johann" by Grieg-Asianoff, and "The Two Clocks."

Sunday, May 6, the group broadcast over WBEO, the Daily Mining Journal radio station, and the presentation resulted in a barrage of commendatory calls.

The Glee Club was entertained at a luncheon in the Northland Hotel on Monday, May 7, by the Rotary Club, at which time the girls presented their program.

Miss Craig entertained the Glee Club members Wednesday, May 9, at a tea in the recreation rooms. Fancy hair pins were given by Miss Craig to members who are graduating this year, and Miss Craig received a beautiful blue purse.

### EDITORIAL

#### Wanted—1500 Books

MAY 8, 1934, was a banner day in the school library. Every borrowed book was returned on time. That is enough to make any book lender want to have a little Fourth of July celebration.

At the Peter White Public Library, however, there is very little celebrating, for figures covering the last four years show that one book per day has been taken from the shelves and never returned.

The lost volumes, which are valued monetarily at close to three thousand dollars and for their borrowing use at probably three times as much, are books which have been, in the plainest terms, stolen. They have been taken from the library without being checked at the desk.

How many Northerners have been guilty of violating that checking rule can not be determined without carrying out a most troublesome investigation. No one has to date gone to all that trouble, but it is hoped that those Northern students who have unchecked, overdue volumes at rooming houses will unite with civic and church groups in the city-wide drive which is being made to return the missing tomes to the library shelves.

For some time college students have been allowed to use the facilities of the Marquette library free of charge. The staff has been most generous in its co-operation. Those who have not appreciated the services offered are probably only a few, but, if the lost articles are not returned and the unfair practices stopped, forceful steps may be taken by the library staff.

Not even in the college library are students allowed to meander through the stacks, as they are among the public shelves. For obvious reasons the school librarians have stopped students at the checking desk. For the same reasons, according to Miss Margaret Smith, librarian at the public library, the Peter White stacks may also be closed.

As part of their campaign the backers have announced that during the month of May no fines will be charged on overdue books. The librarians have advanced half the distance. It now behooves the public, Northerners included, to travel the other half.

#### In All Fairness

THE maxim that nothing worthwhile can be gained without hard work was most clearly confirmed by the results of the Northern-Tech track meet Saturday. The outcome was a pleasing surprise to most Olive and Gold followers.

From the very first day of the training season there has been a definite and impelling current running through the track squad as a whole. This current includes both a new slant on how to train and a strong desire to go out and win competitively. A combination of the latter two qualities is a powerful force in athletics that is practically impossible to defeat.

Northern's thinclads have been on the alert much more during the weekday practices than ever before, and, although it, of course, could not be truthfully said that they were so conscientious as to be angelic, they have improved in a great many respects.

What has been done has been done and what hasn't been done hasn't been done, but, in all fairness and squareness to the track team, it must be said that the slim margin by which Tech won could have been overcome had it not been for the weakening effects of the dinner two days before.

### Perfectly Meaningless

By BOB HODGES

This is, without a doubt, a most unique and unusual sensation, sitting here pondering over nothing in particular, just trying to write something perfectly meaningless. It occurs bi-weekly though, so it isn't altogether new feeling. I sometimes wonder if it wouldn't be much easier to write something sensible. So don't be too shocked one of these weeks if I do scribble something of value for you to read. . . . live in hopes.

Has it occurred to you that it was rather a strange coincidence that Mr. Mattson should be the peace-maker and, of course, the judge for the high jump at the Northern-Jordan track meet? As you undoubtedly know, both the boys were tied for second and third places. If this continues much longer, I insist we give the boys a set of 15 ounce boxing gloves.

And after all, I'm just a poor, struggling columnist, wondering why in the name of Harry we can't have daylight saving time as do all other civilized communities. My most sincere regrets to youse Negaunee and Ishpeming students. And, oh, I very nearly forgot—all youse tennis enthusiasts, youse racket wielders—Are we raving? egrrrt . . .

Pick up your ears and open your eyes, you worshippers of this fellow named Isaac Walton. The author, on that red letter day May 1, decided to open up his bag of tricks to entice a few *Salvelinus fontinalis* from the cool, rippling habitat into his spacious creel. But, after working diligently for quite some time his creel was still as spacious as at the outset of this unsuccessful escapade. But he was not disappointed, because it is no disgrace to be outguessed by this speckled beauty. The author also wishes to add that he cut no classes.

