Dear Sisters:

Just a few lines
to let you know I
received the two fruit
cakes and two other
parcels and thanks
a lot.

I am in good health
hoping you are all
the same.

Well did you and Mel
have any luck this
fall?

Tell Med that I hope
he got his buck
this fall.

Because that looks
like hell to take a
picture by that balsam
tree with his rifle
only like he did last
fall. Ha. Ha.

I heard that Raymond's
baby was ruptured
that sure is tough luck
such a young child.
Haven't no more news
so will ring off.

So Long
Clarence
