Spat Bars Action On Aid Bill

WASHINGTON (AP)—A bitter dispute over proposed grain sales to the Soviet bloc is holding up Senate passage of President Kennedy's badly mauled foreign aid bill.

The row erupted suddenly Thursday night just when a final vote on the \$3,702,365,000 authorization appeared near after 14 days of debate.

It broke out over an amendment by Sen. Karl E. Mundt, R-S.D., to prohibit the Export-Import Bank from guaranteeing payments for private grain sales to Communist countries.

Motion Defeated

After turbulent exchanges, Democratic Leader Mike Mansfield of Montana offered a motion to kill the amendment. He was defeated 46-40. Senate Republican Leader Everett M. Dirksen of Illinois, who has worked with Mansfield for the bill's passage, failed to vote with him.

Opponents of the amendment argued it would kill projected plans for a \$250-million surplus wheat sale to Russia and other deals under negotiation with Communist bloc countries.

Kennedy Angry

Until the fight broke out over

WASHINGTON (AP)—The giant wheat deal with Russia, apparently set in motion by a new shipping rates formula, appears once again to have hit a snag.

After meeting with a Soviet trade mission here, a New York dealer told the Washington Post: "They told us there was no use in submitting bids."

"They asked us to be patient. They indicated something might be worked out in three or four days."

the grain sale issue, the bill, slashed by \$827,250,000 and so riddled with amendments that Kennedy voiced an angry protest at his news conference Thursday.

Kennedy charged that the cuts were denying him an essential foreign policy tool.

Byrd Says JFK Taking Big Gamble

WASHINGTON (AP) — Sen. Harry F. Byrd accuses President Kennedy of taking a "very dangerous gamble" with the nation's solvency by trying to cut taxes while there are prospects of increased spending.

Byrd, Virginia Democrat who heads the Senate Finance Committee, disputed in an interview Kennedy's news conference assertion Thursday that "the economy will suffer" if the Senate does not act quickly on the House-passed \$11 billion tax-cutting bill.

The President's intimation that this and other bills were being delayed in a slowdown to prevent action on civil rights also was denied by Byrd. The senator made it clear, however, he doesn't expect the measure to be ready for Senate action this year.

Room For Tax Cut

There is room for a tax cut, Byrd said, if substantial reductions are made in spending. Instead, he said, the Kennedy administration is planning an increase in expenditures in the coming fiscal year.

U.P. Couple Found Dead

IRON RIVER (AP) — Isadore Busakowski, 35, and his wife Carol, 31, were found shot to death in their home here Thursday.

Police Chief Ralph La Rock said it was apparent murder and suicide. He said Busakowski apparently had shot his wife and then fired a shot through his heart. They were the parents of four children.

JFK Plugs Tax Cut At Labor Meet

NEW YORK (AP) — President Kennedy told a cheering AFL-CIO convention today there is no good reason why Congress should not promptly pass his \$11 billion tax cut bill.

Kennedy said some four million persons are out of work and that those who talk about federal deficits "should look at that figure."

NEW YORK (AP) — President Kennedy told the AFL-CIO convention today his proposed \$11-billion tax cut would put wind back in the sails of the nation's economy and create millions of jobs.

He agreed with the union delegates that unemployment is the nation's chief domestic problem.

"If we can obtain the prompt passage of the pending \$11-billion tax reduction bill we will be sailing by next April on the winds of the longest and strongest peacetime expansion in our nation's economic history," Kennedy said in a prepared speech.

But he avoided the question of reducing the work week, the top priority item of business laid before the convention by AFL-CIO President George Meany.

"We urgently need a tax cut now as insurance against recession," Kennedy said.

The tax bill, which the administration hoped to get passed early this year, is bogged down in Congress.

"We need that cut, as this bill provides, where it will do the most good—the percentage cuts in tax liabilities in the lower brackets are three times as large as those in the upper brackets," Kennedy said.

Now They've Got Double Bath Tubs

LONDON (AP)—To the joys of the double bed, a British manufacturer today added the double bath.

It comes in side-by-side or toe-to-toe versions and is called the Forum bath. It costs \$700. A salesman at the London Building Exhibition said four have been sold.

HI-POCKETS IF YOU'RE GOING TO EXERCISE BEST INTENTIONS PAY YOUR NEWSPAPERBOY REGULARLY

U.S.-Russ Relations In Freeze

WASHINGTON (AP) — U.S.-Soviet relations are in a deep freeze and will stay there unless Russia frees Frederick C. Barghoorn, the Yale scholar arrested on espionage charges.

President Kennedy expressed the administration view at his news conference Thursday when he said the arrest of the professor, 52, has "badly damaged" the atmosphere between the two countries and declared:

"I want to get Professor Barghoorn out of prison."

Low Point

In the view here, the Yale political scientist's arrest marks the low point so far in a gradual deterioration of U.S.-Soviet relations since the agreement reached in Moscow on the limited nuclear test ban treaty.

This once-heralded "Moscow spirit," officials said, is fading as swiftly as the "spirit of Camp David" in 1959—the brief period of relaxed tensions following Soviet Premier Khrushchev's meeting with President Dwight D. Eisenhower.

Several Signs

The Barghoorn case is one of several signs that Moscow is getting impatient because the

MOSCOW (AP) — Tass said today the U.S. State Department has used the arrest of Prof. Frederick C. Barghoorn as a ludicrous pretext for boycotting a Soviet good will mission and taking a step back toward "the worst days of the cold war."

The Soviet news agency declared "official Washington has virtually set up an Iron Curtain around the Soviet mission."

test ban pact failed to bring the results for which the Russians evidently hoped.

Other major incidents were the Russian blocking of Allied convoys on the road to Berlin, Khrushchev's belligerent remarks and recent anti-American articles in Moscow's government-controlled press.

Red Ambush Viewed As Isolated Act

SEOUL, Korea (AP) — The U.N. Command said today it believes a Communist ambush that killed a South Korean army captain and wounded an American soldier in the demilitarized zone was an isolated incident.

The command said on the eve of a meeting with Communist North Korean military officials to protest the shooting that the rest of the 151-mile front between North and South Korea was quiet.

Agree To Meet

The North Koreans agreed to meet Saturday with U.N. Command officials in the Panmunjom truce village to discuss a U.N. protest of the attack.

The Korean captain, Hong Chung-wi, 33, and the American, Spec. 5 Harold Aldrich, 26, of Montrose, Colo., were part of an unarmed patrol of two Americans and six South Koreans sent out Wednesday to inspect zonal markers about 60 miles northeast of Seoul on the north bank of the Pukhan River.

In Good Condition

Aldrich, hit in the thigh, was reported in good condition.

Tanker-Freighter Collision

A mortally crippled oil tanker, a 20-foot hole gouged in her side by a collision with the Norwegian freighter Fernvick, right, sink today 50 minutes after the ships were disengaged. The end for the 3,100-ton Dynafuel, left, came 25 hours after she collided with the 6,732-ton Fernvick 10 miles west of the southerly entrance to the Cape Cod Canal in patchy fog. The two vessels are pictured following Thursday's collision. — (AP Wirephoto)

CAPITOL MYTH: Taxpayer Fools Bill For Junkets

WASHINGTON (AP) — There is a persistent myth on Capitol Hill that a congressman can spend U.S.-owned francs galore in Paris and not cost the American taxpayer a cent. The facts dispute this. But the myth goes on.

When criticism stormed around Rep. Wayne Hays, D-Ohio, for taking House restaurant waiter Ernest Petinaud along on a trip to Paris last week, the congressman replied: "Ernest cost the taxpayers \$88 in counterpart funds, which can't be used otherwise, so it actually cost nothing. It was true once."

When Rep. Adam Clayton Powell, D-N.Y., was criticized roundly for taking two young staff ladies along on a trip to Paris last year, the congressman replied that if they hadn't spent the francs, the government would have had "to put a match to them."

At one time, the myth was true. During the days of the Marshall Plan, in the late 1940s and early 1950s, the United States sent great amounts of economic assistance to Europe. European countries paid for this by depositing their own currencies in U.S. government bank accounts. They were called counterpart funds.

These currencies, which were held in huge amounts, could not be transferred. They had to be used in the European country. U.S. embassies in France and other European countries had far more counterpart funds each year than they needed for their housekeeping operations.

So, when a traveling congressman arrived and picked up counterpart funds, he was using currencies that probably wouldn't have been used otherwise.

But times have changed. Today Europe no longer receives the huge amounts of economic assistance that it did during Marshall Plan days. Too, it receives little under the U.S. program of distributing surplus farm commodities, another system that brings foreign currencies to U.S. accounts.

U.S. officials say that the embassy in Paris takes in fewer counterpart funds each year than it needs for American operations in France. So, when a congressman travels to Paris and uses these funds, he is spending money that the embassy has to replace.

Taxpayer Dollars

And the embassy replaces it by French francs with American taxpayer dollars. Hays was unavailable for comment. His office said he had started driving to his home district in Ohio.

Mills Due For Post On High Court?

WASHINGTON (AP) — Rumors are flying again that Rep. Wilbur Mills is slated for an appointment to the Supreme Court—but denials are close behind.

Original reports were that the Arkansas lawmaker would get the court post out of President Kennedy's gratitude for Mills' pushing a tax reduction bill through his House Ways and Means Committee.

Different Twist

The new rumors have a different twist—keved to Mills' opposition to another of Kennedy's pet plans, medical care for the aged through Social Security.

The Kennedy medical care bill and its predecessors have been stuck in the Ways and Means Committee for years. If anyone holds the key to committee action, it is Mills.

Unofficial Count

Lawmakers Kill Tax Plan

Dems Blame Gov. Romney For Defeat

(By the Associated Press) Gov. George Romney killed Michigan tax reform by "unyielding and arrogant" insistence on his own way, the state's top Democrats charged Thursday.

Former Gov. John B. Swainson said Romney, in recent statements, almost appeared to be "going out of his way not to get the votes he obviously needed" for tax reform.

Swainson, and the Democrat who was governor before him, G. Mennen Williams, both expressed regret that the special session of the Legislature voted down tax reform Thursday.

Williams, now assistant secretary of state for African affairs, said from Washington: "It was disappointing to learn that Michigan is not to have a tax reform program that it badly needs."

Democrats realize, Swainson said, that "the impact of taxes is unfair and Michigan taxes don't produce the revenues we need."

"There was never any secret that the Democrats would support his program if the city income tax was removed and the major citizens were given generous personal exemptions," said Lt. Gov. T. John Lesinski, highest elected Democrat in Michigan.

'Died Sept. 12'

"But," he said, "Gov. Romney never traveled to the voters. He preferred a salutatory euthanasia to bipartisan life," Lesinski added. "Fiscal reform died Sept. 12 (the day the legislature's special session began). The wake is over."

Rep. Neil Staebler, D-Mich., mentioned as a possibility for the Democratic nomination for governor, said the Romney program "indicates obviously that using the tax program for personal aggrandizement won't work."

"The failure of the tax program," Staebler said, "is a failure of the Romney concept of leadership, a concept which does not recognize that Michigan has a strong legislative government rather than a strong governor."

'Unyielding Attitude'

The congressman also criticized Romney for what he called an "unyielding attitude in which he failed to take into consideration the needs of Wayne County."

"Gov. Romney has been unyielding and arrogant in his dealings with the many diverse elements in the Michigan community who had good ideas to offer regarding tax reform," the Democratic State Central Committee said.

"Tax reform in Michigan is dead because a Republican governor was unable to get along with a Republican legislature," it added.

'Ready To Cooperate'

"Michigan still needs tax reform and the Democratic party is ready to cooperate fully toward that goal," said the committee.

CHICAGO (AP) — The Union Pacific and U.S. District Court have called off today's showdown on the UP's proposal to buy the Rock Island Railroad—a showdown the UP apparently feared it would lose.

In a rough and tumble battle with the Chicago and North Western Railway, which also wants to buy the Rock Island, the UP's 11th-hour resort to court blocked tallying of votes at a special meeting of Rock Island shareholders.

Court Gets Reason For His Absence

PEMBROKE, Ont. (AP) — Zigmund Smaglinski of nearby Barry's Bay failed to appear in court Thursday to answer a traffic summons, but he sent an explanatory letter.

"Gentlemen," he wrote, "as to the summons I received, I'll not be able to be in court as I'll be gone hunting."

GOV. GEORGE ROMNEY

Did Defeat Hurt Future In Politics?

LANSING (AP)—Gov. George Romney's fiscal reform program for Michigan went down the legislative drain Thursday—and his political future may have gone down with it.

Romney has frequently been mentioned as a potential candidate for the 1964 Republican presidential nomination, despite his denial of any such ambition.

But most observers believe the defeat of the Governor's tax proposals by the Legislature is certain to have a damaging effect on Romney's national reputation and political prestige.

'Not Concerned'

The Governor indicated his awareness of what was at stake when he outlined his fiscal program—keyed to a controversial state income tax—as the special session convened last September.

"I am not concerned about what the political consequences may be," he declared. "I have proposed this program because it is fair and because it will help Michigan and all its citizens."

"In working out this proposal, I asked myself only two questions: If not now, when? If not us, who?"

'Couldn't Care Less'

Two months and two days later, his proposals buried and the Legislature adjourned, Romney was asked by newsmen whether he felt the action had tarnished his national political prestige. He snapped:

"I don't know, and I couldn't care less."

Whether the setback eventually means Romney will quit politics and return to his former job as president of American Motors remains to be seen.

Dedicated Man

The Governor's closest confidants say he is a dedicated man who will lick his political wounds, consider the defeat a personal challenge and run for election to a second term just to finish a job he feels needs to be done.

CHICAGO (AP)—Fifteen white clergymen from the North, their leaders carrying wooden crosses, braved an angry white crowd and led an antisegregation march here Thursday. They were jailed and began a hunger strike.

In the first of two demonstrations in this farming town of 6,000, the Northerners and 54 Negroes, including 22 under 16 years of age, were arrested.

Twenty-four Negro teenagers then marched on the courthouse but they dispersed and there were no arrests.

No Violence

White spectators, some yelling threats, lined the streets for three blocks near the courthouse for the first march. There was no violence as more than 50 policemen patrolled the area.

