Dear Sisters:

Will take time and  
drop you a few lines.  
yes I have recieved the package  
quite awhile ago.  
and thanks a lot.

We are having fine weather  
over here now.

I guess Bob is in a good  
branch of the service.

I think a feller of his age  
that the navy is the real  
life for him.

thats just the way I felt  
when I was home on furlough  
I was glad to go home and  
then again I was sure glad  
to get back at Labeland with  
the bunch of boys again.

It

I sure was glad to hear that  
Med was facemen.

That means more money and  
every little helps a lot.

I suppose they are still making  
gliders up there.

I got a letter from Rosie not long  
ago.

I also have been getting letters  
from you just about every week.  
anytime you want to send me a  
package again send me some of  
that cheese again it sure was  
good that first box you sent me.  
try and get me some sun glasses  
too if you can get them.

Havnt any more news this time,  
so will have to close.

Meds Dad sure did answer my letter  
quick I bet he sure was surprised to hear  
from me.

So Long  
Clarence!
