

GOV. ROMNEY

GLENN S. ALLEN JR.

L. WILLIAM SEIDMAN

### Citizens Sessions Highlight Busy Day For Governor Here Saturday

Gov. George Romney's Citizens Sessions in Marquette tomorrow will be covered by Life magazine, the Associated Press, newspaper and other communications media.

It was learned today that Mike Silva, newly installed at Detroit bureau chief for Life magazine, will come to Marquette tomorrow with Francis Miller, Life photographer, to cover the Governor's five-minute talks with citizens

conducted from noon to 3 p.m. in the faculty lounge at the Northern Michigan University Student Center. Persons who want to speak with Gov. Romney at this time must register in the Vista Room in the Student Center. They will be seen by the Governor on a first-come, first-served basis. Persons wishing to speak in private with Gov. Romney will be permitted to do so.

WDMJ, The Mining Journal radio station, will broadcast the fiscal reform meeting from 11:30 to noon tomorrow. Gov. Romney's Citizens Sessions from 1 to 2 or 2:30 p.m. and the Upper Peninsula American Legion convention dinner meeting, starting at 5:30 p.m.

The Citizens Sessions will be a highlight of a day crowded with activity for the Governor.

His activities will begin with a breakfast meeting with Upper Peninsula Republican County chairmen, vice chairmen, legislators and members of the State Central Committee in the Harbor Room of the Hotel Northland from 8 to 10. The Governor then will meet with leaders of Operation Action—UP and the Upper Peninsula Committee on Area Problems in Dining Room A of the Spooner Building on the NMU campus.

Fiscal Reform Meeting At 11:30 Gov. Romney will open a fiscal reform meeting in Rooms B and C of Lee Hall on the campus with a half hour address on the history of tax reform and why

it is needed. The Governor then will introduce George S. Allen Jr., state controller, who will present an outline of state revenues and expenditures for 1964-65. He, in turn, will introduce L. William Seidman, special assistant to the Governor for financial affairs, who will speak on aspects of tax reform. The meeting then will be open to discussion from the floor on tax reform and various tax plans.

Plans also call for the Governor to participate in the parade of the Upper Peninsula Legion convention if time permits. Services Tomorrow The body was removed to Tonella's Funeral Home, where friends may call after 3 this afternoon. Services will be held at 2 tomorrow afternoon in the funeral home with the Rev. Thomas V. Asuma, pastor of St. Mark's Lutheran Church, officiating. Burial will take place in the Skandia Lutheran Cemetery.

### Lifelong Area Resident Dies In St. Luke's

Mrs. Hilda S. McMaster, 63, Route 1, Skandia, died at 12:50 yesterday afternoon in St. Luke's Hospital, following an illness of two months. She has been in St. Luke's since May 21.

She was born on Aug. 25, 1899, Negaunee, and had been a resident of Skandia since 1919. Mrs. McMaster is survived by four daughters, Mrs. Edward (Helen) Anderson, Ishpeming; Mrs. Alfred (Alice) Denofre, Negaunee; and Mrs. Donald (Susan) Fletcher and Mrs. Robert (Nancy) Mathews, Marquette; two sons, George, Skandia, and James of Harvey, 20 grandchildren; her father, Matt Turri, Negaunee, a brother, Samuel Turri, Negaunee; two sisters, Mrs. Dee Senobe, Rockford, Ill., and Mrs. Helen White, Negaunee. There also are several nieces and nephews.

Services Tomorrow The body was removed to Tonella's Funeral Home, where friends may call after 3 this afternoon. Services will be held at 2 tomorrow afternoon in the funeral home with the Rev. Thomas V. Asuma, pastor of St. Mark's Lutheran Church, officiating. Burial will take place in the Skandia Lutheran Cemetery.

Obituary MRS. SETH JUNEAU Funeral services for Mrs. Seth (Clara) Juneau, who died in St. Mary's Hospital, Rochester, Minn., Wednesday morning, will be held at 9 tomorrow morning in St. Louis Church, Harvey. Burial will be made in Holy Cross Cemetery.

Palbearers will be Leo Carlson, Joseph Wiedenmaier and Lawrence Spagnolo and Kenneth, Charles and Bernard Juneau. The body is in the Passender Funeral Home, where the parish Rosary will be recited at 8 this evening.

EDWIN E. JOHNSON Funeral services for Edwin E. Johnson, Skandia, who died Wednesday evening in St. Luke's Hospital, will be held at 1:30 tomorrow afternoon in the Skandia Emanuel Lutheran Church with

the Rev. Knut Savareid, pastor of the Grace Methodist Church officiating. Pallbearers will be Albert and Richard Nelson, Niagara; Raymond Fagerberg and Eston Conant, Marquette; Gary Swanson, Skandia; and Russell Hendrickson Jr., Marquette. Burial will be made in Haglund Cemetery, Skandia.

Friends may call at the Swanson Funeral Home this afternoon and evening. The body will be taken to the church at 10 tomorrow morning.

GEORGE E. HENDRICKSON George E. Hendrickson, 40, Laurium, a former Marquette resident, died suddenly yesterday in Laurium. He was born in Hancock Feb. 21, 1923, and moved to Calumet with his parents at the age of 4. He attended Calumet Public Schools and graduated with the class of 1943. He then moved to Detroit, where he was employed until 1951.

He resided in Marquette from 1951 to 1960, when he moved to Laurium, where he was owner of the Arrow Taxi Co. and manager of secretary of state's branch office until March of this year.

He was a member of the National Lutheran Church of Calumet. Surviving are his wife, the former Vieno Lahtela, two children, Diane and Dale, at home; his parents, Mr. and Mrs. Karl Hendrickson, of Calumet, and several cousins.

