

U.P. Potato Show Opens Here Friday

Potato growers from all sections of the Upper Peninsula will converge on Marquette this weekend for the 34th annual Upper Peninsula Potato Show, to be held in the National Guard Armory.

The public will find much of interest in visiting the armory the next two days.

Women from six counties will be here for the finals in the potato cooking contest. They are county winners in two divisions, one for baked goods using potatoes and the other for main course dishes to serve with meat.

Judging will be between 12:30 and 1:30 and the winner will be announced at 2 tomorrow afternoon. The public is invited to attend.

Prizes for the queen competition are being provided by the Union National Bank, of Marquette, which is offering U. S. Savings bonds for the winners.

Program Announced

Tomorrow is billed as consumer's day at the show, with exhibits being entered in the morning. The consumer program will be presented in the afternoon.

Judging of potatoes will take place Saturday morning. The business meeting of the U. P. Potato Growers Association will be held at 3:30 Saturday afternoon.

The dinner meeting highlighting the show, at which awards will be presented, is scheduled for 6:30 Saturday evening in the University Center of Northern Michigan University.

Howard H. Larson of the Marquette Chamber of Commerce, sponsor of the show, is general chairman for the event.

Col. McLean In Command Of Air Base

Col. Daniel P. McLean today assumed command of the 56th Fighter Wing at K. I. Sawyer Air Force Base, following the departure of Col. John M. Kono for an assignment in Vietnam.

Col. McLean has been at Sawyer since Jan. 15, 1961, serving in the following capacities: special assistant to the commander, 56th Fighter Group; deputy commander for services and commander of the 56th Air Base Group, and since April 1 of this year, commander of the 56th Combat Support Group.

McLean was born in Electric Mills, Miss. He is a graduate of Blytheville High School, Ark., and attended the University of Arkansas, where he accumulated 90 hours of semester work in a pre-medical curriculum.

Commission In 1942

He enlisted in the Army Sept. 19, 1937, and served as a private until Aug. 17, 1941, when he entered pilot training as an air cadet. He received his commission and wings on March 6, 1942.

Awards Listed

McLean has served in Memphis, Tenn.; Robbins Air Force Base, Ga.; and Ent Air Force Base, Cal.

During World War II he flew 91 combat missions totaling 827 combat hours in B-17, B-25 and A-20 aircraft.

Among his awards are the Distinguished Flying Cross, Air Force Longevity Service Award and American Occupation Medal.

McLean and his wife, Louise, have two children, Louise A.

State Police Probe Three Area Mishaps

Three automobiles and a train were involved in three area traffic mishaps which occurred yesterday and which were investigated by state police from the Marquette post.

1. The train-car wreck took place at 3:40 p.m., at the County Road HT (Forestville Road) crossing on the Lake Superior & Ishpeming Railroad Co. tracks, in Marquette Township.

State police said Daniel Rhodes, 18, Carey Hall, Marquette, was driving south on Road HT and his car was struck by the engine of the LS&I train as he turned right to cross the tracks. The road follows the tracks on a parallel route and then crosses them at a right angle.

Car Towed Away

Rhodes' car, a 1960 sedan, was shoved into the ditch, with its right side being extensively damaged. A wrecker was required to tow the vehicle away.

State police said the driver was shaken up but apparently not injured. Engineer on the train was Lloyd P. Rose, 63, of 225 W. Ohio St., Marquette.

2. An automobile being driven south on U. S. 41 by Eugene Niemi, 43, Sundell, struck a deer which ran out from the west (right) side of the highway, a half mile north of M-94, in Skandia Township, at 9:45 last night.

Deer Killed

The deer was killed and its

and Daniel Paul, who is currently attending the U.S. Air Force Academy.

Gardner Moved Up

Lt. Col. Charles V. Gardner, who has served as executive officer of the 56th Combat Support Group, since his arrival at Sawyer in July of this year, now assumes command of the 56th Combat Support Group.

Gardner served as the director of personnel at Larson Air Force Base, Wash., headquarters of the Spokane Air Defense Sector, prior to his assignment at Sawyer.

County Gets \$369,936 For Schools

Marquette County's share of the October apportionment of funds for school districts totals \$369,936.

The county treasurer's office has received the allocation, representing 16.6 per cent of the total in state aid, from the Michigan Department of Public Instruction. Distribution to the various school units will be made this week.

In addition to the various school districts within the county, the Marquette-Alger County District will receive \$2,906.

Breakdown Given

A breakdown of the allocations for the various school districts follows:

Champion-Humboldt Community School District, \$6,921; Chocoley Township District, \$14,608; Ely Township District, \$5,860; Forsyth District, \$96,280; Ishpeming Township District, \$13,180; Marquette Township, \$8,300.

Michigamme Public District, \$2,058; National Mine District, \$7,852; Negaunee District, \$2,230; Powell Township District, \$349; Republic Central District, \$13,064; Sands Township, \$1,544.

Skandia District, \$8,416; Turin Township District, \$747; Wells Township, \$1,243; Mar-

Fire Destroys Vacant House In Township

A fire in a Sands Township home was extinguished this morning by the joint efforts of the new Sands Township Volunteer and the K. I. Sawyer Air Force Base Fire Departments.

The blaze broke out in a two-story log dwelling, about a quarter of a mile from the village of Sands. The home was vacant. It was formerly owned by Vern Miller and had recently been purchased by a Sawyer Base airman, whose name was not learned this morning.

Began Near Coal Pile

The blaze started in the basement of the home, near a small coal pile. There was smoke and water damage to the entire house, but fire loss was limited to extensive damage to the floor joists.

"It's quite unusual when we can save a burning house in the country," Francis Rochon, Sands Township volunteer fireman, commented.

Volunteer firemen were alerted at 7 a. m. by Mrs. John Noel, a neighbor. Ten Sands Township firemen responded to the call with their 500-gallon pumper.

They were aided by Sawyer firemen, with the air base 750-

Hit-And-Run Driver Struck By Ambulance Carrying Her Victim

DENVER (AP) — A hit-and-run driver whose rented car fatally injured a 6-year-old boy was struck by the ambulance taking the child to a hospital Wednesday.

The woman, who had jumped in front of the ambulance waving her arms, was critically injured.

Preston H. Smith, walking home from school, was struck as he crossed a street in a marked walkway on a green light, Detective Jack Sevier said.

The car that hit him was driven from the scene. Mo-

gallon pumper and emergency water tank.

quette City District, \$88,312; Ishpeming Public Schools District, \$48,140, and Marquette-Alger County Inter School Special Education Program, \$1,330.

Women from six counties will be here for the finals in the potato cooking contest.

They are county winners in two divisions, one for baked goods using potatoes and the other for main course dishes to serve with meat.

Judging will be between 12:30 and 1:30 and the winner will be announced at 2 tomorrow afternoon. The public is invited to attend.

Queen Contest

An Upper Peninsula Potato Queen will also be crowned. Five contestants were in the picture today.

Candidates are Mary Ellen McGuire of Marquette, Connie J. Thompson of Cornell, Mary Mc Knaut of Newberry, Kathleen Ann Martin of Hancock and Ann Louise Johnson of Iron River.

The queen candidates will be introduced to the audience at 2 tomorrow afternoon. A talent contest will be held at 8 tomorrow evening and this is open to the public.

The girls will appear between

F. DeMarse Dies At 73 In Hospital

Fred DeMarse, 73, of 317 Summit St., died at 1:30 yesterday afternoon in St. Mary's Hospital, where he had been a patient for one month.

Born April 25, 1890, in Nadeau, Mr. DeMarse had been a resident of Marquette for 50 years. He had been employed by the Cliffs Dow Chemical Co. for 40 years, retiring in April 1955.

He was a member of St. Michael's Church.

Survivors On Saturday

Survivors are three sons, Hugh, Earl and Douglas, all of Marquette; two brothers, Henry, Detroit, and Elmer, Phoenix, Ariz.; two sisters, Mrs. Fred Campbell, Mt. Pleasant, and Mrs. Nellie Gelina, Los Angeles; nine grandchildren and three great-grandchildren.

Funeral services will be held at 11 Saturday morning in St. Michael's Church. Burial will be made in Holy Cross Cemetery.

Funeral services will be held at 11 Saturday morning in St. Michael's Church. Burial will be made in Holy Cross Cemetery.

The body is in the Fassbender Funeral Home, where friends may call beginning at 7 this evening. Liturgical services will be conducted at 8:30 tomorrow evening.

Services For Crash Victim On Saturday

Funeral services for Mrs. Leo (Jean) Virta, 44, Sundell, who was fatally injured in an automobile accident in Chocoley Township Tuesday, will be held at 9 Saturday morning in St. Peter's Cathedral.

The Rev. Aloysius Hasenberg, pastor of St. Rita's Church, Trenary, will officiate. Burial will be made in Holy Cross Cemetery.

Funeral services will be held at 11 Saturday morning in St. Michael's Church. Burial will be made in Holy Cross Cemetery.

'Trick Or Treat' Tonight; Be Careful, Drivers Told; Free Events Here Listed

Parents were reminded by city officials today of the free Halloween programs scheduled in Marquette this evening.

At the same time, Chief of Police George G. Johnson cautioned motorists to be very careful, as it'll be "trick or treat" night, with a lot of youngsters in dark costumes wending their way from door to door.

The young masqueraders go on the streets at dusk or even before and walk a boat in their neighborhoods until several hours after dark. Masked and costumed youngsters are hard to see, and Chief Johnson advised motorists to "drive carefully and slowly."

"We don't want any bad accidents resulting," he said.

Schedule Given

On the schedule, and being sponsored or arranged by the parks and recreation department, at no extra charge to the youngsters, are the following programs:

- Free cartoon movies, in the Graveret High School Auditorium, beginning at 7 and lasting almost two hours, with recreation department supervision.

• Free skating, in the Palestra, starting at 7 and continuing until 10:30, with recreation department supervision.

• Free dance, Waterfront, sponsored and supervised by members of the Lions Club, in cooperation with the city, from 8:30 to 11:30.

'Something For All'

Kiwanis Club members will handle the concession stand in the Palestra on a "cost basis." "Every youngster in Marquette should be able to enjoy himself at one of these free programs," commented James C. Engle, director of the parks and recreation department.

Tips Offered

To aid in the protection of children who'll be making their rounds tonight, Chief Johnson listed a few simple rules for residents:

- Paint a false face on child, instead of letting him wear a mask, which could slip down and block his vision.
- Fit costumes snugly so children will not trip them and fall while crossing a street.
- Do not allow youngsters to carry any lighted candles or torches; flashlights, if light is required, are better.
- Be sure child has some bright color on his costume; all black clothing is dangerous camouflage.
- Remove hazardous objects from yards, cover holes and mark fences with strips of white cloth. Leave porch lights burning until spooks retire for the night.
- Keep pets inside, especially dogs, since the strange costume of children might frighten animals and cause difficulty.

Armed Forces Personnel

Recently promoted to the grade of Specialist Fourth Class (SP4) was Walter B. Cherry, son of Mrs. Aili D. Cherry, 325 E. Superior St., Munising. He has been assigned to the Army's Picatinny Arsenal since November 1962 as a nuclear weapons inspection engineer with the Arsenal's Quality Assurance Directorate. Picatinny Arsenal is the U. S. Army's principal research and engineering center for ammunition and weapons and has developed warheads for some of the country's most formidable nuclear and non-nuclear missiles.

Serving with the Third Amphibious Tractor Battalion of the First Marine Division which participated in extensive amphibious operations recently off the coast of Southern California is Marine Corp. Richard L. Liupakka, son of Mr. and Mrs. H. Liupakka of 809 W. Fair Ave., Marquette.

Panel On Marketing Added Feature For Potato Show Here

Another feature has been added to the program of the Upper Peninsula Potato Show, which will be held in the National Guard Armory here tomorrow and Saturday.

The show is being sponsored by the Marquette Chamber of Commerce and Upper Peninsula Potato Growers Association, in cooperation with the Michigan State University Extension Service in the U. P. At 2 Saturday

The new feature this year is a panel discussion on marketing, scheduled for 2 Saturday afternoon in the armory.

It will bring four industry people, four potato growers and two Michigan State extension specialists.

Appearing on the program

will be potato growers Paul Van Damme of Marquette, Peter Vitton of Houghton, Edwin Anderson of Iron Mountain and Vernon Wick of Rock.

Panelists Named

The panel, to be chaired by A. Gearets of the Northwest Fruit Co., Escanaba, will include Peter J. Robotti of the Detroit Edison Co.'s restaurant department; Ryan Collins, vice president of the Prophet Co., Detroit, and Irv. Simon, president of Simon and Leeman Produce Co., Detroit.

MSU Extension Specialists Dr. David Smith Jr. and Don Thurlow will also participate.

The group will be discussing the influence of the source and quality of seed potatoes, irrigation, whether or not the Upper Peninsula should concentrate on one variety, Russet Burbank, versus white potatoes, and the preference of restaurant operators and consumers.

Smith, whose office is here, is extension specialist in crops science, and Thurlow, whose station is in Chatham, is specialist in soils science.

TV Show Enlightens, Entertains

By CYNTHIA LOWRY

NEW YORK (AP) — Network television has tended for a long time to divide itself into two unequal parts. There are the entertainment shows which are designed to amuse. There are the public affairs shows — the actualities, the documentaries, the in-depth studies — designed to enlighten.

Occasionally entertainment shows do enlighten, but rarely

does an actuality show attempt to amuse.

But Tuesday night one did. CBS "Chronicle" took an hour to follow leisurely a young couple, factory workers in northern England, through their annual week's vacation in Blackpool, a resort on the chilly Irish sea where the sun shines about half the time.

