Broken Hip

Former U. S. Sen. Theodore Francis Green, above, is confined to bed with a broken hip, it was disclosed today in Providence, R. I. Today is Green's 96th birthday. (AP Wirephoto).

Dominicans Say They'll Go Bankrupt

SANTO DOMINGO, Dominican Republic (AP) — Leaders in the Dominican Republic say the country will be bankrupt in three months if the United States and other American nations do not accept the regime that ousted President Juan Bosch.

"From a psychological point of view, maybe we'll last only one month," a high-level government official said in an interview. "Public opinion will deteriorate if we fail to get diplomatic recognition and you might see an uprising inside 30 days. Then we'd get a military dictatorship or a Communist takeover."

In U.S. Hands

Officials in the provisional government, businessmen and foreign diplomats, agree that the Dominican future rests in U.S. hands. No one consented to be quoted by name.

Dr. Jose Antonio Bonilla Atiles, ambassador-designate to the United States, flew to Washington on Tuesday in an attempt to get the Dominican Republic invited back into the family of Western Hemisphere nations and win restoration of \$50 million a year in U.S. aid.

Government and business leaders attributed the dismal outlook primarily to the cutoff of substantial private investment funds and U.S. aid programs after the military coup a week ago.

Venezuelans Arrest 158 Reds, Leftists

CARACAS, Venezuela (AP) — President Romulo Betancourt's government says 158 Communists and extreme leftists, including eight congressmen, have been arrested in its crackdown on political terrorism.

Senators Considering Edwards' Nomination

WASHINGTON (AP) — President Kennedy's nomination of Detroit Police Commissioner George Edwards to a federal judgeship is under a senate group's consideration after a three-hour hearing Tuesday.

The Weather

Forecast for Marquette and vicinity — Variable cloudiness and chance of a few brief showers early tonight; low tonight, 45 to 50; Thursday, generally fair and a little cooler. High, mid-60's. Outlook for Friday, fair with near normal temperatures. Forecast for Lake Superior — Northwest winds 25 to 32 knots tonight then slowly diminishing tomorrow. Fair. Lake temperature is 57. Data for preceding 24 hours: Temperatures — 61 at 6:30 a. m.; 72 at noon; highest in last 24 hours, 85 at 4 p. m. Tuesday; lowest, 59 at 7:20 a. m. Relative humidity at noon — 46 per cent. Precipitation — None in last 24 hours; total to date this year, 18.32; normal to date, 24.27. Sun rises at 6:50 a. m. and sets at 6:26 p. m. tomorrow. Records for Oct. 2 — Maximum temperature, 82 in 1953; minimum temperature, 21 in 1908; most precipitation, 2.60 inches in 1884.

Valachi Tells Probers Of Underworld Slaying

WASHINGTON (AP) — Joseph Valachi testified today that a New York underworld boss of more than 30 years ago was slain in a doublecross plotted by some of his own lieutenants. The death of Giuseppe Masseria, alias Joe the Boss, was set up by "Charles Lucky, Vito Genovese and Ciro Terranova," Valachi told the Senate investigations subcommittee. "They were the important ones."

Police Records

New York records show that Masseria was shot in the back and the head while sitting in a restaurant at 215 West 15 St. in the Coney Island section on the afternoon of April 15, 1931.

L. Raul Salerno of the New York Police Department testified the case is still listed in the active file. He said the police record shows the killers escaped and are unknown.

The early part of Valachi's third day of testimony was largely spent in trying to pin down the identity of Girolamo Santuccio, alias Bobby Doyle, the man he named Tuesday as the trigger man in three 1930 mob killings.

Lives In Hartford

Looking at photographs, Valachi and Lt. John Roach of the Hartford, Conn., police agreed that this individual is a man Roach said now lives in Hartford.

"He hangs around the streets and has no visible means of support," Roach said.

In Hartford, Police Chief John J. Kerrigan said Santuccio had been in jail recently, but ran a pizza restaurant until about three months ago.

Valachi had testified Tuesday that Santuccio, or Doyle, lived in Stamford, Conn., in 1960 and was in a juke box and other businesses.

Slip Of Tongue

He told the senators today that was a slip of the tongue.

Robber Gets Prison Term Of 25 Years

DETROIT (AP) — The man who staged Michigan's largest bank robbery ever, and then gave himself up at the Arizona-Mexico border, was sentenced to 25 years in prison Tuesday.

William L. Maus, 28, robbed a bank of Livonia branch of \$132,000 last Jan. 29, several hours after he was declared bankrupt in federal court. He pleaded guilty to robbery last August.

Albert J. DeHette, 21, accused of taking some of the bank loot to care for Maus' wife and four children, received an indeterminate sentence for possessing stolen funds.

\$130,000 Recovered

FBI agents recovered \$130,000 of the Livonia bank loot.

Maus, who was a machine operator for 10 years before losing his job at the General Motors transmission plant in Livonia, told authorities he staged two other holdups before his record-breaking robbery.

He said he held up the Dearborn branch of the National Bank of Detroit March 8, 1962, and escaped with \$20,000. He fled with \$700 from a Livonia loan company Jan. 16, 1963, he said.

Psychiatric Report

U.S. District Judge Ralph Freeman stipulated that Maus spend the first 90 days of his sentence in a psychiatric hospital so Freeman could have a report before reviewing the sentence after three months.

Green Calls Tax Rebate Plan Unfair

(By the Associated Press) Speaker Allison Green of the Michigan House says Gov. George Romney must substantially improve his offer of property tax relief to win passage of a state income tax.

An individual and corporate income tax forms the base on which Romney proposes to reshuffle the sources of \$306 million a year in state revenue. Green termed as "unfair" Romney's rebate plan under which the state would pay 20 per cent of local school taxes levied against property, and said that as proposed by the Governor the relief might last only a year.

"As for an income tax," Green said, "I couldn't support one unless there were substantial relief for the property taxpayer."

that he meant to Hartford.

When Valachi got down to telling about Masseria's slaying, he said that at the time he belonged to a rival gang known as the Maranzano group, and it was waging war with the Masseria group.

But Valachi said it wasn't his group but Masseria's own underlings who gunned Masseria down.

Valachi said "there was peace" between the two mobs after Masseria's murder.

Valachi spent most of Tuesday telling of assassinations and gang warfare back in the 1920s and 30s when hoodlum killers carried their machine guns in violin cases.

'Our Thing'

The big, crowded hearing room grew hushed as he described his ritual, Mafia-like initiation into the crime syndicate which he calls La Cosa Nostra, "Our thing" in Italian.

"This is my doom . . . what I'm telling you now," the 60-year-old hoodlum said grimly after relating how he was sworn in with a knife and gun before him, his finger pricked to draw blood and a piece of paper burning in his hand to remind him that he too would be burned to ashes if he broke his oath.

Two Or Three More

Sen. John L. McClellan, D-Ark., announced his Senate investigations subcommittee has "two or three more murders" from the past on which to question Valachi before bringing his testimony back to crimes of the present.

The subcommittee is investigating the purported nationwide crime syndicate operations, with Valachi as a major witness. And it has said that police testimony will corroborate Valachi's testimony.

The subcommittee has indicated the aim of the hearings is to draw public attention to the racketeering activities and to explore the possible need of new laws to battle organized crime.

Wants Revenge

Valachi has told the senators

'100 Grand' Quiz Show Canceled

NEW YORK (AP) — The "100 Grand" television quiz show which offered a top prize of \$100,000 in cash, has been canceled by the American Broadcasting Co. after three performances.

Executive Producer Robert Stivers said after the cancellation Tuesday.

"The public looked, they weren't interested and they voted no,"

On the show, amateur experts in various fields pitted their knowledge against professional authorities.

During the three-week run — one of the shortest in television network history — "100 Grand" gave out \$20,000 in cash and \$5,500 in savings bonds. No contestant came near the top prize.

Cuban Sawmill Razed In Attack From Sea

HAVANA, Cuba (AP) — A sawmill on the northwest coast of Oriente Province was destroyed early Tuesday in an attack from the sea, the Cuban armed forces ministry announced today.

Nigerian Boss

Nnamdi Azikiwe, 59, above, was sworn in Tuesday as president of Africa's new republic of Nigeria. He had been governor general of the federation. (AP Wirephoto).

he wants to destroy La Cosa Nostra through his testimony because it exploited rank-and-file members like himself and has marked him for execution as an informer.

He has named Vito Genovese, now in prison as a narcotics racketeer, as La Cosa Nostra's dominant power, and linked Genovese's name with bloody gang wars for power.

'Lucky' Luciano

He swore Genovese and the notorious Salvatore "Lucky" Luciano lured another New York gangster, Giuseppe Masseria, to his "death meal" in a Coney Island, N.Y., restaurant to set him up for gang war execution.

Luciano, who was described in the past as one of the leaders of the nation's vice and narcotics rackets, was deported after World War II and died in Italy last year.

The recess came before Valachi had a chance to describe the actual murder of Masseria which the New York authorities list as unsolved.

Slain In 1931

Masseria was slain April 20, 1931, in a war with another mob headed by Salvatore Maranzano, himself a later victim of the war.

Valachi told of accepting without question "contracts" for murder, including the slaying of James Catania, also known as Joe Baker, on Feb. 3, 1931. Six bullets cut Baker down as he walked toward his office.

Valachi said the actual killing was done by Salvatore "Sally Shields" Shillanti, Nick Capuzzi and a Chicago mobster known as Buster who looked like a college boy and carried a machine gun in a violin or guitar case.

2 Fugitives Sent To Jail In Maryland

BALTIMORE (AP) — Two Baltimore men were sentenced to 18 years in the Maryland Penitentiary Tuesday despite their pleas they be sent home to serve life sentences.

The sentencing judge indicated he would reconsider if Michigan were sure to keep the pair behind bars.

Patrick G. Gregory, 28, of Detroit, and Kenneth Lee Wesley, 36, of Jackson, both pleaded guilty to the \$1,000 armed robbery of a pharmacy in North Baltimore last Aug. 1.

Both Are Fugitives

Judge Charles D. Harris, who imposed the sentences in Criminal Court, said he would consider suspending them "if we receive appropriate assurances from Michigan that you're not wanted there, but that you are certain to serve a life term."

Both men are fugitives from Michigan.

A third man charged with the robbery, Terrance Brandt, 21, of Detroit, has pleaded innocent by reason of insanity. A psychiatric examination for him has been ordered.

Two Girls

Two girls from Adrian, Mich., are charged with aiding and abetting in the drug store robbery. They are Virginia P. Patrick, 18, and Shirley J. Blakeley, 17.

Asst. State's Atty. Charles E. Moylan Jr. said he planned to try the girls at the same time as Brandt.

Police Hunt Murderer Of 2 Little Girls

MINNEAPOLIS (AP) — Police and sheriff's men launched a fresh hunt today for the slayer of two small girls whose bodies were dumped in heavy underbrush along a secluded road.

A road worker, chancing to walk into the wooded area in suburban Plymouth Village, came upon the bodies Tuesday, 24 days after the girls disappeared while playing in their run-down southside neighborhood.

Victims of the apparent kidnapping were Melissa Ann Lee, 5, and Barbara Ann Foshaug, 4. "It seems certain now that the girls were kidnaped and slain, but by whom is another question," said Detective Capt. Ralph Deason.

Officers searched the sparsely settled area again today.

Says No

Gov. Nelson S. Rockefeller of New York, above, said today he will not be Sen. Barry Goldwater's running mate if the Arizona senator gets the Republican presidential nomination. (AP Wirephoto).

Third Man Arrested In Birmingham

BIRMINGHAM, Ala. (AP) — A third white man has been arrested and over 100 sticks of dynamite found hidden in a wooded area in the continuing investigation of racial bombings.

John W. Hall, 36, of urban Gardendale, was charged with illegal possession of dynamite Tuesday. He posted bond—set at \$300—shortly afterwards.

Robert E. Chambliss, 59, who was arrested Sunday by state investigators, also was free on \$300 bond on the same charge. Chambliss posted bond shortly after a habeas corpus hearing in circuit court.

Charles Cagle, 22, of Birmingham, who was arrested with Chambliss Sunday, remained in jail on an illegal possession of dynamite charge pending a habeas corpus hearing today.

Col. Al Lingo, commander of the State Highway Patrol, said Tuesday night that state investigators found 133 sticks of dynamite in a wooden crate and 2½ sticks lying nearby in a wooded area in North Birmingham, just outside the city limits. He hailed the discovery as significant in the investigation of bombings.

"We are stepping in the right direction. We are making progress."

The Rev. Fred Shuttlesworth, former Birmingham minister and president of the Alabama Christian Movement for Human Rights, charged that the investigation appeared to be "a sham on the part of law agencies, in an effort to soothe the national conscience and placate Negroes."

Shuttlesworth issued a statement criticizing the investigation shortly after a circuit court jury — which included one Negro — found him guilty of parading without a permit on Good Friday and fined him \$75.

Escanaba Man Killed In Automobile Mishap

(By the Associated Press) Edward D. LaRive, 48, of Escanaba, father of a day-old daughter, was killed when a car in which he was riding went out of control and rolled over five miles north of Escanaba.

In Athens

Jacqueline Kennedy, above, wife of the U. S. President, arrived in Athens today aboard a TWA jet airliner to begin a 15-day autumn vacation in Greece. (AP Wirephoto).

U.S. Orders Military Reports On Off-Base Race Discrimination

WASHINGTON (AP) — The Defense Department has ordered the armed services to take an exhaustive inventory of any racial discrimination in transportation education, public accommodations, housing and other facets of life near military bases.

The Associated Press learned today that Assistant Secretary of Defense Norman Paul sent the order for an "off-base equal opportunity inventory" on Sept. 24. He set a Nov. 8 deadline for replies.

"The basic objective is to obtain necessary information for the formulation of future policy," the Pentagon said.

The questionnaire delves, among other things, into local customs and laws and local law enforcement agencies. Two of the instructions are phrased this way:

1. "Briefly describe any local customs or laws which prevent or are enforced in a manner which discourage voluntary off-base association by white and Negro military personnel and their dependents when traveling in private automobiles, using public sidewalks or visiting each other's residences."

2. "Is the treatment accorded Negro military personnel by the local police in any way different from that accorded white military personnel? If so, specify."

The form listed 17 separate major questions and topics Paul wants covered.

This newest action in a series

of Pentagon moves aimed at easing discrimination against Negro servicemen appeared likely to meet strong criticism from Southern members of Congress.

Instructions The questionnaire delves, among other things, into local customs and laws and local law enforcement agencies.

Two of the instructions are phrased this way:

1. "Briefly describe any local customs or laws which prevent or are enforced in a manner which discourage voluntary off-base association by white and Negro military personnel and their dependents when traveling in private automobiles, using public sidewalks or visiting each other's residences."

2. "Is the treatment accorded Negro military personnel by the local police in any way different from that accorded white military personnel? If so, specify."

The form listed 17 separate major questions and topics Paul wants covered.

This newest action in a series

"Describe kind of commercial transportation service to base, whether or where integrated, whether bus service in town is integrated, whether seating policy for military personnel and their dependents differs from that applicable to other riders, plus other facts necessary to a full understanding of actual practices."

In exploring education around bases the Pentagon directive asks commanders to describe facilities used by military personnel indicating which are integrated.

Housing Housing is covered in only one question:

"Do white and Negro personnel have equal opportunity for adequate housing off base? If not, give a brief description of the existing conditions."

Commanders were asked to describe segregation practices, if any affecting military personnel and their families in use of such publicly owned or controlled properties as parks, libraries, golf courses and tennis courts.

Goldwater Claims He's Not Hedging

WASHINGTON (AP) — Sen. Barry Goldwater said today those who contend he is hedging his conservatism to angle for the 1964 GOP presidential nomination have not listened to what he is saying.

Goldwater, Arizona Republican who is considered a front runner for a nomination he still insists he isn't seeking, said in an interview that he hasn't changed his position on any fundamental issue in recent speeches he has made in all sections of the country.

"Some of the people who are saying that I am modifying my conservative position just haven't been reading what I have been saying," he said.

'Not Necessarily A Virtue'

"Of course, I think there would be something wrong with any man in public life who didn't change some of his ideas to meet the developments of the time," he added. "Consistency is not necessarily a virtue. But I haven't changed my stand on any fundamental issue and I don't intend to."

