## SENIORS CRASH HOLLYWOOD IN LAST ASSEMBLY

Ellen Bennett Writes Rag-time Poetry Play For Event

On Monday, June 13, during the regular hour, Northern's seniors will present for your entertainment their annual class day program, NORTH-ERN HOLLYWOOD.

The 1938 rank is scheming a going Hollywood feature play written by Ellen Bennett in ragtime poetry. The setting of the production will be in the office of the Central Casting Bureau, where Northernites, attempting to realize their study hall dreams, will introduce to Hollywood more good movie material, and display their acting ability in a wailing college comedy fit to black the public eye.

Ole Carlson, snarling Big Shot executive caster, breaks down when Ellen Bennett, as the Voice of Sorrow, renders Swanee with more tear-drawing power than a fresh onion.

VIOLA ROSEVEAR

Kenneth Stanley and Catherine Penberthy provide a bit of tap genius as a Hip-and-Hoof team.

"The Gilbert Gazoaks", Eileen LaFave, Isabelle Steele, Kathryn King, and Margaret Sullivan, depressional tumblers, and the Northern Nightingales, with Marie Richards, the chief glee-girl, promises variety to spice the program.

Mary Jane Manthel, of stupendous versatility as Suzy Schwitzlebum, displays genius in solving the problem of the ages, in spite of the intrusions of Wheezy, the champion alligator of the U. P., William Kolkoski, and Breezy, trumpeteering Alice Westman.

Walter Abramson, as Franchot Gable, gets the chance he just never had before to prove his superhuman ability at oratory.

Whether Northern crashes Hollywood going in or coming out remains to be seen. The Alumnae Pedagogue Rooty-Hooters, Fern Bennett, Lyle Hutton, and Marda Roberts, using the influence of experience, may turn their weary heads toward home to die by degree at Northern.

## Pierce Students Give Interesting Program

The John D. Pierce School presented a very interesting and original program in Northern's auditorium on May 24. Miss Arleen Desormier of the fourth grade acted as the very charming mistress of ceremonies and welcomed the audience.

The kindergarten began the program with the presentation of some rhythmic work. They also sang a few songs. The members of the first grade who have been studying flowers and birds of spring, recited original poems and also sang a few songs. The third grade who have been discussing Japanese customs with their very colorful and realistic costumes observed Peace Day which took place on May 18.

The fourth grade gave a very interesting performance showing how Indians sent messages by means of smoke signals.

The fifth grade sang three songs connected with nature study in which they were very interested. The songs were "Follow the Plow With Me", "Birds' Return", and the round, "Are You Sleeping".

The sixth grade gave a very en-

## SENIORS ISSUE BOOKLET JUNE 7

Extend Sale of Popular Memento To All Students And Faculty

"Make your reservations early!" is the advice of the Senior Booklet salesmen to all students of Northern who wish a copy of this memento.

This booklet of the senior class will be placed on sale by June 7, and as only a limited number of extra copies have been printed, all interested persons who have not yet signed up for a copy, should see Clarence Vinge or Norman Olson before one can't be purchased at any price. All students who have already signed the order sheet are expected to pay a copy of the booklet when it is placed on sale, for the committee has already gone to the expense of ordering the printing of one for them.

The booklet this year is larger, better, thicker, more interesting and more valuable as a reminder of college days than any booklet published previously other than the famous Kawabagan annual. The pages are two inches longer (33% than last year's), and the cover with gold print on a wine colored background, is of heavier material than last year's.

The 1938 issue will contain six-

group pictures which include almost every member of the senior class, individual pictures of the class officers, pictures of President Pearce, Dr. Clucas, adviser, and many varied shots of campus scenes. Added to this will be the class history, informal style, and an individual history of each senior.

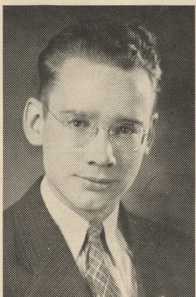

All this entertainment, information, and beauty can be had on June 7 for the small sum of 35 cents which is actually below the cost of printing.