Services will be held tomorrow at 3 p.m. in the National Lutheran Church, Calumet, with the Rev. A. E. Kokkonen officiating. Burial will be in the Lake View Cemetery.

The body will be taken to the church one hour prior to services from the Peterson Funeral Home.

The Hearing Aid Industry Conference says the association of hearing loss and old age is a misconception. Almost three out of every five persons with a hearing loss are under age 65. And more than two million school-age children have hearing impairment.

### County Given \$430,600.43 For Schools

Marquette County's share of the June apportionment of state aid for school districts totals \$430,600.43, Bertil Agnoll, Negaunee, county treasurer, reports.

Checks for their share of the county apportionment are being mailed this week by the county treasurer's office to the various school districts in the county.

Apportionments are based on the number of public school children in each district. Payments for the county districts follow:

Champion-Humboldt Community School District, \$10,170.17; Chocoma Township School District, \$11,929.90; Ely Township School District, \$5,427.79; Forsyth School

District, \$151,976.21; Ishpeming Township School District, \$7,365.42; Marquette Township School District, \$10,339.64; Michigan Public School District, \$2,197.63; National Mine School District, \$7,180.90; Negaunee School District, \$48,300.62; Powell Township School District, no apportionment; Republic Central School District, \$17,118.30.

Sands Township School District, \$2,428.26; Skandia School District, \$7,557.98; Turin Township School District, \$2,238.17; Wells Township School District, \$1,264.78; Marquette City School District, \$95,509.96; and Ishpeming Public School District, \$49,699.66.

### Republicans Say JFK Should Forget About Europe Trip

WASHINGTON (AP)—Some Republican spokesmen say President Kennedy should forget his planned trip to Europe this week, and stay home to deal with racial turmoil and other urgent matters. "With problems here at home—economic and racial—he has no

business being out of the White House, even to go to Camp David (Md.)," Sen. Barry Goldwater, R-Ariz., said Sunday. Sen. Hugh Scott, R-Pa., on the same radio-television program with Goldwater, said he could see no reason for Kennedy to visit countries with sensitive internal problems such as Germany, in the process of changing governments; Italy, where a new Pope is expected to be selected soon; or Britain, embroiled in a crisis of government because of a sex and security scandal.

### Seeking an Audience with Their Chief Executive

First Outside Of Lansing This will mark the first time the Governor has held Citizens Sessions outside of Lansing. It will be only the second time that the sessions will have been opened to press, radio and television.

### Summer (Officially, That Is) To Begin At 10:04 Tonight

Summer (officially, that is) begins at 10:04 tonight and, for a few days at least, Marquette area weather is expected to be in tune with the season. Tomorrow is expected to be fair with warmer temperatures. Yesterday was unusual. It didn't rain. It was only the fifth day so far this month that there has been no rain. Total precipitation this month amounts to 3.99, a half inch more than normal for all of June.

Chilly temperatures continued last night and frost was reported in scattered areas away from Lake Superior. Despite the cool weather, a large crowd turned out to hear the first of the Marquette Municipal Band's summer concerts.

Overnight the temperature got down to 41 in Marquette and 35 at the Marquette County Airport. One of the lowest temperatures in the nation last night was 32, recorded at Kincheloe Air Force Base, near Sault Ste. Marie.

High temperature here yesterday was 54 and the low 49, the average being 13 degrees below normal. The average this month is 1.9 degrees below normal.

Today the sun reaches its most northerly point in its apparent yearly journey, making today the longest day of the year, with about 15 hours of daylight. Tonight isn't expected to be quite so cool, with the low in the mid-40s. It looks like the weather is going

to cooperate for the Upper Peninsula American Legion Convention parade tomorrow afternoon and drum and bugle corps contest tomorrow evening. Increasing cloudiness is predicted in the afternoon, but the high temperature is expected in the mid-70s.

Only bad point in the weather forecast is the outlook for Sunday: partly cloudy and occasional showers.

For the next five days, temperatures are expected to average two to four degrees above the normal extremes for the period of 72 and 54. It's expected to be slightly cooler late Sunday or Monday, but warmer again Tuesday and Wednesday. Precipitation during the period is expected to total one-fourth to one-half inch, in showers Sunday and again about Tuesday or Wednesday.

# Legion National Commander Due Here Tomorrow For Meet

JAMES E. POWERS

## Big Welcome Being Planned; Parade Starts At 2:15 P.M.; Gov. Romney Dinner Speaker

Upper Peninsula American Legion and Auxiliary members, here for the 43rd U. P. Legion convention, spent an active day in meetings today and an even busier day is in store for them tomorrow.

Business meetings for the U. P. Legion Association and for the Auxiliary Fifth Zone will be held at 9 tomorrow morning in the convention headquarters, the National Guard Armory.

James E. Powers of Macon, Ga., who was elected Legion national commander in October 1962, will arrive by chartered plane at the Marquette County Airport in Neegaunee Township at 1:10 tomorrow afternoon.

### Police Escort Set

"A real welcome has been arranged for Commander Powers," Jack Dempsey, general chairman of the 1963 U. P. Legion Convention Corp., which is staging the convention.

On hand to greet Powers will be a drum and bugle corps: Col. Richard W. DaVania, K. L. Sawyer Air Force Base, commander of the Sault Ste. Marie Air Defense Sector of the North American Air Defense Command; State American Legion Commander Joe Paul of Ishpeming, and Joseph Fine, commander of the Marquette post.

Powers will leave the airport under state police escort for Marquette, where Col. DaVania will assume his position as grand marshal for the convention parade, which begins at 2:15 p. m.