House Vote Spells Doom For Program

LANSING (AP) — The Republican-controlled Michigan Legislature Thursday killed Gov. George Romney's major objective in office—reformation of the state's tax structure.

Members of his own party and Democrats, in a test vote, ruled 47-44 against the plan. Romney said he won't try to pass a fiscal reform plan in 1964.

At his press conference today, Romney listed several factors as contributing to the program's downfall:

Increased state revenues made a bad political climate for tax reform.

Some lawmakers put political objectives before state good.

Groups favorable to the overall program stressed their special interests too strongly.

Resistance, by himself and others, to "excessive concessions" needed to buy sufficient votes.

It was the first major setback of Romney's political career. He often has been mentioned as a possible draft choice for the Republican presidential nomination next year.

Tests Vote

Romney, upon the program's collapse, adjourned the special session of the Legislature which had debated the merits of his plan for two months. Lawmakers went home without having brought the \$306-million plan to a vote on the floor and without voting on the merits of tax reform.

The test vote in the House of Representatives was on an amendment designed to wrap all the major proposals into one package. The main portions of Romney's plan had included a 2 per cent personal state income tax, repeal of some business taxes and changes in property assessments.

'People Lost'

"The people of Michigan lost today," Romney said. He earlier had declared the future of the Republican party in Michigan was tied to the fiscal program he labeled "jobs and justice."

Thirty-one Democrats and 16 Republicans opposed the amendments, while 7 Democrats joined 37 Republicans in voting for it.

Lawmakers had rejected previous fiscal reform plans in 1959, 1961 and 1962.

Although a 20-11 bi-partisan vote, sending an income tax bill back to a Senate committee on Nov. 5 was regarded as the most telling blow, and came formally on the House vote.

Romney previously set the terms, saying the future of the entire package of bills hinged on Thursday's vote.

"The amendment would have assured consideration of the entire program," said Romney. "Without it, tax reform was impossible."

The death-dealing vote was the result of behind-the-scenes arrangements by House Speaker Allison Green, a Republican, and House Minority Leader Joseph Kowalski, a Democrat.

They had agreed earlier in the day that after more than a week of political sparring there was no point in going on, and the amendment was put to a vote.

Romney had deemed tax reform so important that he asked some Republicans if his program could be helped if he threatened not to run for governor in 1964. "This proved a futile path," Romney said. "I tested enough to know it would not produce the results I wanted."

"Tax reform," Romney said Thursday, "failed because of bipartisan opposition. Those who have defeated tax reform today are the ones who should answer when people say, 'where are the jobs for the young people?'"

The Weather

Forecast for Marquette and vicinity: Mostly cloudy and a little warmer tonight, low 30 to 35; considerable cloudiness, windy and mild Saturday, high 45 to 50. Outlook for Sunday: Cloudy, a few showers and turning a little colder.

Forecast for Lake Superior: Small craft warnings in effect. South to southeast winds 15-25 MPH tonight, increasing to 20-28 MPH Saturday. Partly cloudy, becoming mostly cloudy Saturday.

Data for 24 hours ending at noon: Temperatures—33 at 6 a. m.; 39 at noon; highest in last 24 hours, 40 at 4 p. m. yesterday; lowest, 32 at 4 a. m. today. Relative humidity at noon—69.

Precipitation—0.09 of an inch in last 24 hours; total to date this year, 20.82 inches; normal to date, 27.97 inches. Sun rises at 7:53 a. m. and sets at 5:16 p. m. tomorrow.

Records for Nov. 15—Maximum temperature, 62 in 1938; minimum temperature, 5 in 1883; most precipitation, 0.96 of an inch in 1954.

News In Brief

NEWARK, N. J. (AP) — An American engineer and a Russian chauffeur pleaded innocent today to charges of conspiring to spy for Russia. The engineer, John William Butenko, 38, of Orange, and the chauffeur, Igor A. Ivanov, 33, of New York City, were arrested by the FBI Oct. 29 in the breakup of an alleged espionage plot.

MOUNT PLEASANT (AP) — Four illnesses here, believed caused by contaminated frozen shrimp seized Wednesday in Detroit, were reported Thursday.

NEW YORK (AP) — President Kennedy has begun a five-day East Coast tour by irritating the New York Police Department—by obeying traffic signals. By tonight, however, Kennedy will be relaxing at the family's winter home in Palm Beach, Fla., where policemen are used to a president wheeling around town without fanfare.

SALONIKA, Greece (AP) — The United States delivered an undisclosed number of M48 tanks, armored personnel carriers and other military vehicles to the Greek army today.

WASHINGTON (AP) — The House Appropriations Committee slashed more than \$285 million today from President Kennedy's public works budget. Rejections included the last-minute request for \$45 million to help eastern Kentucky and other depressed areas.

BONN, Germany (AP) — The West German government agreed to the reduction in U.S. tactical air transport squadrons based in Europe, officials said today.

VATICAN CITY (AP) — The Vatican Ecumenical Council concluded its debate on the dispute issues involving diocesan governments today and prepared to take up the major question of Christian unity Monday.

# U. P. Businessmen's Conference Slated In City On Dec. 4th

An Upper Peninsula Conference for Businessmen will be held on Wednesday, Dec. 4, in the University Center of Northern Michigan University.

Announcement of the conference was made today by Farley R. Hall, Lansing, executive vice president of the Michigan State Chamber of Commerce, which is sponsoring the program, in cooperation with the Marquette Chamber of Commerce.

### Baudino To Speak

Hall said Peter M. Baudino, president of the Ace Hardware Co., Calumet, and president of the Michigan Retail Hardware Association, Inc., will participate in the program.

Baudino will respond to the comments made by Hall who will speak on the subject "Are You Ready For The Challenge?" during the luncheon meeting.

### Purpose Noted

Hall said: "This conference is being sponsored by the Michigan State Chamber for the purpose of providing an opportunity for local chamber officers, directors and executives to discuss their leadership role in improving the economy of the Upper Peninsula."

Also covered in the morning conference will be a legislative symposium on the subject of "Government Imposed Costs of Doing Business."

This will apply specifically to government imposed costs of workmen's compensation, unemployment compensation and proposed minimum wage legislation," said Hall.

Chamber officers, directors and businessmen are expected to attend the meeting which will start at 10 a.m. and will conclude about 2 p.m., following the luncheon speech.

### Other Participating

Other people participating in the conference are: Glenn E. Scott, manager of public affairs for the Michigan State Chamber; William A. Wickham, general and legislative counsel, Michigan State Chamber; Lincoln B. Frazier, president of Campbell Supply Co., Marquette, and vice president of the state chamber; and H. B. (Bert) Stot, director of employee and community relations for Calumet and Hecla, Inc., Calumet, and member of the state chamber's workmen's compensation committee.

MARVIN GAUTHIER

ROY R. MATSON

## Gauthier Becomes Detective, Matson Police Sergeant

Two city police department promotions were announced today by Chief George G. Johnson.

Marvin Gauthier has been promoted from sergeant to detective and Roy R. Matson has been named to replace Gauthier as a sergeant. Sgt. Matson moves up from the rank of patrolman.

and a graduate of Chassell High School. Matson served three years with the U. S. Army, including two years spent in Germany.

### Former Sheriff's Deputy

Matson joined the police department in 1957, after serving two years as a Houghton County deputy sheriff.

Both men are members of the Marquette County Law Enforcement Association and have attended the 12-week "law of arrests" school conducted by Attorney George C. Quinell of Marquette in 1957 and police schools sponsored by the state police and the Federal Bureau of Investigation.

## TV, Viewer At Impasse Over Time

NEW YORK (AP)—The television networks would like it if more people would stay up later. The viewers would like it if the networks would televise more popular shows earlier in the evening.

This is a real impasse but neither can do much about it.

The networks, with a raft of 60 and 90-minute programs, count the hours between 7:30 and 11 p.m. as "prime time." But some of it is more prime than others. Television watching rises to a peak between 9 and 10 p.m., then drops off sharply. A lot of us go to bed.

The latest Nielsen list of the 10 most popular programs contains only one that is seen by most of the country after 10 p.m.

### Viewing Habits

The rest are bunched between 8 and 10. Year-round Nielsen studies indicate that between 9 and 10, about 60 per cent of the nation's television homes have their sets on. This drops to about 50 per cent during the next hour.

Other Nielsen studies, incidentally, show that from November through April the average set is in use five hours and 41 minutes a day. From May through October, the total is four hours and 29 minutes.

### Mormon Bishop Calls Twist Objectionable

HONOLULU (AP)—Mormon Bishop John H. Vandenberg has written to the Latter-Day Saints College of Hawaii that the twist is objectionable.

But he approved the Tahitian shimmy and the traditional hula dancing Hawaiian, Fijian, Tongan and Maori dances at the school's Polynesian Institute.

## Ticketing Of Owners Of Unlicensed, Uncontrolled Dogs To Begin Here Monday

Owners of unlicensed or uncontrolled dogs in Marquette will be ticketed beginning Monday.

Police Chief George G. Johnson said the tickets will be issued by both the dog warden and police officers. They will keep a close watch on dogs which are allowed to run loose in the downtown area Chief Johnson said.

The city dog control ordinance states that dogs must be kept on the premises of the owner or must be controlled by a competent person and must be obedient to that person's commands or be on or within a vehicle.

In addition, a city ordinance states that it is unlawful to own or possess any dog of four months of age or older within the city, unless the dog wears a collar to which a currently effective license is attached.

Asked by Commission The owner of a dog which violates the city dog control regulations can be ticketed if the dog is picked up by the warden or police officer, or the owner can receive a summons when he goes to the animal pound to retrieve his dog, Chief Johnson said.

Stricter enforcement of city ordinances covering the control of dogs comes after the city's problem with loose dogs was brought to the attention of the city commission last month.

At that time, Mayor C. Fred Rydholm pledged the full support of city officials to alleviate the problem.

Impounding Fees For dogs which are impounded, the penalty paid by the owner who receives a summons will be in addition to the fees paid at the animal shelter.

Impounded dogs are released to their owners upon payment of \$2 for the first impoundment, \$3 for the second impoundment, \$4 for the third and \$5 for each subsequent impoundment of the same dog.

Dog owners who retrieve their animal from the dog pound also must pay a board fee of 75 cents per day.

Need Immunization In addition, the dog owner must exhibit a currently effective dog license and a veterinarian's certificate that the animal is currently immunized for rabies.

Dog licenses can be obtained from the city clerk's office. City Clerk Everett H. Kent said that 1964 licenses will be available shortly.

Car Blaze Brings Out City Firemen City firemen were called out at 1:05 this morning when an automobile owned by William Lind and parked in his driveway at 366 Harrison St. caught fire.

The blaze was blamed on a short circuit, with wires under the dashboard igniting. Firemen used the booster hose of the No. 2 (1,000-gallon) pumper to extinguish the flames.

The front seat was destroyed and the top of the dashboard was burned, firemen said.

Six firemen responded to the call in the Nos. 2 and 4 (750-gallon) pumpers. Firemen explained that two trucks are dispatched on car blazes when the vehicles are parked in driveways (only one when the car is parked on the street).

Fire returned to the station at 1:42 a.m.

Wind Shift Ups Area's Temperature An upper wind shift from the southwest meant warmer temperatures and less chance of precipitation today.

Meteorologist Fred Mueller said that because winds weren't coming across Lake Superior today, slightly warmer temperatures are expected tonight and the winds won't have a chance to pick up moisture to drop on the Marquette area.

There's been at least a trace of precipitation here every day since Saturday. Yesterday 21 of an inch of precipitation, including a half inch of snow, fell here. So far this month precipitation has amounted to 1.70 inches and normal amount is 1.56 inches.

Average Above Normal The high yesterday was 40 for the third day in a row and the average was above normal for the 12th day in a row. With a low of 33, the average was 37, two degrees above normal.

Overnight the low was 32, one of the few times this fall that the mercury has dropped to the freezing point. Colder temperatures this month occurred on Nov. 2 and 3, when it was 30.

It didn't get as cold last night as had been expected, because skies weren't as clear as had been forecast. Cloudy skies act as a "blanket," keeping the warm air close to the surface.

29 At Airport Overnight low was 29 at the Marquette County Airport in Negaunee Township, where the high was 36.

Low tonight will be between 30 and 35 and tomorrow's prediction is considerable cloudiness, with a high in the mid-40s. A few showers are expected Sunday and temperatures will be a little cooler.

During the next five days, temperatures are expected to average near the normal extremes of 38 and 27. Precipitation will total one-half to three quarters of an inch, in showers Sunday and Monday and snow flurries Tuesday, when it is expected to be colder.

UPPER PENINSULA. The forecast was for no snow, fair and sunny weather and the temperature ranging from the low 20s to the mid-40s.

The advance guard of the hunting army took advantage of the earlier opening last Saturday in the western three-quarters Upper Peninsula. There were some 80,000 hunters, mostly natives, in the field.

Those who didn't bag a buck will be moving into the eastern half of the Peninsula or crossing the straits to try their luck again.

The State Conservation Department predicts 120,000 deer will be taken this season, about evenly divided between bucks and does and fawns.

It was a good day for stumpsitters — the fellows who just sit by a trail and wait for the deer to come their way.

It was bad weather for trackers, those who follow deer through the snow, except in the

## Survey Work Started On Highway To Link Sawyer, U.S. 41, South Of Skandia

Preliminary work has been started on a \$1.2 million project to build a new two-lane highway from the east end of K. I. Sawyer Air Force Base to U.S. 41, south of Skandia, it was reported today.

The United States Bureau of Public Roads and the Michigan State Highway Department are cooperating on the portion of the project extending from the base itself to the state trunk-line.

This section runs seven miles. An additional two miles of construction, from where the new highway will link with base property, will be constructed from that point to the main section of Sawyer Base.

The latter project will be financed by Air Force funds, it was reported.

The Michigan State Highway Department survey crews have begun surveying the seven-mile section from the base to U.S. 41.

New Main Gate? Sawyer Base officials report that when the highway is completed it is hoped that the present main gate to Sawyer, now located on County Road 553, will become a side gate, with the principal entrance being the two-lane highway from U.S. 41.

Construction work on the project is expected to begin next year.

