Rains Renew Flood Threat In Nebraska

Heavy new rains over north-eastern Nebraska brought the threat of new floods Wednesday to an area soaked by 14 inches of rain in the past 48 hours.

The new rains were part of a thunderstorm belt stretching from central Kansas into Wisconsin. The belt marked the leading edge of a mass of warm, moist air moving northward from the Gulf of Mexico.

Warm Air The warm southern air mass sent temperatures into the 90s over much of the Midwest.

The heavy new rains in Nebraska fell in the area of the headwaters of Lincoln and Beaver creeks and the Big Blue River just as flood waters were beginning to recede.

Three persons have been killed and 295 families have suffered property loss in the flood waters that have swirled over the predominantly rural area.

Tornado Elsewhere in the nation, a tornado was sighted near Waldorf, Minn., early today. No property damage was reported. Showers and thundershowers fell over the Gulf Coast states and the Rocky Mountains. Most of the remainder of the nation enjoyed fair skies and seasonably warm temperatures.

9 ESCAPE DEATH:

38 Belgians Die In Plane Crash

DETMOULD, Germany — A larger military ground near this northwest German city.

Police said eyewitnesses saw a flame shoot out of the tail of the plane when it was about 800 feet up and immediately after, the plane started to plunge. Nine of the paratroopers jumped. On crashing the plane exploded and the wreckage burned for hours before rescue teams could start recovering the victims.

The Soviet premier visited East Berlin only last January and no one expected him to return so soon.

Ubricht's Birthday But East German Communist leader Walter Ubricht's 70th birthday on Sunday presented Khrushchev with a reason.

In a statement, Ledele said that, in addition to reducing the complexity of administering oral polio vaccine, the new product gives "active immunity against all three types of polio after the first feeding, and more complete protection after the second feeding eight weeks later."

The pioneer oral vaccine developed by Dr. Albert Sabin of the University of Cincinnati requires three doses a month apart, each using a different strain of live viruses to combat each type of polio.

The Salk vaccine, using dead virus and injected with a needle, is recommended given in three doses — the first and second a month apart, the third seven months later — plus a booster shot after a year.

The company said the three-in-one vaccine is the combination of the work of groups under the direction of Sabin and Dr. Herald R. Cox, Lederle's director of viral research. Lederle, a division of American Cyanamid Co., has its headquarters in Pearl River, N.Y.

The first mass tests of the vaccine were conducted in 1960 in the Miami area, where it was administered—usually in a cherry-flavored syrup—to 414,000 persons. Health officials there said paralytic polio cases dropped to zero afterward.

Another test was conducted in the Tampa, Fla., area last year.

When the President unveiled the program in a message to Congress last week.

The attorney general directed his strongest testimony to the section which promises to be the most controversial, the one prohibiting racial discrimination in any place of public accommodation—even privately owned ones.

'Whole Economy Suffers' The effects of discrimination in public establishments are not limited to the embarrassment and frustration suffered by the individuals who are its most immediate victims," Kennedy said, "our whole economy suffers. The nation's business is impaired."

Such facilities — restaurants, lunch counters, amusement places, stores, hotels and others—are public in a very real sense, he said.

"They are not at all like a private home or a private club, for example, to which the owner invites only the guests he selects. Plainly, places of public accommodation cater to the public."

Difference Of Color Kennedy then addressed himself to the argument that the public accommodations law would violate private property rights.

"Some of those who complain most loudly about its interference with private property rights," Kennedy said, "ironically are often those who most stoutly defend the laws, enforced by a number of states which forbid Negroes to be served."

"The difference is not one of property rights, but of the color of the customer's skin. That difference is called racial discrimination."

Federal Laws Many federal laws—such as the Taft-Hartley Act, minimum wage law and Sherman Antitrust Act—regulate privately owned businesses, Kennedy said. And 39 states already have laws forbidding owners of private businesses from discriminating against customers on the basis of race.

Kennedy next promoted the administration plan to speed school desegregation. Passage of a bill allowing the federal government to sue for an end to racial discrimination in schools, he said, "would smooth the path upon which the nation was set" by the Supreme Court's 1954 school desegregation decision.

Right To Vote Kennedy, urging adoption of laws aimed at speeding an end to discrimination in voting, said "the right to vote, and thus participate in the processes of self-government, is in the long run the most fundamental right of all."

Kennedy Visits Berlin Wall

East German Reds Prepare To Greet 'K'

BERLIN (AP) — The East German Communists are trying to drum up a big show for Soviet Premier Khrushchev's visit to East Berlin Friday in a bid to match President Kennedy's reception in West Berlin.

Berlin experts predicted that East Berliners would heed a Communist appeal to "decorate houses, streets, squares and factories with the red flags of the working class," but would do so sullenly.

Front Page Appeal The East German Communist party organ, Neues Deutschland, made a front page appeal to East Berliners to give their traditional hospitality "to our great friend."

It ran interviews with the mayor, a mechanic and a salesman extolling Khrushchev's visit. The East German radio also broadcast interviews and commentaries to whip up interest.

The Soviet premier visited East Berlin only last January and no one expected him to return so soon.

Ubricht's Birthday But East German Communist leader Walter Ubricht's 70th birthday on Sunday presented Khrushchev with a reason.

Lawyer Says Cons Kept In Torture Cells

MADISON, Wis. (AP)—The attorney for three escapees from Southern Michigan Prison, now fighting extradition to Michigan, accused Wisconsin officials Tuesday of keeping the three in "torture chambers."

Attorney Jack McManus was given until Thursday to try to obtain writs of habeas corpus to free Elmer J. Crachy, 35; Richard E. Mauch, 40, and Robert L. Gipson, 30. If he fails, they will be returned to Michigan.

Unvented Cells McManus said at the extradition hearing that the men had been kept in cells that were unbearable because of heat since their capture May 25.

"The cells are unvented," he said. "The men get no exercise whatsoever. A police dog left in the jail with them at night keeps them awake by sniffing loudly and making raucous noises."

Swedish Spy Scandal May Force Red Boss To Cancel Visit Again

STOCKHOLM, Sweden (AP) — Angry reaction to what officials called the worst spy scandal in Swedish history may force Soviet Premier Khrushchev to cancel his visit to this traditionally neutral nation a second time.

The government disclosed Tuesday the arrest of a Swedish air force colonel charged with spying for the Soviet Union for the past 15 years. For five of those years he was Swedish air attaché in Washington. It also ordered the expulsion of his two alleged contacts, the first secretary of the Soviet Embassy and the Soviet military attaché.

Decorated Col. Stig Erik Wennerstrom, decorated by both the United States and France, was arrested Friday. Police said he admitted selling military secrets of Sweden and other countries to the Kremlin.

Although the other countries were not identified, they presumably included the United States, which honored Wennerstrom with its Legion of Merit.

A special communique suggested more disclosures would be forthcoming. They could further embarrass Khrushchev and force him to cancel his Scandinavian visit, scheduled for next spring. Two years ago stormy political opposition made Khrushchev postpone a trip to Sweden.

Leaves Cancelled The Swedish press today unanimously called for cancellation of the Khrushchev visit.

The North Atlantic Treaty Organization was reported investigating whether Wennerstrom supplied the Russians with NATO secrets.

Informed sources in Stockholm said NATO staves in Paris and Washington had cancelled all

Attorney General Kicks Off Battle For Rights Program

WASHINGTON (AP) — Attorney Gen. Robert F. Kennedy appealed today to "the basic sense of justice in the hearts of all Americans" in urging Congress to approve President Kennedy's civil rights program.

"The courts have played an important role," he said. "This administration has taken significant and far-reaching action by the exercise of executive power."

U.S. Approves Short-Cut Oral Polio Vaccine

WASHINGTON (AP)—The government has approved a new short-cut oral polio vaccine designed to give quick simultaneous immunity against all three types of polio.

A license for the three-in-one vaccine—combining strains of the Sabin oral polio vaccine — was granted to Lederle Laboratories, a spokesman for the U.S. surgeon general's office said Tuesday night.

In a statement, Ledele said that, in addition to reducing the complexity of administering oral polio vaccine, the new product gives "active immunity against all three types of polio after the first feeding, and more complete protection after the second feeding eight weeks later."

The pioneer oral vaccine developed by Dr. Albert Sabin of the University of Cincinnati requires three doses a month apart, each using a different strain of live viruses to combat each type of polio.

Barrier Seen As Symbol Of Red Failure

BERLIN (AP)—President Kennedy looked at the wall in Berlin today and beyond into the Red-ruled East. Wild cheers from a million West Berliners rang in his ears and even East Berliners waved at him despite the presence of armed Communist police.

Then, in a speech to 250,000 Germans in front of City Hall he denounced the wall as a symbol of Communist failure.

"The wall is an offense against history and an offense against humanity," he told the chanting, roaring crowd.

Visits Wall Twice They were part of the million West Berliners who left their jobs and homes to give Kennedy what his press secretary said was the greatest reception he had received anywhere in the world.

He saw the wall twice. He visited historic Brandenburg Gate, the massive symbol of Berlin's division, and Checkpoint Charlie, the Allied crossing point into East Berlin.

Across from the checkpoint perhaps 2,000 East Berliners defied Communist police who tried to keep them moving. Though they could see little of Kennedy they heard the cheers and smiled.

Some hesitatingly raised handkerchiefs and waved when the police were not looking.

Wave Handkerchiefs They were waving handkerchiefs also when Kennedy mounted a special platform at Brandenburg Gate and looked for four minutes into East Berlin.

Another expression from the East occurred at Congress Hall in West Berlin, where Kennedy was given a bunch of flowers sent from East Berlin workers as a symbol of their hope for eventual freedom from Communist rule.

Then in a speech at West Berlin's Free University, Kennedy predicted that the very system which erected the wall is headed for discard. He said police states are an anachronism.

Arrival The President arrived at the Brandenburg Gate—the symbol of the division of Berlin between East and West—at 11:45 a.m.

He mounted a platform and looked at the concrete and barbed wire wall stretching in front of him, to the left and to the right, and at the massive gate before him.

He stayed four minutes and then headed for another point on the wall—Checkpoint Charlie, the U.S.-manned crossing point for foreigners where Soviet and Americans tanks faced muzzle to muzzle less than two years ago.

More Than Hitler The President reached the Brandenburg Gate after the greatest spontaneous welcome in the memory of the former German capital. Old timers said not even Hitler with his famous parade had brought out the people the way the American President did.

The screaming, cheering, flag-waving, confetti-losing welcome exceeded the mammoth reception West German crowds gave Kennedy earlier this week.

The President looked across into East Berlin from an 18-foot observation platform about 15 feet from the wall. West Berlin Mayor Willy Brandt and West German Chancellor Konrad Adenauer stood at his side as a British officer showed the President a chart of the principal points in East Berlin.

Soviets Take Pictures Soviet guards came over from their war memorial to take pictures. The memorial is in the British sector near the Brandenburg Gate.

Visitors to the Brandenburg Gate can peer through its three arches down Unter den Linden, the governmental center of East Berlin.

Tuesday night the East Berlin regime hung flags from the arches to curtain Kennedy's view into the East. The flags ostensibly were raised in celebration of the visit Friday to East Berlin of Soviet Premier Khrushchev.

Flowers For JFK As the President's motorcade drove on to Checkpoint Charlie, an elderly woman broke from the throng and ran into the street with a child in her arms carrying a bunch of carnations. A policeman started to guide the pair away but the President stopped the car, took the flowers and spoke with the woman.

Excellent Record The governor said he would take proper steps to grant a full and complete pardon for Russell, who has "an excellent record."

The transplant, believed first of its kind, would "alleviate human misery and suffering in years to come," Barnett said.

Russell's transplanted lung is functioning satisfactorily.

For Leap To Death! GUATEMALA (AP) — Jose Lucas Camejo waited for a sunny day to leap 150 feet to his death from the Belice bridge outside the Guatemalan capital Tuesday.

Camejo, an unemployed handyman, left this note: "This accident was to take place June 22 at 5 p. m. But it was raining, so I postponed it until today. Goodbye, friends."

Young GOP Raps JFK's Rights Plans

SAN FRANCISCO (AP)—Young Republicans were hammering out a civil rights stand today at a national convention that has turned into a mass rally backing Arizona Sen. Barry Goldwater for president.

About 1,000 persons had registered for the 13th biennial convention, with Oregon Gov. Mark Hatfield scheduled to make the first speech today.

Andrew Hunters of Massachusetts, chairman of the resolutions committee, predicted a civil rights statement probably would produce the most controversy. He also foresaw statements on Cuba, Laos and other topics "which won't make the President happy."

Sharp Words Bob Cohen of New Hampshire was appointed to head a five-member subcommittee — representing all parts of the country — to come up with a civil rights comment.

At an earlier news conference, the two candidates for chairman of the Young Republican National Federation had sharp words for President Kennedy's civil rights proposals.

Charles McDevitt, an Idaho legislator and lawyer, said it was "too far-reaching and it invades personal rights and privacy."

'Goes Too Far' Donald Lukens, Republican secretary of the House of Representatives Rules Committee, declared the Kennedy program "goes too far. The administration has tried to pass the buck to Congress."

Lukens and McDevitt called themselves conservatives and committed to any GOP presidential prospect. They said they would support the nominee to be picked in San Francisco in 1964. Many delegates regarded both men, however, leaning toward Goldwater.

Rousing Reception Goldwater, scheduled to speak Thursday night, apparently is in store for a rousing reception. Sen. John Tower, R-Tex., canceled a scheduled appearance to attend to business in Washington.

The big Arizona delegation admitted it might attempt to bypass Young Republican rules and achieve a convention endorsement for Goldwater.

Dixie Killer Aids Science, Will Go Free

JACKSON, Miss. (AP)—A convicted murderer who agreed to help medical science by undergoing an historic long transplant operation looked forward to his freedom today.

Gov. Ross Barnett said Tuesday that John Richard Russell, 38, would be rewarded with a pardon.

In making the announcement, Barnett disclosed for the first time the identity of the patient in the widely publicized operation.

Russell is serving life for a 1957 slaying in Attala County.

'Excellent Record' The governor said he would take proper steps to grant a full and complete pardon for Russell, who has "an excellent record."

The transplant, believed first of its kind, would "alleviate human misery and suffering in years to come," Barnett said.

Russell's transplanted lung is functioning satisfactorily.

35c Dinner, 5c Beer

PITTSBURGH — A downtown Pittsburgh cafe observed its 30th anniversary Tuesday by cutting back some prices to what they were 30 years ago.

