## Climbers Return To Katmandu

KATMANDU, Nepal (AP)—Two suburban Americans who suffered frostbitten toes conquering Mt. Everest returned today, grinning gamely despite the pain and able to hobble.

William Unsold, 38, of Corvallis, Ore., and Barry C. Bishop, 30, of Washington, D.C., embraced their wives after a rescue helicopter deposited them outside the American missionary hospital in Katmandu.

Carried Down  
They told of being carried on men's backs more than 20 miles down the perilous slopes from the base camp in a desperate race to get medical treatment and save their frozen toes.

"We are tired but otherwise fine," the red-bearded Unsold told newsmen.

Full Of Praise  
Both were full of praise for their teammates' help in climbing the 29,028-foot peak.

Unsold and Bishop scaled the great peak Wednesday in a historic double assault with two others, Luther Jerstad, 26, of Eugene, Ore., and Thomas Hornbein, 32, of San Diego, Calif. Unsold and Hornbein were the first on record to conquer Everest by way of the perilous west ridge.

## Six Persons Lose Lives In 14-Car Pileup

ELIZABETH, N.J. (AP)—Six persons perished early today when 14 vehicles piled up in dense fog on the New Jersey Turnpike.

Five of the victims were dead at the scene. A sixth died three hours later at St. James Hospital in Newark.

About 10 persons were injured, one of them critically.

Police would not speculate on the cause of the accidents beyond blaming the fog.

Injured  
One of the injured, A. J. Gauthier, 43, of Port Huron, Mich., apparently drove the last truck into the pileup.

Gauthier, driving a truckload of fish from Detroit to New York, said he never saw the wreckage in front of him.

He told newsmen he drove into a fog bank and the last thing he saw was the brake lights of another truck just before plowing into the pile. He suffered minor head and hand cuts and was released after treatment.

## Siamese Twin Dies

FERRIS, Ill. (AP)—Rodney D. Brodie, who was separated from his Siamese twin brother in an historic operation more than a decade ago, died Sunday at his home at the age of 11.

His grandmother, Mrs. Will Brodie of Burnside, Ill., said the boy had been in a slow decline for about eight months.

Dr. J. D. Trotter of Carthage, Ill., who treated the boy, said death was due to an abnormal condition existing at birth, but inability to swallow food was the immediate cause.

Rodney and his brother, Roger Lee Brodie, were joined at the head when they were born Sept. 16, 1951, at Rock Island, Ill. They were separated in an operation at Chicago Research Hospital when they were 15 months old.

Roger Lee died several weeks after the operation.

## The Weather

Forecast for Marquette and vicinity: Mostly cloudy with occasional light rain and turning cooler tonight, lows in mid-40's; rain ending early Tuesday and continued rather cool, high in low 60's, slightly lower near the lake. Outlook for Wednesday: Continued cool with chance of showers. Forecast for Lake Superior: Mostly southerly winds shifting to northerly 18-28 MPH tonight and gradually diminishing Tuesday. Becoming cloudy; rain beginning with wind shift. Data for 24 hours ending at noon: Temperatures — 56 at 6 a.m.; 70 at noon; highest in last 24 hours, 76 at 3 p.m. yesterday; lowest 54 at 3:30 a.m. today. Relative humidity at noon—37. Precipitation — None in last 24 hours; total to date this year, 7.59 inches; normal to date, 10.71 inches. Sun rises at 5:03 a.m. and sets at 8:30 p.m. tomorrow. Records for May 27—Maximum temperature, 91 in 1911; minimum temperature, 30 in 1915; most precipitation, 0.92 of an inch in 1899.

## Pope Gravely Weakened By Hemorrhages

VATICAN CITY (AP)—Gravely weakened by recurrent hemorrhages, Pope John XXIII was confined to his apartment today. Concern grew about his condition. A Vatican source said plans for President Kennedy to see the 81-year-old Roman Catholic pontiff had been suspended. Kennedy was due here about June 22.

## Poll Shows Republicans Like Barry

PHOENIX, Ariz. (AP)—Sen. Barry M. Goldwater, R-Ariz., is the presidential choice of 48 per cent of the 1960 Republican convention delegates who responded to a poll conducted by the Phoenix Gazette.

Ballots were mailed in mid-April to 1,331 delegates and 707 replies were received.

Rosky Second  
The poll by the Phoenix afternoon daily asked the delegates to list the candidate they would support in the next election. The results showed:

Goldwater 339 votes for 48 per cent.

New York Gov. Nelson A. Rockefeller, 244 for 34.5 per cent.

Michigan Gov. George Romney 24, 3.4 per cent.

1 Vote Each  
Pennsylvania Gov. William Scranton, 9, 1.3 per cent.

Former Vice President Richard M. Nixon, 7, 1 per cent.

Sen. Thurston B. Morton, R-Ky., 5, 0.7 per cent.

Oregon Gov. Mark Hatfield, 4, 0.6 per cent.

Returned Later  
Those receiving one vote each were former President Dwight D. Eisenhower, Henry Ford II, Robert Hutchins and former Sen. William Knowland of California.

Forty-four delegates indicated no preference and 27 marked the "don't know" box.

The ballots were distributed a few weeks before Rockefeller's remarriage. About 100 of the ballots were returned, however, well after the event.

## Gibson To Stay In Greenville

GREENVILLE, N.C.—An agreement has been reached between Gibson Refrigerator Division of Hupp Corp. and its union in an effort to save 1,600 jobs for the Greenville-Belding area.

George Truesdell, president of UAW Local 137, reported the development today after a meeting between the union bargaining committee and management.

He declined to disclose provisions of the agreement.

## Jail Break Came Within Hair's Breadth Of Failure

MADISON, Wis. (AP)—The first successful group jailbreak in more than 10 years from Southern Michigan Prison came within a hair's breadth of failure, says Richard Mauch, 40, self-proclaimed mastermind of the April 23 escape.

Detective Stanley Davenport of the Madison Police quoted Mauch as saying: "Somehow the prison guards got wind of what I was doing and transferred me out of the cellblock. They searched my cell, but didn't find all of my tools. Pulls Straps  
"Some of the prison officials

went on vacation and I pulled some strings and got back in the cellblock," Mauch said.

Distributing tools and exchanging information was easy for the four escapees, Mauch said, because one of them, Elmer Crachy, was a hall-boy in the block.

Here is Davenport's account of Mauch's description of their preparations:

"I was working as a steamfitter in prison and each day I smuggled tools and hacksaws to the cellblock where I bunked.

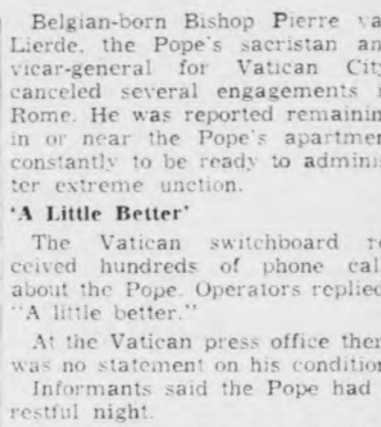

"The tools were hidden around the cellblock by the block boy. We had the trencher, saws and axes in the ventilators as long as they were able to pull them up when we wanted to use them at night.

"While I was gone, the other three guys kept cutting away at the bars. They wedged the bars with their nails in the morning so no one would know they were out through.

"By the time I was transferred back the others were ready to go. I worked like a dog for three nights to get my bars cut, too."

## Ambassador Has His Arms Full

Adlai Stevenson, U.S. Ambassador to the United Nations, held his godson, Kevin McClatchy, left, and grandson, John Fell Stevenson, Jr., right, after double christening at First Unitarian Church in San Francisco Saturday. Kevin is son of Mr. and Mrs. C. K. McClatchy and grandnephew of Eleanor McClatchy, publisher of the Sacramento Bee. John Fell, Jr.'s dad is Adlai's son. — (AP Wirephoto)

Belgian-born Bishop Pierre van Lierde, the Pope's sacristan and vicar-general for Vatican City, canceled several engagements in Rome. He was reported remaining in or near the Pope's apartment constantly to be ready to administer extreme unction.

'A Little Better'  
The Vatican switchboard received hundreds of phone calls about the Pope. Operators replied, "A little better."

At the Vatican press office there was no statement on his condition. Informants said the Pope had a restful night.

His personal physician, Dr. Antonio Gasbarrini, who was called here urgently Sunday from his home in Bologna, saw the Pope again at noon today.

Another papal doctor, Piero Mazzoni, kept vigil near the Pope's bedside throughout the night. It was the sixth successive night Mazzoni had spent in the apostolic palace.

Lights Off  
All through the night, the lights

were off in the Pope's third floor apartment overlooking St. Peter's Square. This indicated he did not need attention.

Mazzoni left the palace shortly after dawn and Gasbarrini did not call until noon. This was taken to mean that at the least there was no worsening in the pontiff's condition.

L'Osservatore Romano, the Vatican newspaper, said the Pope's condition Sunday night "showed general improvement—above all subjective," meaning that the Pope felt better.

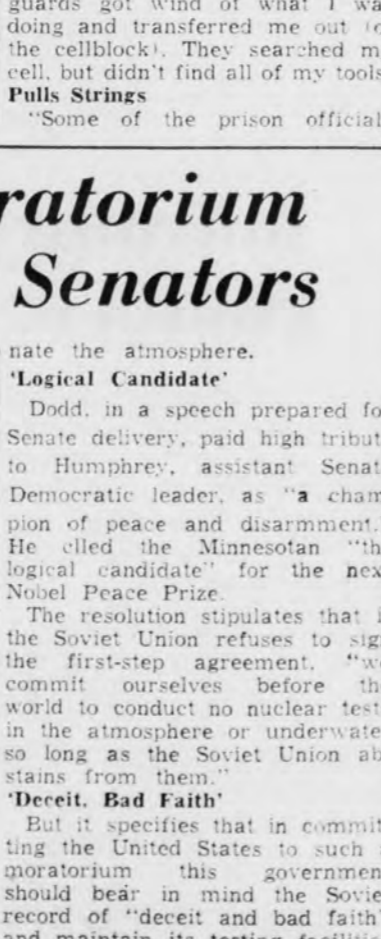

Further Improvement  
The Pope's doctors found further improvement in his condition this morning, the paper added.

'Little Old Lady' Traps 3 Crooks  
ST. LOUIS, Mo. (AP)—A woman identified by suburban Weston police only as "a little old lady," saw three men break into a supermarket Sunday by prying off a padlock.

The "little old lady" took a lock of her own and put it on the door. Then she called police.

The three men, including one ex-convict, surrendered.

Troops Leave Alabama  
A convoy of riot-trained troops left Montgomery, Ala. Saturday for Ft. Bragg, N.C. They were part of a 3,000-man force ordered to Alabama after the Birmingham crisis. Pictured here are military police units. — (AP Wirephoto)

At the Associated Press Airfield crash at Howell and Pellston Sunday evening injured the pilot, Bruce Hayward, 22, of Garden City, and the passenger, Stephen Van Avery, 21, of Charlotte, N.C.

Kincheloe Airmen  
Van Avery, the owner, suffered a broken nose, possible broken jaw and possible concussion. State Police said Hayward's right arm was broken. Both men were taken to Little Traverse Hospital at Petoskey.

Both were enrolled in the Air Force and were stationed at Kincheloe Air Force Base near Sault Ste. Marie, authorities said.

At Howell Airport, a Melvindale police lieutenant, George Towler, 49, cracked up his plane while attempting to take off for Detroit Metropolitan Airport shortly before midnight, Livingston County

## High Court Calls For Integration Of Parks In Memphis

WASHINGTON (AP)—The Supreme Court declared unanimously today that its 1955 decision that public schools must be desegregated with all deliberate speed does not mean that there can be indefinite delay in elimination of racial barriers.

The Supreme Court ruled today for desegregation of parks, playgrounds and other city recreational facilities in Memphis, Tenn. The court ruled on an appeal by 11 Negroes who said the principle of allowing time for desegregation of public schools, as fixed by the Supreme Court in 1955, should not be applied to use of public recreational facilities.

Justice Goldberg delivered the unanimous decision.

Memphis has been upheld by the U.S. Circuit Court of Appeals in Cincinnati, Ohio, in the city's

fight of the Negroes, saying that Memphis public authorities "failed to make any case at all that delay was warranted by serious obstacles standing in the way of desegregating the city's recreational facilities."

"There is nothing about public recreational facilities," the department added, "to suggest that their desegregation would present insuperable problems."

'Promptly Vindicated'  
Memphis officials contended "many administrative problems

as well as other difficulties would be created by immediate and total integration of all facilities, which could be avoided by a planned, orderly system of desegregation."

Goldberg's opinion declared that constitutional rights of Negroes to use Memphis parks "are to be promptly vindicated."

The case was sent back to lower federal courts with instructions that they take "further proceedings" consistent with today's decision.

HOLLYWOOD (AP)—There were enough repeat winners at the 15th annual television awards to make it look like a summer reunion.

Even the President of the United States got one. It was only fair his wife picked up an Emmy last year.

CBS' courtroom drama, "The Defenders," was top winner with five awards. Its star, E. G. Marshall, earned an outstanding actor in a dramatic series. The show also picked up Emmys for dramatic writing, directing, film editing and best dramatic series.

'Hazel'  
It was the second time around for Shirley Booth's bossy maid, "Hazel," the best series actress, and third for Don Knotts, bumbling deputy Barney Fife in "The Andy Griffith Show," best actor in a supporting role.

'The Tunnel' NBC's controversial documentary showing East Berliners digging their way to freedom beneath the Berlin wall, was named program of the year. It also took honors as best documentary and for its narrator, NBC Berlin correspondent Piers Anderson, for intentional reporting.

Posthumous Award  
Actress June Allyson dissolved in tears when the Television Academy presented a posthumous Television Academy Trustee Award to her late husband actor-producer Dick Powell for his contributions to the industry. Powell died last year of cancer. The award was accepted by his former partners in Four-Star Productions, actor David Niven and Charles Boyer.

The trustees also presented an award to President Kennedy for "his willingness to expose his thoughts and feelings to his fellow countrymen" in his regular news conferences. Mrs. Kennedy won an Emmy last year for her "Tour of the White House."

Telstar  
Another special award was presented to American Telephone and

Telegraph Co. which launched the Telstar communications satellite last year.

Newlywed comedienne Carol Burnett got a wedding present in a golden Emmy for the outstanding performance in a variety show, "Julie and Carol at Carnegie Hall." She also won the award last year. The program, in which Miss Burnett costarred with singer Julie Andrews, was named the year's outstanding musical program.

"The Dick Van Dyke Show" nosed out the favored "Beverly Hillsbillies" as the year's funniest series. Its writer, Carl Reiner, and director, John Rich, also won Emmies. It was the fifth Emmy for Reiner, onetime second banana on the Sid Caesar show.

Two of the winners haven't been renewed—"David Brinkley's Journal," which won, as it did last year, the prize as outstanding literary affairs program, and "The Andy Williams Show," named best variety program.

Disraeli  
A Ben Casey segment, "A Cardinal Act of Mercy," picked up awards for its star, Kim Stanley, for the best single performance by an actress, and for veteran Glenda Farrell, as best supporting actress. Miss Stanley played a woman lawyer addicted to narcotics, and Miss Farrell, a nurse.

British actor Trevor Howard's portrayal as "The Invisible Mr. Diracelli" won laurels for the outstanding single performance by an actor. The show, produced by Hallmark Hall of Fame, also won a prize for its camera work.

NBC swept the news and special events divisions. For the fifth year in a row, the team of Chet Huntley and David Brinkley was cited the best news show.

Other winners: Walt Disney's wonderful world of color, best children's program; G.E. College Bowl, best quiz show.

Box score on the winners: CBS, 12; NBC, 12 and ABC, 3.

## 2 Kincheloe Airmen Hurt In Plane Crash

Sheriff's deputies said. The runway lights were not turned on, deputies said, and Towler's North American AT 6 G, an army trainer craft, veered off the grass runway and hit a hangar and two other light planes.

Good Condition  
Towler escaped from his plane, which was destroyed, with severe scalp lacerations. He was listed in good condition at a hospital in Howell.

The impact also destroyed the two planes in the hangar, deputies said. There was no immediate estimate of damages.

The P-51 Mustang piloted by Hayward had been purchased by Van Avery during the weekend at Battle Creek. State Police said Van Avery had paid Marshall Radcliff of Battle Creek \$9,000 for the craft and was on his first flight in the Mustang when it crashed at Pellston, police said.

Trapped In Cockpit  
The men were trapped in the cockpit. Airport workers dug them out, police said.

## Emmy Telecast Almost A Rerun

There were enough repeat winners at the 15th annual television awards to make it look like a summer reunion.

Even the President of the United States got one. It was only fair his wife picked up an Emmy last year.

CBS' courtroom drama, "The Defenders," was top winner with five awards. Its star, E. G. Marshall, earned an outstanding actor in a dramatic series. The show also picked up Emmys for dramatic writing, directing, film editing and best dramatic series.

## Actress Hurt, Woman Killed In Car Mishap

NEW YORK (AP)—Actress Arlene Francis, a panelist on the television program "What's My Line?," was reported in satisfactory condition today after an automobile collision in which she was injured and another woman was killed.

The Boston-born actress was replaced on "What's My Line?" Sunday night by singer Kitty Carlisle.

Miss Francis, 35, was en route to Manhattan to appear on the show when her auto skidded on wet pavement and collided head on with another auto. Police said she apparently had tried to stop her car because of a minor accident ahead of her.

Victim  
Killed in the collision with the actress' car was Rose Arcos, 34, of Brooklyn. Her husband Joseph, also 34, who was driving and three other passengers in his car were injured, two of them critically.

Miss Francis was taken unconscious from the accident scene, on Northern State Parkway at Lake Success, N. Y., to a hospital in East Meadow, then to Harkness Pavilion of Columbia Presbyterian Medical Center in Manhattan.

No Charges  
Doctors at Columbia Presbyterian said she suffered a fractured collarbone, a minor concussion, a cut scalp and bruises.

No charges were filed in the accident.

# Chairman Names Ten Committees Of County Board

Appointments to the 10 standing committees of the Marquette County Board of Supervisors for the 1963-64 period were announced today by Carl W. Corneliuson, Ishpeming board chairman.

**Corneliuson and County Controller Robert H. DeRoche of Marquette are members ex-officio of all county board committees.**

Committee appointments are made by the chairman following the annual equalization and organization meeting of the board and they become effective immediately.

James Dompierre of Negaunee is vice chairman of the board and County Clerk Lloyd LeVasseur of Marquette is the board clerk.

**Four Commissions, Board**

The county board also has three commissions and a board to which it appoints members. The groups are as follows:

**Social welfare commission** — John E. Backels, Marquette, term expiring Nov. 1, 1963; Ambrose Alraudi, Negaunee, term expiring Nov. 1, 1964; Walter L. Hansen, Ishpeming, term expiring Nov. 1, 1965; and James B. Scanlon, Negaunee, director.

**County road commission** — William H. Schneider, Marquette, term expiring Dec. 31, 1964; Harry C. Swanson, Ishpeming, term expiring Dec. 31, 1966; R. S. Archibald, Negaunee, term expiring Dec. 31, 1968; and H. L. Shroeger, Marquette, superintendent.

**Morgan Heights Sanatorium-Medical Section Board of Trustees** — Ernest L. Pearce, Marquette, term expiring Dec. 31, 1963; Og-

den E. Johnson, Ishpeming, term expiring Dec. 31, 1964; Raymond L. Paine, Negaunee, term expiring Dec. 31, 1965; and Dr. James R. Acock, superintendent.

