

THE NORTHERN COLLEGE NEWS

Vol. XXX

MARQUETTE, MICH., JANUARY 14, 1948.

No. 7

First row: Jim Pompo, Shirley Husby, Howard Brown, Glenn Lawry, Heini Haukkala, Ida Giotto, and Jean Hamblinck. Second row: Roland Archambeau, Don Swallowder, Helen Lockwood (advisor), Darb Hesse, John Danielson, Carmen Conte and Neil Jacobson. Since this fall, the French section of the Modern Language Club has been meeting each Wednesday in the cafeteria at 5:15. These meetings are held because the adviser of the club, Miss Lockwood, felt that the students would be able to improve their conversational ability by talking French in an ordinary situation. The students participating prepare short programs for each meeting, which consist of short skits, stories, jokes, songs, and games all of which are in French.

PROFESSOR PORTER CONTRIBUTES TO RECENT VOLUME

Rutherford E. Porter of the Psychology department of Northern has contributed a chapter to a recently published book entitled: Personnel Research and Test Development in the Bureau of Naval Personnel. The book, copyrighted in 1947 by the Princeton University Press and printed by the American Book-Stratford Press, Inc., New York, is edited by Dewey B. Stut, Lt. Comdr., USNR.

The chapter which was written by Dr. Porter takes up the problem of the construction and the achievement measures. It is entitled: Achievement Examinations for Elementary Enlisted Schools. Dr. Porter collaborated with Charles M. Garsh in the writing of the chapter.

The book is an evaluative summary of the result of the research in selection, classification, and training of personnel conducted by the U. S. Navy's Bureau of Personnel. The book should be of value to students of personnel psychology and to individuals responsible for planning personnel research programs. A technical appendix containing samples of selection and classification instruments as well as statistical information is helpful to anyone conducting personnel studies.

THOMAS TO SERVE ON NATIONAL COMM.

Dr. Russell Thomas, head of the English department here at Northern, has agreed to serve on the Committee on Current English Usage. This is a distinction not only to Dr. Thomas but to N. M. C. E. as well.

In a letter dated December 31, 1947, Marion C. Sheridan, first vice-president of the National Council of Teachers of English for 1948, requested Dr. Thomas, on behalf of the Executive Committee, to accept membership on the committee.

Professor Margaret M. Bryant is chairman of the committee whose function it is to conduct the current usage department in the "English Journal" and "College English", publications intended respectively for high school and college use. Along with that work are two main functions of the committee are to accept or reject articles on current English usage for publication and to answer questions on the same topic and on English grammar, that are sent in from all over the country by high school and college teachers. These questions are usually sent to various members of the committee and the answers are published under the title of Current English Forum.

Dr. Thomas has been interested in the subject for a number of years and to date has collected a large amount of material on it. In the textbook, "Teaching English Usage," by Professor Pooley of the University of Wisconsin, he was mentioned and referred to for his work on usage. He has also published articles on this subject.

Dr. Tape Attends Meeting

Dr. Henry A. Tape attended a meeting of the State Board of Education held in Detroit on January 12.

WINOVETS TO HOLD PARTY FOR MATES

Vets Wives Appoint Program Committee For Second Semester

Husbands of members of the Wives of Northern Veterans will be guests at a Valentine party at eight o'clock Thursday, February 12, at the Federated Women's Club building. Plans for the party, the first occasion at which the Winovets will entertain their husbands, were completed Thursday evening, January 8, at the first 1948 meeting of the veterans' wives' organization.

Mrs. Keith Butler, Mrs. Robert Long, and Mrs. Peter Raymond were named on the entertainment committee; Mrs. Bud Vecello, Mrs. Robert Hanson, and Mrs. Derek Morris, refreshments; and Mrs. Richard Bonifas and Mrs. Clyde Roberts, posters. Dancing and games are planned for the evening's program.

Mrs. Butler was appointed vice-president to fill the vacancy created by the resignation of Mrs. Ted Groleau. She will serve during the remainder of the 1947-48 term, until reelection of officers in May.

A complete program for the current calendar year, presented by the program committee, was approved by the Winovets and plans for the next month's activities were started. In March, Miss Ethel Carey, Dean of Women, Don H. Bottum, Dean of Men, and Mrs. Bottum, will be guests of the club at a party supper to which the husbands will also be invited. A faculty wives' tea is on the calendar for April, and in May, Winovets plan to ask Mrs. Jayne Nord, county home economics extension agent, to speak on home management problems of particular interest to wives of the veterans' housing units. This social activity will be terminated in June with a family picnic at Presque Isle.