State Highway Department officials said the survey crews now working on the project are gathering data which will be used to help design the highway.

## Deer Hunting Front Quiet As East U.P. Season Opens

Upper Michigan's deer hunting front remained relatively quiet today, as the 15-day season opened on M-77 and in Lower Michigan.

The season began last Saturday west of M-77 in the Upper Peninsula, but will close earlier (Sunday, Nov. 24) in this area.

No more hunting accidents or lost hunters were reported in the region, with the season's total remaining at one dead from gunfire, 11 other hunters wounded, 21 lost and all located, two dead from heart attacks in the woods and one dead from accidental monoxide poisoning.

In the 15-day season last year in the U. P. there were three gunfire fatalities, 11 woundings, four heart attack victims and 37 lost, all but one (who had died of a heart attack) being found in good condition.

Migrate Eastward John Kamppinen, Marquette, regional dispatcher for the Michigan Department of Conservation, and state police both reported a heavy migration of deer hunters eastward, for the opening of the season east of M-77. Both U. S. 2 and M-28 were reported heavy with deer hunter traffic.

Hunters prefer to be in a new area for the opening of the season, as deer are not as gun shy as they are where there has been hunting for several days, Kamppinen noted.

Conditions Good Hunting conditions were reported much better throughout the U. P. this morning, with good tracking snow in practically all areas, except near Lakes Superior and Michigan and in the extreme eastern end of the region.

With side roads freezing up last night, most of the hunting roads were in better shape and passable today, he said.

Hunting pressure has been light, except in the east end, with the deer kill reported near normal. Most of the hunters in the area today were local residents.

There have been 34 illegally killed deer and one moose recovered in the region this year, a few more than last year. Arrests also are up this season, numbering 226.

Up to today, 3,542 deer and 50 bears have been taken southward over the Mackinac Bridge, the deer figure being up and the bear total down.

Up today, 24,061 vehicles carrying deer hunters have crossed the bridge northward, with an average of three per car, compared to 22,628 for the same period last year, there are more hunters in the woods this year.

Number About Same However, more hunters also have returned, 9,719 cars crossing the bridge southbound this season so far, as against 7,721 last year.

Hence, there still are about the same number of downstate hunters in the U. P. this season as there was last year at this time.

State Picture LANSING (AP)—At the crack of dawn today, 400,000 hunters were in the woods trying to shoot down and bring back just one of the estimated 800,000 deer herd.

It was a good day for stumpsitters — the fellows who just sit by a trail and wait for the deer to come their way.

It was bad weather for trackers, those who follow deer through the snow, except in the

Man Found Dead In Woods Shack

John Begal, 76, was found dead in a shack in the rear of his camp a mile south of Watson, in Wells Township, yesterday morning.

State police said the body was found by a hunter, Milton Zastrow, Escanaba, who was passing by and saw what appeared to be a man sitting in the shack, off County Road 426. Zastrow investigated and discovered Begal to be dead.

Dr. R. L. Carefoot, Marquette, county medical examiner, ruled the victim died of coronary thrombosis.

World War I Veteran Mr. Begal was born Feb. 23, 1887, in Russia, and had been a resident of this area for many years. He was a veteran of World War I, having served in the U.S. Army from July 16, 1918, to Feb. 14, 1919.

The only known survivor is a brother.

The body was taken to Tonella's Funeral Home, with funeral arrangements being incomplete. Efforts are being made to locate the brother.

UPPER PENINSULA. The forecast was for no snow, fair and sunny weather and the temperature ranging from the low 20s to the mid-40s.

The advance guard of the hunting army took advantage of the earlier opening last Saturday in the western three-quarters Upper Peninsula. There were some 80,000 hunters, mostly natives, in the field.

Those who didn't bag a buck will be moving into the eastern half of the Peninsula or crossing the straits to try their luck again.

The State Conservation Department predicts 120,000 deer will be taken this season, about evenly divided between bucks and does and fawns.

It was a good day for stumpsitters — the fellows who just sit by a trail and wait for the deer to come their way.

It was bad weather for trackers, those who follow deer through the snow, except in the

## Sukarno Names Himself Premier

JAKARTA, Indonesia (AP)—President Sukarno named himself premier to Indonesia recently, apparently to take tighter control of the day-to-day government operations.

Sukarno, who is president for life, revised the premier's post. It had been abolished in 1959, when Sukarno reimposed the 1945 constitution.

Dr. Edgar L. Harden, president of Northern Michigan University, will address students and faculty at a University Convocation Monday.

The convocation, which will be held in the university field-

house, will begin at 9:30 a.m. President Harden will discuss "The State of the University."

In language and custom, Norway, Sweden, Denmark, Iceland, the Faeroe Islands and part of Finland are considered Scandinavian.

### Four Lanes Now Open On S. Front St.

Police Chief George G. Johnson this morning announced that all four lanes of traffic have been reopened on S. Front St.—U.S. 41 and M-28. The four-lane section extends from Fisher to Jackson Sts., and portions of the highway had been temporarily closed to traffic during the construction of approaches to the U.S. 41 bypass. However, since some work remains to be done on the road shoulders, and because of the construction work still proceeding on the bypass site, Chief Johnson urged motorists to be cautious on S. Front. The mercury-vapor type overhanging lights had to be taken down during the construction period, but they will be re-installed by the city as soon as possible, he added. "Drivers should be careful at all times, of course," he said, "but especially at night."

the Soo Line Railroad Co. announced today that the studies and discussions with respect to a possible merger of the two companies have been terminated by mutual agreement. The announcement was made by Leonard H. Murray, president of the Soo Line, and Edward T. Reidy, chairman of the board and president of the Chicago Great Western.

### 3 Promoted To Colonel At Sawyer

Three officers assigned to the 410th Bombardment Wing of the Strategic Air Command at K. I. Sawyer Air Force Base are being promoted to the rank of colonel from lieutenant colonel, it was announced today.

Wing Commander Col. Frederick E. Ramputi said the officers being promoted to colonel are Delbert L. Huffman, deputy commander for operations; Ronald L. Brumbaugh, commander of the 46th air refueling squadron, and C. Hunter Smith, commander of the 644th bombardment squadron.

Col. Smith's promotion is effective today. Wing personnel officials said the promotions of other officers would be made some time in the future, with the first probably in January, when another group of Air Force officers will be promoted.

The remainder will be notified by higher headquarters who will announce the effective date. Here in October Col. Huffman arrived at Sawyer in early October from Columbus AFB, Miss., where he had served in a similar capacity one year. He had been at Columbus about three years. Besides serving as deputy commander for operations, he had been an aircraft commander and the commander of a bombardment squadron while there. Col. Smith has been at Sawyer since July 1962. He was commander of the 46th air refueling squadron seven months after arriving here from 40th Air Division Headquarters, Wurtsmith AFB, Oscoda, where he had been division director of operations. In February of this year, he took command of the local bomb squadron.

unit in Strategic Air Command for the past two years. Prior to his assignment here, he was stationed at Lincoln AFB, Neb., for about six years.

Col. Brumbaugh, who has been at Sawyer three years, was operations officer for the tanker outfit until taking command in February from Smith. Brumbaugh's unit has been named the outstanding tanker

### Sam Accardi's Bail Set At \$500,000

NEW YORK (AP) — Settimo (Big Sam) Accardi, 61, accused narcotics kingpin, is being held on bail of a half-million dol-

lars. Accardi, brought back from his native Italy after three years of legal maneuvering, was arraigned Wednesday in federal court as a bail jumper. Once a lieutenant of the late vice king Charles (Lucky) Luciano, Accardi jumped bails totaling \$91,500 in 1955.

Rhythm is much more important than melody in African music.

### Sunday Liquor Sales

This editorial is in reply to a letter to the editor, written by the Rev. Eric S. Hammar of Ishpeming. He is correct in his assumption that The Mining Journal was being facetious when it suggested legalized gambling in Michigan. We just threw it in for tricks to determine whether our readers read our editorials or the erudite syndicated columns that appear on our editorial pages.

As a matter of fact, this newspaper is fundamentally and unalterably opposed to legalized gambling in any form, whether it be slot machines, punch boards, bingo, dice, roulette or any other form of gambling.

One reason for this position is that once you have legalized gambling the criminal

element moves in and takes over. It might be the Mafia, the Cosa Nostra or some other sort of syndicate which always operates without regard for life, limb or property. Las Vegas seems to be getting along reasonably well, but it is a matter of common knowledge that the big name gamblers are behind most of the casinos.

No, we don't want any gambling in Michigan. We can live successfully with our birds, trees and successful enterprises. We do believe, however, that a Sunday opening for the sale of alcoholic beverages, starting at noon, would be of tremendous benefit to the western half of the Upper Peninsula, which must compete with Wisconsin for the tourist-resort business. We must confess ignorance as to whether more persons are killed on Saturday night or Sunday night, but it is our recollection that the horrible highway slaughter starts on Friday and continues through the late hours of Sunday.

It seems to us that a Sunday afternoon opening, with a 1 a.m. closing on Monday, would make little difference in the vital statistics. We doubt that the death toll in Michigan is less per capita than in Wisconsin, Illinois and other states that have Sunday openings. If people want to drink on Sunday, they will drink, regardless of God or the devil.

Personally, we prefer to remain at home and read the Sunday papers, bad as they are, and watch the Green Bay Packers on television. As far as the state lottery is concerned, we can take it or leave it. It would be peanuts compared to the taxes on General Motors, Ford Motor Co. and the other big corporations that help keep the wheels going around in our great state.

## Peninsula Perambulator

The hallway of classrooms at Bay de Noc Community College in Escanaba has been named Catherine Bonifas Hall by the college board of trustees as a permanent memorial to the generosity of the Escanaba woman whose gifts before and after her death proved an inspiration to the community and its people. She bequeathed about \$2,500,000 to churches, schools and the City of Escanaba, including \$100,000 to assist in establishment of the community college.

Services were held in Gladstone for John M. Olson, president of the Gladstone State Savings Bank, who died at the age of 69 in St. Francis Hospital, Escanaba, after a short illness. He began his service with the bank in 1912, the year he graduated from Gladstone High School and the year the bank was organized.

Peter Seitz, New York City, who served as arbitrator in a dispute between Local 4302, United Steelworkers Union, and the Inland Lime & Stone Co., has advised both parties that the union grievance filed June 12, 1963, protesting the scheduling of shovel and locomotive crews at Inland's quarry to work five days out of a six-day period in each work week, is denied. The union contended in a hearing held Sept. 13 in Manistique that those employees had worked consecutive-day schedules in recent years and should continue to be scheduled in that manner. Seitz upheld the company's position that scheduling of the work force as it did in this case was proper. The labor agreement between the company and union provides for a procedure to settle differences without work stoppages, with binding arbitration as the final step.

Escanaba's centennial year will come to an official close on Thanksgiving Day, Nov. 28, when people of that area join in prayers of gratitude for the blessings of a century, place a time capsule in a crypt beneath an anchor on the city's municipal dock to be opened 100 years from now, and dance until midnight as a celebration finale. Many Escanabans are planning to wear their centennial costumes once more at the church services and at other events planned for Thanksgiving.

The executive committee of the Michigan Association of Chiefs of Police has rejected Iron River's bid to host the 1964 association convention. Concern over adequate housing for delegates and their families seemed to be the principal reason for rejection of Iron River as the convention site, even though that Upper Peninsula community hosted a successful gathering of the Michigan United Conservation Clubs last June. The police chiefs' gathering probably will be held in Detroit.

The Michigan Supreme Court has reversed a circuit court decision in a \$100,000 civil suit against Menominee County. The high court set aside a ruling by Circuit Judge Ernest W. Brown dismissing the action brought against the county by Mildred Munson of Powers, who sought damages for injuries alleged to have resulted from an accident while at work in the county courthouse. Miss Munson claimed she was struck on the head by a falling window shade on June 2, 1959, while an employee of the Bureau of Social Aid and alleged that she was permanently disabled as a result of the injury.

## From The Journal Files

### 60 Years Ago

—Marquette—

Yesterday County Clerk Ross passed the mark of the total number of deer licenses issued for the season of 1902, when the aggregate of permits with 1,706. Up to last night, something over 1,770 had been used this season. It is likely that the total for the season will be in the neighborhood of at least 1,900, as there remain still 10 days in which deer can legally be hunted, and the licenses continue in demand. Many people who usually hunt have yet to take a trip to the woods.

Dan Sullivan, John Manning and Rush Culver, who have been absent on a number of days hunt up the lake, arrived home yesterday.

—Ishpeming—

The high school football team leaves this morning for Escanaba to take part in what promises to be the hardest fought gridiron battle of the season. The confidence manifested by Escanaba has spurred on the local

### 30 Years Ago

—Marquette—

State Highway Department executives are in complete accord with plans recommended by Marquette city and county groups for extending the relocation of U.S. 41 in Marquette from Hampton St. south-easterly along the bluff parallel to Lake St. to a point near the entrance to the Marquette Prison grounds, and it is expected that this project will be undertaken as a winter work relief job.

Coast guards, stationed at the Portage Canal, Houghton, last night had found no trace of two men believed lost in Lake Superior between Ontonagon and Bayfield, Wis., according to word received here.

—Ishpeming—

With the ore shipping season on the Marquette Range scheduled to come to a close next Monday and indications pointing to a nine- or ten-fold increase in shipments from

### LIFE RATHER THAN THE MOON

C. P. Snow has just returned to England with another batch of American honorary degrees. So it would seem that his prestige on this side of the ocean is still high despite his critics at home. Therefore Americans may be impressed by his comment that we are "abnormally sensitive" to Russian space feats, and that our "all-out" attempt to reach the moon is a mistake.

Other nations may not be as impressed by space feats as we think. Most are more aware, Mr. Snow says, that molecular biology will bring the real "intellectual shock" of the next decade by showing that life is a chemical process subject to laboratory manipulation. The real chance to catch the world's attention may lie in concentrating on molecular biology rather than rockets in the sky.—St. Louis Post-Dispatch.

### BIRCHER MITCHELL

We think Joseph Mitchell and the John Birch Society deserve each other. So we think it is appropriate that the Newburgh, N. Y., city manager whose purge of "welfare chiselers"—as well as of those really in need—won him nationwide attention should find a haven in the right-wing political organization.