During the afternoon session, the various groups of the vocal and orchestra divisions gave individual concerts. These concerts were much enjoyed by the audience present and gave a clear insight into the musical abilities and development of each school.

In the evening, the combined vocal groups—boys' glee, girls' glee, and mixed chorus, under Miss Norma Ross, Miss Ruth Craig, Miss Margaret Johnson, and R. P. Bowers, (Continued on Page 2)

## Frosh Hope To Overthrow Soph Supremacy In Events

The battle of the year will be waged today, June 3, when the Freshmen and Sophomores clash on the athletic field and at Presque Isle.

The Sophomores, veterans, and winners of last year's events, have not grown rusty but have retained the spirit that made them victors last year.

The Freshmen, this year, are young and "fresh" enough to keep the Sophs jumping—so hope. Having turned out in great numbers to the practice sessions, they promise good stiff competition.

May the best class win!!!

chosen from each class. The girls are given one trial each. They stand on one end of the beam, walk to the ribbon, must touch knee to board, rise, and walk to the other end. The side getting the greater number across wins. In case no one reach the goal the girl who walked the greatest distance wins all the points for her class.

1:55 P. M.—Men's Egg Throwing Contest (15 points).

20 members of each class will participate. Freshmen will divide themselves into pairs, and sophomores will do the same. Freshmen and sophomore pairs will alternate and will face one another at a distance of 100 feet.

At a signal, contestants will toss or throw the egg to their partners. If the egg is caught without mishap the pair remains in the contest. Should the egg break, or not be caught, the pair to which this happens will drop out. In case of a tie the two remaining pairs will each get another egg, and continue the contest until a decision is obtained.

2:15 P. M.—Men's King of the Float (15 points).

Five men from each class will participate. The freshmen will line up on one end of the float and the sophomores on the other. On the starting signal they will try to force their opponents off the float. When they are forced off the contestants may try to get back on. At the end of two minutes the class having the largest number completely on the raft wins all the points. If a tie is declared, the points will be evenly divided.

2:25 P. M.—Girls' Tug of War (25 points).

The full girl membership of each class will participate. Each side will have one-half of the rope. A handkerchief will be tied in the center of the rope, which will be placed directly over a white line. At equal distances, (15 feet) from the center line will be placed two other lines, one on each side. Put a weight on center of rope. At the starting signal each side will try to pull the handkerchief across the line on its side of the center line. When this is done the contest will be decided. If either side does so by the expiration of 1½ minutes, the side having the handkerchief nearest its own line will be declared the winner, and will receive all the points.

2:40 P. M.—Mixed Medley Race (20 points).

Three girls and two men from each class will participate. At the signal one girl from each class will row from the starting platform at the north end of the pool to the opposite sides of the pool, give the token to a man who will swim the south channel and run along the east side of the pool to give the token to a girl stationed to receive it at the end of the north side of the bridge which crosses the north channel. This girl will run about one-half way around the pool to the west side where another girl will be stationed to receive the token and carry it to a man stationed at the south end of the pool in a boat. The token must be passed to this man and he must row across the pool to the starting platform. The first boat to reach the platform (Continued on Page 2)

She sets her heart on one Sam Thatcher, a Yale man, who despises Capitalism, and intends to set off for Russia with a similar "bird-of-a-feather", the Lippincot. Alex fights a losing battle until her girl friends decide to take a hand, and then the fun begins.

#### Rush Day

TODAY is again Rush Day at Northern. Through the year this one event has eclipsed all traditional functions because it has been given the wholehearted support and active cooperation of all classes.

There is more to the Rush than the wholesale dunking of underclassmen in Shiras pool, more than the keen rivalry in contests of brain and brawn. In the spirited clashes of the day's events, the sportsmanship and temper of the participants will be severely tested. Those who emerge stronger in spirit though scratched, bruised and soaked to the skin will be the better for it. Win or lose, those who turn out for the evening parade deserve still further compliment. The parade is a Rush feature that all townspeople anticipate and enjoy. It becomes a farce and poor comedy if both winners and losers fail to achieve nearly one-hundred percent attendance.

