Partial N-Test Ban Pact Still Deemed Likely

MOSCOW (AP) — The Soviet Union, Britain and the United States announced today they had "made progress in drafting some of the provisions" for a treaty banning nuclear tests in the atmosphere, outer space and under water.

MOSCOW (AP) — All indications still pointed today to the possibility that the United States, Britain and the Soviet Union will

Probers Ask Overhaul Of Stock Market

WASHINGTON (AP) — An unexpectedly drastic overhaul of the operation and self-policing of the nation's major stock exchanges was recommended today by Securities and Exchange Commission probers.

The recommendation was in the second installment of a 2-year investigation of the securities markets.

The report struck at ancient institutions of the "Big Board" — the New York Stock Exchange — and, to a lesser extent, of the second-ranking American Stock Exchange by recommending:

1. The elimination in two steps over the next 18 months, of floor trading on both exchanges. This is buying and selling of stocks by members on the exchange floor in quest of quick profits. The investigators held that this has an unbalancing effect.

2. Stiffer exchange rules to correct what was described as inadequate policing of stock specialists. These are members appointed to manage the trading in specified stocks, who are supposed to stabilize the market by buying or selling for their own accounts to counteract violent price upsurges or slumps.

Russ Unconvinced Of Value Of Putting Man On The Moon

JODRELL BANK, England (AP) — Russian scientists are not convinced of the value of putting a man on the moon and may seek an international agreement on the worth of such a project, a British space expert reports.

Sir Bernard Lovell, director of the Jodrell Bank radio astronomy observatory, told a news conference Tuesday the president of the Soviet Academy of Sciences told him he felt scientists should reach an agreement on the desirability and value of a manned lunar landing before the nations proceed with such projects.

Seven Men Live Under Red Sea

PORT SUDAN, SUDAN (AP) — Commandant Jacques-Yves Cousteau said today his seven-man team had lived for a month comfortably deep under the Red Sea in watertight "villages" equipped with air conditioning, closed-circuit television and telephones.

The French explorer and deep sea diver spent his 26th wedding anniversary 45 feet under the sea with his wife Simone, who went down in an aqualung to join him with a cake in a special metal container. They spent four days together in the deeps.

Pentagon Bars Military From Demonstrations

WASHINGTON (AP) — Ford Frick, commissioner of baseball, told the Senate Commerce Committee today that racial integration has worked with great success in baseball because of "the example of the players themselves."

Top officials of professional football also testified that their sport has had only minor racial problems.

WASHINGTON (AP) — The congressional battle over civil rights blazed across many fronts today, from integration in sports stadiums to a proposed investigation of the leaders of racial demonstrations.

Meanwhile, the Pentagon, faced with protests it was encouraging military personnel to take part in demonstrations, issued new orders Tuesday night restricting such activities.

Cambridge Enjoys Brief Moratorium

CAMBRIDGE, Md. (AP) — A committee of whites and Negroes sought today to progress toward a solution of this city's racial problems before a new crisis develops.

Negro integrationist leaders served notice that unless some success was reported by the committee by mid-afternoon, demonstrations would be resumed.

The Negroes called off a demonstration Tuesday in view of the appointment of a human relations committee composed of seven whites and four Negroes.

Statement

After an organization meeting last night, the committee issued a statement saying it had decided to concentrate on the issue of public accommodations.

U.S. Court Requested To Order Integration Of Mississippi Schools

NEW ORLEANS (AP) — The 5th U.S. Circuit Court here — which has been largely responsible for implementing the Supreme Court's 1954 school integration decision — has now been asked to order public school desegregation below the college level in Mississippi.

Attorneys for the National Association for the Advancement of Colored People, representing the parents of seven Negro children, Tuesday asked the tribunal to order integration in Jackson, Miss., public schools in September.

Senator Hart Asks Wallace: Will Heaven Be Segregated?

WASHINGTON (AP) — Sharp and pointed all the way was Tuesday's civil rights exchange between Alabama Gov. George C. Wallace and Michigan Sen. Philip A. Hart — including its discussion of Heaven.

Alabama's chief executive and the Democratic senator lanced vigorously.

Hart broached the subject of Heaven.

"What do you think Heaven will be like, will it be segregated?" Hart asked the governor.

"I don't think any of us knows what Heaven will be like," Wallace answered. "God made us all. He made you and me white. He made others black. He segregated us."

Hart asked the Heaven question after Wallace stated he bore no hatred toward anyone and believed in God and tried to follow religious teachings.

Hart put his question in view of what he called Wallace's introduction of a "solemn note."

Following Wallace's answer, Hart said he would pursue the subject no further except to say he presumed "we would all be one family in Heaven under one loving father."

Hart admitted there was discrimination in Michigan but said

Republicans Seek Probe Into Report Of Missing Grain

WASHINGTON (AP) — Senate Republicans are pressing for a congressional investigation into reports that 24 million bushels of U.S. grain vanished somewhere on the way to Austria.

The \$32 million worth of corn, barley and sorghum "could have gone behind the Iron Curtain" in violation of U.S. barter agreements, said Sen. John J. Williams, R-Del., Tuesday in demanding a Senate investigation.

Or, he said the grain "may have been diverted and sold in Western Germany for dollars," which would also be a violation.

Barter deals are restricted to non-Communist countries that would not otherwise pay dollars for U.S. farm products.

Iron County Police Seek 2 Escapees

CRYSTAL FALLS (AP) — Iron County authorities today searched for two prisoners who escaped Tuesday while on work detail.

Albert Burton, 20, of Iron River, and Robert Wehrheim, 29, of Glenview, Ill., had 15 days left in respective 30 and 40-day sentences in the Iron County Jail when they escaped.

Hippo Crushes Animal Trainer

SOUTH FARMINGDALE, N.Y. (AP) — A 8,200-pound hippopotamus charged a trainer in a circus cage today and crushed him against the barred door. The trainer, Thomas Spense, 29, of Sarasota, Fla., was treated at a hospital and released.

Police said Spense was changing a light bulb in the cage when the hippo charged, pinning him against the bars and finally pushing him through.

Police Capture Ionia Escapees

MANCHESTER (AP) — Police Tuesday captured two escapees from Ionia State Reformatory.

Clyde Wheeling, 24, of Manchester, and Harry Shepherd, 34, of Detroit, were picked up by Manchester Police Chief Jules Van de Ginste on a city street.

Wedding Bells For Kim Novak?

HOLLYWOOD (AP) — Actress Kim Novak remained silent about romantic rumors as she arrived in Hollywood after a six-month movie-making stay in Ireland.

Asked if she planned to marry Roderick Mann, London columnist, she said: "That's a personal thing with me. Roddy will be coming to the United States soon."

Iceman Cometh

Gary Crosby, eldest son of Bing Crosby, lites a tray of ice to a hotel room while getting some firsthand experience as a bellhop for a role he'll portray on a new television show. ett M. Dirksen of Illinois in backing Williams' request to create a special Senate committee and give it \$100,000 to look into the case.

Dirksen said the grain was loaded on ships in this country but apparently never got to Austria.

Sen. Jack Miller, R-Iowa, said "the silence has been deafening" since he asked Secretary of Agriculture Orville L. Freeman last month about the disappearance and what was being done to prevent such cases from recurring.

14 Yanks Injured In Guerrilla Raid; Buddhists Halted

SAIGON, Viet Nam (AP) — Communist guerrillas raked the airport of South Viet Nam's second largest city with mortars and machine guns Tuesday night, wounding 14 U.S. Army Special Forces troops.

The attack on the Can Tho Airport, 80 miles southwest of Saigon, lasted only eight minutes, but between 16 and 20 mortar shells hit the installation and one of the 60 mm shells went through the roof of a shack housing the Special Forces team, inflicting all the casualties.