About the only concrete example of a shift in position that Goldwater could think of off hand was his conversion to support of the Kennedy administration's proposal to clothe the attorney general with authority to file suits to enforce school integration.

'Willing To Give It'

"I opposed that in the past but if the attorney general feels that he needs this authority, then I am willing to give it to him, provided that it is restricted to specific cases and is not used as a blunderbuss."

But Goldwater said he continues to be opposed to the use of federal forces to enforce desegregation except as the President's authority in this field is outlined in the Constitution.

He said this means that the President can send troops where a governor or state legislature request them, to put down an insurrection or rebellion or enforce a federal court's edict.

Corrects Record

But he said he doesn't agree with the Kennedy administration contention that the federal government has authority to intervene — in the absence of these constitutional provisions — to enforce the general civil rights of any individual.

Goldwater corrected the record Tuesday to show that Gerald K. Skibbins, Princeton, N. J. research executive, rather than he, made an Aug. 24 speech in Montclair, N. J. The senator said he had ordered the speech put in the Record but did not know how the mixup occurred.

Speech

Skibbins said, among other things, that many Americans "squirm when they hear the label 'conservative' because they think of pre-World War II isolationism, John Birch Society members, American Firsters, segregationists, Ku Klux Klansmen, and many other little groups who feel that freedom means an extra-legal hunting or having license rather than a responsible privilege held under law."

2 Questions On Viet Nam Unanswered

SAIGON, Viet Nam (AP) — Defense Secretary Robert S. McNamara probably found no final answer in South Viet Nam to two important questions.

He probably didn't learn how to get President Ngo Dinh Diem to do what the United States thinks must be done to win the war against the Communist Viet Cong. Or what would happen if Diem were overthrown.

But McNamara left for Washington Tuesday with a message report that should help President Kennedy make one crucial decision — whether the Communists can be defeated if the United States continues to support Diem's authoritarian and increasingly unpopular regime.

'Necessary Showmanship'

The defense secretary probably had much of the information he got here before he left Washington last week. One highly placed, sympathetic diplomat described McNamara's trip as "a piece of necessary showmanship" for the benefit of a U. S. Congress increasingly hostile to the American commitment in South Viet Nam.

McNamara covered more than 2,000 miles in his swing through major war zones.

He conferred with Diem three hours. The visit probably was too brief to get across more than an impression of U. S. displeasure with Diem's repressive tactics.

Intelligent Guess

McNamara's report probably will follow the line of previous observations of American officers on the scene. An intelligent guess can be made on its main points.

On the basis of recommendations available before he arrived, McNamara probably will recommend no increase in the force of 15,000 U. S. military men in Viet Nam and no increase in the current \$1.5 billion daily in U. S. aid.

He may suggest, on purely military grounds, a modest cut in American personnel or U. S. aid in line with known U. S. and Vietnamese suggestions.

Increase In Aircraft

He may recommend an increase in fighter aircraft and helicopters.

McNamara may tell Kennedy that if U. S. aid was suddenly cut off, Vietnamese forces would have sufficient supplies to operate — after a fashion and with much less mobility — for 6 to 12 months.

McNamara saw no evidence Diem had instituted any reforms — such as Kennedy has been suggesting — since the secretary visited Viet Nam 16 months ago.

He probably will report the political-religious crisis sparked by Buddhist suicides and demonstrations has not had an appreciable effect on the morale of government troops so far, but if the ruthless political tactics continue the situation could become dangerous.

Viet Cong Pushed Back

McNamara probably will report the Viet Cong is being pushed back in the central highlands and northern provinces.

JFK Signs Bill To Hike Military Pay

WASHINGTON (AP) — President Kennedy signed today, with "great pleasure," a bill granting an average 14.4 per cent pay increase to most of the 2.7 million men and women in the armed forces.

In a cabinet room ceremony, Kennedy used more than a dozen fountain pens to sign the measure, which will cost the government \$1.2 billion a year. It is the biggest military pay boost in history.

Kennedy said that while he is impressed with new and powerful weapons, he is mindful of the fact that it is men who "manage them, control them, and have the will to direct them."

He said Americans in uniform serve with sacrifice and dedication, and that, on them, "The peace of this world of ours and its security depend in good measure."

Members of Congress from both parties and a sprinkling of high military officers were among the two dozen official witnesses at the ceremony.

After signing the law, Kennedy distributed the fountain pens to the Congress members present.

Congress completed its work Tuesday when the House passed the bill setting up the new military pay scales by a 332-5 vote. The bill set Tuesday for the start of the raise.

Mutineers Still Defy Ben Bella

ALGIERS (AP) — Berber mutineers manned cannon on Algerian mountain ridges today, vowing to defy President Ahmed Ben Bella even at the cost of civil war. Ben Bella forces announced plans to arm vigilante committees to fight, if necessary with loyal Army troops.

The announcement was made by Hadj Ben Alla, chief organizer of Ben Bella's ruling Front of National Liberation (FLN).

"The vigilante committees will safeguard the revolution and fight against counterrevolution," Ben Alla said.

"If necessary they can fight alongside our Djounouds (soldiers)," Ben Alla said. "They will be formed in every town, every village."

### Driver Hurt, Car Wrecked In Smashup On Road 480

A motorist was injured, his car was wrecked and he was ticketed as a result of a smashup at 9:25 last night on County Road 480, four miles west of County Road 553, in Sands Township.

State police also probed a traffic mishap in the Ishpeming area (see story on Page 16). In the Sands Township crash-up, state police said Kent Peterson, 24, Garden, was driving east on Road 480 when his car

went off the right side of the highway and smashed into the ditch, rolling over.

Peterson suffered a small cut on his forehead and bruises on his head and sought his own treatment. Extensive damage resulted to the left front, both sides and the top of his car, a 1961 coach, which had to be towed from the scene by a wrecker. State police issued Peterson

### City Firemen Called Out Four Times During Evening

Marquette's fire department was called out three times last night, but none of the calls resulted in any serious damage.

1. At 8:16 p. m. firemen were called to the 400 block of W. Park St. where a high tension wire was sparking, having been blown against another wire due to the high wind.

Four firemen responded to the call in the No. 2 (1,000-gallon) pumper and they stood by until a city line crew came to repair the line. Firemen returned to the station at 9:05 p. m.

2. Firemen were called to the corner of N. Fourth and Harrison Sts. at 8:55 last night when some leaves caught fire from the flame on a kerosene warning flare by a ditch. Three firemen responded to

the call with the No. 5 (500-gallon) pumper and they extinguished the blaze by use of a booster line off the pumper. They returned to the station at 9:10 p. m.

3. At 9:40 p. m. firemen were called to the Piqua Location, off W. Fair Ave. where some rubbish was burning. Four firemen also responded to this call, with the No. 2 pumper, and put out the blaze

### Dieters To Meet At Ice Cream Parlor

MIAMI, Fla. (AP) — The Dieters Anonymous Club has voted to hold its semimonthly meetings at Theodor's Ice Cream Parlor.

with the booster hose off the pumper. They returned to the station at 10:05 p. m.

# Romney's Tax Reform Plan Aired During Swing In U.P.

ESCANABA — Tax reform without tax increase, tax relief for the elderly and those of low income, based on a philosophy that the way to lower taxes is to halt government spending, were discussed by Gov. George Romney here yesterday afternoon.

Erlandsen Controversy  
He was welcomed by 100 persons, but soon found himself in sharp controversy with an Escanaba Democrat, Rep. Einar Erlandsen. Erlandsen is Delta county's representative in the State Legislature.  
Erlandsen took a dim view of the Governor's proposal to have the state tax less from the sales tax and to make up the

difference in revenue with a state income tax.  
There would be nothing to slapping the sales tax back on food, he said. As for the income tax, the legislature could boost that too, since there is no ceiling called for in the Governor's program, Erlandsen said.  
"Are you that irresponsible as a legislator?" Gov. Romney snapped.  
"In the past, the state has

increased the sales tax because there was a deficit that had to be paid. Putting on a ceiling is an illusion. The only way to prevent higher taxes is to control government spending."  
**Would Help Elderly**  
The Governor said his tax program would be of direct benefit to Michigan's senior citizens. The average senior couple would pay no state or local income tax and in addition, would be aided by the exemption of

food and drugs from the state sales tax.  
**Briefly, the Governor's program proposes to reduce the state's income by \$306 million in revenue from sales tax and other sources. To make up this difference, would be revenue from a state income tax.**  
"I do not say that this program will meet all of our tax problems. I do believe it is better than what we now have,"

Romney said.  
Romney came to Escanaba from Houghton. Last night he was at Petoskey for a meeting and tonight he will be at Grand Rapids, after stops at five Lower Michigan cities.  
The Mekong River rises in the Tibetan highlands and runs southward for 2,800 miles, through the Southeast Asia peninsula.

## City Paragraphs

Marquette Township residents were reminded today by Township Justice George Fezey that they are required by law to obtain a building permit for construction work of any kind.  
The Netherlands is not much bigger than Maryland.

# Mercury Soars To Record 85 In City

Spirits rose with the mercury yesterday for most Marquette area residents, as a record high temperature was set.

All in all it was one of the most pleasant days of the year, with an abundance of sunshine, a balmy southwesterly breeze and plenty of fall color to add to the keen atmosphere.

Southwest winds brought warm and dry air up from Arizona, the mercury rose to 85, fall color is at its peak and there wasn't a cloud in the sky.

It was a bad day to be confined indoors and everyone who could headed for the woods, the

golf course or a drive through the red and gold scenery.

The maximum temperature of 85 set a record for the day. The previous top reading on Oct. 1 was 80 in 1922.

The temperature was higher than on any day last month and it was the highest here since a reading of 86 on Aug. 22.

**Warmest October Since '50**

In addition, it was the warmest October temperature since the mercury hit 86 on Oct. 18, 1950.

There have only been five warmer October days in the past 90 years, Fred Mueller,

meteorologist in charge of the U.S. Weather Bureau in the federal building here, said.

The Marquette area reaped the benefits of a strong southwesterly air flow which resulted from a long ridge of high pressure along the Atlantic Coast to Texas and a strong low center in Canada, Mueller said.

When the wind is from the southwest, this area is usually one of the warmest in the Upper Peninsula.

This weather rule held true yesterday, with high temperatures of only 69 at Escanaba and 73 at Sault Ste. Marie.

**80 At Airport**

The mercury rose to 80 degrees at the Marquette County Airport in Negaunee Township yesterday.

With the high temperature of 85 at 4 p. m. and a low of 54, the average temperature was 70, or 16 degrees above normal.

It remained warm yesterday evening and the mercury stood at 68 at midnight. Overnight low was

59 at 7:30 a. m. in Marquette and 51 at the county airport.

Strong winds also resulted from the combination of the long high pressure ridge to the south and the strong low center to the north, Mueller said.

**High Winds**

Winds were strongest from 7 to 10:30 p. m., when they averaged between 20 and 30 miles per hour.

A gradual cooling trend began today, but temperatures during the next five days will still average near or slightly above normal. Normal high for the five-day period is 61 and normal low is 45.

A mild cold front passed through the area last night and the wind shifted, bringing an air flow from the Pacific, Mueller said. High temperature today was predicted around 70.

Variable cloudiness and a chance of a few brief showers is the prediction for tonight. Low tonight is expected to be between 45 and 50.

Tomorrow is expected to be

# Six Drivers Pay \$58 In Fines, Costs

Six persons were ordered to pay a total of \$58 in fines and costs by Judge Edward H. Dembowski yesterday in municipal court for traffic violations.

A fine of \$6.30 and \$3.70 costs were paid by Joseph L. Vadnais, 439 W. Bluff St., for failure to stop for a loading school bus. He was ticketed by city police Sept. 24 at the cor-

ner of Presque Isle Ave. and Wright St.

Thomas J. Herman, 1800 Wright St., paid a fine of \$6.30 and \$3.70 costs for failure to yield the right-of-way. The summons was issued by city police Sept. 26 following an accident at the intersection of W. Washington and Fourth Sts.

**Didn't Give Way**

For failure to give way when overtaken, Paul E. Niemi, Eben, was ordered to pay a fine of \$6.30 and \$3.70 costs. State police ticketed him Aug. 23 on U. S. 41 in Choccolay Township.

A fine of \$6.30 and \$3.70 costs were paid by Michael D. Stanki, Milwaukee, for driving on the wrong side of an undivided highway. State police issued the summons Sept. 14 on U. S. 41 in the city.

**Defective Brakes**

Gary J. Retaskie, 400 Summit St., was fined \$6.30 and ordered to pay costs of \$3.70 for driving with defective brakes. He was ticketed by

state police Sept. 1 following an accident on County Road 550 in Powell Township.

Stanley E. Paul, U. S. 41, Negaunee, was fined \$4.30 and

ordered to pay costs of \$3.70 for speeding. City police issued the ticket Sept. 25 for driving 40 miles per hour in a 25-MPH zone on W. Washington St.

# Arguments Started Here In Circuit Court Jury Trial

Attorneys began their arguments to the jury today in a Marquette County Circuit Court trial which stems from a fatal accident at the intersection of Arch and Front Sts. Oct. 24, 1961.

Defendant in the case is Jerry Paul Anderson, Ironwood. Claiming damages amounting to \$50,000 on behalf of the family of J. Harland Burnette, who was killed in the accident, is K. K. Berandt, administratrix of the Burnette estate.

The plaintiff claims that Anderson was traveling in excess of 50 miles per hour at the time of the wreck.

Attorney for the plaintiff is Roscoe W. Baldwin, Marquette. Walter L. Hansen, Ishpeming, and Jack Jacobs of Ironwood represent Anderson.

**Witnesses Listed**

Witnesses called to testify for the plaintiff in the case were Marquette Police Chief George G. Johnson, Marquette Det. Capt. Donald C. Hermanson, State Police Trooper Donald Mellon, Wayland; Dr. R. Leonard Carefoot, Marquette; Jean Anderson, Marquette; Dorothy Beckman, Marquette; Elsie

Winnamaki, Marquette; John Voet, Marquette; Dorothy McVannell, Marquette; Helen Burnette, Marquette; and Edna Batzloff, Wausau.

Anderson took the stand yesterday afternoon to testify in his own behalf. Only other witness called by the defense yesterday was Hermanson.

**Jurors Named**

Jurors in the case are: Celia B. Welch, Skandia Township; Marie Temple, Marquette; Grace E. Gentz, Choccolay Township; Mildred Dally, Tilden Township; Anetta Enrietti, Marquette Township; Ted Peippo, Wells Township; Russell Christian, Marquette; Jeanne Fletcher, Marquette; Elmer Linjala, Ewing Township; Willard J. Huff, Marquette, and Robert Hemmilla, Negaunee Township.

# Joint Meet Of City Government, Plan Units Set Tomorrow

An economic study of the Marquette area will go into the hands of area governmental officials at a meeting of the Marquette Area Planning Commission tomorrow night at 7 in city hall.

The economic study is the second phase of the area planning study being made by Villcan-Leman and Associates, a planning firm with headquarters in Southfield.

Called the "701 Study," the planning study is being conducted by the Villcan-Leman coned for the City of Marquette Township. Cost of the study is \$96,000, for three years, with three-fourths paid by the federal government.

**To Hear Patters Talk**

Members of the Marquette City Commission and the Chococlay and Marquette Township Boards will attend the meeting tomorrow night.

They will hear Max Patters, consultant at the Marquette-Villcan-Leman branch office, summarize the economic study and give concluding remarks on the favorable and unfavorable aspects which affect the economy of this area.

Also at tomorrow night's meeting, Edward Huestoles, a principal in the Villcan-Leman firm in charge of urban renewal, will discuss urban renewal in general and, in particular, the possibility of its implementation in the Marquette area.

**Commercial, Industrial Studies**

The economic study includes commercial and industrial studies.

The commercial study includes a trade area analysis, with details on the amount of retail sales available in the area, floor space requirements to serve the possible dollar volume and parking needs to serve potential shoppers.

The central business district is the focal point of a commercial plan included in the study, with information also given on

the outlying convenience centers.

**The industrial study is an assessment of the physical industrial potential of the area, which is the suitability of land for industrial use.**

The industrial study outlines 1,400 acres in the Marquette area that could be used for industrial purposes. The study emphasizes that existing industry should be promoted and protected.

**Appealing To Industry**

Patters will report to those who attend the meeting tomorrow night that factors in the Marquette area are appealing to industry and that the Marquette area has a good chance of attracting industry which is interested in locating in the Upper Peninsula.

