They Only Want Winners

Although Walter Pidgeon, right, will be subbing for Raymond Burr as Perry Mason on the Feb. 28 television show, the outcome of the legal case will be the same. Perry will win the legal battle with prosecutor Hamilton Berger, played by William Talman, left. "I pleaded with them to let me lose the case," said Pidgeon. "My argument was that it would make Perry look good. But the producers said I had to win..." (AP Wirephoto).

3 Laborites Vie For Leadership

LONDON (AP)—Britain's opposition Labor party faced the prospect of an inconclusive first ballot today in the three-man race for a new leader whose chief task will be to preserve party unity.

The man finally chosen could well be Britain's next prime minister if he can hold the party's opposing factions together. But observers doubted that the party had united behind one man and picked a leader on the first ballot.

Harold Wilson, economist and Labor's foreign affairs expert, and George Brown, the present acting leader, were regarded as neck and neck favorites for the job. Political commentators gave Wilson a slight edge. The third candidate, fiscal expert James Callaghan, was considered a dark horse.

The 249 Laborites in the House of Commons have been casting secret ballots for a week for a new leader to succeed the late Hugh Gaitskell. The ballot box will be opened tonight and the votes counted.

Two Big Issues If the first ballot gives none of the candidates a majority, the man with the fewest votes is eliminated and the remaining two go into a new contest.

Gaitskell during his seven years as leader divided the party together on the two big issues that threatened to split it in two—unilateral disarmament and further nationalization. His death Jan. 18 raised speculation that the old disputes might break out again.

100 Seat Majority The Conservative government of Prime Minister Harold Macmillan has a majority of 100 in the

Tragedy Mars Queen's Visit To New Zealand

AUCKLAND, New Zealand (AP)—Tragedy marred the visit of Queen Elizabeth II to New Zealand today, just as on her first visit in 1953.

A bus loaded with Maoris, returning from the welcome for the queen Wednesday night, plunged over a 130-foot bank and 15 of the aborigines were killed. There were 21 injured, some seriously.

The Weather

Forecast for Marquette and vicinity — Variable cloudiness, occasional snow flurries or brief squalls tonight and Friday. Low 19-15 tonight, high Friday around 29. Saturday: Mostly cloudy, little chance. Forecast for Lake Superior — NE winds 18-28 knots becoming E 12-20 tonight and Friday. Cloudy, a few snow flurries or brief squalls. Data for preceding 24 hours: Temperatures — 21 at 6:30 a.m.; 19 at noon; highest in last 24 hours, 33 at 1 p.m. Wednesday; lowest, 19 at noon today. Relative humidity at noon — 77. Precipitation — Trace in last 24 hours; total to date this year, 1.47; normal to date, 2.93. Sun rises at 8:04 a.m. and sets at 6:04 p.m. tomorrow. Records for Feb. 7 — Maximum temperature, 50 in 1886; minimum temperature, 18 below in 1875; most precipitation, .33 in 1892.

Yanks Solve Problem Of Shaving In Space

SAN ANTONIO, Tex. (AP)—Astronauts will have to bag their whiskers after shaving on a spaceship—to prevent them from floating around the cabin and creating a fuzzy haze. That's the word from Dr. Stanley C. White, a key scientist in the man-to-the-moon venture. White says electric razors are being considered for use by astronauts because, for one thing, water will be at a premium. And, he says, with no water for a man-sized rinse, dried soap might irritate an astronaut's skin. Float Freely And unless corralled, he told a news conference Wednesday at the Space Medicine Symposium at Brooks Air Force Base, the shaved off whiskers—weightless, just like everything else aboard—would float around freely, creat-

Court Declares 'Rule 9' Invalid

LANSING (AP)—Michigan's controversial "rule 9" barring real estate brokers from practicing racial or religious discrimination has been declared invalid by the State Supreme Court. Shortly after the unanimous 7-0 decision was handed down by the high court Wednesday, Gov. George Romney declared he would seek a law to eliminate discriminatory housing practices. "Disclosing that his office already is at work on proposed legislation to be introduced later this month," Romney said. "I have insisted right along that Michigan should guarantee the equal rights of all citizens in the housing field, and I have repeatedly emphasized my personal belief in the principle of open occupancy."

In its ruling — with newly-elected Justice Michael O'Hara abstaining — the court made it clear that it was ruling on the authority of the Michigan Corporation and Securities Commission to issue an anti-discrimination edict under the present law. "We have no other duty to perform than to construe the legislative will as we find it, without regard to our own views as to the wisdom or justice of the act," the court said, in an opinion written by Justice Theodore Souris. "The commission's controversial rule was prompted two years ago by the disclosure that real estate dealers in the Swanik-Grosse Pointe suburbs of Detroit were using a 'point system' to grade prospective buyers accord-

ing to race, religion, national origin and ancestry. Under the system, prospective customers were screened and rated on "swartheness," "general standing," "race," and "degree to which prospect appears to have absorbed local customs." The commission issued its "rule 9" to block the screening and announced that real estate brokers and salesmen could have their state licenses revoked if they practiced discrimination. It contended that the rule was permissible under its statutory power to handle "unfair dealings." Several real estate dealers challenged the commission's authority and filed the suit in Ingham County Circuit Court, which upheld their challenge. The commission then appealed to the Supreme Court.

But the Supreme Court upheld the lower court, and said: "nothing in the act supports the suggestion that (unfair dealing) has a peculiar meaning different in nature from or broader than what is commonly understood in the business community to be a reputation for fair or unfair dealing." "This is not to suggest that such discriminatory practices when engaged in by real estate brokers and salesmen are not unfair." "It suggests only that such practices are not commonly understood to be included in the term 'unfair dealing' either by our people generally or by our legislature, regrettable as that circumstance is to some of us."

Russ Offensive Weapons Out Of Cuba: McNamara

WASHINGTON (AP)—The Kennedy administration has flashed across the nation's television screens an unprecedented display of intelligence data to support its stand that Cuba is free of Soviet offensive weapons. The report to the nation late Wednesday had a double purpose: to reassure the people and to squeeze the steam out of a boiling political controversy over Cuba's armed might. But despite Secretary of Defense Robert S. McNamara's statement that he believes beyond any reasonable doubt that all offensive weapons have been removed from Cuba, Sen. Kenneth B. Keating seemed in no mood to let up.

Keating, a New York Republican who has been making charges since last August about Cuba's military might, said none of his statements had been dispelled by McNamara in the television report which featured an intelligence expert and many reconnaissance photographs. Many of the before-and-after photographs of missile sites and shots of Soviet ships at sea with missiles and crated ICBM bombers aboard had been made public before during last fall's crisis. "But never before had the American people been given such a thorough account of how the United States detected the Soviet missile bases and rode herd at long

range on departure of the missiles and bombers virtually every step of the way. The administration's aim obviously was to impress the American people with the ability of U.S. aerial cameras and intelligence experts to ferret out whatever military gear the Communists try to hide. In another move Wednesday, Kennedy ordered into effect penalties against foreign shipowners carrying cargo to Cuba. "With White House direction, officials mounted a massive two-way counterattack against those who have been claiming there is a growing threat in Cuba. Before the televised report, Central Intelligence Agency chief John A. McCone went before a Senate Armed Services subcommittee. "We are convinced beyond reasonable doubt that all offensive missiles and bombers known to be in Cuba" have been pulled out, McCone said. McNamara used almost identi-

cal words when he went before the television cameras. The Pentagon chief went even further, in an attempt to knock down persistent reports, mainly from Cuban refugee sources, that the Soviets are hiding missiles in caves, out of sight of prying aerial cameras. "I am satisfied that there are no major elements of offensive weapons systems in the caves of Cuba," McNamara said. He reported for the first time that recent reconnaissance has revealed that certain equipment of Soviet combat forces, gear associated with battlefield-type rockets, "has also started to be moved out of the island back to the Soviet Union." McNamara acknowledged there still are about 17,000 Soviets in Cuba, including about 5,000 men in four motorized, tank-equipped task forces. "But he discounted the possibility that they could move any of their heavy military hardware against any other Latin-American countries. The Soviets and Cubans don't have the ships to do this, he said. As for fears that the more than 100 Soviet MIGs could be used in a nuclear bombing strike against the United States, McNamara said they are not adapted for that mission now. If they were fitted to carry a maximum bomb load, the defense secretary said, their range would be so limited they could hit only the tip of Florida.

JFK Prescribes Ways To Pep Up Health Services

WASHINGTON (AP)—President Kennedy today prescribed ways to pep up the nation's health services—then got in a quick plug for his politically hot medicare proposals he may send Congress next week. Today's message to Capitol Hill spelled out how the \$1.6 billion in health funds—requested in his budget for the fiscal year starting next July 1—would be spent. It's \$250 million more than the price tag in the current fiscal year. The President proposed steps to: Encourage and support training of more doctors, dentists and nurses, by helping build new and expand existing schools. Extend for five years authority to share costs of building new hospitals, boost funds for new nursing homes, and share costs of hospital modernization. Strengthen federal authority over sales of cosmetics, over-the-counter drugs and other health items. Require cosmetic manufacturers to prove the safety of their wares and health device producers to prove both safety and effectiveness. The President devoted two paragraphs in his 10-page message to what he called "a tragic irony that medical science has kept millions of retired men and women alive to face illnesses they can-

not afford." "Needless suffering in silence, financial catastrophe, public or private charity—these are not acceptable alternatives in the richest country on earth," he said. "Social Security health insurance must be enacted this year." It was an advance boost for his medicare proposals, defeated in Congress last year. He intends to ask for it again in a general message on aging which a spokesman said would probably come next week. The President also wants to boost research and control of air pollution and general health research by the National Institute of Health. The President called the shortage of doctors and dentists "particularly serious" since the schools are not graduating enough trained persons to keep up with the growth of the population. "In 1950, there were 1,300 people in the United States for each family physician," he said. "The present outlook—unless steps are taken now—is for more than 2,000 people per family physician by 1970."

He also pointed to the shortage of nurses—and the estimated need to increase today's professional nursing ranks of 350,000 to 650,000 by 1970. About 4,000 nurses are graduated from colleges each year.

Australians Tell Soviet To Get Out

CANBERRA, Australia (AP)—The Australian government accused the first secretary of the Soviet Embassy today of elaborate preparations for espionage and gave him and his wife seven days to get out of the country. Foreign Minister Sir Garfield Barwick announced that the diplomat, Ivan Fedorovich Skripov, has been declared persona non grata. Barwick released 25 photographs which he said showed Skripov meeting a woman working for the Australian Security Intelligence Organization, a grave used as a hiding place for a package containing an unused but current Canadian passport, an unidentified man whose picture appeared on the passport and a radio message transmitter. Barwick said the radio transmitter was the same type as one found in the London home of Morris Cohen, alias Kroger, and his wife, Helen, two Americans sentenced to 20 years in London in March 1961 for spying for the Soviet Union.

Encourage and support training of more doctors, dentists and nurses, by helping build new and expand existing schools. Hunter's Hot Rod

The Husky Duck, a sports boat especially designed for hunters and fishermen, was given a tryout Tuesday by inventor Warren Neuman, left, and Frank Batchelor, both of Berkeley, Calif. Craft is supported by six Vinyl-plastic tires, requiring only four pounds of pressure each. It travels at four knots afloat and 18 MPH on land. Weighing only 475 pounds, it can be transported in a pickup truck. (AP Wirephoto).

Canadian Told: Go Easy On U.S.

OTTAWA (AP)—Canada's plunge into a new national election campaign was accompanied today by pressure on Prime Minister John G. Diefenbaker to go easy on anti-Americanism. The pressure came from both inside and outside his Conservative party. Diefenbaker, 67, went through the formalities Wednesday of dissolving Parliament and calling for new elections April 8 after his regime was unseated by two non-confidence votes in the House of Commons. The move did not affect the Senate, whose members serve for life. Despite his defeat in Commons, Diefenbaker's shaken Conservative party closed ranks behind him as its leader. Earlier some Conservatives had called for him to step aside. Although some Conservative leaders declared that anti-Americanism will not be a campaign issue, the prime minister as recently as Tuesday accused the United States of more meddling in Canada. Diefenbaker appeared committed to hit hard on the question of Canadian sovereignty and the idea that "nobody is going to push Canada around." Deplore Rift The Liberal party, under the leadership of a Nobel Peace Prize winner, Lester B. Pearson, has deplored the rift between Canada and the United States over the nuclear weapons issue. It says it hopes anti-Americanism will be kept out of the campaign. If it does come up, the Liberals say, they will take a stand in favor of restoring good relations with Canada's friends and allies. The real issues of the campaign, said Pearson, are unemployment, economic growth and confidence in the Canadian economy, plus the need for decisive, purposeful government by a majority party.

News In Brief

CHICAGO (AP)—The Tribune said today that James R. Hoffa, Teamsters Union president, and other top Teamsters officials have failed to obtain satisfactory surety bonds although they are required under the Landrum-Griffin labor law to have them in effect by Friday.

LANSING (AP)—Inter-office memos prepared by police officers may be used as evidence in a criminal trial, the State Supreme Court has ruled in a 4-3 split decision.

ST. JOSEPH (AP)—Lionel Bradford, 35, was convicted by a Berrien County Circuit court jury Wednesday of assault with intent to commit murder in the shooting of a sheriff's detective.

COLORADO SPRINGS, Colo. (AP)—Union printers across the country are approving an increase in assessments to support strikes in New York City and Cleveland, union headquarters said today.

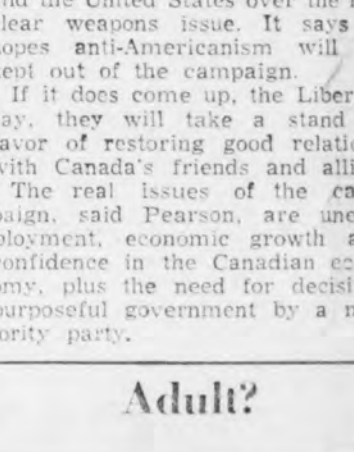

DETROIT (AP)—Unemployment in Michigan rose by 28,000 to a total of 184,000, or 6.4 per cent of the labor force, at mid-January, the Michigan Employment Security Commission said today in its monthly report.

Peggy Fails Driver's Test — The Hard Way!

(By The Associated Press) Peggy D. Monroe, 19, Ogden, Fla., failed her driver's test the hard way. Police said while talking her exam she backed her sedan into the rear of the Florida Highway Patrol station. Damage to the building was estimated at \$65.

Adult?

Douglas Godfrey, 15, (above) was confined in the Oakland County Children's Center today while authorities sought to determine whether he should be tried as an adult for the sniper slaying of his mother. Prosecutor George Taylor, who has drawn up a first degree murder warrant, asked Probate Court Wednesday to turn the youth over to Circuit Court for trial as an adult. Taylor said the youth admitted he killed his mother, Mrs. Mary Godfrey, 38, at their suburban Bloomfield Township home "because she tried to find excuses to keep me home." Mrs. Godfrey was shot the night of Jan. 25 by a .22 pistol bullet fired through a window. (AP Wirephoto).

Looking For A Tax Cut

Treasury Secretary Douglas Dillon shades his eyes against bright lights as he appeared before the House Ways and Means Committee as the Administration spokesman on proposed tax legislation. Dillon urged Congress to enact the entire tax program this year, revisions in tax laws as well as the proposed \$10.3 billion net tax cut. (AP Wirephoto).

Marines Seek To Prove They're Tough As Ever

PENSACOLA, Fla. (AP)—U.S. Marines are on the march to prove they are just as fit as the Leathernecks of Teddy Roosevelt's day. The first to report mission accomplished was Lt. Col. James W. Tuma, 49, a Marine stationed at the U.S. Army Electronic Proving Ground at Ft. Huachuca, near Tucson, Ariz. "Had Anotion" "I had a notion I could do it," he said after stepping off 50 miles in 13 1/2 hours Wednesday. At Pensacola, Fla., Marine Sgt. Stanton E. Jordan set out on his

day off, hiking around a 5-mile course at the naval air station, where he is a drill instructor. "I consider this a personal challenge," the 37-year-old sergeant told reporter Pete Williams of the Pensacola News-Journal. Five Marine reservists started out shortly before midnight to hoof it 50 miles to Little Rock, Ark., where their reserve unit is based. "For Honor Of Corps" "For the honor of the corps," one said when asked why he joined the hikers. "The rules of the hike were set forth by President Theodore Roosevelt in an executive order he signed in 1908. Gen. David M. Shoup ran across the old order and sent it to President Kennedy as a historic curiosity. The President suggested a test to see 'how well our present-day officers perform the task specified by President Roosevelt.'"

Romney Names B. H. Davidson Circuit Judge

Appointment of Attorney Bernard H. Davidson, 50, Negaunee, a Republican, as judge of the 25th Judicial Circuit was announced today by Gov. George Romney.

Davidson will fill the vacancy created by the death of Carroll C. Rushion of Marquette on Jan. 28. Earlier this week the Marquette County Bar Association and county Republican and Democratic Party leaders, alike, had endorsed Davidson for the post.

The 25th circuit includes Marquette and Alger Counties.

Born in Champion on Aug. 29, 1912, and reared in Palmer, Davidson has been a lifelong resi-

BERNARD H. DAVIDSON

dent of Marquette County except for two years he spent in Chicago, while associated with the United States Senate Committee on Interstate and Foreign Commerce, investigating railroads and railroad financing there (from June 1936 to Jan. 1, 1938).

Former Prosecutor

Davidson also served as Marquette County Circuit Court commissioner from 1938 to 1943. He was prosecuting attorney for the county from Oct. 4, 1943, through 1944.

He received his bachelor of arts degree, cum laude, from the University of Michigan in 1934 and his bachelor of law

Lawmen Probing Burglary Here; Jailbreak Tie-In Eyed

Marquette city police and Michigan State Police from the Marquette post today were investigating a burglary which occurred here last night.

The breaking-and-entering took place at Burbey's Confectionery, corner of Division and Hampton Sts. Police Chief Don Hermanson fixed the time of entry at about 3 a.m., since the store had been checked by city patrolmen on their regular rounds shortly before that.