With a boost for the winner and a cheer for the loser, we predict, as in previous years, that the victory will go to the class that doesn't leave all to brawn but uses effective strategy in the assembly and out of doors alike.

#### A Word To The Wise

FRATERNITY GENTLEMEN, can you take a friendly suggestion from one among your body? Fraternities are serving Northern in many ways by enriching the social life, by providing a certain amount of employment which makes an education possible for several students, and by providing that certain stimulus that comes from friendly rivalry.

Our fraternities have some gentlemen and scholars, but not all the fine scholars and gentlemen are friendly members though they and the fraternities could benefit a great deal if they were. This state of affairs is due in part to the practice of admitting untried and unknown freshmen to residence and employment in the fraternity during the first term. Such a practice is unknown in most colleges and universities since it inevitably leads to lowering of the caliber and standards of the group as a whole. One or two black sheep not only give the house a black eye to the student body but fleck the brotherhood as well. One fraternity at least has been unfortunate in this respect but it has happened to the others as well and contributed directly to the downfall of a third.

A way out is suggested. The brotherhoods should make an agreement between themselves that no freshmen be allowed to reside at the house or even pledge to the fraternity during the first term at Northern. During that time the brothers should ascertain who they desired to admit to residence and members, give smokers, and occasionally invite freshmen for chats and sessions. Fraternities can be most beneficial when they themselves are careful and discriminating in their choices. There are plenty of students here for the two remaining brotherhoods from which to build their membership. This program would be a boon to gentlemen and scholars and an advantage to both houses.

#### ALUMNI NOTES

Cleanings from Northern's Scrapbook show that excerpts of Alumni news are more numerous in the various wedding columns, next numerous in the change of teaching position through promotion, and last, in activity in and out of school or school events. It all goes to show that first a young graduate's mind turns to marriage, then to ladder-climbing in the profession, and last a general expansion. Actually, perhaps, the order is reversed, but newspaper prestige points in the other direction.

Miss Naomi Easley became the bride of Joseph Wm. Kamennick on February 19, 1938. They are residing in Green Bay. Mrs. Kamennick received her limited from Northern in 1930.

Miss Dorothy M. Dunleavy became the bride of Mr. Raymond Gravelle,

#### HARVEY HOUSE

About this time of the year when the seniors prepare to graduate, one can't help but think of some of the others who have been graduated from Northern, and the things that they have done.

Remember last year's Senior Circus with Steve (Born-to-dance) Baltic, the German band leader, Dutch Cummings, and ringleader, Jack Hubbard?

And the year before that what a school room the Senior Class turned into with Ann Norman as school-marm, and Bob Smoker as the lisp child student, who said, "Are we men or are we mice (th)? I sometimes wonder! Many other individual personalities might be added.

Speaking of personalities, by their clothes you can tell them this year!

Have you noticed the girl who wears sandals with cork soles about two inches thick, up and coming isn't she? Then, there are all those little gadgets hanging from coat and suit lapels—wooden shoes, leather shoes, and Mexican hats all have their place.

"As the quarry grows more wary, So much cuter and astuter grow the weapons which we carry".

It seems as though the Junior Class Play really shows the girls how to catch a man; why not go and see!

Ruby Price tantalize McCombie by saying, "Save me the Neck."

Gwen Bryce tell McGuire a woman's prerogative.

rendered beautiful and interpretive selections. Especially outstanding was the rendition of Manning's *Czecho-Slovakian Song* by 400 boys and girls under the direction of R. P. Bowers. Following the vocal group, a selected orchestra of 200 pieces from various schools under Frank Karas, Martin Johnson, and Adolph Kramer, gave a grand finale to an impressive musical day with an hour of music of the masters.

