## DR. ZIEMER ADDRESSES GRADUATES

### EDUCATOR GIVES COMMENCEMENT SPEECH SATURDAY

#### Ziemer Lectures On "The United States And World Problems"

Dr. Gregor Ziemer, noted educator, author and lecturer, will be the speaker at the Commencement exercises which will be held Saturday, June 12, at 10 o'clock. He will come here from New York, where, at present, he is Educational Director, Town Hall. The subject of his talk will be "The U. S. and World Problems."

As a lecturer Dr. Ziemer has talked to people in 42 different countries, at Town Hall, New York, and most important platforms from coast to coast, a series of 75 lectures in England and numerous lectures across Europe and in the United States. He has done 1000 successive radio programs on W. L. W. He appeared as Moderator and Speaker on America's Town Meeting. He substituted for H. V. Kallenborn on N. B. C. and broadcast over B. B. C., Radio Luxembourg, C. B. S. and 25 other stations.

As an author, Dr. Ziemer is well known for his "Ten Thousand and Ten Days of Hitler," and his "Education for Death," which has been made into two motion pictures and translated into 12 languages. He is also a contributor to Readers Digest, Town and Country, Colliers, Mademoiselle, Liberty, American Mercury, Look, Public Opinion Quarterly and numerous news papers.

Dr. Ziemer was born in Columbia, Michigan in 1899 of German parents. He took his Z. B. A. at the U. of Illinois, his M. A. at the U. of Minnesota, his Ph. D. at the U. of Berlin. He married Edna Wilson in 1926. They had one daughter, Patsy. He was supervisor of schools in the Philippine Islands from 1928 to 1929 then in that year he went to Berlin and founded the American Colony School there. During that time he was also correspondent for New York, London, and Chicago newspapers.

When the Berlin School was closed by the war he joined the army and in 1944 he went overseas again where he served as Lt. Colonel with the Fourth Army Division, Third Army. In 1945 he did military government work in Bavaria with the S. H. A. E. F. to help organize newspapers in Germany.

### BURROWS SPEAKS DURING SERVICES

Dr. Albert H. Burrows, of the social science department, was the Memorial day speaker at the services held at Holy Cross Cemetery. A large crowd was in attendance and heard Dr. Burrows state that freedom "can never be protected by the denial of freedom." He also called the Declaration of Independence, the Preamble to the Constitution, the first amendment of the Bill of Rights the "great bulwarks of freedom and democracy." Touching upon a very controversial subject, Dr. Burrows firmly stated that civil rights must be preserved and extended to all. All races and creeds must be equal in the United States.

"In order to be worthy of the principles and causes for which our war dead died," he said "we must know and recognize these principles." Dr. Burrows named as one of our major tasks freedom and its preservation. "Today, the U. S. is the outstanding major power upon which democracy depends."

The day's program was arranged by the Marquette Veterans' club. Leading the parade which started the day's activities was a member of the United States-Spanish-American War veterans, Harvey G. Ripley.

### CONVENTION RATES TWO-PAGE SPREAD IN DETROIT PAPER

Last Sunday's "Graphic" section of the Detroit Free Press, on display in the foyer, contained six pictures of the Mock Convention. The pictures were taken by Rollin Thoren and Harry Peterson. Captions and editorial comment were written by Ed Kukul, a former student of Northern now going to Wayne who "covered" the Convention for the Detroit paper.

"Michigan Students Catch the Political Fever" is the headline over the two-page layout.

### NMCE RECEIVES INVITATION TO CITY CELEBRATION

Northern Michigan College of Education has been invited to participate in Marquette's Centennial celebration by Harold C. Overholt, president of the Marquette Chamber of Commerce.

"Next year," Overholt stated in a letter to President Tape, "the college is celebrating its jubilee or fiftieth anniversary." As you know, the city of Marquette, at the same time, will be observing the 100th anniversary of its founding. We hope we will be able to assist in any way we can in helping you prepare for and conduct your anniversary.

At the same time, we will be pleased—and hope you will accept this invitation from all of Marquette to do so—if the student body and faculty can participate in our Centennial and homecoming celebration.