You could get a turkey dinner with potatoes, vegetable, pie and coffee for 35 cents. Beer was a nickel.

The owners said about 1,500 dinners, or approximately a half ton of turkey, were served.

School Board Rejects All Three Proposals For Nester School

All of the three bids opened at the board of education meeting yesterday afternoon in the Graveler building for the purchase of the Nester School property were rejected.

After exercising its right to reject the proposals, the board voted to readvertise the sale of the property and scheduled a special meeting Tuesday, July 9, at 4 p. m. to open bids again.

This makes the third time that the board of education has called for bids for the Nester School property on W. Bluff St.

None At April 2 Meet
No proposals were submitted for the property at the first bid opening at the April 23 board meeting and the second bid opening was later scheduled for yesterday.

Of the three proposals received yesterday, two were not considered because they did not meet specifications, in that they did not contain a certified check.

One Qualified Offer
The only bid qualified for con-

sideration came from William W. Carlson, 1119 High St., who offered \$4,200 for the property.

"I don't think we could sell the property on the basis of one bid. The only qualified bid is too low for the building we have for sale," Board Secretary Paul J. Kivimäki asserted.

The bids which did not meet specifications and could not be considered were from the Marquette American Legion post, for \$10,000, and a bid for \$87 from Michael Kereman, 111 E. Main St., Negaunee, which contained a personal check which was not certified.

Russell Robertson, senior vice commander, appeared at the board meeting to explain why the Legion post did not include a certified check in its bid.

"We are able to secure a certified check for five per cent of the amount," Robertson said. "The post meeting was Wednesday night and because we hosted the Upper Peninsula American Legion convention Thursday through Sun-

day, we didn't have time," he stated. Robertson indicated that if the board decided to reject the bids and readvertise, the post would submit a proper bid.

Legal Status Noted
School Attorney George I. Kendrick explained that the school board does not represent an individual, but the public, and thus bids which fail to meet specifications cannot be considered.

The Nester School property is slightly less than one-half acre. The five-room frame building was vacated in 1956 when Sandy Knoll Elementary School was occupied.

The building has been leased to Michigan State University for its Upper Peninsula Extension Center. MSU's second three-year lease expires Aug. 1.

MSU President John A. Hannan has requested space on the Northern Michigan University campus for the extension center and final decision in the proposal to lodge the center on the Northern campus rests with the State Board of Education, it was disclosed yesterday.

Prep Yearbook Dedicated To City Native

"The Trojan," the 1963 yearbook of Crystal Falls High School, was dedicated to the memory of Mrs. Evelyn VonZellen, a Marquette native, who died Dec. 18, 1962, and who had been a teacher in the Crystal Falls High School 14 years.

Mrs. VonZellen was the daughter of the late Mr. and Mrs. William J. Short, 1019 High St.

Mrs. VonZellen was the daughter of the late Mr. and Mrs. William J. Short, 1019 High St.

While teaching in the Crystal Falls school system she served as coach of the school's debate teams, which won three Upper Peninsula championships and many district titles. She was recognized as the dean of Up-

Two Waive Hearings In City Court

Two men waived preliminary examinations and were bound over to Marquette County Circuit Court when they were arraigned yesterday before Judge Edward H. Dembowski in municipal court.

James T. Best, 22, Court St. Road 550, was bound over to the Superior court on a charge of larceny from a motor vehicle and Carl E. Holmgren, 46, of 116 N. Third St., Ishpeming, was bound over to the current special term of circuit court on a charge of writing no-account checks.

Holmgren was jailed in default of \$500 bond.

Best, arrested by state police Saturday, is charged with taking a fire and wheel from a motor vehicle owned by George H. Benson, 317 Norwood St., while the car was parked off Road 550 in Posvel Township. He was jailed in default of \$500 bond.

Turned Self In
Holmgren is charged with writ-

ing a \$30 check June 7 which was made payable to the Clark Service Station in Marquette. The check was written on the Union National Bank, where Holmgren has no account, police said.

Holmgren turned himself in to police in Appleton, Wis., last week. He told Appleton authorities that he knew he was wanted in Marquette for bad checks and that he had violated his probation by leaving Michigan. (He was placed on probation in circuit court last winter).

City Det. George Johnson and Under Sheriff Adrian A. Poquet returned Holmgren to Marquette Friday.

Fined For Larceny
Also in municipal court yesterday, James Fetterhoff, 19, Star Route 530, Marquette, was ordered to pay a fine of \$25 and \$5.10 costs by Judge Dembowski for simple larceny.

Fetterhoff was arrested by city police Saturday for taking three cans of sardines from the B and J Superette, College and Lincoln Aves.

NMU Station To Air Second City Band Concert Tomorrow

Marquette Municipal Band concerts will be broadcast on the Northern Michigan University FM radio station, beginning with tomorrow night's concert.

The municipal band will present the second concert of its summer series tomorrow at 7:30 p. m. at the Presque Isle Park band shell.

The municipal band's concerts will be broadcast on the university's FM station each Thursday evening through the cooperation of the City of Marquette, NMU and Local 218, American Federation of Musicians.

Overture Featured
The overture to be featured in tomorrow night's concert is "An American Scene" by the popular contemporary band composer, Clare Grundman, Director T. Ray Uhlinger, said.

"An American Scene" was written in 1952 and dedicated to the Northern Indian School Band, Orchestra and Vocal Association. "Its interesting melodic lines and use of modern harmonies make it especially appealing to present day audiences," Uhlinger noted.

Presentations for the young in heart at tomorrow night's concert will be tunes from "The Wizard of Oz" and selections from "Snow White and the Seven Dwarfs."

Use Yoder Arrangement
Paul Yoder, a professional arranger who makes his home in Chicago and in Florida, has compiled an interesting arrangement of tunes from "The Wizard of Oz" by Harburg and Arlen, Uhlinger stated. The "Snow White Selection" from Walt Disney's "Snow White and the Seven Dwarfs" is arranged by Frank Churchill.

Operatic selections tomorrow night are based on four operas by Jacques Offenbach arranged in a suite titled "Ballet Parisien," by Merle J. Isaac of Chicago.

"Offenbach wrote his music almost 100 years ago in Paris, yet we find much of it fresh and delightful today. Sometimes spirited, sometimes elegant, his music is always rhythmic and melodious," Uhlinger said.

Solo By Kitzman
Featured soloist tomorrow night will be Howard C. Kitzman, play-

ing "The Trumpeters Lullaby" by Leroy Anderson.

A composition by an Upper Peninsula native, "Beguine for Band," by Glenn Osser, also will be on the program tomorrow night.

Osser was born in Munising. His education in music after graduation from Munising High School was completed at the University of Michigan. In New York, Osser has arranged for many orchestras on radio and television networks and at present he is conducting and arranging for the ABC network.

Novelties on the program include "Three Blind Mice" by Wendland and "Clarinet Polka" by Davis.

Marches Programmed
Marches programmed for the concert include "Barnum and Bally Favorites" by Earl King and "Bomasto" by O. R. Farrar.

Following tradition, the municipal band will close its concert with a Sousa march, the stirring "Fairness of the Fair."

The Veterans Administration says that more than five million veterans are GI insurance policyholders.

Construction Project On Northern Fine Arts Building Crosses Eighth St.

Construction work on the new Practical and Fine Arts Building at Northern Michigan University has projected westward, across what formerly was N. Eighth St., north of W. Fair Ave. Photo shows portion of completed structure (at right) and foundation work, sewer and water line extensions (following utility wire route) to the west. Work on the \$2,650,000 building began last September by the Herman Gund-

lach Construction Co. of Houghton and is scheduled for completion in time for the fall term this September. N. Eighth St. north of Fair Ave. was vacated by the city to facilitate the construction project. Building in background (near crane's tip) is National Guard Armory. —(Mining Journal photo).

Special City Commission Meeting Set

Marquette's city commission will hold a special meeting in the city hall at 2 tomorrow afternoon.

Several matters which have been pending will be taken up, including action on bids on the coming fiscal year's supply of gasoline.

Also on the agenda will be the discussion of proposals and the awarding of the contract on the city's car fleet and workmen's compensation insurance contract for the 1963-64 fiscal year.

Bids had been requested on 84,000 gallons of regular gasoline and 8,000 gallons of premium gasoline for the coming fiscal year for the city's minimum fleet needs.

At Monday night's regular meet-

ing, City Clerk Everett H. Kent, acting manager in the absence of City Manager Thomas Moore, said the low bid on the regular gasoline was 14.25 cents per gallon, submitted by the Dahlke Oil Co. of Marquette.

Low proposal on the premium gasoline was 17.1 cents per gallon, but whether Sinclair Refining Co. of Marquette, which submitted the low proposal, meant the contract for premium only was not certain at the time. Dahlke had indicated it would take either the regular gasoline contract or both at its bid prices.

Bids Listed
Bids, listing the regular price and premium price second, were as follows:

Dahlke Oil Co., Marquette, 14.25 cents for regular and 18.25 cents for premium; Sinclair Refining Co., Marquette, 14.1 and 17.1; Horrigan Oil Co., Marquette, 14.4 and 18.4; Cities Service Oil Co., Milwaukee, 14.95 and 18.95, and Standard Oil Co., Marquette, 16.9 and 20.9.

Registration Set Here For Swim Lessons

Registration for the parks and recreation department's swimming classes will be held tomorrow and Friday from 9 a. m. to noon at Shiras Pool. Instruction will be offered in beginning and intermediate swimming, swimming and diving, and junior and senior life saving. Adult classes will be offered if interest warrants, James C. Engle, parks and recreation department superintendent, said.

Swimming classes will begin July 1. Two three-week sessions will be held. Last summer more than 800 persons of all ages took advantage of the five swimming classes offered, Engle noted.

Voluntary Bible Reading Ruled Okay In Delaware

Reasons For Extension Of Hospital Drive Here Explained

Reasons for extending the building fund campaign for the St. Mary's Hospital psychiatric unit were noted today by Probate Judge Michael F. DeFant, Marquette, campaign general chairman.

The campaign advisory board voted to extend the drive one week.

With one third of the \$150,000 goal realized, many of the workers haven't finished their assignments of prospects, DeFant said.

Typical of the reports coming from division chairmen was that of Robert Archibald, Neegaunee chairman, who said that the Neegaunee workers are only about one-third through the coverage of prospects.

Ishpeming Report Meet
The campaign in Ishpeming was begun last week and a first report will be made by the Ishpeming division tomorrow.

The Gwin division, with Robert Oakson as chairman, held a "kickoff" meeting yesterday (Monday) and will make its first report Monday.

"The importance of the psychiatric unit which will be built by St. Mary's Hospital is beginning to be realized by many persons

living in Marquette County," Judge DeFant said.

"The fact that one person in ten will need psychiatric treatment during his lifetime flashes a warning signal. It means that many of our loved ones will need hospital treatment. In fact, in Marquette County last year, 127 men and 137 children were treated.

"Further proof of the need for a psychiatric unit is borne out by the allotment of \$150,000 by the federal government's Hill-Burton Agency.

"This was done because officials of the agency consider Marquette County critically in need of a hospital for the treatment of the mentally ill."

The Veterans Administration is the third largest employer among federal agencies with more than 170,000 employees.

City Paragraphs

The fire department was called out at 9:01 yesterday morning to the residence of Richard Abbot, 316 Spruce St., where a short circuit occurred in the garbage disposal unit in the kitchen. There was no fire, but the "short" caused the unit to smoke up. Three firemen responded with the No. 2 (1,900-gallon) pumper. Nothing was used. They returned to the station at 9:18 a. m.

meaty new idea...

RIBS IN A CAN

ALL SMOKED—ALL SAUCED—ALL COOKED

Serve 'em in 20 minutes. And such ribs! No plebeian spareribs. They're not meaty enough. Instead, you get the royalty of the ribs—slim-boned Back Ribs, heavy with meat.

All smoked. For meat this good, only the best will do. So we use hickory smoke. A mellow drift of it.

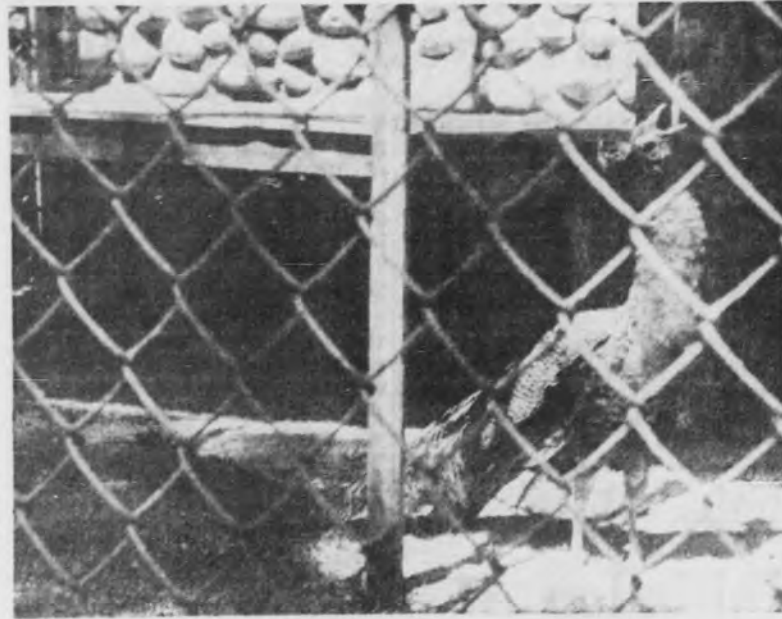

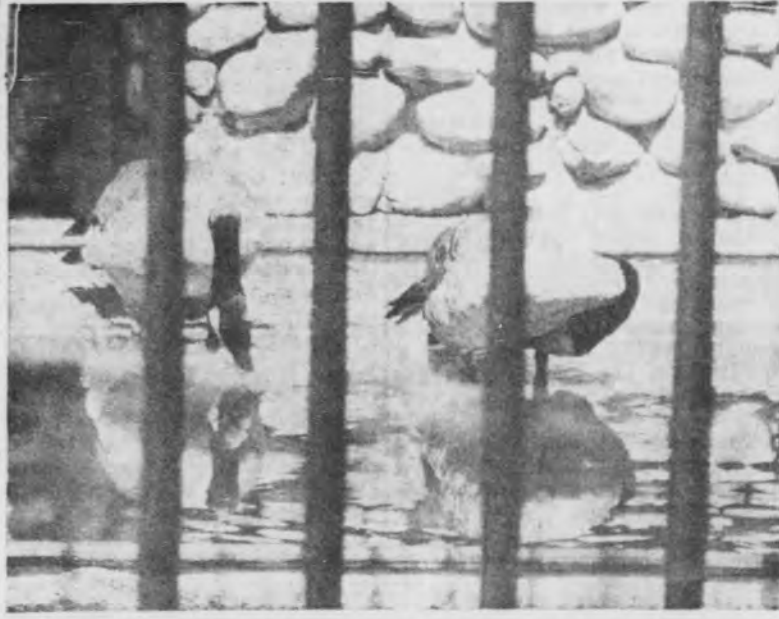

All sauced. The Barbecue Sauce we use never saw the inside of any bottle. We concocted it, specially, from rare ingredients, including six exotic spices.

