her: I remember Mr Johnson, Mr Tasson, Mr keto, Mrs Ameen, I liked all of them mostly, I liked Art because I was good at drawing and stuff and I had a lot of fun in there I liked my teacher and she was very inspiring

me: Do you remember any humorous or interesting stories

her: I remember when you were younger and Mr Johnson would give you a little paddle when they would be bad.

me: How long was the school day and what time did you start.

her: It started at 8:45 to 3:15.

me: How did you get to school ~~and~~

her: I walked every day, but it only about a block so that wasn't bad

me: What subjects did you have?

her: math, english, spelling, History, art, and woods.

me: What was your favorite?

her: It was english because I was very good in spelling. We had spelling bees and stuff like that

me: What was the toughest?

her: History, it went right over my head

me: how did the children dress

her: I remember having a poncho, just dresses and ~~the~~ the usual

me: was there a dress code?

her: no

me: was there any special tuds or sayings?

her: Cool man, whats up

me: How were kids expected to act?

her: mind manners, not right, listen to teachers, don't throw spitballs, be nice, sit in your seat, and learn

me: what were the punishments given for a's behavior.

her: sometimes if you checked out they will make you write, sometimes you could get spanked

me: what kinds of extra-curricular activities?

her: few in track

me: what was track like?

her: it was fun I had a good time, broke a few records
and stuff like that

me: Did any fans win a trophy or championship?

her: I can't remember

me: How did teams travel to other schools and
how far did you go?

her: used to go to champion, went to Espey, not
to far

me: how did you get there?

her: school buses

me: do you remember any special cheers

her: Mr. Roesing

me: could you describe him?

her: he was very strict, couldn't get away with very much

me: did the school have any special picnics and outings

her: we used to go cross-country skiing

me: did any tragedies occur while you attended school

her: one night we and my friend were playing bike and

go seek and the motorcycle would try to find us

while we were hiding and my friend was going around

a corner on my ten speed and the motorcycle was

going around the other. They didn't see each other

so they crashed, and she got hurt bad ~~and~~

and my bike was all wrecked and she was

crying for me and I went to find her

and I found her and she had blood all over

her forehead we had to run her to the

hospital she had to have ten stitches in her

head that was scary

me: were you able to maintain contact with childhood
friends?

her: I have ~~the~~ contact with all of them

one of my friends lives down the street, one

lives in Ishpeming, and one lives in Arkansas

me: what do you think the biggest change in the
school since you were a student?

her: all of the remodeling all the different buildings

- they built on

me: what are your fondest memories of National
hine school?

page 5

her: basically just my friends and I had fun, I had a good time

me: if you had a message to give students today what would it be

her: to enjoy life when your young don't grow up too fast because you don't have many responsibilities right now ~~but you don't have nothing~~ you don't have nothing to worry about is homework and having fun

me: do you have anything else you would like to add

her: I liked going to National Mine School the teachers were great & I'm glad I got to know them, It was part of my history I'll never forget & I can look back with a smile