Mitchell and the John Birch Society are extremists. They take the same oversimplified approach to all problems. They see the issues of society and the world as black or white. There is no room for the intermediate grays in their nicely ordered scheme of things. In Newburgh Mitchell no doubt found some relief chiseling, although more objective observers contended that it wasn't as widespread as he claimed. One of his methods of solving the problem, however, was to cut off public assistance for those in need in order to eliminate the chiselers who didn't need help. He did make some constructive proposals, many of which already had been adopted by Detroit and other communities.

Now he feels he has been called to the John Birch Society which, he says, "fights communism and I think that is a fine thing." Once again he takes the simple, uncluttered view. There is no concern expressed about the way that the Birch Society fights communism, about its practice of calling anyone from former President Eisenhower on down a Communist if he does not agree with its tactics.

Yes, Mitchell and the Birchers deserve each other. In fact, Mitchell has been stealing Robert Welch's stuff for a long time if, as he says, he hasn't been a member up to now.—Detroit News.

## A Visitor To The Smoke-Filled Room

## The National Whirligig News Behind The News

By ANDREW TULLY

WASHINGTON — To those who cry "socialism" whenever a government-sponsored hospitalization plan is mentioned, the reply is that the Anderson-King bill to provide hospital care for the aged under the social security system is capitalism at its best. Charity's blemish is missing. The Anderson-King bill is a self-help program which enables the citizen to pay for his protection during the time he can best afford to contribute—while he is working. There is no necessity for a means test, as under the present Kerr-Mills plan, because benefits are made available as a matter of earned right. It is, in the truest sense, an insurance plan. Nearly all persons over 65

those not now covered by social security or railroad retirement plans. Employees would contribute to a special SS trust fund and their employers would pay an equal amount. It would cost the employee earning \$4,800 a year an additional \$12 annually, and the maximum cost for benefits available to a man and wife would be \$17.68 a year. **III Have Choice** The fruit of these savings at age 65 would be a choice of three hospital benefit options: 1. Ninety days of hospital benefits for each period of illness, less a deductible amount to be paid by the patient of \$10 a day for each of the first nine days in the hospital. 2. Forty-five days of hospital benefits for each period of illness without deductions. 3. One hundred and eighty days of hospital benefits less about \$92.50 to be paid by the patient. There also would be nursing facility benefits for up to 180 days following hospitalization, outpatient diagnostic benefits for 30 days, less \$20 paid by the patient, and visiting nurse care and physical therapy for up to 240 visits a year. **Wound Benefit Insurers** Those who howl that the legislation would interfere with commercial insurance plans have rocks in their heads. Because the cost is so low under the Anderson-King bill, most people would be able to afford private insurance to cover doctors' bills. When the social security act was passed 28 years ago, it was a shot in the arm to the private life insurance business; under the Anderson-King bill the commercial companies will be freed of the burden of insuring the high-cost aged and thus will be able to reduce their rates. Although the American Medical Association is opposed to the bill, one group of its members has formed a national committee to pump for it. The group's reasons are obvious. When a physician knows there is money to pay for hospital care and other services, he will be in a better position to prescribe for his patient. And with the hospital bill taken care of, he stands a better chance of getting his own bill paid. Meanwhile, patients would continue to choose their own physicians and their own hospital; the social security system would provide only the means of paying the hospital bill. **Revenue For Hospitals** The legislation also will be a big break for the hospitals, many of which are often hard-pressed financially due to the heavy load of charity cases. There would be more money for new equipment and added facilities, and nursing homes could improve the quality of their services which in many cases are dangerously poor. There are and will be employers who will squawk that they are being asked to subsidize their employees' old age. So they are. But they have a choice. They can either chip in under the social security system now or dole out higher contributions later, when their employees become old and sick. (Bell-McClure Syndicate)

## A Columnist's Memories

By HAL BOYLE

NEW YORK (AP) — Some things that make one man's life memorable: The colors of copper and silver and brass. The patina of hand-rubbed old wood. The grave, sweet loss of time-drowned childhood friends. A treasured valentine sent long ago by a young girl with freckles. **Remembered Warmth** The comfort of old slippers. Breakfast tea with honey. Sunday newspapers. The remembered warmth of kitchen convalesces when everyone in the family was younger. **Sunlight in winter** setting on fire the frozen tracery of icerimmed trees. The friendly bark of a welcoming dog as he recognizes you in the dark. The taste of mountain trout, fried over a morning campfire in the Rockies, after being stored overnight in a snowbank. The flavor of pink lemonade, bought with your last pennies at your first circus. **Swimming out from the ether** in the hospital and asking in a weak voice if, please, can you see what your tonsils look like now that they're out. A cold wind crying like a banshee to get into a room where you lie snugly safe from the weather. **Seeing a soldier** caught in a blinding artillery burst turned from a human being into a raglike bundle of purposeless languor. **Hearing another soldier** crying lonely in the blackness after getting a "Dear John" letter from home. The aroma of bubbling coffee drunk from an Army canteen hot as a cobbler's stone in Hades. Blue and red flowers paving the fields of Tunisia after the comeback at Kasserine Gap. **Richer Than Croesus** Helping a daughter trim a Christmas tree. The landscapes of living graven in the wrinkled faces of old women in France. The Empire State Building looming out of the mist like a battlement in a forgotten fairyland. Climbing to the top of the great Pyramid of Cheops, something Napoleon was too lazy to do when he was in Egypt last. **The joy of taking off in April** that old-fashioned long woolen underwear that had a button panel in the back. **Getting your first merit raise** and feeling richer than J. Pierpont Croesus. Deciding you never will, but finally saying "I do."

### CONTROL ON THE ROCKS

We hope that all the people who have been agitating for passage of Federal "fair trade" legislation were watching the hearings before a New York commission inquiring into possible liberalization of that state's liquor control laws.

Under a fair-trade law (the current euphemism is "quality stabilization"), no retailer could sell a brand-name product below an agreed-on minimum price. Intoxicated with zeal, fair trade's proponents say its adoption would end ruinous price-cutting but that it would not increase the cost to consumers of brand-name goods.

Well, one of the features of the New York liquor legislation is that the state fixes prices for national brands of alcoholic beverages. And, as the hearings have disclosed, anybody who buys a fifth of one of those brands of usquebaugh in New York pays \$1 more for it than he would in places where it price is not controlled. That makes it pretty stiff on the rocks or any other way.

Such compulsive controlling may seem fair to some people, though hardly to the New Yorkers who get stung. Which is why, when some of them return home from a trip into free territory, their luggage emits interesting gurgles. — Wall Street Journal

### WEIRD WORLD OF AUTOS

For 1964 you have your choice of a compact, a large compact, a compact intermediate, a standard, an intermediate standard, a big car, a small big car or a big small car that is between the intermediate big car and the limousine. Or you can buy a motorcycle. — Kansas City Star

## A Speech By Reuther

BY PETER EDSON

WASHINGTON — Walter Reuther is worth listening to once a year, if for no other reason than to let the people who disagree with him get mad at him all over again.

Reuther regularly uses the annual convention of the AFL-CIO Industrial Union Department for his state of the universe message to tell what's wrong with everything from his point of view. And this year's oration was in his usual angry, oratorical style.

**A Full Of Beans As Ever** He is still just as red-headed and full of beans as ever. He talked for an hour and a half. To his credit, he is one of the few speakers in the country today who can hold even a captive audience that long. Here is a highly condensed version of the highlights for those who want to argue:

- The old concepts of trade unionism no longer are adequate. Labor no longer is just national, but international.
- The people of Latin America, Africa and Asia who earn but \$100 a year are not sure whether our system is best.

**We have millions of have-not people right in America—the unemployed, the migratory workers, the invisible poor, the victims of social neglect, those who live in the sub-basements of the American social system.**

- America will be judged not by how rich it is, how highly developed, not by what it has, but by what it does with what it has. Technical progress must be translated into human progress. This is the task of the labor movement.

- There are many tragic deficits in America. This is the richest nation, but the millions deprived of education and thrown out of work are social dynamite in America.
- Juvenile delinquency is a serious problem, but adult delinquency is far more serious because it has failed to deal with the problems of juvenile delinquency.
- America does less for its older people than any industrial country on either side of the Iron Curtain. It is a myth that America is the healthiest nation because it is 11th in infant mortality.
- Labor does not argue over the competence of U.S. medical practice.

**It is the alliance of the National Association of Manufacturers with the American Medical Association which holds back adequate health care in this country.**

- The civil rights deficit is a moral issue which raises the question of our ability to lead the free world. It is fine when the President stands at the Berlin Wall. But we have no chance to defend freedom in Berlin if we deny freedom in Birmingham. We must make sure that 100 years after the Emancipation Proclamation every American shall be a first-class citizen.
- The kept deficit of all is on the job front. Our unemployment for the past 60 months has not been 5 per cent but 7 per cent, if you count the invisible unemployed.
- In 1962 our unemployment rate was not 5.2 per cent but 8.5 per cent and we wasted more time through unemployment than we did through strikes. There must be a job for every able citizen. This is our top priority problem.
- The John Birch Society and the radical right today are showing more militancy than the labor movement. The super-patriots are so far to the right they consider President Eisenhower a Communist and want to impeach the chief justice. But when the John Birch Society tries to weaken social justice and the labor movement, it plays into the hands of communism.
- Our job is to get the labor movement off dead center. We should take on the responsibility as architects for a better tomorrow, to give it a sense of direction and purpose. We in the labor movement must find ourselves and help America find itself.

## Trouble In Cambodia

By JAMES MARLOW Associated Press News Analyst

WASHINGTON (AP) — President Kennedy hardly had the words out of his mouth when there was more trouble, this time of a kind which may in time be a disaster.

In his first State of the Union message to Congress almost three years ago Kennedy, after listing the problems ahead at home, said "all these pale when placed beside those which confront us around the world."

**Crises Multiply** "Each day the crises multiply. Each day their solution grows more difficult."

He cited trouble spots in Asia, Africa, Latin America. And as the years passed the troubles multiplied and waned while fresh ones developed.

**Many Disputes**

Last Friday, talking to the Protestant Council in New York, he said the family of man should be at peace with one another.

But he said: "They are not. Within the last month the world has witnessed active or threatened hostilities in a dozen or more disputes independent of the struggle between communism and free choice—dispute between Africans and Europeans in Angola, between North African neighbors in the Maghreb, between two Arab states over Yemen, between India and Pakistan, between Indonesia and Malaysia, Cambodia and Viet Nam, Ethiopia and Somalia and a long list of others."

**Iraqi Revolution**

He might have mentioned that just one week before, the generals in South Viet Nam threw out President Diem and his brother, both of whom were killed. But last Friday he couldn't have known what was to happen Wednesday.

Early in the day the Iraqi government had to smash a revolution and later in the day came the news of grave consequence to the United States that Cambodia may turn its back on the United States.

**Renounced Throne**

Worse, still, it may throw in its lot with Red China. Cambodia in the southeastern tip of Asia, lies partly against Thailand, partly against South Viet Nam. It has 6 million people living under the guidance of Prince Norodom Sihanouk, 43, who renounced the Cambodian throne to be the political leader of the Cambodians.

**Self-Proclaimed Neutral**

He has been a self-proclaimed neutral between the forces of the West and communism, but accepted help from both sides. For instance: Gun and fighter planes from Russia, more than \$366 million worth of military and economic help from the United States.

This could be interpreted as trying to play both ends against the middle, not taking sides until he saw which way the cat was going to jump.

**Costly Adventure**

For the United States, holding South Viet Nam has been a prolonged and costly adventure, with more than \$4 billion in aid going to Viet Nam where more than 100 Americans have lost

their lives in the war against the Communist guerrillas of North Viet Nam.

If Viet Nam was lost to communism, it's a safe bet all Southeast Asia would be in time. Last September Prince Sihanouk said he was convinced the Communists already have won the battle for South Viet Nam.

**Cut Viet Nam Ties**

And he said he felt his own duty to a country eventually would fall to communism. Last August Sihanouk cut Cambodia's ties with Viet Nam because of the crackdown on the Buddhists by the then President Diem.

And he has complained that Cambodian exiles—his enemies—were in Viet Nam making broadcasts against him with transmitters which, he said, were supported in part by U.S. assistance.

**State Department Upset**

Wednesday he sent out the word Cambodia would cut its ties with the United States, too, and after Jan. 1, 1964, refuse any more American aid, and abandon its neutrality unless the anti-Sihanouk broadcasts were stopped.

**Murky Situation**

If the Red Chinese, with Sihanouk's blessing, move into Cambodia the very thing this country tried most to prevent—Red China's direct influence in Southeast Asia—would have come about.

This is still a murky situation. Sihanouk may not take the final step of fully abandoning his neutrality and throwing open the Cambodian doors to Red China.

But the way he's playing the game it's like sticking his hand into the tiger's mouth to stroke his tongue.

# Mary McGuire Enters Contest In Las Vegas

Miss Mary Ellen McGuire, Star Route 550, Marquette, has been chosen to compete in the Queen of Queens Beauty Tournament in Las Vegas, Nev., Dec. 8 through 14.

Miss McGuire, one of 100 contestants in the beauty pageant, is being sponsored by the Marquette Chamber of Commerce and will wear its banner in all public appearances she makes.

The tournament will be held in the Thunderbird Hotel in Las Vegas, which is hosting all the contestants.

Miss McGuire was selected as Marquette County Harvest Festival queen this year and was second runner-up in the Miss Upper Peninsula contest. She is a member of the Marquette Community Theater, Inc., and has appeared in several of their productions.

She is a member of a 4-H Club, served as a junior leader and received awards for clothing projects. Mary Ellen attended Bishop Baraga Central High School, where she was active in various school organizations.

**Must Have Title**  
Contestants entering the Queen of Queens contest must have received a title during the past three years from festivals or pageants on a municipal, state or national level. The entries will be judged on poise, self-confidence, personality and beauty of face and figure. Prizes and awards include a money gift five times the queen's weight in silver dollars, a 1964 automobile, a motion picture contract, a fur coat,

MARY MCGUIRE

an evening gown and numerous other gifts. Other trophies will be awarded to girls having the best figure, most perfect legs, most perfect shoulders, most perfect back and best profile.