Did you know that: For the first time for the term the entire Abnormal Psychology class was present—the day, May 7. . . the reason Northern isn't haunted is because there isn't any school spirit. . . there are more people from the copper country at the hospital in Newberry than from any other section of the upper peninsula. . . fan ma brow . . .

A philosopher is a man who knows all about everything, until it happens to him.

By Now.

### Among Northerners

#### BRIEFS

Sweet, Andrew, '13, professor of metallurgy at Michigan College of Mining and Technology at Houghton, will supervise a summer course in prospecting and field ore dressing in the Huron Mountain district this summer. He has had considerable experience in placer work in California.

The course consists of examination and proving of likely ground, methods of field analysis and testing, and also construction of various types of field concentrators such as cradles, sluiceboxes, and sluiceways. Instruction will also be given in camp management and cooking.

Hagen, George A., '20, is an instructor in the Civilian Conservation Corps camp at Ontonagon. Mr. Hagen formerly taught in Des-Plaines, Illinois, and is a graduate of the University of Illinois.

Manner, Hilma, '24, is Mrs. Diljo D. Burman, of Detroit. Mrs. Burman has taught in the public schools in Hancock, Dollar Bay, and in Calumet.

Brown, John W., '23, A. B. '26, is attending the graduate school at the University of Michigan, taking a course in business administration.

Bystrom, Theodore L., '23, principal of the Southeastern Junior High school in Battle Creek, was elected president of the social studies association at a meeting of sixty social science instructors at Western State Teachers College, Kalamazoo, February 17, 1934. Announcement of his appointment was made in the Michigan Education Journal for March, 1934.

Glendinning, Robert M., '25, presented a condensation of his doctor's thesis on "The general aspects of the distribution of population in the Lake St. Jean lowland, Province of Quebec," before the annual meeting of the Association of American Geographers in Evanston, Illinois, December, 1933. An abstract of the paper appears in the March, 1934, issue of the Annals of the Association of American Geographers. Mr. Glendinning received his doctor's degree from the University of Mich-

### Brothers and Sisters

The Greeks tell us—

TAU PI NU held an informal supper Friday, May 4, in the recreation rooms. The members and guests were served at a long table, at which the sorority colors, silver and green, were accented in the decorating scheme. Among those present were: Miss Haven, faculty adviser; Miss Fox, honorary member; Mrs. Meylan, patroness, and the following alumnae: Sadio Korpi and Thelma Johnson.

Tau Pi Nu wishes to announce Mayme Maki as a new pledge. June 2 is the date of the sorority's annual dinner dance.

PHI KAPPA NU was entertained at a one o'clock luncheon, Saturday, May 5, in the recreation rooms, by Miss Griswold, faculty adviser; Mrs. Conway Peters and Mrs. H. D. Lee, patronesses. Place cards were in the sorority colors of blue and gold, to which were attached small clusters of flowers.

Following the luncheon, formal initiation was held for the following: Mary Jane Johnson, Negaunee; Marie Louise LeGovan, Marquette, and Angela Bartol, Trautville. The following alumnae also attended; Ebba Ecklund, Ishpeming; June Anderson, Marquette; Dorothy Collins, Iron River, and Dorothy Wetton, Negaunee.

Phi Kappa Nu will hold its annual dinner dance, Saturday, May 19, at the Northland Hotel.

DELTA SIGMA NU held a formal initiation preceding a meeting, on Monday, April 30. The following girls were initiated: Marjorie Larson, Elizabeth Millward, Marquette; Marie Bredahl, Gladstone, and Bertha Palo, Iron River.

Delta Sigma Nu will hold its spring formal on Saturday, May 26.