Charles Leman of Villcan-Leman also will be present tomorrow night.

A special invitation to attend has been extended to the Powell Township Board and the members of the new Powell Township Planning Commission, and Negaunee city officials.

**Kelley Bids For Power Of Subpena**

LANSING (AP) — Before the state can make any real progress in combatting gambling and the organized criminal element, it has to cut the odds.

This is the firm belief of Atty. Gen. Frank Kelley and the reason why he will attempt again in 1964 to have the legislature enact a law giving his office the power of subpoena.

"Providing us with this weapon would be the greatest step forward in criminal law enforcement in Michigan during this century," says Kelley.

"As long as we don't have it, however, illegal activities will continue to operate with almost careless abandon and with disrespect and contempt for proper law enforcement," Subpena Power.

Kelley tried this year to have a law giving him subpoena power enacted by the Legislature. But, like the proposals of attorneys general of both parties before him, the bill died in committee.

In a speech at Port Huron last week, Kelley disclosed plans to try again, but this time with a new wrinkle—an innovation unique in the 50 states—that he hopes will boost chances for such a bill being passed.

Kelley proposed that the Legislature give the attorney general and the Governor joint powers to order subpoenas in individual cases where both deem it essential.

**Safeguard**

A joint request for subpoena power would be submitted to a court of jurisdiction for approval. The court would have the right to limit the scope of the power in any individual case.

These would safeguard against the power to require the appearance of persons or documents for political gain, Kelley said.

He called on Gov. George

# Jury Acquits Man In Junk Yard Case

A Marquette Township justice has found Howard Fissette, 50, Grove St., Marquette, not guilty of several charges involving the operation of his junk yard.

The trial was before Township Justice George J. Fezzy.

Fissette was arrested by state police Aug. 9 at the junk yard on Grove St. He was charged with failure to keep proper records of purchase and sale of junk and failure to disclose to police officers the purchase records of certain junk purchased.

Fissette was represented at the trial by S. Neil Lynch of Negaunee and Prosecuting Attorney Edward A. Quinnell, Marquette, represented the people.

Jurors in the case were Roland Bourdage, Henry Caron, Mary V. Dionne, Rudolph Carlson, Betty Desjardins and Lloyd Dauphinais.

# Ward's Christmas Catalog Offers Its Best Selection Of Gift Merchandise

Marquette, Mich. — Looking forward to its greatest Christmas season in history, Montgomery Ward today began distributing to its Marquette area customers and to six million customer families throughout the United States, its 1963 Christmas gift catalog, M. R. Melby, manager of the local store, announced today.

"This is the earliest distribution of the company's annual gift catalog," Mr. Melby said. "We are offering the best and most colorful gift assortment ever presented by the company with the extra conveniences of early shopping by phone or by mail.

"The new catalog also is being displayed and is available in the store's catalog order department," he said. "Ward's expects to establish new, all-time records for delivering Christmas merchandise in the months of November and December. Earnings and savings of customers indicate they are able and willing to celebrate their biggest holiday gift season."

From the colorful front cover which illustrates display materials for home decorating through each of the 424 pages, this year's "House of Christmas" is tailor-made for arm-chair shopping comfort.

Featured among the widest assortment of new and traditional toys ever presented by Ward's in a Christmas catalog, are such items as a 200-piece model farm that grows real crops, and a desert terrarium complete with a live, harmless horned lizard.

Included among the thousands of attractive gifts for the home and family are an empress boudoir bench with gold-colored antique satin cushion, a vanity chair in leopard print fabric, a hand decorated Florentine table set and a wrought-iron bistro set with a glass-topped table and vinyl-seat chairs.

New features in the 16-page doll section are Tammy the teen-ager and her family, and the Littlechaps — Dr. Littlechap, his wife Lisa, and daughters Judy and Little Libby. High fashion wigs, a fashion shop and a friend named Midge join Ken and Barbie this year.

Catalog shoppers will be seeing plenty of bright colors. One page of little girl styles is covered with Santa Claus red. Another page is filled with vibrant red for junior and junior miss sizes.

Glamorous fake furs and quilted ski-look car coats together with stretch outfits, turtle-neck tee shirts, elbow patch sweaters and mohair knits in sherbet shades lead the fashion parade.

# State Police Week Cutback Didn't Affect Staff Work

Romney to support the plan. Romney has made no comment and says he will not until he's had time to study it.

The conditions laid out by Kelley are intended to build confidence among legislators, who traditionally have distrusted efforts of attorneys general to obtain the power of subpoena, although it is given to several lesser departments of state government.

**'Witch Hunts'**

Lawmakers have feared the power might be used for "witch hunts", for making political headlines, or that they might be subjected to themselves.

Kelley says he would support a bill which would specifically exclude the legislative branch of government from the purview of the subpoena law.

The attorney general says the real target of his proposal is organized crime.

Michigan bears no particular reputation as a lawless state, but federal court cases and police statements point to Detroit as a center for the Mafia, or Cosa Nostra.

**Multiple Murders**

Michigan newspapers record frequent police raids on gambling establishments and the breakup of narcotics and numbers rings.

"The best figures are only estimates but we know the money collected by unlawful activities in Michigan each year runs into the multiple millions of dollars," said Kelley.

His office has confidential files on such activities. "We suspect who these people are and what they're doing," said Kelley. "But suspecting is one thing and proving is another."

**Tighter Operation**

Despite the cutback to a five-day work week for the Michigan State Police, activities at the Marquette post have not decreased, Sgt. Grant C. Barry, post commander, said today.

The cutback from a six to five-day work week went into effect July 14 following a state civil service commission directive that the work week, which was formerly 56 hours, be reduced to a maximum of 48 hours.

**Officers at the Marquette post, as at all other posts, are working harder since the five-day week went into effect," Sgt. Barry said. "We're doing as much, or even more, work now, so we have to work harder."**

Sgt. Barry said that the change has resulted in a

change to touch off a battle that almost certainly will include a lengthy Southern filibuster against the bill. Thus even if the Senate Finance Committee moves quickly on the tax bill, the Senate would be unable to consider it until it disposes of civil rights.

Byrd, a Virginia Democrat, said Secretary of the Treasury Douglas Dillon would be lead-off witness at the tax bill hearings. His announcement came Tuesday after his committee voted 11 to 4 against a move by Sen. Paul Douglas, D-Ill., to speed up hearings.

**'Very Unfortunate'**

"It's a very unfortunate decision," Douglas said. "In effect, we will have no tax bill this year."

Sen. Everett M. Dirksen of Illinois, the Senate Republican leader and a Finance Committee member, said the committee's vote meant the bill would not be ready for floor action until Christmas.

One factor in drawing out the committee's work, Dirksen noted, is that 75 amendments—most of them rejected in the House—are expected to be offered to the tax measure.

**Political Considerations**

The decision to put civil rights ahead of a tax cut was revealed by Sen. Hubert H. Humphrey of Minnesota, the assistant Senate Democratic leader, after Democratic congressional leaders met with the President.

Humphrey told a news conference that political considerations dictated action on civil rights first.

# Tax Cut Bill Faces Delay In Senate

WASHINGTON (AP) — Chairman Harry F. Byrd of the Senate Finance Committee says he may open public hearings next week on President Kennedy's tax cut bill.

Indications are, however, that lengthy committee deliberations and a decision to seek Senate action first on controversial civil rights legislation will delay final congressional action until early next year.

Senate Democratic leaders made plain Tuesday they planned to bring the civil rights bill up for a Senate vote before the tax cut measure which was passed last week in the House.

**Battle**

The civil rights bill is expected

# Police Probe Burglary At Cliffs Ridge

City police are investigating the theft of kitchen utensils and tools valued at more than \$400 from the Cliffs Ridge, Inc., building.

Chief of Police George G. Johnson said that tools valued at \$350 were taken from the storage building at the ski hill. The tools included wrenches, screwdrivers and drills.

The thieves also forced their way into the kitchen of the lodge by breaking a window on the south side of the building and reaching in through the window to unlock a door.

Stolen from the kitchen were utensils valued at \$65.

The burglary was discovered by the Cliffs Ridge maintenance man Monday morning, Sgt. Michael Dooley and Patrolman Daniel Krieg, who are investigating the case, have taken fingerprints and plaster casts of footprints, Johnson said.

# Chest Total Here Hits \$25,000

Contributions to the United Marquette Community Chest campaign are nearing the halfway mark in the drive's goal of \$62,000.

John C. Gerling, general chairman for the campaign, said contributions totaled \$25,000 this morning.

Two more groups have joined the "fair share club" of the United Marquette Community Chest. They are the Sandy Knoll Elementary School staff, with 148 per cent of its quota, and the U.S. Army recruiting station, with 100 per cent of its quota.

The Chest's fair share club includes businesses, employees and other groups which contribute 100 per cent or more of their quota for the campaign.

**Calls For Reports**

The "fair share formula" is one-half hour's pay per month or six hours' pay per year, for the participating wage earners.

Gerling requested that campaign solicitors turn in their reports as soon as possible.

# Eight Forest Fires In U.P. During Week

Eight forest fires, blackening 3.8 acres of land, occurred in the Upper Peninsula state protection area for the past week, it was reported today.

So far this year 396 blazes have destroyed 1,823.4 acres of land in the region. This compares with only 216 fires, burning 476.2 acres of land, in the U.P. last year, according to John A. Anguilim, Marquette, assistant regional supervisor for the field administration division of the Michigan Department of Conservation.

There were no fires reported

Col. Richard W. DaVania (at panel), commander of the Sault Ste. Marie Air Defense Sector at K. I. Sawyer Air Force Base, pushes the button which shuts off the electronic brain and de-activates the sector. Col. Roy C. Liles (left), director of com-

puter maintenance, and Squadron Leader J. Harvey Cochrane, Royal Canadian Air Force, witness the closing act.—(USAF photo).

## SAGE Sector Headquarters Closed After Four Years Of Operation At Sawyer

A single button marked "Stop Program" was pushed at exactly 10 yesterday morning in the headquarters of the Sault Ste. Marie Air Defense Sector at K. I. Sawyer Air Force Base by the commander, Col. Richard W. DaVania.

This act signaled the end of four years of continuous operation for this huge windowless direction center the heart of a large sector of Canadian and U.S. territory. The sector headquarters was closed and the responsibility for

the air defense of this area was absorbed by an adjacent sector with headquarters in Duluth and commanded by Brig. Gen. Joseph L. Dickman.

Until today, Col. DaVania commanded a sector which controlled the air defenses over an area covering most of Michigan, part of Wisconsin and a large portion of northwestern Ontario.

In a ceremony at 10:05 a. m. outside the huge SAGE blockhouse, the commanders and staffs of the sector headquarters and the 56th Fighter Wing assembled in tribute to their

departing commander.

### New Era Noted

After the Canadian and U.S. flags were lowered, Col. DaVania spoke to the assembled officers and men.

"This ceremony marks the end of one concept of air defense, and the beginning of a new era in the defense of North America," he said.

Polk County, Florida, founded in 1861, is Florida's largest citrus producer and cattle raiser. More phosphate, important as a fertilizer, is mined here

## Financial Scene: Deficits Not Only U.S. Problem

**Editor's Note** — The U. S. balance of payments deficit is unique in many respects. But Sam Dawson, AP business news analyst, in this, third of five articles on the problem, says that other nations can get into the same trouble, and have.

**By SAM DAWSON**  
NEW YORK (AP) — You hear a lot today about red-ink book-keeping in U. S. accounts with the rest of the world. And you ask why just the United States? Why aren't other nations also having deficit problems affecting their currency and their credit standings?

The answer is: Some nations do have balance of payments troubles, and have them bad: Other nations like Britain have them off and on; and most of the rest suffered after World War II even worse than the United States is today but have pulled from deficit to surplus as the United States slipped.

### Dependent On Loans

Undeveloped countries usually are dependent on loans and grants from others to balance their payments with the rest of the world. This is especially true of those with big ambitions—the ones who want to grow industrially at jet speed. Aiding them has helped push the United States further into the red.

Industrial countries like Britain have periodic payment problems when their exports slump or their consumer taste for imports gets too rich. France, West Germany and

other European countries went through rough years after the war. West Germany built up to her present affluence by austerity. France belatedly cured its inflationary spree that caused the franc to be devalued more than once when the rest of the world lost confidence in it. Now a new inflation is starting and France is taking sharp corrective measures.

### Canada Problems

Canada has a commercial trade deficit of \$1.4 billion with the United States largely offset by \$1.2 billion a year in investments by Americans. It now is proposing to curb U. S. imports while protesting U. S. efforts to stem the investment out flow.

The unique thing about the U. S. deficit of payments today is that it isn't in any of the classic forms.

Usually deficits arise from imports topping exports as in post war Europe while it was importing all it could to build up its industrial facilities for domestic use and finally for the exports that make it prosperous.

### Yankee Dollar Not Shunned

Today the Yankee dollar, for all its problems, isn't shunned. It doesn't buy as much in goods and services as it once did. But most foreigners are willing to hold onto most of the

dollars they get—up to a point. And it's that point American and other financial authorities worry about.

If the U. S. balance of payments stays out of kilter too long and other get the idea the dollar might become shaky, most countries would switch from dollar reserves to demanding gold.

Tomorrow: Defenses of our gold we could take in a crisis.

## West German Scientist Visits Michigan Tech

HOUGHTON — A scientist from West Germany climaxed a three-day visit to the Michigan Tech campus with a lecture on the varied usage of radio isotopes in biology, forestry and agriculture. The speaker was Dr. Hellmut

Glubrecht, director of the radiation biology institute of the Technischen Hochschule, Hannover. He was a guest of the Sigma Xi Club of Tech, a faculty group devoted to research and scholarship, and the department of biological sciences.

Tech is one of only 16 teaching and research centers being visited by Dr. and Mrs. Glubrecht during their current American tour.

Glubrecht told how radio isotopes could be used for the measurement of tree density, the tracing of underground streams, the study of the dispersal of labeled pollen grains, the following of chemical reactions by radioactivity-tagged molecules and the stimulation of plant growth by certain levels of radioactive fallout.

Greenland's lowest temperature, 87 below zero, was recorded Dec. 6, 1949.

Cadillac FOR 1964

Upper: The Coupe de Ville; lower: The Fleetwood Sixty Special Sedan

MORE TEMPTING THAN EVER!

The 1964 Cadillac is more tempting than ever to look at! It has a clean, low sweep to its lines . . . greater refinement in all of its body contours . . . and a dramatically new, divided grille.

It's more tempting than ever to ride in! There's greater smoothness and quietness. The interiors are luxurious as never before. And an exclusive new Comfort Control\* enables you to pre-set interior temperature while automatically controlling humidity.

And Cadillac for 1964 is more tempting than ever to drive! It has a new high-performance engine—the most powerful in Cadillac history. Cadillac's Hydra-Matic Drive has been

remarkably improved in smoothness and responsiveness—and a new version, the Turbo Hydra-Matic, is standard equipment on some models. Both assure a truly amazing agility in traffic and a new over-all standard of automotive performance on the highway.

The final temptation? That's the extraordinary value that's built into each of the eleven new Cadillac models.

Be among the first to visit your authorized Cadillac dealer and

...just wait till you drive it!

## Discovering The U.P.

The Michigan Legislature has never paid as much attention to the Upper Peninsula as it has in the past couple years. The pace and scope of its interest is broadening and promises improvement in the state's official regard for the third of its area north of Mackinac.

(We shouldn't stress this "northern" aspect as Menominee, in the Upper Peninsula, is in the latitude of Alpena and the Escanaba and Iron Mountain areas are west of the top of the Lower Peninsula, not north of it.)

The visitations of our legislators in the Upper Peninsula are the state counterpart of the visitation of our congressmen in for-

sign countries when "school's out" at Washington. Both travel trends are welcome and useful. There are numerous indications that the increased inspection of the Upper Peninsula by Lower Peninsula legislators already has been helpful to this area.

Foreign visitors have commented frequently on the astigmatism of a state government which would leave fallow such an enormous resource as the Upper Peninsula. This failure has actually been compounded in the past by Lansing's regard for the U. P. as a "problem area" with an economy less buoyant than the state average.

The normal state outlook stressed economizing rather than developing. The Legislature cut off crucial matching funds for mineral mapping — a first step toward mineral industry — knocked the historical marker program so helpful to the recreation industry, denied funds to Michigan Tech for mineral research that would have stimulated the mining industry, failed to give wood industries the dynamism of state support which has taken south so much growth that could have gone to the Lake States.

