

Girl, 8, Drowns In Quarry Pool; Rites Tomorrow

Frances Elizabeth Paquette, eight-year-old daughter of Mr. and Mrs. Emil Paquette of Bancroft Location, drowned Saturday afternoon in Quarry Pool.

The girl was last seen at 3:10 p.m. and the body was found by two swimmers at 4:47 in 10 feet of water, about 15 feet from the concrete pillars at the pool, city police said.

City police were notified at 4:50 p.m. that the girl was missing. She was being taken from the water when police arrived.

The victim was taken to St. Mary's Hospital in the police patrol car and pronounced dead on arrival by Dr. K. Charles Wright.

Marquette, deputy county medical examiner.

Alphonse Swenor, 22, of W. Fair Ave., and James Duphinais, 17, of 2223 Beaudoin St., Trowbridge Park, found the body.

With Sister, 9

The girl was swimming with her sister, Mary, age 8. Both girls have been living at the Holy Family Home because of an illness in the family, officers said.

The lifeguard on duty, Alvin Fritz, 21, of 1314 Presque Isle Ave., told police that he was informed at 3:40 p.m. by the victim's sister Mary that the girl was missing.

Fritz said he asked the sister to check with the Holy Family home to see if the girl was there and then he began to look around the area for the missing girl.

Fritz said he checked the water at 4 p.m., but he failed to find the girl.

Miss Peterson Gets New York Teacher Post

Harriet Anne Peterson, Marquette, a recent graduate of Western Michigan University, has accepted a teaching position in elementary education in Wappingers Falls, N.Y.

Miss Peterson is the daughter of Mr. and Mrs. Russell Peterson, 1314 Presque Isle Ave. She received her bachelor of arts degree, with a major in German, at Western.

She spent her junior year of college at the University of Heidelberg, in Germany.

While at Western Miss Peterson was a member of Kappa Phi Sorority, Kappa Delta Pi (educational honor society), the German Club and the University Singers.

Joseph Smith, Lifelong City Resident, Dies

Joseph Smith, 55, of 527 Rock St., died at 2 Saturday afternoon in the Morgan Heights Medical Section, where he was a patient three months. He had been ill seven years.

Born Sept. 14, 1908, in Marquette, Mr. Smith was a lifelong resident of Marquette.

He had been employed by the Munising Wood Products Co. prior to his illness. He was a member of St. Peter's Cathedral and the Knights of Columbus.

Survivors are his father, Michael Smith, Marquette; a brother, George, Marquette; three sisters, Mrs. Joseph (Florence) Markantony, Chocoley Township; Mrs. Ormond (Lucille) Rule, Skandia, and Mrs. Raymond (Gertrude) Clement, Marquette, and several nieces and nephews.

Funeral Rites Tomorrow

Funeral services will be held at 9 tomorrow morning in St. Peter's Cathedral.

George Roy, State Parole Officer, Dies

George L. Roy, 59, of 132 W. Crescent St., died this morning in the Francis A. Bell Memorial Hospital, Ishpeming, where he had been a patient for one week.

He was born April 1, 1904 in Gladwin, and was a resident of Marquette the last three years.

Mr. Roy had been employed by the State Department of Corrections for 22 years. He was head of the regional (Upper Peninsula) paroles and probation division of the Corrections Department.

Survivors are his wife, Alice, three daughters, Mrs. Jene Stiff of Swartz Creek, Mich., Mrs. Frank Senkiw, San Diego, Calif., and Machelle, at home, and one son, Stephen, at home.

The body was taken to the Schwartz Funeral home, Davidson, Mich., where services and burial will be held.

Two Blazes Put Out By City Firemen

Two blazes were extinguished in Marquette during the weekend by the city fire department.

At 3:47 Saturday afternoon firemen were called to an area north of Memorial Field, off Fair Ave., where fires had broken out in about seven different places in the leaves, brush and woods.

Firemen used the booster hose off the No. 5 (500-gallon) pumper to put out the blazes, which covered an area of about two blocks.

Firemen said the blazes had been started by children.

Six firemen responded, also driving the No. 2 (1,000-gallon) pumper to the scene. They returned to the station at 5:09 p.m.

The other call came in at 11:25 Saturday morning, after a blaze broke out in a sawdust pile west of the Birds Eye Veneer Co. plant, off County Road 550.

Firemen said the blaze apparently had been caused by a cigarette having been dropped in the sawdust pile, as the blaze was only surface deep when they arrived at the scene.

They put out the blaze by use of the booster hose off the No. 3 pumper.

Six firemen also responded to this call, also with the No. 2 pumper. They returned to the station at 11:38 a. m.

George Roy, State Parole Officer, Dies

George L. Roy, 59, of 132 W. Crescent St., died this morning in the Francis A. Bell Memorial Hospital, Ishpeming, where he had been a patient for one week.

He was born April 1, 1904 in Gladwin, and was a resident of Marquette the last three years.

Mr. Roy had been employed by the State Department of Corrections for 22 years. He was head of the regional (Upper Peninsula) paroles and probation division of the Corrections Department.

Survivors are his wife, Alice, three daughters, Mrs. Jene Stiff of Swartz Creek, Mich., Mrs. Frank Senkiw, San Diego, Calif., and Machelle, at home, and one son, Stephen, at home.

The body was taken to the Schwartz Funeral home, Davidson, Mich., where services and burial will be held.

City Paragraphs

Dennis A. Moro's name was inadvertently omitted in an article published in The Mining Journal Saturday listing members of the Marquette Squadron who are attending the 1963 Wisconsin Civil Air Patrol's summer encampment at Chanute Air Force Base, Ill.

Marquette Lodge, Free and Accepted Masons, will hold a regular communication tomorrow at 7:30 p.m. There will be a short review

W. E. Racine Dies At 56 In Hospital

Wilfred E. Racine, 56, of 844 W. Washington St., died at 10:45 last night in St. Mary's Hospital, where he was a patient five weeks. He had been ill seven months.

Mr. Racine was born Dec. 14, 1906, in Marquette, and was a lifelong resident of the city. He had been employed as a carman for the Soo Line Railroad Co.

He was a member of St. John's Church, the Brotherhood of Railroad Carmen and the Holy Name Society of St. John's.

Survivors are his wife, Iris; a son, Blaine, St. Claire Shores; two daughters, Mrs. Joseph (Betty) Melka, Marquette, and Miss Barbara Racine, Oakland, Calif.; three brothers, Joseph and Dorie, Marquette, and Clarence, Harvey; four sisters, Mrs. Louis (Lillian) Rosette; Mrs. Joseph (Eldia) Morin; Mrs. Frank (Mary) Balbierz and Mrs. George (Isabelle) Winkel, Marquette, and five grandchildren.

Services Wednesday

Funeral services will be held at 9 Wednesday morning in St. John's Church. Burial will be made in Holy Cross Cemetery.

The body is in the Fassbender Funeral Home, where friends may call beginning at 2 tomorrow afternoon. The parish Rosary will be recited at 8 tomorrow evening.

Obituary

GEORGE A. PATTERSON

George Andrew Patterson, 54, son of the late Mr. and Mrs. George Patterson of Marquette, died Saturday in Minneapolis.

He was born and raised in Marquette and graduated from Graceland High School in 1928.

Mr. Patterson had resided in Minneapolis 10 years and had been employed as an insurance salesman.

Survivors are a sister, Miss Eileen Patterson, Detroit; two nieces, Mrs. Henry Rutkowski, Allen Park, and Mrs. Mary Ripp, Detroit; a nephew, James E. Patterson Jr., Detroit, and several cousins in Marquette.

The body will be received here and taken to the Fassbender Funeral Home. Arrangements for services are incomplete.

ARA Okays Loan Of \$49,000 For Crystal Falls Area

WASHINGTON (AP)—The area Redevelopment Administration Friday approved a loan of \$49,000 to help the township of Crystal Falls, Mich., improve and extend its municipal water system to serve a lumber firm.

The ARA said the project would create 12 jobs.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—Results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

BUYING? REMODELING? BUILDING?

THEN CHECK ON D & N's 5 Star HOME OWNERSHIP PLAN

- ★ You can make advance payments of any amount on your loan whenever you wish — without penalty. (We encourage borrowers in good times to pay ahead on their loans).
- ★ Additional loans up to \$1,000, not to cause the balance to exceed the original loan, can be obtained at no additional cost to the borrower, providing the property value warrants the loan and the account is in good standing.
- ★ Your D & N mortgage may be paid up in full at any time, without penalty... a valuable safeguard if you want to sell your home.
- ★ Your monthly payments include real estate taxes, and fire insurance. You have no big tax bills coming due once or twice yearly. These funds are not held dormant in an escrow account, but are applied directly to the loan, reducing the balance and savings you interest charges.
- ★ Loan terms range up to 25 years — depending on the location and age of the property and the age of the applicant.

Crowds Pack Beaches As Mercury Hits Record 101 Here; In 90s Again Today

Crowds jammed every available beach and picnic place in the Marquette area during the weekend, as the heat reached its peak with a record 101-degree temperature.

The mercury soared to 101 at 3 yesterday afternoon, equalling the all-time high for June and establishing a new mark for June 30 (the previous one being 100, in 1931).

It was only the third time the temperature ever hit the 100 mark in June. In addition to the two for June 30, the other time was on June 29, 1931, when it also was 101.

The sweltering heat forced residents from their homes and resulted in their going to the beaches, pools, picnic areas and camp sites in droves.

Lake Superior's beach was packed, not only in the Shiras Park (Picnic Rocks) area, but all along the shoreline in the city, aside from the dock areas in the harbor.

Meteorologist Fred Mueller said a high pressure system over the East caused a southerly flow of warm air into this region. Marquette had the highest official temperature in the Upper Peninsula and one of the highest readings in the nation.

Mueller noted that the relative humidity was high for the sizzling temperatures, adding to the discomfort. At noon yesterday, when it was 93, the humidity was 42 per cent — high for such a hot temperature.

It was a hot, sunny weekend all the way. From a high of 78 Friday, the mercury shot up to 90 Saturday, when the low was 61 and the mean reading 76, or 12 degrees above normal.

Yesterday's low was 70 and the mean temperature of 86 — highest in many years — was 22 degrees above normal.

When the thermometer recorded the 101 yesterday afternoon it marked the first time since Aug. 24, 1948 that it was in the 100s in Marquette. It also was 101 that day. On Aug. 5, 1947 it was 102 here. Those were the only 100-degree temperatures, prior to yesterday's, recorded here since the mid-1920s.

Parks and Recreation Superintendent James C. Engle said no records are available but that every indication points to the weekend being the period when the most swimmers crowded Marquette beaches and pools.

"It must be!" he said. Saturday the temperature was in the 80s from 9 a.m. to 7:30 p.m., with the high of 90 again being recorded at 3 p.m.

