What years did you attend National Mine; Graduated May 1968
Her son William Graduated the following year she
wanted to beat him out of school she could have
gone to school here to because she quit
Senior year. But she got
Married

was going to St. Helens Private school. Finishe Education By mail Rather than Come To School and sit with her Boys at the time Choice to do it on her own or at School

Favourite Teachers

Her son was behind a year Another Ahead who went to School and finished her four years of Highschool First 2 years At Ishpeming Highschool and two years at St. Paul's Highschool So Nuns Tought At That time they put in a School bus so 10th grade took bus to School every day on the Sisters School Her brother and her OF experience in what Public Schools Private Schools Schools of correspondence and now Relise What it all didade me a back ground for sitting on a School board Running for School

Help build the school board and district all educational, WHAT TEACHERS ARE LIKE: Fun School wasnt just Hardwork Tought in different than any body else very Good in Teaching was very very fair in Tring for something like Cheerleading had oppertunity to do it. She: Got involved in singing groups and that in School Sang Solos in Church one time when she was little In fact doing two quires This year for Christmas, Grades like: Was no brain no dumb bell never faised me if I was a normal Person didnt stride for straight A's or Any thing Any thing funny that happened in School: Fun things they did going to St. Johns always Put on Opheretta's Practice in the Basement of the old School all the time had to have certain Costumes every year she was a tulip upside down had to dance and sing. In that Opheretta, Another year we were Angles real Good experience

Because we got to go to ^{Tshpening} highschools Auditorium That's were we
 were aloud to put on these big Ophrettas The Place was Packed with people
 gave us experience in setting before people and giving us experience and
 not being afraid of people in Public. Also in the Summer time in the city
 they would put on a Big Parade and one time being in a Snow white float
 My brothers were in the seven Dwarfs part of it we were stuck
 fun because had to make the paper flowers for the float always
 Had thicks to involv^{ed} to stay out of trouble. Did you remember any
 Thing that happened to teach (SIME) NO? Could be stern but to teach
 Show a lesson to Die by something funny happen to students. But I
 Jump into them. St. John's kids would open the upstairs windows and

It was like a four story building but would jump from
 like the third & second floor. Was that the one that burnt down?
 No. It was is right now were Forns Gas station but that whole block
 was the convent for the sisters to live in then the big school.

Method did you get to NATIONAL MINE? Well I didn't have to come into school
 at National Mine smiles out south of ^{here} and when I chose to do my
 correspondence it came through the mail I took a tax accounting course
 and took English courses and Typing and that just to catch up on a half
 year of senior year I did ~~not~~ go. I did very very well It doesn't last
 anybody take classes or Graduate And then Mr. Linberg

Cont. =>

Give grades back here

And put them in the file so that

They know I accomplished all of it. When I graduate two other women graduated the same ~~thing~~ years class they had done the same thing

ME: What was your favorite subject?
HER: Well I used to get real real hungry before lunch in school like when I was in sixth grade I could not go home until I finished English so the time would go a lot faster if I started enjoying it. So that was my favorite subject.

And still is. I just made up my mind that the time would go a lot faster if I started enjoying it then and till this day it's my favorite subject. What was your most difficult subject?
ME: I don't know if I had a difficult subject but when we got into

it colored with bluegreen it would make me sick to my stomach where you in any extra curricular activities?
ME: Yes I always wanted to be a singer all my life. Anything I could get into in school At St. Pauls they put on a lot of plays um? HER: Yes I

day I ~~was~~ started at the Flander's Field Bopping School Memorial whole school. Just even after school I kept up with it. I was the leader of the Chorale and Jack was singing and plays. I belonged to the Chorale and I was involved with that. ME: Where there any special moments with that?
HER: One time I was picked to be a nun and tell the whole history of it

And we were going up to Coriantodo this and
 To sit and describe ~~the~~ nuns history Nobody told me
 To speak up louder So that was a blast to ME Did ~~you~~ win
 Any awards for that or anything like that? Her: Self Gradifacati
 was I guess was good enough ~~the~~ Aleg ros or the Chorolers
~~ME~~ which always heard them and enjoyed there Singing
 ME: What Did you and other friends get to different
 Plays and Musical recitals? Her: mostly peaples cars
 we never had school buses or anything that would transport
 us hear and their you walked a mile to get to Ishpeming
 High while we were in 7th and 8th grade had to get to Ishpeming
 For Gym or Pool at 8:00 a.m in the morning and went through
 Blizzards and everything else to get to school Then from there
 To St. Johns to ~~go~~ to school but we walked a mile in the morning
 and to home for lunch a mile back for school and a mile home in
 school. And all through different kind of weather my father
 would come down on his old Model A and he would let kids
 Ride the running boards. What Punishments? Teachers
 always had a yardstick or Ruler for the boys or
 The back of a book if they were
 Bad.

But it was you learned to.

What kind of Punishments did you get at home? Well there were so many brothers and sister. That my mom and dad had so many problems

ME: How: Did kids Dress: ~~Were going~~ already. My brothers were going ~~knuckle~~ you on the shoulder you might get mad enough to throw something. sole would

Well we discuss like well you member the sole would come lose and she had to flip her foot right so her sole would stay on right. might have to put a piece of Card Board and soon that would be wet so.

We were all right One time My mother because my brother had to wear pants that were a little short And the kids made fun of him but I think that all teachers you character but today I think some people would turn around and Bashum" ME: What dress code did you have at school?