There are reasons to hope that the increased attention of state legislators is changing the Legislature's attitude toward the Upper Peninsula because its knowledge of the area has been enlarged so sizeably. The phenomenal growth of Northern Michigan University is an evidence of this change, as well as of Northern's dynamic leadership. The emergence of Tech as a school of science from a school of mining also is notable.

New legislation on taxation of mineral industry is a most heartening evidence of a new awareness at Lansing of Upper Peninsula needs for economic survival and for growth. Minnesota, with greater resources and development, was far out in front of Michigan in research in low grade iron resources and has developed a larger industry in them. Now it proposes to ease its tax bite and bring in a new wave of mining industry.

Michigan must compete with such developments to get its share of the nation's domestic iron market, dwindling under the impact of high grade imports. Similarly, government, with its control of so much of the wood resource of the U. P., is in a position of stewardship which has not performed well in industrial development. The area has been building its wood production but not its industrial consumption.

Michigan does not, like Indiana, Kentucky, Tennessee and some other states, venture directly in the state-owned resort business, but it is, through the State Tourist Council, State Conservation Department, State Highway Department and other agencies heavily involved in the increasingly important recreation business. The Upper Peninsula Committee on Area Problems organized by the county governments of the U. P., the Federal Area Redevelopment Administration and other agencies have tried to stimulate recreation business, but development still lags far behind the area's potential.

The Legislature's growing interest in the Upper Peninsula can help reduce the lag.

## QUERY AND ANSWER

The Sherpa mountaineer who reached the summit of Mt. Everest recently was asked what he thought about as he stood on top of the world. He replied: "How to hang up his lantern.—Memphis Commercial Appeal.

## From The Journal Files

### 60 Years Ago

—Marquette— Street Commissioner French has a crew of men putting in cement crosswalks on Front St., at the corner of Spring. Many crosswalks have been put in during the present season, the experiment of abandoning them, made in 1902, not having met with popular favor. The macadam roads become muddy too quickly after a rain sets in to make such a practice feasible.

The partridge season opens today and many people plan to go out after the birds. It is expected that the season will be poor, as it is claimed that there has been too much slaughter of the birds previous to the legal opening to leave much sport for the sportsmen who have observed the letter of the law. Rarely in any previous season have there been so many and so well authenticated reports of violations of the law.

Mrs. Jennie McCann is arranging to open hair dressing rooms in the opera house block. J. E. Reau, the insurance man, has just assumed the duties of district agent for the

### 30 Years Ago

—Marquette— Only a few of the Community Chest soliciting teams worked Saturday and only two of them reported at the end of the day, so the total collected or pledged to the fund was increased only \$220; in round numbers.

Patients in St. Mary's Hospital will get some 3.2 beer as the result of the state turning over to the institution Saturday a large quantity of the beverage which had been seized by Edward Cameron, beer inspector for this district.

Marquette hardware and sporting goods dealers reported Saturday that the sale of small game licenses prior to the opening of the partridge, prairie chicken, duck and rabbit season yesterday, was much larger than it was last year. Some of the dealers said that it had sold from two to three times as many licenses as were disposed of last year before the opening of the season.

—Ishpeming— With an autumn tang in the air and weather conditions generally favorable, Ishpeming and Negaunee nismrods who opened the 1933 bird hunting season today reported partridge plentiful and many returned this afternoon with their quota of five ruffed grouse. The season continues until October 12 and

Equitable Life. He has the Upper Peninsula territory.

—Negaunee— Frank A. Bell has closed his office here and is now associated with H. O. Young, of Ishpeming. Negotiations have been in progress for some time with this view, but Mr. Bell has withheld a formal announcement until the change had actually taken place. A large part of the business of the new firm will doubtless devolve upon Mr. Bell during the sessions of congress, when Mr. Young will be absent at the national capital.

Martin Johnson has succeeded Jack Phillips as delivery man for the Upper Peninsula Brewing Co.

—Republic— Henning Leaf and Oscar Erickson will spend the next year at a Chicago college. Leaf gave up his position with J. O. Utberg early last week. He is succeeded by Charles Brevic.

J. O. Utberg is painting his dwelling.

the bag limit on partridge, as well as prairie chicken, during the season is 10 birds.

Two new offices will be opened, in Ishpeming Monday, one by a member of the medical profession and the other by a dentist.

—Negaunee— A suggestion that the Negaunee Chamber of Commerce revive interest in a proposal to find a new source of water supply for the city to permit the use of Teal Lake for recreational purposes and that efforts be made by city officials to obtain federal funds under the public works program to finance the undertaking and relieve unemployment conditions here, is contained in a letter addressed to The Mining Journal by P. H. Trezise, 421 Iron St.

Mr. and Mrs. Albert A. Mattson have returned to their home in Pittsburgh, Pa. Mrs. Mattson spent several weeks here at the home of her parents, Mr. and Mrs. John Smedman, and Mr. Mattson made a brief visit here. Enroute home they visited the Century of Progress Exposition in Chicago.

Mr. and Mrs. Fred Anderson are spending a few days in Chicago visiting friends and attending the World's Fair.

Mrs. J. B. Williamson and daughter, Margaret Gale, are spending a week in Chicago visiting friends and attending the World's Fair.

## Sign Of The Times

Bruce Shanks, Buffalo Evening News

## The National Whirligig News Behind The News

By ANDREW TULLY

WASHINGTON — On Capitol Hill nothing is incredible, which is why a bill which would add \$10 billion to the cost of certain consumers' products such as razor blades and electric refrigerators is still alive and kicking in a Senate Commerce subcommittee.

Called the "Quality Stabilization" bill by the so-called "fair-trade" lobby, this legislative gimmick contains no plan for stabilizing quality. Instead, it is devised to eliminate price competition in the sale of certain branded or trade-marked products by making it a Federal crime for a retailer to sell them at prices less than those designed by the manufacturer.

### Would Up Prices

In a town noted for the arrogance of its lobbyists, this one is really award-winning. If passed, the legislation would increase prices on refrigerators, radios, certain drug products, air conditioners, dryers and TV sets by a whopping 20 per cent. The price of a tube of toothpaste would jump from 58 cents to 83 cents, and a package of razor blades now selling for 73 cents would cost \$1.

It is not that profit margins now are too small. One Howard Walker, a department store operator in Memphis, told the subcommittee he would be perfectly satisfied with the 23 to 30 per cent mark up he would get by lowering his prices under those set by Tennessee's "fair trade" law. But he has to go along with a price system which brings him a 40 to 50 per cent margin.

### 23 States Reject Fix

That, of course, is the history of the country's adventures in "fair trade" legislation. In areas where prices are fixed by the manufacturer the cost to the consumer has ranged from 19 to 26 per cent higher than in areas where free enterprise is permitted to operate. As a result, this price-fixing gimmick has been rejected by 23 states, Puerto Rico and the District of Columbia.

## Sure Signs Of Middle Age

BY HAL BOYLE  
NEW YORK (AP) — How can you tell whether you are middle-aged?

This point is puzzling to many who have heard that the harvest years are the best years, but aren't quite sure whether they themselves have reached this landmark of living.

Actually, however, there is little doubt about it once you really do reach middle age. You're there for sure if— You feel too old for touch football but too young for croquet. Your scalp gets sunburned higher up than it used to, and it takes you less time in the morning to comb your hair.

Old Jokes  
While reading the evening newspaper, you reach down more often to pat your old dog—and hope he won't insist on taking you for a walk.

Every new joke you hear reminds you of an old joke that seems funnier. In fact, anything that happens reminds you of something that happened earlier—and was better.

It comes as a big surprise that Stan Musial is retiring from baseball. Why it seems like just yesterday he was a kid just breaking into the game.

Conspiracy  
Everybody in the game seems to be engaged in a conspiracy to leave the lights turned on and run up your electricity bills.

The only time you really sleep well is while listening to an after-dinner speech.

You no longer have to attend PTA meetings—and kind of miss them.

Most of your old friends either are going to the hospital for an operation or recuperating from one. You spend more money buying get-well cards than going to night clubs.

Prettier Girls  
You wonder why the younger generation has never been able to produce another poet like good old Edgar Guest.

The girls who ride on the buddy seats of motorcycles are prettier than any who'll go for a spin with you in a rented Cadillac.

It bores you to death to see a problem play at the theater. All you want is a front-row seat at a cheerful musical comedy with a snappy chorus line.

You think your neighbor's high school son is spoiled because he isn't interested in digging crabs out of your lawn for four bits an hour. Why, at his age you'd have been glad to do it for half that kind of money.

First To Vote  
On election days you get up early so you can be the first to vote against any candidate who wants to reform anything—because you're cynically certain that no politician will ever carry out a promise.

You have no voices left... but your chief remaining delights are the bad habits your doctor tells you it is now time to break.

That's middle age—the harvest time!

## Side Glances

"I have a request, Mr. Daddy-O!"

## Monetary Shoals Ahead

By PETER EDSON

WASHINGTON — (NEA) — A lot of big words about "monetary reform" are beginning to appear in the papers.

This will continue for some days. It will be a big topic of discussion before the International Monetary Fund and World Bank, whose annual meetings are in Washington.

But to the average citizen, the phrase monetary reform will have only a vague association with devaluing the dollar, changing the price of gold or maybe even setting up some new kind of funny money.

These are worrisome ideas, only vaguely connected with family finances or the purchasing power of a pay check applied to the cost of living.

Complexities Noted  
It is almost impossible to convert the complexities of international finance into everyday parallels. But at the risk of oversimplification, this one can be illustrated by starting with an assumption that a solvent family needs two things.

It needs enough cash to cover current operating expenses and it needs reserves or credit that can be drawn on to meet extraordinary expenses. A family in this financial situation is said to be in good liquid condition.

Similarly, nations engaged in trade and friendly relations with each other need cash and need reserves. Sometimes Country A will buy an unusual amount of goods from Country B. If Country A can then quickly convert some of its reserves into the currency of Country B, it can pay its bills and is said to be in a good liquid condition.

Liquidity In Exchange  
All the debate about monetary reform now going on is concerned with maintaining ample liquidity in foreign exchange for transacting the free world's business affairs.

Many nations have been holding their reserves in U. S. dollars the last few years because dollars are readily convertible. But the United States also has been spending millions of dollars abroad for military aid and foreign development loans.

This has created a dollar shortage and a U. S. balance of payments deficit. And that has brought on demands for reform of the international monetary system.

It is primarily a problem for world bankers and governments. But the general public needs to have a basic understanding of it, too. As the principal financial and trading nation, the United States wants to continue generating an adequate supply of dollars for conduct of the world's expanding business.

Difficulties Foreseen  
U. S. officials maintain that an adequate supply of dollars is now being maintained by an intricate system of swaps and borrowings of each others' currency reserves.

But difficulties are foreseen when the United States overcomes its balance of payments deficit.

State Department and Treasury officials won't make any public estimates of when this might be. An independent study made for the Congressional Economic Committee by Brookings Institution puts the date five years away—in 1968.

What American officials are hoping, without appearing to push the idea too forcefully as a U. S. master plan, is that the International Monetary Fund at its forthcoming meeting will authorize a study of the problem for the coming year.

Then, at the 1964 IMF meeting — 20 years after is founding at Bretton Woods, when its charter comes up for periodic review every fifth year — any needed changes can be made in its organization to take care of long-range developments.

## Editor's Mail

(Contributions are invited. Letters should be limited to less than 800 words. Only signed letters will be considered for publication. Personal attacks on individuals will be eliminated.)

### From Student Council

Dear Sir:  
The Graveraet High School Student Council wishes to thank all of the people who helped make our homecoming for 1963 a success.

We wish to especially thank the merchants who donated materials, those who supplied the trucks, the men who drove the trucks, the judges who gave of their time, the city officials for their assistance and The Mining Journal for its splendid publicity.

Once again, we would like to thank all of the people of Marquette who were so helpful and contributed so much toward the success of our homecoming.

MARY DARLING  
Secretary  
Graveraet Student Council  
Marquette

### GHS Homecoming

To the Editor:  
The junior class of Graveraet High School requests that the following be published:

The class would like to thank the merchants and dealers of Marquette for the support they gave to us during the 1963 homecoming season. We also would like to thank those who provided trucks, along with our class advisor and the many other people who helped us make our homecoming floats a great success.

BONNIE BERGH  
Secretary, Class of 1963  
Graveraet High School  
Marquette

### Thrilling Game

Dear Sir:  
It was 12 years ago this Oct. 3 that a screaming Russ Hodges bellowed into the microphone, "The Giants won the pennant. Bobby Thomson hits into the lower deck of the left field stands... and they're going crazy. They're going crazy. I don't believe it. I don't believe it. The Giants... Horace Stoneham has got a winner... and they're picking Bobby Thomson up and carrying him off the field."

It was back in 1951 at the Polo Grounds that pandemonium reigned throughout the stands that October afternoon. But to appreciate the drama that took place, we must first go back to Aug. 11, when the New York Giants rested in second place 13½ games behind the front-running Brooklyn Dodgers.

The creeping terror began the next day as the Giants rattled off 37 victories in their last 44 games to tie the Dodgers for first place to force a playoff.

fane insults at our lawmakers? Sure, this is a land of freedom. But we like to think it is also a land of loyalty, patriotism and decency.

If these "students" haven't learned this in their studies, then they had better shave off their beatnik beards, scrub themselves inside and out, put on some clean clothes and go to a different school.

The Giants won the first playoff game at Ebbets Field by a 3-1 score as Bobby Thomson hit a home run off Ralph Branca. The second game shifted to the horseshoe on the Harlem, where the Dodgers blasted the Polo Grounders, 10-0.

In the final playoff game, the Dodgers carried a 4-1 lead into the ninth inning. It looked as though this long struggle for the pennant was all in vain for the Giants. Then Dark singled.

Mueller followed with a single, sending Dark to third. After Irvin popped out, Lockman slapped a double, scoring Dark and sending Mueller to third.

Hartung came in to run for Mueller, who injured an ankle sliding into third. The score was now 4-2, and that was all for Dodger Pitcher Don Newcombe. Giant Manager Leo Durocher came over to talk with Bobby Thomson as Dodger Manager Charlie Dressen was in the process of making the biggest mistake since Merkle forgot to touch second. Instead of bringing in his ace relief pitcher, Clem Labine, he motioned for Ralph Branca to come in to pitch to Thomson. It was Thomson who hit the home run off Branca two days earlier. Now they were at it again. Branca's first pitch was a called strike.

On the next pitch, Thomson fired the most dramatic shot since the Minutemen fired on the British at Concord. As the ball landed in the left field stands, Ralph Branca, his uniform number 13 looking huge, turned and walked to the center field clubhouse.

When a reporter asked Bobby Thomson what Durocher had told him before he went to bat, Thomson said, "He said, 'Bobby, if you ever hit one, hit one now.'"

"What did Durocher tell you when you did hit a home run?" the reporter asked.

Thomson answered, "He didn't say anything. He was crying like a baby."