All cooked. Cooked slow and easy, so the savor of the sauce seeps into every morsel of the meat.

Nothing for you to do but put 'em in the oven for 20 minutes. (Never was a handier way to come up with handsome eating.)

A can serves 4. If you're looking for the cheapest ribs, forget ours. If you're hungry for the *meatiest*—come a-running!

Thousands Enjoying Visits To Presque Isle Park's Shiras Zoo

Thousands of persons, tourists and area residents alike, again are daily enjoying visits to the Shiras Institute Zoo at Presque Isle Park. The zoo is sponsored jointly by the Shiras Institute and the City of Marquette. Above, left, mallard ducks take one of their many daily baths to keep themselves fresh; above, center, peacock fowl lets out a howl as crowd of spectators gathers to watch in wonderment; above, bobcat "eyes up" chipmunk (hidden from camera view), trying to decide if it is worth the effort to try and catch him. In lower pictures, at left, Michael McCarthy, Marquette, shows that deer are always friendly and willing to eat from hands of onlookers; right, Jean Chiconsky, daughter of Mr. and Mrs. Vincent Chiconsky, 1019 Pine St., views animals with wonder, while she literally hangs on with excitement, looking at beautiful peacock fowl.—(Mining Journal photos).

Six Vehicles Involved In Mishaps Here

Six vehicles were involved and two motorists were ticketed, but no one was injured, in three traffic mishaps which occurred in Marquette yesterday.

1. At 2:55 p.m. an automobile being driven west on W. Washington St. by Bonny J. Richards, 517 Oak St., struck the rear end of a car operated by Raymond R. Anderson, 130 Summit St., Ishpeming, who was stopped for the traffic light at the Fourth St. intersection.

Defective Equipment
The left headlight and rim of the Richards car, a 1953 four-door sedan, and the rear bumper of Anderson's 1953 two-door sedan were damaged.

City police ticketed Miss Richards for driving a vehicle with defective equipment—bad brakes.

2. An automobile being driven south on N. Fourth St. by Mary N. Dahlstrom, 327 Pine St., struck the rear end of a panel truck operated by Donald G. Washburn, 2313 Fitch Ave., who was stopped

for the traffic light at the W. Washington St. intersection, at 9:20 a.m.

No License On Person
Mrs. Dahlstrom was ticketed by city police for not having an operator's license on her person.

The front end of the Dahlstrom car, a 1950 sedan, was extensively damaged, and the vehicle had to be removed from the scene by a wrecker. Minor damage occurred to the rear of the truck, a 1960 model.

3. At 11:35 p.m. a car being driven south on N. Front St. and being turned left onto E. Magnet St. by William N. Gamble, 311 Rock St., scraped a truck owned by the Interstate Trading Co., Marquette, which was parked on the south side of Magnet St.

Apparently no damage resulted to the truck. The front end of Gamble's 1954 sedan was damaged.

Hutchison, Frew Placed On Probation, Given Jail Terms

Two ex-convicts, whose bad check spree from California across the country ended with arrest in Marquette County Circuit Court yesterday.

Rodney K. Hutchison, 29, two counts of forgery.
John D. Frew, 37, writing no-account checks.

As special conditions of probation, the two were ordered to spend terms not to exceed six months in the Marquette County Jail. While serving time in the county jail, the two are subject to release to federal authorities. Judge David-

son ordered. Both are on parole from a federal prison, Terminal Island, Calif.

They were arrested in Marquette June 9 by sheriff's officers. They told officers they met in prison in California and planned to "drop" bad checks on a trip across the country.

The pair left California early in the last week of May. They traveled with a stolen car, stolen

checks and a stolen credit card for identification, officers said.

Security First National Bank of Torrance, Calif., with the name Richard C. James.

Both checks were cashed in Marquette.

The charge against Frew was brought by city police for a bad check cashed at the National Food Store when he was working in the Marquette area in December

1960. He was charged with cashing a \$50 check written on the First National Bank, where he had no account.

As in all probation cases, the defendants, during the terms of their probation, must (1) not violate any city ordinances or state and federal laws, (2) not leave the state without permission of the court or the probation officer, and (3) report monthly or as often as requested, either in writing or in person, to the probation officer.

Test Boring Markers For Steam Plant Site Set By City Engineer

Markers for test borings in Lake Superior off the city's proposed steam electric generating plant site were set last week by the municipal engineering department.

This and other information concerning the activities of municipal departments is contained in the weekly report of City Manager Thomas Moore.

Test boring markers were set 500 feet and 1,000 feet from the end of the existing Standard Oil Co. dock in lower harbor. Plans call for the steam plant to be built on the Standard Oil Co. property with the company's bulk plant scheduled to be relocated on the city owned, industrially zoned property on the north side of Wright St.

Last week the engineer also set stakes and checked the installation of the sanitary sewer on Jonathan Carver Drive and set additional curb stakes on Neidhart Ave. Stakes for a curb on Fair Ave. between West and Kimber Aves. were also set.

Excerpts from the reports of other departments follow:

Parks and recreation—All summer programs are under way. Swimming attendance has been low because of poor weather. Animals were cared for at Presque Isle Park. Shiras Pool and Tourist Park buildings and grounds were cleaned daily.

Public works—Sweeping and ditching conducted on U. S. 41, paved and gravel streets repaired, parking stalls and curbs and traffic signs were painted.

Water and sewage—A lead joint leak in the main on Tracy Ave. was repaired and two three-quarter inch service taps were made. During the week 13,839,990 gallons of water were pumped. At the sewage plant, 15,900 gallons of digested sludge were pumped to the drying beds, making a total of 60,000 gallons pumped out to date.

Health—Six minor treatments and 16 immunizations given. Five referrals made to private physicians.

Finance—Addressograph work on payrolls done and semi-monthly

payroll work completed. Monthly financial reports were begun.

Assessor—Issued two building permits and began assessing new property. Recorded change in real property ownership on the tax and assessment rolls.

Police—Arrests, misdemeanors seven, felony one, traffic 33, accidents eight; investigations, breaking and entering one (cleared), larceny six, accidents 13, disturbances 37. Four missing persons were reported, escort services were provided six times and patrolmen found 10 doors open during the week.

Fire—One chimney, one industrial, three grass and brush fires and one false alarm. Two trips made to the county airport for air evacuation standby duty requested through the mutual aid agreement with K. I. Sawyer Air Force Base.

Clerk—Issued three city licenses, three dog licenses and two new registrations.

Court—Handled 24 traffic violations, nine misdemeanors and one city ordinance violation. The violations bureau handled 181 meter and 25 restricted parking violations.

Light and power—Line crews replaced two poles at Presque Isle and Fair Aves. damaged during storms, replaced a burned out transformer at Lawson and started work on a new line for road improvements in Lakeside. Water received at the hydroelectric plants was more than last week but less than one year ago. Elevation at the Hoist Pond was 75 feet higher than at the same time last year and 4.1 feet from the top of the dam. The total system's kilowatt hour load was 3.7 per cent higher than during the same week last year.

Officers Of School Board Re-Elected

Marquette's Board of Education re-elected all its officers at its June session yesterday afternoon in the Gravelaert building.

Officers this year and for the coming year are Herman E. Olson, president; Paul J. Kinville, secretary, and Mrs. Richard Sonderegger, treasurer.

"They do an excellent job," said Trustee Charles W. Niemi, who made the motion to maintain the same officers. "They should remain in office until the next high school is finished," said Trustee Mark Lalonde, who seconded the motion.

Olson, executive vice president of the First National Bank & Trust Co., now begins his eighth consecutive year as head of the school board.

He has been a member of the board for 19 consecutive years and has held all other offices during his tenure.

The board of education meets regularly on the fourth Tuesday of each month and holds special sessions as required. The meetings, open to the public, are held in the superintendent's office at 4 p.m.

Author John Steinbeck Undergoes Eye Surgery

(By the Associated Press) John Steinbeck, Pulitzer and Nobel prize-winning author, has undergone eye surgery that his doctors described as minor.

In the Crystal Falls District (comprised of Iron, Dickinson and Menominee Counties), with the district having 65 blazes, blackening 625.4 acres of land to date this year.

In the Baraga District (Baraga, Gogebic, Houghton, Keweenaw and Ontonagon Counties), there was one fire, burning 1 acre of land, in the past week. For the year, 67 fires burned 132.5 acres in the district.

In the Newberry District (Luce, Mackinac, Schoolcraft, Chippewa and the east half of Alger Counties), there were no blazes. To date they have had 37 blazes burning 175.6 acres of land.

NMU 'Grad' To Teach In Denver School

Miss Kay Challancin, Marquette, a June graduate of Northern Michigan University, has accepted the position of junior high school teacher of art and home economics at Jefferson County Public Schools, Denver, Colo., according to the NMU placement office.

The daughter of Mr. and Mrs. Paul Challancin, 715 N. Fourth St., she received the bachelor of science degree at Northern with a major in art education.

NCA Asks OK To Suspend Delta Flight

WASHINGTON (AP)—North Central Airlines asked government permission Tuesday to suspend service temporarily between Port Huron and Saginaw and between Traverse City and Escanaba.

North Central told the Civil Aeronautics Board it wished to: 1. Eliminate flights 394 and 395 between Escanaba and Detroit by way of Traverse City, Saginaw and Port Huron.

2. Extend flights 933 and 934, now operated between Detroit and Saginaw by way of Flint, beyond Saginaw to Traverse City.

3. Run an additional flight in each direction between Detroit and Port Huron.

Served On 2 Other Routes The airline said Escanaba would continue to receive service on two other routes, between Hancock-Houghton and Milwaukee and De-

Gray Street Water Main In Service

Placing of rods and clamps on the 45 degree bends of the Gray St. main has been completed by the Marquette Water and Sewage Department, with the line being put into service yesterday.

According to Merrill W. Froney, water department superintendent, this line was put in two years ago, extending from Gray St. to Wright St., but as there were no

buildings where the line was put, it was not in use.

Now the Ahonen Lumber Co. has use for the line, so it was loader with chlorine water to sterilize it, which was flushed out yesterday and loaded with fresh water, so that the line could be put into immediate service, Froney said.

The line has a series of 45 degree bends in it at the Gray St. main, and a line with this type bend has a tendency to burst under pressure such as the lumber company needs, stated Froney, so the water department had to attach rods and clamps to prevent it from bursting.

Cool Weather Slowed Down State's Crops

LANSING (AP)—Cool weather last week slowed the state's crops and frost June 22nd caused damage to sensitive crops in parts of Lower Michigan, the Federal-State Crop Reporting Service said.

Nearly one-half of the hay crop had been cut and having had started in the Upper Peninsula. About one-third of winter barley had turned color and more than one-third of the oat crop had headed.

Moisture Soil moisture was reported mostly adequate but shortages reportedly were developing in southern Michigan.

Temperatures averaged from three degrees below normal in western Upper Michigan to nine below in southeast Michigan, with the lowest reading 29 degrees at Grant in Newaygo County on June 22.

Harvesting of head lettuce, celery and other early vegetables was expected to begin this week.

Turns Color Nearly all winter wheat had headed and some was already turning color. The sugar beet crop had been blocked and thinned, except for late re-plantings.

The frost caused damages to potatoes, corn, beans, peppermint and carrots, although the extent of the damage was as yet undetermined.

fruit, and between Hancock-Houghton and Chicago.

North Central said the two routes it wants to drop have failed to develop expected traffic.

Three Persons Pay \$161 In Fines, Costs

Three persons were ordered to pay a total of \$161 in fines and costs by Judge Edward H. Dembowski in municipal court yesterday.

A fine of \$75 and \$10.10 costs were paid by James H. Ryan, 15, of 157 W. Baraga Ave., for drunk driving. Ryan was arrested by city police Saturday following an accident at the intersection of Kaye and N. Front Sts.

License Revoked As in all drunk driving convictions, Ryan's operator's license will be revoked by the office of secretary of state for a period of three months to two years.

Ryan also paid a fine of \$1.30 and \$3.70 costs for defective brakes. City police issued the sum-

mons at the same time that Ryan was arrested for drunk driving.

Fined For Trespassing For trespassing at the Huron Mountain Club in Powell Township, Ronald A. Blackstock, 21, Big Bay, paid a fine of \$25 and \$4.30 costs. Alternative sentence to paying the fine and costs was to spend five days in the Marquette County Jail.

Blackstock also paid a fine of \$15 and \$7.30 costs for fishing without a license at the Huron Mountain Club. Alternative sentence was to spend an additional five days in the county jail.

Blackstock was arrested Sunday by a deputy sheriff from Big Bay.

Mary C. Davenais, 22, of 219 Mar-ther St., was ordered to pay a fine of \$15 and \$4.30 costs by June 28 or spend five days in the county jail. State police arrested her June 11 for drinking beer on a public highway, U. S. 41 in Marquette.

A fine of \$75 and \$10.10 costs were paid by James H. Ryan, 15, of 157 W. Baraga Ave., for drunk driving. Ryan was arrested by city police Saturday following an accident at the intersection of Kaye and N. Front Sts.

License Revoked As in all drunk driving convictions, Ryan's operator's license will be revoked by the office of secretary of state for a period of three months to two years.

Ryan also paid a fine of \$1.30 and \$3.70 costs for defective brakes. City police issued the sum-

mons at the same time that Ryan was arrested for drunk driving.

Fined For Trespassing For trespassing at the Huron Mountain Club in Powell Township, Ronald A. Blackstock, 21, Big Bay, paid a fine of \$25 and \$4.30 costs. Alternative sentence to paying the fine and costs was to spend five days in the Marquette County Jail.

Blackstock also paid a fine of \$15 and \$7.30 costs for fishing without a license at the Huron Mountain Club. Alternative sentence was to spend an additional five days in the county jail.

Blackstock was arrested Sunday by a deputy sheriff from Big Bay.

