STUDENTS BALLOT ON CONSTITUTION

EXPECT ACTIVE PARTICIPATION IN ALL-SCHOOL VOTE DECEMBER 15 ON ISSUE OF STUDENT COUNCIL

May, 1948, a petition to organize a student council was circulated among the students. This petition was signed by the following: James Luckman, Onni Hendrickson, Ida Giotto, Harry Wanders, Donlin Pangborn, Elwood Mattson, Halvar Person, William Medlyn, Don Swelander, Roxie Bills, Pat Newman, Joyce Kramer, Glensy Lawry and Mr. Larson, and this group comprised the members of the committee to write a constitution for a student council. The committee was represented by all classes, fraternities, and sororities.

Among 27 members of the faculty, to whom the petition was submitted, all were strongly in favor of the proposed council.

A constitution for the council was completed in June, 1948, and was presented to the administration, faculty, and students for criticism and suggestion. All criticisms and suggestions were evaluated and the constitution revised when the spring term ended.

With the opening of the fall term more suggestions were received and the constitution again revised. This was presented to the student affairs committee and the president, D. W. D. West, who set up a sub-committee of Donlin Pangborn, Ida Giotto, William Medlyn, Joyce Krahmer, James Luckman, Dean Bottum, and W. D. West. The constitution was revised and passed by the student affairs committee November 23, 1948.

The committee is confident that the student council will become a powerful, influential and worthy organization once it is incorporated and functioning. However, at present the constitution does not contain a great deal of expressed power.

Members of the faculty voted unanimously to do all in their power to aid the council.

A note of appreciation and thanks is in order to the administration, faculty, and students who have worked so zealously on this project and their efforts will be rewarded by your full support and cooperation in the coming election.

Careful reading and consideration of the constitution which appears in this issue is requested of the student body. Election day will be Dec. 15. Students are urged to back the council and elect capable members to represent them.

The need for a student council presented itself at the mock convention and recent mock election. Other events and projects profiting by a student council are pep sessions, roping of sections for students at games, cheerleading, homecoming, 50th anniversary, yearbook, grievance of students, and many others.

This student council avails the opportunity to establish an organization to present the voice of the students.

Popular Pianist Performs Publicly

Mr. Janis, on his second nationwide tour, has received great praise from the press and public, and has been requested for return performances in every city on his trips: Pittsburgh, Kansas City, Dallas, Scranton, Newark, San Diego, Baltimore, and Columbus.

ART CLUB PROJECT BRIGHTENS FOYER

The Art Club is responsible for the foyer Christmas decorations. The project is complicated and difficult and has engaged the attentions of the club for most of the semester. The designs give the effect of stained glass windows and present the illusion that the foyer is the inside of a cathedral.

The inside designing was done by Ruth and Arthur Koskinen, Catherine Hunt, and John Bullock. Verna Etelamaki had charge of a committee that cut all of the 50 pieces of paper in each design to exact size. Bill Helfer and a freshman group did the tracing. Painting and lining of the pieces was followed by oiling the paper to give the stained glass effect. Catherine Hunt had charge of this.

Bill Helfer and the Koskinens supervised the final steps of assembly and pasting on the windows. Miss Harrison, Art Club adviser, gave the necessary instructions and kept a careful check of the time spent on the project. She explained that a total of 285 hours of artistic labor was required. The result is a Christmas present to Northern given by Miss Harrison and the Art Club to the school with all the season's greetings.

FACULTY DISCUSS YEARBOOK PLANS

On Monday morning President Tape and a few members of the faculty met with the officers of the classes for the purpose of formulating plans for Northern's 1949 Yearbook. As the majority of the student body seems to be in favor of putting out an annual, plans for its organization were started by the appointing of an Executive Committee. This committee is composed of a faculty adviser from the commercial department, one from the English department, the president of each class, and the presidents of the Men's Union and the Student Girls' League. The task of this committee is to appoint specific committees and form a rough plan for organization. With this start, action should get under way very soon and the students will be hearing more and more about the Jubilee Yearbook.

