Vol. 80, No. 191

Marquette, Mich. — Wednesday, January 16, 1963

(14 Pages)

(Price 10 cents)

When the temperature dropped to 10 above zero in Odessa, Tex., Ludean Gladden, 16, showed the result of a winter experiment. A steaming hot cup of coffee was set outdoors. Two hours and six minutes later Ludean had coffee she could munch. (NEA Telephoto).

Midwest Remains In 'Deep Freeze,' No Relief In Sight

(By the Associated Press) Another blast of sub-zero cold in the nation's midsection today indicated no immediate relief from a prolonged spell of frigid weather.

Unseasonable temperatures, except in some Southern sections, chilled most other parts of the nation.

The below-zero belt widened. Arctic air spread from the Midwest into the Northeast and temperatures dropped to sub-zero marks in parts of Ohio, northern New England and sections of New York State.

Low readings in the Northeast included -12 in Caribou, Maine; -10 in Lebanon, N.H., and Watertown, N.Y., and -9 in Massena, N.Y., and Old Town, Maine.

Low readings in the Northeast included -12 in Caribou, Maine; -10 in Lebanon, N.H., and Watertown, N.Y., and -9 in Massena, N.Y., and Old Town, Maine.

Temperatures were at or near zero in most of New York State although New York City reported 22 above.

Warmer weather was on the way for much of southern Texas westward across the southern plateau region and into Southern California. The cold earlier had caused millions of dollars damage to citrus and vegetable crops in

Man Seen Near Scene Of Crime

BATTLE CREEK (AP) — State police are trying to learn the identity of a man seen in the breezeway of Mrs. Daisy Zick's home about the time she was tied with her robe sash and stabbed to death.

The 43-year-old redhead was found dead Monday on the bedroom floor in the Emmett Township home, her hands tied behind her back. She had been stabbed repeatedly and struck on the head. Her empty wallet lay on the bed.

The Weather

Forecast for Marquette and vicinity — Mostly fair tonight with low of 5-10-15 below zero. Variable cloudiness Thursday, slowly moderating temperatures, occasional flurries. High 5-15 above. Friday: Snow flurries, moderating temperatures.

Forecast for Lake Superior — W-SW winds 20-30 knots, through Thursday. Snow flurries. Data for preceding 24 hours: Temperatures — 10 below at 6:30 a. m.; zero at noon; highest in last 24 hours, zero at noon today; lowest, 11 below at 5 a. m. Relative humidity at noon — 58. Precipitation — None in last 24 hours; total to date this year, .95 of an inch; normal to date, .97.

Sun rises at 8:28 a. m. and sets at 5:31 p. m. tomorrow. Records for Jan. 16 — Maximum temperature, 42 in 1889; minimum temperature, 13 below in 1888; most precipitation, .65 in 1921.

Texas and Southern California. The cold and snow in the last week caused 60 deaths from exposure, asphyxiation, fires and traffic accidents.

Early morning readings were in the teens in Tennessee and northern fringes of Alabama and Georgia and mountain areas of North Carolina.

Frigid Spell Continues To Plague State

(By the Associated Press) Below zero readings throughout much of the state sent Michigan residents shivering into the third consecutive day of sub-zero temperatures today.

The U.S. Weather Bureau reported that Sault Ste. Marie had a low of 18 below zero as of 7 a.m., followed by Houghton with 16 below and Escanaba with 14 below. Detroit experienced a relatively warm 2 above zero.

Some scattered snow was reported, mostly along the western and northern edge of the Lower Peninsula. Snow fall during the night ranged from light flurries in Mackinac County and in the southwest corner of the state to four inches in Emmet and Cheboygan counties.

The Weather Bureau predicts continued cold weather and partly cloudy skies, with some scattered snow flurries near Lake Michigan and Lake Superior today.

Tonight's lows are expected to range down to 10 degrees below in the Lower Peninsula and down to 15 below in the Upper Peninsula. Highs today are not expected to get much above 15 degrees in the Lower Peninsula and the Upper Peninsula is expected to have a high of between two to seven above.

Many rural schools in western and northern Michigan remained closed as new snow added to drifts which have blocked secondary roads from Allegan to the Straits of Mackinac.

The Highway Department reported that the state's highways were mostly clear and dry except for the western part of the Lower Peninsula and around the Mackinac Straits. New snow from New Buffalo to Mackinaw City had caused slippery sections in the western area and the tip of the Lower Peninsula and in Mackinac County, the department said.

Rocky Gets Back In Good Standing

SPARKS, Nev. (AP)—Rocky, a 5-year-old boxer is again a canine resident in good standing. The City Council reinstated Rocky's dog license after formal notification that he had undergone a successful ventriculocorotomomy.

The council had withdrawn Rocky's license after complaints that he barked too much and too loud. A veterinarian said it will be six months before he can bark again, and then with only a fraction of his former volume.

K Warns Comrades Of U.S. Might

BERLIN (AP)—Soviet Premier Khrushchev told his Communist comrades today the United States has 40,000 atomic or nuclear warheads and Communist policy cannot be based on war.

If all the American bombs were dropped, he said, 700 million to 800 million people would be killed and whole nations wiped out.

Departing from his text, Khrushchev spoke of the Soviet Union's giant nuclear bomb, implying it could be used only against the United States.

"Dear comrades, now I tell you a secret," he said. "Our scientists have developed a new 100-megaton bomb. This bomb could not be used in Western Europe because it would hit France and Germany and you too. This bomb could only

be used overseas against a potential aggressor."

In a wide-ranging speech to the sixth Communist party congress of East Germany, Khrushchev thus answered the Chinese Communists who have accused him of being afraid of a "paper tiger"—the United States—when he backed down on Cuba.

Pouring scorn on Peking's war-and-peace theories, Khrushchev warned the East German Communist party's sixth congress that communism cannot win in a nuclear war. Such a conflict, he said, would bring unimaginable destruction and death in the world.

Speaking clearly in the context of his argument with Peking over war and peace as it applies to

Communist expansion, Khrushchev pleaded that the fight for peace was the "prime task for socialism."

He departed from his text and waved his arms as he declared: "Russian Communists never started a war to carry communism to victory. Some who call themselves Marxists and Leninists want to win Socialist victory by war."

Dropping his voice to make his point clear, he warned: "The United States has 40,000 atomic or nuclear warheads. What would happen if one let all those bombs come down on humanity? Seven hundred to eight hundred million people would perish. Countries would be rubbed out."

"Would socialism win by a thermonuclear war? No. You cannot build socialism in an atomic-infested territory."

"A 100-megaton bomb — on France or West Germany — would hit you. This I only say to show you the effects. We tried out this bomb and that is what our scientists have calculated."

In his major policy speech in East Berlin, the Soviet premier also:

Called for establishment of West Berlin as a free city guaranteed by the United Nations with foreign troops remaining "for a certain time" under the U.N. flag.

Claimed he was victorious in the Cuban crisis, prevented the United States from attacking the

island and thereby kept communism alive there.

Called for conclusion of a German peace treaty which "will not bring gains to one side and losses to the other." But he set no deadline, saying the Berlin wall had made a treaty a less pressing problem.

Assured the East German Communists Germany will be reunited as a Communist state and anti-Communist forces in West Germany "will be swept away."

The Soviet leader in his 2½-hour speech scornfully reviewed Peking's arguments against his policies. He denied that he had turned soft under U.S. pressure.

He stressed again the need for Communist unity.

JFK May Act In Dock Strike

NEW YORK (AP)—An assistant secretary of labor says President Kennedy may act in the 25-day-old dock strike if the issues are not narrowed here today in what is billed as a "final attempt" at settlement.

Assisting Secretary James J. Reynolds says that if union and industry representatives don't show "substantial progress" he will return to Washington and report to Labor Secretary W. Willard Wirtz who in turn will report to the President.

Reynolds made the statement late Tuesday after several separate meetings with negotiators on each side.

He did not say what action Kennedy might take in an effort to halt the Atlantic and Gulf coasts strike by 60,000 men that has crippled shipping in ports from Maine to Texas.

Presidential press secretary Pierre Salinger declined in Washington to comment on Reynolds' statement.

Unless there is a settlement, soon, the President will be required by the Taft-Hartley Act to report the situation to Congress along with any special legislative plans he might have to end the deadlock.

Kennedy ended a four-day dock strike last October by invoking the national emergency clauses of the Taft-Hartley Act. An 80-day cooling-off period was ordered, and the men went back to work. When the 80-day injunction expired without a contract agreement, the dockers resumed the strike Dec. 23.

Bank Robbery Bid Backfires

CHAMBLEE, Ga. (AP) — Detective Capt. Ted Wayne said Roy Alton Lane, 38, tried to rob the Peachtree Bank & Trust Co. Tuesday but everything went wrong.

Wayne said the man walked in, moved a pistol and ordered: "Put the money in a sack."

But Lane hadn't brought a sack. A bank employee started looking for one.

Then the gunman suddenly collapsed and bank employees tied him up — with a rope he had brought with him.

Lane, a onetime truck driver, was held for investigation of attempted bank robbery.

Fruit, Vegetable Prices Skyrocket

NEW YORK (AP) — Household fruit and vegetable budgets are taking a beating because of weather on both coasts.

Freeszes have boosted orange prices by as much as 100 per cent in some places.

The dockworkers strike along Atlantic and Gulf coasts also has contributed to the price-pushing shortage.

Trade sources say there is little hope for relief from higher fruit prices until new crops come in next fall.

Reynolds criticized both sides—the AFL International Longshoremen's Association (ILA) and the New York Shipping Association, which represents 145 shipping and stevedoring companies.

Togo Leader Has Task Of Finding Jobs

LOME, Togo (AP) — After agreeing to head a new government, ex-Premier Nicholas Grunitsky took on today the burden of finding jobs for angry former soldiers who seized power Sunday and killed President Sylvanus Olympio.

Unemployment was expected to be Grunitsky's major task. Only 7 per cent of the 1.5 million people in this poverty-stricken West African state hold full-time jobs.

Grunitsky, 49, a brother-in-law of the slain Olympio, agreed Tuesday to head a new government. But the nine-member military insurrection committee that overthrew Olympio still held power.

It was reported signing up recruits for a new army as its solution to the unemployment problem.

African Unity Grunitsky, whose Progress party opposed Olympio's nonalignment policies, announced a policy of African unity and alignment with other former French colonies in Africa.

The announcement was expected to increase friction with President Kwame Nkrumah of Ghana, who is lined up with another group of African states and would like to annex Togo.

Emmanuel Bodjolle, 35, a stocky old ex-sergeant, spoke for the ruling junta and the estimated 300 former soldiers in the French colonial forces who overthrew Olympio's administration.

Olympio refused Bodjolle said the group repeatedly asked the Olympio regime to take them into the Togo army, a force of about 1,000 men, or into government employ. Olympio, 61, an economist trained in Britain, Germany and at New York's Columbia University, felt his country could not afford a large military budget.

\$\$\$ TAX CUTS \$\$\$

EARNINGS	PRESENT TAX	PROPOSED TAX	PERCENT CUT
\$3,000	\$60	\$42	30.0
\$10,000	\$1,372	\$1,068	22.5
\$25,000	\$5,824	\$4,680	19.6

The Treasury provided some examples of tax cuts that individuals would receive if President Kennedy's proposed three-year reduction program becomes effective. This tax table is calculated for a taxpayer with a wife and two children, showing the present, the future tax and the percentage. (NEA Telephoto).

Congress Faces Battle Of Budget

WASHINGTON (AP) — A thundering battle of the budget appears to be shaping up in Congress.

Its outcome may determine how much of President Kennedy's proposed tax cuts and welfare legislation will get through.

Housewife To Camp Out For 8 Days

CLARE (AP) — A 47-year-old Wayne housewife is scheduled to hike into the frozen backcountry near here Friday and set up a camp where she will stay alone for eight days and nights.

Mrs. Lavina Radabaugh was invited by representatives from Clare to attempt the survival feat after she challenged a similar expedition made last year by Tony Wedal of Clare. She will receive \$150 if she completes the stay.

According to an agreement with the Clare representatives, Mrs. Radabaugh will take only such supplies as she can carry for a half mile and will live on what she has brought with her and on wild game.

Church Break She must remain in the designated area at all times with the exception of being allowed to attend church in Clare Sunday.

Yanks Consume Lots Of Liquor

WASHINGTON (AP) — Considerable progress was made in imbibing last year. More may lie ahead.

In 1962 liquor consumption in the United States soared to a record high of 252.5 million gallons — 11 million gallons more than 1961.

The Distilled Spirits Institute, reporting this Tuesday, said it expects a jump to 260 or 262 million gallons this year.

11 Crewmen Injured In Carrier Accident

SAN DIEGO, Calif. (AP) — Eleven crewmen of the disaster-prone carrier Constellation were injured in an aircraft landing accident. Two of them lost both legs, another one leg.

U. N. Continues Military Buildup

ELISABETHVILLE, Katanga. The Congo (AP)—Wary U.N. officials continued their military buildup in Katanga today as they awaited Moise Tshombe's next move following his announced

Negotiators Seek End To Press Strike

NEW YORK (AP)—Negotiators for 3,000 striking printers and nine closed New York dailies return to the bargaining table today for another effort at ending the longest newspaper blackout in this city's history.

The resumption of peace talks — first joint negotiations since last weekend — falls on the 40th day of the newspaper famine.

The city's nine major newspapers, with a combined circulation of 5½ million copies a day, have been out of print since Dec. 8 when Local 6 of the AFL-CIO went on strike against four of them.

The other five then closed down voluntarily.

Union members in many trades massed outside the New York Times Tuesday to demonstrate their support of the striking printers. Union officials estimated the crowd numbered as many as 25,000; police put the figure at about 8,000.

Chimney Halts Bid For Drink!

MIAMI, Fla. (AP) — Down the chimney went Ray Tallman. He got stuck at the bottom. Rescue crews with sledge hammers got him out.

It happened Tuesday at a bar at Sweetwater, west of Miami. Police Chief Jack Knight said Tallman told him the bar was closed when he got there, so he tried the chimney route.

The chimney was 12 inches square on top, but tapered to 8 inches below, and the 140-pound Tallman couldn't make it.

Romney Meets Congressmen

WASHINGTON (AP) — Gov. George Romney of Michigan said after a breakfast meeting today with the state's Congressional delegation his purpose was to keep informed about federal programs and to seek cooperation on matters dealing with the state.

Romney, the state's first Republican Governor in 14 years, said that with the start of a new administration in Michigan his concern was to do all he could to work out the problems in the state.

He was sure, he added, that all the state's members of Congress were concerned about finding solutions to the state's problems.

Bennett, Hart Seated with Romney at the head of the table in a dining room in the House side of the capitol were Rep. John Bennett, Republican, dean of the delegation, and Sen. Philip Hart, a Democrat.

Romney told reporters after the breakfast that his No. 1 concern was to have "good, effective communication and liaison with the entire Michigan delegation."

The Governor said he had with him John B. Martin, Michigan GOP national committee man, who would act as liaison contact be-

readiness to end his 2½-year secession.

Military authorities on the scene treated the surrender offer with extreme caution even though the Congolese central government agreed to Tshombe's demand for a full amnesty. It was his lone remaining condition for returning to the Congo fold.

Indian troops advancing on Kolwezi were reported under Katangan mortar fire Tuesday night. The Indians suffered one wounded in a sharp fight earlier in the day. They were reported 72 miles from the Tshombe stronghold and its vital mines and utilities which the secessionists once threatened to blow up.

While U.N. troops in the field kept on the alert, signs multiplied elsewhere that Tshombe's long fight for Katangan independence was at an end.

U.N. Secretary-General U. Thant, often skeptical in the past about Tshombe's pronouncements, welcomed the Katangan leader's new promise to cooperate with the United Nations. Thant said in New York he hoped Tshombe's readiness to allow U.N. troops freedom of movement would be put into effect promptly.

Nine of Tshombe's white officers, obviously not trusting in any amnesty promises from the Leopoldville government, cleared out of Kolwezi and crossed the border into Northern Rhodesia. Tshombe already has paid off the white officers.

Negro Wins Admission To Clemson

ALEXANDRIA, Va. (AP) — A Negro student won a court fight today for admission to all-white Clemson College of South Carolina.

The U.S. 4th Circuit Court of Appeals reversed a lower court decision in the case of Harvey B. Gantt, 19, of Charleston, S.C.

The opinion, only a week after arguments were heard, upsets the decision by Judge C.C. Wyche of the U.S. District Court for Western South Carolina.

Wyche ruled last month that Gantt had not proved by the evidence that he was denied admission solely because of his race.

Attorneys for Gantt, who made his bid to enter Clemson as a transfer student from Iowa State University at Ames, had argued it "is no accident that 'South Carolina is now the only Southern state which has not... either by court order or voluntarily, admitted Negro students to its institutions of higher learning attended by white persons.'"