Overholt sent the invitation to the college on the occasion of congratulating the faculty and students for the "splendid program" conducted recently—the Mock Convention.

The Chamber president took the occasion to review briefly the college's 49-year development record, which despite two wars and a serious depression, "has been more than a credit to Marquette," he said, adding that it was "a record that many institutions of higher learning would be proud of."

### RECORD CROWD DANCES AT PROM

Saturday evening, June 5, six hundred students and alumni danced to the music of Tom Temple at Northern's annual Junior Prom. The reception line consisted of, Don Pangborn, Junior class president and guest of honor, Dr. Burrows, Dr. Boyington, Junior class adviser, and Mrs. Boyington, President and Mrs. Tape, Dr. and Mrs. Clucas, and Mr. and Mrs. Ezzam.

The gym was decorated with glittering silhouettes and a false ceiling of colorful balloons, which were released toward the end of the evening. Refreshments were served in the recreation room where chairs were arranged in conversational groupings and loud speakers brought music to those who wished to rest awhile.

### Holmes Boynton Receives Doctorate From Columbia

Northern's newest member of the faculty to become a doctor is Holmes Boynton of the mathematics department. He was awarded the degree of Doctor of Education by the Teachers College, Columbia University, according to an announcement received from Dr. Milton C. DelManzo, provost. The degree was conferred Tuesday, June 1, at the 194th annual commencement exercises of Columbia University.

He is one of fifty receiving this degree in June from Teachers College, which this year had students from every state and 52 foreign countries.

The announcement notes that Boynton's project is "The Development of Number Meaning in Successive Editions of Recent Third-Grade Arithmetic Texts." He is a major in the training of mathematics, specializing in elementary arithmetic.

### SOLONS APPROVE BUILDING FUNDS

The legislature which has recently closed its final session has appropriated \$119,500.00 for buildings. The buildings or projects for which money was appropriated are as follows: Lee Hall and Ethel Carey Residence Hall, \$73,500; this amount with previous appropriations of \$450,000 makes a total of \$523,500, which has been appropriated by the state of Michigan for these buildings. The total cost of the buildings will be approximately 1 million dollars. The amount above \$523,500 has been raised by self-liquidating bonds.

\$29,000 has been appropriated as an additional amount for the heating plant. \$131,000 is also available (Continued on Page 3)

DR. FRANCIS D. CURTIS

### DR. FRANCIS CURTIS LECTURES DURING SUMMER SESSION

Dr. Francis D. Curtis, nationally known in the field of science, will teach at Northern's Graduate School during the summer of 1948. He will lease the house of Dr. William C. Hoppes of Northern's Department of Education. Dr. Hoppes will teach in the School of Education on the Ann Arbor campus from the Marquette campus. Dr. Curtis will teach a course in the Modern High-School curriculum and one entitled: The Teaching of Science in the Elementary Schools. Dr. Albert H. Burrows, chairman of the Graduate Council announced that the term is scheduled to open on June 21 and that any new student should send an application and two transcripts to the University at once.

New students planning to enter graduate school this summer should send academic transcripts and apply at once to the Rackham Graduate School at Ann Arbor for admission to the Northern graduate division. Write Dean Bottom or Miss Carey relative to rooms. Write Dr. Albert Burrows for bulletins and other data.

### Sr. Class Committee Stages Gala Picnic

The Senior Class of 1948 held its class picnic at Champion Beach Saturday, May 23. Orchids to Harry Wonders, Senior Class President, Dr. Clucas, Class Adviser, and all committee members who made the picnic a huge success. A ball game between the married and single men was played in the morning as all the young "tots" cheered their fathers on to a smashing victory. After a delicious lunch, the class enjoyed boat riding, fishing, and many other activities. The menu consisted of baked ham, baked beans, potato salad, pickles, olives, ice cream, pop, and coffee.