Girls' League Gives Annual Christmas Party In Foyer

At three-thirty, on December 16, the annual Foyer Party will be given. The Girls' League under supervision of Josephine Hurst, who is their president, will assume this

MUSIC DEPARTMENT PRESENTS ANNUAL CHRISTMAS CONCERT AND STUDENT RECITAL

The next "Golden Jubilee" assembly program will be presented on Tuesday, January 18, 1949 at 8:00 p. m.

Martha Beaman of the Metropolitan Opera Baritone star will arrive at Northern directly from an appearance with the Chicago Symphony. It is only fitting that Northern opens its 1949 assembly with an artist of Mr. Singher's ability. The Detroit Free Press in referring to Mr. Singher stated that his voice is "a voice out of the golden age."

The New York Times in reporting a recital of Mr. Singher's, held on January 19, 1948 in New York stated, "He has a quality of clarity and brightness of tone the equal of which has never before been heard in a baritone. His musical perception is second to none, each work having a vocal quality not only different from all the others but entirely appropriate to its own expression." Wherever this artist has appeared, he has received the highest praise.

The foyer will be decorated with greens and other ornaments. Help in preparing the foyer for this occasion will be supplied by the various organizations. The Art Department will supply the cathedral-type windows and the large picture to be placed at the head of the stairway.

Public Awaits Xmas Musical Event To Be Held December 12

The music department of the Northern Michigan College of Education will present its traditional Christmas program Sunday afternoon, December 12, in the college auditorium. This year's concert, to which the public is invited, has been eagerly awaited by residents of the county. While conforming to the general plan of past years, this year's program has special significance for Northern students and townsfolk because it marks the celebration of the NMCE golden anniversary.

The choral numbers are under the direction of T. Ray Uhlinger and afford a wide range of a capella selections. Pursuant to a tradition of years' standing, the final will be the Hallelujah Chorus from Handel's "Messiah".

The instrumental music for the concert is under the direction of Duane H. Haskell, head of the music department. This concert will mark the first appearance of the recently organized NMCE String Sinfonietta, which devotes its time to the performance of chamber music and less frequently heard string orchestra selections. It will play a prelude and the accompaniment for the traditional professional.

Another tradition of the occasion will be observed in the brass ensemble, made up of members selected from Northern's concert band, which will play carols in the foyer as the audience arrives for the concert. The Christmas concert will conclude with the ever popular singing of carols by the assembly, accompanied by the Sinfonietta.

The detailed program for the instrumental groups and the 50th Anniversary Chorus, consisting of eighty-five members, is as follows:

The Student Council

The constitution for the future Student Council is presented to the student body for their examination in this issue. The aims and objectives of this organization are clearly outlined in the constitution. It is hoped that all students will study this document and understand its contents clearly. There will be an election held on a later date, giving the students a democratic opportunity to express their approval or disapproval of the constitution. It is very important that every student votes in this election. If it is apparent that a definite lack of interest is noted, the entire matter will be dropped.

The faculty of Northern have already accepted this constitution. They fully believe it is the right step toward an adequate democratic student government. It should be pointed out that the constitution has a much broader scope than is indicated in print. If the members of the Student Council, who are voted in by the students, prove themselves capable of handling all affairs, the power of the Student Council will naturally increase. It is up to the students to vote into the council members who are qualified and capable of handling the affairs of the students.

We, the students of Northern, will be given an opportunity to put into effect an organization which is for the benefit of the students. When the opportunity comes to vote on the constitution, and later for members of the Student Council, everyone should make it his business to get out and vote.

Library Announces New Publications

The college library is happy to announce the addition of several very interesting books. "HISTORY OF THE ISLAMIC PEOPLES", by Carl Brockelmann is one of them. Here is a "first" in both senses: a work of undisturbed authority, fulfilling a long-neglected need. Until now there has actually been no one book in English giving the story of all the Islamic states and peoples from the beginning to the present day. One of the last great achievements of German scholarship to be published before the war, this work at once received worldwide acclaim. The English version brings an added benefit, since it is brought up to date in a short review by the translators covering events from 1939 to the present. It will be welcome not only as an indispensable tool for those professionally interested but as a brilliant guide for any curious reader's introduction to one of the least-known areas in history and current affairs.

