GOV. GEORGE WALLACE

### Muslims Eye Nation Of Negroes

EDITOR'S NOTE — What do the Black Muslims want? Are they serious about demanding a portion of the country for their own Negro nation? Associated Press writer Norman Morin, who was one of his two Pulitzer Prizes for coverage of the 1958 school integration riots at Little Rock, Ark., talked to Black Muslim leader Muhammad Elijah. Here is an insight into the thinking of the leader of the extremist cult.

By RELMAN MORIN

PHOENIX, Ariz. (AP)—"By nature, the black man was created good. By nature, the white man was created evil."

Therefore, he says, the Negro must separate himself completely from the white society in the United States.

Muhammad Elijah is the leader of the Black Muslims. To thousands of Negroes—their number is never stated—he is "The Messenger."

His features are thin and ascetic. The bone-structure of his face is delicate. He has a gentle manner and speaks in soft, measured cadences. Only his large eyes reflect the fire within.

They glowed with a deeper intensity when he said: "The situation will get worse. It is due to the merciless treatment accorded our people."

He lives simply, in a pretty but unpretentious bungalow in Phoenix. From there, he travels widely, spreading his doctrines—the complete separation, not the integration, of Negroes and whites in the nation.

He does not preach violence. But does he hate the white man? All white men? "The Messenger" often answers by indirection, and he now says: "The Bible teaches us to love good and to hate evil. I can't love man (the white man) because he is the very essence of evil."

One of his basic doctrines—the autonomous Negro nation—has not been fully understood, he says. Alternatives: He explains the two alternatives:

"First, let us go back where we came from (Africa). But if we can't be sent back where we came from, why not do this: let the government set up some territory, or a state, for ourselves. Help us to produce the necessities that we are not able to produce for ourselves. Give us 20 or 25 years (to become self-sufficient)."

"If we don't, it's not the master (the white man's) fault. Then you can come in with your guns and kill us all."

This Negro nation, he says, is the ultimate goal of the Black Muslims.

He took the first step in Detroit in 1961. One day, he met a man named Wallace Fard.

He says of Fard: "I recognized him to be God in person and that is what he said he was, but he forbade me to tell anyone else."

"I was a student of the Bible. I recognized him to be the person the Bible predicted would come 2000 years after Jesus' death. It came to me the first time I laid eyes on him."

He whispered in my ear, "Yes, I am the one. But who else knows it?" Then he told me to keep quiet.

Negro slaves in America often took the master's name as their own family name. Hence, the Muslims call themselves "X."

Muhammad Elijah says the original humans were black. Noting that there are white, yellow, brown, red and black races on earth today, he says: "You can get red, yellow, brown and white from black, but you can't get black from any of those colors. Black is the No. 1 color."

Therefore, he says, Adam and Eve must have been black. He asks, "How could they be the father and mother of both the black and white man?"

Joining the Black Muslims, however, is not like joining a church, he says.

"This is the case of a man who already belongs to what you are inviting him into but doesn't know it. The teaching is to acquaint him with the fact that he is a member of the nation he has been lost from. He is asked if he would like to take his place again with his own kind."

In 1942, Muhammad Elijah went to jail for refusing to register for the draft. He was asked whether, today, the Black Muslims would fight for the United States in case of war.

"I can only answer for myself," he said. "I can't tell what the other man would do. I have nothing to fight for here."

WALTER JUDD

### GOP Leaders Begin To Eye Favorite Sons

By JACK BELL

WASHINGTON (AP)—A growing favorite son movement appears likely to force aspirants for the 1964 GOP presidential nomination to scramble for convention support in next year's primaries.

Minnesota Republicans are the latest to come up with the idea of withholding their vote from New York Gov. Nelson A. Rockefeller, Sen. Barry Goldwater, R-Ariz., and other leading possibilities while they assess developments at the nominating convention.

1960 Keynote They are talking of backing former Rep. Walter R. Judd, the 1960 party keynote, in what national committeeman George E. Zell described as more than just a favorite son candidacy. Judd was defeated in last year's election.

The practical effect of a Judd candidacy would be to rope off Minnesota's 26 votes in the early convention balloting and encourage a stalemate from which some nominee other than Rockefeller or Goldwater might emerge. Friends of Michigan's Gov. George Romney think he might benefit by such a circumstance.

Similar Movements Romney may be a favorite son and similar movements are possible in California, Colorado, Kentucky, Ohio, Pennsylvania and Wisconsin. These states and Minnesota will cast a combined total of 354 votes in a convention where the winning nominee will need a minimum of 655.

While the prospect of such hold-outs cuts both ways, Rockefeller's potential convention vote strength in the eight states is regarded as greater than Goldwater's.

The thinking is that both Rockefeller and Goldwater are being pushed into a position where they will have to demonstrate voter appeal in the presidential primaries if they expect to bid strongly for the nomination.

Goldwater, who says he isn't a candidate, has laid down the rule that he won't give consent to the entry of his name in primaries, where that is required.

Rockefeller, expected to be an announced candidate by fall, can be counted upon to enter selected primaries.

Richard Cardinal Cushing of Boston suggests lifting many of the Roman Catholic Church's restrictions on religiously mixed marriages.

Specifically, he wants to do away with the requirement that a non-Catholic who marries a Catholic promise that their children will be raised in the Catholic faith and not interfere with the Catholic partner's religion.

Cardinal Cushing, whose 1.7-million member archdiocese is the second largest in the United States, says the promises are "an irritant to many."

"It is clear from what happens subsequently," he says, that some non-Catholics "make the promises in bad faith."

Cardinal Cushing's views were printed in the June 15 issue of the Jesuit weekly magazine, America. The magazine's feature editor, the Rev. Walter M. Abbott, obtained

# N-Test Ban Talks Slated

## Mayors Back Plan To Ease Race Tension

HONOLULU (AP)—President Kennedy's call for a five-point program to reduce racial tension in cities was taken up today by several of the nation's most powerful mayors who pledged a battle to see it through.

New York Mayor Robert F. Wagner said of the President's message: "It is a real challenge. A lot of us will fight to see that our conference adopts a resolution supporting his position."

Backing up Wagner at the national mayors' conference were Mayor Richard J. Daley of Chicago, Mayor Jerome Cavanagh of Detroit and Mayor Joseph Barr of Pittsburgh.

Cavanagh, in fact, went further in support of Kennedy's suggestions, terming civil rights "the most critical problem confronting the nation today. It is more critical than Cuba or Berlin."

Kennedy made a 30-minute speech to the assembled mayors Sunday afternoon, emphasizing that Negroes are certain to win equal rights and calling on the city chief executives to make the process a peaceful revolution.

Bi-racial Committees Kennedy told the mayors in his address at a Waikiki Beach hotel the time is past "for token moves and talks." It is clear, he said, that Negroes eventually will have equal rights and, "our responsibility, yours and mine, is to see that they are won in a peaceful and constructive manner, and not won in the streets."

The chief executive urged that cities establish bi-racial human relations committees to identify tensions before they reach crisis stage and to help ease them.

He also proposed: • Every local government make certain its own ordinances and operations are constitutional. "Every instance or institution of segregation sanctioned by local legislation or public action is clearly invalid," he said.

Employment • Each local government abolish discrimination in employing and promoting municipal workers.

• Each city government enact laws assuring the rights of all residents of equal employment and housing opportunities and equal access to public accommodations.

• Each mayor undertake a special campaign to encourage young persons of both races to stay in school in order to increase their chances for steady jobs and thus lessen unemployment among the unskilled. "I think this may prove to be, in time, the most important thing we can all do," the President said.

JEROME CAVANAGH

PRESIDENT KENNEDY

## Winds, Rains Belt Lower Peninsula, Damage Immense

(By The Associated Press) Tornado-like winds and heavy rain ripped a million-plus dollars' worth of damage from the west side of Michigan to the east Sunday night.

DETROIT (AP)—For the first time in Detroit history, all 83 city fire companies were called to answer alarms in the same night, a Fire Department spokesman reported today.

The companies were called at different times to fight 75 fires during last night's heavy electrical storm.

Storm-caused accidents injured at least 14 persons, most of them in Belmont. This crossroads town, located 10 miles due north of Grand Rapids, was thrown into darkness when the power failed at 8:05 p.m. and winds destroyed part of a school, the post office and several homes.

Damages in Kent County alone will total more than \$1 million, County Civil Defense Director Jack Barnes said.

Storms toppled barns, killing livestock in both Kent and Allegan Counties.

Streets Flooded Winds clipped branches from trees and damaged buildings in the Howell and Flint areas and at Lansing.

Nearly everywhere — Allegan, Montcalm, Kent, Ottawa and Ionia Counties — citizens called police and weather bureaus to report sighting of tornadoes.

The Weather Bureau planned to determine officially today whether damages resulted from tornadoes touching down or from ordinary high winds. Winds gusted to 80 MPH around Grand Rapids. Lansing was buffeted by 60 MPH gusts.

Streets were flooded so badly in Detroit from sewers backing up that police closed both major expressways for a time. Authorities said a lightning bolt was the probable cause of a five-alarm fire at a two-story equipment warehouse on the west side.

Conflict Division 1287 of the Amalgamated Association of Street, Electric Railway and Motor Coach Employees of America contended the law conflicted with the federal Taft-Hartley Labor Law.

The litigation arose from a dispute between Division 1287 and the Kansas City Transit Inc., which operates in Missouri and Kansas.

## Cardinal Cushing Wants Church To Lift Marital Requirement For Non-Catholics

NEW YORK (AP)—Richard Cardinal Cushing of Boston suggests lifting many of the Roman Catholic Church's restrictions on religiously mixed marriages.

Specifically, he wants to do away with the requirement that a non-Catholic who marries a Catholic promise that their children will be raised in the Catholic faith and not interfere with the Catholic partner's religion.

Cardinal Cushing, whose 1.7-million member archdiocese is the

second largest in the United States, says the promises are "an irritant to many."

"It is clear from what happens subsequently," he says, that some non-Catholics "make the promises in bad faith."

Cardinal Cushing's views were printed in the June 15 issue of the Jesuit weekly magazine, America. The magazine's feature editor, the Rev. Walter M. Abbott, obtained

the cardinal's views in an interview.

Cardinal Cushing's statements followed by a month the official stand taken by the Church of Scotland, a Protestant body, in objecting to Catholic mixed-marriage rules on grounds they were a cause of broken homes and a stumbling block to Christian unity.

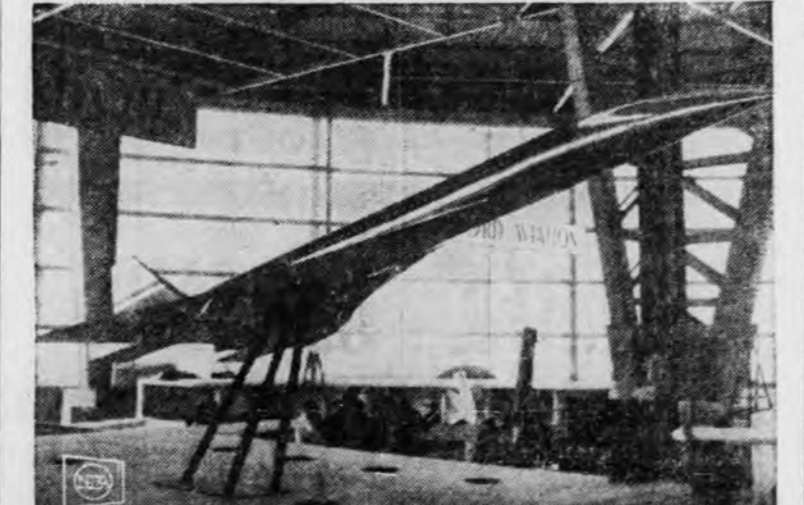

The cardinal, now in Rome to help select a new Pope, predicted the canon laws on marriage will be changed as an outgrowth of the

Ecumenical Council.

By eliminating the required marital promises, Cardinal Cushing said, "we would not be changing any dogma of the Church."

The cardinal also urged gradually eliminating the procedure connected with the Church's Index of Prohibited Books—those condemned as heretical, dangerous to morals or otherwise objectionable.

## Vive Le Concorde

Scale model of the supersonic Concorde airplane is highlight of the 25th International Air Show at Le Bourget Airport in Paris, France. The superjet, a joint Anglo-French project, is designed for a speed of 1,400 MPH, fast enough to cross the Atlantic in 2½ hours. Pan American Airways has ordered six Concorde, to be in service by 1970. (NEA Telephoto).

## News In Brief

WASHINGTON (AP)—The Supreme Court agreed today to consider a series of reapportionment cases, both legislative and congressional, from the states of New York, Virginia, Maryland, Alabama and Georgia. Arguments on them will be heard in the court's fall term beginning in October.

WASHINGTON (AP)—Business will spend a record \$39.2 billion for plants and equipment during 1963, according to a quarterly survey by the Commerce Department and the Securities and Exchange Commission.

TOKYO (AP)—A Japanese freighter and its crew of 33 have been missing since Thursday on a trip from the Philippines with a load of lumber. The Maritime Safety Agency said two search planes and three patrol boats had found no trace of the 2,849-ton Donan Maru.

## Big 3 Negotiators To Meet In Russia

WASHINGTON (AP)—President Kennedy announced today that he, Soviet Premier Khrushchev and British Prime Minister Harold Macmillan will send special negotiators to a high-level conference in Moscow in mid-July for a new effort to conclude a nuclear test ban treaty.

In announcing this new breakthrough in the long test ban exchanges, Kennedy also declared an immediate ban on any U.S. nuclear tests in the atmosphere so long as other states do not test. This put the specific question of a new round of nuclear explosions in the atmosphere up to Khrushchev.

"No Substitute" "We will not be the first to resume," the President said in an address prepared for commencement exercises at American University. "Such a declaration is no substitute for a formal binding treaty—but I hope it will help us achieve one."

The understanding on the Moscow meeting is that it will not be a Summit Session nor a foreign ministers conference but rather a meeting of representatives of Khrushchev, Kennedy and Macmillan, the representatives to be men who command their highest confidence.

"Tempered With Caution" "Our hopes must be tempered with the caution of history," Kennedy said of the conference to break the nuclear deadlock. "But without hopes go the hopes of all mankind."

Kennedy made the announcement of the conference and the declaration of his own limited no-test policy as two of the three

major points of his speech at the university. In the third part he said: "Finally, my fellow Americans, let us re-examine our attitude toward peace and freedom here at home. The quality and spirit of our own society must justify and support our efforts abroad."

"Civil Rights" In this obvious reference to burning civil rights issues, Kennedy declared: "It is the responsibility of the executive branch at all levels of government—local, state and national—to provide and protect . . . freedom for all citizens by all means within their authority. It is the responsibility of the legislative branch at all levels, wherever that authority is not now adequate, to make it adequate. And it is the responsibility of all citizens in all sections to respect the rights of all others and to respect the law of the land."

Sets Stage In some degree Kennedy's nuclear testing announcement served to set the stage for his four-nation European tour starting in about two weeks.

Kennedy said of the new agreement with Khrushchev to try for a nuclear test ban that it is true no treaty can provide "absolute security against the risks of deception and evasion."

"But it can—if it is sufficiently effective in its enforcement and if it is sufficiently in the interest of its signers—offer far more security and far fewer risks than an unratified, uncontrolled, unpredictable arms race."

## Macmillan Orders Profumo Inquiry

LONDON (AP)—Prime Minister Macmillan returned from a golfing vacation today and ordered an inquiry into security aspects of the Profumo scandal which threatens Macmillan's own career.

The inquiry is being made by Lord Dilhorne, who as lord chancellor is Britain's highest legal authority.

He will determine if British Security was breached or was negligent as a result of former War Minister John Profumo's illicit affair with Christine Keeler, a 21-year-old red-haired party girl who at the same time in 1961, was sharing her bed with Soviet naval attaché Capt. Yevgeny (Eugene) Ivanov.

