N.M.C.E. TO CELEBRATE HOMEcoming

NORTHERN PLANS CELEBRATION OF 50th ANNIVERSARY

LARGE THROGHS OF NORTHERN ALUMNI FORSEEN THIS YEAR

Northern's 50 years of existence has shown great strides toward growth in its staff of teachers, curriculum, and enrollment of students. Today she encompasses over one hundred teachers and nearly one thousand students. To celebrate this 50 years achievement many events have been planned to carry out the Golden Jubilee theme throughout the year.

The main purpose of the Golden Jubilee is to bring back to the campus every former student for a special celebration at some special event and again during commencement week for a grand final. All organizations plan to make celebrations a gala event on their alumni.

The first event on the Golden Jubilee Committee's tentative schedule is the annual homecoming football game to be held October 30. The homecoming committee, under the direction of Mr. Hedgcock, has planned this day. A luncheon business meeting of the Alumni Board of Directors will be held at noon followed by a faculty reception to visiting alumni in the college foyer from 3:00 to 4:30 P. M. There will be sorority and fraternity teas and dinners, and a banquet for Northern's football alumni lettermen at 5:00 P. M. Northern will meet Ferris under the lights at 7:00 P. M., followed by the homecoming dance 9:00 to 12:00 P. M.

The tentative schedule for the year's events will include the homecoming football game followed by Education week. Dr. Hoppes, chairman for the Education Week Committee, November 7-13, plans to trace historical development of educational ideas and methods during the last half century at Northern.

The year ahead will have special events sponsored by the music department, dramatic group, assembly committee, debate group, home-making department, athletic department, sororities, fraternities, and the various organizations on the campus. Plans for a homecoming basketball game are in the making and already things are underway concerning the Junior Prom and spring dances. Dates of all events will be posted later.

Final programs will take place during commencement week, at which time the dedication of Kaye, Carey, and Lee Halls will take place.

It is proposed that the baccalaureate address be given by a clergyman who is an alumnus and the commencement address by some alumnus with a national reputation.

Members of Northern's Golden Jubilee Steering Committee are President Tape, Miss McCarter, Miss Carey, Mr. Copper, Mr. Roberts; secretary, and Mr. McClintock; chairman.

Enrollment Hits Thousand Mark For Third Year

The fall term of 1948 finds 1,002 students enrolled at Northern. There are 685 men of whom 481 are veterans, and 317 women, including 9 veterans. The number of students enrolled this year falls nine short of the total 1947 fall enrollment. The freshman class boasts the largest number totaling 385 students. They are followed by the sophomores with 288 members and the Juniors with 247 members. The senior class is the smallest with 125 members.

The respective classes are as follows: freshmen, 231 men and 137 women; sophomores, 182 men and 78 women; Juniors, 200 men and 47 women; seniors, 70 men and 55 women. There are four people who are either taking part-time training or post-graduate work and are consequently unclassified.

The 1948 enrollment finds 490 veterans as compared with 542 veterans during the 1947 fall term.

HAROLD WRIGHT

Harold Wright, who has joined the music department, replaces Mrs. Martha S. Beyers and Mrs. Alma Swinton, substitute teachers. In 1933-37 Wright attended Fredonia, (N.Y.) State Normal, and from 1940 to 1942 he was at teachers' college, Columbia university, receiving his M. A. degree in 1942. During the last two years he has worked toward his doctorate in music at Columbia. From 1937 to 1942 Wright was supervisor of vocal and instrumental music in the Parker high school in Clarence, N. Y. The following four years he was in the recreational branch of the service battalion, U. S. Marine Corps, then for two years gave private lessons in piano and reads and did professional work on the piano and reeds in the modern classical fields. In 1937 Wright played for his passage to Europe, touring France, Germany, Austria, Italy and Switzerland.

He has studied piano with such men as Lawrence Schauder of Fredonia State Teachers college; Irwin Freundlich, of the Juilliard Institute, and Mieczyslaw, of Peabody Institute. He studied clarinet with Simon Bellion, of the New York Philharmonic, and played first clarinet in the Buffalo Training Symphony under Jan Wolanek for three years.

