Woman Sets Fire To Herself

IRON MOUNTAIN (AP) — A woman from Niagara, Wis., died in an Iron Mountain hospital today of burns. Sixty-two-year-old Mrs. Philip Pepitclair of rural Niagara, 15 miles south of Iron Mountain, was burned at her home Thursday. Niagara police said she apparently stuffed paper in her clothing and lit a match. Police quoted her husband as saying Mrs. Pepitclair was dependent over the death of President Kennedy.

News In Brief

NEW YORK (AP) — Mrs. John F. Kennedy has asked an architect to develop designs for a tomb for her husband, the New York Herald Tribune said today.

WASHINGTON (AP) — With only three of its 100 members present, the Senate met for less than a minute today to recess until Tuesday noon.

LONDON (AP) Britain will abandon its traditional 3-mile offshore fishing limit in retaliation against extensions by other nations, the Times of London said today.

LOUISVILLE, Ky. (AP) — Snow measuring up to two inches fell today in parts of central and eastern Kentucky, the first of the season.

ALGIERS (AP) — Algeria and Tunisia signed an economic accord Thursday promising that Algeria will share some of the Sahara riches with its western neighbor.

Provision For Presidential Succession

A law passed in 1947 provides for every possible contingency in the order of succession to the presidency. The law was designed to keep the office of president filled if for any reason — death, resignation, removal from office, inability or failure to qualify — neither a president nor vice president is able to discharge the powers and duties of the president. The four pictured, left to right, head the order of succession after the vice president: Speaker of the House John W. McCormack; president pro tempore of the Senate Sen. Carl Hayden, D-Ariz.; Secretary of State Dean Rusk; Secretary of the Treasury C. Douglas Dillon.

The line of succession thereafter: Secretary of Defense Robert S. McNamara; Atty. Gen. Robert F. Kennedy; Postmaster General John A. Gronouski; Secretary of Interior Stewart L. Udall; Secretary of Agriculture Orville L. Freeman; Secretary of Commerce Luther H. Hodges; Secretary of Labor William W. Wirtz. No provision has been made for the Secretary of Health, Education and Welfare Anthony J. Celebrezze, a post that was given cabinet representation in 1953, after the presidential succession law was passed. (NEA Telephotos).

Soviets Prepare To Begin Series Of Rocket Tests

Space Site Renamed After JFK

CAPE KENNEDY, Fla. (AP) — Cape Canaveral today bears the name of Cape Kennedy, honoring martyred John F. Kennedy, who designated it as the blastoff point for trips to the moon.

President Lyndon B. Johnson also named this Florida East Coast promontory's vast facilities for rocketry the John F. Kennedy Space Center.

Favorable Comment — The surprise action Thursday night drew mostly favorable comment here but it posed some problems for businesses which have capitalized on the Cape Canaveral name.

Some officials, including Gov. Farris Bryant of Florida and missile-space program executives, drew heartening inferences that Johnson's action means full-speed ahead on the man-in-the-moon fight and other projects President Kennedy pushed.

TV Address — Johnson announced the changes to a nationwide television and radio audience in his Thanksgiving message.

Fred Boyer, map consultant for the Rollins College Library, said the name Canaveral appears on a 1938 war map. "Canaveral" is a Spanish word meaning cane or reed field.

Civil Rights Top Problem For Johnson

WASHINGTON (AP) — The political necessity of getting Congressional action on civil rights is President Johnson's biggest domestic problem — just as it was John F. Kennedy's.

The current mood of moderation among the lawmakers may produce some relatively speedy action on aid to education, vocational training and other bills when they return from their holiday next week.

But the fierce controversy over the late president's program for an expansion of racial equality will test all of Johnson's vaunted ability to tack with the legislative wind to reach his objective.

Johnson has called for action now on Kennedy's civil rights legislation. The possibilities of getting it likely will be discussed today at a meeting between Johnson and Roy Wilkins, executive secretary of the National Association for the Advancement of Colored People.

Kennedy's relations with Congress were building to a crisis — a situation Johnson has inherited. Yet the new president can't afford in an election year not to get what Negro voters regard as meaningful civil rights legislation.

Kennedy's strength with the Negroes was unquestioned. Johnson's is not readily assessable. Could Lose Ground — If the President has to compromise the rights bill to get Congress' approval for it, he could lose ground sharply with Negroes, particularly if the Republicans nominate a strong civil rights advocate.

There now is no apparent way to move past the barrier of a Southern Democratic filibuster in the Senate a bill containing the controversial section that would enforce desegregation on selected businesses dealing with the public.

If Robert F. Kennedy remains as attorney general and Johnson follows his advice in this field, the President would refuse to compromise this provision any further.

Unacceptable — The attorney general thinks that any civil rights legislation without a strong public accommodations provision would be unacceptable to Negroes.

House leaders began outlining two old parliamentary moves to prevent the Southern-led Rules Committee from blocking action on the civil rights bill.

One would bypass the committee; the other would temporarily strip Chairman Howard W. Smith, D-Va., of his control over the 15-member group. Smith is strongly opposed to the rights measure.

New Job?

Carl T. Towan, 38, above, U. S. Ambassador to Finland, will be President Johnson's press secretary, according to a reliable source in Helsinki. Rowan, a former reporter for the Minneapolis Tribune, would say only that he knew he was being considered for the job. (AP Wirephoto.)

LBJ Seeks New Yank Greatness

WASHINGTON (AP) — President Johnson told the Joint Chiefs of Staff today that he wants "a dollar's value for every dollar spent" on national defense.

WASHINGTON (AP) — President Johnson, while ordering new honors to the memory of John F. Kennedy, has vowed that his own administration will seek "a new American greatness."

In effect, the new President's brief Thanksgiving Day address to the nation was an appeal to put "this midnight of tragedy" into the past and to look ahead to the work that must be done.

"A great leader is dead; a great nation must move on," he declared. "Yesterday is not ours to recover, but tomorrow is ours to win or to lose. I am resolved that we shall win the tomorrows before us."

Johnson plunged into the work with a heavy schedule today that included meetings with chief military, diplomatic and intelligence advisers.

Pledge — Speaking of his aims, Johnson said in his radio and television address Thursday night: "I pledge to you the best within me to work for a new American greatness — a new day when peace is more secure, when justice is more universal, when freedom is more strong in every home of all mankind."

Bolling said in an interview that Congress is not viable, or able to live, under its present structure.

Ruby Trial May Go On Television

DALLAS (AP) — Jack Ruby's lawyer says television viewers who saw his client kill the accused assassin of President Kennedy also should have a chance to watch as Ruby is tried for murder.

"In this case I think there are strong arguments for live telecasts from the courtroom and I can see no reason why we should object," defense lawyer Tom Howard said Thursday.

Dist. Judge Joe Brown, in whose court the case will come up Dec. 9, said he had not decided whether to admit TV cameras. Under Texas judicial rules, this is a matter left to the judge's discretion.

Howard, a veteran Dallas criminal lawyer, said: "I know it is customary for a continuance to be granted if requested by the defense, but at the present time we have no plans to ask that the trial be delayed."

"We are handicapped because of the limited funds available. Mr. Ruby is not a wealthy man — in fact, he is a man of modest means. On the other hand, 50 FBI investigators are working against us in addition to many other government investigators."

New Firings Scheduled To Start Monday

WASHINGTON (AP) — President Johnson, exponent of a vigorous national space program, found himself confronted today with dramatic new evidence of Russia's intensified pace in the race.

The Soviet Union Thursday night announced a new series of rocket tests in the Pacific Ocean beginning next Monday and lasting almost two months.

Moore Program — The tests, said the Soviet news agency Tass, will be made "in view of the enlargement of the program of scientific research in the further exploration of outer space."

The series presumably is part of the Soviet Union's program to land men on the moon—a program on which the United States also has embarked, with the support of Johnson.

It has become custom for U.S. ships, aircraft and radar stations to track Soviet rocket firings into the Pacific.

Impact Areas — One of the impact areas designated in the Moscow announcement is in the vicinity of the Marshall Islands, where previous rockets have been directed. The other is northward in the Pacific, generally east of Tokyo.

President Faces Revolt By Liberals

WASHINGTON (AP) — President Johnson faces a revolt among a group of House Democratic liberals, a revolt that began before the death of President John F. Kennedy.

It is aimed not at the President, but at Congress. It aims at punishment, by withdrawal of party seniority privileges, of those Democrats who refuse to support the national party ticket and policies. President Kennedy always declined to take such a drastic step, preferring conciliation and persuasion.

Leader Of Revolt — Leading the revolt is Rep. Richard Bolling, D-Mo., one of the party's most articulate and thoughtful strategists in the House.

His target is the "subversives and quislings of the Democratic party," whom he defines as some Southern conservatives.

Bolling takes issue with President Johnson's belief, as expressed in his speech to Congress Wednesday, in "the ability of Congress to act; to meet any crisis; to distill from our differences strong programs of national action."

Bolling said in an interview that Congress is not viable, or able to live, under its present structure.

Sam Rayburn — He said it has not been viable for a long time "but hasn't been observed as such" because the late speaker of the House, Sam Rayburn, held it together and made it work by his personal prestige and influence.

"We staggered along with the appearance of functioning largely because of Rayburn," Bolling said. "It is not the fault of the Republicans. They are a conservative party, by and large. But they are responsible. We—the Democrats—on the other hand, are totally irresponsible."

Bolling's solution? "The minimum is, we start with a demand for at least a minimum of party loyalty. They must at least support the national ticket."

Maximum — "The maximum would have the effect of altering the power structure. This is the only kind of reform that would have any meaning."

"The faults of Congress are not intrinsic, but lie with the Democratic party. My approach is to maximize the number who behave like Democrats and minimize those who don't."

This can be done, Bolling said, by denying the privileges of party seniority, including committee chairmanships, to Southern Democrats who openly defy and work against the national Democratic ticket.

Police Nab Patient Who Hated JFK

OGDENSBURG, N.Y. (AP) — State police today took into custody an escaped mental patient described by police as a man who wanted to kill President Kennedy and New York Gov. Nelson A. Rockefeller because he, the patient, had been unable to go to Russia.

State police said Guy Patterson, 35, was found in the area of Redwood, about 35 miles southwest of Ogdensburg.

Much of the police information about Patterson bore a resemblance to that given about Lee Harvey Oswald of Fort Worth, Tex., who was slain Nov. 24 while under arrest on a charge of assassinating President Kennedy.

Patterson escaped Thursday. Police in Plattsburgh, who arrested Patterson last June, said they had been summoned to a roominghouse and found Patterson typing letters and shouting threats, not only against the President and the governor, but against other officials and his parents.

Patterson, who gave his home as Pineville, Ky., was "mad at everybody because they wouldn't let him go to Russia," police said. Police reported finding several books on communism in his room.

Oswald called himself a Marxist and had been to Russia.

While police hunted Patterson, five other mental patients escaped in a group early today from Rockland State Hospital at Orangeburg, in southeastern New York, and forced an attendant at gunpoint to drive them to New York City.

All were considered dangerous, officials said.

Ex-War Correspondent Dies In Auto Mishap

MONTREY, Calif. (AP) — Edward Kennedy, former World War II Associated Press correspondent who first reported the German surrender in 1945, died today of injuries suffered in an auto accident. He was 58.

Kennedy's flash that the Germans had surrendered arrived in AP's New York headquarters early in the morning of May 7, 1945. As a precaution this was held back from the wires for eight minutes until corroborative detail poured in. Then The AP went ahead with the war's biggest story.

Singer Tests Speed Against Police Car

VENTURA, Calif. (AP) — Police said western singer Johnny Cash told them he stepped on the gas when he saw a patrolman coming up behind him because: "I just wanted to find out if I could still outrun a police car."

After a 6-mile chase up the Ojai Freeway at 90 MPH, officers said, he discovered he couldn't.

Cash, 31, was cited Thursday for speeding and for driving without having his operator's license with him.

200,000 Americans Visit JFK's Grave

WASHINGTON (AP) — More than 200,000 Americans put aside their Thanksgiving dinners for a while and made their way on a bleak and gray day up a hill to a grave.

Four little sisters picked chrysanthemums from their grandmother's garden and dropped them by the grave. Mrs. Kennedy came once again and prayed.

Latin Terrorists Seen Losing Bid To Halt Election

CARACAS, Venezuela (AP) — Despite spectacular last-minute exploits, pro-Communist terrorists in Venezuela appear to have lost their fight to force the army to call off Sunday's presidential elections.

There are increasing signs that the extremist Armed Forces of National Liberation (FALN) have lost both their physical punch and their appeal to urban masses.

Chances are considered good that the elections will go off with a minimum of trouble.

Political Rally — Apparently indifferent to the terrorists, some 15,000 people attended a political rally this week in the same Caracas square where a few days before guerrilla snipers staged a spectacular battle and 24 persons were killed.

Noisy political caravans roam the capital streets each night without incident. President Romulo Betancourt is barred by the constitution from succeeding himself, but Raul Leoni, the candidate of Betancourt's Democratic Action party, is expected to defeat six opponents.

Missile Crisis — The pro-Castro FALN had hoped that its campaign of terrorist would cause the army to oust Betancourt and cancel the elections. The Communists figured this would solidify the anti-military opposition behind them.

The FALN is believed to have been first weakened by the Cuban missile crisis in October 1962, which revealed Cuba as just another Iron Curtain satellite.

In later months there was a steady improvement in the police campaign against the hit-and-run terrorists. The FALN attacks began deteriorating.

Kidnaping — This week the FALN returned to propaganda blows, attempts to capture world headlines and damage the Betancourt government's reputation at home and abroad.

State Areas Note Drop In Crime Rate

(By the Associated Press) — The incidence of crime and motor traffic violations dipped sharply in some Michigan areas during the period covering President Kennedy's assassination and his funeral.

Law enforcement agencies ascribed this to the likelihood that most people were staying at home watching television.

On the other hand, no statewide trend of lesser law violations was evident, according to an Associated Press survey today. Numerous areas reported no appreciable difference.

President Kennedy was slain Friday afternoon. His funeral was on Monday.

State police reported a "visible drop in both crime and traffic offenses" though complete reports had yet to come in.

75% Decrease — The Ingham County Sheriff's Department reported a 75 per cent decrease in crime and "a minimum" of traffic accidents.

"I wonder whether everyone wasn't staying at home watching TV," said Undersheriff Ron Parsons of Kent County in commenting on "a very quiet weekend."

"We had a decrease in nuisance calls such as family troubles, dog reports and routine drunk calls — probably because everyone was glued to his TV set," said Undersheriff Harry J. Pennington of Muskegon County.

Traffic Toll Same As Normal Weekend — The Thanksgiving weekend moved through its second day Friday with traffic fatalities running about the same as a normal nonholiday weekend.

The fatality toll, which began at 6 p.m. local time Wednesday and ends at midnight Sunday, reached 146. On nonholiday weekends this year 100 persons have died daily in traffic.