Ten of the wounded Americans were taken to the 8th U.S. Army field hospital in Nhatrang. Three were in serious condition. Three Vietnamese also were wounded.

Damage to the airport was comparatively light. A light plane and an automobile were damaged, and there were bullet holes in several buildings.

Vietnamese troops were sent in pursuit of the guerrillas today. It was the heaviest casualty toll of American servicemen in a single encounter with the Viet Cong.

Copter Crash

Earlier Tuesday, two American military advisers and two Vietnamese soldiers were injured and a Vietnamese soldier was killed in the crash of a U.S. Marine Corps helicopter in mountains 360 miles northeast of Saigon.

Cuban Exile To Set Up Latin Base

MIAMI, Fla. (AP) — Manuel Artimo, one of the leaders of the 1951 Cuban invasion, has announced that he is leaving the United States to set up an anti-Castro base in Central America.

"We do not plan only hit and run raids," he said Tuesday. "Our program is designed to cause permanent injury to the economy of Communist Cuba."

Artimo, who is said to have supporters in Washington, said his forces would be financed by wealthy Americans, Latin Americans and Latin political parties. His group is to be entitled the Revolutionary Recovery Movement.

"We have the moral support of the United States, but this is not enough," he said. The government has sharply restricted the actions of anti-Castro groups based in Miami.

U.P. Lumber Pioneer Dead At Age Of 95

LAKE LINDEN (AP) — Widely-known lumber industry pioneer Onesime Dion died Tuesday night in a hospital here. He was 95.

He came to the Thorn Lake area of Michigan's Upper Peninsula from his native Canada as a young man, and for many years operated Dion Lumber Co., which was mostly dissolved after his retirement.

TERRY M. TIBOR

Tibor Takes Scout Position In California

Terry M. Tibor of Marquette has resigned as district scout executive here to accept a similar position with the Mission Council located at Santa Barbara, Calif., according to an announcement made today by Burton Boyum, Ishpeming council president.

A Marquette native, Tibor graduated from Graveret High School in 1952 and from Northern Michigan University in 1956.

He was first employed by the council in September 1956, to serve the Chippewa District (Chippewa, Mackinac and Luce Counties).

Following almost two years Army service in Korea, he was assigned to the Copper Country District (Houghton, Baraga, Keweenaw and Ontonagon Counties). Last fall, he was moved into the council headquarters city of Marquette to serve Red Buck District, Delta and Schoolcraft Counties, in addition to his Copper Country duties.

Membership Gain Cited

During his four years in the Copper Country, Scout membership gained from 589 to 908 Cubs, Scouts and Explorers, and Scout units jumped from 5 to 37 packs, troops and posts.

Prior to entering Scouting professionally, he was Scoutmaster of Troop 302, sponsored by St. Michael's Church, Marquette, and has served on camp staffs at Minnevea and Red Buck. He was also a member of Sea Scout Ship 303 in Marquette.

In his new duties, Tibor will be located in the council headquarters in Santa Barbara and serving a district with over 60 units.

He will report for work on his new assignment on Aug. 1. Mr. and Mrs. Tibor, and their two children,

Five Traffic Mishaps Occur In Area; Four Deer Involved; One Motorist Given Ticket

Five traffic mishaps occurred in the area yesterday, with four of them involving deer on highways.

A motorist was issued a ticket in one of the accidents. No one was hurt. All of the crashes were investigated by state police from the Marquette post, and their reports follow:

1. At 9:55 yesterday morning a pickup truck being driven in the wrong lane, east on U.S. 41, by Axel Mattson, 51, Route 1, Negaunee, was struck by a motorscooter operated by Gordon Abramson, 17, Route 1, Negaunee, at County Road JJB, in Negaunee Township.

State police said Abramson was on the crossover and looked to the right, noticing traffic was clear, and drove out, not seeing Mattson approaching from the left.

The right rear of Mattson's 1961 truck and the front end of the motorscooter were damaged. Both were removed from the scene by the owners.

State police ticketed Mattson for driving on the wrong lane of a divided highway.

2. An automobile being driven east on U.S. 41 by Melvin Hjelt, 35, of 424 East St., Ishpeming, struck a deer which darted out from the north (left) side of the highway, at County Road JJB, in Negaunee Township, at 7:40 yesterday morning.

To Conservation Department

The deer was injured and it was turned over to the Michigan Department of Conservation. All deer injured or killed on highways are disposed of by conservation officials.

The front end of Hjelt's 1960 sedan was damaged and it was driven from the scene under its own power.

3. At 8:30 last evening an automobile being driven east on M-28 by James Parsons, 43, of 225 Craig St., Marquette, struck a deer which ran out from the north (left) side of the highway, just east of the Kawabawgam Lake Rd., in Choccolay Township.

The front end of Parsons' 1955 sedan was damaged and the car was driven from the scene under its own power.

4. An automobile traveling east on County Road 480 and operated by Ned Wicker Jr., 25, of 717 Wabash St., Ishpeming, struck a deer which ran out from the south

(right) side of the highway, just west of the Lake Superior & Ishpeming Railroad Co. crossing in Negaunee Township.

The mishap occurred at 4:45 yesterday afternoon and resulted in the front end of Wicker's 1957 sedan being damaged. The vehicle was driven from the scene under its own power.

5. At 10:40 yesterday morning a car being driven east on U.S. 41 by Russell Balconi Jr., 34, Route 1, Negaunee, struck a deer which ran out from the south (right) side of the highway, at the Carp River Bridge, in Negaunee Township.

The car, a 1962 sedan, damaged on its front end, was driven from the scene under its own power.

8 In August Pre-Draft Call Here

Eight young men who are registered with the Marquette County Draft Board will take their pre-induction physical examinations next month.

This will be the 160th pre-induction call for the Marquette County Draft Board under terms of the 1948 Selective Service Act. It is scheduled for Wednesday, Aug. 7.

There will be no induction call for the county next month.

Notices In Mail Next Week

Mrs. Frances Drake, Marquette, clerk in charge of the draft board's office here, Post Office Building, said notices of pre-induction will be mailed during the coming week to the eight registrants to be summoned for the call.

Registrants summoned will go to the regional examination and induction center in Milwaukee to take the examinations to determine their physical fitness for service in the armed forces.

Dairy Month One Of Decline For Upper Peninsula Farmers

June, the month of the milk flush and the nation's Dairy Month, showed further losses by dairy industry in the Upper Peninsula, reports the U. S. Department of Agriculture, which administers the U. P. Milk Marketing Order.

Upper Peninsula dairying, the most important part of the area's agriculture and contributing most of its income, has been slipping steadily under loss of markets for Upper Peninsula milk and because of technical changes within the industry which require larger investments by dairy farmers in their business, and larger volumes of production so that increased cost of operation may be spread more thinly.

Chief fight of U. P. dairymen has been to hold their Class I (drinking milk) market in competition with Wisconsin dairymen, the best in the nation and with a chronic surplus that they dump where they can.

This drinking milk market is the best paid of all, paying the milk producer \$3.58 a hundredweight in June, while the Class 2 (milk for manufacturing into dairy products) market paid only \$3.08 for the same amount of the same quality.

Drinking Milk Profitable

It is the practice of most dairy farmers to sell as much as they can in the drinking milk market, dump their surplus in the milk for manufacture market, which is a marginal operation for most of them.

Both are necessary parts of a milk industry economy, but the greater proportion sold for drinking milk the more profit.

In June the number of milk handlers had declined to 27 from 29 a year ago and the blend (average) price of milk per hundredweight was \$3.49 compared with \$3.50 in June 1962.

Total number of producers had declined 38 in a year, from 634 in 1962 to 596 in June this year.

Fines Totaling \$149 Levied By Justice

Eight persons were assessed a total of \$149.80 in fines and costs when they appeared before Justice George J. Fezzy in Marquette Township Court.