While in the Marine Corps, Wright played solo clarinet. He studied orchestration and composition with Magagnoli and Kreutz. While his major is piano, he also participates actively in such sports as tennis, swimming, badminton and rifle shooting.

MISS KEEFFE

A new position created at the Northern Michigan College of Education this year is that of social and residence hall supervisor for the new girls' dormitory. Filling that position is Miss Martha Keeffe, who has had extensive and varied experience in such work. Her education was attained at Allegheny college, Meadville, Pa., where she received an A. B. degree in 1933, and at the University of Iowa, where she majored in speech and drama and obtained her M. A. degree in 1941.

Her activities since she entered college include acting as companion and social secretary, stenographer and bookkeeper at the Meadville YWCA from 1933 to 1933, an actress with the Collins Festival Co., Rochester, N. Y., in 1933, visitor for the department of public assistance in Pennsylvania the following year, a practice English teacher in Meadville high school for a year, secretary at Grinnell college from 1941 to 1943, recreational staff assistant for the American Red Cross in Washington for two years. For the last two years, she has been executive director for the Sequoia district of Girl Scouts, training volunteers and camp staff members, supervising leaders, office management, office practice and personnel, public speaking and public relations.

In addition to Miss Keeffe, there will be four student counselors, selected from the student body, in the dormitory.

CLASS ELECTIONS HIGHLIGHT DAY'S CAMPUS ACTIVITY

National and municipal elections have been dominating every conversation for the past months. Here at Northern occupy the spotlight. All the proverbial hats have been thrown in the ring and today the student will choose members of their respective classes to manage and direct their affairs for the 1948-49 school year. All students have the right to vote in this election. It is hoped that every student will exercise this privilege.

Nominates for Class Office:

SENIOR CLASS

President — Peter J. Ghiardi, George Uren, Donald Utto.

Vice-President — Donald R. Rohars, Harold H. Schock, Mary E. Deschaine.

Secretary — John Mattson, Lorraine Rath, William Medlyn.

Treasurer — Marie Frankini, Dorothy Brown, Chester Casari.

JUNIOR CLASS

President — Robert Beauchamp, Pat Lowrey, John Maloney.

Vice-President — William Coles, George Leiphart, Richard Nelson.

Secretary — Sally Wood, Mervin Jacka, Janice Coles.

Treasurer — Rudy Heino, Ruth Koskinen, Bob Yelland.

Vice-President — George S. Gurchinoff, L. Wallace Bruce, Joseph D. McMillan.

SOPHOMORE CLASS

President — Richard Massman, William M. Stafford, Jeanette Rimpela.

Vice-President — Donald J. Rath, Thomas G. Whitman, Catherine Hunt.

Secretary — Roxie L. Billis, Dorothy E. Dolf, Mary A. Burns.

FRESHMAN CLASS

President — Bob Guard, Tom Knauss, Joe Saults.

Vice-President — Pat La Forest, Barbara Koepf, Vern Lever.

Secretary — Shirley Kockonen, Helen S. Martin, Carmen Swanson.

Treasurer — Douglas Fredrickson, Mary Nichols, Jack Schils.

MISS JANE BEMIS

Miss Jane Bemis has returned to Northern as head of the home economics department after an absence of three years. She is replacing the former Mrs. Ruby Richey, who resigned at the end of the second 1947-48 semester.

Miss Bemis was a member of the home economics department from 1940 to 1945, resigning to become head of the home economics department at the University of Wyoming in Laramie, Wyo. She received her B. A. degree from Colorado State Teachers college, Fort Collins, Colo., in 1933 and her M. A. degree from the same institution in 1938.

S. SCIENCE CLUB PLANS ELECTION

In its first regular meeting of the year the Social Science Club elected a new slate of officers. The following students were selected to lead one of the most active clubs on the campus:

President—Lawrence Eastly
Vice-President—Rudy Heino
Secretary—Treasurer—Don Kern
Asst. Sec.—Treas.—W. Mitchell
Trustee—Bill Carlson
Trustee—George Leiphart

Plans were made for a special (Continued on Page Four)

ALVIN E. FRITZ

Alvin E. Fritz comes to Northern from the Pacific Lutheran college in Parkland, Wash., where he has been serving as head of the department of psychology.