Highway accidents killed 11 persons in the first two days of the long Thanksgiving Holiday weekend in Michigan.

Sir Winston Churchill Will Be 89 Saturday

LONDON (AP) — Sir Winston Churchill, still fond of a hearty meal and a good cigar, will be 89 Saturday.

"He's feeling very fit," said a family spokesman, "better than in a long time."

Churchill dined Thursday night with London's exclusive The Other Club, which he and Lord Birkenhead founded in 1911. Its members get together solely to indulge their taste for good food, drink and conversation.

Unwed Mother Of 16 Placed On Probation

MUSKEGON (AP) — An unwed mother of 16 children has been placed in custody of a sister and is on probation for one year following her release from a jail term for child neglect.

Muskegon Heights Municipal Judge Matthew C. Locke acted Wednesday in ordering the release of Harriet Williams, 38, because "there is nothing further to be served in forcing her to serve out a full 90-day jail sentence."

LT. COL. CHENAULT — A U.S. Army officer was kidnaped Wednesday. Thursday five men and a woman hijacked a Venezuelan airliner and held it at gunpoint.

Caracas police continued searching for the kidnaped U.S. officer, Lt. Col. James K. Chenault, of Sherman, Tex. The FALN has said it would release him unharmed Saturday.

Sen. Humphrey Seen As Possible Candidate — NEW YORK (AP) — A Republican senator from Colorado, Peter R. Domenick, says "it isn't necessarily true that President Johnson is going to be the Democratic candidate" in 1964.

Domenick said in a television interview there's a "definite possibility" that Sen. Hubert Humphrey of Minnesota will get the Democratic presidential nomination.

105 Cases Listed On Calendar For Circuit Court Session Here

Marquette County's last circuit court term of the year will open here Monday with Judge Bernard H. Davidson of Ne-gaunee presiding.

One hundred and five cases are listed on the court calendar issued by the county clerk's office. As has been the case in the past, however, several mat-ters are expected to be added to the December term docket when Judge Davidson reads the calendar, following the ar-rainment of criminal defend-ants at 10 Monday morning.

The dockets for the December term and for the September term, which lasted five weeks, are the largest ever seen here by court officials. In criminal cases alone, 25 defendants went before Judge Davidson during the September term.

Cases listed in the docket for this term include 17 criminal (with at least six expected to be added Monday morning), 23 civil (including 17 auto ne-gligence cases to be heard by jury, 47 non-jury cases (in-cluding 17 auto negligence cases and 15 divorce cases) and 16 "no-progress" cases.

Special Term Held

The "no progress" section covers those cases in which no progress has been made for more than a year. If no specific action is reported or taken in this term, the cases are au-tomatically dismissed under the statute.

Regular terms of Marquette County Circuit Court were held this year beginning the second Monday of February, the first Monday of May and the second Monday of September. A special (non-jury) term was held in July.

Delta County also is in the 25th Judicial Circuit, over which Judge Davidson presides. Criminal cases already listed on the docket for this term are as follows:

James Major Jr., breaking prison and felonious assault; David Everson, habeas corpus, etc.; George V. Carlson, break-ing and entering in the night-time; Robert Fosmoe, breaking and entering in the nighttime; Charles Lina, drunk and disor-derly — third offense; Eugene Kotel, drunk and disorderly — third offense;

Benjamin F. Griswold Jr., breaking prison; Lowell James Healy, appeal from justice court; Robert F. Fosmoe, inde-cent liberties; Paul Mendez, drawing checks without a bank account;

Sulo V. Jarvi, drunk and disorderly — third offense; Michael Dallas, appeal from justice court; James Kurian, larceny; Fred W. Priebe, drunk and disorderly — third offense; Carl Oliver Johnson, appeal from justice court; William H. Beatty, larceny, and Glenn Gage, drunk and disorderly — third offense.

TEXAS' PRIVILEGES

Overnight Parking Ban Invoked Here

Chief of Police George G. Johnson announced that the winter overnight parking ban on city streets will go into ef-fect tonight.

Police officers will ticket drivers who park their cars on streets between 1 a.m. and 6 a.m., Chief Johnson said. The ban on on-street parking en-ables public works department crews to plow streets.

Johnson said drivers were advised last month to make ar-rangements for off-street over-night parking for the winter. Johnson also requested that drivers put snow tires on their cars. "During the first week of winter driving, the police department always investigates many accidents in which the drivers say, 'I didn't realize the streets were so slippery,'" he commented.

84-Year-Old Marquette Woman Dies

Mrs. Daisy Mae Arkcoll, 84, Marquette, died Wednesday in Francis A. Bell Memorial Hos-pital, Ishpeming.

She was born March 10, 1879, in Allentown, Pa. Mrs. Arkcoll was a member of St. Paul's Episcopal Church and its wo-men's Guild Group D. For the past three years she was a pa-tient in the Palmer Nursing Home.

Her husband, W. W. Blake Arkcoll, died in Marquette Aug. 15, 1953. She is survived by a sister, Mrs. Frank Messenger, Philadelphia, Pa., and several nieces and nephews.

Services will be in the Swanson Funeral Home at 1:30 to-morrow afternoon, the Rev. John A. Alford of St. Paul's Episcopal Church officiating. In-terment will be in Park Cem-etry.

Cohodas Trust Fund Set Up Under NMU Foundation With \$25,000 Principal

The first trust fund developed within the framework of the Northern Michigan University Foundation was announced today as the Evelyn and Sam Cohodas Trust Fund was presented to the foundation, providing \$25,000, proceeds from which are to be earmarked for business administration scholar-ships. Preference is to be given to those with an interest in banking and to students from Upper Peninsula high schools.

Dr. Edgar L. Harden, NMU president, termed the gift "a material contribution to the foundation and to the univer-sity."

Recognizing that a good

many trusts from dedicated peo-ple, "many of them as mem-ori-als to those who have given distinguished service to Northern," exist outside the organiza-tion of the foundation, Dr. Harden said:

"In a very significant way, the Cohodas trust fund lends en-couragement to the university and to the high school gradu-ates of the Upper Peninsula.

"We appreciate the interest shown by Mr. and Mrs. Cohodas in Northern, its students and its program.

Spurs 'Goal' Mission
"Scholarships of this type will help overcome barriers facing many of our able high school graduates."

Foundation officials said they felt the trust fund announcement would be a spur to renewed ef-fort to accomplish the missions set forth in the foundation's "Goals for Greatness."

At the same time, foundation officials announced and ex-pressed appreciation for a number of second-year pay-ments on 1962 pledges which are bringing foundation totals close to anticipated levels.

There were more than 26,000 ship arrivals and departures in 1962 in New York City.

\$200 Collected Here For Fund For Tippet Family

A total of \$200 had been do-nated up to this morning to the fund for the family of J. D. Tippet, the Dallas policeman who was killed by the accused assassin of President John F. Kennedy a week ago today.

Police Chief George Johnson said that contributions to the "J. D. Tippet Fund" will be ac-cepted at the police department through Dec. 10. The collection will be sent to the Tippet fam-ily in time for Christmas, he said.

The Marquette Police Depart-ment is believed to be the only agency in the Upper Peninsula which is accepting donations for the Tippet fund.

"Contributions have been com-ing in from all over the western part of the Peninsula. The collection was boosted by a \$100 donation from a Mar-quette woman," Johnson noted.

1,000-Lb. Billboard Stolen In Chattanooga

CHATTANOOGA, Tenn. (AP) — There's not a sign of a 1,000-pound billboard stolen from the side of a Chattanooga building.

City detectives said the sign, owned by Service Auto Parts Co., was 15 feet high, 25 feet long and was lighted by four shaded, flashing flood lamps.

In 1949 Americans brewed 46 cups per pound of coffee; the average now is 63 cups.

Public Hearing On Apportionment Set Here At 10 Monday

All eight members of the Michigan Legislative Apportionment Commission will be in Marquette Monday for the regional hearing on apportionment.

The hearing will be conducted in the Vista Room of the University Center of Northern Michigan University and will begin at 10 in the morning. The first session will last until noon and the afternoon meeting will commence at 1:30.

It is expected that a 45-minute presentation will be given at the opening session on the problem of apportionment. Following this the Republican and Democratic members of the commission will present each party's plan for apportionment.

Nine Drivers Pay \$90 In Fines Here

Nine persons were ordered to pay a total of \$90 in fines and costs by Judge Edward H. Dembowski Wednesday in municipal court for traffic law violations.

Ticketed by city police following accidents and ordered to pay fines of \$6.30 and \$3.70 costs each were:

Robert M. Thomas, 308 Bluff St., failure to stop in the assured clear distance ahead, Nov. 18 on Grove St.; August Svensson, 342 E. Hewitt Ave., failure to yield the right-of-way, Nov. 22 at the corner of N. Third and W. Magnetic Sts.; William LaPorte, 952 Waldo St., failure to yield the right-of-way, Tuesday at the corner of Third St. and College Ave., and Earl Prin, 112 E. College Ave., failure to yield the right-of-way, Nov. 23 on W. Main St.

Speeding Counts

The following persons were each ordered to pay fines of \$6.70 and \$3.70 costs for speeding.

Harold L. Weecks, Kingsford, driving 45 miles per hour in a 25-MPH zone, and Lois Ann Mattson, 630 Cedar St., Ishpeming, driving 45 miles per hour in a 25-MPH zone.

Other Violations

Fines of \$6.30 and \$3.70 costs also were paid by:

Cameron P. MacArthur, 1923 Norwood Ave., for a stop light violation; James H. Letts, 1837 Tracy Ave., for improper passing, and William J. McLean, 916 W. Kaye Ave., for making an improper turn.

Former Marquette Resident Triggers Milwaukee Alarm

One of the myriad of footnotes to the assassination of President Kennedy involved a former Marquette resident, Howard J. Bernard, 63, now of Milwaukee.

The Milwaukee Journal reported that, in the uneasy tension over the slaying of President Kennedy, an air rifle carried by Bernard brought 15 policemen to Journal Square in Milwaukee Sunday.

Acting on a report that a man with a rifle was seen entering the Journal building lobby, the policemen, some with guns drawn, searched the building. They found nothing.

Bernard had been in the lobby only momentarily to buy an extra edition of the Journal had published on the shooting of Lee H. Oswald, accused slayer of the President.

A member of a folk dancing club, Bernard had participated in a pageant at a holiday folk fair in Milwaukee. He was dressed as a frontiersman, wearing a fringed suede jacket and a conskin cap. He carried a borrowed air rifle as a prop. Bernard is a retired Journal printer. He worked for The Mining Journal before going to Milwaukee and is remembered for having played a saxophone in local dance bands and as a square dance caller in Chocoma and Skandia.

Coming here for the hearing, the party to which they belong and the district which they represent, are the following commissioners: Upper Peninsula district, Ralph E. Huhtala, Iron Mountain, Republican Party, and Ivan L. Brown, Iron Mountain, Democratic Party; Northern Lower Michigan, Alfred LaPorte, GOP, and Henry Dongillo, Democrat; Southwestern Michigan, William Hanna, GOP, and Robert A. Kleiner, Democrat, and Southeastern Michigan, Wilbur Brucker, Republicans, and Richard Austin, Democrat.

The briefing will be presented by Bernard Apol, Lansing, assistant director of the elections division of the secretary of state's office, who is on loan to the commission.

The commission previously had agreed as to the form for the presentation of basic facts on apportionment at the hearings.

Other sessions in Michigan will be held Tuesday, at the Doherty Hotel, Claire; Wednesday, city council chamber, Grand Rapids, and Thursday, city-county building, Detroit.

Sands Man Extradited To Wisconsin

Albert J. Gerou, 35, Sands, was extradited to Wisconsin this week following a hearing before Marquette County Probate Judge Michael F. DeFant of Marquette.

Gerou was arrested by Marquette State Police Oct. 19. He escaped Aug. 17 from the Kenosha (Wis.) County Jail, where he was serving a four and a half month sentence for convictions of drunk driving and driving when his license had been revoked.

He had been sentenced to the Kenosha County Jail July 30.

Demanded Hearing

Gerou demanded an extradition hearing at an arraignment before Marquette Municipal Judge Edward H. Dembowski Oct. 21. He failed to post bond, set at \$500, and was lodged in the Marquette County Jail.

An extradition hearing was begun in municipal court Nov. 21 but was continued pending the arrival of a warrant signed by Gov. George Romney. The Governor's warrant included instructions that the hearing be held in a court of record.

Kenya, the British East African colony set for independence December 1963, was named after its glacier-topped Mount Kenya. "Kenya" comes from the Bantu word "Kilinya," which means the "white mountain."

Marquette City Commission Proceedings

A Special Meeting of the Marquette City Commission was duly called and held Tuesday, November 19, 1963 at 5:00 o'clock, P.M.

Present: Mayor Rydholm, Commissioners Fine, Johnson, Smith.

Absent: Commissioner Carlson.

On motion of Commissioner Smith, supported by Commissioner Johnson and unanimously adopted absence of Commissioner Carlson be excused, he being away from the City.

A communication from Governor George Romney was read wherein he expresses appreciation for the encouraging telegram expressing the support of the Mayor and the Commissioners to his tax reform program. This communication was ordered received and placed on file.

A communication from Robert E. Moore, Christmas Committee Chairman, Salvation Army, was read wherein a request was made for permission to place that Organization's Christmas kettle booth on West Washington Street and for permission to place other individual kettles at various locations in the business district. The Organization plans to start their campaign on November 29 extending through to December 24. Following the reading of this communication it was moved by Commissioner Johnson, supported by Commissioner Fine and unanimously adopted that this request be granted.

An agreement covering financial counsel service in connection with the proposed issuance of special assessment bonds was read. Following a discussion on this matter it was moved by Commissioner Smith, supported by Commissioner Fine and unanimously adopted that the Mayor and City Clerk be authorized to sign said agreement in behalf of the City and in accordance with the terms of that Company's communication of November 5, 1963.

The following preamble and resolution were offered by Commissioner Fine and supported by Commissioner Johnson:

WHEREAS, The City Commission has caused to be prepared and has confirmed certain special assessment rolls for the purpose of defraying the cost of street improvements, water mains and sewers, which said special assessment rolls are more fully described in the body of the resolution;

AND WHEREAS, The City Commission deems it necessary to borrow money and issue bonds in anticipation of the collection of said special assessment rolls in accordance with the City Charter;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Bonds of the City of Marquette in the aggregate principal sum of Thirty-Four Thousand (\$34,000.00) Dollars in anticipation of the collection of the unpaid and future due installments of special assessments on Special Assessment Rolls Nos. 325 to 327, inclusive, 330, 332, 334 to 336, inclusive and 339 to 341, inclusive, the amount against each roll to be as follows:

- Special Assessment Roll No. 325 - \$1,041.54
- Special Assessment Roll No. 326 - \$1,781.21
- Special Assessment Roll No. 327 - \$2,723.43
- Special Assessment Roll No. 330 - \$1,119.97
- Special Assessment Roll No. 332 - \$1,594.33
- Special Assessment Roll No. 334 - \$1,415.40
- Special Assessment Roll No. 335 - \$3,897.98
- Special Assessment Roll No. 336 - \$13,366.00
- Special Assessment Roll No. 339 - \$2,659.22
- Special Assessment Roll No. 340 - \$5,065.55
- Special Assessment Roll No. 341 - \$1,457.68

Said bonds shall be known as "Street Improvement Bonds (District Nos. 325 to 327, inclusive, 330, 332, 334 to 336, inclusive, and 339 to 341, inclusive)" shall consist of thirty-four (34) bonds of the denomination of \$1,000.00 each, numbered consecutively in direct order of maturity from 1 to 34, inclusive, shall bear the date as of March 1, 1964, and shall be payable serially as follows:

- \$10,000.00 September 1st of each of the years 1964 and 1965;
- \$7,000.00 September 1st of each of the years 1966 and 1967.