On the program committee are Mrs. Butler, Mrs. George Koski-maki, and Mrs. Richard Bonifas. Winovets are also planning another Bake Sale for Friday, March 5, to help raise funds for the 1948-49 Federation dues.

Following the business meeting Thursday evening refreshments were served by Mrs. Joseph Rousseau, Mrs. Hack Hanson and Mrs. Jack Refling. Mrs. Rousseau pointed out that the husbands were given aid and tips by the more advanced knitters during a "knitting bee" which preceded the social hour.

The legislature and is now available for the expansion of the boiler house, adding new boilers and extending the heating system. An appropriation of \$20,000 has been made by the legislature to change electrical current in the building to three phases. The change is necessary in order to operate three phase motors in the Dormitory and Union buildings now under construction.

Certain other additions and improvements will also be made in the main buildings for which funds have been appropriated.

Have you heard about the garbage man's daughter? She's not to be sniffed at.—Exchange.

Vets Administration Releases Information For P. A. 16 Men

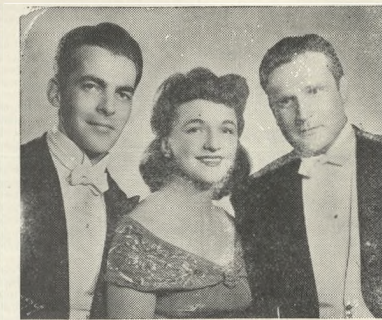

The Veterans Administration today reminded World War II veterans that the deadline for liberal reinstatement of lapsed G. I. insurance now is July 31, 1948. The period was extended from December 31, 1947.

The extension gives veterans additional time to reinstate lapsed insurance without necessarily taking a physical examination.

To reinstate prior to July 31, 1948, a veteran generally needs only to certify that his health is as good as it was on date of lapse and pay two monthly premiums.

A revision in Veterans Administration eligibility requirements for medical and dental treatment and hospitalization became effective January 1, 1948.

Since December 31, out-patient medical and dental treatment or hospitalization will not be available

COLUMBIA OPERATIC TRIO. Pictured above are the singers who will appear here January 22, Elwood Gary, tenor; Agnes Davis, soprano; and Carlos Sherman, baritone.

VIELMETTI JOINS HEALTH SERVICE

Mrs. Ada Vielmetti has joined the staff of the College Health Service. She has taken Mrs. Hatch's place as College nurse. Mrs. Vielmetti stated that she has always liked Northern and that she enjoys her work here.

Mrs. Vielmetti attended Lawrence College where she majored in sociology. She became a registered nurse at Wesley Memorial Hospital in Chicago. Mrs. Vielmetti also attended the University of Michigan. While at the Wesley Memorial Hospital, she worked as a medical social worker. She is interested in public health rather than practical nursing.

Mrs. Vielmetti is from Ishpeming. She was a school nurse in Neenah before she was married. Mrs. Vielmetti, her husband, and two children have lived in Marquette for eight years, previously living in Norway, Michigan. For the last two years she assisted Mrs. Hatch during registration week.

"The students of Northern should be commended on their attitude toward the X-ray program," stated Mrs. Vielmetti. "It should be one hundred percent, but only about eight students had not reported. The student body has been well educated to the importance of the X-ray."

STUDENTS ENJOY CHRISTMAS PARTY

On the Thursday preceding the holidays, Northern held its annual Christmas Foyer Party, with Clifford Larsen acting as master of ceremonies during the program. The program included the following: Group singing led by Mr. Uhlinger; a Christmas message given by Helen Wils; two songs rendered by the "Academic Four"; followed by two solos sung by LaRue Pascoe, Santa Claus portrayed by Mr. Roberts, interviewed the officers of the four classes and several of the faculty members. The program was concluded with more group singing led by Uhlinger, after which refreshments were served by members of the Student Girls' League.

SHACK OPENS WITH NEW MANAGEMENT

The Snack Shack, located opposite the Palestra, has opened again this time under new management. Its owners are young Mr. and Mrs. Robert Molby whose ages are twenty-two and twenty-five respectively. They have changed the interior somewhat by moving the counters over a few feet and extending them from the wall on the right as you enter to the wall at right angles with it at your front. This extension provides a seating capacity of approximately thirty persons. They have also cleaned and painted the walls, tables and chairs. A new stove and grill were installed as well as new lighting.