Doctors Report Gaitskell Weaker

LONDON (AP) — Doctors reported Labor party leader Hugh Gaitskell was a little weaker today and has not responded to treatment.

Doctors at Middlesex Hospital reported that his condition had deteriorated during the previous 24 hours.

Gaitskell, 56, is suffering from a virus infection of the membranes surrounding his heart and lungs.

High School Student Flees To West Berlin

BERLIN (AP) — An 18-year-old East German boy escaped to West Berlin unharmed during the night despite shots from border guards. The high school student crossed four barbed wire fences and the frozen Teltow Canal as the guards fired five rounds from tommy guns.

-11 In City As Cold Wave In Area Continues

This area's severest cold wave in years continued today, although it was somewhat milder last night — if you can accept subzero weather of any sort as being milder.

The minimum temperature during the night was 11 degrees below zero, but compared to yesterday's record low of -18, even that was a little easier on the residents.

However, a slight moderation in the cold wave is expected to start tomorrow.

Looking out of the window was deceptive yesterday. The sun was out 100 per cent of the time from dawn to dusk, for the first time this month, and no precipitation was recorded here, for the first time this month.

However, yesterday was the sixth consecutive day with below normal temperatures and the fourth day in a row that the average temperature was zero or below.

High temperature yesterday was zero, recorded steadily from 2 to 4 p.m. Fred Mueller, meteorologist in charge of the U. S. Weather Bureau in the federal building in Marquette, reported.

Coldest in 27 Years
Yesterday's record — breaking minimum temperature was 18 below zero, recorded at 12:30 a.m. Previous low temperature for Jan. 15 was 16 below in 1888. The weather bureau's recording of -18 was the lowest temperature for any day since Feb. 5, 1936, when the mercury dropped to 22 below.

The low of 11 below zero at 5 a.m. today was two degrees above the record minimum for the day, -13 on Jan. 16, 1888. The average temperature yesterday was nine below zero, or 28 degrees below the normal for the day.

Strong west and southwest winds intensified the cold yesterday and last night. Highest winds were about 18 miles per hour, although the wind velocity didn't vary much during the day and later last night, Mueller said.

-17 At Airport
The Marquette County Airport in Mesaukee Township reported a minimum overnight reading of 17 below at 8 this morning. Houghton,

Calumet and Menominee all reported readings of -16. Sault Ste. Marie, where the high yesterday was five above, reported a low of 18 below and Escanaba reported a maximum of one above zero and minimum of 15 below.

Marquette's snow depth has settled to 14 inches, although a depth of 17 inches was measured just after the biggest snowfall of the season, 10.1 inches which fell from midnight to midnight on Saturday.

No overnight snowfall was recorded by any of the weather stations which reported to the Marquette Weather Bureau this morning.

The county airport reported a snow depth of 26 inches, topped by Pellston in the Lower Peninsula, with a snow depth of 27 inches. Escanaba has a snow depth of four inches, Calumet, 19 inches; and the Soo, eight inches.

No new outbreaks of cold air are expected and the huge Arctic air mass which has settled over the central United States is slowly warming up, resulting in slowly moderating temperatures, Mueller said.

Tonight is expected to be very cold again, with a low temperature between five and 15 degrees below zero. There's a chance of light snow tomorrow, but it is not expected to be quite so cold.

High temperature tomorrow is predicted between 10 and 15 degrees above zero. The outlook for Friday is occasional light snow and slowly moderating temperatures.

Long-Range Outlook
For the next five days, temperatures are expected to average 14 to 18 degrees below the normal extremes of 28 and 13.

The slight moderation in temperatures is expected Thursday through Saturday, with colder temperatures again Sunday and Monday.

Precipitation in the next five days is expected to total one-fourth of an inch, with occasional periods of snow flurries occurring principally over the weekend.

DR. ALGO HENDERSON

Graduates At NMC To Hear U-M Official

Dr. Algo D. Henderson, director of the center for the study of higher education, University of Michigan, one of the nation's outstanding educators and administrators, will deliver the mid-year commencement address at Northern Michigan College Saturday.

The title of his address will be "The Meaning of Freedom for the Educated Man."

The public is invited to attend the program which will begin at 2 p. m. in Kaye Auditorium.

A native of Solomon, Kan., Dr. Henderson is a past president of Antioch College and previously served as New York's commissioner for higher education.

He attended Kansas Wesleyan College of Commerce, University of Pittsburgh, Georgetown University School of Law and the University of Chicago. He received his LL.B. degree from the University of Kansas and a M.B.A. degree from Harvard University.

On President's Commission
Active in education at the national level, Dr. Henderson was a member of the President's Commission on Higher Education (1946-47) and was director of the Governor's fact finding commission on education in Connecticut (1950). He was president of the Ohio College Association (1941-42), president of the Association of Ohio College Presidents and Deans (1939) and a member of the Commission on Higher Education of the North Central Association of Colleges and Secondary Schools (1947-48).

He is a member of the Surgeon-General's Committee on Medical Education, Commission on Educational Organizations of the National Conference of Christians and Jews, Michigan College Accrediting Association and the Governing Board of the Cooperative Bureau for the Placement of Teachers.

Antioch Career Recalled
Henderson began his teaching career at Rawlins County (Kan.)

Picketing At Dow's Depot Slated As Strike Continues

Picketing continued at the Cliffs Dow Chemical Co. plant's main gate on Presque Isle Ave. today with indications that the picketing would spread to the company's warehouse off Lake St.

The strike, over a dispute concerning a proposed wage hike, began at midnight on the night of Jan. 3, and picketing has continued ever since.

This morning spokesmen for the union, Local 14522, United Mine Workers of America, said they expected pickets to be set up at Cliffs Dow's warehouse here, which is the old Gannon Co. building, because the company shipped a carload of charcoal briquettes there Monday.

They added that the company has stored 20 carloads of briquettes about there.

May Withdraw Firemen
"Shipments of briquettes from the warehouse were not supposed to be made under terms of the agreement between the union and

company at the start of the strike," union officials said. They added that the company's action "might compel us to pull out our firemen at the plant."

Since the walkout began, the union has permitted seven firemen to work, in order to maintain steam pressure in the boiler plant. If they are withdrawn and the boiler plant is closed, it will mean that the resumption of operations, after settlement of the strike, will be delayed considerably.

Meanwhile, company officials denied having any agreement with the union not to ship briquettes from the storage depot. "We regard this as any other outside warehouse," said R. W. Jenner, company president. "We have a number of warehouses, in various communities."

Meeting Scheduled
Another negotiation meeting was scheduled today in the company offices. Representatives of the company; the union, including Thomas R. Bush, Sault Ste. Marie, NMW District 50 representative, and Earl Neely, Cadillac, UMW district representative, and Carl York, Escanaba, State Mediation Service, were to attend. York called the meeting.

Cliffs Dow is the nation's largest single producer of charcoal, charcoal briquettes and wood distillation products.

Over 200 have been idled by the strike. Salaried and supervisory personnel only have been working since the walkout, aside from the seven firemen.

The number of working women has increased from 16.5 million to 22.5 million the last 10 years. The proportion of married women working outside their homes has risen from 22 to 31 per cent during the decade.

Obituary

DR. FREDERIC W. WILSON
Dr. Frederic W. Wilson, 52, of 1901 MacVicar St., Topeka, Kan., died Sunday morning in St. Francis Hospital, Topeka, following a long illness.

He was born on Feb. 23, 1910, in Brockway, Penn., and had been a resident of Topeka since 1960.

Dr. Wilson was a graduate of the University of Michigan Medical School and was a certified psychiatrist and pediatrician.

He is survived by his wife, the former Holly Finnegan; two daughters, Miss Mary Wilson and Miss Anne Wilson, students at the University of Michigan; a sister, Mrs. Frank Burrow, Cheswick, Penn., and three nephews.

Yesterday morning at 9:30 a Solemn Requiem High Mass was offered in the Most Pure Heart of Mary Catholic Church, Topeka.

The body will be removed to Tonella's Funeral Home here and committal services will be held at 1:30 tomorrow afternoon with a priest from St. Peter's Cathedral officiating. Burial will take place in Holy Cross Cemetery.

DELBERT RODABAUGH
Services for Delbert Rodabaugh, McFarland, who died early yesterday morning in St. Luke's Hospital, will be held at 2 tomorrow afternoon in the Fassbender Funeral Home with the Rev. John Small, Rock, officiating. Burial will be made in the Hillview Cemetery, McFarland.

County GOP Meets Here On Jan. 30

Marquette County Republicans will meet in Marquette on Wednesday, Jan. 30, to elect delegates to the state Republican convention and to prepare resolutions to be presented at the state convention.

Walter Scanlon, Ishpeming, county Republican party chairman, announced that the county convention will be held at 7 p. m., Jan. 30, in the Marquette County Courthouse.

Nine delegates and nine alternate delegates will be selected to represent the county party at the state convention, which will be held Feb. 15 and 16 in Grand Rapids.

Entrance to Missouri's Meramec Caverns is a natural arch, 50 feet wide and 20 feet high.

The average home contains 20 to 25 electric motors.

Three More File Petitions For City Posts; Municipal Primary Vote Appears Likely

Three more persons filed nominating petitions for municipal offices yesterday, increasing the total of those seeking city posts to seven.

Four persons have submitted petitions for city commissioner and three for supervisor, and since at least two others are expected to run for city commissioner, it appears certain that there will be a primary election.

The city election will be held on Monday, April 1, and the municipal primary on Monday, Feb. 18. In the city election, two commissioners and two supervisors will be chosen for two year terms and a municipal judge will be selected for a six-year term.

Both two-year terms begin the week following the spring election. The judge's term begins Jan. 1, 1964.

Candidates Listed
In April, terms of Mayor James R. Smith and Commissioner Joseph Fine and Supervisors Charles T. Beaudry and E. Kenneth Goldsworthy will expire. The incumbent municipal judge is Edward H. Dembowski, who is expected to seek re-election.

Candidates who filed petitions yesterday were Leonard Sampalla, 912 W. College Ave., operator of Sampalla Construction Co., and Rudolph J. Blazina, 222 N. Fourth St., a disabled former city employee, who are seeking the office

of commissioner, and Goldsworthy, who resides at 418 E. Albert St., department manager, Getz Department Store.

Mayor Smith and Fine, who also is mayor pro-tem, and Beaudry have filed petitions for re-election. Mrs. Margaret Schnorr also has filed for supervisor.

Petitions Deadline Monday
Petitions must carry the signatures of not less than 25 nor more than 50 registered voters in Marquette.

An elector may sign not more than two petitions for commissioner, not more than two for supervisor and not more than one for judge, since that is the number to be elected for each office.

The filing period opened Jan. 7 and the deadline for submitting nominating petitions is 5 p. m., next Monday.

Archaeological studies indicate man may have made his first tools, crudely chipped stones, some 500,000 years ago.

CHEVROLET... the Quality truck!

WALK AROUND IT. SEE THE DIFFERENCES.

Start at the rear of this Fleetside pickup. Grab the tailgate and pull hard. No give. Two wedge latches keep it tight. Now unfasten them and let down the gate. Jump up and down on it. Does it sag? Notice how the chains are wrapped in rubber so they won't rattle or mar paint.

Now look at the lower side panels. Two walls. You might dent the inside one but it won't show through. The floor will never rust. It's select wood, not metal.

Now please sit in the cab a minute. Comfortable? It also is double walled and the roof is insulated. Let's start 'er up and look for a washboard road. Chevrolet coil-spring suspensions fight road shock better than other types, good for the truck, load and the driver. There are other things. But you can see why this is a truck that does a job without a lot of pampering. It's built right. Which is why it's usually worth more at trade-in. When would you like us to deliver it?

2 NEW 6-CYLINDER ENGINES

New High Torque 230-cu.-in. Six is lighter but more powerful than its predecessor. It is standard in Series C10 through C50 models.

New High Torque 292-cu.-in. Six—most powerful truck 6 Chevrolet has ever built! Standard in Series C60, optional at extra cost in lighter models.

County 1st In State To Exceed Christmas Seal Total For 1961

Returns from the Marquette County Tuberculosis Association's 1962 Christmas seal sale have more than doubled 1961 total proceeds, Mrs. James Campbell, Marquette, campaign chairman, said. Proceeds reached 295 per cent of the 1961 total last week, when \$9,738.83 was recorded in the seal campaign fund. In the previous year proceeds totaled \$4,731.22 at the end of the county seal campaign.

The Marquette County association was the first in Michigan to top its 1961 mark for Christmas seal proceeds. The 1961 total was exceeded on Dec. 7, in the fourth week of the campaign.

State Total To Top Million

Total State proceeds were \$908,274 on Jan. 4, which was 92 per cent of the state's total figure. Late returns are expected to bring a final upsurge to county totals, making this the first million dol-

lar campaign in the state association's history.

John R. Kivisto, Ishpeming, president of the county tuberculosis association, said: "The success of the seal campaign means that Marquette County is now sharing its portion of the costs of state research and scholarship programs."

"In the county, our present services can be continued and expanded and new programs now in the planning stages can be initiated this year."

"County residents have established a challenging beginning for the county TB association's 1963 program and we are glad to accept the responsibility."

Any persons who have not yet made contributions to the 1962 Christmas seal campaign may mail their contributions to John Lehtonen, county association treasurer, at the First National Bank in Negaunee.

Dairy Manufacturers Of U.P. To Meet In City Jan. 22-23

Marquette will be the site for the 29th annual convention of the Upper Peninsula Dairy Manufacturers Association.

Meetings will be held next Tuesday and Wednesday, Jan. 22 and 23, in the Hotel Northland here.

Announcement of the two day long convention was made by William Jilbert, association president, of Jilbert Dairy, Calumet.

Speakers Listed

Convention keynote speaker is Dr. G. M. Trout, East Lansing, Michigan State University, who will talk on "Let's Sell Dairy Products."

Others addressing the convention include Charles "Jack" Little, MSU's Upper Peninsula extension dairyman and director of MSU's Experiment Station at Chatham; D. L. Murray, East Lansing, MSU extension dairyman; Dr. Charles Stine, professor, food science, MSU; Frank Koval, executive secretary, Michigan Dairy Products Association, Lansing.

Boyd Rice, secretary-manager,

American Dairy Association of Michigan, Lansing; Earl E. Gulland, Milk Marketing Administrator, Duluth; F. M. Skiver, dairy division, Michigan Department of Agriculture, Lansing, and George S. McIntyre, director, Michigan Department of Agriculture, Lansing.

Officers Named

Present officers of the U. P. Dairy Manufacturers Association, in addition to Jilbert, are Roy Fassbender, vice president, Bancroft Dairy, Marquette, and Reginald Turner, secretary-treasurer, Soo Creamery, Sault Ste. Marie.

Directors are Walter Unger, Iron Mountain; Ed Caspiga, Iron River; Dominic Frigo, Carney; Vaughn Kuster, Bessemer; Egbert Talsma, Sault Ste. Marie; Eino Juntunen, Dollar Bay; Clarence Vocke, Menominee; R. H. Brown, Iron Mountain; and Bert Jeske, Rudyard.

Honorary directors are: Dr. S. H. Buck, Marquette, and U. F. Asselin and William Asselin, Norway.

Federal Court Jury Here Awards \$4,750 To Plaintiff

Damages of \$4,750 were awarded to the plaintiff in a jury trial concluded here yesterday during a special term of United States District Court.

The jury returned the verdict yesterday afternoon, after a two-day trial which began Monday.

The plaintiff, Walter Strieter, 47, represented by the Hancock law firm of Wist and Jaskalain, claimed damages of \$25,000 against the Chicago and Northwestern Railroad Co., represented by the law firm of Davidson, Clancy and Hansen, Ishpeming.

The case grew out of an accident on Sept. 28, 1960, at the Escanaba ore dock, in which Strieter, a boatswain, was struck by chunks of falling ore. He had been employed on an ore boat at the time.

Witnesses called Monday by the attorneys for the plaintiff included Strieter, Lee A. McMillan, Escanaba, and Charles H. Bech, Escanaba. Yesterday morning Dr. Maurice D. Meier, Calumet, testified for the plaintiff.

Kenneth A. Botwright, Escanaba,

ba, was called as a witness for the defendant yesterday.

Second Trial Begins

Ventures in the case were Joseph E. Denman and C. Elmer Carlson, Munising; Joseph W. Forsythe, L'Anse; Emma C. Fredrickson and Anton J. Abel, Escanaba; John B. Fugere and Donald P. Ring, Iron Mountain; William F. Jacka and Robert P. Graham, Crystal Falls; Leonard Hendrickson, Newberry; Mrs. Egnazio Pezzotti, Negaunee, and Mrs. Jennie E. Hill, Ontonagon.