Bonds numbered 21 to 34, both inclusive, of said Street Improvement Bonds, maturing in the years 1966 and 1967, may be redeemed at the option of the City, in inverse numerical order, on any interest payment

date on or after September 1, 1965, at par and accrued interest to the date fixed for redemption. Notice of redemption shall be given to holders of bonds to be redeemed by publication of such notice not less than thirty days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. No further interest payable on bonds called for redemption shall accrue after the date fixed for redemption, provided the City has money available for such redemption with the paying agent.

2. Bonds of the City of Marquette be issued in the aggregate principal sum of \$1,000.00, in anticipation of the collection of the unpaid and future due installments of special assessments on Special Assessment Roll No. 324.

The said bonds shall be known as "Water Main Bonds (District No. 324)" and shall consist of two (2) bonds of the denomination of \$500.00 each, numbered consecutively in direct order of maturity 1 and 2, shall bear date as of March 1, 1964, and shall be payable serially, without option or prior redemption, as follows:

\$500.00 September 1st of each of the years 1964 and 1965.

3. Bonds of the City of Marquette be issued in the aggregate principal sum of Two Thousand (\$2,000.00) Dollars in anticipation of the collection of the unpaid and future due installments of special assessments on Special Assessment Roll No. 343.

The said bonds shall be known as "Sanitary Sewer Bonds (District No. 343)" and shall consist of four (4) bonds of the denomination of \$500.00 each, numbered consecutively in direct order of maturity from 1 to 4, both inclusive, shall bear date as of March 1, 1964, and shall be payable serially as follows:

\$500.00 September 1st of each year from 1964 to 1967. Both inclusive.

Bonds numbered 3 and 4 of said Sanitary Sewer Bonds, maturing in the years 1966 and 1967, may be redeemed at the option of the City, in inverse numerical order, on any interest payment date on or after September 1, 1965, at par and accrued interest to the date fixed for redemption. Thirty days notice of redemption shall be given to holders of bonds to be redeemed in the State of Michigan, which carries, as part of its regular service, notices of sale of municipal bonds. No further interest shall accrue on bonds called for redemption after the date fixed for redemption, provided the City has sufficient money on hand with the paying agent for such redemption.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this bond exist, have been done and performed in regular and due time and form as required by law, and that the total indebtedness of the City of Marquette, including this bond, does not exceed any constitutional, statutory or charter limitation.

IN WITNESS WHEREOF, the City of Marquette, County of Marquette, State of Michigan, by its City Commission, has caused this bond to be signed in the name of said City by its Mayor and to be countersigned by its City Clerk and its corporate seal to be hereunto affixed, and has caused the annexed interest coupons to be executed with the facsimile signatures of its Mayor and City Clerk, all as of the first day of March, A.D., 1964.

OFFICIAL NOTICE OF SALE \$34,000.00 — STREET IMPROVEMENT BONDS (Districts Nos. 325 to 327, inclusive, 330, 332, 334 to 336, inclusive, and 339 to 341, inclusive).

- \$1,000.00 — WATER MAIN BONDS (District No. 324)
- \$2,000.00 — SANITARY SEWER BONDS (District No. 343)

CITY OF MARQUETTE COUNTY OF MARQUETTE MICHIGAN

Sealed bids for the purchase of the above bonds will be received by the undersigned at his office in the City of Marquette, on —, the — day of —, 1964, until 8:00 o'clock p.m., Eastern Standard Time, at which time and place said bids will be publicly opened and read.

Said Street Improvement Bonds shall consist of thirty-four (34) bonds of the denomination of \$1,000.00 each, numbered consecutively in direct order of maturity from 1 to 34, both inclusive, and will mature serially as follows:

- \$10,000.00 September 1st of each of the years 1964 and 1965;
- \$7,000.00 September 1st of each of the years 1966 and 1967.

Said Water Main Bonds shall consist of two (2) bonds of the denomination of \$500.00 each, numbered consecutively in direct order of maturity 1 and 2, and will mature serially, without option of prior redemption, as follows:

\$500.00 September 1st of each of the years 1964 and 1965.

The maturities due in the year 1966 and thereafter of Street Improvement Bonds and Sanitary Sewer Bonds may be redeemed at the option of the City, in inverse numerical order, on any interest payment date on or after September 1, 1965, at par and accrued interest to the date fixed for redemption. Notice of redemption shall be given to holders of bonds to be redeemed by publication of such notice not less than thirty days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds. No further interest shall accrue on bonds called for redemption after the date fixed for redemption, provided the City has sufficient money on hand with the paying agent for such redemption.

All of said bonds shall be coupon bonds and shall bear interest from their date at a rate or rates not exceeding four per cent (4%) per annum, expressed in multiples of 1/8 of 1%. Said interest shall be payable on September 1, 1964, and semi-annually thereafter on March 1st and September 1st of each year. The interest rate for each coupon period on any one bond shall be one rate only and represented by one interest coupon. Both principal and interest shall be payable at a bank or trust company qualified to act as paying agent to be designated by the purchaser of the bonds. Accrued interest to the date of delivery of such bonds shall be paid by the purchaser at the time of delivery.

Said Street Improvement Bonds (Districts Nos. 325 to 327, inclusive, 330, 332, 334 to 336, inclusive, and 339 to 341, inclusive); Water Main Bonds (District No. 324) and Sanitary Sewer Bonds (District No. 343) are issued in anticipation of the collection of the unpaid and future due installments of special assessments on Special Assessment Rolls corresponding to the District Nos. for each issue, being divided among the several rolls in the manner provided by the bond-authorizing resolution. Said bonds, in addition to special assessments, pledge the full faith, credit and resources of the City of Marquette for their payment.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining at the rate or rates specified therein, the total dollar value of all interest on the bonds from (here insert the first day of the month next following the date of receiving bids, or the date of the bonds, whichever is later) to their maturity and deducting therefrom any premiums or adding thereto any discount. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the City. No proposal for the purchase of less than all of the bonds herein offered, or at a price less than 98% of their par value, will be considered.

A certified or cashier's check in the amount of \$40.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the City of Marquette must accompany each bid as a guaranty of good faith on the part of the bidder. As forfeited as liquidated damages if such bid is accepted and the bidder

fails to take up and pay for the bonds. No interest will be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

AYES: Mayor Rydholm, Commissioners Fine, Johnson, Smith.

RESOLUTIONS DECLARED ADOPTED.

City Manager Thomas Moore informed the Commission that he had received an invitation for the Power Department to become a member of the Chamber of Commerce, membership fee to be based upon the gross business done by that Department. Following considerable discussion on this matter wherein the various commissioners expressed their viewpoint of such a membership and wherein it was pointed out that this would be spending a sum of tax payers money unjustifiably, it was moved by Commissioner Smith, supported by Commissioner Johnson and unanimously adopted that the Power Department not consider a membership in the Chamber of Commerce.

City Manager Thomas Moore orally explained a situation that exists at the Spring Street Parking lot regarding income from that metered area and so explained a solution to remove student parking cars in the area of the re-habilitation school. Following considerable discussion on this matter, it was moved by Commissioner Johnson, supported by Commissioner Smith and unanimously adopted that upon recommendation of the City Manager and Chief of Police, the Spring Street Parking lot be transferred from a metered lot to a monthly stall rental on a triad basis, each parking stall to be rented at a monthly fee of \$3.00 in advance.

City Manager Thomas Moore orally reported to the City Commission action that had been taken during this past year on the application for Federal Accelerated Public Works Funds. Following a lengthy discussion on this matter and comments by several Commissioners wherein the City Attorney was asked to express his feelings on this matter, it was moved by Commissioner Smith, supported by Commissioner Johnson and unanimously adopted that the Attorney be directed to prepare a resolution submitting the application and supporting evidence and exhibits to the Accelerated Public Works Commission for its determination and action, and that the draft thereof be submitted to this Commission for its consideration and action at its next regular meeting.

Commissioner Smith stated that he had received many phone calls regarding the increase in the Cable TV cost. Several other Commissioners expressed their opinion regarding phone calls of this same nature. City Manager Thomas Moore read the Commission action taken on April 29, 1963 regarding the matter of additional services to be rendered by the Cable Company. Following considerable discussion on this matter, it was moved by Commissioner Smith, supported by Commissioner Johnson and unanimously adopted that the City Clerk be directed to write a letter to the Iron Range Cable Corporation and incorporate a copy of the minutes of that Commission meeting of April 29 pointing out that the Commission in no way sanctioned a rate increase for monthly services rendered, but that the City Commission went on record as approving action by the Cable Corporation to increase the quality and quantity of services to its subscribers.

There being no other business before the Commission at this time, meeting adjourned.

Burial was made in Elmwood Cemetery in Antigo.

2 Cars Damaged In Lone Traffic Accident In City

Only traffic mishap reported to city police over the Thanksgiving holiday period occurred Wednesday at the intersection of E. Arch and Spruce Sts.

Two cars were damaged in the mishap, which occurred at 5:30 p.m., and one driver received a summons, city police said.

Robert L. Beaudry, 21, of 225 Jackson St., driving a 1963 station wagon east on E. Arch St., told city police he slowed the car for the Spruce St. intersection, did not see any approaching traffic and drove the car into the intersection.

Beaudry's station wagon struck a 1964 station wagon being driven south on Spruce St. by William I. McDonald, 18, of 616 Spruce St.

Damages resulted to the grill and left front of Beaudry's vehicle and to the right side and right front door of McDonald's car. Both autos were driven from the scene.

Police ticketed Beaudry for failure to yield the right-of-way.

Salvation Army Christmas Drive Begins

The annual Salvation Army Christmas drive began in Marquette today in brief ceremonies on W. Washington St., where the Christmas kettle will be manned again this year. Pictured opening the 1963 drive are (from left) Major Rodney B. Sharp, officer in charge of the Mar-

quette Salvation Army citadel; James Luke, SA Christmas committee member; Robert Moore, committee chairman, and Leslie Erickson, M. R. Melby and Elwood Mattson, committee members. (Mining Journal photo.)

Temperature Drop, Snow End Mild Weather Spell

Old Man Winter tightened his grip on the Marquette area last night with strong northwest winds, a temperature drop and an inch and a half of snow.

Public works department crews went out at 2 this morning to salt and sand streets. Intersections on side streets were especially slippery this morning. State police reported that, except for the St. Ignace, Iron Mountain and Stephenson areas, Upper Peninsula highways were slippery this morning.

Late In Arriving

In view of a forecast of snow flurries for the next five days, Police Chief George Johnson announced that an overnight parking ban on city streets will go into effect tonight.

Winter's been late in coming this year. The average temperature today is six degrees above normal, and the snowfall so far this month is almost 10 inches below normal.

The temperature dropped 15 degrees from a peak of 43 at 1 p.m. yesterday and an overnight low of 28 at 8 this morning.

Average Above Normal

Wednesday's average temperature of 38 was eight degrees above normal, with a high of 43 and low of 33, and the average temperature yesterday of 37 also was eight degrees above normal, with the high of 43 and a low of 31.

Precipitation yesterday and overnight amounted to .29 of an inch, with rain yesterday morning, four-tenths of an inch of snow before midnight and 1.1 inches of snow after midnight.

Seven Day Outlook

Total snowfall so far this month is 5.8 inches, and normal amount for November through today is 15 inches. Precipitation so far this month is less than an inch below normal, with 2.47 inches through today, compared to a normal amount of 3.18 inches.

Colder temperatures and

Bertucci-Nap

ISHPEMING — St. John the Evangelist Church in Ishpe- ming was the scene Saturday for the wedding of Genevieve Ann Bertucci, daughter of Mr. and Mrs. Salvatore Bertucci, 777 S. Pine St., Ishpe- ming, and David John Nap, K. I. Sawyer Air Force Base, son of Mr. and Mrs. John Nap, Kalamazoo.

White and yellow mums decorated the altar of the church for the ceremony performed by the Rt. Rev. David P. Spelgati. The bride was escorted by her father to the altar wearing an organ-clip over satin gown which featured three-quarter-length sleeves, a scooped neckline adorned with sequins and a floor-length chapel train trimmed with lace. Her fingertip veil was secured to a pearl and sequin tiara. The bride carried a bouquet of pink and white roses decorated with white streamers, to which were attached tiny rosebuds. A pearl pendant, gift of the groom, was the bride's only jewelry.

Hunting Hurricanes Is Woman's Specialty

By JOY MILLER AP Women's Editor NEW YORK (AP) — Some women writers get a specialty — child care, potted plants, potted husbands — and turn out book after exhaustive book until the subject is run dry. You can't say that about Pauline Innis. Frustrated in love — only as a subject, mind you — she wrote a book on the U.S. hurricane hunters. While tramping the Alaskan tundra in search of whistling swans for another literary opus, she decided to write "Ernestine, or The Pig in the Potting Shed," a memoir about a porcine pal of her British girlhood. "Ernestine" made a successful debut in October and now what is Mrs. Innis working on? A book on nuclear submarines.