There was no real need to study a young couple with a \$70-a-week income or to explore Blackpool, a shabby Victorian town full of pubs, snack bars, music halls and turn-of-the-century boarding houses.

But it was not Blackpool that made the program. It would have been interesting even if we had followed a young couple to Atlantic City, Miami, or Las Vegas. It was the closeup of the people that counted, and the care and affection that was poured into the portrait.

Jackie Gleason, in spite of an arm in a cast, expects to keep right on working. The comedy star fractured a small bone in his wrist during the taping of his show Tuesday night. The bit, satirizing "torture tests" in a TV commercial, had him riding a bicycle through a brick wall. He fell with his arm twisted in back of him.

Although in pain, Jackie managed to finish the show—except for his usual good-nights.

Former President Dwight D. Eisenhower, like most authors of new books, soon will be blurring his memoirs on television. CBS has him for a "Face the Nation" session Nov. 10, and ABC on "Issues and Answers" the following Sunday.

School Defies Order To Keep Band Out Of Rose Bowl Parade

MELVINDALE — School officials in this Detroit suburb have decided to defy a warning that the school system faces probation if its high school band marches in the New Year's Day Tournament of Roses Parade at Pasadena, Calif.

The Melvindale School Board unanimously approved the trip after the North Central Association of Schools warned that the school system would be placed on a one-year probationary period.

Sclerosis Unit To Prepare Newsletter; Functions Of Society Told At Meet Here

Plans to publish periodical reports to members and interested persons and a discussion on the functions of the society were presented at the meeting of the Upper Peninsula Branch Chapter of the Multiple Sclerosis Society of Michigan here last night.

Twenty-one patients, family members and interested persons attended the meeting, held in the Northern Hardwoods Research Laboratory of the Lake States Forest Experimental station here.

Miss Susanne Lawther, field consultant, and Miss Mary Kochanski, clinical supervisor, represented the Detroit office of the society at this meeting. Charles Trebilcock, of the Michigan Department of Vocational Rehabilitation office in Marquette, was the guest speaker.

Newsletter Purpose

President John Cooley of Marquette announced plans to begin publication of a newsletter specifically for M.S. patients on the U.P. He emphasized that there are probably many patients in the area that are unknown to the society.

Because of the long distances between population centers, it is difficult to organize those patients who are known into a single unit, he said.

For that reason the needs of the M.S. patients are often overlooked by the agencies who are in position to assist them and the public often does not recognize the problems arising from this disease, he added.

The newsletter was looked on as a means of establishing a line of communication among M.S. patients so that they might speak for themselves, Cooley said.

Miss Lawther, in explaining the function of the society in

providing care for M.S., said that it would be very helpful to have one person in each population center to assist in contacting the patients in the area.

She said that many appliances, such as wheelchairs, crutches, and walkers are available from the society on a loan basis.

Trebilcock told of several welfare and social agencies operating on the U.P. to assist handicapped persons. He explained that all disabled persons with a reasonable expectancy of being able to return to the labor market were eligible for training in the vocational rehabilitation program.

Many established training facilities, such as colleges and technical courses, are utilized. Because of budget limitations, on-the-job training is used to a large extent on the U.P.

The department also provides surgical treatment, braces, crutches and so forth when this is necessary to make the trainee employable. Job placement is an important part of the program.

In this connection Trebilcock said that employers are not urged to employ handicapped persons out of sympathy, but because of their ability to do a job that needs to be done.

The next meeting of the M.S. Society in the Upper Peninsula was tentatively set for the end of May. For further information concerning the society, one may contact Cooley, 509 Summit St., Marquette.

Recruits In Navy To Get Yule Leaves

Navy recruits from this area will get holiday leaves if they enter the service before the middle of November, Recruiter Leander A. Lepak here said today.

The recruiting station in Marquette has just received word from the Navy Department concerning the deadline date for new recruits who wish to spend the holidays home.

Nov. 14 Deadline
The directive states that all recruits must be enlisted prior to Nov. 14 in order to complete four weeks of training before the holiday season begins.

Recruits will be granted 14 days leave provided they maintain a satisfactory progress and scholastic standards at the training centers, he said.

No indeed!

LEES LASTING STAR

the first and the best carpet made with DuPont 501 nylon pile

Lasting Star not only wears better, it looks better than run-of-the-mill nylon carpets for two very good reasons.

First, 501 nylon is the first ever engineered especially for carpet use, in one long, strong, continuous filament that never can fuzz up into little dirt traps or broken, matted ends.

Second, Lees gives this modern man-made fiber the same respectful care that's gone into every yard of carpet they ever made. Same number of painstaking inspections at every step of the way.

Every one of . . . those heavenly carpets by Lees is registered by number for your protection.

That's why Lasting Star is not like other nylon carpets. Durable! Won't shed! Won't mat! Resists stains and scuffs! And so easy to care for, you can go wild on color—the lightest, the brightest, even white! Naturally Lasting Star is mothproof, mildew-proof and non-allergenic. Truly a remarkable carpet.

NMU Senior Begins Flagpole Vigil In Chest Drive Stunt

A fraternity stunt with a purpose began in downtown Marquette this afternoon.

A member of Northern Michigan University's Tau Kappa Epsilon fraternity began a long, cold vigil on top of a flagpole at the corner of main and S. Front Sts. and his fraternity brothers began to collect contributions for the United Marquette Community Chest Drive.

Kenneth Martin, 22, a senior from Madison Heights, Mich., has given his fraternity his word that he'll stay on top of the flagpole until Saturday night. And Martin has promised that he won't eat a thing until the TEKE's collect \$1,000 for the Community Chest fund drive.

Chairman of the TEKE flagpole sit is Mark Markantony Jr., a junior and the son of Mr. and Mrs. Mark Markantony Sr., 224 W. Arch St.

Calls For 'Fair Share'

"The TEKE's urge every citizen to give his fair share contribution to the United Marquette Community Chest," Markantony said. "Canvassing for the Community Chest Drive is done through business firms, so our project will give the individual a chance to contribute his share."

For the duration of the feat, there will be three TEKEs standing near the flagpole to keep onlookers at a reasonable distance, Markantony said.

During the daylight and evening hours six members of the fraternity will circulate canisters in the downtown area. "We'll work on three or four-hour shifts so each of our 48 members and 14 pledges can do his share," Markantony said.

The fraternity was given permission to circulate canisters in the downtown area at Monday night's city commission meeting. Final clearance for the flagpole sit was given by city officials yesterday.

A representative of the fraternity assured city commissioners that members would solicit contributions in the vicinity of the flagpole, would not enter any stores and that there would be "no horseplay."

Seek Closer Relationship

Besides drumming up interest — and contributions — for the United Marquette Community Chest drive, the TEKEs aim to "bring about a closer relationship between Northern and the community."

"We feel that in order to be successful, a fraternity has to do more than look good in the eyes of the administration and students," Markantony said. "A successful fraternity is one which also gets to know the community. The university itself works closely with the community but we feel that the students should do their part in community affairs too."

Man Faces 3 Counts In Kidnap Case

LANSING (AP) — Three separate counts of kidnaping face a Saginaw man charged with abducting and molesting a 5-year-old girl.

Ironically, John F. Clay, 33, father of four young sons, today started serving concurrent five-day terms for a minor traffic violation.

A witness provided the first tip that led to the arrest and charging of Clay—for improper backing of a car and failure to report a property damage accident.

Police traced the lead and investigated Clay because he fit the description given by the kidnap victim, Michelle Moran, 5, daughter of an East Lansing school teacher.

Michelle and her brother, Frank, 8, who saw his sister snatched from a car parked at a Lansing shopping center, furnished the description. The mother had left them to buy Hallowe'en candy.

Clay demanded examination Wednesday when arraigned. Bond was set for \$20,000. Examination was set for Nov. 6.

Michelle was found Saturday morning, abandoned in a ditch, bruised and abused, a physician reported.

Ingham County Prosecutor Leo Farhat said three kidnaping counts were listed in the charges because such offenses fit three different sections of the state statute.

The three counts charged Clay with intent to detain her from purposes of secret confinement and forcibly taking away a child with intent to detain her from her mother.

Conviction on any one of the charges could mean a life sentence.

Symphony Slated To Play In Michigan

INTERLOCHEN — The Philadelphia Symphony Orchestra and its conductor, Eugene Ormandy, will present five concerts next Aug. 26-30 at the National Music Camp here. It will be the orchestra's first appearance in northern Michigan.

To help the fraternity achieve its \$1,000 goal during the event, the United Marquette Community Chest staff will man telephone Nos. CA 6-8171 and CA 5-0196 all day today, tomorrow and Saturday, and from 7 to 11 tonight and tomorrow night, to receive telephone pledges for the chest.

"Most companies have re-

ceived a report of how much they fell short of reaching their suggested fair share goal," said John C. Gerling, general chairman for the Chest drive, and now is a good time for these companies to call in their additional contribution, to make their goal or at least to increase their contribution.

Put Name On Envelope

"If any of them wish to drop their contribution in one of the canisters and want to be sure and get credit for them, it is suggested they place them in an envelope with the name of their company."

Gerling also said this "is a good time for any individual who has not been contacted for the Chest to contribute, or for those who wish to increase their contribution to do so."

Episcopal Diocese Of U. P. To Choose New Bishop Nov. 19

Representatives of the parishes and missions of the Episcopal Diocese of Northern Michigan will meet to elect the fifth bishop of the diocese on Tuesday, Nov. 19.

The special convention for this purpose will be held in St. Stephen's Church, Escanaba, beginning at 10 a.m.

The Rt. Rev. Herman R. Page, D.D., fourth bishop of

the diocese, will reach the mandatory retirement age of 72 on May 3, 1964. He has served as chief pastor and administrator of the diocese since Oct. 23, 1942.

Nominations for a successor to Bishop Page have been received by a committee of laymen and clergy. The committee will present a slate of men they believe most qualified for

the post, but nominations may also be made from the convention floor.

System Explained

Voting will take place by "orders." Under this system, diocesan clergy vote as a separate body as do lay representatives. To be elected, a man must receive a majority of the votes from each group.

Because a man elected as an Episcopal bishop serves the entire church, his election must be agreed upon by a majority of the standing committees of the diocese of the Episcopal Church as well as a majority of the bishops of the church.

Background Given

The new bishop will be in direct apostolic succession tracing his orders directly to the

original 12 Apostles, church spokesmen said. Samuel Seabury was the first American bishop, consecrated in 1784 by bishops of the Church of Scotland, who through their connection with the Church of England, were in the Apostolic succession.

In 1787 Bishops White and Provoost were consecrated in England by the archbishop of Canterbury. These three American bishops could then consecrate others on American soil. The Protestant Episcopal Church in the U.S. is a part of the world-wide Anglican Communion.

Nearly 5,000 Members

As bishop of the Diocese of Northern Michigan, the successor to Bishop Page will serve

the entire Upper Peninsula as well as Mackinac and Bois Blanc Islands.

At the present time it includes nine parishes and 22 missions with nearly 5,000 baptized members. Headquarters of the diocese are at Menominee, where Grace Cathedral is the Episcopal see.

California has 72 public junior colleges, serving in enrollment of approximately 430,000.

Two workers for Caspian Construction Co. of Caspian are dwarfed in this ground view of a section of the new Marquette Senior High School. Caspian began construction last spring and work is expected to be finished in time for the building to be

Work On High School Here 45 Per Cent Completed

Work on the Marquette Senior High School is expected to be 45 per cent completed this week.

Wilho Kilpela, clerk of the works for school construction projects, said that good weather this month has been an unexpected advantage for crews at the school construction site.

Construction at the new high school site, at the corner of Lincoln and W. Fair Aves., is slightly behind the contractors' anticipated schedule, Kilpela said.

Work Began On Roof

"Work has been started on the roof of the multi-million dollar high school and roofing should be completed on the north half of the building within the week," he said.

"If good weather keeps up for a little longer, all of the roof will be on before the snow comes."

Erection of the roof before the first snowfall will enable construction crews to work through the winter with a cover overhead and temporary heat from the building's own heating system, he noted.

Erection of all structural steel and all face brick on the new high school is expected in four weeks, he said.

Target date for occupancy of the Marquette Senior High School is the fall of 1964.

1,741 In Gravaeraet

Meanwhile, 1,741 students attend classes in the Gravaeraet building, which was constructed to hold 650 students comfortably and 725 students at a maximum on a full-day basis.

The 832 junior high students attend class in the morning, with 849 students on the afternoon senior high school shift.

The Marquette Senior High School will house ninth through 12th grades and enrollment next fall is expected to be slightly more than 1,200.

By 1970, high school enrollment is expected to reach the new building's capacity, 1,500.

General contractor for the new high school is Caspian Construction Co., Caspian, at \$1,344,000. Electrical contractor is M. J. Electric, Inc., Iron Mountain, for \$193,886, and mechanical contractor is Industrial Piping Co., Ironwood, for \$528,270.

Banana plantations along Honduras' hot Caribbean coast account for about 45 per cent of its foreign trade and made the nation the world's fourth largest banana grower.

occupied by the fall of 1964. Capacity of the new high school, which will house grades 9 through 12, is 1,500. Construction site is west of the W. Fair and Lincoln Aves. intersection.—(Joe Sullivan photo.)

Dairying 1st In Farm Income For Michigan

Dairying ranks first in farm income for Michigan and nine other states, reports Melvin N. Nyquist, Marquette, county extension director for Michigan State University.

Latest reports indicate that dairy products rank first in value of farm marketings in 10 states, Nyquist said a U. S. Department of Agriculture report states. This does not include marketings of dairy cattle.