City police were notified by a passerby that the door to the store was open. Investigation showed that milk, wine, cigarettes and sweet rolls had been stolen, Hermanson said.

Officers today were working on a lead they said could tie the burglary to the theft of a car from the Kissell Standard Service station in L'Anse last night. The auto was found abandoned in Harvey this morning.

State police from the L'Anse post and Baraga County sheriff's officers said they presumed the car was taken by Bruce M. Pythila, 19, South Range, and Kenneth Tuhe, 18, Laurium, who escaped from the Baraga County jail about 10:30 last night.

Sheriff Harold Heikkinen of Baraga County said the two Houghton County men had been bound over to Houghton County Circuit Court on charges of unlawfully driving away an automobile and were awaiting arraignment. According to Heikkinen, Pythila also was being held for parole violation.

Heikkinen said the two men rolled up blankets in bed to make

A look like they were sleeping and apparently left the jail while the night deputy, Guy Peterson, was at the far end of the cell block, making a routine cell check.

Car Seat Belt Bill Slated In Georgia

ATLANTA, GA. (AP)—State Sen. Zell Miller says he will offer a bill when the Georgia Legislature reconvenes next week to make seat belts mandatory in all new cars sold in the state starting in 1964.

FAT OVERWEIGHT

Available to you without a doctor's prescription, our drug called ODRINEX. You must lose ugly fat in 7 days or your money back. No strenuous exercise, laxatives, massage or taking of so-called reducing candies, crackers or cookies, or chewing gum. ODRINEX is a tiny tablet and easily swallowed. When you take ODRINEX, you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions because ODRINEX depresses your appetite and decreases your desire for food. Your weight must come down, because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. ODRINEX costs \$1.00 and is sold on this GUARANTEE: If not satisfied for any reason just return the package to your druggist and get your full money back. No questions asked. ODRINEX is sold with this guarantee by:

JOHNSON PHARMACY — 121 W. Washington — Mail orders filled.

Mercury Tops 32 Degrees For First Time In 4 Weeks

For the first time in four weeks the mercury in Marquette rose above freezing yesterday, reaching a high of 33.

It made the day the warmest since Jan. 9, when a reading of 35 degrees was recorded here, according to Meteorologist Fred Mueller, Marquette office, U.S. Weather Bureau.

Yesterday's minimum temperature was 24, also the highest minimum on record in the city since Jan. 8.

The day's average temperature of 29 was 10 degrees above normal and made Feb. 6 the second day in a row with above normal readings. The daily average temperature for February, to date, now stands at 4.2 degrees below the average.

Low 20 Here, Soo Colder

Overnight, the official thermometer in Marquette fell only to 20 degrees, which was matched at Escanaba. Other Upper Peninsula readings were lower, with the Marquette County Airport report-

ing 17, Calumet 15 and Sault Ste. Marie, eight degrees.

Only a trace of precipitation occurred here yesterday, and February's amount, totaling .22 of an inch, remains below the average of .41 for this time of the month. The year's precipitation stands at 1.47 inches, which also is less than the average of 2.30, Mueller commented.

Snow Depth: 14 Inches

Marquette's snow depth, undisturbed by any fresh falls, remained at 14 inches early this morning, and no great amounts of snow were predicted in the next few days.

The forecast calls for considerable cloudiness and colder weather tonight. Lows of 10 to 15 degrees are expected.

Tomorrow will be mostly cloudy and is expected to bring slowly moderating temperatures, with a high in the mid-20's. Saturday's outlook is for cloudy skies and no important temperature changes.

Obituary

MRS. JOSEPH ANDERLEY

Mr. and Mrs. W. H. Treloar, 713 W. College Ave., have been called to Lena, Wis., by the death of Mrs. Treloar's mother, Mrs. Joseph Anderley, following a long illness.

The body was taken to Steffen's Funeral Home. Services will be held at 10 Friday morning in St. Charles Church, with burial in the Lena Cemetery.

MISS MABEL WEILAND

Miss Mabel Weiland, 41, formerly of Marquette, died yesterday morning at Ferguson Hospital, Newberry.

Survivors include two brothers, Charles and George Weiland of Marquette.

Services will be held at 11 tomorrow morning in Beaulieu's Funeral Home in Newberry. Burial will be made in the Newberry Cemetery.

He is married to the former Edna Hedstrom of Gwinn. They reside at 112 E. Main St. in Negaunee.

Other Appointment

LANSING (AP)—Gov. George Romney appointed a Democratic banking commissioner Wednesday.

Renamed as banking commissioner was Charles Slay, 45, of Detroit.

He also is a member of Phi Sigma Delta Fraternity and an honorary scholastic society, Phi Kappa Phi.

While in high school, Davidson participated in football, basketball and debate.

He is a member of the board of trustees of the Francis A. Bell Memorial Hospital, Ishpeming, and a director of the Gwinn State Savings Bank, Gwinn. He also is a member of the board of trustees of the Northern Michigan College Foundation.

Davidson has served as a member of the State Bar's grievance committee and title committee and the Workmen's Compensation Law Section.

He also is a member of Phi Sigma Delta Fraternity and an honorary scholastic society, Phi Kappa Phi.

While in high school, Davidson

On Various Boards

Davidson is a member of the Negaunee Elks Lodge, the Negaunee Lodge of the Free and Accepted Masons, the Francis M. Moore Consistory, Ahmed Shrine Temple, Temple Beth Shalom, and the county, state and American Bar associations.

He is a member of the board of trustees of the Francis A. Bell Memorial Hospital, Ishpeming, and a director of the Gwinn State Savings Bank, Gwinn. He also is a member of the board of trustees of the Northern Michigan College Foundation.

C. Fred Rydholm (left), Graveraet science instructor and advisor of the Marquette Astronomical Society, and Scott Stobbelaar, inspect the eight-inch telescope that Stobbelaar constructed. Stobbelaar is one of a handful of young astronomers in the United States to receive the Astronomical League's advanced junior astronomer certificate. (Joe Sullivan photo).

Advanced Junior Astronomer Certificate Given City Youth

Scott Stobbelaar, a junior at Graveraet High School, has received an award that is achieved by only a handful of young scientists — the Astronomical League's advanced junior astronomer certificate.

Stobbelaar is the 16-year-old son of Mr. and Mrs. Charles H. Stobbelaar of 329 W. Magnetic St. An enthusiastic astronomer, Stobbelaar founded the Marquette

Astronomical Society, "so that I can associate with other astronomers and so that others who are interested in astronomy can have that advantage."

Stobbelaar began reading books on astronomy when he was in the fifth grade. As a high school freshman he built a four-inch telescope which included a clock driven mount to rotate the telescope as he followed the stars across the sky. The telescope received a top honor in the Northern Michigan College Science Fair.

Last year he began building an eight-inch telescope which he uses in astrophotography. He's now working with a spectroscope in his pet project, determining rare gasses in the Orion nebula.

Stobbelaar has hopes of making his hobby a career as an astrophysicist.

Thinking ahead, he says, "When I get out of college we should be on the moon and even have launched probes on Mars. There'll be a big need for astrophysicists."

City Paragraphs

Two students from Marquette (Big Rapids) students who were named to the dean's honor list for academic excellence during the past quarter. To be named to the dean's honor list, a student must maintain at least a "B" average while carrying a full academic load. The honor students are Peggy Kaluz, a junior in the school of pharmacy, the daughter of Mr. and Mrs. Ted Kaluz, 424 S. Third St., and Thomas Pierson, a freshman in the trade and industrial division, the son of Mr. and Mrs. Ken Pierson, 1500 Birch St.

Saginaw Teen-Ager To Receive Award

DETROIT (AP)—A pretty Saginaw teen-ager and four prominent Michigan businessmen will be honored by Michigan Week officials at an awards luncheon at the Economic Club of Detroit Monday.

Mary Ann Kingry, a freshman student at Nazareth College, will be presented a Wolverine Frontiersman Award for her efforts in promoting Michigan.

Also scheduled to receive awards are Robert P. Briggs, Henry Ford II, Sebastian S. Kravetz and Stephen Nisbet, Michigan Constitution Convention president.

Isaac Watts wrote the Christmas carol, "Joy to the World," in 1719.

Two Injured, Four Summonses Issued In Five City Crashes

Two persons were injured, four tickets issued and 10 vehicles damaged in five accidents investigated by city police yesterday and this morning.

The personal injuries occurred in a head-on collision on W. Kaye Ave. at 8 last night.

Sharon E. Boen, 25, of 453 E. Michigan St., Marquette, driver of one of the two cars involved, suffered a cut lip. A passenger in her car, Elizabeth F. Tassone, 27, of 126 Bluff St., Ishpeming, sustained a bruised right knee and bruised left arm. Both went to St. Luke's Hospital for treatment.

Driver of the second car involved was Kim A. Wahtera, 985 W. College Ave., who was traveling east in the 400 block of Kaye, when the left front of his car collided with the left front of Miss Boen's auto, being driven west on Kaye.

Extensive damage resulted to both vehicles. Wahtera's 1958 four-door sedan had to be towed away by a wrecker, but the Boen vehicle, a 1962 four-door sedan, was able to be driven from the scene.

City police commented that traffic was congested and many cars parked along both sides of the street, at the time of the collision, but they kept the accident open for further investigation.

Two tickets were given to one of two drivers involved in another crash yesterday, this one at 10:20 a. m. in the 900 block of W. Washington St.

Wilfred C. Lindberg, Johnson's Rooming House, Marquette, driving a 1955 sedan, and Winston C. Lawler, 412 S. Front St., Marquette, driving a 1960 sedan, were the drivers involved. Both cars were traveling east on Washington St.

City police who investigated said Lawler had stopped to wait for traffic turning off the street in front of him, when his auto was hit in the rear by the car driven by Lindberg.

Two Tickets Issued

Lindberg received one ticket for failure to stop in an assured clear distance ahead and another for carrying an operator's license which had expired.

Minor damage resulted to the rear of Lawler's car and the front of Lindberg's auto, but both were driven away.

At 1:50 yesterday afternoon, two vehicles were involved in an accident at the corner of Magnetic and N. Third Sts. Drivers of the cars were Winifred B. Bullock, 1115 High St., Marquette, and Gerald E. Albertson, 422 Washington St., Ishpeming.

Albertson, going north on Third in a 1953 two-door sedan, was struck by the Bullock car, a 1960 four-door sedan, going west on Magnetic through the intersection.

Police issued a ticket for failure to yield the right-of-way to Mrs. Bullock.

Both her car, damaged on the left rear, and Albertson's auto, damaged slightly on the left front, were able to be driven away.

A right-of-way violation also occurred in a collision at 7:45 this morning, at the corner of Magnetic and Seventh Sts.

Gerald M. Pieti, 226 E. Ridge St., Marquette, received the ticket after his car struck one driven by Nancy Jo Maki, 304 Victoria Ave., Negaunee.

According to police, Pieti, going west on Magnetic, pulled out in front of Miss Maki, traveling north on Seventh. The right front of Miss Maki's 1961 sedan and the left front of Pieti's 1959 sedan were damaged to a minor extent, but both vehicles were removed from the scene by their owners.

Traffic congestion and slippery street conditions were blamed for the fifth accident reported, which took place at 3:30 yesterday afternoon in the 600 block of N. Third St.

Verna L. Arendsee, 1205 N. Fourth St., and Steven J. Kurian, 386 W. Crescent St., mere the drivers of the cars involved. Miss Arendsee was driving her 1959 two-door sedan south on Third, and Kurian was traveling north on Third in his 1960 two-door sedan.

Police said Miss Arendsee was pulling around a truck parked on the west side of the street, when the left front of her car scraped the left rear of Kurian's. Only minor damage resulted.

Adult Mental Health Clinic. Dr. McCarthy's resignation is effective March 15. He has served at the U. P. Adult Mental Health Clinic here since September 1960.

A native of Iowa, Dr. McCarthy received his A.B. degree from Regis College, Denver, Col., and graduated in 1921 from the Creighton University School of Medicine, Omaha, Neb.

At Kalamazoo 35 Years After teaching for one year at the university, he was at the Kalamazoo State Hospital for 35 years.

Dr. McCarthy is a member of the American Medical Association, American Psychiatric Association, Michigan State Medical Society, Detroit Neurological and Psychia-

tric Society and Kalamazoo Academy of Medicine. He has also been on the Borgess Hospital staff in Kalamazoo.

The U. P. Adult Mental Health Clinic is located in St. Mary's Hospital.

Dr. and Mrs. McCarthy reside at 606 W. College Ave.

Quick-Witted Teller Foils Holdup Attempt

NEW YORK (AP) — Having a quick-witted teller paid off Wednesday for the Amalgamated Bank. When a man walked into the bank and handed the woman teller a note demanding money, she fibbed: "We don't have any." The man left.

Northern Asks \$9,840,000 For Building Jobs

Northern Michigan College has requested \$9,840,000 for new construction beginning in 1963-64 as the college prepares for increased enrollments and a growing demand for educational services in the Upper Peninsula.

Dr. Edgar L. Harden, president of Northern, discussed the request of self-liquidating projects valued at \$4,940,000 and capital outlay construction totalling \$4,900,000.

To house the growing number of students arriving on the NMC campus, the college requested permission to build two new residence halls and two new apartment buildings providing a total of 24, two-bedroom apartments. These buildings would be financed on a self-liquidating basis.

Another self-liquidating project is the \$1,000,000 addition to the student center to provide adequate facilities for the continuing education and conference programs.

Dr. Harden said bids for the student center addition will be let in Marquette on Thursday, March 21.

Northern's capital outlay needs, Dr. Harden said, include \$1,400,000 to complete construction of the fine and practical arts building, and planning money for a new \$3,500,000 science building.

Dr. Harden also stressed the need for a substantial increase in

Northern's operating budget in the light of a consistent pattern of growth which will show another enrollment gain next fall.

Interest Shown
"We appreciate the interest shown by members of the appropriations committee and other legislators in the growth of Northern, the problem it faces, and the responsibilities it has to provide educational opportunities for the people of the Upper Peninsula," Dr. Harden said.

"While appropriations and building needs have not kept pace with the growth of the college and the demands being placed upon it, noteworthy progress has been made.

"Through careful planning and adherence to basic objectives, Northern has prepared itself for university status. A bill to provide this status this year has been introduced in

City Firemen Put Out Chimney Blaze At House

Marquette's fire department was called out yesterday morning when a chimney blaze broke out in a house owned by Wilfred

the legislature. "The response to this proposal by members of the State Legislature has been one of substantial encouragement.

"Northern's responsibilities in the years ahead will grow rather than diminish.

"We shall continue to seek for the young men and women and the adults of this area the educational opportunities they desire for self-improvement and meaningful preparation for the future."

Croissetiere and occupied by Thomas Ryan, at 346 Rock St.

Firemen raised 20 feet of wall ladder and a 16-foot roof ladder and used the booster hose off the service truck in extinguishing the flames.

The blaze was due to an overheated hand-fired furnace, firemen said. Six on-duty firemen responded to the call, with the No. 3 (1,000-gallon) pumper, along with the service truck. They were summoned at 10:33 a.m. and were back at the station at 10:31 a.m.

There apparently was no damage.

As early as six months old, a baby will respond to clapped hands or a ringing bell. If you suspect your child has defective hearing, consult a doctor right away, advises the Hearing Aid Industry Conference.

Anti-Crime Observance Slated Here

Sheriff Thomas F. Jernstad has been appointed chairman of the Marquette Exchange Club's annual observance of National Crime Prevention Week.

The observance will be held next week, with a special program planned for the club's Wednesday evening meeting in the Clifton Hotel, according to Alvin W. Weiland, club president.

Weiland said the slogan for this year's campaign is "You Can't Hide Out From Crime Fallout!" The

theme calls public attention to the enormous crime explosion and its effect on every citizen of the United States.

Endorsed By FBI
FBI Director J. Edgar Hoover has endorsed wholeheartedly the 16th annual observance of National Crime Prevention Week, sponsored by Exchange Clubs throughout the country.

Hoover says: "We in this country are witnessing a crime explosion. We are reminded of the effects on all of us in the theme of National Crime Prevention Week: You Can't Hide Out From Crime Fallout."

NAME CHANGE DUE

Michigan's House of Representatives today was expected to approve a bill which would change the name of Northern Michigan College here to Northern Michigan University. The proposal, by Rep. Dominic J. Jacobetti (D-Negaunee), Marquette County District representative, was put on the third reading Wednesday after emerging from the education committee of the House with a favorable recommendation.

Myers Issues Warning On Vaporizing Fire Extinguishers

Fire Chief John W. Myers warned today that the use of any type of vaporizing fluid fire extinguisher in an area where the public congregates is prohibited by law.

Chemicals used in the vaporizing fluid extinguishers give off a toxic fume which, in enclosed areas and when exposed to heat, is injurious to the liver and fatal in many cases, he said.

The most common chemical used in this type of extinguisher is carbon tetrachloride. Chief Myers said. Carbon tetrachloride is a popular home cleaning fluid because it is an excellent fat solvent and is nonflammable.

Myers noted that although the vaporizing fluid extinguishers are prohibited in areas where the public congregates, they are equally dangerous in private homes.

One teaspoonful of carbon tetrachloride evaporated in a small bedroom exceeds the maximum safe air concentration, he said.

The vaporizing fluid fire extinguishers are prohibited in public or private schools, hospitals, institutions, business or office buildings, multiple dwellings, jails, nursing or convalescent homes, school buses or any motor vehicle used for the transportation of passengers for hire, he emphasized.

By state law, Myers said, the installation or sale of the extinguishers for use in places of public assembly was prohibited after Sept. 8, 1961, and the use of the extinguishers in such places was prohibited after Jan. 1 of this year.

City Paragraphs

Correction — It was incorrectly reported in Tuesday's edition of The Mining Journal that Mrs. F. Katherine Rogers, Marquette, is president of the Choccolay Township Education Association. She is past president. Neal Anderson of the Silver Creek School is the current president.