Ivanov is generally regarded as a Russian intelligence agent.

Report In The Works Political sources said Dilhorne's report is in the works and probably will be completed this week. The report will be handed to Macmillan and Labor party leader Harold Wilson but may not necessarily be made public.

Meanwhile, Dr. Stephen Ward, the 59-year-old society osteopath who introduced Christine to Profumo, was brought into the Marlborough St. Magistrate's court today on a charge of living on the proceeds of prostitution. He was ordered held without bail for a preliminary hearing next Monday.

As Ward stood relaxed in the dock in a green sports jacket, pale blue slacks and open-necked shirt, his attorney said Ward "wishes to deny this charge most emphatically."

Opposes Bail Chief Inspector Samuel Herbert of Scotland Yard told the court Ward likely will face a number of more serious charges.

Herbert said he opposed granting of bail because he feared Ward would interfere with prosecution witnesses.

Macmillan refused to comment on the Profumo affair and gave no public indication of concern. But the scandal rocking Britain could spell his downfall as Conservative party leader. His chance of survival depends largely on the showing he makes before Parliament next Monday when asked to explain his role in the background to the intrigue.

If Macmillan fails to give satisfactory answers, one parliamentary informant predicted, there is little doubt he will be pressured even more to resign.

Gravest Threat The gravest threat came from some of Macmillan's own Conservatives who accused him of negligence and naivete in not unearthing the true story of the Profumo affair earlier.

With an edge of about 100 seats in the House of Commons, the Conservatives under normal circumstances could easily turn back any opposition move to bring down the Macmillan government.

expressed doubts whether they can continue to support Macmillan as party leader. Even before the Profumo case broke, pollsters were giving the edge to the Labor party.

Christine has said she and Profumo were lovers. For months rumors had whispered this. Before Parliament in March Profumo denied the rumors. Then last

CHRISTINE KEELER

Wednesday he changed his story, resigned his sub-Cabinet post and quit Parliament in disgrace.

Profumo, while confessing that he and Miss Keeler were more than platonic friends, insisted that British security had not been compromised.

There has been no suggestion that Profumo left classified information leak out. But his position in the double affair obviously made him a candidate for Soviet blackmail.

## Tuscaloosa Showdown Draws Near

TUSCALOOSA, Ala. (AP)—Clinging defiantly to his segregation stand and risking a jail term, Gov. George C. Wallace headed today for an imminent crisis at the University of Alabama.

The two Negro students he has sworn to turn back at the university doors returned to Alabama after a weekend in New York to await the showdown.

"We shall defend our rights and we shall dare to do so," the 43-year-old governor said Sunday night.

"I am going to stand for you at the university," he told the people of Alabama in a radio-television broadcast.

The students, Vivian Malone of Mobile and James A. Hood of Gadsden, are to register Tuesday for the summer session. The governor has pledged to be there and stand in their way.

Wallace planned to fly to Tuscaloosa this afternoon from the state capital at Montgomery, 100 miles to the southeast. Tonight, he is expected to confer with members of the university board of trustees who voted to admit the Negroes on the main campus here and a third Negro at the university center in Huntsville.

The governor is ex-officio president of the board and voted against desegregation despite a federal court order.

Before leaving Montgomery, Wallace renewed his appeal to the people to keep away from the university and let him alone carry out a test of state sovereignty.

Already on the tightly barricaded campus with orders to prevent any possible violence are more than 800 state, county, city and campus policemen.

Waiting in nearby armories on standby duty are more than 500 National Guard troops mobilized Sunday by Wallace.

Wallace said in his broadcast that to send "a loyal Southern governor to jail" would amount to military dictatorship.

He was mindful of a federal court injunction forbidding him to carry out his promised blockade of the Negroes.

Wallace made clear that his army of civilian police and the standby National Guard units will be used only to prevent violence and not to bar the Negroes.

## The Weather

Forecast for Marquette and vicinity: Cloudy and cool with periods of light rain or drizzle, and fog tonight; scattered thundershowers. Low in mid-40's. Tuesday: Mostly cloudy, cool. Highs 55-60. Wednesday: Generally fair, less humid, cool.

Forecast for Lake Superior: Small craft warnings in effect. Winds NE 25-35 knots through Tuesday. Intermittent drizzle.

Data for 24 hours ending at noon: Temperatures — 50 at 6 a. m.; 51 at noon; highest in last 24 hours, 51 at noon today; lowest, 44 at 7:30 a. m.

Relative humidity at noon — 96 per cent. Precipitation — 0.78 of an inch in last 24 hours; total to date this year, 10.01; normal to date, 12.16 inches.

Sun rises at 4:56, sets at 8:42, tomorrow. Records for June 10 — Maximum temperature, 90 in 1911; minimum, 36 in 1911; most precipitation, 2.13 in 1871.

## Reports, Petition Due At City Meet Tonight

Reports and at least one petition are scheduled to be received by the Marquette City Commission at its regular meeting in the city hall at 7 this evening.

City Manager Thomas Moore will submit a report on bids received from scrap copper.

A petition from 31 residents on W. Bluff St., concerning low water pressure, will be received.

City Clerk Everett H. Kent also will report on the accumulated sick leave of city employees.

**Maintenance Contract**  
Kent will refer to the commission the annual maintenance contract of the Michigan State Highway Department with the city.

Communications will be received from the Albin Jarvinen family; from Mr. and Mrs. Carl Pellinen, concerning truck traffic on Clark St. and Wetton and Neidhart

## Employees' Unit Hits Picket Action

Deep concern with the "irresponsible action" by Council 7, AFL-CIO, Association of Federal, State, County Municipal Employees, who are picketing the Ionia State Hospital over the dismissal of an employee, was expressed today by spokesmen for the Michigan State Employees Association.

John Groop, Marquette, a state director at-large of the MSEA, and John Bell, Escanaba, and Mrs. Helen Koskinen, Hancock, regional directors of the MSEA, attended the association's board of directors meeting in Lansing during the weekend. The MSEA represents 13,000 member employees.

Groop said there are 125 state employees in the Marquette chapter of the MSEA and 35 in the Munising chapter of the MSEA.

In commenting on the discussion by the board, Groop said, Association President Wayne Gilmore said, "The board noted that there is an established appeal procedure to be followed in employee disputes such as this. The refusal of the union to follow it only leads us to believe that they are exploiting the incident, at the expense of the individual, to further their membership drive by the use of sensationalism."

**Termed 'Regrettable Action'**  
"The regrettable action by Council 7 creates a bad image of the state and state employees and can have only adverse effect on the patients at the hospital."

"The MSEA Board did not attempt to judge the case of the individual concerned but deplored the action of the union which brings discredit to the career state employee."

"This action coupled with the union's request for 'official recognition' and the repeal of the Civil Service political activity ban seems only to emphasize their real motive of complete domination of State government. The public as well as the state employee has much to lose if this takes place."

ing the U.S. Army in World War II, during which he served overseas.

Survivors are three brothers, Teleshore, Marquette, Herman, San Diego, Calif., and John, Chicago, and three sisters, Mrs. William (Leon) LaPlante, Marquette; Mrs. Agnes Wilson, Indianapolis, Ind.; and Theresa Pleau, Grand Rapids.

The body is in the Fassbender Funeral Home. Arrangements for services are incomplete.

**MRS. JAMES LETTS**  
Funeral services for Mrs. James (Florence) Letts, who died suddenly Friday morning, were held at 9 this morning in St. Peter's Cathedral. Burial was made in Holy Cross Cemetery.

Pallbearers were Richard, Philip and Kenneth Peterson, James Fritz, William Letts and Philip Fedoruk.

Fassbender Funeral Home was in charge of arrangements.

## Death Claims John Hill In Medical Unit

John Hill, 67, of 2116 Presque Isle Avenue, died early yesterday morning in Morgan Heights Medical Section. He had been ill for several years.

Mr. Hill was born March 25, 1896 in Finland and came to this country with his parents as a child.

He had lived in Marquette since that time, and prior to his retirement was employed by the Cleveland-Cliffs Iron Co. on the ore carriers.

He was a veteran of World War I.

He was a member of St. Mark's Lutheran Church.

**Rites Tomorrow**  
Mr. Hill is survived by two sisters, Mrs. J. R. (Jane) Jurva and Mrs. Donald (Saima) LaLonde, both of Duluth; and three brothers, Eli, Jack, and Verne, Marquette.

Services will be held at 3 tomorrow afternoon in the Swanson Funeral Home with the Rev. Thomas V. Asuma, pastor of St.

Mark's Lutheran Church, officiating. Burial will be made in Park Cemetery. Pallbearers will be Bernard McAuliffe, John Johnson, Michael Haley, Wilho Tuominen, Jacob Johnson and Carl Berger. Friends may call at the funeral home after 4 p.m. today.

Tuna are the largest members of the mackerel family.

**Enstrom Resumes Helicopter Tests**

MENOMINEE — The Enstrom Corp. announced resumption of flight testing of its Model F-28 Helicopter.

Federal Aviation Agency flight test personnel are in Menominee to coordinate flight test operations

with Enstrom. Harold Hermes, director of Flight Test Section, FAA Regional Engineering office at Kansas City, Mo., will be flying with Enstrom Chief Test Pilot Mott Stanchfield.

Enstrom expects to receive FAA provisional certification of the helicopter upon completion of the tests.

Enstrom's first Mod 4-28 prototype was destroyed in a test flight mishap last year which was found not caused by mechanical failure.

Paper money was first used in the United States in 1690 in Massachusetts Bay Colony, but it was not until 1861 that Congress authorized the issuance of a national paper currency.

**Obituary**

**NORMAN BECKERLEG**  
Services for Norman Beckerleg, who died Friday morning in St. Luke's Hospital, were held this afternoon in the Swanson Funeral Home with the Rev. John Adams Alford, rector of St. Paul's Episcopal Church, officiating.

Pallbearers were Jack Picardet, L'Anse-au-Frank, Masck, Blaney Park, and Leonard Beaudry, Melville Rich, Louis Dionne and Ralph Kendrick, Marquette. Burial was made in Park Cemetery. Military services were conducted at the graveside.

**WILLIAM EYERS**  
Services for William Eyers, who died suddenly Friday morning in his cottage, will be held tomorrow afternoon at 2 in the Fassbender Funeral Home. Burial will be made in Park Cemetery.

Masonic memorial services will be conducted at 7:30 tonight in the funeral home.

Pallbearers will be six sons of the deceased.

**KNIGHTS OF COLUMBUS**  
Longest river in the eastern United States is the Susquehanna, which begins in Otsego Lake in central New York, and empties into Chesapeake Bay at Havre de Grace, Md. Its west branch flows 160 miles through Pennsylvania.

Mr. Hill is survived by two sisters, Mrs. J. R. (Jane) Jurva and Mrs. Donald (Saima) LaLonde, both of Duluth; and three brothers, Eli, Jack, and Verne, Marquette.

Services will be held at 3 tomorrow afternoon in the Swanson Funeral Home with the Rev. Thomas V. Asuma, pastor of St.

Mark's Lutheran Church, officiating. Burial will be made in Park Cemetery. Pallbearers will be Bernard McAuliffe, John Johnson, Michael Haley, Wilho Tuominen, Jacob Johnson and Carl Berger. Friends may call at the funeral home after 4 p.m. today.

Tuna are the largest members of the mackerel family.

**Enstrom Resumes Helicopter Tests**

MENOMINEE — The Enstrom Corp. announced resumption of flight testing of its Model F-28 Helicopter.

Federal Aviation Agency flight test personnel are in Menominee to coordinate flight test operations

with Enstrom. Harold Hermes, director of Flight Test Section, FAA Regional Engineering office at Kansas City, Mo., will be flying with Enstrom Chief Test Pilot Mott Stanchfield.

Enstrom expects to receive FAA provisional certification of the helicopter upon completion of the tests.

Enstrom's first Mod 4-28 prototype was destroyed in a test flight mishap last year which was found not caused by mechanical failure.

Paper money was first used in the United States in 1690 in Massachusetts Bay Colony, but it was not until 1861 that Congress authorized the issuance of a national paper currency.

**Obituary**

**NORMAN BECKERLEG**  
Services for Norman Beckerleg, who died Friday morning in St. Luke's Hospital, were held this afternoon in the Swanson Funeral Home with the Rev. John Adams Alford, rector of St. Paul's Episcopal Church, officiating.

Pallbearers were Jack Picardet, L'Anse-au-Frank, Masck, Blaney Park, and Leonard Beaudry, Melville Rich, Louis Dionne and Ralph Kendrick, Marquette. Burial was made in Park Cemetery. Military services were conducted at the graveside.

**WILLIAM EYERS**  
Services for William Eyers, who died suddenly Friday morning in his cottage, will be held tomorrow afternoon at 2 in the Fassbender Funeral Home. Burial will be made in Park Cemetery.

Masonic memorial services will be conducted at 7:30 tonight in the funeral home.

Pallbearers will be six sons of the deceased.

**KNIGHTS OF COLUMBUS**  
Longest river in the eastern United States is the Susquehanna, which begins in Otsego Lake in central New York, and empties into Chesapeake Bay at Havre de Grace, Md. Its west branch flows 160 miles through Pennsylvania.

**LAWRENCE G. PLEAU**  
Lawrence G. Pleau, 44, a Marquette County native, was found dead in his apartment at 3333 W. Boston Blvd., Detroit, Friday.

Mr. Pleau was born Aug. 5, 1918, in Negaunee, and had lived in Negaunee and Marquette before en-

tering the U.S. Army in World War II, during which he served overseas.

Survivors are three brothers, Teleshore, Marquette, Herman, San Diego, Calif., and John, Chicago, and three sisters, Mrs. William (Leon) LaPlante, Marquette; Mrs. Agnes Wilson, Indianapolis, Ind.; and Theresa Pleau, Grand Rapids.

The body is in the Fassbender Funeral Home. Arrangements for services are incomplete.

**MRS. JAMES LETTS**  
Funeral services for Mrs. James (Florence) Letts, who died suddenly Friday morning, were held at 9 this morning in St. Peter's Cathedral. Burial was made in Holy Cross Cemetery.

Pallbearers were Richard, Philip and Kenneth Peterson, James Fritz, William Letts and Philip Fedoruk.

Fassbender Funeral Home was in charge of arrangements.

**City Paragraphs**

**Lake Superior Commandery, Knights Templar**, will hold a regular convocation this evening at 7:30 p.m. Supper will be served at 6:15.

The Marquette High School Booster Club will hold its first meeting of the year at 8 tomorrow evening in the Graveraet High School.

Marquette Lodge, Free and Accepted Masons, will hold a special meeting at 7:30 p.m. tomorrow. The EA degree will be conferred. Lunch will be served.

## Death Claims John Hill In Medical Unit

John Hill, 67, of 2116 Presque Isle Avenue, died early yesterday morning in Morgan Heights Medical Section. He had been ill for several years.

Mr. Hill was born March 25, 1896 in Finland and came to this country with his parents as a child.

He had lived in Marquette since that time, and prior to his retirement was employed by the Cleveland-Cliffs Iron Co. on the ore carriers.

He was a veteran of World War I.

He was a member of St. Mark's Lutheran Church.

**Rites Tomorrow**  
Mr. Hill is survived by two sisters, Mrs. J. R. (Jane) Jurva and Mrs. Donald (Saima) LaLonde, both of Duluth; and three brothers, Eli, Jack, and Verne, Marquette.

Services will be held at 3 tomorrow afternoon in the Swanson Funeral Home with the Rev. Thomas V. Asuma, pastor of St.

Mark's Lutheran Church, officiating. Burial will be made in Park Cemetery. Pallbearers will be Bernard McAuliffe, John Johnson, Michael Haley, Wilho Tuominen, Jacob Johnson and Carl Berger. Friends may call at the funeral home after 4 p.m. today.