The other states are Connecticut, Maryland, Massachusetts, New Hampshire, New York, Pennsylvania, Rhode Island, Vermont and Wisconsin.

In four states dairying was second only to meat animals as the top source of farm income. These were Minnesota, Nevada, Ohio and Utah. Dairying was third in rank in Florida, Kentucky, Maine, Missouri, New Jersey, Virginia and West Virginia.

State Man To Get Post In Treasury

PHILADELPHIA — President Kennedy says he plans to name J. Dewey Daane, deputy undersecretary of the Treasury for Monetary Affairs, to a \$20,000 a year vacancy on the

seven-member Federal Reserve Board.

Daane, 45, a native of Grand Rapids, Mich., will be nominated to succeed G. H. King Jr., who has resigned.

'64 License Plates Go On Sale Here

New automobile license plates will be available beginning tomorrow at the Michigan Department of State office here. Mrs. Gertrude Jandron, office manager, said today.

Tabs will be issued again this year for automobiles, but owners of all other types of vehicles will receive the regular plates, Mrs. Jandron said.

Half-year plates, which will expire May 14, also will be available tomorrow. Half-year plates are issued only to heavy trucks and trailers for which the annual license fee is \$50 or more.

Gold On Green

Colors for the 1964 plates and tabs are gold on olive green.

Reweighting is not required for trucks and trailers this year if a 1963 registration is presented. However, if the vehicle was not licensed in 1963, Mrs. Jandron said it will be necessary to present a certified weight ticket.

Pickup truck owners will be issued the regular commercial truck plates this year, although the rate per thousand pounds for pickups remains the same this year.

Need Certificate Of Title

Applicants for plates must show a certificate of title, Mrs. Jandron noted. She added that if no transfer is involved, any person can obtain plates for an-

other by presenting the title to the vehicle.

If 1962 passenger plates are mutilated in any way, car owners can obtain new plates at the same time that they purchase tabs by surrendering the mutilated plates and paying one extra dollar, she said.

Hours at the secretary of state's office here are from 9 a.m. to noon and from 1:30 to 4:30 p.m. week days and from 9 a.m. to noon on Saturdays.

State Police Detective From U.P. To Retire

LANSING — Det. L. Patrick Detzler, assistant commander of detectives at the State Police Detective Bureau, retires Nov. 15. Detzler, 48, is a native of Newberry. He joined the force in 1937.

Contract On Postal Unit Here Closed

Contract Postal Station No. 1, which has been operated at 1714 Presque Isle Ave., in the Mail Box Gift Shop, will be closed effective tomorrow.

The station has been operated there for several years. Closing of the station is due to the resignation of the present contractor, Sterling J. LaFonde, owner of the gift shop, according to Postmaster John S. Courtney.

Other Stations Listed

Other contract postal stations

in the North Marquette area are the book store in Lee Hall, Northern Michigan University, and Paquette's Grocery Store, Ontario St., at Beaudoin St.

There also is contract postal station at the Gulf Oil Co. filling station in Harvey.

Solicitation of bids on the contract postal station, in that vicinity, did not result in any acceptable proposals, Courtney said.

LaFonde said he will continue to operate the gift shop, however.

Laurium Boy Dies From Auto Injuries

CALUMET — Scot Colman, 7, of Laurium, died Wednesday of injuries suffered Sunday when he was struck by a car.

Oct. 30 Report: Comet Durability Run

Comet completes 100,000-mile durability run averaging over 105 miles per hour!

Day and night this team of '64 Comets, specially equipped and prepared for high-speed driving, roared around Daytona International Speedway. Driving under official NASCAR supervision, these Comets broke over 100 world records*, many once held by famous foreign cars. The average speed of the lead Comet was over 105 mph. And

that included all time required for pit stops to permit refueling, driver changes, new rubber, and maintenance. At the end of this 100,000-mile run these Comets were still going strong. It was quite a challenge to stamina for a new car to face. But then these are quite some cars.

LINCOLN-MERCURY DIVISION *Ford* MOTOR COMPANY

The same engineering excellence that made this performance at Daytona possible is yours in every '64 Comet. Come see it. Newly styled, newly engineered, newly designed, yet still compact priced.

Vernon Millour (left), cubmaster of Pack 314, Gwinn, and W. G. Rackley (right), Pack 300 cubmaster, Diorite, are shown some of the easier methods of bookkeeping required in Cub Scouting by Robert Edwards, Iron River, instructor in pack administration, during the Cub Scout Pow Wow held in Marquette.

100 Cub Scout Leaders From U.P. At Meet Here

Cub Scout Leaders from 22 Upper Peninsula communities attended the second annual council-wide Cub Scout Leaders' Pow Wow in the Sandy Knoll School.

Represented were Marquette, Iron River, Kincheloe Air Force Base, Niagara, Sault Ste. Marie, Champion, Baraga, Gladstone, Gwinn, Negaunee, Ishpeming, Diorite, Calumet, K. I. Sawyer Air Force Base, Escanaba, National Mine, Palmer, North Lake, Pelkie, Houghton, Dollar Bay and Iron Mountain.

General chairman of the event was Robert Edwards, Iron River, who also was the instructor in the pack administration section of the Pow Wow.

Afternoon Sessions

During the afternoon the den mothers, cubmasters and their assistants attended sessions on games, theme crafts, administration and skits, stunts and ceremonies. Group meetings were led by Mr. and Mrs. Wilfred Verville, Iron River, with Ken Sannes and Kenneth Osier of Niagara leading the games section; Mrs. Esther Rowe, Calumet; Mrs. Hereford Garland Houghton; and Mrs. Henry Kokkonen, Dollar Bay led the Theme Crafts section; William Thompson, Kincheloe, led the skits, stunts and ceremonies group.

About 100 different Cub Scout leaders attended the afternoon and evening event, representing over 1,000 Cub Scouts, said Sannes, who also serves as chairman of the council's leadership training committee.

Flimlinger Speaker

Speaker at the traditional blue and gold dinner program climaxed the day's activity was Emil Flimlinger, Marquette, district 4-H agent for the Upper Peninsula, who urged parents to search out and use as many as possible of the activity programs available for their chil-

dren. Robert MacDonald, cubmaster of the host Pack 313, Sandy Knoll, assisted Hiawathaland Council Scout Executive R. Ralph Smith of Marquette in presenting attendance certificates at the dinner session. The closing ceremony, Cub Scout Promise led by Douglas Dorner, Marquette.

Meat, Fowl Buys Noted In Stores

DETROIT — Beef and pork play the main role in specials offered the weekend by food stores.

Pork continues to be plentiful. Leading beef buys are in roasts and steaks. Broiler-fryer chickens, and turkeys are equally abundant.

One leading supermarket chain is offering rib roast at 55 cents a pound at its New York City area outlets, down 14 cents from last week. Oven-ready rib roasts are priced at 65 cents a pound, 15 cents less than the previous week.

Canned Fish
Economic main dish choices are to be found in canned tuna, canned Maine sardines, fish sticks and fish portions.

Vegetable buys include broccoli, cabbage, carrots, cauliflower, celery, cucumbers, lettuce, onions, radishes, rutabagas, squash, tomatoes and potatoes.

Harvest Items

With the full harvest, pumpkins and apples are among the week's best buys in the South-west. Apple prices should find favor with shoppers everywhere.

Fish counters will be well

Second Adult Class Here This Evening

Adults who are working toward their high school equivalency diploma will hold their second session in the Graveraet High School library this evening beginning at 7:30.

Additional enrollees will be accepted at tonight's session. Those who can should notify the director of adult education, Milton A. Johnson, CA 6-2874, prior to the class meeting.

Request For English

Johnson also said several requests have been made for a class in English for recently arrived foreigners.

"The evening division of Marquette Public Schools is anxious to fill these needs," Johnson said, adding that interested persons should call him.

He said it is possible that such a class may be started within a short time. Enrollees are not limited to the City of Marquette, but may include residents of the surrounding area.

Chattanooga Has Persistent Prowler

CHATTANOOGA — A neighborhood prowler is hard to discourage in the city's East Brainerd area.

He pried the window from one house, withdrew when an occupant fired a shotgun, returned to a neighboring house and pried off a window screen, only to withdraw before another shotgun blast fired by the same man.

Two nights later, police said, the same prowler was scared off again.

stocked. In the Northeast, clams, halibut, oysters, scallops and filets are among the best choices.

Southeastern shoppers will find good buys in whiting, crabmeat, Spanish mackerel, mallet, shrimp, crabmeat and red snapper. Far West markets should have attractive prices for flounder, sole, halibut, salmon and cod.

Genesee, Lapeer Top Red Feather Goals

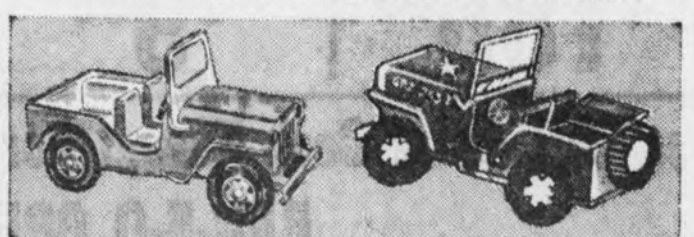

FLINT — Genesee and Lapeer Counties raised \$2,119,203, more than \$1,200 over their goal in their United Red Feather Crusade to finance community services.

If your question is

"AM I PAYING MORE TAXES ON MY INVESTMENTS THAN I NEED TO?"

Find out quickly . . . by reading this new, free Paine, Webber booklet "1963 Capital Gain & Loss Guide"

This informative guide may help you to save tax money—by helping you discover many ways you can reduce your tax liability . . . by helping you take steps to get rid of stocks which no longer seem right for you. Clearly written, easy-to-understand, this helpful 12-page booklet:

- tells how to determine your tax position quickly and conveniently
- describes six advantageous ways to schedule your capital gains and losses
- discusses 18 technical tax situations which you may need to know
- gives a general outline of the 1963 capital gain and loss provisions
- reviews the provisions of a new proposed tax law . . . and tells how you may use these provisions to your advantage

To help simplify your computations, this valuable booklet also has several handy, step-by-step worksheets. For your free copy of this important tax guide, mail this advertisement today.

City Studies Front End Loader Bids

Marquette city commissioners will hold a round table discussion with representatives of two companies bidding on a water department front end loader to determine which company's offer would be most advantageous for the city.

The problem city commissioners face, as stated by Mayor C. Fred Rydholm, is: "We have an obligation to purchase from a local firm and we also have an obligation to the citizens to buy the piece of equipment that would be the best."

The low bid, and the one recommended by Kirk Mullaly, water and sewage department superintendent with the agreement of City Manager Thomas Moore, is from Paynter Equipment Corp. of Houghton, offering a "Case" model for \$12,677.28, including a two per cent discount. It is manufactured in Racine, Wis., and serviced in Houghton and Green Bay.

The bid from a local firm is from Lake Shore, Inc., of Marquette and Iron Mountain, offering a "Trojan" model at \$13,081. It is manufactured in Batavia, N. Y., and serviced in Iron Mountain.

Mavoy Rydholm asked the city manager to set up a meeting with representatives of the two bidders, following a suggestion from Commissioner James R. Smith.

Mullaly told the commission that he recommended Paynter's "Case" machine after careful scrutiny.

He pointed out that the Paynter firm was the low bidder, offering a front end loader for \$404 less than Lake Shore's bid.

Mullaly said both models had been used by the water department on a trial basis during the past two months.

In recommending the Case model, he said he was "going on what my men tell me." "I feel the Case model will give us more economy and do a better job. I am well aware of the obligation to a local firm, but I feel I owe it to my department and the public to recommend the machine that will do the job," he said.

Commissioner Steve A. E. Johnson, commenting that he "learned as a youth that it is good business to patronize a home industry," made a motion that the city accept the Lake Shore bid on the "Trojan" model. His motion was supported by Commissioner Joseph Fine.

Following a brief description of the models by representatives of both bidders, Johnson withdrew his motion so that a meeting with the two men could be set up.

Arvid Savola of Lake Shore told the commission the Trojan was as good a machine as the "Case" and that the advantage of the lever control advertised by the Case bidder "is a matter of conjecture and would not make much difference."

Lowell Varvil of Paynter Equipment said that the main difference in the two front end loaders is in their engines. The Case model, he said, is an industrial, heavy duty engine and is easier to overhaul than the high speed, automotive-type engine on the Trojan model.

Commissioner Elmer K. Carlson abstained from the discussion, in accordance with the

Pictured above are members of the Marquette Civil Air Patrol unit at one of the local encampments held at K. I. Sawyer Air Force Base. From left (front row), Michael Ellsworth, Paul Homberg, Norbert Lopez, Lester Hagbloom, John Hongisto,

Dennis Moro, Alan Velzetti and Ted Veht; (back row) Tom Black, Richard Ganfield, David Olsen, David Dupras, Craig Desonia, Tom Price, Howard Fissette, John Eliassen, Edward Epper, Edward

Korpy, Paul Kauppinen, Richard Vidlund, John Wilson and an unidentified coordinator for the CAP unit, serving with the U. S. Air Force at Sawyer.

Marquette's Civil Air Patrol Aids In Search, Rescue Tesks

By MICHAEL MCCARTHY Of The Journal Staff

"You get out of something what you put into it." This is certainly true for a cadet in the Civil Air Patrol.

Today, we live in the aerospace age; accordingly, our aerospace education and training program is designed to broaden a cadet's knowledge of the developments in this area as well as to increase his understanding of the opportunities available in this limitless field of airplanes, rockets, missiles and space vehicles.