These residents of Marquette, offer coffee, sandwiches, cakes, rolls, and breakfasts daily from seven A. M. to eleven P. M. six days a week. They feature a different 50c plate lunch daily at noon.

Mr. Molby, a chemist, says since he is catering chiefly to college trade, it is possible he may stay in Marquette for those students who remain here week-ends, if enough students request that he do so. Students interested could sign a petition and hand it to him or they could see him at the "Shack".

The "Shack" is now offering meal tickets to the students at the cost of \$5.00 but students will receive \$5.50 in merchandise in return.

Do Not Destroy X-ray Health Cards; Must Be Shown At Enrollment

Mrs. Vielmetti of the Health Service Office, stated recently that the X-ray program was a success and the cooperative attitude of students helped greatly in achieving the desired aim of the State Department of Health. Of the 1009 students enrolled at Northern, all but 8 have reported to health service. To date there have been no positive recommendations made by the Mobile X-ray unit which visited the college of the 2nd, 3rd, and 4th of December.

Mrs. Vielmetti stresses the value of yearly X-ray and its importance in the light of an educational program. The responsibility of mass X-ray rests with the individual and should be regarded as a duty which has to be performed in order to safeguard our own and our neighbor's health.

Students are reminded that it will be necessary to present the post-card they received from the Department of Health, in order to register for the second semester in February. Therefore these cards should not be destroyed upon receipt.

FACULTY WOMEN FEED CO-EDS MON.

The girls' supper will be held on Monday, January 19, from 6:00 to 7:30 P. M.

This affair, sponsored by the women of the faculty, is one of the traditional social events of the school year.

It was not held last year due to the lack of adequate cafeteria facilities.

Good food and entertainment will be offered, and the faculty women hope that the girls will turn out 100%.

The appointed committee chairman for the event are: Reception, Miss McCarter; Food, Miss Griswold; Entertainment, Miss Wilmmer.

OPERATIC GROUP PRESENTS CONCERT HERE ON JAN. 22

Famous Trio To Sing Opera Favorites In 2nd Community Concert

Members of the Community Concert Association will hear the Columbia Operatic Trio on Thursday, January 22nd at the college. This is the second number in the 1947-48 Community Concert series. The trio is composed of Agnes Davis, Elwood Gary, and Carlos Sherman, three young singers who have gained fame on both the concert and operatic stage. Their program includes such well known excerpts as the trio from "Faust", duets from "Carmen" and "The Magic Flute" and solo arias from grand and light operatic works.

Agnes Davis, the soprano of the trio came into national prominence as winner of the Atlantic Kent Radio Contest. After appearing with the Philadelphia Grand Opera Company, she sang during summer seasons with the New York Philharmonic-Symphony. She recorded under Stokowski his concert version of the best known portions of "Gotterdammerung" for Victor. Miss Davis has appeared on the Telephone Hour in addition to many other important radio, recital and festival dates.

Tenor Elwood Gary began his career as a leading member of the Baltimore Civic Opera Company. A winner of the 1942 Metropolitan Auditions of the Air, he made his debut at the Metropolitan Opera House in "Der Rosenkavalier". Since his discharge from the army the tenor has been in the constant demand of radio and concert audiences a tour of the South and mid-West being his recent engagement.

In 1944 Columbia Concerts recognized the talent of Carlos Sherman and engaged him to tour with the New Orleans Opera Company as Figaro in the "Marriage of Figaro". Sherman is a young baritone whose experience has been equally divided between grand and light opera. Having earned it to him or they could see him at the "Shack". Sherman supplemented his studies by singing in "Lady in the Dark" with Gertrude Lawrence and later co-starring with the Metropolitan tenor, Donald Dame, in the Juilliard production of "Tosca". For many months the baritone was a featured soloist with the New York City Music Hall Glee Club. Sherman proved his versatility last season by traveling with the "Bloomer Girl" Company as a leading artist.

CEGMEG SEGS GIVE FIRST '48 SOCIAL

On Friday, the 23rd of January, students and faculty will have a chance to meet the Gibson Girls when Cegmegeg Sorority gives its all-school social. Music will be provided by Paul Vets. The sorority has planned a program of entertainment which includes singing and the presentation of a melodrama which will feature Cegmegeg's best student talent. Refreshments will be served by the Gibson Girls, dressed in the clothes which were made famous by the drawings of Charles Dana Gibson.

