

Kiwanis, City Set 11th Christmas Lighting Contest

Again this year the City of Marquette and the Kiwanis Club will sponsor a Christmas holiday lighting contest.

This will be the 11th consecutive residential lighting event being sponsored by the service club and the city. Action to endorse the project has been taken by the Marquette City Commission, which approved of a \$150 appropriation for the contest.

As its part of the sponsorship, the Kiwanis Club will contribute \$125 toward the cost of the project and provide all the detailed work involved, including the selection of the judges committee.

Enthusiastic Response

"Kiwanis Club members believe this program has met with enthusiastic response on the part of the public," said Frank McKeown, chairman of the support of churches committee for the club, who also heads the lighting contest committee.

"We are rapidly becoming the best decorated city in the entire Upper Peninsula for holiday time, and we have, during the past 10 years, received numerous calls and comments praising the contest and our efforts, along with the city's contribution."

The \$150 contribution by the city had been budgeted for this purpose earlier this year.

Religious Theme

Each year the Kiwanis Club handles all other arrangements for the lighting contest, which, in addition to establishing the rules, keeping past records and publicity, include distribution of prizes and related work.

Serving with McKeown on the committee are Dr. Walter J. Norris, Frank Rogers and Adorno Salani.

Again this year the contest will center around the religious theme—"Keeping Christ in Christmas."

United States savings bonds again will be the top prizes in the event and will be awarded for the most outstanding holiday displays in the residential area.

Prizes will be presented in each section of the city (north, south, east and west) and in the city at large.

The Kiwanis committee will select a group of judges for the contest and the judges will be solely responsible for naming the event winners. No members of Kiwanis may serve on the committee, McKeown noted.

Six On Judges Group

In the past, a Protestant minister, a Catholic priest and four other persons, representing the various areas of the city, have served on the judges committee. It is expected that this year's judges panel will be chosen in the same fashion.

Dr. Norris served at the Kiwanis lighting contest chairman in 1961 and 1962. Previous chairmen for the event included Ellwood A. Mattson, in 1960 and in the first year, 1953; Victor Popp, 1959; Clyde Hecox, 1958; Donald L. Hart, 1957; Eugene I. Gjerstad, 1956; Joseph D. Mason, 1955; and Gerald C. Payant, 1954.

Past Winners Noted

Winners of the grand award, usually a \$50 savings bond, in past years were: Daniel J. Vaughan, 719 N.

Fourth St., 1953; Richard C. Hammerschmidt, 728 W. College Ave., 1954; Henry G. Mercure, 441 E. Prospect St., 1955; Dr. W. D. Salo, 427 E. Michigan St., 1956; Bernard J. Hogan, 403 Genesee St., 1957.

Alf Carlson, 1213 Lincoln Ave., 1958; Murrell W. Clark, 1110 N. Seventh St., 1959; James Biekkola, 410 E. Ridge St., 1960; Henry G. Mercure, 441 E. Prospect St., 1961 and K. A. Wahtera, 958 W. College Ave., 1962.

(Mercure was eligible to win a second time since more than five years had elapsed since he first was named a top prize winner in 1955.)

Army Medal Given To City Native

M-Sgt. Dudley E. Chapman, 42, a native of Marquette, who recently retired from the Army, was awarded the Army Commendation Medal, first Oak Leaf Cluster, on his retirement from the service.

Chapman, the son of Mr. and Mrs. Edwin Chapman, 1631 Longyear Ave., served 21 years in the Army, including tours of duty in France and Japan. In Security Detachment.

He was given the award for "meritorious service while assigned to the U.S. Army Special Detachment, office of the assistant chief of staff for intelligence, Department of the Army, from December 1959 to October 1963."

The award stated that Chapman, as senior non-commissioned officer of the communications branch and principal assistant to the branch chief, "provided invaluable assistance, guidance and advice in the efficient operation of a world-wide strategic communications network consisting of more than 30 stations."

Because of his ability, Chapman "was entrusted with the responsibility for conducting command technical inspection of several Army special security stations," it added.

GHS Graduate

Chapman graduated from Graveraet High School and attended the post-graduate Bishop Baraga High School business course.

He is married and has two children, Cynthia and Charles. The family resides in Falls Church, Va., and he attended the recent funeral of President Kennedy.

Soo Line Seeking Trackage Rights Over LS&I Line Between Marquette, Eben

Application has been made by the Soo Line Railroad Co. for trackage rights over the Lake Superior and Ishpeming Railroad Co. line from Marquette to Eben.

Approval of the application, filed by the Soo Line with the Interstate Commerce Commission, would result in improved freight service for the Marquette area and the Copper Country, Wallace W. Abbey, Minneapolis, director of public relations for the Soo Line, said.

Use of the LS&I line to Eben would give the Soo Line a more direct route from Marquette and the Copper Country to Chicago and Milwaukee, he noted.

Ask Agreement Approval

The Soo Line has asked the ICC to approve an agreement reached between it and the LS&I for an exchange of trackage rights.

In exchange for the right to operate on the LS&I line from Marquette to Eben, the Soo Line has agreed to give the LS&I rights to the trackage serving the Empire Mine. The Soo Line also has agreed to pay a share of the cost of maintaining the joint track to Eben.

At present, traffic over the Soo Line moving to and from Marquette and Chicago or Milwaukee must go westerly by way of Marengo, Wis., or easterly by way of Trout Lake.

The Soo Line would like to be able to reduce time and mileage involved in handling traffic between Marquette and Chicago or Milwaukee by moving such traffic directly southward from Marquette over the LS&I line to Eben Junction, then over the Soo Line branch from Eben Junction to Rapid River, and then south over Soo Line tracks to Argonne, Wis., Abbey stated.

Reasons Cited

Approval of the application would give the Soo Line a north-south connection for its two parallel main lines, which cross the Upper Peninsula on the north and south.

The application states: "It will be possible if this application is granted, for shippers and receivers of freight to receive a more expeditious service than is now possible via the Soo Line from the general Marquette area to and from the Neenah-Chicago area and beyond."

Assassination Car May Wind Up In Henry Ford Museum

WASHINGTON (AP) — The bubble-top limousine used by President John F. Kennedy on the day he was assassinated may end up in the Henry Ford Museum at Dearborn.

The Ford Motor Co., which leases the luxury vehicle to the Federal Government for \$500 a year, is expected to have the limousine returned should President Johnson decide not to use it.

The automobile is reported in perfect condition, but Johnson may decide not to ride in it because it is directly associated with the Kennedy tragedy at Dallas Nov. 22.