Mother's March officials reported that campaign workers inadvertently omitted the names of five women who participated in the Mother's March from a list published in this newspaper. The nine names missing from the list are Mrs. William Flanigan, Mrs. Howard Morrison, Mrs. Fred Steele, Mrs. Allan Schwarz, Mrs. Elmer Carlson, Mrs. Roger Cover, Mrs. Kenneth S. Lowe, Mrs. Robert Brobner and Mrs. Walter Cooke.

MARQUETTE CITY COMMISSION PROCEEDINGS

A Regular Meeting of the Marquette City Commission was held Monday, January 28, 1963 at 7:00 o'clock, p. m.

Present: Mayor Smith, Commissioners Carlson, Fine, Johnson, Rydholm.

Absent: None.

Mayor Smith welcomed Mr. Milton Johnson and his Adult Student Government Class who were present at this meeting.

On motion of Commissioner Fine and unanimously adopted the reading of the minutes of the previous meeting was waived.

On motion of Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted the bills payable now on file with the City Clerk totaling \$108,506.76 including the net payroll of the City in the sum of \$38,506.76, were approved and ordered paid.

A communication from the Michigan State Highway Department was read commending the City for its efforts toward providing excellent maintenance of U.S. 41-M-28 in the City of Marquette. This communication was ordered received and placed on file.

A memo from City Manager Thomas Moore and Chief of Police Don Hermanson was read wherein the City Commission was informed that certain traffic control measures were to be placed in effect at the intersection of Third and Washington Streets on a 90 day trial basis. Following a short discussion on this matter this memo was ordered received and placed on file.

A communication from Harold S. Fisher, Business Consultant, Northern Michigan College was read wherein he expresses the appreciation of the college for the active part that the City is taking in the Basic Civil Law Enforcement Course which is being offered by Northern. This communication was ordered received and placed on file.

A communication from Jack Dempsey, General Chairman, 1963 Upper Peninsula American Legion Convention Corporation was read wherein a request was made for certain traffic control measures on June 22 which would allow that organization to hold a parade in the City of Marquette. Following a short discussion on this matter it was moved by Commissioner Johnson, supported by Commissioner Carlson and unanimously adopted that this matter be referred to the City Manager and the Chief of Police with power to act.

A report from City Accountant Sarah R. VanCleave was read wherein bids received for scrap material were tabulated. Following the reading of this tabulation of bids it was moved by Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted that upon recommendation of City Manager Thomas Moore, the high bid of Ishpeming Steel Corporation for a quantity of scrap material be accepted.

A communication from George N. Spear, Chairman, Marquette City Harbor Committee was read wherein he informs the Commission of an amount of money necessary to draw up plans and specifications for a proposed marina. On motion of Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted that the action of the Commission at its Special meeting of January 16, 1963 appropriating \$500.00 to be used for plans and specifications for a proposed marina be and is hereby amended to appropriate \$1,000.00 instead.

A communication of transmittal was read presenting a petition signed by 118 property owners in the general area of Government Lot No. 2, Section 26, T48N, R25W, more commonly known as Shiras Institute property bordering Lake Superior in the area of South Lake Street. This petition is requesting that this area be reserved as a recreation facility. Following a discussion on this matter of this petition, it was moved by Commissioner Johnson, supported by Commissioner Rydholm, supported by the following resolution be unanimously adopted:

WHEREAS, The Shiras Institute has adopted a resolution indicating the offering of certain land owned by that Institution known as Government Lot 2, Section 26, T48N, R25W in the City of Marquette, to the City of Marquette, and

WHEREAS, The City of Marquette has by resolution of the Governing Body indicated its intention to construct a steam generating plant in the City of Marquette, and

WHEREAS, The Governing Body of the City of Marquette has found that Government Lot 2 is not needed for City use,

NOW, THEREFORE BE IT RESOLVED: That the Shiras Institute for their action in the anticipated need of the City of Marquette,

AND BE IT FURTHER RESOLVED: That the City of Marquette not utilize any property South of the Industrial Zone along Lake Superior for the purpose of a power plant, if such areas should be determined to be the site of such plant.

A communication from the Michigan Municipal League was read wherein a request was made that a legislative contact man be appointed for the City of Marquette. Mayor Smith appointed Commissioner C. Fred Rydholm to act as legislative contact man for the City of Marquette.

Mayor Smith made the following appointments to the Board of Review: Hilmer Anderson, 448 W. Hewitt Avenue to succeed himself, Howard Schrandt, 342 W. Park Street to succeed himself, Thomas Swenor, 231 Jackson Street to fill the vacancy created

by the expired term of Franz Menze. Mayor Smith made the following appointments to the Appeal Board:

Bernard C. Peltz, 1716 Presque Isle Avenue to succeed himself, George D. Tibor, 112 Adams Street to fill the vacancy created by the expired term of John J. O'Neil. These appointments were unanimously confirmed by the Commission.

City Manager Thomas Moore as Superintendent of the Light and Power Department informed the Commission that the new engine just installed at the power plant is being readied for service by the end of this week.

A tabulation of bids received for a pickup truck were read. On motion of Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted that upon recommendation of the City Manager and the Superintendent of Public Works Department the low bid of Frel Chevrolet, Inc. for a model C3604 pickup truck in the sum of \$1,979.76 be accepted.

A tabulation of bids received for two dump trucks was read. On motion of Commissioner Rydholm, supported by Commissioner Johnson and unanimously adopted that upon recommendation of the City Manager and the Superintendent of Public Works Department the bid of Specker Motor Sales on a Rambler Model 550 in the sum of \$1,745.15 be accepted and that the City Manager be authorized to explore the possibilities of financing these vehicles over a three year period.

The Commission unanimously agreed that the following report be made a part of the minutes of this meeting:

(MAYOR) Mr. Moore, did you see the ad in the Jan. 28th issue of the Mining Journal, placed by the "Citizens' Committee for Power Information?"

(MOORE) Yes, your Honor.

(MAYOR) What comments do you have regarding this ad?

(MOORE) I don't know for sure who serves on this committee, but I would like to emphasize the point that our Power Plant expansion program has been written about many times in the Mining Journal. Our past and present records have been and are open to all citizens of Marquette. We have given out to many individuals copies of our complete financial program covering the Power Plant expansion. It is very possible that copies of this program are in the hands of some of the members of the Citizens' Committee.

(MAYOR) Are the figures quoted by the Citizens Committee accurate?

(MOORE) No, they are not entirely accurate and some very pertinent data was not mentioned. I have the correct figures that have been prepared by our Engineer and Financial Consultant. These figures have also been verified by our staff and I would like to present them to the City Commission at this time. Their ad states the Retirement of Present Bond Issue to be \$1,550,000. Actually the Retirement of Present Bond Issue is \$1,724,025. They state the Retirement of Bond issue now being advertised to be \$5,875,000, actually that figure should be \$6,278,751. They purport the cost of bonds and interest within the next ten years as contemplated, and as recommended by engineers to be \$5,875,000. Now the actual cost of bonds and interest within the next ten years would be \$2,922,000 or a total cost, if figuring interest at 4% would be actually \$10,924,776 instead of a figure of \$13,300,000 as purported by the Citizens Committee.

The following facts are a projection of the Light and Power financial data for the fiscal years 1963 to 1972, inclusive.

Total Income	19,178,400.00
Total Operating Expense	8,216,550.00
Total Taxes Paid to City	2,095,891.72
Total Interest Paid On Debt (estimate)	2,321,525.00
Total of Bond Payments	1,975,000.00
Total Misc. System Improvements from depreciation account	1,604,000.00
Total Reserve Funds Accumulated	250,000.00
Total Cash Accumulated (After all payments of any kind have been paid of which the City General Fund would receive one half)	2,715,463.28
Total Amount of Cash to be Transferred from Light & Power Department in the next 10 Years	3,453,393.36

(MAYOR) Thank you, Mr. Moore. These data are most helpful. The Citizens' Committee ad is typical of private power company efforts all over the country to discredit and delay any expansion program of a Municipal Power Plant, and it is unfortunate that these tactics have to be used in Marquette to create confusion. There being no other business before the Commission at this time, Mayor Smith declared the meeting adjourned.

City Clerk

House Alters Ways, Means Group Lineup

LANSING (AP) — Western Michigan and Gov. George Romney's administration each have acquired a new voice on the vital House Ways and Means Committee as the result of a reshuffling of committee assignments.

Rep. William Doorn, R - Grand

Rapids, Wednesday was named to the appropriating committee to replace Rep. Rollo Conlin, R-Tipton, who had refused to serve after being ousted from his long-time post as chairman of the General Taxation Committee.

In a game of musical chairs made necessary by Conlin's refusal, Doorn was removed from five committees, Conlin added to four and four other lawmakers given new assignments.

Second Term Legislator
House Speaker Allison Green said Doorn was picked—although he is only a second-term legislator—to provide Western Michigan

with some long-sought representation on the Ways and Means Committee.

"It's been our feeling for a long time that certain areas, such as Oakland County and the Kent County area, should have some representation on the committee," he said.

Rep. Lloyd Anderson, R - Pontiac, was added to the committee in the original assignments last month, to fill Oakland County's demand.

Line Up
The 12 - member committee is headed by Rep. Arneil Engstrom, R-Traverse City, and has three Wayne County Democrats, another

Money Raised In Sawyer Chest Drive Distributed To Recipients

Representatives of various Community Chest agencies in this area pose with officials of K. I. Sawyer Air Force Base in the officers' open mess hall, following a presentation of checks from the \$14,027 fund collected in the recent Sawyer Base United Fund drive. Col. Richard W. Davania, commander, Sault Ste. Marie Air Defense Sector at Sawyer, made the presentations. From left are Major Raymond E. Clarkson, base youth activities

director; Lt. Nelson Diaz, Salvation Army Corps commander, Ishpeming; Col. James F. Reed, commander, 56th Fighter Wing, Air Defense Command, Sawyer; Robley H. Morrison, Marquette, president, Marquette County USO (United Service Organization) Committee; John Vargo, Marquette, Bay Cliff Health Camp field representative; Col. Davania; Paul Goodman, Marquette, American Red Cross; Col. William B. Kyes, commander,

410th Bombardment Wing, Strategic Air Command; R. Ralph Smith, Marquette, executive, Hiawathaland (Upper Peninsula) Council, Boy Scouts of America; Mrs. Eugene Cole, Marquette, representing the Girl Scouts; Major R. B. Sharp, commander, Salvation Army Corps, Marquette, and Jack Miller, Marquette, Michigan United Fund field representative.—(USAF photo)

Centralized Boiling Trend, Changes In Sap Production Of U.P. Discussed by Skog

Changes are taking place in the production of maple syrup in the Upper Peninsula, reports Roy E. Skog, Marquette, Upper Michigan forester for the Michigan State University Extension Service. Skog says one change that provides a good opportunity for expanded maple syrup production in the region is the trend towards centralized evaporating or boiling of sap. Skog has worked several years with Upper Peninsula sugarbush operators, and has made some interesting observations of the centralized evaporating systems. Hauled 30 Miles Central evaporating plants are now in operation in eastern United States, Wisconsin and downstate Michigan, he said. The plants buy raw sap from nearby owners of sugar maple trees either at the roadside or delivered to the plant. The distance sap is hauled to plants may range up to 30 miles or more. In the East the price paid for raw sap is around four cents per gallon (for sap with a two per

cent sugar content) at the roadside, and five cents per gallon delivered. A tree large enough for two tap-holes and yielding 25 gallons of sap during the season brings a return of about \$1 for roadside sap. Needn't Own Equipment One of the advantages of centralized boiling is that it makes it possible for owners of maple trees to harvest sap without owning boiling equipment, Skog noted. It also tends to reduce equipment costs, because on the basis of boiling capacity a large sap evaporator installation costs less than a small one. A central evaporating plant having the necessary equipment can also make maple candies, creams and other specialty products, thereby greatly increasing the income from maple sap sugar. Central evaporation could be started in the U. P. in a number of ways, Skog stated. At present there are sugarbushes in some localities that could expand their facilities and buy sap. Where facilities are lacking, interested people might form a small cooperative, association or company to buy necessary equipment and operate a plant, he said. "Another possibility is that of attracting a large manufacturer of food to come into a locality and build an evaporating plant," Skog said. "A large food processing company has done this at Kingsley."

Requires Careful Planning Careful planning as to equipment needs, availability of tapable trees, plant operation, market outlets for syrup and syrup products, etc. should, of course, precede the start.

Marquette City Commission Proceedings

A Special meeting of the Marquette City Commission was duly called and held Wednesday, January 16, 1963 at 4:00 o'clock, p.m. Present: Mayor Smith, Commissioners Carlson, Fine, Johnson, Rydholm. Absent: None. Other Officials present were the members of the Marquette City Harbor Committee: George Spear, Chairman. Members: Don McCormick, Edmund Patenaude, Wayne Schwenke. Mayor Smith called the meeting to order and stated that it's purpose was to meet with the Harbor Committee to discuss a recommendation that has been made concerning a matter of funds for preliminary engineering work to be done on the proposed marina. Mayor Smith asked the Chairman of the Harbor Committee to bring the City Commission to date on the activities of that Committee prior to making the recommendation. George Spear then addressed the Commission bringing them up to date on these activities and studies made by the Harbor Committee prior to this date. The meeting was then opened to a round table discussion regarding the matters of the proposed small boat marina, its location in proportion to surrounding City owned property and other related activities in the immediate area. Following the round table discussion it was moved by Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted that upon recommendation of the Harbor Committee, the City Commission appropriate \$500.00 to be used for plans and specifications for a proposed marina. There being no other business before the meeting at this time, meeting adjourned. EVERETT H. KENT City Clerk

3 Frameless Compact Cars Will Change

By BEN PHEGAR Associated Press Auto Writer DETROIT (AP) — Starting with the 1964 model year the smaller Buick, Oldsmobile and Pontiac models will use separate frames, just like the big cars do. The Special, F-35 and Tempest have been unitized or frameless, since they were introduced at the start of the 1961 model year. The change has not been announced, and won't be since General Motors always is reluctant to talk about future models. So there is no official explanation for the switch. Plenty Of Guesses There have been plenty of educated guesses, however. These appear to fall into two classes — that the GM divisions were dissatisfied with the unit bodies, and that it became too cumbersome to assemble cars of both types (with and without frames) on a single assembly line as was necessary in some combined Buick-Oldsmobile-Pontiac (B-O-P) plants. In separate body and frame construction, the frame holds the body using possibly an "X" or "Y" design. In unit construction there is no separate frame but portions of the body are so designed as to carry the load. This is similar to aircraft construction. Pioneer Hudson was a pioneer in this method and today all American Motors' cars are unitized. So are all but the Imperial at Chrysler Corp. Ford uses the separate frame method only for the Ford Galaxie and Mercury Monterey. Studebaker has no unitized models while General Motors kept frames for its standard sized cars and made its compacts unitized. When General Motors adopted unit construction for its small cars, the word circulated that the big cars soon would be changed to that method, too. Carl Cenzler, chief body engineer at American Motors, suggests one reason this did not come to pass is General Motors' penchant for frequent body style changes. In Advance He says that with unitized construction every possible load, weight and stress factor must be determined precisely in advance whereas the frame design, itself, often is continued from year to year even though body changes are made. Cenzler is a firm disciple of unit construction and still believes it will ultimately be adopted by all auto manufacturers.

Meat Prices Dip At Many Food Stores

DETROIT (AP) — Beef, pork, lamb and poultry are among bargains for grocery shoppers this weekend. Eggs are turning lower and several canned seafood items are tagged at special prices. Vegetable counters are beginning to reflect recovery from the winter freezes. Cucumbers, sweet corn, cabbage and lettuce are returning to normal price levels. Citrus Fruits High Citrus fruits, both canned and fresh, are still high and, as likely as not, will climb yet higher as old inventories are replaced. But bananas, scarce during the dock strike, avocados, pears, grapes and apples are in ample supply. A wide variety of beef cuts carry bargain tags, as heavy supplies exert pressure on prices. Beef ribs tumbled as much as 5 cents a pound in some San Francisco markets. Pork Bargains Varied Pork bargains are also varied, with bacon and sausage particularly attractive in some areas. Lamb legs, roasts and shoulder are widely featured over the Eastern half of the nation. Broiler-fryers continue to rank

Five Persons Fined \$59 In City Court

Five persons were ordered to pay a total of \$59.30 in fines and costs when they appeared before Municipal Judge Edward H. Dembowski yesterday. Charles F. Kraft, Box 384, Marquette, was ordered to pay a fine of \$10 and \$4.30 costs for driving too fast for conditions and a fine of \$5.70 and \$4.30 costs for no operator's license. State police issued the two tickets Oct. 7 on U. S. 41 in Ishpeming. A fine of \$6.30 and \$3.70 costs were paid by Winogene Mills, Sherman St., for failure to have her motor vehicle under control. She was ticketed by city police after an accident Monday on Presque Isle Ave. Right-Of-Way Violation For failure to yield the right-of-way, Charles G. Tapola, Princeton, paid a fine of \$6.30 and \$3.70 costs. City police ticketed him following an accident Monday at the intersection of Fifth and W. Washington Sts. For speeding, Richard R. Brown, 801 Summit St., paid a fine of \$6.30 and \$3.70 costs. City police issued the ticket Sunday for driving 50 miles per hour in a 35-MPH zone on Front St. Dorothy P. Fisher, 117 E. Ridge St., paid a fine of \$1.30 and \$3.70 costs for unsafe backing. City po-

among bargains, and baking hens are economy-priced in the Southeast. Eggs have begun their seasonal decline. Chief seafood items are canned salmon, Maine sardines and tuna. Footprints In Snow Lead Cops To Thief ALPENA (AP)—Some \$5,000 in jewelry was taken from a store here and within three hours police reported they had the burglar. Footprints in the snow led to the quick arrest, police said. A window was broken in the Northside Jewelry Store and watches and rings snatched. Donald Panknin, 42, of Alpena, was arrested at his home. He was charged with breaking and entering. An English commercial firm made the first sale of Christmas cards in 1862. Police issued the summons Jan. 22 after an accident on Presque Isle Ave.