Stiffest sentence was meted out to James E. Peterson, 24, Maple, Wis., who was fined \$30 and ordered to pay court costs of \$5.50 on a charge of reckless driving.

Arrested In Township

State police arrested him July 9 on U. S. 41 in Marquette Township.

For speeding — driving 50 miles an hour in a 35 MPH zone, Anthony J. Miluchec, 623 Division St., Marquette, was fined \$5.70 and ordered to pay \$4.30 costs. He was ticketed by state police July 11 in Marquette Township for driving 70 miles an hour in a 55-MPH (night) zone.

Noreen A. Pohl, 619 Champion St., Marquette, paid a \$3.70 fine and \$4.30 costs for disregarding a stop sign at the junction of highway M-35 and County Road 455 in Forsyth Township. She was issued the ticket by state police on July 7.

Improper Passing

On a charge of improper passing on a hill, Phillip J. Logan, Sawyer Base, paid a \$10.70 fine and \$4.30 costs. Logan was ticketed by state police July 9 on County Road 480 in Sands Township.

Kathryn A. Oust, Route 2, Box 158, Marquette, paid costs of \$4.30 for defective brakes on her car. She was issued the ticket by state police July 5 on U. S. 41 in Marquette.

On a charge of no flares or warning devices on truck, Kenneth E. Swift, Keego Harbor, Mich., paid a \$5.70 fine and \$4.30 costs. Swift was ticketed by state police June 30.

The number of tank (bulk) producers increased from 233 to 332 and the number of can producers declined from 381 to 264 as more marginal farmers retired from the milk business.

Total Production Drops

U. P. farmer income from milk at test declined to \$430,816 for the month, a loss of \$27,426 from a year ago and individual average seven day production brought a milk check of \$168.66, a penny down from a year ago.

Total production of milk was 12.2 million pounds, a decline of 258,383 pounds.

Most of this loss was in drinking milk, which took 55.49 per cent of the total, compared with 56.98 per cent a year ago.

Six Persons Fined Here; Trial Slated

Six persons were ordered to pay a total of \$137.10 in fines and costs by Judge Edward H. Dembowski in municipal court yesterday.

In addition, Judge Dembowski scheduled a trial Friday, July 26, in the case of Gertrude M. Anderson, 44, Milwaukee, who pleaded not guilty yesterday to a charge of drunk driving.

Posts \$100 Bond

She was arrested yesterday morning by city police, following an accident on W. Washington St. Bond of \$100 was posted yesterday and she was freed.

For selling beer to a minor, Stella Lasater, 23, of 429 Craig St., was ordered to pay a fine of \$50 and \$5.10 costs. City police arrested her for an offense which occurred Sunday at the Shoreland Bar.

Fined For Trespassing

Gerald L. Connors, 28, Palmer, and Earl Waters, 42, Palmer, were each fined \$25 and ordered to pay costs of \$4.30 for trespassing on the Huron Mountain Club in Powell Township. They were arrested Friday by a deputy sheriff on Cedar Creek, at the Huron Mountain Club.

A fine of \$6.30 and \$3.70 costs were paid by Roland P. Balander, Lake Leelanau, Mich., for making an improper left turn at the intersection of Front and W. Washington Sts. Saturday. The summons was issued by city police.

Right-Of-Way Violation

Lillian M. Ripelle, Route 2, Marquette, paid a fine of \$6.30 and costs of \$3.70 for failure to yield the right-of-way. She was ticketed by city police July 8 following an accident on W. Main St.

A fine of \$5 and \$3.70 costs were paid by Tine A. Silta, Skandia, for failure to secure a parked vehicle. City police issued the summons July 9 following an accident at the corner of W. College and Presque Isle Aves.

Liability Curbs Recreational Use Of Private Forest Lands

BY JEAN WORTH
Journal Special Correspondence

The great boom in outdoor recreation in America has now established itself as much more than a fad of the hula hoop variety.

The nation's experts in recreation who greeted the first wave of campers, picnickers and other outdoor enthusiasts of the boom with the expectancy that it would have changed their thinking. They say now that it is a well-grounded change in the economy and social pattern of the country and headed for a steady and possibly spectacular increase in the future.

Concern Over Future Demands

This gives government agencies like municipal parks systems, county boards of supervisors, the Parks and Recreation Division of the State Conservation Department and the National Park Service and U. S. Forest Service concern over future demands upon them for facilities.

Most recreational planners say it is desirable that the cost of providing parks, recreation areas, campgrounds, beaches and other facilities be spread among the various levels of government. They say that it's necessary for these various agencies to coordinate their efforts so that each of them doesn't try to supply all the parks needed, with a huge and unnecessary cost to the taxpayers.

Question Of Liability

Recreational planners say that private lands open to public recreation are a hope of accommodating huge numbers of outdoor recreation seekers without excessive spending on public facilities, but private landowners are wary of opening their lands to the public because of the liability involved in event of accidents on their properties.

In the Upper Peninsula thousands of acres of privately owned woodlands are open to public hunting and fishing because they are enrolled for deferred tax treatment under the Pearson Act to encourage growing of timber. To encourage the opening of these and other private forest lands to the public, it has been proposed that the Legislature exempt landowners from liability for recreational visitors.

Enacted In Other States

Though several times proposed, a law to exempt the landowner from the duty of making his premises safe for others has not been enacted in Michigan. Such laws have been enacted in New York, New Hampshire, Maine, Pennsylvania, Georgia, Minnesota and Virginia. Lack of such laws increase the pressures for government acquisition of recreational lands.

These laws do not relieve the landowner of liability for willful or malicious failure to guard or warn against a dangerous condition, use, structure or activity, and they do not limit liability in any case where a consideration is charged for permission to use the land.

A. W. Nelson Jr. of Champion Papers, Inc., Hamilton, Ohio, told a forestry symposium at Louisiana State University that many persons have the idea that whenever they are involved in an accident they are automatically entitled to damages if they can just find the right person to sue, but that before an injured person has a cause of action, the injury must have been caused by the negligence of someone else.

The modern way of handling risks, he said, is through insurance. Insurance companies do not object to a tree farmer allowing others to use his property for hunting if it is gratis, said Nelson, but if he leases his property for hunting the owner should require the club or individual to carry public liability coverage. The landowner liability exemption laws enacted in many states are the other hedge against this problem.

"The ownership of land," said Nelson, "creates a potential liability and expressed or implied invitation to use the premises increases the liability for injuries occasioned by failure to use ordinary care in keeping the premises safe. Landowners may tend to reduce this risk somewhat, but it is my opinion that a prudent owner would further safeguard his interests with liability insurance."

Convicts Used Hair Clippings In Jail Break

JACKSON (AP)—Hair clippings from the Southern Michigan Prison barber shop were used for the head of a dummy left in a cell block by one of the four convicts who escaped April 23.

The hair was taped on toilet tissue wrapped up in the shape of a man's head.

Prison guard Byron J. Stanfield testified to this Tuesday in the appeals hearing of two fellow guards who were fired for negligence in the prison break.

Three of the four escaping long-term convicts left dummies in their cells to cover their escape. The four sawed their way to freedom. All later were recaptured.

Masses Of Dry Air To Blame For Drought

ANN ARBOR (AP)—Large, dry air masses moving down from Canada to block moist air masses from the Gulf are responsible for the drought in Michigan and the Midwest, University of Michigan meteorologists believe.

The weather scientists say that when this happens, rains fall elsewhere. They add that this also accounts for recent record cold nights.

Can't Explain Movement

However, meteorological theory can't explain yet what causes the movement of the high altitude winds—unusual for this time of year—which move the air masses south.

U-M meteorologists and engineers are deeply involved in the search for the answer. One of the more effective means of learning about these and similar weather

problems has been the series of Tiros weather satellites.

The satellites take television pictures and photographs of large cloud formations and corresponding wind patterns, and measure the earth's heat balance with sensitive instruments.