But beyond gathering a better understanding of aerospace education, cadet training should improve leadership ability, moral integrity and the cadet's capacity to be a productive citizen of this country.

The above is the welcome address from the Lt. Col. Hugh S. Saum, director of administrative services of the Civil Air Patrol to all cadets joining the CAP.

The mission of Civil Air Patrol is to employ voluntarily its resources of manpower and equipment in search and rescue, to fulfill its role of readiness to meet local and national emergencies, to motivate the youth of America to the highest ideals of leadership and public service and to further this nation's air and space supremacy through a systematic aerospace education and training program.

Under the leadership of Ted A. Veht, Marquette, the local Civil Air Patrol unit aims to carry out these goals.

Other proposals financial interest section of the city charter.

Other bids opened for the front end loader were: Mallette Construction Equipment Co., Sault Ste. Marie, \$14,049.75; Superior Equipment Co., Powers, \$14,437.50 and \$18,627.50; Brebner Machinery Co., Marquette, \$17,300 and \$20,555; Bark River Equipment Co., Escanaba, \$16,985 and \$19,625; and Euclid Division, General Motors Corp., Iron Range Branch, Negaunee, \$24,585.

The biggest function of the CAP unit in this area is to participate in search and rescue operations for lost or downed aircraft. It has participated in three such operations in the last four years.

When the local Civil Air Patrol unit participate in search and rescue operations, it works with the search and rescue unit of K. I. Sawyer Air Force Base.

K. I. Sawyer AFB furnishes a coordinator to help with proposed flights and also furnishes men to help with aerospace education of the cadets.

Transported By Air Force Civil Air Patrol members are transported by United States Air Force aircraft for all activities in which they participate.

In January 1962 the local CAP unit flew to Wright Patterson AFB, Ohio, to take a tour of the Air Force Museum located there.

A flight to Colorado Springs, Colo., to tour the United States Air Force Academy and the NORAD (North American Air Defense) headquarters at Ent AFB, near Colorado Springs, is contemplated for next spring.

A local encampment for familiarizing the cadets with the Federal Aeronautics Administration (FAA), jet aircraft and the foreign exchange program, in which 17 foreign countries participate, is held annually. Only top grade cadets are selected for the foreign exchange program.

Flying Club The Queen City Flying Club, a club strictly for members in the CAP, enables those members to learn to fly and obtain a pilot's license. The club, which has one airplane, is operated on a cost basis for the members.

At the present time there are 15 cadets in the local CAP unit, and it is governed by the following men: Capt. Veht, commander; Hans Muelle, Marquette, extension officer; Robert Kimball, Marquette, public information officer; Ted Kirkpatrick, Negaunee, assistant education officer, and 2nd Lt. John Wilson, Marquette, radio communications officer.

Wilson mans the CAP network radio which is on the air every day and has a radio frequency of its own.

15 Persons Fined \$256 By Justice

Fifteen persons were assessed a total of \$256.65 in fines and costs when they appeared before Justice George J. Fezzy in Marquette Township Court.

Stiffest sentence was meted out to Richard N. Jandreau, National Mine, who was fined \$4.30 and ordered to pay costs of \$4.30 on a charge of reckless driving. He was arrested by state police Oct. 20 on U.S. 41, in Marquette Township.

Reckless Charge Erni Harsila, Box 353, Negaunee, paid a \$25.70 fine and \$4.30 costs on a charge of reckless driving. State police arrested him Oct. 20 on business route M-28, in Negaunee.

For permitting an unlicensed minor to drive a motor scooter, Louise R. Besonner, Route 1, Box 92, Negaunee Township, was fined \$5.70 and ordered to pay court costs of \$4.30. She was ticketed by state police Oct. 25 on U. S. 41, in Negaunee Township.

Ran Stop Sign Grover J. Sicotte, Route 1, Box 671-K, Marquette, paid a \$10 fine and \$8.05 court costs for "running" a stop sign. Sicotte was found guilty by the court in a trial. State police ticketed him at the junction of U.S. 41 and Erickson St., in Marquette Township.

For "running" a stop sign, William A. Genore, 224 Genevieve St., Marquette, was fined \$5.70 and ordered to pay court costs of \$4.30. He was issued the summons by state police Oct. 19 at the junction of County Road 492 and Simons Road.

Fined For Speeding Genore also was ordered to pay \$4.30 costs on a charge of speeding. He was ticketed for driving 60 miles an hour in a

55 MPH zone. Reginald G. Hansen, Route 1, Box 691, Marquette, paid a \$25 fine and \$4.30 costs for driving left of the centerline. He was arrested upon warrant for non-appearance to answer summons served him by state police Sept. 29 on U. S. 41, in Marquette Township.

For passing improperly on a marked hill, Thomas A. Gendzwill, Iron River, was fined \$10.70 and ordered to pay court costs of \$4.30. He was ticketed by state police Oct. 18 on U.S. 41, in Humboldt Township.

Terrance M. McGrath, St. Ignace, paid a \$5.70 fine and \$4.30 costs for driving the wrong way on a divided highway. State police issued the summons Oct. 15 on U.S. 41, in Marquette Township.

For speeding, Edward D. Lawry, 1109 N. Third St., Marquette, was fined \$10.70 and ordered to pay court costs of \$4.30. He was ticketed by state police Oct. 18 on U. S. 41, in Marquette Township for driving 75 miles an hour in a 55 MPH zone.

Karl M. Schneider, 700 W. College Ave., Marquette, paid a \$10.70 fine and \$4.30 costs for speeding—driving 70 miles an hour in a 55-MPH zone. State police ticketed him Oct. 20 on U. S. 41, in Chocoyay Township.

For driving 70 miles an hour in a 55 MPH zone, Alexander K. Guillard, 429 E. Ohio St., Marquette, was fined \$10.70 and ordered to pay court costs of \$4.30. He was ticketed by state police Oct. 11 on U.S. 41, in Marquette Township.

Man Hasn't Missed Job 46 Years

BOSTON (AP) — William F. Dalley is precise about leaving his house at 7:10 a.m. every weekday. He's careful he doesn't miss the 7:25 a.m. commuter train from Bedford, Mass., to Boston.

At 8:30 he begins his day as general plant personnel supervisor for the New England Telephone Co.

Dalley, 64, has less than two months to go to complete a working career of 46 years with a remarkable attendance record.

Never Missed An Hour Not only has he never missed a day of work; he's never even missed an hour.

In 1919, he recalls he started early and walked more than seven miles through a raging blizzard, but he got to work on time.

Dalley credits his wife and three children for his attendance record.

Born On Day Off He says his wife keeps him in top health by rejecting any out-of-a-package meals in favor of old-fashioned dinners which she starts in mid-afternoon.

The three children all were born on their father's day off.

Robert Kimball (center), president of the Marquette Jaycees, presents the organization's Outstanding Jaycee Award to Gary Dahlke (left), state vice president of the Jaycees, while Barry Ellis, secretary of the unit here, looks on. (Mining Journal photo.)

City Jaycees Give Award To Dahlke

Gary Dahlke recently was presented with an Outstanding Jaycee Award at the Jaycee orientation meeting held in the Marquette Chamber of Commerce building. The coveted award is presented to the member who has made outstanding contributions to his community and local chapter. Robert Kimball, Jaycees president here, reports that Dahlke's "invaluable services" have included, among other projects, the co-chairmanship of the 1963 Miss Upper Michigan Pageant, held last April in conjunction with Northern Michigan University. Miss Kathleen McLaughlin of Ishpeming won the crown and

Decision Due On Romney's Tax Program

LANSING (AP) — A decision was expected from Gov. George Romney and Republican legislative leaders today on whether to start the revised tax reform program moving in the House or Senate — and when to do it. House Speaker Allison Green, R-Kingston, indicated he would propose the decision be made when Romney met with the 10-member leadership committee today. "There still are some amendments to be written, but it's the feeling of the House Republicans that we've reached the point where the program should be sent to the floor," Green said. Estimated Strength The basic decision would be made on the basis of estimated strength for the tax reform package among majority Republicans in each chamber. Neither the House nor the Senate GOP caucuses took formal polls Wednesday on the package. In both House and Senate caucuses, the state income taxes and exemption of groceries and drugs from the sales tax appeared to be main points of contention.

The Legislature was to adjourn after today's brief session, but Green indicated a "head count" of GOP strength on the total package would be taken in the House when lawmakers return Monday. Omnition "We'll put a call of the House on if necessary to be sure everybody is here," said the speaker. "It's entirely possible the program could be on the floor of one chamber or the other by the end of next week." Among Republicans in both chambers, there was opposition to the proposal for exempting food and drugs from the four per cent sales tax. Senate majority leader Stanley Thayer, R-Ann Arbor, said the Senate GOP caucus was at a standstill on the question of the exemption, which would take an estimated \$92 million a year from state coffers. "Alternatives" "I have explained to them that the Governor is quite firm on this," Thayer said. "And the joint committee also feels we should stand by it if at all possible."

Thayer said some senators feel the tax should be retained "but they will exempt it for the sake of the overall program." In the House GOP caucus, Green said, there was a discussion of "alternatives" to the exemption and "what to do with the money if it isn't taken off." The food and drug sales tax exemption is endorsed by some Democrats. Renewal Efforts Thayer, meanwhile, renewed efforts to build support for the income tax bill, which is in the Senate Taxation Committee and slated for another round of hearings Tuesday.

Financial Scene: Optimism Reigns In U.S. Business

By SAM DAWSON NEW YORK (AP) — Increased earnings—some at record highs—are being reported daily by most of America's corporations, large and small. The profit gains delight stockholders and stock traders, enhance the life expectancy of many jobs, trim estimates of the federal Treasury deficit, assure financing of future business expansion plans. Companies with household names lead the parade. Profits after taxes in the July-September quarter increased over last year for: General Electric, American Telephone, IBM, General Motors, Jersey Standard Oil, and for most of the steel companies, chemicals, drugs, airlines, tobaccos, foods, utilities and even the long-ailing rails.

Improvement Seen The majority predicts the year as a whole will be well ahead of 1962. There is a minority, as always. A few individual companies in all of the industries falter. And in some industries most firms report earnings running behind a year ago. These include cement, paper, and many in the packaging industry. Some companies much in the public eye report earnings running against the tide, often for temporary reasons. These include Ford Motors, Polaroid, Du Pont, National Cash Register, Westinghouse Electric, Martin Marietta, A&P, Brun-

swick and American Machine & Foundry. Gainers Make Splash But the gainers make the biggest splash. General Motors and Chrysler's notable profit increases overshadow Ford's slip. In the chemicals Union Carbide, Allied Chemical, Olin Mathieson, American Cyanamid, Monsanto are ahead, even if Du Pont, Texas Gulf Sulphur and National Distillers & Chemicals aren't. The steels are almost unanimous in reporting earnings running well ahead of a year ago. Other metals also are profit

gainers this year: Alcoa, Kennecott Copper, Magma Copper, St. Joseph Lead, Reynolds Metals. The oils speak up with an all but unanimous voice. In the air ways Pan Am, American, Western and Continental forge ahead although Delta slips behind last year's profit pace. Lockheed Douglas and McDonnell aircraft makers advance.

Rails More Mixed The rails are more mixed. Ahead this year are New York Central, Pennsylvania, Santa Fe, Norfolk & Western, Sea-

board Air Line, Chesapeake & Ohio, Great Northern, Western Pacific, Southern, Washash and Missouri Pacific. Lagging are Atlantic Coast Line, Erie-Lackawanna, the Milwaukee, and Chicago-Great Western. Behind the increased earnings are many things: increased sales in an expanding economy, automation and other labor-unit cost-cutting, increased depreciation allowance for tax purposes—even the population explosion. And sparking the optimism about the future of profits is the expectation that corporate income taxes will be cut.

100 Persons Attend Fisheries Conference IRON MOUNTAIN (AP) — Some 100 persons from Michigan, Wisconsin and Minnesota are attending the annual Tri-State Fisheries Conference here. The conference began a three-day meeting Wednesday. Under the nation's flood control program, nearly 400 projects costing more than \$1 billion have been completed since 1936. These are claimed to have prevented \$11 billion in flood damages.

Films On Physics To Be Shown On Channel 3 Friday

Two films on physics will be shown at 7 p.m. Friday on Channel 3, (Iron Range Cable Corp. system), it was announced today by Dr. Roy Heath, research coordinator at Northern Michigan University. The films, entitled "The Bohr Atom" and "Electron Shell Structure," are a part of a series of 162 physics lessons being given this year over the university's newly installed closed-circuit TV system. The two Harvey White films

Santa Claus Visits Here Scheduled For Nov. 16th

Parents of handicapped children are asked to contact the Marquette Chamber of Commerce office by postcard if they would like to have Santa Claus visit their home Nov. 16.

Again this year the chamber of commerce is making arrangements for Santa Claus visits at the homes of children who would otherwise not be able to talk with Santa before Christmas.

Deadline for contacting the chamber office to arrange for a home visit from Santa Claus is Nov. 11, Douglas Belfry, the chamber's chairman for "Operation Santa Claus," said.

Parents of handicapped children are asked to place the name, address, and age of their

child on a postcard and mail it to the chamber office.

The chamber office will telephone to confirm the home visit in advance of Nov. 16, Belfry said.

Carrier White Awaits Okay On Downbound Trip

SAULT STE. MARIE (AP)—Republic Steel Corp.'s iron ore carrier, the Charles M. White, awaited word from the Coast Guard today on whether it could

resume its downbound voyage after being freed from a channel bank east of the Soo Locks.

The vessel, bound from Lake Superior to Ashtabula, Ohio with 15,000 tons of iron ore, ran aground in fog early Monday at a place known as the north end of the Bayfield turn.