The tournament will feature a "masquerade." This will be the figure judging category, and girls will be masked and wearing leotards furnished by the tournament.

All girls accepted for participation in this tournament will have the opportunity to meet talent scouts, motion picture, TV and theatrical producers. The panel of judges will include authorities in the fields of fashion, beauty, photography, modeling and the theater.

# Chocolay 4-H Club Installs Officers Monday

The Chocolay Community 4-H Club will hold a meeting Monday at 7 p.m. in the Chocolay Township Hall.

Don Browsers, community club leader, will install the new officers.

They are Ted Martin, president; Elaine Wittler, vice president; Gloria St. Onge, secretary; Clara Van Damme, treasurer; and Bruce Browsers, reporter.

A short illustrated talk on collecting rocks and minerals will be given by Leonard Lawson.

A demonstration on the technique of roller skating will be given by Gloria St. Onge, Carol DeVooght and Kathy Haslitt.

Refreshments will be served by Kathy Klitt, Sharon Van Damme, Laurie Freeman, Patti Blondeau and Melissa Holten.

Youths between the ages of 10 and 18 are invited.

# Irving Youngs Celebrate 25th Anniversary

NEGAUNEE — Mr. and Mrs. Irving Young, 101 Boyer Ave., Negaunee, celebrated their silver wedding anniversary Saturday with a reception and dance at the Rendezvous, Ishpeming.

A buffet lunch was served for 200 guests from a table covered with white linen, centered with silver candles and holders, gourds and a bouquet of yellow and rust chrysanthemums.

The anniversary cake, a gift of the couple's children, was cut and served by Mrs. George Young, Ishpeming, daughter-in-law of the couple. Miss Patricia Babcock, Skandia, niece of Mrs. Young, poured. Mrs. Kenneth Mayotte, Marquette, also a niece of Mrs. Young, registered the guests. Presiding at the gift table was Mrs. Wayne Young, daughter-in-law of the couple.

Mr. and Mrs. Young were married Nov. 19, 1938. They were attended by Mrs. Evelyn Cote, Marquette, sister of the groom, and Chester Babcock, Marquette, brother of the bride, both of whom attended the anniversary party.

Mrs. Young greeted her guests attired in a beige corset sheath dress, with black accessories, and a corsage of red roses, a gift from her grandchildren. Mrs. Cote was attired in a blue dress and dark blue accessories. Her corsage was of tinted carnations.

The Youngs are members of the Mitchell Methodist Church. They have two sons, Wayne, Negaunee, and George, Ishpeming, and five grandchildren. Out-of-town guests were from Marquette, Sandusky, Ishpeming and Gwinn.

# Cowell-Korpela Team Tops Munising Bridge Players

MUNISING — Mrs. George Cowell and Mrs. Henry Korpela scored 64 per cent to take top honors in the Munising Duplicate Bridge Club Tuesday evening in the chamber of commerce building.

Other high scores were posted by Johanna Genry and Mrs. Felix Boyak with 55 per cent. Mrs. Ray Windus and Noshir Havewala and Mrs. Ira Hanson and Mrs. Robert Rusnat, tied for third and fourth place with a score of 50.

Inn will feature fashions from the Style Shop of Ishpeming. Any members wishing to pay dues may do so after the luncheon. Reservations can be made by contacting any auxiliary member.

# LSCAA Members To Exhibit Works

The November exhibit by members of the Lake Superior Creative Arts Association will be held in the Union National Bank Lobby Thursday and Friday, Nov. 21 and 22, during the regular banking hours. Shown is Mrs. Jane Shaar holding an abstract painting she will exhibit in the show. Mrs. Shaar is the wife of Dr. Erik Shaar of the Northern Michigan University music department. (Mining Journal photo.)

# Plentiful Selection In Half Size Styles

BY HELEN HENNESSY

Women's Editor  
Newspaper Enterprise Assn.  
NEW YORK — (NEA) — Women who wear half sizes have for years been relegated to fashion limbo.

Unless she could afford custom-made clothes any woman who wore a half size could go from rack to rack and find one matronly style after another. From 12½ to 22½, fashion was conspicuous by its absence.

At last designers have realized that size is not an age and are creating figure-flattering, smartly styled clothes in this category.

**Fall And Winter**  
For fall and winter, luxurious fabrics and beautiful colors have been utilized to create handsome, young-looking styles.

There are modified empire lines, skimmer shifts and gentle blousons for daytime wear in bubbly cloques, textured crepes, worsteds and sheer wools. Their perfect tailoring results in a smooth, uncluttered, youthful look.

Short cocktail dresses and costumes can be found in elegant frosted and metallic brocades. And for dusk-to-dawn occasions there are floorlength crepes and velvets. One three-piece evening ensemble in black velvet has a lined jacket a satin overblouse and a long slim skirt.

There's no longer a dearth of high fashion for the woman who wears a half size. She will even find such current color favorites as imperial red and hyacinth in styles so fresh and exciting that she will think she has wandered into "junior petites" by mistake.

to mention the outfit I had made especially for the occasion. I was heartbroken when the wedding day arrived and I had not been invited. When she returned from her honeymoon, she telephoned me and asked why I didn't attend. I told her I never got an invitation. She said, "Oh, you silly little fool, I am sure I sent you one, but we are such close friends, even if you didn't get it you should have come anyway." Tell me, Abby, can friends be so close that they attend affairs like this without a formal invitation?

**CUT TO THE QUICK**  
DEAR CUT: Yes. But had you really felt "close" to her, you'd have called a few days before the wedding and asked what happened to your invitation.

**CONFIDENTIAL TO "CURIOUSLY CURIOUS"**  
A man is judged by the company he keeps. A woman is usually misjudged.

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif. (McNaugh Syndicate, Inc.)

**REMEMBER JEANS...**  
for the ultimate in time pieces, Bulova Accutron. The one the astronauts wear!  
JEAN'S JEWELRY  
118 S. Front Marquette

**GOING NUTS**  
DEAR GOING: What good is a roof on your house, if you wind up in a mental institution? Kiss him good-night and then go into the spare room and get some sleep.

DEAR ABBY: A lifelong friend of mine became engaged and said she was going to invite me to her wedding. I was so sure she would that I sent her an expensive wedding gift, not

# Girl Scout Project 75 Committee Disbands

A meeting was held in the Hotel Northland this week of the Project 75 Area Organizational Committee which has met for nearly three years to study the possibility of one Girl Scout council for the entire U.P. as directed by the national board for larger area councils under the Green Umbrella plan.

Delegates from all Girl Scout areas in the U.P. have been attending. This week's meeting was presided over by Mrs. Clifford Lewis of Curtis.

**Executive Director Attends**  
Mrs. Lewis turned the meeting over to Miss Florence Otto, Region VII executive director from Chicago, who represented the national board. Miss Otto came to give a clear understanding of what the national proposal on council coverage, which was accepted at the national council meeting in Miami Beach, Fla., at the October sessions, means to this area.

The national council re-affirmed a long-time objective of the Girl Scout movement to form strong, effective councils, touching border to border, each with sufficient resources to bring good Girl Scout programs to all girls within its jurisdiction. This objective of council coverage, long termed the Green Umbrella plan, is the same as it has been for 15 years but recognizing that the current directives and procedures for accomplishing this goal have outlived their usefulness, and in many cases, because of individual local conditions, have rather become a source of misunderstanding and disunity, all organization committees are now disbanded.

**No Deadline Date**  
Future responsibility for expanding jurisdictions into larger area councils now rests solely with councils, and the national board will no longer send staff into areas this type of organization. When a council feels ready to expand voluntarily to include either neighboring councils or lone troop areas, providing the new jurisdiction touches border to border with neighboring councils and providing that the proposed new council has the consent of all councils within the jurisdiction, a recommendation will be sent to the national board, who will make the final decision. This decision will be based not only on whether the new area council can meet the criteria of an effective council, but if it can also honestly assure adequate resources.

In the meantime, council charters will not be revoked solely because the council coverage objective has not been reached. Charters will be renewed and lone troops will be re-registered until they themselves can reach a satisfactory agreement of combining their resources. No definite date will now be set for completion of this objective. Lone troop areas in the U.P. will work on trying to form strong neighborhoods before they will be ready to join an existing council.

"We can see the possibility of perhaps three councils in the U.P. touching border to border, and at some future date these councils dissolved into one," said Mrs. Eugene Cole, Marquette, president of the Timberlane Council. This definitely is not the time to go from where we are into one large council. The proposal to do this was defeated twice in the Project 75 committee by a vote of three of the five existing councils involved. Timberlane will now make an effort to help neighboring lone troop areas but no organizational plan will be set up for the present. We will be expected to report by the time of the next national council meeting scheduled for 1966 in Detroit that we are continuing to work toward com-

plete council coverage in the U.P.

**Councils Withdraw**  
"It is unfortunate that two strong U.P. councils withdrew from Girl Scout's putting in the course of the Project 75 study and so much dissent and illwill were created both locally and nationwide. Those attending the meeting left with a much better feeling about the national goal and directive. It was a decided relief to be free of the tension and pressure of the last few years. Now we can devote our time to strengthening our neighborhoods and bringing the new Girl Scout program to girls effectively, using the theme for the next triennium, 'Girl Scouting—A Promise in Action.'"

**New Names In The News**

**CUMMINGS** — A son, George Ray Jr., was born on Nov. 6 in the Munising Memorial Hospital to Mr. and Mrs. George Cummings, Chatham.

**DOUGLASS** — A son, Robert, was born on Nov. 7 in the Munising Memorial Hospital to Mr. and Mrs. William Douglass, Munising.

**BECKER** — Twin daughters, Holly Kaye and Jamie Joyce, were born on Nov. 7 in the Munising Memorial Hospital to Mr. and Mrs. James Becker, Grand Marais.

**DeMARSE** — A daughter, Teresa Ann, was born on Nov. 13 in St. Mary's Hospital to Mr. and Mrs. Wayne DeMarse, 446 Rock St., Marquette.

**KLECKNER** — A son was born on Nov. 13 in St. Mary's Hospital to Mr. and Mrs. Larry Kleckner, Lake Shore Blvd., Marquette.

**LEWIS** — A daughter was born on Nov. 13 in St. Mary's Hospital to Mr. and Mrs. Larry Lewis, Star Route 550, Marquette.

**WAKKURI** — A son, Tim Edward, was born on Nov. 12 in the Francis A. Bell Memorial Hospital to Mr. and Mrs. Allan Wakkuri, Box 322, Gwinn.

**STENSON** — A son, Keith Edmond, was born on Nov. 13 in the Francis A. Bell Memorial Hospital to Mr. and Mrs. Thomas Stenson, Route 1, Forest Lane Trailer Park, Ishpeming.

# Cadettes Organize Troop 29; Install New Officers

Girl Scout Cadette Troop 29, under the leadership of Mrs. Julianne Isabelle, was organized last week at a meeting held in the Messiah Lutheran Church.

The following officers and patrol leaders were elected: Anne Goodney, president; Julianne Isabelle, vice president; Pam Brey, secretary; Becky Payne, treasurer, and Paula Hamerschmidt, Lou Ann Lawrence and Natalie Brebner as patrol leaders.

Members of the troop and their respective patrol leaders are:

Paula Hamerschmidt, patrol leader; Julianne Isabelle, Ann Goodney, Pam Brey, Marilyn McLean, Sandy DeGorgis, Shirley Wilkins, Jane Todd and Barbara Davis.

Lou Ann Lawrence, patrol leader; Joan Kjellander, Becky Payne, Cynthia Wanberg, Kathy Nowak, Connie Rippla, Kathy Lawson, Elba Johnson, Christine Melka and Darlene Beaudry.

Natalie Brebner, patrol leader; Mary Spear, Lucy Clark, Stephanie Weesen, Rosemary Virch, Cindy Texmont, Gail Smith, Janice Mercure, Mary Todd and Yvonne Johnson.

# Homemaking Tips

Mysterious muscular dystrophy destroys muscles, leaves victims helpless. Volunteer for Muscular Dystrophy Associations' annual fund-raising appeal by giving generously.

Polio no longer threatens children; muscular dystrophy can be defeated next. Make this hope a reality for giving in the 1963 March For Funds.

Muscular dystrophy dooms thousands of children to helplessness and premature death. Help conquer this killer. Enlist in the March for Muscular Dystrophy and help raise funds for research.

Baked ham leftover? Cut it into cubes and thread it on skewers with pineapple chunks and green peppers squares. Brush with barbecue sauce and broil. Nice for Saturday lunch with buttered rice and a salad.

Ever add a little freshly-grated nutmeg to the egg-and-milk mixture into which you dip bread in making French toast?

# Engaged

Miss Ann Marie Combella, daughter of Mrs. Nick Combella, Ishpeming, and the late Mr. Combella, is engaged to Richard J. Levandowski, Muskegon. Miss Combella is a senior at St. Joseph's Hospital School of Nursing, Hancock. Her fiancé is a graduate of the Michigan College of Mining and Technology and is continuing his studies there. No wedding date has been set.

# Let Children Help During Holidays

BY CECILY BROWNSTONE

Associated Press Food Editor  
Young children deserve a chance to "help" at holiday time. Letting them do so is worthwhile because this way they feel they are an important and happy part of the family.

Here are some suggestions for chores they'll enjoy and that may save busy mothers some time.

Dusting—especially the rungs of chairs!

Polishing, washing and drying cutlery.

Setting the table.

Cracking nuts. Peanuts are the easiest for small fingers to manage.

Grinding raw cranberries in a food chopper for the ever-popular raw cranberry relish to accompany turkey. Youngsters also enjoy mixing in the sugar needed, and usually stir and stir.

Grinding dry bread crumb in a food chopper for turkey stuffing.

Crumbling corn bread for turkey stuffing. Clean hands needed here, as in all other kitchen chores.

Garnishing. Young visitors at our house adore using tiny canape cutters, cutting miniature leaves from canned pimiento to garnish the crackers they spread with cheese.

Scooping out seeds from pumpkin or squash. A paddle-type wooden spoon plus fingers help along this work.