## Views Of Others

### BECHUANALAND

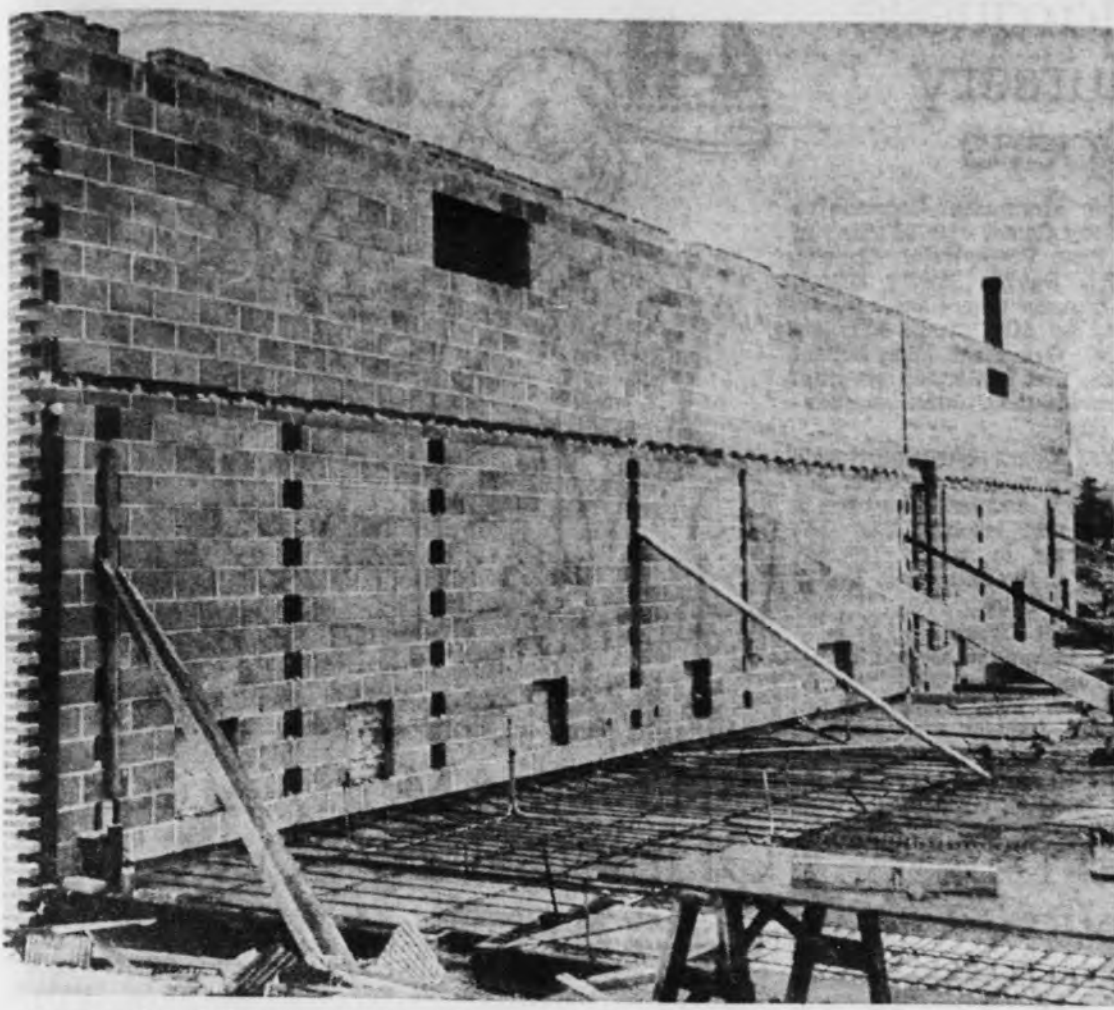

South African Premier Verwoerd's veiled bid to take over the three British protectorates lying in the shadow of his country has come like a rumble of thunder to drown the favorable impression left by his government's recent decision to return to Bechuanaland four refugees who had originally sought refuge there.

The four men—Dr. Abrahams, a colored physician, and three Africans — had British permission to settle in Bechuanaland to escape from the racial policies of Dr. Verwoerd. Allegedly they were kidnaped from within the territory by South Africans, and were in fact subsequently produced in court in Cape Town on charges of subversion. To allay British concern, the South African Minister of Justice intervened to free the men and return them to Bechuanaland.

This action was sound; but it was a pity it was taken on political rather than strictly legal grounds. Residents in Bechuanaland and the other two protectorates must wonder even more now what protection they would have under the law should Dr. Verwoerd ever get his hands on the territories.—Christian Science Monitor.

### South Wall Of High School Choral Room Erected

Construction of the south wall of the choral room for the new Marquette Senior High School is almost completed. This shows the interior of the choral room. Prime contractor for the building is Caspian Construction Co. of Caspian. The general contract is for \$1,544,000.

Separate electrical (\$193,886) and mechanical (\$528,270) contracts were let. Construction was started last spring and is expected to be completed by next summer in time for occupancy for the fall semester.—(Joe Sullivan photo).

### All County Potato Growers Eligible To Exhibit Spuds During Harvest Festival

Any county potato grower, even "back yard farmers," may exhibit potatoes for judging at the Marquette County Harvest Festival, Melvin N. Nyquist, county extension director, said.

The harvest festival will be conducted Thursday through Saturday, Oct. 10-12, at the National Guard Armory in Marquette.

Nyquist reminded Marquette County potato growers that all exhibits must be entered Wednesday, Oct. 9, between 6 and 10 p.m.

**Bank Presents Awards**

Check yields are now being taken for the "premier growers contest," Nyquist said. In this contest, awards will be presented by the Union National Bank of Marquette to the top yield in both the adult and 4-H classes. For adults, the yield must be made on at least five acres of potatoes, and for 4-H club members, the yield must be made on at least one-quarter of an acre of potatoes.

The classes for "representative tablestock" samples are for a 30-pound exhibit of unwashed U. S. No. 1 potatoes of any variety.

In the second class for adults, "certified seed," 72 tubers selected for uniformity, truthness to type and freedom from blemishes should be entered, Nyquist said.

**To Use Danish System**

Any person in the county, even those who grow a few rows of potatoes in their back

yard, may exhibit in the third class, the "adult 32 tuber" class.

Exhibitors in the "32 tuber" class should select their 32 most uniform and true to type potatoes. They should be brushed or cleaned with a dry cloth and wrapped in paper to prevent greening prior to exhibiting, he said.

The same rules apply to 4-H Club members in the "42 tuber" exhibit. However, the system for judging 4-H exhibits in this class will be the Danish system, with blue, red and white ribbons as awards.

There are five entries in the "32 tuber" class.

There also is a class for the largest potato exhibited, which any grower in the county may enter.

If any potato growers with five or more acres wish to have a check yield taken, they should notify the county extension office immediately, Nyquist said.

Farmers throughout the county also are urged to participate with 1963 samples of threshed grain or other seed. Barley,

oats, rye and wheat should be exhibited in peck samples.

These exhibits should be run over a fanning mill prior to entry to remove weeds and other foreign material, Nyquist said.

With red clover and timothy, two quart samples should be entered, and it must be certified that this is 1963 seed.

Premium books listing classes for entries may be obtained from the extension office in the county courthouse or at the chamber of commerce offices in Marquette and Ishpeming. Several stores throughout the county also are distributing the premium books.

commander of the Rockford District, will retire Oct. 11 after more than 34 years of service. White previously had served at White Pigeon, East Lansing, Wayne, Alpena, Grand Haven, Bay City, Marquette and Manistique.

### Two Given Jail Terms By Justice

Two persons were sentenced to terms in the Marquette County jail by Marquette Township

Justice George J. Fezzy. Ordered to spend 60 days in county jail on a charge of contributing to the delinquency of minors was Oscar Gustafson, 55, Trowbridge Park.

Alternative sentence was to pay a fine of \$100 and \$4.90 costs.

Gustafson was arrested by state police Sept. 18 off Ontario St. The complaint was signed by Mrs. Catherine Nadeau, Trowbridge Park.

**License Was Suspended**

Howard E. Nelson, 38, County Road 550, Big Bay, was ordered to spend five days in jail on a charge of driving while his operator's license was suspended and three days in jail for leaving the scene of a property damage accident.

Alternative sentences were to pay a fine of \$50 and \$4.90 costs for driving with a revoked license and a fine of \$10.70 and \$4.30 costs for leaving the scene of a property damage accident.

Nelson was arrested by state police Sept. 16 on County Road 550 in Powell Township.

### Sec. Rusk, Gromyko To Confer

UNITED NATIONS, N. Y. (AP)—Secretary of State Dean Rusk talks over possible deals with Foreign Minister Andrei A. Gromyko tonight in the only strictly U. S. - Soviet meeting scheduled in current East-West discussions.

The dinner meeting at the headquarters of the Soviet U. N. mission gave Rusk his first opportunity here to raise a host of Washington - Moscow issues, including the presence of Soviet troops in Cuba.

Rusk also was expected to inquire into (1) a variety of possible Soviet - American accords, ranging from trade to space cooperation, and (2) the Soviet position on disarmament and political questions posed in the wake of the limited nuclear test-ban treaty.

British Foreign Secretary Lord Home conducted the West's first deep probe into the second group of questions in a two-hour lunch at Gromyko's quarters Tuesday.

A devout Jew of the 1st Century prayed and read the Scriptures in Hebrew but he conversed with his friends and conducted business in Aramaic.

Newmen Club Officers

Officers of the Northern Michigan University Newman Movement are ready to rocket into the operations for the 1963-64 university year. Ideas have been formulated for religious, educational, and social programs, and are ready for action. The officers are standing, left to right, The Rev. Stephen, O.F.M., Capuchin; Bob Bink, president, Escanaba; Lawrence LeBlanc, vice-president, Houghton, and Jim Dresbach, member-at-large, Detroit. Sitting left to right, Rose Marie Frantz, treasurer, Menominee; Pat Glantz, recording secretary, Marquette; Gerry Tiziani, corresponding secretary, Ironwood, and Mary Makel, member-at-large, Manistique. (Photo by Arnestad).

'Conferring Of Degrees' Program Told

Mrs. Hazel Girard, a past regent of the Father Marquette Circle of the Daughters of Isabella, paid tribute to Mrs. S. J. Chartier at "Conferring of Degrees" ceremonies which were held Sunday in the Knights of Columbus Hall.

The new class was named the Chartier Class in honor of Mrs. Chartier and she was presented with a shrine of St. Francis of Assisi and her congratulations, on behalf of the circle, by her granddaughter, Lori Ann Grange. Mrs. Chartier also was presented with a rosary bracelet by Mrs. Henry Caron.

The Rev. Howard J. Brown, assistant pastor of St. John's Church, addressed the group on "You and the Church Today," and a dramatic presentation was given by Mary Lynn Dupras entitled "Take Me With You."

Guests included the Rev. Raymond Heofgen, assistant pastor of St. Michael's Church, Sister Bernadette, Sister Marie Felix, Sister Mary de Jesu, of Holy Family Home and Mrs. Della O'Leary, Mother Cabrini Circle, Detroit.

Table Decor

The fall beauty of the Upper Peninsula was the theme of the table and hall decorations for the Conferring of Degrees dinner. Large baskets of maple leaves, pine cones in their natural state and fall leaves graced the tables. Place cards, made of miniature pine cones and springs of pine on a yellow background carried out the theme.

Four generations of the Croisetiere family were present: Mrs. Charles Croisetiere, degree team captain; Mrs. Chartier, daughter; Mrs. Alfred Grange, granddaughter, and Lori Ann Grange, great-granddaughter.

Degree Team Listed

Members of the degree team are as follows: Mrs. C. W. Dupras, regent; Mrs. Henry Caron, state secretary; Mrs. Walter Toupin, Mrs. Edward O'Donnell, Mrs. Robert Yuma, Mrs. Miles Betts, Mrs. George Mancuso, Mrs. Robert Noel, Mrs. William Frazier Jr., Mrs. Homer Ginngrass, Mrs. George Summers Jr., Mrs. Frank Sciotto, Mrs. Robert Haley, Mrs. Jerome O'Neill, Mrs. Stuart Johnson Jr., Mrs. Edward Stratton, Mrs. Stratton, Mrs. Orval Cherrette and Miss Arvis June Bater, sanctity.

Others taking part in the ceremony were Mrs. Fred St. John and Mrs. Eldred Greenway, escorts; Mrs. Dennis Duquette and Mrs. Alfred Grange, altar marshals; Mrs. Stratton, director and accompanist; Mrs. Ernest Sharron, Mrs. Mary T. Hogan, Mrs. Margaret Mahowald, Mrs. Hazel Girard, Dorothy Dunleavy, Barbara Jo Sweeney and Ann Reichel, choir members.

Miss Elaine Betts gave the initiate's response. Also initiated was Mrs. Rose Cherrette.

WILLIAM K. BONNELL

Landscape Consultant To Lecture

William K. Bonnell, landscape consultant of the United States Housing Authority, will be in Marquette this month to lecture on home garden problems. The theme of his talk will be "Landscape Design for the Home Grounds."

The program, at 7:30 p.m. Oct. 15 in the Parkview School, will feature slides and discussion followed by a question-answer period.

Bonnell, colonel, Army of the United States, retired, served as an Army officer in both World Wars. He studied at Harvard University, school of landscape architecture, and for many years supervised the carrying out of landscape plans of such nationally known landscape architects as Olmsted Brothers of Brookline, Mass., James L. Greenleaf, Samuel Parsons, Feruccio Vitale, Alfred Geiffers of New York City and O. C. Simonds of Chicago.

With PHA Since 1936

Since 1936, except for time spent in the service, he was on duty with the Public Housing Administration as a landscape architect and engineer, charged with inspection of the work of landscape contractors on new housing projects. Since the end of the second World War he has had complete supervision of the maintenance of grounds and structures.

After his retirement in 1960, Bonnell has been chiefly occupied with working out landscape plans for private homes, apartment groups and public schools. He is past president of the Tacoma Horticultural Club, one of the oldest horticultural groups in the Washington, D.C. area and is now president of the Camellia Society of the Potomac Valley, associated with the American Camellia Society.

Bonnell was in charge of the gardens entered in competition in the National Capitol Flower and Garden Show in the Washington, D. C. Armory, which is attended each year by over 100,000 people. He also designed the display garden for the Camellia Society for the last two years.

Mr. and Mrs. Bonnell, who reside in Silver Spring, Md., will be in Marquette from Oct. 11 through 17 and will be visiting Dr. and Mrs. Eugene Whitehouse. Mrs. Whitehouse is a daughter of the couple.

Marquette Nursery Opens

The Marquette Cooperative Nursery Center opened today in the First Presbyterian Church. Mrs. David (Stella) Drury, the nursery school teacher, assisted by Miss Cindy Schwitzgoebel, Gravaer High School senior, had a planned program of fun for the children on opening day.

Mrs. Drury has previously been the nursery teacher for two years and has also been a kindergarten teacher. She has substituted in many different grades of the Marquette Public School system.

Non-Profit Group

Any parents interested in registration information should telephone Mrs. John Wanfall at CA 5-0680 or Mrs. Leonard Melby at CA 6-9748.

The Nursery Center Association is a non-profit, self-supporting organization and is licensed by the Michigan Social Welfare Commission.

It is non-sectarian. Mrs. Melby is the association president.

Activities during 4-H week, Sept. 28 through Oct. 5 will stress family unity and family-wide 4-H participation.

4-H Offers Many Areas Of Interest To Youth

By PAUL W. SHOGREN

County 4-H Extension Agent "About one fourth of all American marriages end in divorce." "Crime rates increase dramatically."

These all-too-common headlines bear eloquent witness to the fact that families are splitting up. Mom, dad, sis, and Johnny tend to go their separate ways more and more, sharing fewer and fewer common interests and activities.

4-H is devoted to the idea that families which work and play together stay together. Several activities across the state will be emphasizing family unity during National 4-H Club Week, this week.

Examples Noted

There are many dramatic examples of family-wide 4-H participation. Many of the more than 12,000 volunteer leaders who give freely of their time to 4-H guidance and supervision have 4-H sons and daughters.

Attend any 4-H activity and you soon detect an atmosphere of enthusiasm. You sense the enjoyment and cooperation derived from working and learning together as a family unit; the feeling of achievement that comes with the completion of worthwhile projects in over 40 areas of interest to youth between the ages of 10 and 18.

A strong 4-H club is a sign of a strong community, a community that cares for its youth and promotes strong family ties. National 4-H Club Week is a good time to investigate organizing a 4-H Club in your community if your community does not already have one. For full details on how to start a 4-H club contact our office in the County Courthouse, CA 6-6331

58.3 Score High In Bridge Play

Mrs. E. L. Derby and Jules Caspersen scored high in Ispeming Duplicate Bridge Club play Monday night with 58.3 per cent. Other scores were Mrs. Earl Makela and Mrs. William Redman 57.6; Helen Winter and Mrs. Robert Fountain, 55.5 per cent; Mr. and Mrs. Bernard Schmelzler, 54.8, and Al Wendt and C. Gibbs, 50.6.

You can use undiluted evaporated milk as the liquid in a Welsh Rabbit.

Denver, Colo. 80220 Dept. L-1

Ruuska-Villers

(Photo by Lemon's Studio)

Mr. and Mrs. Samuel Ruuska 1912 Westwood Rd., Marquette, announced the wedding of their daughter, Karen Louise, to A/2c Larry Paul Villers, K. I. Sawyer Air Force Base, son of Mr. and Mrs. Victor Villers, Courtney, Pa.

The 4 p.m. ceremony, Saturday in the Sion Lutheran Church was performed by the Rev. William J. Sippola before an altar decorated with white and pink gladioli.