### 2 Ex-Convicts Seized Here By Sheriff's Officers After Bad Check Spree Across U.S.

A trip from California financed by bad checks came to an end here over the weekend for two ex-convicts, wanted in at least eight states, when they were apprehended by Marquette County Sheriff's officers.

The two ex-convicts arrived here early Saturday morning and had already cashed several hundred dollars worth of forged checks before they came under the suspicion of county officers Saturday afternoon. Sheriff Thomas Jernstad said.

They were arrested yesterday morning, after the sheriff's department learned that warrants are out for their arrest in Pendleton, Ore., and Torrance, Calif.

Being held in the Marquette County Jail are Rodney K. Hutchinson, 24, and John D. Frew, 36, alias John Clark.

Hutchinson is wanted in Pendleton, Ore., for obtaining money under false pretenses and in Montana on another charge. Frew is wanted in Torrance, Calif., for forgery, and in Montana and Ore-

gon for various other charges, Jernstad said.

Police in Pendleton, Ore., said both are on parole from San Quentin State Prison, Calif. The two told officers here they are on parole from a federal prison, Terminal Island, Calif.

Hutchinson and Frew left California early in the last week of May, Jernstad said. They traveled with a stolen car, stolen checks and a stolen credit card for identification, he said.

In Marquette, he said, they passed a number of checks, worth a total of more than \$250, at gas stations and food stores. The checks were signed with the name Dr. J. D. Wimbush, whose credit card they had stolen in Torrance, Calif., officers said. They also may have written a check at a Marquette gas station signed with the name Richard James.

The sheriff's department was alerted Saturday afternoon, after the two wrote a check for \$30 at the Town Center Delicatessen, on Third St., which was not dated or numbered. The Town Center asked

the sheriff's department to locate the pair so that the check could be completed.

**Became Suspicious**

Sheriff's officers found the two men at a Marquette motel. Officers said they became suspicious because the pair had written the checks to purchase a large amount of beer but had also acquired about a minister at a Marquette gas station and because they had abbreviated Oregon as "Og" on the motel register.

The sheriff's department kept the two under surveillance at the motel on the basis of the inquiry from the Town Center and checked with officials in western states for possible records.

**'Be Sure Of Endorser'**

A further cause for suspicion was their practice in cashing the checks, Jernstad said. The pair usually wrote a check for a large amount of beer or liquor, asked the store to keep the beverages cool until they returned, took the change from the check and never returned.

"Merchants should be sure that they know their endorser," Jernstad warned. "This office has processed \$7,000 worth of bad checks in the last 12 months."

Jernstad said the pair had met in prison, planned their spree and agreed to meet when they were free.

The men said they stole blank checks from a gas station in Torrance, Calif., where they also stole a credit card belonging to Dr. Wimbush. They "dropped" forged checks in Torrance, Yosemite National Park, and Lake Tahoe, in California, officers said.

In Livingston, Mont., Hutchinson's car broke down and the men stole a 1963 model car belonging to Bert-Rent-A-Car, Jernstad said.

**Had Worked Here Before**

They traveled through Nevada, Washington, Idaho, Colorado, Oklahoma, Kansas, Mississippi, Illinois, and Wisconsin. They told officers they "dropped" at least nine checks in those states.

They came to Marquette, they said, because Frew had worked in the area previously.

### One Injured, Two Ticketed In Area Traffic Collisions

One person was injured, two motorists were issued tickets and three automobiles were damaged in three area traffic collisions which occurred in this area during the weekend and were investigated by state police.

Four other Marquette County collisions were probed by state police from the Marquette post during the weekend (see story on Page 10) and two took place in the city (see other local story). Reports on this area's mishaps follow:

Extensive damage occurred to the right front of McLaughlin's automobile, a 1956 station wagon, which had to be towed from the scene by a wrecker.

**Speed Law Violation**

State police ticketed McLaughlin for violation of the basic speed law.

2. An automobile being driven south on County Road 553 by Fred Haglund, 24, Skandia, went out of control when he missed a right curve, three miles south of County Road H.I. in Sands Township, at 3:55 Saturday afternoon.

Haglund's vehicle traveled off the left side of the highway, smashing into several large rocks.

**Ticketed For Speeding**

The left side and front end of Haglund's 1954 sedan were damaged and the automobile was removed from the scene by the driver.

Haglund was given a ticket by state police for violation of the basic speed law.

3. At 8:45 last night a car being driven north on U.S. 41 by Norma Brunelle, 49, of 417 E. Magnetic St., Marquette, struck a deer which ran out from the east side of the highway into the path of her car.

The right front of the Brunelle automobile, a 1955 sedan, was damaged, but the car was able to be driven from the scene under its own power.

The mishap occurred a half mile north of County Road 541, in Skandia Township.

### Five From City Hurt In Smashup

Five Marquette residents were injured, three of them being hospitalized, as a result of a smashup at 5 yesterday afternoon on U.S. 2 and U.S. 41 in Masonville Township, Delta County, near Rapid River.

The injured, all passengers in the automobile, were: Agnes Lucier, 60, who suffered a lacerated hand and contusions; Louise Andraszek, 56, who sustained contusions; and Mrs. William McEachern, 70, treated for a laceration to the leg and contusions.

All three were X-rayed for possible internal injuries. They were reported in fairly good condition this morning by St. Francis Hospital in Escanaba, where they are patients.

State police from the Gladstone post said the car, driven by Olive J. Vivian, 67, Marquette, blew a tire as it traveled south, went off the right side of the highway, and traveled into the woods.

A fifth person in the car, Elsie Dionne, 72, and Mrs. Vivian, were both treated at the hospital for minor injuries and released.

Luxembourg's 315,000 people are of mixed Gallo-Germanic stock.

### Four Vehicles Damaged In Mishaps Here

Four automobiles were damaged and a motorist was ticketed, but no one was hurt, in a pair of traffic mishaps in Marquette during the weekend.

At 12:10 Saturday afternoon a car being driven away from the curbing on the west side of N. Third St. by Philip H. Quantz, 1715 Fitch Ave., struck the right side of an automobile operated by Steve A. E. Johnson, 1107 N. Fourth St., who was traveling south on Third, near the W. Park St. intersection.

The right front and door of Johnson's 1959 station wagon and the left front fender of Quantz' 1953 sedan were damaged. Both cars were driven from the scene under their own power.

**Issued Two Tickets**

Quantz was issued two summonses by city police, one for a right-of-way violation and the other for driving a vehicle with defective brakes.

The other collision took place at 6:45 last evening in the 900 block of W. College Ave. City police said an eight-year-old boy got into a car owned by the Rev. Olaf E. Bakken, 901 W. College Ave., which was parked in the yard, and started the car, releasing the brake.

The Bakken car went across the street and onto the lawn of the Henry Isabelle residence at 982 W. College Ave., smashing into Isabelle's car, which was parked in his driveway.

Minor damage occurred to the right front fender of Isabelle's 1960 sedan and to the right front fender of the Bakken car, a 1962 sedan.

### Openings For State Prison Guard Listed

An open competitive examination for positions as a guard has been announced by the Michigan Civil Service Commission.

Persons employed through this examination would be in "class B" and would guard buildings or grounds at the Marquette State Prison, in search of inspect doors and equipment, and provide escort services.

**Due June 17**

Positions in this class are open to men only. Positions are located in Marquette, as well as in Grand Rapids, Adrian, Kalamazoo, Pontiac, Northville and Battle Creek.

Applications must be received by the Michigan Civil Service Commission by June 17. A written examination will be administered June 20.

Application forms may be acquired at the Marquette State Prison, the Marquette County Clerk's office or the Michigan Employment Security Commission office here.

### Weekend Rains Total 1.05; More In Store This Week

Marquette was doused with as much rain over the weekend as it ordinarily gets, on an average, the first 17 days of any June—and more is in store.

The city received 1.05 inches of precipitation in the period from midnight Friday to 7 this morning, according to Fred Mueller, meteorologist in charge of the U. S. Weather Bureau office here. That figure is the average for the entire month to date.

Saturday's rains accounted for 27 of the total, while 77 fell yesterday and an additional 71 of an inch from midnight last night to 7 a.m. today.

**Month's Total Up, Year's Down**

The month's total rose to 2.26 inches, which is more than twice the amount (1.05) usually received by this time in June. The year's total was boosted to 10.01 inches, but that amount remains lower than the 12.16 inches normally received by now.

Heaviest showers of the weekend occurred between 1 and 2 p.m. Saturday, when .26 of the day's 27 of an inch fell in the city. Rains were generally light yesterday, but from midnight to 3 this morning, another .58 of an inch of precipitation was recorded.

**High Winds Accompanied the Saturday Afternoon Rainfall,** when skies blackened and winds of 32 miles per hour from the southwest, with stronger gusts, were clocked at the weather bureau.

Some damage was reported in scattered outlying areas (for example, one bathhouse was reported blown 30 feet from its original site on Kawabagum Lake and the boat it housed was dented), but there were only minor power problems and no telephone trouble reported in the city.

Winds here yesterday peaked at 17 MPH from the north, Mueller said—a far cry from conditions downstate, which were more serious. (Story on Page One.)

Temperatures in Marquette Saturday ranged from a low of 50 to a high of 72, averaging 61, which was three degrees above normal for June 15. Yesterday's high of 62 and low of 45 averaged 57, and that was one degree below normal for the day.

Mueller said the daily average temperature for the month of June, to date, stood at 5.1 degrees above normal this morning.

**Low Of 44 Here**

Overnight, the mercury here fell to 44, which was about par for the Upper Peninsula. Other minimums reported: 45 at the Marquette County Airport; 42 at Calumet; 46 at Sault Ste. Marie; 50 at Escanaba.

Most of those communities reported conditions similar to Marquette—rain or drizzle with some fog. The picture was expected to continue in that vein today, with a high of 55 predicted.

Tonight's forecast calls for cloudy skies, cool weather and periods of light rain or drizzle with some fog and a low in the middle 40's. Tomorrow will be mostly cloudy and cool, with a high around 55, while the outlook for Wednesday is for generally fair and less humid but continued cool weather.

The five-day forecast for Marquette and vicinity, beginning tonight and ending Saturday night, calls for temperatures to average four to eight degrees below normal. The normal high for this period is 69, the normal low, 50 degrees.

Cooler through midweek, warming slightly Thursday and Friday and cooler again about Saturday is the general outlook, with precipitation during the week expected to total a half to one inch, mainly in periods of showers or thunder-showers about Friday and Saturday.

Total solar eclipses, though fairly common, are not often easy to witness. The band of totality frequently passes over desolate places.

### AMAZING PSORIASIS STORY

Jan. 10, 1960 — Pittsburgh, Pa. "Doctored for psoriasis 30 years. Spent much money to no avail. Then used GIP Ointment and Tablets for 2 weeks. Scales disappeared as if by magic. In 6 weeks skin completely cleared and clean. First time in 30 years. Thanks for your marvelous products." This much abbreviated report tells of a user's success with a dual treatment for the outward symptoms of psoriasis. Full information and details of a 14-day trial plan from Canam Co., Dept.

Participating in the 63rd annual commencement ceremony at Northern Michigan University yesterday were, from left: Rev. Herschel Martin, pastor, First Baptist Church, Marquette; Dr. Edward Pfau, dean of education at Northern; Dr. Edgar L. Harden, president of Northern; Dr. J. W. Maucker, president of the State College of Iowa and commencement speaker; Dr. Chris H. Magnusson, district president of the State Board of Education, and Milton B. Byrd, Vice President for Academic Affairs, NMU.—(NMU photos).

Among the 279 graduates who received degrees during the Northern Michigan University commencement ceremony yesterday was Ronald A. Johnson, Marquette, shown receiving congratulations from Dr. Edgar L. Harden (left), president of NMU. The program was held in the NMU fieldhouse.

Louis F. Taccolini, Marquette, being hooded by Dr. Clarence M. Bjork (left) and Dr. Edward Pfau, of arts degree at Northern yesterday.

Janice B. Wilson, Marquette, was among the 279 graduates who received degrees during the NMU commencement in the Northern fieldhouse yesterday. She's shown receiving congratulations from NMU President Edgar L. Harden.

## NMU Graduation Speaker Notes Role Of Student

Role of the student who continually strives to better understand the world around him, to seek out reasonable answers to crucial questions, and to take a stand on critical issues, is not easy, Dr. James W. Maucker, president of the State College of Iowa, told Northern Michigan University graduates yesterday.

But this is the kind of student the world needs, he said, if we are to maintain personal, intellectual honesty in human affairs.

Dr. Maucker was the principal speaker during the commencement ceremony in which degrees were granted to 279 students, the largest graduating class in Northern's history and the first to graduate since Northern received university status.

Discussing what it means to be a student, Maucker said "if we are worth our salt as students, we shall continue to be students — not just to the degree necessary to get by in our vocations — but seriously and wholeheartedly. For being in any significant sense a student is not a matter of matriculation, but of degree of concern with, and method of approach to, any given subject or problem.

Motivation, Etc., Important  
"Courses and credits have very little to do with it. Motivation, thoroughness, objectivity conviction are all important."

Maucker said "the student places high value on knowledge and the channels for its dissemination kept open."

The student should be more than a technician or specialist, Maucker said. "I ask each of you seriously to consider to what extent you are now a reasonably well-informed student of human affairs — a philosopher, if you please," he said.

Stressing the willingness of the student to take a stand, Maucker said "It is not easy, especially when the crowd you travel in frowns on your ideas — when the good, respectable people with whom you daily associate resent, or perhaps bitterly denounce, the notions that you are led by sober reflection to think right or just or appropriate."

"It is much easier to coast, to drift, to dodge the issue, to bury yourselves in routine and details, to rationalize. You are likely to be misunderstood. You are likely to be lonely."

### Judgment Called For

The matter is all the more difficult, he said, "because so much judgment is called for. The serious student is not a faddist; he does not espouse reform for reform's sake. He is no more the doctrinaire iconoclast, gleefully upsetting tradition, than he is the stick-in-the-mud worshipper of things as they are or of 'good old days.' His revolt is not the tantrum of the frustrated child."

"He does not swing a club or deal in combat. If something strikes him as tyranny, he must first inquire if, in truth, it be tyranny. He does not expect the

millennium to come day after tomorrow.  
"Recognizing anarchy for what

it is, he strives to right wrongs through orderly processes, usually through compromise not wholly acceptable to anyone."

### Need Intellectual Honesty

In closing, Maucker said "it is my personal belief that the quality this suffering old world needs as much as any other, it that of per-

sonal, intellectual honesty."

Dr. Chris Magnusson, Detroit, retiring president of the State Board of Education congratulated the graduates and commended "all who have contributed to the growth and progress of this institution which I have seen grow from

1,300 to more than 3,000 students and from the status of college to university."

Candidates for degrees were presented by Dr. Milton B. Byrd, vice president in charge of academic affairs, and degrees were conferred by Dr. Edgar L. Harden, president of Northern.

## Importance Of Area Told In FRB Survey

Strategic importance of this region is pointed up in data obtained from the Federal Reserve Bank of Minneapolis.

Homer Hilton Jr., member of the Marquette Chamber of Commerce's military affairs committee, disclosed the data in addressing the meeting of Upper Peninsula business and professional people here last week, when a regional committee was formed to strive for the establishment of a missile base in the Peninsula.

In 500-Mile Radius  
Hilton said the strategic importance was cited in the survey made of the area within a 500-mile radius of K. I. Sawyer Air Force Base in Marquette County and Kincheloe AFB, in Chippewa County.