A second jury trial got under way yesterday afternoon. The trial, a civil case, is Henry J. Turan, individually and as a guardian of Lois N. Turan, a minor, vs. Midland Superior Express and Marten J. Pedersen.

City Paragraphs

Scottish Rite Bodies will hold a regular meeting Friday at 7:30 p. m. in the Masonic Temple, Marquette.

Candles have been used to measure time and light. King Alfred the Great of England ordered the manufacture of time-keeping candles, six of them sized to burn in 24 hours.

Obituary

MRS. HELEN EGAN

Mrs. Helen Egan, daughter of the late Edward and Alice McDennell, lifetime residents of Marquette, died earlier this month in Superior, Wis.

She was born here July 13, 1889, and moved to Superior 55 years ago. She was a member of St. Patrick's Church, Superior, where rites were held.

Mrs. Egan is survived by her husband, Michael J.; a daughter, Mrs. Robert (Ruth) Fallon, Milwaukee; three sons, William F. and John V., Superior, and Edward B., Wichita Falls, Texas; a brother, Patrick E. McDonnell, Superior; 15 grandchildren and one great-grandchild.

Get Car License Now To Avoid Long Lines Later, Drivers Told

Approximately 10,000 license plates for 1963 will be issued here before the end of February, which means long waiting lines for motorists who have not yet obtained licenses.

Licenses are on sale in the branch office of the secretary of state, 309 W. Washington St.

Gertrude Jandron, manager of the branch office, said sales are lagging far behind last year's sales. She noted that lines for last minute purchase of the 1963 plates will probably form outside of the small office.

Tags are being issued to owners of automobiles, but owners of other types of vehicles are receiving the regular license plates.

Date On Sales To Date

Through today, only 1,168 licenses for passenger vehicles had been

issued, as compared to 1,782 for the same period last year.

For pickup trucks, 70 license plates had been issued in comparison to 106 for the same period last year.

Sale of plates for commercial vehicles, and small and large trailers has been greater this year, because several large companies reported earlier this year, Mrs. Jandron noted.

All trucks, including pickups, and trailers weighing more than 450 pounds must be weighed, Mrs. Jandron said.

Titles must be presented so that they can be stamped with the current license number, she added.

The branch office is open from 9 a. m. to noon on Saturdays, in addition to regular hours on week days.

City Bookkeepers Busy With Year End Accounts, Reports

"Bookkeepers are busy throughout the city with end-of-the-year work and, according to the weekly report made today by City Manager Thomas Moore, the finance division of the City of Marquette is no exception.

During the past week employees of the finance division prepared the monthly sales tax, the quarterly social security and the monthly state retirement system reports.

The general cash bank reconciliation was made and check vouchers were multiple-posted for bills payable.

The yearly payroll summary for

W-2 control purposes was completed and the monthly payroll distribution and equipment reports were summarized for posting purposes.

Social security and withholding tax summaries for the month, quarter and year were prepared and city employees' savings bond applications for December were processed.

Summaries of Blue Cross costs for the calendar and fiscal year were made and workman's compensation summaries for audit purposes were completed.

In addition, the finance division continued the re-writing of 1963 meter-reading sheets and carried on routine general and customer accounting, purchasing and filing.

Excerpts from the reports of other municipal departments follow:

Farm Award Slated During State Week

Michigan's 10th anniversary Michigan Week observance, May 19-25, will have a state agriculture award of the year in addition to the state industrial product of the year and state community achievement of the year awards of earlier celebrations.

County eliminations for each of the awards are scheduled for March 25; regional eliminations, by April 8, and state finals, by May 1. The Upper Peninsula, due to recent attention focused on industrial and community development, is expected to enter into all three contests.

The new agricultural award of the year will be given for either a product or a process. The product or process must be one which has attracted attention or investment, which has contributed to the economic betterment of the community and which has excellent potential.

State Originated Or Developed

It must have originated or been developed in Michigan in the past few years.

The product of the year award is given to the company which has developed a product judged to have made the most outstanding contribution to the economic welfare of the community. It must be a consumer product of recent development and it should have national distribution.

The achievement of the year award goes to the community, civic or service organization which has made the greatest contribution to community or cultural development or helped in a most significant way to create new jobs for the area.

None of the three awards goes to an individual.

Milton Kendrick, Michigan Consolidated Gas Co., Detroit, is chairman of the state awards committee. The committee is part of the Michigan Week Business and Products Promotion board, headed by Wesley Baker, S. S. Kresge Co., Detroit.

Area Chairmen Listed

The competition in the Upper Peninsula is in charge of the three original chairmen and their business and products promotion coordinators.

The chairmen are William P. Nicholls of Houghton, Bill Owen of Marquette and Dr. Kenneth Shoultice of Sault Ste. Marie. The coordinators are Edwin Stoneman of Houghton, John Farley of Menominee and Don Howson of Sault Ste. Marie.

Child Hurt, Two Motorists Ticked In Mishaps In City

A youngster was injured and two motorists were issued tickets in six traffic mishaps which occurred in Marquette yesterday. Twelve vehicles were involved in the collisions.

1. The injury occurred in an accident at 11:47 yesterday morning on S. Fourth St., south of the Baraga Ave. intersection. City police said Louis Dupras, 704 Champion St., was driving south on Fourth St. when Michael Stuer, 12, son of Mr. and Mrs. John P. Stuer, 394 Blenheim Ave., ran out from the side door at St. Peter's Cathedral and into the street, going into the right front fender of the car.

The Stuer boy suffered bruises on his left hip and was taken by the driver to St. Mary's Hospital, where he was treated, examined and released.

City police said the child reported he didn't see the car approaching.

2. An automobile being driven south on Pine St. by Gordon A. Lawry, 422 Summit St., was struck by a car operated by Donald B. Myrold, 1613 Elm St., who was traveling east on E. Arch St., at 11:25 yesterday morning.

Right-Of-Way Violation

The left front of Myrold's 1959 station wagon and the right rear fender of Lawry's 1959 delivery van were damaged. Both were

damaged on the present road, aggravated by road conditions." He said that if the city could find funds to rebuild the road by Oct. 1 he would "cheerfully furnish the right-of-way to the city dump."

Commissioner C. Fred Rydholm, noting that action on Pioneer Rd. has been taken off the budget for about six years, said it may be worthwhile looking into the offer, and on his motion, supported by Commissioner Elmer K. Carlson, the matter was referred for a study and report to Moore.

Right-Of-Way Offer For Road Studied

City Manager Thomas Moore will study a proposal by Jack C. Messenger, Route 2, Pioneer Rd., to offer the city some right-of-way for a temporary road.

Messenger submitted his proposal in a communication to the Marquette City Commission at its regular meeting in the city hall this week, saying he would grant the city an easement, without charge, to build a temporary road across the back of his land to the city dump, so that provision might be made for the complete rebuilding of Pioneer Rd.

"Temporary Arrangement Only"

"It is to be understood that this is only a temporary arrangement," Messenger said, "and that all existing conditions revert to me upon completion of the work."

Messenger termed Pioneer Rd. as being "the worst in South Marquette, perhaps in Marquette County," and said there is a lit-

Packers' 'Golden Girl' On Telethon

Mary Jane VanDyuse (above), the Green Bay Packers' "Golden Girl," a former Wisconsin state and national baton twirling champion, who in 1957 was the world's most famous drum majorette, will appear on the March of Dimes telethon this weekend. She appeared in movies for Allied Artists of Hollywood, McGowan Productions of Florida and Paul Hesse, Hollywood, and in 1959 appeared at Madison Square Garden, New York City, as Wisconsin's Cherry Blossom Queen. While in Marquette this weekend Miss VanDyuse will be a guest of Mrs. Ruth Gustafson, a dance instructor, both of whom are members of the Chicago National Association of Dance Masters.

Births Here Total 766 In Year, Least Since 1950; Death Figure Dips To 222

Births in Marquette last year totaled only 766, the least for any year since 1950, when only 734 babies were born here.

Deputy Registrar Donna Williams also reported that 222 persons died in Marquette during the year, four less than the previous year, believed to be the least since the end of World War II. Highest figure during that period was 239, for 1956.

In December, births numbered 63, the fewest for any December in many years and 20 under the December 1961 figure.

140 Expected For Builders Meet Tonight

Approximately 140 persons are expected to attend the 12th annual meeting of the Marquette Builders Exchange to be held this evening in the Elks Temple.

Speakers will include Henry Jordan, defensive tackle, and John Symank, defensive half-back, of the World Champion Green Bay Packers, and W. H. Treloar, general manager of The Mining Journal.

Both Jordan and Symank are in their sixth year of pro ball and both played in the Packers' 16-7 triumph over the New York Giants in the National Football League playoff game Dec. 30.

Certificates To Be Given

Treloar will have "Fellow Turfies" as the subject of his talk.

Twelve apprentices who have completed training will be presented with journeyman's certificates by Chester L. Walker, Marquette, U.S. Department of Labor representative.

The Builders Exchange is headquartered in the Marquette Chamber of Commerce Building, Howard G. McKie, Marquette, is president.

Munising Commission Gives 'Rocks' Measure Qualified Endorsement

MUNISING — Qualified endorsement of establishment of the proposed Pictured Rocks recreation area was approved in a resolution adopted by the Munising City Commission at its first 1963 meeting.

Exchange of government property "of comparable value" for land taken from private owners in setting up the recreation area — to maintain a limit of 37 per cent of land held by the state and federal governments in Alger County — was one of the stipulations stressed by the commission in its resolution.

Statement By Commission

After studying provisions of Senate Bill 3364, which is the bill introduced by Sen. Philip Hart (D-Michigan) to set up the Pictured Rocks area, and considering them in light of the particular needs of this community, the commission declared in its resolution:

"The desperately needed increased economic activity to the area would of necessity be deferred during an interim period of development under terms of the proposed bill, because the City of Munising cannot withstand at this time the slightest decrease in revenues without seriously jeopardizing her viability or the health and welfare of her citizens through a resulting curtailment of city services.

"Sites for future industrial developments are limited, and such sites are vital for future planning purposes and the welfare of the community and the county.

"Being familiar with the terrain in the proposed area is of vital interest in seeing that the best possible use be made of this area to the ends that the public, the county and the community may derive benefits from the proposed plan."

Changes Listed

In its resolution, the commission said it is in favor of Senate Bill 3364 "if the following concessions are made and the present bill amended accordingly":

1. That as far as possible and where the owners are willing, the state and federal governments attempt to compensate for private land taken by trading to the other private owners government-owned property of comparable value in this area to the end that the present 37 per cent of government-owned property in Alger County shall not be increased.
2. That there be deleted from the present proposal the 415 acres commonly known as the Sand Point area, with the understanding that the city will grant to the Federal Government on a first priority basis all the portions of this area that are needed or desired for specific and immediate improvements to the end that the city tax revenues need not be cut and that the industrial sites would be available if the need arise.
3. That the present proposed scenic highway be changed to go along the north side of Beaver Lake and Chapel Lake to the end that there can truly be a shoreline drive, and so that the particular scenic beauty of this stretch can be enjoyed.
4. That the proposed scenic drive be built according to the specifications and requirements for

highways built by the State of Michigan.

"With these amendments made to the proposed Senate Bill 3364, which are felt to be imperative to the vital community interest, the City of Munising hereby pledges its wholehearted cooperation and full participation in seeing that the proposed plan becomes a reality," the resolution declared.

"The City of Munising will render those services of education and use of its planning facilities which are available to promote this worthwhile project. Further, the city commission hereby makes itself available at any time to discuss and aid the drafters of this bill in arriving at a final proposal which can be given the complete and unequivocal recommendation of this community."

Snow Removal Ordinance

The commission also set Tuesday, Jan. 22, as the date for a public hearing on the city's proposed snow removal ordinance.

A meeting will be held at 7:30 in the Alger County court house, at which time the commission will be present to discuss with interested parties the various sections of the proposed ordinance. Copies of the proposal are available at the city hall and also will be available at the meeting.

The suggested ordinance is designed to eliminate traffic hazards caused by private snow removal. It also is hoped that the proposal will correct existing problems caused by private snow removal and thereby facilitate the city's snow clearing problems. Discussion will be confined to problems bearing on private snow removal.

Because of the complexity of the problem involved and the immediate community interest affected, the commission urges all those interested to attend and make suggestions or objections to the proposed ordinance.

Reject Dance Request

In other business, a letter was read from John Fink, vice president of the Munising High School junior class, requesting permission to use the community building for a dance Friday night after a basketball game sometime in the future. The dance, he said, would be chaperoned by high school teachers. The request was denied by the commission and it was recommended that in the future such requests be sanctioned by school authorities before they are submitted.

After hearing a report from the harbor commission, the sum of \$1,000 was allocated on a matching fund basis with the Michigan Waterways Commission for engineering costs for the proposed projects on the dock and loading ramp facilities. Members of the harbor commission are Darrel Younk, chairman; Stanley Whitman, secretary; Everett Morrison, Arthur Davis and Charles Anderson.

The poisonous drug ergot is obtained from a fungus that attacks barley, rye, wheat and many wild grasses.

County To Receive \$93,779 In Federal Funds For Roads

Marquette County will receive \$93,779 in federal matching funds for construction on state and county secondary roads, the Michigan State Highway Department has announced.

Michigan will receive \$8,318,348 in federal funds for secondary road construction during the fiscal year starting July 1, an increase of 6.8 per cent over last year.

For Construction Only

The State Highway Department will keep approximately three million dollars for use on its secondary system, the same amount it has received during the last five years, under an agreement with the County Road Association.

Each county road commission must match the federal funds and they may be used for construction purposes only. The money is allocated to the counties on the basis of land area, population and road mileage.

Only six counties, Wayne, Oakland, Kent, Genesee, Macomb and Saginaw will receive larger apportionments than Marquette County.

Upper Peninsula county apportionments are:

Alger	\$39,277
Baraga	\$38,607
Chippewa	\$80,012
Delta	\$60,542
Dickinson	\$39,712
Gogebic	\$49,998
Houghton	\$57,665
Iron	\$52,585
Keweenaw	\$20,527
Luce	\$36,913
Mackinac	\$46,798
Menominee	\$61,378
Ontonagon	\$53,947
Schoolcraft	\$46,997

Republicans To Fill Post Next Month

LANSING (AP) — Gov. George Romney says the job of Republican state chairman will be filled next month after careful screening of all possible candidates by a group of some 60 or 70 party leaders.

"We're not going to block the consideration of anyone," Romney told newsmen Tuesday.

"There's no reason why anyone who wants to be considered should not be considered."

The chairmanship will become vacant when Republicans meet in Grand Rapids Feb. 15-16 for their state convention. The current chairman, George Van Peursem, has announced he will not be a candidate for re-election to the

Two-County Map Used In Travel Show Exhibit

Ken Dorman (right), secretary-manager of the Upper Michigan Tourist Association, outlines Marquette-Alger County area of lighted map for Walter Cook, Marquette. The two-county map mounted in table top, together with one showing entire Upper Peninsula, is part of UMTA's booth to be exhibited at Michigan Sports, Boat & Vacation Show in Detroit Jan. 19-27 and at other travel and resort shows later in winter and spring. In background is part of large panel that will identify the Upper Peninsula booth. The Cook Sign Service is now engaged in preparing the booth materials—weighing in excess of a ton—for shipment to Detroit.

Armed Forces Personnel

Transferred from Hawaii to Japan, is John R. Raade, son of Mrs. Edith Raade, Negaunee. He is now serving on the U.S.S. Duncan. His address is: John R. Raade, E. T. N. 3, U.S.S. Duncan, D.D.R. 874, P.O. San Francisco, Calif.

Louis J. Zanetti, son of Mr. and Mrs. Bruno Zanetti, Gwin, recently graduated from the U. S. Naval Hospital Corps School, Great Lakes, Ill. He received an academic award for being one of the top students in his class. He is now stationed with the U. S. Naval Hospital Staff at Camp Le Jeune, N. C.

Recently serving with Marine Corps units located at the U. S. Naval Base, Guantanamo Bay, Cuba, is Cpl. David J. Hill, son of Mr. and Mrs. Ralph Larson, Skandia.

Wayne S. Sarka, fireman, son of Mr. and Mrs. Stephen J. Sarka, 907 N. Third St., Marquette, while aboard the attack aircraft U.S.S. Independence, served with the

Sheriff Lists Staff's Work For December

Personnel of the Marquette County Sheriff's Department received and investigated 127 complaints last month, Sheriff Thomas F. Jernstad of Marquette reports.

Complaints closed during the month numbered 118, with nine remaining open at the end of the month.

During December two felony arrests and nine misdemeanor arrests were made by county officers.