### Fifty-four Receive Degrees At Graduation Exercises

The General Office released the names of the students who are candidates for graduation on June 12, 1948 at the college auditorium. They are as follows:

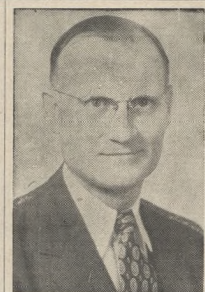

**BACHELOR OF ARTS**  
June L. Anderson, Illa M. Bills, Leno L. Cole, Elizabeth J. Chertoff, Katherine E. Maki, Charlotte E. Meyland, William J. Niemi, Donlin C. Pangborn, Michael H. Schweinsberg, Francis J. Weaver, Evelyn Haralson Welch.

**BACHELOR OF SCIENCE**  
Charlotte S. Aiskanen, Marilyn Jean Babcock, Richard A. Bonifas, Earl R. Borjas, Phillip D. Collins, Mary C. Corcoran, Irene Anna Croy, David M. Drury, Jack Eldon Emons, Florence P. Flannery, Joan Carroll Frei, John L. Gaffney, Donald J. Gaviglio, Howard Gale Hansell, Ira William Hansen, Shirley E. Husby, George E. Koskimaki, Edward Harry Kukul, Olive E. LaFave, Henry Elmer Lindeman, Jean E. McNeil, Joseph G. Mahoski, Marie Kohler Maxwell, Ernest Louis Minelli, Derek L. Niemi, Luella Mary Nault, Lauri J. Morris, Mary E. Northy, Eino R. Olander, Wallace Pultz, Jack G. Refling, Anita J. Rimpela, James H. Short, William H. Sormun, Ursula A. Utely, Anna Heikilla Waisanen, Erich E. Werner, Helen E. DR. WILLIAM C. HOPPES

### AAA APPROVES DRIVER TRAINEES

Dr. W. C. Hoppes, director of placement and training disclosed recently, that the headquarters of the American Automobile Association has informed the college it now has "complete authority to approve of teachers and schools in the driver training program."

Heretofore, Northern was given authority for "conditional approval" of schools and teachers for the program which meant high schools still had to go through a considerable amount of "red tape" before being able to apply for the car.

It is believed Northern is the only college in Michigan that has been given such authority. Since the driver training program was inaugurated in 1945, forty schools in the U. P. have been approved in the program. There are 33 schools offering the course, with road work included, and seven schools became qualified at the intensive training course held here last week.

The first year the program was in effect, several schools offered classroom work, but NMCE was the only institution with a dual control car. During the same period, Northern created an instructional staff, which began holding what was called county institutes in driving training. Reports indicate that pupil interest is high because students want to be able to drive correctly.

### SPRING CONCERT RECEIVES ACCLAIM

The Spring Concert presented by the College Orchestra and Chorus was held in the Auditorium on Thursday, June 3rd, 1948 at 8:30 o'clock. All the songs were well played by the orchestra, and the chorus performed with skill. The orchestra was under the direction of Mr. Duane H. Haskell and the chorus under Mr. T. Ray Dilling. Especially well performed pieces by the orchestra were the "Adagio Vivace" from Hadyn's "Symphony in (Continued on page 3)

### ENROLLMENT FOR GRADUATE SCHOOL BREAKS RECORD

The advanced registration for the Graduate school is far ahead of what was expected. It is almost certain that a record enrollment will be reached. Now students planning to enter graduate school this summer should send academic transcripts and apply at once to the Rackham Graduate School at Ann Arbor for admission to the Northern graduate division. In view of the large number attending, those who are interested in securing rooms should not delay in writing to Dean Bottom or Miss Carey. Write to Dr. Albert Burrows for bulletins or other data concerning Graduate School.

Miss Mary Blair, of the Special Educational Division of the State Department of Education will be here at the beginning of the term to take care of Education of Exceptional Children C 130. Mr. Wallace J. Finch, Superintendent of the American School for the Blind, will arrive later to take charge of and complete the same class. This course will involve some laboratory visitation at the Bay Cliff Health Camp.

### PORTER HOLDS GUID. CLINIC

Striving to develop a better guidance program for all schools in the Upper Peninsula, Northern Michigan College of Education, will conduct a summer conference July 7-9 in cooperation with the University of Michigan and state department of public instruction.