Yesterday it was in the 80s by 8 and by 11:30 it was in the 90s. The temperature chart went like this:

Noon, 93; 1 p.m., 95; 2 p.m., 97; 3 p.m., 101; 4 p.m., 99; 5 p.m., 91; 6 p.m., 89; 7 p.m., 89; 8 p.m., 86; 9 p.m., 84; 10 p.m., 82; 11 p.m., 83, and midnight, 84.

It remained in the high 70s most of the early morning, hitting 70 after 8 this morning and going into the 90s after 11. It was expected to go into the mid-90s this afternoon.

However, it'll be on the cool side, relatively speaking, tonight, when a minimum of 55 to 60 is expected. Tomorrow it'll be 75 to 80, Mueller said, with fair and pleasant weather due Wednesday.

Scattered showers, which were expected over the weekend, never materialized, but they're expected this evening.

Now A Dry Spell
After an extensive rainy spell up to June 19 there wasn't a drop of rain from then until today. "We seem to go in streaks," Mueller said.

For anyone complaining of the heat, however, Mueller is prepared to bring out the Weather Bureau statistics showing how Marquette experienced its severest winter ever in the winter just past.

Barbecuing Popular
Outdoor barbecuing was enjoyed by most families in this area during the weekend, as most homes were too hot to stay in even for short periods of time.

Many persons slept outdoors, on porches or on floors last night to take advantage of somewhat cooler places. As one person quipped: "It's still 85 in a draft."

Icy Lake Numbs Bathers
While it was excessively hot yesterday, the lake remained cold. Bathers turned waders only as their feet became numb on trying to walk into icy Lake Superior.

However, a few of the braver persons managed to "take a dip," while some even enjoyed water skiing.

The long-range forecast for this area calls for temperatures to average three to five degrees above the normal extremes of 74 and 56 for the next five days, with a cooling trend tomorrow but warmer weather the balance of the week.

Rainfall will total one-quarter to one-half of an inch, as showers tonight and again on Friday.

Rolland Wendlick, Marquette Weather Bureau meteorologist, points to 101-degree mark reached by climbing mercury here at 3 yesterday afternoon. — (Mining Journal photo.)

Republicans Plug JFK's Hot Spots

EDITOR'S NOTE — In naming Henry Cabot Lodge Jr. to be ambassador to South Viet Nam, President Kennedy has again demonstrated a tendency to fill politically hot jobs with Republicans. The rollout includes such administration stalwarts as Robert S. McNamara and C. Douglas Dillon. But does it inhibit GOP criticism? Jack Bell, Associated Press political writer, discusses the situation.

BY JACK BELL

WASHINGTON (AP) — President Kennedy can expect early and overwhelming Senate approval of his nomination of Henry Cabot Lodge Jr. as ambassador to South Viet Nam.

But there will be no accompanying guarantee that Republicans will soft pedal their criticism of administration Asian policies as a result.

In picking Lodge, the 1960 GOP vice presidential nominee, for the tough Saigon post, Kennedy demonstrated anew a tendency to dip into Republican ranks when there is a politically controversial job to fill.

Republicans Robert S. McNamara in defense and C. Douglas Dillon at the Treasury plug two Cabinet hot spots. Former GOP

is working in a gas station. He was asked to get a social security number. Can he get a number at his age?" — Mrs. F.B.

Answer: There is no age restriction, Mrs. F.B. Since he is working in a job covered by the social security law, he needs a number regardless of his age.

Answer: — You will need credit for at least three years' work under social security to get social security retirement benefits. Any social security credit you have earned since social security started in 1937 can be counted.

Q: "My son is 16 years old and

Secretary of State Christian A. Herter serves as the President's international trade negotiator. William C. Foster, once a Westchester County, N.Y., GOP official, heads up the disarmament agency.

Republican John A. McCone runs the Central Intelligence Agency. In the past when the President needed an old hand for particularly difficult fencing with the Russians, he has called in John J. McCloy, another Republican.

These key appointees lend a shade of bipartisanship to areas where Kennedy would like a little less criticism and a little more cooperation from the Republicans.

Keeps Pace With FDR
With his selection of Lodge, Kennedy was keeping pace with precedents laid down by Franklin D. Roosevelt.

Kennedy once offered former Vice President Richard M. Nixon a choice of appointments but the 1960 presidential loser wanted none.

There always is griping among Republicans when one of their

number goes over to a Democratic administration. Dillon, for example, was looked upon as a political turncoat.

But Sen. Jacob K. Javits, R-N.Y., said he doesn't expect much of this in Lodge's case. He called Lodge's qualifications for his new job exceptional.

Glad Of Choice
Sen. Thomas H. Kuchel of California, the assistant Senate Republican leader, said in a separate interview he is glad to see the administration "use Lodge's capabilities in one of the most inflammatory parts of the world."

POTASH
Originally, potash was obtained by leaching, or running water through the ashes of burned wood and boiling down the solution in large open kettles. The residue, a white solid, was called potash because it was made from ashes in pots.

When baked, soft white gypsum sand contained in White Sands National Monument, N.M., becomes pure plaster of paris.

Three Persons Injured In Area Accidents In Weekend

Three persons were injured, a motorist was given a ticket and four automobiles were involved in three area traffic mishaps investigated by state police from the Marquette post during the weekend.

1. At 12:30 yesterday afternoon Joseph L'Huilier, four-year-old son of Mr. and Mrs. Frank J. L'Huilier, Werner St., was struck down when he was hit by a car being driven north on Ontario St. by Adolph Turcotte, 51, of 2062 Fair Ave., Marquette.

The L'Huilier boy suffered a head injury and was taken in the city ambulance to St. Luke's Hospital here, where this morning he was reported as being better. His condition was listed as being "satisfactory."

State police said the boy came out from the west (left) side of the roadway and ran into the path of the car. The driver stopped, but was unable to avoid striking the child, officers said.

The mishap occurred about 100 feet south of Beaudoin St., in Marquette Township.

2. The other two injuries occurred in a crackup at 1:15 yesterday morning on U.S. 41, at County Road HD, Marquette Township.

State police said a car being driven west on U.S. 41 by Donald

Burdick, 23, Westwood Rd., was struck by an automobile operated by Rosalie Oakland, 26, Route 2, Harvey, when she began passing him as he was making a left turn.

Burdick suffered a bruise on his head and Mrs. Oakland sustained cuts on her right eye and nose. They were taken to St. Luke's Hospital by a passing motorist.

The left rear of Burdick's 1954 sedan and the front end of the Oakland car, a 1956 sedan, were damaged. Both vehicles were driven from the scene under their own power.

Improper Turn
City police ticketed Burdick for making an improper left turn.

3. At 12:05 a.m. Saturday a car being driven north on County Road 533 by James Barber Jr., 21, Route 1, Negaunee, went out of control when he was temporarily blinded by the headlights of an oncoming vehicle, a mile south of County Road 480, in Sands Township.

Goes Into Ditch
State police said Barber pulled to the right, losing control of his car, which went into the ditch on the right side of the highway and brushed against some trees.

The right side of his 1961 sedan was damaged. The car was removed from the scene by the owner.

Baraga Day Observance Held In Escanaba

A large number of Marquette County residents were among those attending the Bishop Baraga Day observance in Escanaba yesterday. Above, white robes flow in a 35-mile per hour wind as the students of the Jordan Juniorate of the Society of the Divine Savior, seminarians studying near Menominee, sing during the Mass. The Most Rev. Thomas L. Noa, D.D., bishop of the Catholic Diocese of Marquette, is shown (below) in the procession which marked the opening of the Baraga Mass. Escanaba Knights of Columbus formed the guard of honor. Bishop Noa addressed the gathering. At bottom, the Rev. Charles J. Carmody, Marquette, historian of the Bishop Baraga Association, delivers the principal sermon during the Baraga Mass, held in Karas Memorial Band Shell, Escanaba, as part of the Escanaba Centennial opening. — (Mining Journal photos.)

Industry Area Report Due At Planning Meet

Members of the Marquette Area Planning Commission and interested citizens will meet at 7 tomorrow evening to hear a report on the industrial section of the "701 Study".

Because the regular meeting for the area planning commission falls on July 4th, the session was moved up.

Max Putters, consultant here for the planning firm, Vilican-Leman and Associates, said the industrial study, which is part of the area's economic base study, was completed this month.

The "701 Study" is being done by Vilican-Leman under contract with the City of Marquette and Marquette and Chocoday Townships.

Total cost for three years is \$96,000, with \$24,000 being paid locally. The federal government's participation in the project is derived in the form of an "urban planning grant" from the Housing and Home Finance Agency, under Section 701 of the Housing Act of 1954.

Included in the industrial study are analysis of the right places for industry to be located within the area and the types of industry possible here and an assessment of the industrial potential of the area.

Caribou are the chief source of livelihood for the nomadic Eskimos of Alaska.

summons was issued by city police April 17.

For driving with defective brakes, Bonny J. Richards, 517 Oak St., was fined \$6.30 and ordered to pay costs of \$3.70. She was ticketed by city police Tuesday following an accident at the corner of W. Washington and Fourth Sts.

A fine of \$6.30 and \$3.70 costs were paid by Jacquelyn A. Anderson, 607 Cedar St., for failure to have her motor vehicle under control. The summons was issued by city police Monday after an accident on E. Prospect St.

Improper Backing
John L. Downey, Brunswick Hotel, paid a fine of \$6.30 and \$3.70 costs for improper backing. City police ticketed him June 22 following an accident on Park St.

For a stop sign violation at the corner of County Roads 553 and 480 in Sands Township, Jeff W. Davis, Route 1, Marquette, paid a fine of \$6.30 and \$3.70 costs. State police ticketed him June 14.

Donald L. Berry, 475 East Ave., paid a fine of \$6.30 and \$3.70 costs for a stop sign violation at the intersection of Baraga Ave. and U. S. 41. State police ticketed him June 8.

In 1962 Danish farmers supplied 1,350,000 mink skins.

11 Persons Pay \$175 In Fines, Costs

Eleven persons were ordered to pay a total of \$175.50 in fines and costs when they appeared last week before Judge Edward H. Dembowski in municipal court.

Robert Schupbach, 23 K. I. Sawyer Air Force Base, was ordered to pay a fine of \$25 and \$5.10 costs for reckless driving.

Accident On Park Drive
Schupbach was arrested by city police June 23 following an accident near the Black Rocks on Presque Isle drive. Police said Schupbach was driving 35 miles per hour in a 15-MPH zone and his automobile went out of control and skidded 95 feet into a ditch before smashing into a tree.

For trespassing on the Huron Mountain Club in Powell Township, Robert D. Trezona, 26, Big Bay, and Norbert O. Harz, 28, Park Ridge, Ill., were each ordered to pay a fine of \$15 and \$4.30 costs. They were arrested Thursday by a sheriff's deputy.

Trespassing, Game Violation
Leon J. Barrett, 71, Big Bay, was ordered to pay a fine of \$15 and \$4.30 costs for trespassing on the Huron Mountain Club and a fine of \$10 and \$7.30 costs for taking four undersized brook trout. The arrests were made Thursday.