One special and five regular employees worked a total of 1,383 hours last month. This included 100 overtime hours, in excess of normal shifts. Sheriff Jernstad said 682 hours were spent on turn-key duty, 548 hours on desk duty.

U. S. quarantine force in the Caribbean.

ty and 152 hours on outside work.

51 Probes For Others

County officers fingerprinted 98 persons, made 23 record checks, conducted 51 investigations for others and investigated seven missing persons reports.

Seventeen letters of information and recommendation were written. Personnel attended three appeal hearings and five special conferences, investigated 10 dog complaints, transferred two mental patients and three persons to prison.

In addition, personnel of the department issued 207 drivers' licenses, processed 14 concealed weapons applications, issued 16 pistol permits and registered 21 guns.

One liquor license application was approved during the month. County officers served 59 civil processes and attended nine hours of court.

Jail Data Given

Inmates admitted to the county jail in December numbered 72. They served a total of 864 man days.

Meals served to prisoners during the month totaled 2,597, while fines and costs collected at the sheriff's department in December totaled \$1,053.60.

Worry of FALSE TEETH Slipping or Irritating?

Don't be embarrassed by loose false teeth slipping, drooping or wobbling when you eat, talk or laugh. Just sprinkle a little FASTEETH on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No sunny, soapy, pasty taste or feeling. It's alkaline (iron-acid). Get FASTEETH at any drug counter.

Coordinating U.P. Development

Robert Nathan of Washington, D. C., one of America's famed economists, was a Marquette visitor during the past weekend. His firm, Nathan Associates, has been retained by the federal government's Area Redevelopment Administration as economic counsel to the Upper Peninsula Committee on Area Problems. This is an organization formed under the guidance of Michigan State University by boards of supervisors in 14 of the 15 U. P. counties to coordinate planning for economic development in the U. P. (Marquette County is the only non-member).

The role of UPAC inevitably brings it into relationship, if not conflict, with other agencies working the same vineyard, so its officers invited in representatives of the other agencies to talk about coordinated action on the occasion of Mr. Nathan's visit to his U. P. client. Also represented at the meeting were the Forum on Resources of Upper Michigan and Operation Action, a new agency which grew out of 1962's Operation Progress-U. P., sponsored by the Greater Michigan Foundation.

Mr. Nathan said that the U. P. has lots of problems and can use lots of work on economic development. He regards the several agencies as needed and desirable and is not concerned about proliferation of economic development efforts, but thinks that there should be a central council of some sort to give overall direction to the planning of all agencies on a basis of pres-

tigious recommendation and not directive authority.

This is desirable, and apparently an effort in this direction is now under way with representatives of the three organizations to discuss a coordinating agency. The public may be somewhat mystified as to why there should be several agencies and not one working for the betterment of the Upper Peninsula's economy, but it has happened quite naturally as result of needs and it is an essentially healthy condition which brings many diverse talents and resources to the aid of the Upper Peninsula.

FORUM was created to study and report on U. P. resource use, needs and plans. Its effectiveness has been demonstrated in one of its first undertakings, a study of the Pictured Rocks Lakeshore proposal of Sen. Philip A. Hart. Sen. Hart has revised his proposal as result of the study. The lakeshore proposal initially considered only recreational aims in a huge area with economic needs that could not be supplied by an economy exclusively based on recreational industry.

Mayor Harold Vanlerberghe of Escanaba, an official of UPAC, lauded FORUM for its role in this study. He said UPAC was not equipped to do it as well.

UPAC was created because there was no Peninsula-wide agency devoted to economic development. The boards of supervisors appropriated tax money to finance its activities. It is the agency which is helping with the preparation of the Overall Economic Development Plans required of each county which wants to participate in the Area Redevelopment Administration's program of subsidies.

UPAC's activities brought it problems that called for economic counseling, and ARA provided the services of Nathan Associates under a federal government contract. These services are available to all 15 U. P. counties.

As originally created, UPAC didn't envision such intimate ties with an agency like ARA, but they developed. Original intention was to develop economic projects, take them to industry and investors for action. Now the emergent role of UPAC seems to be to plan projects that will be financed in the "public sector," that is, with government funds.

Mr. Nathan expressed the opinion that an instrument for getting private financing is not existent in UPAC. (It has no resources of its own for last resort loans, etc.) But it has a very valuable quasi-governmental character and it is a grass roots organization sponsored by the county governments of the Upper Peninsula and exercising their authority and influence in community action for economic development.

Major decisions in big industry are made by the captains of big industry. This is the reason for Operation Action. Its membership is a Who's Who of men significantly important to Michigan's (and especially to the Upper Peninsula's) economy. It also includes leaders in education and communications and other fields.

This group has access on a basis of intimacy and confidence to the resources of venture capital and other things needed to enlarge the economy of the U. P. Its members direct much of the industry in the U. P. and Lower Michigan. If it is familiar with the problems of the U. P. and convinced that there are solutions within their means, a giant step will have been taken toward their solution.

This is the reason for Operation Action. Typically, one of its leaders, Walker L. Cisler, president of Detroit Edison Co., sponsored the Ebasco Report on the Upper Peninsula's economy 10 years ago and is having it updated at the present time so that the factors to be worked with can be known accurately and changes gauged. This sort of leadership is beyond price. It is vital to area growth and it is not incorporated in UPAC, which has its own special merits in its community influence.

The Upper Peninsula can use the full potentials of all these agencies and should support them all and count upon them to work out amicably among themselves their inner relationships so that they do not duplicate efforts or undertake competition.

17 From Marquette Area Among Recipients Of Degrees From NMC

The following 17 students from the Marquette area will receive degrees from Northern Michigan College on Jan. 19.

Jane Pelissier, the daughter of Mr. and Mrs. Paul Pelissier, 518 S. Front St., Marquette, is receiving a B.S. degree in early elementary education. She has accepted a position with the Badger School in Milwaukee, teaching kindergarten.

Carol Lee Feverston, daughter of Mr. and Mrs. Allen Feverston, 1817 W. Fair Ave., Marquette, is receiving a B.S. degree in secondary education with an English major. She is a member of Beta Omega Tau sorority and the English Club.

Mrs. Denise Bullock Hammond, the daughter of Mr. and Mrs. James C. Bullock, 1115 High St., Marquette, will receive a B.S. degree in home economics, with minors in clothing and art. She is a member of the Home Economics Club, Kappa Delta Pi National Honor Society and Future Youth Leaders.

Mrs. Margaret S. Yusko of 128 E. Crescent St. will receive a B.S. degree in elementary education.

She is a member of Kappa Delta Pi National Honor Society.

Lowell H. Fleury Jr., son of Mrs. Irma Fleury, Gwinn, will receive a B.S. degree in conservation.

Nancy Embolm, daughter of Mr. and Mrs. Carl Embolm, Ishpeming, is receiving a B.S. degree in history.

Karl H. Fassbender, son of Mr. and Mrs. John Fassbender, Ishpeming, is receiving a B.S. degree in secondary education with a biology major. He was a member of the Cambium Club and bowling club.

Kay M. Kosonen, daughter of Mr. and Mrs. Wilho Kosonen, former residents of Ishpeming, is receiving a B.S. degree in elementary education. She was a member of the college choir.

James A. LaCombe, son of Mrs. Mary LaCombe, Ishpeming, is receiving a B.S. degree in secondary education with a mathematics major. He was active in the mathematics club.

Warren N. Matthews, son of Mr. and Mrs. J. C. Matthews, Ishpeming, is receiving a B.S. degree in secondary education with a mathematics major.

John F. Van Brocklin, son of Mrs. John Van Brocklin, formerly

of Negaunee, is receiving a B.S. degree in secondary education with a conservation major. He participated in track and chorus.

Ronald Foisie, son of Mr. Joseph Foisie, Negaunee, is receiving a B.S. degree in secondary education with a history major.

Eugene Pezzotti, son of Mr. and Mrs. Egnazio Pezzotti, Negaunee, is receiving a B.S. degree in secondary education with an industrial arts major.

Anita Nurmi Adamson, daughter of Mr. and Mrs. Matt Nurmi, Negaunee, is receiving a B.S. degree in secondary education with geography and English majors. She is a member of community orchestra and Kappa Delta Pi.

Richard J. Debelak, son of Mr. and Mrs. Frank Debelak, Traunick, is receiving a B.S. degree in secondary education with a mathematics major.

Paul F. Blewett, son of Mr. and Mrs. Fred Blewett, Ishpeming, is receiving a B.A. degree in secondary education with a mathematics major.

Lorraine B. Krier, daughter of the Rev. and Mrs. O. E. Bakken, 901 College Ave., Marquette, will receive a bachelor of music education degree. She is a member of the chorus and collegiate chorale.

Peninsula Perambulator

Two retired businessmen have agreed to serve as acting co-managers of the Iron Mountain-Kingsford Chamber of Commerce until a permanent executive director is named. Announcement of the appointment of Felix Wittlock, supply company founder, and Leo Wyss, former power and transmission superintendent of the Wisconsin-Michigan Power Co., was made by John Colenso, newly-elected C-C president.

The largest single enrollment night in the history of the Escanaba adult evening school program was recorded when 284 persons signed for courses.

A special committee of the State House of Representatives has arrived in Menominee to start recount of votes cast in November in the race between Republican Clifford Ferras of Nadeau and Democrat James Constantini of Iron Mountain for the office of state representative. In the official canvass, Ferras defeated Constantini, the incumbent, by 95 votes. The latter asked the recount.

Bethlehem Steel Co. announces it has offered to deed approximately six acres of land, the headframe and engine house of the old Caspian Mine for community use as a museum and park. The move, according to company officials, was prompted by newspaper stories on organization of the Iron County Historical and Museum Society. The Iron County Board of Supervisors has been asked to accept the offer of the deed and to specifically designate the area as a mining and historical museum. The headframe would be preserved as a landmark; the engine house would contain mining and area antiques, and the grounds would be used as a park.

Temporary facilities are being used by Loretto Catholic Central High School students in Sault Ste. Marie after the building was ordered closed last week by the Most Rev. Thomas L. Noa, bishop of the Catholic Diocese of Marquette, because of hazardous conditions. Use of part of the Loretto building (the first and second floors) was approved by the state police fire marshal's division, while temporary facilities at St. Mary's and St. Joseph's elementary schools also will be used. About 300 students are affected by the closing of Loretto, which serves the entire Sault area.

George A. Osborn, veteran publisher of the Sault Evening News, was elected as Sault Ste. Marie's outstanding citizen of the year by the Elks lodge of that city. He will be honored at a dinner March 2, when a plaque will be presented in recognition of more than 50 years in the newspaper business and participation in local and state affairs.

60 Years Ago

—Marquette—
Fire broke out in the second story of the Washington St. Block occupied by John Platzenberg about 4 yesterday afternoon and for a time it was a good deal of a question whether the building could be saved, as the flames were firmly seated and very hot. However, the firemen succeeded in confining the blaze to the second floor and preventing the gutting of the structure, although upwards of \$1,000 worth of damage was done to the building.

George Randolph has gone to Lake Independence to take a position with the Big Bay Lumber Co., which has just resumed operations there.

—Ishpeming—
A team belonging to J. T. Burge was the cause of considerable excitement Friday night

—Marquette—
James Cagney proves that he can take it as well as give it in his new picture, "Hard To Handle," which is showing for the last times today in the Delft Theatre.

There were 314 babies born in Marquette during 1932, according to the annual report of Dr. T. R. Laubbaum, city health officer, and the unusual part of the work's visits last year was the fact that there was an equal division of sexes, 157 girls and 157 boys.

—Ishpeming—
The Alumni Players, an organization of

after the Inter-Urban Club dance. While waiting near the Anderson Block, the horses took fright at a car and dashed off down the street. They came into violent collision with a hydrant before going far, and the sleigh suffered somewhat as a result. The team was easily secured and was not in the least injured.

James McCutcheon left yesterday for a 19 days' trip. He intends to visit Chicago, Detroit and a number of places in Canada.

—Negaunee—
The much heralded game between the Marquette and Twin City traveling men came to pass Saturday night, the Twin City team winning, 32 to 26. The Marquette players came on a special train and, with the rosters, filled two coaches. They brought along the famous F. C. T. Zobo band.

30 Years Ago
amateur thespians, who staged "The Enemy" several weeks ago in the Ishpeming High School auditorium, are at work on their second production, which will be presented on the evening of Feb. 20.

Charles F. Sundstrom of Michigan was a visitor here yesterday.

—Negaunee—
The Negaunee male chorus will meet this evening at 7:30 in the high school.

The second annual ski jumping tournament for Negaunee youngsters will be held Sunday afternoon at 2 on the Jackson Ski Hill near the city warehouse.

Kennedy's 3 'State' Talks

By JAMES MARLOW Associated Press News Analyst

WASHINGTON — In two years President Kennedy's mood — about things at home and abroad — has changed from that of dark worry and gritty crisis to one of much confidence and a feeling the tide is running right. The change shows in the three State of the Union messages he has delivered to Congress: The first in 1961, right after he took office; the second in 1962; the third Monday.

Lake Call For Ambulance
Kennedy's first message sounded like a call for the ambulance. The one last year considered the American patient much improved. The one this week said the patient was doing fine but could still stand some vitamins.

Monday's message had less rhetoric than the one in 1961. But that wasn't the reason it sounded less dramatic. It was just less urgent. It mentioned fewer needs, suggested fewer remedies.

In the past few weeks in one unusual way or another — on television or in conferences with newsmen — he pretty generally laid down not only his view of the world at this time but what programs he would propose to Congress.

The three messages side by side tell the story. The first group is on problems at home.

1961 — "I speak today in an hour of national peril . . . The outcome is by no means certain . . . The American economy is in trouble."

1962 — ". . . We completed 1961 on the high road to recovery and growth." Now he was thinking no longer almost entirely in terms of recovery but in terms of controlling inflation so the recovery already taking place wouldn't be hurt.

1963 — "I can report to you that the state of this old but youthful Union, in the 175th year of its life, is good . . . The recession is behind us . . . Both at home and abroad there may now be a temptation to relax . . . But we cannot be satisfied to rest here."

On Foreign Problems
Here are the same three messages, side by side, on foreign problems:

1961 — ". . . All our domestic problems pale when placed beside those which confront us around the world . . . Each day the crises multiply. Each day their solutions grow more difficult. . . ."

"Each day we draw nearer the hour of maximum danger, as weapons spread and hostile forces grow stronger . . . The tide of events has been running out and time has not been our friend . . ."

1962 — "It was not so much what he said in 1962 as what he left unsaid that showed Kennedy felt more confident about dilemmas overseas."

He no longer dwelt on the hour of peril or the approach of danger. Instead, he gave a brief lecture on the difference between the West and communism — the difference between free choice and coercion.

It was a lecture he was to repeat almost in the same words in his 1963 message. Still, he turned on the amber light. He warned that "every apparent blessing contains the seed of danger."

1963 — "In the world beyond our borders steady progress has been made in building a world of order . . . Only a few years ago . . . communism sought to convey the image of a unified, confident and expanding empire, closing in on a sluggish America."

"In these past months we have reaffirmed the scientific and military superiority of freedom . . . We have every reason to believe our tide is running strong."

While the world looked brighter to Kennedy in 1963 he did again what he did in 1962: He took out a little insurance against too much optimism by warning about "ty storms beyond the horizon."

Tribute To Hornsby

Dear Sir: Baseball lost the greatest right-handed hitter the game has ever known on Jan. 5 when Rogers Hornsby went down swinging at the age of 66. The Rajah now joins the growing list of all-time greats now playing in Valhalla.

Rog was never very popular as a player or a manager. That's because he never was afraid to say what he believed. His mother taught him not to drink or smoke and to make sure he always told the truth. Rogers may have been outspoken, but at least he was honest. He wasn't one of these "don't say I said so, but . . ." Whatever he said you could publish. When asked what he thought of the Giant outfield without Edd Roush in center field, he gave his honest opinion.

Hornsby wasn't one to believe that exploding scoreboards, midgets and monkey's racing around with Jeeps won ball games. He believed that if you wanted to see three things, you could go to a circus. To him nothing was more colorful than a winning team.

After Rog was fired as a player-manager for winning the 1926 pennant and World Series for the Cardinals, he was traded to the Giants. Here he met a man of the same school as he, John McGraw. When Mac was ill, it was Hornsby who filled in for him.

Hornsby made good in baseball because he had sense enough to listen to his first manager, Miller Huggins, and the older players. In this way the scrawny 135 pounder improved himself as a hitter.

Rogers led the National League in hitting seven times, including a record average of .424 in 1924. His lifetime batting average of .358 is second only to Ty Cobb's .367. Yes, baseball had a Rajah long before Maris came along.

A weekly magazine of current events discloses the launching of an American satellite so sensitive that it can listen in on Soviet telephones as it orbits the earth.