Aw... go on! I'll bet you tell that to all the gals who use Creamettes in their casseroles or salad dishes. You can't miss if you use Creamettes! It always adds real flavor to any sacaroni dish.

establishment of a plant, he said. There is very little information on minimum plant size. However, he said, it seems that a plant should be based on sap production from at least 20,000 tapholes within a radius of 20 miles or so. This would make possible a yearly production of around 4,000 to 5,000 gallons or more. "The heavy summer tourist traffic in the U. P. offers an excellent opportunity for roadside marketing of maple syrup products," Skog pointed out. "These can be sold either at existing highway business places, or at specially build highway stands. "One developing that is occurring in some maple syrup produc-

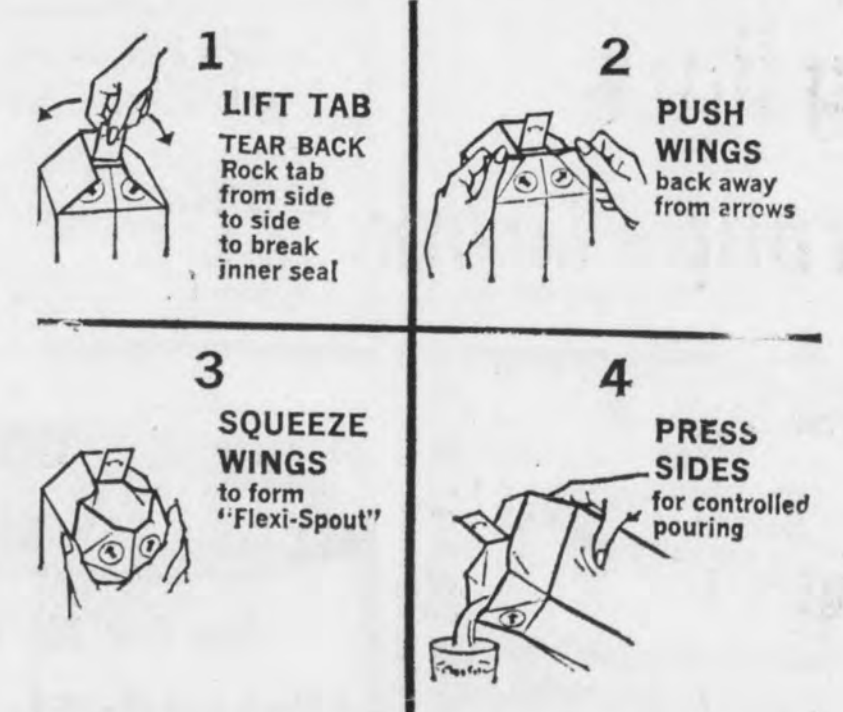

ing areas, is that of building the sugar house, or evaporation plant, along highways. "This not only makes it easier to deliver sap, but also make it possible to combine evaporating, candy making, and marketing facilities into one structure."

In UPPER MICHIGAN... Morning Glory's ALL NEW, EXCLUSIVE PLASTIC COATED MILK CARTON 1/2 GALLON

An excellent product in an excellent container, plastic inside, plastic outside. The plastic coating protects you from soggy grocery bags, keeps refrigerator dry and shelves clean. And what a convenience! It opens as easy as 1, 2, 3.

Three Drivers Issued Tickets, Nine Automobiles Involved In Six Area Traffic Mishaps

Three motorists were issued tickets and nine automobiles were damaged, but no one was injured, in six area traffic mishaps reported this morning by state police from the Marquette post.

There also were a number of wrecks in the city (see other local traffic accident story). Reports on the mishaps investigated by state police follow:

1. At 12:45 yesterday morning an automobile being driven north on U. S. 41 by Howard Gibson, 29, K. I. Sawyer Air Force Base, went out of control a half mile north of County Road 545, in Chocoley Township, when he failed to negotiate a slight curve to the left.

Reckless Driving Count
Gibson's automobile went off

Agent Tells Why Milk Tests Vary

This time of year one of the most common questions is, "Why does the butterfat test in milk vary so much?"

The difference is due to several factors: by this period of the winter season our heavy producing cows may have used up a lot of their body reserve, according to Jack Little, Michigan State University Extension dairyman for Upper Michigan, who reminds dairy farmers that the butterfat test of an individual cow may vary from two to ten points between milkings.

Individuality Of Cows
Another factor which causes the difference is the individuality of the cow herself. Some cows inherit good milk-giving qualities. "Seldom are two cows, even of the same breed, found to give milk with the same fat content," he said. There is also the influence of the breed itself. "When the average of several cows of the same breed is taken, there will usually be a uniform difference between that breed and another," Little pointed out.

Cow's Age Factor
The age of the cow is cited as a factor affecting the fat content of the milk it gives. The milk is found to be less rich with each succeeding period of lactation. As each period of lactation advances, however, the amount of fat increases. This is especially apparent after the third month.

In addition, time between milkings has some effect on richness, and milking at regular intervals gives best results.

The weight and condition of the cow, Little says, is an important factor particularly at this time of year. A cow in good flesh, "carrying a lot of body reserve," will have a higher butterfat test than if she is in poor condition.

Critic Lauds TV Valentine 'Pygmalion'

By CYNTHIA LOWRY
AP Television-Radio Writer
NEW YORK — "Pygmalion," George Bernard Shaw's saucy period piece about making a lady out of Eliza Doolittle, was a beautifully acted and produced valentine from NBC to the nation Wednesday night.

Miss Julie Harris, who seems perfect playing everything from a very young girl to an ancient queen, was marvelous as the suspicious cockney flower girl caught up reluctantly in an experiment in phonetics. She was beautiful as the finished product — an English lady.

Casual Brutality
James Donald, as rude Professor Henry Higgins, invested his part with the casual brutality of Leslie Howard, instead of the wispishness Rex Harrison gave him.

As in all the "Hall of Fame" programs, the 90-minute adaptation of the Shaw classic was notable for effective, subtle use of color. The ballroom scene was gorgeous.

This season's unenthusiastic reception of the prime-time evening schedules of both NBC and ABC is expected to result in a drastic plowing up for next year which will uproot almost 50 percent of the current crop and mean shifts in time spots for many of the others.

Reshuffling
Some of the reshuffling under consideration involves ABC's "Wagon Train," perhaps lengthening it to 90 minutes and moving it out of head-on collision with NBC's "The Virginian."

Jack Paar's hour is expected to shift to Thursday night, "Ben Casey" to Wednesdays and Mitch Miller to Mondays. And that's just the beginning. A number of old favorites may disappear, including "Dobie Gillis" and "Denise the Menace," and along with more recent entries like "Sam Benedict."

A shift in ABC scheduling which is closer at hand involves slipping re-runs of the old "Cheyenne Show" at the head of its Friday evening schedule. That starts April 12, when the Winston Churchill series of reruns is finished.

damaged. Both vehicles were removed from the scene by their owners.

State police issued Franti a ticket for a speed law violation.

3. At 8:30 last night a car being driven north on County Road 553 by Brian Nadeau, 18, K. I. Sawyer Air Force Base, went out of control when he missed a left curve, about one and one-half miles south of County Road 480, in Sands Township.

Ticketed For Speeding
Nadeau's car traveled off the left side of the highway, crashing into the ditch and rolling over.

Extensive damage occurred to the top and both sides of his car, a 1935 coach, which had to be removed from the scene by a wrecker.

State police gave Nadeau a ticket for violation of the basic speed law.

4. An automobile being driven west on U. S. 41 by the Very Rev. Msgr. Wilbur Gibbs, 45, of 600 Altamont St., Marquette, and a pickup truck operated by William Mager, 43, of 501 Ready St., Ishpeming, were involved in a smashing up at 4:30 yesterday afternoon, just east of County Road 502, in Negaunee Township.

State police said Mager had driven out in front of Msgr. Gibbs and his vehicle was struck from behind. Msgr. Gibbs said he didn't

see Mager drive out due to the high snowbank.

Considerable damage resulted to the right rear of the truck, a 1937 model, and to the front end of the car, a 1962 coach. Both vehicles had to be towed from the scene.

5. At 12:30 yesterday afternoon a car being driven west on U. S. 41 by Mary Brewer, 28, of 225 N. Fourth St., Marquette, went out of control when it struck an icy spot, one mile west of County Road HD, in Marquette Township.

Her automobile slid around sideways, smashing into a snowbank on the right side of the highway. The left side of the Brewer car, a 1962 two-door sedan, was damaged. The vehicle was driven from the scene under its own power.

6. An automobile being backed out of a private driveway by Carl Tubbs, 30, Route 1, Marquette, was struck by a school bus operated by Willard LeMaire, 50, Route 1, Marquette, on County Road BAA, a half mile west of M-28, in Chocoley Township, at 5:30 yesterday afternoon.

State police said Tubbs said he didn't see the bus until the impact. LeMaire told officers he applied the brakes on the bus, which slid into the car.

No damage occurred to the bus, a 1936 model, but the left rear of Tubbs' 1962 sedan was damaged.

'Untapped' Resource

A group of Upper Peninsula residents interested in the production of maple syrup will meet tonight in the Gould City Town Hall in Schoolcraft County...

Prof. Robbins is one of those who believes that Michigan's several million maple trees that aren't utilized in producing syrup represent one of the state's greatest 'untapped' agricultural resources...

Prof. Robbins believes a couple of recent developments in this field could encourage

Peninsula Perambulator

The mounting school crisis in Stambaugh has prompted renewed calls for consolidation of the Iron River, Stambaugh and Bates school districts...

More than 1,000 men in Menominee County have been issued certificates of membership in the "Whiskered Gents" feature of the 1963 Menominee County centennial celebration...

The largest ski train in the history of skiing at Iron Mountain-Kingsford brought 325 skiers from Chicago to the Upper Peninsula over the weekend...

From The Journal Files

60 Years Ago

—Marquette— County Clerk W. A. Ross, Mark Elliott, Walter Fitch and Joe Fay of the courthouse building committee are off on a 10-day trip inspecting modern courthouses...

30 Years Ago

—Marquette— Lou Persitz returned yesterday from a three weeks' purchasing trip in New York and the eastern market. Mr. and Mrs. L. Gilley have returned from Chicago, where they spent three weeks purchasing merchandise for Millady's Shoppe...

more tapping of maple trees, thus bringing added revenue to Upper Peninsula residents who own sugar maple stands but don't use them for the manufacture of syrup.

One of these developments is the new trend toward centralized processing. This involves hauling raw sap to a central plant, where it is evaporated. Normally, each syrup producer in the past has had to invest from \$1,000 to \$4,000 for a sugar house, evaporator and other equipment.

The second development is a parafomaldehyde pellet, a product of research by Prof. Robbins and Ralph Costello, an MSU microbiologist. The pellet is placed in the taphole, where it kills micro-organisms detrimental to sap. This boosts yields considerably and improves quality.

"Central evaporating and the pellet should help hold prices steady on tapping for your morning flapjacks," Prof. Robbins commented. "Consumer prices for syrup have changed very little since World War II, but growing labor and equipment costs make this record hard to maintain."

Editor's Mail

(Contributions are invited. Letters should be limited to less than 300 words. Only signed letters will be considered for publication. Personal attacks on individuals will be eliminated.)

Proposed Constitution

Gentlemen: Will the people of Marquette adopt the proposed new constitution? Before you, as voters, think of voting on it, you should get some of the literature that is being published for and against it...

Cutting Taxes

Dear Sir: If Rep. Martha W. Griffiths, who claims that 62 per cent of her mail is against tax cuts, took the trouble to find out why, she would probably find that those who could use even a \$5 a month tax cut have not been heard from.

The people probably feel that the voices of those who can afford to pay \$1,000 a plate for dinners for party donations would carry more weight than theirs and would not bother to answer if they did receive a questionnaire, feeling that they may as well save the price of a postage stamp to pay the sales tax on bread for the family.

MINNIE IDA MATTSON Box 275 Newberry

Cambodian Life Described By Marquette Man

(The following letter was written by Martin Clish of Marquette, who is now serving in Cambodia in Indo-China with the International Voluntary Services, a non-profit organization. Mining Journal readers will recall Clish as the author of a number of letters about India that were published on this page in 1961 when Clish was in India under the International Farm Youth Exchange Program. — Ed.)

BY MARTIN CLISH Sitting here at the Stung Koo Livestock Station, Cambodia, with a kerosene lantern as my source of light, I can't help but think of you people in the States. I am listening to the "Voice of America" on the Philippines and Wayne's short wave transistor radio and am trying to catch up on the world news.

History has been created in the States since I left, with Wally Schirra's flight, the heavyweight fight, the World Series and the Cuban blockade. World history seems rather unrealistic as I try to write two years of my history working for IVS in Cambodia. Desire For Travel Many of you who have not seen me this summer may find this letter quite surprising in that it comes from Cambodia.

Today's Special Story

Water is very abundant in Cambodia and provides a source of fish to support 30,000 fishermen who take in an annual production of 130,000 tons of fresh water fish. The fish, taken as the water recedes at the end of the monsoon season, sometimes by hand or nets,

about one-tenth water, leaving approximately 40 per cent arable. Only 25 per cent of the arable land — a tenth of the whole — is under cultivation. The 25 per cent of arable land supports a population of 5,750,000.

The climate of Cambodia is mild, the temperature averaging about 82 degrees F. and varying from about 70 to 95. The coldest month is January; the warmest April. The rainy season — the southwest monsoon lasts from May through October; the dry season — the northwest monsoon from November through April. The mountain chains to the south give Cambodia a drier, clearer climate than that of most lands at the same latitude.

The central part of the country, bordering the Mekong and the Tonle Sap (literally great lake) is a level plain, a basin that stretches over three-fourths of Cambodia; little of it is more than 10 feet above sea level. Because of the flat alluvial plain, inundated part of the year, and the wet tropical climate, rice cultivation is comparatively easy, even with the crudest implements and despite the fact that the soils of Cambodia generally are low in inherent fertility, poor in humus, potash and lime.

IVS is a non-profit organization chartered under the laws of the District of Columbia in 1953. It was organized by a group of people committed to the idea that American youth could make an important contribution to the U. S. foreign policy by establishing person-to-person contacts with people of another country...

MARTIN CLISH

are either dried, salted, smoked or fermented for the production of "nuoc-man sauce or prahos paste" — staples of the Cambodian diet.

Trip To China Border

During the monsoon season the Mekong River (flowing from Northern Cambodia and Thailand) will raise as much as 40 to 45 feet.

Rice And Fish

Water is very abundant in Cambodia and provides a source of fish to support 30,000 fishermen who take in an annual production of 130,000 tons of fresh water fish. The fish, taken as the water recedes at the end of the monsoon season, sometimes by hand or nets,

I departed from San Francisco on Sept. 9, flying Pan Am Jet to Cambodia via Honolulu, Hawaii, Japan, Hong Kong and Phnom Penh, Cambodia. The eight days of travel en route were spent playing the part of a tourist by visiting tourist sights, taking pictures, scheduled tours and buying sou-

venirs. I found Hong Kong to be most interesting with a trip up to some of the new colonies and the Chinese border. Typhoon Wanda had struck Hong Kong two weeks before I arrived and the people in the colonies were still digging themselves out from the debris. Many homes had been completely leveled and some were still under water. Private organizations, U. S. A. and other European countries were supplying aid in the form of food, clothing and medical supplies.

Five Days In Phnom Penh

I arrived in Phnom Penh, Cambodia, on Sept. 16, at Pochentong airport, and was met by the other members of the IVS team and some USAID officials. The IVS chief of party, George Eason, and family were returning from vacation and I had a chance to visit with them on the plane before landing in Phnom Penh getting my identification papers, driver's license, dispensary shots and necessary commodities before going to the Livestock Station at Stung Koo where I am now.

The Livestock Station is a United States Agency for International Development project that was started back in 1960. The station is nearing completion with the building of three cattle barns housing 75 beef cattle each, two hog barns, two feed barns, a machine shed repair shop, generator building, poultry house, training center designed to hold 40 students, office building, director's house and 15 houses for station personnel and workers. The total farm area is 1,800 hectares (2 1/2 acres in a hectare), with 50 hectares of cleared land for pasture and crops.

My work at Stung Koo has been mainly around grass introduction, with the establishment of a permanent grass nursery. The nursery includes 54 different species of grasses from around the world. We have just completed a horticultural nursery with vegetable introductions from the States and available native plant material. We are in the dry season so much of our grasses, horticultural crops and grains have to be irrigated.

De Gaulle's Odd Behavior

By PETER EDSON

WASHINGTON (NEA)—The despair of average citizens over the prospect of real international cooperation ever being achieved is worsened now by the strange behavior of French President Charles de Gaulle.

On the one hand he has blocked Great Britain's admission into the European Economic Community—EEC.

On the other hand he refuses to go along with the agreement made by President Kennedy and U. K. Prime Minister Harold Macmillan for a Polaris missile defense plan for Europe.

Official Washington Line In Washington, the official line is that De Gaulle's upsetting of the North Atlantic Treaty Organization and Common Market applicants is unfortunate, not what the United States would have willed. But it is said these are questions for the European countries to decide for themselves, and the U. S. will stay out of the arguments.

It is maintained with a straight face that whatever course of this will cause only a temporary detour of peaceful traffic down the main streets of history.

U. S. trade czar Christian A. Herter is in Paris, conducting negotiations on tariff reductions, and ambassador Livingston T. Merchant is in Paris, negotiating for creation of a NATO nuclear force, just as though De Gaulle had not merely pounded a shoe but thrown one.

Unity Considered Essential No American official in any way responsible for the conduct of U. S. foreign policy could afford to take a position contrary to this view in this nuclear age. The defense of the free world is necessarily held indivisible. Close political relationship across the Atlantic is considered inevitable because of the community's economic interdependence.

All this unity is considered essential if there is to be any successful resistance to world-wide Communist aggression.

In one sense, it is said to be the current Communist split between Russia and Red China which encourages people like De Gaulle to go off on tangents. And it is the success of the United States in forcing Russia to withdraw missiles and jet aircraft from Cuba which gives western go-it-aloneers their self-confidence to show off.