The music festivals this year are under the direction of Dr. Roy Williams, R. W. Nordling, Negaunee; and George Pizley of Ishpeming.

J. Harold Powers of the Central State Teachers College music department and Arthur Kill, director of music at the Michigan College of Mines, were adjudicators, respectively, of the vocal and orchestra divisions.

A group of Northern's band members acted as ushers.

## MARQUETTE HIGH TRACKSTERS WIN RELAY CONTEST

### Medley Relay Is Deciding Event; Negaunce Takes Second

The Marquette High School Track team nosed out Negaunce in the Northern Relays. A victory in the medley relay gave Marquette the necessary boost, from a tie with Negaunce, to cop the cup.

Despite the light drizzle of rain early in the meet, the High School tracksters turned on the steam to make this year's relays an exciting event.

Austin, Negaunce, proved his capability of negotiating the high hurdles by setting a new record of 17 seconds. Then returning to set a new record in the low hurdles of 25.2. Austin's showing gave Negaunce two of its three first places.

Hill, Eben, gave a very good showing in the pole vault. He attempted to break the record but fell short by inches.

A good word to Baraga High School for the never-say-die spirit they instilled in the meet.

The events and results are as follows in the order they were run:

120 H. H.—Austin, Negaunce; Ayotte, Gwinn; Bowerman, Munising. Time—17 (new record).

880 yd. relay—Munising, Marquette, Negaunce, Baraga. Time 1:41.3.

2 mile relay—Marquette, Negaunce, Baraga. Time 9:21.8.

200 yd. L. H.—Austin, Negaunce, Ayotte, Gwinn; Bowerman, Munising. Time—25.2 (new record).

Mile relay—Marquette, Negaunce, Baraga. Time 3:30.0.

Pole Vault—Hill, Eben; Finn, Marquette; Nadeau, Munising; Berryman.

High Jump—Mikulich, Marquette. Height—5'5".

440 yd. Relay—Negaunce, Munising, Marquette. Time—48.5 (new record).

Medley Relay—Marquette, Eben, Munising. Time—4:41.

## BAND FINISHES TOUR CONCERTS

### Mr. M. Johnston Directs Band In Absence Of Dr. R. Williams

Climaxing an eventful band trip to points in the southern part of the peninsula with concerts at the college on May 10 and at Graverate High, Negaunce, and Ishpeming the following day, Northern's band and glee club has just completed the bulk of an unusually successful season, speaking well for the talent, the able instruction of Dr. Williams, and the work of Mr. Martin Johnson who was called to direct the last four concerts due to the sudden illness of director Dr. Williams.

Bus breakdown caused the band to miss the Gladstone concert while on the May 4-6 tour. Outside of this misadventure they brought back reports of the fine hospitality and fine food furnished in the towns of Manistique, Escanaba, Norway, Vulcan, Kingsford, Iron Mountain, Iron River, Alpha, and Bates. The programs were enthusiastically received, went off smoothly, and lasted about an hour each. If band members seemed unprepared in classes for the past few weeks, this activity explains at least a part of it.

The Men's Glee Club is composed of: First tenor—George Cavender, Walter Davis, Lawrence DeRidder, John Holochwest, Frank Paul; second tenor—Jack Arnett, Arthur McCombie, Frank Milne, Reno Norrell; baritone—Donald Carlson, Douglas Edwards, Leo Gendron, Thomas O'Connell, David Pierpont, Donald Young, William Robertson; bass—Harold Carpenter, George Gill, Curtis Glanville, Oliver Helman, Clifford Jackson, Carl Judy, George Nelson, Elmo Pinard.

ENJOY!

## From the Bleachers

By Bottrell

From the standpoint of the weather the track meet season was very successful, and from the standpoint of meet victories we judge that the season turned out half-way decent.