The ship was refloated Wednesday after about 2,500 tons of ore were removed from the forward hull. A barge and tug were summoned to aid crew members in the lightering operations.

The ship was towed into the Soo Harbor where it was to be examined by the Coast Guard's

Grandfather Rests Feet After Hike

TOLEDO, Ohio (AP)—Michigan's hiking grandfather, Marion Pearson, gave his feet a rest today as he headed back toward Sault Ste. Marie in a motorcade.

The 64-year-old Grand Rapids businessman arrived at nearby Sylvania, Ohio Wednesday, completing a 385-mile walk from the Michigan Soo.

He made the 11-day hike to call attention to the opening Friday of the final stretch of the Interstate 75 freeway—a wide ribbon of concrete that will provide non-stop motoring from the Ohio line to the Soo.

"You have to blow out the carbon in your system, just like you have to blow out the carbon in a car," the puffing Pearson told newsmen at Sylvania.

He confided that he doesn't do "any walking around home."

"I don't even walk around the block," he said.

All along the freeway, Pearson invited mayors to the dedication of the freeway section at Rudyard Friday.

"I imagine I've invited about 30 mayors and most of them are going to be there," Pearson said.

Pearson said he would pick up his invited guests as the motorcade moves north through Michigan.

He will be one of the featured guests tonight at a dinner at Sault Ste. Marie. About 40 of

ficials, including Michigan Highway Commissioner John C. MacKie, will be on hand.

Ceremony

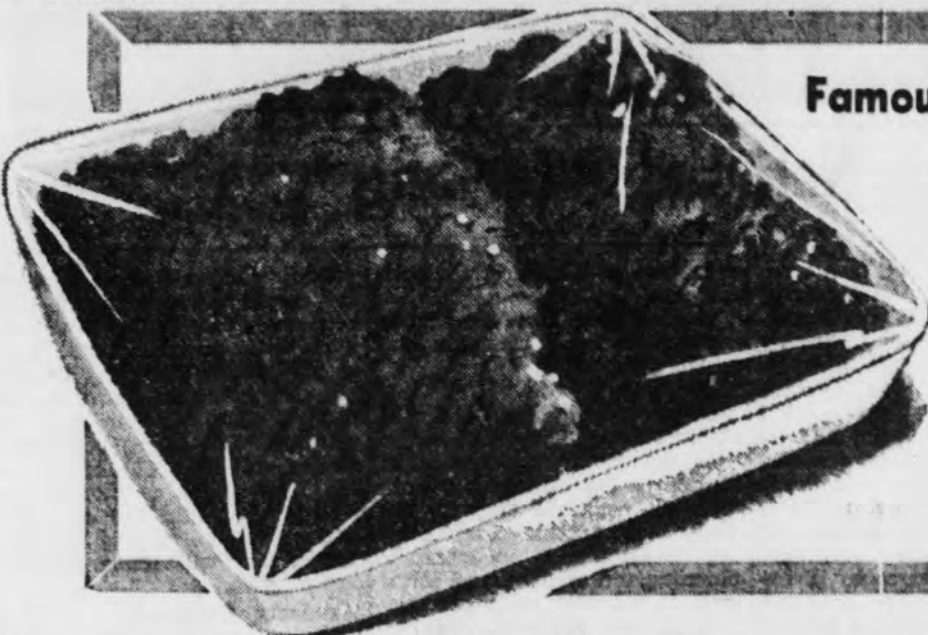

The officials will participate in Friday Ribbon cutting ceremony at the Rudyard interchange 23 miles south of the Soo. Airmen from Kincheloe Air Force Base also will take part in the ceremony.

The final 22-mile leg of I-75 between Rudyard and a point eight miles north of St. Ignace will be opened to traffic.

The 385-mile Ohio-to-Soo freeway was built at a cost of about \$200 million, a highway department spokesman said.

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: Three other mothers and I are in a car pool. My problem is not with them. It's with a mother who is not in our car pool. This mother has never asked if her children could ride with us. She just sends them over every morning with instructions to get in the car. We have four children in our car without her two, and it is very crowded. This mother has a car sitting in her driveway all day. Am I wrong to resent the nervousness of this woman? How can I put a stop to it without getting a bad name with all the neighbors?

(ring and all) to a girl for whom I care so much it hurts. We have fought bitterly about one matter, but I finally gave in because it meant so much to her. She was engaged before, but returned the diamond. However, she did not return a gold charm bracelet he gave her. It is loaded down with charms from HIM. Each has sentimental significance — the anniversary of their first date, his gold football, even a small calendar with a tiny ruby marking their "wedding date." She wears this bracelet constantly and claims it means nothing to her. She says she tried to give it back to HIM, but he refused it. Am I wrong to resent it?

DEAR BUGGED: No. She is either cold and unfeeling, or very cruel. Take a long, hard look at this woman. In my opinion, she has too much jewelry at the moment to appreciate a wedding ring.

CONFIDENTIAL TO ROG: The difference between a prejudice and a conviction is that you can explain a conviction without getting mad.

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to

Mock War Begins In West Germany

FRANKFURT, Germany (AP) — The mock war started Wednesday for the 15,000 men of the U. S. Army's 2nd Armored Division flown from Texas to Germany during Exercise Big Lift. The seven-day maneuvers started before dawn with an attack by an "aggressor" force from the 3rd Armored Division. The defending 2nd Armored was deployed in an area stretching from Darmstadt, south of Frankfurt, to Fulda, about 50 miles northeast. In all 40,000 troops will participate.

NORTHLAND
FOOD STORES

Mrs. George Floodstrand (left), Crystal Falls, and her daughter, Mary Jo, are students at Northern Michigan University. Mrs. Floodstrand, a freshman, and Mary Jo, a senior, study in Northern's Olson Library. Mrs. Floodstrand finds university life "stimulating and rewarding." (N.M.U. photo by Jim Arnestad.)

Daughter Senior, Mother Freshman At Northern

Lila Floodstrand of Crystal Falls is a freshman at Northern Michigan University. Her daughter, Mary Jo, is a senior, and herein lies the story of a remarkable family and a woman's lifelong ambition to get a college education.

Mrs. Floodstrand, wife of George Floodstrand, a retired iron mine captain, wants to be an English teacher. This would be one more facet in her active career as a housewife, mother, newspaper reporter and the first woman city commissioner in the history of Crystal Falls.

To Graduate In June The Floodstrands' four children have gone on to careers of their own, and when George decided to retire this month as captain of Republic Steel's Tobin Mine in Crystal Falls, he suggested that Mrs. Floodstrand begin her college education. She entered Northern in September.

Mary Jo, who preceded her mother at Northern, is majoring in speech correction and will graduate in June.

Share Apartment Son Fred a graduate of Michigan Tech in Houghton, is an analytical engineer with Pratt and Whitney Aircraft Corp. in East Hartford, Conn. Another daughter, Lois, is a nursing instructor in Deaconess Hospital, Detroit. She took her nurse's training at St. Luke's Hospital, Marquette, and received her bachelor's and master's degrees in nursing education from Wayne State University.

Son Kenneth is employed by the Marathon Corp. at Appleton, Wis.

Lila and Mary Jo share an apartment in Marquette, and they also share housekeeping and cooking chores between classes. They don't have any classes together, but they study together and share other interests, particularly reading.

Was News Correspondent

Mrs. Floodstrand said she "always dreamed of going to college but there never seemed to be time until now." Her husband, who shares her interest in education, encouraged her to take advantage of the opportunity.

He also had encouraged her to run for election to the Crystal Falls City Commission when she developed an interest in city government after reporting commission proceedings for the Iron Mountain News. She was elected in 1962 for a three-year term.

Still On Commission

Mrs. Floodstrand was a News reporter, covering the Iron County area, for 10 years. She resigned to enter Northern and she also resigned as president of the Crystal Falls Women's Club and gave up her membership on the board of the Crystal Falls Municipal Hospital. But she retained her post on the city commission. She returns to Crystal Falls to attend commission meetings the first and third Mondays of every month. She also spends her weekends with her husband in Crystal Falls.

Mrs. Floodstrand is enthusiastic about student and university life. "I'm enjoying every minute of it," she said. She feels "accepted" in the classroom and she's impressed with the "friendly and earnest" attitude of her fellow students.

Gwinn Church To Canvass Members Sunday

The Gwinn Methodist Church will conduct its annual every member canvass Sunday beginning at 2 p.m.

Plans have been made to visit the home of each member or friend of the church. Members of the church are asked to be home to greet the callers.

Volunteers will meet at the church at 2 p.m. so they can share in a brief period of instruction before starting on their visits.

The purpose of these visitations is to provide a means for members and friends of the church to become better acquainted with each other and to give all members an opportunity to renew their pledges to the church for the coming year.

Methodist Church To Sponsor Auction Nov. 7

The First Methodist Church of Marquette will sponsor an auction Nov. 7 at 7 p.m. Anyone wishing to donate baked goods, preserves, pickles, canned goods, fall centerpieces, "white elephants" or any harvest season items may call the church.

The auction is open to the public. Auctioneers will be Ralph Laird and Jack Anderson.

She said she would advise "anyone who really wants a college education to go ahead and get it, regardless of age or circumstances. It's a tremendously stimulating experience."

Eastern Star Chapter To Install Officers

Presque Isle Chapter 403, Order of the Eastern Star, will install the 1963-64 corp of officers Saturday at 8 p. m. in the Masonic Temple.

Mrs. Myrtle Hunt, installing officer, will be assisted by Mrs. Myrna Moore of Stevens Point, Wis., as installing marshal. Mrs. Kate Nebel, installing chaplain, and Mrs. Emily Zerbel as installing organist.

Mrs. Ruth LaFonde, accompanied by Mrs. Jean Kepler, will be the soloist.

The flag will be presented by officers of Fellowship Chapter, Order of DeMolay.

New Officers The ceremony of the Lighted Cross by the officers of Bethel 16, International Order of Jobs Daughters, will close the evening's program.

New officers to be installed are: Mrs. Margaret Schafer, worthy matron.

Lucian Hunt, worthy patron. Mrs. Ida Mae Mattson, associate matron. Ellwood Mattson, associate patron.

Mrs. Gertrude Ragusett, secretary. Mrs. Florence Rich, treasurer. Mrs. Irene Buck, conductress. Mrs. Merle Richards, associate conductress.

Mrs. Louise Gudegast, chaplain. Loren Marlowe, marshal. Mrs. Ellen Smith, organist. Mrs. Marjorie Anderson, Adah.

Mrs. Mary Allie, Ruth. Mrs. Elsie Winamaki, Esther. Mrs. Carol Welland, Martha. Mrs. Alexandra Barr, Electa. Hinton Kraft, warder. James Nancarrow, sentinel. Mrs. Jeanne Uren and Mrs. Evadele Payton, flagbearers.

All Masons and friends are invited.

Msgr. Cassanova To Be Honored At Farewell Party The Very Rev. Msgr. A. C. Cassanova, former pastor of St. Christopher's Catholic Church, will be honored at a farewell party by members of the parish Sunday at 8 p.m. in the parish hall.

All members and their families are invited.

Msgr. Cassanova is returning from Rome, where he is attending the Ecumenical Council of the Most Rev. Thomas L. Noa, D.D. bishop of the Marquette Catholic Diocese.

Msgr. Cassanova has been transferred to St. Michael's Church.

Harvey Parish Organizes CYO Group The Junior Catholic Youth Organization, organized by St. Louis Parish, Harvey, meets after catechism classes every Tuesday evening.

New officers elected by the club: Karen Malette, president; Tom Cuff, vice president; Vicki Hogan, secretary, and Carol Devoigt, treasurer.

Other members in the club are Jerry Chambers, Chuck Oberstar, Barry, Shelly and Ricky Greenleaf, Carol Coppens, Mary Boudreau, David Bolduc, David Sicotte, Denise Conant, Marlene and Diane Trudell, Margaret Mitchell, Willard, Morris, Richard and Roger Oja, David Rhodia, Debbie Sleeman and John Beauchamp.

The club is planning a hayride party at Malette's farm Saturday at 6 p.m. Following the hayride, a dance is scheduled in the church hall.

Other activities are planned for later in the year.

Vandenboom PTA To Sponsor Fall Festival The Vandenboom School Parent Teachers Association will sponsor a fall festival at the school Saturday from 1 to 4 p.m.

Booths will feature a bake sale, fish pond, coffee and cake concession, balloons, punch, hot dogs, popcorn, "white elephant" and pony rides.

General chairman of the festival is Mrs. Carl Peterson.

Dauphinais-Britton

(Photo by Beauchamp's Studio)

Mr. and Mrs. Claude Dauphinais, 2372 Moran St., announce the wedding of their daughter, Bonnie Lou, to Donald George Britton Jr., son of Mr. and Mrs. Donald Britton Sr., 1621 Gray St.

Gladioli and pompons decorated St. Christopher's Catholic Church for the ceremony Saturday.

Given in marriage by her father, the bride wore a ballerina-length gown of silk embroidered organza with a fitted bodice which dipped to a point in front. Her dress featured a scalloped Sabrina neckline, a short sleeves and an embroidered, bouffant skirt edged in scallops. The bride carried a cascade bouquet of white gladioli and pink sweetheart roses.

Her attendants, Beverly Dauphinais, a sister, as maid of honor, and Jean Britton, sister of the groom, wore pink chiffon over taffeta dresses.

Larry Britton, brother of the groom, and Richard Touchinski attended the groom. Seating the guests were Richard Hawes and James Dauphinais, cousin of the bride.

Mr. and Mrs. Walter Peters hosted a dinner followed by a reception for 150 guests at the Cliffs Ridge Chalet.