Pride in this superb example of U.S. technology is somewhat tempered by the suspicion that the gadget probably does not specialize in the Russian language.

It undoubtedly understands English, which means that it can listen to our telephone conversations, too.

We are all going to have to be very careful. —Detroit News

Racine-Mallette

(Beauchamp Studio photo)

A ceremony Saturday morning in St. Christopher's Church united in marriage Irene Marie Racine, daughter of Mr. and Mrs. Claude A. Briggs Jr., and Alphonse Raymond Mallette Jr., son of Mr. and Mrs. Alphonse R. Mallette.

Yellow, white and lavender pompons adorned the high altar of the church for the 11 o'clock wedding service and Nuptial High Mass. The Very Rev. Msgr. Arnold L. Casanova officiated.

Mrs. Alan J. Dupras, cousin of the bride, was matron of honor and Miss Sally Morin was bridesmaid. Kenneth R. Mallette, brother of the groom, was best man and Alan J. Dupras was groomsman.

Seating the guests were Frank Mallette, another brother of the groom, and Robert Koop.

The bride entered the church with her father, who gave her in marriage. She wore a floor-length gown of hand-clipped Chantilly lace, styled with Sabrina neckline, three-quarter sleeves and bouquet taffeta overskirt which extended

into a chapel train and was accented at the waistline by a flat bow. Her fingertip veil of imported silk illusion was secured to a tiara of seed pearl and aurora borealis crystal with large pearl tear drops. She carried a colonial arrangement of white chrysanthemums and yellow gladioli.

Mrs. Dupras and Miss Morin were gowned alike in mint green street-length sheaths with bolero-type packets trimmed in fur. Their hats were of white fur and they carried bouquets of green and white carnations.

Mrs. Briggs wore a navy blue jacket dress with silk print bodice, a beige hat and brown accessories, and Mrs. Mallette was attired in a beige dress with which she had a winter white hat and beige accessories. Each had a corsage of pink carnations.

Two Soloists Donald Stratton played the music of the Mass and both he and his sister Miss Patricia Stratton, were soloists for the service.

A wedding dinner was served at the home of Mrs. Mallette.

New Scout Units Seen For Gwinn

Organization work is underway in the Gwinn area for starting more Girl Scout troops following a recent survey and a meeting of women of the area interested in providing leadership and other support for the new troops.

Mrs. Russell Dausey, Timberlane Council field service director, announced today that as a result of the Gwinn survey, at least one new intermediate and one new Brownie troop will be formed before the end of this school year, and that it is also expected that some activities may be started at the senior level.

At present, two troops are meeting in Gwinn, one a Brownie troop under the leadership of Mrs. Leonard Tipolt and Mrs. Howard Dixon and the other an intermediate troop with Mrs. J. K. Bessent and Mrs. K. L. DeLong as leaders.

The Gwinn Girl Scout troops are now a part of the K. I. Sawyer-Gwinn Neighborhood of Timberlane Council but if enough new troops are started Gwinn may become a neighborhood by itself, Mrs. Dausey reported.

Others Attend

Attending the meeting in addition to the Gwinn women were Mrs. John Holzschuh, Sawyer Neighborhood chairman; Mrs. George Hanlon, senior adviser; Mrs. William Hatcher, Brownie consultant, and Mrs. John McAvoy, intermediate consultant, all of Sawyer Air Force Base, Mrs. Eugene Cole, Timberlane president, and Mrs. Dausey, Marquette.

Meetings

The Business and Professional Women's Club will hold its monthly dinner meeting tomorrow evening at 6:15 at the Federated Women's Clubhouse. Initiation of new members will take place following the meeting. All members are urged to be present.

Two o'clock in St. Christopher's Hall and a reception for 200 guests was held from 8 to 12 p. m. in the Knights of Columbus Hall.

The bride is a graduate of Graveret High School and is employed in the medical records section of St. Luke's Hospital. The groom, also a Graveret graduate, is employed as a carpenter.

Mr. and Mrs. Mallette are making their home at 1319 1/2 N. Second St.

In Recital At Northern Tonight

Performing in a senior music recital tonight are Northern Michigan College seniors Lorraine Bakken Krieg, pianist, and Frank Wareham, baritone, both of Marquette. The recital, which will begin at 8:15 in Lee Hall Ballroom, is one of the requirements for a bachelor of music education degree at Northern. (NMC photo by Arnstad.)

Cast Of 'Guys And Dolls,' Scheduled At Northern In March, Announced Today

The cast for "Guys and Dolls," the Broadway musical to be produced at Northern Michigan College in March, was announced today by Dr. Harold E. Wright, head of Northern's music department and general coordinator for the production.

"Guys and Dolls," written by Frank Loesser and based on a story and characters by Damon Runyon, is a hilarious show which had a long run on Broadway in the 40's. Handling the all-college production here in addition to Dr. Wright and Dr. James Rapport, director of dramatics and staging; Jerry Stafford, music conductor; Naime Prevots, choreographer, and student assistant directors Mardi Black of Dearborn, Elizabeth Nurup of Rochester and Lucie Stanley, Milford.

Thirteen in Cast Chosen for the 13-member cast following try-outs last week were the following:

- Nicely-Nicely Johnson — Ron Bokros, Manistique. Benny Southstreet — AlGene Caraula, Honolulu, Hawaii. Rusty Charlie — Neil LaCasse, Menominee. Sarah Brown — Iona Hattula, Newcastle, Pa. Arvide Abernathy — Dennis McGinley, Marquette. Harry the Horse — Peter Adamini, Marquette. Lt. Brannigan — Howard Treardo, Marquette. Nathan Detroit — Frank Wareham, Marquette. Angie the Ox — Dick Bond, Ironwood. Miss Adelaide — Deana Ross, K. I. Sawyer Air Force Base. Sky Masterson — Jack Wicklund, Crystal Falls. General Matilda B. Cartwright — Gracey Warren, Negaunee. Big Jule — Jack Munroe, Saginaw.

Male chorus — Michael Potter, Woodland; Parnell Basanese, Stambaugh; Alex Ramsay, Farmington; Dick Corn, Vulcan; Ed Bank, Taylor; and Bill Krieger, Sault Ste. Marie.

Female chorus — Judy Brooks, Southfield; Susan Kamesny, Dearborn; Joan Boneville, Munising; Jackie Withey, Howell; Arlene Cordanier, Southgate; and Linda Hruska, Menominee.

Male dancers — Andy Watches, New Baltimore; Lynn Novakowski, Minocqua, Wis.; Jim Dresbach, Detroit; AlGene Caraula, Honolulu, Hawaii; Jim Beckman, Marquette, and Terry Deek.

Female dancers — Rita LaFreniere, Ishpeming; Patricia Goldsworthy, Marquette; Patricia Glantz, Marquette; Mary Lu Kinville, Marquette; Marian Batdorf, Sault Ste. Marie; and Carolyn Heikkinen, Alton.

Ernest Nault is handling business and advertising in connection with the production and others in charge of show committees are Martha Laurion, costumes; William Helfer, Vance Paul and William Edwards, design; George Paal, promotion; Clair Hekhuis and Al Cook, publicity.

13 Sophomores At Baraga Will Have Poems Published Thirteen students in the sophomore English class at Baraga Central High School have had poems accepted by the National High School Poetry Association for publication in the Anthology of High School Poetry.

The group includes Barbara Benzie, Sharon Borro, Joan Frazier, Mary Huffman, Catherine Kellner, Maureen Kelly, Judith Perron, Dianne Peterson, Mary Katherine Smith, Catherine Trethewey, Mary Warner, Mary Wiltzius, and Katherine Zimmer. (Joan Frazier and Katherine Zimmer each had two poems accepted.)

Sullivan-Robare Duo Ishpeming Duplicate Club Winner Monday Cleve Sullivan and Mrs. E. J. Robare were the top scorers in the regular round of the Ishpeming Duplicate Bridge Club Monday night at the Mather Inn.

Six other teams posted scores of 50 per cent or above. They were A. P. Wendt and Juel Caspersen, 55.92; Frank Shaw and Maj. E. C. Shriner, 54.44; Louis Dubinsky and Mrs. A. S. Narotzky, 52.96; Mrs. W. A. Redman and Mrs. Luther McGee, 51.85; Mrs. R. E. Hodson and Zigmund Mileski, 50.74; and Mr. and Mrs. Ben Berk, 50.37.

Parboiled green peppers before stuffing, then bake them in a moderate oven. Cover the stuffing with buttered crumbs.

City Circle Hears Plea For Cubans

An appeal for aid for a group of Cuban boys who fled the Castro regime several months ago and are now living in Marquette was made to members of Father Marquette Circle of the Daughters of Isabella at the organization's meeting Thursday evening in the Knights of Columbus Hall.

Describing the plight of the young Cuban refugees were James Connors, house parent at Holy Family Home, where 19 of the boys are residing, and the Very Rev. Msgr. Wilbur M. Gibbs, director of Holy Family Home, who arranged for their being sheltered here.

Face Many Problems

"These boys are faced with many problems," Connors said. "They not only have the emotional problem which comes through separation from their loved ones, but also must contend with such difficulties as the language barrier, continuance of their education in a school system different from theirs and with the handicap of learning and communicating in English, and many others resulting from their living in a strange land. Keeping up their morale is difficult, too, especially when there is no guarantee as to when they can return to their own country."

Connors told the Isabella members that several welfare agencies in addition to Catholic Social Services, with financial help from the U. S. Government, are providing for the Cuban refugee children who have fled Communist indoctrination for freedom in the United States. Communities in which the young refugees are living are urged to help too, chiefly by "making them feel accepted" and otherwise assisting them in acclimating to new surroundings.

Urges Democratic Example

Msgr. Gibbs said that "it behooves us, with Communism so close to our shores, to demonstrate the charity and love for our fellow man which are principles of democracy to the boys who have come here to live in a democracy." The Holy Family Home director reminded his listeners that "it is these boys who are going back to Cuba to reshape it when it is again free, and we would be wise to show them that we practice democracy as well as talk about it."

Four of the boys answered questions about conditions in Cuba under Castro and gave details of their flight, and they also expressed gratitude to the United States and to the City of Marquette for giving them the opportunity to live in freedom. In the group were Juan Gonzalez, 17, Raul Sague, Juan Wong, and Ernesto Rodriguez, 16.

Several reports were heard at this meeting and a schedule of activities for the next several weeks drawn, first of which is a card party Jan. 24 at the Knights of Columbus Hall for which Mrs. Emmett Havican is chairman.

Births

SATHER — A son, Thomas Jon, was born Jan. 9 at Francis A. Bell Memorial Hospital, Ishpeming, to Mr. and Mrs. Carl Sather, Princeton.

BODI — Jori Anne is the name of the daughter born Jan. 10 at Francis A. Bell Memorial Hospital, Ishpeming, to Mr. and Mrs. Edward Lindblom, a son, Edward

Ulvi-Mannisto

(Mary Jayne Hallifax photo)

CHATHAM — Marriage vows were exchanged Saturday, Jan. 5, by Karen Gail Ulvi and Wilfred Mattias Mannisto in a 2 p. m. ceremony at the home of the bride's parents, Mr. and Mrs. Mathew Ulvi.

Officiating at the service was John W. Prusi. The bride's father gave her in marriage.

Mrs. Richard Lintula of Eben was the bride's only attendant. The groom, who is the son of Mr. and Mrs. Matt Mannisto of San Luis Obispo, Calif., had Monte Poela of Waukegan, Ill., as his best man.

The bride's gown of pearl-trimmed white lace over taffeta was styled with molded bodice featuring a square neckline and short sleeves and a bell-shaped skirt. She wore a shoulder length veil, held in place by a pearl tiara, and carried white carnations surrounded

Francis A. Bell Memorial Hospital, Ishpeming, to Mr. and Mrs. John Bodi, 638 N. Fourth St., Ishpeming.

McLEOD — Mr. and Mrs. Gene McLeod, Box 276, Ishpeming, are the parents of a daughter, Patricia Lynn, born Jan. 10 at Francis A. Bell Memorial Hospital, Ishpeming.

CLARK — A daughter was born Jan. 13 at Francis A. Bell Memorial Hospital, Ishpeming, to Mr. and Mrs. Jack Clark, 859 N. Pine St., Ishpeming.

NAULT — Mr. and Mrs. Paul Nault, Rte. 1, Box 830, Ishpeming, are the parents of a daughter, born Jan. 14 at Francis A. Bell Memorial Hospital, Ishpeming.

RICKLARD — Mr. and Mrs. Lowell Ricklard of Mass are the parents of a son, Robert Clarence, born Jan. 9 at the Baraga County Memorial Hospital, L'Anse-au-Loup.

Practical Nurse Scholarship Winner

Miss Virginia Johnson, right, practical nursing student at Northern Michigan College, receives a \$200 scholarship from Mrs. Carmen Waters, Ishpeming, representing the Michigan Practical Nurses Associates, Incorporated, Grand Rapids. The scholarship was awarded to Miss Johnson, a 1960 graduate of Menominee High School, for writing the best essay on "Why I Want to be a Nurse" in state wide competition. Watching the presentation is R. W. Adams, director of business and industrial programs, NMC public services division. (NMC Photo.)

Slay That Desk Work 'Dragon' Easily

BY KAY SHERWOOD Newspaper Enterprise Association

After the high-flying frivolity of the holidays, a mood of sober concentration settles like a smog on many a household. January is the month of reckoning. It is the month to pay the piper, to clean up neglected desk work, to compile economic records so dear to the heart of the government. Our business breadwinners pack home bulging briefcases.

The lights that burned late so recently for gay partygoers now shine on the papers stacked for after-dinner work. There may not be much the homemaker can do to ease the economic realities except to promise stricter attention to the budget.

Can Ease Tension

She can ease the tension by providing comfortable night working conditions. We know that dim lights, cramped space and long hours of concentration may lead to eye strain, frazzled nerves, short tempers and headaches.

He needs room to work. Ideally, this is a spacious desk but it might be the dining room table. He needs a comfortable chair of the right height for work at desk or table. He most certainly needs adequate light.

According to eye care experts, the light should be so positioned that there is no shadow on any papers. The lamp should be 15 inches away from paper work and

Evening desk work for the homemaker's husband can be eased by attention to simple details: a coffee break to relax a moment, adequate light and a roomy desk hold down eye strain and tension.

a minimum of 15 inches between bottom of lamp shade and desk top. Part of our job is to encourage a recess or coffee break at intervals. Encourage him to stretch, stroll around, sip a cup of tea, coffee, cocoa and visit a few minutes. This is relaxing and refreshing.

HURRY . . . BARGAINS GALORE! Last 3 Days January Clearance Sale AT Judy's Doll House Sale Ends Sat., Jan. 19th at 5 P.M. 627 N. 3rd St. Marquette

If Wide-Track is as hot as Pontiac says, why don't they put it in their Tempest?

They just did.

We can take a hint. When people are as happy with something as Pontiac owners are with Wide-Track, we're willing—nay, eager—to let everybody else in on it. That's why Tempest has a Wide-Track of its own this year. It's why you get to choose between a lively 4 and a 326-cu. in. V-8, too. We aim to please—and if we do say so, we're pretty accurate. *Optional at extra cost.

Now there are two kinds of Wide-Track cars . . . Pontiac and Tempest

Dear Abby...

BY ABIGAIL VAN BUREN

DEAR ABBY: My boy friend's coach is ruining my love life. He line up all the boys on the basketball team and made them take a pledge, "NO SMOKING, NO DRINKING AND NO GIRLS." Abby, does a coach have the right to do this?

I used to see Tom every night, but since he took the pledge I'm lucky to see him on Saturday night until midnight. Tom is a good athlete and I am proud of him, but I might just as well not have a boy friend as one who has to go to sleep with the chickens. What does a girl do in a case like that?

BASKETBALL WIDOW
DEAR WIDOW: Tom sounds like a good egg even if he does go to sleep with the chickens. Be a good sport and see him when he's available. If you grumble, Tom might suggest a substitute who didn't make the team.

DEAR ABBY: My daughter has been married for three months to a man who doesn't say one word

more to her father or me than he absolutely has to. If I say, "How are you?" he replies, "Fine." (Not even, "Fine thank you, how are you?") He is not ignorant. He went through college on scholarships and is considered a mathematical genius. We are always friendly to him. He told my daughter he doesn't care about anyone else — only her. Do you call that intelligence? We are respectable people. What is the matter with him?

BAFFLED
DEAR BAFFLED: Your son-in-law may be an educated misanthrope. He has much to learn about manners. Warn your daughter that her husband's anti-social behavior

RAISH OIL CO., INC.
Call today for Mobil Mobilheat with RT-98
"The Fuel Oil With An Additive For Clean & Easy Heating."
CA 6-6513

could lead their happy marriage into a vacuum. And "genius" alone cannot overcome loneliness.