From 1927 to 1929, Fritz attended Capital university in Columbus, Ohio, receiving his B. A. degree there. He then attended Ohio State university in 1929-30, obtaining his M. A. degree in 1930, and again in 1934-35. From 1936 through 1941 he attended summer sessions in various universities.

Fritz's teaching experience has been in denominational colleges. In 1931-34 he was teacher and dean of men in the Regina Lutheran college, Regina, Saskatchewan, Canada. He taught in Wartburg college, Waverly, Iowa for the next 10 years, then went to the Pacific Lutheran college in Washington.

He spent most of the 1946-47 school year in Germany, working in the education branch of the Office of Military Government for Bavaria. There he served as chief of the youth activities section, returning to Parkland, Wash., last year.

He belongs to the Phi Delta Kappa society and is interested in public speaking and various sports.

OFFICE ADDITION NEARS COMPLETION

It has been estimated that the new second floor corridor between the Longyear building and the Peter White building, which will pass through the Administration building will be completed and in use by next week. This should be welcome news to everyone, not only for the spacious corridors, with all the steps and time they were saved, but also because included in the addition are two new classrooms and eight offices.

The project, although small in comparison with some of the other new buildings contemplated or already under way here at Northern, will probably contribute as much as any of the others to the normal school day of a student. The step and time saving factors are also the much greater ease and speed with which all of the buildings may be emptied in case of fire or other emergency are important.

The corridors will be a spacious ten feet wide and lighted by ample window area. The whole unit will be at second floor level, the only new stairway being a short one at the south end from the platform in the middle of the present stairway to the second floor of the Longyear building. The new stairs will be of a modern design with a hand-rail in the center. All of the entrances to the new classrooms and offices will be in the new corridors.

The classrooms will be 24 by 25 feet and will be well lighted by large windows and also by four lights which will be suspended from the ceiling of each. There will be doors from the classrooms to the offices.

The offices will be in pairs, with two in each section running from the corridor on one end to the outside way of the other. Each pair will use a common entrance and closet. The ones next to the outside wall will be 10 by 12 feet and will have a large window for daylight. The offices next to the corridor will be slightly larger; 10 by 13½ feet with a partition between which a large part will be obscure glass so that the inner one will be equally well lighted. Each of these units will serve two teachers.

All of the new floors will be covered with squares of asphalt tile in pleasing colors. The interior decorations will follow the general theme of the whole building.

WILBUR D. WEST

Dr. Wilbur D. West replaces Dr. Rutherford B. Porter, who resigned at the end of the summer term to accept a position in the Indiana State Teachers college, Terre Haute, Ind.

He attended the International YMCA college in Springfield, Ohio, receiving a B. P. E. degree in 1926 and an M. P. E. degree in 1929. In 1928 and 1929 he attended Boston university and in 1930-33 and 1934-36 he was at the University of Michigan, where he obtained his Ph. D. degree in 1937. His majors were psychology and physical education and his major was in philosophy.

Dr. West has had rather wide teaching experience. From 1923 to 1926 he was instructor in gymnastics at the International YMCA college. The following two years he was director of physical education at Woodward high school in Toledo, Ohio, returning for another year to the Springfield college. He was director of physical education at Northeastern university in Boston during the next year and from 1930 to 1933 he was coach of gymnastics and instructor of theory and practice of athletics at the University of Michigan.

In 1935-37 and again in 1940-42 he was assistant professor of health and physical education at Wittenberg college in Springfield, becoming head of the department of psychology in 1943. Two years later, he went to Western Michigan College of Education, Kalamazoo, as professor of education and came from there to Northern. In 1946 and 1947, he was director of Clear Lake camp, about 35 miles from Kalamazoo.

Dr. and Mrs. West have three children—two girls and a boy. The family is living at 502 Pine street.

CLEVELAND P. GRANT

To open Northern's homecoming week Cleveland P. Grant noted wildlife expert will lecture and present a two-reel film entitled "Wildlife of Marsh and Mountain". The program will be held in the college auditorium on Monday, Oct. 25th, at 9:50 A. M. Mr. Grant who is on a nation-wide tour is coming here directly from a lecture at the University of Iowa. A noted ornithologist, Mr. Grant's lectures and films have been widely acclaimed in every part of the country. His films are in natural color and are considered the best shots of wildlife in their natural habitat.