**Forestry commission** — Harry C. Swanson, Ishpeming, term expiring Feb. 18, 1964; William H. Schneider, Marquette, term expiring Feb. 18, 1965; R. S. Archibald, Negaunee, term expiring Feb. 18, 1966; and H. L. Shroeger, Marquette, superintendent.

**List Of Supervisors**

The Cities of Marquette and Ishpeming have 10 supervisors each on the county board, the City of Negaunee has six and each of the 19 townships has one. They are as follows:

**Marquette** — Charles F. Beaudry, Howard J. Larson, Howard B. Morrison, E. Kenneth Goldsorthy and Richard C. Hammerschmidt, elective supervisors, and C. Fred Rydholm, James R. Smith, Joseph Fine, Elmer K. Carlson and Steve A. E. Johnson, appointive members.

**Ishpeming** — Emil Aho, Leonard S. M. Althoff, Howard F. Ameen, C. James Carlson, Carl W. Corneliuson, Sidney Phare Sr., Jimmie L. Jenkin, Marcus Willey, Theodore R. Mattson and Item P. Norrell.

**Negaunee** — Arthur Backlund, James Dompierre, Richard Salomo, Carmelo Russo and Torri Sandstrom.

**Others** — George N. Beaudry, Champion Township; Albert Jacobson, Chocoma Township; George Syrjala, Ely Township; Elmer Linjala, Ewing Township; Jack Nease, Forsyth Township; Matt-

# Jacobetti Key Speaker At Labor Meet Dinner

Union members came from L'Anse and Newberry, as well as from various points in Marquette County, to attend the Marquette County Labor Council education institute held Saturday and Sunday at Northern Michigan University.

**State Representative Dominic Jacobetti (D-Negaunee) was the principal speaker at the institute dinner Saturday evening. He gave a report on the 1963 session of the Michigan Legislature.**

Other dinner speakers were Jacob Maki, Negaunee, president of the Marquette County AFL-CIO Labor Council, and Bob Repas of Michigan State University's School of Labor and Industrial Relations.

**State Representative Dominic Jacobetti (D-Negaunee) was the principal speaker at the institute dinner Saturday evening. He gave a report on the 1963 session of the Michigan Legislature.**

The standing committees named by Corneliuson are as follows:

**Finance and taxation** — Dompierre, chairman; Althoff, vice chairman, and Carlson, DeGroot, Johnson, Krook, Mattson, Phare, Salmio, Sandstrom, Swanson, Syrjala, Waliman and Willey.

**Equalization** — Rydholm, chairman; Beaudry, vice chairman, and Cream, Edlund, Goldsorthy, Jacobson, Morrison, Nease, Norrell, Salmio and Vadnais.

**Auditing** — Beaudry, chairman; Mattson, vice chairman, and Althoff, Aho, Ameen, Brannagren, Dompierre, Jenkin, H. Larson, Linjala, Russo, Smith, Willey and Yelle.

**Highways and Bridges** — H. Larson, chairman; Mattson, vice chairman, and Backlund, Beaudry, Brannagren, Cram, DeGroot, Fine, Hammerschmidt, Jenkin, Johnson, E. Larson, Nease, Phare, Rautio, Russo, Smith, Vadnais, Willey and Wiseman.

**Buildings, grounds and insurance** — Lajala, chairman; Brannagren, vice chairman, and Carlson, Goldsorthy, E. Larson, Rautio, Russo, Salmio and Weiland.

**County parks and airports** — Sandstrom, chairman; Aho, vice chairman, and Ameen, Beaudry, Carlson, Carlson, Ellingsen, Goldsorthy, Jacobson, Krook, Linjala, Morrison, Norrell, Rydholm, Salmio, Salmio, Swanson, Syrjala, Waliman, Weiland and Yelle.

**Conservation** — Backlund, chairman; Ameen, vice chairman, and Aho, Ellingsen, E. Larson, Nease, Salmio and Swanson.

**Budget and executive** — Althoff, chairman; Weiland, vice chairman, and Aho, Backlund, Beaudry, Beaudry, Dompierre, Hammerschmidt, H. Larson, Mattson, Rydholm, Sandstrom and Wiseman.

**Morgan Heights contact** — Wiseman, chairman; Smith, vice chairman, and Carlson, Carlson, Fine, Jenkin, Johnson, Morrison, Norrell, Phare and Waliman.

**Agriculture and extension** — Yelle, chairman; Hammerschmidt, vice chairman, and Cram, DeGroot, Jacobson, Krook, Syrjala and Vadnais.

# J. A. Versailles Dies At 77 In Portland

Joseph A. Versailles, 77, a Marquette native, died at 11:30 Saturday morning in Portland, Ore., where he had resided for the past two years.

Mr. Versailles was born in this area on April 12, 1886, and had resided here until moving to Portland two years ago.

He had been employed by the Lake Superior & Ishpeming Railroad for 49 years and had retired, as an engineer, in October 1934.

He was a member of the Moose Lodge and the Brotherhood of Railroad Firemen and Engineers. He was a member of St. John's Church.

Survivors are son, Gilbert, Marquette; three daughters, Mrs. Samuel Marie Dukette, Portland; Mrs. Frank "Blanche" Penser, Coral Gables, Fla.; and Mrs. Robert "Leatrice" Wilson, Portland; a brother, Frank, Marquette; a sister, Miss Angeline Versailles, Portland; and seven grandchildren and two great-grandchildren.

The body will be received here and removed to the Fassbender Funeral Home Wednesday morning. Funeral services have been tentatively arranged for Thursday, May 30.

The body was removed to Tonnella's Funeral Home.

Funeral services are tentatively arranged for Thursday morning.

# County's Sales Tax Figures U.P.'s Highest

March sales tax collections totaled \$38,636,175.21 in all of Michigan. This was an increase in dollar volume of \$1,822,670.53, or 5.73 per cent, over March, 1962.

Sales tax collections in Marquette County during March, based on January sales, totaled \$183,928.94, the Michigan Department of Revenue reports.

The figure was the highest for any of the Upper Peninsula's 15 counties, ranking second behind Marquette County was Delta County, where sales tax returns amounted to \$115,947.29.

Taxes collected in Marquette, with a population of 19,824, amounted to \$93,134.26 from 344 business establishments.

**Balance Of County Figure**

This compared with \$84,371.78 collected from the 383 business establishments reporting in Escanaba (population 15,391), seat of Delta County.

In the remainder of Marquette County, excluding Marquette, a total of \$90,794.68 was realized in sales tax returns from 516 places of business.

On the Marquette County level, \$11,727 came from dealers in building materials; \$11,047 from general merchandise shops; \$61,959 from food stores; \$45,122 from automotive dealers; \$7,229 from apparel shops; \$6,149 from furniture stores; \$16,563 from miscellaneous retail outlets, and \$24,134 from non-retail businesses.

**Marquette Breakdown**

In the City of Marquette, the tax returns broke down as follows: \$8,542 from dealers in building materials; \$7,571 from general merchandise shops; \$23,462 from food stores; \$23,603 from automotive dealers; \$4,634 from apparel shops; \$3,200 from furniture stores; \$10,015 from miscellaneous retail outlets and \$10,101 from non-retail businesses.

**U.P. Figures Given**

The Peninsula's 15 counties showed the following in February sales tax collections:

Alger, \$30,346.18; Baraga, \$20,588.65; Chippewa, \$108,674.30; Delta, \$115,947.29; Dickinson, \$92,282.03; Gogebic, \$72,031.91; Houghton, \$116,149.71; Iron, \$34,419.18; Keweenaw, \$5,288.44; Luce, \$20,970.69; Mackinac, \$20,269.79; Marquette, \$183,928.94; Menominee, \$56,393.82; Ontonagon, \$29,366.69; and Schoolcraft, \$26,059.85.

# City Police Recover Stolen Auto After 100-MPH Chase

Alert city police officers making a routine check of a traffic incident while on patrol early yesterday recovered a stolen automobile shortly after it had been taken and before the owner even knew it was missing.

Recovery of the vehicle and apprehension of one of the two persons involved were not effected, however, until after the officers, Patrolmen Eugene Bianchi and William Johnson, had pursued the stolen car at speeds up to 100 miles per hour.

Chief of Police Donald C. Hermanson said Bianchi and Johnson were on routine patrol on Wright St. at 3 yesterday morning when they met an oncoming vehicle with bright headlights. The driver of the oncoming car refused to dim the headlights, and the officers turned around to investigate.

Races To Highway

When they did, the other car was speeding up and officers pursued it. Being driven west on Wright St., the car police were chasing was driven at speeds around 100 miles an hour, Chief Hermanson said.

The car then proceeded through the Forestville Rd. into Bancroft Location, where the road intersects with U.S. 41.

Here the car was turned west on U.S. 41 and driven across the highway, into the opposite lane, about a mile west of the city limits where the vehicle went into the ditch.

Apprehended In Woods

The two persons in the car then fled into the woods, with police chasing them on foot. One, a 13-year-old boy, was apprehended, about 100 yards in the woods. The other, also a juvenile, was not caught.

The juvenile boy was kept in the detention home here. Police said he had been on probation on another charge.

"Patrolmen Bianchi and Johnson deserve a lot of credit for the manner in which they handled this matter," Chief Hermanson stated. He noted that this was the second time in as many months that the same officers recovered a stolen car by investigating a routine incident while on patrol.

The car, a 1958 convertible, belongs to Richard Flanagan and was parked at his residence at 317 E. Hewitt Ave. Keys had been left in the vehicle, which had been taken by the two youths shortly before they encountered the police. The car apparently was not damaged.

The case is still under investigation.

**Obituary**

**MRS. AGNES MCCARTHY**

Mrs. Agnes McCarthy, 82, of 303 N. Fourth St., died at 10:01 last night in St. Mary's Hospital. She had been in the hospital since May 5.

The body was removed to Tonnella's Funeral Home.

Funeral services are tentatively arranged for Thursday morning.

**THE DEADLY HOURS**

Statistics like those in The Travelers 1962 highway safety fact book, "Cowboys and Engines," prove that the hours between midnight and 6 in the morning are deadly. Last year 8,360 men and women died on the nation's highways during this period. Drivers, dulled by lack of sleep or "a couple of drinks," or lulled by the comparative absence of traffic, brought death to themselves and others.

Don't forget it's during the late and early hours when few drive, that many die.

# School Board Meets At 4 Tomorrow

Approval of the appointments of commissioners to work on the annual school election June 10 is one of the items of business to be handled at tomorrow's regular meeting of the Marquette Board of Education.

Board members also will study specifications and set a bid date for the painting of Lakeside School.

Other matters on the agenda include a budget report, approval of invoices, and a discussion of the possible sale of Nester School.

The board also will consider the acceptance of two alternates on the Sandy Knoll School addition. One deals with building materials for the foundation, the other with the possibility of leaving unfinished the interiors of two classrooms.

Board members will meet at 4 p. m. in Graveract High School.

Another letter will be received from Jesse Wright, requesting the extension of a sanitary sewer on Wilson St.

George J. Jelic will submit a communication concerning the request of the Marquette County Voiture, Forty et Eight, to hold a short parade in Marquette during the Upper Peninsula American Legion convention next month.

Four communications are among the items listed on the agenda for the regular meeting of the Marquette City Commission scheduled for 7 this evening in the city hall.

Two are from William Gray, chairman of the Fourth of July Booster Club of Marquette, which plans to stage a big holiday celebration here on Independence Day.

One concerns a request for permission to sell booster bu-

## Smoke, Fire Damage Occurs In Blaze At Residence Here

Smoke and fire damage resulted to a residence on Harrison St. as a result of a blaze yesterday afternoon.

It was one of four fires the city fire department battled during the weekend.

1. No one was hurt but considerable damage resulted in the fire at the private residence at 351 Harrison St., which is owned by Mrs. Caroline Schwartz and occupied by her son-in-law and daughter, Mr. and Mrs. Vernon Haring.

**Two Use Gas Masks**  
City firemen were called at 1:30 p.m., shortly after they had been called to a brush blaze on Wright St. (see below). On arrival they noticed the blaze originated in the basement of the Haring home.

The firemen entered the house with gas masks, as smoke was pouring from a number of windows in the home. Fireman Robert Martin went into the basement with the gas mask to use the booster hose on the source of the blaze. Fireman Joseph December went into the upstairs with an oxygen mask to open some of the windows.

Fire Chief John W. Myers said the fire itself was confined to the basement and was caused by a short circuit in the wiring, from "over-fusing" (using a fuse larger than the size recommended). He said that in the part where the fire broke out there also had been some "handy-man" wiring done.

**16 Firemen Called**  
Firemen used 300 feet of 2 1/2-inch hose and 300 feet of 1 1/2-inch hose, along with the booster hose, to extinguish the blaze.

Nine off-duty and seven on-duty firemen responded to the call, along with the Nos. 3 (1,000-gallon) and 4 (750-gallon) pumps and the service truck. The No. 2 (1,000-gallon) pumper, which had been driven to the brush blaze also was recalled for the house fire.

**Oxygen Bag Stolen**  
Chief Myers said Fireman Martin laid down his gas mask momentarily after coming from the basement of the house and that when he went to pick it up he discovered someone had stolen the bag it's carried in.

The red bag, with the words "Short Snorter" printed on it, is used to carry the oxygen tanks while it is in use. "I don't know why anyone would want this or why they would steal it," Chief

Myers commented.

An estimated \$300 damage occurred to the basement from the fire itself, with the joists and sub-flooring being charred. There also was some water damage in the basement and a considerable amount of smoke damage throughout the house.

The loss was covered by insurance.

**Compliments Neighbors**  
Chief Myers praised the assistance rendered firemen by several of the neighbors.

"The firemen arriving at the scene received a lot of valuable help from them," he said in thanking them for their efforts.

Chief Myers also said it was ironical that one of the fire trucks had to be quite a distance away at the time the house blaze call was received. Firemen returned from the house blaze at 3:30 p.m.

2. The "needless call" was due to the brush blaze at 1:40 yesterday afternoon, on some city-owned property west of Eisenman's Cabins and north of Wright St., where apparently some children playing with matches started the fire.

An area approximately 100 feet by 100 feet burned.

Firemen used the booster hoses off the Nos. 2 and 5 (500-gallon) pumps to extinguish the blaze. Six on-duty firemen responded to the call. They returned to the station at 2:54 p.m.

3. At 6:52 Saturday afternoon firemen were called to the Howard Messenger residence on Logan St., where a fire broke out in a shack which had been built by some youngsters with old lumber, between two trees.

**Children With Matches Blamed**  
Firemen used the booster hoses off the Nos. 2 and 5 pumps to extinguish the flames. Six firemen responded. Apparently children playing with matches caused the fire, Chief Myers said.

Firemen returned to the station at 7:12 p.m.

4. At 8:21 this morning firemen were summoned to E. Fair Ave., north of the Lake Shore, Inc., plant, to put out a blaze in the woods.

Chief Myers said an employee at the plant had been burning some paper north of the plant and some sparks were blown into the woods, starting the blaze.

Six firemen responded, using the booster hoses off the Nos. 2 and 5 pumps to put out the flames. They returned to the station at 9:14 this morning.

ALVIN E. FRITZ

## City Student Winner Of Poetry Prize

A Marquette student was among 26 at the University of Michigan receiving awards totaling \$15,000 in the annual Avery and Julie Hopwood Contest in creative writing at Ann Arbor last week.

He is Alvin E. Fritz, a senior from 1703 Wilkinson Ave., who is a graduate of the John D. Pierce High School. Fritz won an award of \$200 for authoring "The Traveling Companion," in the minor contest on poetry.

Judges in the poetry division were Louis Simpson, poet and author of "A Dream of Governors," and Charles Tomlinson, poet and author of "Seeing Is Believing," an English poet teaching this year at the University of New Mexico.

The Hopwood awards are the largest cash awards for creative writing in the country. Now in their 33rd year, they come from an endowment fund created by the will of the late Avery Hopwood and vary in amount according to the quality of the work.

## Tax Board Will Meet Wednesday

Wednesday afternoon is the time set for the annual meeting of the Marquette County Tax Allocation Board, G. Vance Hines, chairman of the board, reported.

Purpose of the session is to approve final tax rates for governmental and school units in the county.

Several preparation sessions have preceded the meeting scheduled at midweek, which will be held in the courthouse here.

## Five Autos Damaged In Area Crashes

Five cars were damaged and one ticket issued but no one injured in a trio of accidents Saturday and Sunday, state police from the Marquette post reported this morning.

A deer was killed in a collision with an auto at 3:45 Saturday afternoon on County Road 550, two miles south of Big Bay. Driver of the 1962 station wagon, going north on 550, was John Vargo, 30, Route 1, Marquette.

**Ran Into Car**  
He told police he hit the deer when it ran across his path from east to west. The carcass of the animal was turned over to conservation officials.

Vargo's auto was damaged on the front end but he was able to remove it from the scene.

• One of two drivers involved

## Rest Your Feet While You Walk

The kind of foot support you get in Foot-so-Port Shoes makes walking and working a relaxed and healthful exercise. Feet that feel good don't get tired. Cradled in the "easy-chair" construction of Foot-so-Port Shoes... you'll go far, without pausing to rest. Relax while walking... in Foot-so-Port Shoes.

FOOT-SO-PORT SHOE SHOP  
109 N. 4th CA 5-0181

in a crackup at 7 last night received a ticket.

Leonard Van Linden, 41, Milwaukee, was driving his 1955 coach south on U.S. 41, near the intersection of County Road OA in Skandia Township, when his auto struck a 1948 coach, whose driver had signaled and slowed down to make a left turn off the highway.

Driver of the second car was Ernest Priebe, 46, Route 1, Marquette, who was traveling in the same direction as Van Linden and ahead of him.

**Improper Passing**  
State police issued a summons for improper passing to Van Linden, whose car struck Priebe's in

the rear. Both autos were damaged slightly but were removed by their owners.

The third accident took place at 11 yesterday morning on County Road BK (Honor Camp Road) in Chocolay Township.

Involved were cars driven by Bertha Lewis, 29, Route 1, Marquette, and Herbert Wilz, 61, Menasha, Wis. Both were parked in a driveway on Honor Camp Road, just west of St. Louis Church, at the time.

According to the police report, the Lewis car was being backed out of the drive into the road, when it struck the Wilz vehicle.

Only minor damage occurred to the two autos.

## Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemangiomas, stop itching, and relieve pain—without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

## Over 750 Attend Dedication Of USO, Open House Event

More than 750 persons visited Marquette County's new USO Center at its opening here over the weekend, Mrs. Vernon Bleckner, director, reported this morning.

Some 200 people heard a talk by Brewster Browder, Detroit, president of the Michigan USO, who keynoted dedication ceremonies held on the south lawn of the Presbyterian Church, across the street from the USO Center.

Congratulating the county USO committee for its "vigorous interest and support of the underlying principles of USO, as evidenced by your active program and dedication of the USO Club," Browder went on to explain that USO depends, in great measure, upon just such support at the local community level.

"It is you, the people of Marquette County, who are most familiar with your own special problems and needs," Browder commented. He added that the

national USO "can only see these needs as a part of the whole USO picture and is not in a position to pinpoint programs to fill your specific requirements."

The speaker said he be-

lieved the Marquette County USO committee had "the talent and human resources to program successfully at the local level with great imagination and foresight."

He emphasized that cooperation between committees in the planning and execution of a USO program "can and will enlarge the scope of your services to the men and women of the Armed Forces." 165 U.S. Centers

Browder also cited the fact that community support along financial lines will be required to make the USO a continuing successful venture. He noted that the Michigan United Fund (supported locally) gives "generous backing" to USO work, which today is provided through 165 clubs in the United States and 34 at overseas points. During 1962 alone, nearly 25,000,000 visits were made to USO facilities throughout the world, Browder said.