DEAR ABBY: I would like your opinion of a man and wife who sent out Christmas cards from "Mr. and Mrs. So and So AND son." Their son is 49 years old!

GOT ONE
DEAR GOT: It seems to me that the son is old enough to send his own. However — what's the difference either to you or me?

DEAR ABBY: Do a couple of

million people a favor and ask them to get into their cars on a dark, rainy night and drive by their OWN homes to see if they can read their own house numbers. You wouldn't believe the number of houses that haven't a clue (that can be seen from the street) as to what the house number is.

CLAIRE
What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif. (McNaught Syndicate, Inc.)

I'M WORRIED ABOUT CHESTER'S EYESIGHT. I WONDER IF HE NEEDS GLASSES. THIS MORNING HE ALMOST WALKED OUT INTO THE MIDDLE OF A STREET FULL OF TRAFFIC. IF I CAN MAKE A SUGGESTION...

L'I' ABNER

HERE COMES YOUR SHMO BROTHER-IN-LAW!! WE'LL HEXAMINE HIM, AND FINE OUT WHAT MAKES HIM SUCH A HELPLESS BOMM!! -AND THEN, WE'LL DO THE SAME THING TO ALL HAMMERICANS—AND TAKE HAMMERICA AWAY FROM THEM!! -IS COMINK THAT SLEEPY CREEP!! HELLO, NICK!! HOW'S TRICKS?? LET'S GRAB SOME CHICKS, AND PAINT MOSCOW RED!!

OUR BOARDING HOUSE

I WISH YOU WOULD TAKE SO SLOVLYLY AN' ATTITUDE IN THIS HOUSE! FOR EXAMPLE, COMING TO THE TABLE IN YOUR SHIRT SLEEVES!—HU-M—VERY BAD FORM! BY JONE, WHEN I WAS IN THE BELGIAN CONGO I USED TO PUT ON MY DINNER CLOTHES EVERY EVENING, JUST AS IF I WERE BACK IN MAYFAIR, EGAD!

EVERY 50 OFTEN YOU SLIDE A BAR OF PERFUMED SOAP AROUND YOUR NECK AN' GO BLUE BOCK! AFTER A FEW DAYS, YOU'RE BACK TO KICKING YOUR SHOES OFF UNDER THE TABLE!

OPEN THAT SMOKING JACKET! I CAN WORK UP AN APPETITE LOOKING AT TH' FOOD SPOTS ON YOUR VEST!

COMFORTS AND COMFORT

OUT OUR WAY

NOW DON'T GO TWO FUSINY PER US, OLL—JEST STOPPED N'T SAY HOWDY—NICE PLACE YUH—GOT MEAN! NO, OLL—WE'LL REST A BIT AN' WE GOT T' GIT GON' AGIN!

Chamber Has Cash Balance Of \$1,779.68

ISHPEMING — A cash balance of \$1,779.68 was reported by Walter Scanlon, manager, in presenting the annual report of the Ishpeming Chamber of Commerce at a dinner meeting in the Mather Inn.

Members of the chamber and its Retail Division heard Scanlon emphasize the need for a "better effort" by all members to attend meetings in 1963 so that aims of the organization can be attained.

The tourist industry, ski museum, Rock and Mineral Club, mining museum and camping facilities were among subjects discussed by members of the Retail Division.

Also discussed was the need for limousine service to Marquette County Airport and the desire for mentioning of Ishpeming in North Central Airlines brochures. The chamber is planning erection of a new sign above its present quarters, members were told.

Suicide Hill Slide Ruined By Toboggans

ISHPEMING — Ishpeming ski jumpers expecting to start practice leaps on Suicide Hill yesterday were quite disturbed to find the landing of the hill in terrible shape because some persons had used the slide for a toboggan run.

More than three weeks' work was involved in preparing the huge slide for practice and competition in the months ahead. The ski club said the outrun was broken up and will necessitate additional filling by members.

Club members expressed concern over the incident and urged anyone who hears of such happenings to contact the Ishpeming Ski Club.

The club, considered one of the finest in the Midwest, painstakingly readies the hill for competition each year, not only for members' own use, but enjoyment of ski-minded spectators as well.

Four Fined In Ishpeming

ISHPEMING — Four persons paid fines and court costs totaling \$22.50 in municipal court this week.

Fred Vizena, 372 Winthrop St., Ishpeming, paid \$5 fine and court costs of \$3.70 for disregarding a stop sign; Dominic Roncaglione, 203 W. Case Street, Negaunee, paid \$6.70 for failure to yield the right-of-way; Kenneth R. Saari, Route 1, Box 599A, Ishpeming, was assessed court costs of \$3.70 for having defective brakes, and Mrs. Florence R. Warwick, 611 E. Empire St., Ishpeming, paid costs of \$3.70 for failure to yield the right-of-way.

Temperature -19 In Ishpeming

ISHPEMING — Ishpeming recorded a temperature reading this morning of 19 degrees below zero. Yesterday's low was -24 with a high of -2.

Hansen To Speak At AAUW Meeting

ISHPEMING — "Practical Law for Women" is the title of an address to be given by W. L. Hansen, attorney, at a meeting of the American Association of University Women at 7:45 p.m. Tuesday, Jan. 22, in the home of Mrs. Douglas Brown, 203 Euclid St.

Hostesses will be Mrs. D. Brown, Mrs. Ralph Collins and Mrs. Waino Ikola.

Gwinn Boosters To Plan Project

GWINN — The Booster Club of Gwinn High School, meeting in the Gwinn Clubhouse, named Col. Ralph Woodiwiss and Coach Michael McMahon to a committee to arrange for a project to raise money for sports equipment, including a portable TV set, for the school. The next meeting of the club will be held Jan. 28 in the

Registration To End January 21st

GWINN — Residents of Forsyth Township are reminded that Monday, Jan. 21, is the last day for registration for the primary election to be held Feb. 18.

Scarffe-Nault Score Tops Women Peggars

ISHPEMING — Carol Scarffe and Carol Nault pegged 1,246 in Women's Cribbage League play. Only other 1,200 score was 1,201 registered by Annie Mackey and Alice Young.

Larson's team gained 424 holes and now lead Scarffe's team by 1,049.

Pomona was the goddess of fruits and gardens in the religion of ancient Rome.

Archibald Links Bank Growth To Ore Pellet Developments; Changes In Administrative Personnel Told

NEGAUNEE—Highlighting 1962, which marked the 75th anniversary of the First National Bank of Negaunee, were the fact that combined capital accounts of the bank reached one million dollars, opening of the new Palmer Branch on May 23 and recording of deposits in excess of \$1,000,000 in the Palmer Branch. R. S. Archibald, bank president, noted in his report to shareholders at their annual meeting Tuesday afternoon.

"In this annual report for 1962, I hope to give owners of the bank, the stockholders, a concise picture of bank activities during the year," the president said. "A resume of local mining operations is included because this, too, has had a considerable effect on our local economy, as well as banking operations. While this report is primarily for our shareholders, many of whom reside outside of our trade area, it is also sent to depositors, beneficiaries of trust accounts, correspondent banks and others who are interested in the progress of the bank and of the community."

Trend Continues

"The trend in the mining industry as described in our report of 1961, which involved the closing down of underground mines because they have become economically unprofitable, has continued. On the Gogebic Range many mines have been closed, and at the present time there are only three in operation. On the Menominee Range two mines have been permanently closed, and there now remain five in operation. On the Marquette Range, the Mather A Mine has been permanently closed, but the Mather B continues in operation. The Bunker Hill and Tracy Mines are operating in Negaunee, the Cliffs Shaft in Ishpeming, and the Champion and Greenwood Mines are operating also.

"Activity in development of low grade ore properties continues," the bank president noted in his report. He pointed out that contracts have been let for development of the Empire Mine at Palmer and that plans for the development of other low grade ore properties are being made in the district.

"It is hoped that in the course of a few years these low grade ore properties will take up the slack in the employment resulting from closing of underground mines," he said. "One of the bright spots in the employment picture on the Marquette Range is the continued development of K. I. Sawyer Air Force Base, and also the large employment by contractors in the Empire Mine development."

Branch Opened In May

"Particularly interesting to the stockholders of the First National is the development of the Empire Mine which will ultimately furnish large employment for the Negaunee area. Our bank opened a new branch in Palmer on May 23, 1962.

"Demand for standard ores continues at a low ebb and has resulted in shutting down of numerous underground mines in the Lake Superior District. Cliffs continues to spend large amounts of money on research to find a means of upgrading the ore from underground mines. It is hoped a technical breakthrough will occur to prolong the life of these mines and make them competitive with properties producing pellets and foreign ores."

Republic Production

"An encouraging sign on the economic horizon of the Marquette Range is the exploitation of the low grade Jasper ore. Expansion of the Republic Mine is practically completed. When in full operation in the spring of this year, it is expected to produce up to 2,700,000 tons of high grade iron content concentrates, most of which will be pelletized by new agglomerating facilities at the mine. The Eagle Mills plant will continue to pelletize a portion of the concentrates produced at the Republic Mine."

"Under construction at a site just northwest of Palmer is the Empire Mine, which is owned by the Empire Mining Co., a joint venture of Inland Steel Co., McLouth Steel Corp., International Harvester, and Cleveland-Cliffs, which is the operator. When completed in late 1963 or early 1964, the Empire Mine will have an annual capacity to produce 1,200,000 tons of pellets averaging 63 plus per cent iron.

"Subsequent expansion of the concentrating and agglomerating plants by installation of additional lines is anticipated to enable the Empire to ultimately become the largest of Cliffs' low grade operations on the Marquette Range. These properties along with the Humboldt Mine near Champion should in 1964 produce almost four and one-half million tons of pellets, which would about equal the highest annual production of underground ores by Cleveland-Cliffs in the past on the Marquette Range."

NEGAUNEE — Announcement was made at the annual meeting of First National Bank shareholders Tuesday afternoon of four changes in administrative assignments affecting bank personnel.

Horace W. Dompierre, trust officer, has been appointed an assistant vice president, and will continue to head the trust department. Dompierre, a Negaunee High School graduate, attended Ferris Institute, and was associated with the old Negaunee State Bank before joining the First National staff in 1933. He was appointed trust officer in 1948.

Sydney W. Northey, who has served as manager of the Republic Branch, has been promoted to assistant vice president, and also will serve as auditor and branch supervisor. He will work out of the main office in Negaunee. In his new capacity, the services of Northey will still be available to Republic area residents, as he will spend time in this area, Roy H. Johnson, First National executive vice president, revealed.

Northey, a native of the community, graduated from Negaunee High with the Class of 1932, and attended Northern Michigan College. He joined the bank staff in 1936, and has been a member of the organization since that time with the exception of three years spent in the armed forces in World War II from 1942 to 1945. He was elected an assistant cashier in 1945, and appointed manager of the Republic Branch when the facility was opened in 1956.

Gordon A. Rice, who has been assigned the duties of acting manager at the Palmer Branch, has been promoted to manager. Rice became associated with the First National Bank in 1937 following graduation from Negaunee High School. He served in the armed forces in World War II from 1941 to 1945, when he rejoined the bank staff. He was named an assistant cashier in 1950, and acting manager of the Palmer Branch when this unit was opened in May of 1962.

William J. Hawke, a member of the First National staff for 15 years, has been appointed manager of the Republic Branch, succeeding Northey. Following graduation from Negaunee High School, he was employed at the Negaunee Post Office until 1947, when he became associated with the First National. He was elected an assistant cashier in 1960.

Other changes announced Tuesday afternoon including naming of Carl B. Tupala, a teller, as assistant trust officer, and Gerald Junak, teller, as assistant cashier. Tupala, an Ishpeming High School graduate, joined the First National staff as general bookkeeper in November of 1955 after previously being employed by Radio Station WJPD, Ishpeming. He was advanced to teller in 1959. Junak has been employed by the bank since 1955, when he graduated from Ishpeming High School. He was appointed a teller in 1961.

Hawk Manager At Republic

William J. Hawke, a member of the First National staff for 15 years, has been appointed manager of the Republic Branch, succeeding Northey. Following graduation from Negaunee High School, he was employed at the Negaunee Post Office until 1947, when he became associated with the First National. He was elected an assistant cashier in 1960.

Death Takes Rose White In Hospital

NEGAUNEE — Miss Rose E. White, 67, of National Mine, died at 6:55 Tuesday morning in Bell Memorial Hospital, where she was a patient for four months. She was in ill health several years.

Miss White was born July 9, 1895, in Negaunee and was a resident of National Mine 28 years. She was employed by the Arnold Ernell Grocery until 1959.

Surviving are three sisters, Mrs. Emma Roy of Negaunee, Mrs. Arvid Carlson of National Mine and Mrs. James Fitzpatrick of Marquette; two brothers, Henry and Alphonse of Negaunee, and a number of nieces and nephews.

Services will be held at 10 Thursday morning in St. Paul's Catholic Church. The Rev. Robert Cordy will officiate at a Solemn Requiem High Mass, assisted by the Rev. Joseph Charlebois as deacon and the Rev. Paul Schiska as sub-deacon. Pallbearers will be William Ernell, Con Bjorklund, Carl Carlson, Norman Roy, Clarence and Paul White. Burial will take place in Northland Memory Gardens.

The body is in the Koskey Funeral Home, where the Rosary will be recited at 8 tonight. Friends may call there after 4 this afternoon.

Tri-County Briefs

Ishpeming

Finland midweek services will be conducted in the Bethel Lutheran Church parlors at 7 p. m. Thursday. Hostesses will be Mrs. Eino Erkkila, Mrs. Marian Rayburn, Mrs. Swande Erkkila and Mrs. John Potila.

CCI Donates Coast Guard Station, Land To Munising

MUNISING — At a regular meeting of the Munising City Commission Monday, Melvin Johnson, land supervisor of the forest products division of Cleveland-Cliffs Iron Co., presented the City of Munising with a deed covering the Sand Point Coast Guard Station, comprising more than seven acres of land with approximately 1,700 feet of Lake Superior frontage and improvements thereon.

This parcel of land originally was conveyed by Cleveland-Cliffs to the United States Government May 2, 1932. Under the terms of the conveyance, if the station were abandoned for a period of two years, the government was to reconvey to Cleveland-Cliffs the land plus improvements constructed on it. This reconveyance was effected May 10, 1961.

Briefly, the improvements are a dwelling or barracks 30 by 45 feet, which is a wooden, frame, two-story building complete with heating plant, sewer, water and other facilities; a boat house 37 by 55 feet and a wooden frame structure;

a launch-way; landing wharf; septic tank; lookout and flag towers, and a small metal paint locker. All buildings are in good condition.

In presenting the deed, Johnson stated the company is again pleased to donate the property to the city and to share in addition to the recreational potential of the area by providing facilities which can be used by citizens and organizations in the community as the commission may determine. The company had been approached as to availability of the property by local organizations, and by individuals interested in obtaining it for commercial purposes.

The company feels it can best serve the community by giving the property to the city, Johnson said. This is in keeping with Cleveland-Cliffs' policy and desire with respect to serving community needs and in cooperating in recreational development reflected in the donation of the Munising Hospital site of 9.32 acres, the site of the Munising playground, the Bay Furnace Park site of 55 acres five miles west of Munising on Lake Superior, the sites for the new Ishpeming Armory and new schools in Republic and Gwinn, and the 63-acre gift to the Michigan Conservation Department in connection with development of Quetico State Park on Lake Michigan. The latter gift adjoined the park on the east side of Fayette Harbor and included 1,420 feet of shoreline characterized by towering limestone cliffs and the valuable historic ruins of the Jackson Iron Co.'s furnace and charcoal kilns.

Munising Mayor Leo Garipey (seated) accepts deed to Sand Point Coast Guard Station and seven-acre parcel of land on which it stands from Melvin Johnson, land supervisor of Cleveland-Cliffs Iron Co.'s forest products division.—(Hallifax photo).

Resident Of Negaunee 61 Years Dies

NEGAUNEE — Mrs. Anna Anderson, 84, of 134 Ridge St., died at 2:45 this morning in the Morgan Heights Medical Section, where she had been a patient for three months.

She was born Sept. 23, 1873, in Finland and was a resident of Negaunee 61 years.

Survivors are three sons, John, Ellis and Leonard of Negaunee; five daughters, Mrs. Ingrid Rudness of Escanaba, Miss Agnes Anderson of Kalamazoo, Mrs. Linnea Johnson of Minneapolis, Mrs. Elizabeth Rooder of Escanaba and Mrs. Margaret Korby of Marquette; three grandchildren and one great-grandchild; a sister, Mrs. Sanna Nordling of Seattle, Wash., and two brothers, Oscar and Ellis Mattson of Seattle.