A fine of \$6.30 and \$3.70 costs were paid by Warren C. Bjork, 633 E. Michigan St., Ishpeming, for making an improper left turn at the intersection of Front and Washington Sts. He was ticketed June 21 by city police.

Improper Turn
Thomas E. DeRoche, 409 E. High St., Ishpeming, paid a fine of \$6.30 and \$3.70 costs for making an improper left turn at the corner of Third and W. Washington Sts. The

Expansion Of Chemical War Against Lamprey Approved

ANN ARBOR—The Great Lakes Fishery Commission approved expansion of the chemical war against the sea lamprey at its annual meeting at the University of Michigan.

The 44 remaining untreated lamprey-producing streams centered on the east shore of Lake Michigan will receive initial applications of lampricide by the summer of 1966, according to plans approved by the U. S. - Canadian agency. Fifty-four Lake Michigan streams have already been treated.

80 Per Cent Reduction

Surveys which must be done before the start of treatment of Lake Huron's lamprey spawning streams are continuing.

The commission also approved re-treatment of streams as required in Lake Superior where the sea lamprey population has been reduced by 80 per cent through chemical control methods.

The lamprey, an eel-like fish parasite equipped with a sucker mouth, has virtually destroyed valuable lake trout populations in the upper Great Lakes since it moved into the waters just before World War II.

Stocking Program

Rehabilitation of a lake trout breeding population, through stocking of young hatchery-raised fish, is proceeding in Lake Superior where chemical treatment has been centered.

Among the Lake Michigan streams yet to be treated are such large rivers as the Muskegon, Grand and St. Joseph, which will require large amounts of expensive lampricide.

Other Fishery Problems

Although pleased with results obtained by the selective chemical now being used, the commission emphasized the need to discover new chemicals or combinations which could be used at lower concentrations to selectively destroy the lamprey young without harming other aquatic life.

The commission conferred with representatives of Great Lakes states and the Province of Ontario on the development and integration of investigations into other fishery problems. Under discussion is a program of investigations on the biological, economic and technological factors hampering full development of the Great Lakes fishery resources.

Vice Chairman D. L. McKernan, U. S. commissioner from Washington, D. C., said "The program of investigation to enable improved use of the fishery and aquatic resources of the Great Lakes is the second major aim of this commission."

Increased emphasis is being given to this aspect of the group's work, he explained.

Record Heat Sends Residents Rushing To Beaches In Marquette Area

Temperatures that stayed between 90 and 101 most of the day sent Marquette area residents rushing to swimming beaches and picnic areas yesterday. A record June 30 temperature occurred yesterday, when the mercury hit 101. Thousands of area residents took advantage of the facilities at Presque Isle Park and Shrias Pool (above). Many others also went wading in icy Lake Superior elsewhere along the shoreline. See weather story on Page 4. — (Mining Journal photo.)

St. Ignace Dentist Heads U.P. Group

ESKANABA (AP) — Dr. Donald McKinnon of St. Ignace was elect-

ed president of the Upper Peninsula Dental Society at its annual convention here today.

Dr. Thomas Robinson was named vice president and Dr. Donald Rice was elected secretary. Both are from Sault Ste. Marie.

front door of a car owned by Elmer J. Johnson, 234 Fisher St., at 2:30 Saturday afternoon, about 40 feet north of Fisher St.

City police said the mishap occurred when Johnson opened the door as Carmean was driving by.

Extensive damage occurred to the left front door of Johnson's 1953 sedan and minor damage occurred to the right front fender of Carmean's vehicle, a 1961 sedan. Both vehicles were driven from the scene.

PANTHEISM

Pantheism is the belief that God and the whole universe are one and the same thing and that God does not exist as a separate spirit. It teaches that God is the whole wide universe, the human mind, the seasons and all things and ideas that exist.

Indochinese Meo women dislike paper money, but dote on silver coins, which they wear in chains strung around their necks.

Eight Vehicles Involved In Mishaps Here

Eight vehicles were involved and two motorists were given tickets, but no one was injured, in four traffic mishaps which occurred in Marquette during the weekend.

Three injuries occurred in weekend accidents investigated by state police from the Marquette post (see other local traffic accident story). Reports on the city crashes follow:

1 At 10:30 yesterday morning an automobile being driven north on Presque Isle Ave. by Eunice C. LaBelle, 1923 Neidhart Ave., sideswiped a car owned by Paul R. Riveness, Minneapolis, which was parked on the east side of the street, facing north.

She told city police she lost control of her vehicle when she momentarily took her eyes of the roadway.

Extensive damage occurred to the right side and rear bumper of the LaBelle car, a 1959 sedan, and to the left side of Riveness' automobile, a 1958 sedan. Both cars were able to be driven from the scene under their own power.

City police ticketed Mrs. LaBelle for failing to have her car under control.

2 An automobile being driven east on Wright St. by Tony J. Mathews, 226 W. Prospect St., struck the rear end of a car operated by Norman A. Zimmerman, Route 1, Box 1010, Marquette, who was facing east and stopped for the stop sign at the Presque Isle Ave. intersection at 7:30 last evening.

City police said the mishap apparently occurred when the brakes on Mathews' car failed.

The front end of Mathews' car, a 1953 sedan, including both headlights, was damaged. The rear end of Zimmerman's 1963 sedan was damaged. Both cars were driven from the scene under their own power.

City police ticketed Mathews for

having defective brakes on his car.

3 At 11:55 Saturday morning a car being driven south on S. Front St. and being turned right onto Genesee St. by Rex E. Jones, 414 Craig St., collided with an automobile operated by Theodore Fulsher, 137 W. Hewitt Ave.

City police said Fulsher, headed east on Genesee St., apparently had stopped for the stop sign and driven out. Officers said the driver disagreed as to their exact positions during the mishap.

Extensive damage occurred to the left side of Fulsher's car, a 1963 sedan. Apparently no damage occurred to the Jones car, a 1957 sedan. Both cars were driven from

the scene.

4 An automobile being north on S. Front St. by Durwood R. Carmean, St. Ignace, struck the left

Just 15 minutes of vigorous activity

If your child's school offered a daily physical education period—including at least 15 minutes of vigorous activity—the physical fitness of our nation's youth could be improved.

It's a fact that nearly one-third of our children lack the strength and endurance to pass simple physical achievement tests! Your child could be among them.

That's why you should know as much about your school's physical education program as you know about its academic program. Precisely how much time is given to physical education daily? Precisely what kind of activity does it include?

For information about a program that any school can carry out—and that has made a vast improvement in the fitness of many youngsters—write to The President's Council on Physical Fitness, Washington 25, D.C.

Published in cooperation with the Advertising Council and the Newspaper Advertising Executives Association.

California Professor At Northern

Discussing current events with Dr. John P. Johansen (right), associate professor of economics and sociology at Northern Michigan University, is Dr. Lester B. Sands, a visiting faculty member. A professor of education at the University of California, Santa Barbara, Dr. Sands is teaching classes in historical and philosophical foundations of education during Northern's six-week summer session which began this week. — (NNU photo by Arnestad.)

score of the Washington Senators in an American League baseball game. It lists the enactment of four public laws, one extending the draft law, one authorizing procurement of aircraft, missiles and naval vessels, and two appropriation bills.

'Only Half Gone'
The seeming snail's pace does not appear to alarm congressional leaders.

Rep. Hale Boggs of Louisiana, the Democratic House whip, summed up their sentiment with these words:

"We've got pretty much done and we're going to do lots more. The year is only half gone. We are paid for a year's work and we can stay here all year if we have to."

Congress might do just that if some of the big bills jelling in committees are to be considered. Members already are talking about a long recess over Labor Day. They are resigned to a long session.

No Certainty
There is no certainty now that a tax revision bill requested by President Kennedy will be passed this year by the House. It has become entangled with the President's broad civil rights program which is overshadowing everything else on Capitol Hill.

Because of the prospects for a long and bitter fight over both taxes and civil rights, leaders may concentrate during the next few months on disposing of the necessary appropriation bills and some relatively non-controversial measures.

A mixture of coffee and bananas is a favorite drink in Uganda.

Congress Has Little To Show In Six Months

BY WILLIAM F. ARBOGAST
WASHINGTON (AP) — Congress completed the first six months of what may be a year-long session by taking a week off for Independence Day flag-waving and oratory.

After a half year of sporadic labors, it has little to show except

a stack of unfinished business. The official "status of major legislation" reads like the line

YOU CAN ENJOY BETTER HEALTH Without Harmful Drugs!
You take no chances with O-JIB-WA BITTERS, as this famous medicine contains no dope or harmful drugs. O-JIB-WA is without equal as a safe, effective remedy and tonic. State Milk Producers Group Expects End To Use Of Cans

While the Michigan Milk Producers Association has no plans to completely discontinue receiving can milk, such action may become necessary in the future, according to an unusual statement of policy issued by the board of directors.

In spelling out the MMPA position on can milk, the board pointed out that as the change to bulk progresses, it may become economically unsound to continue can receiving operations, not only for the association but for members shipping in cans as well.

Here is the statement of policy: "The Michigan Milk Producers Association guarantees a market for all members' milk. This guarantee is made according to the terms of the membership agreement and is predicated upon the member's meeting the requirements of the applicable inspecting agency.

"It is now and has been the responsibility of the member to deliver his milk to the market designated by the Association.

Reduction In Receiving Stations
"Approximately 75 per cent of the milk now delivered to the Southern Michigan Market by Association members is bulk milk, the remainder being delivered in cans. It has been recognized that as the conversion from can milk to bulk milk progresses, there will be a reduction in the number of can receiving stations and the cost of transporting can milk will increase for those members choosing to continue to sell milk in cans.

"It is further recognized that individual contract haulers may find it uneconomical to continue to haul can milk and because of this, members may have to make other hauling arrangements.

14 Persons Pay \$309 In Justice Court

Fourteen persons were assessed a total of \$309 in fines and costs when they appeared before Justice George J. Fезzey in Marquette Township Court last week.

Stiffest sentence was meted out to Johnnie D. Smith, 21, K. I. Sawyer Air Force Base, who was fined \$25 and ordered to pay court costs of \$4.90 on a charge of reckless driving. State police arrested him June 19 on County Road 553, in Sands Township.

Fined On Other Counts
Smith also was fined \$50 and ordered to pay \$4.90 costs on a charge of furnishing alcoholic beverages to a minor. On a third charge, driving without an operator's license, Smith paid a \$10.70 fine and \$4.90 costs.

For violation of the basic speed law, Garnet McCracken, Rockland, paid a \$5.70 fine and \$4.30 costs. She was ticketed by state police June 19 on U.S. 41 in Humboldt Township.

Speeding Charge
Eugene E. Lemery, Menominee, paid a \$5.70 fine and \$4.30 costs on a charge of speeding. State police ticketed him June 20 for driving 70 miles an hour in the 55-MPH zone.

