Our cousin Verner  
with cane. Was in  
accident recently - his bike  
collided with car & leg  
broke in 3 places.

Lady next Verner is  
his wife.

Marie Bahlfelt is  
in front of Verner with  
pink dress - husky one.  
I believe that's Flora Granlund  
in white blouse.  
Man on right is Verner's son.  
The lady next to him is  
his wife. I believe they  
have only 2 children. The  
other children (I think are  
friends). Mildred in center is  
from Duluth, Cousin.