Howled To High Heaven De Gaulle's great display of independence now is considered characteristic of the behavior of other leaders of the European democracies. When the United States first proposed that European maritime nations stop freighters flying their flags from carrying Communist arms to Cuba, they all howled to high heaven. They maintained it would be impossible to stop free trade on the high seas. It would be too difficult to organize such an embargo.

When they saw the photographs of the Russian missiles on the Cuban bases, however, all the howlers shut up immediately and swung into line to support an all-out blockade. De Gaulle even sent a message to Kennedy, saying that if the Cuban crisis developed into a war, France would be with the United States. So the expectation and the hope are that if another showdown develops, De Gaulle will be right in this pitching cooperation with the best of the allies.

French Are Unpredictable Nobody professes to know what the general will do next, for he is French and the French are unpredictable, which is what makes them so delightful and so annoying at one and the same time.

A final rejection of British membership in the Common Market is not expected to be permanent. A temporary rejection might interfere with U. S. negotiations for reduction of European tariffs and the making of new trade agreements, but it might help exports of U. S. farm products.

The British are famous for being able to muddle through, even when the going is rough. Their failure to gain admission to the Common Market at this time would not change U. S. policies toward Europe. And the prospects for withdrawal of American forces from Europe, while desirable as a long-range objective, is not even being considered in the face of today's world situation.

Hal Opens Up His Mail Bag

By HAL BOYLE

NEW YORK (M)—Things a columnist might never know if he didn't open his mail:

"It's more of a woman's world every day. A recent magazine poll in Tokyo, once a bastion of male strength, found that more than half of younger Japanese husbands' 'fear' their wives."

Prosperity note: U. S. families with life insurance have an average protection of \$14,300—but this isn't enough to send two kids through college comfortably.

Test this theory on your friends: It is said that the nose of a righthanded person points to the right, and the nose of a left-handed person points to the left.

History lesson: Only one physician served on the U. S. Supreme Court. He was Dr. Samuel Freeman Miller, appointed by President Lincoln, and he served for 28 years.

Our quotable notables: "Men have as exaggerated an idea of their rights as women have of their wrongs."—Ed Howe.

The world's most famous tilt is that of the Leaning Tower of Pisa in Italy. It is now 16 1/2 feet out of line and sinks a fraction of an inch more each year.

No wonder American housewives are tired. They open 55 million cans and jars of food each day.

Abandoned wealth: The man who invented the safety pin sold his patent rights for \$100.

Great minds in labor: The Colorado State Supreme Court has solemnly ruled that a telephone booth is a building.

What have you done to impress your bride recently? It took 20,000 men 17 years to erect the Taj Mahal, an Indian wood-burn's sentimental monument to a departed wife.

No one knows when the dog became man's best friend, but Egyptians kept dogs at least 5,000 years ago. Today there are at least 130 distinct breeds.

Health note: Since mental hospitals in 12 states unlocked their doors, only half as many patients have tried to escape as when they were restrained by lock and key.

It was President Theodore Roosevelt who observed, "A man who has never gone to school may steal from a freight car; but if he has a university education, he may steal the whole railroad."

Born Too Late?

The National Whirligig News Behind The News

BY RAY TUCKER

WASHINGTON — Many bankers and corporation executives, once whoopers-up for President Kennedy's tax cut, are now withdrawing or qualifying their support. They are finding themselves victims of their own enthusiasm. When Mr. Kennedy first proposed,

may, promised a cut in income and corporation rates, they hurried to join labor and other taxpayers in declaring their unqualified support. But now that they have found that the tax cut plan is not accompanied by corresponding cuts in the budget they are adding qualifications.

In the annual report of the Bankers' Trust Co. of New York, Chairman William H. Moore expressed fears over value of the dollar with a huge budget deficit. He said the cut would be effective only if it encouraged private investment and federal spending were kept under tight check, which it may not.

Calls For Economy

The First National City Bank of New York, saying that the situation justifies "a bold approach to desperately needed income tax rate reforms," added, "We should improve management of public debt. We must prepare to pay higher interests rates as necessary to put the damper on inflationary influences and expectations."

"But this is not enough. We will have to sweep away the idea that government expenditures inevitably must increase to the tune of billions of dollars each passing year. Loosening restraints on private spending logically demands a new sense of caution on public spending."

Dr. Charles E. Walker, executive vice president of the American Bankers Association, said the President's tax program was encouraging but that the financial implications were "near disastrous." The projected deficit for the year beginning July 1, 1963, he declared, is much too large and could easily swell to unmanageable proportions.

Keynesian Theories

President Kennedy, for the first time in American history, proposed deliberate deficits as an economic

Side Glances

"It's a well-established neighborhood. Several families are into their fifth year of payments."

After winning four games in a row, the Northern State Teachers College cagers face a formidable foe from Lower Michigan here tonight when they tackle the Central State Teachers College quintet of Mount Pleasant in the college gymnasium.

Dear Abby . . .

BY ABIGAIL VAN BUREN

DEAR ABBY: Yesterday I was in the drug department of a large store. I was writing down the prices of some vitamins when a sales clerk walked over to me and asked, "May I help you?" I replied, "Yes, where can I find the aspirin?" He asked, "Are you comparing prices?" I answered, "Of course, I always do." He replied, "Then find the aspirin yourself" and walked away. I was stunned.

I want to know if I was within my rights, Abby? Is there any law against writing down the prices of three or four different items in a store? I have to compare prices because I need every penny I can save.

DEAR ABBY: My wife has an old metal box (she calls it her "treasure chest"). It is filled with junk. Pictures of our children (all grown and gone), their baby shoes and the stuff they made in school. She even has an old gas mask her brother had in World War I. (He's dead now.) She goes through these things every once in a while and has herself a good cry. I told her she was stupid and she should quit living in the past. I even threatened to throw it out if she didn't get rid of it. These old things give me the creeps. Maybe if you told her how childish she was, she'd listen.

INSULTED
DEAR INSULTED: You were surely within your rights. The sales clerk was rude. You should have reported him to the manager and, believe me, HE'D have soon found the aspirin in anticipation of a big headache.

DEAR ABBY: I am in love with a man who seems crazy over me when we are together, but there is another girl. He says he can't decide between us. I have been waiting for a year for him to make up his mind. He has her picture on his dashboard and it spoils my evening every time I get into his car. He dates me on Mondays and Thursdays and she gets him the rest of the week. Should I demand that he make a choice?

NOT SENTIMENTAL
DEAR NOT: If your wife enjoys "nursing" in the past" a little, let her. (It sounds better than the "present" you are giving her.) It's HER junk and she's HER memories, so be patient and be quiet.

CONFIDENTIAL TO D. R.:
Everyone complains that the cards are badly shuffled — un-

DEAR READER: When you give a man an ultimatum, be prepared to lose. Your com-

The Skandia Township Zoning Board will hold its public hearing on the proposed Zoning Ordinance on February 14th, 1963 at 7:30 p. m. at the Skandia School. A copy of the Zoning Ordinance, together with maps may be seen at either of the following places from January 15th through February 14th, as well as at the public hearing:
L. & C. General Store Skandia, Mich.
Kellstrom's Grocery Skandia, Mich.
Marjaniemi's Store Dukes, Mich.
Arnold-Johnson's Store Carleton, Mich.

til he gets a good hand:

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif. (McNaught Syndicate, Inc.)

Woman's Head Found In Cellar

PHILADELPHIA (AP)—The recently severed head of a woman was found in the cellar of a vacant house here by a truck driver who said he was looking for old coins.

George Siegmann, 44, told po-

lice he found the head in a brown paper bag in a coal bin. The head was turned over to the medical examiner's office where a spokesman described it as apparently that of a red-haired white woman in her 50s. The spokesman said it had been severed about a week ago.

The common bond that united all Cossacks was a love of freedom and disdain for social conventions. Most were Ukrainians and Russians with a sprinkling of Poles, Lithuanians, Scandinavians, Serbs, Germans and Turks.

WHEN IN DOUBT, STOMACH MAY I ASK A QUESTION?

WHO IS OL' KNUTE ROCKNE?

I DON'T KNOW WHY I EVEN TRY.

Y'L ABNER

NOW THAT WE IS ALONE—LES SEE WHUT PROGRAMS THEY GOT IN MOSCOW!!

BETTER THAN YOU!! YOU GOT GROUCHO MARX!! WE GOT KARL MARX!!

YOU GOT THE LENNON SISTERS—WE GOT THE LENINGRAD SISTERS!!

YOU GOT THE REAL McCOYS—WE GOT THE REAL MIKOYAN!!

YOU GOT RED SKELETON—WE GOT RED SKELETONS, AND—UGH—PLENTY OF THEM—IN THE UKRAINE!!

YOU GOT DAVID SUSSKIND—WE GOT TROUBLE, TOO!!

YOU GOT DR. KILDARE—WE GOT DR. KILCAPITALIST!!

OUR BOARDING HOUSE

I'M CERTAIN YOU'LL FIND HOOPER'S MANOR IS THE PERFECT PLACE IN WHICH TO COMPLETE YOUR RESEARCH, MR. BRIDGE WATER! EGAD, I SELECTED THIS MODEST HOME PURPOSELY BECAUSE IT DOESN'T ATTRACT ATTENTION!

I'VE SEEN SOME DANDY SPELL-BINDERS FROM HERE TO MANDALAY, BUT THIS ONE COULD TALK 'EM ALL DOWN TO A WHISPER! I'LL BET HE'D NEED A CREDIT CARD TO BUY A SHOESHINE! BUT AT LEAST IT'S FREE BOARD AND ROOM—I HOPE—TILL I CAN THINK OF SOMETHING ELSE!

HE WASN'T MET MARTHA YET!

OUT OUR WAY

DON'T DARE USE THAT! I CAN MAKE YOU A GOOD DRESS FROM THAT—TILL TELL YOU WHAT TO USE—NOT THAT EITHER!

WHY, YOU'VE HAD THEM SINCE BEFORE I WAS BORN!

AAN! WE HAFTA GO THRU THIS EVERY TIME—EVEN MAKIN' A BED FER TH' DOG!

BORN FIFTY YEARS TOO SOON

Four County Girls DAR's Guests Here

Four Marquette County girls, winner of the annual "Good Citizen" awards given by the Marquette Chapter of the Daughters of the American Revolution were guests of the DAR Tuesday afternoon at the organization's February meeting in the Union National Bank lounge.

The award winners, whose mothers were also guests at the meeting, are Victoria Christensen of Gwinn High School daughter of Capt. and Mrs. E.O. Christensen, K. I. Sawyer Air Force Base; Darla Van Gean Dompierre of Neegaunee High School, daughter of Mrs. Irene Dompierre; Julianne Nelsen of Graveraet High School, whose parents are Mr. and Mrs. Harry Nelsen, Marquette, and Shirley Ruuska, Republic High School, daughter of Dr. and Mrs. George Ruuska, Republic.

All four winners were selected several weeks ago by a vote of the student body and faculty in their respective schools.

Mrs. Casler Speaker
Featuring the special program for the meeting was a travogue by Mrs. W. L. Casler who told of a 22-day tour she and Dr. Casler made of six of the Caribbean Islands - Puerto Rico, Martinique, Trinidad, Tobago, Barbados and Jamaica.

Mrs. Casler described the colorful scenery of the islands, the customs and native attractions. Despite Puerto Rico's connection with the United States, it is still "foreign feeling," she said, with Spanish spoken everywhere. The island is fast becoming modern and economically stable, stimulated by its "Operation Bootstrap" policy for developing new industries, she noted.

Special Decorations
Table decorations, arranged by the hostesses Mrs. J. W. Adriano, featured a picture of George Washington and a bronze figure of Abraham Lincoln. A spray of red cherries harmonized with the red candles in the grouping, which included a cup and saucer decorated with the figures of George and Martha Washington and a small U. S. history text printed in 1834 which Mrs. Adriano's grandmother, Mrs. Amos R. Harlow, a pioneer resident of Marquette, used as a child in a Massachusetts grade school. Mrs. Harlow, who was Olive Lavira Bacon before her marriage, came to Marquette in 1849.

The history was opened to a paragraph describing the Battle of Lexington in which the first blood was shed in the Revolution. War, April 19 is the date on which the DAR Continental Congress annually opens its meetings.

New Names In The News
DAULT - Mr. and Mrs. LeRoy Dault of Baraga are the parents of a daughter, Connie Ellen, born Jan. 30 at the Baraga County Memorial Hospital, L'Anse.

URPILA - Mr. and Mrs. Roy Urpila of Kenton are the parents of a son, Jeffrey Allen, born Feb. 1 at the Baraga County Memorial Hospital, L'Anse.

KNUTILLA - A daughter, Kaye Katherine, was born to Mr. and Mrs. August Knutilla of L'Anse on Feb. 4 at the Baraga County Memorial Hospital, L'Anse.

WADAGA - Mr. and Mrs. Raymond Wadaga of Baraga are the parents of a son, born Feb. 5 at the Baraga County Memorial Hospital, L'Anse.

ZORZA - Announcement is made of the birth of a daughter, Jill Marie, on Feb. 5 at St. Mary's Hospital in Rochester, Minn., to Mr. and Mrs. Paul Zorza. Mrs. Zorza is the former Lilly-Ann Suomi of Marquette.

SOLOMON - A daughter, Sherry Lynn, was born Feb. 5 at St. Mary's Hospital to Airman 2-c and Mrs. Gene Solomon, 1131 Genesee St., Marquette.

ST. ONGE - James Paul is the name of the son born Feb. 5 at St. Mary's Hospital to Mr. and Mrs. Carl St. Onge, Rte. 1, Box 701, Marquette.

WALLS - Tech-Sgt. and Mrs. Calvin Walls, 78 Sabre St., K. I. Sawyer Air Force Base, are the parents of a daughter, Lisa Ann, born Feb. 4 at the 56th USAF Hospital, Sawyer.

BROGAN - A son, Kevin Todd, was born Feb. 5 at Francis A. Bell Memorial Hospital to Mr. and Mrs. Frank Brogan, 318 S. Third St., Ishpeming.

MAKI - Cheryl Gay is the name of the daughter born Feb. 5 at Francis A. Bell Memorial Hospital, Ishpeming, to Mr. and Mrs. George Maki, Rte. 1, Box 534, Ishpeming.

HODGE - Mr. and Mrs. Thomas Hodge, 747 S. Pine St., Ishpeming, are the parents of a son, Thomas Steven, born Feb. 6 at Francis A. Bell Memorial Hospital, Ishpeming.

need of something new and different that makes our good cooks really turn out such beautiful meals at this time of year. If you haven't been so inspired, why don't you move to the kitchen, take what you have on hand, mix it with some creative imagination and make your family truly proud of the "cook." We'll be glad to send you copies of the prize winning potato recipes from the last U. P. Potato Show, if this will help to inspire you. Write to Mrs. Ingrid Bartelli, U. P. Extension Center, 700 W. Bluff St., Marquette, or call CA 6-3508.

Nurses Plan Valentine Theater Party

Making plans for the theater party they are planning for Valentine's Day, Feb. 14, in Ishpeming are committee chairmen for the Marquette-Alger District Nurses Association, sponsors of the party.

Seated, from left are Karen Wertenan, publicity chairman; Jane Mahowald, president of the association; and Bonnie Woods, ticket chairman. Standing is Esther Kivistio, who is serving as co-chairman.

with Miss Julienne Miller, who was unable to be present at the Wallace Nurses Home when the picture was taken. "Breakfast At Tiffany's," is the film offering for the theater party, scheduled at 7:30 in the Ishpeming Theater and featuring selection of a student nurse queen and other entertainment.

Mendez Concert Again Triumph; Capacity Crowd Gives Trumpeter Ovation

By HELEN McLAUGHLIN Journal Women's Editor
Rafael Mendez, a darkly handsome Mexican who began his career at the age of six, convinced a Marquette audience of 1,500 or more at Northern Michigan College's Kaye Hall last night that he is, indeed, what towering figures in music have called him — the greatest trumpeter in the world today.

Mendez, appearing as guest soloist for the second time with Northern's fine Concert Band under Carlos Montoya, one of the world's foremost Flamenco guitarists, is appearing at Northern Michigan College's Kaye Hall tonight, also at 8:15. There is no admission charge.

The superb direction of Lorin Richtmeyer, captivated his audience so completely that no one wanted to let him go. There was a standing ovation and then two encores, and finally — when it was over his music still lingered there like all the Alphas of the night, bright and fiercely shining. "Sweet Trumpet"

This writer, enthralled like everyone else, has come up — after hearing Mendez — with a translation for that long heard and much-banded-about American term "sweet trumpet."

At college dances where name bands were playing there was always a "sweet trumpet." Once, at a fraternity party in Chicago golf club, we heard an undeniably sweet trumpet in the hands of "ole Satchmo" Armstrong himself and there have been others since, notably one played by a "way-out" Italian in an Amsterdam night spot. Never, though, until Rafael Mendez played "Danny Boy" last night did "sweet trumpet" mean what it's supposed to mean.

The green hills of Erin were as fresh and green as the last time we saw them and the haunting sadness of the tune, so beautifully interpreted, was a wrench at the heartstrings, Irish antecedents or no.

Puccini's "Musetta," the first of Mendez' solos was marvelous, too, and we liked "Zigeunerweisen" (gypsy tune) better and the Monti czarda. In every number, his artistry was there for everyone's delectation, and we agree with what it says in the program: He is indubitably "the Heifetz of the Trumpet." We regret having been out of town when he was here last year.

Lines from Lou's by . . . maggie
In a few days that boy with the arrow is going to start shooting, and that theme of love comes up for the spring. Yes, St. Valentine's Day is only days away and Cupid is taking deadly aim. I couldn't help thinking about it the other night when I helped our youngster cut out and address cards for the other twenty-five kids in his class. No comic valentines either, so far he doesn't know about them, and it's just as well . . .