He also drew a parallel between people and industry, noting that "more important to the vitality of Michigan than her industries are her people."

"The fact that people like you are doing what you are doing here (at the dedication), is to me the greatest asset of our state and can justifiably be considered the shining light of our state image," he concluded.

According to Mrs. Bleckner, area residents who visited the new USO quarters in the Guelf Building on N. Front St. expressed pleasure at the facilities, surprise at their large size and gratification at the "bright, cheerful and well-furnished" atmosphere of the center.

In turn, Mrs. Bleckner expressed her appreciation for the "ex-

cellent coverage" of volunteer USO staffers from Marquette, Ishpeming and Negaunee who contributed their services, and to the local businesses which contributed materials, "both of which were important to the success of the open house events over the weekend."

## Rocky, Wife To Reside In Mansion

ALBANY, N.Y. (AP) — New York State's executive mansion soon will have a First Lady in residence for the first time in more than two years.

The new Mrs. Nelson A. Rockefeller, 36, will take up the duties of hostess in the century-old mansion, which has seen little official

## Pontifical Mass For Eight Diocesan Priests Observing 25th Jubilees Wednesday

A Solemn Pontifical Mass of Thanksgiving will be offered Wednesday morning at St. Peter's Cathedral by the Most Rev. Thomas L. Noa, bishop of the Catholic Diocese of Marquette, for eight priests of the diocese who are observing the 25th anniversaries of their ordinations this summer. The public is invited to the service, which is scheduled for 11 o'clock. The eight jubilarians are:

**The Rev. Robert J. Cordy**, pastor of St. Paul's, Negaunee, a native of Iron Mountain who has also served parishes in Menominee and Bessemer. Ordained at St. Peter's June 11, 1938.

**The Rev. James N. McCarthy**, Immaculate Conception Church, Iron Mountain, a native of Fall River, Mass., who has also served parishes in Norway, Newberry, Wakefield, Moran and Channing. Ordained at St. Peter's June 11, 1938.

**The Rev. Charles W. Daniel**, Immaculate Conception Church, Wakefield, a native of Menominee who has also served parishes in Hancock, Gastra, Hermansville and Perkins. Ordained at St. Peter's June 11, 1938.

**The Rev. Robert J. Monroe**, St. Mary's Church, Sault Ste. Marie, a native of Iron Mountain who has also served parishes in Menominee and Bessemer. Ordained at St. Peter's June 11, 1938.

**The Rev. Wilfrid Pelletier**, St. Mary's Church, Sault Ste. Marie, a native of Fort Kent, Me., who has also served parishes in Lake Linden, Menominee, Marquette, Engadine, Garden, Shafter and Ishpeming. Ordained at St. Peter's June 11, 1938.

**The Rev. William Russell**, St. Cecilia Church, Caspian, a native of Menominee, who was engaged in various teaching assignments at St. Norbert's College before coming to the Marquette diocese to serve parishes in Negaunee, Sault Ste. Marie, Escanaba and Bessemer. Ordained in West DePere, Wis., on Aug. 31, 1938.

**The Rev. Urban S. Konopka**, St. Mary and St. Joseph Church, Iron Mountain, a native of Krakow, Wis., who retired a chaplaincy in the U.S. Army with the rank of lieutenant colonel a year ago after 20 years' service. Father Konopka was ordained May 28, 1938 in Green Bay, Wis.

**The Rev. Bennet Rothan**, O.F.M., of Sacred Heart Church, Calumet, a native of Cincinnati, O., who was ordained in Oldenburg, Ind., on June 11, 1938. Father Rothan was assigned to Sacred Heart parish in 1960 after spending three years in mission activities in the West, 16 years in teaching assignments in Cincinnati high schools and six years of pastoral work.

Each of the jubilarians is marking his anniversary at an individual observance in his own parish with the exception of Father Rothan, who will go to his Franciscan monastery in Cincinnati for the occasion. Several relatives of the jubilarians are expected to attend. Wednesday's Mass, the chancery office here reports.

Ministers Named

Ministers of the Mass will be the Rt. Rev. Nolan B. McKeivitt, rector of St. Peter's and vicar general of the diocese, arch priest; the Rev. Paul Schiska of St. Paul's, Negaunee, deacon; the Rev. Lawrence Link of St. John's, Ishpeming, sub-deacon; the Rev. David Harris of St. Louis the King Church, Harvey, and the Rev. Raymond J. Garin of St. John's, Marquette, assistant deacons; the Rev. Dominic Zadra, Bishop Noa's secretary, Marquette, first master of ceremonies, and the Rev. Raymond Moncher of St. Peter's Marquette, second master of ceremonies.

Music of the mass will be sung by St. Peter's School Choir under the direction of Sister Alice Josephine.

The jubilarians and other priests of the diocese attending the Mass of Thanksgiving will be guests at a noon dinner following the service.

in the Northern Michigan University Newman Center headquarters located in St. Michael's new facilities here.

**St. Michael's Dedication Held**

New facilities of St. Michael's Church were dedicated in solemn ceremonies yesterday afternoon. Above, the Most Rev. Thomas L. Nua, D. D., bishop of the Catholic Diocese of Marquette, blesses the outside of the church at the start of the ceremony. Below, foreground, is the Rt. Rev. Msgr. Joseph L. Zryd, P. A., former vicar-general of the diocese and presently superior in charge of the Graduate House of Studies of the North American College in Rome, Italy, who was the dedication speaker and who was St. Michael's pastor since its inception in 1942 until December 1951 and again from July 1955 to August 1960, when he accepted the Rome post. At right, below, is the Rev. Patrick W. Frankard, pastor, who said the Mass. — (Mining Journal photos.)

**Great Outdoors Beckons To Residents, As Weather Turns Summery, Mercury Hits 76**

After a cool but clear and sunny Saturday in Marquette, Sunday blossomed forth as a real summer day, with the mercury hitting a high of 76 and hundreds of area residents "hitting" the beaches for the first time.

Others were out in profusion for lazy afternoon drives, dotting the banks of streams to cast for fish, wheeling out the backyard barbecue braziers and enjoying other

**U. S. Senate Faces Flurry Of Activity**

WASHINGTON (AP)—The Senate faces a three-day flurry of activity before closing down late Wednesday for an extended Memorial Day weekend. The pace in the House will be more leisurely.

An \$840-million program dealing with the problems of mental illness and mental retardation heads the Senate's list today. Democratic leaders said they knew of no strong opposition to the measure — a high-priority item on President Kennedy's 1963 program.

Up for Senate debate Tuesday will be the second of the regular money bills for the next fiscal year—a \$985-million Interior Department appropriations measure. Senate leaders plan to follow this with a must bill for this week—a stop-gap increase in the national debt limit to tide the Treasury over for the next few months.

The present \$305-billion ceiling would be raised to \$307 by the bill until June 30, and thereafter to \$309 billion temporarily.

The House has a light schedule for the week. Its only announced business is a bill to extend the Mexican farm labor program for two years. The measure is to be considered Wednesday.

**Federal Grants**

The mental illness bill would authorize federal grants to the states and to universities over the next 10 years.

The money could be used to help build community health centers for prevention, diagnosis and treatment of mental illness; to aid in staffing of such centers; to help build centers for research on mental retardation; and to aid in construction of facilities for treatment and care of the mentally retarded.

activities at long last permitted by the weather. Fair warm weather also was in evidence today.

**13 Degrees Above Normal**

According to Meteorologist Fred Mueller at the Marquette office of the U.S. Weather Bureau, yesterday's temperatures here ranged from a low of 53 to the high of 76, averaging 66, which was 13 degrees above normal for the day. Saturday's high of 63 and low of 44 averaged 54, which was a degree above the norm.

The fair weekend weather boosted the daily average temperature for May to nearly normal, Mueller said.

Winds Sunday varied from southeast to southwest but never were stronger at the weather office than 21 miles per hour. That speed occurred shortly before noon.

**Rainfall Below Average**

No precipitation occurred here yesterday, but the rain that fell late Friday night and early Saturday morning amounted to .43 of an inch. It swelled the month's total 1.37, which is over an inch below average, and the year's total to 7.59, which is more than three inches below normal.

Overnight the mercury in Marquette dipped only to 54, one of the highest minimums around the Upper Peninsula. Others included 53 at Calumet, 50 at Marquette, County Airport, 49 at Escanaba and 44 at Sault Ste. Marie.

The temperature today in Marquette again was expected to reach the mid-70's, but cooler weather is predicted, beginning tonight.

Mueller forecast cloudy skies and occasional rain this evening, with tonight's low anticipated in the mid-40's. The rain is expected to end early tomorrow and partial clearing but cooler weather is forecast following. The day's high will be about 55, while Wednesday's outlook is for partly cloudy and cool.

**5-Day Forecast**

In the five-day period beginning tonight and ending Saturday night, temperatures are expected to average three degrees above normal. The normal high for this period is 64, the normal low, 45.

Only minor daily temperature variations are forecast, and even cooler weather is expected toward the end of the week. Precipitation through Saturday is predicted totaling a quarter to a half inch in showers tonight, early tomorrow and again about Friday.

**Big Bay Class To Hear Talk By Braddock**

BIG BAY — James Braddock, vice president of the Union National Bank of Marquette, will deliver the commencement address for the eighth grade graduation here Wednesday night.

Braddock's talk will be heard immediately prior to the presentation of diplomas and awards by School Superintendent Joseph H. Striebelman.

Members of the class are Pamela

Cram, William Durand, Jacqueline Gross, Katherine Gunderson, James Havel, Linda Miles and Ariene Temple.

Following the professional, played by Rachel Williams, the girls chorus will give a selection, after which Jacqueline Gross, salutatorian, and Linda Miles, valedictorian, will speak.

More selections by the chorus will precede the recessional, which will close the program.

**20-Month-Old Son Of Sheriff Dies**

LANSING (AP)—Mark Preadmore, a 20-month-old son of Sheriff Kenneth L. Preadmore of Ingham County, died Saturday of a respiratory infection.

**Court Ruling Due Soon On Integration**

(By the Associated Press)

A federal court ruling is due today or Tuesday on Negro efforts to desegregate schools in Birmingham, largest city in Alabama and focal point of racial unrest for weeks.

U.S. Dist. Judge Seybourne H. Lynne said Sunday he will announce his decision by Tuesday. It will be the fifth court ruling within a week on Birmingham issues.

It will come just three weeks

before two Negroes, backed by orders of another federal judge, plan to present themselves for admission into white units of the University of Alabama system—one at the main university campus at Tuscaloosa, the other at a branch at Huntsville.

**Stand-In-The Door**

Gov. George C. Wallace has vowed a stand-in-the-door policy to maintain segregation in Alabama's schools. He has said he will be on hand personally to block admission of a Negro at the university for the term beginning June 10.

Two suits are involved in the public school litigation before Lynne. The first, filed in 1960, attacks Alabama's pupil placement

law, which has been upheld on its face by the U.S. Supreme court. The law gives local school boards broad authority in assigning pupils to schools.

The second, filed last year, seeks an injunction wiping out the entire segregation system in Birmingham schools. Both are class actions, which means they seek relief on behalf of all Negroes.

**Plan Meeting**

Negro leaders planned a meeting during the day in outwardly calm Birmingham.

About 500 riot-trained federal soldiers have been pulled out of a Montgomery base, 90 miles south of Birmingham, but 2,500 federal troops remain at Anniston, 60 miles east.

The troops were sent to Alabama by President Kennedy after May 12 bombings and rioting in Birmingham.

**Razing Of Old St. Mary's Nearing Completion**

Sister M. Bonaventura, administrator of St. Mary's Hospital, and George P. Mancuso, assistant administrator, inspect the demolition work at Old St. Mary's Hospital building. The building, located immediately east of the new building, is being razed by the Madison (Wis.) Wrecking Co. The building will be completely torn down by June 1. (Mining Journal photo.)

**Best Actors Usually Not Top Stars, George Scott Claims**

The best actors in the business usually never make top movie stars, according to George C. Scott, who stars in "The List of Adrian Messenger," which will be seen in a special four-day showing starting Wednesday at the Delft Theatre in advance of its normal release date.

GEORGE C. SCOTT

"Stars are born overnight," "because of some facet of their personality which clicks with the public. It can be a sexy pair of gams, a trick voice or some chemical reaction that they set off, and suddenly the fan mail begins to pour in."

**Appeared In 'Anatomy'**  
Scott was cast in the role of Dancer in "Anatomy of a Murder," which was filmed entirely in Marquette County in 1959 and based on the novel by John D. Voelker of Ishpeming.

Scott recalls talented actors and actresses who for years have been tops at their craft and yet have never reached star status. "Many times," the actor points out, "you've heard people say 'I've seen that actor in a hundred pictures, but I can't remember his name!' Yet a new girl in a tight sweater with the right equipment (with no dialogue) will be remembered a long time after the performer is forgotten."

**Ingredients Unknown**  
Scott comments that a multitude of competent stage actors come and go in Hollywood and are remembered only by casting directors. It's the kid with the cute grin, or the ability to ride a horse and roll a cigarette with one hand, or looks like the boy next door who picks up the marbles and stays.

"Even winning an Oscar doesn't mean you've won the public," says Scott. "The street to movie stardom is paved with the bones of Academy Award winners who have faded away. I'm not trying to take any credit away from anybody. I'm just saying that the ingredients going into the making of a movie star are as unknown as what two sparrows say."

to each other on a telephone wire. **Simple — And Tragic**  
"You may be the best actor in the world, but that isn't enough as far as the public is concerned. You must have some added quality which comes out of the screen that only theater audiences can discern. And there isn't much you can do about it. Either you have it or you haven't. It's that simple — and that tragic."

In "The List of Adrian Messenger," Scott plays the role of an intrepid intelligence officer. Among other stars in the film are Burt Lancaster, Tony Curtis, Robert Mitchum, Kirk Douglas and Frank Sinatra.

**One Jailed, 13 Fined By Justice**

Justice of the Peace George W. Fezzey jailed one man and fined 13, on counts ranging from game law violations to drunk driving, in Marquette Township court last week.

Sven Ivar Niemi, 70, Box 198, Gwinn, paid a \$50 fine and \$5.50 costs for drunk driving, after his arrest and plea of guilty to the charge. State police issued the summons May 16 on M-35 in Forsyth Township. The alternative sentence was 10 days in jail.

**License Revoked**  
As in all drunk driving convictions, his license will be revoked by the Secretary of State for a period of three months to two years.

For being a minor in possession of beer in a motor vehicle, Billie Gene Snowden, 20, K. I. Sawyer Air Force Base, paid a \$20 fine and \$4.39 costs. He was arrested by state police May 12 on County Road 553 in Marquette.

Unable to pay a fine of \$10.70 and costs of \$4.30 levied on a charge of improper use of registration plates, Otto Ernest Borchert, 20, County Road 550, Marquette, was sent to jail for two days. The ticket was issued by state police May 17.

Four persons paid \$15 each, when Justice Fezzey assessed fines of \$10.70 and costs of \$4.30 against them, three on counts of speeding, the fourth for driving to the left of the centerline.

The speeders were: Donald H. Luubakka, 27, Skandia, ticketed by state police May 11 for driving 70 miles per hour in a 55-MPH zone on U. S. 41 in Chocoley Township; Timothy T. McIntire, 23, Route 1, Box 719-C, Marquette, ticketed by state police May 11 for driving 79 MPH in a 55-mile zone on U. S. 41 in Chocoley Township; and Eugene

Percy Robinson, 24, Saginaw, ticketed May 10 on M-28 in Chocoley Township for driving 80 MPH in a 65-mile zone.

James Cardinal Jr., 23, Big Bay, received the ticket for driving left of centerline May 11 on County Road 553 in Forsyth Township. It also was issued by state police.

**6 Pay \$10 Apiece**  
Six other persons ticketed by state police paid fines of \$5.70 and costs of \$4.30 apiece, as follows:

Daniel Theodore Zorza, 24, Fair Ave., Marquette, ticketed May 1 on Ontario St. and Fair Ave. for disregarding stop sign.

Erkki Kankaanpaa, 69, of 350 W. Park St., Marquette, ticketed May 12 on U. S. 41 in Negaunee Township for failure to yield right-of-way.

Harold R. Plummer, 40, Johnstown, N. Y., ticketed May 8 on U. S. 41 in Marquette Township for disregarding posted speed limit.

George Anderson, 68, Lake Linden, ticketed on U. S. 41 in Chocoley Township for having no license plates on towing vehicle.

Leslie Robert Smeltz Jr., 20, of 762 Park St., Ishpeming, ticketed May 15 on U. S. 41 in Negaunee Township for speeding (80 MPH in a 65-mile zone).

G. Eugene Thompson, 50, Lake Orion, ticketed May 20 on U. S. 41 in Marquette Township for speeding (75 MPH in a 65-mile zone).

In addition, Lloyd E. Dupras, 43, Route 1, Box 704, Marquette, paid costs of \$7.30 on a conservation violation, after a fine of \$5 was suspended by Fezzey. He was arrested April 25 on Big Creek in Chocoley Township for taking smelt unlawfully.

**Workshop Slated For Nurse Home Heads In U.P.**

ESCANABA — A workshop in accounting for nursing home administrators will be sponsored here Monday, June 10, through Thursday, June 13, by the Michigan Nursing Home Association, the Michigan Department of Health and the University of Michigan.

Instructor will be Dennis Schneider, of the auditing firm of Andrew Skaug and Co. Schneider is a graduate of the University of Minnesota.

The first class will begin at 9 a.m. Thirty hours of instruction will be given in the four day period.

Schneider will teach the approved accounting system developed exclusively for nursing home administrators by the American Nursing Home Association and the Public Health Service.

A set of materials will be furnished to each student, the cost of which will be included in the registration fee for the course.

**Short Run Economic Outlook Bright: Dillion**  
NEW YORK (AP) — The nation's short run economic outlook is bright, "but not perhaps so gloriously rosy as some would paint it," Secretary of the Treasury Douglas Dillion said.

"Our present economic upturn is heartening," he said. But he emphasized that the President's proposal for a substantial tax reduction this year "is our best hope of accelerating the forward pace of our economy."

**State Dems To Continue With Recount**

Detroit — Democratic State Chairman Zolton Ferency said Sunday his party will continue the recount of the votes cast for the new constitution in the April 1 election because of a number of irregularities uncovered in the first week of the recount.

Ferency, appearing on a Detroit (WJR) radio broadcast sponsored by the Democratic Party, said the recount will be pushed to completion "to see how sloppy election procedure can get in this state."

**Errors**  
State Elections Director Robert M. Montgomery, commenting on the broadcast, said "on the whole" the April 1 election count was more accurate than in previous elections.

"We have found errors," he said. "While some appear to be inexcusable, they were not because of failure to understand the law—or perhaps fatigue at the end of a long day."

**Can Be Improved**  
Montgomery said the voting machine section of the law can be greatly improved and his staff is working on proposed changes to recommend to the legislature.

Alaska has an area of 586,400 square miles, of which 15,235 are inland water, according to the Britannica Book of the Year.

## Our 'State Army'

The phrase "eternal vigilance is the price of liberty" is one of those we pick up so early in life that it seems always to have been there in our minds. So, too, for many persons in the state it seems that the Michigan National Guard has always been there. Yet, in Michigan's towns and surrounding areas Guardsmen through their organizations maintain the vigil all around us, day and night, throughout the year, almost unnoticed.