English Woman Pauline Innis is a tall, blonde, 30ish Englishwoman with a hearty laugh and an irrepresible urge to tell funny personal anecdotes in which, often as not, she's the butt. An active Washington club-woman, Mrs. Innis nonetheless can't resist wild jaunts, such as going aboard Polaris submarines and traveling the Andes Mountains on muleback with the Argentine army. "I was paralyzed with polio at 3," she recalls without a trace of self pity. "It was 10 before I could really walk. Probably that's why I want to go on adventurous things to make up for it." Came To U.S. In 1952 She first came to this country in 1952 to study family legislation for the British government. Back home and widowed shortly after, she came in 1954 to be director of Friendship House's day camp center in Washington. "I met my husband at the English Speaking Union and immediately told him how superior the British Navy was. He spent years telling me how superior the U.S. Navy was. When I was doing the book about the Navy's hurricane squadron and I wrote him how wonderful the U.S. Navy was, he thought he'd won a major battle." Her husband of four years, Walter Dean Innis, is a retired rear admiral in the U.S. Navy. As part of her research in

Holiday Food Abundant At Appropriate Time

By MRS. INGRID BARTELLI Consumer Marketing Information Agent, Michigan State University There is probably no time of year when we move more groceries into our homes than at holiday time. December, preceded by Thanksgiving and followed by New Year's, is the "eating" month of the year. The list of foods most abundant this December reads like a holiday menu—beef, pork, turkey, nuts, apples and cranberries. This will make it possible to eat in holiday fashion without spending too much more than usual on food. The beef market will be under considerable pressure the next few months; first, because of the greater number (10 per cent more) of cattle on feed than a year ago. A good share of these cattle are heavy cattle, which means they must be sold by January or February. The beef market also will reflect pressure from generous supplies of other meats—hogs and turkeys at their seasonal peaks of marketing. Pork Prices Low This all adds up to the possibility of most attractive meat purchases if you maneuver your money. Because of the season, certain cuts of meat have more glamor for the holiday table than others—rib roasts, sirloin tips, etc. These cuts will demand the most money per pound, while the less glamorous beef chunks, ground beef, pork butts, etc. will beg for buyers. December and January will be excellent times to stock up on some of these cuts in less demand for your freezer. Pork prices have probably hit their low for this season, but remember pork chops (center cut) will always demand a higher price than pork steak. But now when they're at their seasonal low, even center cut pork chops will sell for 11 to 12 cents below their average yearly price. By far, the greatest number of turkeys are sold for Thanksgiving and Christmas than for any other time of year; consequently, the price advantage is greater at these periods. If you wish to stock up on turkey at holiday prices for your freezer, choose the ones that are still firmly frozen. You may wish to buy the larger bird so you get it at the lowest price per pound and also get the greatest yield of meat in proportion to bone. In this case, you may wish to have the butcher saw the bird in half for you. It still makes a festive roast when placed over a mound of dressing. Dealers Feature Chickens Broiler-fryer chickens won't be in the limelight, but dealers will feature them occasionally at prices that will lure you to their stores to do your shopping. Look for bargains in nuts. The combined crop of pecans, walnuts, filberts and almonds is 80 per cent above last year, 38 per cent above the five-year average and 14 per cent above the previous record high crop of 1961. You may not see too much price change until after Christmas, when an effort is made to move what's left. Nuts keep well when frozen either in or out of the shell. The first price cuts are most apt to come on shelled pecans and walnuts. Cranberries and apples head the list of most abundant fresh fruits. Apricots and raisins are in heaviest supply of the dried fruits.

Vegetables Abundant For fresh vegetables, we look to our "winter gardens" in the south and west. We can expect excellent quality cabbage, broccoli and cauliflower. Celery shipments are heavy both from Florida and California. The frozen vegetable counter will be heavily supplied with "average" supplies of corn, lima, peas and snap beans. There is a real challenge in food shopping in December—more feasting, more company, with "full fare" most of the time. Yet, if we are precise in our shopping, we need not spend more than during any other month of the year. Homemaking Tips Delicious topping for vanilla ice cream: sliced frozen peaches mixed with frozen raspberries. Defrost the fruit before serving time according to package directions and then swirl together in a glass bowl. Marinating stewing beef in red wine helps to tenderize the meat and also helps to give flavor.

DRINK YOUR APPLE-A-DAY In the Refreshing Apple-Keg Way FAMOUS FOR ITS Orchard-Fresh Flavor

Sawyer Religion School Staffed By AF Personnel

The Catholic Chaplains Fund supplied the 23 classrooms of the Confraternity of Christian Doctrine's school of religion at K. I. Sawyer Air Force Base at the request of the spiritual director, the Rev. Boleslaus P. Karpowicz. This year, these 23 classrooms are staffed completely with Air Force personnel. An Air Force policy concerning religious instruction places the responsibility of religious instruction on the laity. Last year, four of Our Lady Victory Sisters from Garden, assisted by lay teachers from Sawyer, conducted the religious training program. This year, under the leadership of Col. Howard Ball, 25 teachers and 25 teacher assistants are in charge of the religious program. Monthly Meetings Assisting Col. Ball are Mrs. John McAvoy, principal of the elementary school of religion, and her assistant, Mrs. Joseph Lipsky and Capt. Francis D. Driscoll, who is principal of the high school religion classes. Monthly teachers' meetings are held with the spiritual director, the principals and the teachers, at which achievements and modes of improvements are discussed. The 440 pupils of the school of religion study attend religious series entitled "On Our Way," by W. H. Sadtler, Inc., a series used throughout the Air Force. Visual aids — film strips and flannelgrams — coordinated with the series supplement the text books. Attendance is recorded each week and reported to the parish in each Sunday's church bulletin. Frequent absences of a pupil alert a group called Fishers — working under the direction of Major Robert Feldscher — who contact the home of the pupil and investigate the reasons for his absence. Events On the Dec. 19, seventeen members will participate in a Christmas program with a background of choral music from the 92-voice CCD junior choir under the direction of Capt. Kathy Kelly. On Christmas Day, a ceremony initiated at the base last year by Fr. Karpowicz will be repeated. At the offertory of a special children's Mass, each child will bring to the altar his gift to the Christ Child — a card of prayers and good deeds offered by him in a written pledge of devotion. This proved last year to be a very impressive measure toward instilling the true spirit into Christmas, a school spokesman said. "I ask the girls why it is that they would rather work out of the home eight hours a day than to work in the home for two hours a day and have the rest of the day to themselves, but they say they want the money." And why would a girl worry about money if she has all the food she wants to eat, and has clothes to wear, and a nice home and a husband? "I think she must want her money for gambling," says Saleh. "If she has everything, she doesn't need money." Sometimes Saleh gets so homesick for a home life that he calls his family in Arabia just to have a chat. "The last time I called, it cost \$103 but it was wonderful to talk to everyone in the family," he says. Saleh has entertained the idea of going back to Arabia. But as he points out, he likes it here, and chances are he will stay here, — if he can find a wife.

Trowbridge Park Church Plans Bazaar Tuesday The Mission Club and Sunday school of Trowbridge Park Covenant Church, corner of Fair and Ontario Sts., will hold a bazaar in the church basement Tuesday, beginning at 11 a.m., and continuing throughout the afternoon. Fancy work, baked goods, candy, toys, clothing and other items will be available. Cake and coffee will be served during the afternoon. Donations may be brought to the church Monday evening or Tuesday morning.

Exchange Student Hunts For American Wife BY VIVIAN BROWN AP Newsfeatures Writer Saleh D. Mohamed 21, can't find a wife. Imagine — "It's because all American girls want to get married and work, too. It's no good. I cannot understand this," says the Arabian boy who came here as an exchange student three years ago. He attends Erasmus High School and next year will go to Columbia University. Meanwhile Saleh lives in Brooklyn, and does his own cooking or eats out. Right now he has a new garden apartment that costs him \$90 a month. "A man without a woman is no good," Saleh explains. "The reason to get married is to have someone take care of things for you. Saleh is industrious and saves money. He has made out well in the United States driving a taxi cab. His father keeps insisting on sending him money, even though Saleh writes that he doesn't need it, and sometimes returns it. "I love the United States. It has been good to me. I would stay here forever, and want to, if I could just understand the women," he says. He is an attractive young man with dark, curly hair, and he has caught on to thoroughfares and dodging crowds as he drives. "I tell the ladies that I like the food here, so they would not have to cook Arabian style. But the girls don't seem to

Lake Trout Rehabilitation

A recent Mining Journal story narrated the prosecution and meting out of stiff fines to three men involved in a Lake Superior lake trout "black market" ring.

A Michigan Conservation Department comment that "such . . . trafficking could result in a serious setback to the lake trout rehabilitation program" points up the fact that this program is entering its crucial period. Once sea lamprey control became imminent, heavy stocking of lake trout began. This stocking was not intended to provide fish for commercial and sport fishermen, but instead was meant to build up a broodstock which would spawn naturally. Only such natural spawning could economically provide the billions of young fish needed to successfully repopulate a lake the size of Superior.

These stocked fish, the survivors of several million hatchery reared fingerlings, are relatively few in numbers considering the job at hand. A few of the earliest plantings are now reaching spawning age and larger numbers will become mature in the next few years.

Recognizing the need for protection of this precious broodstock, the Great Lakes Fisheries Commission, an international agency created to oversee the restoration of Great Lakes fish stocks, called upon conservation agencies on both sides of Lake Superior to close the lake to commercial fishing for lake trout. This was done in 1962.

But the commission's own scientific advisors recognized that some lake trout would have to be taken as a scientific sample. Vitaly needed was information on lamprey scarring rates, trout abundance and the survival rate of specific plantings. A system was devised whereby certain commercial fishermen, selected largely on the basis of their demonstrated past willingness to keep accurate records, would undertake limited fishing under tight control to obtain the sample. The fish could be sold to help defray the cost of the sampling. Some excluded fishermen, perhaps understandably, have been vocally bitter.

Some of the commission's scientists have expressed concern that the sample might be too large and thus delay the trout comeback. Commission statisticians reply that the sample can be no smaller and still yield information of the desired accuracy.

Concern also has been expressed over the impact of sport fishing on the critical lake trout stocks. No one knows how many trout are removed by sportsmen, but fisheries men suspect the number may be surprisingly large. Sportsmen now fish on a no size limit, no bag limit basis in Michigan Great Lakes waters and can even legally sell lake trout taken through the ice. The conserva-

tion department is currently asking the Legislature to give it authority to regulate the sport as well as commercial fishery in the Great Lakes.

In summary, the situation is this: As the expensive planting program progresses, lake trout are becoming more abundant and thus more available to fishermen's nets and sportsmen's hooks. Some commercial fishermen are bitter at being excluded from the sampling program and a few may be tempted to cheat, particularly since economic troubles beset the fishing industry. Sportsmen may be expected to step up their fishing activity as lake trout stocks grow and fishing success improves.

Yet any taking of lake trout beyond that necessary for the already uncomfortably large scientific sample will be at the expense of the critically important brood stock generation.

Thus it seems to us that lake trout sports fishermen would be serving their future well to lend support to the idea of proper regulation of their sport. It also seems to us that commercial fishermen, restaurateurs, consumers and any others who knowingly traffic in illegally taken lake trout are doing themselves and their fellow citizens of the Upper Peninsula a serious disservice and should be prosecuted to the fullest extent of the law.

Grant For Tourism

After the Marquette City Commission twice this year declined to offer financial support to the Upper Michigan Tourist Association, the Shiras Institute Wednesday voted to grant \$500 to the organization to help it promote the Upper Peninsula as a tourist region. The association had sought to obtain a grant of \$780 from the city for the fiscal year 1963-64 as Marquette's share of the UMTA operating budget. The commission turned down the request, despite the fact that the UMTA helps bring additional revenue into Marquette by promoting tourism and despite the fact that the UMTA has its headquarters in Marquette. In view of the commendable action by the Shiras Institute, it would appear that the least the city commission could do would be to match the institute's grant.

If the city commission matches the Shiras Institute grant, UMTA will be eligible for a state grant of 80 per cent of the total local grant—or \$1,800 for an investment by the city of only \$500.

Funeral Thoughts

Dear Sir: It is hard to believe that, in a country where everyone is blessed with a hope for freedom, guaranteed by its Constitution, to express his individual thoughts freely, to better the lots of others and himself; in a country founded with such hardship to assure the individual rights of everyone to live by the dictates of his conscience in the dignity which God intended for him that such bitter seeds of hate can be planted and nurtured, that they can erupt in senseless, brutal violence, shattering the very foundations of our civilized society. Society is only as strong as its weakest member. This nation was not founded on bigotry, hate, intolerance, greed and falsehood. We have let them creep in like weeds choking out decency, truth, honor, hope, faith and love and tolerance for our fellow man. God help us to come to our senses and see our conscientious duty to respect the dignity of every member of our society. God creates us all equal; none of us have the right to belittle, torture, betray or destroy what He has created. My thoughts while viewing the funeral of former President J. F. Kennedy.

60 Years Ago

—Marquette— Thanksgiving will be remembered by the inmates of the Marquette Branch of State Prison for some time to come as a day affording a pleasant break in the dull monotony of convict life. The feature was a big dinner, prepared under the careful direction of Chef Deagon and served, as a special concession to the men, in the chapel. The system of cell feeding prevails at the prison, and yesterday was the first time in some years that the convicts had eaten together.

—Ishpeming— The 13th annual Thanksgiving Eve ball given by the Ishpeming Fire Department Wednesday night was voted the most successful the firemen have ever held. In point of attendance, it surpassed all previous records. It is estimated that nearly 1,000 people visited the ball during the progress of the party. The

30 Years Ago

—Marquette— M. J. Sherwood of Marquette was elected president of the Marquette County Bar Association at its annual meeting held yesterday morning prior to the opening of the Marquette County Circuit Court. John Walsh of Marquette was named secretary and Thomas Clancy of Ishpeming, treasurer.

Marquette's civil works "army" began its march Monday morning, 181 strong, starting work on three improvement projects in different parts of the city under the CWA.

—Ishpeming— Seventy-five men will be put to work Tuesday in Ishpeming as the municipal betterment program being undertaken by the city in cooperation with the civil works administration gets under way here.

Another contract bridge match will be held in the Mather Inn Dec. 4, and the increasing

big dancing surface, 97 by 52 feet, was crowded during the entire evening. Fully 300 couples were on the floor during the round dances, while a constant stream of spectators who did not participate in the dancing passed in and out of the hall until long after midnight.

—Negaunee— There was an entire absence of holiday festivities to mark Thanksgiving Day in Negaunee. Many of the merchants closed their stores in the forenoon, and in the afternoon all business was suspended. Nearly everyone was contented to spend the day quietly at home. Many missed the annual turkey shoot which had been a feature of Thanksgiving Day as long as many of the younger generation can remember. The price of turkeys may have had something to do with cutting out the shoot this year.

popularity of these affairs indicates that a large number of players will participate. Several Culbertson hands in contract bridge will be played. Reservations may be made by telephoning Miss Beatrice Sedgwick.

—Negaunee— The annual report of the Marquette County Board of Supervisors for the fiscal year 1932-33, which has just been published here, shows that indigency in the City of Negaunee has been far greater, on the basis of population, than in the neighboring cities of Ishpeming and Marquette.

The Upper Peninsula offices of the Michigan Inspection Bureau, located over 40 years in Negaunee, will be moved next week to Marquette, according to a statement made today by H. W. Trembath, Manager. The bureau has for a number of years occupied quarters on the second floor of the First National Bank Building.

A Third Assassination

The National Whirligig News Behind The News

By ANDREW TULLY

WASHINGTON—It is amusing, in a horrible kind of way, to witness the mass squirming in the Senate these days whenever someone suggests that perhaps members of Congress should come clean on their financial holdings. Listening to the deadpan bleat of Sen. Everett Dirksen (R., Ill.), you'd think there was a plot to disenfranchise the poor souls.