For speeding, Leonard P. Posio, Route 2, Box 616, Marquette, was fined \$5.70 and ordered to pay \$4.30 costs. He was ticketed by state police on U.S. 41 in Negaunee Township.

William H. Lammi, Route 1, Box 354, Negaunee, was ordered to pay a fine of \$20.70 and \$4.30 costs for failure to signal for a left turn. Lammi was issued a summons June 15 by state police following an accident.

Improper Turn
For making an improper turn from the wrong lane, Manuel H. DeArmas, Eisenmann's Motor Court, Marquette, paid a fine of \$5.70 and costs of \$4.30. He was arrested by state police June 9 on U.S. 41 in Marquette Township.

Jackie W. Muisich, Lake Linden, was fined \$10.70 and ordered to pay court costs of \$4.30 for improper overtaking on a hill. She was ticketed by state police June 17 on U.S. 41 in Ishpeming Township by state police.

For improper passing (passed on right shoulder of the road), Charles Risku, Box 57, Deerton, and James W. Felner, Route 1, Box 736, Marquette, paid fines of \$5.70 and costs of \$4.30 each. Both were issued summonses June 17 by state police on U.S. 41 in Chocolay Township.

Right-Of-Way Violation
David Ballog, Chicago, paid a fine of \$10.70 and costs of \$4.30 for failure to yield the right-of-way. Ballog was arrested by state police June 15 on U.S. 41 in Chocolay Township.

For furnishing alcoholic beverages to minors, a fine of \$50.00 and costs of \$4.30 were paid by John Kleaver, 1449 Garfield St., Marquette. He was ticketed by state police June 19 Chocolay Township.

Bruce F. Lake, Box 2, Deerton, paid a fine of \$20.70 and costs of \$4.30 for minor in possession of beer. He was issued a summons by state police June 15 at the Rod & Gun Club property, County Road 350, Marquette Township.

Defective Equipment
For defective equipment (signal, tail and brake lights), a fine of \$5.70 and \$4.30 costs were paid by Earl H. Johnson, Route 1, Box 118-A, Munising. He was arrested by state police Tuesday on U.S. 41 in Marquette.

David Hamilton, Sawyer Base, was ticketed for a defective muffler and ordered to pay costs of \$4.30. Hamilton was issued the summons by state police June 21

"The MMPA is pledged to continue to receive can milk as long as it is economically sound to do so. This does not mean that all present can receiving stations will be continued indefinitely.

"When it becomes necessary for MMPA to discontinue or consolidate can receiving operations, members affected will be given adequate notice and alternate marketing arrangements will be made.

"While there are no plans to completely discontinue receiving can milk, it is recognized that at some point this will be necessary. Prior to that time, members still delivering milk in cans will be notified and be afforded the opportunity to make the conversion to bulk."

Armed Forces Personnel

Marines Lance Corp. James A. Johnson, son of Mr. and Mrs. Thure B. Johnson of 2082 West Fair Ave., and Lance Corp. Richard P. Cooney, son of Mr. and Mrs. Frank F. Cooney, 346 Adams St., Marquette, are serving with the Marine Corps battalion landing team of the U.S. Seventh Fleet in the Far East.

Cadet Daniel P. McLean, son of Col. and Mrs. Daniel P. McLean of 119 Canberra St., K. I. Sawyer AFB, who recently completed his first year at the Air Force Academy, is on a field study trip to Air Force, Army and Navy installation across the United States.

Attending a 48-week Nike-Hercules fire control system maintenance course at the Air Defense Center, Fort Bliss, Texas, is Army Pvt. Robert A. Hendrickson, son of Mr. and Mrs. Edward T. Hendrickson, Route 1, Marquette.

Explosion Tests Set In Superior

ANN ARBOR — The Institute of Science and Technology (IST) at the University of Michigan will participate in a joint Canadian-U.S. explosion seismic experiment in Lake Superior July 8-31.

Together with teams from a number of other universities and agencies, IST acoustics and seismics laboratory scientists will record tremors caused by the firing of some 60 underwater explosions in an effort to learn more about the structure of the earth's crust.

The "explosion" line will run from Knife River, Minn., to Michipicoten Harbor, Ontario. Carnegie Institution of Washington researchers will conduct the firing from a U. S. Coast Guard ship, while data will be collected on tremor size and seismic velocity at various sites surrounding the lake.

Michigan will have seven recording stations operating under the direction of David E. Willis, IST associate research geophysicist. Two will be in Minnesota and five in the Upper Peninsula. One of the five will measure water pressure fluctuations in the lake.

This is one of several projects currently being conducted by this IST laboratory which has done work throughout the U. S. and a number of foreign countries under various sponsors.

State Rights Group To Be Ready Jan. 1

GROSSE POINTE (AP) — Gov. George Romney says Michigan's new Civil Rights Commission will be ready to operate as soon as the state's new constitution takes effect next Jan. 1.

Romney made the promise to anti-discrimination marchers Saturday—he was one of the marchers—in calling the constitution's civil rights clause the "clearest, strongest and completest" of any in the United States.

"The elimination of human inequalities and injustices is our most urgent and critical domestic problem," Romney said. "Until these are eliminated our words will have a hollow and hypocritical sound to the rest of the world."

He is now in the process of selecting members of the commission. Romney, appearing voluntarily, marched at the head of a parade of about 500 persons, about 40 per cent of them white people. The National Association for the Advancement of Colored People sponsored the demonstration in what it called a protest of housing discrimination. All was peaceful. The paraders marched in both Grosse Pointe and Grosse Pointe Park under permits.

Romney deplored housing discrimination. He said it has been "excessive." He said "some of it practiced in this particular part of the state is particularly reprehensible."

A "point system" used by some real estate interests in grading prospective home buyers in the Pointes communities on the basis of race, color, nationality, family background and other factors has been a subject of controversy.

An attorney general's ruling to outlaw the practice was thrown out by the State Supreme Court on technical grounds. The court held this to be a legislative matter outside jurisdiction of a state agency.

Dear Abby....

BY ABIGAIL VAN BUREN

DEAR ABBY: There isn't a day that goes by that my 15-year-old daughter doesn't read every word you write. Maybe you will help me out by telling her something I don't have the heart to tell her. She is scaring me off with her make-up. She is a sweet, wonderful girl, but when she is through with the paint brush she looks something else. It is something new with her. Her once beautiful eyes now look like something from a horror magazine. I have nothing against make-up, but I hate that cheap, artificial look. I want my daughter to look sweet, wholesome and natural as she is used to.

are correct. Nobody is "automatically" invited anywhere. If the Rev. and Mrs. So and So are expected to attend an invitational affair, they should be sent an invitation.

SAD DAD
DEAR SAAD: Move over. That horror-look is the fashion now, and nothing I could say would convince your daughter to give it up. But have hope. If she meets a young man who tells her to wash her face or no soap... you'll have your sweet, wholesome, natural-looking daughter back again.

DEAR ABBY: Please save me and "my" parishioners from further blunders. The wedding season is upon us again, and I would appreciate your printing an answer to this question: Is the minister's wife automatically invited to every wedding in her husband's church?
I have never attended a wedding as a guest unless I have been specifically invited. Yet many parishioners have told me afterwards that they "expected" me, and were very disappointed when I didn't show up.

DEAR ABBY: Re the widow who wrote in to say that until she became a widow she never knew there were so many "frightened unsure wives" unwilling to let their husbands help a widow with household chores or heavy work. I wonder how many times

wasn't she wrong to return it to me?
FRIENDLY
DEAR FRIENDLY: You were foolish to have forced an invitation on the girl, knowing she refused to give her address to your go-between. But she topped you when she sent it back with the foreman.

SHE loaned HER husband out to widows when she was married? FLORENCE
For a personal, unpublished answer to your letter, write to ABBY, Box 3365, Beverly Hills, Calif.

SHOOTING FISH
The archer fish, which is found in India and elsewhere in the Orient, is remarkable for the fact that it obtains food by knocking insects into the water by squirting a jet of water at them.

ALLEY OOP

YOU HEARD WHAT HE SAID?
YES... THAT'S TYPICAL OF A FALL GUY!
I TOLD YOU HIS STRETCH GAUGE IS A 19TH CENTURY THROWN WOULD DESTROY HIS USEFULNESS!
WELL YOU CAN'T BLAME HIM... HE GOT THERE BY HIS OWN EFFORT...
...AND WITH HIS LIMITED EQUIPMENT THAT WAS QUITE AN ACHIEVEMENT!
SEEMS IT WASN'T AS LIMITED AS WE THOUGHT!
I KNOW... AND THAT DOESN'T MAKE OUR POSITION ANY EASIER!

WASH TUBS

LEAVING THE NARROW GAUGE RAILROAD ALONG THE RIVER, EASY AND RITA BEGAN THE ASCENT OF SHEER PRECIPICES THAT GUARDED THE ANCIENT CITY...
THE SPANIARDS EXPLORE THE URUBAMBA RIVER, EASY... THEY NEVER LEARN OF HACHU... PICKED 2,000 FEET ABOVE IT, AND ONLY 70 MILES FROM CUZCO!
SO A SMALL PARTY OF INCA EMPIRE COULD OCCUPY THEIR SKY CITY FOR 30 YEARS... UNKNOWN TO PIZARRO! THEN IT WAS ABANDONED AND FORGOTTEN FOR 500 YEARS... TILL 1912!

FRECKLES

FUMP! FUMP! BAM! BAM!
I PUT IN A DIME! NOW PLAY DOGGONE YA!
CEASE RANTING, MASTER LARD! THAT POUNDING OF YOURS IS MORE THAN I CAN BEAR!
I SHALL DONATE ANOTHER DIME...
FUMP! FUMP! BAM! BAM! BOOMP!
THAT'S POOR-BOY-ROY... INSTEAD OF A DRUM, HE BEATS ON TABLES AND CHAIRS AND STUFF!

BARNEY GOOGLE

SOMEBODY'S PECKIN' ON TH' DOOR, PAW
THAT'S LUKEY-- THIS IS OUR CHECKER-PLAYIN' DAY
WHAT'S IN TH' SACK, LUKEY?
I'LL WHUP YE TODAY!! I GOT A HOSS SHOE, RABBIT'S FOOT, LUCKY PENNY AN' A FOUR-LEAF CLOVER
DON'T WE BEASTS GET ANY SUPPER TONIGHT?

BLONDIE

OH, DAGWOOD-- I'M READING THE SADDEST NOVEL
IT'S THE STORY OF A WOMAN SPURNED BY A CRUEL AND HEARTLESS HUSBAND
OH-BOO-HOO... WHY ARE YOU MEN SUCH BEASTS?
DON'T WE BEASTS GET ANY SUPPER TONIGHT?

L'I' ABNER

WAL, TH' SHTOONK HAIN'T NO GOOD FO' AMOOZIN' CHILLUN!! IT LAFFS WHEN ONE CRIES!!
SCAT, CHILD!!
HE'S SO HAPPY TO LEAVE, HE STOPPED CRYIN'!
IT LIKES TO SEE CHILLUN CRY!!