Trial Slated In Larceny Case Here

A defendant in a criminal case entered a plea of not guilty and asked for a jury trial in Marquette County Circuit Court yesterday.

The not guilty plea was taken from Haskel Lyttle, 23, Route 1, Champion, on a charge of attempted larceny. His attorney is E. Nickolas Bridges, Negaunee.

Judge Bernard H. Davidson of Negaunee scheduled the trial for 9:30 a.m., Wednesday, Dec. 11. Jurors will be drawn at that time.

Lyttle was arrested Wednesday by state police near Ypsilanti, after Judge Davidson issued a bench warrant for his arrest.

He had failed to appear for

arraignment Monday, while he was free on \$250 bond.

Charge Noted

He is charged with attempting to steal a wallet belonging to Arnold A. Rautiola, Hancock. He was arrested by state police Oct. 6 in Michigamme Township and was bound over to circuit court by Marquette Municipal Judge Edward H. Dembowski Oct. 7.

Lyttle is being held in the Marquette County Jail pending the jury trial.

Pompey the Great married Caesar's daughter, Julia, to strengthen his friendship with Julius Caesar.

Marine Corps Office Sets Extra Hours

Effective immediately, the United States Marine Corps recruiting station will be open extra hours.

S-Sgt. Dave Segel, in charge of the Marine Corps recruiting station, Marquette Post Office Building, said the extra hours will remain in effect throughout December. Hours will be from 8:30 a.m. to 6:30 p.m.

During these hours, he said, a Marine Corps recruiting sergeant will be available for interviews with young men interested in signing up in the Marines.

Pre-enlistment examinations will be administered to prospective recruits, who also will be informed of the various opportunities available to them in the Marines.

Yule Music Slated From MJ Building

Christmas music will be broadcast over a loud speaker from The Mining Journal building, from WDMJ, The Mining Journal radio station, beginning Monday, Robert J. Luke, station manager, announced today.

The music will be broadcast from radio sign-on in the morning until sign-off at night, throughout the holiday period.

There will be a speaker installed on the canopy on the front of The Mining Journal Building facing downtown, so that shoppers can listen to Christmas carols while they shop, Luke said.

This music will replace the usual broadcasting during the

Minor Damage In Blaze At Granot Loma Lodge

Fire late this morning caused minor damage to the main room of the Granot Loma Lodge, off County Road 550, in Powell Township.

The fire broke out shortly after 10 and had spread from a blaze in the fireplace. Marquette city firemen entered the room with gas masks to open the windows, as the room was full of smoke.

Fire Chief John W. Myers said the blaze itself was confined to the fireplace, with the mantle being scorched. There was some smoke damage, however.

In addition to the fire chief and three firemen, the latter responding in the No. 4 (750-gallon) pumper, the Powell Township and Marquette State Prison Fire Departments sent trucks to the scene.

Constructed in 1928 Granot Loma is owned by Mr. and Mrs. John Martin. Mrs. Martin is the daughter of the late Mr. and Mrs. Louis G. Kaufman, who had the sumptuous dwelling constructed as a summer home in 1928. It is now used as a year-round residence by the Martins.

Martin discovered the blaze and summoned firemen. Chief Myers said the custodian had prepared the fireplace for fire, unaware that the unit had been used last night, and left for other chores. The leftover coals ignited the blaze.

Use Smoke Ejectors

City firemen used smoke ejectors to clear the house of smoke. Firemen were called out at 10:20 this morning and returned to the station at 11:50 a.m.

The picturesque Granot Loma Lodge is an L-shaped building, constructed on a rocky point, overhanging Lake Superior's shoreline.

MARQUETTE, MICH.
December 6, 1963

Dear Mom and Dad,

We wish you could spend a couple hours a day in the Union National Bank lobby — it's such a beehive of activity. The Christmas spirit is really bubbly and there's that feeling of friendship always with Union National and yet so much more exciting at Christmas time.

We hope you come down and open your Christmas Savings Club, because we want you to have that same sense of satisfaction next year that so many had this year when they received their Christmas club checks. It gives us such a warm feeling, too, to know that so many have had a care-free Christmas and that we played a little part in making their wonderful Christmas dreams come true.

And when you come down, won't you bring the children? Their eyes will fairly pop at our big, round, cheery animated Santa Claus, whom we think is the most splendid Santa in town. The youngsters will get such a thrill out of it and really, you have no idea how wonderful it is for us when we see these wide-eyed little ones glow with the nearness of Santa and we share with them, sometimes with a lump in our throat, the hope that all their wonderful appreciation of Christmas will never dim.

We'd love to have you come in, we'd be delighted if you would bring the children. How about it?

The friendly staff at Union National

131 W. WASH. MARQUETTE

Last Month Marquette's Fifth Mildest November; Fall Warmest Ever Here

Last month was the fifth warmest November in Marquette's history. The mean temperature was 39.3, which was 5.5 above normal and exceeded only by the Novembers of 1953, when the mean was 39.4; 1931, when it was 42.2; 1899, when it was 41.2, and 1898, when it was 39.8. There were only five days during the month when the average temperature was below normal, the first two, the last and the 23rd and 24th. Coldest day was the 30th, when the mercury dropped to 15 and the mean temperature was 24.

In 50s Nine Times
Warmest day was the 4th, when the extremes were 57 and 40, but it also reached 57 on the 22nd. The mercury was in the 50s nine days during November, an exceptional occurrence for Marquette. It was in the 40s or higher on 15 other days and was below freezing on only eight days.

The unseasonably warm weather prevailed through most of the month, and the abnormally mild weather, combined with the hottest October ever, resulted in the warmest autumn on record for Marquette.

Financial Scene: Maneuvering On Tariff Issue Begins

By SAM DAWSON

NEW YORK — Washington's tit-for-tat boosting of some duties on European goods could prove to be only another skirmish rather than the heralded end of the "chicken war."

The whole field of tariff maneuvering is involved and the broader contest is about to start.

Or it could be just the innocent bystander, the American consumer, who gets hit.

Hurt American Consumers
There is a chance that, if the higher duties finally are allowed to stick, it could mean more of a drain on the pocketbooks of some American consumers through higher prices than a blow at the makers of French cognac, German trucks and Dutch potato starch.

That is because the French brandy producers especially are convinced that the American who fancies their product will pay the higher price resulting from the increased tariff. And French exports will continue in about the same volume.