Route for the two-mile long parade, from the formation point at Memorial Field, will be west on W. Fair Ave. to Presque Isle Ave., south on Presque Isle Ave. and N. Fourth St. to W. Washington St.; east on Washington St. to Front St. and north on Front St. to Hewitt Ave. The Marquette Municipal Band

Walter J. Myers, 1214 High St., Marquette, recently reported for duty at the Naval Station, Argentina, Newfoundland, a key Navy facility on the southeast coast of the Canadian island province.

Receiving a week's training in counter-guerrilla warfare recently with other members of Company "L" of the First Marine Regiment at Camp Pendleton, Calif., was Marine PFC Terry P. Sayen, son of Mr. and Mrs. Charles Sayen of Gwinn.

Darren L. Tousignant, fireman apprentice, USN, son of Mr. and Mrs. Archie Tousignant, Route 1, Champion, and Mark E. Lawrence, boilerman fireman, USN, son of Mr. and Mrs. Harold J. Lawrence, 239 W. Bluff St., Marquette, while serving aboard the radar picket destroyer U.S.S. Frank Knox, took part in the Pacific recovery of Astronaut Gordon Cooper recently during his 22 orbits of the earth.

Named to the Superintendent's list for the second half of the academic year at the U.S. Naval Academy, Annapolis, Md., was Midshipman 2c Eric Carlson, 21, son of Mr. and Mrs. Elmer K. Carlson, 534 E. Arch St., Marquette.

Marine PFC Keith J. Bressette, son of Mr. and Mrs. Clifford V. Bressette, W. Fair Ave., Marquette, has reported for duty with the Headquarters and Service Company of the Seventh Regiment at Camp Pendleton, Calif.

will lead the parade and floats, marching bands and drum and bugle corps from throughout the U. P. will participate.

### Air Force Band

The K. L. Sawyer Air Force Base color guard and honor guard and the Chanute Field Air Force Base color guard and honor guard Ill., also will be part of the parade.

Miss Upper Michigan, Kathleen McLaughlin of Ishpeming, has been named queen of the convention and she will appear in the parade.

Gov. George Romney and national, state and Peninsula Legion officers also will appear in the two-hour long parade.

The convention dinner will be held at 5:30 p. m. at the Northern Michigan University Center. Guest speakers will be Gov. Romney and Powers.

### To Speak At Field

Immediately after the dinner, Gov. Romney will proceed to Memorial Field to speak at the drum and bugle corps competition, where he will be introduced by John Roberts, chairman of the contest.

The competition is scheduled to begin at 8 p. m. In the event of rain, it will be held in the NMU fieldhouse.

### Concludes Sunday Morning

The convention will conclude Sunday morning at 9 with memorial services in the Armory and a final session of the U. P. Association, with election and installation of officers, at 10.

In addition to Dempsey, convention general chairman, officers of the 1963 Legion Convention Corp., are Austin Jackson, vice president; Robert Smith, secretary; and Floyd Beaudoin, treasurer.

Directors of the corporation include John Roberts, Joseph Fine, Miles E. Betts, Russell Robertson and Robert C. Alexander.

Registering last evening at the National Guard Armory for the Upper Peninsula American Legion Convention were (from left) Paul Maroney, Chelsea Legionnaire; Mrs. Alice Schneider, Auxiliary member from Tecumseh; Mrs. Maroney; Convention General Chairman Jack Dempsey, Marquette, and George Trumbull, assistant press secretary to Gov. George Romney. Gov. Romney will be guest speaker at the Legion dinner meeting tomorrow at Northern Michigan University. — (Joe Sullivan photo.)

## City Paragraphs

Charles Edward Phelps enlisted in the U. S. Coast Guard as a sea-man recruit at the Coast Guard Recruiting Station, Green Bay. He is the son of Mr. and Mrs. Frank R. Beland, 413 E. Magnetic St. He was transferred to the Coast Guard Receiving Center, Cape May, N. J., for basic training. Upon completion of basic training, he will attend a service school, or be assigned to a Coast Guard unit.

## County Unit To Host State 40 Et 8 Meet

Voiture 599 of the Marquette County 40 et 8 will host the annual Petite Promenade to be held tonight in conjunction with the Upper Peninsula American Legion convention in Marquette, Chef de Gare Carmello Russo of Neegaunee announced today. The Petite Promenade is a meeting of all voitures in the Peninsula.

Highlighting the session will be a visit by Paul E. Howard of Jackson, Grand Chef de Gare du Michigan, who will be the main speaker at a dinner at 7 p. m. in the Northland Hotel.

Officers Attending State Legion Commander Joe

## 'Hot Line' Only Step Forward

WASHINGTON (AP)—U. S. officials cautioned today against expecting speedy East-West accord on other disarmament proposals just because Washington and Moscow have agreed to set up a hot line.

While the for-emergencies communications link agreed on in Geneva Thursday is a welcome step forward, they said, other more substantial arms control issues are still in deadlock at the 17-nation disarmament conference.

### Next Main Goal

Looming as the next main goal in disarmament effort is a nuclear test ban. Undersecretary of State W. Averell Harriman will lead a U. S. mission to Moscow in mid-July for a renewed attempt at a treaty to outlaw atomic explosions.

So far, U. S. officials said, the Soviets have shown no sign of yielding their opposition to inspections the West says are necessary to safeguard a test ban against cheating.

### Principal Spur

The U. S.-Soviet confrontation in the Cuban missile crisis last fall appears to have been a principal spur for the hot line agreement concluded in Geneva between disarmament negotiators Charles C. Stelle for the United States and Semyon K. Tsarapkin for the Soviet Union.

Even the urgent messages between President Kennedy and Soviet Premier Khrushchev took hours to clear through the normal diplomatic channels. At the peak of the October crisis, both governments heads resorted to public statements flashed around the world almost instantaneously by news services.