GAMMA PHI ALPHA held its annual dinner dance at the Northland, Saturday, May 5. Programs, flowers, and decorations carried out the Japanese motif. Members and guests were received by a committee, consisting of Lois Rowe, Rita Versailles, Catherine Toscani, Adeline Weidenhoffer, and their escorts, Wesley Olsen, William Collins, Robert Ramf and Paul Dutton. Music for dancing was furnished by Freck Wilson's orchestra. Chairmen of committees were: Esther Haahr, decorations; Helen Swanson, orchestra; Edna Livingston, flowers; and Annette Richtta, general arrangements. Guests included Mr. and Mrs. Gant, Mr. and Mrs. McClintock, Miss Dean, adviser, and Mrs. Manthel Howe.

BETA OMEGA TAU held its annual formal dinner dance May 12 at the Northland Hotel. Bill Small's orchestra played for the dancing. The sorority colors of purple and green were used in the dance programs and table centerpieces. The committee of arrangements consisted of Margaret O'Grady, Patricia Jones, and Ann Rentenbach. Guests were Mr. and Mrs. Webster Pearce, Miss Hunting, Miss Craig, adviser; Miss Carey, Mr. and Mrs. Gilbert Brown.

The Greeks will tell us more—

CARRY YOUR LOAD WITH A SMILE

If you wish to be happy and cheerful and gay,  
 And live in a realm worthwhile,  
 Just buckle right down to your task day by day,  
 And carry your load with a smile.

Your road may be rough and so winding and steep,  
 A few rods may seem like a mile;  
 Just soften the way with a bit of a song,  
 And carry your load with a smile.

Don't play boustrophedon, your goal's straight ahead;  
 Life's journey is surely worthwhile;  
 Just think what the Pilgrims endured for your land,  
 And carry your load with a smile.

The people you meet on the mart or the street  
 May smile at your manner or style,  
 Just give them a grin and an up-tilted chin,  
 And carry your load with a smile.

—Peter R. Legg, Representative for the upper peninsula at Lansing.

igan in June, 1933. He is now an instructor in the Geography Department at that institution.

Andrews, Ora P., '27, is Mrs. Carl Harrington, of Holland, Michigan.

Collins, William J., '27, is teaching at Cooks, Michigan.

Nelson, Mr. and Mrs. George E. (Genevieve Keese, '27), of Davengren (Continued on page 3)

## DOING WITHOUT

A youth trained to self-denial is not likely to need it much in his later years. Doing without unnecessary things is a prime essential of accumulation, which is what all forward-looking young men and women have in mind as the only certain route to financial independence.

In every community, large or small, the people are divided into two major classes, those who save and those who spend. What happens to both these classes may easily be foretold. Those who do without increase in what Uncle Joe Cannon used to call "substance." Those who spend freely when money comes easily, as a rule do not have it to spend when they need it for the ordinary comforts of life.

BE WITH THOSE WHO SAVE

# TRACKSTERS DROP CLOSE TECH TILT

## Judges' Hairline Decisions Are Needed to Determine Victors For Three Events

Beaten by one inch in the discus, one-quarter inch in the broad jump, and by not more than a nose in the half mile, a scrappy Olive and Gold thinned squad defeated Saturday by a score of 62-55, the victims of Houghton's engineers. With the outcome uncertain until practically the last event, Tech scored their thrilling discus and broad jump victories as the evening shadows approached, to barely scrape up the 59 points needed to insure a win, adding but three extra points to that total. To wind up the afternoon's activities, Northern's relay team won the one-half mile relay without a great deal of difficulty in one minute 40 seconds.

Murray, Tech's big train, although beaten in the dashes, scored 12 points to lead in that department. Mello Fish's victories in the 100 and 220 yard dashes gave him 10 points for second honors. Perhaps the most pleasant surprise of the afternoon for Northern followers was Dick Finnegan's triumph in the 220 yard hurdles. May it be known that it was the first time either Finnegan or Richards, who took second, had run that particular race.

The results of the meet in detail are as follows:  
 Mile Run—1, Moersch (T); 2, Roosa (T); 3, Belda (T). Time, 5:11.8.  
 440 Yard Dash—1, Barney (T); 2, Gorton (T); 3, Wilkins (T). Time, 57.4.  
 100 Yard Dash—Fish (N); 2, Beamer (N); 3, Murray (T). Time, 10.4.  
 120 Yard High Hurdles—1, Johnson (N); 2, Murray (T); 3, Seger (N). Time, :17.  
 880 Yard Dash—1, Ruehl (N); 2, Finnegan (N); 3, Bergman (N). Time, 2:15.8.