Whether the German truck makers and Dutch producers of potato starch will find as devoted customers, or will lower prices, or seek other markets is yet to be determined. But some sort of continued skirmishing, perhaps retaliation, seems likely.

Started Year Ago
The chicken war itself started a year ago when the European Common Market boosted its tariffs on frozen chicken so high as to cut off most of the fast-growing market for American poultrymen.

The United States claimed a loss of \$46 million a year. An arbitration board recently decided the loss was \$26 million. Now Washington is raising tariffs on the selected European items that have an import value of relatively that sum.

France, Germany and the Netherlands, where American poultry was particularly popular, were selected as prime targets. Smaller losses are supposed to be felt by the other three members of the Common Market, Italy, Belgium and Luxembourg.

To Renew Offer
The Common Market is now expected to renew its offer to cut poultry duties by 1.3 cents a pound, a sum Washington has rejected as trifling.

But more important perhaps is the squaring off of the opponents before the start in a few months of a new round of tariff negotiations. The United States had hoped for a big tariff-cutting session of the 53-nation General Agreement on Tariffs and Trade.

Precipitation was below normal for the fifth consecutive month, with only 2.68 inches being measured, 60 below normal. Snowfall totaled only 8.6 inches, compared to the norm of 16.3.

Bad Driving Last Day
Streets and roads in the Marquette area became slippery and snow-covered on the last day of the month, with the rain changing to snow as the temperature plummeted below freezing.

Prevailing wind direction during the month was from the west, with the highest velocity recorded being 32 miles per hour, from the northwest, on the 23rd.

Sunshine totaled only 85 hours, 39 minutes, or just 30 per cent of the daylight hours.

MSU May Revise 'Ag' Education

EAST LANSING (AP)—Agriculture education at Michigan State University may be revised in 1964.

Courses and major fields now are being studied by committees that are rescheduled to report their findings early next year.

In Effect Next Fall
Changes—if found necessary or desirable—are slated to go into effect by next fall.

MSU's Agriculture School last went through a revision in 1958. New majors were instituted, such as agriculture science and agriculture business, while eight survey courses were dropped and the degree of specialization required of the student was reduced.

Two basic principles in the reorganization were to increase science content and to better prepare students for graduate studies.

Of the students enrolled in undergraduate four-year programs, reports Richard Swenson, assistant dean and director of resident instruction, about five per cent now actually go to work on farms after graduation.

Long-Term Survey
A long-term survey of graduates showed an average of about 11 per cent went into farming, Swenson said.

A much higher percentage of so-called "short course" students at MSU go into actual farming.

Among four-year students, the most popular specializations are forestry, fisheries and wildlife, packaging, and agriculture education, Swenson said.

While enrollment at the East Lansing campus jumped from 24,014 in fall 1962 to 27,669 this fall, Agriculture School enrollment showed comparatively slight changes.

Enrollment in the undergraduate four-year course went from 1,155 to 1,176; graduate school figures went from 467 to 498.

Future Of Great Change In Dairying Seen At U.P. Meet

ESCANABA — An unprecedented meeting of dairy industry technicians and educators here advanced the Upper Peninsula's dairy industry one big step into a future of great change.

The discussions ranged over dairy herd nutrition, breeding, livestock health, testing and record keeping and milk inspection, but there was an element in the meeting that will probably be more important to dairy industry growth than the hard facts offered.

This element is the increasing use of Dairy Herd Improvement Association supervisors, artificial breeding service technicians, dairy plant fieldmen, county extension directors, 4-H agents, vocational agriculture teachers, Farmers Home Administration and Michigan Milk Production Association personnel in the projection of U.P. dairying into competitive modern agriculture.

Beyond Immediate Job
This new concept urged by Jack Little, director of Michigan State University's U.P. farm experiment station at Chatham, stresses knowledge of the dairy industry beyond the immediate job at hand and complete servicing of dairy industry business "not just selling."

Dr. Ronald Hillman, Lansing, MSU dairy nutritionist, and Little told of the research at Chatham on use of urea as a substitute for vegetable protein like soybean meal in dairy cattle grain ration. The aim here is economy, soybean meal is expensive and urea is cheap, but unpalatable for cows.

State Body Angered By College Audit

LANSING (AP) — The Legislative Audit Commission says state funds to Michigan's colleges and universities should be cut off until the schools institute better accounting procedures.

This reaction came Thursday to a report by Auditor General Billie Farnum on an audit of the financial operations of six tax-supported schools.

Farnum said the investigation found numerous examples of slipshod handling of money, inadequate accounting procedures and some cash shortages.

Focuses Public Attention
Rep. Carroll Newton, R-Detroit, vice chairman of the nine-member commission said the commission has been trying for two years to convince the schools they should improve their financial operations "before very serious legislative steps became necessary."

He said the commission hoped public attention focused on the schools by Farnum's report "will bring action by the elected boards of these colleges and universities."

Newton said the idea for the audit by Farnum's office originated with Sen. Elmer Porter, R-Blissfield, chairman of the commission, and was carried out with a \$70,000 appropriation.

He said the audit commission agreed with Farnum that each institution should appoint an internal auditor responsible to its board of control, and should institute uniform accounting procedures.

Yule Food Show Here Tomorrow

There'll be no ticket sellers at the Delft Theater tomorrow morning, when the annual Salvation Army Christmas food show will be held.

Admission will be by donation of some staple food article or articles, such as canned foods. All contributions will be turned over to the Salvation Army for its Christmas Cheer program.

Elroy Luedtke, manager of the Delft and Nordic Theaters, and Major R. B. Sharp, commander of the Salvation Army Citadel here, requested persons to avoid bringing perishable foods that could spoil before they can be distributed at Christmas time.

Feature film for the movie, which begins at 10, will be "Taza, Son of Cochise," filmed in technicolor and starring Rock Hudson and Barbara Rush.

Services, Theater Donated
Four color cartoons and a comedy also will be shown. Children, teen-agers, and adults have been invited to give food donations and attend.

Services of all theater employees, use of the theater and the use of the screen show have been donated.

Doors to the theater will open at 9:30 a.m.

"MAKING HIS MARK"
At one time, smith and pottery makers had individual marks which they put on their products and, when these marks or brand names became well known, the person had "made his mark," giving rise to the expression.

Registration Places For Draft Listed

Registration points in Marquette County for selective service were listed today by Frances Drake, Marquette, clerk for the Marquette County Draft Board office, post office building.

Young men must register for selective service within five days after reaching their 18th birthday.