Recreation Flight To Chicago Incentive In Base Bond Drive

A recreational flight to the "windy city" of Chicago is one of many incentives Major Raymond Clarkson, K. I. Sawyer Air Force Bases' 1963 savings bond drive project officer, hopes to offer for squadron participation in the annual bond drive now under way throughout the base.

The current U.S. Savings Bond race, which is now entering into its final weeks, is reportedly gaining "strong" interest within the units in reaching the 100 per cent participation goal.

"Although the purchase of a bond is a benefit for the individual himself, we are making it extra convenient by having key workers explain how inexpensive it is to start a savings plan," Major Clarkson said.

Savings Cited The project officer was referring to the fact that as little as 6.25 a month for 10 years can net an individual a profit of \$250, plus his initial investment of \$750. Of course, this profit increases with the amount of money invested. And, even better, he said, the maturity of U.S. Savings Bonds at 7 1/2 years rather than 10.

According to bond officials, the goal for this year's drive is to obtain 100 per cent participation without regard to any dollar quota.

An analysis of many servicemen

savings programs, whether it be for the education of their children or a little "nest egg" at retirement, shows that government bonds are the top consumer of funds, he said.

"Perhaps because it offers one of the best dividend returns," he added.

Additionally, all individuals, military and civilian, have the opportunity to help their country materially while at the same time help themselves when participating in the 1963 freedom bond drive.

Key Workers Listed Key workers for the various units at Sawyer are 2nd Lt. Frederick Heyer, 56th CAMRON; 2nd Lt. Terry Williams, 4646th Support Squadron; 1st Lt. Jerry Child, 56th USAF Hospital; 2nd Lt. Richard Corbett, 56th Supply Sq.; 1st Lt. Robert Kralick, 56th CERON; TSgt. James Carozza, 56th Transportation Squadron; TSgt. John Moravetz; Air Police Squadron; 2nd Lt. Harry Smith, 56th Air Base Squadron; 56th Fighter Wing and 56th Combat Support Group, and 1st Lt. Joseph Gruchacz, 62nd Fighter Interceptor Squadron.

"A good point to remember when making out your plan is that you will not only enable your unit to gain recognition in the current drive but also start a program that will certainly prove rewarding in days to come," Clarkson said.

Seven Blazes In Peninsula During Week

Seven forest fires burned 2.3 acres of land in the Upper Peninsula state protection area during the past week.

That made a total of 249 blazes, which have burned 1,269.4 acres of land in the U.P. state protection area, for the year. By comparison, in the same period last year there were 121 fires, blackening 355.3 acres of land.

John A. Anquim, Marquette, assistant regional supervisor of the field administration division, Michigan Department of Conservation, said there were three fires reported in this, the Escanaba district, which includes Marquette and Delta Counties and the west half of Alger County, burning 1.7 acres of land.

This district has had 80 fires, burning 335.9 acres of land, so far this season.

Chinnery, Other Adult Leaders Honored At Explorer Scout Event

Sea Scouts of Ship 303, Marquette, along with many parents and guests, held a formal bridge of honor last evening at their headquarters, S.E.S. (Scout Explorer Ship) Spindrift, with the skipper of the ship, Donald G. Chinnery, being honored for having received the Silver Beaver Award.

Chinnery, 908 W. Magnetic St., Explorer Scout advisor of the Hiawathaland (Upper Peninsula) Council, was chosen by a Silver Beaver Committee consisting of scout leaders throughout the whole U. P. on the basis of his past records in scouting, civic and church affairs.

DON CHINNERY

This outstanding scouter award is the highest award for a scouter, and it is a great honor to be able to receive it," said Burton Boyum, Negaunee, chairman of the Silver Beaver Committee which picked Chinnery for the award last month.

Newly elected leaders of Ship 303 took over their duties at the bridge of honor. They consist of Dale Belfry, boatswain; Jim Berglund, boatswain mate; Francis Giuliani, yeoman; port crew, Frank Ross, crew leader; Jim Ruecker, assistant; bow crew, Dennis Ward, crew leader; Bruce Makinen, assistant; starboard crew, Paul Marshall, crew leader, and Bradford Tauch, assistant.

Adult leaders of Ship 303 consist of Chinnery; Frank Summersett, 1st mate; Perry Laing, 2nd mate; Wayne Trepanier, Peter Frazier, mates; Jim Warner, Terry Johnson, Dean Krieg, petty officers; Walter J. Norris, institutional representative of sponsor, the Marquette Kiwanis Club, and William Giuliani, committeeman.

Awards Presented

Awards that were presented were the following:

Sea explorer apprentice — Dennis Ward, David Stossel, Paul Marshall, Frank Ross, James Ruecker, Dale Belfry and Bradford Lee Tauch.

Sea explorer able — Francis Giuliani.

Able sea explorer award is the second highest award that can be earned by Sea Scouts, ranking next

Ferency Talk Here To Be On Fiscal Reform

Democratic State Chairman Zolton A. Ferency will be in Marquette County tomorrow during his tour this week of the Upper Peninsula.

Ferency will meet with members of the county Democratic committee and all other interested Democrats at a luncheon at noon tomorrow at the Chalet in Marquette, county chairman John P. McNamara of Negaunee said.

Ferency said that the main focus of his talks with Democratic leaders in this area would be fiscal reform.

The state chairman will leave Marquette tomorrow afternoon for a dinner meeting with Chippewa County Democrats in Sault Ste. Marie.

Centennial Opens July 3 For Hancock

HANCOCK — Everything is ready for a gala celebration at the Hancock Centennial, July 3-July 7.

A dinner, July 3, honoring the elder citizens and the coronation of the queen, will mark the beginning, continuing on July 4 with traditional opening ceremonies, and a full program, culminating in the biggest parade ever to be seen in Hancock.

Over 100 entries including musical units and drum corps from the Midwest and Canada, and a bevy of queens on some of the most beautiful floats ever built in this community.

A horse show, band exhibitions, topped off with a huge fireworks display at night complete the gala Fourth of July celebration.

Bobby Vinton To Appear

Highlights for Friday include the kiddies doll parade in the afternoon, followed with a dance featuring nationally famous Bobby Vinton and the All-Nighters on Friday evening.

Saturday will see the annual soap-box-derby in the Upper Peninsula, the judging of beards, the grand ball and the popular square dance review.

Terminate With Field Mass

Church services will be featured Sunday, with the flotta-parade and professional boat races on the Keweenaw Waterway Sunday afternoon.

The five-day Centennial Celebration will terminate at 5 p. m. Sunday afternoon with a Catholic field Mass, followed by the lowering of the flag.

Norbert Kahn, chairman of celebration, and his committee anticipate a record breaking crowd of former Hancock residents and their friends, as well as people from many of the surrounding communities to attend the festivities of the Hancock Centennial.

The bridge of honor was concluded by the scouts serving their guests refreshments followed by a presentation of movies and slides of past activities.

Chinnery has been active in Scouting for over 14 years and has served for nine years as advisor to Explorer Ship 303.

Chinnery has given outstanding leadership to his unit and has been active in all major Scouting programs of the council including leadership training, according to R. Ralph Smith, Marquette, executive for the Hiawathaland (Upper Peninsula) Council.

He has earned several training awards, including the Woodbadge Award. Chinnery is married and is employed by the Cliff Dow Chemical Co. as a chemical engineer.

He is active in various organizations, including the American Chemical Society.

Governor Given Support For Fiscal, Tax Reform Plans

Gov. George Romney says his series of meetings on fiscal and tax reforms, including one in Marquette Saturday, have revealed "nearly unanimous" support for overhauling Michigan's financial structure, and less opposition than he expected to an income tax.

These two assessments of the fiscal reform "sales campaign" were made by the Governor yesterday before he flew to Midland for the 10th of his scheduled 16 meetings with community leaders.

"There is no question the people have welcomed the meetings as a means of improving their understanding of the problem," said the Governor. "They have proven very worthwhile."

"At nearly all meetings, including the Marquette session, there has been nearly unani-

mous support for getting state tax reform and getting it now."

This can be viewed as brightening the prospects for success in the special fall session of the legislature, he said.

Use of the income tax as a means of taking up the slack from reductions in other taxes, Romney said, has drawn much more support than he anticipated.

The question has been presented in five of the nine meetings held thus far, said the Governor.

"In Benton Harbor Monday—an area which is supposed to be adamant in opposition to an income tax—we asked them whether reductions in other taxes should be made up through increasing the sales tax or an income tax.

"Twice as many people support-

et the income tax as opposed to. There also has been substantial support in other areas for an income tax," said the Governor.

Dow Supports Tax

MIDLAND (AP) — Dow Chemical Co., one of the biggest employers in the Midland area, told Gov. George Romney the only answer to improving Michigan is "income tax — a flat rate personal income tax and a flat rate corporation income tax."

Dow outlined its views on Michigan's tax structure in a memorandum to the Governor at a meeting attended by some 83 persons at the Northwood Institute here. It was the 11th in a series of 16 grass-roots meetings Romney is conducting in the state to sound out public opinion on fiscal reform.

"Must Be Flexible"

In a letter accompanying the memorandum Carl A. Gerstaecker, chairman of Dow's board of directors, said:

"It is obvious that if Michigan's tax climate is to improve, the tax structure must be more flexible and fall with fairness on all segments of the citizenry."

Gerstaecker said it is necessary to "alleviate the pressure of some traditional taxes, such as the business activities tax, the intangibles tax, corporate franchise tax . . . if we are to enhance job opportunities and relieve deterrents to job creating activities."

"If these taxes were to be modified or eliminated," Gerstaecker said, "The state would be woefully short of revenue to carry on services approved by the legislature. The only answer is another broad base tax. We know of no other except an income tax."

Operation Action Acts

The administrative genius of Dr. Edgar L. Harden, which has led Northern Michigan University to such spectacular growth and to university status under his presidency, was fated to cope eventually with the Upper Peninsula's economy.

Inevitably the question would be asked: Are we helping our young people so they can be good exports? And also the question: Doesn't the college's concept of total service to its area include its economics; the means by which the area's people make their living and get the money to educate their children?

There are other economic development agencies in the U. P., most notably the Upper Peninsula Committee on Area Problems (UPCAP), organized by the county governments of the U. P. and supported by them. UPCAP has been helped by Northern, but Dr. Harden joined with Michigan's most respected developer to form a new agency to help the Upper Peninsula when he turned his talents to the area economy.

Walker Cisler, president of Detroit Edison Co., was helping the Upper Peninsula before Dr. Harden went to Northern as its president eight years ago. He was a chief author and financial sponsor of the 1953 Ebasco Report on the Upper Peninsula's

economy, the most definitive study of the resources of the Upper Peninsula, their usage and the area's needs and prospects. This study was a work of immense good will and of industrial statesmanship of high order. It was conceived and paid for by friends of the Upper Peninsula who live outside of it.

Last year Mr. Cisler ordered an updating of the Ebasco Report to learn what had happened in the 10 years since it was made. William Rooney of Ebasco, who worked on the original study, did the updating, and on Saturday he told the Operation Action-U. P. Council created by Mr. Cisler and Dr. Harden at Northern Michigan University that 80 per cent of economic expansion in state development programs comes from existing industries.

The heads of major Michigan industries are members of the council. They give it a very different character from UPCAP and an invaluable "view from the top" industrially that complements UPCAP's grass roots functions of identifying local needs and developing solutions. The first meeting of the Operation Action Council at Northern was a honeymoon exposure to the Peninsula.

The second, on Saturday, was a "what about it?" confrontation. Dr. Harden reviewed 10 years of change quickly, cited gains and needs. Industrialists told of their problems in the Upper Peninsula. Geographic location gives them some heartburn, but they didn't mention it. Stressed was the need for the area to realize that if it wants industry—all of the world lives on industry and wants more of it—it must compete. Jobs can't pay more than business can earn.

The view deserves the most earnest U. P. attention. Some major Upper Peninsula job making industries are in trouble. Cooperation like that of the unions, communities and Legislature to reduce taxes on iron ore may save the underground mines of the Peninsula. But they're in trouble again with the new steel industry wage package. The Peninsula's last wood chemical industry is shaky. Copper miners greeted a time schedule change with a slowdown.

The Upper Peninsula, with great natural resources, hasn't shared the general industrial development of the nation in the past several decades. This is the problem with which Operation Action copes. Its first objectives are adequate state support of Upper Peninsula institutions of higher education and more means for research and development of U. P. resources.

It is tackling difficult and complex economic problems. If the Upper Peninsula is interested in its own welfare—and unless it is, nothing can be done here—it must interest itself actively in this effort across the whole broad front of our economy—government, banking, industry, unions, education.

The counsel of the heads of the state's greatest universities was almost identical. President John Hannah of Michigan State University said when British Columbia can do what it's doing to develop a remote, little populated area, the Upper Peninsula should take more confidence in itself and in its future and venture. President Harlan Hatcher of the University of Michigan told how the Russians created the University of Urkutsk in a wilderness to give the students opportunity to develop the area.

Yet many Peninsulars erroneously think the way to solve our problems is for all of us to move to the human anthills in California.

ROMNEY: Is he their kind of guy?

'64 Could Bring Bitter Fight In Grand Old Party

BY BRUCE BLOSSAT
Newspaper Enterprise Assn.

WASHINGTON — Republican leaders coast to coast, plunged into confusion by New York Gov. Nelson Rockefeller's remarriage, and the Barry Goldwater upsurge, see now a struggle for the 1964 GOP presidential nomination that could become bitter and disruptive.

A survey of politicians shows Arizona's Sen. Goldwater is the prime beneficiary of the changed outlook, although Gov. George Romney of Michigan gains steadily as a man "held in reserve" should Rockefeller's fortunes decline severely.

This reporter's interviews with more than 30 party leaders in half the 50 states indicate a presidential race mounting in tension and very much in flux.

Party professionals generally regard Rockefeller as a live article for 1964 despite their puzzlement over the impact of his remarriage and their recognition of Goldwater's advances.

Goldwater's large core of militant backers take great new heart from the turn of events, and labor to build irresistible momentum for him.

Many politicians, foreseeing a sharp Rockefeller-Goldwater collision, either waver nervously for today's confusing dust to settle or cautiously consider moves to block a clash they fear could rip the party apart.

One such effort under way in Wisconsin — an organization-supported "favorite son" drive for U. S. Rep. John Byrne — could if pressed to the limit tend to disconcert both Rockefeller and Goldwater from entering a 1964 primary whose stake is 30 convention delegates.

Other favorite son efforts. Plausible talk stirs that Ohio might similarly advance Gov. James Rhodes to bottle up that state's 58-delegate primary prize. Oregon and huge, critical California might also see favorite son efforts.