Heat Balance

The heat balance is the difference between energy received from the sun and that re-radiated or reflected by the earth.

U-M meteorologists, under National Aeronautics and Space Administration sponsorship are interpreting such information from the Tiros satellite to fit it into weather theory.

Ann Arbor City Hall Picketed For 7th Night

ANN ARBOR (AP)—Supporters of a fair housing ordinance picketed City Hall and the regular City Council meeting for a seventh straight Monday night.

As before, the picketing was

peaceful and quiet. About 180 persons took part.

The picketing is sponsored by the bi-racial Fair Housing Association, an affiliate here of CORE (Congress on Racial Equality).

The council has passed on first reading an ordinance banning discrimination in certain housing. A final reading is yet to be scheduled. A council committee studying the ordinance reports later this month.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plates dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just apply a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor breath." Get FASTEETH at drug counters everywhere.

Dear Abby...

BY ABIGAIL VAN BUREN

DEAR ABBY: I am nine years old and have not missed one Sunday school class since I started. I don't believe in God any more. We set the date for our class picnic to be June 8. On May 20 I started to pray for a nice day on June 8 and do you know what? On June 8 it rained. Why did God have to make it rain on that day? Doesn't He listen to prayer?

NO MORE PRAYERS

DEAR NO MORE: Be assured that God DOES listen to prayers. Honey, maybe He was answering a prayer for rain from some farmers in Iowa, Kansas, Nebraska and Illinois. Those farmers start praying in April! Now, isn't a farmer's crop more important than a picnic? (P. S. I'm from Iowa, and if our farmers didn't get rain when they prayed for it, believe me, it was "no picnic" all year for the merchants in the surrounding area.)

DEAR ABBY: What do think of a woman who knocks nine years off her age when she knows a man is interested in marrying her? I told her my real age, but she lied to me about hers. I found out accidentally yesterday. I am now married to this woman and satisfied with her in every way, but I don't like to be fooled. She looks younger than she is, but if I had known her real age when I went with her maybe wouldn't have married her. What should I do about this, if anything?

SATISFIED BUT MAD

DEAR SATISFIED: Any woman who can "knock nine years off her age" and get a-

mother hired someone else to do what I do, she'd have to pay her. Do you think this is fair?

UNPAID SITTER

DEAR UNPAID: If your mother could afford to hire someone else, she probably would. Do what you are asked to do, good-naturedly, and do it well. Make YOUR plans a little in advance and ask your mother if you may be "free" to go. And you aren't exactly "unpaid." Look at all the practical experience in child-rearing you're getting.

with it is a pretty good hater. She was wrong to have lied to you in the first place, but if you are "satisfied with her in every way, you'll get over your "mad."

DEAR ABBY: This is my problem and also the problem of many of my friends, so I hope you'll use it in your column. Why do mothers make unpaid baby sitters out of their teen-age daughters? I can't make any plans because at the last minute my mother has to go some place, and I have to stay home and take care of my little brother. Even when she's home I have to give him lunch, his bath, or just watch him. I wouldn't mind so much if I got paid for it. If my

HALT JUNGLE QUEEN!: Sorry, the man is just as married as he would have been had he been sober.

NOW HOW MUCH FURTHER TO TREASURE?

ABOUT SIX MILES... TWO LEAGUES ON THE MAP. IS TOO DARK AND COLD TO REACH IT TONIGHT.

WE CAN'T SEE OUR DISTANT LANDMARKS.

OKAY... I WAIT TILL DAWN, WE TAKE TURNS GUARDING YOU. ONE FALSE MOVE, AND WE SHOOT!

HOW DO WE KNOW YOU WON'T AFTER WE SHOW YOU THE GOLD?

ALREADY HE WAS WANTED FOR MURDER. HE WILL LEAVE NO WITNESS ALIVE TO IDENTIFY HIM!

YES... WE MUST FIND A WAY TO GET HIS GUN BEFORE WE REACH THE CAVE!

FRECKLES

GOSH, LAST NIGHT I WAS READING MY DIARY.

HOW WAS IT, HILDA?

FRANKLY, RATHER BORING!

WHY'S THAT?

BECAUSE I MOSTLY DATE LARD, I GUESS.

HE'S RATHER NICE IN PERSON, BUT AWFULLY DULL IN PRINT!

Ishpeming City Band Offers 5th Summer Concert Tonight

ISHPEMING — Under the direction of Roy Ketola, the Ishpeming City Band will present its fifth summer concert in the parking lot of the Miners' First National Bank at 7:30 tonight.

Two overtures have been chosen for this week's program, "Manhattan Tower Overture" (Osser) and the musical hit, "Sleeping Beauty" (Yoder).

South Of The Border
The band will travel south of the border this week as it plays the Mexican number "Parade" (Morrissey) and "Broadcast from Brazil" (Bennett).

Old favorites in this week's concert include "Street Scene" (Newman) and "Manhattan" (Rodgers and Hart).

Four Marches Scheduled
Two sections of the band will be featured as the clarinets play "Dreaming Winds" (Christensen) and the trumpets play "Trumpets Ode" (Coffield).

The concert march "Marcho

Poco" (Moore) and three other stirring marches, "Salute to the Stars and Stripes" (Huff), "Indiana State" (Farrar) and "The Northern Pines" (Souza), high-light tonight's concert.

Detroit Post Office Has 1st Labor Contract

DETROIT (AP)—The Detroit Post Office has its first labor contract.

Covering 2,400 employees, the contract deals with seniority, grievance procedures and "preferred duty" assignments. It was signed Monday with the National Association of Letter Carriers, Branch 1.

Postmaster Edward L. Baker said the agreement is in line with President Kennedy's order extending bargaining rights to federal employees.

The contract does not include wages and fringe benefits. Congress sets these.

Five Persons Pay Fines In Payne's Court

BARAGA — Fines and court costs amounting to \$43 were collected from five persons arraigned before Baraga Justice of the Peace John F. Payne during the past week.

Ralph L. Hill, 30, of Milwaukee paid a \$5 fine plus \$5.60 court costs for making an improper right turn into the wrong lane. He was ticketed as the result of an auto accident on Broad St. in L'Anse.

Ordered To Make Restitution
Sylvester Patrikus of L'Anse, arrested by Sheriff Harold Heikkinen for issuing a check without sufficient funds in the bank, was ordered to make restitution of \$32.29 for the bad check to a L'Anse businessman and to pay \$7.50 court costs.

Patricia A. Winer, 37, of Mellen, Wis., paid a \$3 fine and \$4.30 court costs for disregarding a stop

sign at the intersection of U.S. 41 and M-28 in Covington Township. John C. Mansfeldt, 27, Baraga, ticketed for making a left turn without a signal, was fined \$5 and \$4.30. For driving a vehicle with defective turn signals and no brake lights Edward Cadeau Jr., 41, Pelkie, paid \$3 and \$4.30. With the exception of Patrikus, all were ticketed by state police from the L'Anse post.

Fun House Interior Destroyed By Fire

FORT LEE, N.J. (AP)—The interior of the fun house at Palisades Amusement Park was destroyed by fire Tuesday.

Anna Cook, manager of the park, estimated the damage at a quarter of a million dollars.

Fire Chief James F. McGraw of Cliffside Park said he believed the fire was started by an electrical short circuit.

Mrs. Cook said the park atop the Jersey Palisades across the Hudson River from Manhattan would open today as usual.

Hosking Tours Europe With 'M' Glee Club

ISHPEMING — Curtis Hosking, son of Mr. and Mrs. Eugene Hosking, 200 W. Ridge St., a senior at the University of Michigan this fall, is one of the members of the university's Men's Glee Club who are on tour during the summer.

The glee club won first place in the annual International Music Festival in Llangollen, Wales, recently.

The 50-man club, directed by Philip A. Duey, also won the festival in 1959. It was the first American group to win the competition at that time.