### Completion Date

The new Washington-Moscow hot line setup will use facilities similar to those of the commercial wire services. U. S. officials predicted the hot line facilities will be completed in 60 days.

Paul of Ishpeming, a member of Voiture 599, will introduce state 40 et 8 officials.

In addition to Howard, state officers attending will include Lee Taylor, Grand Correspondent; Eynar Olson, executive committee member; Russell John, Grand Chef de Gare; A. B. Johnson, 12th District Cheminot, and Irving Hactman, 11th District Cheminot.

### Led By Flint Group

Following registration of delegates, the Promenade will continue with a wreck of candidates for membership. The wrecking crew of 15 men from the Flint Voiture is under direction of Laurence Deskin.

The annual 40 et 8 parade will be led by the Flint wrecking team in its boxcar.

## Young Man Gets 10-Day Jail Sentence

William J. Kemp, 19, of 655 Maurice St., Ishpeming, was sentenced by Neegaunee Judge William C. Haupt to spend 10 days in the Marquette County Jail yesterday for malicious destruction of property.

Kemp was arrested by Marquette police Tuesday. He was arraigned in Neegaunee Municipal Court in the absence of Marquette Municipal Judge Edward H. Dembolski, who is on vacation.

### Drove Over Lawn

Alternative sentence for Kemp is to pay a fine of \$25 and \$5.10 costs.

City police said Kemp drove his car over a lawn at the home of Henry G. Mercure, 411 E. Prospect St., and "tore up" 15 feet of sod. The incident occurred after an argument, police said.

## Armed Forces Personnel

Corporal Richard J. Oja, son of Mr. and Mrs. John S. Oja, Route 1, Republic, is engaged in a continuous training program with other members of Company "M" of the Fifth Marine Regiment at Camp Pendleton, Calif.

While serving aboard the attack aircraft carrier U.S.S. Franklin D. Roosevelt recently William G. Wentzel, USN, son of Mr. and Mrs. Adrian N. Wentzel, Big Bay, was advanced to storekeeper 3c.

Marine Cpl. Stanley G. Bell, son of Mr. and Mrs. George G. Bell, 1933 Wright St., Marquette, serving with Marine Attack Squadron 332, Second Marine Aircraft Wing, returned to the unit's home base at the Marine Corps Air Station, Cherry Point, N.C., in late April after eight weeks training operations at Roosevelt Roads, Puerto Rico.

Completing recruit training recently at the Marine Corps Recruit Depot, San Diego, Calif., was Marine Private Elaine L. Arbellus, son of Mr. and Mrs. Walfred A. Arbellus, Palmer.

Frank J. Myers, hospital corpsman 3c, USN, son of Mr. and Mrs.

HIGHLIGHTS OF DESIGN

1. LOW, COUNTER-TOP HEIGHT. Low height and small required floor area save valuable living space.
2. INSULATION. Thoroughly insulated with foil-faced fibreglass.
3. CAST IRON CONSTRUCTION. Strong and corrosion-resistant for long life.
4. NO FACE GRINDING. Tough outer skin is left on sections—retards rusting.
5. POSITIVE AUTOMATIC BURNER AND COMBUSTION CHAMBER POSITIONING. Assures correct operation.
6. TANKLESS HEATER — OPTIONAL. For ample supply of year 'round hot water.
7. WIRING HARNESS.
8. FRONT PLATE WITH BURNER MOUNTING FLANGE AND RELIEF DOOR. This plate is equipped with puff-out door and observation port. The spring-activated puff-out door opens immediately if excessive pressure develops in the combustion chamber. After pressure is relieved, the door returns to its secure, spring-sealed position.
9. FINNED AND STUDDED HEATING SURFACES. These multiple extensions assure maximum transfer of heat from flame and hot gases.
10. NEW METHOD OF PALLETING. Permits P-62 "package" boilers to be placed in exact spot desired before removing pallet.

A GENUINE ADVANCE IN OIL BOILER DESIGN ENGINEERED FOR TOP EFFICIENCY, LONGER LIFE

**WEIL-McLAIN BASEBOARD PANELS**

A Genuine Advance in Styling . . . Heat Production . . . Heat Control . . . Installation

At the first sign of any trouble with your plumbing or heating equipment, call JAMES ANDERSON PLUMBING & HEATING CO. And . . . for that home you're remodeling or the new one you're planning . . . be sure it includes the finest equipment. Before you buy your new Heating System be sure you see the NEW, ULTRA-MODERN WEIL-McLAIN BOILERS and Baseboard Panels. You'll add not only beauty, but greater comfort to your home. Baseboard Panels are made of mar-proof cast iron, hold the heat longer, and keep room temperature uniform from floor to ceiling. Installed with a minimum of preparation and expense.

John M. Harkin (above) is shown during an open water dive in Lake Superior. The dive was part of the scuba diving course he is taking. In lower photo, at the Northern Michigan University pool, are, from left, Bill McGee, George Brassard, Barton Bartelli, Stewart Abbott, Tom Vicary and Bruce Jokinen. Instructor is Scott Holman (sitting on the deck). In the pool phase of the course, students receive a final briefing before practicing their "buddy breathing" skills. (Upper photo by Scott Holman; lower by Bob Harding.)