It is particularly appropriate as another Guard annual active duty for training period draws near to recall just how important these men really are. They are our "State

Army," ready to help in case of tornado or flood and, when necessary, in times of civil disorder.

But the Guard is more than this. All are veterans of active duty service, whether in combat or in peacetime. And their training continues each week and often long weekends at armories throughout the state. They will be ready, should the crisis for war come again, to defend our liberty and hold against the enemy with their counterpart, the Regular Army, while the nation quickly gathers strength.

The Guard has another peacetime function, too. In Michigan and the other states, the National Guard is a vital part of the military bulwark which gives the possible aggressor reason for pause. His knowledge that the United States has a reserve force completely ready for the field, at home or abroad, is one sure discouragement to aggression.

Just as these men give of their time at personal sacrifice so that they will be ready whenever needed, we can give them something too. We can help by suggesting the Guard to young men seeking a solution to their military obligation. We can take an interest in local Guard functions for the public, from their parades and armory demonstrations, to the news our papers carry of their activities.

As employers or supervisors, we can cooperate by giving them adequate leave opportunities to permit them to put into practice during the summer encampment what they have been learning at their home armories throughout the year. If we do these things, we can be even prouder of our Michigan National Guard.

## Peninsula Perambulator

Two small Rudyard children were literally pushed out of the path of possible death through quick action by Elmer Stearns, a Rudyard truck driver. Stearns was loading his truck at a bulk tank near the tracks when he saw the two children, both under five years of age, playing with their tricycles on the tracks. "I paid no more attention to them at the moment," Stearns said, "but when I heard the Six Line freight train blow its whistle, I looked over where I had seen the children. Their bikes apparently were stuck on the tracks as they were trying to tug them off. I jumped from the tank, ran over, grabbed their bikes and herded them from the tracks. When we were about six feet away from the tracks the train passed by."

## From The Journal Files

### 90 Years Ago

**—Marquette—** Since the opening navigation here little more than a week ago, our harbor has been a busy place and the Lake Superior fleet, especially the number of passenger vessels which will stop here, bids fair to outnumber those of last season, though some iron steamers have been withdrawn. The Marquette, Houghton & Ontonagon merchandise dock is crowded with freight for our merchants and those along the line of the road. The company is forwarding it as rapidly as possible, and to those who are grumbling we say, "A little patience, gentlemen, and you all will be served."

We notice that the gas company has received a lot of new lamp posts. This gives encouragement to the hope that the gas mains are to be extended in different parts of the city, as indeed they should be, and thus the number of customers could be materially increased. The rapid growth of the city also imperatively requires the extension of water mains.

It is the duty of every city to extend the most liberal encouragement for the location of manufacturing interests within it. An exchange newspaper reports, "One manufacturing employing 100 people will support an additional population of 500, and each family will disburse approximately \$750 annually, on an average."

A new passenger car is being built at the car shops in this city, and one of the old ones is undergoing a thorough overhauling and repairing. When these are put upon the road, the passenger accommodations of the Marquette, Houghton & Ontonagon Railroad will be unsurpassed.

If the city council would authorize or direct the macadamizing of Washington St. east of Fourth and for a short distance west of the park, it then would be an elegant drive. And while on the subject they might give Bluff St. a little attention. It also is a noticeable fact that the sidewalks in many portions of our city are in very bad condition. Let them be fixed up before the summer travel commences.

A horse employed in hoisting coal from a vessel on the merchandise pier got thirsty the other day and backed off the dock for a drink. He finally succeeded in swimming ashore, a sadder if not wiser equine.

A match baseball game is to be played

here tomorrow afternoon between the recently organized Juniors and a miscellaneous nine.

**—Ishpeming—** The amount of license required of saloons by our ordinance is \$200, the same as Negaunee. Though there is a slight diversity of opinion as to what is a just figure this seems to meet with general approval.

It is said that the road between Ishpeming and Clarkburg is in an almost impassable condition on account of trees blown down and lying across it. Let the township having jurisdiction of these nuisances see that they are abated and the road made passable for teams.

H. H. Milton has purchased the large lot opposite Oie and Nelson's store and the bank and will proceed at once to erect a fine, large store building of two stories with each of the business spaces, of which he will occupy one, 20 by 50 feet.

The match game of ball Saturday between the Ishpeming and Washingtons came off as scheduled, with the accompanying attractions, the vim, earnestness and noise that characterize all of our live Ishpeming excitements. The Washingtons won 30 to 29 and showed good practice and some fine playing, and after a slow start the losers picked up rapidly, which was well done as they had had little practice and never played together in a game before. The Ishpeming Brass Band was on the grounds the whole game and enlivened both the spirits of the players and the large crowd.

**—Negaunee—** Salaries of the following city officials for the current year were fixed at the last council meeting. They are: Marshal, \$700; recorder and attorney \$300 each, and they will be paid every three months. M. Tobin was appointed sealer of weights and measures.

Our race track having been put in good condition, Saturday two trotting races have been arranged. The first is between Crowley's sorrel gelding, Dandy, and a black gelding from Canada entered by Fred Kepler, for \$50 a side. The other is between a colt of O'Neill's and Eddy's black gelding, for \$25 a side. Both are mile heats, best three of five.

One hundred miners and laborers are wanted to work at the Keystone and Buckeye mines. Apply to Capt. John Sweeney, Keystone, Champion, or A. P. Swineford, agent, Mining Journal, Marquette. (adv.)

### 60 Years Ago

**—Marquette—** Lipsett and Sinclair have started work on the belfry of St. Paul's Cathedral, which is now to be completed.

**—Ishpeming—** Much feeling was aroused here yesterday over the article appearing in The Mining Journal outlining the charges of dishonorable practice brought against the members of the Ishpeming debating team. The local debaters deny specifically and emphatically that they "lifted" any part of their speeches from the report of any Cornell debate.

### 30 Years Ago

**—Marquette—** The steamer George M. Cox, one of the largest of the two large passenger and freight vessels put into commission by the Isle Royale line, which has its headquarters in Chicago, will arrive at Marquette this evening on her first excursion tour voyage from Chicago to Isle Royale.

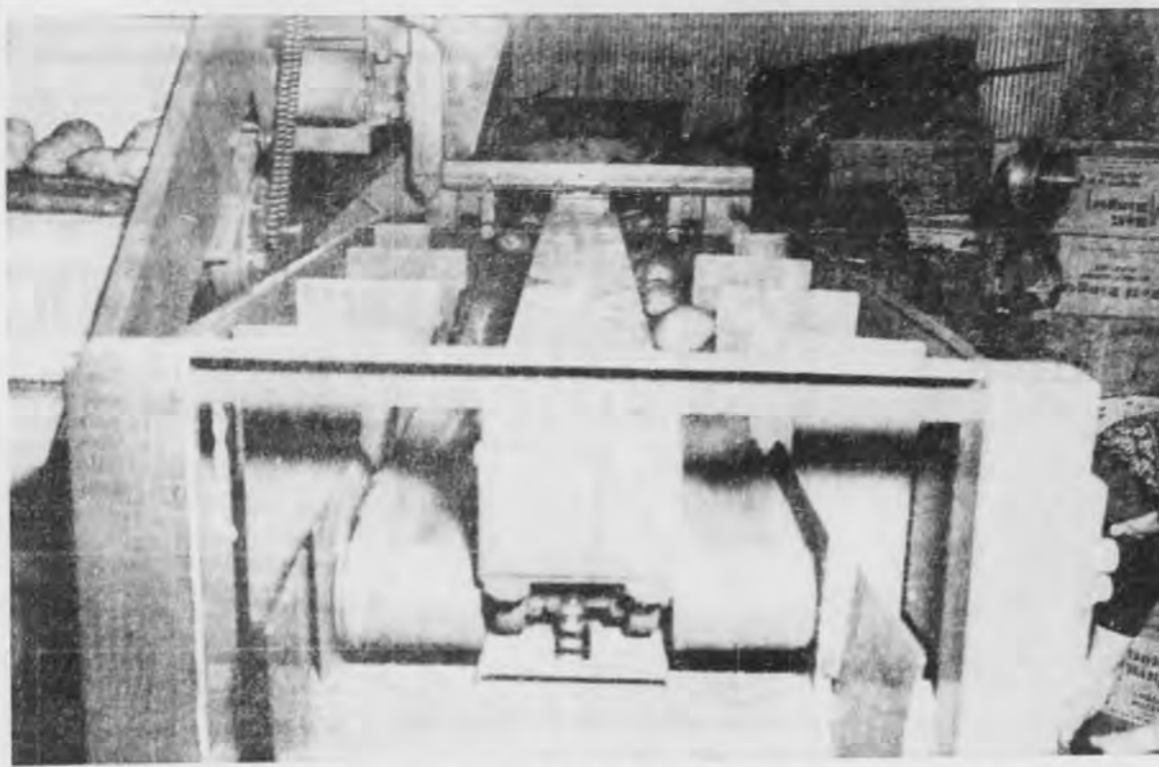

The "hays" seem to be coming to the front in the informal balloting on the question of daylight saving time. And when the polls closed yesterday at 5 p.m., 1,006 votes had been cast in the office of the city clerk. But where are the 1,000 who signed petitions calling upon the city commission to order a vote to decide whether the city should go on fast time?

The depression might have been a source of worry to some folks and a "pain in the neck" to others, but to George Millward, local blacksmith, it has been a new era of prosperity. For Mr. Millward has found that with the depression came more horses — and more horses mean more work in the blacksmith shop, for the horses must be shod. He pointed out that many farmers were hard-pressed to find money to buy oil and gasoline with which

to operate their tractors, so "Old Dobbin" came back to his own.

**—Ishpeming—** With gardening activity in Marquette County in full swing and an estimated number of 3,000 unemployed persons engaged in raising vegetables for their families, members of the poor commission and William R. Meyers, county welfare director, are preparing to launch the second phase of the "Help Yourself First" campaign — wood chopping. The county poor commission is making an effort to obtain wood lots located not farther than 10 miles from centers of population in Marquette County and would like to get in touch with anyone willing to donate or sell stumpage in the county at a reasonable price.

**—Negaunee—** Druggists and physicians in Negaunee have received instructions from R. E. Joyce, U.S. supervisor of bonded liquor permits for the sixth district, that despite the fact Congress has liberalized laws pertaining to the sale of medicinal liquor, physicians here will only be allowed to prescribe a half a pint of intoxicants to their patients until the Legislature adopts laws to the contrary

Russett Burbank potatoes are sorted automatically in this electronic sizing machine on Alfred Oelke's farm near Norway in Dickinson County.

## Prize-Winning Russett Burbanks Give U.P. Premium Farm Product

When Michigan State University Extension Director Frank Molnare of Iron Mountain brought some long Russett Burbank potatoes into Dickinson County a few years ago, some of the farmers jokingly referred to them as "fence posts." But they planted a few acres to see how they would compare with their white potatoes.

Now a third of the Upper Peninsula's total annual production of two million bushels are Russett Burbanks. They sell at a premium over other potatoes and just recently the Russett Burbank has won the first state agricultural development award in a competition with the 1963 Michigan Week.

The award was presented because U. P. farmers demonstrated that quality Russett Burbanks can be produced under a supplementary irrigation program — rather than with complete irrigation control as has been the pattern in western states. The award committee also considered the development of what the Michigan Department of Agriculture terms the "State's first count pack system for merchandising potatoes on the fresh market."

**Produced in 5 Counties**

Previously this baking potato had been produced mainly in the western states, where most of the moisture was provided by irrigation and the potato had been largely identified with the western states.

Recent field research by Michigan State University (mainly through Molnare and in cooperation with Dickinson and Iron County farmers) has shown, however, that this choice baker will perform as well or better in Michigan when irrigation is used only to supplement the natural rainfall. The variety is now being produced also in Marquette, Delta, Alger and Houghton Counties.

The award was presented because U. P. farmers demonstrated that quality Russett Burbanks can be produced under a supplementary irrigation program — rather than with complete irrigation control as has been the pattern in western states. The award committee also considered the development of what the Michigan Department of Agriculture terms the "State's first count pack system for merchandising potatoes on the fresh market."

**Interested in Downstate Market**

U. P. producers were pleased by the attention created through the Michigan Week award since they have been selling a majority of their potatoes through Wisconsin trade channels and are interested in the Lower Michigan market. Attending a Detroit Economics Club luncheon to receive the award were Carl O. E. Johnson of Foster City and Edwin Anderson of Metropolitan, representing the Russett Burbank Association, and Paul VanDamme of Marquette, president of the U. P. Potato Producers Association.

The Russett Burbank potato, one of over 80 known varieties, is thought to be a mutation of the smooth Burbank which was bred by the famed horticulturist Luther Burbank of Massachusetts and California.

**Top Rated Baker**

Recognized for its palatability as well as nutritional value, the Russett Burbank currently rates tops in all of the cooking categories, when compared with other varieties grown in Michigan. It is a top rated baker but also is excellent for boiling, mashing and for French fries and chips. Wives of potato farmers and other home economics club members in the Upper Peninsula have helped focus attention from production to the merchandising area in recent years by conducting an annual cooking contest. Held in conjunction with the U. P. potato show, a special consumer's day program is credited with boosting the salability of Russett Burbanks and other potato varieties.

The Michigan potato industry dates back to the early history of the state but only in the last year or so have the Russett Burbanks

Oelke's potatoes are placed in "count pack" containers with given numbers of choice bakers on each carton after having been electronically sized.

## The National Whirligig

**BY ANDREW TULLY**

WASHINGTON — Despite the unexpected business upturn, Congress will vote a sizeable tax cut this summer because it dares not take a chance on not doing so.

There are still a lot of legislators in both parties who believe a tax

cut at this time is immoral in view of a new increase in the national debt. But they have nowhere else to go, because business keeps warning them that if there is no easing of the tax burden, the moderate improvement in the economy may be brought to a halt, or even start sliding down again.

As of now, the best bet is that there will be reductions in the so-called "Korean War taxes," such as levies on cigarettes, whiskey and transportation, a cut in corporation taxes and a slashing of individual taxes all the way down the line. Over-all, the cut will be a compromise between the demands of those who want a big reduction and those who want to keep taxes as they are. There will be a little reform thrown in for window dressing.

**Slow Progress Likely**

The tax bill is expected to be completed by the House Ways and Means Committee by the middle of next month. Then it'll probably be another three or four weeks before it can be moved through the Rules Committee to the floor. Here the Administration may encounter an old snag, the redoubtable Rules Committee chairman, Rep. Howard W. Smith (D., Va.), who may decide to take his own time about releasing the bill even if he figures he can't block it entirely.

But Smith, as well as other members of Congress, even including the frugal Sen. Harry Byrd (D., Va.), has to be influenced by the opinions of business spokesmen. These human computing machines are almost unanimous in regarding a cut as imperative.

**Wants More Fuel**

Business' attitude is summed up in that of Martin R. Gainsbrugh, chief economist for the blue ribbon National Industrial Conference

## Cuba Seen As Full-Fledged Red Satellite

WASHINGTON (AP)—Through his richly ballyhooed visit to the Soviet Union, Fidel Castro has apparently converted Cuba into a full-fledged Soviet satellite.

If this means he is now going home to Havana, loaded with Soviet medals, to launch aggressive other Latin-American countries, the world may well face another and far graver military crisis than that of last fall in the Caribbean.

**Kennedy's Stand**

For President Kennedy has made clear to the Communist leadership that peace in the Caribbean can be preserved only under two conditions. One is that Premier Khrushchev must not ship nuclear rockets to Cuba again. The other is that Castro must avoid hostile actions against neighboring countries.

The assumption in high Washington quarters is that Khrushchev wants to preserve Castro's Cuba as a showplace of Communist conquest far from the shores of the Soviet Union. If this proves to be correct, it is expected that Khrushchev will keep the impulsive and erratic Cuban prime minister under a tight leash indefinitely.

**Pledges Noted**

In the course of farewell ceremonies for Castro in Moscow Thursday, Khrushchev renewed his previous pledges to come to Cuba's aid if it is attacked. He said that any future crisis over Cuba would be harder to solve than that of last October, when, under direct U.S. challenge, he agreed to remove his nuclear missiles and nuclear-capable bombers from the Caribbean island.

His words as to the gravity of a future crisis were reminiscent of warnings issued earlier this year by President Kennedy to the effect that any new aggressive move by the Soviet Union against the United States through Cuba would confront the world with the most dangerous crisis it has known.

**Can't Fill All Orders**

"Quality grown Michigan Russett Burbank potatoes, coupled with the latest in potato packaging techniques are paying dividends for Alfred Oelke. Operating out of new storage and packing facilities, Oelke is the first Michigan packer to 'count pack' quality Russett Burbank baking potatoes usually in a 30-pound fibreboard carton. The sizing is accomplished by the use of an electronic sizing machine which sorts potatoes according to weight.

"Oelke's production is handled by a shipper in Iron Mountain who states that he has not been able to fill the orders received. The shipper states he has received requests for some potatoes individually foil wrapped and predicts that by next year he will be filling these orders also.

**On Display July 31**

"Many of the potatoes grown in this area are shipped as far as

Tampa, Fla., and Dallas, Texas. "U. P. growers feel that a quality product is the cheapest, most profitable means of advertising."

Russett Burbank farms will be on display July 31 when the U. P. Farm Management Tour will be held in Dickinson County.

## Tariff Negotiations

BY WALTER LIPPMANN

Simple as it sounds, in practice the idea of forming an Atlantic partnership in a low-tariff trading area is in fact huge and complicated. The preliminary talks for what is called the Kennedy round of tariff negotiations began some time back with American inquiries about the agricultural products. The results were not promising, and it has developed that the European market will first have to agree on its own unsettled agricultural problems before it can begin to think about ours.

Now Gov. Herter has been at Geneva talking about the principles by which tariff negotiations should be governed in accordance with the powers granted the President under the United States Trade Expansion Act.

**Rough Road to Partnership**

Although it was always evident that the road to the Atlantic trading partnership was steep and rough, the preliminary talks have disclosed something which is new. We had been assuming that Europe wanted so much to sell industrial exports in the United States that it would pay for the privilege by opening its own market to American farm products and industrial goods. This may prove to have been a great miscalculation.

Thus, it has been plain for some time that the French farm bloc has greater influence on French policy than the French, German and Italian industrialists of the Common Market. French farmers, who are beginning to develop agricultural surpluses, will not allow the Common Market to be opened freely to the cheaper food of American and other overseas farmers. Yet, the United States Congress is not likely to accept agreement in which the American farmer is discriminated against.

In the Geneva preliminaries about negotiating low tariffs, we were taught that what we first offered the Europeans in the way of access to our market did not seem to them worth what they would have to concede by way of American access to the European market. This European attitude is shared by all members of the Common Market, and it is not like the exclusion of Great Britain—due to a personal decision by Gen. de Gaulle. We have reason to think that even if our first offer had been more attractive, Gen. de Gaulle might on political grounds have sought ways to abort the negotiations. But the trouble which Gov. Herter encountered in Geneva was not due to Gen. de Gaulle, but to the great disparity between the European and the American tariff systems.

**Lopping Off the Peaks**

If I have understood correctly the problem at issue between the Europeans and ourselves, it is roughly speaking as follows: The average level of our tariff is about the same. But the averages conceal very different rate structures. In the Common Market tariff, 90 per cent of all the tariff rates are between 10 per cent and 30 per cent. In the American system, only 63 per cent of the rates are in this range. We have more low rates than Europe, and we have more high rates. Thus, 20 per cent of our rates are under 10 per cent; only 9 per cent of the European rates are in this low bracket. On the other hand, 18 per cent of our rates are over 30 per cent, but only 1 per cent of the European rates are in this high bracket.