The conference theme is, "Better Guidance for Our Children." Dr. Rutherford B. Porter, counseling and guidance director at Northern, has invited all schools in the peninsula to send at least one representative to the conference. Teachers or administrators of schools participating in the college agreement plan are especially urged to participate.

The conference will open with registration at 9:30 Wednesday morning, July 7, and will continue through Friday morning, July 9. A large number of outstanding speakers have been obtained for the 3 day session, including: Dr. Ralph F. Berdie, director of the counseling bureau, University of Minnesota; Dr. Harold Senneker, director of the test division, Psychological Corp., New York; Dr. Clark Tibbitts, director of the institute for human adjustment, University of Michigan; Dr. J. D. Smith, chief of the occupational information and guidance service, state department of public instruction; Wilma Donahue, director of the bureau of psychological services, University of Michigan.

Others who will appear on the program will be Dr. H. A. Tape, president of Northern; N. J. Martin, superintendent of Baraga township schools; Donald D. MacDonald, chief of the Veterans' Administration guidance center at Northern; Dr. Charles S. Clucas, of Northern's department of education; and Evan H. Kelly, principal of the John D. Pelly training school.

### Jack Jorgenson Plans Local Home Show For Jr. Chamber Of Comm.

The first annual Marquette County Home Show at the palestra, sponsored by the Marquette Junior Chamber of Commerce, came to a successful close Monday, May 31. Approximately 2,500 people visited the show and saw the latest improvements in building and appliances. A total of 34 exhibits covered every phase of housing—from home planning to home decorating and furnishing. Refreshment stands and a nightly amateur hour program furnished relaxation for the weary.

John Jorgenson, of NMCE, served as executive chairman and coordinated the activities of the committees in charge of the various divisions of the show. He reports that the JCC has reached its goal in promoting the artificial ice fund.

### ROTARY YOUTH HOLD MEETING AT NORTHERN

#### Governor Kent Herath Presides At The General Session

The 143rd District Ultrator Conference will be held at Northern on June 13th and 14th beginning with the registration at 11 o'clock Sunday, June 13th. Sunday's program will include conducted tours of the Enoch Pratt Atomic Energy Exhibit, the new College Union Building and Women's Dormitory, Cliff Dow Chemical Company and Michigan State Prison. In the evening there will be entertainment at Presque Isle.

Monday morning breakfast will be served in the College Cafeteria at 8:15 to begin the day's activities. Ultrator Governor Kent Herath will preside over the 9 o'clock general session when Dr. Tape will give the "Welcome to Rotarians" address. At 10:15 a series of sectional meetings will be held and two movies, Boundry Lines and Brotherhood of Man, will be shown at which a discussion led by Dr. Lynn H. Halverson and Rev. Frederick C. Vosburg respectively will be held. Coach C. V. "Red" Money will address the group at a 11:35 luncheon in the cafeteria. The afternoon general session will feature a forum of seven members to discuss the "Future of Ultrator." A 3:15 Business Meeting will complete the business of the day but will be followed by a banquet at the Clifton Hotel at 6:15 and the Ultrator Ball in the College Gymnasium at 9:00.

The present Ultrator governor is Kent Herath of Wausau, Wisconsin, who succeeded Kenneth Nielson of Marquette. Joseph McMillan, Allyn Roberts, Wayne Yelland, of Northern, Norman Thomas, of Michigan, Pierce and Blaine Racine of Gray River High School are district officers. Max P. Allen is the chairman of the Rotarian committee working for and with the Ultrator Conference.

### STATE ED. BOARD STUDIES HOUSING

The State Board of Education is concerned over the housing shortage for students at Northern. As a means of improving this housing shortage, the board has passed a regulation that women students not domiciled in their own home should live in the women's dormitory. This will make rooms in the city which are now occupied by women students available for college men. It is also hoped that apartments which are now occupied by women students may be made available for married students. At the present time there are approximately sixty married students, the greater portion of whom are veterans, who are without apartments. There are sixty-seven apartments occupied by veterans on the campus. Any of the residents of Marquette who will have rooms available for men students or married students are requested to notify the office of the Dean of Women at the college.