Eight From Area Complete Scuba Diving Course Here

Eight members of the second 1963 class in the "fundamentals of skin and scuba diving" will graduate tomorrow following their open water dives into Lake Superior in the morning. The course consisted of 13 hours of classroom lectures, 15 hours of pool work, a three-hour final examination and a three-hour open water dive into Lake Superior. New Class Stated The class is offered through the public services division of Northern Michigan University, and held in the university's pool in the fieldhouse. It is taught by Scott Holman, Ishpeming, an instructor certified by the National Association of Underwater Instructors (NAUI). Receiving their NAUI certificates tomorrow as qualified scuba divers will be Stephen W. Dupras, Barton Bartelli, George Brassard and John M. Harkin, Marquette; Stewart Abbott and Bruce Jokinen, Negaunee; Thomas

Vicary, Ishpeming, and Robert Harding, K. I. Sawyer Air Force Base. Persons interested in receiving training may make reservations for the next class by calling the university (CA 5-1341) and asking for the public services division. Date for the start of the class will be announced later. All equipment, instructors and compressed air for the class members are provided by the Lake Superior Skin Diving Co.

Dedication Of Bay De Noc College July 2

ESCANABA — Dedication of the new Bay de Noc Community College in Escanaba will be held on July 2 at 6:30 p. m. The event is scheduled to be part of the Centennial Week program in this area. Philip Gannon, president of the Michigan Council of Community College Administrators, will deliver the dedication address. Bay de Noc Community College is controlled by an eight-member board of trustees. The board is comprised of Joseph L. Heirman, Charles Folio and Arthur Slaughter, Escanaba; Robert Groos, Flat Rock; Hagle Quarnstrom, Gladstone; Albert Jenke, Bark River; James Dotsch, Garden, and Clayton Ford, Cornell. Heirman, chairman, announced

Canvassers Approve New Constitution

LANSING (AP) — Michigan's new constitution will be the law for the state, the Board of Canvassers has agreed. Although there was quarreling between Republicans and Democrats, the final vote of approval by the four-member bipartisan board was unanimous. The board put the stamp of approval Thursday on the April 1 vote for the constitution. The last figure showed only a 405-vote drop from the original margin of 7,829 approving the constitution. No Further Challenge Tom Downs, legal counsel for the Democrats, said they planned no further challenge of the vote. "All we are interested in now is getting some of our money back and calling attention to the elections irregularities the recount uncovered, especially an alarming amount in error by election officials," Downs said. "The security of ballot boxes and voting machines has not been preserved in an amazing number of cases," Downs said. "One third of the ballot boxes and machines that could be recounted resulted in a change of totals after the recount." Report Cited Downs submitted to the board a report on areas where he thought the elections law should be tightened or improved. "All the errors found were only minor errors and in every case honest errors. There was no case of anything intentional or dishonest," retorted Robert Montgomery, director of the State Elections Division.

Five Kiwanis Members At U.P. Caucus

Five members of the Marquette Kiwanis Club attended the lieutenant governor's caucus, for the Peninsula Division of the Wisconsin-Upper Michigan District, held in Yacht Club in Houghton this week. Attending from Marquette were Melvin N. Nyquist, president; L. Well A. Carlson, secretary-treasurer; Alfred A. Canilli, past lieutenant governor; Joseph Mason, past president; and Clifton Wagner, includes Marquette, Ishpeming. In the division are clubs in Marquette, Ishpeming, Copper Country (Houghton-Hancock), Iron County (Iron River), Escanaba and Iron Mountain. Al Wickley, Houghton, lieutenant governor, presided at the session, at which Franz Schubert, the first president of the Copper County Club (which was organized by the Marquette Kiwanis Club), was nominated for lieutenant governor for the coming year. The district convention will be held in August in Iron Mountain and division plans for the meeting were discussed. At the district meeting Schubert's name will be presented for selection as 1964 division lieutenant governor. At the present time, this division is Division 14. However, in 1964 the division number will be changed to 17, although there will be the same number of Kiwanis Clubs in the organization. Prior to Wickley's becoming lieutenant governor, members from the Marquette Kiwanis Club held the position three years in succession, a record for the district. The Houghton-Hancock club won the golf tournament, held in conjunction with the caucus. The realignment in divisions is due to the increase in the number of Kiwanis Clubs in urban areas in Wisconsin, necessitating establishment of additional divisions.

Sharon Kent To Teach In Romeo School

Sharon L. Kent, Marquette, a June graduate of Northern Michigan University, has accepted the position of junior and senior high typing teacher in the Romeo Community Schools, according to the NMU Placement Office. The daughter of Mr. and Mrs. William Kent, 145 W. Arch St., Sharon received the bachelor of science degree at Northern with a major in business education. She was on the honor roll throughout college and was honored as the outstanding student teacher in business education from NMU at the annual convention of Michigan Business Education Association, receiving the Smead Award in business education. While at Northern, Miss Kent was a member of the Kappa Delta Pi Honor Society in education, Cercle Francais, Church organizations and the Lutheran Students' Association.

Tech Professor In Test Study For Missile Job HOUGHTON — Robert W. Curtis, assistant professor of mechanical engineering at Michigan Tech, will spend eight weeks during July and August with the Boeing Co. in Seattle. This is Curtis' second consecutive year to be selected for special summer duty with Boeing. He will be assigned to the Environmental Design Assurance Group, Minuteman Subsystem Integration Section. Boeing is the prime contractor for weapon system integration of Minuteman, one of the largest United States missile projects. Curtis will be involved in test evaluation of ground support equipment for the missile. The Department of Health, Education and Welfare maintains a staff of approximately 82,000 employees.