Helen Rajala, soloist, sang "The Wedding Prayer" and "O Perfect Love," accompanied by Mrs. Eino Olander on the organ.

Escorted to the altar by her father, the bride wore a floor-length gown of rosepoint lace with fitted bodice, dipping to a point at the waist. The Sabrina neckline was edged in scallops and trimmed with sequins. The bridal gown featured traditional long sleeves and a bouffant skirt fashioned with handkerchief points and tulle in tiers. A matching lace queen's crown, trimmed with seed pearls and crystals, secured a bouffant imported silk illusion veil. Pink sweetheart roses and white chrysanthemums made up her cascade bouquet. Her only jewelry was a strand of pearls, a gift of the groom.

Attendants For her attendants, the bride chose Barbara Trudgen as maid of honor and Judith Summers, Pamela Turner and Kathryn Anderson as bridesmaids. Their dresses were of burnt orange tissue sateen, styled with semi-scooped necklines and full skirts with unpressed pleats at the sides and around the back. The dresses were accented with overskirts which came to an inverted V above the hem and trimmed with a fabric rose. The attendants wore headpieces and veils identical to the bride's in burnt orange. They carried colonial bouquets of white and bronze pompons.

Attending the groom were Daniel Ruuska, brother of the bride of Ann Arbor, as best man; A/1c Frank Hughes, A/3c Joseph Guetter and A/3c Ralph Pulliam, all of Sawyer AFB, as groomsmen. Seating the guests were David Ruuska, Detroit, cousin of the bride, and Wayne Rautio.

Denise Maki, cousin of the bride, was flower girl. She wore a dress of blue chiffon over blue and white print corduroy. Her matching veil was

attached to a floral headpiece. She carried a basket arrangement of yellow and gold pompons. Mark Ruuska, cousin of the bride was ringbearer.

For her daughter's wedding, Mrs. Ruuska chose a medium blue lace sheath dress with a chiffon overskirt and matching accessories. Her corsage was of white feathered carnations and pink roses.

Reception For 325 A rehearsal dinner was hosted by the bride's parents in their home and a reception luncheon was hosted by the groom's parents. A dance at the Clifton Supper Club was attended by 325 guests.

Mrs. Villers is a graduate of Gravaer High School and attended the Business Institute

Dr. Bergsma To Speak To Church Women

The Messiah Lutheran Church Women will meet Thursday at 7:45 p.m. in the social rooms of the church.

Dr. Stuart Bergsma, who is in the TV education and communications department of Northern Michigan University, will speak and show slides of his former work in missions in Nigeria.

The St. Mark's Lutheran Women's trio, Mrs. Thomas Asuma, Mrs. Douglas Williams and Mrs. Lance Roberts, will sing several numbers, and devotions will be presented by Mrs. Harry Nydahl. Mrs. J. O. Magnuson will be the pianist. The program is in charge of the Mary Circle of which Mrs. E. W. LeVine is the chairman.

The hostesses for the social hour are members of the Lois Circle of which Mrs. Harold Jensen is chairman.

The briefing session for the Circle Bible study leaders will be held at 7 p.m. in the lounge prior to the general meeting.

Members are reminded to bring the articles needed for the layettes and kiddies kits being assembled for Lutheran World Relief, if they have not already done so.

New Names In The News

POWELL — A daughter, Melinda Ann, was born on Sept. 30 in the K. I. Sawyer Air Force Base Hospital to A/2c and Mrs. Morris K. Powell, Johnson Lake, Gwin.

McGOULEY — A son, Johnnell Jr., was born on Sept. 30 in the K. I. Sawyer Air Force Base Hospital to A/2c and Mrs. Johnnell McGouley, Little Lake.

STANLEY — A daughter, Jennifer Lynn, was born on Sept. 30 in St. Mary's Hospital to Mr. and Mrs. David Stanley, 218 Jackson St., Marquette.

DRUCKENMILLER — A son, Brian Henry, was born on Oct. 1 in St. Mary's Hospital to Mr. and Mrs. Arnold Druckenmiller,

of Milwaukee. The groom is a graduate of Monongahela High School and Jet Mechanic School, Monongahela, Pa. He is a jet mechanic at Sawyer AFB.

After a wedding trip to Gravaer and around the lake, the couple will reside on Ridge St. in Marquette.

### Canoe Race Slated For Grayling

GRAYLING — With giant racing paddles flashing, two-man canoe teams will attempt to master the famous AuSable River on a 240-mile race from Grayling to Oscoda this Saturday and Sunday. The two-day race, with a stopover at Mio, is expected to attract the best canoe racing teams from the Midwest and Canada in this 18th annual AuSable River Valley Canoe Race. Total prize money of \$3,050.00 will be divided among the top ten teams.

The AuSable twists and turns, narrows and widens through the Huron National Forest in eastern Michigan on its way eastward to Lake Huron. The race will be held during Michigan's autumn color season when forest foliage puts on its own color spectacular.

#### Two Laps

The race will again be staged in two laps; the first to begin in Grayling on the AuSable main stream at 10:30 a.m. Saturday, October 5, with the finish in Mio at about 4:00 p.m. The second lap will start from Mio at 6:30 a.m. on Sunday with the winners expected to cross the finish line in Oscoda by 4:00 p.m.

Last year's race attracted twenty-six canoe racing teams. According to this year's race committee, headed by Eric Post of Grayling, this number may well be doubled.

East Michigan Tourist Association manager, James Hall, stated, "The AuSable race weekend could well attract a record number of spectators for both the canoe race and the enjoyment of Michigan forestlands in their brilliant fall colors."

A pole position sprint race will be staged on Friday, October 4, on Lake Margrethe near Grayling. The teams will leave Grayling on Saturday morning at 15-second intervals in the order of their finish in the sprint race.

Until 1962 the race was staged as a non-stop marathon, but this proved to be rough on the paddlers and the spectators as well with night paddling extremely hazardous. The two-day all daylight race has attracted many more competitors.

According to the rules of the race, each canoe must have two paddlers with no changes being made during the race. Paddlers must be 15 years old or older. The same canoe must be used throughout. In past years, canoes have been damaged and repaired during the race without even stopping. Six portages are allowed, these being for the six dams on the AuSable. The dams are also among the best viewing sites for the race.

**Size Restrictions**  
Canoes must be stock model, round bottom canoes, not exceeding 18 feet, 6 inches in

### Polls Revised, Show MSU As Dark Horse

EAST LANSING — Michigan State suddenly has become a darkhorse favorite to climb high in the national collegiate football ratings this year.

A reshuffling of the pre-season football polls must be made after MSU ran over North Carolina 31-0 in its opener and top-ranked Southern California was beaten 17-12 by Oklahoma.

The two teams meet Friday night. Spartan coach Duffy Daugherty reacted more like a track coach than a football man after

his victory. Duffy sprinted out of the Spartan Stadium dressing room shrugging off questions and congratulations. He was intent on doing a personal scouting job on the Southern Cal-Oklahoma game.

Daugherty and the rest of the nation's television watchers saw the Trojans upset by the Okies in the Los Angeles Memorial Stadium.

**Could Jump**  
Southern California is bound to lose a few notches in the Associated Press rankings. Oklahoma, currently rated as No. 3, could jump to top spot.

Michigan State—for the first time in five years—wasn't rated in the top 10 or 20 in anybody's poll. But the Spartans should start climbing after the way they walloped North Carolina.

length. Paddles must be the single blade type. Paddles used by winning teams in recent years have squared ends, some being nearly one foot wide.

Top prize money to the winning team will be \$1,200.00. The first ten canoes across the finish line will receive cash prizes and participation medals.

Cooperating organizations for this year's race are the Crawford County and Mio chambers of commerce, Oscoda-AuSable townships, Consumers Power Company, and the East Michigan Tourist Association.

Information concerning entry forms and rules may be obtained by writing to Robert Hayes, Crawford County Chamber of Commerce, Grayling, Michigan.

Right after he watched the game on TV, Duffy was on the long distance phone talking to Oklahoma coach Bud Wilkinson. Duffy and Bud are close and once ran a "coach of the year" clinic together. So Duffy was asking his old buddy for tips on the way he beat the Trojans.

"It was a pretty good start," commented Daugherty about his own 31-0 victory. "But we don't have any illusions that we are going to be a great team," he added cautiously.

Daugherty saw three gambles pay off in his opener—going with a sophomore quarterback, a soccer-type kicker for extra points and field goals, and a fullback moved up because of his reduced weight.

#### Juday Directs

Sophomore quarterback Steve Juday directed the Spartans to a touchdown against North Carolina the first time he had the ball. Daugherty kept the youngster in the game until late in the last quarter and commented afterwards "I didn't call a play. He called them all himself and nothing was sent in from the bench."

Roger Lopes, a fullback imported from Hawaii, paid for his traveling costs by making 157 yards rushing, including one spectacular 76-yard touchdown sprint. Lopes was given the starting job because he reduced some 20 pounds from last year and picked up speed with the lost weight.

Lou Bobich, who kicks the ball with the side of his foot, hit four for four on his extra point tries and added a field goal. He also was booming kickoffs better than 70 yards beyond the end zone.

"Bobich is not a soccer player playing football," explained Daugherty. "He is a football player using a soccer kick. And he sure gets a lot of foot into the ball."

#### Outrugged

Michigan State netted 332 yards rushing in the opener against 30 yards for North Carolina. Juday stuck to the rushing game when he saw how well his backs were going. North Carolina was supposed to have a good passing attack but Junior Edge, eighth in the nation last year in passing, couldn't get away a long bomb. Edge com-

### Western Opens Cross-Country Season At AFA

KALAMAZOO — The 1963 edition of Western Michigan University's sophomore-studded cross-country team will open its schedule Saturday at the Air Force Academy. Coach George Dales has two returning lettermen among the ten top runners on the young squad; they are juniors Bruce Burston of Melbourne, Australia, a 1962 all-American, and Neil Browne of Lawton.

There are eight sophomores in the top ten, a fine crop of harriers which give the Western team much potential.

In a dual meet last year in Kalamazoo, the Broncos downed the Air Force Academy by a 16-43 count.

The team has a reputation to live up to, having numbered eight cross-country all-Americans in its history. To attain the rank of all-American in this sport, one must be among the first fifteen finishers in the annual NCAA championship run.

Michigan State has two brother combinations active in the Spartan sports program. Football has Dick and Jim Proebstle of Canton, Ohio and cross country has Ray and Russ Pletcher of Ashtabula, Ohio.

pleted some short passes but the Tarheel total was only 84 yards through the air.

MSU, meanwhile, netted 77 yards passing, enough to keep the defense honest against the ground game.

### Wildcats Face Hillsdale In Saturday's Grid Meet

Coach F. L. (Frosty) Ferzacca sought more reserve strength today as he pointed the Northern Michigan University football team toward Saturday's 1:30 p. m. clash with Hillsdale here at Memorial Field.

The Wildcats outplayed the University of Detroit Titans in the first period of play last Friday night but gave ground in the face of Detroit's aerial attack, power and depth. Detroit won, 20-7.

#### Two Injuries

The game apparently cost Northern the services of 225-pound tackle Mike Feldhusen and 208-pound fullback Don Edens. Feldhusen, a native of Munising, injured his knee, and Edens, who hails from Escanaba, suffered a shoulder injury. Fullback Don Bangert and

Guard Pat Stump are troubled with old knee injuries but apparently will be ready for action against Hillsdale.

Ferzacca, meanwhile, had nothing but praise for his team. "Considering that most of our starting lineup played more than 50 minutes against the Titans," he said, "it took a strong team effort to hold a club like Detroit to just three touchdowns."

Hillsdale, a perennial power under Coach Frank D. (Muddy) Waters, holds a 3-2 edge over Northern in a five-game series which began in 1958. Northern dropped last year's encounter, 14-6.

Coach Waters' nine-year record at Hillsdale is 69-13-2. And the Dales, paced by quarterback John Lucadam and end Doug Bickle, rolled over their first two opponents, Findlay

(21-6) and Fairmont State (31-20), before losing a hardfought battle to St. Norbert Saturday, 20-17.

Picked by many of the state's sports writers as "the team to beat" in Michigan collegiate circles, Hillsdale has 39 of last year's lettermen back.

Missing from the Dale lineup this season will be three All-State selections from last year: halfback Tom Ridley, guard Bill Baldwin, and end Bob Hankinson.

Among the new Dales expected to start against the Wildcats is Bickle, former end at the University of Michigan. Second only to Michigan's Daveamey in scoring in 1961, Bickle is ex-

pected to give Waters' team added strength in offensive play, punting and place kicking.

#### STAN HAD OTHER PLANS

ST. LOUIS — Stan Musial of the St. Louis Cardinals could have done as well in basketball as in baseball, the owner of the St. Louis Hawks says. Ben Kerner of the National Basketball Association team says: "Our scouting reports indicate that Musial was fast and had a good left-handed hook shot. If he had taken that basketball scholarship at the University of Pittsburgh 23 years ago, he might eventually have played with the Hawks."

L. W. Brumm Construction Co. crews are laying 31,000 feet of pipe in 118 working days, less than half the time called for in original contract.—(Mining Journal photo).

### South Ishpeming Sewer Job Nearing Completion

ISHPEMING — Crews of the L. W. Brumm Construction Co., Marquette, are rapidly approaching completion of the huge sewer project in South Ishpeming.

With exception of a small amount of pipe to be laid back of Frenchtown, all actual pipe laying was completed last Friday. The delay in the Frenchtown area is the result of a requirement for a special type of pipe, made necessary by deep muck and drainage ditches in the area.

Brumm's crews actually put in the ground over 31,000 feet of pipe in 118 working days. This early completion date on the project will enable the final cleanup to be hastened and thus reduce by more than half the amount of time that the streets would have normally been torn up. City Manager Thomas R. McNabb said today, Brumm's contract called for completion in 300 days. However, use of extra crews working overtime enabled the Marquette contractor to finish the job in considerably less time.

"Ishpeming is a very difficult area in which to install sewers as there are all types of ground, ranging from solid iron ore and rock to muck and quicksand," Leonard W. Brumm Jr., general superintendent on the project, said. "In addition, we uncovered several hundred pipes, timber and railroad structures remaining from the old mining days. All of this combined to cause numerous delays and changes in the work schedule.

"However, the people of Ishpeming have cooperated with us 100 per cent and we are now all but finished with the actual pipe

laying. We will proceed just as diligently with the cleanup. "We are extremely proud to have been in a position to finish this job in less than half the required time and look forward to the occasion when all the south area residents are hooked into the new mains. Then they will realize what a convenience their money has purchased."

### Kalevas To Show 2 Films Sunday

NEGAUNEE — Sponsored by local Ladies and Knights of Kaleva units, two films will be shown at 7 Sunday night in the Negaunee Kaleva hall. One film will deal with the visit to America by President Kekkonen of Finland, while the other, entitled "Puu," is a story of woodcraft in Finland. Dialogue for both films is in the English language. The public is invited. There will be no admission charge.

### Fire Burns Two Acres In Alger

MUNISING — A forest fire burned two acres of timberland yesterday half a mile south of Ready Lake, which is located in Munising Township about six miles west of Federal Forest Highway 13.

The blaze is believed to have been started by bird hunters.

A tree-planting crew working in the vicinity saw the fire. Members, assisted by a bulldozer and pumper trucks from the Munising station of the U. S. Forest Service, brought it under control in about four hours.

Floyd T. Roberts, district ranger, this morning warned all hunters to use "extreme caution" with fire and cigarettes because of the extremely dry conditions in the woods. The fire index at noon yesterday was 40.

### Obituary

#### VAINO W. MAKI

EBEN — Services for Vaino W. Maki, 54, who died Monday, will be held at 1:30 Thursday afternoon in the Bowerman-Hallifax Funeral Home. The Rev. Tauno Jarvinen will officiate and interment will take place in Pine Grove Cemetery, Chatham. Escorts will be Arnie Gran, Urho Nummela, Toivo Johnson, Larry Ahonen, Oiva Makinen and Viljo Hautamaki.

#### MRS. LEO T. ROCK

GWINN — Services for Mrs. Leo T. Rock, who died Monday afternoon in Bell Memorial Hospital, will be held at 10 Thursday morning in St. Anthony's Catholic Church here. The Rev. Matt LaViolette of Gladstone will officiate and burial will be made in Gwinn Cemetery. Pallbearers will be Robert, Ronald and William Boogren, Leslie Hutchens, Paul Pepin and Desmond Connors.