One thing leads to another; the thought of Cupid reminds me of love; puppy or mature; that leads to Spring, in which a young man's fancy turns to thoughts of . . . And when we think of Spring we think of Easter. Actually, Easter is only nine weeks away. That is not too early to think about what you are going to wear. And when you see the lucious styles, the lovely hues, and the huge selection, you'll be happy you shop at LOU'S. Our Spring styles have started coming in; why don't you come in and browse. Remember, It's LOU'S in the center of Marquette—Anv.

Sweetheart Contest On At Baraga

The annual contest for the title of "Baraga's Sweetheart" will wind up tomorrow night at the annual Sweetheart Dance to be held in the Baraga Central High School gymnasium from 8:30 to 11:30.

Candidates for the title this year are Georgiann Lehner, senior class choice; Jodanna Mysrall, a junior; Magdalena Richer, the sophomore candidate, and Joan Bureau, the freshman class entry. All were chosen by a vote of the boys in their respective classes.

The Baraga "sweetheart" contest is part of the school's annual campaign to raise funds for Catholic missions throughout the world. Unlike other competitions of its kind, the title is not based on combined qualifications of beauty and talent; the winner is the girl whose class has turned in the top contribution to the mission coffers.

All Active
Miss Lehner, daughter of Mr. and Mrs. George Lehner, 615 W. College Ave., is a member of the Baraga Pep Club, Glee Club and the staff of Bar-Ket, the school newspaper; Miss Mysrall, whose parents are Mr. and Mrs. John Mysrall, 104 Raymbault Drive, is a cheerleader and member of the Pep Club and the Latin Club; Miss Richer, daughter of Mrs. Cecelia Richer, 117 E. Ridge St., was a class officer and cheerleader in her freshman year is now active in the Glee Club, and Miss Bureau, whose parents are Mr. and Mrs. Howard Bureau, 332 Rock St., is a cheerleader and is also active in the Girl Scouts, the Glee Club and Pep Club.

Teen-agers throughout the area are invited to the dance, at which there will be several chaperons. Tickets will be available at the door.

Announcement of the winning candidate and a special crowning ceremony are early evening highlights of the party.

More Registrants Sought For Square Dance Series Here
Additional registrants for beginning square dance lessons being sponsored by the City of Marquette's park and recreation department are being sought, it was reported today by James C. Engle, department superintendent.

At a preliminary meeting Tuesday evening in the chambers of the city commission, seven couples registered. It is hoped, Engle said, that the class can be enlarged before the first lesson, scheduled next Tuesday evening at 8 in Whitman School. A series of 10 weekly lessons are planned.

All interested couples are asked to call Engle at CANal 6-7582 or John Rublein at CANal 6-3013 by tomorrow. There will be a small registration fee, it was announced.

Meetings
The Royal Neighbors will hold a potluck supper Monday evening in the Odd Fellows Hall. The meeting, scheduled for 7:45 p. m., will be followed by a social hour. All Royal Neighbors in the area are invited to attend.

Winners Of Art Contest Announced

Young Marquette artists swept first places in the annual Michigan Federation of Women's Clubs' art show competition here yesterday afternoon.

A committee of three local artists — Mrs. Gunther C. Meyland, Mrs. Peter Embley and Mrs. Wheelock P. Chamberlain — gave first places in the senior high school division to Karen Lynne Lawson, 17-year-old senior at Graveraet High School, and to Jo Anne Croschere, also 17 and a senior at Baraga Central High School; and first in the junior-sophomore division to Susan Herlich, 14, a ninth grader at Graveraet, and to Paul Brennan, a sophomore at Baraga Central who just turned 16 two weeks ago.

Titles Given
Miss Lawson, daughter of Mr. and Mrs. Eldon E. Lawson, 1517 Lincoln Ave., won her first with a watercolor of a city skyline which she called "City," and Miss Croschere, whose mother is Mrs. Dona R. Croschere, 1255 Vandenberg St., was awarded her first for a watercolor entitled "Still Life With Fruit." Both had other entries in the contest.

A mother and child portrait study in oil won Susan Herlich her first and a watercolor, "Going Home," took top honors for young Brennan. Miss Herlich is the daughter of Mr. and Mrs. Harold Herlich Jr., 1321 Norway St., and Brennan is the son of Mrs. Mary E. Brennan, 494 W. College Ave.

48 Entered
There were 48 paintings from high school artists throughout the Upper Peninsula submitted in the contest. Mrs. C. W. Dupras, district Women's Club art chairman reported.

The winning paintings will be sent downstate for entry in the Michigan judging at the annual State Federation of Women's Clubs' convention to be held in Kalamazoo in April.

tender peppers, tomatoes, cucumbers, etc., they can be found.

Big Fruit Supply
There are huge supplies of both canned and frozen fruits and vegetables. Not too many years ago, our root houses and canning cupboards were our only source of fruits and vegetables during the winter months. We really aren't so bad off as some folks would have us believe.

Most of us have "meat-with-our-potatoes," too. Some venison and fish from our freezers, even an occasional rabbit, help spice out the fresh-from-the-store meat. Folks who are unemployed and eligible for donated foods are getting protein rich, canned meats, dried milk and beans.

If we depend on the grocery store for our meat supplies, we find real bargains in poultry — broiler-fryers and turkey. Pork, in March, begins to go up in cost from the lowest-price season of the year. You'll still find various cuts featured at hard to pass up prices. It's not too late to freeze a loin or two, some chops or shoulder steaks for next July when pork prices will be much higher than they are at present.

News On Beef
There's good news for beef eaters, too. Looks like the skids are under fed cattle prices. Fed cattle are the animals held in feed lots and stuffed with grain to make your prime choice and good grades of beef in the retail store. There are apparently larger numbers of fed cattle still to be marketed than usual at this time of year.

Lamb prices have been and still are moving up.
Been catching any fish? There are lots of holes in the ice and sizable shanty villages on the lakes to indicate that you're trying.
Large eggs and all the dairy products we can eat round out our available protein food supply.

Month To Celebrate
February has more than its share of days to celebrate. Cherries are a must and most stores will feature some of the processed forms at "abundant-crop-prices." Maybe it's because of the February holidays, maybe it's because we're more or less housebound, or perhaps it's because we feel the

This Week—No Shortage Of Good Quality 'Spuds'

BY INGRID BARTELLI (Consumer Marketing Information Agent, Michigan State University)
There is no shortage of potatoes — fresh from the storage houses, at anywhere from three to eight cents a pound. One pound of fresh potatoes will take care of two to three people (depending on how they're prepared). Now, that's mighty low cost food and certainly one we northerners depend upon to keep our "internal furnaces" going during this kind of weather.

Potatoes are an important source of Vitamin C. Three average size potatoes will furnish the Vitamin C you need each day. Potatoes may be a more dependable and less expensive source of Vitamin C, at the present time, than the fresh oranges we have learned to depend upon. Remember though, cook the potato in its skin, in as little water as possible to retain the maximum amount of the food value in the potato.

Burbanks Popular
The Russet Burbank, the popular baking potato, is being successfully produced by increas-

Stuffed baked potatoes are invariably a favorite with the whole family and they go well with any meat or fish dish. Here they are with a garnish to suit the individual.

Engaged

Mr. and Mrs. William J. Johnson of Ishpeming announce the engagement of their daughter, Irene Harris, to Robert Anttila, son of Mr. and Mrs. William Anttila, also of Ishpeming. Miss Harris is a graduate of Ishpeming High School and is presently attending Northern Michigan College. Her fiancé, also an Ishpeming High School graduate, is employed as an electrician for the Midland Electric Co., Republic. No date has been set for the wedding.

Wood, Ill.; George of Waukegan, Ill.; Irene, Peter, Paul and Louise at home. They have three grandchildren, Debra, Kenneth and David Abbs.

Out of town guests from Rock, Republic, Marquette and Neegaunee, Niagara, Wis., and Waukegan, Ill., attended the anniversary party.

Final Session Of Journal's Cooking School To Be Held In Ishpeming Tomorrow

The final session of The Mining Journal-sponsored Susan Lowe Cooking School and Modern Living Festival will be held in the Ishpeming National Guard Armory tomorrow afternoon.

Doors will open at 1:30, and women will be admitted to the auditorium of the armory as they appear.

Capacity Crowd Anticipated
Another capacity crowd is anticipated, bringing the total for the four days of Ishpeming and Marquette shows near the 5,000 mark, the largest ever recorded for a series in the Upper Peninsula and northern Wisconsin.

An enthusiastic capacity audience greeted Miss Lowe today, and with the pattern of previous shows there was every reason to anticipate capacity would be taxed to its limits tomorrow.

Spokesmen for the various products being featured at the cooking school said today, "This has been the finest demonstration of interested action, on the coordinated part of the sponsors, the suppliers and the participants, that we have ever seen."

"We did not believe it possible to fill the auditorium in Marquette for two days, and we did not believe that there would be enough women left over to fill the Ishpeming armory."

Several thought that the Marquette schools would take the audience away from Ishpeming, but when they saw the audience they had nothing but admiration for the interest and the keen sense of partnership the women of the county felt with the cooking school promotion, spokesmen said.

New Taste Treats Easy For Teen-Agers To Fix

Franks and burgers rate high with today's teenagers. Begin with ground beef and hot dogs, pickles and potato chips and you're certain to devour something the kids will devour with gusto.

Pickles adapt particularly well to teen dishes, of course, but not necessarily as accompaniments. Their bright color and snappy flavor blend naturally into a sauce or the meat, itself.

In the following recipe, either dill or sweet sour pickles can be used to provide tang in the hearty combinations. Both boys and girls will go for these after an afternoon of cheering for the basketball team.

Dillburgers

(Four servings)
Combine one cup chopped dill pickles, one pound ground beef, one teaspoon salt and dash of pepper. Split eight hamburger buns. Toast uncut side of buns in broiler. Remove from broiler and spread untoasted sides with prepared mustard. Lay thin rings of onion on buns. Then spread pickle-beef mixture on onions. Broil about eight minutes or until meat is cooked and nicely browned.

Tart pickles, chili sauce and catsup mixed with delicately flavored cottage cheese make an unusual barbecue sauce for these frankfurters.

Barbecued Hot Dogs

(Eight servings)
2 tablespoons butter
1 small onion, chopped
1/4 cup chopped celery
1/2 cup chopped pickles
3/4 cup catsup
1/4 cup chili sauce

1 cup cottage cheese, sieved
8 frankfurters, toasted and buttered
Cook onion and celery in butter until tender, about 10 minutes. Stir in catsup, chili sauce, pickles, cottage cheese. Cover; simmer for 30 minutes, stirring occasionally. Add frankfurters; cover and simmer 15 minutes more. Serve each frank with some sauce in a toasted frankfurter roll.

Ice Cream Drinks Always Favorite At Tots' Parties

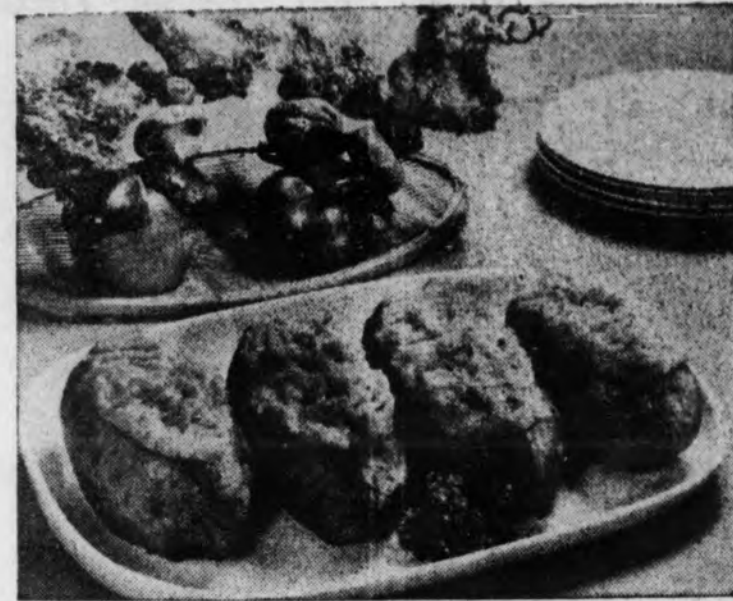

Pretty enough for a small fry's punch bowl at any midwinter party are these frothy milk and ice cream drinks.
There's almost no limit to the flavor changes you can make with different kinds of fruit juice, ice cream or sherbet. For a truly tart refresher, choose a tangy sherbet as the base. If you want a thicker, creamier drink, use ice cream.

Cranberry Cooler

(Six tall glasses)
1 quart milk
1 cup cranberry juice
1/2 cup sugar
1 pint vanilla ice cream
Combine ingredients and whip until ice cream is blended. Use your electric blender, if you have one. Serve immediately.

Lemon Mint Eggnog

(Eight cups)
4 cups milk
4 eggs, separated

No Dull Look Connected With This Gay Meal

Who says an everyday meal has to look dull? Here's one served in a young, light-hearted fashion by simply hoisting the fried chicken and garnishes aloft on skewers planted in apples as companions to Baked Fluffed Sweet Potatoes. Could be that everything would taste extra zestful just because it looks so gay and inviting.

And those sweet potatoes! They're first whipped into fluffs with sour cream and seasonings. Then comes the young, imaginative touch—a whisper of deluxe French dressing—just enough to lend a tiny flash of spirited sharpness to the sweet meanness of the potatoes. Tell if you wish what that haunting special flavor is. Or keep it as your own joyful secret. All anyone will realize is that never, but never, have sweet potatoes tasted so relishing good.

Baked Fluffed Sweet Potatoes

4 medium sweet potatoes
2 tablespoons French dressing
2 tablespoons dairy sour cream
1/2 teaspoon salt
1/4 teaspoon pepper
Melted butter or margarine for brushing

Preheat oven to 350 degrees. Scrub and dry potatoes. Bake 45 minutes or until tender. Cut a slice from top of each potato. With a spoon, scoop out potatoes and mash well. Whip in the salad dressing, sour cream, salt and pepper. Spoon potato stuffing into

Mint Punch

1/4 cup sugar
1/2 cup crushed After Dinner Mints
1 pint lemon sherbet
Add mints to cold milk and let stand until dissolved. Beat egg whites until stiff; gradually beat in sugar, continuing to beat. Beat egg yolks until light. Fold whites into yolk mixture, folding as you pour. Add lemon sherbet and whip until fluffy. Fill punch cups.

Ecumenical Council Subject Of Lecture By Bishop Noa At St. Pius X Hall Sunday

NORTH LAKE — The Most Rev. Thomas L. Noa, D.D., bishop of the Catholic Diocese of

Marquette, will give a special lecture in St. Pius X parish hall Sunday night on the Ecumenical Council called by Pope John XXIII.

Coal Scattered Over Highway In Truck Accident

L'ANSE — LaMar Robillard, 54, L'Anse, narrowly escaped serious injury when his coal truck tipped over on U.S. 41 near the Houghton-Baraga county line at 9 a.m. Monday.

The right outside dual wheel of the heavily loaded truck broke off, and the twin wheel fell off, causing the truck to run off the right side of the road and roll over on its side. Robillard's seven-ton load of coal was scattered over the highway and the shoulder of the road.

State police who investigated said Robillard complained of a bad bump on the head, but did not require hospitalization. The dump truck had to be towed into L'Anse by a wrecker.

If engaged in combat, a dove, considered an emblem of peace, will mercilessly peck an opponent to death.

The lecture, scheduled for 7:30 and open to the public, is being arranged by the Holy Name Society of St. Pius. It will be followed by a reception for Bishop Noa, also for the public, at which members of the parish Altar Society will serve refreshments.

Sunday's lecture will be a summarization of the Ecumenical Council, greatest religious convocation of the century. Bishop Noa, accompanied by the Very Rev. Msgr. Edmund C. Szoka, assistant chancellor of the diocese and pastor of St. Pius X Church, flew to Rome early in October to join 2,200 other Catholic Church dignitaries at the Oct. 11 opening. He returned to Marquette following the Dec. 8 recess of the deliberations and will go back to Rome for the next sessions, scheduled to begin on Sept. 8.

During the bishop's talk at St. Pius, there will be a showing of slides taken during the council which will include views of St. Peter's Basilica,

where the daily deliberations were held, and of other historic religious sites in Rome. Persons of all denominations interested in hearing Bishop Noa are

invited, Msgr. Szoka said today. "The bishop has expressed a wish to greet area residents personally at the reception following his lecture," the St. Pius pastor added.

45 Nurses At Gathering In Ishpeming

ISHPEMING — Forty-five registered nurses attended a planning session for non-accredited training for hospital nursing personnel in Upper Peninsula hospitals conducted yesterday in Bell Memorial Hospital.

Using the conference room in the new section of the hospital, the group heard speakers who expressed pleasure because of attendance at the first planning session ever held in the Peninsula.

Miss Rowena Neal, R.N., hospital nursing consultant of the Michigan Department of Health, declared: "This was a most interesting group and I feel we have made real progress in the development of long range plans for the Upper Peninsula. Much information came out of this conference today. Because of the acceptance of this meeting, an annual meeting will be held and plans will be made for continued training of our personnel."

Miss Jean Reventisch, R.N., maternal and child health nursing consultant for the Michigan Department of Health, announced that two more conference periods will be held. The first will take place during the week of May 6 and the second during the last week of September.

The group will meet at the St. Francis Hospital in Escanaba May 6 and at Munising Memorial Hospital in Munising May 7. During September, meetings will be held

Guest speakers at a planning session for Upper Peninsula hospital nursing personnel in Ishpeming yesterday were (left to right) Miss Rowena Neal, hospital nursing consultant for the Michigan Health

Department; Mrs. Mary Quinn, director of nurses at Francis A. Bell Memorial Hospital, and Miss Jean Reventisch, maternal and child health nursing consultant for the Michigan Health Department.

Rev. Vanhala Accepts Call To Palmer

SOUDAN, Minn. — The Rev. Frederick Vanhala, pastor of churches here and in Embarrass, has resigned to accept a call to serve a new parish in Marquette County, Mich.

Pastor Vanhala will move to Palmer this month to serve Lutheran congregations in Palmer, National Mine and Suomi. He will be the first resident pastor of this new parish.