Another one of these books is "THE PEARL", by John Steinbeck. Here, in this short book illuminated by the deep understanding and love of humanity that have made John Steinbeck one of the most beloved writers of our day, is an old Mexican folk tale: the story of the great pearl, how it was found, and how it was lost again. It represents Steinbeck in the vein which his readers like most, a simple story of simple people, recounted with the warmth and sincerity and unrivaled craftsmanship he brings to his writing. It is one of the most deeply moving tales he has ever told.

"UNSEEN HARVESTS" edited by Claude M. Fuess and Emery S. Basford should be of great interest to all students. That reaper of unseen harvests, that moulder of new youth, that member of the best of professions, the TEACHER, receives fitting tribute in this first anthology of its kind, a full treasure chest of literature about teaching. The poets, as well as the novelists, have much to say about teachers and schools. Here are passages from Whitier and Whitman, Arnold and Kipling, Dante and James Whitcomb Riley.

"HOW TO MAKE MONEY IN COMMERCIAL ART", by Ethel Bronsac is your personal passport to an exciting, well-paid career as a successful commercial artist. Never has there been so great a demand for good commercial art in business as there is today. To satisfy these needs, Ethel Bronsac, drawing on her wealth of experience both as artist and art director for some of the country's largest commercial art firms, has written what is undoubtedly the most practical guide to the business of commercial art ever published. Those of you who need book reports or read for the sheer enjoyment that book reading gives you, will find some very interesting works among the following books.

Tau Pi Nu Give Christmas Social For Student Body

The Tau Pi Nu Sorority entertained at a Holly Hop Social in the College Gymnasium on Friday, December 3 from 8:30 to 12:30.

Decorations followed a Christmas theme. A fireplace adorned with pine boughs and candles on which Christmas stockings were hung and a large, decorated Christmas tree was found on the north side of the dance floor. A second large decorated Christmas tree was located on the south side of the floor near the bandstand. On the punch table was a centerpiece of a highly trimmed miniature Christmas tree, balanced on either side by two red cathedral candles. Music for dancing was provided by Paul's Vets.

During intermission carols were played by Mr. Harold Wright and singing was directed by Raymond Uhlinger.

Santa Claus, played by Dr. Holmes Boynton, appeared to grant requests of gifts in letters sent to him during the singing of Jingle Bells. Decorated boxes appeared in the foyer, among other decorations, during the preceding week to receive the letters to Santa. Among those to receive gifts they requested were: Oiva Mollanen, Dr. Holmes Boynton, Harold Schack, George Schrandt, Lorrimer Stannard, Anne Newman, Forrest Johnson and Joe LaCount. Some of the others to receive gifts were: Joan Growth, Richard Massman, Mrs. Harry Martin, Marybeth Frisk, Kenneth Bray and LaVerne Johnson and Charles Apple.

At the conclusion of a grand march, led by Marybeth Frisk and Bob Ferns, Santa passed out candy canes to all in attendance. Punch and Christmas cookies were served at the refreshment table up in the northeast corner of the gymnasium. Patresses and their husbands attending were Mr. and Mrs. Gunther C. Meyland and Mr. and Mrs. Kaarlo Walters. Faculty guests and chaperones attending were: Mr. and Mrs. Oscar Mattson, Mr. and Mrs. Harold Wright, Mr. and Mrs. Raymond Uhlinger, Mr. and Mrs. Harry Martin, Mr. and Mrs. Luther G. Gant, Mr. and Mrs. Holmes Boynton and Miss Ethel Carey.

Committees for the party were as follows: Refreshments: Esti Kiefas, Helen Kaarto, Violet Johnson, Jeanette Maki; Gifts: Shirley Wallis, Lenore Peippo, Beverly J. Peters, Germaine Redeker; Tickets: Hilikka Lottanen, Dorothy Dolf; Decorations were taken care of by everyone in the sorority.