A graduate of Oberlin College Mr. Grant comes here highly recommended by those who have had the opportunity to hear and see his program.

300 ALUMNI MEET AT M.E.A. BANQUET

The annual Alumni Banquet which took place during the M.E.A. convention at Escanaba was held at the Bethany Lutheran Church on Thursday, September 30, at 5:30 P. M. A capacity crowd of 300 was served and many people were turned away.

(Continued on Page 4)

GOLDEN JUBILEE IS OUTSTANDING ALUMNI ATTRACTION

DR. TAPE TO WELCOME FOOTBALL ALUMNI AT BANQUET

Each year Northern celebrates homecoming which this year falls on October 30. This traditional celebration is looked forward to by Northern's alumni, faculty, and students. On this special day, the alumni literally flock to the old Alma-Mater which holds lasting memories of pleasant days gone by. It gives the alumni the opportunity to talk over old times with their former professors, and visit friends now on campus.

An outstanding attraction for the alumni will be Northern's fiftieth anniversary. Those who could not possibly make homecoming in the past will make a special effort to be a participant in making Northern's Golden Anniversary a splendid success. The new decorations and other improvements also offer an attraction to the alumni which cannot be missed.

Letters of invitation have been mailed to the alumni requesting their presence to this great celebration; and many letters of acceptance have already been received.

The Committee for Homecoming, composed of Mr. C. B. Hedgcock, chairman, Miss Ethel C. Carey, Mr. C. C. Meyland, has worked many hours in preparing an interesting program. Following are the events of the day in order of their occurrence; refreshments will be served in the foyer at the reception of alumni from 3 to 4:30 p. m. This will be under supervision of Miss Carey, and she will be aided by the Student Girls' League.

The Committee for Homecoming, composed of Mr. C. B. Hedgcock, chairman, Miss Ethel C. Carey, Mr. C. C. Meyland, has worked many hours in preparing an interesting program. Following are the events of the day in order of their occurrence; refreshments will be served in the foyer at the reception of alumni from 3 to 4:30 p. m. This will be under supervision of Miss Carey, and she will be aided by the Student Girls' League.

Football letter alumni and male faculty will be invited to attend a banquet to be held in the college cafeteria at 5 p. m. Mr. C. E. Hedgcock will be toastmaster. President Tape will give a welcoming address. There will be a limited program due to the fact that the football game will start early. All ex-lettersmen in football will be given complimentary tickets to the game.

The next event to take place will be the football game between Northern and Ferris at Memorial Field. The kick-off is scheduled for 7 p. m. A public address system will be installed for organized cheering. Be there and yell the Wildcats on to victory. Field decorations will be handled by the Men's Union and Student Girls' League. Northern's band under the direction of Professor Uhlinger will be on hand for demonstrations and to add to the spirit of the game.

Immediately following the game, the Business Administration Club will sponsor a dance with music supplied by Paul's address system will be installed for organized cheering. Be there and yell the Wildcats on to victory. Field decorations will be handled by the Men's Union and Student Girls' League. Northern's band under the direction of Professor Uhlinger will be on hand for demonstrations and to add to the spirit of the game.

Homecoming in the past has been very successful, so let us all do our best to make this Golden Anniversary Homecoming a much bigger and better one.

Northern Briefed On Platforms Of Political Parties

At a political campaign rally at the Monday morning general assembly, Northern students were briefed for the mock general election, planned for Tuesday, Oct. 25. During the rally, planned and sponsored by the Northern Social Science club in order to promote a better understanding of national problems by all students, five speakers, each presented by a student, Heino, moderator, spoke eloquently on the chief issues and main planks in the platforms of the five major political parties to be represented on the Nov. 2 ballot.

Today is the deadline for registration for the mock election and students who have not already done so are reminded to register at tables which have been set up for that purpose in the main hallway. As there was no time for the planned open-forum political discussion following Monday's rally, questions regarding any issue of campaign in any of the parties may be placed in a special question box in the foyer.