He came to this area six and one-half years ago and has served as pastor of St. Paul's Lutheran Church in Soudan and the Evangelical Lutheran Church in Embarrass. He also served St. Mark's Lutheran Church at Palo before it was decided that the parish was sufficiently built up to call its own pastor.

During the time he was here, the church basement in Soudan was completed, including pine paneling in the meeting room, a garage was built at the parsonage and the church grounds were improved. A new roof was laid on the church and the steeple was renovated. Another accomplish-

ment during the six years was a considerable reduction of the parish debt.

In Embarrass, the congregation not only built a new church, but the membership was increased from 39 to 210 parishioners. Pastor Vanhala is manager of

Minnesota Conference Suomi Synod Bible camps, a post he has held for four years. He also is vice president of the Minnesota Conference Luther League; a member of the Suomi Synod board of stewardship and finance; serves as treasurer of the Ely

Area Lutheran Pastors Association, and just recently was elected to head the national committee on stewardship of the Lutheran Church in America. Pastor and Mrs. Vanhala have five children, Frederick, Susan, Janet, Marcus and Ann Louise.

Two Farm Bureau Meetings Slated In Alger Feb. 12

MUNISING — Robert E. Smith, associate legislative council for

the Michigan Farm Bureau, Lansing, will be in Alger County Feb. 12 to talk to farm bureau members and the general public on the old and new state constitutions. He will speak at the Wetmore Town Hall at 8 p.m.

He also will speak at the Chatham Town Hall at 1 p.m. on the

same subject before members of the Marquette-Alger Farm Bureau and interested persons. Smith will be accompanied by Hugo Kivi, Upper Peninsula field representative for the Michigan Farm Bureau.

Tempers Flare At Meeting Of Baraga Township Board; Libel Action Threatened

BARAGA — Tuesday night's meeting of the Baraga Township Board erupted into a hot-tempered name-calling session involving members of a conservative bloc who opposed voting machines and board members.

The exchange was triggered by a "green sheet" distributed throughout Baraga Township over the weekend protesting the board's purchase of four voting machines and questioning whether "somebody is getting paid off."

The name of Ken Miron, who will oppose incumbent Robert P. Brown for the township supervisor post in the Feb. 18 primary election, was carried at the bottom of the sheet. When questioned by Brown, Miron acknowledged that he had authored the sheet.

Brown asked Township Attorney William G. Konstenius if taking a payoff was illegal and Konstenius informed the group that "taking a payoff is a crime." Brown then stated that, since grave aspersions had been cast on the character and integrity of members of the board and "serious insinuations implying underhanded dealings and corruption in the township government" had been made, he was calling for an investigation.

Konstenius was directed by the board to check the sheet for libel or possible violation of the state election laws and if such illegality is found, to institute suit against Miron on behalf of the township board.

John V. Clements and Dr. E. J. Rosich, objecting vociferously to purchase of the machines, demanded to know "Why all the secrecy and hurry about buying these machines," adding that serious questions had been raised last

summer and claiming that the board had not consulted the people making its decision.

The question of whether the township board had the legal right to rent or purchase the machines resulted in a Baraga County Circuit Court case sponsored by the Taxpayers Alliance of Baraga County, Inc., of which Clements and Rosich are both members.

Board's Action Upheld

In this suit, trial by Lee H. Perry and Ellsworth D. St. Germain against Robert P. Brown, et al, the court upheld the action of the board and ruled that the board has full authority to lease or purchase machines instead of splitting a precinct of over 800 voters, as required by law.

Brown informed the group that payment in full for the four machines had been authorized at the January meeting of the board and that the question was closed. The meeting was quickly adjourned, but was followed by a 20-minute tirade during which insults and personal invectives were hurled, which rivaled several of last year's Baraga School Board meetings.

During the melee, Clements declared that "Every member of this board will have opposition from slip candidates in the Feb. 28 primary election" and that veteran board member Arvid Engman "was not fit to dust off Lee Perry's boots."

Brown, who will vie with Miron for the supervisor post, is the only township officer who will have opposition on the ballot.

Konstenius stated yesterday that he does not expect to furnish the board with a written opinion on the green sheet in question until after the election.

Packer '62 Play Outlined For Kiwanians By Jordan

ISHPEMING — Kiwanis Club members learned more about the play of the Green Bay Packers during the 1962 football season from tackle Henry Jordan, who spoke at yesterday's meeting.

Displaying a keen sense of humor, Jordan gave an account of many disputed plays and spoke about clean play, training rules, wages paid to players, talent on the club and what it takes to produce a championship squad.

When asked what kind of a coach Vince Lombardi was, Jordan replied that "there was a coach dedicated to one thing — that of winning or producing a winner in

a tough league." A stickler for training rules, Lombardi is respected by everyone on the squad, he said.

The big lineman, answering an inquiry about unnecessary roughness by some players, said the game of football is rough because everyone is out to win; there is occasionally foul play but more often it's just plain tough football.

"When we're in there, we are playing against friends" and don't care to see anyone come up with a serious injury, he stated.

"How is the club set for next season?" he was asked. "We should be contenders again as the club is

Dance Nets \$122 For March Of Dimes

Ralph Young, city March of Dimes director, receives check for \$122 from Mary Beth Caspersen, teenage chairman. Money came from Feb. 2 dance in Ishpeming High School gym, attended by 470.

Officers, Commissions Named By Gwinn Parish

GWINN — Officers and commissions were elected at a meeting conducted by Dr. Ivan Gonsler, Marquette District superintendent, at the fourth quarterly conference in the Gwinn Methodist Church.

The meeting began with a period of devotions led by Dr. Gonsler and continued with the reading of reports by divisional chairmen. A prayer of benediction by the pastor, the Rev. Everett Erickson, was followed by a fellowship hour.

Officers were elected as follows:

Trustees — Evan Vercellino, Charles Erickson, Tony Negrinelli, Arvid Maunala, William Hemmila, Newell Voegtline, Louis Paris, Keith Wills and Harry Knudsen.

Stewards — Mrs. R. W. Sauer, Mrs. Marion Flaherty, Mrs. Paul Thurston, Mrs. John Mussatto, Mrs. Hartley Rector, William Niemi, Miss Mildred Quayle, Ed Nordeen, Alden Trombly, James Almqvist, Mrs. C. J. Lawrence, Mrs. Martin Peterson, Floyd Erickson, Capt. Thomas Fox and Ted Soyving.

Ex-Officio Members — M/Sgt. Bruce Joyner, Mrs. Edward Nor-

deen, Mrs. George Gilbert, Mrs. Everett Erickson, Mrs. Hartley Rector, Roland Farquar, Mrs. Lawrence Copley, Ted Soyving, Warren Gardipee and Miss Sally Nordeen.

Commissions

Membership and Evangelism — Mrs. George Gilbert, Mrs. Tony Negrinelli, Mrs. Warren Gardipee, Mrs. John Sormunen, Mrs. Pearl Voegtline, James Almqvist and Capt. Thomas Fox.

Ex-Officio Members — M/Sgt. Bruce Joyner, Mrs. Everett Erickson, Mrs. George Gilbert, John Sormunen and Miss Sandra Hutchens.

Education — Mrs. Everett Erickson, Mrs. Louis Vallier, Mrs. George Gilbert, Mrs. Bruce Joyner and Mrs. Tony Negrinelli.

Ex-Officio Members — M/Sgt. Bruce Joyner, Mrs. Ed Nordeen, Mrs. Louis Paris, Mrs. Evan Vercellino, Mrs. Newell Voegtline, Mrs. George Gilbert, James Negrinelli, Mrs. Paul Thurston, James Almqvist and William Copley.

Missions — Mrs. Hartley Rector, Mrs. Floyd Erickson and Mrs. Arthur Nylander.

Ex-Officio Members — M/Sgt. Bruce Joyner, Mrs. Ed Nordeen, Mrs. Martin Peterson, Miss Karen Powers, and Mrs. Tony Negrinelli.

Town Talent Show Tonight In Gwinn

GWINN — Seldon W. Von der Hoff, campaign manager of the March of Dimes for Forsyth Township, Mrs. Alden Trombly and Mrs. Warren Gardipee.

Ex-Officio Members — M/Sgt. Bruce Joyner, Mrs. Ted Soyving, Miss Patty Copley and Mrs. Martin Peterson.

Committees

Pastoral Relations — Mrs. Ed Nordeen, Mrs. R. W. Sauer, Mrs. George Gilbert, Mrs. Pearl Voegtline and Richard Erickson.

Audit — Newell Voegtline and Allan Wakkuri.

Records and History — Mrs. R. W. Sauer, Mrs. Ed Nordeen, Mrs. Paul Thurston and Miss Mildred Quayle.

Communion Stewards — Mrs. Frank Farquar, Mrs. Arthur Nylander and Mrs. Martin Peterson.

Parsonage — Mrs. John Mussatto, Mrs. Alden Trombly, Mrs. Keith Wills, Mrs. Hartley Rector, Mrs. Paul Thurston, Mrs. Frank Farquar and Mrs. Pearl Voegtline.

Higher Education — Mrs. Evan Vercellino.

SOUND SOFTENER

To create a sound buffer between the house and a busy street, build a tall fence along the property line. Even an 8- or 10-foot-high fence will look airy and graceful if designed with vertical louvers. It can be painted or stained to match the house siding. Then, develop the area between the fence and the house into a charming courtyard to give the home a gracious exterior entryway.

ship, said that Brideson Wills will act as master of ceremonies for the Town Talent Show which is being held for the benefit of the "Dimes" fund tonight at 8 in the multi-purpose room of the Gilbert Elementary School.

The show, sponsored by the Gwinn Veterans of Foreign Wars Post, will include dances, songs and skits performed by local talent.

Following the program, lunch will be served by the VFW Auxiliary.

A free-will offering will be taken. The public is invited.

Ray Kostamo, Ex-Supervisor Of Republic Township, Dies

REPUBLIC — Ray (Raino) Kostamo, 46, died early this morning in his home in South Republic. He was born Aug. 6, 1916, in Republic and moved to Detroit in 1936, returning to Republic seven years ago. At one time he was supervisor of Republic Township, and was a member of the Apostolic Lutheran Church, the Lions Club and was the charter president of the Republic Community Service Organization. He served with the United States Air Force in China and India during World War II. Survivors include his wife, Athlyn; a daughter, Susan, and a son, Peter, at home; three brothers, Onnie of Ishpeming, Anselm of Pontiac and Jalmer of Allen Park, Mich., and a sister, Mrs. Edward (Vera) Seibert of Port Shariet, Fla. The body is at the Bjork & Zhulike Funeral Home. Funeral arrangements are incomplete.

Northern Leads In Training Teachers In Gwinn Schools

GWINN — Teachers in the Gwinn school system have received training from 19 states and four foreign countries, according to statistics compiled from a survey of staff training and experience. Northern Michigan College leads all other schools for providing training for the staff. Of the 142 administrative and teaching personnel, 105 have had classes at that college. Although teaching degrees have been awarded through 52 other institutions, the majority of the Gwinn teachers have chosen to extend their education through classes at Northern. Approximately one-fourth of the staff holds master's degrees. The University of Michigan was the second most attended school; 25 Gwinn teachers have received training there. The majority of teachers in the system have been trained in Michigan colleges throughout the Upper and Lower Peninsulas. Illinois and Wisconsin were mentioned 10 times each in the survey as having provided training. Wisconsin State College

with seven teachers from its campus ranked third in the schools mentioned.

Dublin, Barcelona, Cannes and Heidelberg appear on teachers' transcripts as foreign locations where education was received. In this country the North, South, East and West are represented. States from California to Maine were mentioned, including four Texas schools.

Teaching experience also has been gained throughout the United States and in foreign countries. Gwinn teachers have taught in Finland, on Okinawa, in Alaska, in Spain, in Japan and in the Philippines. One teacher taught for a time on an Indian reservation.

A total of 23 states and foreign assignments were listed as places where the teachers have taught. Michigan schools have provided most of the experience of the Gwinn staff. The greatest number of transcripts have moved to Gwinn from Upper Peninsula schools, and Lower Michigan has provided the next greatest number.

L'Anse Legion To Have Dinner, Program Feb. 12

L'ANSE — The L'Anse American Legion Post will entertain auxiliary members at a 6:30 p. m. dinner and Americanism program next Tuesday, Feb. 12.

F. Hubert Mather, L'Anse attorney, will speak on "Some Unfamiliar Aspects of Two Great Lives" during the program, which will honor the memory of George Washington and Abraham Lincoln.

Wes Ellis, L'Anse, former Fifth Zone commander of the Legion, will be master of ceremonies for the program, which also will include singing by a quartet of L'Anse High School girls under the direction of Mrs. Anita Sikorsky. They are the Misses Marilyn Peterson, Beverly Goodreau, Rochelle Rock and Anke Riekens.

Formation Of Republic PTA Planned

REPUBLIC — Letters have been sent to all parents of Republic school children concerning formation of a parent-teacher association.

A meeting will be held at 8 p. m. Tuesday, Feb. 12, in the school gymnasium. Representatives of other PTA organizations will be present to tell parents about formation of an organization in Republic.

The board of education and the school administration endorse formation of a PTA as they feel it would benefit the educational program.

At the conclusion of the meeting, coffee and cake will be served.

from using the rink that evening.

Walnuts Make Everything Taste Better: Susan Lowe

"Cookie recipes . . . easy cookie recipes . . . that's what I look for," quote, unquote a busy mother of three. Or perhaps you are looking for an important salad for an extra special important occasion.

Start your recipe, whether it be salad, cookie, cake or what have you, with walnuts. And to be sure of quality, buy walnuts that have been carefully checked for quality and now come to you in-the-shell in cellophane bags or shelled in handy recipe-size clear bags and vacuum cans.

And remember, you'll get two full cups of kernels from every pound of in-the-shell walnuts. Susan Lowe will be passing on to you homemakers many hints on the use of Walnuts. But here are a few teaser recipes you may want to try:

PARTY WALDORF SALAD

1 3-oz. pkg. apple flavored gelatin.

1 1/4 cups hot water.

1/2 cup sauteed onion.

1 tablespoon lemon juice.

1/4 teaspoon salt.

1 Delicious or Winesap apple.

1/3 cup chopped celery.

1/3 cup miniature marshmallows.

1/2 cup chopped walnuts.

Salad dressing.

Dissolve gelatin in hot water.

Add wine, lemon juice and salt.

Chill to consistency of unbeaten egg white.

Fold in apple, celery, marshmallows and walnuts.

Pour into 1 quart mold and chill until firm.

Unmold and garnish.

Serve with salad dressing. Makes 6 servings.

If desired arrange marshmallows and walnut halves in pattern in bottom of mold.

Spoon on a bit of thickened gelatin and place mold over ice to set.

Then fill with remaining gelatin, walnut, apple mixture. For a variation of dressing, combine 1/3 cup salad dressing with 1/4 cup commercial sour cream and two tablespoons crumbled blue cheese.

Johnson, 543 Iron St. Damage to the ceiling was estimated at \$50, which was covered by insurance.

One practice session was held during the month at which firefighting equipment was checked.

All told, the department traveled a total of six miles and worked slightly over three hours. An average of 24 men responded per alarm.

NO BAKE WALNUT BALLS

Mix together 2 cups of vanilla wafer crumbs, 1/3 cup granulated sugar, 1/4 teaspoon salt, 1/2 tea-

TOSSED WALDORF SALAD

3 Winesap or Delicious apples.

1 tablespoon lemon juice.

1/4 cup chopped walnuts.

1/3 cup chopped celery.

1/2 cup miniature marshmallows.

1/2 cup salad dressing (or more as desired).

Letuce.

Core apples and slice or dice, as preferred. Brush with lemon juice.

Combine diced apple with walnuts, celery, marshmallows and salad dressing. Serve in one large lettuce lined bowl, or on individual lettuce lined plates, or in apple shells.

To make shells, core 6 apples; slice off tops. With a diagonal cut, cut out the insides leaving a partially hollow shell. Brush shell inside with lemon juice. Dice the cut out apple meat and add to regular Waldorf salad mixture. Fill shells with Waldorf salad. Makes 6 servings.

EGGNOG WALNUT PIE

1 envelope unflavored gelatin.

1/4 cup milk.

3 eggs, separated.

1/4 cup granulated sugar.

1/4 teaspoon nutmeg.

1/4 teaspoon salt.

1/2 cup milk.

1/2 cup granulated sugar.

1 1/2 teaspoons vanilla.

1/2 cup whipping cream, whipped.

1 9-inch walnut crust or baked walnut pie shell.

Soften gelatin in the 1/4 cup milk. In top of double boiler beat egg yolks together with the 1/4 cup sugar, nutmeg, and salt. Stir in the 1/2 cup milk and cook and stir over hot water until mixture thickens and coats a spoon.

Add softened gelatin and stir until gelatin is dissolved. Cool. Add flavoring. Beat egg whites until stiff and gradually beat in remaining 1/4 cup sugar. Fold into gelatin mixture. Fold in whipped cream. Pour into chilled shell and chill until firm. Serve garnished with a wreath of whipped cream decorated with walnut halves.

WALNUT CRUMB CRUST

1 cup fine graham cracker crumbs.

1/2 cup finely chopped walnuts.

1/4 cup granulated sugar.

1/4 cup soft butter.

Mix all ingredients. Press into 9-inch pie pan. Chill or bake at 375 degrees for about 7 minutes.

NO BAKE WALNUT BALLS

Mix together 2 cups of vanilla wafer crumbs, 1/3 cup granulated sugar, 1/4 teaspoon salt, 1/2 tea-

spoon cinnamon, 1/4 cup chopped marachino cherries, 1 cup chopped walnuts. Add 1 teaspoon lemon juice, 2/3 cup sweetened condensed milk. Form in balls. Roll in sugar and trim with walnut halves.

SUSAN LOWE WALNUT ROLL

1 1/4 cups chopped walnuts.

1 cup small-sized marshmallows, cut in half.

1/4 cup red and green marachino cherries, quartered.

1 cup dates, sliced.

1 1/4 cup graham crackers.