RIP KIRBY

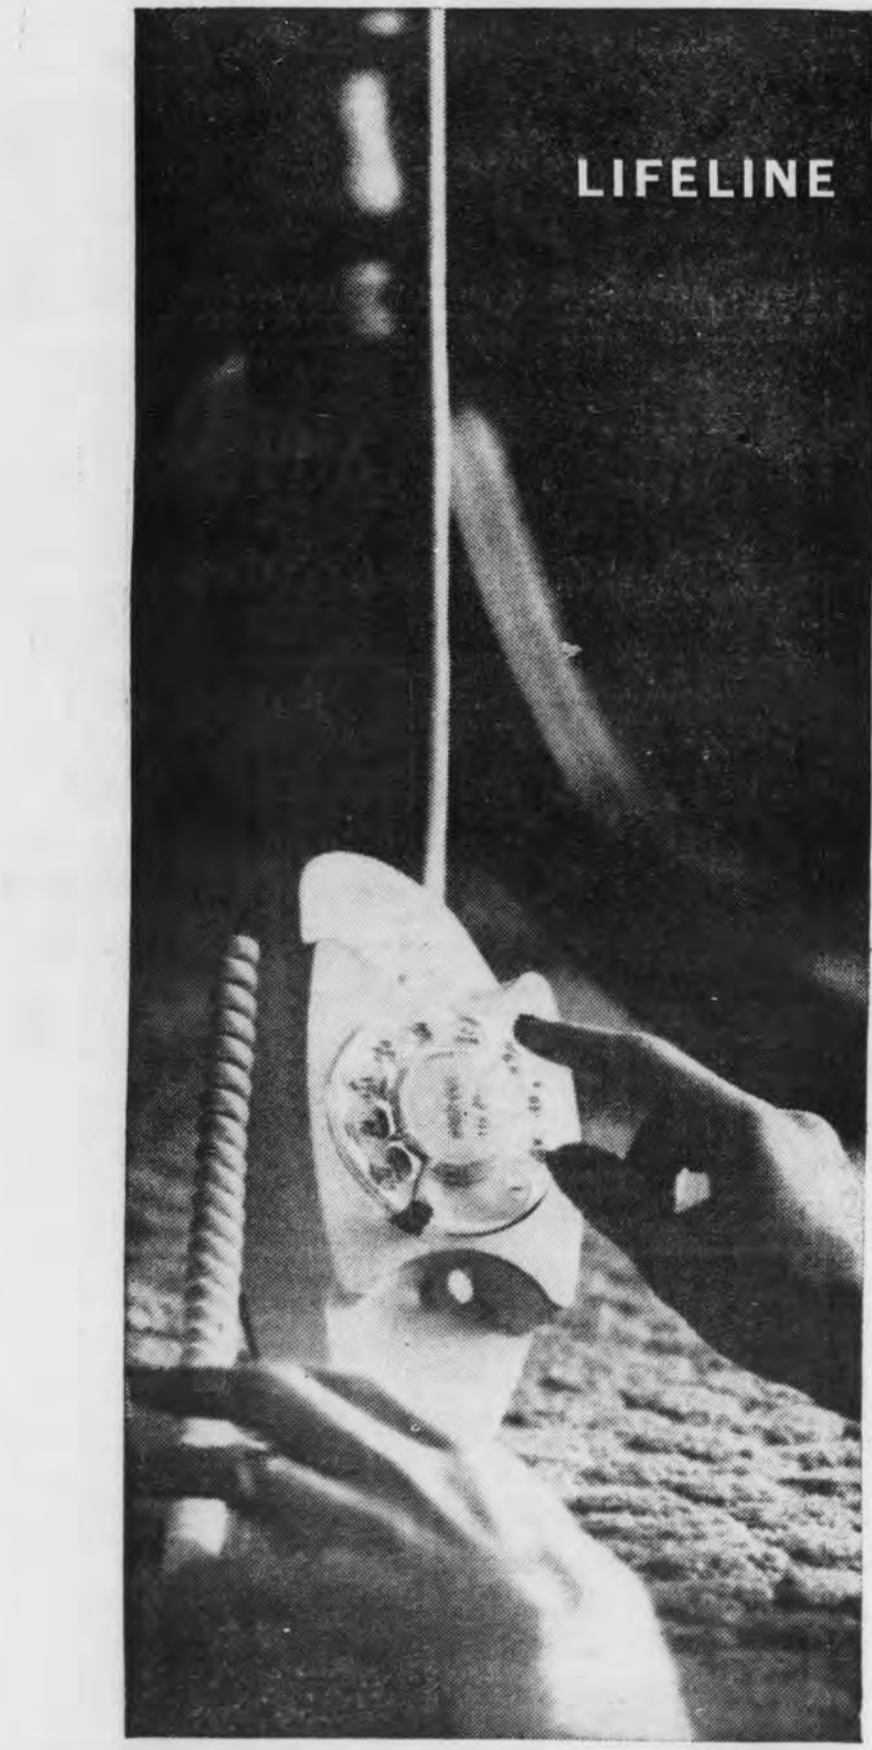

WHILE SCORPION PLAYS A ROMANTIC INTERLUDE...
TWO FOR LUNCHEON-- EXACTLY THE RIGHT NUMBER!
REMEMBER, SABLE, IF YOU DOUBLE-CROSS US YOU MAY LOSE HIM FOREVER.
WHAT MUST I DO THAT YOU WILL TAKE THIS WOMAN AWAY?
YOU ARE AN EXPERT-- PUT SCORPION TO SLEEP FOR A FEW HOURS...

STEVE CANYON

MISS CALHOON, I'M SORRY YOU DIDN'T USE THAT UNLISTED NUMBER-- I WROTE DOWN...
BOULEVARD, I FOUND THE NUMBER ON A SHEET OF PAPER IN MY PURSE-- AND PROMPTLY DROPPED IT INTO THE NEAREST WASTE BASKET!
... BUT THE PAPER DID NOT STAY THERE! WHEN THE SCAVENGER TRUCK PICKED UP THE MOTEL WASTE, IT FLUTTERED AWAY AND WAS FOUND BY LEIGHTON OLSON AND THE SON OF A PRESS SERVICE OFFICIAL...
JOE, ANY BOY AND HIS FRIEND FOUND SOMETHING TOO HOT FOR THE TELEPHONE, I'LL BE RIGHT DOWN...
AND MEANWHILE... SUMMER, I KNOW WHAT YOU SHOULD TELL HER, BUT I CAN'T REPEAT WHAT IF MISS CALHOON CALLS TO SUCH A NICE GIRL AS YOU!

BEN CASEY

GOLLY, DON'T CRY TOMMY, I'M SORRY IF I UPSET YOU, BUT MAYBE YOU JUST DON'T KNOW ABOUT YOUR GRANDDAD...
IT WAS SO LONG AGO... AND BESIDES, JUST CAUSE HE WAS A GANGSTER, IT DOESN'T COUNT AGAINST YOU!
YOU DON'T BELIEVE ME! I HATE YOU, JIM BAILEY!

LIFELINE FOR MRS. PETERSON

Mrs. Garold Peterson of Kalamazoo will never forget that February day when her telephone line became her link with life. Here's how she described it in a letter to the *Kalamazoo Gazette*:

To the Editor:
I am writing this letter in Bronson Hospital. On February 6 I had an internal hemorrhage and fainted in my home.

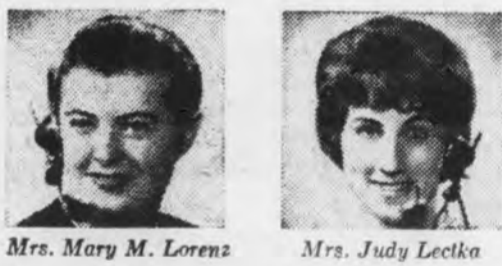

I was alone at the time. When I came to I managed to get to our telephone, but I was not able to sit up, so I lay on the floor and dialed the Operator. I seemed to drift off, but the Operator kept talking to me and she got help.

She stayed on the line with me the full time until my husband arrived from downtown. She also called a sheriff's car and the ambulance.

I don't know her name but I know she is a very wonderful and thoughtful person and I want very much to thank her.

Mrs. Garold Peterson
7583 East O. Avenue
Kalamazoo, Michigan

We hope you will never desperately need the help of an "unknown Operator." But isn't it good to know she's always there?

Mrs. Mary M. Lorenz and Mrs. Judy Letka have been identified as the Operators who worked together to aid Mrs. Peterson. Both are "always thankful" for a chance to help someone in need.

MICHIGAN BELL TELEPHONE COMPANY

OUR BOARDING HOUSE

IT'S SAM, THE TAILOR-- I HEARD TH' LAWYER WHO'S WITH HIM SAY THAT IF YOU WOULDN'T PAY FOR COLEIN MICHAEL'S SUIT HE'D COVER YOU WITH 50 MANY PLASTERS YOU'D LOOK LIKE YOU'D TANGLED WITH A GORILLA!
WHAT? THINK OF THE KNAVE INVADING MY CASTLE WITH HIS PETTY DUNNINGS! SPUTT-TT!
GIVE YOUR BRAIN A NUDGE BEFORE THEY TAG YOU WITH A SUMMONS! MAYBE YOU CAN INVENT A VANISHING CREAM THAT WILL MAKE YOU INVISIBLE, LIKE YOU DID TH' TIME TH' SOUTH SEAS CANNIBALS HAD YOU SALTED AND PEPPERED!

HEROES ARE MADE-- NOT BORN

Marquette Day Camp For Scouts Big Success

Among activities at the annual Marquette Day Camp for Girl Scouts which Mrs. Eugene Cole, president of Timberlane Scout Council, today called "one of the most successful ever" was instruction in lashing. Three intermediate Scouts, from left,

Martha Synder, June DeRoche and Carla Marlowe, get lashing instructions, above, from Judy Boyum, fourth from left, and Barbara Bohjanen, who attended last summer's International Round-Up Encampment for Girl Scouts at Button Bay, Vt.

Duck-Duck-Goose is the game being played by this unit of Brownies called the Busy Bees. Games were a big item on the five-day camp program, which was concluded Friday at Marquette's Tour-

ist Park. Mrs. John Beauchamp was the camp director, and the staff included leaders and Senior Scouts who were working for their program aide bars.

The rest period after lunch over, these three girls, from left, Pat Dagenais, Jackie Swenor and Sara Lambert, emerge from their tent all set for something new. Before the encampment was

broken up Friday afternoon everyone attended the camp party and then started planning for next year.

The Chippewa unit gets instructions from Senior Scouts, above, on how to put up a tent. The girls handled their own tent-pitching each day and did their own cooking and housekeeping. Daily awards

were given by the director to the unit adjudged tops in cooking, housekeeping and sportsmanship. The whole camp cooked on "buddy burners" during the final day of the session.