A summer tour which began on June 8 in Rome will end in Glasgow, Scotland.

Mining Firms On Marquette Range, Union Reach Accord On Contract Renegotiation

ISHPEMING - NEGAUNEE — Representatives of mining companies on the Marquette Range and of the United Steelworkers have reached agreement on contract renegotiation, completing bargaining which began earlier this summer in Pittsburgh.

Agreement by union officials and officials of the Cleveland-Cliffs Iron Co., Jones & Laughlin Ore Co. and Inland Steel Co. follows closely general accord reached between big steel and the United Steelworkers earlier in the year. The new agreement extends the

contract until December 1965. The contract previously was to have expired next June.

Provisions of the contract include:

- Extension of the savings program and establishment of a 13-week "sabbatical" vacation plan.
- Improved insurance and hospitalization benefits.
- Revision of job classification manuals.
- Experimental agreement covering outside contractors, supervisors and overtime.

Agreement To Have Sewage Treatment Plant Operating By 1966 Signed At Forsyth

GWINN — The Forsyth Township Board has signed an agreement with the State Health Department to have plans for sewage treatment ready by April 1, 1964, to start treatment plant construction by April 1, 1965, and to have the plant operating by April 1966.

The agreement was reached after the Michigan United Conservation Clubs acted favorably on June 21 on a Delta County Sportsmen's Club resolution asking for Gwinn sewage treatment.

Joseph Bal, Escanaba, of the Water Resources Commission stated that Gwinn's sanitation problem was a public health problem there more than a water pollution concern downstream. The sewage goes into the Escanaba River now.

Long Term Effects Harmful

After treatment facilities are constructed, only the effluent will be discharged into the river. Fishing is done in the stream, but bathing and swimming is done at the county park, a considerable distance above where any sewage enters the river.

The sewage discharge into the stream causes an oxygen demand

on the stream in periods of low water and the long term effects of the discharge have been described as harmful to the stream.

Effects Of Detergents

Long term effects of detergents resident in the stream are a sportsmen's concern.

The Gwinn sanitation problem has been increased by the great influx of population into the area with the buildup of the nearby K. I. Sawyer Air Force Base.

Completion of the new high school will not be hampered by having to construct a cesspool. The school is now permitted to use the river for its sewage until construction of a disposal plant.

The Francis Engineering Co. made an estimate of the cost of sewage treatment facilities for the Gwinn area only of \$150,000 and, if New Swanzy were included, \$195,000, with 50 per cent being paid by the federal government.

Briton Bids For Ban On Sex Parties

LONDON (AP)—A Laborite legislator said today he will press for legislation to outlaw promiscuous sex parties attended by persons having access to secret government information.

Arthur Lewis said he would ask Home Secretary Henry Brooke in Parliament Thursday "if he is aware of the risks to security that may be caused when parties, at which promiscuous sexual behavior takes place, are organized and attended by persons having access to secret information and if he will introduce legislation to make such parties illegal."

Reports of high society sex parties have circulated in London for months.

Mandy Rice-Davies, Christine Keeler's 18-year-old colleague in call girling, told of one party where the door was opened by a man dressed only in his socks.

At another, she said, a well-known man, asked except for a mask to hide his identity, served dinner to the guests.

During the preliminary hearing of vice charges against Dr. Stephen Ward, 50, society osteopath and mentor of Christine and Mandy, testimony was given that Ward invited one girl to go to a party where she would see girls whipped.

Eight Persons Pay Fines In Gwinn Courts

GWINN — Eight persons paid a total of \$133.70 in fines and costs when arraigned before Justices of Peace Arthur Burkman and Clifford Powers in the Gwinn Town Hall.

Lawrence Copley Jr. of Gwinn, driver of a truck owned by Joe Hamel of Champion, was ticketed by James Ghiardi, state weighmaster, for having an overload of earth. He paid a fine of \$40 and costs of \$4.30.

Robert Ranson of Sawyer AFB was issued two tickets, one for violation of the basic speed law, causing an accident, for which he paid \$13.70 in a fine and costs, and the other for failure to report a property damage accident, for which he paid \$13.70.

James Oom of Forsyth paid \$3.70 for violation of a restricted operator's license (not using eye glasses). Robert Whited and Jerry Chilo, both of the Sawyer AFB, paid a total of \$17.40. Whited paid \$3.70 for having a defective muffler, and Chilo paid \$13.70 for leaving the scene of a property damage accident. Ranson, Oom, Whited and Chilo all were apprehended by state police.

Dan Mongiat of Negaunee paid a fine of \$25 and costs of \$5.50 following his apprehension by the Gwinn police for being drunk and disorderly in New Swanzy and made restitution of \$14.30 for damage done to the Forsyth jail. Others apprehended by Gwinn police were James Gibson of Walled Lake, Mich., who paid \$3.70 for having a defective muffler, and Oliver Saari of Gwinn, who paid \$6.70 for failure to yield the right of way.

Finnish Christian Fellowship Group Formed In L'Anse

L'ANSE — A Finnish group has been organized under the auspices of St. John's Lutheran Church Women in L'Anse.

At a meeting at Mrs. Matt Autio's home, Mrs. Henry Erickson was chosen group leader and Mrs. Katherine Maki group recorder.

The group will meet monthly for informal Bible study and Christian fellowship. A Bible study series entitled "Salvation Made Plain," which has been translated into Finnish, is now being used by the group.

The next meeting will be held Thursday, July 25, at 2 p. m. at the Maki residence. Anyone interested in visiting the group is invited to do so. Membership in St. John's Church is not a requirement. Further information may be obtained by contacting one of the members or Pastor Erickson (phone 524-6055).

L'Anse State Police Issue June Report

L'ANSE — State police officers from the L'Anse post logged a total of 2,053 man-hours during 205 man days, averaging 10 hours per day during June, according to Sgt. Orley L. Perry, commanding officer.

The nine troopers assigned here investigated 80 complaints, including eight from other posts, during 268 hours spent on this detail. In addition, they worked 720 hours on traffic patrol, five hours on other traffic work and 611 hours on administration and supervision. They spent 211 hours on night duty assignments, 105 hours on fatigue work, 87 on

training activities and the remaining 46 hours on miscellaneous assignments.

The patrol cars were driven 7,550 miles in 539 hours on traffic patrol work, 760 miles on investigation of traffic complaints, 2,220 miles on other complaint duties and 170 miles on other assignments.

Troopers arrested 43 persons for various traffic offenses, five on other patrol activities and another four on various post complaints. They investigated 89 autos, assisted 28 motorists and issued verbal warnings to 87 others. In addition, they completed 267 property inspections, 102 liquor inspections and 122 miscellaneous duties.

MUSKRAT FUR

The muskrat is considered first among most valuable furbearing animals in North America, in the point of number of furs used. Trappers take between 10 and 12 million muskrats annually.

Alger County Dairy Records Announced

MUNISING — John Matekel, Alger County dairy herd improvement tester, announced the following records and achievements for June:

Milk production — Edgar Williams herd, Trenary, 1,673 pounds of milk per cow; Lud Knauis, Traunik, 1,471; Arnold Hill, Trenary, 1,239; Robert H. Smith, Chatham, 1,110; Uho Pokela, Traunik, 1,087; Ed Luoma, Eben, 1,054; Wilho Salo, Eben, 1,050; Ed Stone, Trenary, 996; John Henning, Traunik, 924; Gunner Benson, Eben, 922; William Debelak, Traunik, 920; and Wilh Lauria, Limestone, 918.

Butterfat production — Edgar Williams herd with 53 pounds per cow; Lud Knauis, 49; Arnold Hill, 45; Uho Pokela, 42; Ed Stone, 39; Gunner Benson, 39; Ed Luoma, 34; Wilho Salo, 3; Robert Smith, 37; John Anderson, 36; Arthur Swajanen, 35; John Henning, 34; and Walter Mak, 33.