In addition to the county office here, registration points are located in the area as follows:

City clerk's office, city hall, Ishpeming; city clerk's office, city hall, Negaunee; post office, Champion; post office, Big Bay; post office, Skandia; post office, Republic; Louis J. Bertels home, Northland; and Francis Trombley home, Rock (noon to 3 p.m. and after 5 p.m.).

Recently appointed as registrar for the Gwinn area is Mrs. Mary Ann Tipot, succeeding Mrs. Annabel Erickson, Mrs. Drake said. Registrations there may be made from 9 a.m. to noon, Mondays through Thursdays, and from 6 to 8 p.m., Fridays.

Two Mishaps Occur In Marquette

Three vehicles were damaged, but no one was hurt, in a pair of traffic mishaps reported this morning by city police.

● Still under investigation was a hit-and-run collision which occurred at 1:15 this morning on U.S. 41, near the Edgewater Motel.

City police said a taxicab being driven north on U.S. 41 by Ronald A. Ring, 32, of 2109 Presque Isle Ave., was struck by another vehicle which was passing him at a high rate of speed.

Ring told officers the driver of a third automobile, going in the opposite direction, was forced to swerve onto the shoulder in order to avoid a head-on collision with the car which struck his taxicab.

The left rear of Ring's 1964

Two Mishaps Occur In Marquette

twodoor sedan and the right front of the other car were damaged.

● At 5:45 yesterday afternoon a car being driven north on Champion St. and being turned onto Fisher St., by Ernestine G. Barry, 53, of 307 Sandstone St., struck a wooden utility pole when the vehicle went out of control.

Gas Pedal Stuck
She told officers she had stopped for the stop sign and then proceeded into the intersection, with the accelerator becoming stuck and the car going out of control.

The right front fender and headlight of Mrs. Barry's car, a 1956 fourdoor sedan, were damaged. The vehicle was driven from the scene under its own power.

Two Jima means "Sulphur Island" in Japanese and there is a sulphur pit on the west side of the island.

Cadillac

1100

BEFORE THE SPEEDOMETER READS 30—HE'LL KNOW HOW NEW IT IS!

The second he touches his toe to the accelerator, his amazement will begin. For no previous Cadillac ever moved like this one!

At 10 miles an hour, the most powerful engine in Cadillac history will already be working its magic.

By 20 that great Cadillac transmission—the newly improved Hydra-Matic or the completely new Turbo Hydra-Matic—will reveal a smooth, flawless kind of action he's never felt in any motor car before.

And by 30 the whole splendor of this new Cadillac performance will begin to unfold. New response. New quietness. New balance and poise. New alertness.

At 40 or 50, the car will have so much added acceleration that passing will be incredibly easy—with an extra margin of safety he's never known before.

And even at the full legal limit, this new Cadillac car will be so steady and quiet that the only sensation of motion will come from the passing scenery.

And then, he will take restful note of the other great new Cadillac virtues—the extraordinary luxury of Comfort Control... the magnificent comfort of the new contoured seats... the marvelous roominess and convenience that come only with the "car of cars".

Want to find out yourself how new the 1964 Cadillac is? Your dealer is standing by with the keys. All he needs is you and thirty minutes.

*An extra-cost option combining heating and air conditioning.

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: Ten months ago I started taking piano lessons... I am 41. A few days ago my piano teacher handed me a copy of "The Blue Danube Waltz" and said that was to be my recital piece.

at the oldest profession she spoils her daughters' chances for popularity. I don't know this woman well enough to tell her myself, but shouldn't somebody tell her?

GOOD NEIGHBOR

DEAR GOOD: If a friend doesn't tell her, a stranger certainly can't. Perhaps her daughter will, eventually. But if "popularity" depends on how one's mother wears her hair, who needs it?

DEAR ABBY: Would you call a party properly chaperoned if the parents are in one part of the house and the kids are in another, and they don't see each other all evening? These young folks are from 16 to 18

Just what is the purpose of a recital? For whose benefit is it? The pupils or the teacher's? I never expect to play publicly, so why should I play in a recital to "gain credit"?

THINKING IT OVER DEAR THINKING: I'd tell her not to count on me. DEAR ABBY: A church-going neighbor of high moral character needs desperately to be told what to do with her hair. She can't afford to go to a beauty parlor, so she fixes it herself.

and can't see myself in a recital with a lot of children. I've attended some of her recitals. She stands in the wings and counts. What would YOU tell her, Abby?

DEAR ABBY: A church-going neighbor of high moral character needs desperately to be told what to do with her hair. She can't afford to go to a beauty parlor, so she fixes it herself. It has been bleached until it looks like hay. And she sets it in those tight little ringlets that were popular 25 years ago. This woman has two lovely daughters who will soon be in their teens and, Abby, you know when a mother looks like she is working

years of age, and their idea of a good chaperone is one who stays completely out of sight. I always thought a chaperone should make a few appearances during the evening, but I am told no other parents do this. I hate to embarrass my daughter by being different, but I think it's dishonest to assure other parents that their child's party is being chaperoned and then stay out of sight all evening. If I am wrong, please tell me.

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.

Hillier-Nevela

(Photo by Beauchamp's Studio)

Gail Dianne Hillier, daughter of Mr. and Mrs. Gaylor Hillier, 127 E. Crescent St., became the bride Saturday of Michael Frank Nevela, son of Mr. and Mrs. Francis Longline, 312 E. Prospect St. The Rev. Hershel Martin performed the 3 p.m. ceremony in the First Baptist Church before an altar adorned with bronze and gold mums. Escorted to the altar by her father, the bride wore a full-length gown of white brocade fashioned with a sweetheart neckline and long tapered sleeves. The dress was detailed at the back waistline by a brocade floral cluster, from which panels extended into a chapel train. Her shoulder-length bouffant illusion veil was secured to a cluster of iridescent petals. The bride carried a cascade bouquet of white fusi mums and yellow rosebuds, and her only jewelry, a pearl necklace, was a gift of the groom. Attendants' Gowns The bride's maid of honor, Ann Arbor, wore a white gown and Mrs. James Jacobson, Lansing, bridesmaid, wore identical dresses of floor-length gold brocade with matching circlet headpieces. They carried crescent bouquets of bronze and gold mums. Gordon LeDuc attended the groom as best man, and Dan Francisco was groomsmen.