"PAINTING IN PUBLIC", by Maurice Grosser, "CLOUD BY DAY", by Muriel Earley Sheppard, "THE JOURNALS OF ANDRE GIDE", by Justin O'Brien, "BASEBALL'S HALL OF FAME", by Ken Smith, "ALBERT SCHWEITZER", by George Seaver and many others.

DORMITORY GALS SEEK SOLITUDE MIDST VACATIONS

Yes, Thanksgiving is gone, but the indignation lives on! Once more the girls in the dorm settle down and peace (?) reigns supreme. Did I say peace???

Floating around the place, I notice the various improvements taken place in my absence Is there a musician in the crowd? No, we're not advertising for a symphony pianist — anyone who can play "Chopsticks" will do. Why? Because the dorm is now the proud possessor of a new baby grand. Almost any hour (except when "quiet" hours are in effect) you can hear anything from "Bumble Boogie" to "Beethoven." Yes, the girls are very proud of their latest addition, and who knows?? Maybe 172 music majors will be the result

One morning, upon being rudely awakened by what I thought to be the end of the world, I gazed out of my window and saw to my amazement — a mammoth bulldozer and accessories eating away the mountain between the dorm and the college. Inquiring further, I found that the dorm inhabitants would no longer have to trudge up its steep sides in spiked heels only to fall down on the other. Nope — it would be gone forever, the barrier, that is) and its removal would save approximately six minutes and forty-seven seconds a week in getting to classes on time. (don't ask me how I figured it out)

Another cheerful sight opened my sleepy eyes wider one morning (just before my eight o'clock) when my gaze feasted on the new wallpaper in the dining room. We must admit that those big white dogwood blossoms certainly lend color to the "homey" atmosphere

Did anyone know the dorm has now become a miniature beauty parlor? No, they don't feature "mud packs" as yet, but the new hair driers certainly are appreciated. Washing and setting hair can now be done in a very short time, and one quick dash to the ground floor and presto!!! Your hair is dry in no time — you walk out looking like Hedy Lamarr! (well, I can dream, can't I?)

I simply can't close until I comment on the hidden talents recently discovered by the Carey Coeds when the Tri-Mu pledges serenade them. Aah! directed by "Maestro" BRAY, the choristers gave their own renditions of the sentimental ballads requested by their ardent admirers. (did I say sentimental???) Why not try it again, boys???

N'est-ce Pas?

What is one of the first projects you think the Student Council should consider?

"CHUCK" DESJARDINS — Assume responsibility for the social scene in the dorm.

MARY CORCORAN — Arrange a first class Xmas parade for the kiddies.

PAUL BLOMQUIST — Pick one out of a hat. There are plenty of good ones to choose from.

MRS. STARR — Engender among the students an attitude that expresses a positive quality of leadership.

ROBERT NICHOLAS — How about finding an area where the commuters can eat lunch in comfort?

LARUE PASCOE — Later dorm hours. What else?

STEVE MINDOCK — Initiate better student-faculty relationships.

JOYCE KROHMER — Everyone would appreciate a refinement of procedure on registration day.

RALPH LAURENSESSE — I say — a Year Book. What?

DORIS HANSEN — Someone should alter present appearances in the area of the cigarette but cans.

MR. MCCLINTOCK — Consider the formulation of a campus etiquette program.

BILL MEDLYN — Acquaint the students with their part in the responsibilities, duties, and privileges of the school.

DEAN BOTTUM — A program of advancement for the student which will benefit him socially as well as professionally.

How come you're late this morning," asked the Prof.

"I overslept," came the reply.

"What, do you sleep at home as well?" retorted the savant.

SOME FACTS OF LIFE

Prosperity can not arise and flourish where thrift is discouraged.
The weak can not be strengthened by weakening the strong.
No one can keep out of trouble if he spends more than he earns.
Unity and fraternity can not be promoted by inciting hatreds among men.
Character and ability can not be built by taking away a man's initiative and independence.
Men can not be helped permanently by others doing things for them which they can and should do for themselves.