Opening theme of the program was presented by Lawrence Eastly, president of the social science club, who stressed the vital importance of a thorough knowledge of the issue of each party by all voters before balloting.

President Eastley, as well as each of the five party speakers, urged that all students go to the polls on (Continued on Page 4)

OCTOBER 20, 1948

Our Golden Anniversary

The year 1948 should be significant for all of us since it is the Golden Anniversary of Northern. It represents fifty years of accomplishments of which she can be justly proud. A great heritage has been handed down to us through the years, a heritage we should strive to make even more binding. To the students and faculty of Northern this honor has come.

In the ensuing year many functions to celebrate the Golden Anniversary will take place. Everyone should endeavor to cooperate in any way to see that these celebrations are a huge success. Only with the wholehearted assistance of all can we hope to do justice to Northern's fiftieth birthday. Keeping this in mind the success of any undertaking is assured.

Northern is primarily a teachers' college. For the past fifty years, her graduates have left Northern, well prepared to teach in schools all over the country. Her young men and women have helped to defend our country in the past, and we who are here now have the opportunity to go forth soon to make our mark in the world of today.

To the sophomores, juniors, seniors, and returning faculty, we give a heartfelt welcome. To all freshmen and new faculty members, welcome to Northern. We count on you to help make her Golden Anniversary brighter than ever.

Attend!

Education is much more than the acquisition of a mass of knowledge, or the accumulation of groups of isolated facts, or the command of a fluent vocabulary. It should be unnecessary to repeat so trite a statement. Observation however, during the last few sessions of the indifference of our student body to the cultural aspects of our school program, seems to justify a re-emphasis of the obvious.

Many fine assembly programs were arranged for the enjoyment and enlightenment of Northern students during former years. The attendance has been poor. Whether the attendance is a measure of our cultural level, the weather, or the assignments meted out by sadistic instructors is probably debatable. To an outsider it would appear to be an indication of low cultural interest.

It is only as knowledge and training translate themselves into a set of values that they can be considered as important contributions to a well-rounded education. Appreciation of finer things—art, nature, literature, or music—marks the educated. We do not mean a superficial veneer of culture painted on to make an impression, but rather that true appreciation which is a part of our inner self and which brings us real emotional satisfaction. This appreciation can be acquired. A taste for better things can be developed by conscious effort. Northern offers us this opportunity in its fine offering of assembly programs.

So, those of us who are attending Northern for a well rounded education, let's show our appreciation by better attendance. Let us enjoy together the "dessert" of our perhaps too heavy classroom menu. Let us give ourselves a treat and our college encouragement in its efforts to bring us the best in cultural education.

HARRY S. MARTIN

Harry S. Martin, who attended the North China American college in Tungsien, China, from 1939 to 1933, has joined the college French department. He received his B. A. degree from Carleton college, Northfield, Minn., in 1937, then attended the University of Minnesota, where he obtained his M. A. degree this year.

Martin has served as teacher of English and band in the Clearbrook high school (1937-39) and as teacher of English, French and music in the Curtis school, Brookfield, Conn. (1939-42). He taught the same subjects in the Westminster school in Simsbury, Conn., the following year, while in 1946-47 he taught English and chorus in the Hononegah high school in Rockton, Ill. While in college, he majored in French, minored in English and did considerable work in dramatics and vocal music.

MISS BEAMAN

Miss Martha Frances Beaman has accepted a position in the speech department at Northern, replacing Phillip A. Walker, who resigned at the close of the summer term. She attended Bethel women's college in Hopkinsville, Ky., majoring in drama and minoring in English, then took work in Murray State college, Murray, Ky., where she received her B. S. degree in 1940. At various times she attended the George Peabody College for Teachers in Nashville, Tenn., and then the Nashville School of Social Work. During the last year she majored in the theater in the University of Denver, receiving her M. A. degree this year.

In 1940, Miss Beaman was traveling agent for the Universal Producing Co. of Iowa, then taught speech and English in the Hartsville, Tenn., high school for two

Senior Coeds Clarice Salli and Mary Penokie inspect the new dorm.