220 Yard Dash—1, Fish (N); 2, Murray (T); 3, Beamer (N). Time, 22.8.  
 220 Yard Low Hurdles—1, Finnegan (N); 2, Richards (N); 3, Camilli (T). Time, :27.2.  
 Pole Vault—1, Murray (T), and Karas (T), tied; 3, Hill (N). 10 ft. 6 in.  
 High Jump—1, Isberg (N); 2, Richards (N); 3, Karas (T). 5 ft. 7 in.  
 Broad Jump—1, Foley (T); 2, Richards (N); 3, Barney (T). 19 ft. 4 1/2 in.  
 Shot Put—1, Ranguette (N); 2, Wiede (T); 3, Yorkola (N). 36 feet.  
 Discus—1, Robbins (T); 2, Seger (N); 3, Ranguette (N). 112 feet.  
 Javelin—1, Olson (T); 2, Robbins (T); 3, Carlson (N). 161 ft. 3 in.  
 1/2 Mile Relay—Won by Northern in 1 minute 40 seconds.

## ENGINEERS SPEAR BASEBALL TUSSELE

A complete reversal of form on the part of the Olive and Gold line marked the Tech-Northern game Saturday morning. In contrasting the calibre of play with the errorless ball played against Jordan a great deal of humor is provided.

In a contest marred by numerous errors, Tech handed Northern its first baseball defeat, 10-8. A mixture of hits and errors in the first inning netted the copper country boys six runs; from then on they coasted to victory, producing a lead which a last inning rally by Northern failed to overcome. Hurst's men managed to drive in three runs in that last desperate struggle.

The game was featured, outside the Olive and Gold bobbles, by the hitting of Mello Fish, with two home runs, and the excellent pitching of Perkila, who was Tech's star hurler.

A sweeping gale with a fog of dust caused fielders on both teams to misjudge hits, and thereby aided in making the score as large as it was.

The Olive and Gold aggregation will battle with the Engineers again at the Triangular meet to be held later this month. A return game is also scheduled with Jordan.

## From the Bleachers

By Brotherton

Mello Fish certainly earned his share of the credit which went to Northern's trackmen in the Jordan meet. He began by tying the field record of 10.2 in the 100 yard dash; then he scampered off the 220 in no more than 23.6 seconds; then, before donning his baseball uniform for the game following, he ran as anchor man on the Olive and Gold winning relay combination. Incidentally, we'll all be on hand to see that boy run on a warm day.

To Walt Beamer goes the honor and the glory for the victory in the half-mile relay. Overcoming a lead of almost 10 yards, Walt gave Fish a three or four yard lead to start the last lap. It took some consultation among the timekeepers to determine second and third places in the 100—it was hard to believe that Walt didn't get second—and he didn't even get third.

Ray Ranguette took time out one day a week so ago, and instead of continuing his practice of putting the shot, he picked up a round flat object, which he had heard some of the boys call a discus, and playfully tossed it a distance of 116 feet, just four feet more than the record set by Tommla last year. He entered the contest in the Jordan meet, but was a bit nervous, and finished second to Seger, who threw it 105 feet.

Heard on the track? You were pooped out those last few yards, lad; you'd better change your brand.

What's this I hear about the Frosh cleaning house on the Sophs on Rush day? They claim it was a freshman, in person, who started that bit of propaganda. Personally, I don't think it can be done. Better start organizing, Sophs; but remember, no kidnaping allowed. I remember well when Isberg had one sweet time getting out of the general office, both doors of which were heavily guarded by members of the rival class—Mr. Parker was the rescuer. Did you ever get that wooden medal, Mr. Parker?

Eligibility seems to be a hard thing to figure out in this school. "Dutch" Cummings and Bob Cole have both been told by some that they're ineligible for varsity competition of any kind, and by others that they're eligible. It's to the point now where Bob, for one, doesn't know just where he stands. He'd like to play varsity tennis, but for a reason unknown to him, he's ineligible. Why can't such a simple matter be straightened out? Being a freshman doesn't ban him, because the freshman ruling has been abolished.