Both the bride and groom are graduates of Graveret High School. The bride is a waitress at the B&J Luncheonette, and the groom is employed as a heavy equipment operator by his father.

The couple will reside at 1025 Lincoln Ave., Marquette.

Dancers To Entertain At Annual Hunters' Ball

For several years intermission has been the highlight of the Hunters' Ball held annually by the Morgan Heights Auxiliary to finance gifts to the hospital and services to the patients.

The dance will be held in the Timmes Memorial Building in Negaunee Saturday with dancing from 9 p.m. to 1 a.m. with music provided by the Joe Barabach orchestra.

Carl Pellonpa of the WLUC-TV staff will act as master of ceremonies and host for the evening. Three acts will be introduced by Pellonpa at the 11 p.m. intermission. They are, in order of their performance, the "Danconettes," Ivan Raish, and Jim Anderson.

Precision Dance Club The Danconettes are a precision dance club organized for the purpose of public performance. This group of girls, interested in pursuing careers in dancing, is a division of Mrs. Shirley Savitski, of the Savitski School of Dance. Mrs. Savitski also acts as choreographer for the group. The lineup of 10 girls will open the floor show with an interpretation in modern jazz.

Presenting musical selections for the enjoyment of the guests will be Ivan Raish, Marquette native and talented chromatic harmonica soloist. He is a member of the St. Peter's Men's Club.

Bringing the "Hootenanny" to the Hunters' Ball will be an accomplished folk singer and Northern Michigan University student, Jim Anderson, formerly of Detroit.

The refreshment bar at the dance will be manned by auxiliary members and will be open throughout the evening.

Town Talk By Tish

Why not have a theatre party at the Chalet before going on to "Brigadoon"? The play promises to be a brilliant performance. The Chalet has prepared a special menu for the three days of the play, Nov. 5th, 6th and 7th, with very special low prices for "Brigadoon" ticket holders. Just bring your tickets with you.

Start off with one of their "Special Brigadoon Cocktails"—made with Scotch of course—or any of their other delicately blended cocktails. Then to the salad bar—such a marvelous array of appetizers. A casserole of the most delicious miniature meat balls, kept piping hot over a tiny candle, is brought to your table, with a basket of fairy-light rolls. Now the main course, done to Chalet perfection. And their desserts—completely irresistible.

Then on to the play—such a wonderful evening! Call CA6-9731 for dinner reservations.—Adv.

And now we are paying a fee of two dollars just to file our income tax. Or at least the citizens of Wisconsin are doing just that. With each state return the filer must pay a \$2.00 fee just for the right to file that return. Gee, I hope this doesn't escape the state borders of Wisconsin.

One from New York. A new building, just opened, was taxed at a higher value than the neighboring buildings, also very new because it was "extra-beautiful." What an invitation for the next builders to put up a junk heap.

You have another invitation... to get away from this sometimes silly world and come in and browse at LOU'S. No extra fees, and we don't charge you any extra because the dress is ultra smart. We do say that a new dress will pep you up to face the wide world again.

So, for a nice new feeling shop at LOU'S in the center of Marquette.—Adv.

Marquette Women Attend DRIVE Conference

Twelve Upper Peninsula women were part of a group of 200 women who attended the DRIVE (Democrat, Republican, Independent Voters Education) conference in Washington, D. C., recently. The women were selected and sponsored by Teamsters Local 328. While in Washington, the women discussed legislation and bills coming up in Congress with representatives and senators. They toured the White House and other buildings and visited many points of interest while there. Pictured above,

first row, from left, are Merle Hermanson, Menominee; Ava Warick, Sault Ste. Marie; Sandy Beester, Iron Mountain; Grace Hyde, Marquette, and Elsie Healy, Marquette. Back row, from left, are Marg Carlson, Escanaba; Pat Freeman, Iron Mountain; Nancy Karthiesen, Menominee; Shirley Suggett, Sault Ste. Marie, and Gladys Costley, Escanaba. Attending the conference, but not pictured were Margaret Harris and Isabelle Schutz, both of Houghton. (Photo by Jim Yardley.)

Practical Nurses Told Of Need For Membership Push

ISHPEMING — The Upper Peninsula workshop for nurses held in the Mather Inn yesterday was considered a success by officers of the Michigan Practical Nurses Association.

Speaking during the session were Mrs. Linda Drewes, president, and Mrs. Edith Hill, executive director of the MPNA, and Roy Lierman, president of the Michigan Practical Nurses Associates.

Mrs. Drewes stressed the need for an expanded membership in the association, while Mrs. Hill touched on several phases of practical nursing and urged nurses in this district to cooperate with nursing health organizations in the Marquette County area.

A security program for nurses also was discussed by the group following a factual report from Lierman.

From the local area, Mrs. Carmen Waters, licensed practical nurse and a member of the Michigan Board of Nursing, spoke on the nursing practice act — what it is and what is in store for all nurses in the area.

Presiding during the workshop was Mrs. Rhea Abramson, president of the Delta MPNA district.

Music Units Keep Busy At L'Anse

L'ANSE—The L'Anse Township High School music department, under the direction of Ruth Lee and Glenn Anderson, is in full swing preparing for a busy year of musical activities.

The mixed chorus, directed by Anderson, has 130 members and is rehearsing music for the Christmas concert Tuesday, Dec. 17.

Miss Lee rehearses the junior band of 55 members once a week. Miss Lee also has started 23 beginners from the fourth grade on instruments.

The high school band of 60 members, under the direction of Anderson, devoted the first six weeks of school to marching practice and performed at the school's four home football games in their colorful new uniforms. This past week they started practice on their concert music, and rehearsals for solos and ensembles will begin next week.

Band officers elected by the members are: President, Lynn Koski; vice president, Michael Connor; secretary, Lynn Frantstad.

The following band students were assigned their duties by Anderson:

Student directors — Lynn Koski and Bogue Sandberg.

Librarians—Barbara Schultz and Kathleen Kristo.

Uniform custodians — Roger Stevens and Arthur Moilanen.

Caseys Increase Lead To 241 In Cribbage League

NEGAUNEE — Defeating the Moose by 221 holes, the Knights of Columbus increased their lead in the Negaunee Social

Pictured during Wednesday's Upper Peninsula Practical Nurses Association workshop at the Mather Inn, Ishpeming, are (from left): Seated — Mrs. Viola Rosevear, president of the Marquette-Alger Michigan Practical Nurses Association, and Mrs. Helen Melvin, who was in charge of registration; standing — Mrs. Rhea Abramson, president of the Delta MPNA district; Mrs. Linda Drewes, president of MPNA from Muskegon; Mrs. Edith Hill, executive director of MPNA from Lansing; Mrs. Julie Pietila, MPNA director, and Mrs. Carmen Waters, Ishpeming, licensed practical nurse and a member of the Michigan Board of Nursing. (Mining Journal photo.)

'Brigadoons' Romantic Leads Have Busy, Interesting Life

ISHPEMING — William and Joan Lehmann, the romantic leads in "Brigadoon," which is to be presented in Marquette's Kaufman Auditorium Nov. 5, 6 and 7, began their married life back in 1952, following a high school and college courtship.

Both were born in Ishpeming in 1932. Joan's mother died when she was five and from then on until she graduated from high school she was raised by her aunts in Ishpeming.

They entered Northern Michigan University in the fall of 1950, and the following semester Joan transferred to Marquette University in Milwaukee. Mr. Lehmann left Northern to work on the ore boats for the Cleveland-Cliffs Iron Co. The two were married in 1952, at which time Bill was employed as a surveyor for CCI.

Their first son, Karl, was born in April, 1953, and their second son, Kurt, in September, 1955. Shortly after the second son's birth, the Lehmanns decided that Bill would return to school.

By this time, they not only had two sons, but also a mort-

gaged seven-room home. They took the plunge, however, and Lehmann managed to complete his college education.

He reminded residents that the local First National Bank will continue to accept donations and asked all who have not yet contributed to do so soon so the drive may be completed. Several business establishments still are to be contacted.

Employees of the Hanna Mining Co. are asked to contact their main office concerning the payroll deduction plan.

The Rev. Leslie Niemi, drive secretary, reports cooperation from all parts of the community has been "excellent." He extended thanks from Republic

Corps announced that a dinner scheduled for 7 p. m. Saturday has been postponed to a later date, which will be announced.

Mine Safety Group Post For Leonard

CHICAGO—Edward C. Leonard, 619 N. Fifth St., Ishpeming, Mich., was elected to serve as nominating committee chairman of the mining section of the National Safety Council.

The election was held at the time of the October National Safety Congress, annual convention of the council.

Leonard is superintendent of industrial relations and safety of Inland Steel Co. at Ishpeming.

Election to the mining section executive committee, representing one of the important industrial sections of the council, was in recognition of his abilities as a safety specialist in the industry.

The National Safety Council is a federally chartered, nonprofit association dedicated to safety in all fields of accident prevention.

Pythian Sisters' Roll Call Meet, Dinner Monday

ISHPEMING — Twin City Temple, Pythian Sisters, will meet at 7:30 next Monday night in the Pythian hall. Roll call and the Pythian anniversary will be observed. The meeting will be operated by a 6:30 buffet dinner. Members are reminded to bring their table settings.

Sleeman-Johns Pair Gains High Score

NEGAUNEE — Agnes Sleeman and Lillian Johns posted a 1,233 for high score in Negaunee Women's Cribbage League play this week. Elsie Tobin and Violet Kangas had the second high total of 1,221.

The Specialty Shop retained first place with a total of 28,865 points, 180 more than the runner-up Lady Elks. Gayle's Beauty Shop and the Knights of Columbus occupy third and fourth places.

Dedication Service At Carlshend

CARLSHEND — Evangelical Covenant Church will conduct a dedication service Sunday at 9:15 a. m. Several improvements which have been made will be dedicated at this time.

During the summer the interior has been repainted in two shades of green and off-white. The entrance has been completely changed and new doors and outside floodlights installed. Recently the aisle and entrance hall were carpeted. All of the work, except for the carpet installation, was done by members and friends of the congregation.

The Rev. Edward Johnson, pastor of First Covenant Church, Iron Mountain, will speak at the service. Anthems by the choir will be "Praise Ye the Lord" (M. Vulpius) and "Loving Shepherd of Thy Sheep," a Norwegian folksong. The Rev. Harold E. Nelson, pastor, will conduct the service.

Friends of the congregation are invited.

Baraga Man, Veteran Of WWII, Dies

BARAGA — Ael O. Carlson, 52, Baraga, died Wednesday afternoon in the Veterans Hospital, Ann Arbor, where he had been a patient for three months.

He was born in Ironwood, July 2, 1911, and had spent most of his life in Baraga. He was a veteran of World War II.

Surviving are a daughter, Mrs. James (Alice) Watchers of Sault Ste. Marie; a son, Anthony R., who attends Michigan State University, East Lansing; his parents, Mr. and Mrs. Otto C. Carlson of Baraga; two sisters, Mrs. Guy (Hazel) Brown of L'Anse and Mrs. Edward (Inez) Magnant of Detroit; four grandchildren, and several nieces and nephews.

Services will be held Saturday afternoon at 1:30 at the Swanson Funeral Home, L'Anse, with the Rev. Robert Sutherland officiating. Burial will be made in Baraga Cemetery.

Friends may begin calling at the funeral home Friday afternoon.

2 Drivers Get Tickets In Crashes

ISHPEMING — In the first of two accidents reported by city police today, but which occurred Sunday, a mother and her daughter, Mrs. Clyde Brandt and Mary C. Brandt, 204 N. Fourth St., escaped serious injury.

A car driven by Lawrence C. Dreyer, Pinconning, Mich., drove through a stop sign at an intersection on First St. and was struck broadside by a car driven by Miss Brandt, police said. Both the mother and daughter were taken to Bell Memorial Hospital and released the following day.

A police report of the accident stated that power brakes on the Dreyer vehicle failed, causing the accident.

The front end of the Brandt car was smashed and had to be towed from the scene by a wrecker. The left front of the Dreyer car was damaged. Dreyer was ticketed for failure to yield the right-of-way.

Another accident involved cars driven by William Swanson, 605 N. Seventh St., and Kristen Olson, 309 N. Fifth St. Swanson, who went through a stop sign and was struck by the Olson vehicle, was ticketed for drunk driving.

The left front of the Swanson car and right front and back of the Olson car were damaged in the crash, which took place at the corner of Third and North Sts.

In another incident Sunday, a car owned by Arthur Brown,

WILLIAM and JOAN LEHMANN

2 Given Positions By City

NEGAUNEE — As a result of examinations conducted by the municipal Civil Service Commission, Richard G. Jandron has been appointed to the Negaunee police force as a patrolman and Robert J. Stenfors has been assigned to the electric utility as a lineman trainee. City Manager Leonard Harris announced today.

Millinery Class To Meet Tonight

NEGAUNEE — The millinery class will be held in Room A-5 of Negaunee High School at 7 tonight. Anyone interested in registering should call the high school principal's office, GR 5-4521. Some features of this course will be the blocking of old felt hats, remodeling of old hats to today's new styles, making hats of old nylon stockings and covering of shoes.

Costume Party For Students At L'Anse Friday

L'ANSE — The L'Anse High School Student Council has planned a gala costume party to be held in the school gymnasium tomorrow night from 8 until 11:30. All students are expected to mask for the event — the first student council-sponsored party since the restriction against school dances was lifted last week. Recorded music will be provided for dancing throughout the evening.