Question: How do you like "dormitory life"?
Joan Kennedy, senior: "There's nothing like it, but I think it will be appreciated by all when the workmen move out."
Kathy Lonsdorf, junior: "Fine, but I am anxious for the new cafeteria system."
Helen Murto, junior: "It's best advantages is having so many friendly co-eds to play pranks on, with, or for."
Rosemary Walsh, sophomore: "I room with Murto—that's enough."
Mary Penokie, senior: "Lots of rooms, lots of people, and lots of fun—even keeping hours."

years. She served as clerk-typist for the Atlas Powder Co., Paducah, Ky., for a year before entering the Navy as a WAVE in 1944. After two years' service she went to the University of Denver, where in addition to her studies, she served as part-time typist.

Joan Paulsen, sophomore (University of Wisconsin transfer): "I always have liked dorm life."
Lee Andrews, senior: "I like having the experience."
Margaret Moran, senior: "It certainly is a new experience."
Gree Peterson, junior: "The pioneer atmosphere can be annoying at times—otherwise, fine."
Janice Cole, junior: "I prefer it much more to private homes, lots of hot water all the time. Honestly, it's just swell."
Barbara McCormick, freshman: "I like the collegiate atmosphere and our housemother, "Mom Keefe", is wonderful."

Miss Beaman's majors were drama, English and the theater. She is a member of Alpha Psi Omega honorary society and also has had honors in dramatic organizations. She is interested in Boy and Girl Scout work and in pageantry.

Wildcats Meet Tech For 48th Time

Northern Bent On Upsetting Tech In Golden Jubilee Year

Northern gridgers will trek to Houghton Saturday, October 23rd for their annual "stugging match" with the Huskies from Michigan College of Mines. Always considered a standout event on Northern's football calendar and in Upper Peninsula sports circles this year's encounter should prove to be a "ding-dong" battle all the way.

Up to date the Engineers have the edge winning 25 while losing 17 and tying 3. Customarily it has been a home and home affair but this year it will be the only meeting between the two schools. Next year will find Northern playing host to the Engineers.

Due to Tech's impressive record of three straight to date and Scout McMahon's report from the Engineer camp, the Wildcats from Marquette will enter the fray as the underdogs. Easy wins over Minnesota Extension, Duluth, Cornell of Iowa, and Detroit Tech displayed that Head Coach Chuck Bernard's squad has a variety of material, including a number of fine backs behind a formidable forward wall.

Northern, on the other hand, has looked impressive in sports especially in their 25-6 romp over Tech's "little brothers"—Soo Tech.

Traditionally Northern has always pointed towards this all important game and this year the "fever" is at its highest pitch in the Northern camp, and a thrilling afternoon is in store for the huge crowd planning to attend. From a pre-game forecast a large number of NACE students plan to attend. "SEE YOU AT TECH"—The Eds.

GOLDEN JUBILEE TO BRING "NEW LOOK" TO ATHLETIC DEPT.

Northern's 50th Anniversary sees many improvements in athletics facilities in anticipation of a banner year in sports, both varsity and intra-mural.

New terrazzo floors were laid in the dressing rooms and showers of both the boys' and girls' locker rooms. The gymnasium floor has been completely resurfaced and resurfaced. The entire shower, locker and drying rooms have been painted from top to bottom.

Work on a new quarter-mile track is scheduled for the near future. The new track will circle the college football field, necessitating having the gridiron moved to the north and east. The track when completed will have eight lanes and a 220-yd. straight way giving Northern one of the finest tracks in the Upper Peninsula.

A new charging sled, blocking and tackling dummies and various mechanical gadgets have been put to good use by Coach Money in rounding the Wildcats into shape for the 1948 season.

LOOKING THINGS OVER With Terry George

In the Big Nine football picture we find — to become pressager — Northwestern will walk away with Syracuse 36-0—Notre Dame races over Iowa 40-7—Purdue gets the nod over Illinois 19-13—Ohio State over Wisconsin 27-19—Sentiment plus, helps us pick Michigan over Minnesota 20-7.

In the local picture, we find Northern is having a rough time. The boys lost a tough one to Michigan Normal—the tough part was losing because of bad breaks, which the 6-0 score might imply.