In the present turbulence, single-minded Goldwaterites confidently muster new force. Their open maneuvers in Indiana led State Chairman Dale Brown, supposedly a Rockefeller man, to quit. In Oklahoma, racy GOP leaders narrowly averted a broad state convention commitment to Goldwater. Young Republicans in Minnesota,

Oregon and elsewhere have pushed Goldwater hard. Only by 17 to 16 did Virginia's GOP state committee avoid plumping for the senator right now.

Looking Good For Goldwater. Polls of county chairmen in Ohio, Illinois, and Missouri look good for Goldwater, as do a recent check of all state chairmen and a southern survey of potential 1964 delegate strength. Says one Southern cocky: "Goldwater has more convention delegates locked up today than anybody else."

A Western politician thinks Goldwater's surge clearly predated the prickly Rockefeller remarriage development. "The senator began to take off like a big bird a few weeks ago."

Uncommitted Veterans. A GOP veteran not committed to any candidate thinks Goldwater would win the nomination "hands down" if the voting took place now.

Some observers profess to see in the favorite son talk an embryo effort by Goldwater strategists to stop Rockefeller in areas he might otherwise win. Early reports say the New Yorker could take primaries in Wisconsin and Oregon, and possibly in California, though some here say a fight with Goldwater in that state would be very close.

Other appraisers argue, however, that it makes as good sense to believe some party leaders may conjure up the "favorite son" idea to bar a dangerous clash or retain some freedom of action while they measure the 1964 drift in party sentiment.

An Attractive Candidate. The "Goldwater or Else" spirit exhibited by many of the senator's fiery backers strikes real fear in some leaders' hearts. This is one

reason Romney as well as Goldwater has benefited from the shifting outlook.

Romney has widespread "name recognition" and is spoken of everywhere, as an attractive candidate. Even in Alabama and Georgia he gets good mention. Many think a Rockefeller tumble would quickly move Romney in as a moderate replacement in the 1964 battle lists.

Bent Toward Non-Partisan Ship. Yet most politicians say they know little of Romney's real views. His bent toward an Eisenhower-style nonpartisanship annoys a good many. Says one here in the capital: "A lot of politicians still are not convinced that Romney is their kind of guy."

Expressions Of Disinterest. A further problem is Romney's stout expressions of disinterest in the 1964 race. A man who knows him well says: "He is not waiting in the weeds to spring something. There is nothing premeditated in the course he is following."

No state leaders seem yet to have committed themselves even halfway to Romney, despite former President Eisenhower's celebrated liking for him.

This reporter's survey of top party men suggests that outside the South a big reason for this may be their still unshaken conviction that Rockefeller continues as the ranking 1964 candidate despite all his problems.

Calls Of Reassurance. The governor's own aides got quick word of this as the early aftermath of the remarriage announcement. Nearly a hundred calls to New York carried reassurance. One aide comments: "Sure most of these people are our friends. But if they wanted to take a powder, this was the time to do it. They didn't."

A Temporary Setback? Leaders everywhere mark the marriage to Mrs. Margaretta Murphy as at least a temporary setback for Rockefeller in the 1964 race. But many think the injury will not be lasting.

A midwesterner thinks the governor may show again the "bounce" he displayed after the original divorce announcement. A large number say he may benefit from short public memory. Almost

as many forecast that if he and his new wife create a "good image" and keep her four children much or all of the time, the sting will go out of the issue.

From the plains states comes this reaction from a professional: "Change in Outlook?"

"It could make a difference if Rockefeller bounces those kids on his knee, or if his wife has a new child and starts matching Jackie Kennedy baby for baby."

The same politician had another thought: "If a state like New Hampshire can pass a lottery law, maybe there's been a change in the moral outlook in the United States."

A mountain state governor, after listening to considerable criticism of Rockefeller's new marriage, heard a countering word from a cab driver: "I wouldn't want a man for President who wouldn't get married when he wanted to, just to serve his political ambitions."

Nevertheless, despite the overwhelmingly general view that the issue probably would not inflict permanent hurt to Rockefeller, leader after leader voices sufficient bewilderment to cause him to take a "wait and see" attitude. Politicians distrust the unknown.

If their doubts should ever jell in new conviction that Rockefeller has become unpalatable, some observers think the governor would swiftly detect it and pull out. The view of one:

New Catbird Seat. "Rocky takes more polls than the Kennedys, and that's a lot of polls."

Soon to cast a careful eye on the now tangled GOP race is the 1960 nominee, Richard Nixon. From his new catbird seat as a New York resident, Nixon hopes to exert influence on the 1964 convention result.

Friends say this was a key reason for his move from California. He wants to speak out on the big issues and cast weight in his accustomed manner. He made up his mind to move East when he found getting up the research for a recent Washington speech so painful and costly a labor.

Not incidentally, Nixon wants to practice international law in the place he sees as the center for it. Associates insist his personal political interest is on the shelf.

Rocky and Happy: Will the delegates wave back in 1964?

Civil Rights Proposals

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON — President Kennedy stopped short — in his civil rights program — of asking Congress to give the attorney general all the authority some integrationist leaders want him to have.

But, if Congress granted all the President did ask, the attorney general would have far more muscle in civil rights cases.

Southern Democrats will fight this just as they will Kennedy's request for a law to make private business places stop discrimination against Negroes. Both are sore points.

Covered The Whole Show. It was in 1957 that Congress passed the first civil rights bill in this century after strenuous opposition by the South, particularly on this issue.

A provision in the bill that year to give the attorney general power to seek a court injunction against anyone depriving anyone of his civil rights in any field. That covered the whole show.

In the end the Southerners won and this provision was knocked out but they had to make a concession. They didn't win a full victory. The bill which passed Congress did strengthen the attorney general's hand in the voting field.

Second Civil Rights Bill. The 1957 law said he could seek injunctions when an individual was deprived of his voting rights.

Then in 1960 Congress passed a second civil rights bill. This added a bit to the attorney general's authority by giving him the right to demand voting records for 22 months back in federal elections.

And federal courts, in districts where the records were questioned, could compel voting officials to comply with the attorney general's demand.

All this could be considered progress but it was slow. And the results were not dazzling. Just last month Berl I. Bernhard, staff director of the U. S. Commission on Civil Rights, told Congress:

Since 1957 the attorney general's office had instituted 38 lawsuits in voting rights cases but a substantial number of Negroes were being denied the right to vote in about 100 counties in eight Southern states.

Two Additional Fields. In his civil rights proposals last week Kennedy asked Congress to give the attorney general a much broader sphere of action by authorizing him to step in directly in two additional fields:

1. To seek a court injunction against a business place that discriminated against a Negro if the Negro couldn't afford the cost of a court suit or was afraid to start one.

2. To seek a court injunction against a segregated public school which refused to admit a Negro child if the parent couldn't afford a legal fight or was afraid to start it.

Even this wouldn't be as simple, direct or fast as it sounds in trying to get a business place to stop discriminating against Negroes.

Room For Much Delay. Under Kennedy's plan there would be room for a lot of delay before the attorney general went to court to put an end to the discrimination. The court action would be the last resort.

First the effort would have to be made — through talk and attempted persuasion — to get the proprietor of a business place to stop discriminating. If that failed, the attorney general would go to court.

There is one way, however, in which the attorney general could skip the talk and go directly to court for an injunction: If he felt any effort to get voluntary compliance was useless.

All of this has been an explanation of Kennedy's proposal as he laid it before Congress. But what Congress does with it, in view of Southern opposition, is something else.

Remarks That Irk Fat Men

By HAL BOYLE

NEW YORK — Remarks that fat men get tired of hearing: "He's a fine figure of a man—in fact, several men."

"What made you so late for work, Roscoe? Get stuck in the subway turnstile again?"

"He doesn't need a knife and fork. Just put a shovel by his plate."

"Hi, Tubby, what's new?"

"They say everybody loves a fat man."

"In our last amateur theatrical, Roscoe starred as the mob scene. He played it all by himself."

'Just Dived In' "Roscoe just dived into the swimming pool from the 11-foot board. Now, how are we going to get the water back in?"

"My, I can eat anything I want. Nothing seems to stick to my bones."

"They'll have to unhinge the pearly gates if they're ever going to get him into heaven."

"Your shoelace is loose, Roscoe. Want me to tie it for you?"

"We've got to do something about him. That's the fourth swivel chair he's broken this month."

"Yes, sir, I know a size 50 coat fits you like a glove. But let's try this size 54 on you—I think you'll find it a bit more comfortable."

'Unbelievably Plump' "Roscoe isn't really fat. He's just unbelievably plump."

"We'll have to wait at the top of the stairs for Roscoe. He always takes the freight elevator."

"As I see it, it's a mathematical problem. If his tummy gets any bigger, his arms will no longer be able to reach the table—and then he's bound to start losing weight."

"The last time Roscoe played Santa Claus, the reindeer mutinied."

"They say that inside every fat man there's a thin man trying to get out. In Roscoe's case, there must be three men."

Two Umbrellas "Rainy days are a big nuisance to him. He gets tired of having to carry two umbrellas."

"I hear he counts his calories on the office computer."

"There's one nice thing about having all that weight. When you're at the beach with Roscoe on a summer day, he throws more shade than the average elm tree."

"Here's a new game for you, kids. The first one to race five laps around Roscoe wins a quarter. On your marks! Get set! Go!"

Peninsula Perambulator

The Upper Peninsula Telephone Co. of Wallace has received a loan of \$1,300,000 from the Rural Electrification Administration to finance a construction program that will provide initial service for 1,188 subscribers and improve service for 612 now receiving its service.

A search for the oldest bell in the Menominee area is being conducted in connection with the state-wide bell-ringing program to be conducted July 4. Mrs. Joseph Roudreau, chairman of the Menominee Chamber of Commerce women's division "Let Freedom Ring" committee, is conducting the hunt, and to date the oldest bell registered at the chamber office is the one in use at Jordan Seminary. William Schwanz, mail carrier, registered that bell, reporting it was made in 1874 and was used at a Catholic church in Peshigo before it was given to the seminary in 1957.

Benjamin S. Gill, former crewman aboard the submarine Perch and a veteran of World War II, was named regional vice commander of the Michigan chapter of the U. S. Submarine Veterans of World War II at the first reunion convention held in Albion, Mich., June 22. Gill is the only member of the Lower Peninsula and the Upper Peninsula, Gill is eager to contact former submariners in the area. Membership is open to any former U. S. Navy man who served aboard a submarine in World War II. Anyone interested can write him at RR 1, Charlevoix, Mich., for further information. The 1964 convention will be held in Battle Creek.

The tree didn't go and Mrs. Robin's determination to wait out the stork's appearance in a dining room near the entrance to the firm's dining hall at Kincheloe Air Force Base paid off. She is now the proud mother of three little Robins. Her defiant stand a few weeks ago kicked off quite a controversy at the base between dining hall officials and bird lovers at the base. The tree that Mrs. Robin chose to make her nest in had been marked for removal because of its lifeless appearance. However, the bird lovers won out and the tree was left standing.

There is an effort being made, and it has every prospect of success, to introduce paving in Marquette on the block of street on Washington between Front and Third. The prime movers in the matter are a number of progressive business men and property owners in the block referred to, and they present a very plausible scheme for the consideration of the council and the people who would have to help bear the burden. That the effort to have a block of Washington paved is a praiseworthy one there is no doubt, and it is important to the city at large.

The general upturn in business during the last several weeks, reflected particularly in steel and lumber, already is being felt materially in Marquette, as it is in other parts of the Upper Peninsula.

Provisions of the independent offices appropriation bill, containing retirement regulations for federal employees, were explained in a letter to the Marquette union of the National Federation of Federal Employees by Luther C. Steward, president of the federation.

On July 1 the Post Office Department's ZIP Code will go into effect. The department is using this cartoon character, Mr. Zip, to publicize a new code mail system to speed up out-of-town deliveries. The system is dubbed "zip code" for zone improvement plan. A series of five digit numbers will channel the mail from sender to final destination. Shown are Marquette's zip code numbers, 498 designating the sectional center for Marquette and 55 the Marquette post office number.

ZIP Codes For Post Offices In Area Section Center Told; Tri-County Cities Included

Five-digit ZIP codes for all post offices affiliated with the Iron Mountain Sectional Center were announced today.

The ZIP (zone improvement plan) center includes communities in the Marquette-Alger-Baraga County district. ZIP codes will go into effect July 1, in a national implementation of the new improved mail service program.

Iron Mountain's post office is the sectional center serving 158 affiliated post offices in the Upper Michigan-Northern Wisconsin area.

Follow City, State
In announcing the ZIP codes, Marquette Postmaster John S. Courtney stressed the importance of each citizen learning the zone number for his community, and using the number in the return address of all his correspondence.

"In answering mail," he said, "ZIP codes taken from return addresses on incoming mail should be used."

"The Zip Code is literally the last word in mail addressing," Courtney said. "It should follow the city and state in addresses."

OASI Questions And Answers

Editor's Note: If you would like to know how the Social Security law affects you, write the Social Security Question Box, P. O. Box 219, Marquette, Michigan. Your answer will appear in future editions of the Question Box, or you will receive a direct reply from the Marquette Social Security Office if you so specify and furnish your name and address.

Q: "I have been receiving social security benefits for several years. I always made no more than \$1,200 since I worked only from January through June for \$200 a month. In July, I will become 72. Can I make any amount this year and still get checks?"—G.A.
Answer: No, Mr. G. A. Since you will be 72 in July, you will be entitled to your benefits for the months of July through December, regardless of your earnings in those months. However, if your total earnings for the entire year are over \$1,200, you will not be entitled to some or all of the benefits paid to you for the months of January through June, because you were not age 72 in those months. The amount of benefits which you might have to pay back for those months will depend upon how much over \$1,200 you earn during the year 1963.

Q: "I am a school teacher. Some of the other teachers have said that they applied for social security benefits when they became old enough and that they have received social security benefits during the summer months ever since. How is this possible when they earn a great deal more than \$1,200 a year?"—H.S.
Answer: A beneficiary may receive benefits for any month in which he does not earn over \$100 as an employee, or render substantial services in a business of his own, no matter how much his total earnings are for the year. Many teachers have contracts which provide for their working for only nine or ten months a year. They are entitled to benefits for those months of the year in which they do not work and have earnings of more than \$100.

Four Drivers Pay Fines In City Court

Four persons were ordered to pay a total of \$60 in fines and costs by Judge Edward H. Dembowski yesterday in city court for traffic law violations.