Bills to require such disclosures, sponsored by a clutch of bipartisan wishful thinkers in both houses, probably still don't have a chance. But the uproar over the varied financial enterprises of the resigned Senate majority secretary, Bobby Baker, at least has spawned a new round of debate on the subject.

Delightful Nonsense Dirksen, whose larynx is lubricated with molasses, is always entertaining on the Senate floor, whether or not he makes sense. On the matter of giving the public a peek at his bankroll, his tones still ooze with sanctimony, and his delivery is impeccable, and yet he is not quite convincing in his self-appointed role of a martyr standing up to the mob. He bleeds, but the spectacle is akin to the harrowing sight of a millionaire bewailing the fact the ash tray in his Rolls Royce is full.

Harking Ears Sadly surveying arguments for the disclosure plan, Dirksen hollers that "I did not give up my citizenship when I came to the Senate. I do not propose to do so. Public office would not be worth it." But Dirksen is an intelligent man capable of flashes of brilliance, and he knows he is talking delightful nonsense. It is his way of sounding good on the record.

Just Looking, Thank You! If you play the game, rule No. 1 is not to announce your intention upon entering the store. Go in casually. You are "just looking, thank you."

The next move is to price one or more items, depending upon how much time is left. Then start to leave. Now is the time to start to work.

Be On Guard "Oh, by the way, how much are those old pewter candlesticks?"

The dealers, relieved to learn the actual object of affection, quotes a price. There may be discussion, offers, counter-offers before the ultimate sale.

A bit of advice—be on guard. A shopper once entered a store with the intention of working up to a quotation on a large mirror in a gilded frame. Observing rule No. 1, she asked the price of the first object in sight, an enormous bookcase. Then, stunned by an unexpectedly low price, she forgot her battle plans and bought the bookcase. The bookcase now covers the spot where the mirror would have gone.

tion's faith to have a defense secretary ruling on contracts with a sheaf of General Motors stock in his pocket.

But if a Cabinet member's position is too sensitive to permit him any secret interest in a company doing business with the government, so is that of a member of Congress. The executive branch proposes, but it is Congress that disposes by appropriating the money to pay the bills submitted by those doing business with the government. And in the past members of both houses owning oil or railroad or insurance stocks have lent a friendly ear and a willing vote to the legislative proposals of those interests.

Dirksen is found of saying that members of Congress are "screened by the electorate," whereas executive appointees are not. He means senators and representatives have to get elected every so often, which is fortunately true. But when a member of Congress goes before the voters to defend his record, including a vote for the 27½ per cent depletion allowance for the big oil companies, he is not required to announce that his nest egg includes 10,000 shares of Texaco stock.

That is the situation that would be corrected in the disclosure legislation offered by senators like Clifford Case (R., N.J.), Joseph Clark (D., Pa.) and Maurine Neuberger (D., Ore.). It would do more than force members of Congress to come clean on their financial holdings. It would protect from the suspicion deepened by the Bobby Baker case those legislators who are already clean and yet must live under the same cloud as their less principled colleagues.

Antique Shopping

By LOUIS MILLNER

NEW ORLEANS, La. (AP)— Antique shopping is one of the hazards a husband must expect when he takes his wife to a convention in New Orleans.

Antique stores are not on the sightseeing tours but any woman can find them.

Pricing Spinning Wheels Set a woman down in an uncharted wilderness and in a few minutes she can be found pricing spinning wheels at Ye Olde Shoppe in some hamlet. Place her blindfolded in New York City and soon she will be at a 3rd Ave. antique shop.

By the time the husband has found the convention headquarters here and has an identification label pinned to his coat lapel, his wife already has window-shopped half a dozen stores and earmarked items for further consideration.

A Game With Rules While the delegate is being exhorted by the convention speakers to put his shoulder to the wheel or help put his house in order, the wife is rummaging through silver inkwells, brass firescreens and marble-topped tables.

Among some groups, antique

New Soviet Weapon

By JOSEPH ALSOP

WASHINGTON—The Soviet anti-missile missile, so ostentatiously displayed in Moscow on the recent anniversary of the Russian Revolution, is a remarkably interesting piece of hardware, for a whole series of reasons.

Simply as hardware, to be sure, this new weapon is not intimidating. Its characteristics have now been analyzed, with minute care, by the American experts, and there is little remaining doubt that it is at least marginally inferior to its American equivalent, the Nike-Zeus.

Would Intercept Outside The Atmosphere The shape of its fins proves (only the experts know how!) that the Soviet anti-missile missile is designed for last minute interception, after an enemy ICBM has already entered the atmosphere and is therefore very close to its target. Its configuration also proves that its acceleration from take-off is poorer than that of the Nike-Zeus.

As may be recalled, Secretary of Defense Robert McNamara some time ago decided that Nike-Zeus was not good enough to be put into large-scale production. He therefore ordered the research-and-developers to go to work on Nike-X. This more advanced missile will be much more fool-proof than Nike-Zeus; it will intercept outside the atmosphere and it will have other advantages as well.

There is no reason to suppose, however, that Marshal Rodion Malinovsky has the same views about his new anti-missile missile as McNamara has about the Nike-X.

Parade display of a new weapon in the Soviet Union has generally been the prelude to quantity production. And it is just about certain that the Soviet Defense Ministry is now pushing hard for quantity production of the new anti-missile missile just as the U. S. Army pushed for mass production of Nike-Zeus.

Cost Estimated At 12 Billions The estimated price-tag on mass deployment of the new anti-missile missile is a cool 10 to 12 billion dollars. Furthermore, since the missile intercepts only at relatively low altitudes, mass deployment would not make sense without another three billion dollars or so, to be spent on shelters giving protection from the fallout of the intercepted enemy missiles.

If the Soviets decide to pay the staggering price for mass deployment of their new weapon, the U. S. will merely have to invest a bit more in fooling devices, to help our Minuteman confuse the defense, and on more Minutemen to saturate the defense. But the record shows, as noted above, that this kind of argument has little weight with the Soviet Defense Ministry, even if it impresses the civilian leaders of Russia.

Hence, it is also just about certain that the Soviet anti-missile missile is not just a new weapon, but also a gigantic bone of contention. It has to be a bone of contention since Soviet resources are gravely overstrained. A decision to go ahead with mass output of this new weapon will in fact increase the strain to the point of producing dramatic political effects.

Confronted By Clear Choice The need to make this decision coincides, moreover, with the need to make another even more grave decision. In order to solve the increasingly acute Soviet agricultural problem, Nikita S. Khrushchev has been talking about a crash program to increase Soviet artificial fertilizer production to 25 million tons per year, at a cost, according to Khrushchev, of \$20 billion.

Thus, the Soviet leaders are now confronted by a clear choice between an immensely costly new military program and an even more costly program of civil investment which is desperately needed to correct the growing imbalances in the Soviet economy. It is a case of doing one thing or the other, for it is certainly impossible for the Soviets to do both.

The final Soviet choice will become known soon after the agricultural plenum of the Central Committee convenes in Moscow on Dec. 9. Meanwhile, it is already clear that the choice is proving difficult and even agonizing.

An Almost Open Incitement The Chinese Communists even appear to hope that the agony may spur the Soviet military leaders to overthrow or overrule Khrushchev and his allies in the Politburo. In truth, the latest Peking attack on Moscow, which has been widely misinterpreted, is an almost open incitement to the Soviet marshals. Khrushchev is viciously denounced for wanting to "disintegrate" the Soviet armed forces. The intention is obvious.

On the other side of the balance sheet, there are reports that Marshal S. S. Biryuzov or another Soviet leader more pliable to Khrushchev's will.

Whether or not this extreme expedient is adopted, Khrushchev is on the whole expected to get his way by the American demagogues. But no one can be sure, as yet, about the outcome of this Kremlin debate which really affects the whole world.

New President's Talents

By JAMES MARLOW

Associated Press News Analyst

WASHINGTON (AP)—If President Dwight D. Eisenhower's record with Congress looked good at all—in getting things done and programs through—he owed a lot of thanks to Lyndon B. Johnson, the new President.

For six of Eisenhower's eight White House years the Democrats ran Congress and Johnson, a man of tremendous drive, ran the Senate. This tall Texan was the most effective Senate leader in the century, probably in history.

He Did His Homework It was not the result of personality. He lacked the immediate charm of President John F. Kennedy. He was not a distinguished speaker. But he did his homework and did it prodigiously.

Because he is that kind of man, he will work enormously at the presidency. Any mistakes will be mistakes of judgment. They won't come from lack of trying.

Master Of Detail He was a master of detail. He knew where every senator stood on every issue and, before voting time, where every senator was or was going to be. He befriended all of them when he could and thus was able to expect their support when he needed it.

His egotism, and he has a lot of it, didn't stand in the way of his accomplishment. Because the egotism is a natural part of him, he carries it into the White House with him.

No Doubt About Who's Boss Just because of his egotism—because it makes success necessary for him—he will be hard-driven to succeed. When he is in charge, there is never any doubt who is boss. He showed this in the Senate.

While it was resented by some of his fellow-Democrats—particularly the liberals—it was one of the keys to his effectiveness. He can't leave this part of his nature behind him at the White House door either.

Faces New Challenge Johnson, sensitive to criticism, will now, like any other president, get a lot of it. His Senate years prepared him for it, although he may not take it lying down.

Johnson proved himself a master of politics and of handling men in his Senate years. But handling foreign affairs has been outside his experience. He faces here a new challenge in which to prove himself.

Art Of Compromise Of all the leadership arts he

used in the Senate—a place full of prima donnas with strong feelings on many issues—the one Johnson used most visibly was compromise, like grease to get a bill through warring factions.

His technique was to get both sides to make some concessions, even though both sides were less than pleased with the result. For example: It happened once in a struggle between Southern Democrats and Northern liberals.

Civil Rights Issue At the end the captain of the Southerners, Sen. Richard Russell, D-Ga., said it was a sad day. The captain of the liberals, Sen. Paul Douglas, D-Ill., called it a victory for the South.

But it was Johnson—and not one but Johnson could have done it—who steered through the Senate the first two civil rights bills since Reconstruction days in the 19th century. They weren't much, but they opened the door to stronger measures later.

Kennedy this year wanted a stronger one. Johnson supported him. Since he is no longer in the Senate, one of the first big steps of his presidency will come on the civil rights issue.

PERFECT RETORT

Should Chief Justice Earl Warren ever yearn for high diplomatic assignment from his country, he has proved himself eminently qualified.

Rep. Robert T. Ashmore, South Carolina Democrat, is pushing a bill to have "In God We Trust" inscribed above the Supreme Court bench. His purpose is clear—to involve in a religious argument the court which has been imposing the principle of equality in the brotherhood of man on the South.

Asked for his opinion by the Capitol architect, Chief Justice Warren has replied he would approve of no changes which might upset the "beauty and symmetry" of designs in the court of last resort. He showed dignity and restraint commensurate with his post by not involving it in theological dispute.

He might have done otherwise. He might have advised some congressmen to look into their own hearts rather than profane a slogan when seeking guidance toward justice for all. —Detroit News.

Tax Bills Mailed By City Treasurer In Ishpeming

ISHPEMING — Tax bills will be mailed to 2,547 property owners today by William Hickey, city treasurer and tax assessor. The 1963 taxes are payable starting Dec. 2 at the city hall. Office hours are from 8 until noon and from 1 until 4 p.m. daily except Saturday when the hours are from 9 a.m. until noon. A two per cent penalty will be added after Jan. 19, 1964, until Feb. 10, 1964, and one half per cent per month for payments after that date. This year the city and county taxes remained the same as last year, while the school district increased its rate by 45 cents per \$1,000 of valuation. The total tax rate is \$56 per \$1,000 valuation. The rate is made up of the following: County, \$10.33; intermediate school district, 17 cents; school, \$18.30; school bond, \$5.65; city general, \$17, and city capital improvement, \$5. The total amount of taxes to be raised will be \$1,113,081.10.

Yank Craftsmanship Better Than Ever, But Charges Of Poor Workmanship Heard

NEW YORK (AP)—How good is the label, "Made in U.S.A.?" Despite recent criticism of the defense and space industry, manufacturers say American craftsmanship is better than ever. But some corporation and government officials have been disturbed over charges of shoddy workmanship in the nation's space and nuclear submarine programs. Is the criticism justified? In some cases, say industry sources contacted in an Associated Press survey. But the overall success of America's nuclear and man-in-space programs, they say, indicates that industry is meeting the challenge. Perhaps the toughest critic of American industry is Vice Adm. Hyman G. Rickover, the Navy's atomic expert. He has charged that the nation's factories are not meeting the challenges in his field—nuclear submarines. Poor workmanship, Rickover said recently, plagues the atomic-submarine program. Many of the problems, he said, are with conventional parts: Parts delivered late, parts not made to standard, or made of the wrong material. Management Not On Scene Rickover said management should shoulder most of the blame. "Too often," he said, "management is content to sit in plush offices, far removed physically and mentally from the design and manufacturing areas, relying on paper reports for information about the status of design and production in the plant itself—the real center of the enterprise." "Much of American industry," said Rickover, "does not know what is going on in its plant." Asked about this, one manufacturing representative replied: "Quality Control" "The admiral is going to have to be a hell of a lot more specific before anyone can answer these charges. This is some thing every manufacturer is constantly struggling with. I don't know any who wouldn't agree that there is a need for better quality control. No manufacturer wants to turn out a bad product." "Quality control," said Roger Gay, managing director of American Standards Inc., "has become a profession. Probably more new work is going on in this area than in any other." The marvel, said another industry source, is that American industry does as well as it does—considering the speed, complexity and varying quality of modern production. In Detroit, Chrysler Corp. cited a reliability record of 95 per cent for its Redstone missile and a perfect showing for its Jupiter missile. "Both programs," said Chrysler, "were completed on schedule and with a reliability unsurpassed in industry." Ford Motor Co. estimated recently that a large auto maker turning out 10,000 cars a day faces 12 billion chances daily to make a mistake. "Good engineering, controlled manufacturing processes and well-trained employees overcome the odds," said Ford.