Coach Money is very reluctant to make any predictions and as we glance at the schedule, a few rough spots are in evidence; but regardless of the traditional pessimism of coaches, we see the potentialities of a team the student body can back. —By the looks of the "hamburger sugar" there will be a fighting team next year.

Behind the locker doors—found Clyde Larson pacing in the traditional manner of those expecting an addition to the family—found Bill DeMars as a staunch defender of football for singing improvement and the good humor going from Winklainen to McDowell.

No, this isn't a movie set from "Life With Father"—Nope, not a Hollywood fact, either—The red heads so numerous around here are the result of a dye on the inside of repaired football helmets.

To establish a little ease in identification of players, a new numbering system is being incorporated for the fans' benefit. For those who are not acquainted, we have it in a nutshell. The position played on a team will determine the number bracket of a player. Starting from halfbacks, 10 to 19; quarterbacks, 20 to 29; fullbacks, 30 to 39; left halfbacks, 40 to 49; centers, 50 to 59; guards, 60 to 69; tackles, 70 to 79; ends, 80 to 89. Haven't seen any evidence of it in this area, although it looks like a sound proposition.

Story goes around that some of the Marquette business men are definitely not behind Northern's sports program. For more information, see members of the team.

NOTICE VETERANS

Prior notice from the Veterans Administration Branch Office in Columbus (O) will be sent to veterans in Ohio, Michigan and Kentucky whose National Service Life Insurance term policies expire after October 8, 1948.

VA officials said notice will be sent two months before the expiration date of the original policies. This will give the veterans time to convert their term insurance to a permanent NSLI plan or renew their term insurance for an additional five-year period. Renewals may be made without a physical examination, but at a higher premium rate based on the veterans' attained age at the time of renewal.

VA stressed the fact that veterans who plan to renew their term insurance should submit their renewal application, plus a premium payment at the advanced rate, prior to the expiration date of the original term policy.

M. NORMAL EKES OUT 6-0 VICTORY OVER STUBBORN WILDCATS

Playing before a capacity crowd on a wind-swept field Northern went down to its first defeat 6-0 before a hard charging Michigan Normal eleven at Ypsilanti Saturday afternoon, October 9th.

In the first period Ypsi dominated the play due to their hard charging line and driving backs, with neither team being able to counter. In the second period the Ypsi gridgers took advantage of a tall wind and drove half the length of the field, and on fourth down scored from four yards out on a line plunge. There was considerable dispute on the play as Northern's rugged linemen seemed to have stopped the ball carrier's forward motion before hitting paydirt. The officials ruled, however, that he scored. Try for extra point was missed.

Coming out in the second half Northern completely dominated the play and had several scoring opportunities but were unable to capitalize on them as passing was held to a minimum which seemed to be Northern's forte in its opening encounter with Soo Tech, having scored three touchdowns via the air route.

Northern was further handicapped by playing without the services of their first string fullback Carl Johnson who was injured in practice earlier in the week.

ATTENTION GRID FANS

"It's always been tradition" for football spectators to join in singing when the band plays "The Star-Spangled Banner," states Band-leader Uhlinger, who also will invite fans' vocal assistance when the band puts on its "bang-up" show for Northern's Golden Jubilee homecoming.

The band is practicing new field formations for the future. From now on the musicians will seat themselves on the west side of Memorial field, along with most of the other Wildcat enthusiasts.

Mr. Uhlinger also announces that the band is electing officers and that the college chorus is rehearsing for the Christmas concert.

CENTRAL ELEVEN TRIMS NORTHERN GRIDDERS 47-14

Coach C. V. Money's scrappy wildcats went down to a stinging defeat 47-14 at the hands of a strong Chippewa squad on Memorial Field Thursday night, October 14. It was Northern's second defeat as against one victory.

Playing conditions were almost ideal for the game with the exception of a light fog which hampered play intermittently throughout the game. Contrary to previous reports Central fielded its strongest squad and the Junior Varsity as was reported. Central collected 20 first downs to Northern's 8.