By the looks of things, the New York fashion designers have succeeded in making Gibson Girl styles the fashion for 1948. Most of the co-eds returned to school sporting white full-sleeved blouses with black ties and flared black skirts. Bow ties, spats and Homberg's characterized the men of the period. It is hoped that the co-eds will come to the social as Gibson Girls. Men will be welcome in any form. The sorority members and pledges will be selling tickets up until the day of the dance.

Data Sheet Response Pleases Psych. Teacher

Dr. Porter of the Psychology Department expressed satisfaction recently, over the results of the Student Data Sheet program. The fine cooperation shown by the students has aided in the return of over 750 forms to date.

Dr. Porter mentioned that those students who failed to receive a data sheet or have not yet handed in the completed form, should get the form from him in order to take advantage of the counseling service which will be offered next semester.

WEST, SCHAEFER ATTEND SCIENCE ASSN. MEETINGS

During the Christmas holidays, two members of Northern's faculty, Drs. West and Schaefer, attended the 14th meeting of the American Association for the Advancement of Science and Cooperating Associated Societies which was held in Chicago, December 26 to 31, with headquarters at the Sherman Hotel.

Members of the Association, which now numbers some 33,000 scientists and persons interested in science, Dr. West and Dr. Schaefer attended sessions of various sections of the Association which attracted their interest and are in their special fields of study. In addition to being members of the Association, Dr. Schaefer is a member of the American Society of Zoologists and Dr. West is a member of both the American Microscopical Society and the Entomological Society of America, all these societies being affiliates of the Association.

Commenting on the Association and its affiliated societies and the work they are doing, Dr. West remarked that few people know how science is organized and how the special fields have combined in order to give greater service to humanity. This is undoubtedly true.

As pointed out in the handbook of the 1947 meeting, "The Association . . . is a federation of various scientific organizations and disciplines which . . . will prove to be among the most important forces affecting our civilization." It provides "opportunities for its professional members to consider their special subjects in the general setting of science as a whole, and to reflect on its effects upon the problems of this world. The Association and its 203 affiliated and associated societies are by far the largest and most influential group of related scientific organizations in the world."

The Association, which has come a long way since its organization in 1848 with 461 original members, as a unit now has fifteen sections, and these sections, together with the affiliated and associated societies, cover practically all the various fields of pure and applied science—natural, physical and social.

Governing the Association is an elected Council which has spoken on behalf of scientists on many occasions, most recently on legislation affecting a proposed National Science Foundation.

Not only professional scientists belong to the Association, for membership is also open to other persons who find in science pleasure, adventure, and opportunities for service to humanity. The role has carried the names of people of varied professional groups, such as teachers, physicians, clergymen, businessmen and farmers.

In addition to general and section meetings, the 1947 meeting was highlighted with a number of exhibits dealing in science, these exhibits being sponsored by companies manufacturing optical and laboratory equipment, publishing houses, and laboratories of schools, colleges, and other laboratory stations. Motion pictures, covering wide fields, were shown almost constantly.

This year, the Association will hold its centennial in Washington, D. C. and the general title of the meeting will be "One World of Science." "Two of the most important plans for this meeting," the 1947 handbook states, "will be to increase the membership to 50,000, and to acquire a Building Fund sufficient for the construction of a new Science Center . . ."

"The greatest benefits to the scientist that these annual meetings give," said Dr. West, "is the opportunity to make person-to-person contacts with other scientists and the opportunity to keep up to date with modern laboratory equipment and methods. There are also great benefits for young scientists attending such meetings," he added.

HOLIDAY WEDDINGS

Sturgeon - Swanson

Miss Geraldine Shirley Sturgeon, daughter of Mr. and Mrs. Joseph A. Sturgeon, of Garth Shores, became the wife of Carl Arnold Swanson, son of John Swanson, 302 South Lake street, Marquette. The 11 o'clock service was read by the Rev. Matt LaViolette in All Saints' parish house, Gladstone.

Attending the couple were Miss Joan Geiger, of Clintville, Wis., and Miss Bertel Peterson, Marquette.