An effort will be made to give employment at the college to women students who reside in the dormitory and desire such employment. A priority on college positions will be given women students who live in the dormitories. Students desiring such employment should notify the Dean of Women.

### McCollum Entertains Graduating Mu's At Theater Party

Professor Roy McCollum, faculty adviser of Tri Mu fraternity and Mrs. McCollum entertained senior members at a theater party and supper Sunday.

The guests attended the matinee performance and after the show returned to the fraternity house for a supper and a social evening. The honored seniors were: Donald Gaviglio and Derek Morris, Neagause; Jack Refling and Clifford Larson, Menominee; Edward Kukul and William Sormun, Marquette; Ira Hanson and Donlin Pangborn, Munising; George Koskimaki, L'Anse; James Short, Rapid River; Henry Lindeman, Channing; and Richard Bonifas, Escanaba.

Yackety Yack

The campus criticizer and debunker—alias the "campus wheel"—usually falls into one of three groups, although the types sometimes overlap.

The first group is composed of idea debunkers. An idea debunker is not always right, but he is never wrong; any thought or opinion other than his own, though it may belong to his professor, Einstein, or the little blonde freshman in the seat next to him, cannot possibly be right and he will tell the world so.

Second on the list is the most irascible of all criticizers—the female of the species. This is the "critical eye" group. The critical eye type is found most abundantly in the cafeteria, at the book store, at dances and anywhere there is a crowd.

Last is the largest but least dangerous group—the radical ravers. It includes reforming freshmen, unhappy politicians and jabbering columnists along with many other screwballs that rave on just to hear themselves make a noise.

Take It Easy

A study (made by a faculty-student health committee of the Texas State College for Women) finds a marked need for better study habits and health practices before and during final examinations.

In the study, some of the more frequently practiced bad habits were studying for long periods of time without adequate rest, wasting time by visiting, studying inefficiently in groups, using stimulants, smoking to excess, neglecting to eat a well-balanced diet and failing to obtain the needed eight or nine hours of sleep each night.

In proposing the thorough review in classes, the committee felt that the pressure of over-anxiety to maintain a high average in a course would be relieved. Also it would help the students who are frightened by the strong emphasis placed on the importance of examinations.

Art Major Shows Works in Exhibit

This week Harold Greaves, an art major, takes a bow through his exhibit which is displayed on the third floor. His skillful use of shading and line quality to obtain a three-dimensional impression and texture in his drawings is most effective.

Among the sketches which display are portraits of students at Northern. A drawing of six hands in different positions is also a feature.

The editor of the College Heights Herald pleads for a rebcheck of collegians' manners.

"Weed out those manners and habits that only serve to lower your personality stock. Don't sponge or chisel in on your friends. Go Dutch treat if you can't foot the bill yourself. If the other fellow insists on treating you, don't make a scene, let him pay, but watch your chance to even the score."

"Take care of whatever you borrow and return it in the same condition if not better."

"Don't fight. Someone said the man who won the fight also lost it. Fighting never settles the argument; resentment and hatred grow

NORTHERN LITES

Charlotte Meyland Meet Our Editor: Miss Charlotte Meyland of Marquette, rolled under the Senior High curriculum. Miss Meyland majored in history and minored in English and psychology. Within three days she will receive her Bachelor of Arts degree with teaching certificate.

George Truckey This week's mascot, Northern-Lite originally comes from Seattle, Washington: George R. Truckey, Having completed his history major and two minors in English and music, Mr. Truckey will receive a Bachelor of Science degree with teaching certificate.

Aims in Life: conducting future history or English classes in the most interesting way possible . . . building up an extensive historical novel library . . . playing better bridge . . . owning a farm and raising pedigree Persian cats . . . saving money in order to travel extensively . . . annihilating all people who think that teachers, as a class, are a little different . . . developing more interest and knowledge in world affairs.

While listing his food preferences Mr. Truckey ended it all with "my wife's cooking", especially the southern fried chicken and strawberry shortcake. Incidentally, Mr. Truckey has been married two years and has an eleven months old son.

One major annoyance to George is the complacency of American people regarding world affairs. He, himself, is very interested in the international situation, and undoubtedly his nine year stretch in the Marine Corps had something to do with this.