It is noteworthy that most of the men turned in better performances as the season progressed, and several new records resulted. The mile relay team certainly provided a grand climax. It was a pleasure to watch Villeneuve overcome a ten yard lead in the last lap of the relay and then come sprinting down the home stretch six yards to the fore. Every mark except two made at the first track meet between Northern and Tech on May 14 was bettered on May 28. The javelin mark was lower, and the 120 high hurdles time was tied.

Those two Koski lads, Emil and "P. K.", seem to justify Popeye's faith in spite of a lucky helping they couldn't be held down at Houghton. "P. K." also has ambitions to enter the 500 mile speedway classic at Indianapolis (he made a practice run from Houghton to Marquette with all thrills attached).

The Tech field is a nicely situated spot to hold an athletic meet, being protected in several places from the sun. The spreading foliage of the trees provides shadowy places for the participants to relax, and also takes away from the spectators the feeling of watching an animal hunt on a prairie.

Austin of Negaunce high school deserves mention for his two record breaking runs in the high and low hurdles which he made at the Northern Relays. He kept his school in the running until the final event of the meet. It was difficult at times to tell which team was leading in the two mile relay as the contestants were spaced like the points of an isosceles triangle.

The upper peninsula has a good track representative in big school competition in the person of Earl Stielberg of Iron Mountain who is attending Marquette University. He took the pole vault event at the Marquette Minnesota meet at a height of 12' 6".

Peterson and Jadin deserve credit for coming from behind and capturing their matches on the tennis courts. Peterson dropped the first set 0-6, but took the next two 6-2, 6-3. Jadin took the third set of his match 7-5 after trailing 2-5. Will fight the doubles and a few other scores.

Just like a couple of bosom pals, managers Jimmy Dykes of the White Sox and "Mike" Cochrane of the Tigers did a little lemon trading last December. Dykes gave "Mike" pitcher Yarnal Kennedy and Dixie Walker and received G. Walker and Marvin Owen in return. Kennedy stopped the Sox with six hits the other day for his seventh straight victory while Dixie was trying to boost a .309 batting average. When Jimmy saw this, and thinking of G. Walker missing the pill at a 28th clip, he tried to smoke both ends of a long black cigar at once.

Rush Day Snatches

Sororities are going into floods trying to outwit each other in float decorations. Judging from tracks, hammers, and crepe paper carried around, something ought to come out of it.

For today anyway Freshies and Sophs are devoid of friendly feeling toward each other as they prepare to secure victory by brain and brawn.

The only way the Juniors and Seniors can get any attention, is by strutting around as Rush police, which they are doing.

## SPORT FLASHES FROM EXCHANGES

The Annual Upper Peninsula high school track meet at Tech is becoming a classic. It has been held annually for a decade without a miss. This year, Tech, the supervising school of the meet, will have a new system of district elimination. The entries will be cut down a lot, but those who do come will have qualified in one of the four district meets held at Houghton, Iron Mountain, Ironwood, and Negaunce. This appears to be one of the best plans worked out for regional track meets, and should be adopted by more athletic committees.

Archery is the most popular sport for girls in Michigan colleges this year. By making a survey of the Michigan college papers, we find more girls out with bows and arrows than for any other sport.

Fencing, a popular sport for men several decades ago but in a slump for the past ten years or more, is rapidly gaining back its former prestige. Most of the Michigan colleges have a men's team and several of them have a women's team, entered in interscholastic competition. Lawrence Tech, Highland Park, took the University of Detroit fencing team to camp twice this season in this sport.

These last weeks of school are keeping some of our faculty members busy making trips to the various high schools of the Upper Peninsula where they confer with seniors and prospective Northernites.

## FACULTY MEMBERS VISIT SCHOOLS

Mr. Meyland has just returned from a tour of high schools in the Upper Peninsula, which included: Republic, Channing, Felch, Iron River, Stambaugh, Amasa, Crystal Falls, and Alpha. He spoke to the seniors in each graduating class, about Northern and its merits.

On June 9, 1938, Mr. Meyland will deliver the graduation address in Republic.