Pounds of butterfat per cow per day ranged from 1.0 to 1.8, and feed cost per 100 pounds of milk ranged from 65 cents to \$1.95 with an average of \$1.18 for all herds on test. During June, 17 herds were on test with 406 cows being tested. The butterfat test ranged from 3.18 to 4.28.

"Dairy herd production testing

doesn't cost—it pays," said John P. Campana, Alger County extension director. "There are other practices, however, which must accompany testing. These are to cut costs with top quality roughages; supplement the roughage ration; determine the future of your herd with top quality herd replacements; breed cows for 12 months interval between freshenings; strive for high production per acre, cow and man for lower costs; manage pastures for greatest returns; produce quality products and prevent disease from stealing your profits."

The institute, one of 33 of its kind to be offered in the United States, is designed to bridge the gap between scientific research and scientific teaching while aiding elementary

Council Gets Sample Zone Ordinances

NEGAUNEE — Sample zoning ordinances from the Michigan Municipal League, which provide for areas in which trailers may be set up, have been distributed to members of the Negaunee City Council for consideration at their next meeting.

One of the ordinances being studied is the regulation which is in effect at Kingsford.

In a letter to the manager, John E. Osmer, league staff engineer, pointed out that municipalities have the power to prohibit parking of house trailers in residential zones and that the Michigan Supreme Court in a 1955 decision declared the only way trailers may be banned from residential areas is through the zoning power.

Osmer noted that many communities provide for house trailers in their ordinances by stipulating they must be located in authorized trailer camps which are permitted in industrial or commercial districts.

Forsyth Board Hears Complaint On Dog Shooting

GWINN — Felix Dozzi of Princeton entered a complaint to the Forsyth Township Board at its meeting Monday evening in the Gwinn Town Hall concerning his collie dog, which had been shot by the dog warden, Charles Crandell, about two weeks ago.

The dog wore a 1962 license, and Crandell said Section 18 of the dog ordinance states a dog may be shot on sight without previously being impounded if not properly licensed.

The complaint was tabled by the board for further investigation.

Dozzi claimed that the dog was harmless and was prized as a pet by his children. He said Crandell failed to notify him that the dog was shot.

Tree Shearing Program Set Thursday

L'ANSE — A shearing demonstration on plantation grown pine and spruce trees is scheduled for tomorrow evening at the George St. Ouge plantation a half-mile east of L'Anse. The event will get under way at 6:30 p.m.

Roy E. Skog, Michigan State University extension forester, Marquette, will show proper shear-

ing techniques, discuss when shearing should begin, how many times trees should be shorn and the best time of year to take care of this job. Shearing involves cutting back new foliage to produce trees with the desired shape and density. Skog also will discuss insect and disease problems which are often encountered by plantation owners, and how they can best be controlled.

Baraga County Agricultural Agent G. F. Biekkola stated that shearing is essential for production of high quality Christmas trees and added that, for best results, shearing must begin when trees are about three feet tall.

Biekkola also invited home owners who have evergreen landscaping plants to attend the demonstration, since the techniques of shearing Christmas trees and evergreen shrubs are very similar.

Detroit Musicians Closer To Agreement

DETROIT (AP) — The Detroit Symphony Orchestra and its musicians are one step closer to a new agreement on pay.

The orchestra's board of trustees Monday approved Mayor Jerome P. Cavanagh's offer to increase the city's support by \$22,500. The proposal now goes before the Detroit Federation of Musicians (AFL-CIO).

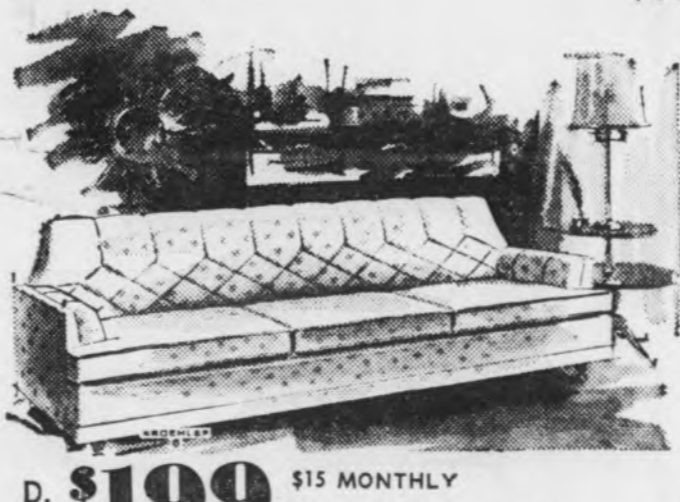

Orchestra management said the additional money from the city would go into musicians' pay.

Work Started On Negaunee Industrial Arts Building

NEGAUNEE — Work has been started by Sampala Construction Co. of Marquette on alterations to the Negaunee High School industrial arts building in accordance with recommendations of the state fire marshal.

Three firms submitted bids on the project at the July meeting of the board of education, and Sampala was awarded the contract with the low quotation of \$10,600. The contract calls for the work to be completed within 75 days or by Oct. 1.

To Replace Ceiling
Remodeling will include replacement of the existing ceiling in the band room on the third floor of the building with a ceiling of fireproof material, enclosing stairways at the north end of the building to provide a protected means of escape to the outside from each floor level, enclosing the main stairway from the third floor to the entrance to the building and installing fire doors on all shop and storage rooms.

In other action at the July session, the board approved purchase of 20 double lockers for the high school building, 25 additional seats for the auditorium, creation of a supply room on the third floor of the high school and appointment of a four-man committee to investigate school sites in the Palmer area. The committee is comprised of Lawrence G. Collins, a member of the board, Supt. Robert E. Northey, Business Manager T. George Williamson and Stephen Trewella, principal of the Kirkpatrick School at Palmer.

Alger County Direct Relief Costs Decline

MUNISING — Direct relief for Alger County for June amounted to \$4,820.03, a decrease of \$1,019.66 from the previous month, according to Mrs. Alice Aley, director of social welfare.

A breakdown of the expenditures shows that food and household necessities cost \$272.50, shelter \$85, fuel \$21, medical and dental \$249.70, boarding care \$1,642, cash disbursements \$588.53 and out of county payments \$297.80.

Public assistance for the same period totaled \$16,010, which was \$116 under May. Old age assistance received \$7,868, aid to the dependent children \$7,298 and aid to the blind \$844.

Surplus food commodities were given out in 323 cases, involving 1,078 Alger County residents.

Five Marches On Negaunee Concert Slate

NEGAUNEE — Five marches are listed on the program to be presented by the Negaunee City Band at 7:30 Thursday night in the municipal band shell. The unit will be under the direction again this week of Assistant Director Joseph Barabe, as Director Lawrence Nylander is out of the city on his annual vacation.

Opening the program, the band will play "Americans We," a march by Fillmore. Other marches will include Filmore's "Klaxton," "Goldman Band" (King) and two Spanish numbers, "El Matador" (Carazo) and "Commandie" (Guentzel).

As the overture, which is part of the weekly concert, Barabe has selected "Golden Dragon" (King), while the popular selection will be Hoky Carmichael's "Lazy River."

Rounding out the program, the band will play "Copa Cabana" (Walters), "The Bells of St. Mary's" (Adams), "Scarlet Mask" (Jamenik) and "Come Back to Sarento" (DeCurtis).

Loan Company Holdups Net Thieves \$1,700

DETROIT (AP) — Holdups at a Wayne loan company and a Detroit savings and loan association netted \$1,700 Monday for two separate robbers, both claiming to be armed.

One held his right hand in his pocket as though armed and took \$454 from the General Public Loan Co. at Wayne.

The other took \$1,285 from Wayne Federal Savings and Loan Association in downtown Detroit after handing a teller a note saying, "If I pull my gun we will all die."