Play got under way with Northern kicking off to Central who lost no time in scoring. Six plays found Yednak hitting paydirt from two yards out. Conversion was good. Central 7, Northern 0. Hart returned Central kickoff to his own 20 yard line. Pickett aerialled to Gustafson for a first down on the 35 yard line. On fourth down Duch blocked and recovered Hart's punt on the Northern 17. Reversing the tide, Gustafson, on a brilliant play grabbed a Central pass and outran three Central men 87 yards for a touchdown. Winklainen's conversion was good knotting the score at 7-7. Exchanging punts, Duch again proved to be a thorn in Northern's side by recovering Engle's fumble on Northern's 41, ending the first period.

Opening the second period seven ground plays by Central put the ball on the Northern three where Williams passed to Madden for Central's second touchdown. Point after was good. Central 14, Northern 7. Hart returned kickoff to his own 33 where Central held. Bad pass from center on fourth down forced Hart to fall on the ball. This put Central in possession on the Northern 18, where Yednak on lateral from Kullman went over for a touchdown. DeGolla again converted making the score 21-7 in favor of Central. Northern lost the ball on downs. Just before the half end-

ed Central intercepted a pass on the Northern 36. On the next play a long pass to Hottinger was good to Northern's four yard line from where Yednak collected his third touchdown. DeGolla did it again making it 28-7 Central.

Northern received the kickoff starting the second half but made no headway. An exchange of punts found Central getting the break with the ball deep in Northern territory, however two plays later, Engle recovered a Central fumble on Northern's fifteen. Northern was forced to punt out of bounds on their own forty. On the next play Beattie intercepted a Central pass running it 20 yards to Central's 42 as the third period ended.

In the early minutes of the final period Central recovered another Northern fumble. Central took the air from their own 45 with Madden taking one on the fifteen yard line and Central's 5th TD. DeGolla converted for 5th consecutive time. Score, Central 35, Northern 7. With nine minutes remaining, Northern came back with an aerial attack that put the ball on Central's two yard line where Johnson carried it over for Northern's second touchdown. Winklainen split the up-rights to make it 35-14 Central. With six minutes remaining DeGolla and Canhal on running plays brought the ball to the Northern 40 where Levrette took a long pass over for another score. DeGolla missed. 41-14 Central. Northern received only to have a pass intercepted on its own 25 and two plays later DeGolla scored from two yards out for the final score of the game. DeGolla failed to convert. In the waning minutes Freshman Dave Freeman and Hallgren second string end teamed up to put on a splendid exhibition of passing and

ATTENTION CAGERS!

All men interested in playing varsity basketball for NMCE should report Monday evening, October 18 for tryouts, it was announced today by Coach "Red" Money.

Men who cannot report on this date must contact Coach Money in order to be eligible for competition at the end of football season. Practices will be held on Monday and Wednesday nights until the end of football season.

Those reporting are reminded to furnish his own equipment for these tryout practices. Everyone reporting will be given an opportunity to demonstrate his ability.

pass-receiving to put the ball on Central's 25 only to have a fourth pass intercepted as the gun sounded with Central way out in front 47-14.

Alumni Banquet

(Continued from Page 1)

At the business meeting of the following people were elected to the board of directors: Eddie Ekkilund, Ishpeming; Vernon Ihlenfeldt, Escanaba; and Howard Brown, Newberry.

Former president John A. Munson was present and gave a short talk and Wayne B. McClintock presented Golden Jubilee plans for the year.

Mildred Magers led the group in singing the older songs. Mr. Roberts introduced some early class members including Mr. Simon Anderson of 1908 and Miss Dorothy Rose of 1912. He also outlined the opportunities for class reunions to be held on commencement day in connection with the dedication banquet to be held in Lee Hall.

S. Science Election

(Continued from Page One)

meeting, which was held Sept. 27, 1948 at which time the club decided to sponsor a mock political convention. The plan is to have all the colleges and high schools of the Upper Peninsula to conduct mock political conventions in their own manner. Voting will be for Governor, Lt. Gov., Pres. and Vice-Pres., one Congressman and one Senator. All election returns are to be sent NMCE not later than 3 P.M. November 2, 1948. In addition to the voting each H.S. has privilege for one electoral member per 100 students.

The Business Administration and the League of Women Voters volunteered to tabulate votes and to assist in promoting the election. Voting at Northern will be on October 26. Every student at northern is advised to watch for further announcements concerning this coming event.