'Loyalty, Stewardship' Service To Precede Calls On Wesley Parishioners

ISHPEMING — Sunday, Dec. 1, will be observed as Loyalty and Stewardship Sunday at Wesley Methodist Church. Members will be asked to pledge their gifts for the support of the church's 1964 budget presented and approved at the November meeting of the official board. Heading the "Every Member Visitation" program have been Spencer Heiden and Carl (Cap) Johnson, together with Stanley Williams, chairman of the commission on stewardship and finance. Loyalty Sunday will be observed with the pastor preaching a sermon entitled "Radioactive Christians" at the 11 a. m. worship service. During the service, the teams of callers who will visit in the homes of the congregation during the day will dedicate themselves to the task. Calls will begin at 2 p. m. Following the service, workers will attend an instructional meeting in the fellowship hall of the church. Preceding this period of instruction will be a luncheon served by the Women's Society of Christian Service. Persons taking part in the "Every Member Visitation" are Herman DeWolfe, Mr. and Mrs. William Thomas, Mr. and Mrs. Spencer Heiden, Mrs. Harold Sundberg, Mrs. Bernice Williams, Mr. and Mrs. Arthur McCoy, Mrs. George Thompson, Mrs. Edith Jones, Mr. and Mrs. Charles Phare, Mr. and Mrs. George Annala, Mrs. Lyda Williams, Mrs. Alger Mudge, Mr. and Mrs. Walter Bath, Mrs. Gene Goodney, Mrs. Merle Lehman, Mr. and Mrs. Eino Lehtinen, Fred Benzie, Kenneth Lindberg, Raymond Boase, Stanley Williams, Fred Lindstrom, Clarence Penrose, Mrs. Lillian Holman, Mrs. Cecilia Wahlman, Mr. and Mrs. Charles Mitchell, Mrs. Robert Waters, Mrs. Leo Rickstad, Mrs. Ralph Magnuson, Mrs. Robert Gummerson, Mr. and Mrs. Clarence West, George Quaal, James Kemp, Vincent Malmstrom, Stanley Lindberg Jr., Jim Jenkins, John Wood, Mrs. Frank Leone, Mrs. Woodrow Gleason, Mrs. Velma Shimmis, Mrs. Henry Mason, Mrs. Charles Smith, Mrs. Elizabeth Paul, Lawrence Swanson, Ellsworth Mitchell, Mr. and Mrs. Stanley Bath, Al Siam, Allen Perry, Mr. and Mrs. Robert Markert, Ed Olsen, Edgar Holmgren, Mrs. Alfred Allen, Mrs. Edith Perry, Carl Johnson, Maurice Hager, Mrs.

71-Year-Old Resident Of Alger Dies

MUNISING — Thomas McNally, 71, Route 1, Connors Road, Munising, died suddenly Wednesday at 6:30 p. m. at his home. Mr. McNally was born Aug. 14, 1892, in Woodbridge, Ontario, Canada, and had resided in the Munising area since 1910. He had been employed by Kimberly-Clark Corp. in its Munising plant from 1934 to 1959, when he retired. Surviving are five sons, Clifford, Raymond, Wayne and John of Munising and William of Muskegon; eight daughters, Mrs. Walter (Margaret) Gursky, Mrs. Merele (Dorothy) Karr and Mrs. Walter (Katherine) Kolbus of Munising, Mrs. Theodore (Isabelle) Hebert, Mrs. Albert (Marion) Odefer and Mrs. Rodney (Marilyn) Milatovich of Detroit, Mrs. Thomas (Darlene) LaCombe of Virginia Beach, Va., and Miss JoAnne McNally of Muskegon; four brothers, Lawrence of Sundell, Frank of Battle Creek and James and Raymond of Trenary; three sisters, Mrs. William Eddy of Newberry, Mrs. Grover Jackson of Detroit and Mrs. John Trilford of Chicago, 44 grandchildren and five great-grandchildren. The body is in the Bowerman-Hallifax Funeral Home, where friends may start calling at 7 Saturday night. Services will be held at the funeral home Monday at 2 p. m. with the Rev. Ralph Hill officiating. Interment will be made in Maple Grove Cemetery, Munising. Escorts will be Jacob Johnson, Henry Schierschmidt, Herman Monette, James Knox, Louis Herman and Al Bonner.

Programs For Advent Season Set

ISHPEMING — The Advent season will begin at Wesley Methodist Church Sunday, Dec. 1, with appropriate Advent worship services. The first Sunday in Advent has been designated as Loyalty Sunday and pledges will be made towards the support of the church's financial program. Special programs to be included in the church schedule during the Advent season include: Women's Society of Christian Service Christmas dinner Wednesday, Dec. 4, at 6:15 p. m.; the Christmas choral program, presented by the sanctuary choir composed of the youth of the church and under the direction of Robert Hampton, and the Wesley choir, directed by Arthur Hammar, will be held Sunday, Dec. 15 beginning at 7:30 p. m. A church school program will be presented Sunday, Dec. 22, at 3:30 p. m. Mrs. Arthur Hammar is in charge of the youth department program to be presented at this time. It is entitled "Unto the Least of These My Brethren." The nursery, kindergarten and primary departments also will take part in the Dec. 22 program. The Advent season will be climaxed with traditional Christmas Eve services beginning at 10:45 p. m.

5 Area Engineers Granted State Board Registration

ISHPEMING — The Michigan State Board of Registration for Architects, Professional Engineers and Land Surveyors announces that it has granted registration to five area men as professional engineers. In order to qualify for registration, the engineer candidates were required to pass a 16-hour examination. All candidates were required to have a minimum of eight years of qualifying experience and college credits in their respective field in order to write the examinations. These newly registered men have been granted the privilege of using the title of registered professional engineer in their field. Among those registered who reside in Marquette and Alger Counties are: Martin J. Marin, 218 Maple St.; Reno P. Norell, 294 Juniper St., and James J. Ombrello, 815 N. Pine St., all of Ishpeming; Rudolph E. Keltto, Route 1, Box 399, Munising, and Donald L. Kero, Box 88, Palmer. To give further public recognition and a formal welcome into professional status, these newly registered professional engineers have been invited by the Architects, Professional Engineers and Land Surveyors Council on Registration through the chairman, Frederick J. Schoettley, to receive their certificates at a meeting Dec. 7 of the Engineering Society of Detroit. This meeting is sponsored by APELSCOR so that the members of the family and friends can be present when these new registrants are presented with their certificates by William H. Harvie, chairman of the Michigan Board of Registration. A coffee hour is to be held following the formal certificate presentation to enable the new registrants to meet both old and new members of the profession, Schoettley announced.

Four Fined In Munising Deer Theft

MUNISING — Five Munising men were arrested here, two on charges of petty larceny and three on charges of aiding and abetting the commission of a petty larceny, in a case involving the theft of a buck deer in downtown Munising Tuesday night. City police and conservation officers cooperated in the investigation of the case after Bruce A. Kyser, Laurium, reported the theft. Kyser returned home from a hunting trip in Lower Michigan, he was forced to remain in Munising overnight because of motor trouble and parked his car on Munising Ave. At 9:45 the next morning a deer he had on the car was gone. Charles Nelson and David Seymour paid fines and costs amounting to \$30.40 each when they were arraigned before Judge Walter Jonas on the charge of petty larceny. Arrested on the "aiding and abetting" charge, George Anderson and Keith Miller also paid \$30.44 fine and costs each. The fifth man allegedly involved in the case, Ronald Martell, entered a plea of innocent and posted a \$50 bond. A date for his trial has not been set. Gary Peters Named AL Rookie Of Year

BOSTON (AP) — Persistent Gary Peters, the left-hander who began to feel like a yo-yo between the minors and the Chicago White Sox, was named the American League Rookie of the Year for 1963 today, beating out teammate Pete Ward.

The 26-year-old Peters received 10 of the 20 votes cast by a committee of the Baseball Writers Association of America.

Peters, the first White Sox rookie winner in half a dozen years, wouldn't have drawn a single vote had the balloting been conducted at mid-season.

Peters wound up with a won-

lost record of 19-8, and had an earned run average of 2.33—tops in the league for starting pitchers and bettered only by Dick Radatz' 2.03 figure for the Boston Red Sox.

He also pitched 13 complete games and had four shutouts. He struck out 189 batters in 243 innings while allowing only 68 walks.

Ward, Canadian-born, 24-year-old, was Chicago's biggest offensive weapon, leading the White Sox in practically every hitting department.

He batted .295 in 157 games, hit 22 home runs, drove in 84 runs, had 177 hits and scored 80 runs. His 34 doubles ranked him second in the league.

Hall, whose slim build belies his hitting power, slugged 33 homers for a freshman record and had 80 runs batted in to go with a .260 average.

Cleveland outfielder Vic Davalillo, the littler speedster from Venezuela, was eliminated from rookie honors consideration after breaking an arm midway through the season.

Heisman Trophy Winner Staubach Grid Perfectionist

ANNAPOLIS, Md. (AP)—Roger Staubach, Navy's exciting quarterback and 1963 Heisman Trophy winner, is a football perfectionist who works as hard keeping his skills sharp as he did in acquiring them.

Almost any afternoon after practice, he can be seen on the field working individually on some phase of his game.

He may be taking handoffs under center, sharpening his passing with two or three receivers who stayed to run a few more patterns, or sprinting to build up wind for those loping, easy runs that are so deceptive and have demolished many enemy defenses this fall.

His favorite pastime during summer leave is passing a football with friends.

"You'd think he was a kid trying to make the team instead of being one of the best football players in the country," an observer said one day recently as Jolly Roger sailed through a few extra wind sprints after practice.

The Heisman Trophy board took him out of the class of "one of the best" Tuesday. It voted the long-legged Cincinnati, Ohio, junior the outstanding college football player in the country.

In leading Navy to No. 2 national ranking and an 8-1 season which will be climaxed in a postponed game with Army Dec. 7, he has rolled up 1,738 yards passing and running, passed for seven touchdowns and run for eight.

Staubach was chosen by a wide margin — 517 first place votes to 65—over Georgia Tech's versatile senior quarterback Billy Lothridge, who placed second.

He is only the third junior to win the 29-year-old trophy. The others were Felix (Doc) Blanchard at Army in 1945 and Doak Walker at Southern Methodist in 1948. Neither repeated in his senior year.

The 21-year-old midshipman is scheduled to receive the award from the sponsoring Downtown Athletic Club in New York Dec. 4, the same week he leads the bowl-minded Middies against an Army team he made a shambles of as a sophomore last year.

Staubach, whose precision passes, Houdini escapes from tacklers and scrambling runs have made him one of the most

exciting players in college football, reacted with typical modesty to announcement of the award.

"The Heisman Trophy is something you hear about in high school and suddenly it happens to you," he said. "I can hardly believe it... it's something I'll treasure all my life."

"I owe it to everyone," he said, citing coaches from grade school through Wayne Hardin and also the Navy teammates who have thrown so many blocks for him and gotten up to throw them again as he scrambled to set up a pass or take off on an unbelievable run.

Off the field he is known as a quiet, deeply religious midshipman who attends Catholic mass and communion at 6 a.m. daily and is an average student.

Staubach is Hardin's second Heisman winner in three years. Halfback Joe Bellino, who won it in 1960, was the first Navy player ever to gain the honor.

No One Can Read First Bible Printed In America

NEW YORK (AP) — The American Bible Society is observing the 300th anniversary of what it says was the first whole Bible printed in the Western Hemisphere—and one that no one can read now.

It was written in the language of the Massachusetts Indians. The Bible society says the work also was the first Indian language and the first for which it was necessary to create a written form of a spoken language.

Used in Martha's Vineyard An Algonquin language was used for the translation, the society said, and the Bible was in use in Martha's Vineyard as late as the 1700s.

For many years there has been no one who understands the language, even among the descendants of the Vineyard Indians.

In connection with a display of the work at the society's headquarters in New York, the society said the volume is known as the John Eliot Bible, being named for its translator.

'Apostle to Indians'

Eliot, driven from England in 1631 because of his outspoken Puritan sentiments, came to be known as the "Apostle to the Indians."

He sought to improve their living conditions, preached to them in their own language and helped establish schools for their children.

One of his major aims soon came to be a translation of the Bible into their own tongue, which had no written form. To create a written form, and to translate another language into it, proved a formidable task. Eliot, aided by an English speaking Indian, Job Nesutan, spent 40 years at it.

By 1655, with the aid of Nesutan, Eliot completed a translation of Genesis and Matthew and printed copies. Only one survives. It is in a London library.

The New Testament was completed in the summer of 1611. The entire Bible was finished in 1663 and an estimated 1,040 copies were bound.

The government of Ghana had the first all-African elected legislature with an all-African cabinet.

Dedication Service, 'Open House' At Gwinn Baptist Church Sunday Afternoon

GWINN — The First Baptist Church of Gwinn will hold dedication services and "open house" in its new sanctuary from 2 to 4:15 this Sunday afternoon.

The public is invited to the service, which marks the culmination of a two-year building program during which the church has constructed a three-bedroom home for the pastor as well as the church edifice.

Men of the church who served on the initial building committee for the project were Merlin Fahney Sr., chairman; Richard Pratt, Frank Reynolds and James Lemaster. The building committee directing construction of the church building were Frank Reynolds, chairman; Edwin Rosen, William Hatcher, Bruce Sanderson and Jimmy Speake. Church trustees are Edwin Rosen, John Pool and Leonard Sawyer.

The program for the afternoon will feature music by the church choir and a solo by Mrs. Bonnie Kirchner. Greetings from the Upper Peninsula Baptist Association will be brought by the Rev. Leo Evans, moderator of the association. The message of the hour will be presented by the Rev. Robert Wilson, director of the Division of Missions, Baptist State Convention of Michigan.

Refreshments will be served during the "open house" period.

The new sanctuary to be dedicated has a seating capacity of 170, with educational space for a similar number. The architecture features a bi-level roof line, with Dutch gables. The exterior is finished in vertical redwood, with the interior highlighted by exposed

8 Persons Pay \$118 In L'Anse

L'ANSE — Fines and court costs totaling \$118 were levied against eight persons whose cases were heard by L'Anse Justice Steven J. Markovich.

Joseph Magnant, 21, Baraga, arrested by state police and charged with being drunk and disorderly, was ordered to pay a fine of \$25 plus \$5.90 court costs or spend 15 days in the county jail as an alternative sentence. Magnant was held in jail for four days until he could pay the fine and costs.

Two L'Anse men involved in a collision on U.S. 41 south of L'Anse last week — Ahti R. Kuitanen, 39, and James R. Jestila, 23 — each paid \$10 fines and costs of \$5.30 for failing to report a personal injury accident. The two were ticketed by state police who investigated the mishap.

Paul Tapani, 18, Ashland, Wis., was ordered to pay \$10 and \$5.30 for driving an excessively noisy vehicle (cut-outs open).

John Knapp, 28, Ontonagon, ticketed for driving left of the center line, was fined \$5 and \$5.30. For driving a car with a defective muffler, Frederick C. Gauthier, 23, L'Anse, paid a \$5 fine and \$5.30 costs.

Ticketed for speeding at night, Darryl Skytta, 18, Michigan, paid \$5 plus \$5.30. An identical fine and costs were paid by Phillip S. Borgen, 46, L'Anse, ticketed on Broad St. for operating a car with defective brakes. Knapp and Gauthier were ticketed by L'Anse Village police, while state police assigned to the L'Anse post issued summons to Borgen and Skytta.

Alger Planning Group To Meet Next Wednesday

MUNISING — John Killoren, chairman of the Alger County Planning Commission, today called a meeting of the group for 7:30 p.m. Wednesday, Dec. 4, in the courthouse.

The meeting replaces the one scheduled for Nov. 27, but which was canceled because of the Thanksgiving holiday. It also will take the place of the regular meeting for December.

New Team Of Presidential Advisers Being Selected

WASHINGTON (AP) — A new team of presidential advisers is sure to shape up in the White House soon, bearing the stamp of Lyndon B. Johnson and Texas.