Altar Society Officers Plan Christmas Party

The officers of St. Peter's Altar Society will hold their Christmas Party in St. Peter's Cathedral Hall Monday at 8 p.m. All women of the parish are invited and reminded to bring a 50-cent gift for exchange, as well as a canned goods donation for the Christmas welfare baskets. A Christmas program will be arranged. Guild Plans Christmas Bazaar, Tea The Marquette World Service Guild will hold its Christmas bazaar and tea in the social rooms of the First Methodist Church Saturday from 1:30 to 4:30 p.m. A variety of gift ideas, including homemade candies, aprons, baked goods and a white elephant booth, will be featured. The public is invited.

Meetings

The Royal Neighbors will hold a meeting Monday at 7:45 p. m. in the Odd Fellows Hall. There will be a \$1 gift exchange, lunch and entertainment. Lunch will be election of officers and all members are asked to attend.

Paveglio-Galloway

(Photo by Homburg's Studio)

ISHPEMING — Carmen Myrtle Paveglio became the bride of A/2c Peter Todd Galloway, K. I. Sawyer Air Force Base, Saturday morning in St. John's Catholic Church. The Rt. Rev. Msgr. David P. Spelgatti was the celebrant of the Nuptial Mass. Bouquets of rust and yellow pompons decorated the main altar, and a bouquet of pink baby roses was laid before the Blessed Virgin statue by the bride. Parents of the young couple are Mr. and Mrs. Guido J. Paveglio, Ishpeming, and Mr. and Mrs. Frank E. Calloway, New Egypt, N. J. Bride's Gown The bride, given in marriage by her father, wore a floor-length gown of taffeta, adorned with lace and sequins, over ruf-

Scene From NMU's 'St Joan'

Denying that she is guilty of heresy or witchcraft, Jeanne d'Arc, played by Susan Lynne Waite (center, seated), Southold, Long Island, N. Y., further infuriates the hierarchy of the church by saying that she's heard the voice of St. Michael, the Archangel, among others. One of the foremost plays of this century, "Saint Joan" will be presented tonight and tomorrow night at 8:15 in Northern Michigan University's Little Theatre. (NMU Photo by Jim Arnestad.)

New Milk Among Many State Dairy Products

By INGRID BARTELLI Consumer Marketing Information Agent, Michigan State University If you were to say "4-10," every man and would-be-mayor, and even most women, would know you were speaking of a junior-size shotgun. But if I were to say "2-10," what would it mean to you? Two-ten probably is a strange new term to you. It's the descriptive term used when referring to a fluid milk dairy product, brand new to the market in Michigan, having become legal this past month. Through new to Michigan, 2-10 milk has received strong consumer acceptance in many states of the nation, some of our neighboring states included. Because of this consumer approval, Michigan decided to include this new milk in its array of dairy products. To put a new dairy products on the market requires legislation by our state government. This has been accomplished, the Governor has signed the bill and the necessary 45 days before enactment have passed, so it's all legal and waiting for you to try. Just what makes 2-10 milk different than any other? Let's review what we know about the fluid milk we have been using. Whole milk, though it varies as it comes from the different breeds of cattle, is standardized at 3 per cent fat and 8.5 per cent solids non-fat in Michigan. Skimmed milk by the Michigan law means milk from which substantially all of the milk fat has been removed and con-

tains not more than 1/2 of 1 per cent butterfat. Chocolate milk means a milk product of any type or kind containing chocolate or cocoa, and such milk or milk product must contain a butterfat content of not less than 3 per cent. The new 2-10 milk is a sort of happy medium between skim and whole milk. What we have been referring to as 2-10 milk actually has more than 10 per cent total milk solids, according to Michigan law, which simply refers to the new product as low fat milk. It is described in the law as a product containing 12 to 13 per cent total milk solids and 1.9 to 2.1 per cent milk fat and with or without the addition of vitamins or minerals and in amounts as may be approved by regulation of the director of agriculture. Trade Name How will you recognize this newest member of the fluid milk family? It probably will not be called "two-ten" milk because a California firm is using that name. Our state law makes these points clear: 1. Each dairy may give the new product a "trade name" of its own choosing. (This means that there may be as many names for the new product as there are dairies.) 2. Each carton must contain the three words "LOW FAT MILK" in any reasonable (but the same) size. 3. "Fortified" may appear anywhere on the carton. 4. The 2 per cent figure may be used on the carton as seen fit. 5. When applicable, dairies shall add words "Vitamins added," depending on standards set by law. Those of us who enjoy milk as it has been available to us through the years may be in no hurry to try the new milk. But if for some reason there are those among us to whom milk has had little appeal, this new 2-10 milk may be the form in which this vital food is preferred.

Soprano, Tenor Blend Voices In Fine Concert

ISHPEMING — Beautifully-matched voices, pleasing stage presences, interesting programming, a small but appreciative audience — the cliches of the reviewing business applied Wednesday night at the latest offering in the George Quaal Concert Series, but the annoying financial fact on the end of the professional artistry on the stage. Gloria Allani and William Diard, solid soprano and tenor, are "peaches and cream" in a duet and showed their blend in the high points of the program. Sang Eight Solos Each had four solos, ranging widely, but a couple of high notes got clobbered in the process. Wisely, they had started together, with "On Wings of Song," "Sound the Trumpet," "Gypsy Air" by Dvorak and the Shakespearean "Under the Greenwood Tree" before the solo portions. But the audience didn't warm up until just before intermission, when they rejoined forces for "Lontano, Lontano" from "Mefistofele" and "Libiamo, Libiamo" — the first familiar sound in quite a spell — from Verdi's "La Traviata." The audience would have been happy, we thought, with a little more English in the middle of the program. Coming back for a strong finish, they provided well-timed, compactly staged scenes from "Madame Butterfly" and "The Merry Widow." The audience called for three encores — fairly high for considerate Ishpeming audiences — and got in return "Your Eyes Look into My Own" from "Gypsy Baron"; naturally, "Sweethearts" from "Maytime" and, in a comic finale, "Oh, Happy We" from "Candide" — happy selections all. Richard Foster's skill as accompanist was also respected by the audience. Paul Laville's Band of America provides still another change of pace on Jan. 30 — C. G.

