Dear Juddie,

Thank you very much for your kindness letter and your beautiful picture, you sent to me. I was very glad when I received your letter. I hope you have enjoyed your trip in Europe. I have also enjoyed my trip in Jugoslavia. When the war was declared, I had been in Dubrovnik (Ragusa) on the ~~mother~~ Adria. What do you say to the war in Polen? You must remember you to the words I have said you in Nurnberg. The german army is the best of the world.

<sup>spite of</sup> I hope you have enjoyed the travel across the ocean ~~for~~ our submarines.