660 Enrolled For Summer, Tech Reports

HOUGHTON—Michigan Tech's summer enrollment now stands at 660, with a final count still to be made, reports Registrar T. C. Sermon. The figure is incomplete, Sermon explained, because some courses do not start until later in the summer quarter; nor does it include 109 high school and college teachers in special summer conferences and institutes on the campus. Five such special programs are scheduled under grants totaling \$118,987 from the National Science Foundation. Over 115 Courses Tech's course offerings this summer include more than 115 courses, featuring many accelerated courses and several field courses. Forty-eight students, for example, are currently enrolled in Summer Forestry Camp at Tech's Ford Forestry Center at Alberta. The National Science Foundation programs at Tech this year are: Summer Institute in Numerical Analysis, Digital Computer Programming, Analog, Computation and Field Problem Analogs, June 10 to Aug. 16, for 24 college teachers of physical science, mathematics or engineering. The institute is directed by Dr. Kenneth McMillin, associate professor of mathematics, under a \$36,700 grant. This is the second consecutive year McMillin has received NSF support for this institute. Conference on the Geology of the Lake Superior Region, June 10-27, for 30 college teachers of geology. The Conference is being conducted for the second consecutive year under a \$19,500 grant. It is directed by Dr. James M. Neilson, assistant dean of the faculty and professor of geological engineering. A unique aspect of the conference is a 16-day, 1,600-mile field excursion by chartered bus around Lake Superior. Summer Institute in the Earth Sciences, June 24 to Aug. 16, for 40 high school and junior high teachers of earth or general science. It will be directed by Dr. D. O. Wylie, professor of physics, under a \$50,700 grant. This NSF Institute was previously offered at Tech in 1960 and 1961. Summer Institute in Laboratory Training in Soil Chemistry or Ecology, July 1 to Aug. 23, for three high school teachers of chemistry,

general science or biology. Dr. Eric Bourdo, director of the Ford Forestry Center, will conduct the Institute at the Center under a \$4,520 grant. This is the second such program Dr. Bourdo has conducted in the past three years. Summer Conference on Analog Computation, Aug. 26 to Sept. 13, for 12 college teachers of one of the physical sciences, mathematics or engineering. Dr. McMillin will direct the conference under a \$7,567 grant. It will be the fourth such conference he has conducted since 1959, and is his sixth NSF grant in the past four years. Summer commencement will be held at Michigan Tech on Aug. 21, with approximately 10 students expected to be candidates for baccalaureate or graduate degrees.

Marquette City Commission Proceedings

A Regular Meeting of the Marquette City Commission was duly called and held June 10, 1963 at 7:00 o'clock, P.M. Present: Mayor Rydholm, Commissioners Carlson, Fine, Johnson. Absent: Commissioner Smith. It was moved by Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that the absence of Commissioner Smith be excused, he being away from the City. On motion of Commissioner Carlson, supported by Commissioner Johnson and unanimously adopted the bills payable now on file with the City Clerk totalling \$94,824.86 of which \$41,391.64 is the net City payroll and \$3,178.71 is the net Library payroll, were approved and ordered paid. A communication from Garland Mainville, Chairman of Region 10, Michigan Municipal League was read wherein he extends an invitation to attend a meeting of the Marquette City Commission to be held June 20-21, 1963 at the cities of Escanaba and Gladstone. This communication was ordered received and placed on file. A communication from the family of Alvin Jarvin wherein they commended the ambulance service rendered their family recently. This communication was ordered received and placed on file. A communication from Mr. and Mrs. Carl Pellinen was read wherein a complaint is registered regarding truck traffic on Clark, Wetton and Nieldhart Avenue in the City of Marquette. Following a short discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Johnson and unanimously adopted that this matter be referred to the City Manager for a study and report. A memorandum from City Clerk was read wherein he informs the Commission of the receipt of the Annual Agreement for the Municipal Maintenance contract between the State Highway Commissioner of the State of Michigan and the City of Marquette for the maintenance of US41 and M28 within the City. On motion of Commissioner Fine, supported by Commissioner Johnson, the resolution as read be adopted. Following a discussion on the adoption of this resolution it was pointed out that considerable portions of this contract were yet unsettled. Mayor Rydholm then called for a vote on the resolution now before the Commission. Yeas: None. Nays: Mayor Rydholm, Commissioners Fine, Carlson, Johnson. Mayor Rydholm then declared the motion lost for lack of support. Commissioner Fine then moved that this contract be referred to the City Manager and Superintendent of Public Works for a thorough study. This motion was supported by Commissioner Johnson and unanimously adopted. A report from City Manager Thomas Moore was read wherein he included a tabulation of bids received for scrap copper wire. Following a short discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Fine and unanimously adopted that upon recommendation of the City Manager the high bid of Jack Purple, Marquette, Michigan in the sum of 22¢ per pound for a quantity of scrap copper, be accepted. A petition signed by 31 residents on West Bluff Street was read wherein a request was made to have the low water pressure on that street investigated and remedied. On motion of Commissioner Carlson, supported by

Commissioner Fine and unanimously adopted that this matter be referred to the City Manager for a study and report. A report from Mrs. Lucille Treado, Chairman, Marquette City Planning Commission was read wherein the Planning Commission concurs in a request for light industry to be placed in the industrial zone at the Northwest corner of the intersection of Wright Street and 550, West of the Federal Research Laboratory. This report also contained a recommendation that consideration be given to the re-zoning of an area East of the Federal Research Laboratory to suited zoning to accommodate trailer facilities. Following a discussion on these matters this report was received for study. A petition signed by three residents in John and William Turt's Addition was read wherein a request was made for the City to vacate Freestone Alley between Division Street and Highway US-41. This petition also requested that consideration be given to the altering of the course of Billy Butcher's Creek in that subdivision. This petition also contained a request for the installation of water and sewer mains and paving and curbing in Furnace Street from Division Street to Highway US41. Following considerable discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Fine and unanimously adopted that these petitions be referred to the City Manager for a study and report. A communication from Richard Arnold, Owner of property between Allouez Drive was read regarding a sewer tap in that location. This matter was referred to the City Manager for a study and report. A communication from Ruth V. and Lawrence Pleugh was read wherein a request was made to add Lawrence Pleugh's name to a request for an S.D.M. License from the Michigan Liquor Control Commission. On motion of Commissioner Carlson, supported by Commissioner Fine and unanimously adopted this matter be deferred until the next regular meeting to be held June 24, 1963. City Manager Thomas Moore informed the Commission of an increase in the lease rental of off-street parking space at the South-east corner of the intersection of Front and Baraga Avenue. Following a question and answer discussion on this matter Mr. Moore was requested to make a study and report on this parking area. City Manager Thomas Moore recommended to the City Commission that they give serious thought to the extension of a water main to serve the Diesel Plant, The City Dog Pound and the Ahonen Lumber Company. Mr. Moore also pointed out that it would not be feasible to call for bids for additional water pipe in view of the fact that the low bidder who had bid on a quantity of water pipe in the past two weeks would increase the order at the then bid price. Following considerable discussion as to the cost of this installation and the benefits derived from this project, it was moved by Commissioner Johnson, supported by Commissioner Carlson and unanimously adopted that the City Manager cause this project to be undertaken this construction season and that upon his recommendation additional water pipe be purchased from The James B. Clow and Sons, Inc. in sufficient quantity to complete the project. There being no other business before the Commission at this time, Mayor Rydholm declared the meeting adjourned. EVERETT H. KENT City Clerk