## AMATEURS SPLIT TENNIS MATCHES

The teams divided tennis honors Saturday. Northern's singles entry, Dick Magoon, easily triumphed over Tech's man in two sets, 6-2, 6-0. In the doubles, Tech won out, the Houghton boys defeating LeRoy Christian and Henry Heimonen, 3-6, 6-3, 6-3. Both teams were greatly hampered by a strong south wind which blew constantly.

Good news to the tennis fans is the statement by President Pearce at the Men's Banquet to the effect that there will soon be some concrete tennis courts. It was not a direct promise but he admitted that Coach Hedgecock has the necessary materials and that the administration would try to do its part.

## TEACHERS' NINE BLANKS JORDAN

Coach Hurst's strategy plus timely hitting enabled Northern's first baseball team to win over Jordan in the season's opener last Saturday by a score of 13 to 0. Five innings were sufficient for Hurst's boys to cross home plate 13 times.

Northern scored in the first inning, after successive singles by Holman

## Next Issue June 1st.

So that all students interested in the rush may have the complete rush program, the next issue of the Northern College News will be published June 1st, instead of on May 29th.

and Brotherton, and a walk to Chaulanchin filled the bases. Hedge's bunt down the third base line enabled Holman and Brotherton to romp home.

The fourth inning developed into a slugfest for the Teachers, who, after being held down for three stanzas, opened up a powerful reserve and scored 11 times. Four of these runs came in when Ranguette, with the bases loaded, hit a sizzling line drive for a home run.

Inability to practice was not evident in Northern's nine. The Olive and Gold players did not make an error, while Jordan was handicapped by four misplays.

Scores:  
 Jordan ..... 0 0 0 0 0 — 0  
 Northern ..... 2 0 11 \* — 13

## SPRING FASHIONS AT PHY-ED DANCE

Will Be No More Socials This Term, Says W. L. McClintock.

Northerners entered eagerly into the informal spirit of the Physical Ed. Club's annual Spring Fever Social, Friday, May 4. Guests were dressed in sport clothes, and danced to the music of the college orchestra.

Feature numbers, consisting of whistled dances and Virginia reels, proved very entertaining, and added greatly to the informality and general good time of all. The decorations, of green bouquets, leaves, and flowers, all suggested a spring out-of-doors atmosphere.

Officers of the club are: Julius Hill, president; Ruth Marshall, vice-president; Elizabeth Carlyon, secretary-treasurer.

W. L. McClintock, social committee chairman, states that as yet no further social evenings sponsored by student organizations are being arranged, but the college social committee will sponsor them on Friday evenings, when there are no other affairs. Rush Day caps the climax in social events, on June 1, when a Rush dance will be held in the college gymnasium.

## Among Northerners

port, Iowa, visited relatives and friends in Ishpeming recently.

Sister M. Catherine Phillippo, '27, A. B. '33, instructor in the St. John's parochial school in Marquette, has written the words to a song recently published, entitled, "Hymn to St. Bernadette." The music is composed by Edward J. Hickey. Sister Catherine has written and directed a number of plays for the children whom she teaches.

Johnson, Dorothea, B. S. '29, instructor of physical education in Petoskey, attended the Schoolmasters Club in Ann Arbor recently.

Penglass, Ruth A., '28, and Mrs. Rubye Penglass Anderson, yrs. '23-'24, of Crystal Falls, visited in Marquette recently. Miss Penglass

## HIGH JUMP MARK BROKEN AT FIRST MEET OF SEASON

Hedgecock Clan Annexes Dash Points to Smother Jordan, 74-43.

One record was broken and another equalled when the Northern trackmen met and defeated Jordan college of Menominee in the first track meet between the two schools, May 8, at the local field Saturday, May 8. The score was 74-43.

Murphy, lanky Jordanite, hopped over the high jump bar at 5 feet 9 1/4 inches to break by one quarter of an inch the record set by Isberg, Northern's high jumper, in the Tech meet last year. The speediest athlete at Northern, Mello Fish, dashed off the century in 10:2 to equal Wilkins' record mark.

With Fish and Seger leading the way, the Olive and Gold colors flew ahead of all the Bordertowners in the track events. The flashy Sophomores, not content with breaking the tap in the century, repeated the performance in the 220 yard dash. Seger leaped the 120 yard hurdles in 17.6.