Cats Take Two, Drub Suomi, Mission

Wildcats Trounce Suomi 65-36, In Jubilee Opener

The Northern Wildcats opened the 1948-49 season before a capacity crowd with a victory over a hard fighting Suomi team by the score of 65 to 36.

As far as the Northern Rooters were concerned the season officially opened when Bill Zageleimer dropped in a neat one-hander from the corner 15 seconds after the opening whistle. The "Cats" raced to a 13 to 6 lead; then the game settled into a wild passing and rushing affair with the smaller Suomi team pressing the taller Northern team. This continued till five minutes were left in the first half. With the score 16 to 13, the Olive and Gold basketballers opened up and scored 19 points to Suomi's 2 and held a half time lead, 35 to 15.

As the second half got under way, the "Cats" continued to pepper the net and this opportunity gave Coach Money a chance to substitute freely until the final gun using eighteen players in all.

Suomi, led by Laho, who scored 11 points, made a game of it all the way but just couldn't cope with height of the Northern team. Zageleimer and Minard stood out for Northern on offense with 19 and 18 points respectively while Puckett and Londo stood out on defense getting in the way of many Suomi's passes throughout the game. Referee Hiney and Umpire Sosonowski had a field day in the foul department calling a total of 63 fouls in the contest. Suomi lost three men via the foul route while Northern lost one.

All and all the Wildcats played pretty good ball and should go a long way this coming season.

BOOST INTRAMURAL SPORTS!

The "COPPER KINGS" may not be the best basketball team in the league but they are out to do a lot of upsetting. Being from the Copper Country they feel that they know more about "Hockey" than the other teams. Their basketball team is composed of the following men:
 CLYDE SCHALTZ — Guard — Calumet High 5' 10". Good Hooter. Made four times out in the first game.
 CLARENCE RAJALA — Forward — Calumet High 5' 9". "Teacher" Phy-Ed.
 HOWARD KARJALA — Forward — Dollar Bay High 5' 7" Left hand. Flip Shot Artist.
 DOUGLAS FREDRICKSON — Center — 6' "Ace" Point getter.
 "MICKY" MEHELICH — Forward — Sacred Heart — 5' 8 1/2". "Speedy".
 LLOYD SHORT — Forward — Houghton High 5' 11 1/2". "The Ball Handler".
 JOE "FATHER" DEVINE — Moral builder — Calumet 5' 10" — 1st string substitute.
 FRANK OTOOLE — Guard — Sacred Heart — Notre Dame sent him up for the season. He is 5' 5".

Students attending the Conference basketball tournament December 31 and January 1 are reminded that these games are not regularly scheduled Northern games. Admission will be reduced to half price upon presentation of identification cards or other means of identification. The prices for the morning contests will be 50c reduced to 25c, and \$1.00 reduced to 50c for the evening doubleheaders. Other means of identification for those who do not have identification cards are bookstore cards for veterans and tuition receipts for all others attending Northern.

LOOKING THINGS OVER

With Terry George

They! They! They! Even the Fighting Irish of Notre Dame suffered their first tie in several seasons! Out of the seven we missed last week there were three unexpected weekend scores. We can still display a 742 season average, though. We feel the department should take a short rest after the "trying ordeal" of predicting.

Although there is some question as to who it is, the U. of Michigan seems to be represented by at least one for the All-American choice. The various polls are varying their opinion between End-Dick Rifenburg and Jackie-Al Wistert, with some mentioning both. Center-Chuck Bednarik and Back-Doak Walker seem to be more or less unanimous.

Many are looking forward to the Rose Bowl at Pasadena on New Year's day. A first-class West Coast eleven-California will meet a second-best Big Nine eleven-Northwestern. Many predict a complete downfall of the Rose Bowl standing, should California lose to a second-best.

