AMERICAN LEGION

(at community building)

Mar 26 2009

Montezuma Historical Society

Concerning photo in the
Montezuma Herald March 11th.

That is the American Legion
at a celebration. Taken in
the Community Building. That
may be a picture I doubted
I had one of their American
also.

Stanley Mannan is my lead.
He was proud to be a member.
I know he used to march
in all the Fourth of July
parades years ago when I
was young.

I look at that picture + a
whole bunch of names I forgot.

I know Paul Lantho used
to live where Mick Wagner
Insurance office is. He was a
proud man.

Robert Morrison used to be our
Sheriff. Gus Lane sold insurance
Oscar Johnson had a paint store
Louis Backler had the Bottled
Gus & also sold appliances at
one time. Mr Hebeck was our
postmaster. James Patterson
was a butcher in Ray Harnish
grocery store. William Scholer
had Chevy, Plymouth Car
dealer ship behind where
you are located now.

My dad worked on the
Milwaukee Railroad.

I hope this helped some

Sincerely

Ruth (Nannan)