Gwinn's 4th Celebration Plans Told

GWINN — The annual Fourth of July celebration this year will be sponsored by the Gwinn Fire Department and will be held in the Gwinn City Park, Max Fra-

Mrs. Prouse, Ishpeming Native, Dies

NEGAUNEE — Mrs. Olive Prouse, 76, died Thursday night in the Northwest Grace Hospital in Detroit. She was a patient there several weeks.

Mrs. Prouse was born in Ishpeming Dec. 24, 1887, and was the daughter of the late Samuel and Catherine Johns, pioneer residents of Ishpeming and Negaunee.

Miss Hocking Cited For Long Service In Salvation Army

ISHPEMING—Josephine Hocking, daughter of the late Mr. and Mrs. Joseph Hocking, both of whom were Salvation Army soldiers, recently received her "star" from Commissioner Samuel Hepburn at the Congress Hall in Chicago.

Tri-County Briefs

Ishpeming: Marshall Worth is a medical patient in Bell Memorial Hospital. The Lydia Circle of Bethel Lutheran Church will hold a party supper Monday evening at the Keto cottage on Dead River.

Negaunee: Jerry Violetta, a student at Michigan State University, has accepted a summer position at the Great Oak Resort and Yacht Club in Chestertown, Md.

Carlshead: A Bible camp rally, sponsored by Covenant Youth, will be held in Evangelical Covenant Church at 7 Sunday night. Refreshments will be served following the program.

Steel Contract At-A-Glance

Principals: United Steelworkers Union, eleven basic steel companies (U. S. Steel, Bethlehem, Jones & Laughlin, Armco, Great Lakes, Colorado Iron & Fuel, Pittsburgh, Republic, Wheeling, Youngstown Sheet & Tube and Inland).

Length of contract: 21 months, effective Aug. 1, 1963. Contract may be re-opened on 120 days' notice given after Jan. 1, 1965.

Background: Agreement culminated about 5 1/2 months of talks by joint labor-management-human relations committee. Committee created at end of bitter 116-day 1959 strike to discuss mutual benefits.

Gwinn Day Camp Set For July 8-12

SAWYER AFB — Day camp for Girl Scouts will be held in Gwinn for five days, July 8 through 12.

Surviving are two daughters, Mrs. Fred (Dorothy) Robertson and Mrs. Don (Gertrude) Wilson of Detroit; seven brothers, Irving R. Johns of Negaunee, the Rev. Roy C. Johns of Bad Axe, Mich., Howard Johns of Deerwood, Minn., Plemon and Lester Johns of Detroit, Raymond Johns of Boston and Ernest Johns of Staten Island, N. Y.; three grandchildren.

Michiganme

The American Legion Auxiliary will meet Monday evening at 7:30 in the Michiganme Community Building.

The Veterans of Foreign Wars will hold a regular meeting at 7:30 tonight in the VFW club in New Swanzy.

Ex-L'Anse Man Dies In Detroit

L'ANSE — Joseph Connors, 73, former resident of L'Anse, died Thursday evening in Detroit, where he had resided for 21 years.

He was born in Arvon Township July 3, 1889, and resided in Baraga County until 1941, when he moved to Detroit.

Surviving are four daughters, Mrs. Margaret Solt of Wayne, Mrs. Josephine Jasper of Minnesota, Mrs. Irene Schuler of Menominee, Wis.; a son, Daniel of Homer, Mich.; two sisters, Mrs. Elizabeth Edwards of Garden City and Miss Martha Connors of Detroit; two brothers, William and James of L'Anse; 13 grandchildren and three great-grandchildren, and several nieces and nephews.

4 Northern 'Grads' Take Gwinn Posts

ISHPEMING - NEGAUNEE — Four Ishpeming and Negaunee area women, June graduates of Northern Michigan University, have accepted positions in the Gwinn School District, according to the NMU placement office.

Mrs. Karen J. St. Andre, daughter of Mr. and Mrs. Roland St. Andre, North Lake Location, who received a Bachelor of Science degree with a major in elementary education, named third grade teacher in the Gilbert Elementary School.

Mrs. Dorothy Sivula, 455 Bay De Noe St., Negaunee, who was awarded a Bachelor of Arts degree while enrolled in the elementary education curriculum, engaged as third grade teacher in Sawyer Elementary School.

Mrs. Betty Hakala, Negaunee, wife of Olva Hakala and mother of five children, named fourth grade teacher in Gilbert Elementary School. She received a Bachelor of Science degree in elementary education.