Even though the Wildcats outclassed the quintet from Suomi, one can readily say that some fine basketball games will be witnessed this season. For a rough comparison of statistics of the two squads — the Suomi five made 44 percent on attempts from the free-throw line, while the Wildcats shot a 55 percent rating from this same area. Northern also led in the shots for the two-dollar bracket with 28 percent to compare with 21 percent by the Suomi five. The Wildcats had almost twice as many shots as their opponents—to prove their definite control of the rebounds.

The gym could have easily held a little more of the student body—Conference tournament play will commence December 31, with one morning game at 10:00 A. M. and two evening games at 7:00 and 8:30. On January 1, games will be played at 10:00 A. M., 7:00 P. M. (consolation game) and championship tilt at 8:30 P. M. It looks like Schram and Rutwich of Escanaba will do the officiating for the tourney. All teams will play a minimum of two games making it interesting and worth while for the players and coaches concerned.

Wildcats Trample Wisconsin College

The Northern Cagers won their second game of the season Wednesday night when they downed a fast Mission House College team 53 to 37.

After a close first half which saw both teams miss a lot of shots, the "Cats" pulled away to a commanding lead in the second half, which they maintained to the final whistle. Led by Minard, Zageleimer, and Kirby, who scored 42 points between them, the Olive and Gold hoopers really turned on the steam in the second half to overpower a fast bunch of boys from Wisconsin. Mission House played a fast game throughout with Gartzke, Plum, and Russart doing the heavy work. These three lads scored 31 points or all but 6 for their team.

We can't forget Puckett and Schlis, the two that got in their opponents hair a good part of the evening.

This winds up Northern's home stand till the Upper Peninsula Interscholastic Tournament which will be held here after Christmas.

Referee—Sosonouki.
 Umpire—Kelly.

GIRLS WILL HOLD VOLLEY BALL TOURNAY, JAN. 4

With the cooperation of Miss Genevieve Bullinger, Women's Physical Education Instructor, a volley ball tournament has been organized and will be held in the gym January 4, 1949, the Tuesday following vacation. Entry lists of teams must be turned in to Miss Bullinger by next Tuesday, December 14, which is also the date for the last practice session.

The tournament is open to all those interested, Clubs, sororities, dormitory groups, or Independent students are free to organize their own teams; for any new girls there is always room on the various teams. Miss Bullinger stressed the fact that the tournament is open to all girls on the campus. The teams must have a minimum of eight players and a maximum of nine. A girl can be a member of only one team and during the tournament she cannot shift teams. A drawing will determine which teams are to compete first in the series of games.

The following games will be played in round-robin or semi-round-robin fashion, depending on the number of teams. The teams act as officials of their individual games and any disputes will be decided by consulting the rule book. Additional rules for volley ball and the tournament are posted in the Girls' Locker Room. Incidentally, if any potential team is worrying about facing eight or nine physical education majors, they will be happy to learn that it has been decided that no more than two phy. ed. majors are permitted on one team. Following the tournament a council will be selected to work out a point system for awards on the basis of participation. This council will consist of one or two members from each team.

In the future the News hopes to print the teams, their members, and official standing when such material is available. In the meantime all coeds are urged to take advantage of this chance for recreation which provides the opportunity for new friendships, healthy activity — and just plain fun.

By Mitch

Asked Sam Minard Northern's sanny guard what he thought about the basketball game Saturday night with Suomi. The only reply most sam would give was a pleasant chuckle.

Wonder why Michigan Tech didn't join the Intercollegiate Athletic Conference? According to one report from Tech way, Head Coach Boyard said they did not join the Conference because they are expanding their athletic program and a more well-rounded schedule. They do not wish to be tied down by Conference regulations.

It is still a problem as to how the boys are going to make it to the gym New Year's Eve and Day for the Conference tourney play. Suggestions to the coaches — Police Chief McCormick and Sheriff Al Jacobson have some swank rooms, air-conditioned for anyone by hour, day, week, etc. Reservations may be requested in advance. There may be numerous others in need of accommodations.

If Central should beat Northern this year in basketball don't feel bad folks. Michigan Tech has dropped ten in a row to the Rosemen from Mt. Pleasant.