5 To Attend Conference On Retarded

NEGAUNEE — Mrs. Muriel Willis, a special education instructor in Negaunee public schools, will present a demonstration on teaching retarded children at the Friday morning session of the two-day conference on mental retardation Friday and Saturday at Northern Michigan University, Marquette. Other representatives from the local system attending the affair will be Mrs. Jonelle Collins, who teaches retarded children and those with hearing defects; Supt. Robert E. Northey, Miss Saima Kuvilla, Lakeview School principal, and Donald J. MacDonald, principal of Central Grade School.

Friday will be devoted to a workshop on teaching the trainable retarded child and Saturday to public school programs for the retarded. A special feature of the Saturday program will be a report on European education and training of the retarded by Michael C. Kreider, executive director of the Michigan Association for Retarded Children. The conference will close Saturday afternoon with a panel discussion on programs for the older retarded.

Anniversary Celebrated By Winters

NEGAUNEE — Mr. and Mrs. George Winter, 208 Peck St., well-known Negaunee residents, celebrated their golden wedding anniversary last night with an informal reception for relatives and friends in the St. Paul School activity rooms. Refreshments were served by the St. Paul Altar Society.

Mr. Winter and the former Signe Peterson were married in Negaunee Oct. 30, 1913. The ceremony was performed by the late Msgr. Henry Buckholz with Mr. Winter's brother, Frank, and Mrs. Charles Kirkpatrick as the attendants. Until his retirement in 1950, Mr. Winter was employed by the Cleveland-Cliffs Iron Co. He is a member of Bishop Eis Council, Knights of Columbus, and the Negaunee Elks Lodge. Two daughters were born to the couple, Helen Winter, who was hostess for the anniversary party, and the late Mrs. John Connors. The couple has five grandchildren and two great-grandchildren.

Halloween Dance For Teenagers

ISHPEMING — An evening of fun and frolic awaits Ishpeming's teenagers Saturday night from 8 to 11 in the Ishpeming High School gymnasium.

A "record hop" will highlight a Halloween dance and prizes will be awarded to those wearing the best costumes. Robyn Gustafson and Suzanne Pepin are co-chairmen of the dance committee, comprised of Marie Suardini, Karina Magnusson, Peter Rahn, William Redman, Bonnie Bjorne, Clarice Warren and Jeanette Main. A small admission charge will be made for those not in costume. In event chaperones are unavailable, the dance will be cancelled.

The Ishpeming Youth Council again asks for support on the chaperone problem for youth dances. Interested parents are asked to phone HU 6-6874.

Health Tests Under Way

MUNISING — Dr. R. A. Tearman, director of the Alger-Schoolcraft Health Department, announced today that health screening examinations, combining chest X-rays and blood tests for persons 21 years or older, got underway in Alger County this week. According to Dr. Tearman, many persons are availing themselves of these free examinations. The health tests are for tuberculosis, lung defects, possible heart abnormalities, diabetes and venereal disease. Persons have until Nov. 8 to have the tests. No appointment is necessary.

Sign Near Grand Marais

Most communities welcome bird and deer hunters each fall, but Grand Marais spells it lower Michigan hunters will be in the area soon — (Hallifax photo.)

Miss Toebe Lauded For Test Score

MUNISING — Miss Joanne Toebe, daughter of Mr. and Mrs. John Toebe, Washington St., and a senior at Munising High School, has been honored for her high performance on the National Merit Scholarship qualifying test given last spring, according to W. Howard Berkel, principal.

Each student who is endorsed by his school receives a formal letter of commendation signed by his principal and John M. Stalnaker, president of the National Merit Scholarship Corp. It reads as follows: "About 32,000 students throughout the country are being awarded letters of commendation in recognition of their outstanding performance on the qualifying test. Although they did not reach the status of semifinalist in the current merit program, they are so capable that we wish to call attention to this way to their achievement and academic promise."

"The semi-finalists and commended students together constitute about two per cent of all high school seniors. This certainly signifies noteworthy accomplishments of all these bright youngsters."

The National Merit Scholarship Corp. gives recognition to two groups of students who achieve high scores on the test. The semi-finalist group is composed of the highest-scoring students in each state and in U. S. territories. Some 13,000 semi-finalists take a second examination to establish further their eligibility to receive merit scholarships.

"We earnestly hope that the commended students will continue their education," Stalnaker wrote. "By doing so they will benefit both themselves and the nation."

Roberts Attending Camp Kett Confab

MUNISING — Floyd T. Roberts, district ranger for the U. S. Forest Service and a member of the Alger 4-H Council, is participating in the county 4-H program council conference at Camp Kett near Cadillac.

The conference is designed to help councils work more effectively in providing direction and support for 4-H Club work. Roberts has been a member of the Alger 4-H Council for three years.

Carbon-14 dating indicates occupancy 12,000 years ago at Hermit Cave in Last Chance Canyon, Texas.

Tri-County Briefs

Alger . Baraga . Marquette

L'Anse Baraga County extension study groups will hold their Christmas workshop at the L'Anse Town Hall from 4 until 9 p.m. tomorrow. Each club will set up a display of Christmas gifts and ideas which can be made by club members for the holidays. Directions for each of the items will be available.

Used clothing for needy persons in foreign lands will be collected at St. John's and the First Lutheran Churches here until Monday. Clothes will be packed and shipped for distribution overseas Wednesday.

Edwin C. Putnam, Disabled American Veterans field representative for the Upper Peninsula, will be at the office of the L'Anse village clerk Monday from noon until 3 p.m. to conduct interviews with any area veterans.

Members of Veterans of Foreign Wars Post will meet this evening at 8:30 in the club-rooms here. The regular meeting date has been advanced because of deer season.

A baked goods sale sponsored by the Luther League of the First Lutheran Church will be held at the L'Anse Furniture Mart Saturday afternoon beginning at 2.

Women of the Zebra Methodist Mission will stage a rummage sale at the mission Saturday starting at 9 a.m. Coffee will be served all day.

Ishpeming

St. Joseph's Church pre-holiday bazaar Saturday, beginning at 1 p.m., is open to the public. The bazaar is being held in the Guild hall adjacent to the church on Lake St.

Steward Rodda, 425 Excelsior St., is a patient in Bell Memorial Hospital.

A regular meeting of the Ely Township Board of Education will be held Saturday, beginning at 3 p.m.

Miss Michele Nault has returned from New Orleans after spending six weeks with Mr. and Mrs. William Fleck and children, Steven and Patty.

Trenary

Volunteer workers at the mobile X-ray unit Tuesday were Mrs. Fred Storch, Mrs. Toivo Aho, Mrs. Ronald Hawley, Mrs.

Munising Teachers Plan Science Fair

MUNISING — All mathematics and science teachers of the Munising public school system, at a meeting at which Lowell Dennis, physical science instructor at Munising High School, acted as chairman, unanimously approved plans for conducting a science fair here during the 1963-64 academic year.

The fair will be held early in March so that winners will have time to improve their exhibits before taking part in the regional fair at Northern Michigan University. It will consist of a display of exhibits constructed by students engaged in research projects in the various branches of science and mathematics.

Most of the high school projects will be entered by individuals. As in past years, elementary students, for the most part, will take part in group projects. Many students already are engaged in investigations in special interest areas in preparation for the science fair. "It is felt that the fair will provide suitable recognition and will get many more students involved," School Superintendent William T. MacNeil said. "It also is true that most students who do well in the regional fairs are able to obtain some sort of scholarship after graduation from high school."

Parents Club Seeks Funds For Silver Echoes Corps

MUNISING — The Parents Club of the Silver Echoes Drum and Bugle Corps is making an all-out effort to raise funds for the purchase of new uniforms and additional equipment, according to club officials. "It is our hope that the people of Munising and the surrounding areas will support us in this effort," a club spokesman said. "The Silver Echoes have done a magnificent job of representing the people of Munising in their many public appearances."

Some of the activities planned include a baked goods sale, which will be held from 1 to 5 p.m. the first Friday of every month at the Peoples State Insurance Agency; a city-wide bottle drive to be conducted by corps members Saturday, Nov.

7 in the home of Mrs. Lempi Turunen, 915 Hungerford, Negaunee.

Holy Communion service will be held at 9:45 a.m. Friday, All Saints' Day, in St. John's Episcopal Church. The Rt. Rev. Herman R. Page, bishop of the Episcopal Diocese of Northern Michigan, will be the celebrant.

Republic

The adult membership class will meet at 7 tonight in the parlors of the Bethany Lutheran Church.

A "work bee" will be held on the Republic ski hill Saturday and Sunday, starting at 1 p.m. Members of the Lions Club, Veterans of Foreign Wars and any other interested men are asked to participate.

The Luther League of Bethany Lutheran Church will meet at 6 p.m. Sunday at the church, from where members will leave for a roller skating party.

Chief industries of India are textiles, chemicals and steel.

Ishpeming Marine Given Air Medal For Heroism

ISHPEMING — Marine Cpl. Douglas D. Anderson, son of Mr. and Mrs. Adolph Anderson, 413 Marquette St., Ishpeming, was among the 33 Marine Air Group "382" pilots and crewmen who received air medals for heroism at the New River air facility in North Carolina.

To qualify for the award, the recipient had to be actively engaged in 20 combat missions. Cpl. Anderson, contributing materially to the success of his

squadron, was cited "for meritorious achievement in aerial flight as a helicopter crew chief during combat troop lift missions in support of the Republic of Vietnam."

The citation added: "While often exposed to hostile fire from Communist guerrilla forces, Anderson displayed courage and devotion to duty under extremely hazardous flying conditions."

Blough Tells 'Big Steel' Views On Racial Problems

NEW YORK (AP) — Roger M. Blough, board chairman of U. S. Steel Corp., rejects the idea that a corporation should use "economic compulsion" as a weapon to deal with community race relations problems. At the same time, Blough endorsed discrimination — fighting employment and promotion practices, and leadership by business executives in outside-plant efforts to break down barriers between the races.

No. 1 Birmingham Employer His views emerged from a discussion of U. S. Steel's role in Birmingham, Ala., scene of recent racial strife.

"Big Steel," through its Tennessee Coal and Iron Division, is the Birmingham area's largest single employer. It ranks among the top half dozen corporate employers in the nation with nearly 200,000 on the payroll.

Asked Tuesday about criticism that the company had not used enough "economic influence" in Birmingham, Blough replied: "For a corporation to attempt to exert economic compulsion to achieve any particular end in the social area seems to me to be quite beyond what a corporation should do and quite beyond what it can do."

Repunant Doctrine Critics, among them attorney Charles Morgan of Birmingham, have suggested that a corporation in awarding business should favor banks and suppliers that are committed to the goal of expanding opportunities for Negroes. Blough said the doctrine of what he called economic force was repugnant to him and that

Tots Collect For UNICEF In L'Anse

L'ANSE — It's Halloween and, as sure as the pumpkins are grinning, you'll have trick-or-treaters at your door tonight!

Among them will be over 20 youngsters armed not with the traditional shopping bags and window wax, but with half-pint milk cartons emblazoned with the orange and black UNICEF symbol.

These young ghosts and goblins will be soliciting pennies, dimes and quarters for the United Nations International Children's Emergency Fund — an organization dedicated to helping to feed and protect from disease children in over 100 nations of the world.

Last year, over two million dollars was collected by 3,500,000 youngsters who participated in the UNICEF campaign in 12,000 communities throughout the country.

Each dollar contributed to this cause can provide a daily glass of milk for 17 children or the necessary vaccine to protect 100 of the world's youngsters from the ravages of tuberculosis. Be prepared when your doorbell rings tonight. You'll have to have lots of treats on hand, but be sure there are a few dimes or quarters along with the candy bars and doughnuts—they'll last a lot longer and certainly give some needy children a lot more than a one-day belly ache.

he doubted such measures were good in principle for any corporation to employ, whether they worked or not.

He estimated that more than 10 per cent of U. S. Steel's employees nationally are Negroes, and that Negroes account for about 30 per cent of its employees in the Birmingham area. Sharp Climb In Earnings The news conference followed the company's report on July-September quarter earnings, which were up sharply from a year ago but not as much as those reported by some other steel firms.

U. S. Steel said it cleared \$46.4 million, or 74 cents a share, against \$26.8 million, or 38 cents a share, in the 1962 third quarter.

The results boosted profits for the first nine months to \$149.6 million, or \$2.41 a share, compared with \$122.8 million, or \$1.92 a share, in the like period last year.

Obituary

MRS. LIISA KOSKI

ISHPEMING — Services for Mrs. Liisa Koski, 89, who died Tuesday, will be held tomorrow at 2 p.m. in the Bethel Lutheran Church. The Rev. Leslie Niemi will officiate and pallbearers will be Gust Saari, Gust Mackela, Nels Polamaki, Carl Stone, Victor Carlson and Jacob Pantti Sr. Burial will be made in Ishpeming Cemetery.

The body will be taken from the Jackson Funeral Home to the church tomorrow morning at 10:30.

MELVILLE HENDRA

ISHPEMING — A former Ishpeming resident, Melville Hendra, 77, died Tuesday evening in his home in Lansing.

He is survived by his wife, the former Mary Lobb; two daughters, Mrs. Lloyd (Bois) Vanderbeck and Roberta; a son, Jack of Lansing; three grandchildren and one great-grandchild.

Burial will be made tomorrow in Lansing.

VFW Masquerade Party Saturday

GWINN — The Veterans of Foreign Wars Post will hold its annual masquerade party at 7:30 Saturday night in the club in New Swanzy.