President Johnson likely will want to keep some of the men who surrounded John F. Kennedy in his two years and 10 months in the White House.

But he won't want to keep all, nor will all want to stay.

The job of presidential aide or adviser usually demands fierce loyalty and at times personal closeness. Presidents want longtime associates and familiar faces around them. Johnson is no exception.

One likely prospect is Bill Moyers, 29, deputy director of the Peace Corps. The slender Texan has been at Johnson's side since the new President succeeded Kennedy.

Some observers predict he will wind up as the new President's No. 1 aide, a job like that of Kennedy's special counsel, Theodore C. Sorensen.

State Amvets To Aid Policeman's Widow

DETROIT — Michigan Amvets announced Thursday a fund-raising drive to aid the widow of Dallas policeman J. D. Tippit, who was killed while trying to arrest the alleged slayer of the late President Kennedy.

Choral Groups Sponsor Bake Sale On Sunday

NEGAUNEE — Sponsored by St. Paul's choir and choral groups, a baked goods sale will be held in St. Paul's old winter chapel following the 8 and 10 a. m. Masses Sunday, Dec. 1.

In order to insure the success of the project, a baked goods or cash donation is requested from each member or family represented in the various vocal units.

Proceeds from the sale will be used to help defray the cost of purchasing new music and music books for the boys' choir, girls' choir and senior choir.

Grace Church To Receive Members

GWINN — At regular Sunday morning worship services at 10:15, Grace Lutheran Church of Gwinn will receive new members into her fellowship. Among the new members will be those received by letter of transfer and by adult instruction. Special music will be rendered by Mrs. Edward Leppaluoto and Mrs. Lee Johnson. The pastor, the Rev. Edward Leppaluoto, will deliver

Club Opens Skeet Range At 1 Sunday

NEGAUNEE — The Negaunee Rod and Gun Club will open its skeet range at 1 p.m. Sunday for anyone desiring an afternoon of shooting. A regular meeting of the club is set for 7:30 that night.

Final plans to shoot the qualification course for ODCM (course E) will be made. Preparations also will be outlined for the junior shooters' safety course to be conducted this winter, with classes expected to begin in two weeks.

Bruce Bureau, state National Guard rifle champion, will be range officer for Sunday's shooting.

3 Drivers Get Tickets; 4 Cars, School Bus Damaged

GWINN — Three drivers received tickets and four cars and a school bus were damaged in traffic mishaps investigated by state police in Forsyth Township Wednesday.

State police reported there were no traffic mishaps in the area on Thanksgiving Day.

Buell Priddy, 32, Sawyer AFB, received a summons for failure to report a property damage accident following a mishap at 11 Wednesday night on County Road 553, south of the base.

Rolls Over In Ditch

Priddy told state police his car being driven north, missed a left curve, went straight off the road into a ditch and rolled over. Damages resulted to the sides and top of the 1960 sedan, which was removed from the scene by the driver.

Two cars were damaged in a mishap, which occurred at 6:25 p. m. Wednesday on Tamarack St., just south of Mineral St.

State police said a 1953 sedan being driven north on Tamarack St. by Elmer Kangas, 78, Gwinn, struck an improperly parked car, a 1963 sedan, owned by Beverly Saleate, 25, Gwinn.

Kangas, approaching in his car from the rear, could not see because of the blinding sun, state police said. Damages resulted to the left rear of the Saleate car

and the right front of the Kangas car. Both cars were driven from the scene under their own power.

State police ticketed Beverly Saleate for improper parking and Kangas for driving without an operator's license.

A Forsyth Township school bus received minor damages in a mishap which occurred at 5:30 p. m. Wednesday on County Road 456, just south of M-35.

The bus, driven by Joseph Dellmont, 51, Gwinn, was being backed up to make a left turn when the mishap occurred. The bus struck a car, which had stopped behind it, driven by Florian Thompson, 28, Forsyth.

Damages resulted to the rear of the bus and the front of the Thompson car. Both vehicles were removed by the drivers.

Car Strikes Deer

State police from the Marquette post also investigated a car-deer mishap on M-35 in Delta County Wednesday, in which a car driven by Theodore Labernik, 30, Sawyer AFB, was damaged.

The mishap occurred at 6:45 p. m. one-tenth of a mile south of County Road H-28 in Maple Ridge Township. Labernik's car was damaged in the front when the vehicle struck a deer which ran across the highway.

Film Called Back For Deletion Of References To JFK

NEW YORK — All 350 film copies of the movie, "Take Her, She's Mine," which opened here Nov. 13, have been recalled by 20th Century Fox to delete references to President Kennedy.

A Fox spokesman said recently a scene in which a character supposedly speaks to Mrs. John F. Kennedy is being removed and two scenes in which an actor speaks in a voice resembling the late President's are being dubbed with another voice.

Redmen Lose First Game, 59-57 At Soo

The Marquette Redmen sustained their first roundball defeat of the season last night, at the hands of the Sault Ste. Marie Blue Devils, in a last second decision.

In a game played at the Soo, the Redmen found themselves evenly matched with a taller Blue Devil aggregation, and depended upon speed and shooting to balance out the height disadvantage.

See-Saw Lead

The game see-sawed throughout, with each team taking the lead by one or two points, only to lose it at the other end of the court seconds later. Marquette held a six-point lead at one point in the third quarter, and the Soo squad at one time held a similar margin over the Redmen. The lead never exceeded six points during the game, and these were the only two occasions on which it bulged to that size.

Fine efforts by high-scoring Bruce Forstrom led Marquette's attack, as he shot at a 69 per cent completion clip (11 of 16 field goal attempts) and took 15 of the 34 Graveraet rebounds.

Averages Hit

Fred Taccolini's squad made 23 of 50 field goal attempts for a 46 per cent average, while the Soo team connected on 21 of 41 field goal shots to run up a 51 per cent average, snaring 23 rebounds.

With a tie at 22 seconds from game's end, a jump ball gave possession to the Redmen, but a pass went off the hands of a Marquette player out of bounds, and the Devils used the break to score the winning shot with three seconds showing on the clock.

Marquette's record now stands at 2-1.

Miners' Win Streak Stretched, 66-40 Over Newberry Team

NEWBERRY — The Negauinee Miners blasted their way to a 66-40 victory over Newberry's Indians here last night, benefitting from a greater rebounding ability and phenomenal free-throw accuracy.

The Miners nabbed 71 rebounds to the 37 snared by the Indians, giving them control under the boards for the important second chance shot. At the free throw line, Miners connected on 22 of 27 shots for an 81 per cent average, while the Indians could make only 22 of 70 tries for a 31 per cent average, and only 20 per cent on field goal tries.

Many Saw Action

Coach Bob Herman substituted freely throughout the game, and no less than 13 Negauinee players got into the book. The Miners now have a 3-0 slate for

the young season, with previous wins over Iron Mountain and Gladstone.

Hand Picks Cards, Giants For Wins

NEW YORK (AP) — St. Louis and Cleveland, two of the three teams tied for the Eastern Conference lead in the National Football League, met Sunday in a vital game that could drop the loser out of the race.

If Charley Johnson and the youthful Cardinals knock off the Browns for the second time in three weeks, they should go on to at least a tie for the Eastern crown. Only Philadelphia and Dallas will remain in their path.

Necessary To Win

It is a "must" game for the Browns who finish their schedule on the road at St. Louis, Detroit and Washington.

New York and Pittsburgh figure to keep on winning until their showdown game Dec. 15, the last day of the regular season. The Steelers are only one game back of the Giants, Cards and Browns.

With Green Bay idle after tying Detroit Thanksgiving Day, the Chicago Bears can't afford to falter against the Minnesota Vikings, a team they thumped 28-7 in September.

The American Football League will be playing the games scheduled last weekend postponed out of respect to the memory of President Kennedy. The big one is Houston at San Diego which could be a preview of the title game.

With a 71-38-5 record for the year, here we go into the last three weeks of the season. All games are to be played Sunday.

St. Louis 24, Cleveland 20 — If the Cards can shake their home jinx, Wally Lemm's boys should win their third straight from the top contenders. The Cards won Nov. 17, 20-14.

New York 35, Dallas 21 — Giants make Cowboys pay for upset by Cardinals with Y. A. Title gunning for all-time records. It took second half comeback for Giants to win first meeting 37-21 but Cowboy defense has given up 38 touchdowns.

Pittsburgh 31, Philadelphia 14 — Steelers get even for opening day 21-21 tie with Eagles that may cost them the title.

Chicago 24, Minnesota 7 — Vikings will find Bears' defense just as tough as Packers. Only 48ers and Lions ahead for Bears.

Baltimore 24, Washington 14 — A passing duel between Johnny Unitas and young Norm Snead who has been coming on strong.

Los Angeles 28, San Francisco 21 — Rams have won four of their last six and should handle 49ers on superior defense on

passing of Roman Gabriel.

San Diego 24, Houston 7 — Chargers are rolling on way to clinching Western Division title, pack too much offense in Tobin Rote, Keith Lincoln and Paul Lowe for George Blanda and Co.

Boston 27, Buffalo 21 — Both teams still in Eastern race. Give it to Patriots on defense.

New York 28, Kansas City 21 — The 1962 champs have come upon evil days while Jets still are giving it the big hustle with a chance to win fans at home.

Hall Happy, But Rivals Argue Point

(By the Associated Press)

The hockey goalie is an acrobat who sometimes feels like a pin cushion. He's supported by two steel blades with nerves to match but seldom well enough by his teammates—at least not well enough to suit him.

Chicago's Glenn Hall feels the job's worthwhile today. But there are four National League rivals who might like to argue the point.

Pulled Forward Ahead

The Black Hawks beat Toronto's defending champions 2-0 Thursday night on Hall's 30-save shutout. Chicago now has won six straight, pulled 10 points ahead in the standings and knocked the Maple Leafs a point back of Montreal into third place.

Meanwhile Montreal extended Detroit's winless streak to five games, 7-3, and Boston turned back New York 5-3 for the first time this season and only the fifth in the past 18 encounters.

Red Wing goalie Terry Sawchuk wrenched his back as 13-449 disappointed fans saw the Wings drop their fourth game in the last five starts. The other was a tie.

Sawchuk was injured at 16:57 of the first period trying to stop Jean-Guy Talbot's first goal of the season. The long shot hit the post and Sawchuk, flopping over backwards, pushed it over the crease with his shoulder.

Munising Plays At Ishpeming

ISHPEMING — The Blue and White Hematites of Ishpeming will lock horns tonight in the Ishpeming High School gymnasium with a team more their size, but which has dropped two encounters to squads which are highly rated this year.

The Munising Mustangs, with a 66-48 loss to Marquette and a 51-45 setback at the hands of the Newberry Indians, will face the Hematites, who have a 1-1 record based on a 55-51 loss to Manistique and a convincing 58-44 win over Stambaugh.

Jelled Nicely

Ishpeming has been stressing speed this year in an attempt to better their dismal record of last year. Despite an opening loss, Coach Duane Phillips' squad has jelled into a smoothly-working team, both on offense and defense.

Doug Pertunen, last year's high scorer, has scored a total of 34 points in two games to lead the 1963 IHS squad, while Les Coduti, John Peterson and Bruce Swanson have taken up the slack.

In a preliminary, a popular junior varsity squad will attempt to stop the Munising Jayvees. Coach Arthur Hammar's team has raced to two victories, one at Manistique and one at home against Baraga Central.

Capable Spoilers

This would leave Iowa, Wisconsin, Purdue and Michigan State presumably in the second division, where each finished last March. But each also is considered capable of spoiling the championship trend with upsets, especially if sophomores come through under fire.

Saturday's opening schedule sends Southern Illinois to Indiana, Northern Michigan to Michigan State, Western Michigan to Northwestern, Davis of California to Ohio State, Illinois to Butler, Michigan to Ball State and Minnesota to Kansas City.

MSU Drinking Bitter Dregs

EAST LANSING (AP) — They might be celebrating with champagne at Champions today, but at East Lansing they were tasting the bitter dregs of defeat.

Illinois has the Big Ten title and the Rose Bowl bid after a 13-0 Thanksgiving shutout. Michigan State has only regrets.

The feeling here wasn't that Illinois won the game but that Michigan State lost it.

No Toll

The saddest sight in Spartan Stadium late Thursday was seeing the Touchdown Bell being towed out without being tolled. The tradition calls for one resounding toll of the bell for each touchdown point. The bell didn't ring Thursday.

"The Illini were great opportunists," summed up Coach Duffy Daugherty afterwards. "You can't give a team the ball three times on fumbles and four times on interceptions and expect to win."

"I hate to see our season end on a losing note," he added. Daugherty said he couldn't understand all the fumbles in view of the dry field.

The usually dependable Sherman Lewis fumbled twice in the first MSU series of plays. An Illinois defender pounced on the bobble the second time to put the Illini in position on the Spartan 27.

Jim Plankenhorn kicked the first of his two first half field goals shortly afterwards. One was a 22-yarder and the other a 34-yard boot.

Michigan State has been a second half team this season and the hopes were that the Spartans would stage a comeback after trailing 6-0 at the intermission.

But, on the second play of the third quarter, quarterback Dick Proebstle fumbled to Illinois on his own 14. Fullback Jim Grabowski bolted in from there for the only touchdown of the afternoon.

Sophomore Dave McCormack worked the rest of the game as MSU quarterback but also had his own troubles, throwing three of the four interceptions.

Packers Need Help From 3 Clubs To Win

Detroit (AP) — Mighty Green Bay needs help from three other Western Division clubs in order to get a crack at its third National Football League championship.

Thursday, the Packers slipped one-half game behind Chicago, the division leader, when the Detroit Lions tied them in the waning seconds 13-13 in their annual Thanksgiving Day battle.

Broken Arm

Compounding Green Bay's problems is an injury suffered by linebacker Ray Nitschke. He said he broke a bone in his right forearm in the fourth quarter of the game and won't see any more action this season.

"Win or tie, we still have to depend on someone else to beat Chicago," said Green Bay Coach Vince Lombardi.

The Packers, now 9-2-1, meet Los Angeles and San Francisco in their final two games, Chicago, at 9-1-1, faces Minnesota, Frisco and Detroit on its home field.

Other Battles

The Bears take on the Vikings Sunday. In other NFL games Baltimore is at Washington, Cleveland at St. Louis, Los Angeles at San Francisco, New York at Dallas and Philadelphia at Pittsburgh.

The Packers' latest jolt came with 16 seconds remaining in Thursday's game. Detroit fullback Nick Pietrosante leaped into the end zone from less than a yard out and Wayne Walker added the extra point that tied the score.

Walker also booted two first-half field goals.

Crammed

Practically all of the action was crammed into the game's final 10 minutes as the Packers went ahead 13-6 on a seven-yard pass from Bart Starr to Ron Kramer to end a 61-yard drive.