The bride, a 1943 graduate of Gladstone High School, completed her course at St. Mary's School of Nursing in 1946, and is now a member of the staff of St. Luke's Hospital, Marquette. Her husband, a Gravenot High School graduate, Marquette, served in the U. S. Coast Guard for four years, and is now a student at Northern. The couple will live in Marquette at 112 E. Hewitt avenue.

Danielson - Townsend

Miss Lois J. Danielson, daughter of Mr. and Mrs. A. C. Danielson, 806 High street, was married to George E. Townsend, son of Mr. and Mrs. G. A. Townsend, Ontonagon, at 10:30 Saturday morning, December 20, in St. Paul's Episcopal church, the Rev. John G. Carlson officiating.

The couple was attended by Miss Mary Frost and John Townsend, brother of the bridegroom. His fraternity brothers of Theta Omicron Rho—William Niemi, Ironwood, and Richard Levisik, Ontonagon, ushered.

The bride, a graduate of Gravenot High School, is employed as a teller at the First National Bank and Trust Company. The bridegroom, a graduate of Ontonagon High School, served four years in the navy and is attending the Northern Michigan College of Education in the Muck apartment, West Bluff street.

Alworden - Peterson

Miss Regina Alworden, daughter of Mr. and Mrs. Lee Alworden, 914 Superior avenue, Gladstone, and Robert V. Peterson, son of Mr. and Mrs. John Peterson, Escanaba, were married on Monday morning, December 29, at 9 o'clock at All Saints' Catholic church, Gladstone. The Rev. Matt LaViolette officiated at the double-ring service.

Miss Orson Livermore, sister of the bride, was matron of honor. The bridesmaids were Mary Jean DeMenter and Betty Brassick. William Moran served the groom as best man and ushers were Herbert Hess and Robert Crebo.

The bride is a graduate of Gladstone High School, class of '46, and is employed with the Michigan Bell Telephone in Marquette. The groom graduated from Escanaba High School in '44 and served with the Army Air Corps. He attends NMCG. The newlyweds will make their home in Marquette.

"and it is well worth the time and money for any student to attend the meetings if it is near his school, especially if he is pursuing a scientific career." Dr. West will talk extensively on the 1947 meeting at the January 20 meeting of the Cambium Club.

Olsen - Baldwin

Miss Lucinda McKim Olsen, daughter of Carl L. Olsen, 202 Adams street, and the late Mrs. Olsen, exchanged vows with Donald Arthur Baldwin, son of Mr. and Mrs. H. A. Baldwin, Watermeat, at 4 o'clock Monday afternoon, December 22, in the First Baptist church, the Rev. Donald W. Lane officiating at the double-ring ceremony.

The attendants were Miss Beverly Eymor, cousin of the bride who was maid of honor, the bridesmaids, Mrs. Merle MacLaughlin, cousin of the bride, and Miss Helen Baldwin, sister of the bridegroom, and the best man, David W. Olsen, brother of the bride. William Eymor, cousin of the bride and William Weber ushered.

The bride, a graduate of Gravenot High School, is majoring in music at the Northern Michigan College of Education where she is a member of Delta Sigma Nu sorority. The bridegroom, a graduate of Watermeat High School, attended the Escanaba Business College prior to entering the Air Forces where he served four years. He is enrolled in a pre-law course at Northern. The couple will reside at 202 Adams street.

Art Club

On December 9, the Art Club went to the Holy Family Orphanage at the invitation of Sister Pascal. The members were shown through the entire orphanage and then were shown colored movies of the children's summer activities.

Miss Josephine Curvey, second grade teacher at J. D. Pierce will begin an extension course in the teaching of reading at St. Ignace. W. C. Hoppe will have a course in teaching social studies at St. Louis Marie, beginning January 16. Leslie John Latvala, who graduates at mid-year, and who is majoring in Industrial Arts, accepted a position at Eben.

Cupid Cashes In For Holiday Work

(Continued from Page 2)
ring and tied the knot during the Yuletide. Among those who marched to matrimony: Lois Danielson and George Townsend, Bob Peterson and Jean Alworden. Word comes from Munising that Edie Larsen is now Mrs. Matt Pinter of the Notre Dame campus. Northern grad Martha McGuire and Howard Higgins took the final step December 28.

Don Smith and Kay Hornbogen enjoyed her two weeks at home. Ditto for Ken Case and Judy Paul. Janet Yeip hasn't yet decided if she enjoyed her vacation. It seems that Kay Magnuson took the glitter out of the Christmas tinsel. See ya at the Gibson Girl social.