Members of the post and their guests as well as auxiliary members and their guests are invited, with refreshments being served by the auxiliary. Prizes will be given for original and fancy costumes. Unmasking will take place at 10 p.m.

due defense is stubborn but these Illini sophomores are a rugged lot when they play at home.
Louisiana State over Mississippi: The revamped LSU backfield came of age in the close struggle with Florida a week ago. The Rebels have had two weeks getting ready for this one.
Air Force over Army: The Cadets have the better record but they never have encountered a passing quarterback on a level with Terry Isaacson.
Southern California over Washington: The Trojans' Four and Bame — are functioning and are — are functioning again although the Huskies' Junior Coffey may be the game's hero.
Navy over Notre Dame: A year ago these two teams played in a young hurricane. This season's hurricane is Roger Staubach.
Michigan State over Wisconsin: The running of Sherm Lewlin and Dewey Lincoln to offset the passing of Harold Brandt, Princeton over Brown: This is one of the best Princeton teams in recent years.
Auburn over Florida: In this game the home field is the decisive factor.
Ohio State over Iowa: The Buckeyes are stronger and more plentiful.
Syracuse over Pittsburgh: The Panthers haven't recovered from the embarrassment they suffered against Navy last week.
Oklahoma over Colorado: Could be lopsided.
Alabama over Mississippi State: Joe Namath gives the Crimson Tide an edge.
Nebraska over Missouri: The Tiger offense sputters and the Huskers have Dennis Clardige at the controls.
North Carolina State over Virginia: With relative ease.

MSU Works On Running Defense Now

EAST LANSING (AP) — Defense against the Wisconsin running attack is the major emphasis at Michigan State this week. "They have a running game to match ours for speed and they are much bigger," explained Coach Duffy Daugherty. An example is Wisconsin's Lou Holland, who has netted 310 yards rushing so far this season. He has helpmates, most of them Big Ten track contestants, also able to push.
Pass Threat
Coaches are not neglecting the passing threat posed by south-paw quarterback Harold Brant, who has hit 48 of 93 throws for 537 yards.
Dave Fronek, with 12 for 12 on extra point tries and three field goals, offers another challenge.

Red Wings Trying For 4th Tonight

DETROIT (AP) — Hustle and Howe are the key words for the Detroit Red Wings tonight as they set out to regain fourth place in the National Hockey League from the New York Rangers.
The Rangers come to town after taking over fourth place by beating Boston Wednesday night. The Red Wings are trying to recover from two straight losses — attributed to lack of hustle.
Record Snap Hoped For
Gordie Howe hopes to break the league record for career goals — 544 — that he shares with former Montreal star Maurice "Rocket" Richard.
Wings' manager — coach Sid Abel sent the players through a special workout Wednesday when they returned from Chicago, after losing to the league-leader — leading Black Hawks, 5-1.

Green Bay Facing Steelers This Sunday After Great Showing Against Baltimore

GREEN BAY, Wis. — Green Bay (6-1) will take on the tough Steelers (4-2-1) at Milwaukee County Stadium Sunday.
The Green Bay-Pittsburgh series dates back to 1933, and the Packers have won 12 to 6 for the Steelers. None of the games have ended in a tie, and Green Bay has scored 442 points to Pittsburgh's 284.
The last game between the two clubs was in 1960 at Pittsburgh, which the Packers won by a score of 19-13.
Three Out
Last week against Baltimore, the Packers went without the services of quarterback Bart

Lion List Of Injured Reaches 12

DETROIT (AP) — The Detroit Lions have enough injured players to form an 11-man team and one substitute. That adds up to a headache for head coach George Wilson.
Among the active players, Wilson has converted fullback Dan Lewis to fullback after losing Nick Pietrosante and Ollie Matson to injuries. Rookie Nick Ryder was left at fullback.
Some of those listed as casualties will play against the San Francisco 49ers Sunday. They are end Darris McCord, tackle Roger Brown and linebacker Wayne Walker — all defensive players with leg problems.

YAT NFL Player Of Week Now Seven Independent Ishpeming Squads Fight For Top Spot

NEW YORK (AP)—The Player of the Week in the National Football League has to be just one man—Yelberton Abraham Title. His probing of Cleveland's defenses with short passes and running plays and his brilliant automatics under heavy pressure in a "must" game were outstanding.
In the first overtime contest this year, DeRochas Standard Service raced their way to victory over a stubborn Hooper Motors squad by a 60 to 54 score.
Probably the fiercest encounter in the young season produced a fine game which ended in regulation time with a 50 to 50 score.
Going into overtime, DeRochas sharpshooters went to work, playing a strong floor game, eventually winning and holding the Hooper Motors squad to four points.
Sam Waiters and Jim Mitchell shared scoring honors for DeRochas while Marvin Koski, Hooper hooper, connected for 16.
In another contest, softball ace Werner "Weiner" Maki showed an equal ability for one of the best individual performances of the campaign as he and his Woody's Bar teammates came through with a 57-34 win over Allied Movers.
Dave Anderson paced the losers with 13 points.
Selin's Win
Selin's, behind Loren "Pard" Bess, who scored 15, took a 60 to 39 win from A & C who were sparked by Allen Kivela with 12.
Next week, Allied Movers meet Mike's Texaco in the first encounter; league — leading DeRochas with three straight wins, goes against an equally strong Selin's with two wins and no losses and Hooper Motors with three straight setbacks will meet Woody's who have a 1-1 record.
In other basketball action, this one at the Birchview School on Tuesday night, a rangy and fast breaking K. I. Sawyer delegation romped to victory over an Ishpeming squad which is in the process of trying to find a name as well as a set combination.
The final outcome of that contest was 85-54.

Pictured above is the Ishpeming Jayvee football squad which ended the season recently with a winning 4-3 record. First row, left to right, are: Richard Bergman, David Christian, Vito Carello, David Vozel, Mike Johnson, Tom Peterson, Gary Fuson, Nicholas Linna, Bill Zhulkie, James Erickson, Peter Goldsworthy, Jeffrey Skeewis, Dennis Carlson, Ray Chapman, Steward Skaage; Second row: Assistant coach Bill Boelz, Scott Phare, Robert Hag-

Rocky Up For Trade!

DETROIT (AP)—The Detroit Tigers' front office is using slugger Rocky Colavito as trade bait.
General Manager Jim Campbell confirmed this Wednesday, saying he has discussed a possible trade for Colavito with several other clubs, including the Milwaukee Braves of the National League.
Braves general manager John McHale conceded that "We'd like to get him."
"But," he said at Milwaukee, "It's a matter of coming up with the right type of players."
McHale quickly doused speculation that Eddie Mathews might be dealt to Detroit for the 30-year-old Colavito.
"We'd have to get more than Colavito to give up Mathews," McHale told newsmen.
Colavito came to Detroit from the Cleveland Indians in 1960 in the celebrated swap for Harvey Kuenn. Colavito had led the American League in home runs with 45 in 1959. And Kuenn won the AL batting title that year.

Major Paul Perugino (right) accepts the first place trophy for winning the K. I. Sawyer Golf Championship tournament from Mr. Hank Lindemann of the Special Services office. Maj. Perugino won the first annual tournament recently by defeating Col. Daniel P. McLean on the final 36 holes. (USAF photo).

Major Wins 1st Sawyer Golf Title

Major Paul Perugino is the first K. I. Sawyer AFB Golf Club Champion.
Maj. Perugino defeated Col. Daniel P. McLean on the final 36 holes 3 and 1 to cop the title. In their first round of the finals, Maj. Perugino bested Col. McLean 2 up.
Perugino, who has been playing golf for about 15 years, listed winning this championship as one of his biggest thrills in golf.
"This is the first championship I've won," said the Major. "I finished second in the first tournament I played in at Johnson Air Base, Japan in 1954."
Talking about Sawyer's new golf course, the Major said, "This is one of the toughest courses I've played and it will continue to get tougher as it matures out. It's also one of the prettiest courses I've seen."
Other Results
Here are the results of competition among the several flights:
First flight — Major Mickelson defeated CMSgt Johnson; second flight — Capt. Holcomb defeated SSG: Glass; third flight — Lt. Col. Hanna over 1st Lt. Biffert; fourth flight — SSG: Lafarquet defeated TSgt Crozier.

Good J. V. Showing Promises Brighter Ishpeming Future

By RONALD R. PORTALE Of The Journal Staff
ISHPEMING — The football outlook for next year on the local scene as the largest turnout of athletes in years battled for positions on both the varsity and junior football squads.
Enthusiasm and spirit ran high this year on the local scene as the largest turnout of athletes in years battled for positions on both the varsity and junior football squads.
Although the Hematite varsity finished with three wins and five losses, it was apparent that football is coming back to the prominence it enjoyed over the years.
While the varsity Blue and Whites enjoyed a good year despite their losing record, the up and coming Jayvees continued playing a brand of football which was pleasing to both Coach Phillips and Varsity Coach Bruno Marana.
The Ishpeming Jayvees finished with four wins and three losses, and on a successful note also as they downed the Munising Jayvees, 19-6.
At the season's end, players on the junior varsity squad named Nicholas Joseph, a sophomore tackle, and Paul Valenti, sophomore end, as honorary co-captains; Peter Wirtala, freshman quarterback and halfback as the most valuable player, and Dana Tomlinson, a 6'1" end as the most improved player on the squad.
Led Scoring
Sophomore Dennis Carlyon, who played left half, led the Hematite scoring this year with 26 points, followed by Peter Wirtala with 18, William Zhulkie with 14, Michael Palomaki, 13, Dana Tomlinson, 12, Paul Valenti, 8 and Michael Bonetti, 1.
Here is a brief account of the Hematite Jayvee's progress this season:
In their first game, Escanaba triumphed with a 21-9 win. Wirtala, on a quarterback sneak, tallied and Dennis Carlyon scored on a safety.
Carlyon streaked 95 yards for a TD and Zhulkie played for a yard for the score in the 12-0 win over the Gwinn aggregation in their second encounter.
Arch rival Negaunee suffered a 13-6 loss as Carlyon scored two touchdowns and Michael Bonetti accounted for the extra point.
Big Game
The Marquette — Ishpeming game was to be quite an encounter this year as the Marquette gridders came up with a 33-26 win. It was Michael Palomaki, Wirtala, Carlyon and Zhulkie scoring for the Hematites.
Playing Negaunee once again, Wirtala broke loose on a 60-yard scamper for the only score of the game and Negaunee was again victimized with a 6-0 loss.
Ishpeming's sixth encounter spelled defeat against Marquette by a 19-7 score as Carlyon scored from four yards out and Zhulkie carried for two yards for the extra point.
The Hematites' last encounter saw Tomlinson scamper 70 yards for a TD after snatching a pass from Zhulkie. Another bootleg pass from Zhulkie to Valenti which covered 80 yards accounted for another tally and another pass to Tomlinson accounted for yet another TD. Zhulkie plunged for the extra point.
Prospects
A peek into next year's prospects for varsity football include Alan Howard, Dennis Carlyon, Howard Grigg, Robert Haglund, Nicholas Joseph, Dana Tomlinson, Robert Markert, Paul Valenti, Joel Peterson, Michael Turino, Wayne Palomaki, Michael Bonetti and Scott Phare (all sophomores who show great promise, according to Coach Duane Phillips).
Freshmen this year who very well may make the varsity next year are Michael Palomaki, Paul Biela, Peter Wirtala and William Zhulkie.
Ted Saunders holds the career goal keeping mark in Michigan State soccer, permitting just 0.83 per game in the 1960 and 1961 seasons.

Another Mahovlich

HAMILTON, Ont. (AP) — Another Mahovlich may be bedeviling National Hockey League coaches soon. He is Peter, the 16-year-old brother of Frank Mahovlich, all-star left wing of the Stanley Cup champion Toronto Maple Leafs. But Peter won't be a Leaf. The Detroit Red Wings recently drafted the younger Mahovlich, who stands 6-foot-1, weighs 190 pounds and plays either center or left wing.
Ted Saunders holds the career goal keeping mark in Michigan State soccer, permitting just 0.83 per game in the 1960 and 1961 seasons.

Prospects
A peek into next year's prospects for varsity football include Alan Howard, Dennis Carlyon, Howard Grigg, Robert Haglund, Nicholas Joseph, Dana Tomlinson, Robert Markert, Paul Valenti, Joel Peterson, Michael Turino, Wayne Palomaki, Michael Bonetti and Scott Phare (all sophomores who show great promise, according to Coach Duane Phillips).
Freshmen this year who very well may make the varsity next year are Michael Palomaki, Paul Biela, Peter Wirtala and William Zhulkie.
Ted Saunders holds the career goal keeping mark in Michigan State soccer, permitting just 0.83 per game in the 1960 and 1961 seasons.

Detroit In Basement After Loss

(By the Associated Press)
DETROIT, unless in all its three home starts, stayed in the NBA Western Division basement with a 1-4 record last night.
Havlicek broke a 38-38 tie in the second quarter and contributed seven points in four minutes as the Celtics took a 55-44 halftime lead.
When the Pistons bounced back with 10 straight points in the third period, and came within three points of the Celtics, Havlicek again took charge, dumping in four baskets.
Heinsohn matched the four-basket streak early in the final quarter, after the Pistons had pulled to within five points of the Celtics. He finished with 19 points and Havlicek had 22.
Bailey Howell had 21 for Detroit and Bob Ferry 20.

National Basketball Association Wednesday's Results

(By the Associated Press)

PM... so fine it's stamped DE LUXE

MOVE UP TO A USED CONTINENTAL
You can become the owner of the finest automobile made in America, yet realize the full savings of today's used-car market with a late-model Lincoln Continental.
You can scarcely tell that it is not brand-new. The classic look has not changed. This car has been restored to prime condition in both appearance and performance.
And the price includes, as standard equipment, virtually every luxury and performance feature you can imagine, too. This could be your year to move up to a LINCOLN CONTINENTAL.
