Dear Sirs:

P.S. Justice My A.P.O. Number is New 530

I'll answer your letter I received a few days ago and sure was glad to hear from you. So your heart was pounding when you first shot at them deers. Ha Ha. Is that the only time your heart led heat feet? I still remember the first deer I shot home on the farm did Pa ever get a kick out of that and did he ever laugh. Why into hell don't you use Med's rifle when you go hunting he can't shoot anyway. Ha Ha. So Med goes out hunting with the priest I bet. Med thinks he's going to heaven. Ha Ha. Did Leo Brenner get his buck this fall too? Some night I will take time and write Med's dad a letter I bet that would make him feel good. The last time Raymond wrote he said that he would be married by the time I get home again. Does he ever mention any thing about that to you? I'll have to close and tell Med to write me a letter and tell me all his hunting experiences. Ha Ha.

Best Wishes
Clarence.