Within this area, the survey by the FRB shows, is 23.6 per cent of the U.S. population.  
The area also has 31.6 per cent of the total manufacturing capacity of the U.S., 45.8 per cent of the total pig iron production in the country and 25.3 per cent of the passenger cars in operation.  
It also has 23.3 per cent of new

car registrations (as of 1960), 75 per cent of the iron ore production in the U.S., 24.2 per cent of the chemical manufacturing in the U.S. and 63.8 per cent of the machine tool manufacturing in the U.S.

### Helps U.P. Argument

Further, this region also has 39.9 per cent of the electrical machinery manufactured in the U.S. and 24.5 per cent of the electrical energy produced in the country.

"This data," Hilton said, "along with our geological data, has helped the region present a strong case for the establishment of a missile base in the Upper Peninsula."

From 1917 to 1952 the U.S. government paid hunters in Alaska a bounty to kill the bald eagle as a pernicious predator. More than 100,000 were slaughtered.

New 58,400 kilowatt electric generator is shown just prior to shipment from the General Electric Co. plant in Lynn, Mass., to Upper Peninsula Generating Co.'s Presque Isle Station at Marquette. This is the third and largest unit to be installed in the Presque Isle Station, and when in operation in November of this year will about double the present capacity of the plant.

## Shipment Of U.P. Power's Huge Generating Unit Helps Publicize Northern Peninsula

"More Electric Power to Upper Michigan" was the message recently publicized across several eastern states when Upper Peninsula Generating Co.'s third and largest generating unit was in shipment by railroad from the General Electric Co.'s plant at Lynn, Mass., to the Presque Isle Station at Marquette.

According to John H. Warden,

## Five Members Of Sawyer Wing Retire

Five members of the 410th Bombardment Wing at K. I. Sawyer Air Force Base retired from the Air Force last week, bringing to a close their military careers.

In addition, three of the retiring men received Air Force Commendation Medals from Col. Madison M. McBrayer, the wing's vice commander.

**24 Years In Service**  
Leaving the service after almost 24 years was Lt. Col. Harry P. Gibson, director of personnel until his retirement. He received the first oak leaf cluster to his commendation medal at the retirement ceremony presided over by McBrayer.

Capt. Charles Dailey, who was also in the personnel directorate, retired with over 20 years in service, as did CMSgt. John D. Williams, MSgt. William Green and TSgt. Lonnie C. Sherouse, all of the 410th Organizational Maintenance Squadron.

Williams, non-commissioned officer in charge of the bomber flight line and support branch, and Sherouse, who headed the bomber branch inspection team, also received the medals for meritorious service.

Sergeant Green was a shift chief in the tanker alert area.

That's what many authorities on child health are saying nowadays. They view with growing concern the lack of vigorous activity that once kept young bodies "in shape." They strongly urge more daily exercise to improve the physical condition of every girl and every boy.

What can you do about this problem? First, you should find out about the physical education program in your child's school. Talk it over with your local school officials.

If your child's school doesn't have a program calling for at least 15 minutes of vigorous activity every day, urge the adoption of a program that will do so.

A basic program has been developed which any school can easily get started. For information about it, write to The President's Council on Physical Fitness, Washington 25, D. C.

Published as a public service in cooperation with the Advertising Council and the Newspaper Advertising Executive Association.

## Betts Heads U.P. Legion Parade Group

Miles E. Betts, Marquette, parade chairman for the Upper Peninsula American Legion convention, stated that this year's parade, the first Legion convention parade to be held in Marquette since 1935, will be one of the largest ever held in the U. P.

The Legion convention will be held in Marquette June 29-31. The parade will begin at 2 p. m. Saturday, June 22.

Grand marshal will be Col. Richard W. Davania, K. I. Sawyer Air Force Base, commander of the Sault Ste. Marie Air Defense Sector.

### Romney, Legion Head Due

Also appearing in the parade will be Gov. George Romney and National American Legion Commander James Powers of Macon, Ga.

The parade also will include units from the 49th Air Defense Squadron which will be held in downtown Marquette on Friday evening, June 21.

Betts said it is expected that the parade's line of march will be south on N. Fourth St. to W. Washington St., east on Washington St. and south on Front St. to Baraga Ave.

The reviewing stand will be in front of the city hall. Parade dignitaries will be in the reviewing stand by the time the parade is half completed.

### Improper Passing

A fine of \$6.30 and \$3.70 costs were paid by George D. Papadakis, Escanaba, for improper passing (on the right) on U. S. 41 in Sibley Township. State police issued the summons Sunday.

Larry P. Laine, Route 1, N. Sable, paid a fine of \$4.30 and \$3.70 costs for speeding — driving 40 miles per hour in a 25-MPH zone on Lincoln Ave. He was ticketed by city police last Monday.

### Charge Dismissed

A charge of failure to yield the right-of-way against Robert J. Luke, 703 W. College Ave., was dismissed. Luke was ticketed by city police following an accident Sunday at the intersection of W. College Ave. and Second St.

Luke had pleaded not guilty to the charge earlier last week and he was found not guilty by Judge Dembowski after testimony was given by Patrolman Daniel Krieg.

### Was Found Guilty

Wichman entered a plea of not guilty earlier in the week, but following testimony by Trooper David Needham yesterday, he was found guilty and fined by Judge Dembowski.

Mario J. Palencia, County Road 530, was ordered to pay a fine of \$6.30 and \$3.70 costs for failure to have his vehicle under control. He was ticketed by city police May 28, following an accident on N. Front St.

For failure to yield the right-of-way, Diana R. Brugman, Wright St., paid a fine of \$6.30 and \$3.70. City police issued the ticket following an accident May 30 at the

## Marquette Firemen Called Out Twice During Weekend

Marquette's fire department was called out twice during the weekend, with no serious damage resulting.

At 11:30 Saturday morning firemen were summoned to the west end of Spring St., where an abandoned car in a junk area caught fire, west of the Soo Line Railroad Co. shops.

Firemen used the booster hose off the No. 5 (500-gallon) pumper to put out the flames. Three firemen responded, returning to the station at 11:53 a. m. They said some children playing with matches set the car on fire, with the upholstery burning.

Firemen also were summoned at 11 last night to 410 N. Third St., where some gasoline leaked from a 1958 sedan owned by David Michalski.

Firemen used the booster hose off the No. 2 (1,000-gallon) pumper to wash away the gasoline. They returned to the station at 12:05 a. m. Three firemen also responded to this call.

## Progress At Tech Noted By Van Pelt

HOUGHTON — Michigan Tech is no longer a small engineering school, Dr. J. R. Van Pelt, president, said Saturday at the college's 76th June commencement. "But size alone is an unworthy goal."

In his opening "state of the college" remarks, Van Pelt said statistics released last month by the U. S. Department of Health, Education and Welfare "clearly show Tech's position of leadership in engineering."

"In 1960-61, the latest year for which figures are available, our enrollment placed us first in Michigan and five fields of engineering. On a nationwide scale, four of our departments ranked third in the nation and one ranked fourth."

Need Other Things  
However, he added size must be combined with professional leadership, intellectual productivity and imaginative thinking — in short, creativity.

Citing examples of Michigan Tech's creative undertakings and accomplishments during the past year, Dr. Van Pelt said:

• The board of control approved doctoral programs in chemistry, geology, engineering mechanics and metallurgy. Enrollment in the

graduate school is growing more rapidly than at the undergraduate level.

• On June 5 Michigan Tech granted its first associate degrees to a group of students in mechanical technology at the Soo Campus. This is one of several two-year programs, known generally as technical institute programs, which will be extended to the Houghton in the near future.

• The college this year created the department of biological sciences, and the first B. S. degree in biological sciences was awarded Saturday.

• Based on dollar volume, Tech's research activity has grown 23 per cent during the past year.

• Michigan Tech's graduates continue to be highly prized in industry. This year more than 300 of the nation's leading firms sent personnel recruiters to the campus to interview members of the 1963 graduating class.

• Construction was started on Fisher Hall, a new mathematics-physics building on the Houghton campus, and planning work was made available for a new Library Building; funds were approved for a new classroom-laboratory building on the Soo campus.

• Faculty members have continued to bring credit to themselves and to the College through professional activities of many kinds in addition to their primary work of teaching and research.

Tech conferred degrees on 334 candidates for B.S. degrees and 18 candidates for M.S. degrees. The address was given by Brig. Gen.

Oran O. Price, Headquarters, U. S. Air Forces in Europe, Wiesbaden, Germany.

Honorary doctor of engineering degrees were conferred on Gen. Price, Wilfrid C. Polkinghorne and

Charles H. Funkey. Polkinghorne is professor of civil engineering emeritus and Funkey is a Tech alumnus living in Johannesburg, South Africa. His honorary degree was awarded in absentia.

NOBODY WILL KNOW YOU'RE WEARING THEM!

Thursday, the church council will meet at 7:30 p. m. Friday at 7 p. m., the Vacation Bible School will hold its closing program. **First Methodist Church Organiza-**

### Local Girl Will Attend Interlochen

Karen Lawson, who graduated this week from Graveraet High School, has been awarded an art scholarship by the Michigan Federation of Women's Clubs for an eight-week course at the National Music Camp at Interlochen. Miss Lawson, who is the daughter of Mr. and Mrs. Eldon Lawson, 1517 Lincoln Ave., is one of four winners of MFWC scholarships awarded this year. She was also one of four local students who won first place in the district art talent contest conducted this spring by the Michigan Federation of Women's Clubs.

Through its Penny Art Fund, the MFWC has built the Fine Arts Building and two scholarship lodges at the National Music Camp. Rentals from the lodges, together with the money clubs donate to the Penny Art Fund provide the art scholarships to talented young people of high school age for summer study at Interlochen.

The Fine Arts Building was donated to the National Music Camp by the Michigan Federation in August 1945 for use as an art study hall and the first scholarship lodge was donated to the famed Music Camp 12 years ago for use as a rental lodge. The new scholarship lodge (two units) was dedicated in August 1956.

A series of colored slides, depicting the life of the young students at the camp, is available to all clubs, according to Mrs. S. James Bessolo, Negaunee, federation president. The Penny Art Fund, established in 1912, has recently been renamed the Interlochen Art Fund, Mrs. Bessolo reports.

Miss Lawson will attend Interlochen from June 23-Aug. 19.

### Sion Bible School Opens, To Continue Throughout Week

"Walking with God" is the theme of the Vacation Bible School in session this week at Sion Lutheran Church.

The Rev. J. William Sippola, Sion pastor, announced today that all children of the community are welcome to attend the school, which is meeting daily through Friday from 9 a. m. to 12.

Serving on the teaching staff are Mrs. Wilmer Heikkila, superintendent; Mrs. Eino Olander, Mrs. Walter Johnson, Mrs. Arnold Ahonen, Mary Hintsala, Patricia Nevala, John Sippola, Richard Witala, Mrs. Helen Peano and the Rev. Mr. Sippola.

### Airmen's Wives Donate To Fire Victims

Members of the Airmen's Wives Club at K. I. Sawyer Air Force Base pose before clothing gathered recently to aid the family of Airman Daniel Berg of Marquette whose home and household effects were destroyed last month during a fire. Pictured here, from left to right, are Lily Jones, Willie Craddock, Caren Sprague and Jackie Fish-inghawk. (USAF photo).

### Contest For Queen Title Fair Feature

The prettiest girls in Northern Michigan will seek the Upper Peninsula State Fair queen title for 1963 in the contest to be directed this year by Mrs. Arthur Carlson of Escanaba.

Talent and personality as well as beauty are considered by judges in selecting the U. P. State Fair queen, said Mrs. Carlson. Last year's queen was Miss Nancy Johnson of Manistiquie.

Candidates must be not less than 16 or more than 22 years old, unmarried, and sponsored by a local committee or organization. The candidates are usually representative of a local festival, such as a homecoming, fishing derby, or other event or celebration.

Wednesday, Aug. 14, will be Queen's Day at the U. P. State Fair and Michigan's Gov. Romney is also scheduled to visit the fair on that day, according to Ray LaPorte, secretary-manager. It is hoped that the Governor will appear in the afternoon at the Queen's contest.

The U. P. State Fair queen will represent the Upper Peninsula at the Michigan State Fair in Detroit in the late summer.

Registration blanks and other information about the queen contest may be obtained from Mrs. Carlson at 610 S. 16th St., Escanaba.

### Wednesday's League Starting Rounds At Golf Club This Week

Women golfers and bridge players who meet Wednesday afternoons during the summer at the Marquette Golf and Country Club have scheduled opening rounds of the season this Wednesday beginning at 1. A luncheon will be served at 12 to 12:30.

Wednesday golf league captains are Agnes Micklow, Marion Cory and Becky Floria, and chairman of the bridge group is Jerry Dobson. Women interested in participating in the league activities this season are urged to attend the opening meeting; further information may be obtained by calling Mrs. Floria at CANal 6-8283 (for golf) and Mrs. Dobson at CANal 6-9804 (for bridge).

Golf will get underway Wednesday promptly at 1, with threesomes teeing off five minutes apart as follows:

- 1 p. m. — Louise Beldo, Peg Dahlke and Bye.
- 1:05 — Bee Wilson, Vera DeHaas and Grace Denny.
- 1:10 — Sally Brebner, Margaret Persitz and Marion Cory.
- 1:15 — June Snyder, Marge MacDonald and Alice Mason.
- 1:20 — Louise Rushton, Marie Lowe and Lou Luke.
- 1:25 — Alice Baldwin, Louise DeHaas and Ann Frazier.
- 1:30 — Edith Morrison, Jana Kendrick and Theresa Mueller.
- 1:35 — Becky Floria, Peg Fimbinger and Bobbie Bolitho.
- 1:40 — Lola Salo, Sally Chisholm and Ethel Conroy.
- 1:45 — Norma Biolo, Ellie Polzin and Carolyn Johnson.

### Trowbridge Church Having Bible School; Program On Sunday

Vacation Bible School opened this morning at Trowbridge Park Covenant Church and will continue throughout the week, the Rev. Harold E. Nelson, pastor, has announced. The final program will be Sunday at 7 p. m.

Sessions will begin at 9 each morning through Friday and will be concluded just after 11:30, the Rev. Mr. Nelson reported.

Gospel Light materials are being used in the classes this summer with the overall theme "Living With Christ." The class for the three, four and five-year-olds is being taught by Mrs. Ray Lu-bakka, Linda Thompson and Anita Sicotte; the primary pupils are being taught by Mrs. Clifford Hultgren, Mrs. Frank Sicotte and Mrs. Roy Copley and the juniors' teachers are the Rev. Mr. Nelson, Mrs. Daniel Bess and Mrs. George Greenwald.

Director of the school this year is Mrs. Greenwald, Sunday School superintendent.

### Four Area Artists Showing Paintings In Student Center

Paintings by four area artists, all members of the Lake Superior Creative Arts Association, are in the June exhibit at the Northern Michigan University Student Center.

Exhibiting are Catherine Hawes of Marquette, who is showing two oils; Dorothy Gleason of Negaunee, who has hung two pictures, one watercolor and the other an oil; Lois Levine, also of Negaunee, who has two still lifes in oil, and Helen Collins, Negaunee, who is showing two oils.

The local artists' exhibits are a year-round attraction in the Student Center lobby.

### Honored Queen Of Bethel 16

Barbara Fisk was installed as honored queen of Bethel No. 16 of the Order of Job's Daughters at a public installation ceremony Saturday evening in the Masonic Temple. Miss Fisk, daughter of Mr. Claude Fisk and the late Mr. Fisk, is a graduate of Graveraet High School and will be a sophomore at Northern Michigan University next fall. (Lemon Studio photo)

### Jaycette Officers' Reports On Agenda Tomorrow Evening

Retiring officers of the Marquette Jaycettes will turn in their reports for the year at a meeting to be held tomorrow evening at 8 in the Clifton Hotel.

