

Somewhere in Italy
Sept. 18. 1944

Dear sis:

Received the package
last night the pipes
and tobacco and cigarets.
and thanks a lot.

Lucy was asking me on
her last letter what I
wanted for Xmas this year
She said that she did not
know what to send.

I wrote back and told
her to send me some fruit
cake this year.

So anything you want
to send after this you
can send some fruit
cake too.

and anything else I can't
think of so just suit

yourself as anything
you send comes in handy
in this kind of country.
I recieved a package of
face soap from pa & ma
a few days ago.

Face soap is awful hard
to get here now.

Wan't no more news so
will have to ring off.

So Long
Clarence.