A. Lindberg and Sons, general contractors, are working on the 1.1 mile of new road stretching from U.S. 41 to Washington St., near the Carp River Bridge west of the Robbins Flooring Mill.

3,000 Yards Daily
This project initiated the Township of Ishpeming's new road program in conjunction with the Marquette County Road Commission.

On the \$188,438 project over 3,000 yards of black muck and dirt are being excavated daily. In some places, the excavation goes down 17 feet.

To Be Completed In Fall
Immediately following the removal of black muck, backfill is poured in by a fleet of 12 tandem trucks with 10-yard loads.

Over 40,000 yards of backfill, a porous selected fill, have been dumped over the road site. All in all, the contract calls for 106,800 yards of backfill in the project which is scheduled for completion this fall.

44 Feet Wide
The finished road will be 44 feet wide and will have 630 feet of six-inch drain tile (315 feet on each side).

After the backfilling is completed, the road will have an 11-inch coat of gravel following the the grating of the backfill material, then approximately two and one

half inches of bituminous concrete (blacktop) will be laid.

Another Project Scheduled
There are 25 men working on the project, using such equipment as an 80-D three-yard shovel, an 80-D drakline for "mucking," a 280-Michigan heavy duty dozer, a model 6 dragline and 12 tandem trucks capable of carrying 10 yards.

Ken Walimaa, township of Ishpeming supervisor, said that after the final grading has been met on state M-28 business route, the county will begin the reconstruction of West Ishpeming streets, which will consist of grade lifting and drainage, drainage corrections and blacktopping.

Ingot Output Runs Ahead Of '62 Figure

CLEVELAND — Steelmakers continue to cut operations to balance them with incoming orders, but ingot production last week was still 45 per cent ahead of 1962's output for the corresponding week, Steel magazine said today.

The eighth consecutive drop in production is predicted for this week. Although output will be less than the 2,020,000 tons Steel estimates were made in the week ended July 13, it will be far ahead of the 1,370,000 tons made in the corresponding week of 1962.

Operations this week will be near 65 per cent of unofficial capacity compared with about 85 per cent in late May and early June.

Adjusting Inventories
Achieving market stability probably will take several weeks, but some signs are already apparent. Some mills say the downturn has abated while others report a modest upturn.

Instead of canceling orders, most users are adjusting inventories by pushing part of their July tonnage into August and part of their August tonnage into September.

Automakers and appliance firms are spreading their sheet inventory adjustments over the balance of the year so as to minimize steel market distortions.

Items that are in best demand are those used in construction—galvanized sheets, bearing piles and high strength steels. Others fairly active include semifinished products, plates, standard rails, long term sheets and alloy steels.

Consumers are getting delivery, but mills will ship no more than 16 million tons of finished steel this quarter—30 per cent less than were shipped in the second quarter.

Royal Oak Girl, 5, Drowns In Loon Lake

PONTIAC (AP)—Terri Ellen St. Dennis, 5, of Royal Oak drowned in Loon Lake near Waterford Township in Oakland County Monday during an outing with brothers and sisters. The girl's body was found in about five feet of water just off the end of a long dock. Police said the girl apparently had fallen off the dock.

Stan The Man In The Majors For 22 Years

(By the Associated Press)
NEW YORK (AP)—Contrary to some rumors, Stan Musial is not older than the Mississippi River, the other old man that keeps on rolling along in St. Louis.

He really isn't. It just seems that way.

22 Years Ago

Like, how long has it been since he broke into the majors? Well, it sounds pretty long when you say it was 22 years ago. But it sounds even longer when you consider that when he broke in: Frankie Albert was the hottest thing in college football, Bob Cousy was an 11-year-old kid in New York and Rocket Richard had yet to put a skate on National Hockey League ice.

When Stan broke in with the Cardinals, Danny Murtaugh was a rookie at Philadelphia, Freddie Hutchinson was toiling for Buffalo, Johnny Pesky was a shortstop at Louisville, Billy Hitchcock was serving at Kansas City, Ralph Houk was a catcher at Binghamton and a 19-year-old kid outfielder was playing his first season of professional ball at Albany of the Eastern League. Name of Ralph Kiner.

No TV

Why, when Stan broke in you couldn't find a bar anywhere which had television. They'd have thought you were looking for a frothy, pink drink. And who had heard of penicillin, the Salk vaccine, atomic energy or Frank Sinatra?

He had to muscle his way into an outfield that included Terry Moore and Enos Slaughter. Leo Durocher was still filling at shortstop for the Dodgers from time to time. Mel Ott was still busting them out of the Polo Grounds. Paul and Lloyd Waner were very much in evidence and Casey Stengel was managing the Boston Braves.

Zaremba Age Will Count

JACKSON (AP) — Life may begin at 40 for some but for Ed Zaremba the magic age may be 30.

At 30 most fighters are considered old but at this age the Michigan light heavyweight champion from Leslie, north of here, may just be hitting his peak.

Bout Will Tell

He'll know for sure here next Saturday night when he defends his state crown against Henry Hank of Detroit at the Jackson Fairground in an outdoor scrap scheduled for 12 rounds.

Unbeaten in 17 pro fights, Zaremba still will concede two years and much more experience to Hank, who has had more than 70 pro fights and has faced most of the top middleweights and light heavies of the past few years.

Power Match

The Zaremba-Hank scrap is attracting great interest outside because it shapes up as a clash of power hitters. Zaremba is unbeaten in 17 pro fights and has stopped 10 of his last 11 opponents. Hank always has been known as one of boxing's hardest hitters for his weight.

Zaremba, a four-time state golden gloves champion, won 76 of 82 fights as an amateur but had only a few pro fights before he took a six-year layoff. Returning to action last year he quickly showed he had lost little of his skill.

Match Puzzles some

Hank, although a strong favorite to lift Zaremba's title, has shown a tendency in his career to lose to opponents with inferior records. The willingness of his veteran manager, Harry Baxter, to send him against a foe with the power and desire of Zaremba is puzzling to some.

Both Hank and Baxter say they have lots of respect for Zaremba. As Hank says: "Nobody has beaten him yet. Maybe I won't either."

All-Star Game In Negaunee Thursday Eve

Ishpeming and Negaunee Little Leaguers will clash Thursday night at 6:30 p.m. in All-Star game on La Combe Field.

The Negaunee All-Stars will be managed by Jim Lahtinen, manager of the Negaunee Township Little Leaguers, and Louis Giotto, manager of the Negaunee Lions. The Negaunee team will consist of the following All-Stars: Ernie Piirto and Bill Arbelius of Palmer, Rodney Parkkonen and Mike Ring of the Rod & Gun Club team, Dale Hemmila and George Grandlund of Negaunee Township, Allen Keto and Mike Grisham from Tracy Local 4793, Dexter Stille and Scott Gleason from the VFW squad, Scott Northey and Paul Simons of the Lions, Dave Penrose and Bruce Hoelm from the Elks, and Kurt Wicklund and Dave Paquette from the Negaunee Eagles team.

Ishpeming will invade Negaunee with 30 ball players from the Ishpeming East and West All-Stars.

From the Kiwanis Club, David Donato, Paul Healey, Ron Bergman, Bob Poirier and John Judick; Lowell Anderson, Bernard Suardini, Tom Hammer, David Ameen and Mike Nelson from the CCI squad; William Erkila, Louis Willey, Glenn Oja, Terry Roberts and Mike Sanpaka from the Lions; from the Rotary team, Gary Leclair, Wayne Charbonneau, Larry Larson, Steve Carlson and David Holmgren. The Elks will send Rick Moyle, Peter Andriacchi, Bill Polkinghorne, Randy DeCaire and Pete Moyle; from the Ishpeming Contractors, Terry LaMere, Bruce Millmaki, Terry Maki, Allen Korpi and Ken Mattonen.