The body is in the Koskey Funeral Home, Negaunee, where the Rosary will be recited at 7:45 tonight.

#### MRS. ANNA KORPI

ISHPEMING — Services for Mrs. Anna Korpi, 77, who died Tuesday, will be held Thursday at 2 p.m. in the Finnish Apostolic Lutheran Church. The Rev. William Prusti will officiate and burial will be made in Ishpeming Cemetery. The body will be taken from the Jackson Funeral Home to the church Thursday at 10:30 a.m.

Pallbearers will be her four sons, Nestor, George, Jacob and Lawrence, and her two grandsons, John Korpi and Charles Brown.

### CARD OF THANKS

We wish to express our sincere thanks to our friends, relatives and children, and neighbors who remembered us on our Golden Wedding Anniversary, Sept. 28.

We want to thank those who worked so hard to make the celebration successful.

Mr. and Mrs. Arvid Sjöholm

Advisors for the classes and organizations are Mrs. Rosemary Kutchie, seniors; John Eskala, juniors; Clarence Thomas, sophomores; Ronald Patron, freshmen; Rudolph Kero, eighth grade; Mrs. Lois Heikila, seventh grade; Clarence Thomas, student council; Mrs. Lois Heikila, librarians club; Mrs. Rosemary Kutchie, future homemakers.

### Parents Club To Hold Bake Sale At 1:30 Friday

**MUNISING** — The Parents Club of the Silver Echoes Drum and Bugle Corp will sponsor a baked goods sale Friday, starting at 1:30 p.m., at Floria's Insurance Agency. All members are asked to have their baked goods at Floria's at 1 p.m.

### Blue Notes Given Plaque For Winning State Title

**ISHPEMING** — The Blue Notes Drum and Bugle Corps, sponsored by the Ishpeming American Legion Post, was the recipient of the Legion's Thompson Plaque in a brief ceremony held in the clubrooms.

The Thompson plaque is awarded to the junior drum and bugle corps state champion in lieu of a trophy. The trophy is on permanent display in the state office of the Legion in the Veterans Memorial Building, Detroit.

The plaque was presented by Richard Hoyer, 12th District committeeman. In his presentation, Hoyer commented on the fine showing of the group at the state convention in Detroit stressing that the Blue Notes had defeated groups from larger cities. He depicted this as evidence of what a smaller city can do through community cooperation.

The presentation was a surprise part of the Fifth Zone fall dinner served by members of the American Legion Auxiliary, the meeting was convened by William Goodreau, Iron River, state vice commander and commander of the Fifth Zone. Delegates from 21 posts throughout the Upper Peninsula were present, with the past state commander, Joe Paul of Ishpeming, as a special guest.

### Deer Killed, Car Wrecked In Accident

**ISHPEMING** — An automobile was wrecked and a deer was killed in a smashup at 7:15 last evening on U.S. 41, just west of County Road CJ, in Ely Township.

State police said Michael Wilson, 18, of 403 Bay de Noc St., Negaunee, was traveling east on U.S. 41 when a deer jumped out from the south side of the roadway into the path of his car.

The left front of his car, a 1957 station wagon, was extensively damaged and the vehicle was removed from the scene by a wrecker.

The carcass of the deer was turned over to the Michigan Conservation Department for disposal.

home after spending the weekend with Mrs. Leina LITTLE.

in the clubrooms.

The Mary Martha Circle of the Mission Covenant Church will meet Thursday afternoon at 2 in the church basement. Hostesses will be Mrs. Reuben Helgren and Mrs. Esther Larson.

A meeting of the Negaunee Lady Elks will be held at 8 tonight in the Elks clubrooms. Hostesses will be Mrs. Hazen Thomas, Mrs. Doris Dodendorf, Mrs. Wilho Isaacson and Mrs. Howard Manning.

Members of Corpus Christi Circle, Daughters of Isabella, have been invited to attend a school of instruction to be held in Marquette Oct. 12. State officers will be present. Any member interested in attending is asked to contact the regent, Mrs. Lowell Peterson, before Oct. 7 as reservations must be made in advance.

**Gwinn**  
The Forsyth Township Board will hold a regular meeting at 7:30 tonight in the Gwinn Town Hall. All monthly meetings in the future will be conducted on the first Wednesday night of each month.

**Munising**  
Munising Chapter, Order of Eastern Star, will hold a regular meeting at 8 Thursday night in Masonic Temple. This

### Relocation Job Begun At Baraga

BARAGA — Relocation of the storm sewer which runs underneath the Baraga High School got under way over the weekend. The job is expected to be completed within a few days.

The Baraga County Road Commission drag-line unearthed the old sewer drain and dug a new trench around the perimeter of the north wing of the school to take the new culvert on Saturday and Sunday. The job of laying the new 36-inch concrete culvert sections in the rerouted trench was started Monday afternoon and, according to Superintendent E. E. Erickson, if everything goes as planned, the job will be completed by the end of this week.

The entire front lawn of the school was dug up to expose the lower portion of the existing drain. The new section, which is being laid in the freshly opened trench about 40 feet from the building itself, will be connected to the old pipe at a safe distance from the foundation.

The portion of the storm sewer which actually runs underneath the building — and which has caused all the trouble — will be pumped full of concrete at a future date to prevent any further seepage and washing of the soil under the foundation.

The school grounds will be leveled and reseeded as quickly as possible.

### Explorer Unit Formed By Eagles

NEGAUNEE — Organization of a Boy Scout Explorer Post has been completed. The Negaunee Eagles Aerie is the sponsoring unit.

Membership in the post is open to boys from Troop 346, also sponsored by the Eagles, who are 14 years of age or over, have reached the ninth grade in school and have completed requirements for their first class rank.

Charter members of the unit include James Luttinen, Mike Roti, Eugene Flink, Howard Lehto and Donald Jenkins.

William Larson will serve as institutional representative and Edward F. Miller will chairmen the Eagles Explorer Post committee. Other committeemen are Frederick J. Bath, Victor Wehmanen, Clyde Eddy and George W. Prusi.

Clarence T. Verran Jr. has been appointed advisor to the new post. Associate advisors will be John Flink, Oral Pizzola and Henry J. Richmond.

### Four Fined, Two In Game Law Cases

L'ANSE — Four persons paid fines and court costs totaling \$118.20 when their cases were heard by L'Anse Justice Steven P. Markovich.

Heavy fines were assessed two 23-year-old L'Anse men arrested for conservation offenses for game law violations. John H. Stein and Patrick J. Daust, apprehended in an orchard in the Skance area, were charged with using an artificial light for the purpose of hunting and carrying a loaded 22 calibre pistol in a deer area. Both men pleaded guilty to the shining charge at their arraignment, and each paid a fine of \$25 plus \$7.30 court costs.

Ticketed for driving a truck with a 4,000-pound overload, Joseph D. Long of Amasa was fined \$40 and \$4.30 court costs. Long was arrested by a State Highway Department weighmaster on U. S. 41 about five miles south of the Covington junction.

Guy T. Whaley Jr., 22, L'Anse, who received a summons from L'Anse village police for speeding, paid a fine of \$5 and \$4.30 costs.

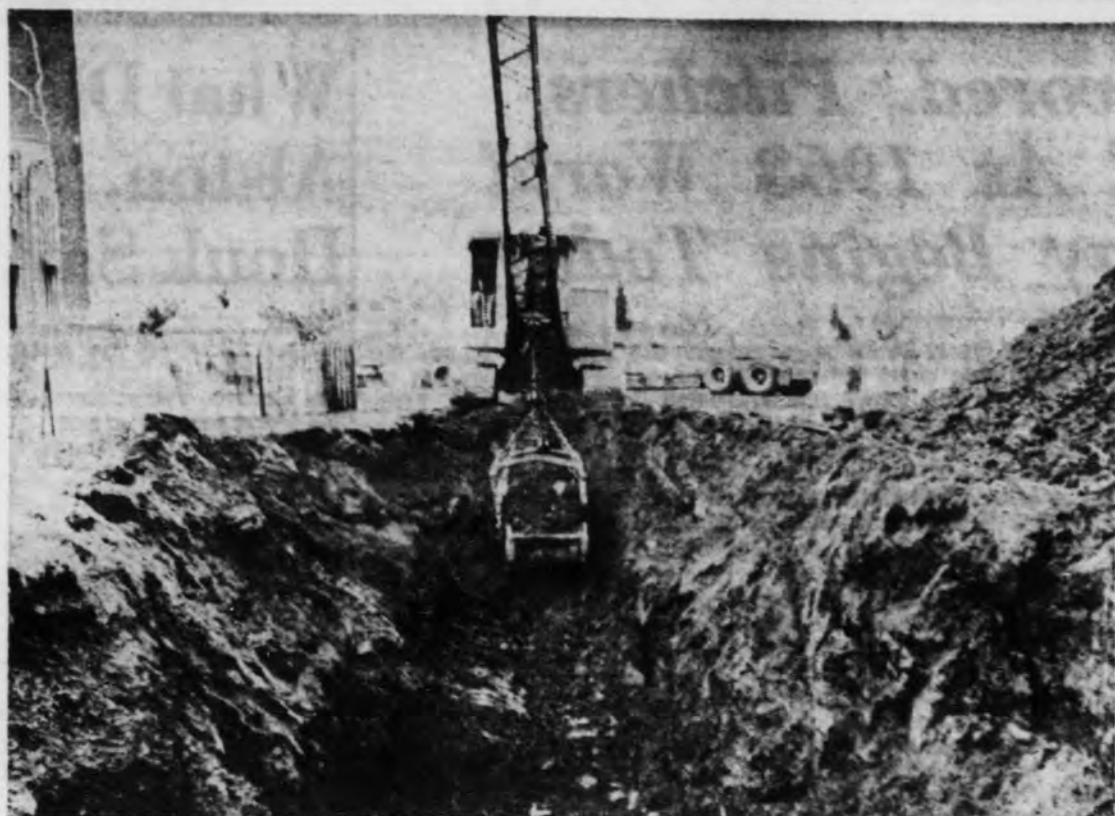

### Missionary To Speak In Gwinn Friday Evening

GWINN — Miss Mildred Drescher, a missionary with a wide background in human relationships around the world, will speak at the Gwinn Methodist Church Friday night at 8:30.

Miss Drescher, a native of Michigan, is a graduate of Western Michigan University with a master's degree from the University of Michigan. Her work for the church has included missionary service in India and the mountain kingdom of Nepal. She recently retired and makes her home in Grand Rapids.

All persons in Gwinn as well as the surrounding areas are invited. A nursery will be provided.

Refreshments will be served at a Fellowship Hall after the service.

Baraga County Road Commission equipment | sewer in relocation project at Baraga Township was used to dig up portion of an old storm | High School.—(Mining Journal photo).

### Vocal Groups Organized At NHS Plan Appearances

NEGAUNEE — Organization of several vocal groups, which will be under the direction of Miss Mary Trolia, has been completed by the Negaunee High School music department.

Three major performing groups include a mixed chorus of 53 voices, a 63-voice girls' chorus and a select chorale. Other performing units are a senior ensemble, junior-sophomore ensemble, boys' quartet and girls' trio.

Initial appearance by a majority of the groups will be at the annual Negaunee High School's choral Christmas concert, scheduled for Dec. 17. Plans also are being made for a spring concert, the annual Upper Peninsula High School Music Festival and other appearances.

Officers for the ensuing year

include Colleen Hocking, president; Gayle Kerecman and Julia Maki, secretaries; Alice Willis and Colleen Mitchell, librarians, and Diane Collins, publicity chairman. Art co-chairmen appointed by the president are Richard Delarye and Sharon Bronkhorst.

Norman Munson, a senior, returns as accompanist. Lois Norrell, Linda Johnson, Linda Makela and other students in the junior and senior high also will have opportunity to accompany various groups. Section leaders include Priscilla Solomon, soprano; Barbara Wommer, alto; Richard Delarye, tenor, and Bruce Hatch, bass.

### Marinello Head Of High School Athletic Council

TRENARY — Arthur Marinello was elected president and Cheryl Cady secretary-treasurer at the organization meeting of the Trenary High School Athletic Council for 1963-64.

Other members of the council are Miss Martha Campbell, George Hager, Mrs. Stephen Ellis, Michael Hawley, Gary Flynn, Dennis Yllinen and Ronda Bucholtz.

### Rosten-Bess Score Tops Women's Play

ISHPEMING — A high score of 1,227 was pegged by Marjorie Rosten and Mary Bess in Women's Cribbage League play. A 1,215 score was posted by Helmi Pasanen and Marie Anderson.

Coomb's team gained 38 holes, but Young's team is leading by 676 holes.

The average worker loses about 5 1/2 days a year because of injury or illness.

### Death Takes City Native In Arizona

NEGAUNEE — Charles M. Sporley, 68, former Negaunee resident, died Tuesday morning in Youngtown, Ariz.

He was born Feb. 23, 1895, in Negaunee, the son of the late Mr. and Mrs. Charles L. Sporley, who were well-known local residents. Prior to retiring in April of 1960, when he went to Arizona, he was employed by the Valentine-Clark Corp. of St. Paul, Minn.

Mr. Sporley was a veteran of World War I.

Surviving are his wife, Loraine; a daughter, Gail of Minneapolis, and a brother, Everett of Negaunee.

Services will be held at 2 Thursday afternoon in Youngtown and burial will take place in that city.

Members of the Marquette Prison Pistol Team pose with weapons and plaques after taking the Eighth Annual Marksmanship Match held recently at Ionia. Pictured, left to right are: Henry Belmore, Vern Crawford, Eldred Greenway, Kenneth Robare, Robert Belmore and Gerald Bengry, alternate.

### Marquette Prison Team Fires Into State Title For Third Time In Row

IONIA — The Marquette Prison Team won top position in the recent Eighth Annual Marksmanship Match held here on Sept. 21, taking the overall aggregated Director's Trophy for the third consecutive year. Topping the win aspect of the meet, the Marquette Prison team also established a new aggregate record of 4135 points out of a possible 4500.

Jackson Prison took second position with a 4091 score, followed by Ionia Reformatory with a 3920 showing.

**Year-Long Matches**  
The Department of Correction holds elimination matches throughout the year at each institution, and after a great deal of rugged competition, the six top men from each institution are chosen to represent their prison.

In order to qualify for the teams, they must be able to compete with rifles, revolvers and shotguns.

The match was composed of 30 rounds fired with the .38 calibre revolver, 30 rounds off-hand with the .30 calibre rifle and 30 more rounds with a 12-gauge shotgun, the latter used in a trap shoot.

The Ionia Reformatory took the revolver match with a score of 1339, and Jackson Prison ran second with a 1336 score. The Marquette Prison took third with a 1334 tally.

Coming from behind, the Marquette Prison team took first places in both .30 calibre rifle and the trap shoot event, with scores of 1421 and 1330, respectively. Jackson Prison pushed hard in both competitions, scoring 1415 in the rifle match and 1340 in the trap shoot.

**Impressive**  
On an individual basis, George DeYoung of Ionia took an impressive victory in the rifle event, firing a 290 out of 300 winning score. Allen Whitman of Jackson and Henry Belmore of Marquette both registered 289 scores. The tie was broken with "x's," with Whitman emerging on top.

### MSU Begins Run Slate On Weekend

EAST LANSING — Michigan State's cross country team opens the 1963 campaign against a pair of Ohio opponents on Oct. 5 in East Lansing.

The Spartans face Ohio State and Ohio University on their four mile Forest Akers layout starting at 11 a. m. They met the same two schools in their opener last year, defeating Ohio U. but losing to Ohio State.

Last season the Spartans won two of four dual meets and took the Big Ten crown. They also finished second in the ICAA Meet and fifth in the NCAA Meet.

**Promise**  
Coach Fran Dittrich's charges look forward to another successful season with four lettermen left from last year's Big Ten championship team and a promising group of sophomores.

Juniors Jan Bowden and Mike Kaines and seniors Bob Fulcher and Ron Berby are the returning award winners. Dick Sharkey is the top newcomer and is expected to battle Bowen and Kaines for individual honors this fall. Other soph to watch are Eric Zemper, Mike Martens, Ken Johnson and George Thomas.