Wahtera sped down the quarter mile speedway in fifty-nine seconds. The distance run was slow, Finnegan winning the half mile and Robinson loafing the mile in well over five minutes. Beamer held the spotlight in the half mile relay, when he overcame a long Jordan lead and passed the baton to Fish, anchor man, well ahead of his opponent.

The Menominee men, with Murphy in the lead, made points in three field events—high jump, broad jump, and pole vault.

A summary of the meet follows: Mile—Robinson (N), Raffin (N), Norbeck (N). Time, 5:19.

440 yd. dash—Wahtera (N), Payant (J), Marston (J). Time, 59.

100 yd. dash—Fish (N), Oekstad (J), Payant (J). Time, 10:2.

120 yd. high hurdles—Seger (N), Johnson (N), Murphy (J). Time, 17:6.

180 yd. run—Finnegan (N), Bergman (N), Plunkitt (N). Time, 2:15.

220 yd. dash—Fish (N), Oekstad (J), Ranguette (N). Time, 23:6.

220 yd. low hurdles—Johnson (N), Pellow (N), Lithgow (J). Time, 20:6.

High jump—Murphy (J), Isberg (N) and Richards (N), tied for 2nd, 5 ft. 9 1/4 in.

Pole vault—Murphy (J), Trenary (J), Hill (N), 10 ft.

Shot put—Ranguette (N), Shaver (J), Hill (N).

Javelin—Carlson (N), Trenary (J), Napoli (J), 134 ft., 1 in.

Discus—Seger (N), Ranguette (N), Shaver (J), 109 ft., 4 in.

Broad jump—Murphy (J), Oekstad (J), Richards (N), 20 ft., 6 in.

880 yd. relay—(N) Niemi, Ranguette, Beamer, Fish. Time, 1:41.

## 1925 BOARD RULE BARS MEN FROM SOFTBALL GAMES

A controversy which has existed since the opening of Northern's baseball season was definitely settled last week when Mr. Meyland dug into the Athletic Committee's rule bag and pulled out a ruling passed that group back in '25. The question arose as to whether men on the Olive and Gold could participate in the city softball league and, according to the ruling, the boys will have to take their choice of playing four or five games now with Northern (which would greatly lessen their chances of becoming members of softball teams for the summer) or playing in the city league, where they'll be sure of playing all summer. The ruling reads as follows:

"No contestant may engage in a match game with any other team than the Normal team during the season of that sport, after having joined the Normal squad."

## PREP THINCLADS TO ENTER RELAY

Seven Piercemers are Training for High School Event.

Pierce tracksters are pounding the turf in order to be in tip top form for the high school relays to be held at Escanaba on June 2. Since this is Pierce's first year in the thinclad sport, the process of whipping a squad into shape from a group of inexperienced fellows has been slow, but the training school boys are determined to pick up their share of the points at the Delta meet.

Coach Eddie Wilmer has spent many hours sending the team through its paces, and is well pleased with the showing of several on the squad. Pierce's chances rest upon the shoulders of six boys. Olson and Koski have shown considerable speed in the high and low hurdles, respectively, and will be the training school entries in those events. Woodbridge, running the century and 220 yard dash, and Koski, running the 220, will be the short dash entrants, while Pearce will follow in his dad's footsteps in the 440.

Olson and Koski, each with leaps of well over five feet to his credit, are the aspirants for high jump honors; in the pole vault, Olson and S. Long, it is anticipated, will reach the 10 foot mark. The shot put will be taken care of handsily by Koski and McClintock. Olson and Koski are again paired in the broad jump. The relay team will consist of Long, Woodbridge, Koski, and Olson.

## MUSICAL GROUPS GAVE ASSEMBLY

### Music Department Focuses Attention on Talented Soloists.

The Music department presented an interesting program in assembly hour last Thursday at 9:55. It included numbers by the Band, Girls' Glee Club, and several soloists.

The band opened the program by playing two most inspiring and pleasing pieces, which were followed by Virginia Goodman who sang "The Fisher's Widow," and "Bon Jour Ma Belle." The latter number was a humorous and novel one.