Making a centerpiece for the holiday table. Fruit or vegetables are easier than flowers for small boys and girls to handle.

As an extra-special, you can show your youngsters how to make cornucopias from aluminum foil. They'll enjoy filling these with raisins and nuts for favors. Or the cornucopias may be filled with seasoned mashed sweet potatoes and oven-heated

# William Edwards To Address LSCAA At Meet Tuesday

William T. Edwards Jr., art supervisor for the John D. Pierce Laboratory School, will be the featured speaker at the Lake Superior Creative Arts Association's November meeting Tuesday.

The meeting will be held in the Parkview School at 7:30 p.m.

Edwards will discuss the graphic arts processes and exhibit a wide variety of prints.

The exhibit will include etchings, wood engraving, serigraphy and engravings done by graduate students of the Pennsylvania State University. Included in the exhibition will be works done by Edwards.

Lake Superior yearbooks will be distributed at the meeting, and members are asked to bring covers.

# Paragraphs

The Francis A. Bell Memorial Hospital Auxiliary-sponsored luncheon and style show tomorrow at 1 p. m. in the Mather

# The Spotted Sportive Look

Dynel Fur-like coats will be spotted around town and country this season. They're beautiful, warm and lightweight. One new furry look is called Chita (left), a dashing flash of black spots against a tawny ground in a trench coat by Fairmoor. It reverses to camel wool. Sans Prix (right), is a mottled mixture of beige and white spotting in a coat by North Bay.

Plan includes room and three festive meals each day. Complete facilities include library, maid service, ultra-modern solariums, chapel, laundry service and planned activities. Nearby are many churches, movies, shopping, fishing pier, boating and other attractions. Accommodations are limited. Make reservations while they are still available.

# Innocent Plea Entered By Baraga Man To Fish Charge

L'ANSE — A Baraga man charged with violation of conservation commercial fish laws pleaded innocent and demanded a jury trial, while five others arrested for game law violations paid a total of \$71.90 in fines and court costs when arraigned before L'Anse Justice Steven P. Markovich.

Lars R. (Rudy) Holm, 56, entered a plea of innocent through his attorney to a second charge of buying a quantity of lake trout for wholesale distribution without a license and of soliciting the purchase of said lake trout.

Holm was arraigned before Markovich last week on a similar charge involving 72 pounds of lake trout. The second war-

# New 4-H Club Formed In Eben

EBEN — A sewing club was organized at a meeting in the Eben Central Grade School.

Mrs. Robert Johnson, Chatman, and Mrs. Arvo Hakkola and Mrs. John Laurich, Eben, have volunteered to be leaders. Members range in age from 10 years to 18 years. Junior leaders are Miss Patricia Makinen and Miss Christine Johnson.

Officers were elected as follows: President, Pat Makinen; vice president, Cheryl Antilla, secretary-treasurer, Christine Johnson.

Members will decide on a club name at the next meeting.

# 11 Pay \$256 To Justice In L'Anse

L'ANSE — L'Anse Justice Steven P. Markovich levied fines and court costs totaling \$256.80 against 11 persons arraigned in his court the past week and sent three of them to jail.

Roland Wooster, 44, Ann Arbor, arrested on two counts, was ordered to pay a total of \$41.60 in fines and court costs. Wooster entered pleas of guilty to being in possession of a pistol without a permit, for which he paid \$25 and \$3.30, and to being drunk and disorderly, for which Markovich fined him \$10 and \$3.30.

Wooster, who told state police officers he was a deputy police officer in Ann Arbor, was arrested on U.S. 41 near L'Anse.

Two L'Anse men — James Stein, 24, and George Partanen, 45 — were sentenced to spend five-day mandatory terms in the county jail and to pay fines of \$15 plus \$5.90 court costs on charges of aiding and abetting a break-in at an Arvon Township camp sometime this summer. In event they are unable to pay the fine and costs, they must spend an additional 10 days in jail.

The two men were arrested by state police in connection with breaking into a cabin on the Huron River owned by Irving Imobersteg of Detroit.

John Erickson, 18, Skanee, was sentenced to spend 15 days in the Baraga County jail on a charge of assault and battery and to pay a fine of \$25 plus \$7.90 court costs. In event Erickson is not able to pay the fines and costs he must spend an additional 15 days in jail.

He was arrested by L'Anse village police on a complaint signed by Warren Selden, L'Anse, following a fist fight between the two at a neighboring house.

Andrew Flygare, 41, Herman, arrested by village police on two counts following an auto accident on Broad St. here, paid a total of \$25.60 in fines and court costs. For leaving the scene of a property damage accident, Markovich set his fine at \$10 and \$3.30 and for failing to stop in a clear safe distance, Flygare paid \$5 and \$5.30.

Thomas Perrault, 53, L'Anse, was jailed for 30 days when he could not pay a \$25 fine and

\$12.10 court costs ordered by the court on a drunk and disorderly charge. Perrault was arrested on Main St. in L'Anse by village police officers over the weekend.

Also charged with being drunk and disorderly was George Mattson, 52, Pelkie, who paid a \$25 fine plus \$6.30 court costs. He was apprehended by

state police on U.S. 41 near L'Anse.

Allen J. LaJoye, 17, Sandusky, who was ticketed for excessive noise (driving a vehicle with opened cut-outs), paid \$10 and \$5.30. Also ticketed for excessive noise was Kenneth Maki, 19, Watton, who paid a fine of \$5 and \$5.30.

Edward E. Roland, 36, Flint, ticketed for speeding 75 miles an hour (65 MPH allowed), paid \$5 and \$5.30. A \$5 fine and \$5.30 costs were collected from Earl LaFermier, 19, Zeba, for driving a vehicle with defective brakes.

LaJoye, Roland and LaFermier were ticketed by state police and Maki received a summons from L'Anse village police.

# 50-Year-Old Munising Man Dies

MUNISING — Albert Tolonen, 50, died in his home, 403 W. Munising Ave., at 8:15 last night. He had been in ill health three and one-half years.

Mr. Tolonen was born Jan. 11, 1913, in Munising and was a lifelong resident of the city. He graduated from Munising High School in 1931 and had been employed by Munising Division of Kimberly-Clark Corp., retiring in 1960 because of his health.

Surviving are two sisters, Aune Tolonen and Mrs. Elsie Salter of Munising, and a niece, Miss Clare Salter of Chicago.

The body is in the Bowerman-Hall Funeral Home, where friends may start calling at 7 this evening. Service will be conducted at the funeral home at 1:30 Saturday afternoon. The Rev. Harold Linn, Chatham, will officiate and burial will take place in Maple Grove Cemetery.

# Cub Scout Unit Formed In Palmer

PALMER — A call for assistance of persons interested in Cub Scouting went out today from leader of Troop 365, newly organized for the Palmer and Suomi Location area.

"Any persons interested in helping with the Cub packs or who has books or uniforms is invited to contact one of the den mothers," a member of the group said.

Robert Neuman is the Cubmaster and his assistant is Neil Hodge.

Den mothers are Mrs. Mary Holman, Mrs. Ann Neuman and Mrs. Doreen Pietila of Palmer, Mrs. Marjorie Hironen, Mrs. Tyne Larson and Mrs. Donna Lique of Suomi. They are assisted by Mrs. Margaret Larson, Mrs. Irene Laituri and Mrs. Josephine Miljour of Suomi.

Leaders of the new group at-

# State Police Ticket Driver In Smashup

ISHPEMING — An automobile was wrecked and a motorist was issued a summons as a result of a traffic accident which occurred at 9:30 a. m. Wednesday, but which was not reported to state police from the Marquette post until yesterday.

Officers said Henry J. Larson, 36, Box 4, Palmer, was driving west on County Road 476 when his car crossed the highway, striking some rocks and brush. He told officers he glanced from the roadway and lost control of his vehicle, which slid on the snow-covered pavement.

The mishap occurred 1.5 miles west of County Road 565, in Tilden Township, and resulted in extensive damage to the front end of Larson's car, a 1962 sedan, which had to be towed from the scene by a wrecker.

State police issued Larson a

# Hatcher Seeks NASA Center For State

ANN ARBOR (AP) — The National Aeronautics and Space Administration (NASA) is invited by University of Michigan President Harlan Hatcher to locate a proposed \$50 million electronics research center in southeastern Michigan.

# I Caught, 2 Sought In Theft Of Deposit

# Ishpeming City Council Proceedings

Ishpeming, Mich., Nov. 6, 1963.

A regular meeting of the Ishpeming City Council was held on Wednesday, November 6, 1963. Mayor Mattson called the meeting to order at 7:30 o'clock p. m.

Present: Mayor Mattson, Councilmen Aho, Jenkin, and Valente. Absent: Councilman Willey. Present: 4. Absent: 1.

The invocation was given by the Reverend Cecil Lutey.

Councilman Valente moved, supported by Councilman Jenkin and carried, that the Council dispense with the reading of minutes of the last regular meeting.

Councilman Aho, moved, supported by Councilman Jenkin and carried, that the bills and payrolls for the month of October 1963 be allowed and ordered paid.

A lease for the Winter Sports Area from the Cleveland Cliffs Iron Company was presented to the Council. On a motion by Councilman Aho, supported by Councilman Valente and carried, the Council authorized the Mayor and City Clerk to sign this lease on behalf of the City.

A one year extension of a lease from the Cleveland Cliffs Iron Company covering the old incinerator site was presented to the Council. On a motion by Councilman Jenkin, supported by Councilman Valente and carried, the Council authorized the Mayor and the City Clerk to sign this lease on behalf of the City.

A communication from the Wesley Methodist Church of Ishpeming, Michigan, concerning the vacating of an alley north of Hemlock Street was read to the Council. Councilman Aho moved, supported by Councilman Valente and carried, that this matter be referred to the City Attorney and the Fire Chief for study and action.

A communication from Mr. John D. Voelker concerning the donation of his law library to the City of Ishpeming was read to the Council. Councilman Jenkin moved, supported by Councilman Valente and carried, that the Council concur in the recommendation of the City Manager and accept this donation, and that a letter of thanks for this donation be sent to Mr. John D. Voelker from the City of Ishpeming.

A communication from the City Attorney concerning labor and material bonds needed by contractors working for the City was read to the Council. Councilman Valente moved, supported by Councilman Jenkin and carried, that the Council concur in the recommendation of the City Manager and City Attorney to require all further contractors working for the City of Ishpeming to provide labor and material bonds in an amount equal to the cost of the project.

A communication from the City Attorney concerning the claim of Mr. Paul Carlson, 639 South Pine Street, Ishpeming, Michigan, was read to the Council. On a motion by Councilman Aho, supported by Councilman Jenkin and carried, the Council concurred in the recommendation of the City Attorney and denied this claim for fifty feet of sewer pipe installed below Mr. Carlson's basement floor.

A communication from the City Attorney concerning a change in the State Law in regard to the Michigan Municipal Employees' Retirement System was read to the Council. Mayor Mattson ordered this communication filed pending further information on this matter.

A communication from Clancy and Hanson, Attorneys, concerning easements for a service road and sewer lines located in the platted streets and alleys of the plat of North Ishpeming. After a discussion of this matter by the Council, it was moved by Councilman Jenkin, supported by Councilman Valente and carried, that the Council concur in the recommendation of the City Manager and refer this matter to the City Attorney and the City Manager for study and report.

A communication from the Liquor Control Commission concerning a request from Jack N. Allen and Percy B. Chinn for transfer of the ownership of a 1963-64 SDM licensed business located at 404 North Second Street, Ishpeming, from Norman Pertunen, was read to the Council. On a motion by Councilman Valente, supported by Councilman Jenkin and carried, this request was approved.

The following bids on gasoline and fuel oil were presented to the Council:

Company — Sinclair Refining Company — gasoline price per gallon, .152; fuel oil price per gallon, .128.  
Company — Horrigan Oil Company — gasoline price per gallon, .1615; fuel oil price per gallon, .125.  
Company — Nowak Oil Company — gasoline price per gallon, .1585; fuel oil price per gallon, .133.  
Councilman Valente moved,

supported by Councilman Jenkin and carried, that the Council concur in the recommendation of the City Manager and award the contract for gasoline to the Sinclair Refining Company, and the contract for the fuel oil to the Horrigan Oil Company for the calendar year of 1964.

The following bids on Motor Graders were presented to the Council:

Company — Miller, Bradford & Risberg — grader bid, L-W Adams 440; net price, \$19,756.00; meets city specifications, no.  
Company — Miller, Bradford & Risberg — grader bid, L-W Adams 666; net price, \$21,047.00; meets city specifications, no.  
Company — Paynter Equipment Corp. — Austin-Western Super 200; net price, \$19,600.00; meets city specifications, no.  
Company — Paynter Equipment Corp. — Austin-Western Super 300; net price, \$21,800.00; meets city specifications, yes.  
Company — Brebner Machinery Co., Inc. — grader bid, Caterpillar 12E; net price, \$21,500.00; meets city specifications, yes.  
Company — Bark River Culvert and Equipment Company — grader bid, Galion T-500; net price, \$19,600.00; meets city specifications, yes.

After a discussion of the above bids with the City Manager, the Superintendent of Public Works, Mr. Ed Farley, and Mr. Eugene Hosking, the Public Works grader operator, it was moved by Councilman Aho, supported by Councilman Jenkin and carried, that the Council concur in their recommendation and purchase a Caterpillar 12E Motor Grader from the Brebner Machinery Company, Inc. of Marquette, Michigan, at a net cost of \$21,500.00 delivered.

Councilman Aho addressed the Council relative to the number of accidents that have occurred recently at the intersection of North Second Street and Highway U. S. 41, and then moved that the City Manager send a letter to the Michigan State Highway Department, the Governor of Michigan, and also Representative Dominic Jacobetti, stressing the need for a traffic control signal at this intersection. This motion was supported by Councilman Jenkin and carried.

Councilman Jenkin addressed the Council relative to the matter of sewer lines, sidewalks, curbs, and property lines, and Councilman Jenkin then moved, supported by Councilman Aho and carried, that the City Manager instruct the City Engineer that when lines and grades are established in the future that the property owner be so informed in writing of the grade or distance involved.