One of the purposes of this All-Star game is to familiarize the Negaunee Little Leaguers with the rules which will be used in the Little League Tourney this summer. The Negaunee Little League has been using "make-shift" rules designed to keep all teams on an equal basis.

Henry Bertagnoli, president of the Marquette Amvets Little League, announced today the schedule for the Area Little League Tournament, to be played on July 19 and 20 at Escanaba. The schedule is as follows: Friday, July 19 — 4:00 p.m. — Marquette vs. Manistique; 6:00 p.m. — Escanaba vs. Munising. Saturday, July 20 — 2:00 p.m. — championship playoff.

McKinley Relies On Timing For Tennis Matches

RIVER FOREST, Ill. (AP) — Chuck McKinley, America's top-ranked amateur tennis player, is relying on his excellent timing to keep a pair of tennis dates at the River Forest Club today.

The hard-hitting 1963 Wimbledon champion who recently returned from Sweden was to leave his St. Louis home in time for his first-round afternoon match in the 54th National Clay Court Championships against fellow St. Louisian James Parker.

McKinley said Monday that he would not mind at all playing an extra match. If he wins his first, he'll meet rugged Norman Perry of Los Angeles in the second round.

McKinley was one of five seeded men's players who failed to show up Monday. Second-seeded Dennis Ralston of Bakersfield, Calif.; Marty Riessen of Chicago, No. 3; William Lenoir of Tucson, No. 4, and eighth-seeded Arthur Ashe of Los Angeles, the lone Negro entrant, also will start today.

Little League Prexy Tells Tourny Times

Henry Bertagnoli, president of the Marquette Amvets Little League, announced today the schedule for the Area Little League Tournament, to be played on July 19 and 20 at Escanaba. The schedule is as follows: Friday, July 19 — 4:00 p.m. — Marquette vs. Manistique; 6:00 p.m. — Escanaba vs. Munising. Saturday, July 20 — 2:00 p.m. — championship playoff.

Following championship playoff, a game for consolation position will be played.

Also announced were the schedules for the District and State

Fullmer-Tiger Will Fight August 10

LAOS, Nigeria (AP) — The twice postponed middleweight title fight between Dick Tiger and Gene Fullmer will definitely take place here Aug. 10, said British promoter Jack Solomons Monday.

The district title will be decided also in Escanaba, with the winning representative from Area 1 meeting the Area 3 representative on July 26 at 4:00 p.m., and the Area 2 team confronting the Area 4 squad at 6:00 p.m. on the same day. Winners of these contests will confront each other on July 27 for the District Championship, and a consolation game will follow.

The State Little League Tournament will take place at Chippewa Falls, Wisconsin on August 2, 3 and 4.

Representing Marquette in the Area Tournament at Escanaba this Friday will be the following All-Stars:

Glen Brown, Amvets; Ed Moyle, Amvets; Tom Keranen, Kiwanis; Chris Baker, Kiwanis; Robert Swanson, Kiwanis; Pat Hume, Schillingers; Larry Orr, Schillingers; Dave Nyquist, Elks; Elwin Bell, Elks; Russ Perlich, Iron Range Cable; Charles Bur, Iron Range Cable; Dave Hamari, Bunny Bread; Pat Holm, Bunny Bread, and Tom Dunckers, Elks.

The Marquette All-Star team is managed by Walter Cook and coached by Jim Borro. As in all regular All-Star Tournaments, winning teams advance to the next higher tournament, and thus could go as far as the Little League World Series.

Pitcher Ray Herbert of the Chicago White Sox handled 71 chances without making an error in 1962.

Packers Arrive

GREEN BAY, Wis. (AP) — The last of the regulars pulled into the training camp of the National Football League champion Green Bay Packers Tuesday night and immediately began taking their physicals.

The examinations mean that veterans and rookies alike will begin full scale drills today. The Packers meet the College All-Stars in Chicago Aug. 2.

Prison Club Hosts U. P. Trap Shoot

The Marquette Prison Pistol Club hosted the Upper Peninsula Trap Tournament Monday, and the following shooters classified themselves as indicated:

Skiles—Sault Ste. Marie 48 Winner
Crawford—Marquette 46 First "A" Class
Belfry—Munising 45 First "B" Class
Avery—Ishpeming 45 Second "B" Class
Cooke—Sault Ste. Marie 40 First "C" Class
Robare—Marquette 39 Second "C" Class
Huessner—Marquette 36 First "D" Class
Juchemich—Negaunee 35 Second "D" Class

The meet was under the auspices of the U. P. Shooting Committee. Preparations and eliminations are under way at the Prison for the Inter-Institutional Tournament this fall.

Eddie Yost, third base coach for the Washington Senators, holds the record for most games played by an American League third baseman—2,068.

Bietila's Loses To Robbins, 11-5 In BR League

In Babe Ruth League play Tuesday evening at Ishpeming Playgrounds, Robbins crushed Bietila's 11-5.

With the score 6-4 going into the fifth inning, Robbins came up with five runs on three walks, three errors, and only one hit to put it out of Bietila's reach.

Terry Kipping had a double and single for Robbins and Henry Steel contributed a double and single for Bietila's to lead the loser's attack.

Wayne Palomaki was the winning hurler as he allowed five runs on seven opposition hits.

Chuck Collick took the loss, allowing 11 runs before Nick Linna came in to pitch the last inning and

Four Bowmen Place From Ishpeming

Four Ishpeming archers placed in the Hiawatha Field Archery Meet in Newberry last Sunday.

John Juntti totalled a 648 to place first in Class 250, Stanley Gall, first in the Intermediate Boy's Class with a 452, Harry Gall, second in Class 325 with a 747 total, and Ed Harvala placed third in Class 250 with a 523 score.

put an end to the scoring. AFL-CIO will face Kiwanis on Friday night at 5:30 p.m.

Sailing

CARSON CITY (AP) — Harry Melges of Zenda, Wis., three times winner of sail racing's Mallory Cup, won the third leg of midwest competition in the Flying Dutchman sailboat race on Crystal Lake Sunday.

Melges, who expects to take part in the North American cham-

ampionship Regatta in New Jersey later this month, scored 3,851 Olympic points with two first places and a third. Fred Hibbert of Toledo was second with 3,551 and Richard Trull of Grass Lake third with 2,727. Twenty-three boats from Michigan, Ohio, Illinois and Wisconsin competed.

The Flying Dutchman races are a warmup for the North American event.

Floyd Brings His Disguise To Las Vegas

LAS VEGAS, Nev. (AP) — It wouldn't be fair to say that when Floyd Patterson packed his bags to come to Las Vegas to fight Sonny Liston, he came prepared for defeat.

The ex-world heavyweight champion says he has an equal chance with Liston to regain the title in their Monday night fight. But in the words of Patterson himself, he did bring along his famous disguise of a false beard and moustache in the event he loses "bad."

Disguised Departure

Boxing fans throughout the world were flummoxed, if not astounded, last September when the fallen champion, hurrying from the scene of his one-round knockout to Liston in Chicago, was discovered driving to his New York home alone and lonely, wearing this weird beard and moustache.

Would Cover Shame

"No, not that. But — and I don't think I will lose, or lose bad. Like before. But if I did, I would put it on because I would be ashamed of myself. I would have let my friends down. I would want to cover my face."

Bowling

Excellent games were produced last night in Summer Mixed League Bowling at Marquette Lakes Ice Center. The Tornadoes rolled games of 370, 250 and 150. Dorothy Hennonen carried the district side with a 263 score, composed of 125, 200 and 38 games.

A LONG TIME AGO

LExINGTON, Ky. (AP) — Strangely enough, the worst basketball defeat ever suffered by the University of Kentucky came at the hands of a small college known better for its football upsets of mighty Harvard. Centre College's cake team whipped Kentucky 87-19 in 1908.