Phillip H. Quantz, 1715 Fitch Ave., paid a fine of \$6.30 and \$3.70 costs for failure to yield the right-of-way and a fine of \$6.30 and \$3.70 costs for defective

brakes. He was ticketed by city police June 8 following an accident on N. Third St.

For improper overtaking and passing on a hill, Jeffe L. Peake, Columbia, S. C., was ordered to pay a fine of \$6.30 and \$3.70 costs. State police issued the summons June 3 on U. S. 41 in Michigamme Township.

Improper Backing
A fine of \$6.30 and \$3.70 costs were paid by Lois J. Roberts, 473 Division St., Negaunee, for improper backing. She was ticketed by city police Saturday following an accident on W. Ridge St.

Larry P. Laine, Route 1, Negaunee, paid a fine of \$6.30 and \$3.70 costs for driving left of the centerline on S. Third St. City police ticketed Laine June 15.

For making an improper right turn on S. Front St., Clarence E. Brown, K. I. Sawyer Air Force Base, paid a fine of \$6.30 and \$3.70 costs. City police ticketed him June 20 following an accident.

Children's Mass At St. Christopher's Tomorrow

These third and fourth graders enrolled in the annual Summer School of Religion of St. Christopher's parish will be among more than 200 attending the school for whom there will be a special Mass tomorrow morning at 11. The school, which opened June 10 under the direction of four nuns of the Order of St. Benedict from Duluth, Minn., will be concluded Friday. In the first row, above, from left, are Rodney Ritari, Barbara Dutree, Mary

Bishop, Michael Paquette and Michael Black. In the second row, also from left, are Betsy Gibbs, George DeVerney and Paul Peterson. Their teacher, Sister Mary Catherine, left, has had one of the largest classes in the school, held each summer for boys and girls of St. Christopher's from kindergarten through high school who attend public schools. LeVeque-Snay

(Photo by Mary Jayne Hallifax)

MUNISING — Marriage vows were exchanged in Sacred Heart Church Saturday morning by Dorothy Jean LeVeque, daughter of Mr. and Mrs. Leo LeVeque of Munising, and Airman 2-c Gilbert Bruce Snay, son of Mr. and Mrs. Raymond Clark of Logansport, Ind.

The Rev. Emil Bevers performed the ceremony at nine o'clock and later celebrated the Nuptial High Mass. The bride was given in marriage by her father.

Miss Janet LeVeque was her sister's maid of honor. Miss Kay Peterson was bridesmaid and Miss Virginia LeVeque, another sister of the bride, was junior bridesmaid. Four-year-old Cherry Cotey was flower girl and James LeVeque, the bride's brother, who is five, was ring bearer.

Louis Smith served the groom as best man and Francis LeVeque, the bride's brother, was groomsman. Seating the guests were Alex and Frank LeVeque, also brothers of the bride.

White Lace Gown

Chantilly lace, floor-length, fashioned the bride's gown, designed with molded bodice and full skirt featuring wide scallops at the hemline. A fingertip veil of illusion completed her ensemble and she carried a heart-shaped bouquet of white pompons and sweetheart roses.

Miss Janet LeVeque and Miss Peterson wore blue lace and chiffon with headpieces to match and carried bouquets of white pompons with blue tufts, and the junior bridesmaid wore a blue and white tulle dress with white accessories and carried white carnations with blue tufts. Little Miss Cotey wore a blue cotton frock with matching headpiece and carried a basket of summer flowers.

Mrs. LeVeque wore a green silk jersey dress with white accessories and a corsage of white carnations. Mrs. Snay wore a beige suit with accessories to match and a corsage of white carnations.

Breakfast Reception

A wedding breakfast was served at the LeMothe Hall, where a reception for 150 guests was also held.

The bride is a graduate of Mathew High School. The groom graduated from Mt. Clemens (Mich.) High School and is now serving with the U. S. Air Force at K. I. Sawyer Air Force Base.

Gene Barton Small Marries Ohio Girl In Recent Service

Announcement is made here of the recent wedding of Rae Ann Smithesler, daughter of Mr. and Mrs. Raymond Smithesler of Chesterland, O., and Gene Barton Small, son of Mr. and Mrs. Elmer Small, former Marquette residents now of Detroit.

The couple exchanged their vows June 15 in Old South Church, Kirtland, O. A reception in the church parlors followed the ceremony.

Floor-Length Gown

The bride wore a floor length wedding gown fashioned with lace over satin bodice and net skirt and carried yellow roses on a white Bible. Identical gowns of silk tulle and satin were worn by her two attendants, Judy Dressler and Dawn Shoefeld, and their flowers were also yellow roses.

Darryl Small of Milwaukee was his brother's best man and Gary Small of Homer, Mich., was groomsman. Dennis Smithesler, brother of the bride, and Jack Peterson of Marquette, brother-in-law of the groom, ushered.

Living In Chesterland

Mr. and Mrs. Small will make their home temporarily in Chesterland, where the groom is stationed with the U. S. Coast Guard. Their wedding trip included a visit to Niagara Falls, Wisconsin and Upper Michigan.

Columbian Squires Having Bake Sale Friday At Gamble's

Members of the Marquette Columbian Squires, junior organization of the Knights of Columbus,

Klenovich-Gravedoni

Lorna Mae Klenovich, daughter of Mr. and Mrs. John J. Klenovich of Marinette, Wis., became the bride of Daryl James Gravedoni, son of Mr. and Mrs. Guido D. Gravedoni, Marquette, at a ceremony Saturday in Menominee. Bruce Turner, Marquette, president of the Marquette-Jehovah's Witnesses, performed the ceremony at 3 p. m. in Menominee's Kingdom Hall. The bride's father gave her in marriage. Miss Elinor Ryan was maid of

honor and Mrs. Edward Fairbanks was bridesmaid.

Serving the groom as best man was Duane Kantola and groomsman was Edward Fairbanks. Ushers were George Baird, Wesley Kantola and Herbert Kamine.

A reception was held at the Silver Dome, Marinette, following the ceremony. Following a wedding trip to Detroit and Milwaukee, the couple will reside in Marquette.

Past Regents Will Pour At Circle's Tea

Past regents of Father Marquette Circle of the Daughters of Isabella will pour at the organization's annual summer officers' tea to be held tomorrow afternoon in the garden adjoining the Meadowsorch Nursery. They are Mrs. Ellen Clancy, Mrs. Emma Derleth, Mrs. Jessie Downey, Mrs. Louise Theriault, Mrs. Hazel Girard, Mrs. S. J. Chartier, Mrs. John F. O'Neill and Mrs. Edward O'Donnell.

Those assisting in the garden will be Mrs. George Mancuso, Mrs. John R. Dupras, Mrs. Robert Yuma, Mrs. Fred St. John, Mrs. Edward Greenwood, Mrs. Stuart Johnson Jr., Mrs. Raymond Buchkoe, Mrs. William Frazier Jr., Mrs. James Bridel and Miss Mary Dwyer.

A feature of the tea will be a display of paintings by Hugo Muelle.

Proceeds of the tea, for which Mrs. Orval Chernette and Mrs. Edward O'Donnell are co-chairmen, will go to local charities.

The public is invited. Those wishing transportation may contact Mrs. C. W. Durpas, regent, or the co-chairmen.

Kosonen-Lake

(Homburg Studio photo)

ISHPEMING — Bethel Lutheran Church was the scene of the wedding Saturday of Kay Marie Kosonen, daughter of Mr. and Mrs. Wilho L. Kosonen, former Ishpeming residents now of Crystal Falls, and Airman 1-c William W. Lake Jr., son of Mr. and Mrs. William W. Lake of Mt. Gilead, N. C.

Yellow and white chrysanthemums decorated the church altar for the ceremony, performed at 7 p. m. by the Rev. Albert Hautamaki. The bride's father gave her in marriage.

Two Attendants

Miss Gail Graham was maid of honor and Miss Jane Pilro was bridesmaid. Karen Ann Kosonen, seven-year-old sister of the bride, Crystal Falls, was flower girl.

James Kosonen of Joliet, Ill., brother of the bride, was best man and Airman 2-c Andrew Mellon of K. I. Sawyer Air Force Base was groomsman. Seating the guests were Airman 2-c Douglas Frauenholtz of Sawyer and Robert Harvey, Ishpeming.

The bride wore a floor-length gown of white Chantilly lace fashioned with molded bodice, featuring a Sabrina neckline trimmed with sequins and pearls and three-quarter sleeves, and a shirred bouffant skirt. A crown of crystal and pearls held her four-tiered fingertip veil in place and she carried a bouquet of yellow roses surrounded by white chrysanthemums. Her only jewelry was a pair of earrings, a gift of the groom.

Aides In Yellow

The bridal aides were gowned alike in yellow silk organza styled with draped midriff caught in front by a fabric rose, short sleeves and bell-shaped skirts. Their pillboxes and shoulder-length veils were in matching yellow and they carried bouquets of yellow roses, white and green chrysanthemums.

Mrs. Kosonen wore a yellow and white silk print with white accessories and a corsage of yellow

roses and white chrysanthemums to her daughter's wedding. The bride's grandmothers, Mrs. Sanni Niemi and Mrs. Vilma Savola, wore blue print dresses, the former's light blue and the latter's a royal blue, with white accessories. Their flowers were yellow and white carnations.

Mrs. Savola and Mrs. Niemi entertained at a wedding dinner at their home, 1204 N. Third St., and a reception for 250 guests was held in the church parlors. The bride's grandmothers were also co-hostesses at the rehearsal luncheon.

Employed As Teacher

The new Mrs. Lake is a graduate of Ishpeming High School and Northern Michigan University and is employed as a teacher at Negaunee's Lakeview School. The groom, a graduate of Mt. Gilead High School, attended Pfeiffer College in Misenheimer, N. C., before entering the Air Force. He is now stationed at K. I. Sawyer Air Force Base.

Following their wedding trip to Mt. Gilead and other points in the South and East, Airman and Mrs. Lake will reside at 311 Ridge St., in Ishpeming.

Thoren-Derby Team Ishpeming Duplicate Club's High Scorers

Mrs. Rollin Thoren and Mrs. Ed Derby won top honors in the Ishpeming Duplicate Bridge Club in the regular weekly round Monday night at the Mather Inn. Their score was 70 per cent.

Other high scorers were Mr. and Mrs. Harold Hamley of Oconomowoc, Wis., 58.14; Mr. and Mrs. Max Rohrer, Flint, 55.55; Mr. and Mrs. George Reisinger, 53.33; Juel Caspersen and Mrs. Adelaide Jurnu, 51.65; Mrs. H. N. Young and Helen Winter, 51.48; and Mrs. Robert Fountain and Mrs. Earl Makeila, 51.11.

Miss Martin Wins OJB's Top Degree

Mary Ann Martin of Marquette was awarded the Grand Triangle of Honor degree in the International Order of Job's Daughters at the Grand Guardian Council of Michigan's annual convention held in the Grand Rapids Civic Auditorium.

The degree, highest honor a member of the Job's Daughters can receive, was presented to Miss Martin at the opening session of the council Thursday evening before an estimated 3,000 persons.

Daughter of Mr. and Mrs. John P. Martin, 1240 N. Second St., the Marquette award winner is a graduate of John D. Pierce High School and Northern Michigan University. She is the second local winner, the honor having previously been bestowed on Mary Jane Pachi Flanigan.

Miss Martin is an honorary member and past honored queen of Bethel 16 of Marquette. She was captain of the Marquette Bethel's drill team in 1959 when it participated in drill team competition which was a feature of the national supreme session of Job's Daughters held in Cleveland, O.

Speaker

The Rev. Roy Johnson, pastor of Philadelphia Church in Seattle, Wash., will be the speaker at opening services tonight for 100 clergymen who arrived here today for the annual minister's institute of the independent Assemblies of God. The services are scheduled at 7:30 in the Marquette Gospel Tabernacle.

Meetings

The Victoria Lodge will meet tomorrow at 7:30 p. m. in the Odd Fellows Hall. A social hour and refreshments will follow.

Northern Queen Rebekah Lodge will meet Friday at 8 p. m. in the Odd Fellows Hall. Following the business meeting there will be a social hour and lunch.

The Women's Relief Corps will hold a regular meeting tomorrow at 8 p. m. in the Veterans' Center. A social hour and refreshments will follow, with Abby Peltier, Jennie Morneau and Georgia Morneau as hostesses.

Nefretete Temple No. 110 of the Daughters of the Nile will hold a regular session at 7:30 p. m. Friday in the Federated Women's Clubhouse. A social hour and lunch will follow.

First Presbyterian Couples' Club Plans Picnic For Saturday

The First Presbyterian Church Couples' Club is planning a picnic Saturday for all members of the church. The picnic is scheduled to begin at 8:30 at Presque Isle.

Those attending are asked to bring their own meat and either a salad, hot dish or cake to pass. They should also notify the Earl Hiltons at CAnal 6-7298, or the Paul Vaughans at CAnal 6-3200, if they plan to be there.

and blue accessories. The groom's mother wore a pink and white lace sheath with pink accessories. Each had an orchid corsage.

Reception At Church

A reception was held in the church parlors immediately following the ceremony.

The bride, a graduate of Baraga High School, is a senior at the University of Michigan, majoring in education. The groom is a graduate of Midland High School and a 1963 graduate of the University of Michigan Medical School.

Following a honeymoon trip to Vermont the newlyweds will make their homes in Ann Arbor, where the groom will soon begin his internship at St. Joseph's Mercy Hospital.

Horse Pulling, Power Saw Events At Champion Sunday

CHAMPION — Sunday will be a big day for those hearty individuals who man power saws and for those who will handle the reins during the annual horse-pulling contest. This year it's part of Champion's centennial celebration.

Twenty or more entries for the power saw contest are expected, including two champion cutters from the Gwin area.

Anyone wishing to enter the power saw contest should contact Arthur Hamel Jr., 485-5440, or see him at his home in North Lake Location.

There will be two classes, one for cuts over five and one-half inches and a class for smaller cuts up to five and one-half inches.

In an effort to help chairmen and committees plan a well-organized contest, the Champion Lions Club and the Champion Fire Department, sponsors of the program, ask that all power saw entries register with Hamel before Saturday, June 29.

However, late entries will be accepted if they are at the Lions Club-Fire Department recreation area before 11 a. m. Sunday.

Special Service Scheduled In Lutheran Church Sunday

CHAMPION — In conjunction with the village centennial celebration, a special service of thanksgiving will be conducted by the Champion Lutheran Church at 7 Sunday night.

The guest preacher for the occasion will be a native of Champion, Dr. John Wargelin of Hancock, who spent his early years here.