Jaakola-Martindale

(Photo by Lemon's Studio)

St. Peter's Cathedral was the scene Saturday for the wedding of Kathleen Dianne Jaakola and James Lawrence Martindale Jr., Cheyenne, Wyo. The altar was decorated with bouquets of white flowers for the ceremony performed by the Rev. Raymond Moncher. Parents of the couple are Mr. and Mrs. Eino J. Jaakola, 737 W. Ridge St. and Mr. and Mrs. James L. Martindale, 1504 Lincoln Ave. Reception For 200 For her daughter's wedding, Mrs. Jaakola chose a three-piece knit suit in peacock blue with white accessories. The bride's grandmother was in blue and wore a white corsage. The groom's mother chose a two-piece wool dress of pale pink with white accessories and wore a white and pink corsage. Following a dinner at the Northwoods Restaurant, a reception for 200 guests was held in the home of the bride's parents. Mr. and Mrs. Martindale left Sunday for Cheyenne, where they will live at Route 2, Box 688. The couple graduated from Graveret High School and Northern Michigan University, where Mrs. Martindale was a member of Alpha Xi Delta Sorority. Mr. Martindale is assistant manager for Red Owl Stores, Inc., in Cheyenne.

Medical Assistants To Hold Yule Party Monday The Marquette-Alger County Medical Assistants Society will hold its Christmas party, beginning with dinner, at the Northwoods Restaurant at 7 p.m. Monday. Anyone desiring further information may contact Rita Largenese, president.

Jaycettes To Serve At Kettles

An innovation in the scheduling of local groups serving the Salvation Army Christmas kettles this year is the cooperation of several woman's organizations, in addition to the men's service clubs which have assisted the Salvation Army in this way for a number of years, according to an announcement by Robert E. Moore, Christmas committee chairman of the Salvation Army.

St. John's Group Honors Husbands, Ushers At Meet

A potluck supper was featured at the December meeting of St. John's Altar and Rosary Society Tuesday evening when the church ushers and husbands of the members were the honored guests.

Mrs. Oakes O'Neill, chairman of the nominating committee, announced the following slate of officers for the coming year: President, Mrs. Robert Haley; vice president, Mrs. Joseph Montcalm; recording secretary, Mrs. Lorraine Dupras; financial secretary, Mrs. Joseph Butala; and treasurer, Mrs. Albert Ploof.

On the committee with Mrs. O'Neill were Mrs. Alex Bourdeau, Mrs. Louis Moran, Mrs. Joseph Gingras and Mrs. Rose St. Onge. The new officers will be formally installed at the January meeting.

Mr. and Mrs. Louis Moran will be in charge of the party sales for the coming year and also for the next sale, which is scheduled for Dec. 17. Members unanimously voted to purchase an additional oven for the kitchen and to donate Christmas baskets to the needy of the parish.

Following the business meeting, Mrs. Louise Theriault sang several selections and then led the group in singing Christmas carols. The evening concluded with social games.

Members of St. Jude's Circle were in charge of arrangements, with Mrs. George Chopp and Mrs. Roger Turaine serving as co-chairmen.

Vandenboom PTA Plans Yule Social Program

The Vandenboom Parent-Teachers Association will hold its Christmas social Monday beginning at 7:30 p.m. with the St. Lukes singers. The program direction is under Miss Shirley Peterson.

At 8:15, a punch mixer and short business meeting will take place, followed by the second portion of the program provided by the Marquette Community Players. This will consist of three selections by a mixed choir under the direction of James Hansen, assistant diocesan director of music for the Marquette Diocese, and a reading of "The Littlest Angel" under the direction of Mrs. Sharon Klaus.

Those attending should bring a white gift to place under the tree for the Salvation Army and trading stamp certificates for the PTA.

Coffee will be served by the fourth grade mothers at the close of the program.

Francis A. Bell Memorial Hospital to Mr. and Mrs. Kenneth Niemi, 515 Jopling St., Ishpeming.

Wood-Sanregret

(Photo by Lemon's Studio)

Janice Ann Wood, daughter of Mr. and Mrs. Allen R. Wood, 1700 Presque Isle, became the bride Saturday of John Omar Sanregret, son of Mr. and Mrs. Emile O. Sanregret, Houghton.

White carnations, pompons and red roses decorated the altar of St. Michael's Church for the ceremony performed by the Rt. Rev. Msgr. Arnold L. Casanovet.

Given by her father in marriage, the bride wore a floor-length gown of beau de soie fashioned with scooped neckline and three-quarter sleeves. The fitted bodice was adorned with rosepoint lace appliques, which also edged the chapel train of her gown.

A bouffant illusion elbow-length veil was secured to her forehead headpiece and was adorned with crystal and pearls. The bride carried an all white bouquet of spider mums and pompons.

Attending the bride were Judith Ann Murk as maid of honor, and Frances Ann Bureau, Mrs. Walter Simonich, Sheboygan, Wis., and Germaine McCraw, Florence, Wis., cousin of the bride, as bridesmaids. The bridal aides wore identical gowns of cranberry satin with scooped necklines, three-quarter-length sleeves and bell-shaped skirts.

The groom's parents hosted a rehearsal dinner Friday evening at the Harbor Room of the Hotel Northland. A dinner for the wedding party and families of the couple was held in the Harbor Room and was followed by a reception for 600 guests from 4 to 8:30 p.m.

Mrs. Sanregret is a graduate of Bishop Baraga Central High School, attended Northern Michigan University and graduated from the Academy of Dental Technology in Milwaukee. She was employed by E. S. Holman, D.D.S.

To reside in Hancock Mr. Sanregret attended Houghton High School and is a graduate of NMU, where he was a member of Tau Kappa Epsilon. He is associated in business with his father.

After a brief wedding trip

Buechel-Lindquist Wedding Held In Fond du Lac

FOND DU LAC, Wis.—Marlene Elaine Buechel, daughter of Mr. and Mrs. Alex Buechel Sr., and Ronald Allen Lindquist, Melrose Park, Ill., son of Mr. and Mrs. Eino Lindquist, 100 Prospect, Ishpeming, were married in the Church of Peace, Fond du Lac, Saturday.

The Rev. Karl Koehler performed the ceremony before an altar decorated with white gladioli.

Attending the bride were Betty Niemi, Milwaukee, as maid of honor, and Carol Hess and Mrs. Roman Reszka, both of Fond du Lac.

Kenneth Lindquist, Waukegan, Ill., brother of the groom, was best man. Groomsmen were DeLyle Buechel and Alex Buechel Jr., both brothers of the bride of Fond du Lac. DuWayne Buechel and Gary Heggeland, Milwaukee, seated the guests.

Given in marriage by her father, the bride wore a nylon organza lace gown with a fitted bodice, long sleeves and scalloped neckline. Her pickup skirts of organza fell into a chapel train in back. The bride's scalloped sequined silk illusion veil was held in place by a crown of seed pearls and crystals.

The attendant's gowns were floor-length tiers of ruffled organza. Bouquets of red carnations centered with white carnations were carried by the bridal aides.