LeRoy Christian played a violin solo which was well received by the assembled students.

The Girls' Glee Club sang under the direction of Miss Ruth Craig. The group followed her lead very well and were very adept in their second number, "Peter Piper," at enacting.

Antoinette Holmes also played a violin solo well. Melba Anderson sang two vocal selections in an especially natural and satisfactory manner. One was the popular "Shortenin' Bread."

Harvey Thomsen, a clarinetist, played a difficult piece quite successfully and was followed by the Girls' Glee Club who gave two more numbers. The Band concluded the music fest with "The Stars and Stripes Forever."

## ELECT FOURTEEN TO PHI EPSILON

(Continued from Page 1)

Frederick Clifford, Marquette; Carl Eklund, Ishpeming; Alfred Erickson, J. D. Pierce, Marquette; Aaron Lowenstein, Stephen Paul, Clyde Kohn, and Norman Smith are not enrolled here at the present time. Lowenstein is attending the University of Chicago.

The 1932 honor roster included Matthew Bennett, Marquette; Elizabeth Bonnell, Marquette; Robert Clayton, Sault Ste. Marie; Ingrid Franz, Dollar Bay; Dorice Gray, Ishpeming; Lawrence Hebbard, Ishpeming; Grove Holman, Painesdale; Hilda Johnson, Calumet; Mildred Johnson, Ironwood; Margaret Langford, Iron Mountain; Milton Kelly, Baraga, Marquette; Paula Larson, Houghton; Carol Lecco, Palmor; Anne Moberg, Negaunee; Evelyn Oliver, Negaunee; Stanley Roberts, Gwin; Neimi Simila, Ironwood; Sr. M. Paulina Meis, St. Agnes convent; Aubrey Swinton, Marquette; William Thomas, Ishpeming; Rudolph Thoren, Negaunee, and Andrew Waite, Staunbaugh.

## Library Notes

The following volumes have recently been added to our library:

Bragdon, Claude.  
The frozen fountain.  
The author is an architect, designer of scenery and costumes for the theatre, and a writer and lecturer on aesthetics, philosophy, and the fourth dimension. In this book he writes of architectural design from a mathematical point of view.

Burnham, W. H.  
The wholesome personality.  
"The basic principles of the present volume are . . . the preservation and development of an integrated personality"—Preface.

Chaffee, E. L.  
Theory of thermionic vacuum tubes.  
Clouser, Robinson and Neely.  
Educative experiences through activity units.

Projects used in one year in two rooms of the Kansas City public schools.

Fite, E. D.  
Presidential campaign of 1860.

An account of the first Lincoln campaign.

Forman, H. J.  
Our movie-made children.

What effects, if any, has attendance at the movies upon the children of today?

Fry, Roger.  
Characteristics of French art.  
A survey of French painting.

## THE FACULTY

John M. Munson, former president of Northern, wishes to extend his greetings through President Pearce to the faculty and student body. President Pearce, who was downstate last week attending meetings of the Michigan Council of State Teachers Colleges and the State Board of Education, reports that Mr. Munson is making excellent progress at Ypsil.

The purpose of the first meeting was, according to Mr. Pearce, to decide whether or not the existing curricula of the state teachers colleges could be changed and overlapping courses abolished.

President Pearce will speak at the commencement exercises at Calumet, June 7.

Miss Helen Bosard, domestic science instructor, will address the Business and Professional Women's Club on Home Economics at the Northland Hotel, Thursday, May 17. Senior Girls from the three Marquette High schools are to be guests at the dinner.

C. C. Wiggins, commercial department head, went to Grand Rapids last week on a business trip.

Professors Meyland, Wiggins, and Roberts were judges at the District Declamatory and Oratorical Contest held May 3 in the Ishpeming High School Auditorium.

## PUBLIC TO HEAR NORTHERN'S BAND (Continued from Page 1)

The tranquil mood of the Andante is rudely interrupted by the beginning of the second movement suggesting the distant mutterings of a storm. This comes nearer until the full fury of the storm bursts upon the ear. The fortissimo passage continues until the storm seems to have spent its force and the strain dies down into a refreshing calmness once more. As the last notes of the melody die away, the trumpets enter with a brilliant fanfare on the splendid finale, a fitting climax to a great work.