The Europeans are attacking these high American tariffs, these peaks jutting up out of the mass of rates. They have demanded that before there is a general linear cut, for which we are asking, there should be an "excretion," which is a French word for lopping off the peaks.

They point, for example, to the very high tariff on coal tar dyes. This ingenious tariff schedule imposes a duty of 36 per cent on the FOB price in the country of origin, but on the selling price of similar products of American origin. This device roughly doubles the effective tariff rate.

**Substantial Agreement Far Off**

It is evident that the Europeans have a grievance and that there is something in their claim that to cut such an exorbitant tariff by 50 per cent would still leave it an exorbitant rate. Had we not acknowledged that there is justice in the European argument, the negotiations would have failed at the very beginning.

The actual negotiations, as distinguished from the preliminary talks about procedure and principle, will, presumably, begin next May. But substantial agreement is still far off. In order to agree on a partnership in the vast Atlantic world, there will be needed in order to overcome the objective difficulties not only unusual flexibility and ingenuity on the part of the governments and the legislatures, but an overriding will to bring the Atlantic partnership into existence. The best one can say is for the time being all are agreed that there is no alternative but to go on trying.

**ORIGINALITY**

Originality does not consist of inventing a new language, but in expressing in the accepted language all possible new and personal thoughts. — Rene Dumesnil

**RECIPROCAL MISSIONARY**

Georgia's Mercer University, a Baptist institution, seems to have been the beneficiary of a little missionary work in reverse. So well did Mercer graduate Harris Mobley do his own missionary work in Africa that one of his converts to Christianity, Sam Jerry Oni, of Ghana decided he wanted to come to the United States and study at Mobley's alma mater. Mobley, who had helped finance Oni's secondary education, sponsored his application. But Mercer had always been an all-white institution.

Here, indeed, was a dilemma. There were strong pressures to keep Mercer segregated. But many argued that the whole church missionary program was at stake; the alumni magazine went further, and argued: "Mercer University is a Christian institution. A Christian ethic is here involved."

After a good deal of soul-searching — and at the active urging of Mercer's president, Dr. Rufus C. Harris — the university decided that it should and would admit Mr. Oni. And, for full measure, the racial barriers would be dropped for American Negro applicants as well.

So the missionary work came full circle. . . . It shows what good will can accomplish among people of conscience. — New York Herald Tribune

# Dear Abby....

BY ABIGAIL VAN BUREN

DEAR ABBY: I am very much in love with a lovely, adorable girl who is 18 years younger than I am. (This could be the problem.) This charming lady says she loves me, but her mother would never approve of our marriage because of the age difference. She is devoted to her family and would never marry against their wishes. I waited 10 years after my last marriage before considering marrying again, and believe I have found the girl. I am 38 and she is 22. I insist on an open courtship, but she refuses to be seen with me. Is age that important? Do you think she loves me, or is she just being kind to an "old man"? How can I win her?

DEAR STILL: You can't. And if you're wise, you'll quit trying.

DEAR ABBY: When people drop in unexpectedly late in the afternoon, are invited to stay for dinner but refuse (saying they have another appointment) and yet continue to visit well past dinner preparation time, is it possible to start preparing dinner? This has happened several times. Yesterday the company left two hours after our usual dinner time.

MRS. C. DEAR MRS. C: If you permit uninvited guests to delay your dinner two hours, you are asking for the inconvenience they have caused you. What's wrong with saying, "Excuse me — I have to prepare my dinner?"

DEAR ABBY: In the two years I have been a widow I have learned more than in all the years

## Terrance Can't Drive Motorboat For 2 Years

DETROIT (AP)—Traffic Court Judge John D. Watts Tuesday ordered Terrance C. Purdie, 22, of Detroit, not to drive a motorboat for two years. Purdie had been convicted of reckless operation of a boat after his craft was involved in an accident Aug. 8, 1961. A passenger, Linda Nance, 18, of East Detroit, drowned following the accident.

Rehearsing For Spring Band Concert

Rehearsing for the annual spring concert of the Graveret High School Band scheduled tomorrow at 8 p.m. in Kaufman Auditorium are, from left, above, Jon Magnuson, Karen Lundquist, Jacque Anderson, Diane Peterson and Joseph B. Patterson, director. In the photo below are, first row, from left: John Beldo, Marijean Carlson, Ann Wittala and Susan Moore. In the second row, also from left, are Don Miller, Carole Camilli and Roger Zettle. The public is invited to the concert tomorrow. — (Photos by Joseph R. Sullivan)

4-H Council Convening Tomorrow

The Marquette County 4-H Club Council will meet tomorrow at 7:30 p.m. in the Gwin Community Building. It was announced today by Mrs. Paul Lakanen of Negaunee, president.

Mrs. Lakanen said there are several items of business to be completed at the meeting and that all 4-H adult leaders Saturday representatives of the 4-H Service Club are asked to participate.

Among matters to be discussed are: Participation in the 4-H Leadership by Mrs. John Anderson of Gwin; the 4-H recreation training school by Mrs. Theodore Wittler of Marquette; and the State 4-H Council meeting in Washington, D.C. by Mrs. Lakanen.

A major item on the agenda will be the naming of a nominating committee for 1963-64. The new officers will be nominated by a mail-in ballot, the president said.

Present officers, in addition to Mrs. Lakanen, are Mrs. Reino Niemala, vice president, and Mrs. Royal Elie, secretary-treasurer.

A report will be given at tomorrow night's meeting on the progress of the club books which are distributed throughout the county and there will be discussion of the leaders' recognition dinner scheduled in June.

Connecticut Girl Bride In East Of Leonard Beauprey

Marriage vows were exchanged in Stratford, Conn., Saturday, May 18, by Helen F. DiMenna, daughter of Mrs. Anthony DiMenna of Stratford and the late Mr. DiMenna, and Leonard G. Beauprey of Shelton, Conn., son of Mr. and Mrs. Leonard Beauprey, Marquette.

The ceremony was performed at 10 a.m. in St. James Church by the Rev. John Burnstead, who also offered the Nuptial High Mass. The bride's uncle, Edward Keating of Danbury, Conn., gave her in marriage.

Miss Diane DiMenna of Stratford was her sister's maid of honor and Mrs. Richard Witham, another sister, Shelton, Conn., Mrs. Michael Hogan, Marquette, the groom's sister, and Miss Sandra Verelli of Stratford were bridesmaids.

Paul Cervenski of Danbury was best man and ushers were Richard Witham of Shelton and Donald Doyle and Daniel Reilly of Stratford.

Traditional Gown

The bride's gown of French lace over nylon sheer was designed with lace bodice, styled with scalloped Sabrina neckline and long sleeves, and full-length skirt featuring a lace apron effect and matching lace edging the hemline. A cap of nylon petals secured her shoulder-length, bouffant veil and she carried a cascade bouquet of white orchids, roses and lilies of the valley.

All four attendants were gowned alike in turquoise silk organza over taffeta with bouffant veils attached to flower-trimmed headpieces. Their flowers were white roses and pompons.

A wedding dinner was served at the Fairway Restaurant in Stratford and an afternoon reception for 150 guests was also held there. The couple left later on a wedding trip to points in the New England States and Canada.

Employed In East

The bride is a graduate of Stratford High School and is employed as a cashier in a Bridgetown, Conn., bakery. The groom, a graduate of Graveret High School, served three years in the U. S. Navy and is now employed as a machinist for the United Shoe Machinery Co. in Shelton.

Mr. and Mrs. Beauprey will reside in Stratford at 116 Yarwood St.

Attending the wedding from this area were the groom's parents, Mr. and Mrs. Leonard Beauprey, and his sister, Rochelle, Marquette, and a cousin, William Arseneau of Ishpeming, now serving with the U. S. Navy in Philadelphia, Pa.

NORAD Music Cavalcade Tonight At Northern's Kaye Auditorium For The Public

The NORAD Command Band's "Cavalcade of Music" concert tonight at 8:15 in Northern Michigan University's Kaye Auditorium is open to the public without charge.

The concert, under the direction of Lt. Col. Mark Azzolina, will include a wide variety of selections ranging from solo concert pieces and symphonic arrangements to numbers from hit Broadway productions.

Now on a cross-country tour, the NORAD Band — headquartered in Colorado Springs, Colo. — played in New York's Carnegie Hall earlier this month. They arrived here today from Saul, Ste. Marie where they played at Friday's dedication of the new International Bridge.

Conductor and officer-in-charge of the NORAD Command Band, Col. Azzolina brings to the unique musical organization a wide background in civilian and military music as a composer-director.

A native of Meriden, Col. Azzolina attended the Meriden public schools, the University of California and the Armed Forces Information School. He also studied music with his father, retired Army and Air Force band leader, Philip J. Azzolina.

In civilian life, Col. Azzolina was a successful orchestra leader known as Mark Carter. In addition to his musical background, he has been active as a radio, television and recording production executive in New York and Hollywood.

LT. COL. AZZOLINA

the two-national North American Air Defense Command.

Prominent leaders and arrangers who have made orchestrating contributions to the band's large and varied repertory are: Sam Donahue, Walt Stuart, Warren Barker, Les and Larry Elgart, Paul Weston, Richard Malby, Les Brown and Frank DeVol.

Three Initiated Into Delta Delta Chapter Of Alpha Xi Delta

Delta Delta chapter of Alpha Xi Delta sorority at Northern Michigan University announces the recent initiation of Carol Levine, Laurie Lytikainen and Concetta Sarvello.

Miss Levine is the daughter of Mr. and Mrs. Don Levine of Ishpeming; Miss Lytikainen's parents are Mr. and Mrs. L. J. Lytikainen, Marquette, and Miss Sarvello is the daughter of Mr. and Mrs. Frank Sarvello, also of Ishpeming.

O'Neill-Windus Team Superior Duplicate Bridge Club Winner

Mrs. Oakes O'Neill and Mrs. Ray Windus led players in the Superior Duplicate Bridge Club Friday night at the Clifton Hotel with a score of 56.73 per cent.

Others in the high bracket were Mrs. M. J. Khoury and Mrs. Adelaide Jurmu and Joel Caspersen and Mrs. E. L. Derby, tied with 53.20; Mrs. Raymond d'Adesky Sr. and Mrs. Frank Donkers Jr., 52.24; Mr. and Mrs. Ernest Pesola, 51.28; Bernard Schmeltzer and A. P. Wendt, Mrs. W. A. Redman and Ray Windus, and Mrs. Earl Makela and Zigmund Mileski, tied with 50.90; Mr. and Mrs. Ben Berkley, 50.

Girl Scout Troop 6 Has Court Of Awards Outing At City Park

Members of Girl Scout Troop 6 of Parkview School held a court of awards ceremony Saturday following a picnic at Tourist Park.

Receiving second class badges were Kris Carlson, Suzy Gooch, Michele Marchese, Cindy J. Matson, Cindy Myers, Martha Myers, Kathy Novak, Sharon Prins, Virginia Simi, Janet Versailles, Nancy Anderson, Ann Beldo, Natalie Brebner, Maureen Flanagan, Debbie Jacobs, Cindy L. Mattson, Janice Mercure, Patty Meyers, Penny Schlais, Margaret Smith, Lisa Anderson, Lucy Clark, Sharon Davis, Peggy Frazier, Linda Hirvonen, Elba Johnson, Vicky Mincus, Reynolds, Jane Russell and Stephanie Weesen. Martha Myers was also awarded the needlecraft badge.

Co-leaders of Troop 6 are Mrs. George Matson, Mrs. Ray Hirvonen and Mrs. James Gooch. Under the leaders' supervision, the troop members completed requirements for their awards at Saturday's outing by building fires and preparing their own lunches.

Award Winners At Baraga Announced At Assemblies

Scholarships, certificates and medals were among the awards made at two annual awards assemblies at Baraga Central High School.

Major awards included the announcement of three scholarship winners. Mabel Beauchamp is the winner of a scholarship to a school of nursing, given by the Upper Peninsula District of the Michigan Federation of Women's Clubs; Judith Berandt received the Rotary Club scholarship to Northern Michigan University; and Barbara Miettinen was announced as the winner of the Lions Club scholarship to Northern Michigan University.

Thomas Hickey, with an average of 92.8 per cent, and Kathleen Seully, with 97.1 per cent average for four years in religion courses, received the annual religion award.

Mary Kay Winter was honored for her membership on the Student Council for the past three years. Paul LaBreeche received a special award for perfect attendance for his four years in high school.

At a morning assembly of the students, a total of 60 received perfect attendance certificates for having been neither tardy nor absent for the past school year.

Other departments conferring awards included the music department, forensics, science, journalism, art, homemaking, girls' athletics, and business education.

The industrial arts department students displayed the products of their industry for the parents at an assembly attended by members of the Baraga Home and School Association, and the science and art departments also had exhibits.

Earlier this spring, it was announced that Judith St. Onge has received a National Science Foundation grant for the University of North Carolina at Greensboro for study of chemistry and mathematics this summer from June 12 to July 14. Miss St. Onge also received study grants for Michigan State University and Northern Michigan University but has chosen to go to North Carolina.

Also receiving a National Science Foundation grant for Northern Michigan University is Peter Paquette, who will study physics and mathematics during a course scheduled from July 7 to Aug. 17.

Donal O'Brien is the recipient of the Bausch and Lomb Honorary Science Award for the highest average at Baraga during three years of science — biology, chemistry and physics.

Truly Representative

The NORAD Command Band includes some of the finest musicians in the U.S. Army, Navy, Air Force and Royal Canadian Air Force, and according to its conductor "is truly representative of the two-national North American Air Defense Command."

Prominent leaders and arrangers who have made orchestrating contributions to the band's large and varied repertory are: Sam Donahue, Walt Stuart, Warren Barker, Les and Larry Elgart, Paul Weston, Richard Malby, Les Brown and Frank DeVol.

New Names In The News

HEIMBIGNER — Nancy C. is the name of the daughter born May 23 at the 56th USAF Hospital, K. I. Sawyer Air Force Base, to Tech-1st and Mrs. Virgil C. Heimbigner, 615 Hercules St., Sawyer.

DESMARIAS — Mr. and Mrs. Kenneth Desmarias, 907 Pine St., Marquette, are the parents of a son, born May 23 at St. Luke's Hospital.

GOODREAU — Mr. and Mrs. Carl Goodreau of Ewen are the parents of a daughter, Laura, born May 21 at St. Mary's Hospital in Wakefield. The baby is the 49th grandchild for Mrs. Grace Goodreau, a well-known L'Anse-au-Loup mother of the Year in 1957.

MILLER — Charlene Jo is the name of the daughter born May 24 at St. Mary's Hospital to Mr. and Mrs. Richard Miller, Birch Grove Trailer Court, Marquette.

MONTCALM — Mr. and Mrs. Joseph Montcalm, 311 W. Bluff St., Marquette, are the parents of a daughter, Carol Elaine, born May 25 at St. Mary's Hospital.

MUSSELWHITE — Peggy Lynn is the name of the daughter born May 21 at St. Mary's Hospital to Airman 1c and Mrs. Leland R. Musselwhite, 810 S. Lake St., Marquette. A previous announcement gave the baby's name as Becky Lynn.

Lines from Lou's by . . . maggie

There is an old saying . . . "When worst comes to worst in married life, you will find that something still worse can happen."

Don't know for sure where we read this and maybe we just thought it up . . . but anyway it does not keep people from getting married.

There is something nice about going to weddings. It gives you a sentimental feeling, you forget the problems of the day, the ceremony is impressive, the bride is beautiful and it makes you sorta feel happy about everything in general.

June, the famous month for weddings is almost here and every day we have customers come in with that "I'm-in-love" look, and we can almost feel the rice and smell the orange blossoms. You will also experience love-at-first-sight when you try on the dresses for these all-important occasions at Lou's. We have a lovely selection of dresses for every lady in the entire bridal party. There are bridal dresses in all the latest styles, fabrics, lengths; with all the accessories that go with them. We have dresses for bridesmaids too numerous to describe. And, of course, there are stylish ensembles for the mother of the bride.

We have beautiful going away outfits for the bride, lingerie, gowns, robes, lace slips, bras and panties. And, naturally, you will want a few things in sportswear.

We invite you to shop today and hope to be seeing you at LOU'S in the center of Marquette. —Adv.

**SATISFACTION GUARANTEED OR YOUR MONEY BACK!**

**MUNISING** — A ceremony Saturday, May 18, in Sacred Heart Church united in marriage Audra Catherine Burley, daughter of Mr. and Mrs. Cecil Burley of Shingletown, and Carl Michael True, son of Mr. and Mrs. Victor True of Munising.

The Rev. Ephraem Sitko officiated at the service, which took place at 11 o'clock. The bride's father gave her in marriage.

Miss Helen True, the groom's sister, was maid of honor and Miss Gloria Burley, sister of the bride, was bridesmaid. They were identically-fashioned gowns of baby blue chiffon over taffeta with matching headpieces in a floral design and their flowers were white chrysanthemums.

Thomas True of Munising was his brother's best man, and Jerry Tahminen of Milwaukee was groomsmen. Ushers were Peter Bovan and Kenneth Sidbeck of Munising, cousins of the groom.

The bride wore a gown of Chantilly lace over nylon net, styled with fitted bodice, featuring a scalloped neckline and long sleeves, and a full, ballerina-length skirt. A tiara held her shoulder-length veil in place and she carried a bouquet of red tea roses surrounded by white chrysanthemums.

A wedding luncheon was served at the home of the groom's parents and a reception for 250 guests

will be no choir practice Thursday evening.

**St. Mark's Lutheran Organizations** — Churchmen's meeting tonight at 8 in the church parlors, with George Levis as host. Tuesday: Senior confirmation at 1 p.m.; Sunday School teachers' meeting at 7:30 p.m. Wednesday: Finnish midweek service at 7:30 p.m.

**Sion Lutheran Activities** — Tomorrow at 2 p.m., adult Bible classes meet together at the church with Mrs. Henry Heimonen and Mrs. Elmer Salminen as hostesses. Wednesday at 2:15 p.m., senior confirmation class meeting; the junior confirmation class meets at 4:30 Wednesday. There

Iron Range Firm Gives Scouts \$348

A check for \$348, proceeds from a March promotion by the Iron Range Cable Corp., was presented last week by Richard R. Bur, general manager of the firm, to Mrs. Burton Boyum of Negaunee, president of the Timber Trail Association, which owns and operates Camp Timber Trail for Girl Scouts on Skeels Lake. Mrs. Boyum, shown above receiving the check from Bur, said the money will be used for improvements to the waterfront at Timber Trail. — (Mining Journal photo)

**Big Value! 100% Nylon Tweed Broadloom with Built-In Fm. Cush.**  
★ **3.95** ★  
SQUARE YARD

Treat yourself to new carpeting at a fraction of what you would normally expect to pay. Closely woven nylon yarns in "salt and pepper" brown and white tweed weave. Excellent as room-size rug because of its built-in foam rubber back. Needs no padding, "stays put" . . . will not creep. Cleans easily with any shampoo. 12 ft. wide rolls . . . cut to any length.

