Dear Sis:

Received your letter  
last night and also  
a xmas package a few  
days ago.

The one that you had  
the two sportsmen  
magazines in  
and thanks a lot.

I also got another letter  
from Ned's dad yet  
about a week ago.

I suppose you are all  
hunting deer to beat hell  
now.

Its starting to get cold  
around here now.

not long ago I seen some  
snow up in the mountains

That's the only place you  
see snow around here  
is up in the Mountains.  
Hav'n't much news this time  
so will have to ring off  
So Long  
Clarence.