For a slightly better understanding of athletics at Suomi, Coach Luttinen's first call for cagers October 18th was answered by a deluge of 39 men. Four lettermen returned. Four others were having transportation difficulties in getting to practice.

Clubs and Sororities

Tri Mu

The Tri Mu Fraternity held a regular meeting December 6, 1948, at the Tri Mu House. President Donlin Pangborn presided over the business meeting. It was reported at the meeting that the fraternity received many favorable comments for having their pledges serenade the women at the dormitory on Tuesday evening, November 23. Among other business taken up at the meeting, final plans were made for the fraternity Christmas party.

U. C. Y.

The United Christian Youth will have their Christmas party and program on Monday, December 13, at 7:12 in the recreation rooms of the college.

A special devotional service and program will be held. Miss Mildred Magers will give a Christmas reading and their will also be special music for the program.

Arrangements for this party have been made by the officers of this organization. Among other things for the evening includes decorating a Christmas tree before the meeting.

Thetas

The Theta Omicron Rho Fraternity started the fall semester of '48 with a new slate of officers headed by Stan Winnikainen, President.

The frat's first order of business concerned the selection of pledges for the semester. This was under the supervision of George Townsend, pledge captain. At present, the degrees are not yet completed but plans have been made for the much renowned second degree, which as customary will be held in downtown Marquette.

A new social event is being planned for Friday, December 10. The annual Christmas party will be held at the house. Something new is being offered by the frat with its sponsorship of the picture "Young Mr. Lincoln", which will be presented at the Nordic Theater on Wednesday, December 15, 1948. This is believed to be a most opportune means for school organizations to perform a service to college students by a special presentation of the better type of Hollywood production and at the same time to service the frat. It is this type of program is to secure future approval by the college administration, success is essential. The support of the entire student body is sincerely solicited.

The fraternity has sponsored a basketball team to compete in the intra-mural league. They have little hopes of success in the annual Tri Mu-Theta game, for such confidence as shown by the Tri Mu "professional" can hardly be beaten. However, competition is the spirit of rivalry and the Theta Omicron Rho is pleased to meet their fraternity rivals in their own personally selected field.

The economics professor asked the little coed what she thought of the Taft-Hartley Bill.

Her answer—"I think it definitely should be paid."
—"The Daily Reveille"

Social Science

The Social Science Club held a regular meeting in Room L208 at four o'clock on Tuesday. Lawrence Eastley, President, presided over the business meeting. Advisors present were Mr. Pearman, Mrs. Starr, Dr. Allen and Dr. Burrows. President Eastley expressed the appreciation of the group toward Dr. M. Allen and his committee which selected the book "The History of Religion in the U. S. A.", that was placed in the library in memory of Charles Anderson.

Following the business meeting, the group carried on an informal discussion. Plans were made for future meeting, which will not only be of interest to the members of the organization but all the students of Northern. James Luckman reported the results of meeting of all the officers of Northern's clubs and organizations which took place the same afternoon.

Overheard at a homecoming dance: "Allright! So the orchestra isn't so good. You could at least walk around with me so I can see who's here!"

The Gamma Phi Alpha Sorority will be entertained at its annual Christmas party on Saturday, December 11, 1948, the adviser, Miss Payne and patronesses, Mrs. L. O. Gant, and Mrs. W. C. Hoppes, are in charge of arrangements for the party which will be held in the Gant residence, 1020 N. Front Street.

As is customary, the sorority pledges will provide and decorate the Christmas tree and each member and pledge will bring a gift which will be given to the Children's Clinic. The Gammas are looking forward to this party because it has always been a high point in their activities of the year.

The Gammas and the Business and Professional Women's Club of the city combined their efforts and completed a wardrobe for a doll for the Christmas Bureau.

Having finished her exam, a soph coed turned her paper over, started to doodle.

The teacher looked over, commented: "If you're drawing a picture of me . . . you get an automatic 'F'."

Coed looked up, apologized: "Oh no, it's just a picture of a fellow."
"Oh," laughed the prof wearily. "I thought it was me."
Coed did a double take: "Gosh . . . does it look that bad?"