Services will be conducted at 2 Friday afternoon in the Calvary Baptist Church. The Rev. Arthur Johnson will officiate and burial will be made in Negaunee Cemetery.

Friends may call at the Perala Funeral Home after 2 Thursday afternoon. The body will be taken to the church at 11 Friday morning.

Coots usually feed on buds, seeds or aquatic insects near shore, but may feed in deeper water and dive to depths of 10 to 20 feet.

Woodland Management Course Set

MUNISING — A course in woodland management will be offered in Alger County during February, according to John Campana, MSU county extension director.

A series of four classes is scheduled for Tuesday nights, Feb. 5, 12, 19 and 26, at the conference room of the Upper Peninsula Extension Station in Chatham.

Each session will begin at 7:30 p. m. The course is open to all persons owning timberland and should be of special interest to farmers, timber operators and others who own from one to several forty-acre lots.

The course will be taught by Roy E. Skag, Marquette, MSU forestry specialist. Persons interested in enrolling can contact Campana at the extension office in the court house in Munising.

Marquette and Delta County residents also are invited.

Trenary Thaws Out After Freeze-Up; School Closed

TRENARY — Residents of many homes in this area were still thawing themselves and their homes out today after a power interruption froze water pipes and gave school children an unexpected holiday.

The Trenary School was shut down Tuesday and again today as the result of damage caused by frozen water pipes. No announcement had been made this morning when it would be reopened.

The communities of Trenary, Traunk and Limestone were affected by the power and outage, which began at 7 p. m. Monday. Cause of the interruption was a broken cross-arm on a transmission pole in a remote area between Diffin and McFarland, which was repaired by Wisconsin-Michigan Power Co. crews and service re-

Obituary

EDMUND E. HEDSTROM

ISHPEMING — A former Ishpeming resident, Edmund E. Hedstrom, who was born here in 1897, died suddenly in Hazel Park, Mich., Jan. 14.

Mr. Hedstrom, a World War I veteran and an employee of the Railway Express Co. for more than 30 years, leaves his wife, Winifred; six sisters, Mrs. Edna Davidson of Negaunee, Mrs. Vera Gryzka of Gwinn, Mrs. Margaret Kemp of Marquette, Mrs. Greda Ekins of Hinsdale, Ill., Mrs. Edith Wheaton of Juneau, Alaska, and Mrs. Norma Fraser of Skagway, Alaska; four brothers, John of Chicago, George and Henry of Gwinn and Carl of McFarland, and several nieces and nephews.

Funeral services will be held in Detroit tomorrow at 1:30 p. m.

Only 42 million U.S. families have telephones, but 46 million own television sets, according to census figures.

Tulsa Outguns Wichita In MoValley Shoot-Out -85-83 In 2 Overtimes

(By the Associated Press)

It was a few hours later than High Noon, but down in the valley known as the Basketball Badlands, two quick-draw guys matched shot for shot. When it was all over, eighth-ranked Wichita had been knocked off by tenacious Tulsa.

Matched Baskets

That's the way it went Tuesday night as Wichita's Ernie Moore and Tulsa's Jim King sank key baskets time after time until the Hurricane sharpshooter hit the target twice in succession and dropped Wichita 85-83 in double overtime.

Moore connected for two foul shots with 2 seconds left in regulation time for a 67-67 tie, the first time Wichita had pulled even since the opening seconds. Tulsa built a four-point lead with 30 seconds left in the first overtime before Dave Stallworth and Moore evened it again.

In overtime No. 2, King connected on two layups that gave Tulsa a lead it never relinquished. King scored 18 points while Moore had 15. The high scorers were Bill Kuska of Tulsa with 27 and Stallworth with 25.

It was Wichita's second loss in the Missouri Valley Conference, where everyone winds up chasing Cincinnati, and two losses just about tosses out your title chances.

Drake's Missouri Valley entry moved over to Ames, Iowa, for the completion of its annual two-game series with Iowa State, and lost 69-65, keeping intact a 17-year streak in which neither team has been able to win both contests in one season.

In Southern Conference action, Bob Harris and Roger Berney led William & Mary to an 80-71 triumph over VMI, and a three-point play by Kenny Legins put George Washington ahead to stay in an 81-71 decision over Richmond.

Tech, Gophers Clash Friday In WCHA Play

HOUGHTON — Michigan Tech and Minnesota will wage a battle for third place in the Western Collegiate Hockey Association this weekend. It will be the only WCHA action.

At present, the Huskies hold down third place with a 4-3 record. Minnesota is in fifth with a 2-3-1 tally. A sweep for either team would give them a tight hold on third. A split would serve to keep them in their present spots.

North Dakota, on their two first wins on Minnesota, took over first place. Denver, with a sweep over Colorado College, knocked the Tigers out of the unbeaten ranks and holds down second. Colorado College is fourth, Michigan State sixth, and Michigan seventh.

The double win over Michigan, 5-1 and 4-3 by Tech, proved costly. Defensesman Bob Pallante suffered a broken sinus cavity and will likely be lost for a month. He was hit by a puck in the 5-1 win.

Huskie Five Faces NSCC 'Showdown'

HOUGHTON — Michigan Tech's basketball Huskies face a showdown in Northern State Conference action this weekend. On Saturday, January 19, they tangle with powerful St. Cloud State.

Both teams are presently undefeated in NSCC action, having posted 4-0 records.

Tech will tune up for the huge St. Cloud Huskies on Friday, when they host Wayne.

Surprising as it may seem, Tech carries a 7-1 record into this week's action, six of them consecutive wins.

Against St. Cloud, they will be much the underdog. At last report, St. Cloud had a 13-2 record. By winning two last week, the Huskies showed up as a hard-nosed club. Against Northland College, a hot shooting quintet, Tech was led by Sandy Johnson's 23 tallies. Doug Scheueman with 31, Massey, 21, 15, and Bruce Knivila 11. Balanced scoring continues to be a big Tech asset.

Against St. Norbert, it was Scheueman with 31 Massey, 21, and Knivila with 13.

AAU Executive Hurls More Charges; Olympic Heads Now Targets

NEW YORK (AP)—Both the president and secretary of the United States Olympic Committee were charged today with violating the rules of the International Olympic Committee by siding with the NCAA in its bitter feud with the AAU.

Must Not Recognize

Col. Don Hull, executive director of the AAU, said both Kenneth L. Tug Wilson, U.S. Olympic Committee president, and Asa Bushnell, the organization's secretary, had ignored Rule 24 of the ICC rules.

"This rule," said Hull, "instructs national Olympic committees to cooperate with national bodies affiliated with the international body. It also says that national committees must not recognize more than one organization and that must be the one recognized by the ICC."

The AAU is the affiliated governing body in the United States for track and field—the center of the controversy.

Seeks Power

With the backing of the NCAA, a United States Track and Field Federation has been formed. It seeks co-sanctioning power with the AAU. Last November a peace meeting between the AAU and NCAA was held here and a coalition was formed. But it since has

Marquette's Jim Jacobson and Michigan State hockey coach Arno Bessone discuss Spartan prospects for 1962-63.

Marquette's Jim Jacobson Hard-Hitting Defenseman For Michigan State Sextet

EAST LANSING — When the play is the roughest and the checking the toughest, Marquette's Jim Jacobson is sure to be in the center of the fray for Michigan State's hockey team.

The hard-nosed junior defenseman is now tied for 11th among Western Collegiate Hockey Association scorers, tied for second among WCHA defensemen, with two goals, six assists in league play.

man has moved onto State's starting blue-line crew after spending last season on the second unit.

Jacobson has scored all his goals this season on a blazing shot from the blue-line that always thrills the home crowd.

Jacobson came to MSU after an exceptional three-spot career at Marquette's Graveret High School, where he starred as a football guard and a baseball third-baseman as well as on the rink.

The 20-year-old, 5-11, 165-pounder is in education at Michigan State. He is the son of Mr. and Mrs. Albert Jacobson, 117 W. Ohio St., in Marquette.

Sidnaw Posts Fourth Win At Covington

SIDNAW — The Sidnaw Saints have posted their fourth victory over the Covington Blue Jays basketball team.

The latest triumph took place at Pontonist Hall, Covington, where Sidnaw racked up a 100-82 score. Detroit Red Wings one.

Most votes went to Frank Machovich, high-scoring Toronto left winger, who polled 89 of a possible 90 points in the balloting, results of which were released Tuesday. Chicago's Stan Mikita netted 83 points at center.

The first team points shown in parentheses:

Goal—Glenn Hall, Chicago (61); defense—Perry Pileto, Chicago (66) and Carl Brewer, Toronto (53); center—Stan Mikita, Chicago (83); right wing—Gordie Howe, Detroit (67); left wing—Frank Machovich, Toronto (89).

Second Team: Goal—Terry Sawchuk, Detroit (51); defense—Elmer Vasko, Chicago (32) and Jeanvory Talbot, Montreal (30); center—Lionel Conacher, Montreal (46); right wing—Andy Bathgate, New York (63); left wing—Gilles Tremblay, Montreal (16).

The closest competition for a first-team spot was right wing, where Howe edged out Bathgate by four points.

Bathgate scored 38 points in his first 33 games, compared with Howe's 32, but apparently the Detroit star's leadership, qualities and defensive ability gave him the edge.

Civil Liberties Group Blasts Detroit Handling Of Lions 'Investigation'

DETROIT (AP)—Police and press handling of alleged associations between some Detroit Lions football players and convicted gamblers drew fire Tuesday from the Detroit branch of the American Civil Liberties Union.

A statement released by the ACLU cited "major headlines sensational stories and the identification of Detroit Lions by name" and criticized "the fact that the commissioner and other responsible officers of the Detroit Police Department have contributed to these actions."

Not Enough Evidence

The criticism followed the announcement of an investigation by the National Football League into the alleged associations between players and convicted gamblers and the subsequent announcement by Detroit Police Commissioner George Edwards that he believed in exposing racketeers even when there was not enough evidence to obtain court cases.

The ACLU statement labeled as "equally shocking" press statements that the release of names of persons under investigation in the Lions' situation was now to become police policy.

Possible Action

DETROIT (AP)—The Detroit News said today an admission by Detroit Lion tackle Alex Karras that he had bet on a game could mean possible disciplinary action.

Hope Five Tops Calvin, 99-89, For Fifth In Row

HOLLAND (AP)—Hope, paced by Jim Vanderhill's 29 points, rolled over Calvin 99-89 Tuesday night for its fifth straight MIAA basketball victory against no losses.

Hope, trailing in the first few minutes of play, surged to a 44-35 halftime margin and led by as much as 15 points in the second half.

The victory was Hope's seventh in 11 starts. Calvin now has lost five of its six MIAA games and is 1-9 for the season.

Ex-Spartan Pugs Eyeing State Post

LANSING (AP)—Chuck Davey and Chuck Speiser, two men whose names are well-known to Michigan boxing fans, let it be known Tuesday they are interested in appointment as Michigan Athletic Commissioner or to a post on the Athletic Board of Control.

Speiser, 32-year-old professional who once was NCAA and U.S. Olympic light heavyweight champion, paid a visit to the office of Gov. George Romney to put in his bid for an appointment.

Nobody's Asked

"Nobody has asked me, but I'd like to have such an appointment," said Speiser. "I think there are a lot of things that need to be improved."

At his Detroit insurance office, Davey, 37, said he has given thought to making application for an appointment also.

Still Interested

"I haven't made any overtures on the subject," he said, "but I am still very much interested in boxing and I feel I definitely could make a strong contribution to the sport in the state."

"I know its background and its ailments."

Both men, who friends and former boxing teammates at Michigan State University, said they supported Romney in the election.

Basketball Tonight Trenary at Perkins

NEGAUNEE — St. Paul High posted its eighth win in nine basketball starts this season at Memorial Gymnasium last night when the Emeralds rolled to a 56-34 triumph over Trout Creek. The setback was the third in eight engagements for the Anglers.

Best teams looked sharp at times and exceedingly ragged on other occasions. The difference in shooting percentages was largely responsible for the St. Paul win, the Parochials hitting 41 per cent on 25 field goals in 60 attempts, while Trout Creek completed a below par 22 per cent on 11 baskets in 30 shots.

At the end of the first period, the Emeralds held a 10 point lead, 16-6, and they continued to hold this spread until the closing two minutes of the second quarter when Trout Creek scored five consecutive points to make the count 27-20 at the intermission.

Coach Al Dighera's club restored its margin to 13 points in the third period, 39-26, as Bruce Warren's charges were limited to four points, making only one bucket in nine attempts.

With Sophomore Dominic Jacobetti making six of seven field goal tries in the last stanza as he

Miner Frosh Looking Good In Early Tilts

NEGAUNEE — Following their narrow 56-34 victory over a hustling Baraga Central team, the Negaunee Freshman basketball team boosted a record of four wins and no losses going into the New Year.

Proceeding this victory over Baraga Central were three decisive wins over Marquette, Graveret, Ishpeming and Munising. Excellent shooting and good defensive play has been the key to victory for the Frosh this year. They have scored 173 points while giving up only 140 points to the opposition.

Coach "Willie" Jorns, in his first year of coaching basketball, has the age-old Negaunee problem to contend with; no tall players but many fine shooters. Coach Jorns feels that his team has better-than-average ball handlers and the players shoot exceptionally well. Controlling the ball and putting it in the basket is an almost unbeatable formula for victory.

Balance is another asset for a fine ball club and the Negaunee Frosh show that they can get into the scoring column. Richie Hill leads the club with 48 points, Al Kantola has 47, Bill Trescedder 16, Tom Kemp 13, Ray Richards 23. Five other players have added to the total offense this year with fine shot performances.

Negaunee's schedule includes rematches with the teams played already and two contests which are not expected to be easy with highly rated Escanaba and Kingsford.

NBA All-Stars:

East Cries 'Foul' Over West Lineup

LOS ANGELES (AP)—Professional basketball presents its showcase of jewels tonight in the annual East-West All-Star Classic but one of the coaches, Fred Schaus of the West, was confronted with a problem.

The Los Angeles Lakers' pilot planned to start what he and most all cage observers believe would be perhaps the finest five in the history of the National Basketball Association attraction.

Some Line-Ups

Schaus named as his starting team Walt Bellamy of Chicago and Bob Pettit of St. Louis as forwards, Wilt Chamberlain of San Francisco at center and Elgin Baylor and Jerry West of Los Angeles as guards.

It developed that Schaus' ideas met universal applause from all sides except the men who run the Eastern Division.

They contended Bellamy was named by the selectors as a center, behind Wilt (The Stilt); that Baylor is a forward and should start there, and San Francisco's Guy Rodgers should open hostilities at his nominal position, a guard.

Schaus contends that once a squad is selected, he should be permitted to position his players as he pleases. He also thought the fans would appreciate seeing Baylor playing the backcourt against his opposite number, Oscar Robertson of the Cincinnati Royals.

It could be also that Schaus feels that Baylor, who is still hampered by a trick knee, might be more valuable at guard than at forward.

The board of directors of the league were scheduled to make a ruling on the controversy sometime today.

The coach of the East, Red Auerbach, meanwhile, decided on his starters— forwards Jack Twyman of Cincinnati and Tom Heinsohn of Boston, center Bill Russell of Boston and guards Bob Cousy of Boston and Robertson.

Game time is 8:35 p.m. (PST), 11:35 p.m. (EST).

The host Lakers expected a sell-out crowd of about 15,000 in the Sports Arena.

The West is a slight favorite.

St. Paul Posts 8th Victory, Downing Cold Trout Creek Basketball Team, 56-34

NEGAUNEE — St. Paul High posted its eighth win in nine basketball starts this season at Memorial Gymnasium last night when the Emeralds rolled to a 56-34 triumph over Trout Creek. The setback was the third in eight engagements for the Anglers.

Best teams looked sharp at times and exceedingly ragged on other occasions. The difference in shooting percentages was largely responsible for the St. Paul win, the Parochials hitting 41 per cent on 25 field goals in 60 attempts, while Trout Creek completed a below par 22 per cent on 11 baskets in 30 shots.

At the end of the first period, the Emeralds held a 10 point lead, 16-6, and they continued to hold this spread until the closing two minutes of the second quarter when Trout Creek scored five consecutive points to make the count 27-20 at the intermission.

Coach Al Dighera's club restored its margin to 13 points in the third period, 39-26, as Bruce Warren's charges were limited to four points, making only one bucket in nine attempts.

With Sophomore Dominic Jacobetti making six of seven field goal tries in the last stanza as he

Blunt 'Rajah' Left Plaque To Old Friend

SEATTLE (AP)—The name of Rogers Hornsby is enshrined forever in baseball's Hall of Fame and in the heart of David Kosher, sports writer, encouraging Kosher's interest in athletics, introduced him to the Raj when Hornsby managed the Pacific Coast League Seattle Rainiers in 1951.