1/2 cup orange juice.

Whipped cream.

Walnut halves.

Combine all ingredients except whipped cream. Turn out onto a large sheet of aluminum foil.

Shape into the size of roll desired. Wrap in foil and chill overnight.

Cut into slices to serve. Mixture is rich, so small portions are suggested.

Top each slice with fluff of whipped cream; decorate with walnut half. Makes 8 to 12 servings, depending upon size of roll and portions preferred.

D. J. Kellan Installed By RAM Chapter

NEGAUNEE — Dayton J. Kellan Jr. was installed as high priest of Negaunee Chapter, Royal Arch Masons, at a joint ceremony of Negaunee, Ishpeming and Marquette chapters in the Ishpeming Royal Arch lodge rooms.

Other officers elected for the ensuing year are as follows: Norman Kellan, king; Fred Tuttle, scribe; William Hawke Jr., treasurer; Fred Anderson, secretary; George Sivula, captain of the host; Marshall Phillips, principal sojourner; Clarence Tamblin, Royal Arch captain; Charles Ruhonen, third veil; Keith Wangberg, second veil; Orvo Krook, first veil; Leonard Lehtonen, sentinel; Clifford Warner, chaplain, and John T. Lehtonen, organist.

Installing officers were Russell Chest, right excellent grand king of the Grand Chapter of Michigan; Fritz Wallin, right excellent grand secretary; Martin Evensen, right excellent grand chaplain, and Olie Oberg, excellent grand captain of the host. Meeting of the Negaunee chap-

Addition Of WGN To Cable Service Being Considered By Iron Range, Council Told

ISHPEMING — A technical and economical survey is being conducted by Iron Range Cable Corp. with the purpose of determining the feasibility of adding WGN-TV (Channel 9), Chicago, to the cable service it now provides the Ishpeming-Negaunee-Marquette area.

This was disclosed in a letter, read at last night's meeting of the Ishpeming City Council, from Fred Lieberman, Iron Range president, in which he declared the company 'does not anticipate any upward adjustment in rates for the existing service.'

The letter was received by Thomas R. McNabb, city manager, in answer to an inquiry made concerning a rumored rate increase plan.

Expressing concern over the rumor, Lieberman wrote:

"May we state that no increase in the rates in Ishpeming or the other areas that we serve will at any time be instituted without our first consulting with the mayor, city council and city manager of the City of Ishpeming. Further, unless there were an increase in the amount of service rendered, we would not contemplate increasing our rate.

"This is a policy we would putter are held on the second Tuesday of each month.

as a matter of good public relations and business morality, regardless of whether or not the rate existed in a city franchise.

"To make certain that we do not inadvertently overlook any point on this subject, may we call your attention to the fact that, as a result of interest evidenced in Channel 9 (WGN) of Chicago, we are having a technical and economical survey made to ascertain the technical and cost feasibility of bringing that channel to the residents of Marquette county.

"If this proves feasible, we would then ascertain whether or not there was sufficient desire for this channel to justify the increase in rates necessary to bring the service to this area.

"Again, so that there will be no misunderstanding, we do not anticipate any upward adjustment in rates for the existing service and would take no action to provide additional service with a necessary rate increase, without the sanction of the municipalities."

GARDEN SPOTS

Large yards sometimes need extra emphasis such as garden shelters which can be beautiful as well as useful. These shelters can serve as a retreat, sun shade and a place for the display of potted plants.

Only Six Fire Calls Last Month

NEGAUNEE — Despite temperatures considerably below normal—which usually result in an increase in the number of fires as heating systems are overworked—the Negaunee volunteer fire department responded to only six alarms during January, according to the monthly department activities report submitted yesterday by Chief Francis Dighera to City Manager Leonard Harris.

Responsible for the alarms were three chimney fires, one barn fire, a call to investigate smoke caused by a faulty furnace, and a fire resulting from an overheated electric fixture. The only fire resulting in insurable damage was the one caused by the faulty fixture at the home of Mrs. Charles

Gilbert Roos does handstand during physical education program at Gilbert Elementary School, group is Dickie Catto.

Physical Education Program Outlined For Gwinn Parents

GWINN — Parents saw Gwinn schools' new physical education program in action when their children demonstrated physical skills that were learned in class during a Gilbert Elementary School Parent-Teacher Association meeting.

Tumbling, conditioning exercises, rhythms and square dancing were presented under the direction of Peter Zenti, physical education coordinator, and Robert Felkie, instructor.

Parents became students at the conclusion of the program when they were called to the floor to become partners of the youngsters in square dances.

Zenti, who is coordinator for all physical education classes in the Gwinn school system, outlined some of the goals of his department. He explained his duties, but told the group that he would prefer they judge his value to education at Gwinn by the program that would be developed by the end of the year.

He believes strongly, he said, that physical education should be a conditioning process but that it should also develop skills and interests that will be useful throughout life for recreational purposes. He hopes to make not only the student body but also the faculty and the community more health and physical fitness conscious.

Teach Them To Live Better

Zenti said that the extent to which he is able to develop a physical education program will depend partly on the amount of equipment the school is able to

supply. "A good program," he contends, "is not directed entirely toward preparing athletes for varsity sports. If we can prepare our children to live better and teach them to get along better together, we have contributed a great deal to their education."

He is supervising the writing of a curriculum designed to be valuable to all pupils regardless of their physical development or levels of achievement. A written policy for students and teachers also is being prepared that will set standards of dress and behavior and policies concerning

grades, absences, accidents, requirements and teaching lesson plans. **Three Functions**
Zenti hopes to aid teachers by providing them with reference guides, audio-visual materials and literature relating to physical education activities or problems. He hopes to keep informed on trends in teaching and to pass ideas on to members of his department.

A good curriculum, according to the coordinator, should fulfill three functions:

- Meet the immediate needs and desires of the students.
- Provide outlets for continued participation and enjoyment of sports in adult life.
- Prepare the student for harmonious community living.

Winter Sports Participation
He believes that students should be encouraged to participate in extra-curricular sports and activi-

ties of clubs sponsored by the school and community. In addition to his duties at school, Zenti is working with a 4-H group and has helped Gwinn students to form a bowling league during off-school hours. He hopes to encourage more participation in winter sports in and out of school.

Zenti is a native of Gwinn and a graduate of Gwinn High School. He holds a master's degree in physical education and is working toward a doctorate.

Parents became partners of pupils in square dances. Girls pictured are Margaret Mitchell (foreground) and Joann Hayes.

Loren Gray Wins Indoor Pistol Shoot

NEGAUNEE — Loren Gray of Munising was the winner of the first annual Negaunee Rod and Gun Club indoor pistol shoot with a score of 833 points out of a possible 900. President Roland Juehemich Jr. announced Wednesday. Gray won three first places and one second.

Other first-place winners were Vern Crawford of Marquette and Vincent Dunn and Fred Fass of K. I. Sawyer Air Force Base.

Second-place winners included Leo Koski of Negaunee, Ray Ranta of Munising and Keith Lancoir of Sawyer AFB.

Training Tape Readers To Operate Machines

NORWALK, Calif. (AP) — Numerically controlled machine tools operated by punched tapes are among the radical changes in the

machine tool industry which has caused a "second industrial revolution," according to Paul Henry, chairman of the metals division at Cerritos College.

"Now many machine operations are programmed on a punched tape somewhat similar to a piano player roll," Henry explained. "A tape reader supplies commands to the machine." The college is offering an evening course in "Fundamentals of Numerical Control."

Six Teams Enter 'Softball On Snowshoes' Tournament Slated For Negaunee Sunday

NEGAUNEE — Six teams have entered the third annual "Softball on Snowshoes" tournament, which is scheduled for Sunday afternoon at LaCombe Field in Negaunee. The tourney is sponsored by the Negaunee Eagles and the Hotel Bar, as winner of the 1962 competition, is serving as host team for the event. Proceeds from the tournament are given annually to the March of Dimes. There will be no admission charge, but a free will offering will be taken. Clarence (Bud) Verran, tourney

manager, announced Wednesday that teams entered to date include the Hotel Bar, Woody's, Negaunee Rod and Gun Club, Negaunee Firemen, Marquette Collegians and Negaunee Eagles. Deadline for entering the affair is 1 p. m. Friday as the manager has scheduled drawings for 1:30 Friday afternoon at the Eagles lodge. Other teams desiring to enter may do so by calling Richard Ellis Jr., GR 5-6462; Edward Miller, GR 5-4034, or Verran, GR 5-6336.

Women's Group To Give Literature To Patients

NEGAUNEE — Distribution of literature to patients at Morgan Heights Sanatorium, Palmer Rest Home and Francis A. Bell Memorial Hospital, Ishpeming, will be inaugurated by Negaunee Council, Marquette Diocesan Council of Catholic Women, Mrs. Thomas Beard Jr., president, announced today. Miss Florence Robare and Miss Francine Valenti have been appointed co-chairmen of the library and literature department. No charge will be made for the service to patients who wish to

avail themselves of reading material which will be drawn principally from library facilities of St. Paul's Catholic Church in Negaunee. Mrs. Beard also advised Negaunee council members that a living Rosary circle was being initiated in St. Paul's Parish. The president disclosed that home discussion groups held during January were highly successful. Theme for the discussions was "The Holy Family and Woman's Place in the Home."

New Program For Women Formed At L'Anse Church

L'ANSE — St. John's Lutheran Church of L'Anse has organized a new program for its women.

Pastor Rodney K. Erickson, who called a meeting to form St. John's Lutheran Church Women, said the purpose of the group is "to declare the good news of Jesus Christ. Called together and led by the Holy Spirit, Lutheran women combine in this fellowship to study and grow in the faith and to serve the congregation and community as they are needed, either individually or together in an auxiliary."

The women previously formed three groups which have been meeting monthly in homes for discussion and fellowship. Since last September, they have been using the Bible Study on Colossians in the Lutheran Women Magazine.

Newly elected officers are Mrs. Eleanor Johnson, president; Mrs. Dorothy Dault, vice president; Mrs. Toini Phyllis, secretary, and Mrs. Gertrude Molonen, treasurer.

The group plans to utilize program materials that are available from the Lutheran Church in America, into which the congregation recently merged. The programs are an attempt to meet the everyday needs of women, such as raising children and tensions, from a Christian point of view. They will also inform about the church's mission in the world. Service projects and baked goods sales will be held from time to time.

Group One officers are: Group leader, Mrs. Lucille Juntunen; recorder, Mrs. Saima Beltonen. Group Two officers are Mrs. Lydia Haro, leader, and Mrs. Eleanor Johnson, recorder. Sarah Group officers are Mrs. Viola Sundman, leader, and Mrs. Diane Lloyd, recorder. Chairmen of the committees are Mrs. Dorothy Dault, membership development; Mrs. Eva Erickson, program; Mrs. Ruth Peterson, sunshine, and Mrs. Saima Beltonen, altar.

Kulie, Koski Combine For 60 Points; Royals Frigid At FT Line

CHAMPION — The visitors' troubles at the free throw line kept it out of the barn-burner class, but Champion's 13th victory of the season kept a capacity-plus crowd jumping last night.

The Indians stayed unbeaten by topping Marquette Baraga Central, 75-60, as Billy Koski scored 34 points and Ron Kulie hit new heights with 26 points and 18 rebounds.

Each team hit in the neighborhood of 33 per cent — not the best of neighborhoods, to be sure — but Champion collected 23 points from 27 fouls called on the Royals, and BCCHS could garner only 10 from 20 Champion infractions.

The visitors blew seven bonus opportunities, and went 0-for-7.

For the Royals, Bill Kessel played a fine offensive game, scoring 20, and Bernie Olds came up with another good effort, scoring 14. The visitors had nine players in the scoring column.

Baraga Central jumped off to a 6-0 lead, just as quickly fell behind, 8-6, and the pattern of the game was set. Neither squad could break the game open as both hit in streaks.

The Indians led by nine after a half, 32-23, and thanks mainly to missed free throws by the Royals, carried a 50-37 margin into the final period.

The lead was down to nine points with 2:30 left.

Champion hosts Rapid River, Friday night, and Bishop Baraga goes to Newberry, Saturday.

Table with columns: Marquette Baraga, Rapid River, Bishop Baraga, and various player statistics.

Champion scored 23 points from 27 fouls called on the Royals, and BCCHS could garner only 10 from 20 Champion infractions.

Aquinas Tips Ferris, Faces 'N' Saturday

Aquinas College, due here Saturday afternoon to face a revenge-minded Northern Michigan basketball team, nipped Ferris, 81-78, last night in Grand Rapids.

Aquinas stunned NMC Dec. 17, by a 74-69 count, and Northern has split with Ferris this season.

The Tomies had dropped two earlier decisions to Ferris, but got 24 points from Ray Bauer (6-4) while Bernie Kilpatrick led Ferris with 20.

It was the fifth straight for Aquinas, boosting their record to 8-4, and only the fourth loss for Ferris.

The two Grand Rapids college basketball teams — Calvin and Aquinas — will invade the Upper Peninsula Friday and Saturday, Feb. 8 and 9, to meet the Wildcats at the fieldhouse.

Coach Stan Albeck's eagles, smarting from a 70-68 upset Monday by Central Michigan University, will meet seven opponents in the next 19 days before winding up regular season play at Eastern Michigan University March 2.

Northern (10-3) has played 500 ball in its last ten games after jumping off to its best start in 36 years with a 5-0 mark earlier in the season.

In Calvin (2-11), the Wildcats will meet a team they defeated earlier, 97-86, for their only road victory of the season in six contests. Northern coasted to the triumph despite a 56-point spurge by the Knights in the second half.

Pacing Coach Barney Steen's eagles has been 6-2 forward Jim junior had his best performance to date against the Wildcats when he scored 31 points on 15 baskets and a charity toss.

Oakie At Work

They say life begins at 40 but for Waterloo (Iowa) hockey fans there is plenty of life at 36 for their player-coach Leonard (Oakie) Brumm.

Lowell MacDonald's first NHL goal, with 89 seconds to play, enabled Detroit to tie the Chicago Black Hawks and increased their lead over Montreal and Toronto, tied for second, to five points.

Gordie Howe put the fourth-place Wings in front early in the first period while Chicago's Pierre Plafie and Wayne Hillman were in the penalty box.

Kenny Wharram evened the score in the final minute of the first period and rookie Chico Maki put the Hawks on top 2-1 with the only goal of the second period.

Lowell MacDonald steered Howe's pass past Hall early in the final period to pull the Wings even again. Chicago's Al MacNeil was in the penalty box at the time.

Wharram scored his second goal of the night midway in the final period to put the Hawks ahead.

Ball Control Keeps Tigers In Poll Lead

The Wittenberg University Tigers are the No. 1 small college basketball team for the second straight week in the weekly Associated Press poll.

Mass '5' Wins Like Rocket Teams Of Old

Don't count Mass High School out of the Class D basketball picture in the Upper Peninsula.

Once the mightiest name in small-school cage circles, the Ontonagon County prepsters are at their highest peak under the five-year tutelage of Coach Ernest Toivonen.

The Rockets have lost only to unbeaten Ontonagon, a Class C quintet, and to White Pine by a single point during a holiday tournament.

They're riding high atop the Porcupine Mountains Conference, with only White Pine — trailing by one and one-half games — given much chance to catch them.

Because its conference schedule restricts its activities almost entirely to the western end of the Peninsula, Mass hasn't gained the stature of schools like Champion, Srimley, Negaunee St. Paul and Hermansville.

Toivonen has a strong first five in John Amos, Charles Smith, Bruce Sikkila, Ray Mallia and Dennis Millu, all of whom except Sikkila were starters a year ago.

League standings in the Peninsula (including games played Tuesday, Feb. 5):

Table showing league standings for Great Lakes, Memnonian Range, and Copper Country.

Wittenberg University Tigers are the No. 1 small college basketball team for the second straight week in the weekly Associated Press poll.

Wittenberg (6) 15 1 73, Southeast Mo. 16 1 50, Evansville 14 3 49, Grambling (2) 18 2 48, Westminster, Pa. 9 3 33, Prairie View 16 3 29, Tennessee State 18 3 24, Akron 16 2 23, Southern Illinois 11 6 20, Augsburg 17 0 12.

Former Sentinels Test State VFW Juvenile Champs

Former Marquette Sentinels will test the local Junior Hockey Association's juvenile (up-to-18-years-old) tournament squad at the Palestra, tonight at 8:30.

Earlier this season the juveniles held a hard-skating team of collegians to a 4-4 tie, in a Palestra exhibition.

Redmen Draw Bye In GLC JV 'District' In Negaunee

NEGAUNEE — Marquette drew a bye and Negaunee is scheduled to meet Ishpeming at 7:30 p. m. Monday, Feb. 11, in the opening game of the Great Lakes Conference district junior varsity basketball tournament, which will be held at Memorial Gymnasium in Negaunee.

Area Courts Will Be Busy This Weekend

Two college and seven high school games are scheduled within the area, Friday and Saturday.

Among the feature high school attractions — Negaunee goes to Ishpeming and Munising to Gwinn in Class B games. Republic travels to Michigamme, Trenary goes to Eben.

Maury Wills Gets Trophy Tonight

Advertisement for Kessler beer, featuring a bottle and glass, with text 'Words, Words, Words. Until you taste KESSLER' and prices \$3.94 and \$2.48.

Veal Roll-Ups And Honey Torte Squares Sure To Please

Comes the weekend and everyone likes to relax, including mother, but mother must still think about feeding the family. Veal roll-ups served with corn and chopped pimiento, a tossed salad and fruited honey torte squares are a combination to appeal to the whole family. Tomato juice and crackers are a good starter for this menu.

Montreal Woman Lawyer Champion Of 'Incapables'

MONTREAL (AP) — In Quebec a married woman may not buy or sell stocks, bonds, shares or property without her husband's authorization. The same holds if she wishes to set up a business, have an operation or commit her child to hospital.

Fire Chief Has Way With The Flames

ST. LOUIS (AP) — Battalion Chief Edward W. Gallagher of the St. Louis Fire Department has a way with flames, whether they be on a burning building or in the oven.