Councilman Valente addressed the Council regarding the condition of the streets in the South Area. Mr. Marvin Van Eyck of the engineering firm of McNamee, Porter and Seelye, stated that he would ask Mr. L. W. Brumm to do a better job on the maintenance of the streets in this area.

The City Manager addressed the Council concerning the replacement of pavement in the South Area and stated that the Federal Government has disapproved the request of the City concerning this work. On a motion by Councilman Jenkin, supported by Councilman Valente and carried, the City Council authorized the City Manager to attend a meeting with Housing and Home Finance Agency officials to discuss the disposition of this work.

Councilman Valente addressed the Council concerning the City's policy regarding sewer line maintenance. The City Manager informed the Council that the property owner was responsible for his property to the trunk line sewer.

No further business appearing before the Council, on a motion by Councilman Aho, supported by Councilman Jenkin and carried, the meeting adjourned.

CLYDE E. SUNDBERG, City Clerk.

### Thornton Confident Underdog

NEW YORK (AP)—"He won't push me around like he did Willie. When I hit him he won't keep coming back in."

That's the way Wayne Thornton, the body-banging California light heavyweight contender, feels about his 10-round television fight with Argentine Gregorio Peralta at Madison Square Garden tonight.

**Peralta Favored**  
Despite Thornton's confidence, Peralta, the heavyweight champion of his country, is a 2-1 favorite. The odds are based largely on the handsome South American's decisive victory over light heavyweight champion Willie Pastrano in a nontelevised 10-rounder at Miami Beach last Sept. 20.

That was Peralta's debut in the United States. He has won 25 straight for a 39-1 record including 11 knockouts. The Argentine is ranked among the heavyweights, 10th by the World Boxing Association and ninth by Ring Magazine.

Peralta weighed 183½ pounds for Pastrano and has agreed to make 182 for Thornton. It is doubtful whether he can trim down to the 175-pound light heavyweight limit for a title fight with Pastrano.

**Easer**  
Thornton can make the 175 and he's eager for the championship shot at Pastrano. He has a 28-3-1 record, including 18 knockouts. He is ranked fourth by the WBA and seventh by Ring.

Peralta had little to say about his opponent.

"The fight will speak for itself," he said. "I'm not coming to lose."

The bout will be telecast nationally by ABC-TV. Starting time is 10 p.m., EST. Scoring will be by the rounds system.

### Rozelle Will Be Queried About Karras' Status

DETROIT (AP)—National Football League Commissioner Pete Rozelle will be a guest speaker in Detroit today, and Detroit football fans are anxious to hear what he has to say—as long as it's about Alex Karras.

Rozelle suspended the Detroit Lions' All-Pro defensive tackle last April for betting on games. Lions fans want to know whether Karras can be reinstated, and how.

**No Decision Yet**  
Rozelle has insisted that he will make no decision on Karras until he reviews the case next January.

William Clay Ford, who is likely to become sole owner of the Lions later this month, planned to attend today's luncheon of the Adcraft Club, where Rozelle is to speak.

### Ranger Head Bitter Over Sixth Loss

NEW YORK (AP)—"No, no, a thousand times no," New York Ranger Coach Red Sullivan said Thursday night of published reports that he may return as an active player.

A few hours later he must have had some second thoughts. The 34-year-old Ranger coach, a firebrand sparkplug in his playing days that ended last season, was so mad he was actually stamping his feet after his Rangers dropped their sixth straight, 5-4 to the Toronto Maple Leafs.

**Cheap Ones Go In**  
"That's the way it goes," Sullivan muttered. "When you're on top, the cheap ones go in. When you're struggling, like we are, you can't get a break."

The cheap ones he referred to were the fourth and fifth Toronto goals, which broke the Rangers' back after they had struggled back from a 3-1 deficit to a 3-3 tie midway through the middle period of the loosely-played game.

The fourth Toronto marker, the tie-breaker, came on a soft tap by Frank Mahovlich after New York goalie Jacques Plante had left his feet to make a difficult save on Red Kelly's dribbler. Mahovlich simply patted the rebound around Plante when the New York goalie couldn't hold on to the weird hopper.

**Boulder**  
The fifth and eventual winner came on another crazily bounding shot, this one off the stick of Tim Horton, who also had two assists. Horton lifted the puck from center ice and, on a bad bounce, it skidded past the surprised Plante and nestled in the net.

The victory extended the Leafs' unbeaten string to four and lifted them into a share of second place with idle Montreal.

**LEFT-HANDED OPEN**  
BRADENTON, Fla. (AP)—Three pros who play from the wrong side went into the third round of the National Left-handers Golf Tournament today deadlocked at 144.

One of them, Thorne Wood of Asheville, N.C., had the misfortune to hit the wrong ball

### Junior Hockey Session Stated

Junior hockey will resume at the Palestra tomorrow morning at 8. Players are requested to bring their protective equipment and sticks to this schedule session.

All prospective players who have not yet registered are urged to do so tomorrow as teams will be made up after this practice session.

The schedule is as follows: 8 a. m. - 9:30; Pee Wee A. 9:30 - 10:15; Banants. 10:15 - 11; Midgets. 11:00 - 11:45; Juveniles.

### Laker Win Sparked By Two Stars

BALTIMORE (AP)—Jerry West and Elgin Baylor demonstrated Thursday night why they are regarded as indispensable by the Los Angeles Lakers.

West scored 10 of his 31 points in the final quarter, eight in the last 15 minutes after Baltimore pulled to within 106-105, as the Lakers won 123-115 to snap a two-game losing streak.

**Limping**  
Baylor, limping because of two injured knees, still managed to score 20 points while playing just over half the game. It was the first meeting of the season between the two National Basketball Association clubs, who have been involved in trade rumors during the past two weeks.

The victory left Los Angeles atop the Western Division of the NBA, a half-game ahead of the St. Louis Hawks, who scored 19 straight points in the second half Thursday night and whipped the San Francisco Warriors 117-105.

**Trade Rumor**  
One report early this week had Baylor being traded to the Bulls for Walt Bellamy, a 6-foot-11 center. Another rumor said West, Jim Krebs and Frank Selvy would be swapped for Bellamy.

Los Angeles owner Bob Short labeled the rumors ridiculous, adding that "everybody knows that Baylor and West are not for sale or trade regardless of the offer."

### Ruel Buried Today; Was Brown Coach

PALO ALTO, Calif. (AP)—Muddy Ruel, a pint-sized catcher who helped Washington win its only baseball world championship, will be buried Monday.

Ruel, named Harold by his parents but called Muddy through his varied baseball career, died of a heart attack at his home Wednesday night.

He played 19 years in the American League with six teams, managed the St. Louis Browns for a season, coached, directed a farm system, was a general manager and finished his baseball career in 1953 as assistant to the president of the Detroit Tigers.

**Happy's Assistant**  
He was a graduate of Washington University law school and served for a time as special assistant to onetime Baseball Commissioner A. B. (Happy) Chandler.

Muddy, 5-8 and 150 pounds, broke in with the Browns in 1915 and wound up at Washington after stops in New York and Boston.

Ruel batted more than 300 four times, reaching .316 in 1923. He had a lifetime average of .276 in 1,459 games.

### Melillo, Former AL 2nd Baseman, Interred Today

CHICAGO (AP)—Funeral services for Oscar Melillo, former American League second baseman and 1938 coach of the St. Louis Browns, will be conducted Saturday in Holy Sepulchre Cemetery, Chicago.

Melillo died at his Chicago home Thursday at the age of 63. The stubby Melillo broke into the majors with the Browns in 1926 and his best season came in 1931 when he batted .306. He was traded to the Boston Red Sox in 1935 and three years later rejoined the Browns as skipper.

After a seventh-place finish in 1938, Melillo left the Browns and became coach of the Cleveland Indians.

On No. 18 hole, losing a stroke. He finished Thursday's round with 70, one-under-par for the 6,902-yard DeSoto Lakes Country Club to tie Ross Collins of Dallas, Tex., and Howard Brown of Detroit.

### Area Squads Begin Cage Play Tonight

Great Lakes Conference basketball action gets under way tonight with a bang, as no less than four member teams in this area take to the hardwood floor to begin their seasons and conference play.

Marquette Graveret hosts the Munising Mustangs here, Negaunee travels to Gladstone, and Ishpeming meets Manistique there.

**Copper Country**  
In the Copper Country Conference, the L'Anse aux Pins Hornets open with a non-conference game at Ewen and Baraga's Vikings host Dollar Bay.

Other conferences get started tonight, with eleven of the teams in this area jumping off in their season openers. The complete schedule for tonight's games is as follows:

Munising at Marquette Graveret  
Negaunee at Gladstone  
Rock at Gwinn  
Ishpeming at Manistique  
L'Anse at Ewen  
Dollar Bay at Baraga  
Michigan at Chassell  
Cooks at Eben  
National Mine at Republic

### Wolverines Want Firmer Big 10 Hold

ANN ARBOR (AP)—Michigan will be out to get a firmer hold in the Big Ten's first division when it tangles with a rugged Iowa football team here Saturday.

Michigan, which has yielded just 20 points in its last three games, was warned by coach Bump Elliott that another top performance will be needed to beat the Hawkeyes.

**Equal Records**  
Both teams enter the game with overall records of 3-3-1. Michigan has a 2-2-1 league record. The Hawkeyes are 2-3.

The Wolverines are in fifth place and a victory Saturday, coupled with a loss by Purdue at Minnesota, would clinch their first undisputed first division finish under Elliott. Michigan shared fifth place in 1960.

Michigan again will be led by quarterback Bob Timberlake, who has done virtually everything right since taking over in the second half of the game against Purdue five weeks ago.

Timberlake is fourth among Big Ten passers and fourth in total offense.

**Just Behind**  
Iowa's quarterback duo of Gary Snook and Fred Riddle rank just behind the tall Wolverine. Snook is sixth in total offense.

The Hawkeyes, who will be playing their last conference game of the season, are expected to use a running attack headed by halfback Lonnie Rogers and fullback Bob Grier. Rogers is seventh in Big Ten rushing and Grier is 10th.

Iowa end Cloyd Webb ranks third in the league in pass receiving, with 15 catches and 286 yards gained, and eighth in scoring.

### Experts Disagree On Bears-Packers Game Predictions

CHICAGO (AP)—Experts disagree on what will happen when the Green Bay Packers collide in Chicago Sunday with the Bears to break their tie for the Western Division lead of the National Football League.

Some think it will be a chugging, defensive battle, following much the same pattern of the teams' earlier meeting in Green Bay. In handling the Packers their only league loss, 10-3, the Bears stole four passes and held Green Bay to a total of 150 yards running and passing.

**Bombs Predicted**  
Other experts look for a load of scoring, even to the extent of both teams trying for those long touchdown bombs that they mainly have kept locked up in their arsenal so far.

Lineups have been set by both teams, now that quarterback Bart Starr and end Ron Kramer have been certified healthy by the Packers. The

Bears continue to list Ronnie Bull as starting left half, although he has done little hard running in drills because of a bruised foot.

**Roach Will Start**  
Although Starr has the splints off a broken hand that has sidelined him for three games, Coach Vince Lombardi says he will start John Roach.

"Roach can throw the long one beautifully," says Lombardi, stirring speculation of unleashing the bomb-type pass.

In eight victories and a starting upset loss to San Francisco, the Bears have scored only 24 touchdowns. They have permitted opponents but 10.

With their defense getting the rave notices these days, the Bear offense may be ready to bust out of hiding. The longest Bear runs from scrimmage this season have been 30 yards by Rick Casares and 20 by Willie Gailmore.

### Hand Fingers Packers, 9-3

BY JACK HANCOCK  
NEW YORK (AP)—To George Halas this is a year to show that the parade has not passed him by, a year to prove that the Chicago Bears still can win with him as head coach.

To Vince Lombardi this is a year to make history by winning the National Football League playoff for a third straight time, a year to drive home the fact that the Green Bay Packers can win without any one man, even a star like Paul Hornung.

Fate and the NFL schedule throw the Bears and Packers together Sunday with the Western Conference lead, and probably the championship, hanging in the balance.

Last week's score was 8-3, bringing the season totals to 45-17 in the NFL, and 17-15-2 in the AFL or 62-32-3 in both. Here goes again: (All games Sunday with Houston and Oakland having open dates in the AFL.)

**NFL**  
Green Bay 9, Chicago 3—Jerry Kramer with three field goals to one by Roger LeClerc. Bear pass defense too tough and Halas' men have yielded only three TDs on the ground in nine games. Packers rolled 49-0 and 38-7 against Bears last year but had to settle for field goal in 10-3 loss on opening day. Bears could win it all if Bill Wade gambles and hits with bombs, but attack has been sluggish.

**Cleveland 24, St. Louis 21**—was all set to pick Cards until learned of injury to Don Brumm.

**Detroit 21, Los Angeles 7**—Earl Morrall on beam and Rams can be had running or passing. Lions won earlier 23-2.

**Dallas 28, Philadelphia 21**—Eagles still battered and Cowboys are without Jim Ray Smith and Joe Bob Isbell as well as Roy Jordan. Both teams have trouble stopping anybody but give Don Meredith an edge over King Hill although Hill pitched Eagles to 24-21 edge at Philadelphia.

### Texas Christian Inspires Fear In Longhorn Mentor

(By the Associated Press)  
So let's say you're the coach of the nation's top-ranked college football team, the only remaining unbeaten, untied squad around. And you're going to play a team that has won only one of its last five.

So what's your reaction? "Frankly," says Texas Longhorn Coach Darrell Royal, "I'm scared."

There's a sound, solid, historical basis for Royal's fears. His No. 1 unbeaten, untied Longhorns play host to old spoiler Texas Christian in Austin, Tex., Saturday.

Three times in the modern era the Longhorns have gone into the game with the top rating and the solid favorites role. Each time they were upset.

The Longhorns have an 8-0 record, but they've had to work hard in the last four. The total margin of victory in those is 20 points, gained primarily on a stout defense, a grinding running game and a ball-control offense.

The only other stumbling block on their path to the national championship and the host role in the Cotton Bowl is traditional foe Texas A&M, which has won only once.

Texas Christian is 3-3-1, including losses to Arkansas and Baylor, teams beaten by Texas.