MSU appears at home only two other times, meeting Penn State Oct. 19 and hosting the NCAA championships Nov. 25. The complete schedule:

- Oct. 5 — Ohio State and Ohio University at East Lansing.
- Oct. 12 — Wisconsin at Madison.
- Oct. 19 — Penn State at East Lansing.
- Oct. 25 — Notre Dame at South Bend.
- Nov. 2 — State Federation Meet at Kalamazoo.
- Nov. 11 — Big Ten Championships at Champaign, Ill.
- Nov. 18 — ICAA Meet at New York City.
- Nov. 25 — NCAA Championships at East Lansing.

Robert Belmore and Ken Robare of Marquette broke 29 out of 30 targets in the trap-shoot and Mel Clairday of Jackson matched this performance for a three-way tie in the event. Five stages were fired to break the tie, and Robare came out first with 290 plus 49, followed by Clairday and Belmore. In winning the shootoff, Robare took third place for the third year in a row.

The individual all-weapon championship went to Clairday of Jackson, on the basis of his 848-43X score; Belmore and Robare of Marquette followed in that order with 848-41X and 839 scores.

The Marquette Prison team also won the 1963 U.P. Trap Championship shoot at Channing held on Sept. 5.

### GB Errors Puzzling Lombardi

GREEN BAY, Wis. (AP) — Green Bay Coach Vince Lombardi is a puzzled man. He is unable to explain the sudden outbreak of game errors by the Packers as they strive for a third straight National Football League championship.

"I can't understand it," Lombardi said Monday in reviewing statistics of the Packers' two victories and one defeat. "We've been a team that has made very few mental and physical mistakes. This year we have had a flock of them. If we continue like this, it's going to catch up with us. We've been stopping ourselves and this must end."

Enroute to the NFL title with a 13-1 season record last year, the Packers had the fewest passes intercepted — a mere 13 — and lost the ball on fumbles just 15 times. In three games this season, they have surrendered the ball on nine interceptions and five fumbles.

**Tight?**  
Green Bay gave up three fumbles and two pass interceptions Sunday, but managed to pull out a 31-20 victory over Baltimore.

Willie Davis, an All-League selection as a defensive end, said he thought the Packers may be "going into games a little tight."

"We're trying to overdo this thing," Davis said. "We've always been a closely knit team. The mere fact that the offense is experiencing some difficulty means we're just going to have to hang in there tougher."

"We've got to feel that they're going to get rolling. It's only a matter of time."

The Packers are tied with the Minnesota Vikings, a game behind Chicago's undefeated Bears, in the Western Division. Lombardi is satisfied with his team's standing — although unhappy with the flock of mistakes by his offense.

### Pistons Win Exhibition

PIGEON, Mich. (AP) — The Detroit Pistons zoomed from a bulge at one point during the third period and went on to a 123-113 exhibition basketball victory over the Baltimore Bullets here Tuesday night.

It was Detroit's first victory in two exhibition games. Baltimore is 3-2.

The Pistons, leading 65-64 early in the third period, suddenly spurred to an 81-65 lead. Baltimore's Walt Bellamy scored 31 points. Bailey Howell was high for Detroit with 28.

The two National Basketball Association teams meet again tonight at Traverse City.

Lt. Col. Felix (Doc) Blanchard, All-America from Army, is coaching the Air Force Academy freshman football team this season. He was graduated last June from the Air Force Command and Staff School.

### Surgery For Mantle After World Series

NEW YORK (AP) — It's "fairly definite" that Mickey Mantle, the New York Yankees' \$100,000-a-year outfielder who has undergone operations ranging from his toes to his tonsils, will be forced into still another right after the World Series.

Official confirmation of the need for an operation on Mantle — for removal of loose cartilage in his left leg — came from Dr. Sidney Gaynor, only hours before the 31-year-old slugger was scheduled to lead the Yankees onto the field for the Series' opener against the Los Angeles Dodgers.

**Back By Spring**  
Dr. Gaynor said that if Mantle underwent surgery immediately after the Series, he would have three months in which to recuperate before spring training and "we would expect him to be back in top physical condition by then."

Mantle, who has undergone a series of operations during an injury-plagued 13-year major league career, discussed the damaged leg in the Yankee dressing room before taking his final workout.

"If it doesn't get any better, it'll have to be operated on," admitted Mantle. "It's been getting stronger day by day, but as it stands now, we think it's going to be operated on."

Whitey Ford says he knows Sandy Koufax' weakness. "He can't hit," said the Yankee ace. "It's a problem, though. I don't think I'll be doing much hitting against him either."

Michigan State will play host to the 1963 Big Ten fencing and gymnastics championships.

## Yanks Favored, Pitchers Pressured As 1963 World Series Play Begins Today

### World Series Notes

NEW YORK (AP) — How lucky can you get? A year ago righthander Bob Miller was a member of the lowly New York Mets and had a 11-2 record with a 4.88 ERA. Today the 24-year-old pitcher from Buena Park, Calif., is a valued hand of the National League champion Los Angeles Dodgers with a 10-4 record and an impressive 2.89 ERA.

"I said last year that this October I'd be in Yankee Stadium for the World Series," he said. "But I thought I'd be with the Yankees. I'm happy to be with the Dodgers, though."

A trade that came off happily for both parties was the deal that sent first baseman Moose Skowron from the Yankees to the Dodgers in exchange for right-hander Stan Williams.

After all these years with the Yankees, Moose had become accustomed to those fat World Series checks almost every fall.

The National and American Leagues each will play another 162 game schedule next season and opening day is Tuesday, April 14. That's all that was released after separate meetings by each league on the 1964 schedules.

Whitey Ford says he knows Sandy Koufax' weakness. "He can't hit," said the Yankee ace. "It's a problem, though. I don't think I'll be doing much hitting against him either."

Michigan State will play host to the 1963 Big Ten fencing and gymnastics championships.

### Wings Sign Three More

DETROIT (AP) — The Detroit Red Wings Tuesday announced the signing of three more players for the 1963-64 season, bringing to 17 the number under contract.

Latest to sign were Andre Pronovost, Pete Goegan and Alex Faulkner.

Pronovost, 27, was acquired from Boston last December and scored 13 goals in 47 games with Detroit.

Goegan, 28, was the team's spare defenseman. Faulkner, 27, scored 10 goals and 10 assists as a rookie last season.

The odds favored Ford at 6-5, with the Yankees a 7 1/2-to-5 favorite to gain their seventh triumph in eight World Series meetings with the Dodgers. The perennial American League champions have a 20-7 record in Series play, compared to 2-8 for the Dodgers.

Both clubs presented predominantly right-handed line-ups against the left-handed slants of Ford and Koufax.

The only southpaw swingers, aside from Ford, in the Yankee batting order, were shortstop Tony Kubek, first baseman Joe Pepitone and right fielder Roger Maris. Switch hitters Mickey Mantle and Tommy Tresh naturally batted right-handed.

**McMullen Benched**  
At a late hour Tuesday night, Manager Walter Alston of the Dodgers had just about decided to keep Ken McMullen, the injured rookie third baseman, on the bench, playing Dick Trace-

ski at second and switching Jim Gilliam to third. McMullen pulled a hamstring muscle in his right leg last week.

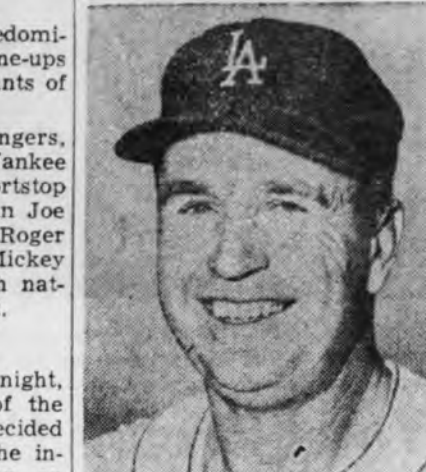

Alston promoted Willie Davis, the hottest hitting Dodger in September, from seventh to third spot in the batting order, behind Maury Wills and Gilliam with Tommy Davis, the National League's leading hitter, in the cleanup spot.

Bill Skowron, the ex-Yankee, was at first base, batting sixth behind the right-handed hitting Frank Howard. He was followed by Tracewski, John Roseboro and Koufax.

The Yankees had the same lineup that played all season when Mantle and Maris were in there. Mickey batted fourth behind Tresh and in front of Maris. Kubek and Bobby Richardson batted one, two with Elston Howard, Pepitone, Clete Boyer and Ford comprising the bottom half of the order.

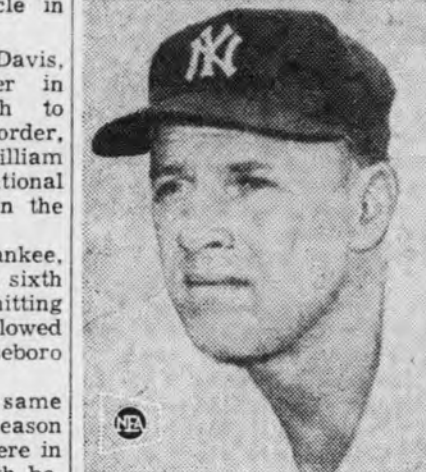

## What Did Alston, Houk Say?

NEW YORK (AP) — What did Walter Alston of the Dodgers say to Manager Ralph Houk of the Yankees today, just before the World Series started? "Good to see you Ralph," he said, "and the best of luck." But was this what he was

WALTER ALSTON

really thinking? "Hah, good to see him. He's got Mantle healthy, and Maris healthy, and that damn infield and that outfield. You can't get

RALPH HOUK

a ball through the infield, and with that outfield you're lucky to get one base on a single. Then he has Howard catching, and he

## Ten Won 20 Or More '63 Games

NEW YORK (AP) — Ten major league pitchers won 20 or more games in 1963 — two more than last year. The only repeater was Camillo Pascual of the Minnesota Twins.

Sandy Koufax of the Los Angeles Dodgers and Juan Marichal of the San Francisco Giants topped the 1963 list with 25 victories.

They were followed by Whitey Ford, New York Yankees, 24; Warren Spahn, Milwaukee and Jim Maloney, Cincinnati, 23 each; Dick Ellsworth, Chicago Cubs, 22; Pascual and Jim Bouton of the Yankees, 21 and Steve Barber, Baltimore and Bill Monbouquette, Boston, 20.

### McHan Arrives As Insurance For Brodie Arm

REDWOOD CITY, Calif. (AP) — Well-travelled pro quarterback Lamar McHan has arrived to join the San Francisco 49ers as insurance to No. 1 signal caller John Brodie, still nursing an off season arm injury.

McHan is an ex-Chicago Cardinal and Green Bay Packer who played the last two seasons at Baltimore. He had been put on waivers last week.

starts Whitey Ford in the first game. We may not get five runs all week."

**Reverse**  
And what does Houk say to Alston? "Good to see you, Walter, and best of luck."

And is this what he really means? "Luck, hah. He's got the greatest pitcher in the world, who needs luck? And that Wills and those Davis boys are liable to run us crazy. I've been reading all week about how they don't hit. With that pitching who has to hit? And they hit .251, anyway, and what did we hit? A robust .252, that's what. One percentage point, and you read in the papers that we're big monsters picking on the Little Leaguers."

# '64 Jet-smooth Luxury CHEVROLET

Besides looks, ride and power - what's so special about it? (it's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-christened look that almost makes you feel somebody should be breaking a champagne bottle on its prow. Richer roomy interiors with subtle new blending of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Impala Super Sport Series. And the foam-cushioned front and rear seats and door-to-door carpeting, now standard in all models, including the modest-priced Biscaynes. A choice of seven engines, no less, with output all the way up (say when!) to 425 hp.\*

TIMBER SALE DEPARTMENT OF CONSERVATION STATE OF MICHIGAN

Notice is hereby given that sealed bids will be received by the District Forester, Baraga State Forest for certain timber on the following described lands:

Block I - SW 1/4, Section 17; T 51 N, R 23 W, Houghton County

Block II - NE 1/4, SW 1/4, NW 1/4 of SE 1/4, Section 27; W 1/2, W 1/2 of NW 1/4, NW 1/4 of NW 1/4 of SW 1/4, Section 28; T 48 N, R 22 W, Baraga County

Northern hardwoods on Blocks I and II and northern hardwoods, balsam and black spruce on Block III are the principal species offered for sale.

The right to reject any and all bids is reserved.

Bids must be received by Leroy A. Stevens, District Forester, Baraga State Forest, Baraga, Michigan, not later than 4:00 P. M., E.S.T., on Wednesday, October 9, 1963.

For further information concerning this sale contact Leroy A. Stevens, District Forester, Baraga State Forest, Baraga, Michigan.

GERALD E. EDDY, Director 9-23 10-2

NOTICE Notice is hereby given that a meeting of the Board of Appeals as provided by the Zoning Ordinance of the City of Marquette, Mich., will be held at the City Hall on Wednesday, October 2, 1963, at 7:30 p. m. to hear the following appeal:

The appeal of Mr. Marvin Comstock, 313 E. Magnetic St., to build a car port 2 1/2 ft. wide west lot line.

Zoning Board of Appeals For the City of Marquette, Mich. By C. BERN PELTO, Secretary.

## Star-Studded Cast of Broadloom Carpet Values!

Big Value! 100% Nylon Tweed Broadloom Has Built-In Foam Cushion

Treat yourself to new carpeting at a fraction of what you'd ordinarily expect to pay! Closely-woven Nylon yarns in brown and white tweed. Built-in foam rubber cushion keeps rug in place. Ideal for room-size rugs 12 ft. wide... cut to any size.

**3<sup>95</sup>** Square Yard

"Venus Glow" Continuous Filament Multi-Tone Nylon Tweed Broadloom

Exceptional value in continuous filament nylon broadloom. Resists wear because NYLON is toughest of all carpet yarns. Vari-toned brown and beige mixture goes well with most any color scheme — hides soil, too. Double backed for greater strength; keeps the rug smooth and neat. For wall-to-wall or room size rugs.

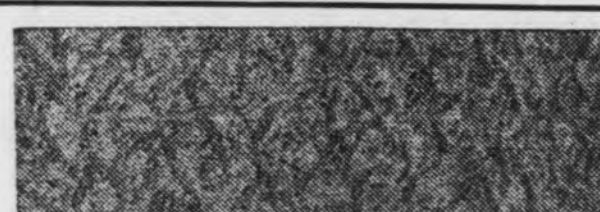

**4<sup>95</sup>** Square Yard

New Non-Directional Weave 501 Nylon "Endorsement" Broadloom by Lees

Now you can enjoy the benefits of the world's finest carpet nylon at the lowest prices ever. Endorsement is made of 100% Continuous Filament Nylon that will not break, shed, pill or fuzz. It is stain, soil and dirt resistant. Its non-absorbent pile makes cleaning very easy! Permanently mothproofed.

**6<sup>95</sup>** Square Yard

Lees Famous "Lasting Star" 501 Nylon Available In A Choice Of 23 Colors

Lees Lasting Star is America's No. 1 Carpet. So great in demand for home and commercial use that now it is available in 24 colors! The extra-deep pile makes this carpet the ideal choice for today's living rooms... as room-size or wall-to-wall rugs.

**7<sup>95</sup>** Square Yard

Lees Newest 501 Nylon Pattern "Young At Heart" Hi-Low Tweed

Lees newest 501 Nylon pattern. Combines two of the most-wanted style features: hi-low texture and contrasting colored two-level yarns. Featuring all of the newest colors... including popular celadon green and Inca Gold. Your short-cut to fresh, youthful glamor in your home... at a budget price.

**8<sup>95</sup>** Square Yard

Lees Heavy Duty 3-Ply All-Wool "Dignity" In A Choice Of 14 High-Fashion Colors

Lees "Dignity" is considered the greatest value in 100% wool carpets on the market today! 3 full yarns (not the usual single yarn) in each loop of the surface pile. Only the very best carpets are made this way. Luxurious brocade pattern very closely-woven for longer wear. Proven for wear and durability in finer homes than out this area. Save \$3.00 per square yard now!

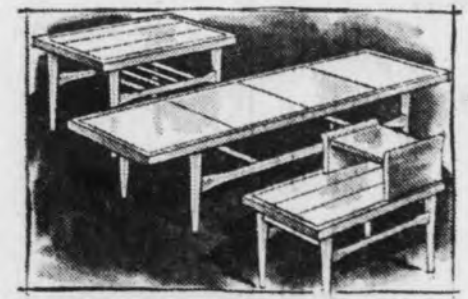

**9<sup>95</sup>** Square Yard