Sanitary dish-washing outdoors was one of the first things the Scouts learned at Day Camp. Carol Case, left, and Diane Pruess are hanging their

dishes — washed and put together in a mesh bag and then dunked in scalding water — on the line to dry. (Mining Journal photos.)

Tryouts Set Tonight For Wilde Play

Tryouts for the Northern Michigan University presentation of Oscar Wilde's "The Importance of Being Earnest" on July 24, 25 and 26 will be held at 7 tonight in Kaye Auditorium.

The production, under the direction of graduate students enrolled in the speech department's theater workshop, will feature experimentation in theater-in-the-round.

Local residents as well as students are invited to attend the tryouts when the crews will be formed and the cast selected.

The graduate directors of students of Dr. James L. Rapport, a member of the NMU speech department with special responsibility for dramatics.

Anna Smith To Conduct U.P. Classes

Anna Smith, distinguished ceramist, will conduct classes for Upper Peninsula potters during July and August, it was announced today by Charles Follo, director of the University of Michigan Extension Service office in Escanaba.

Marquette's classes are scheduled from July 15-19, Follo announced, and there are others being held in Houghton, Iron Mountain, Escanaba and Sault Ste. Marie.

Meetings

The Altrusa Club will meet tomorrow at 6:30 p. m. for a dinner session at the Northern Michigan University Student Center.

St. Paul's Episcopal Activities — Wednesday at 9:30 a. m., Holy Communion; Group "C" will have corporate Communion followed by breakfast in the lounge with members of Group "K" as their guests.

Bethel Baptist Organizations — Tomorrow at 7:30 p. m., prayer meeting and Bible study in charge of Carl Eck; at 8:30, monthly business meeting of the church, including voting in regard to selecting a new pastor.

A special meeting of members of the Class of 1953 at Baraga Central High School will be held tomorrow at 8 p. m. at the home of Joanne Cline Schwemin, 400 Altamont St. This is an important meeting at which final plans will be made for the class reunion later this month and all members are urged to attend.

The Marquette Community Theater will meet tomorrow at 7:30 p. m. in Room 194 at Graveraet High School. Following the brief business meeting, there will be a work session on publicity and other matters related to this month's production of "Summer and Smoke," and on the Fourth of July float.

Threesomes Listed For Women's Golf Rounds Wednesday

Threesomes for rounds at the Marquette Golf and Country Club Wednesday, third of the weekly summer series for women golfers, were announced today as follows: 1 p. m. — Sally Brebner, Peg Dahlke and Ethal Connors. 1:05 — June Snyder, Vera DeHaas and Carolyn Johnson. 1:10 — Louise Rushton, Margaret Persitz and substitute. 1:15 — Alice Baldwin, Marge MacDonald and Grace Denny. 1:20 — Ruby Carter, Marie Lowe and Marion Cory. 1:25 — Becky Floria, Louise DeHaas and Alice Mason. 1:30 — Lola Salo, Jane Kendrick and Lou Luke. 1:35 — Norma Biolo, Peg Fimbinger and Anne Frazier. 1:40 — Louise Beldo, Sally Chisholm and Theresa Mueller. 1:45 — Bea Wilson, Ellie Polzin and Bobbie Bolitho.

In last Wednesday's golf, Ruby Carter won low net. Bridge winners were Katherine Hornbogen, Dorothy Larson, Gen Peterson and Isobel Patterson.

The luncheon scheduled for July 3 is postponed one week, it was announced today. Members interested may sign up at the clubhouse.

Part of a bottle of red wine left over after a company dinner? Stew prunes in it; sweeten to taste. Serve as a dessert, if you like, topped with whipped cream, crushed macaroons and a garnish of candied violets or cherries.

Kay-Vielmetti

Honeymooning in Eastern Canada following their wedding Saturday morning in St. Mary's Chapel, Ann Arbor, are the former Katherine Falconer Kay, daughter of Prof. and Mrs. Marshall Kay of Leonia, N. J., and Douglas Burt Vielmetti, son of Mrs. Douglas E. Vielmetti of Marquette, and the late Mr. Vielmetti.

The couple exchanged their marriage vows before the Rt. Rev. Msgr. John F. Bradley, Roman Catholic chaplain at the University of Michigan, at an 11 o'clock ceremony. Prof. Kay gave his daughter in marriage.

Sister Honor Attendant Mrs. Robert A. Berner of San Diego, Calif., was her sister's matron of honor and Miss Mary Catherine Vielmetti of Marquette, the groom's sister, and Miss Gladys Hynick of Jackson Heights, N. Y., were bridesmaids.

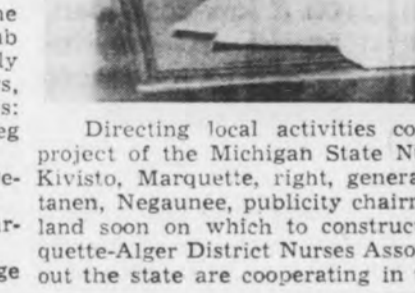

Serving the groom as best man was his cousin, Donald Scavarda of Ann Arbor. Ushers were Jerome M. Smith, Iron River; Robert S. Kay and Richard F. Kay, the bride's brothers, Leonia, and Joseph R. Gilmore of Huntington Woods.

The bride's wedding gown, a floor-length silk organza sheath, was designed with slightly rounded neckline, Kabuki sleeves trimmed with Venetian lace and full skirt, bordered with Venetian lace and featuring a chapel train. A spray of organza petals secured her tulle veil and she carried a hand cascade of white roses and ivy.

The bridal aides were gowned alike in sky blue silk linen dresses fashioned with short jackets and bell-shaped skirts. Their headpieces were in a matching sky blue and they had hand cascades of white Fuji chrysanthemums and bachelor's buttons.

A reception in the garden of the Michigan League followed the ceremony. The rehearsal dinner Friday evening was in the Vandenberg Room of the Michigan League.

Direct Nurses Land Site Project

Directing local activities connected with the current land site project of the Michigan State Nurses Association are Mrs. Randolph Kivisto, Marquette, right, general chairman, and Mrs. Richard Watanen, Negaunee, publicity chairman. The MSNA is hoping to acquire land on which to construct its own office building. The Marquette-Alger District Nurses Association and other local units throughout the state are cooperating in the drive. (Mining Journal photo.)

New Names In The News HAYDEN — A son, Michael William, was born June 28 at St. Mary's Hospital to Airman 2-c and Mrs. William Hayden, 518 High St., Marquette.

NOEL — Mr. and Mrs. Robert Noel, 411 Radisson Drive, Marquette, are the parents of a son, born June 28 at St. Mary's Hospital.

Enrollments Now Open In Annual NMU Band Camp For Musicians, Twirlers

Students may now enroll in the 13th annual Upper Peninsula High School Band Camp for young musicians and baton twirlers to be held at Northern Michigan University Aug. 5-10.

Students in grades nine through 12 are eligible to attend the camp which will be under the direction of Dr. Harold Wright, head of the NMU music department.

For the third consecutive year, baton twirling will be under the direction of Ellen Rae Sielaff, former national champion. A recent graduate of Butler University, Miss Sielaff will instruct baton twirlers in parade and dance routines, flag and fire techniques, and other twirling skills.

Former Marine Director The camp also will feature music instruction by Lt. Col. William Santelmann, former director of the famous U. S. Marine Corps Band, who will be the camp music director. Other music instructors include Lorin Richtmeyer of Northern's music department and director of Northern's marching band, and Dr. Wright.

The camp, which will include a complete social and recreational program, will close with a concert by band members and baton twirlers Saturday night, Aug. 10 in Marquette's rustic, open-air band-shell at Presque Isle Park. Students interested in attending the camp may obtain additional information from Dr. Wright at Northern Michigan University.

Engaged

Announcement of the engagement of their daughter, Pamela Jean, to Wayne Joseph Kramer of Menominee has been made by Maj. and Mrs. Loren R. Roubal of K. I. Sawyer Air Force Base.

Miss Roubal and her fiancé, who is the son of Mr. and Mrs. Carl Kramer of Menominee, are students at Northern Michigan University where the latter is affiliated with Chi Sigma Nu fraternity. No date has been set for the wedding.

Mr. and Mrs. Isaac Hendrickson of Trenary announce the engagement of their daughter, Elaine Dolores, to Fred DeRocher of Marquette. Miss Hendrickson is a 1957 graduate of Trenary High School and is employed by the First National Bank, Marquette. Her fiancé, who is the son of Mr. and Mrs. Alfred DeRocher, is an employee of Carroll Motors. The wedding has been set for July 13.

ELLEN SIELAFF

Mt. Clemens Girl UCW's NMU Scholarship Winner

The scholarship committee of the United Church Women of Marquette announces the selection of Miss Judith Adams of Mt. Clemens as the UCW scholarship student for the 1963-64 school year.

Miss Adams, a 1963 graduate of the Mt. Clemens High School, will enroll at Northern Michigan University in September in social studies courses. A member of the First Baptist Church of Mt. Clemens, she is active in the Baptist Youth Fellowship of her home church, sings in the Youth Choir, and works in the Church School. She also played in her school band and was active in other extra-curricular activities.

In addition to providing the tuition, books, and fees, for the scholarship student, the local chapter of United Church Women also provides housing for the girls of their choice.

"The committee is now in need of a Christian home to accommodate Miss Adams for the school year beginning in September," Mrs. Herschell G. Martin, chairman, announced today.

Persons interested "in this phase of Christian service," Mrs. Martin said, are asked to get in touch with her at the First Baptist parsonage or call CAAnal 5-0164.

You can broil orange halves just as you do grapefruit halves. Nice to serve with ham or poultry.

When apple slices are being added to a stuffing for duck or chicken, some cooks like to cook the fruit briefly before putting it in the dressing. This pre-cooking assures that the apple will be tender by the time the bird is cooked.

Temperature Soars To 97, Ishpeming's Highest Since '47

ISHPEMING — It was hot in Ishpeming Sunday, a 97-degree temperature being registered. That's the highest since Aug. 5, 1947, when the mercury soared to 98 degrees.

Ishpeming's hottest day occurred back in July of 1936, when a 101 degree was recorded. During the 1936 heat wave, the temperature ranged from 97 to 101 for over a week.

The Cleveland-Cliffs Iron Co.

recorded yesterday's 97-degree reading at 2 p. m.

The weather was responsible for Cedar Lake swimming beach being jammed over the weekend as residents sought relief from the heat. Other swimming holes received a good turnout.

The largest crowd, however, turned up at Van Riper State Park, the county's most popular swimming area.

Absent Voter Ballots Available For Special Tax Election July 15

ISHPEMING — Absent voter ballots are now available at the city clerk's office for the special county millage election July 15.

The deadline for applying for ballots is 2 p. m. Saturday, July 13. The clerk's office will be open continuously from 9 a. m. until 2 p. m. that day.

Residents once again will vote on a proposition to increase the millage limitation for a period of five years by two mills for general county purposes only. The proposal was defeated in the spring election.