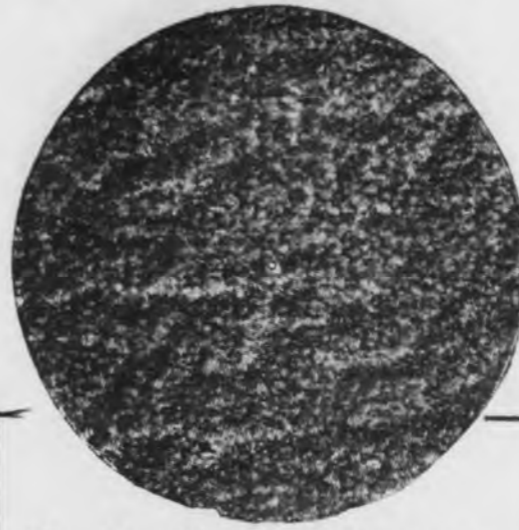

**"Venus Glow" Continuous Filament Multi-Tone Twd. Nylon Broadloom**  
★ **4.95** ★  
SQUARE YARD

Exceptional value in continuous filament broadloom. Resists normal wear because nylon is the toughest fiber of all carpet yarns. Multi-tones of brown and beige will go with most color schemes . . . and it's best for not showing lint and soil. Double backing keeps this rug smooth and neat and it will never rumple. Ideal for wall-to-wall or room size rugs.

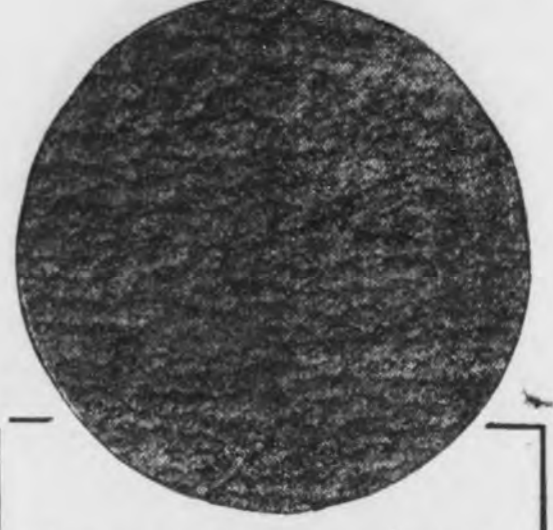

**"Fair Lady" Nylon By Lees Available in Colorful Tweeds**  
★ **5.95** ★  
SQUARE YARD

Sparkling beauty in nylon tweeds by Lee's at a very low price. Lovely muted tones in gold, green, beige, brown and aqua; all accented with white and contrasting colored yarns. Reinforced backing permanently attached to back with latex rubber. Exceptional body makes this rug "stay put" even when used in extra-large rooms. The closely woven looped pile wears and wears even under most extreme conditions. Clean with shampoo and shampoo.

**New Non-Directional Textured Lees 501 Nylon "Endorsement"**  
★ **6.95** ★  
SQUARE YARD

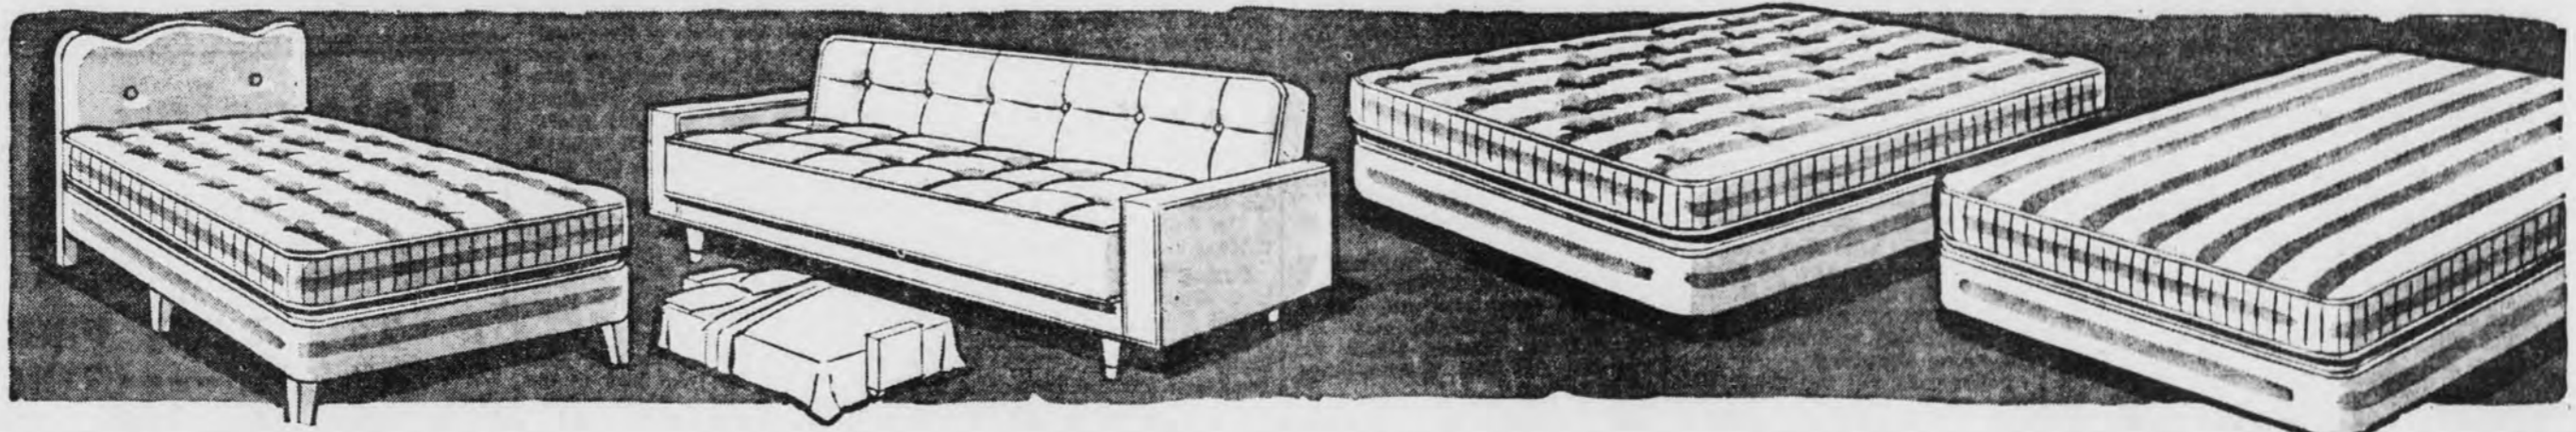

Now you can enjoy the benefits of the world's finest nylon carpeting at the lowest prices ever! Lee's Endorsement is made of 100% CONTINUOUS FILAMENT NYLON that will wear and wear. Soil and stain resistant. Easy to clean . . . stains wipe away in seconds. Resists shedding and fuzzing. Permanently mothproofed. The non-directional pattern lends itself beautifully to the trends of today's decorating. See this great value!

**Now 24 Lovely Colors To Choose Lees 501 Nylon Lasting Star**  
★ **7.95** ★  
SQUARE YARD

Lee's Lasting Star is America's No. 1 Carpet. It's so popular in demand that now you can choose from 24 colors. No other carpet offers so many colors. The deep-textured looped pile surface goes well with any decor, whether Modern or Early American. It wears beautifully even in commercial installations. Will not shed, pile and fade. Cleans with any shampoo like magic. The extra thick pile makes this carpet the ideal choice for today's lived-in living rooms . . . as room size or wall-to-wall rugs.

# Douglas Pohlman Ordination To Take Place In Bethany Church Next Sunday Night

ISHPEMING — Ordination services for Douglas K. Pohlman will be conducted in the Bethany Lutheran Church, Ishpeiming, at 7:30 p. m. Sunday, June 2.

Pohlman, born in Ishpeiming April 24, 1934, is the son of Mr. and Mrs. Carl Pohlman and is a graduate of Ishpeiming High School.

He has a brother, Roger, who lives in Neagunee, and a sister, Mrs. Gerald Skytta of Michigan.

After a tour of duty with the U.S. Army in Alaska as a chaplain's assistant, he attend Gustavus Adolphus College in St. Peter, Minn., where he majored in sociology. He graduated with a Bachelor of Arts degree, with honor, in 1960.

Last week Pohlman received his Bachelor of Divinity degree from Northern Western Lutheran Theological Seminary, Minneapolis, Minn. He has been called to serve Lutheran Church of America congregations in Draper and Winter, Wis., where he and Mrs. Pohlman will reside.

Ordination ceremonies will be conducted by Dr. Theodore E. Matson who baptised Pohlman while pastor of the Bethany congregation here), the first president of the newly-organized Wisconsin-Upper Michigan Synod of the Lutheran Church in America.

Sponsoring Pohlman will be the Rev. Eskil E. Bostrom, pastor of Bethany Lutheran Church.

The service will be open to all who wish to attend.

DOUGLAS K. POHLMAN

# PTA Picnic For Grammar Pupils Set

ISHPEMING — The Ishpeiming Grammar School Parent-Teacher Association will sponsor its annual picnic from 5:30 until 7:30 p. m. Tuesday at the Al Quaal Recreation Area.

All Grammar School students and their families are invited.

In event of rain, the outing will be held at the Phelps Intermediate School.

Each family is asked to bring its own picnic lunch. Coffee will be available at the picnic.

Parents are reminded that the PTA cannot be responsible for children who come alone.

# Bible School Arranged By Zion Church

CHATHAM — The Rev. Harold Linn announces that daily vacation Bible school will be held from June 3 through June 7 in the Eben Elementary School. This year's theme will be "Walking with God."

Classes will be held from 9 a. m. to noon and are open to all children from 3 to 12 years of age.

Teacher training classes are being held with the final meeting at 7:30 p. m. Tuesday, May 28, in Zion Lutheran Church parlors.

Anyone wishing additional information on the school may contact the Rev. Mr. Linn.

# Two Seniors Given NMU Scholarships

ISHPEMING — Two Ishpeiming High School seniors have been awarded State Board of Education scholarships by the honors and scholarships committee of Northern Michigan University.

Recipients of the awards are Lois Mattson and Marion Johnson.

Ms. Mattson is the daughter of Mr. and Mrs. Theodore Mattson, 630 Cedar St., and Ms. Johnson is the daughter of Mr. and Mrs. Wilfred Johnson, 141 E. Vine St.

During her high school career, Miss Mattson has been active in Allied Youth, the annual band, band-gee club, Amateur Biologists Club, Commercial Club, Future Teachers Club and hoop girls, and recently was elected to the local chapter of the National Honor Society.

She is a member of the Bethany Lutheran Church, where she has taught Sunday School for two years, and has served as an officer in the Luther League.

Ms. Johnson has participated actively in band, Future Teachers Club, mixed chorus, glee club, Allied Youth, Commercial Club, prom committee and the hoop girls.

She is a member of the Bethany Lutheran Church, and also was elected to membership in the National Honor Society.

Both recipients plan to enter the field of teaching — Miss Mattson as a secondary school instructor and Miss Johnson as an elementary teacher.

MARION JOHNSON

LOIS MATTSON

# Rock River Gets Tuition Approval For Another Year

CHATHAM — Approval to collect tuition for non-resident students for the 1963-64 school year has been granted to the Rock River Township School District by the State Department of Public Instruction.

In a letter to Superintendent Reino S. Kauranen, Edgar L. Grim, deputy superintendent of the department, said the decision was made after a routine review of data pertaining to the district's total school program.

Tuition students from AuTrain, Limestone and Skandia Townships have attended the district's schools at Eben during the past year.

# Program Set For National Mining Meet

WASHINGTON, D. C. — A national-wide committee of mining industry officials has drafted a program for the 1963 metal mining and industrial minerals convention of the American Mining Congress to be held at Los Angeles, Calif., Sept. 15-18. J. Allen Overton Jr., AMC executive vice president, announced.

Arrangements for this national meeting of the mining industry are moving ahead rapidly under the direction of D. L. Mariette, vice president, Great Lakes Carbon Corp., Los Angeles, who is chairman of the western division of the Mining Congress, and the national program committee chairman, Charles E. Schwab, president of the Bunker Hill Co., Kellogg, Idaho.

Over 2,000 delegates representing all branches of the mining industry are expected to attend the convention.

The program committee has scheduled convention sessions dealing with national minerals policies; labor relations; management techniques; the state of the minerals industries; gold, silver and copper; public lands matters; safety and health; mineral taxation; exploration and geology; open-pit mining; mine financing; and milling and metallurgy.

Officials of the executive branch of the Federal Government charged with development of mineral policies and programs are being invited to address the meeting. U. S. senators and representatives interested in the problems of the domestic mining industry are also being invited to take part in the convention program, along with industry leaders from all parts of the country.

A declaration of policy setting forth the Federal Government's position on mineral policy, its role in the field of teaching — Miss Mattson as a secondary school instructor and Miss Johnson as an elementary teacher.

# Ishpeiming Rock Club To Host Midwest Unit's Field Trips

ISHPEMING — The Ishpeiming Rock and Mineral Club, Inc., will be host to Midwest Federation of Mineralogical Societies field trips on Saturday and Sunday, June 1 and 2.

This will be an "open" field trip for anyone interested in geology and mineralogy.

**Hunting Area**

The host club will provide an adequate number of field trip advisors and will give assistance in identifying the various minerals found during the two days of field trips, which will take the groups from north of Marquette to Alberta, near L'Anse.

Some of the choice minerals that will be hunted will be sapphires, ilmenite, manganite, magnetite, limonite pseudomorphs, pyrites, dolomites, fulgurites, jaspillite, micaceous hematite, epidote, tourmaline, garnets, garnet pseudomorphs and many others which will go into local collections or be traded to collectors throughout the nation.

**Rockland Area Hunt**

The field trip group will assemble at the tourist information booth in Ishpeiming at 9 a. m. each day. Persons interested in joining these groups should call HU 6-6643, HU 5-5381 or 249-1308. Junior collectors must be registered for the field trip on the preceding day so that necessary releases may be signed by their parents. Juniors participating in the field trips must be accompanied by an adult sponsor.

About 40 persons attended a mineral hunt in the Rockland area that was conducted by the Ishpeiming Rock and Mineral Club earlier this month.

Fragments of prehistoric stone hammers were found, but no exceptionally good ones were reported. Considerable amounts of epidote, prehnite, analcite, calcite and thomsonsonite in matrix were taken, along with a few nodules of dolomite of good size, beauty and value.

Digging was done in the old Minnesota, Michigan and Nassau Mines and at a nameless location which proved quite barren.

# Women To Be Remembered, Too, In Memorial Services

EDITOR'S NOTE — Memorial Day, the day generally known as the day we remember our country's fallen soldiers, has given the supreme sacrifice.

By **MARTHA COLE**

WASHINGTON (AP)—War, they always used to say, is man's business.

But as far back as the Revolutionary War, when Molly Pitcher in a petticoat, gunner's jacket and battered cocked hat — grabbed a gun, women have been leaving their kitchens to help fight their country's enemies.

American women, too, have given their lives in service to their country.

**Official Wreath**

During World War II, for instance, in 1944 on the beachhead at Anzio, Italy, two Army nurses had just finished giving blood plasma to a soldier when a shell hit their side. In their honor, the Army named a hospital ship after one of them, Lt. Blanche F. Sizeman of East Akron, Ohio.

In honor of these and all other American women whose lives were sacrificed in war service, a bell tower will be dedicated "in grateful tribute" on May 30, Memorial Day, at Rindge, N.H.

President Kennedy will send his official wreath to be placed on

the altar at the groundbreaking services.

**1,088 Deaths**

Statistics at the Department of Defense show that 1,088 women died while in uniformed service to their country during the first and second World Wars and the Korean conflict.

The American Red Cross lists 590 women workers dead in the two world wars.

Officially, American women did not join their brothers in uniform until 1901, when the Army Nurse Corps was established. The Navy Nurse Corps was authorized in 1908.

Then, during World War II, more women put on the uniform of their country to man the switchboards in North Africa, pound typewriters on Guadalcanal and sail the seas as radio operators.

**586 Gave Lives**

These were the new Molly Pitchers, the skirted soldiers of the Women's Army Corps, the Waves of the Navy, Spans of the Coast Guard and the women Marines. Later, in 1948, the Women's Air Force was formed.

During the second world war, about 250,000 women saw active military duty, with 65,000 serving overseas. They accounted for about 3 per cent of the 12 million in active service. And 586 women gave their lives to their country.

The Waes suffered 225 deaths in World War II, 12 of whom died of wounds recorded as battle casualties. There were limitations against their service on the battle field.

**Special Plot**

A special plot is set aside in Arlington National Cemetery for Army nurses, who are buried with full military honors. More than 150 lie there, 45 of them from the Spanish-American War.

Nurses served, too, in the Civil War under contract. After the siege of Vicksburg, Miss. the Union navy outfitted a converted Confederate steamer, Red Rover, as a floating hospital. Nuns of the nursing sisterhood went aboard to care for the patients.

The Union had its Dr. Mary Walker, a New York surgeon who worked in field hospitals under contract. She wore pants, vest, frack coat and a tall silk hat.

**Medal of Honor**

Dr. Walker was given the Medal of Honor for her tireless service. But this was rescinded, along with many others, in the congressional review and re-statement of standards for the medal in 1916.

KRISTINE SUNNE

# Miss Sunne Delegate To Girls' State

NEAGUNEE — Kristine Sunne, Neagunee High School junior, has been designated by the Neagunee American Legion Auxiliary as its delegate to the 1963 Wolverine Girls' State. The program will be held June 16-27 at the University of Michigan campus at Ann Arbor.

Miss Sunne, daughter of Mr. and Mrs. Charles Sunne, 1013 Oak St. is a member of the Neagunee High School concert orchestra and band, serving as librarian for the band. She also holds membership in the Tri-Hi-Y, Latin Club and Girl Scouts, and has been active in debate and forensics. She attends Bethany Lutheran Church and is vice president of the Luther League.

Girls' State, established in 1941, is dedicated to the training of girls who have leadership qualities. Its primary objective is to stimulate delegates to take a deep interest in the development of home and community life, and to encourage them to be better citizens.

For nine days, delegates will play the role of junior politicians and build a unit of government, electing city, county and state officials for a "model state."

At the close of the session, two girls will be selected from the 420 enrolled to attend Girls' Nation at Washington, D. C.

Mary Connors, daughter of Mr. and Mrs. Jack Connors, of 122 E. Lincoln St., was selected as an alternate.

# 18 Students To Be Inducted Into Honor Society On 40th Anniversary Of NHS Group

NEGAUNEE — When the Negaunee High School chapter of the National Honor Society holds its annual dinner and installation ceremony Tuesday night, it will mark the 40th anniversary of the local unit. The dinner will be held at 6 in the Central Grade School activity room.

Organization of the Negaunee chapter was completed in 1923—just two years after the idea of a national honorary scholastic group was conceived, and the local unit was the 135th in the nation to receive its charter.

**To Stimulate Scholarship**

The National Honor Society was the outcome of a feeling among high school principals that means should be devised to stimulate scholarship and afford recognition to those who excelled. A constitution was adopted at a meeting of the National Association of Secondary Principals held at Atlantic City in March of 1921.

C. L. Bystrom, Negaunee principal at the time and later superintendent of schools at Newberry, presented the idea to local school officials upon his return from the Atlantic City conference, and it was given unanimous endorsement by the faculty.

Charter officers of the Negaunee group were Herman Manninen, president, and Nelma Koivisto, vice president.

Other charter members included Ralph Schwartzberg, Michael Kessler, Jennie Ollila, Gertrude Ollila, Dorothy Elliott, Mildred Thomas, Grace Trombini, Martha Maki, Elizabeth Nicholas, Edna Dobbs and Margaret Winter.

**Dr. Mudge To Speak**

Dr. Thomas Mudge, Marquette surgeon, a Negaunee High graduate and a member of the local chapter of the National Honor Society, will be the guest speaker.