The Lions roared back as Earl Morrall directed the final scoring drive. A pass interference penalty against Green Bay's Whittemore gave the Lions the ball on the two, but they needed four cracks at the line to score after a penalty put the ball back on the seven.

Wing Center Sidelined With Injury

DETROIT (AP) — The Detroit Red Wings announced Thursday night that center Norm Ullman will be sidelined for two to three weeks with a chipped ankle bone.

The 28-year-old Ullman suffered the injury in Wednesday night's game against New York. He was hit by the puck when teammate Irv Spencer fired a shot.

DETROIT (AP) — Industrialist Fred Matthei Sr. will receive the Citizen Sportsman Award next Wednesday at the third annual Detroit Awards Banquet of the National Football Foundation and Hall of Fame.

Former Michigan State and Detroit Lion halfback John Pignatelli will make the presentation. Matthei is being honored as Michigan's most outstanding sports-minded citizen for his years-long efforts to have the Olympic Games staged in Detroit.

Coach Suspends Buntin From Wolverine Team

ANN ARBOR (AP) — The University of Michigan's highly regarded basketball team will open the season Saturday with all-Big Ten center Bill Buntin.

Coach Dave Strack said Thursday he had suspended the 6-foot-7 inch Buntin indefinitely for "disciplinary reasons."

Strack did not elaborate. Buntin, a junior from Detroit, was the team's top scorer last year and led the Big Ten in rebounds.

Strack said Jim Myers, a 6-foot-7 sophomore from Defiance, Ohio, will replace Buntin in the starting lineup when the Wolverines meet Ball State Teachers College at Muncie, Ind. Saturday.

Hawks Take Over First Spot In NBA

(By the Associated Press)

St. Louis has taken over first place in the Western Division of the National Basketball Association, but the Cincinnati Royals are having difficulty making any headway in the Eastern sector.

The Hawks moved one-half game in front of idle Los Angeles by downing Detroit 118-107 Thursday night. At the same time, the Royals made the most of the talents of Oscar Robertson and Jerry Lucas for a 125-110 triumph over Philadelphia in the only other game scheduled.

Fourth Straight

It was the Royals' fourth straight victory and sixth in eight games. Still, they are 3½ lengths behind pacesetter Boston, which has lost only one of 14 games.

Robertson took care of most of the scoring, with 38 points, and contributed 16 assists, while Lucas almost single-handedly dominated the backboards for the Royals. He pulled down 31 rebounds and also chipped in with 21 points.

Bob Pettitt was high scorer for St. Louis with 23, one more than Bill Bridges. Ray Scott topped Detroit with 20.

Burst

Robertson, Lucas and Wayne Embry, who scored 22, led a Cincinnati burst that outscored Philadelphia 20-6 and put it away in the last seven minutes. Lee Shaffer scored 42 points for the 76ers.

Tonight's schedule shows Philadelphia vs. Boston, Los Angeles at Detroit, New York at Cincinnati and San Francisco at Baltimore.

The Pistons stayed close to the Hawks until the final four minutes when the Hawks turned a 104-98 lead into a 10-point bugle on four consecutive foul shots—two each by Lem Wilkens and Zelmo Beaty.

Michigan, Buckeyes To Battle

ANN ARBOR (AP) — Arch-rival Michigan and Ohio State will try again to close out their football season Saturday in a game that was called off at the last minute last week because of President Kennedy's assassination.

The delay probably hurt Michigan more than it did OSU. Buckeye coach Woody Hayes said last week he did not have enough time to prepare his players for the traditional game. OSU has dropped its last two starts.

Michigan, meanwhile, had been closing out strong, winning twice and tying a third game.

Top Shape

Both the Wolverines and Buckeyes are expected to be in top shape for the 60th renewal of their series. OSU has won the last three games—two by shutouts—but is trailing 20-35-4 in the overall series.

The Buckeye attack will be centered around quarterback Don Unverferth and halfback Matt Snell.

Michigan again will be counting on quarterback Bob Timberlake and fullback Mel Anthony to carry most of the offensive load. Timberlake ranks fourth in the Big Ten in both passing and total offense, while Anthony is among the leading rushers.

N. Illinois Named No. 1

(By the Associated Press)

Northern Illinois, carried to a perfect 9-0 season on the all-time record passing of George Bork, was chosen today the best small college football team in the country for 1963.

The Huskies from DeKalb, Ill., overtook Delaware, another unbeaten-united team, and won by a narrow margin in The Associated Press' final poll.

10-Point Margin

Each of the teams received three first-place votes from a special panel of seven sports writers and broadcasters but Northern Illinois collected a total of 63 points to 53 for Delaware. Points are awarded on a 10-9-8-etc. basis.

The other first-place vote went to Southwest Texas and it was good enough to give that team ninth place.

Wittenberg was third in the final standings, followed by Massachusetts, St. John's of Minnesota, South Dakota State, Florida A&M, Abilene Christian, Southwest Texas and McNeese State of Lake Charles, La.

Broke All Marks

Northern Illinois' Bork broke every single season and career record in the college books. This year alone, he completed 244 passes in 374 attempts for 3,077 yards and 32 touchdowns.

Five Teams Sure Of Bowl Berths; More Yet To Come

(By the Associated Press)

The phone jangled. Texas Coach Darrell Royal picked it up.

"Was it too much for you to watch all the time?" he asked. "Well, Nellie, I wouldn't have watched it either if I hadn't had to."

The caller was the wife of John Connally, talking from the hospital where her husband is recuperating from his bullet wounds.

Congratulations

Mrs. Connally was calling to offer the governor's congratulations to the Cotton Bowl bound Texas team, which had just wrapped up its first perfect season in 43 years and virtually clinched the national championship.

Only minutes had elapsed since the lukewarm Longhorns had nipped Texas A.M. 15-13, Duke Carlisle cracking over the one with 1:19 remaining to close out a drive that kept its momentum despite a pass interception.

Texas already had clinched a Cotton Bowl berth, but two other bowl spots were filled on a beefy Thanksgiving Day program—Illinois grabbing its first Rose Bowl assignment in 13 years and North Carolina accepting a Gator Bowl offer.

Five Firm Berths

Five major college teams now have firm bowl commitments—Texas, Illinois, North Carolina, Nebraska and LSU. Nebraska previously nailed a Orange Bowl spot and LSU a place in

Chuck Ferris Top-Ranked In Slalom Seeding

BERN, Switzerland (AP) — Chuck Ferris of Houghton, Mich., is the top-ranked American in the slalom event in the seedings for the 1964 men's ski racing season, published Wednesday by the International Ski Federation.

The seedings will be used to determine starting numbers in international races, including the Olympics. France, Austria, West Germany and Switzerland took the top places. No American made the first 10.

Ferris, a member of the U.S. Olympic team for the Games at Innsbruck, Austria, Jan. 29-Feb. 9, was ranked 23rd in the slalom for the top American spot. In the downhill, he was ranked 46th behind two Americans.

Michigan, Buckeyes To Battle

ANN ARBOR (AP) — Arch-rival Michigan and Ohio State will try again to close out their football season Saturday in a game that was called off at the last minute last week because of President Kennedy's assassination.

The delay probably hurt Michigan more than it did OSU. Buckeye coach Woody Hayes said last week he did not have enough time to prepare his players for the traditional game. OSU has dropped its last two starts.

Michigan, meanwhile, had been closing out strong, winning twice and tying a third game.

Top Shape

Both the Wolverines and Buckeyes are expected to be in top shape for the 60th renewal of their series. OSU has won the last three games—two by shutouts—but is trailing 20-35-4 in the overall series.

The Buckeye attack will be centered around quarterback Don Unverferth and halfback Matt Snell.

Michigan again will be counting on quarterback Bob Timberlake and fullback Mel Anthony to carry most of the offensive load. Timberlake ranks fourth in the Big Ten in both passing and total offense, while Anthony is among the leading rushers.

Homecoming Game Tonight

Bishop Baraga Central High School's clash with Gwin tonight will be a homecoming affair, with the junior varsities meeting at 6:30 and the varsities at 8:15 in the Royals' gym. Added attractions will be the presentation of floats by all classes and the crowning of a homecoming queen at halftime. Candidates for the queen title are Ann Casette, Susan Lyons and Judith St. Onge, seniors, and Patricia Connolly and Judith Hoff, juniors. There will be dancing after the game until 11:30.

college leader for both passing and total offense. His team led the small colleges in passing offense with an average of 349.3 yards gained a game.

Bluebonnet Bowl

Other bowl assignments will come from Saturday games, with most interest centering on the West Coast Rose Bowl situation. Two games hold the key—Washington State at Washington and UCLA at Southern California. A league vote will decide the entry.

Also spotlighted on Saturday's schedule is the 80th meeting of Harvard and Yale. In other games bearing on bowl bids, Auburn is at Alabama, Georgia Tech at Georgia, Mississippi at Mississippi State and Pittsburgh at Miami, Fla., for a night game.

Others

One other game Thursday may have had bowl ramifications. Syracuse, looking for a bid, finished an 8-2 campaign by defeating Notre Dame 14-7.

In all, four conference crowns were wrapped up during the day. Illinois grabbed the Big Ten. Texas won the Southwest, North Carolina tied North Carolina State in the Atlantic Coast and Virginia Tech nailed the Southern title by walloping VMI 35-20.

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: I am 53 and have been married only eight years to a man who is 66, short, fat and bald. He chases women of 35 and 40. For the past six months he has been going around publicly with the worst kind of woman. He has even brought them to the house in my absence, knowing I would arrive and catch them. He admitted to my face that he is trying to get me to divorce him, but I am not going to let him off the hook so easy. I made a bad deal and, at my age, I am content to sit with it. How would you handle him in the future?

DEAR ABBY: Do you really think life is worth living? PHILOSOPHER DEAR PHILOSOPHER: It all depends on the liver. What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif. (McNaught Syndicate, Inc.)

Raters Note Heavy Use Of TV Sets

By CYNTHIA LOWRY NEW YORK (AP)—It will be days before the national figures are compiled, but the most authoritative rating service estimates that in the metropolitan New York area, a massive 93 per cent of television-equipped homes were using their sets to

watch the funeral services for President John F. Kennedy. A spokesman for the A. C. Nielsen Co. said that if the New York figure proves to be typical of the whole nation, "more people were watching television on Monday than at any other time in the history of the medium." 34 Hours During the period between Friday and Monday, Nielsen estimates, the average New York television set was in use for a total of 34 hours, more than twice the normal number. On Sunday morning, normally a light viewing period, an extraordinary number of sets were in use—about 42 per cent. But after the shooting of Lee Harvey Oswald in Dallas, the figure zoomed to a fantastic 77 per cent by 1 p.m. 'Medicine Dropper' Used In Sioux Falls SIOUX FALLS, S. D. WE IS MORE TH' EATIN' TYPE THAN TH' JUMPIN' TYPE!!
AN' EF WE DON'T MAKE IT--WE'LL SHUBBERT--SINK LIKE ROCKS, INTO TH' SANDS O' TIME!!
AH'LL MAKE A BRIDGE O' MAHSELF!!

RIP KIRBY
I HOPE YOU DON'T HAVE ANY LAST WORDS BECAUSE I'M SURE THEY'LL BE VERY BORING...
IF I JUST CRASH IN, I CAN'T GET ALL THREE BEFORE THEY GET AT LEAST ONE OF US...
STRATEGY CALLS FOR A DIVERSION...

AT MAUMEE UNIVERSITY THE LIGHTS BURN LATE IN ONE STUDENT'S ROOM
I WON'T STAND BY AND SEE A SLAUGHTER TAKE PLACE!
AN ANGEL AGAINST G-E-E-WOC BOYD!
WOW!
BE REALISTIC, CHARLIE! WE'RE OUT TO WIN-- AND EVERYONE'S GOT A JOB TO DO!
IF AN AIR FORCE ROT.C. ANGEL FLIGHT GIRL COULD BE ELECTED QUEEN OF THE "SNOW BALL."
...THE NAVY ROT.C. WOULD NOT HAVE A CHANCE AGAINST US IN RECRUITING THE HOT PROSPECTS!
BUT WHICH OF OUR ANGELS COULD WE ASK TO MAKE THE SACRIFICE AND OPPOSE THE MOST POPULAR WOMAN ON THE MAUMEE CAMPUS?
WELL, I'LL TELL YOU...

BEN CASEY
MISS HOWARD, DO I INTERPRET CORRECTLY THAT YOU, ER, DON'T EXACTLY APPROVE OF ME?
YOU'RE NOT ENTIRELY CORRECT, MR. CAMMEN.
I MERELY DISAPPROVE OF YOUR OCCUPATION!
PROFESSIONAL HUNTER? BUT IT'S HONORABLE, EXCITING, FRY'S WELL...
YOU DON'T UNDERSTAND, MR. CAMMEN, I'M AN ANIMAL LOVER FROM 'WAY BACK, AND I DETEST MEN WHO KILL THEM NEEDLESSLY!

HERE'S JUST THE STOVE FER YA, PETUNIA!
THE OVEN DOESN'T LOOK VERY BIG! HOW LARGE A ROAST WILL IT HOLD?
HMMM...
DOES THIS GIVE YA AN IDEA, PETUNIA?

IF I HEAR YOU GAV 'PRETTY POLLY ONCE MORE, MAC TAVISH, I'LL GO OUT OF MY MIND!
THAT WASN'T MAC TAVISH SAYING 'PRETTY POLLY... THAT WAS ME.
HUMPH... I'D DIE BEFORE I'D SAY A THING LIKE THAT...
ALTHOUGH I DO GO ALONG WITH THE SENTIMENT EXPRESSED.

OUR BOARDING HOUSE
UM-M, YES, JASON, I'VE REDECORATED THE ROOM FOR THE OCCASION! ATMOSPHERE AND SHOWMANSHIP ARE FULLY AS IMPORTANT TO US GOURMETS AS THE MEAL ITSELF, EGAD! I'VE ADDED A GENEROUS PORTION OF-- HIC--SPECIAL FLAVORING TO MY RECIPE, 'SOUBROUUGH STEW', AND BY CONCEALING A BIT MORE IN THE SAME SAUCE BOT TLE, I CAN ASSURE A RELAXED ATMOS-- PHERE FOR THE JUDGES.
I DON'T KNOW MUCH ABOUT THEM FANCY EATIN' FOLKS, MISTAR MAJOR, BUT ARE-- YOU SURE THINGS WON'T BE SO RELAXIN' THEY LAP UP TH' FLAVORIN' AND FORGET TH' STEW?
LOOK OUT! YOU YOUNG GUNS MAKE ME NERVOUS, GETTIN' SO CLOSE TO EXPOSED GEARS LIKE THAT!
HE LIKES TO RAZZ TH' YOUNG GENERATION ABOUT THEM HAVIN' TO PUT COVERS AN' SAFETY DEVICES ON EVERY THING TO KEEP TH' BABES OUT OF DANGER!
WELL, HE'S OF THE GENERATION THAT DEMANDED THAT ALL THEM THINGS BE DONE!