A reception for 300 guests was held in the Eagles Club.

Mrs. Lindquist is a graduate of Goodrich High School and the American Academy of Dental Technology, Milwaukee. Her husband is a machinist at the International Harvester Corp., Chicago.

Following a wedding trip to Florida, the couple will reside in Maywood, Ill.

Out-of-town guests included Mrs. Eva Maki, Mrs. Abel Takinen and Mr. and Mrs. Onen Pantti, all of Madison Heights, Mich.; Mr. and Mrs. Osborne Heggeland and sons of Milwaukee; Mr. and Mrs. Harold Ilkka and family, Spring Green, Wis.; Mr. and Mrs. K. E. H. Helmquist, Menominee, and Mr. and Mrs. Monte Pakela, Waukegan.

The groom's mother wore a light blue satin sheath embroidered with gold. Her corsage was of pink and white rosebuds.

Rehearsal Dinner The bride's maternal grandmother, Mrs. Emanuel McCraw, Florence, wore a dark gray crepe dress with matching accessories and a corsage of pink and white roses.

The paternal grandmother of the bride, Mrs. Frank Taff, Menasha, Wis., chose a lace over rose satin dress with matching accessories. Pink and white roses made up her corsage.

The groom's parents hosted a rehearsal dinner Friday evening at the Harbor Room of the Hotel Northland. A dinner for the wedding party and families of the couple was held in the Harbor Room and was followed by a reception for 600 guests from 4 to 8:30 p.m.

Mrs. Sanregret is a graduate of Bishop Baraga Central High School, attended Northern Michigan University and graduated from the Academy of Dental Technology in Milwaukee. She was employed by E. S. Holman, D.D.S.

To reside in Hancock Mr. Sanregret attended Houghton High School and is a graduate of NMU, where he was a member of Tau Kappa Epsilon. He is associated in business with his father.

After a brief wedding trip

50th Anniversary

(Photo by Homburg's Studio)

ISHPEMING — Mr. and Mrs. Edwin W. Lindberg and their family received approximately 250 guests at a reception held Friday evening from 7 to 10 in the Wesley Methodist Church.

Mrs. Lindberg wore a gold metallic sheath dress, gold tiara hat, matching accessories and a corsage of white and yellow roses.

The buffet table held a centerpiece of gold and white chrysanthemums and snapdragons and gold candles. Guests sat at small tables covered with white cloths, 50th anniversary medallions and gold candles. Two granddaughters of the couple, the Misses Carol Lindberg, Ishpeming, and Marsha Van Stelle, Kalamazoo, presided at the buffet table.

The four-tiered wedding cake, decorated with yellow roses and topped with a 50, centered in a gold heart, was served by another granddaughter, Susan Van Stelle.

A brief program included two selections, "How Great Thou Art" and "When I Grow Too Old To Dream," by the Rev. and Mrs. Eric Hammar; a vocal solo, "I Love You Truly" by their granddaughter, Carol Lindberg; and a piano selection, Gershwin's "Rhapsody in Blue," by another granddaughter, Marsha Van Stelle. Austin Lindberg gave brief remarks for the family.

Out-of-town guests were Mr. and Mrs. Ted Ring, Milwaukee; Mr. and Mrs. Harold Lindberg, Peshigo, Wis.; Mr. and Mrs. Ellsworth Lindberg and Neil, Marinette, Wis.; George Zorn, Iron Mountain; Mr. and Mrs. Herman Olson, Marquette; and Larry Schuyler, Kalamazoo.

Mr. and Mrs. Lindberg were married Nov. 27, 1913, in the

home of the bride's parents the late Mr. and Mrs. John H. Austin, by the Rev. Magnuson, pastor of the Swedish Methodist Church. Their attendants, both deceased, were Mrs. George Zorn, sister of the groom, and Raymond Austin, brother of the bride.

The Lindbergs have two daughters, Mrs. Neil (Edna) Van Stelle, and Mrs. Frank Gladys Cox, both of Kalamazoo; three sons, Austin and Kenneth, Ishpeming, and Walter, Battle Creek. There are seven grandchildren.

A family dinner, attended by 25 guests, was held in the Mather Inn in observance of the anniversary.

IHS Facing Toughest Foe At Home Tonight

ISHPEMING — The Ishpeming Hematites will face their toughest foe of the infant basketball season tonight, as they play host to the Escanaba Eskymoes, who have tasted defeat at the hands of Escanaba Holy Name and the Marquette Graveraet Redmen.

The Eskymoes' lone win came at the expense of the Munising Mustangs by an 85-50 score. Ishpeming squeezed out a 41-38 victory over Munising earlier this year.

Height, Performance

Coming to Ishpeming is a team blessed with height and which has performed well in each ball game, despite their two losses.

Faced by guards Bill Eis and Jerry Hansen, plus the brilliant efforts of left forward Wally Schultz, the Escanaba squad could well prove to be the team to beat again this year for any squad in the Great Lakes Conference.

Ishpeming, with a 2-2 record, has been sputtering, showing flashes of being a top contender, but a lack of height coupled with poor shooting has been most detrimental.

The IHS will go with Tunteri, Pertunen, Coduti, Peterson, Olson and Simula. Olson and Simula will no doubt share duties throughout the game.

Coach Duane Phillips indicated that no basic changes will be made for tonight's conflict.

The Blue and White coach said, however, that he hopes his squad finds the range. They have consistently outfired the opposition this year, but have had poor shooting averages.

The Jayvees will play the Escanaba Jayvees in the preliminary. IHS cagers have racked up four straight wins in colorful fashion this year.

Redmen Meet Newberry On Home Court In Try For Third Season Win

The Marquette Graveraet Redmen will attempt to take their third win of the season tonight, as they host the Newberry Indians on the home court at 8:30.

The Indians come to Marquette with a 1-1 record, having defeated Munising and lost to Negaunee thus far in the season. They will face a strong Graveraet team which has taken two wins, over Munising and Escanaba, and sustained only one loss, a last-second 59-57 heartbreaker at the hands of

the Sault Ste. Marie Blue Devils.

Marquette will deploy much of the same group of starters that have seen initial action thus far, including Bruce Forsstrom at center, Steve Nyquist and Paul Albricht at forwards; the guards will be picked from Jerry Pertunen, Terry Savola and Richard O'Dell.