In closing the interview our Northern-Lite stated that he has enjoyed very much his associations with the faculty and students of Northern, and wishes them both much success in the years to come . . . and we're confident that such a thought is very mutual.

Applauds for Northern: Because it is a small college, it provides opportunities for genuine friendships . . . students can study under fully qualified instructors throughout their four years instead of undergraduate teachers as in most of the large colleges and universities . . . students have access to the Taylor library in the college . . . Northern's progress during the last few years.

## ST. JOSEPH'S SIGN ST. GERMAIN AS PHY-ED DIRECTOR

Tom St. Germain, three-sport athletic star at Northern Michigan College of Education, has signed a contract to become full time physical education instructor and athletic coach at St. Joseph's Parochial High School at Escanaba.

St. Germain, a native of Baraga, will be graduated this week and will receive his bachelor's degree in physical education. Tom will be the first full time instructor at St. Joe since 1942.

St. Joseph's is one of the oldest high schools in Escanaba, dating back to the late 1880's and has always produced excellent teams in the class it has played in.

St. Germain, who starred in football, basketball and track while in high school, was graduated from Baraga high school in 1941. He came to Northern and enlisted in the Army Air Corps. He served three years in the armed forces including two years overseas.

In 1945 following his discharge from the air force, he entered Baldwin-Wallace College, Berea, Ohio, where he competed in three major sports. In September, 1946, he returned to Northern, majoring in Physical Education and minoring in history and biology.

Tom has been a regular on the varsity football and basketball teams ever since he has been at Northern. On the gridiron he handled the quarterback; in basketball he played forward and guard. His uncanny marksmanship near the basket made him one of the top scoring players on the Wildcats for the past two seasons.

At St. Joseph's Tom will be in charge of all athletics in the grade and high school departments and if he is needed he will also teach in one of the classrooms. So this fine athlete and good sportsman we bid the best of luck and many winning teams in the years to come.

## MONEY, SALUTES NMCE STUDENTS AND PROFESSORS

In closing my first year at Northern it is with a feeling of gratitude that I express my appreciation for the very excellent support, cooperation, and active participation of the Student Body in the athletic program during the past nine and a half months. The relationships during the two semesters I have been on this campus indicate that as we all pull together the future has a silver lining. It has not been my privilege to meet as many of you students as I would have liked however, with a regular weekly assembly planned for the coming year I hope these relationships can be increased.

An intercollegiate program does not spring up overnight—it must be planted, cultivated, and carefully harvested. It is not just "my program" or the Department's program, but it is OUR PROGRAM. That is why your support has been so pleasing. As we grow athletically, so we spread the other good features of Northern, and so it is possible for your school to become better known beyond our borders. All of which adds to the scope and value of your degree from this institution. Life presents many fields—it is beyond your knowing just what the future holds for you, or in what climates you shall eventually serve. Education is a business proposition today and the better your source of education is known the easier it is for you to advance.

Northern is now a member of the Upper Peninsula Intercollegiate Athletic Conference. This is a definite step in bringing more recognition to our athletic program and to our athletes. Our intercollegiate schedules will improve each year as this Conference grows. Athletics are a part of the greater WHOLE on this campus—we expect to make our contribution.

It has been a pleasure working with a Faculty that supports our extra-curricular activities. This means a great deal in carrying on an athletic program.

Last, but far from least, every man who has been a member of our athletic squads deserves much credit. It has meant hard work, giving up much time, and taking the physical bumps that are necessary for team success. It has been a privilege to work with the men who have made up the Wildcat squads throughout the year.

When next September rolls around let us all pledge ourselves to a banner year in athletics for Northern.

## MONTCALM ACCEPTS POSITION ON THE U. OF I. STAFF

Benedict W. (Benny) Montcalm, one of the best athletes ever developed at Northern Michigan College of Education, has signed a contract to be assistant physical director at the University of Illinois extension school at Navy Pier, Chicago, Ill.

Following his graduation from NMCE this week, Benny will go to the main campus of Illinois at Champaign to begin work on his master's degree. He will report to Navy Pier in September when the fall semester begins.