Mrs. Lorna M. Verch, Ishpeming, who received a Bachelor of Arts degree with a major in English, named English and Spanish teacher in Gwinn High School.

stock commission firm and a Colorado livestock dealer had violated the Packers and Stockyards Act.

Free Competition: This act directs the department to assure free, open and fair competition in the marketing of livestock, meat and poultry.

Directives: Officials of this program (the Packers and Stockyards Act) should immediately discontinue the practice of publicizing any claim or charge against any individual or stockyards company for violation of regulations where no formal hearings have been held or penalties invoked.

Explanation Demanded In EMU Report

LANSING (AP) — Controversy over Eastern Michigan University has been kept on the front burner by a legislator's demand for an explanation of allegations concerning the school's financial condition.

But Sen. Elmer Porter, R-Blissfield, chairman of the Legislative Audit Commission, said he wanted the board to explain the meaning of certain statements contained in the report about finances.

Porter also said he wanted to know whether the report, compiled by a six-man investigating team of the North Central Association of Colleges and Secondary Schools, was paid for with public or private funds.

Golden Eagles To Open Full Summer Schedule Tomorrow

THEY'LL DO IT EVERY TIME

By JIMMY HATLO

Dear Abby....

BY ABIGAIL VAN BUREN

DEAR ABBY: I married a widow who had a four-year-old daughter. We are very happy and get along very well, but her continued close relationship with her ex-in-laws irritates me. I never knew her first husband and, although I have heard that he was a fine fellow, I am not particularly interested in socializing with his parents. I prefer that my wife forget them. To what extent am I obligated to be friendly to these people?

SECOND HUSBAND

DEAR SECOND: If you love your wife don't resent her ex-in-laws. She is no longer their daughter-in-law, but her child is THEIR grandchild, and always will be. And they probably love her all the more because she is a part of the son they lost. No one expects you to pretend a warmth that is not sincere, but be understanding, and don't ask your wife to "forget" them.

I noticed you agreed that a husband should help his wife with the housework. I raised 14 children and my husband never once changed a baby or washed a dish. I think a man who works from eight to 10 hours a day does enough, and it's not his place to do housework. I washed with a tub and board, and never owned a washing machine until 22 years ago. I've been married 43 years. The younger women are getting so lazy it's pitiful.

Schools Plan Curtailments For Next Fall

By the Associated Press. Voter rejection of school tax increase proposals has caused deep concern in parts of Michigan. School districts have gone in for curtailments to take effect with the start of next fall's terms.

On the other hand, there has been controversy over the need for any cutbacks.

And in some districts final decisions are being delayed pending a second trip to the polls by voters this summer when they act on new proposals.

An Associated Press spot check today of localities having trouble with finances indicated a wide range of effects.

Economy moves have included curtailment of athletic programs and school bus service.

**Bigger Load** School financing also has come up before Gov. George Romney's citizens fiscal reform meetings at which he is sounding out public sentiment.

Oakland County's school superintendent, William Emerson told

WELL DRILLING EUGENE M. KORPI GR 5-4370

Romney's Detroit meeting that the state should carry a bigger load of the public school costs in order that local governments could get relief.

Troubled school districts have adopted various methods for meeting problems left in the wake of the voters' thumbs-down action on millage increases.

Two Saginaw County districts have gone to bus curtailment to save money.

Saginaw Township cut out all bus service, hoping to save \$50,000 to \$60,000 a year.

**Limits Bus Service** Bridgport School District is limiting bus service to pupils outside a radius of a mile and a half from school. The state reimburses school districts for such pupils.

These two districts were the only ones in the Saginaw area reported badly hit by voter action.

South Haven in Berrien County plans a \$68,000 cutback, affecting driver education and music programs in elementary grades, but has another millage vote coming up in August. Two junior high school athletic coaches would be eliminated.

At Watervliet the school board is talking economy without yet having acted. It also has another millage vote on the way.

**Courses Reduced** Greenville is eliminating three

elementary teachers in physical education, art and library. The three sources are being reduced though not eliminated. Junior high school football is to be given up and also the junior varsity band. In Detroit, where 71,000 pupils are to go on half-day sessions in the fall, another millage vote—authorized by the Legislature—holds hope for relief. A special election was approved.

Lynn M. Bartlett, state superintendent of public instruction, called Detroit's problem "intolerable and inexcusable" in proposing a legislative tax program to require the state to take over "its fair share of school support throughout the state."

**Give Up Athletics** Detroit's public school financing was crippled when voters turned down a proposed millage boost last fall.

Traverse City and Milan have decided to give up high school football and all other athletics in sweeping economies. Traverse City quit all bus service. It means pupils living as far as 15 miles from school in a city find other means for getting to class. Milan reduced its services.

Citizen concern followed Milan's big economy move. Twenty-five teachers won't be brought back. Four elementary schools of the Monroe County community will be closed. There are other cutbacks. But in response to citizens' questions school board president Newton Squires says:

**Fight Economy Policies** "We are hoping the voters will realize that what we have said (about financial needs) is not just so much propaganda."

"Maybe the cutbacks will help," Squires added, apparently alluding to the possibility of a change of heart on the part of voters in future.

In Highland Park, unionized teachers are fighting economy policies of the school board.

The Detroit suburb seeks to save more than \$200,000 a year by putting nearly 1,000 pupils on half-day classes and eliminating a number of teaching jobs.

Highland Park Local 684 of the American Federation of Teachers (AFL-CIO), claiming citizen support, has protested the school board's action.

**HORSE SIGHT** A horse can see forward, backward and even a little way backward. Pupil of the equine's eye is oval-shaped, cutting down the scope a horse can see when it is looking straight ahead. The animal cannot see above the level of its eyes.