Few men penetrated the hard outer core of Rogers Hornsby to become a friend.

One was Kosher, a cerebral palsy victim who did not walk until he reached the age of 16. Sports writers, encouraging Kosher's interest in athletics, introduced him to the Raj when Hornsby managed the Pacific Coast League Seattle Rainiers in 1951.

The brusque Hornsby took Kosher with him to the team's spring training camp as a clubhouse assistant. When the Raj moved on the following year to manage the St. Louis Cardinals he again took Kosher along.

Later the Chicago Cubs, on Hornsby's recommendation, hired Kosher as a scout. One player he signed for the Cubs was Ron Santo, the team's prized third baseman.

San Francisco's Giants hired scout Kosher away from the Cubs. Last year the Giants cut their scouting force and Kosher was among those lopped from the payroll.

Grief-Stricken

The recent death of Hornsby, added to the disappointment of a job lost, left the usually jovial Kosher grief stricken and almost inconsolable.

A bulky package came in the mail to Kosher a week after Hornsby died early this month. With it was a letter from Mrs. Hornsby.

"My husband wanted you to have this," the letter said.

The package contained the personal plaque Hornsby was given when he was elected to the Hall of Fame.

Player Shoots 9-Under-Par Practice Tour

PEBBLE BEACH, Calif. (AP)—If the current sunny weather holds up, the 1963 edition of Bing Crosby's \$50,000 golf tournament starting Thursday could see some of the lowest scoring ever as Gary Player showed in preview.

The stocky pro from South Africa sizzled around the Monterey Peninsula Country Club layout in a 9-under-par 63 Tuesday in a warm-up session two days after winning the San Diego Open.

Snow Last Year

Still when you talk about weather during the Crosby, the "if" is mighty big. Winds and rain aren't unusual and last year a snowstorm forced postponement of the final round of the ocean can play havoc with scores with Billy Casper's 277 in 1958 the lowest posted for this event at 72 holes. Last year Doug Ford and Joe Campbell posted matching tallies of 286 with the veteran Ford winning on the first playoff hole with a par.

After the bustling conditions of a year ago, all hopes are for continuation of the present pleasant weather.

On 3 Courses

Most of the pros were taking practice tours of the three courses played in the Crosby—Monterey Peninsula, Cypress Point and Pebble Beach.

Arnold Palmer, winner of the Los Angeles Open, played an exhibition at nearby Ft. Ord.

Under Crosby's format, each pro has an amateur partner for the pro-amateur division of the competition. Celebrities of entertainment, business and other sports heighten tournament interest as they team with the pros to make a total field of 312.

The low scoring pros divide \$35,000 of the total purse with the Lumberjack Tavern rolled a 2,668, and Soo Line, a 952 game.

Good Crowd Sees Close Hockey Play

Two ties, two one-goal decisions, and two two-goal victories highlighted Marquette Junior Hockey play Thursday, before an unusually large crowd at the Palestra.

The good turnout was because of, not in spite of, the sub-zero weather, apparently. Parents gave their youngsters a lift to the rink, then stayed to watch the play.

In Pee Wee "B" play, Exchange Tigers tied Owls, 1-1, Bancroft Bears edged Wildcats, 1-0; In Pee Wee "A", Carpenters and Standaards, Orlin tied, 2-2, and Junior Sentinels downed Vollwerth-Brebers, 2-0.

Bantam division play saw Mobils edge Elks, 3-2, while Pepsi downed L&L, 8-3; Midget-Juvenile play included two high-scoring affairs, as Lions downed Bunny Bread 6-4 and Elks topped Bancrofts, 7-4.

Ronnie Kline Wants Release From Tigers

DETROIT (AP)—Pitcher Ron Kline says he intends to ask the Detroit Tigers for his release so he can accept a contract to play in Japan.

The strapping 30-year-old right-hander was due here today and was expected to meet with general manager Jim Campbell later this week.

Campbell said Kline had telephoned the Tiger office from his Calvary, Pa., home seeking an appointment.

"I've never considered this," Campbell said. "I've never even thought about it, so I don't know what my answer would be if he asks to buy his contract."

Kline, who previously pitched with the Pittsburgh Pirates, St. Louis Cardinals, and Los Angeles Angels, confided to newsmen just summer he was interested in joining a team in one of the two Japanese leagues.

On the Tigers' post-season tour of Japan, Kline had the best record of any Detroit pitcher.

But he had only a 3-6 record in the regular season last year and never has had a winning record in his major league career which started in 1952.

No Half-Athletes Under New Rule, Nelson Declares

NEW YORK (AP)—College football's new free substitution rule does not mean that we are "returning to the era of the specialist, the half-football player," one of the rule's main architects said Tuesday.

"If a college coach thinks the new rule gives him license to work with strict offensive and defensive units as he could 10 years ago, he may be in for a shock," said Dave Nelson, head coach of Delaware University in Newark, Del.

Nelson, a former coach at Hillsdale College in Hillsdale, Mich., is secretary of the National Collegiate Athletic Association rules committee which overhauled the substitution rule among other changes for the 1963 season.

Marquette Mixed

Betty McGinley rolled a 484, Pearl L'Huilier, a 189, while Al Camilli led the fellows with a 546 including a 200, in the Elks Sunday Mixed bowling league. Jets set new team highs for the season with a 2,032 series featuring a 710 game.

MARQUETTE CITY

Henry Hoffenbecker bowled 577 (177-201-205) while Raish Oil had a 2,655, and Shoreland Alveys bowled a 948 high team game, Monday.

NEGAUNEE 66

"Sunne" Sirtala rolled a 582 (186-175-221) while Pete Frustaglio had a 235 game this week. Repola's rolled 2,562 (793-856-913), and Lloyd's took high team game at 954.

NEGAUNEE 3-MAN HI-SCHOOL

Don Evans bowled a 471 match, Paul Evans a 200 game. Kingpins topped teams with a 1,272 match and a 476 game.

NEGAUNEE MIXED

Les and Ann Melka led the way in the Viga Sunday Mixed bowling league. Les rolled 595 (212-205-178), Ann a 451 (154-157-140), Eunice LaMere tied for high game at 157. L&L's took team honors at 2,003 (654-696-653).

REPUBLIC MAJOR

Arola's 7-Up registered a 2,599 with an 816-881 and 900 with the later the high team game. Paul Hintsala had a 581 on games of 207-179 and 195 for high match and Clyde Bath rolled a 222 for the high individual game.

Good Crowd Sees Close Hockey Play

Two ties, two one-goal decisions, and two two-goal victories highlighted Marquette Junior Hockey play Thursday, before an unusually large crowd at the Palestra.

The good turnout was because of, not in spite of, the sub-zero weather, apparently. Parents gave their youngsters a lift to the rink, then stayed to watch the play.

In Pee Wee "B" play, Exchange Tigers tied Owls, 1-1, Bancroft Bears edged Wildcats, 1-0; In Pee Wee "A", Carpenters and Standaards, Orlin tied, 2-2, and Junior Sentinels downed Vollwerth-Brebers, 2-0.

Bantam division play saw Mobils edge Elks, 3-2, while Pepsi downed L&L, 8-3; Midget-Juvenile play included two high-scoring affairs, as Lions downed Bunny Bread 6-4 and Elks topped Bancrofts, 7-4.

Few Close Indy Contests In County

Marquette Municipal league basketballers warmed up last night, while Negaunee City loop cagers hit fairly well, but neither came up with extremely close games, on the independent basketball front last night.

In the Marquette "A" league, Crew hit on a good percentage of shots to trim the Misfits, 87-63. Again, they had balanced scoring on a high plane—"Bud" Kramer with 26, Spencer Hammon with 23 and Roger Guglielmo with 20. Dave Hunter tallied 20 in defeat.

Pesola's defeated Clifton Bar, 92-75, as Mickey Nevela scored 30, Mike Mikita, 21, Bob Maki had 21 for Clifton.

In Negaunee, Patch Location stayed with Boosta's Sport Shop for three periods, but the league leaders pulled away in a control-half fourth quarter, winning 72-65. Al Sivula had 21 for Boosta's, Phil Campain, 37 for Patch.

"Sonny" Guizzetti scored 30 for Neely's, who downed Palmer-Metropolitan, led by Blaine Arbelueto, 71-57.

Mattson Dairy downed Hotel Bar, 62-46, as Dave Jandron scored 19. Ron Wigg tallied 15 for the Hotelmen. Thursday, Mattson's play Neely's at 6, followed by Mets vs. Match at 7, Hotel Bar vs. Boosta's at 8.

Lion-Dallas Tilt At AFA Draws Fire

DENVER (AP)—A pre-season exhibition scheduled by two National Football League teams Sept. 8 at the Air Force Academy drew a blast from President Cal Kunz of the rival American Football League's Denver Broncos.

The exhibition, held at the home of the same day in Denver about 60 miles north of the Academy.

War Declaration?

"If they want a football war we'll give it to 'em" was Kunz' comment when he was told of the scheduled game between the Detroit Lions and the Dallas Cowboys.

Kunz said the Broncos would go ahead with their opener playing against either the champion Dallas Texans or the San Diego Chargers.

Cleared In Washington

An Air Force Academy spokesman Col. James E. Whitmore, deputy chief of staff for personnel in the Academy, said the NFL exhibition had been cleared by Air Force Headquarters in Washington.

He said the exhibition was being sponsored by the Academy and added that he hadn't seen any of the Broncos dates for next season. Whitmore, who is head of the promotion staff, "I've attempted to find out but were told their schedule wouldn't be ready until February."

Jack Faulkner, Bronco general manager and head coach, said he'd tried to schedule a game at Falcon Stadium, but "was told pro teams could not use the stadium."

The exhibition game was announced by the Lions, Cowboys and the Air Force Tuesday.

ISHPEMING WOMEN'S In The Women's Miracle League last week, Village Market rolled a 2,427 match and had an 838, Mary Ann Mitchell bowled a 595 on games of 186-210 and 199. Her 210 was the high game.

Republican Pitmen won the high team match last Friday with a 2,600 on games of 781-917 and 902 and Art's Cities Service captured the high team game with a 942. Pete Suardini posted a 598 match on games of 199-201 and 198 and Ralph Delarye threw a 242.

AP RATINGS CLASS A

Team	Record	Post. Pts.
1. Benton Harbor (7-0)	104
2. Saginaw (6-1)	99
3. Saginaw Arthur Hill (6-0)	87
4. Detroit Pershing (6-0)	65
5. Grand Rapids (South) (7-0)	31
6. Ferndale (6-0)	30
7. Pittsford Central (5-1)	29
8. East Lansing (10-0)	28
10. Saginaw (6-1)	25

Critic Finds Idea Better Than Show

By CYNTHIA LOWRY AP Television-Radio Writer NEW YORK (AP)—The idea of the show was interesting.

At his wife's insistence, the husband turned the money over to authorities. Instead of being a hero, he was immediately regarded with suspicion.

World that he had kept it but had a change of heart? Keep it and live carefully so none would suspect? Go away with the loot?

So far, so good. But then, apparently, the writer didn't know how to wrap it up. So he took the easy way out.

3-Dr. Dresser-Mirror
Both Pieces **59⁹⁵**

38 Wide, 18 Deep, 31 High
Perfect dresser for the single bedroom. Plenty of space for all kinds of clothing storage in 3 roomy drawers. Smooth-action center-guide track. Molded NYLON guides. Dove-tailed drawers. Framed tilting mirror.

Double Dresser-Mirror
Both Pieces **79⁹⁵**

50 Wide, 18 Deep, 31 High
Very popular as Mr. and Mrs. dresser or divided dresser for 2 youngsters in one room. Lots of space for easy-to-find clothes storage in 6 roomy drawers. Notice the generous 50" width and 18" depth.

3-Pc. Double Dresser, Chest, Bookcase Bed

A Great Value! **159⁸⁸** \$5 DOWN

Your very own bedroom can look as pretty as this picture. The set includes the Double Dresser and Mirror described to the left; 5-Drawer Chest described at far right; plus full-size Bookcase Bed with low footboard. Bookcase Bed can be bought separately for 39.95. Ideal for master bedroom or any bedroom in home. See it at Selin's!

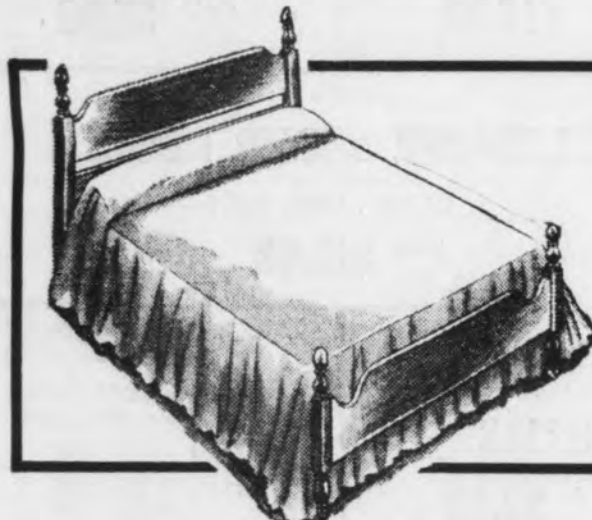

4-Drawer Chest
39⁹⁵

31 Wide, 17 Deep, 37 High
Ideal extra chest of drawers for small bedroom, hallway, nursery, etc. Beautifully furnished in lacquer protected mellow nutmeg maple.

5-Drawer Chest
44⁹⁵

31 Wide, 17 Deep, 44 High
Big capacity favorite. Preferred in 3-Piece Bedroom Set Groups. Same proportions as chests costing \$80 and more. Better furniture costs less at Selin's!

Greatest Bunk Bed Bargain Anywhere!
30" Wide! Stack or Use Separately
8-Piece Maple Bunk Bed Ensemble
ALL 8 PIECES **49⁹⁵** \$5 DOWN

Compact, space-saving bunk bed ensemble is ideal for small room or trailer. Includes • 2 Cotton Mattresses • 2 Resistant Link Springs • Guard Rail • Ladder. Can also be used as separate beds.

Ideal for 2 Youngsters or Adults
Roomy 8-Drawer Chest-or-Dresser
49⁹⁵

A great favorite in rooms that have Bunk Beds. It's just as wide as a 39-inch bunk bed so it can be placed at either end of a bunk bed. High enough for big-capacity storage. Low enough to be used as dresser. 37" High.

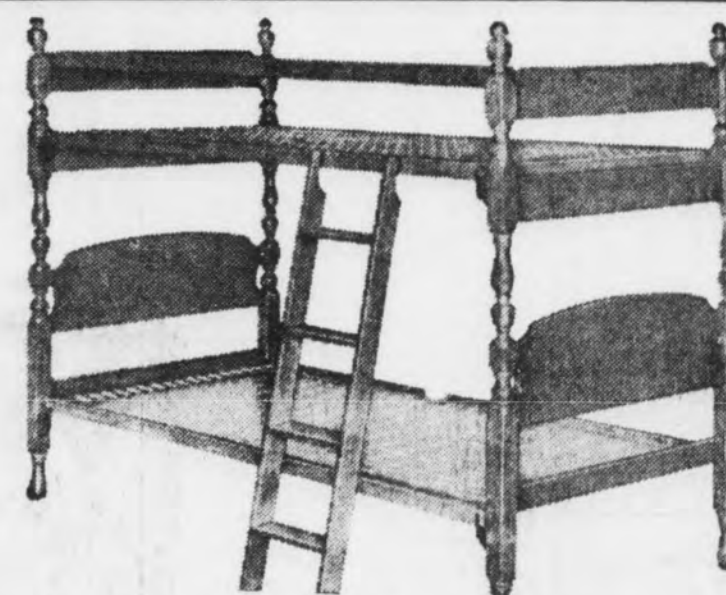

Single Pedestal Knee-hole Desk
39⁹⁵

The ideal desk for limited space. Only 37" wide (double pedestal desks are 40" wide). 31" high and 18" deep. Four drawers provide ample space for stationery and important papers. Chairs available to match, 14.95.

BEDSIDE TABLE
15⁹⁵

A remarkable value! Gracefully styled legs. Shelf below for books. Roomy 20 x 13 top has ample space for lamp, clock, phone or ash tray. Handy storage drawer.

Full 39" Wide! Stack or Use Separately
8-Pc. Bunk Bed or Twin Bed Ensemble
ALL 8 PIECES **69⁹⁵** \$5 DOWN

For those who want a roomier bunk bed we suggest this 39" wide model. Early American styled poster-panel ends. Makes into 2 twin beds when separated. Includes • 2 Springs • 2 Comfortable Cotton-filled mattresses • Guard Rail • Ladder. Save space, save money when you buy this quality-made set!