Benny is a graduate of Mather High School, Munising, Michigan and enrolled at Northern following his graduation in 1940. At Munising he started in football four years, in track for three years and in basketball two years. He also participated in tumbling while in high school.

After his enrollment here at Northern Benny worked little time in making a name for himself. Benny is the holder of six varsity awards and it is probably on the football field where he acquired his greatest fame at Northern. For four seasons his fine end-runs and speedy returns of punts have made him a sport hero who will long be remembered by the Wildcats fans.

After a brief extended tour of Europe, courtesy of Uncle Sam, Benny returned to Northern in fall of '46. He wrote the finish to his grid career in the season's '46 and '47.

Besides his prowess on the gridiron, Montcalm won letters in track and basketball, playing forward on the cage teams and running the dashes on the cinder squads.

In his four years at Northern Benny has taken part in tumbling activities. The last two years he has taught gymnastics in the John D. Pierce training school and the Granger High School. When the Illinois grid squad performed here last month Montcalm participated in nearly every exhibition with the visitors. Benny has earned his chance to work with some of the

## Vetvilles Squad Drubs Tigers In Tournament Final

In a well played soft-ball tournament the married veterans of Vet-Ville led by manager Hack Hanson, drubbed the Tigers 11-1 behind the four hit pitching of Art Casanova. St. Germain with three singles and Pete Ghiardi with a triple and a single paced the winners.

In the first round of the tournament, Art Casanova did a masterful job of pitching a no hit, no run game. Paddy Puckett of the Hounds, walked and was the only man to reach first base off of Casanova.

Short with three singles and Refling Ghiardi and Casanova each getting home runs paced the winners in the Hounds game.

In one of the closest games of the tournament, Vet-Ville beat the Big Nine by a score of 3-2. This game was not won until the final inning when Vet-Ville bunched two hits, one walk and error and a fly-ball to win the game. Mitchell paced the winners with a single and a double. The tournament was closely contested throughout its entirety and showed that the students of Northern were very much interested in the playing of soft-ball. Coach Money stated that if he had five more soft-ball diamonds they would all be in use.

From a previous appropriation for the heating plant which makes \$10,000 which is now available for an addition to the boiler house, the installation of the new 250 horsepower boiler, and such other equipment as will be needed to modernize the heating plant.

\$7,000 has been appropriated for the extension of the water main and the addition of several fire hydrants. There is also some money from a previous appropriation for this project.

An appropriation of \$10,000 was made for improvements which are needed on the athletic field and running track.

Best gymnastic men in the country and we all wish him success in his undertaking next fall.

## Wildcats Netters Take Close Meet From Sault Tech

The Wildcat Tennis Squad defeated the Soo Tech netters in a final set easily by a score of 6-0 but the second set Bailey started a comeback with the score 4-1 against him. Bailey tied Minkoff at 5 games a piece and from this point on it was anybody's match. Steve, however, wore his opponent out and clinched the match for Northern at 12-10.

The tennis squad took three out of five singles matches and one out of two doubles matches.

Other match scores for the day were Sayers of the Soo who defeated Kukul after making a comeback in the second set. The score was 7-5, 8-6. Bittner and Wallin each picked up a point in three singles matches for Northern, by Bittner defeating Kallin 6-4, 6-2 and Wallin defeating Guy 6-1, 6-1. Frank Richardson lost to Haines 8-6, 6-3.

In doubles the Soo's number one combination, Bailey and Sayers defeated Minkoff and Kukul, 6-3, 6-3, while Richardson and Bittner disposed of Haines and Kallin, 6-0, 6-2.

The final score of the match stood Northern 4, Soo Tech 3.

## LUCKMAN HEADS MEN'S UNION FOR THE COMING YEAR

The men students of Northern went to the voting polls on Friday, June 4, 1948, for the purpose of electing officers for the Men's Union. One-hundred and twenty-six men voted in this election and the results were as follows:

For President: James Luckman 126, Pat Lowmyer 48, and George Townsend 42. For Vice-President: Bob Yelland 82, Louis Seid 67, and Dick Nelson 63. For Secretary: John Parla 109, and Vic Borga 104. These men will succeed Clifford Larsen, President; Clem Morell, Vice-President; and Don Uitto, Secretary.