Honor Society selection in the Class of 1963, determined by a vote of faculty personnel on the basis of scholarship, leadership, character, and service, includes the following students:

Charles Aamund, Carl Ahola, Judith Boyum, Darla Dompierre, Jane Erck, Glen Etelamaki, Robert Gerndt, Susan Heiskanen, James Hill, Vivian Kontola, Maxine Langlois, Paul Makela, Karen Ollila, Kathryn Partanen, Barbara Roberts, Susan Roberts, John Williamson and Sherrill Yel-land.

New officers of the Lakeview School Parent-Teacher Association were installed by Mrs. A. B. Haist (left) Region 17 director for the state PTA, at a ceremony held in the school multi-purpose room. Officers (left to right) include Mrs. Norman

## PTA Officers Installed By Mrs. Haist

NEGAUNEE — Mrs. A. B. Haist, Region 17 director of the Michigan Congress of Parents and Teachers, installed officers of the Lakeview school PTA, who will serve during the 1963-64 school year, at the May meeting of the unit held in connection with a potluck supper in the school multi-purpose room.

New officers installed were Mrs. Clifford Purdy, president; Robert Jacka, vice president; Mrs. Ray Koski, secretary; Mrs. Phil Langlois, treasurer, and Mrs. Norman Goethe, historian.

Reports on the recent state PTA convention at Kalamazoo were presented by Mrs. Gordon Rice and Mrs. Purdy.

Miss Saima Kuivilla, Lakeview principal, presented Supt. and Mrs. A. B. Haist with a gift on behalf of the PTA unit. Mr. Haist will retire as superintendent of schools here June 30.

The program included two vocal solos by Miss Kay Kosonen, who was accompanied by Mrs. Joanne Lauba, and group singing led by Mrs. Holland Werner.

Supt. and Mrs. A. B. Haist open gifts with which they were presented by the Lakeview School PTA at the May meeting of the unit held in the school multi-purpose room. The presentation was made by Miss Saima Kuivilla, school principal. Mr. Haist is retiring in June as superintendent of schools in Negaunee.

# 124 To Receive Diplomas At IHS Commencement On Friday, June 7

ISHPEMING — One hundred and twenty-four students will receive diplomas at Ishpeming High School commencement exercises at 8:15 Friday night, June 7, in the school auditorium.

Miss Barbara Renz, daughter of Mr. and Mrs. Ben Renz, will give the valedictory address entitled "The True Joy of Life."

Antonia Andriacchi, talented pianist, will give the salutatory address, "The Brotherhood of Man."

W. C. Peterson, superintendent of Ishpeming schools, will present the diplomas.

Peter Mitchell will give an oration, "The Economics of Integration." Musical selections will include a number by the mixed ensemble, "Give Me a Song to Sing" (Farr-Elliott), accompanied by Antonio Andriacchi, Carole Carlson and Barbara Renz; a woodwind quintet — with Randi Flaa, flute; Nancy Fernea, clarinet; Audrey Hendra, French horn; Margaret Homburg, oboe, and Virginia Voelz, bassoon — playing "Castalia" (G. E. Holmes), and the mixed ensemble singing "I Love Life" (Miana-Zucca), besides the class song.

The Rev. John B. Duncan, pastor of the Presbyterian Church, will give the invocation.

Members of the 1963 graduating class are:

Gary Wayne Aho, Leena Annel, Alasimi, Betty Lou Anderson, Elaine Rita Anderson, Gary Ernest Anderson, Karen Elizabeth Anderson, Rolf Henry Anderson, Antonio Argall, Ardel Claire Bell, Genevieve Ann Bertucci, Mary Claire Borne, Joan Leslie Blewett, Kathleen Helen Bostrom, Richard Harold Brown, Peter Kent Butler, Raymond Dennis Butler.

Delight Ann Carter, Karen Elizabeth Champion, Thomas Allen Chestnut, Susan Marie Coduti, Robert Dominic Corradini, Dennis William Cuskie, Sandra Kay Coy, Frances Ann Coughlin, Elizabeth Ann Curcio, Karl Aric Dahl, James Albert DeCaire, Mary Ellen Deegan, Kristine Jill Delarye, Mary Ellen DeRoche, Ralph Gordon Donato, Richard LeRoy Emanuelson, Dennis Douglas Evans, Jean Marie Fassbender, Randi Kristine Flaa, Mary Jo Gagliardi, Bradley Paul Gleason, David Michael Gleason, Marjorie Jane Gleason, Sharon Ann Goven, Neil David Granlund, Peter Victor Harvala, Karen Lee Helgren, Martin Michael Herrala, Sandra Joyce Hill, Susan Marie Hoem, George

## Man Given Summons In 2-Car Crash

REPUBLIC — A Republic man was given a summons for reckless driving, after his car was involved in a crash with another vehicle here last night, state police said today.

William Wuokko, 32, received the summons, after his car traveling south on Front St., crossed over into the wrong lane and struck an auto being driven in the opposite direction on Front by Susan Dubord, 18, also of Republic.

## Owners Of Little Lake, Negaunee Firms Bankrupt

GRAND RAPIDS — Edward H. Benson, referee in bankruptcy, announces that Robert Bennett Smith and Leola Josephine Smith, proprietors of two Marquette County establishments have been adjudged bankrupt and that claims against them must be filed within six months at Benson's office in the federal building in Grand Rapids.

The two, whose address was given as 1017 N. Magnolia St., Lansing, had been doing business as Little Lake Mobile Home Sales, Forsyth; Tops-in-Homes, Lansing, and Ben's Furniture, Negaunee.

The first meeting of creditors in both cases will be held at the bankruptcy court room on the fifth floor of the Lansing city hall on June 4. Creditors may attend, prove their claims and appoint a trustee and a committee of creditors at that time. Aug. 5 has been set as the last day for the filing of objections to the discharge of said bankrupt.

**Cut Scout Pack 348** will meet Tuesday night at 7 in Immanuel Lutheran Church. Awards will be given and a skit will be presented by Den. 3. Plans will be made for the June picnic.

**The church choir** of Immanuel Lutheran Church will meet at 7 tonight. The Rebekah Circle will meet tonight at 7:30 in the home of Mrs. Eino Maki, North Lake Location. The Junior Luther League will meet in the chapel at 8 Tuesday evening.

## G. C. Baij Dies In Home In Munising

MUNISING — Gottfried C. Baij, 76, died Sunday noon in his home, 324 E. Choccolay St., after a month's illness.

He was born Oct. 9, 1886, in Sweden and came to Munising in 1906. He worked for the Cleveland-Cliffs Iron Co.'s lumber department, then opened and operated Baij's Recreation Parlor and Barber Shop which he operated for many years until his retirement.

Mr. Baij was a member of the Munising City Band for 40 years and was active in many civic organizations. He was member of the Vasa Lodge.

Survivors are his wife, Anna; a daughter, Mrs. Ethel Hoffins of Munising; two sons, Austin and Harold of Munising; a brother, Fred of Chicago, and nine grandchildren.

Services will be conducted at 2 Tuesday afternoon in the funeral home. The Rev. L. F. Danner will officiate and interment will be made in Maple Grove Cemetery.

Friends may call at the funeral home beginning at 7 this evening.

## Services For Crash Victim Wednesday

MUNISING — Services for Gerald U. Maki, 15, Deerton, who died Saturday of injuries suffered in an auto crash the previous Monday, will be held Wednesday afternoon in the Deerton Lutheran Church.

The Rev. Thomas Asuma, Marquette, will officiate and interment will take place in the Deerton Cemetery.

The youth was a 10th grade student at Munising High School. Survivors are his parents, Mr. and Mrs. Uno Maki; six brothers, William of Iron Mountain, Lowell of Tampa, Fla., Dennis, Gar, Bernard and Donald of Deerton, and two sisters, Mrs. Joseph Raniero of Newport, Ky., and Mrs. Leo Make of Deerton.

Friends may call at the Bowerman-Hallfax Funeral Home beginning at 7 this evening.

## Get-Togethers Change Name To Negaunee Mixers

NEGAUNEE — At the final meeting of the Negaunee Township Get-Togethers, it was decided to change the name of the home extension group to the Negaunee Mixers for the 1963-64 club year.

Officers elected for the ensuing year include Mrs. Charles Rintala, chairman; Mrs. Ray Rytönen, vice-chairman; Mrs. Harvey Uitto, secretary; Mrs. Elmer Sarasin, treasurer, and Mrs. Lloyd St. Ours, reporter.

Regular meetings of the group will be resumed in September.

### The Esther Circle of Bethany Lutheran Church will meet Tuesday at 2 p. m. The hostess will be Mrs. William Mattson. The Naomi Circle will meet Tuesday at 2 p. m. with Mrs. Walter Wicklund as hostess. The Miriam Circle will meet Tuesday night at 7:30 and the hostess will be Mrs. George Olds. The Priscilla Circle will meet Tuesday night at 7:30 with Mrs. Paul Holmstrom as hostess.

### Mid-week services at Mission Covenant Church, scheduled for Thursday, have been canceled because of Memorial Day.

### The Bible class of the Apostolic Lutheran Church will meet Tuesday night at 7 in the church with Mrs. Reuben Kauppila and Miss Bernice Kauppila as hostesses. Mid-week services will be held Thursday night at 7:30 with Rev. Reuben Kauppila in charge.

### Members of the Gwinn 4-H group will meet at 7:15 this evening in the Gwinn Clubhouse to practice marching for the Memorial Day parade.

## Revamping Of Military Near End

WASHINGTON (AP) — Secretary of Defense Robert S. McNamara's vast revamping of the military establishment — its administrative organization, its chain of command, its multibillion-dollar operation — is all but complete.

Reorganization of the Navy remains to be completed. Some final moving around of offices, furniture and people in other agencies to carry out consolidation plans will continue for some months more, although the broad changes have been made.

The revamping has been done without asking Congress for new legislation, with McNamara acting under provisions of the unification law and its revisions.

Criticism by Congress members generally has been restrained.

Objections

But within the military, there have been stated objections by some officers, sharp private disagreement by others. One of the high commanders is on the way out, with McNamara opposing reappointment of Adm. George W. Anderson to a second term as chief of naval operations. And Gen. Curtis E. LeMay was given only half of a usual two-year tenure for his reappointment as Air Force chief of staff.

A deep and pervading silence has settled among generals and admirals.

Will this end disputes within the Pentagon?

President Kennedy does not think so.

"I am sure there'll continue to be disputes," he says.

"Strong-Minded Men"

The people in the Pentagon are "strong-minded men," says Kennedy, but completely loyal to their country. He says, too, that "we have to have a secretary to make the final judgment."

Some officers worry that the thrust of McNamara's reorganization is toward eventual merger of the services into one single unit.

No, say McNamara's aides. "We aren't unifying the services, we are unifying the effort."

They mention his "package" program under which each service with a similar function has been brought under central, coordinated direction. Examples are the strategic roles of the Air Force and Navy and the tactical roles of the Army and Air Force, now in a combined "Strike Command."

"Cost Effectiveness"

As former automobile executive McNamara is a product of the industrial world, to him, the reorganization spells "cost effectiveness"—getting back the worth of investment in dollars and man-

## Miss Tiernan Picked For Girls' State

MUNISING — Miss Janice Tiernan, daughter of Mr. and Mrs. John Tiernan, 125 E. Choccolay St., Munising, and a junior at Munising High School, has been selected by the American Legion Auxiliary as its representative to Wolverine Girls' State, to be held June 18-27 at the University of Michigan.

Miss Tiernan, who has been active in extra-curricular activities in high school, is co-head of the majorettes, president of the Girls' Athletic Association, treasurer of the Future Nurses Club, assistant production manager of the Commercial Club and second-year member of the Student Council.

She was a member of the cast for her class play this year, conducts after-school classes for majorettes and is a junior leader in 4-H work.

## Parade Chairman Asks Early Entry

CHAMPION — Clayton A. Anderson, Champion Centennial parade chairman, requests all those who plan to enter floats or industrial exhibits in the Centennial parade June 29 to contact him as soon as possible either by letter to Post Office Box 4, Champion, or by calling ED9-2319. There is no entry fee.

A number of entries already have been received and Anderson is in the process of drawing up preliminary plans. Entries will be received up until June 22, but early entry will be appreciated.

## Bay City Woman Dies From Injuries In Fall

BAY CITY (AP) — Mrs. Paula Black, 23, of Bay City, died Saturday of injuries suffered May 19 when she fell from a car on a Bay City street.

## Motel, Sports Center Slated For Bridgeport

SAGINAW (AP) — A Bridgeport industrialist has announced plans for a \$17-million motel and sports center to be built on Dixie Highway, south of Bridgeport.

Daniel J. Menter, one of the participants, said construction on the project would begin this week. Future plans include an airplane landing strip on the 34-acre plot.

power for national defense, in the uniformed military family, the objections are not to more effectiveness, but to McNamara's techniques.

There is a feeling in the Pentagon that the military man, including those on the Joint Chiefs of Staff, is being downgraded and bypassed, the strategy is being devised by civilians and orders issued directly by civilians to field commands.

## Posse Hunts Tech Student In Wooded Area Near Lake

HOUGHTON — Robert Stadler, 21, Flint, a student at Michigan College of Mining and Technology, has been missing since about 11:30 Saturday night in a wooded area near Lake Superior, about 12 miles west of Houghton.

Stadler was one of a group of Tech students who left on a Saturday night outing along the wooded shore in the Red Ridge area.

The Houghton County sheriff's department said an exhaustive search of the area was conducted yesterday by a posse of sheriff's officers, L'Anse state police and members of the Tech Flying Club, who made a low-level air search early in the morning. The hunt is continuing today, with Trooper John Rohwetter, Marquette, and a German Shepherd dog trained for police work taking part.

Stadler is 5 feet, 5½ inches tall, weighs 125 pounds, has blond hair and blue eyes. When last seen he was wearing blue jeans, a sweat-shirt and tennis shoes.

He has no parents and make his home with a brother in Flint. During the school year, he lives at Wadsworth Hall on the Tech campus in Houghton.

### Awards Presented Students At National Mine School

**NATIONAL MINE** — At the annual student awards day assembly of the National Mine High School, recognition for outstanding achievement was given to a large number of students.

The valedictorian award to the top senior student for scholastic achievement was presented to Harry Juntilla and the salutatorian award to Patricia Watters in addition to a scholastic achievement award sponsored by the Ishpeming Junior Chamber of Commerce.

**Two Cited For Leadership**  
Patricia Watters and Allan Felt received the Danforth award for recognition of the senior girl and boy with the highest qualities of leadership.

Citizenship awards to the senior students that exemplified this quality were taken by Kenneth Kiiskila and Peter Hill.

Certificates of award for service rendered to the school in connection with the audio-visual aids and equipment used in the instructional program and for the achievement of standards set up by the school Projectionist Club of America were presented to Peter Hill, Kenneth Kiiskila, Fred Nelson, William Mason, Olof Stolen, Clinton Watters, Dennis Potila and Terry Alderton.

The speech department presented awards to the first-place winners—Allan Felt for senior class orations, Constance Hill for junior class orations, Allyson Hyett for dramatic readings and Sandra Wuoremaa for humorous readings. Second-place medals were given to Patricia Watters in senior orations, Fred Nelson for junior orations, Sheila Smith in dramatic readings and Carolyn Tuttila for humorous readings.

Salesmanship certificates, made available by the Curtis Publishing Co., were given to Daryl Bietila, Sharon Cox, Roger Kari and Ray Rintamaki.

**Typing Awards**  
Awards were presented by the Commercial Department for excellence in typing to Lorraine Kosonen, Sandra Wuoremaa, Sheila Aho, Peggy Carlson, Constance Hill, Eleanore Hytinen, Judy Kujansuu, Nancy Perry, Gail Wickman and Cheryl Weir.

For service rendered to the school, Carolyn Alderton, Sharon Aho, Betty Richards, Rebecca Sumen, Joyce Perry, Darlene Nault, Nancy Kari, Kay Rintamaki, Judy Roberts and Brunhilde Heit received awards.

Kenneth Kiiskila and Carolyn

Alderton were cited for their work on the school newspaper the Echo, and Patricia Watters and Constance Hill for their contributions to the Tower, the high school yearbook.

Through the courtesy of the Betty Crocker General Mills Co., the "Homemaker of Tomorrow" Award was presented to Patricia Watters, the outstanding senior girl in the field of homemaking.

**Eight Get Council Pins**  
Student Council pins were given to Alan Felt, Karen Christian, Olof Stolen, Fred Nelson, Patricia Thibeault, Patricia Watters, Barbara Thibeault and David Kari.

Band lyre awards were presented to Gene Benvenue, Susan Cox, Allyson Hyett, Mary Keto, Lorraine Kosonen, David Magnuson, Trudy Myrick, Betty Pietro, Dennis Potila, Barbara Thibeault, Sandra Wuoremaa.

Receiving services bars were Sheila Aho, Judy Brown, Carol Carlson, Peggy Carlson, Karen Christian, Constance Hill, Peter Hill, Eleanore Hytinen, Janet Keskey, Kenneth Kiiskila, Judy Kujansuu, Sharon Luubakka, Fred Nelson, Gladys Perry, Nancy Perry, Sheila Smith, Olof Stolen, Patricia Thibeault, Carolyn Tuttila, Patricia Watters, Cheryl Weir and Gail Wickman. Band pins were given these first-year band members, Victor Cox, Rita Culbert, Frank Moody and Judy Saar.

**Megaphones For Cheerleaders**  
Lettered megaphones were awarded to fledgling cheerleaders, Barbara Thibeault, Trudy Myrick and Eleanore Hytinen, who completed a year as varsity cheerleaders, and service bars were given veterans Patricia Watters and Carolyn Tuttila.

Receiving athletic letters were David Wuoremaa, Robert Thibeault, David Kari, Fred Nelson and Gene Benvenue, while cheerleaders were presented to Peter Hill, Robert Annala, Daniel Ezrow, Allan Felt, Erland Bickers, Donald Niemi, William Myrick, Douglas Kari, Bryan Brown, Clinton Watters and Kenneth Kiiskila.

Douglas Potila received a team manager award for the 1962-63 season.

### Baccalaureate In Munising Next Sunday

**MUNISING** — Baccalaureate services will be held at Munising High School at 8:15 p. m. Sunday, June 2, in the school auditorium.

The Rev. Densel Fuller, pastor of the First Methodist Church, will speak on "Things I Wish I Had Known." The girls glee club will sing "Land Of Hope and Glory" for the professional and "Alleluia" and "Thanks Be to God."

The invocation will be given by Arthur L. Gosselin, president of the class of 1963, and the benediction by Dale D. Beckwith, vice president.

### Three Seek Rock River Board Posts

**CHATHAM** — Rock River Township voters will elect two persons to serve as members of the board of education and ballot on the intermediate school annexation proposal in the annual school election Monday, June 10.

The names of three candidates will appear on the ballot. They are Frank Hill and Henry Norman of Chatham and Hrovo Hallstrom of Eben Junction. Hallstrom and Norman are incumbents.

On a special ballot, voters also will decide on the proposal to annex the Alger County Intermediate School District to the Marquette County Intermediate School District.

Polls will be open for seven hours beginning at 1 p. m.

### Hamel Given Highway Job In Hiawatha

**DETROIT**—Tourism in the Upper Peninsula is about to receive an added benefit, and employment in Delta County should be boosted somewhat, by the construction of nearly five miles of road in Hiawatha National Forest.

Robert F. Phillips, Small Business Administration regional director for Michigan, announced that Joseph Hamel, a small business contractor of Champion, was awarded a government contract amounting to approximately \$55,600 by the Forest Service, Milwaukee, under the SBA joint set-aside program covering this construction.

Under the program, bidding on certain government contracts is limited exclusively to small business. The determination to set-aside a contract is made by the SBA, and major government purchasing installations. This assures the smaller enterprise of receiving a fair portion of government business.