Also on the agenda are a report by Mrs. Gary Dahke on the state convention in Lansing, a discussion of the district convention and a report by Mrs. James Warren on a recent rummage sale sponsored by the Jaycettes. Summer activities, including a picnic, and the annual membership drive will be discussed.

Hostesses for the evening will be Mrs. Walter Koski and Mrs. George Summers Jr.

### Births

**HILLIER** — A son was born June 7 at St. Mary's Hospital to Mr. and Mrs. Raymond Hillier, 436 McMillan St., Marquette. **HAVICAN** — A son was born June 7 at St. Mary's Hospital to Mr. and Mrs. Dennis Havican, 209 Fisher St., Marquette. **BOYD** — Mr. and Mrs. David

### Engaged

Mr. and Mrs. Philip A. Sarvello of Ishpeming announce the engagement of their daughter, Concetta Ann, to Airman 2-c Carl F. Underwood, son of Mr. and Mrs. Carl E. Underwood of Dayton, O. Miss Sarvello is a junior at St. Luke's Hospital School of Nursing in Marquette, and her fiancé is presently stationed at K. I. Sawyer Air Force Base. The wedding is planned for Aug. 24.

### Lines from Lou's

Off we go, into the wild blue yonder. Yep, (this is Ken writing, Maggie wouldn't use this word). We're on our way to New York this afternoon to buy some of the late fall and winter styles. What will we see? Dresses, coats, formal, wedding gowns, scads of sportswear — sweaters, slax, ensembles, you name it and we'll be buying it this coming week. Will have a lot to tell you when we return and maybe will get a column right on the scene. Meanwhile — back here we'll be leaving with the store just full of wonderful summer cottons and jerseys; perfect for these hot days. And if you're sportswear minded, LOU'S is just the place. We've just received another shipment of cord from Binder of Boston, and wait until you try on the seersucker group from Rosecrest! By the way, if you're adventurous and like clothes, stop in and ask to see the "Preview for Fall." We won't tell you any more, but we can say you'll like it. Just a reminder that this column will run only on Monday during June and July. See you at LOU'S in the center of Marquette. —(Adv.)

## Putting On Pounds

Marquette County's male population is carrying around tons of excess weight. The average man, locally, is about five pounds heavier than was his counterpart, of the same height, in 1929. What this adds up to, for the male community as a whole, is an increase of 145,550 pounds, or 72.8 tons.

The figures are based on averages determined through national surveys conducted by the Society of Actuaries and by the Department of Agriculture.

The degree of overweight, compared with 1929, appears to vary with age and with height. For the 5 foot-8 inch group, it is found that four extra pounds have been put on by those who are 25 years old, six pounds by the 35-year-olds, five pounds by those who are 45 and three pounds by men at age 55.

## Peninsula Perambulator

Two Escanaba youths, Pat Quinn, 16, and Ward Zeno, 15, have left for a 900-mile excursion around Lake Michigan by bicycle. The trip — on which they will spread news of Escanaba's upcoming centennial celebration — will take them eastward toward the Straits of Mackinac, southward through Lower Michigan and then around the southern end of Lake Michigan and northward through Illinois and Wisconsin. They're carrying a tent, sleeping bags, clothes, first aid supplies and a repair kit.

Ronald Dahms, Northern Michigan College graduate and former basketball coach and teacher at Trenary, has been named superintendent of schools at Rapid City, near Traverse City.

Rex J. Wells will end a 20-year career as mill manager of Kimberly-Clark Corp.'s printing and publication paper plant at Niagara, Wis., July 1. Active in public affairs, Wells is a member of the Upper Peninsula Industry-Education Committee and also served on the advisory board of Northern Michigan University.

## From The Journal Files

### 90 Years Ago

—Marquette—

Last Monday evening, while a little son of Mr. Williams, residing about a half mile from Eagle Mills, was looking after the cows, he discovered three bears, who rose up and started to growl, so the youngster made tracks for home. Mr. Williams, armed with a gun, sallied forth and, assisted by his older son and dogs, succeeded in dispatching the mighty monsters of the wilderness. One weighed between 400 and 500 pounds.

Lieb & Richter are daily expecting the arrival of a huge German organ of the kind to which is attached horns, drums, cymbals and a brass band generally. It cost \$4,500 and will be set up in the music hall and billiard room now being fitted up across from Stafford's drugstore.

Work on the addition to the Marquette, Houghton & Ontonagon roundhouse is progressing steadily. It comprises room for eight engines, the walls are of stone and the general appearance will be the same as the old building. The last of the locomotives built for this railroad, at Taunton, Mass., have arrived. They are Nos. 24 and 25, named respectively Kwasind and Gitchie Gumme.

In this issue will be found the card of Mr. Chas. E. Wright, announcing that he has returned to Lake Superior to associate with Major T. B. Brooks in the iron export business. He has spent considerable time in Europe making a study of metallurgical processes in England and Germany. Major Brooks is expected home from there soon. They have quarters in the third floor of the Adams Block, S. Front St. Mr. Lawton is assisting in putting together the 1873 state geological report.

Wycoff's new steam yacht, the Grace, is receiving her finishing touches preparatory to taking her place on our bay as a pleasure boat. The Grace is emphatically a home made institution, with the exception of the boiler and wheel, and as such will undoubtedly reap the reward due the enterprise of her builders and owners, several Marquette young men. The engine is a handsome little affair and runs with nicety and precision, and the vessel, a pretty and substantial one, will carry a party of 30 without crowding.

Gillmore's ice cream and soda parlor on Main St. near Front is meeting with fine success, being the first one of its kind in Marquette. Dinner, tea or lunch is also available at seasonable hours, and the population

When the aldermen assemble at the council chamber they will be confronted by a blackboard. There is no intention, however, of giving the city fathers elementary instructions in the three R's, or anything of the kind, and the blackboard will be covered with figures, previously written on it by the controller, designed to show the aldermen just where the city stands financially. These figures will show the amounts of money standing to the credit of the various funds. Heretofore it is to be feared that most of the members of the council have had but nebulous ideas on this important decision.

—Marquette—

Marquette residents wanting cabbage plants are asked to report at the garden plots today. Plants will be given out at the Spears Location at 10 a.m., at the brewery plot at 1 p.m. and the Shiras and Clark lands at 3 p.m.

Samuel Mitchell, who is a junior in the Northwestern University School of Law, has arrived here to spend his vacation.

Frank J. Russell Jr., a student in the University of Arizona, has arrived home from Tucson to spend the summer.

—Ispheming—

Mrs. John Pearce has gone to Escanaba to

visit her daughter.

Mr. and Mrs. S. R. Elliott and Randolph G. Dulany sailed yesterday afternoon from Marquette on the steamer Pioneer for Cleveland, where they will visit for a week.

K. I. Sawyer, county road superintendent, spent Thursday and Friday in Escanaba attending a meeting of the Upper Peninsula Road Builders' Association.

The weekly concert of the Negaunee City Band, under the direction of Joseph Violetta, will be held at 8 Saturday evening at the bandstand adjoining the city hall.

Or hadn't you noticed?—Detroit News.

What about the women? For them the weight trend is just the opposite. They weigh less today, at a given height and age, than women did in 1929. At age 22, the average 5 foot-4 inch woman now weighs 121 pounds. She would have weighed 126 pounds in 1929. The woman of 27 tips the beam now at 125, compared with 129 previously.

Age 40, however, is her nemesis. After she reaches that milestone she starts going up in weight. Within a few years, the gains she had made disappear.

To get back to the men, just getting rid of that extra five pounds they have put on in the last 20-odd years would not be sufficient to satisfy the medical authorities. They contend that the average American male is about 20 pounds too heavy from a health standpoint. At his present weight, they say, the mortality rate is about 10 per cent higher than it should be.

"It is quite clear that among men at ages 30 and over the lowest mortality ratios are consistently associated with underweight," state the actuaries.

For Marquette County's male population to take off the recommended 20 pounds would mean disposing of 291 tons of beef.

Cutting down on the food intake is considered the best means of reducing. Exercise, however, is an important adjunct. The Air Force finds that running, rowing and the twist burn up the most calories. These are not recommended for overweight men over 40.

Progress in desegregation often comes quietly, almost unnoticed sometimes in the hurly-burly of the Little Rocks, the Birmingham.

Since 1954, for instance, the number of desegregated public school districts in the South has risen from 5 to 977. Some 124 colleges and universities no longer are segregated by race. 110 Southern cities now have desegregated lunch counters, against none in 1960. Transit systems in 36 Southern cities are desegregated, compared with almost none a decade ago.

Progress in these areas does not come any less surely because it appears slow and undramatic.—National Observer.

## The Miracle Of Pope John

By WALTER LIPPMANN

The reign of Pope John has been a wonder which grows more astounding the more we think how, amidst the angry enemies of our time, he became so greatly loved. It is a modern miracle that anyone could reach across all the barriers of class, caste, color and creed to touch the hearts of all kinds of people. There has been nothing like it, certainly not in the modern age. The miracle is a proof which we sorely needed that all the varieties of men do actually belong to one human family. Otherwise, so many could not have heard and understood and responded to Pope John. That they have responded is proof that he enmities and divisions of mankind are not the whole reality of the human condition. There is in men a capacity, unplumbed and perhaps unmeasurable, to be reached by loving kindness. The miracle of Pope John is that we knew this and believed it and had faith to act upon it, and that he was proved to have been right. So, as he lies dead, he is revered and blessed by all sorts and conditions of men all around the globe.

An Aptitude For Goodness  
We know that the miracle of Pope John will not transform the world. The condition of man is a hard one, and his struggle to survive and to prevail will not disappear with the appearance of a saint and the proclamation of a saving truth. We shall not suddenly become new men. But the universal response which Pope John evoked is witness to the truth that there is in the human person, however prone to evil, an aptitude for goodness. That is why we must never despair that the world can be better than the world we live in.

It is evident to anyone who reads the two great encyclical letters, "Mater et Magistra" ("Mother and Teacher") and "Pacem in Terris" ("Peace on Earth"), that Pope John, far from being naive and unworried, had an encyclopedic and acute knowledge of the complex and stubborn problems of the daylight world. The encyclical letters do not suppose that the world can be cured before the problems that harass it are brought to solution. The encyclical letters are, therefore, directed to the solution of human problems by ordinary men. They are cornerstones of an imposing construction which, as it is carried forward, will become acceptable and increasingly self-evident to men who deal toward each other with respect for the human person and for his reason.

The belief that there are such self-evident concepts and propositions has been denied by many in the modern age. Yet our own American institutions were founded by men who had been taught to think it self-evident that men are capable of reason and that this is a universe which can be lived in rationally. The Founding Fathers inherited this belief. For modern secular men, who have been taught to reject it, an Act of Faith is needed. When the belief exists, as it did so profoundly in Pope John, it can become the intellectual core of what can be a human doctrine which transcends conflicting diversity.

Started With Pope Leo XIII  
The movement to bring the teachings of the church to bear upon "the process of radical change" in the modern "economic and political situations" begins, says Pope John, with Pope Leo XIII. The first of the great modernizing social messages is the encyclical "Rerum Novarum" of May 15, 1891, on "the condition of the working classes." Pope John carried forward this movement not only in his two great encyclical letters, but by calling together the Ecumenical Council.

What will now come of all this will be of critical importance not only to the Catholic Church, but to all churches and to all governments. In any event, the modernizing movement can perhaps be arrested, but it cannot for long be turned back. For what Pope John began will have very big consequences, and the history of our world will be different because he lived.

(c) 1963, The Washington Post Co.

LOVE IN GLOOM  
There's altogether too much dancing, romancing and early marriage in the new China, a recent analysis by Mr. Sklarewitz in newspaper reports.

The Communist authorities are disturbed at early marriage because it dissipates the young people's energies when they should be devoting themselves to "building the magnificent Communist edifice." Men are urged to wait until they are 30, girls until 25.

And instead of all that unseemly twisting and kissing, the youngsters should visit museums, listen to lectures and attend Young Communist League rallies—where they can sing such romantic ditties as "Without the Communist Party, There Is No New China." They could also go to movies extolling life in the commune.

Somehow, the message doesn't seem to get through. If it's any comfort to Peking's gloomy bureaucrats, it doesn't here either. Even China's other enemy finally had to make a grudging truce with jazz and admit that the love of a Soviet tractor is not the only kind that blooms.—Wall Street Journal.

WE NEED A RESTAURANT GUIDE  
What the United States needs more urgently than a 5 cent cigar is a guide like Michelin's, whose 1963 edition just hit the kitchens of French restaurants. No restaurant in France escapes the influence of Michelin's shooting stars, whether they are the exclusive 12, which got three stars this year, the 9,988 which received one or two, or the eateries not worth starring at all.

The United States has made haphazard and desultory stabs at guiding the gourmet. But we have never come up with anything as authoritative, conscientiously prepared or widely respected as the famed Guide Michelin. It's about time.

It would remind delinquent chefs to mind their quenelles de broquets and poulards demi-deuil; it might stop waiters from stalking off with your martini glass before it's quite empty; it might nudge owners, just possibly, to take out every other table in those dining rooms where you can't get a forkful to your mouth without jabbing your elbow into the ribs of the lady at the next table.—New York Herald Tribune.

EXPERT ADVICE  
A doctor in Iowa City who has been contemplating his left thumbnail for 20 years comes to the conclusion that fingernail growth slows down with age.

Now we can expect similar experts, after long study, to come to the conclusion that men have less hair on their heads, tend to weigh more and cannot run as fast as they grow older.

Or hadn't you noticed?—Detroit News.

## St. John's Quits Old Quarters, Moves To New

Personnel of St. John's evangelist school in Ishpeming moved from old quarters to new late last week, with students playing an active role in the work involved. Youngsters from the first grade through the eighth grade helped carry desks and chairs (photo above) from the old building (shown at top) to trucks, for transportation to the new school (shown in photo below). St. John's graduated its last class from the old building last week and will occupy the new structure when school commences again in the fall. (Mining Journal photos).

## Nearly Half Of L'Anse 'Grads' To Continue Their Education

L'ANSE — Nearly half of the 72 L'Anse High School seniors who graduated last week plan to attend college, technical schools, nursing or business schools in the fall.

Of those who are college bound, seven have received scholarships or grants which will aid them in continuing their education. Other scholarships are pending and may be awarded during the summer.

Roderick Olson, class valedictorian, received the Distinguished Student Scholarship from Michigan College of Mining and Technology and will enroll there in the fall. He is also the recipient of the American Legion Guy M. Wilson scholarship. Louise Waisanen has been awarded the Regents-Alumni scholarship from the University of Michigan, where she will enroll in the field of political science.

Marilyn Peterson, salutatorian of her class, was awarded a State Board of Education scholarship to attend Northern Michigan University; she will major in education. Virginia Ross has received a scholarship from St. Mary's College, where she will take her training in home economics teaching.

To Suomi, NMU  
Theodore Holappa will also attend St. Mary's College on a scholarship and plans to major in industrial technology. Nancy Autio is the recipient of a scholarship from Suomi College, Hancock, where she will enroll in the fall. Nancy Stevens will attend Northern Michigan University, majoring in the field of elementary education. She also has a scholarship grant to assist in financing her college career.

Thirteen other L'Anse graduates headed for various colleges in the fall include Clyde Maki, who will attend Michigan College of Mining and Technology. Nancy Drew, who will enroll at St. Norbert's; Susan Supanich and Bonnie Oja, both headed for Northern Michigan University, and Nora Ruona, who will attend the University of Detroit. Mark Peterson, Sylvania Vuk and William Pyhtila plan to enroll at Suomi College, and Richard Letton will attend Flint Junior College. Three others — Gary Enblad, David Toyras and Reuben Mattson — have passed the civil

service examination for highway technician and hope to attend Ferris Institute in the fall, while Larry Mitchell will be a student at Grand Rapids Baptist College.