It was from Champion and the local congregation that he left for college and the seminary, being ordained in 1904 as a member of

the first class of ordinands of the former Suomi Synod.

Dr. Wargelin has served the church both as president of Suomi College in Hancock and as president of the Lutheran Church-Suomi Synod, which is now a part of the Lutheran Church in America.

Special music will be offered as part of the program, with Jack Bowes singing two solos and Mrs. John Wargelin presenting an organ solo.

Friends as well as members of the church were given an invitation today by the pastor, the Rev. Leslie Niemi, to attend this special service. Refreshments will be served afterwards by the women of Champion Lutheran Church.

Adamini Winner In Time Event

NEGAUNEE — Stephen F. Adamini, a 1963 Negaunee High School graduate, has been named a winner in Time magazine's 27th annual current affairs contest.

Other high-scoring local students included Michael Smith, Alan Nelson, John Williamson and Bennie Hill, all Negaunee High June graduates.

Time's current affairs test, given this year to more than 400,000 college and high school students in the United States and Canada, consists of 105 questions on national and foreign affairs. Also included are such categories as business, sports, entertainment, science, religion, literature, journalism, education and the arts.

Top scorers in each of the more than 3,500 classes enrolled in the Time education program receive a certificate from the weekly news magazine and a choice of either a world globe or a book from a specially selected list.

Woman Gets Ticket After 2-Car Crash

WATTON — Two autos were damaged and a Milan woman ticketed in a two-car collision at 10:40 yesterday morning on Highway M-28 in Watton.

A car driven by Mrs. Mary Ann Slagle, 23, Milan, struck another operated by Mrs. Joan F. Thompson, 21, Sidway, as she was making a left turn. State police said Mrs. Thompson had signaled for a turn, but that Mrs. Slagle attempted to pass and rammed the left rear of the Thompson car as it was turning.

Mrs. Slagle had five children, ranging in age from 1 1/2 to 7 years, in her car at the time.

Both cars were damaged considerably, but were driven away. Mrs. Slagle received a summons for improper overtaking and passing.

Obituary

WERNER A. FREEMAN

NEGAUNEE—Werner A. Freeman, 60, Iron River, died at 5:45 last evening in the Stambaugh General Hospital after a five months' illness.

Mr. Freeman, who worked for M. A. Hanna Co. for about 30 years, was born in Republic Oct. 3, 1903. He leaves his wife, Martha; a son, Robert; a daughter, Mrs. Leland (Carol) Firkus of St. Paul, Minn.; five grandchildren; his parents, Mr. and Mrs. Arthur Kantola of Negaunee; two sisters, Mrs. Hugo (Lillian) Peterson of Negaunee and Mrs. Ray (Allie) Truax of Milwaukee; four brothers, George Freeman and Martin and Reino Kantola of Negaunee and Lauri Kantola of Marquette; an aunt, Mrs. Jalmer Tuomela of Ishpeming, and an uncle, Fred Olson of Amasa.

Board Names New Clerk In Forsyth

GWINN — At a recent special meeting of the Forsyth Township Board, Jacob Winters of Gwinn was appointed clerk to fill the vacancy created by resignation of Mrs. Marguerite Bianchi, who was elected at the spring election.

Mrs. Annabelle Erickson was appointed deputy clerk following the resignation of Mrs. Allie Gilbert.

The hours for the deputy clerk at the town hall will be the same as before: Monday through Thursday from 9 a. m. until noon and Friday evening from 6 until 8.

George Crandall, Little Lake, has been appointed dog warden to fill the vacancy created by the resignation of Thomas Guare, also of Little Lake. As this is a part-time position, persons having complaints concerning dogs should call DI 6-3990.

Iola Mailman Wasn't Prepared For Leghorn

IOLA, Kan. — When postman Ralph Shafer opened a mailing box in downtown Iola he wasn't prepared for what he found. An angry white leghorn chicken flew out in his face.

The thoroughly mad chicken ran down the street before Shafer could head it off.

Co-Op Store Post Taken By Erickson

NEGAUNEE — Appointment of John Erickson, a native of Greenland, Mich., as manager of the Negaunee Co-op Store was announced today by the board of directors.

Mr. Erickson has had previous experience in the field of food merchandising at Mass, Covington, Ontonagon, Ewen and Wakefield, Mich.; Hurley, Wis., and Wawina, Jacobson and Palo, Minn., during his 35-year business career.

He is the father of two children, a daughter living in Arlington, Va., and a son who attends Tri-State College at Angola, Ind. His wife was killed in an automobile accident two years ago.

The appointment already is effective, with Erickson assuming his new duties this week.

Gwinn Man Pays Fine In Check Case

GWINN — Six persons paid a total of \$57.80 in fines and costs following their arraignment at the Gwinn Town Hall before Justice Arthur Burkman.

Clarence Gaedert, Gwinn, who paid a fine of \$10 and costs of \$4.80, was arrested by Town Marshal Arthur Johnson on the complaint of Gordon Bean of the Shoppers Town of Gwinn for issuing two checks of \$10 each and not having sufficient funds in the Gwinn State Bank. Beside paying the fine, he made restitution of \$20.

Gwinn Man Pays Fine For Fishing Without License

GWINN — Gerald Titus of Gwinn paid a fine of \$10 and costs of \$7.30 following his arrest by Conservation Officer Frank J. Marshall Jr. for fishing in Johnson Lake without a fishing license. He appeared before Justice Arthur Burkman Monday afternoon at the Gwinn Town Hall.

Tech Given \$70,763 For Ore Research

HOUGHTON — The Michigan Tech Institute of Mineral Research has been awarded a \$70,763 research contract by the U. S. Agency for International Development, according to M. E. Volin, director.

The work will involve technical assistance in iron ore research for one of the foreign countries served by the agency.

Volin emphasized that the project was undertaken with the understanding that the iron ore technological developments would not be used to compete with domestic iron ore production. He said the types of ore on which the work will be done are low grade.

The objective is to benefitate these ores for use in making pig iron and steel in the country involved.

This is the first contract awarded to Michigan Tech by the agency. Tech's Institute of Mineral Research was recommended for the contract by the U. S. Bureau of Mines, and the proposal was prepared by Volin and Assistant Director A. D. Kennedy.

U. P. Champion Blue Notes Lead Homecoming Celebration Parade

ISHPEMING — The Upper Peninsula champion Blue Notes Drum and Bugle Corps will lead the parade tomorrow afternoon during the Miss Upper Peninsula homecoming celebration.

Besides leading the parade, the corps, which took first place in junior drum and bugle corps competition at the American Legion convention in Marquette, will present a short concert.

Feeder Corps To March, Too

The parade, which will center in the downtown area, also will feature the Blue Notes feeder corps with baton twirlers. This unit also will give a concert at the end of the parade.

Beginning at 2 p. m., the parade will proceed from the Legion clubrooms down Pine St. to Bank, down Cleveland Ave. to Second St., then south to Division St.,

west to Main and down Main to the reviewing stand which will be set up in front of the Newberry store.

Highlight of the parade will, of course, be the appearance of Miss Kathleen McLaughlin, Miss Upper Peninsula for 1963. Accompanying her will be the two runners-up in the queen competition, Miss Marsha Williams and Miss Mary McGuire.

Bring Your Cameras

After the concert and introduction, there will be time allotted for pictures.

"I am sure," Robert Sturm, chairman of the event, said, "that many will want to bring cameras and get pictures of these three lovely girls and we don't want to disappoint them. Sufficient time will be allowed for the camera bugs."

Climaxing the day will be a dance starting at 9 p. m. in the Ishpeming Co-op parking lot, sponsored by the Ishpeming-Negaunee Junior Chamber of Commerce and featuring Kenny Brown and his Rhythm Kings. Music for all ages will be the keynote of the dance. Food and refreshments will be available.

Plan Next Contest

All proceeds from the dance will go into a fund to support the contest to find Miss Ishpeming for 1964 which will be conducted Sept. 13 and 14 by the Jaycees.

"Again we urge the citizens of Ishpeming to turn out for this homecoming celebration for Miss McLaughlin, who is doing much in promoting the name of Ishpeming throughout the state," Sturm said. "It also is a happy coincidence that we can show our support for the Ishpeming Blue Notes on this same occasion for they also are real salesmen for Ishpeming and the Upper Peninsula."

Joint K-C Installation On Sunday

ISHPEMING — Ishpeming Council, Knights of Columbus, will be hosts to the Negaunee and Marquette councils Sunday morning at a joint installation ceremony in the clubrooms above the Globe Printing and Office Supply Co. on Division St.

The day will begin with Mass and Holy Communion at 7 a. m. in St. Joseph's Church. Breakfast will be served in the council rooms, after which officers of all three councils will be installed.

Henry Racine, incoming grand knight for the Ishpeming council, invites all members in the area to attend.

Wuorenmaas Leave For Wedding Of Daughter

ISHPEMING — Mr. and Mrs. Leo Wuorenmaa and niece, Sandra, have gone to Newton Falls, Mass., to attend the wedding of their daughter, Carole, to Michael Speer July 6.

They also will visit their son-in-law and daughter, Mr. and Mrs. Paul Marietti, who will return with them to attend a reception on July 14 at Perch Lake in honor of the bride and groom, who will be honeymooning in this area.

HYACINTH PATROL

The Hyacinth Patrol pulls out and destroys 23 million water hyacinths annually to keep the channels of the Panama Canal open to traffic.

Chatham, Trenary Lions To Conduct Joint Installation

TRENARY — A joint installation of officers of the Chatham and Trenary Lions Clubs will be conducted at 7 tomorrow night in the clubhouse at Kiva.

The dinner will be prepared and served by the Ladies' Guild of the First Lutheran Church.

John Norlin, Chatham, will be the master of ceremonies and Leo Kulkki, Rock, will be the installing officer. Activity reports will be given by each club and awards will be presented.

Rep. Staebler In Munising Next Tuesday

MUNISING — Congressman-at-large Neil Staebler, Democrat from Ann Arbor, will make an eight-day tour of the Upper Peninsula and parts of the Lower Peninsula, according to Mrs. Patricia LaCombe, Alger County Democratic chairman.

This will be his first trip to the U. P. since taking office last January. Staebler, who will visit Munising Tuesday, July 2, wrote Mrs. LaCombe:

"During the campaign last fall, I promised to give Democratic representation to those areas of the state which have not had it for so long. I also want a chance to see some of the ARA projects, first hand, and have opportunity to meet and talk with as many people as possible. By doing so, I feel that I will be better prepared to represent the people of Michigan in Congress."

Other stops included in Staebler's trip will be St. Ignace, Rudyard, Sault Ste. Marie, Newberry, Marquette, Escanaba, Menominee, Iron Mountain, Iron River, Ironwood, Houghton and L'Anse.

Death Takes E. P. Boucher Of Munising

MUNISING — Ernest P. Boucher, 69, of 212 Barnum St., died at 11:55 yesterday morning in Morgan Heights Sanatorium, Marquette. He had been ill 20 months.

Mr. Boucher was born Aug. 27, 1893, in Whitefish, Ontario, Canada, and had been a resident of Munising since 1914. He was employed by the Munising Paper Co. for 47 years.

Mr. Boucher attended St. Paul's College in Ontario and was a veteran of World War I, serving with the U. S. Army in France. He was a member of the Munising American Legion Post.

Surviving are his wife, Anna; a son, Harry of Munising; three daughters, Mrs. Stanley Twork, Mrs. Reginald Andrews and Mrs. Frank Richardson of Munising; two brothers, Henry and Theodore of Sudbury, Canada; four sisters, Mrs. Florence Stevens of Sudbury, Mrs. Alma Fry of Ann Arbor, Mrs. Mary LeVeque of Prudenville, Mich., and Ann of Oconto, Wis., and 11 grandchildren.

The body is in the Bowerman-Hallifax Funeral Home, where friends may call after 7 this evening.

Services will be conducted at 2 P. M. at the funeral home. The Rev. William Augburger, pastor of St. John's Episcopal Church will officiate and burial will take place in Maple Grove Cemetery. Military graveside rites will be conducted by the American Legion.

BAND CONCERT TONIGHT
ISHPEMING — The Ishpeming City Band Concert will be presented tonight, not last night as was stated in Tuesday's Mining Journal.

SINCERE THANK YOU

We wish to express our thanks to our friends and relatives for the surprise party on our 25th wedding anniversary. Our sincere thanks to all who took part in the program, for flowers, cards and gifts. This occasion is never to be forgotten.

Dear Abby...

BY ABIGAIL VAN BUREN

DEAR ABBY: I have an uncle who is absolutely nutty. He's not bad enough to be locked up, but he embarrasses me every time I see him. About a year ago he told me he dreamed I borrowed \$200 from him. We both laughed about it and I took it as a joke. Every time I see him now he asks me when I am going to pay something on that \$200 I owe him. He actually believes I owe him \$200. And I am NOT kidding.

ago, 12 to be exact, I arranged some flowers from my own garden in one of my prettiest vases and took it to my neighbor. (Her mother, who was living with her at the time, had suffered a stroke and was very ill.) Well, the mother died that summer and my vase was never returned to me. I have seen it used in my neighbor's house many times. I'm sure she knows it's mine. Should I ask her for it? Or do you suppose she is under the impression that I gave her the vase along with the flowers?

PLEMENIK
DEAR PLEMIENIK: The next time he brings it up, tell him you DREAMED you paid it back.

DEAR ABBY: I've been married 40 years and have four married children. Eight years ago I took a job to keep busy and earn a little extra money. Every cent I have made has gone into our home. I work seven hours a day, five days a week, but I'm home every evening before my husband gets there. My housekeeping hasn't suffered and my meals are all well prepared. My husband told me that beginning August first, either I pay \$100 a month room and board or I can get out. What should I do?

MRS. A
DEAR MRS. A: Your neighbor probably assumes you gave her the vase along with the flowers. Unless the vase is an heirloom or has great sentimental value, pretend you gave it to her and forget it.

were deep and my grief was very real, but I couldn't control this unfortunate fit of laughter. Many years later a divorce explained it to me, and I understood "FELLOW IDIOT"

Missionary To Formosa At Carlshend

CARLSHEND — A series of six talks will be given by the Rev. James Hudson Taylor Jr., missionary to Formosa since 1955 under the General Missionary Board of the Free Methodist Church, at the Carlshend Free Methodist Church the coming week-end.

His schedule of talks: 7 p. m. Friday, 3 and 7 p. m. Saturday, and 11 a. m. and 3 and 7 p. m. Sunday.