Information on this and other SBA programs may be obtained from the Small Business Administration, 232 W. Grand River Ave., Detroit 26, Mich.

### Steel Mill Output Near 1963 Peak

**CLEVELAND** — Steel operations are about as high as they'll go this year, Steel magazine said today. The current rate is 85 per cent of the unofficial capacity (160 million ingot tons annually).

Output last week was estimated at 2,618,000 ingot tons (an annual rate of 136 million tons), less than one-half percentage point above the week before.

Production appears to be leveling out with most consumer needs covered into summer. Consumption is excellent, thanks to near-record production level in the auto industry, favorable weather for construction, and strong demand for home appliances, farm implements, earthmoving equipment and freight cars.

Favorable prospects for a steel labor settlement are putting a curb on hedge buying. Some users are confident they can do a lot of hedging by September, the earliest a strike could be called. They're slowing their inventory buildups by pushing deliveries of some June orders into July and some July orders into August.

Setbacks and cancellations have been relatively light so far and limited mainly to sheets. Deliveries on some products — shapes, plates and bars — are lengthening.

Automakers aren't deferring tonnage. They've been building cars at such a rapid rate they've not been able to accumulate the inventory protection they've wanted.

Barring a quick labor settlement, shipments of finished steel in June will nearly equal May's figure of 2,600,000 tons, the largest of any month since March, 1960.

Still competition is ahead for steelmakers. Steel predicts. They'll find themselves in a buyer's market once again in midsummer when shipments drop sharply.

Some would argue that they've been in a buyer's market all along. Even when demand was at its peak, consumers insisted on top quality and rejected materials that didn't meet their standards. They'll get tougher in the weeks ahead.

Steelmakers will probably be able to maintain the higher base prices they established in April, but they'll be under heavy pressure to provide high quality and absorb more freight.

Scrap dealers report mills are not replenishing their shrinking scrap inventories. Scrap prices are holding, but trading is listless. Steel's price composite on No. 1 heavy melting grade is unchanged at \$29.17 a gross ton.

The domestic copper industry passed a milestone last week. Steel says. The primary price of copper has held at 31 cents a pound since May 19, 1961. At no other time (except the war years) has the price held steady for a two-year period.

Steel predicts shipments of titanium mill products should easily set a record this year. Usage is being spurred by new aerospace demands and increased civilian consumption.

# Kingsford, Ontonagon Take U.P. Prep Track Crowns In Final Events; Pickford Wins 12th Straight 'D' Title

## Rudyard, Lake Linden Take Seconds Graveraet 3rd In Cinder Climax

Saturday's Upper Peninsula track finals produced a nice geographical split of the trophies, and a lot of dreams of what U.P. track would be like if only the weather would cooperate.

Under near-perfect conditions, Kingsford in Class A-B and Ontonagon in Class C pulled out championships in the final events of the day, while mighty Pickford brought its U.P. track trophy total to an even dozen.

Twelve records fell (they're listed elsewhere), three others were tied and a half a dozen more were seriously threatened.

### Class A-B

Team totals: Kingsford, 26; Rudyard, 24; Mt. Graveraet, 17; Manistique and Newberry, 16; Escanaba and Menominee, 15; Ironwood, 14; Ishpeming, 13; Gladstone, 12; Gwinn, 10; Iron Mountain, 9; Munising, 7; Negaunee, 6; Calumet, 4; Sault, 4; Esc. Holy Name, 1.

In one of the lowest-scoring victories in Upper Peninsula history, Kingsford defeated a Rudyard squad which qualified only seven boys — and got most of its points because of two of them.

The A-B meet was one in which the records which didn't fall were as important as the ones that did. Four such happenings knocked Iron Mountain from "runner-up" to "also-ran" Ken Laguna of the Mountaineers had been clocked in a record-equaling 10.2 earlier, but placed fifth in a blazing finish behind Jim Cummings and Pete Besteman of Rudyard — the Bulldogs' terrific dash combo.

Jay Dishnow had been clocked in near-record time in the 440 but, jostled in the over-crowded field, he stumbled in third in the slower heat Randy Poldo, clocked in a 2:03.5 half earlier this year, failed to place in the hottest heat in U.P. 880 history, as Rene Harger of Munising, and Gary Krueger, battled to the wire, chased by Tom Stumpf of Menominee and Tom Chestnut of Ishpeming.

Capping a black day for the Black & Gold, the Mountaineer relay, clocked in record-equaling time in the regionals here, messed up a hand off and knocked itself out of the race entirely.

Kingsford had a potential 880 relay record outfit, if Dick Berlinki was in top shape, but the Flivvers entered that final event with only one thought in mind. They had a one-point lead over Rudyard and they set out to beat the Bulldogs, who were in the same heat. They ran a respectable 1:36, with Rudyard finishing second.

Kingsford won only one other event for the day, but picked up three seconds in a fourth and two fifths. Rudyard had a double winner in Cummings, and a triple winner, but only one other placing.

Bruce Swanson of Ishpeming, who had neared the U.P. mile mark, again had no serious competition but the clock, and was disappointed with a 4:37.6.

Mike Dishnow didn't sweep all four events at this level, but two firsts, a second to Dan Purple's record high jump, and a fourth to Dick Berlinki's record broad jump kept him busy.

Purple was also a double winner, taking the slower 880 heat. A soggy track at Newberry set the blame for the lopsided lineup in the half as both Harger and Krueger ran their slowest 880's of the year there last week, and regional times are used in setting up heats. Purple has run a full two seconds faster than his final time.

Along with Harger of Munising and Swanson of Ishpeming, another underclassman, Bob Pearson of Marquette Graveraet, among area contestants, took a first place.

All of the bad luck wasn't on Iron Mountain's side of the ledger, either, as Berlinki stumbled and failed to finish on the 220, behind the Rudyard pair, Dan Schram of Gladstone, and Roger Zettle of Marquette.

### Class D

Team totals: Pickford, 58; Rapid River, 33; DeTour, 23; Vulcan, 20; Baraga, 19; Cedarville, 13; Chassell, 10; Eben, 8; Republic, 7; Channing, 5; Doelle, 3; Ewen, 2; Rock and National Mine, one each.

Somebody back in Pickford is probably practicing the heat hurdles or the broad jump today. Those were the only events in which the Panthers failed to score as they won their 12th straight championship.

They took seven firsts, three seconds and three thirds. They broke two records and tied a third. Two of them were held by former Pickford trackmen.

Laying it on thick? Well, if it had been a dual meet, scored Pickford vs. the rest of the U.P., the Panthers would have been in the running until late in the show.

Steve Putala of Baraga had a solid victory in the high hurdles, and Bill McClintock of Republic took a strong 440 heat, to give area fans something to talk about.

As in Class C, most of the record-clipping was right on schedule. Logan of Brimley, who had topped the broad jump record earlier this season, didn't come to

A flock of underclassmen gave U.P. track fans even more to look forward to, next year, as they dominated the Finals, Saturday. Bob Pearson, Marquette Graveraet junior, holds the lead as he enters the straightaway in the low hurdles.

Rene Harger of Munising hits the finish line in a record 2:01.1 half mile. Even the third place finisher (Tom Stumpf of Menominee) was near the former record, in the fastest U.P. 880 in history.

### U.S. Golfers Eye British Amateur Title

TURNBERRY, Scotland (AP)—The United States' leading amateur golfers, with the Walker Cup safely in hand again, turned their sights today on the British Amateur title — and the bookies' say they'll win that one, too.

The bookies, legal in England and willing to bet on anything, quickly installed the United States players as the men to beat in the Amateur at historic St. Andrews June 3-9 after their comeback triumph in the Walker Cup Saturday.

Had To Rally — The United States has won the Gold Cup 18 of 19 times since it was inaugurated in 1922, but they had to overcome a 6-3 deficit to retain possession Saturday.

They swept the four foursomes Saturday to take the lead and nailed it down by winning five of the eight remaining singles. The Final U.S. victory margin was 12-8 with four matches halved in the two days of competition.

15th, 16th Holes — Two days of competition. Much of the difference came on the 15th and 16th holes of the par 72, 7,025-yard Turnberry course. The 16th was particularly troublesome to the British. On the key foursomes, the British all landed in a creek running across the 45-yard, par-4 hole, and that's where they lost the cup.

The U.S. team scattered after the matches, but eight of the 10 are due to compete in the British Amateurs, including defending champion Richard Davies, Pasadena, Calif.

They are U.S. Amateur champion Labron Harris, Bob Gardner, Downing Gary, Billy Joe Patton, Dick Sikes, Charlie Smith and Ed Vuudgraaff.

Dean Benam and Charlie Coe returned to the United States on business.

CENTRAL TITLIST (By the Associated Press) Central Michigan swept a doubleheader from Northern Illinois to win the IAC baseball crown, and Western Michigan completed its season with a 3-4 victory over Notre Dame in college games over the weekend. Central won its games by scores

### 12 Records Fall, 3 More Tied In Finals

Twelve Upper Peninsula records were broken — a couple of them twice — and three more were tied as high school athletes, basking in an unfamiliar 60-plus degrees, continued to dismantle track marks.

Nearly three-fourths of the records on the books have now been made in the 1960's.

The oldest mark on the books fell, Saturday, when John Hendrickson of Newberry dashed to a 53.1 time in the 440-yard dash, erasing the 53.5 time by Kirkpatrick of Kingsford, set in 1940.

Other A-B marks to fall: Quentin Minkin of Ironwood was a surprise in the pole vault, clearing 11-11 1/2 to wipe out the old 11-8 1/2 mark (Mike Slemac, Holy Name, 1960).

Dan Purple of Gwinn cleared 6-1 1/2 in the high jump, Mel Peterson's 5-10 1/2, set in 1956 for Stephenson, was surpassed while there were still three competitors in the meet.

Dick Berlinki broad jumped 21-1 1/2 for Kingsford, topping ex-Flivver Willie Erickson's 21-0 1/2, also made in that big 1956 meet.

Rene Harger of Munising stunned a crack half mile field with 2:01.1, setting his record in classic style by edging the former record holder, Gary Krueger of Newberry, who ran 2:03.6 last year.

Newberry lowered its own mile relay record by sixth-tenths, to 3:40 flat. This, too, was a 1962 mark.

In Class C: Larry Makimaa of Ontonagon put the shot 51-3 1/4, to erase the 1962 mark (49-8 1/2) by Steve Yatchak of Wakefield.

Jim Hodge of Wakefield not only boosted the pole vault mark to 12-1 1/4 (ex-Cardinal Greg Milhev cleared 12-0 1/2 in 1960), but he tied the 220-yard dash record at 23.4, set by Roger Relich of Bessemer last May.

Fred Hagen of Houghton tied the half mile record at 2:08.1. Mike Leanes of Baraga set the mark last year.

In Class D: Ed Breclaw of Vulcan ran a 2:03.6 half mile, breaking Don Pomeroy's 2:06 for Nahma last year. Ron Zwolinski of DeTour also topped the old record, but did so in the second heat, after Breclaw had already reset the mark.

Bob Huyek of Pickford ran a 53.7 in the quarter-mile, erasing ex-Panther Elwin Leach's 54 flat of last year. Meanwhile, in the Leach family, brother Gary was making sure there were still a pair in the record book, as he tied Jay's 23-second record in the 220 (set in 1956).

Tom Harrison of Pickford topped the pole vault at 11-8, beating Arnold Putala of Baraga, who had reached 11-5 1/2 in 1960.

And the DeTour mile relay team ran in 3:43.8, erasing the record of their 1961 team, which had been 3:45.

### Memphis Open Play Two Days Behind Schedule

MEMPHIS, Tenn. (AP)—Play was scheduled to resume today in the \$50,000 Memphis Open Golf Tournament, which was rained out Sunday and Saturday, but the Weather Bureau gave no comfort.

The forecast was scattered thundershowers likely in the afternoon.

The 81 pros and seven amateurs waited restlessly with two rounds — 36 holes — yet to play.

Lema In Lead — Tony Lema of San Leandro, Calif., held the lead with a 6-under-par 134. Trailing by two shots were Harold Kneese of Aiken, S.C.; Tommy Aaron of Gainesville, Ga.; Jerry Knudson of Toronto and Jerry Edwards of Fort Worth.

A double winner in the U.P. Finals, Gwinn's Dan Purple takes an 880 heat with ease. — (Mining Journal Photos)

### Jimmie, That Is: Connors Aces No. 3

Jimmie Connors, 14-year-old son of Mr. and Mrs. William J. Connors, 425 W. Park St., shot a hole-in-one Saturday afternoon at the Marquette Golf and Country Club course.

It was the first "ace" at the course this season. Young Connors, a freshman at Baraga Central High School, scored his hole-in-one on the No. 3 (par 3) hole, which is 120 yards.

In getting the ace, he follows the footsteps of his father, who scored a hole-in-one on the same hole several years ago, during the qualifying round for a club tournament. His father is the Upper Peninsula and Marquette golf champion.

### Hill Sets Record In Monte Carlo Race; 9 Finish

MONTE CARLO (AP)—England's Graham Hill got off to a fast start in defense of his World Auto Driving Championship by touring the twisting streets of picturesque Monte Carlo in record time Sunday.

The mustachioed Briton deftly guided his BRM over the 100-lap Grand Prix de Monaco in a record 2 hours, 41 minutes, 49.7 seconds for an average of 72.40 miles per hour.

Hill's victory was worth nine points toward the world driving title, of which the Monaco Grand Prix is the first race.

Only nine of the 16 starters finished. Following Surtees were Tony Maggs of South Africa in Cooper, Britain's Trevor Taylor in a Lotus and Joakim Bonnier of Sweden in a Cooper-Climax. Clark was placed in the official standings as eighth, and Jack Brabham of Australia was ninth in a borrowed Lotus.

The next race in the 16 race series for the world title is the Grand Prix of Belgium, June 9.

### BRONC COACH PICKED

FOET WAYNE, Ind. (AP)—Baseball coaches in NCAA District Sunday named Western Michigan's Charles Maher as the district's Coach of the Year. Maher saw his charges compile a 21-3 record since he took over as head baseball coach 25 years ago.

### 3 World Track Marks Fall; 4th Effort Catches Officials By Surprise

(By the Associated Press) Three world track and field records fell in the West this weekend with a fourth one doomed in a bizarre development because no one thought it would happen.

Two marks came at the California relays in Modesto, Calif., as Washington's Brian Stenberg pole vaulted 16 feet 7 inches and the Oregon State University two-mile relay team turned in a 7 minute 18.9 second performance.

Under 45 Seconds — At Tempe, Ariz., in the Western Athletic Conference meet, New Mexico's Adolph Plummer raced 440 yards in 44.9 seconds, breaking the world mark of 45.7 by Ohio State's Glenn Davis in 1958.

The most unexpected development came at the California Relays just minutes after New Zealand's Peter Snell raced a mile in 3 minutes 54.9 seconds for a new American record just one-half second off his world record. Marine Gary Weisiger was second at 3:57.5, his best time, and Jim Beatty a well beaten third at 3:58.

### Brazil '5' Tips U.S., Clinches World Title

RIO DE JANEIRO (AP)—The United States, with a chance to turn spoiler, failed in the final moments and Brazil won its second straight world basketball title.

Defending champion Brazil edged the United States 85-81 in the final game of the World Basketball Tournament Saturday and nailed down the team title with a 6-0 mark in the drawn-out seven-team round robin tournament.

Slavs Top Russ — Yugoslavia upset Russia 69-67 in the other game on the final night and took second with a 3-1 record. Russia was third at 4-2. The United States, beaten by Russia, Yugoslavia and Brazil, finished fourth at 3-3.

France was fifth at 2-4. Puerto Rico sixth at 1-5 and Italy last at 0-6.

### Tie At Half, Foul Out

Brazil took the lead after a 39-39 tie at intermission and stayed in front the rest of the way. The United States lost a chance for a final drive when six players fouled out in the closing minutes, including starters Walt Torrence, Don Kojis and Jerry Shipp and the two big men, Lucius Jackson and Willys Reed, each 6-foot-9.

Baseball standings table with columns for team, wins, losses, percentage, and games back. Includes entries for Baltimore Orioles, Detroit Tigers, Kansas City Royals, etc.

The split left the ninth-place Tigers with 10 losses in their last 14 games and 23 in their last 34.

Colavito has hit only four and Cash five. They were the two biggest sluggers last year—Cash with 39 and Colavito with 37—when the Tigers set the club record of 209 homers.

Had Bases Loaded The Tigers' two-run rally in the ninth of the nightcap just fell short. Reliever Jack Lamabe, appearing for the seventh time in eight games, struck out Jake Wood with the bases loaded for the final out.

Table with columns for 'FIRST GAME' and 'SECOND GAME' showing scores and key players for various teams like Boston, Detroit, and Cleveland.

WESTERN MICHIGAN vs ILLINOIS: The Illini Big Ten champions will be host for the three-day double-elimination tourney starting Memorial Day.

WESTERN MICHIGAN vs NOTRE DAME: Notre Dame and Western Michigan were pitted in the other first-round encounter the same day.

WESTERN MICHIGAN vs ILLINOIS: Western Michigan edged the Irish 5-4 Saturday in a 10-inning regular season classic.

LIONS SIGN TWO DETROIT (AP) — The Detroit Lions signed veteran Pat Studstill and Floyd Peters and rookie Lucian Reeburg to contracts over the weekend for the 1963 National Football League season.

RETELETYPE CONTROL: But Angel Manager Bill Rigney will be chance to track of Belinsky in a remote sort of way, by reading the coast league box scores.

REMOTE CONTROL: But look at it this way: How many major leaguers pitched a no-hitter, led the league in walks, gotten twice, become engaged to a movie star, and stayed up late enough to witness 120 sunrises—all in the space of little more than a single season?

ON APRIL 3: Bo announced his engagement to Miss Marnie Van Doren of the movies.

ON MAY 19: He suffered his seventh loss in eight decisions.

# Bucs' McBean Tops Braves; Dodgers Win

ALVIN O'NEAL McBEAN is a man whose short but successful baseball career has had some very strange twists.

He hooked up with the Pittsburgh Pirates through a quick of fate. He dropped from starter status to bullpen duty this season and has built up one of the best records in the National League in the unfamiliar role of reliever.

McBean won again Sunday as the Pirates beat Milwaukee 5-2 on bonus rookie Bob Bailey's three-run homer in the 11th inning.

WESTERN MICHIGAN vs ILLINOIS: The Illini Big Ten champions will be host for the three-day double-elimination tourney starting Memorial Day.

4:13' Mile Tops Downstate Prep Record Assault: Michigan's youth is running faster and jumping higher—and the state's track record book is getting a wholesale revamping as a result of the 1963 high school championships.

LIIONS SIGN TWO DETROIT (AP) — The Detroit Lions signed veteran Pat Studstill and Floyd Peters and rookie Lucian Reeburg to contracts over the weekend for the 1963 National Football League season.

**LIVING ROOM SUITES**

Noteworthy and newsworthy because of their combination of magnificence and practicality. Deep-cushioned, roomy chair and davenport give the feeling of luxury without straining the budget. A value to be seen, a set to be part of you.

HURRY... BUY A LIVING ROOM SET OR BEDROOM SET FOR \$200.00 OR MORE AND GET YOUR CHOICE OF ANY ITEM ABOVE FOR ONLY \$2.00.

**BEDROOM SETS**

Beautiful furniture designed to be lived with... Furniture that reflects your own good taste... that will help you create a room to reflect your own way of life. Designed to do all these things, it also gives the impression of costing more because of its obvious quality.
