Mr. Thomas H. Wilcox
 Ontonagon, Michigan

Dear Mr. Wilcox;

After seeing three of four pictures of you in last week's Ontonagon Herald and reading again with interest the story of the development at White Pine some forty-eight years ago and especially noting your active leadership in that effort, I am assuming that you are watching with interest the reestablishment of the old White Pine project.

Accept my congratulations on that measure of good health which brings you to a point where you can look back on fifty years of effort in Ontonagon County.

Sincerely yours,

George E. Bishop
 Secretary-Manager.