### Bork Broke Every Mark

NEW YORK (AP)—George Bork of Northern Illinois completed his regular season college football career by breaking every single season and career passing record in the books, the latest college division statistics compiled by the NCAA Service Bureau showed today.

**Highwater Marks**  
By completing 43 of 68 passes in his final game against Central Michigan last Saturday, Bork wound up with 374 attempts, 244 completions, 3,077 yards and 32 touchdowns. This season, all highwater marks in college football. His .652 completion percentage was the same he finished the regular season with last year. Northern Illinois has a postseason game on tap in the Mineral Bowl Nov. 30. No opponent has been named.

Ron Meyer, a South Dakota State sophomore, also compiled an outstanding record although he threw only 88 aerials during the campaign. He completed 54 and his 17 touchdowns is second only to Bork among the nation's collegedivision players.

**Offense Leader**  
Bork is the over-all leader in total offense with 2,345 yards followed by Bruce Upstill of the College of Emporia, Kan., with 2,161 and Chuck Green of Wittenberg, 1,996.

### MSU Gets Breather This Week

EAST LANSING (AP)—Big Ten leader and fourth-ranked Michigan State has a chance to catch its breath Saturday in a non-conference football game with Notre Dame.

There was a time when it would be heresy to call a meeting with Notre Dame "a breather."

Even the alumni will admit, however, that these aren't the Irish of old. Notre Dame has a 2-5 record. Michigan State is 5-1-1. The Spartans have beaten

**WDMJ, The Mining Journal Station, will air the Michigan State-Notre Dame football game tomorrow afternoon, from East Lansing, over the ABC network. Game time is 1:50 EST.**

The Irish seven straight and 10 times out of the last 11 meetings.

Michigan State leads the western conference race with a 4-0-1 record. Ohio State and Illinois trail with 3-0-1 and 3-1-1 conference marks respectively.

Both the Buckeyes and the Illini have two conference games to go. State plays Illinois the last game of the season. A victory will give the Spartans at least a tie for the title in the event Ohio State takes both its contests.

This would practically guarantee the Spartans their third Rose Bowl bid. Ohio State was the most recent Pasadena visitor and the tradition is that the last conference team to go is out in case of a tie.

A crowd of better than 70,000 is expected for the regionally televised game in Spartan Stadium.

**7-1: No. 7 Alabama, 6-1, vs. arch-rival Georgia Tech, 6-2, at Birmingham, and No. 9 Auburn, 6-1, is at Georgia, 4-3-1.**

**Pitt, Alabama, Georgia Tech, Auburn, Baylor, Memphis State, Penn State and North Carolina State all remain in the bowl picture.** Baylor plays Kentucky. Memphis State meets Chattanooga. Penn State goes against Holy Cross and North Carolina State faces Florida State.

### Palmer, Bosch, Cain's Quintets Take Victories In Negaunee City League

NEGAUNEE — In Tuesday night's Negaunee City Basketball League action, victories were taken by the Palmer Mets, Bosch Beer and Cain's News.

In the first game of the evening, the Palmer Metropolitan Insurance quintet turned the tables on a cool Herb's Bar team, 57-43, winning their first game of the season after two closely played games. The taller Airbase squad controlled the backboards, but their inconsistent scoring led to their downfall. Gerry Pirkola once again led the Mets with 21 points, and Airman McNeil had 11 points for Herb's Bar.

**Fundamental Lesson**  
Playing on even terms for the first quarter in the second contest, Bosch Beer turned on the power and gave the younger, less experienced Russo's a 78-47 lesson in fundamentals. A real team effort completely demoralized the storekeepers as the Barmen passed, screened, and scored at will.

Tim Richards was high man for the losers with 20 points, but received little help from his teammates. Don Price, Paul Jamron and Ray Henderson scored 19, 18 and 17 points respectively for the winners.

A change of sponsorship from Prudential Insurance to Cain's News gave the team added momentum to push last year's defending champions Boosta's Sport Shop from the undefeated class in an 80-77 game. Squeaking out another win in a real ball game that wasn't decided until the last few seconds adds frosting to the cake, as last year's team dropped most of its real close games.

**Hot Shooting**  
Defense was at a minimum as both teams scorched the nets with fine shooting. High for Cain's was Leroy Salmio with 28 points, while Terry Parlatto had 25 for Boosta's.

The lead changed sides throughout the game until Cain's jumped ahead with three minutes left in the last quarter by an eight-point lead on the sharpshooting of Don Luokala, who scored nine straight points to finally win the game. Parlatto pumped in three long jump shots trying to catch up but the Newsmen were not to be denied. Cain's now stands alone with three wins and no losses.

### METS RENEW SALINAS

NEW YORK (AP)—The New York Mets of the National League announced today they had renewed their baseball working agreement with Salinas in the Class A California State League.

### Which type Chevrolet pickup do you need?

Chevrolet now makes four different types, each with its own distinct advantages. Whichever one you buy will be a lot more truck than your money bought the last time!

**FLEETSIDE.** Based on sales, the best liked pickup in the world. Outstanding feature is its large body extending clear out over the wheels. Two body sizes. Two wheelbases. Best riding truck, by far, with coil springs all around and independent front suspension. Cab and body have double-wall construction. Chevrolet Fleetside—best for all-around use.

**STEPSIDE.** Has flat interior body walls and convenient side steps between cab and rear fenders. Comes in same two sizes as the Fleetside plus one bigger size. Big model has heavier frame, 4-speed transmission and leaf-spring rear suspension for maximum payloads. Standard engine is 230-cu.-in. Six. A 292 Six or 283 V8 is available at extra cost.

**RAMPSTE.** Nobody else makes a pickup exactly like this one with a ramp at the side. The ramp makes loading easy because of its 16-inch rise. Truck also has a conventional tailgate. Body and frame-floor assembly are very rigid because they are welded together. Has larger 95-hp air-cooled engine this year. Independent coil spring suspension all around.

**EL CAMINO.** If you want a pickup as good looking as any car on the road, this is the one! It can work hard, and look like a million dollars doing it—the only pickup in the world with Body by Fisher! You can order an El Camino as plain or as fancy as you wish: bucket seats, air conditioning, 4-speed transmission, power brakes are some of its extra-cost options.

### 6 Pay \$100 Fines In Deer Cases; Three Sent To Jail

BARAGA — Conservation game law violations proved costly for seven persons arrested by conservation officers working out of the Baraga district headquarters when their cases were heard before Bruce Crossing Justice Milton Ekstadt.

Three Trout Creek men — Milton Albaugh, 22; Reuben Pelkola, 38, and Leighton R. Carlisle, 28 — were ordered to pay fines of \$100 and court costs of \$7.30 each on charges of illegal possession of venison during the closed season and killing deer during the closed season with a rifle and with the aid of an artificial light.

**Two Sent To Jail**

In addition, Albaugh and Carlisle were sentenced to spend mandatory five-day terms in the Ontonagon County jail. In lieu of a jail sentence, Pelkola was placed on probation for six months, since he has a large family to support. All three men had their deer hunting privileges revoked for a period of three years and the rifle was confiscated by officers.

The three were arrested near Trout Creek at 11 at night. Officers said the carcasses of three freshly killed deer were found in the trunk of their car

at that time.

Three others charged with illegal possession of venison during the closed season also were given stiff fines plus jail or probation sentences at their arraignments before Ekstadt.

Paul Mareno, Trout Creek, arrested after a search of his home, paid a \$100 fine plus \$7.30 court costs and was placed on probation for a period of six months. Bert Lints, Ludington, was sent to jail for a mandatory five-day term and ordered to pay \$100 and \$7.30 on the illegal possession charge.

Mrs. Ethel Comstock, also of Ludington, pleaded guilty to illegal possession of portions of a deer before the season and was placed on probation for 60 days. Ekstadt levied a \$100 fine, of which \$50 was suspended, and \$7.30 court costs against the woman.

The hunting privileges of all three were revoked for a three-year period. Officers said a search of the Mareno premises where the violators were staying turned up two full deer carcasses and four hides.

Arrested for transporting a loaded rifle in a car near Paulding, James E. Steele of downstate Plymouth paid a \$25 fine plus \$7.30 court costs as ordered by Ekstadt.

### Civil Defense Talk Given At H-S Club Meet

NEGAUNEE — Don McCormick, Marquette, assistant Marquette County civil defense director, discussed various aspects of the civil defense program at the monthly meeting of the St. Paul's Home and School Club held in the school gymnasium. Following the business meeting, refreshments were served.

### Debate Team Candidates Go To Meet

NEGAUNEE — Candidates for Negaunee High School affirmative and negative debate teams will participate in a practice tournament which will be held tomorrow at Holy Name High School in Escanaba.

Students representing Negaunee will include Marianne Akel, Phyllis Anderson, Judy Arbelius, Marcia Bell, Bob Brock, Mary Brotherton, Carol Cattron, Diane Collins, Jean Dawe, Bruce Hatch, Janet Huh-tander, Phil Hyry, Paulette Johnson, Barbara Lukkarinen, Nancy Lukkarinen, Steve Pascoe, Sherry Rasanen, Donna Rintamaki, Kristine Sunne and Roy Thurston.

Miss Berlyene Miller, debate coach, will accompany the group.

Debate topic for the 1963-64 season is: "Resolved: That the Federal Government should provide essential medical care for all citizens at public expense."

Debaters will participate in their first regular tourney on Saturday, Dec. 14, when Negaunee hosts the first Upper Peninsula competition.

Mr. and Mrs. Erland Keskiälä, a representative of the county sheriff's department will be in the Wuolle building next Tuesday from 3 to 5 p.m. to issue driver licenses.

### Ishpeming

The Priscilla Society of Evangelical Covenant Church will meet at 8 p.m. Tuesday in the church parlors. Miss Bernice Hickey and Mrs. Raymond Engstrom are in charge of the program. The hostesses are Mrs. George Sundlie and Miss Helen Swanson.

Mrs. John Mustamaa, 319 S. First St., is a patient in Bell Memorial Hospital.

Women of the Moose will meet at 8 Monday night.

Driver licenses will not be issued in National Mine this month.

The Friendship Circle of Wesley Methodist Church will meet next Tuesday at 2:30 p.m. in the home of Mrs. Mildred Tonkin, 622 N. Fourth St.

Finnish church services will be held Sunday night at 7:30 in Wesley Methodist Church. The Rev. A. V. Tuukkanen will be the speaker.

### Palmer

Matt Pietila of Detroit spent the past week visiting relatives here and hunting in the area.

Arne Maatta of Roseville and Robert Zombory of Dearborn are spending the week hunting at Kasey Lake.

Mrs. Caroline Morin and daughter, Donna; Mrs. Robert

### Alger JCC Opens Drive For Members

MUNISING — The Alger County Junior Chamber of Commerce is conducting a membership drive throughout the county. It will be climaxed by an Orientation Night Dec. 14, according to Lloyd Steinhoff, membership chairman.

Steinhoff said that all young men between the ages of 21 and 35 are eligible to join the organization and letters are being sent to all businesses urging them to encourage their employees to become members.

The organization, chartered since Sept. 7, has worked with the Munising Harbor Commission on improving the city park, conducted a tree-planting project, and installed electric wiring in the teen center and gym at the Community Building.

"This is a wonderful opportunity for all young men of the county to work, learn, have fun and get to know each other," Steinhoff said.

### DRAMA CLUB MEETS

MUNISING — A meeting of the Munising Drama Club will be held Monday at 8:15 p.m. in the home of Mrs. Julius Raica, with Mrs. Howard Berkel as co-hostess. Mrs. Glenn Taiff will be in charge of the program.

Dorsey and son, Stewart, of Detroit, and Mrs. Jenny Griggs of Ishpeming visited relatives here this week.

Scheduled for Nov. 21, a potato sausage sale sponsored by the Palmer Methodist Women's Society of Christian Service has been postponed until Dec. 3.

Mr. and Mrs. Gust Wallin of Detroit are here visiting relatives and hunting deer in the area.

## Tri-County Briefs

Alger · Baraga · Marquette

### Negaunee

Miss Ruth Sylvester, Kankakee, Ill., spent the weekend visiting her parents, Mr. and Mrs. Russell Sylvester, Patch Location. She was accompanied by a friend, Vance Borum, also of Kankakee.

The WSCS of the Mitchell Methodist Church will hold a bazaar tomorrow from 2 to 5 p.m. Coffee and tea will be served. Eight booths will be featured.

Services will be held in the Apostolic Lutheran Church Sunday night at 7:30. The speaker will be William Prusi, Negaunee.

The children's choir of Immanuel Lutheran Church will meet Saturday morning at 10. The junior choir will meet at 10:45.

### Trenary

Mr. and Mrs. Tom Fera are the parents of a girl, Catherine E. born Nov. 7 in Janesville, Wis. Mrs. Fera is the daughter of Mr. and Mrs. Ronald Hawley.

Mr. and Mrs. Otto Adkins of Flint have been spending the week with Mrs. Adkins' parents Mr. and Mrs. Ransom Richmond.

Mr. and Mrs. James Brisson of Waukegan, Ill., are visiting relatives here and in Traunk and Limestone.

Mr. and Mrs. Roland Oulette of Flint have been visiting at the home of Mr. and Mrs. Edmond Oulette for several days.

The Lions Club will meet at 7:30 next Tuesday night in the

## 160 Attend PTA Lunch

NEGAUNEE — Approximately 160 students and parents attended the turkey dinner served Wednesday night by Central Grade School hot lunch personnel preceding a meeting of the school's Parent-Teacher Association.

As part of the Central Grade observance of American Education Week, school officials arranged with members of the hot lunch staff to serve a meal which was similar to those prepared for students in the hot lunch program.

Assisting the hot lunch staff were Mrs. Russell Williams and Mrs. Lameo Wakkuri.

During the business meeting, plans were made to sponsor a baked good sale on Friday, Dec. 13. Persons desiring to volunteer their services for the projects are requested to call GR5-4485 or GR5-9204.

The program consisted of an illustrated lecture by Miss Miriam Carter, a member of the Central faculty, on her trip to Alaska. The attendance banner was won by Mrs. Choquette's first grade class.