Clyde Sundberg, city clerk, reminds residents that, in order to use absentee ballots, a person must be a registered voter who

expects to be absent the day of the election, or is physically unable to attend the polls without the assistance of another or because of the tenets of one's religion.

For this special election only, Ishpeming voters will use only two voting places, the Phelps Intermediate School on Third St. and the fire hall on Lake St.

Residents in Precincts 1 through 5 will use the Phelps School and Precincts 6 through 10 will use the fire hall.

Manistique Plant Back In Operation

MANISTIQUE — The Manistique Pulp and Paper Co. went into full operation today, ending a two-week shutdown which resulted from a power failure caused when a pulp storage tank burst.

The plant's largest electric transformer and switchgear, which were completely buried under 150 tons of wet pulp, were reinstalled today by a crew from General Electric Appliance and Milwaukee service shops who rebuilt the downed apparatus in record time.

Transformer and switchgear parts were rushed to the Milwaukee shop from Rome, Ga., and Philadelphia. Meanwhile, several damaged electric motors were re-vitalized at the G-E Appliance shop.

The impact of the pulp mixture bursting from its tank pushed some conveyors partly into the nearby Manistique River. Also damaged and now back in operation is the sulphite storage building, according to Frank S. Hoholik, president of Manistique Paper.

82-Year-Old Resident Of L'Anse Dies

L'ANSE — Miss Agnes M. Brennan, 82, N. Main St., died early this morning in Baraga County Memorial Hospital following a long illness.

She was born in L'Anse Oct. 22, 1880, and had been a lifelong resident. She was a member of Sacred Heart Church, the Altar Society and the St. Jude Circle.

Miss Brennan attended L'Anse High School and also St. Mary's Academy, Notre Dame, Ind.

Surviving are two sisters, Miss Laura Brennan of L'Anse and Mrs. C. J. (Bernice) Huddleston of Detroit; two brothers, Hubert A. Brennan of Chicago and Baraga County Circuit Judge Leo J. Brennan of L'Anse.

Services will be held Wednesday morning at 9 in Sacred Heart Church, with the Rev. Casimer Adasiewicz officiating. Burial will be made in Evergreen Cemetery.

Friends may begin calling at the Swanson Funeral Home tomorrow afternoon. The Rosary will be recited there tomorrow evening at 8.

GASS STORAGE

More than two-thirds of all the natural gas now stored underground in the U. S. is located in Michigan, Ohio, Pennsylvania and West Virginia.

Resident Of Skanee Dies In Duluth

SKANEE — Mrs. Marie H. Peterson, 47, died yesterday noon in St. Mary's Hospital, Duluth, Minn., following a long illness.

She was born in Skanee Oct. 17, 1915, and had lived here all her life with the exception of the years 1935 to 1958 when she resided in Detroit.

Mrs. Peterson graduated from L'Anse High School in 1933, from Suomi College in Hancock in 1935 and from the Detroit Business Institute in 1939.

She was employed by the U.S. Corps of Engineers as supervisor of payroll from 1940 to 1944 and also had held other secretarial positions.

She was a member of the Skanee Zion Lutheran Church. The former Marie Paulson, she was married to Erling Peterson May 8, 1943.

Surviving besides her husband are two daughters, Marilyn and Christine, and a son, Daryl, all at home, and a brother, Elmer of Skanee.

Services will be held Wednesday at 2 p. m. at the Skanee Zion Lutheran Church, with the Rev. Robert Sutherland officiating. Burial will be made in Skanee Cemetery.

Friends may begin calling at the Swanson Funeral Home tomorrow afternoon.

Obituary

EDWARD J. TRIHEY

MICHIGAMME — Services for Edward J. Trihey were held this morning in St. Agnes Church with the Rev. John Ryan officiating. Pallbearers were Albert Paquette, Alphonse Frechette, Trefle Chantelot, Marshall Treado, Edward Arsenault and William Pascoe. Burial was made in Lakeview Cemetery.

OSCAR LARSON

NEGAUNEE — Services for Oscar Larson, who died in his home here last Wednesday, were held at 1:30 this afternoon in the Perala Funeral Home. The Rev. William R. Sarvela officiated and burial took place in Negaunee Cemetery. Pallbearers were Llewellyn Price, Fritz Wangberg, John Carlson, Arthur Roberts, Joseph Sedlock Sr. and Albert Jetty.

HENRY HALGREN

ISHPEMING — Henry Halgren, former Ishpeming resident, died this morning in the Iron Mountain Veterans Hospital, where he was a patient for some time. Funeral arrangements will be announced later.

One Traffic, 3 Drowning Deaths In U.P.

(By the Associated Press)

Four Upper Peninsula were among 14 traffic and 12 drowning victims recorded in Michigan as hundreds of thousands flocked to the state's roads and recreation areas during the weekend.

Chester Kelts, 74, Sault Ste. Marie, a pedestrian, was killed when struck by a car at the intersection of M-129 and 20th St. in the Sault Sunday.

The three drowning victims: Larry Menghini, 19, Kingsford, Saturday night in Cowboy Lake inside the Kingsford city limits. Police said Menghini drowned about 30 feet from shore despite an attempt by a companion to rescue him.

Clifford Nelson, 13, Escanaba, Saturday at the Escanaba municipal bathing beach.

Frances Paquette, 8, Marquette, Saturday while swimming in the Quarry pool.

The bodies of all three were recovered.

Teen-Age Girl Builds 'Therapeutic Chair'

MIAMI (AP) — A teen age girl has devised and built a "therapeutic chair" for young cerebral palsy victims.

"I spent over 200 hours and \$50 from my savings in making it," said Harriet Carter, 15.

The chair, mobile with four rollers, is equipped with pedals, vibrators and hand and body massaging devices to improve blood circulation.

Molding clay and a blackboard on an extended table are designed to help the handicapped child learn coordination.

Harriet got the ideas while visiting the Hospital of Special Surgery, New York City, and the Cerebral Palsy Clinic, Miami. She donated the chair to the palsy clinic.

Car Industry Ready For Model Change

By CHARLES C. CAIN
Associated Press Auto Writer

DETROIT (AP)—The auto industry and every car dealer across the nation are busy these days getting ready for an orderly transition from 1963 to 1964 models.

Detroit production lines still are turning out '63s at a rapid clip and reports from all areas indicate sales are running strong.

Ward's Automotive Reports said mid-June auto sales shattered all records for that period. It said an average of 25,188 new cars were sold daily during the June 11-20 period, breaking the old mark of 24,500 set in a similar period in 1955.

No Slackening

Reports from most auto makers showed no slackening in their output as they pushed towards their goal of a 7-million unit year.

Some models, such as the Chevrolet Corvete and the Ford Galaxie, were reported in short supply in some sections of the country.

Problem

The problem facing manufacturers and dealers was to adjust production in the remaining weeks of the 1963 model run so there would be enough cars to meet customer demand, but not enough to glut the market so there would be a big surplus of '63s in dealer showrooms when the 1964 models make their public debut about September.

Dealers were shooting at a goal of having not more than 300,000 of the 1963 cars on hand by September 30. This would be an average of about 8 to 10 cars per dealer and presumably would not create too much of a sales clean-up problem.

Flying Start

Industry sources say that the 1964 production will get off to a flying start in September with 495,000 units planned, as against the current record for September — 470,000 in 1962.

World output of mined copper continued upward for the third successive year in 1961, according to the Britannica Book of the Year.

Centennial Celebration In Escanaba

ESCANABA — The Escanaba Centennial Corp. and the City of Escanaba have invited residents of the Upper Peninsula to join in celebration of the city's 100th birthday this week.

An unusually large number of events has been scheduled, including all-day carnivals in Ludington Park daily, band concerts, contests and races of every description, picnics, sports events and pageants. Some of the highlights include the following:

Tuesday — Bustle and beard parade with preliminary judging, 6 p. m.; dedication of Bay de Noc Community College, 6:30; street dance, 9.

Wednesday — Preliminaries in world's log rolling championships, 2 p. m.

Thursday — Log rolling finals, 1 p. m.; water ski show, 2; K. I. Sawyer Air Force air show 12:30 to 1 p. m.; fireworks display, 9:15 p. m.

Friday — Spelling bee, 3 p. m.; Barbershop quartet concert and contest, 8; Venetian Night show in yacht basin, 9.

Saturday (Governor's Day) — Three-hour parade, 10 a. m.; final judging of beards and bustles, followed by beard-shaving contest, 2 to 4 p. m.; outdoors pig barbecue, 5 p. m.; Centennial ball in new high school, 9:30 p. m.

Sunday — Stock car races at fairgrounds, 1 p. m.

FERTILIZERS

An organic fertilizer is one which is derived from organic materials, such as plant or animal substances, including cottonseed meal, ashes, bone and dried blood.

IN APPRECIATION

We wish to express our sincere thanks and appreciation to our relatives, friends and neighbors for their kindness and sympathy during our recent bereavement. The death of our father, Axel S. Peterson.

We especially wish to thank Rev. Emil Rostrom, Bjork and Zolita Funeral Home, the pallbearers, those who sent flowers, cards, donations, women who served the lunch and all who helped in any way.

Leslie Peterson
Mr. and Mrs. Lawrence Peterson and Family

How to win the 'battle of the bill bulge'

Struggling with a bulging pile-up of unpaid, over-due bills? Best way to cope with the situation is to consolidate your debts and pay them all off at once with cash which you can obtain on a low-cost loan from us. Your loan can be repaid in easy-to-budget monthly amounts, geared to your income.

You'll enjoy that "clean slate" feeling that comes with wiping out those accumulated debts. It's good also to know that your local credit standing is being properly maintained. Our service is prompt, friendly.

EXPIRES JULY 6, 1963

Mrs. Puuri Baraga Unit President

L'ANSE—The Baraga County Women's Extension Council will be headed next year by Mrs. John Puuri of Keweenaw Bay. She will be assisted by Mrs. E. E. Erickson, also of Keweenaw Bay, who was named vice president, and Mrs. Frank Kruse of L'Anse, re-elected secretary-treasurer.

Mrs. Puuri and Mrs. Erickson will represent Baraga County and the council at the annual home-makers' conference to be staged in East Lansing July 22-26.

Mrs. Rupert Artley, Mrs. Erickson, Mrs. George Penolke, Mrs. Isabelle Cote, Mrs. Werner Heitiko and Mrs. Ida Fitzpatrick were appointed to serve as a committee to make plans for the annual Baraga County Dairy Day to be held Aug. 7 at Pelkie.

LEVI W. ETELAMAKI

Etelamaki Takes Job At Newberry

PALMER—Levi W. Etelamaki, son of Mrs. Helmi Etelamaki of Palmer, has accepted a position as an institutional social worker in the family care division of the social service department at Newberry State Hospital.

Etelamaki, an Air Force veteran, served with the air inspector's office from 1943 to 1946. He is a graduate of Negaunee High School and earlier this month received a Bachelor of Science degree, with a major in social service, from Northern Michigan University.

He is a charter member of Eta Chapter of Phi Alpha, national social work honor society.