The Band  
By the Sea . . . . . Schubert  
Short'nin' Bread . . . . . Wolfe  
The Glee Club

Beauty's Eyes . . . . . Tosti

Anthony Loncharte, Robert Smoker, Myron Johnson, Donald Mellin

Second Tenors—  
Paul Goodman, Robert Lampi,  
Melvin Ramberg, Clare Wells,  
William Sawyer

## LEAGUE TO SEE SUNRISE SUNDAY

### Lutherans Will Hold Early Morning Convocation At Island.

The early hours of next Sunday morning will find the members of the Northern branch of the Lutheran student organization gathered at Pulpit Rock on Presque Isle to watch Old Sol come shooting over the horizon of Lake Superior waters. Dr. Otto H. Bostrom, pastor of the local Messiah Lutheran Church, will conduct the early morning services which are scheduled to start at six o'clock. The services will be followed by a breakfast on the spot.

After a short business meeting in the music room, Monday evening, May 7, members of the league enjoyed a program consisting of readings by Edmund Peters and Melba Hill. The group also sang songs. Dr. Bostrom, of Marquette, led a group discussion. After which, games were played and refreshments were served.

Tuesday evening, May 8, several of the members met at the residence of Miss Martha Cooley, faculty adviser, at 110 E. Arch Street, for a bible study, which was led by Edmund Peters. A similar meeting is being planned for Tuesday evening, May 15, in the Messiah Lutheran parsonage. Gladys Anderson will be the leader at this meeting.

Members of the league will be entertained by Miss Cooley in the recreation rooms, Monday evening, May 21. All Lutherans are urged to attend.

## CLUBS

The art students, on Tuesday, May 8, discussed plans for having a float in the Rush Day parade.

A short but delightful program was presented by various members of the Kindergarten Club, Tuesday, May 8, consisting of a talk by Linnea Nelson on "The Kindergarten Floral Shop"; a story by Mary Humphrey; and Gertrude Morrison entertained at the piano. Group singing was also one of the features. Arrangements were made for the annual spring outing of the organization, which will be held soon.

Commercialites, with their adviser, Mr. Wiggins, went on an excursion Tuesday, May 8, to the Michigan Bell Telephone office, in Marquette. Mr. Wilmer proved to be a very interesting guide to the group of about twenty students. He explained the system, including the connections of outside cables.

## MEN'S DINNER OF AFFABLE NATURE

(Continued from Page 1)

and the activities that they are carrying on.

Grove Holman was introduced by Dick Finnegan, toastmaster, who cast many aspersions upon Grove's athletic ability. Holman confessed that it had always been his ambition to be a musician and revealed how he was advised to see Mr. Hedgecock about the problem. After disclosing the secret of his athletic prowess, he became more serious and asked the men to keep the spark of loyalty started by President Pearce growing larger.

Art Carlson was introduced with the assurance that he would not speak on his most popular subject—women. He admitted that although he has done much observing of the "female of the species," that theoretical knowledge is very different from practical knowledge. Since he was scheduled to portray "Northern from the Classroom," he devoted the greater part of a brief talk to mentioning that Northern students are considerate in trivial matters. Enlightening was his revelation concerning how the skeleton "Mabel" behaves after midnight in Dr. Lowe's laboratory.

Interspersed in the program were musical numbers by the Glee Club, which gave a good rendition of "Shortenin' Bread"; Melvin Ramberg and Bob Bennett in a marimba-trombone duet; Paul Goodman and his trumpet; and a concluding number by the college dance orchestra. A farewell applause was given Mr. Peters and the singing of the school song completed the evening.

First Basses—  
Paul Gilbert, William Wright,  
James Christensen, Edwin Yrkola  
Second Basses—  
Ahti Tuuri, Carl Eggers, LeRoy Christian, Robert Bennett  
Accompanist—  
Freeman Monson

## ARE YOU PLANNING AHEAD?

—planning things that you'd like to do sometime in the future?

Perhaps it's a vacation next year—a trip abroad at some not-too-distant date—or opportunities for further studies. No matter what it is you're dreaming of, you can make it possible, literally make your dreams come true by saving consistently in an Account at the First National of Marquette.