The public is invited to all of the services. There will be special music and slides at the evening meetings.

The Rev. Mr. Taylor comes from a missionary family which, through four generations — beginning with the first James Hudson Taylor who went to China in 1854 — has carried on missionary work among the Chinese.

The Free Methodist Church in Formosa, established on the island in 1932, has been growing steadily and now has more than 1,000 members. Churches have been built and a Bible school established for training national pastors and workers. The church is working among all of the three main population groups found among the people living in the 3,000-square-mile island: the Chinese mainlanders, Taiwanese and the mountain tribes.

Teaching in the Holy Light Bible Seminary has been the Rev. Mr. Taylor's principal work while in Formosa. He also assists in youth work, helps with supervision of churches and carries on extensive evangelistic work. In one year he reports having walked 175 miles over mountain trails, visiting churches and witnessing to the people of the mountain tribes.

Born in China, he received his early education there and, upon coming to the states, entered Spring Arbor College in Michigan. He was graduated from Greenville College in Illinois with a B.A. degree and from Asbury Theological Seminary in Kentucky with a B.D. degree.

Mr. and Mrs. Kenneth Lempe and daughters returned to Grafton, Wis., after spending the weekend at the William Hytinen home.

Mrs. Olive Gilliland, Prairie du Sauc, Wis., is visiting Mr. and Mrs. Ray Sisco.

Mrs. Forrest Dunn and children of Detroit are visiting Mrs. Dunn's mother, Mrs. John Aho. Also visiting at the Aho home is William Aho, Detroit.

Mr. and Mrs. Alonzo Taylor celebrated their golden wedding anniversary Tuesday with a small gathering at their home. Mr. and Mrs. Taylor were married June 25, 1913, in Munising.

Negaunee 1st In County Jr. Legion Loop

NEGAUNEE — Negaunee goes in Gwinn tonight for a County Jr. Baseball game, intent on keeping its newly-won sole possession of first place. Tonight's game is at 6 at the Gilbert elementary school field.

Negaunee dumped Marquette 8-6 with hit batsmen and errors adding some timely Negaunee hitting.

Marquette Legion players are to bring their birth certificates to the Installment Loan department of the First National Bank at 7 tonight, to sign up for tournament play.

Final plans for the Upper Peninsula Field Archery Association Championship tournament will be on the agenda.

All members are urged to attend. Prospective new members will be welcome.

U.S. Netters Find Weather Bothersome

WIMBLEDON, England (AP)—The United States delegation in the Wimbledon Tennis Championships is troubled more by British weather than the international opposition.

"This weather may not bother the British, but brother they can't keep it," moaned Dennis Ralston, Bakersfield, Calif. ace who recently won the NCAA national championships.

His comment just about summed up the American players' feelings about the cold, windy conditions that have plagued the tourney since its start and has disrupted the schedule.

Rain stopped play twice in opening rounds and caused a late start Tuesday.

Ralston, one of five U.S. players who won opening day matches, was on the sideline Tuesday as Chuck McKinley of St. Louis led six more U.S. players into the second round.

McKinley, the only seeded American in the tourney, made occasional brilliant displays in a 6-3, 6-3, 8-6 victory over Cliff Drysdale of South Africa.

Other American victories: Charles Patterson, Puerto Rico, defeated Franz Hanika, Austria, 6-3, 6-3, 7-5; Bob Siska, San Francisco, defeated Ion Tiriac, Romania, 6-4, 6-2, 7-5; Arthur Ashe, Richmond, Va., defeated Carlos Fernandez, Brazil, 3-6, 4-6, 6-4, 6-1; Frank Froehling, Coral Gables, Fla., defeated Donald Dell, Bethesda, Md., 1-6, 8-6, 6-3, 3-6, 6-3, and Tom Edelstein, Berkeley, Calif., defeated A. C. Kendall, Australia, 3-6, 6-3, 7-5, 1-6, 6-4.

The Americans ousted included Eugene Scott of New York and Cliff Bachholz of St. Louis. In women's play, Mrs. Vera Sova of Czechoslovakia, beaten finalist last year, ousted Jane Albert of Peble Beach, Calif., daughter of former football All-American Frankie Albert, 6-4, 6-4.

Billie Jean Moffitt of Long Beach defeated Sonja Packa of Austria 6-4, 6-4. Top-seeded Margaret Smith of Australia won without trouble.

Ishpeming Casinos, Maruke's Post Wins In Hansen Tourney

ISHPEMING — Ishpeming Casino and Negaunee Maruke's post first-round victories in the Dewey Hansen softball tournament last night.

Ishpeming Casino's Al Bjork rose to the occasion last night by throwing a three-hit shutout over Remillard's 1 by a 1 to 0 count, and Maruke's B. O. Bunt counted their way to a 9 to 5 win over CCI.

For Casinos Gardner Bess scored the winning run off a throwing error by the catcher Jim Mitchell and Ron Kosamo each had a hit.

Remillard's 1, with three hits, could do little against the offerings of Bjork. Norm Pelto doubled in the third, Kave Vandenberg singled in the fifth and Bill White singled in the seventh.

Ray Webb took the loss while Bjork faced only 24 batters. Umpires were Bill Voez and George Helgren of Ishpeming.

Maruke's roughed up CCI's Ron Champion by making five hits good for nine runs as Dick Park-

kon connected for a home run, triple and a single to pace the onslaught.

Champion struck out six batters while Sundell, who gave up three hits, struck out three.

Maruke's runs came as they tallied twice in the first, twice in the fifth, then a five-run eruption in the seventh. CCI scored their lone run in the seventh on a hit fielder's choice and an error.

Tonight at 7, Hill's Auto Mart will take on last year's runner-up in the tourney, Booda's Sport Shop. In the second game, Hill will be the independent of Ishpeming opposing Woods's Bar of Ishpeming.

The winners last night will play Saturday night at 8:30.

Meanwhile, at Hurley Field, City Merchants' downed Maruke's 11-1, behind Herman Frazier's two-hitter, and in Tri-City play, Joe's Bar outslugged Marquette Casino, 12-10.

The Marquette league game was a five-inning affair under the ten-run rule. Herb's spoiled the shutout attempt when, after an error, Tom Schroeder doubled.

City Merchants had settled its earnings, with six runs in the first, in a tally including a triple by Jim Parker, and singles by Johnson, Lou Taccolini and Gordy LeDuc, three walks and an error. LeDuc and Parker each had two hits and City Merchants' eight hits.

Unlike a typical "A" game was the Joe's-Casino affair. Casino's built a 7-3 lead before Joe's scored seven in the fifth, when two hits by Jim Spencer bracketed a homer by Mickey Nevala, a double by Mark Serlich, and a single by reliever Bill Bertucci, along with four walks.

Summer Hoop League Slates Set For Play

Summer basketball begins tonight at Williams Park, with "Division A" in action, and Thursday afternoon with "Division B" playing.

The "A" hoop games will be at 6:15 and 7:15, Mondays, Wednesdays and Fridays, while the "B" games will be at 3:45 and 4:45 the same days.

Teams in "Division A" are as follows: Underdogs, Hart's Failures, Defenders, Demer's, Leftovers, and Peterson's. Those teams participating in "Division B" are the Chuekers, Warriors, Flintstones, Hummers, All-Stars, and Simpletons.

The schedule for the rest of the week is as follows: "DIVISION A" Wednesday — Underdogs-Hart's Failures, Defenders-Demer's, Leftovers-Defenders.

Thursday — Leftovers-Peterson's, Underdogs-Defenders.

Friday — Leftovers-Hart's Failures, Peterson's-Demer's, "DIVISION B" Thursday — Chuekers-Warriors, Flintstones-Hummers.

Friday — All-Stars-Simpletons, Flintstones-Chuekers.

An official will be provided for the evening contests. Teams will have to furnish their own referees for the afternoon contests.

The regular schedule will last five weeks, ending the week of July 26. A tournament will follow the regular league play.

Villemure Moves Up To Class A

Tommy Villemure, whose fall-away jump shot terrorized Newberry High's basketball foes in a prep career ending in 1957, is the new basketball coach at Detroit Austin, a Catholic Class A high school.

Tom played college ball at the University of Detroit, then coached for two years at Detroit St. Regis. He has a 29-8 record at that Class C high school.

Dowler, Gassert Signed For '63

Plunker back Boyd Dowler and defensive end Ron Gassert have signed 1963 contracts Head Coach Vince Lombardi of the Green Bay Packers, reports.

Last season Dowler caught 49 passes for 545 yards and two touchdowns. Boyd shared the punting with Max McGee. He kicked 36 times for a 43.1 average.

St. Louis (AP)—United States domination in the space race of sports — the controversial pole vault — may be a thing of the past, says Don Bragg, who won the vaulting gold medal at the 1960 Olympics.

"It's the new pole, the gimmick — a three-glass 7' said Bragg, who used the old-fashioned metal pole for his victorious leap at Rome.

"It takes the accent off speed and strength," Bragg said. "Those were the things which enabled Americans to dominate the vault with first the bamboo and then the metal pole."

Bragg had an indoor vault of 15 feet 9 1/2 inches shortly before the Olympics, but the record of 16 feet became a frequently shattered barrier along with the 60-foot shotput and 4-minute mile.

He said the pole vault today should be renamed the catapult. "That's what it is," Bragg said. "All they're doing now to top 16 feet is to grab hold of the end of the pole, make it bend and then let it snap back over the bar."

"Some day some little guy is going to be flipped right through the roof."

"They say that it's progress, that it still requires a lot of ability, that the new pole doesn't make as much difference as some critics claim."

Up 2 Feet In 3 Month "But it took C.K. Yang (of Formosa) years to reach 14 feet with the metal pole. He switched to the new pole and within three months he topped 16 feet. That should explain the difference the pole makes."

GWINN MIXED Ruby Minelli rolled a 202 for the high individual game in the women's section and with games of 180-164 totaled 546 for the high series. August Bitt rolled 219 for the high in the men's division and with games of 133-122 totaled 574 for the high match. Minelli and Martonen had a 752 for the high team game and with a 624 and 584 totaled 1960 for the high series.

Chisox Near 1st, Orioles 'Unlisted' Pizarro, Radatz, Roberts Make It AL Pitchers Night

(By the Associated Press) On a night when Juan Pizarro hurled the Chicago White Sox into a virtual tie for the American League lead, Robin Roberts wound up pitching Baltimore back into the standings.

For a few hours, the Orioles were missing.

Pizarro's five-hit pitching and a seventh inning tie-breaking homer by Floyd Robinson gave the White Sox a 2-1 victory over New York Tuesday night and edged the Chicagoans to within nine percentage points of the first-place Yankees.

In Baltimore, the standings showed the Yankees and White Sox at the top — in a nine-team league.

Bunning Two-Hitter Not Enough; Killebrew, Stange Beat Tigers, 1-0

MINNEAPOLIS-ST. PAUL (AP)—As far as Jim Bunning is concerned, the rain that started to fall before Tuesday night's Detroit-Minnesota baseball game should have got harder and continued all night long.

Bunning hurled a two-hitter against the Twins. Unfortunately, one of the hits was Harmon Killebrew's 15th home run of the season and it gave the Twins a 1-0 victory.

Bunning, who is getting used to seeing his teammates falter at the plate while he is on the mound, saw the Tigers get five singles off Lee Stange, making his second start since being brought back from the minors. Stange is now 2-0.

Killebrew's home run came to rest some 415 feet away from home plate. After that, Bunning only gave up a single to Rich Rollins in the seventh, but still suffered his eighth defeat against four victories.

Stange got into trouble in the first inning when he threw a wild pitch with runners on first and second. He got out of the inning by getting Norm Cash on a grounder to second.

In the sixth, Stange gave up consecutive singles to Dick McAuliffe and Al Kaline with one away. Rocky Colavito, who had singled in the fourth, bounced into a double play to end the Tigers' last threat of the game.

Settled Down Bunning settled down after issuing three walks in the first inning. He got out of that jam by getting

1 Run In 7 Games, Only 11 In 15. Home Is Like No Place For NL Colts; Cardinals Reclaim 1st, Dodgers 2nd

(By the Associated Press) Pity Houston's wandering Colts. They can't find home away from home.

Home plate again was out of bounds for the runless wonders Tuesday night as they were zeroed, again, this time at Milwaukee 4-0 by Tony Cloninger.

In suffering their 10th successive loss and 14th in 15 games on their current road trip, the Colts were blanked for the sixth time in their last seven games. In that non-shutout, Houston broke loose for one run.

Since leaving Texas two weeks ago, the last-place Colts have totaled 11 runs—and six of those came in a doubleheader split at San Francisco. Eight times they've been shut out, five times they've scored one run.

Cards Back On Top At the opposite end of the NL ladder Tuesday night, the St. Louis Cardinals reclaimed first from San Francisco, capitalizing on errant Giant throws in the ninth inning for a 6-5 victory. The Los Angeles Dodgers edged into second by trimming Cincinnati 4-1 behind Sandy Koufax' fine pitching and key hits from Jim Gilliam.

Philadelphia beat Pittsburgh 5-4 on Don Demeter's 10th inning homer and the Chicago Cubs clipped the New York Mets 4-1 with three runs in the seventh.

Belled 1st Pitch Cloninger zipped by the Colts with a four-hitter and the Braves got off to a fast start against Ken Johnson. Lee Maye belted Johnson's first pitch of the evening for a 400-foot homer and Joe Torre singled across another run before the opening inning was over.

Earl Battey to fly out

The game was delayed for about 20 minutes by a downpour. The umpires called time again with two away in the top of the ninth when it started to rain again. Seven minutes later, Billy Bruton grounded out to end the game.

Again Tonight The Tigers and Twins were scheduled to play under the lights again tonight with rookie Bill Paul (32) on the mound for Detroit and Dick Stigman (57) hurling for Minnesota.

A day game Thursday will close out the three-game series. The Tigers return home for a long home stand Friday starting with a two-night double header against Los Angeles Friday night.

Table with columns: Team, AB, R, H, RBI. Includes Detroit, Milwaukee, St. Louis, Philadelphia, Pittsburgh, Cincinnati, Los Angeles, New York, Houston.

Lary Hurls 1-Hitter For Knoxville '9: Top Effort To Date

ASHEVILLE, N. C. (AP)—It was rumored last week that the Detroit Tigers were about ready to bring Frank Lary up from the minors.

Well, it looks like he's ready. Lary pitched a one-hitter Tuesday night as Knoxville defeated Asheville, 4-2, in a Sally League game. It was his best performance since he was sent to Knoxville to work out an injury to his shoulder.