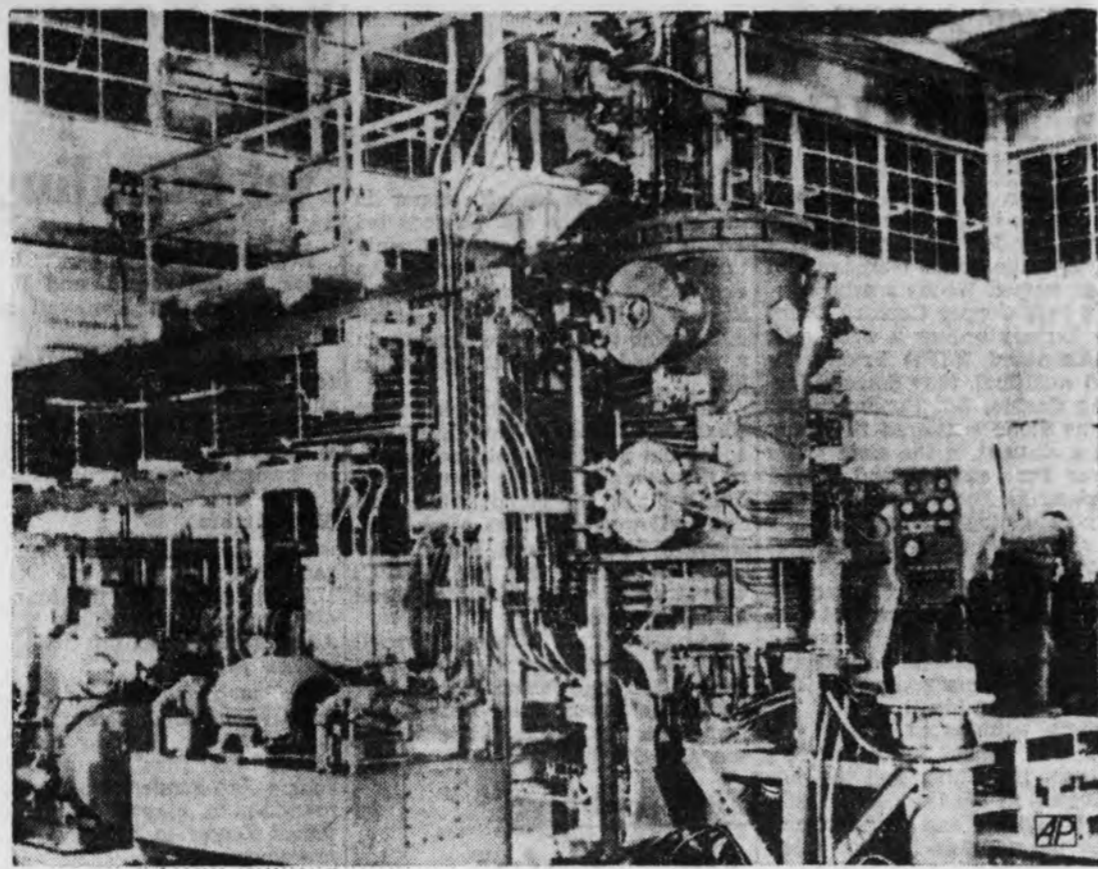

KENNETH R. HENDRICKSON

Engineering Degree Given Hendrickson

REPUBLIC—Kenneth R. Hendrickson, son of Mr. and Mrs. Otto Hendrickson of Republic, has been awarded a master's degree in metallurgical engineering by Rensselaer Polytechnic Institute of Troy, N. Y.

Hendrickson is employed at Knolls Atomic Power Laboratory, Schenectady, N. Y., which is operated by General Electric Co. for

This is the special furnace designed by Climax Molybdenum Co., Inc., and installed in its Coldwater, Mich., plant. It produces forgeable ingots of molybdenum weighing as much as a ton.

Special Furnace In Michigan Plant For Metal Production

COLDWATER (AP)—Michigan, one of the world's top producers of a metal more expensive than sterling silver, only recently has started producing here another which is almost twice as costly.

A new mill has just been installed to roll both these metals into sheets and bars.

One is molybdenum; the other wolfram, commonly known as tungsten. It is hard to pronounce molybdenum, a metal that stays hard at high temperature. Tungsten (tung-sten) is harder and stays that way at even higher degrees.

Produced 170 Years Ago They're still tough in heat in which iron or even steel would become something like putty.

Molybdenum prices range from \$15 a pound for bars to \$90 per pound for sheets. Tungsten bars fetch \$30 a pound. You can buy a pound of sterling silver for \$18.63. Molybdenum metal first was produced 170 years ago, but it wasn't until the 1930s that even small-scale commercial production got under way.

The Coldwater plant of Climax Molybdenum Co. of Michigan has the capacity to turn out 1.3 million pounds of metallic molybdenum a year—more than half that consumed in metallic form in the United States in 1962.

'On Development Basis' Tungsten now is being produced and has been rolled, along with molybdenum, in the new processing mill. But the company says only it is making tungsten here "on a development basis at this time." Other sources report experimentation finished or virtually so.

Both molybdenum and tungsten are ticklish. They won't tolerate oxygen at extreme temperature. They're converted from powder—that's right, powder—at Coldwater. The conversion has to be done in a vacuum or under an

the Atomic Energy Commission. He is married to the former Alice Chetto, daughter of Mr. and Mrs. John Chetto, Ann St., Negaunee.

Stainless steels are the largest single market for nickel.

NEW 21" TV PICTURE TUBE Installed \$39.95 LaFRENIERES' 522 Iron St., Negaunee

Service Station for rent in Negaunee. Has always been successful. Contact Sinclair Refining Company, Marquette.

um toughens the steel in such parts as ring gears and pinions and make stainless steel trim stay brighter longer.

Molybdenum is used in the solid propellant engines of the Polaris and Atlas missiles. Tungsten goes into some others where even tougher, high-temperature resistant metal is needed.

The Coldwater plant was built in 1959 to produce metallic molybdenum by an electric arc method patented by the Michigan com-

pany's parent, American Metal Climax Inc. The same furnaces recently also have been turning out tungsten, too.

Output of the Coldwater plant has been in molybdenum ingots weighing 1,800 to 1,900 pounds, in bars of smaller and varying size and in tungsten billets. Now it is moving into consumer products, not leaving the rolling and drawing to others.

Small Amount Refined The United States consumed an

estimated 40 million pounds of molybdenum in 1962, but only six per cent—or 2.4 million pounds—of it was refined down to pure metal. Most of it was drained off at various other stages of refinement, and approximately half the 40 million pounds went into alloying steel to make it less corrosive and more heat resistant.

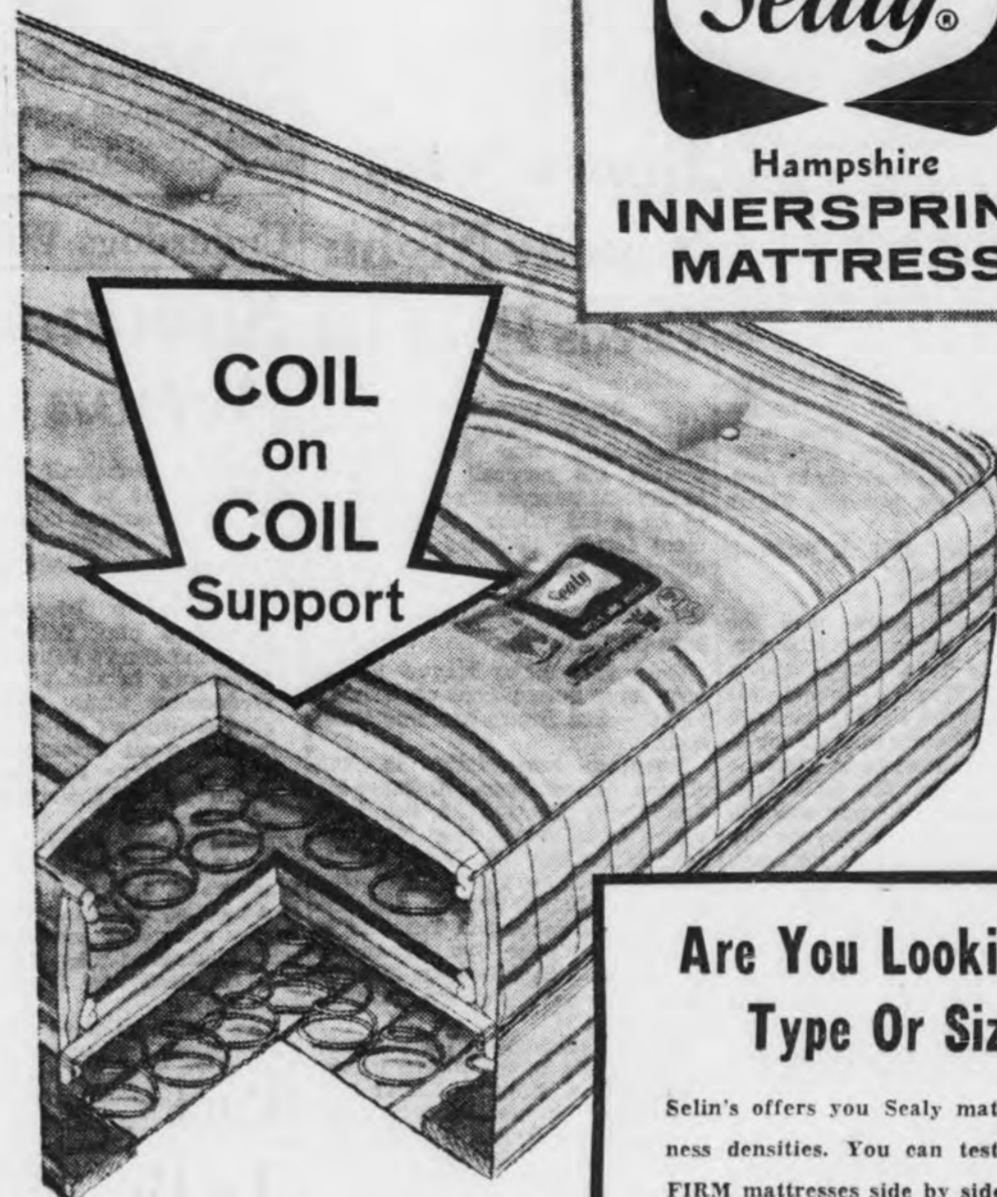

High molybdenum content steel is used in the giant heat exchangers at the Enrico Fermi Atomic Power Plant near Monroe,

Mich. Superheated liquid sodium—a solid metal in its natural form—is circulated around molybdenum-steel tubes and turns the water inside them to steam.

Climax gets its molybdenum ore from a mine high up on Bartlett Mountain in the Colorado Rockies. Molybdenum sulfide is pitted about sparsely in solid granite rocks, about like raisins in a boarding house cake. A ton of rock yields four to six pounds of molybdenum.