Medical Field  
In the medical field, Josie Emblad will enter St. Luke's Hospital in September to begin her studies to become a registered nurse. Helen LaCosse, Mary Robillard, Betsy Robillard and Paulette Heltunen all plan to enroll in the practical nursing program at Northern Michigan University this month.

Rosemary St. Onge will study to become an x-ray technician at St. Mary's Hospital in Minneapolis. Virginia Emery plans to attend a business school in Chicago, and Robert Miller will enroll in a drafting technology course in a business school in Milwaukee. Alameda Holton and Joyce Springsteen will attend the Green Bay School of Cosmetology, and Valerie Petyras plans to study to be a beautician in Marquette.

degrees and certificates earned since the 1962 exercises. This is KU's second largest class. There were 1,346 persons completing work for degrees at this time.

KU holds but one commencement a year. In August, October and February, 762 degrees were granted, while during the 12-month period 114 persons earned certificates in several medical and medical service specialties and in mortuary science.

Paul Snow Gets Degree At Kansas 'U'

CHAMPION — Paul Robert Snow of Champion was among those who received degrees from the University of Kansas in its 81st annual commencement exercises in Memorial Stadium. He was granted a bachelor of science degree in electrical engineering.

The commencement program recorded the granting of 2,222 de-

## Steel Labor Peace Won't Break Market

CLEVELAND — Settlement of steel labor negotiations will trigger some order adjustments, but it won't precipitate a market collapse, Steel magazine said today.

That's certain for two reasons: 1. Users haven't gone overboard on inventory building. Since the first of the year, they've increased their stocks by no more than 2.5 million tons. Their buildup prior to last year's labor settlement was nearly twice that size.

2. They're consuming steel at a near-record rate: About 6.7 million tons per month. Automotive demand is second only to that of 1955, and requirements of other industries — construction, appliance manufacturing, machinery, farm equipment, freight car building, and canmaking — have seldom been higher.

Demand Above Average  
Market conditions are anything but depressed. Despite a sharp drop in order entry attributable to the slowdown in inventory building, demand is well above average for the season.

Orders for bars, beams, hot rolled strip, and coated sheets are declining, but there's not much deferment or cancellation of tonnage on the books. Cold rolled sheets, wide plates, and semifinished products are holding their own.

Rails, reinforcing bars, and tubular items are on the upswing. Most mills are sold out through mid-August on galvanized sheets, through July on wide plates and cold rolled sheets, and through June on hot rolled items.

Long leadtimes quoted by mills — and occasional late deliveries — are encouraging users to buy from service centers. Major distributors say their May shipments were 10 per cent higher than April's. They are predicting a similar improvement this month.

Shipments Up  
Since orders have passed their peak, emphasis has been on mill shipments. Customers are pushing as hard as ever for quick delivery — a clear indication that they have not overbuilt their inventories.

May shipments topped April's by 6 to 8 per cent but should have been higher. They were held down to some extent by shortages of trucks and freight cars.

Steelmakers expect June shipments to exceed last month's by 5 per cent. They figure "carryovers" from May will offset any deferments of tonnage from June to July.

Production Plateau  
Steel production appears to be topping out around 85 per cent of unofficial ingot capacity. Steel magazine estimates production in the week ended June 8 at 2,609,000 net tons and looks for output this week to be at about the same level.

Scrap prices tumbled last week. Steel magazine's price composite on No. 1 heavy melting steel dropped \$2 a gross ton to \$23.83, lowest since the week ended Dec. 5. Consumers have been using aluminum faster than even the more optimistic forecasts anticipated at the beginning of the year, Steel reports.

Idle capacity has been reactivated at almost a frenzied clip over the last two months. By the end of this month, Steel estimates the industry will be producing at an annual rate of 2,380,000 tons — 95.6 per cent of capacity.

## Republic Student Gets Dramatics Award At College

REPUBLIC — Ronald Kangas, Republic, won the 1963 Alpha Psi Omega best acting award at Oakland (Ind.) City College for his portrayal of Professor Kokintz in the dramatic club's spring production of "The Mouse That Roared."

The award, a small silver disk engraved with the Greek letters of Alpha Psi Omega, the national honorary dramatics fraternity, was presented during senior class day exercises, by Dr. Margaret McConnell, director of dramatics. Kangas' name also has been engraved upon a plaque which is hanging in Stinson Hall, where the plays are presented.

Kangas has been active in dramatics since his enrollment at Oakland City College and had a role in "Our Town" last spring. He also has been active in committee work, will be vice president of the dramatics club next year and has been newly initiated as a member of Alpha Psi Omega. He graduated from Republic High School in 1951.

degrees and certificates earned since the 1962 exercises. This is KU's second largest class. There were 1,346 persons completing work for degrees at this time.

KU holds but one commencement a year. In August, October and February, 762 degrees were granted, while during the 12-month period 114 persons earned certificates in several medical and medical service specialties and in mortuary science.

Paul Snow Gets Degree At Kansas 'U'

CHAMPION — Paul Robert Snow of Champion was among those who received degrees from the University of Kansas in its 81st annual commencement exercises in Memorial Stadium. He was granted a bachelor of science degree in electrical engineering.

The commencement program recorded the granting of 2,222 de-

## 10-Week Recreation Program Gets Under Way Tomorrow

ISHPEMING — Ten weeks of fun and frolic will begin at the Ishpeming playgrounds tomorrow as the city's summer recreational program goes into effect.

Hours for planned recreational purposes are from 9 a. m. to noon and from 1 to 5 p. m.

Between 400 and 500 youngsters turn out at times in a single afternoon to take advantage of the elaborate and complete line of athletic equipment, furnished free of charge to youngsters of all ages, program supervisors reported.

Ishpeming has for years made this program possible. In charge of the program this summer are Aurelia Sarvello, Rita LaPreiere, Mrs. Duane Phillips, Bruno Marana and C. C. Watson.

### Schedules For Boys, Girls

Following is the schedule for boys' activities:

- Wiffle ball, 10 to 12 Monday through Thursday.
- Archery, shuffleboard and table tennis tournaments, Monday and Wednesday afternoons.
- Boys' baseball, 12 and under, Tuesday and Thursday at 1:15.
- Boys' baseball, 14 and over, Wednesday at 1:15.
- Basketball, 10 to 12 on Monday and Wednesday.
- Dart tournament, tennis and golf instructions Friday morning.
- Tennis tournament, Friday afternoon.

● Horseshoe tournament, archery and shuffleboard on Friday afternoon.

The girls' activity schedule is:

- Arts and crafts, kindergarten through fourth grade, Monday and Wednesday at 1:15.
- Table tennis, Monday and Wednesday at 11.
- Tennis, Tuesday and Thursday at 10.
- Volleyball, Monday and Friday at 10.
- Wiffle ball, Tuesday and Thursday, elementary, at 11.
- Shuffleboard, Monday, Wednesday and Friday at 1.
- Softball, Tuesday and Thursday at 3 for junior high students.
- Archery, Monday and Wednesday at 4.

● Horseshoe tournament, archery and shuffleboard on Friday afternoon.

Dr. Wolfanger will advise interested groups on effective means of establishing zoning ordinances which will meet the needs of individual communities, and in the administration and interpretation of zoning laws.

Establishment of a zoning ordinance is a legal process wherein the zoning board of a municipality or township draws up a plan for future land use. Such an ordinance cannot change any existing land uses, but is designed to zone future land development in such a way that communities will grow and expand in an orderly manner. A good zoning ordinance tends more to "zone in" than "zone out" specific land uses, and to invite or encourage those uses for which a particular zoning district seems best suited.

Dr. Wolfanger will attempt to appear before the L'Anse Village Council at its meeting tonight, in addition to bring the guest speaker at the public meeting set for 7:30 at the town hall.

## Dr. Wolfanger At L'Anse Zoning Meet

L'ANSE — Dr. Louis A. Wolfanger, Michigan State University professor of land use and zoning, will conduct a public meeting at the L'Anse Town Hall at 7:30 this evening to offer assistance and advice to county, township and village officials on all phases of community zoning.

Dr. Wolfanger will advise interested groups on effective means of establishing zoning ordinances which will meet the needs of individual communities, and in the administration and interpretation of zoning laws.

Establishment of a zoning ordinance is a legal process wherein the zoning board of a municipality or township draws up a plan for future land use. ### Compasses Ordered For Fire Trucks

HYANNIS, Neb. (AP) — Compasses have been ordered installed in all Hyannis fire trucks, and with reason.

Not long ago volunteer firemen started out to extinguish four grass fires caused by lightning deep in the sparsely populated Sand Hills.

They not only failed to locate the fires; they got lost themselves and had to enlist the help of a rancher to lead them back to the highway.

## Ishpeming Meetings

SPESQSA will meet tonight at 7:30 in the Ski Hall of Fame.

The Peninsular Rebekah Lodge will meet this evening at 7:30 for a business meeting. A memorial service will be held and the "charter" will be draped.

Vestry meeting Tuesday evening at 7:30 in the parish hall of Grace Episcopal Church.

The Ladies' Home League of the Salvation Army will meet at 7:30 p. m. Wednesday. Midweek prayer service at 7:30 p. m. Thursday.

Prayer service at the Ishpeming Assembly of God Church at 7:30 p. m. Wednesday.

Midweek Bible study and prayer meeting at 7 p. m. Wednesday in Bible Baptist Church.

Ahmeek Lodge of Odd Fellows at 7:30 p. m. Thursday in lodge temple.

Ishpeming VFW Post will meet tonight at 7:30.

WBA will meet at 7:30 p. m. Wednesday in Odd Fellows Hall.

Ishpeming Choral Club at 7:30 p. m. Tuesday.

Women's CIO Auxiliary at 8 p. m. Wednesday in Union Hall.

Choraleers practice at 7:30 p. m. Thursday in Ski Hall of Fame.

SES Sea Scouts 310 at 7 p. m. Wednesday.

The Deborah Circle of the Bethany Lutheran Church will meet Tuesday at 7:30 p. m. in the home of Miss Dora Swanson, 914 N. Second St. Members are asked to bring coloring books, crayons, books or toys for the new church nursery. The Bethany choir will rehearse at 7 p. m. Wednesday. The church council will meet Friday at 7 p. m. in the church parlors.

Tuesday evening at 7:30 the Bethel LCW's will meet. Wednesday from 5 to 8 p. m. there will be a pancake feed sponsored by the Senior Luther League of Bethel Lutheran Church. Thursday Finnish devotional service will be held at 7 p. m.

See colonies in the United States number about 5,400,000.

## Auxiliary Completes Hospital Pledge

Mrs. Robert Silas, treasurer of the Francis A. Bell Memorial Hospital Auxiliary, presents a check, the balance of a pledge of \$1,000 to furnish the nursery and expectant fathers' room at the hospital to John Edmondson, administrator.

## William Verhelst Appointed Pastor Of 3 County Churches

ISHPEMING — William Verhelst, a pre-ministerial student, was assigned as pastor of the Republic, Champion and Michigamme Methodist Churches at the annual session of the Detroit Conference of the Methodist Church in Adrian.

A resident of Ironwood who just completed two years' study at Gogebic Community College, Mr. Verhelst will continue his studies at Northern Michigan College. He succeeds the Rev. Cecil Lutey, who retired recently.

His appointment is one of three made for the Marquette district (Upper Peninsula) of the Methodist Church. The others are Hilton D. Muntz, Norway, and Mer-

ton W. Seymour, St. Ignace and Paradise.

Included in the business agenda for the conference's 122nd session at Adrian College was the passage of a resolution expressing deep respect for the memory of Pope John XXIII and extending Christian sympathy to Catholics.

"Pope John XXIII has ex-

plified by his life and works the spirit of Christian brotherhood and has assisted all Christians in remembering our oneness in Christ," the resolution declared.

Besides the Rev. Ivan Gonsler, Marquette, district superintendent, delegates attending the gathering included the Rev. Norbert Smith, Marquette First Methodist; the Rev. Knut Savareid, Marquette Grace Methodist; the Rev. Byron Hatch, Negaunee; the Rev. Densel Fuller, Munising; the Rev. Everett Erickson, Gwinn, and the Rev. Eric Hammar and Cecil Lutey, Ishpeming.

A lay member of each church also attended the conference sessions.

## 3 Teachers Close Careers In Republic

REPUBLIC — Three Republic elementary school teachers retired at the close of this school year after contributing many years of service to the boys and girls of Republic. A total of 116 years of service is represented by the teaching records of the three.

Miss Susie Pearce Hodge taught in various elementary grade schools in the Republic School District at the beginning of her teaching career and has been at the Central School building for many years. She began teaching in 1911.

Miss Dorothy Mae Hodge began her teaching career in Humboldt Township, remained there two

years and has been teaching at Republic since. This year marked her 42nd year of teaching.

Mrs. Alice Dower Kenney taught at Republic for 25 years. She also taught in Hematite and Mastodon Townships of Iron County for three years before coming to Republic.

At the spring teacher-school board dinner, the three were presented with gifts from the other members of the staff and members of the board of education, and at a recent meeting of the Parent-Teacher Association in Republic, the retiring teachers received an ovation from parents.

During class night activities, the three teachers were presented with engraved plaques and resolutions

from the board of education commending them for their many years of fine service."

Lower photo shows steelwork going up on structure, being built by Proksch Construction Co. at cost of \$908,000. It will accommodate 500 children from kindergarten through 12th grade.—(Mining Journal photos).

### Date Stone Placed For New School At Republic

REPUBLIC — Officials of the Republic Central Schools held a date stone laying ceremony last week at the site of the new school being constructed in South Republic.

Representatives of the contracting firms and a few residents turned out for the occasion. The new Republic school building is slated for completion by Jan. 15, 1964.

**\$908,000 Project**  
Total cost of the contract amounts to \$908,000 with the Proksch Construction Co. as the general contractor. The V & M Electric Co. of Menominee and the Holwerda-Huizinga Co. of Grand Rapids are the major sub-contractors.

Good weather last fall and this spring has enabled the contractors to progress rapidly with the building construction. All of the footings and foundation walls have been completed, school personnel reported.

**30 Per Cent Finished**  
About 90 per cent of the steel work is completed and 25 per cent of the outside walls. The contractor estimates that the building is approximately 30 per cent completed. Warren Holmes Co. of Lansing is the architect for the school, being built to accommodate 500 students.

### State Police Ticket Three In Collisions

ISHPEMING — One person was hurt and three motorists were ticketed in four area traffic mishaps reported this morning by state police from the Marquette post.

1. At midnight Friday night a car being driven south on County Road 611 by Samuel Waters, 19, Michigamme, missed a sharp right curve south of Main St. in Michigamme, going of the left side of the highway and striking some boulders and small trees.

The front end and left side of his 1959 coach were damaged. Waters was ticketed by state police for a speed law violation.

2. The injury occurred in a mishap at 7 Saturday evening on County Road 581, a half mile south of County Road CD, in Ely Township.

State police said a motorcycle being driven north on Road 581 by Raymond Anderson, 26, Rural Route, Ishpeming, went out of control and crashed when its front wheel dropped off the pavement.

Anderson was taken to Bell Memorial Hospital by a passing motorist. Extent of his injuries was not learned. The left side of his 1942 cycle was damaged.

3. At 1:15 a. m. Saturday a car being driven south on County Road 573 by Paul Pietro, 18, of 719 Maurice St., Ishpeming, went off the right side of the highway on a left curve, striking a guard rail, 4.5 miles north of U.S. 41 in Ishpeming Township.

The front end of Pietro's 1955 coach was badly damaged and it was towed from the scene. Pietro was given a summons for a speed law violation.

4. An automobile being driven west on County Road EED by Kaye Williams, 24, Forsyth, struck the left side of a car operated by Marquet Gauthier, 40, Forsyth, who was traveling south on M-35, at 2 Saturday afternoon in Forsyth Township.