The Student Girls' League also held their election but the results have not as yet been tabulated.

## GIRLS GET ROSES

Senior girls were presented at Northern's traditional Rose Ceremony sponsored by the Student Girls' League on June third. Miss Kay Nicolson and LaRue Pascoe rendered two numbers for the guests. Refreshments were served.

### CLUBS and SORORITIES

#### Cegmer Seg

Cegmer Seg Sorority has held several parties in the past few weeks. A pot-luck supper was held at Babs Passender's camp near Forestville. Members and pledges played cards, danced and sang.

A shower in honor of Joan Cleerman was given in the home of Thomsaine Connors, sorority president. Miss Cleerman is to be married June 12, to William Tousignant. Miss Mary Lowney presided at a table centered with a bouquet of spring flowers. The living-room was decorated with sprigs of forsythia as was the basket in which the shower presents were placed.

Mary Lou Case and Babs Passender assisted Thomsaine Connors in presenting the gifts to the bride-to-be.

Fifteen members of the sorority were present at a baby shower given for Mrs. Robert Wanberg and Mrs. Don Gaviglio at the home of Ann Kramer.

New officers for the sorority are as follows:

President—Delores DeLuca  
Vice-President—Bette Mark  
Recording Secretary—Ann Kramer  
Corres. Secretary—Jean Nelson  
Treasurer—Rosemary Spitz

Cegmer Seg sorority held a tea after the Baccalaureate service Sunday at the home of Thomsaine Connors in honor of its graduating seniors: Bette Henne, Joan Frei, Joyce Frei, Dona Long, and Charlotte Meyland. Gifts were presented to the seniors, and also to Miss Helen Lockwood, sorority adviser, who will take a leave of absence next year, and Mrs. Haake, who is also leaving.

Delores DeLuca, newly elected president and Bette Mark, the new vice-president presided at the table. Alumnae present were Mrs. Robert Ziller, Mrs. Robert Fountain, and Mrs. Vernon Ithenfeldt.

#### Phi Kappa Nu

Six alumnae of the Phi Kappa Nu sorority; Mrs. Paul Kinville, Mrs. Gordon Miller, Mrs. Jean Carey, Mrs. Edward Holman, Mrs. Frank Novak and Mrs. Orville Byrom, entertained Saturday, May 29th, in the Bystrom residence, West Bluff street at a tea in honor of the sorority's adviser, Miss Ethel Griswald. The hours were three to five o'clock, and all the guests were former members of the sorority.

The Phi Kappa Nu colors, blue and yellow, were accented in the table decor. A silver scroll-work bowl filled with yellow tulips centered the table. Mrs. Louis Verette and Mrs. Phyllis Skues Peterson presided at the table.

Miss Griswald was presented with a corsage of yellow snapdragons tied with blue ribbons and two colored prints of Lake Superior in recognition of her many years as adviser of the sorority.

#### Tau Pi Nu

The Tau Pi Nu sorority held a tea in the Recreation Rooms on Tuesday, June 1st from 4:30 to 5:30. It was in honor of the seniors—Miss Katherine Maki and Miss Frances Voelker and Mrs. Earl Ferns, former sorority patroness. The room was decorated with forget-me-nots and sweet peas, the sorority flowers. The centerpiece consisted of sweet-peas balanced by green candles. Miss Maki, Miss Voelker, Mrs. Ferns, and Miss Mayme McCarter were present with gifts. The following is the committee personnel: Decorations, Miss Helen Knarto; Food, Misses Jeanette Maki, Violet Johnson, Diana Hancock, and Helen Kaarto; Gifts, Misses Katherine Maki, Helmi Haukkala, Beverly Perry, Germaine Redeker, and Mary Button.

The guests were: Mrs. K. Wah-

tera, Mrs. Gunther Meyland, Mrs. Ferns, and Miss McCarter. At a recent meeting the sorority elected officers for the coming year. They are as follows:

President—Germaine Redeker