Mr. McClintock made a similar trip to Manistique, McMillan, Newberry, St. Ignace, Cedarville, Pickford, Ruydard, Brimley, and the Soo. At St. Ignace Mr. McClintock met with the Board of Education and the Superintendent to draw up plans for the new industrial arts shop where Paul Koski will teach.

Mr. McClintock reports the response from the seniors is greater this year than ever before in their interest in Northern.

## FEMME GEMS

### Pequaming Prancers Demonstrate Dances

Students and friends of Northern were entertained Wednesday, May 25, at 10:45, by the students and pupils of Henry Ford's school at Pequaming in the college gymnasium.

Mr. Ford has sponsored the old fashioned dancing in his schools in order to keep them as an American tradition. The students, from the youngest to the oldest, gave their performances with remarkable skill, poise, and grace. The high school girls appeared in formals of pastel shades and the high school boys in dark suits. The little folks were dressed in colonial costumes, the boys in green breeches and vests with black swallow-tail coats; the girls in print dresses.

The Rye Waltz was especially beautiful and graceful as danced by the high school students.

The program was as follows:  
Rye Waltz ..... High School  
Quadrille ..... Grades  
Heel and Toe Polka ..... High School  
Lancers ..... High School  
Parisian Polka ..... Grades  
Schottische ..... High School  
Quadrille ..... Grades

The program was directed by Mrs. Dorothy Walters. Ervin Coleman was the caller, and the music was supplied by Gerta Larsen and Oscar Olson.

### WILBUR SCHENK CAPTURES VOTE

Wilbur Schenk will be the next president of the Men's Union, replacing Ole Carlson, according to the results of the election held Friday, May 20. He will take office the last week of term.

At the same time Roy Wehman and Donald Oates will succeed Paul Olson and Alfred Eddy as vice-president and secretary-treasurer respectively.

The other candidates nominated for officers were: W. Carlson and L. Goodney for president, T. O'Connell and W. McClintock for vice-president, and R. Hawke and D. Edwards for secretary-treasurer.

### NORTHERN MEN BAN BALLYHOO

The Men's Discussion Club held its last meeting of the year on Wednesday evening, June 1. George Lehnen, Walter Wallen, and Edwin Erdmann were the speakers on the subject of "the influence of private propaganda on formation of public opinion in the U. S." During the year the group has discussed various current controversial problems, including such topics as the tax problem, class antagonisms, referendum against war, United States rearmament, influence of private propaganda, shortcomings of secondary education, and other vital problems.

Speaking of plans for next year, Professor Roberts stated that the Discussion Club would continue as long as any students were interested in discussing current political and social problems. He is planning on introducing next year, methods of informal discussion that are being used successfully in other schools in the country.

Students are urged at this time to plan on attending the Discussion Club meetings next year, as many of our most noted economists will be graduated this year, including such authorities as Vinge, E. Erdmann, R. Pearce, G. Wiggins, W. Abramson, and Olson.

### SOCIAL WHIRL

On Sunday morning, May 22, the Newman Club held its annual Communion breakfast in the Cathedral Hall of St. Peter's Cathedral.

After receiving communion in a body at the 7:30 Mass, the group had breakfast served by the Altar society. Following, Lawrence DeRidder, as toastmaster, announced the program consisting of a vocal solo by Lenore Moore accompanied by Betty McQuade, a humorous reading by Mary Jane Manthei, and an interesting short speech by Warden Coon of the Marquette Branch Prison who gave pertinent facts about the prison.

O'Connell was appointed as the Newman Club's representative to the International Federation of College Catholic Clubs convention to be held in Washington, D. C. in September. The officers elected for the next school year are: Robert Nerburn, president; Ed McGuire, vice-president; Helen Rentenbach, secretary; Helen Scheller, treasurer.

The Rev. Fr. J. Hughes, chairman of the club, gave a brief farewell talk to the seniors and those going out to teach.

Miss Frances Herald, adviser, was also a guest at the breakfast.