The right front of the Williams car, a 1961 station wagon, and the left side of the Gauthier car, a 1959 sedan, were damaged.

State police ticketed Miss Williams for a right-of-way violation.

### 78-Year-Old Munising Man Dies

MUNISING — Joseph Kinzel, 78, died at 4 Saturday afternoon in Morgan Heights Sanatorium. He had been ill since 1959.

Mr. Kinzel was born Dec. 24, 1884, in Germany and had resided in Munising since 1920. He was a retired woodworker.

There are no known survivors. The body is in the Bowerman-Hallifax Funeral Home, where friends may call after 7 Tuesday afternoon. Services will be held at 9 Wednesday in Sacred Heart Church. The Rev. Emil Beyer will officiate and burial will take place in Maple Grove Cemetery.

### Alger Direct Relief Costs Down \$740

MUNISING — Direct relief was given to 162 persons in Alger County during May at a cost of \$5,839.63, a drop of \$740.76 from the previous month, according to Mrs. Alice Aley, social welfare director.

The money was received by Alger townships as follows: AuTrain, \$92.75; Burt, \$277.20; Munising city, \$2,861.55; Limestone, \$42.25; Mathias, \$124; Munising, \$1,102.17; Onota, \$80; and Rock River, \$245.

Public assistance for the same period amounted to \$16,126, an increase of \$390 over April. Old age assistance went to 150 cases, \$8,631; aid to dependent children, 37 cases, \$7,219; and aid the disabled, 13 cases, \$846.

The post office at the 1964-65 New York World's Fair is expected to process an estimated 200,000 pieces of mail daily. It will offer twice a day delivery seven days a week for thousands of exhibitors.

## SPEED QUEEN

WRINGER WASHER has a NEW, Positive

# LINT CATCHER

and SOAP DISPENSER

Slips over agitator. Easily removable for cleaning.

While the clothes are being washed, Speed Queen's rolling water action flushes through the LINT CATCHER which screens out lint, fuzz and loose dirt. Also serves as a soap dispenser.

# Detroit Citadel Band To Play In Ishpeming

ISHPEMING — The Detroit Citadel Band will make its second appearance in the Upper Peninsula next Oct. 5 when it plays in Ishpeming, the Salvation Army advisory board announced today.

The band first played at the Lakeview Auditorium in Negaunee in October of 1961, at which time \$500 was raised towards a new building for the band.

Approximately 800 persons turned out to hear its performance and many comments on its outstanding presentation were heard. Clyde Mitchell, board chairman, said.

**Recognition**

During a meeting of the advisory board, it was decided to recognize all those who donate \$100 or more to the new citadel by inscribing

their names on a memorial plaque to be placed in the completed building's vestibule.

**The building fund has grown to \$20,000.**

Ray Pajula, building committee chairman, expressed hope that the amount could be increased to \$35,000 by July 15 to enable construction to be started.

**Support Urged**

The board urges everyone to mail pledges as soon as possible so that the amount can be realized. "We are still depending on every individual's support, no matter how small it may be," George Kemp, building drive co-chairman, said. "Now is your opportunity to show that you appreciate the 75 years of service the Salvation Army has given this area."

# 3 Munising Boys To Attend Wolverine State This Week

MUNISING — Three Munising boys will go to East Lansing this week for the 26th Lansing session of Wolverine Boys' State.

The boys, who will be seniors at Munising High School this fall, are Francis Putvin Jr. and Michael Oas, sponsored by the Lions Club, and Chris Goss, sponsored by the Rotary Club.

They are being sent by the two Munising civic organizations for the week-long session on Michigan State University campus, June 13-

16. Selection of the boys is based on leadership, sportsmanship, personality and mental alertness. Boys' State endeavors to impress teenagers with the responsibility and duties of good citizenship and allows them to put into actual practice theories of American government as taught in the classroom through actual control of mythical city, county and state offices.

# Munising B&PW Feels 'It Pays To Advertise'

Since "It Pays to Advertise" is an often heard slogan, the Munising Business and Professional Women's Club decided to purchase an emblem to place at the east entrance of Munising to let tourists and everyone else know that the city boasts a member club of this national organization. Organized over 30 years ago, the Munising B&PW now has 23 members who meet the second Tuesday of each month. Shown "hanging" the sign are Earlene Ingraham, club president, her husband, Bert, and their son, Paul. (Mary Jane Hallifax photo.)

# 105 Awards Presented In Baraga

BARAGA — A total of 105 awards was presented to Baraga High School students during the annual year-end awards assembly staged in the gymnasium.

Arthur M. Kujansuu, principal, presented honor pins to the 17 graduating seniors who maintained a scholastic average of "B" or better. They were Janet Bennink, Eileen Carlson, Douglas Dompier, Miriam Koski, James Koskinen, Karen Maki, Kathryn Maki, William Moilanen, June Myllyla, Glen Rantala, Sharon Ross, Vivian Seppanen, Susan Simula, Dale Tahminen, Sandra Tepsa, Judy Wentela and Mary Lou Wentela.

## Forensic Keys

Certificate of merit awards and forensic keys for their four years of varsity debating went to June Myllyla and Dale Tahminen. Reijo E. Ranta, debate coach, made the presentations. Linda Sandelin and Daniel Maki received second year key awards, and a certificate for excellent rating in the regional forensics festival went to Dale Tahminen.

Glen Rantala was the recipient of the Bausch and Lomb science award and certificate of merit for his high score in the Michigan math prize competition.

Albert E. Heino, junior debate coach, presented awards to Patricia Bergh, Karen Schwalm, Sally Narhi, Paul Niemisto, Helen Stefanick and Karla McPherson.

## M. W. Johns Promoted In Saginaw

NEGAUNEE — Milton W. Johns, son of Mr. and Mrs. Irving B. Johns, 612 Snow St., has been promoted to chief inspector of the municipal division of permits and inspections, according to an announcement appearing in the Saginaw News.

Johns, a Negaunee High School graduate, served in the U.S. Navy from 1945-47, and graduated with a degree in civil engineering in 1951 from Michigan College of Mining and Technology at Houghton.

Following graduation from Tech, Johns was employed for a year as a civil engineer in testing and designing concrete products at Marquette, and spent three years as a civil engineer in charge of street and sidewalk inspections for the City of Milwaukee.

## Ironworkers Covered By New Contract

BATTLE CREEK (AP)—An estimated 500 ironworkers in 30 west Michigan counties were covered today by a new two-year contract calling for a 37-cent hourly package wage increase.

to report property damage when he grazed two parked vehicles Saturday night.

## Gavel Presented

Corrine Almlil, who will be president of the Baraga High School Student Council next year, was presented with a gavel by Grant Bergren, director of guidance and counseling and sponsor of the council.

National Education Development Test certificates of excellence were won by Paul Stark and Paul Niemisto. Mary Lou Wentela received the Betty Crocker home-making award.

June Myllyla was given the top citizenship award for a senior girl, with Mrs. Wallace Foucault and

# Registration For Swim Classes Set

NEGAUNEE — Registration for the summer swimming program sponsored jointly by the City of Negaunee and Negaunee public schools will be held from 10:30 a. m. to 4:30 p. m. Wednesday and from 8 a. m. to 4:30 p. m. Thursday on the second floor of the city building. Manager Leonard Harris announced today.

All students eight years of age and over in public and parochial schools are eligible to participate.

Starting Tuesday, June 18, two classes will be held each week with the session on Tuesday afternoons limited to non-swimmers, and the Thursday afternoon group composed of children who have previously learned to swim.

Buses will leave from the Negaunee High School athletic field at 1 p. m. each day for Van Riper Park on Lake Michigan, and will leave the beach at approximately 4 p. m.

Miss Judy Korpinen will chaperone girls and act as their instructor. Marshall Phillips, Youth Center director, will supervise the boys.

In event of inclement weather, classes will not meet. The program will continue for 8 to 10 weeks, weather permitting.

# Obituary

**NESTOR R. FIELD**  
NEGAUNEE—Services for Nestor Rudolph Field, who died last Thursday morning in the medical section of Murgan Heights Sanatorium, were held at 1:30 this afternoon in Perala Funeral Home. The Rev. William R. Sarvela, pastor of Immanuel Lutheran Church officiated and burial was made in Negaunee Cemetery. Pallbearers were Walter, Jalmer and William Hill, Elmer Lindstrom, Walfred Wester and John Lahti.

**LLOYD P. STEIN**  
PEQUAMING — Lloyd P. Stein, 55, former resident of Pequaming, died in Milwaukee Sunday morning.

He was born in Pequaming April 9, 1908, and resided here until 1943. He lived briefly in Duluth, Chicago and Detroit before going to Milwaukee 14 years ago. His first wife, the former Elvie Maki, died in 1960.

Mr. Stein leaves his present wife, Rita; a daughter, Lauri Ann; a sister, Mrs. Clarence (Evelyn) Monette of L'Anse; four brothers, Elmer, Kermit and Herbert of L'Anse and Frederick of Detroit. The body will be brought to the

Swanson Funeral home, L'Anse, where friends may call Tuesday afternoon and evening. Services will be held at 1:30 Wednesday afternoon in the funeral home. The Rev. Waldemar Framstad will officiate and burial will take place in Pequaming Cemetery.

**MRS. DORA ROCK**  
ISHPEMING — Services for Mrs. Dora Rock, who died Saturday, will be held in St. Joseph's Church Wednesday at 9 a. m. The Rev. C. J. LaPine will officiate and burial will be made in Ishpeming Cemetery. Pallbearers will be Dale Talus, James Junak, Ray Mattila, Edward Howe, Leslie Rock and Bruce Sanders.

The body is at the Bjork & Zhukie Funeral Home, where friends may call after 11 a. m. tomorrow.

The rosary will be recited at the funeral home at 8 tomorrow night.

# Yankees Avert Sweep As HRs Beat Tigers; Bosox At Detroit Next

Detroit (AP) — The New York Yankees—held in check in two previous games by Detroit left-handers—clubbed three home runs off rookie southpaw Mickey Lolich Sunday and went on to score a 6-2 victory over the Tigers.

The triumph, only the second in their last eight games, snapped the Pirates with home run support from Ted Savage and Donn Clendenon and a two-run double by Roberto Clemente, Warren Spahn, 8-3, got credit for the Braves' nightcap 1-1 triumph with Bob Shaw's relief help.

The Yankees' three-game losing streak and a three-game Tiger winning streak. It was the second Yankee victory over Detroit in eight meetings between the two clubs this season.

Not That Tired — Whitey Ford, though admittedly tired in the last two innings, gave up only three hits in the last six frames and picked up his eighth victory in 11 decisions.

Ford has completed his last four starts and has eight of his last nine decisions.

**Spill Home Debut**

The Yankees went to work early on Lolich, spoiling the youngster's debut before the hometown fans.

Lolich walked Roger Maris to open the second inning and third baseman Harry Bright hit his second home run of the season off the facing of the second deck in left.

Norm Cash homered in the last half of the second, parking one of Ford's offerings in the second deck in right.

**Tied In Third**

Al Kaline's single, after a single by Jake Wood and a sacrifice, knotted the score in the third.

Tom Tresh's solo homer in the fifth put the Yankees ahead to stay. Joe Pepitone doubled home another run in the sixth, and Cleve Boyer homered leading off the seventh.

Hector Lopez homered off reliever Tom Shrivert in the eighth inning to close out the scoring.

**Loaded Bases**

Ford got into a jam in the seventh inning when the Tigers loaded the bases on singles by Bubba Phillips and pinch hitter Bill Freehan, and a walk. But Ford struck out pinch hitter Frank Kostro on a high, inside fast ball.

The only other Tiger threat was in the second when Phillips tripled after Cash's home run. Ford then fanned Dick McAuliffe and Lolich.

Lolich, who was tagged for seven of the eight Yankee hits, suffered his second loss. He has won one.

**Maris Joins List**

The Yankees added another man to their growing list of injured players when Maris retired from the game in the third inning. He had fouled a ball off the toe of his left foot in batting practice. He was expected to be back in the lineup when the Yankees meet Washington in a two-night doubleheader tonight.

The Tigers were to play host to the Boston Red Sox tonight in the first of a two-game series.

Bill Faul (2-1) was scheduled to pitch against Dave Morehead (3-4).

# SMU To Open 7-Game U-M Grid Schedule

ANN ARBOR — A total of 120,000 ticket announcements for Michigan's 1963 seven-home-game schedule were in the mail today to prospective purchasers. Orders will be accepted starting June 15.

The mailing was directed at alumni in the seven midwestern states in which Big Ten schools are located and to non-alumni who purchased tickets last year.

Regarded as one of Michigan's best schedules in recent years, the schedule will bring seven top-ranking opponents to Ann Arbor, starting with Southern Methodist, September 28, ranked as a power this year in the Southwest Conference. The game will mark the first time the Mustangs have appeared on a Michigan grid schedule.

The SMU game also will be High School Band Day with about 13,000 youthful musicians from all over the state participating in half-time ceremonies with the University Marching Band.

Navy, ranked as one of the East's top teams will come here, October 5, with Michigan State opening the conference season, October 12, followed by Purdue, October 19. Northwestern will be the Homecoming foe, November 2, with Iowa, November 16, and Ohio State, September 23, rounding out the home card. Away games will be with Minnesota, October 26, and Illinois, November 9.

Season ticket orders must be placed by August 1, to keep seating priority.

# 'Monster' Radatz Drops Baltimore Out Of AL Lead

(By the Associated Press)

They call Dick Radatz "The Monster." And with good reason, the way the burly Boston strong-boy has been terrorizing the American League countryside.

Radatz' latest conquest came at Baltimore Sunday in a 2-2 Red Sox victory in 14 innings that shouldered the Orioles out of first place. The 6-foot-6, 245-pound fastballer again showed why he is rated as one of the best relievers in baseball by muscling his way through six scoreless innings, striking out 10 Orioles in the process.

**Backed by Hitters**

Radatz' stout effort was backed by the Chuck Schilling-Russ Nixon hitting combination that produced the tying run in the ninth and the winning run in the 14th.

With Baltimore losing, the Chicago White Sox jumped into the lead by one-half game with a 4-3 squeaker over Kansas City. Ron Hansen doubled home the deciding run in the ninth and starter-turned reliever Juan Pizarro registered a brilliant pitching performance for the White Sox.

Also in the AL — four home runs powered the New York Yankees over Detroit 6-2, ending a three-game losing string for the Bombers; Ken McBride, on a day of personal tragedy, pitched the Los Angeles Angels to a 4-2 victory over Minnesota; and Cleveland hammered out 16 hits in whipping Washington, 7-3.

**Brother Killed**

McBride, whose brother was killed in an automobile accident only hours before game time, allowed seven hits before being lifted with two on and one out in the ninth against the Twins.

Vito Davaillo, Woodie Held and Fred Whitfield had three hits

DICK RADATZ

# Smashes 'Buick' Record; Big Boros Looms As National Open Golf Title Threat

GRAND BLANC, Mich. (AP) — Big, muscular Julius Boros smashes 'Buick' record by taking two-thirds of the Triple Crown, (AP).

Chateaugay, whose movie-script-style finishes have delighted TV fans and upset predictions about three-year-old thoroughbreds, beat Candy Spots by two-and-a-half lengths in the Belmont Stakes to take two-thirds of the Triple Crown, (AP).

# Dodgers Find 'Wills To Win'; Colts Top SF

(By the Associated Press)

The Los Angeles Dodgers prepared today for another showdown with San Francisco after concluding a road trip with a five-game winning streak, a slim hold on the National League lead and a theory that where there's a Will's there's a way.

The Will's leading the way is Maury, the little speedster who has turned slugger since recovering from an injury and led Los Angeles to five straight victories — the latest an 11-8 conquest of the Chicago Cubs Sunday.

Wills followed up a four-hit performance Saturday with a 3-for-5 effort against the Cubs Sunday, driving in three key runs with a bases loaded double in the sixth inning.

The sport has raised Will's average from .252 to .290 and revitalized a slumping Los Angeles attack just in time for the start of a two-game series tonight against third-place San Francisco.

The Giants are two games behind following their seventh straight loss, 3-0 at Houston as reliever Hal (Skinny) Brown pitched one-hit ball for the Colts over the final 6 1/2 innings in the first Sunday night game in major league history.

Second-place St. Louis, one-half game back, set the doubleheader pattern for the day by splitting with New York, losing 8-7 before wallowing the Mets 10-4. Philadelphia edged Cincinnati 8-7 in 10 innings but the Reds won 3-1 behind John Tsiouris' four-hitter, Pittsburgh's Bob Friend blanked Milwaukee 4-0, then the Braves took the nightcap 5-3.

The Mets benefited from Cardinal errors by Bill White and Stan Musial, collecting four runs over the two muffs to take a large step in the opening game victory. In the nightcap, the Cards piled up nine runs in the seventh and eighth innings — four coming on an inside-the-park grand slam homer by Tim McCarver. White also homered in support of Ray Sadeck, 3-4.

Tsiouris got all the support he needed in the Reds' nightcap triumph on homers by Vada Pinson and Pete Rose, who accounted for another run with a sacrifice fly.

The Reds led the opener 7-2 behind Bob Purkey going into the ninth but homers by Don Demeter, Jim Lemon and John Callison — his second of the game — tied the score. The Phillies then pushed the winner across in the 10th on Bobby Wine's infield single.

**Spahn Wins 8th**

# Detroiters Top State Women's Bowling Tourney

BAY CITY (AP) — Detroiters dominated the 37th annual Michigan Women's Bowling Association Tournament which ended here Sunday night.

LaMar Ideas won the team handicap and actual with 2,882 actual pins. The team had a 117-pin handicap.

**Won Both Ways**

Lorraine Carroll and Charlotte Kardas of Grand Rapids rolled 1,201 actual with a 66-pin handicap to win both actual and handicap doubles.

The handicap singles title went to Grace Bradshaw of Detroit who rolled 740, including a 105-pin handicap.

The actual singles title went to Anita Cataline of Detroit who won with a 673.

**MINOR LEAGUE BASEBALL**

# Thrown From Boat, Kenosha Outboarder Wins 100-Mile Event

ALEXANDRIA BAY, N.Y. (AP) — Johnny Johnson of Kenosha, Wis., passed Bob Jacobson of Flint, Mich., in the last 12 miles and won the 100-mile Thousand Islands Powerboat Race Sunday after being thrown from his boat.

Johnson, driving a Class C utility boat, set a record of one hour 49 minutes and 30 seconds in ideal conditions on the St. Lawrence River course. The previous record was one hour 51 minutes and 35 seconds set in 1961 by Raymond Link of Detroit. Link was third Sunday.

Johnson was thrown from his boat upon hitting a wave. He got back in, caught up, and crossed the finish line 25 seconds ahead of Jacobson.

Other class winners included: AU, Vic Brinkman of Michigan Center, Mich.; BU, Fred Miller of Trenton, Mich.; and CU, Al Myers of Berkley, Mich.

Chateaugay, whose movie-script-style finishes have delighted TV fans and upset predictions about three-year-old thoroughbreds, beat Candy Spots by two-and-a-half lengths in the Belmont Stakes to take two-thirds of the Triple Crown, (AP).

# Smashes 'Buick' Record; Big Boros Looms As National Open Golf Title Threat

GRAND BLANC, Mich. (AP) — Big, muscular Julius Boros smashes 'Buick' record by taking two-thirds of the Triple Crown, (AP).

# Dodgers Find 'Wills To Win'; Colts Top SF

(By the Associated Press)

The Los Angeles Dodgers prepared today for another showdown with San Francisco after concluding a road trip with a five-game winning streak, a slim hold on the National League lead and a theory that where there's a Will's there's a way.

The Will's leading the way is Maury, the little speedster who has turned slugger since recovering from an injury and led Los Angeles to five straight victories — the latest an 11-8 conquest of the Chicago Cubs Sunday.

Wills followed up a four-hit performance Saturday with a 3-for-5 effort against the Cubs Sunday, driving in three key runs with a bases loaded double in the sixth inning.

The sport has raised Will's average from .252 to .290 and revitalized a slumping Los Angeles attack just in time for the start of a two-game series tonight against third-place San Francisco.

The Giants are two games behind following their seventh straight loss, 3-0 at Houston as reliever Hal (Skinny) Brown pitched one-hit ball for the Colts over the final 6 1/2 innings in the first Sunday night game in major league history.

Second-place St. Louis, one-half game back, set the doubleheader pattern for the day by splitting with New York, losing 8-7 before wallowing the Mets 10-4. Philadelphia edged Cincinnati 8-7 in 10 innings but the Reds won 3-1 behind John Tsiouris' four-hitter, Pittsburgh's Bob Friend blanked Milwaukee 4-0, then the Braves took the nightcap 5-3.

The Mets benefited from Cardinal errors by Bill White and Stan Musial, collecting four runs over the two muffs to take a large step in the opening game victory. In the nightcap, the Cards piled up nine runs in the seventh and eighth innings — four coming on an inside-the-park grand slam homer by Tim McCarver. White also homered in support of Ray Sadeck, 3-4.

Tsiouris got all the support he needed in the Reds' nightcap triumph on homers by Vada Pinson and Pete Rose, who accounted for another run with a sacrifice fly.

The Reds led the opener 7-2 behind Bob Purkey going into the ninth but homers by Don Demeter, Jim Lemon and John Callison — his second of the game — tied the score. The Phillies then pushed the winner across in the 10th on Bobby Wine's infield single.

# Detroiters Top State Women's Bowling Tourney

BAY CITY (AP) — Detroiters dominated the 37th annual Michigan Women's Bowling Association Tournament which ended here Sunday night.

LaMar Ideas won the team handicap and actual with 2,882 actual pins. The team had a 117-pin handicap.

**Won Both Ways**

Lorraine Carroll and Charlotte Kardas of Grand Rapids rolled 1,201 actual with a 66-pin handicap to win both actual and handicap doubles.

The handicap singles title went to Grace Bradshaw of Detroit who rolled 740, including a 105-pin handicap.

The actual singles title went to Anita Cataline of Detroit who won with a 673.

# Thrown From Boat, Kenosha Outboarder Wins 100-Mile Event

ALEXANDRIA BAY, N.Y. (AP) — Johnny Johnson of Kenosha, Wis., passed Bob Jacobson of Flint, Mich., in the last 12 miles and won the 100-mile Thousand Islands Powerboat Race Sunday after being thrown from his boat.

Johnson, driving a Class C utility boat, set a record of one hour 49 minutes and 30 seconds in ideal conditions on the St. Lawrence River course. The previous record was one hour 51 minutes and 35 seconds set in 1961 by Raymond Link of Detroit. Link was third Sunday.

Johnson was thrown from his boat upon hitting a wave. He got back in, caught up, and crossed the finish line 25 seconds ahead of Jacobson.

Other class winners included: AU, Vic Brinkman of Michigan Center, Mich.; BU, Fred Miller of Trenton, Mich.; and CU, Al Myers of Berkley, Mich.

# Chateaugay Claims Title As Race King

NEW YORK (AP) — Trainer Jimmy Conroy always has been regarded as strictly a ladies man in the training of thoroughbred champions, but he also knows a thing or two about the colts—especially Belmont winner Chateaugay.

Chateaugay, who upset Candy Spots in the Kentucky Derby, then bowed to that California flyer in the Preakness, grabbed the rubber match in their thrilling Triple Crown duel Saturday at Aqueduct.

**Reversed Speculation**

The stunning result abruptly reversed the 3-year-old title speculation. Rex C. Ellsworth's Candy Spots was supposed to cement his claim, but John W. Galbreath's Chateaugay rode high on the throne today.

There was a chance last week that Chateaugay wouldn't even start in the Belmont, shifted this year to Aqueduct because the Belmont Park grandstand is creaking and tottering.

It was the first time the race hadn't been staged at Belmont Park since 1905. They could have run it there, at Yankee Stadium, or down Broadway. Chateaugay and jockey Braulio Baeza permitted Willie Shoemaker on Candy Spots to set the slow pace, then blasted past them in midstretch to win the 1 1/2-mile classic by 2 1/2 lengths.

**Both Off Rail**

Until they turned into the home-stretch, Chateaugay came outside for his winning bid. Candy Spots and Louis Lee Haggin 2nd's Chok-er were in front, but both came off the rail. Baeza shot Chateaugay down the inside and it was all over.

Mesh Tenney, Candy Spots' trainer, wasted no time Sunday morning he put his colt on a van for Chicago, and if all goes well will start him next Saturday in the \$100,000 Chicagoan at Washington Park.

**Cost Him Two Million**

Conway has no immediate plans for Chateaugay, the chestnut son of Swans, who was sold by Ellsworth to Galbreath for \$2,000,000.

# Chapeau For Cassius

Kentucky's poetry-spouting pugilist Cassius Marcellus Clay Jr. (left) in the tribal hat of Nigeria's Minister of Labor and Sport Chief Hon. J. H. Johnson, left, during a training break in a London gym. Clay is in England to fight British Commonwealth heavyweight champ Henry Cooper. (NEA).

# Marquette Legion Wins: Weather Threatens BR, Amvets LL Opening, Parade

Prospects were poor, to put it politely, for a satisfactory opening of Marquette Babe Ruth and Amvets Little League play to open today, while the Marquette Jr. Legion team was drying out from a drizzly victory over Harvey Sunday.

A parade had been planned at 4:15 p.m., with season-opening ceremonies to follow at the Little League diamond at 5 and the North Marquette field at 5:15, but weather reports offered scant hope of improvement and postponement for at least a day, was considered very likely.

In the County Legion game at North Marquette Sunday, Marquette downed Harvey, 15-1. Bats were booming on one side and quiet on the other, as the score indicates.

Curt Vandenberg worked five innings, Steve Nyquist, two, and Marquette, allowing one hit, and striking out 14 between them. Nyquist whiffed five in two innings. Meanwhile, Bill Jannausch went 3-for-2, Mike Harrington had a double and a single, and Gary Klein and Roger Contois each tripled for the victors.

Marquette County Jr. Legion league schedule finds Trenary at Neaugeun, Tuesday, Ishpeming at Gwin, Wednesday, and Harvey at Ishpeming next Sunday.

The parade had been planned to form at the First National Bank parking lot at 4:15, and to move west on Main to Third St., north to Ridge St.

The Babe Ruth League openers were to pit Standard Oil and Pepsi Cola in the first game, Sinclair and Lions in the second, with Mobil Oil and Independents idle.

The Amvets Little League plays on the high school diamond at Memorial Field.

**Nancy Schnering's SKI SCHOOL**

—FUN FOR ALL (Written for NEA)

Water skiing is growing so fast it is impossible to say accurately how many are actually enjoying the sport in this country. While you're saying a figure, it jumps up. The latest reliable estimate I've heard is seven million.

The sport is within reach of just about anybody who is within reach of a sizable body of water. Water skiing requires a minimum of equipment, none of which is priced out of sight. You don't have to own a boat. You may have a friend who does. You can ski from behind all sorts of craft, from speed boats to outboard-powered house boats. Even if you don't have a friend

# Munising To Begin Summer Recreation Program June 17

MUNISING — Under the direction of Stanley Whitman, Marquette High School instructor, a summer recreation program will be offered here for boys and girls for the 10th year. Supervised activities will continue for eight weeks, although the morning program for girls is scheduled for only six.

Robert Ellis will assist Whitman in supervising the program and Wayne Siskler will be substitute boys' director. A director for girls' activities will be named later.

### Wide Variety Of Activities

The program, designed primarily for boys and girls from 8 to 16 years of age, will consist of a wide variety of recreational activities, including baseball, softball, tennis, golf, archery, shuffleboard, basketball, croquet, handicraft, dances, cookouts and swimming.

To be utilized for the expansive program are the playground, skating rink, tennis court, Meadow Springs Golf Club course and Island Lake. In case of cold or rainy weather, activities will take place in the school gym. For younger children (four to nine years of age), there will be story hours at 10 a. m. Fridays and on rainy days in the Mather classroom.

The program will run from Monday, June 17, through Aug. 9, with morning events for girls ending on July 26. Registration will be conducted at 9 a. m. in Room 118 of Munising High School. Parents are urged to have their youngsters take advantage of this opportunity to learn recreational skills that will be of benefit in future years.

### The weekly schedule:

Boys — Monday, baseball, 8:15 to 9:45 for 8-12-year-olds, 9:45 to 11:30 for 13-16-year-olds; Tuesday, tennis, shuffleboard, croquet, basketball, horseshoes, 8:15 to 10 for 8-12-year-olds, 10 to 11:30 for 13-17-year-olds; Wednesday, softball, 8:15 to 9:45 for junior boys, 9:45 to 11:30 for senior boys; archery,

8:15 to 9:45 for senior boys, 9:45 to 11:30 for junior boys; Thursday, tennis, shuffleboard, croquet, basketball, horseshoes, 8:15 to 10 for junior boys, 9:45 to 11:30 for senior boys; Friday, golf for boys 10-17; handicraft for 8-9-year-olds.

Girls — Monday, tennis, shuffleboard, croquet, basketball, horseshoes, 8:15 to 9:45 for 8-12-year-olds and 9:45 to 11:30 for 13-17-year-olds; Tuesday, softball and

archery for junior girls 8:15 to 9:45 and for senior girls 9:45 to 11:30; Wednesday, tennis, shuffleboard, croquet and basketball for junior girls 8:15 to 9:45 and for senior girls 9:45 to 11:30; Thursday, softball for junior and senior girls 8:15 to 9:45 and handicraft at 10.

Swimming lessons will be given during afternoons, from 1 to 4, with all those registered asked to meet the bus at the school to go to Island Lake.

### Handicraft Lessons

Handicraft lessons to be offered on Thursdays and on rainy and cold days include: Bracelets, June 20; pot holders, June 27; candy trays and recipe holders, July 11;

whittling, July 18; ties, July 25. Tournaments will be conducted in various events and there will be special activities throughout the summer. Included will be a tennis court dance and high school basketball every Wednesday night from 8 to 10:30; cookouts for junior girls July 29 and for senior girls July 29, and a boys' overnight camping session July 19.

### Bethany Women Meet Tuesday

NEGAUNEE — "The Christian Intention" will be the topic for a panel discussion that will take place at a meeting of women of Bethany Lutheran Church at 7:30 Tuesday night.

Mrs. Richard Salo is program chairman. Panel members will include Mrs. Walter Warren, Pastor Paul Holmstrom and Mrs. William Veale.

Tuesday night's session will be the last business meeting until fall. Members of the Mary Circle will act as hostesses for the social hour with Mrs. George H. Collins as chairman.

### Priest's Disguised Voice Fails To Fool Sister

DES MOINES, Iowa (U.P.) — The Rev. Patrick Bacon awoke a little late one morning, and knew he couldn't get to a convent in time for the Mass he conducts there daily.

He relates that he called the convent, tried to disguise his voice, and asked for the time of the Mass.

One of the sisters replied, "Whenever you get here, Father."

### IN APPRECIATION

We wish to express our heartfelt thanks and sincere appreciation to our many relatives, friends and neighbors for their many acts of kindness during our recent bereavement, caused by the death of our beloved mother, Mrs. Ida Wood.

We especially wish to thank Rev. Wm. Saravia, the Pevola Funeral Home, the staffs of the Bell Memorial Hospital and the Palmer Nursing Home, Millwaukee, those who sent flowers, cards and donations, the ladies who served lunch, and anyone who helped in any other way during our time of grief. Their kindness will ever be remembered.