Two Tall Ones

The Newberry squad features John Hendrickson and Jerry Hunter, both 6-6 men who share the scoring with 5-9 senior Leon Frang, who has been

Odds Favor Tiger In Title Bout

ATLANTIC CITY, N.J. (AP)—Dick Tiger, a pressure fighter with intense pride in his role as world middleweight boxing champion, rates a solid favorite to turn back the challenge of confident Joey Giardello in their title match Saturday at Convention Hall.

When Tiger and Giardello split two decisions in 1959, they were eager young contenders for the crown claimed by both Sugar Ray Robinson and Gene Fullmer. Now Tiger is the boss. Having disposed of Fullmer in three matches, he is ready to give Giardello his chance.

"Come and Get Me"

"If Tiger wants to fight me he has to come and get me," Giardello said during the long training siege. Tiger was properly upset.

"How do you like that?" The champ asked in his precise singsong English. "The challenger is telling me how he is going to win my title. As the champion I have a lot to lose. Joey has no title to lose."

Mauro Named To 3 All-Opponent Teams

Tackle Jack Mauro of Northern Michigan University has been named to three all-opponent teams.

Mauro, a 6-2, 234-pound senior from Saginaw who has just signed with the Green Bay Packers, has been named to the University of Detroit, State College of Iowa and Hillsdale all-opponent teams.

Also selected by Detroit and

Iowa for their all-opponent eleven was NMU end Bill Rademacher, 184-pound Mominnee senior who set a new pass-reception record this year.

Pat Stump, NMU junior guard and linebacker from Lansing, was also named to the Hillsdale all-opponent squad.

Northern, Kentucky and Xavier dominated the Detroit all-opponent selections.

Lions Sign No. 3 Pick

DETROIT (AP)—After losing draft choices No. 1 and 2, the Detroit Lions have signed No. 3—Hardin-Simmons halfback Pat Batten—Lions President William Clay Ford said Thursday.

Ford said four others of the 21 college players drafted by the Lions last Monday also have signed contracts, but he did not identify them.

The Lions' top draft choice, quarterback Pete Beathard, and No. 2 pick, end Matt Snorton, decided to play in the American Football League.

Choices No. 3A and 4 may do likewise, Ford said.

Illinois To Get Ready For Bowl

CHAMPAIGN, Ill. (AP)—Illinois will open official football preparations Dec. 16 for the Rose Bowl Game, Coach Pete Elliott said Tuesday.

"Until then, I've asked the players to remain in condition on their own by doing daily running and exercises," he said.

The Illinois, permitted 16 practice days for the New Year's Day classic, will leave for Pasadena either Dec. 20 or 21.

Wins Taken By DeRochas, A&C In Hoop Action

ISHPEMING — DeRochas defeated Mike's Texaco, 46-44 in Ishpeming Independent Basketball League play Tuesday night, as Bill Chilcutt dropped in two free throws with 15 seconds left in the game.

Rich Marretti scored 24 points for Mike's, while Jim Mitchell racked up 19 for DeRochas.

Selin's downed Hooper Motors on the shooting of Les Larmour, John Juntti and Pard Bess, who each hit for 10 points. Marvin Koski had 11 for the losers.

Top Class D Quints Meeting Tonight At Negaunee St. Paul

NEGAUNEE — What is expected to be one of the outstanding Class D basketball attractions of the season is scheduled for Negaunee's Memorial Gymnasium tonight when the St. Paul Emeralds host the Trout Creek Anglers at 8 p.m.

St. Paul, defending Upper Peninsula Class D champs, still remain in the undefeated class, having posted its fourth triumph Tuesday night at Marquette by edging Bishop Baraga Central 74-73 on a last second basket by George Torreano.

Replacement

Slated to get the nod as Guizzetti's replacement will be the sophomore forward, who contributed 12 points to the Emeralds total in the win over Baraga. Torreano will occupy a forward spot along with Dennis Baratoia with Lon St. Aubin shifting to center. Dom Jacobetti and Paul Melli will draw the starting guard assignments.

Pacing Trout Creek again this year will be Bob Manning, a senior guard, who is starting his fourth season on the varsity squad, and Bob Gale, a lanky sophomore, who was a regular in the pivot spot as a freshman during the 1962-63 campaign.

In the Angler win over the Parochials at Iron River last February, Manning was the leading Trout Creek scorer with 22 points while Gale picked up 15.

Three Quarterbacks On All-America Team

NEW YORK (AP) — Three quarterbacks including miraculous Midshipman Roger Staubach, a gritty little man, and a part-time teacher join returnee Damon Bame on the 1963 Associated Press All-America football team.

Staubach won the Heisman Trophy as the College Player of the Year. With Saturday's game against Army remaining, he has accounted for 1,738 yards passing and running.

This was the year of the quarterback.

Francisco 49'ers in the NFL draft and may be used as a defensive back.

North Carolina wouldn't give Lacey a football scholarship at the outset until he earned it, which took almost no time at all.

Big Reason

Appleton, a middle guard on defense and weak side tackle in Texas's flip-flop offense, is a big reason the Longhorns have lost only twice since he became a varsity head knocker.

Elsewhere in the NBA the mere mortals who perform for St. Louis are Philadelphie also played. St. Louis came out on top, 106-103, as John Barnhill made a key interception and then tossed in the winning basket in the final 34 seconds of play.

PHILADELPHIA (AP)—Boyish-looking, 36-year-old Jerry Wolman has bought the Philadelphia Eagles for \$5,500,500, furthering the trend of young millionaires taking control of teams.

Subject to approval of the NFL, Wolman, a Washington contractor, will join such young owners as Art Modell of Cleveland, Dan Reeves of Los Angeles, Clint Murchison of Dallas, the Bidwill brothers of St. Louis and Clay Ford of Detroit.

Army Could Be Tossing, Turning Over Middies' Gimmick For This Game

WEST POINT, N.Y. (AP) — Coach Paul Dietzel and his Army football team might be excused for tossing around in their bunks these nights, wondering aloud:

"What is Navy going to pull this time?"

In recent years the Midshipmen haven't been content just to show up with apparently superior personnel. They've won the last four games with a gimmick that seems to toss the Cadets for a loop.

He turned in five runs of over 80 yards this season.

Parks was grabbed by the San

Junior Hockey Play Tomorrow Has 8 Games

Action in the Marquette Junior Hockey Association continues tomorrow, with the following games scheduled:

7:15 a.m. — Bancroft vs. Lions; 7:50 — Bunny Bread vs. Elks; 8:25 — Bears vs. Owls;

Celts Drop Second Game

The Boston Celtics of the National Basketball Association dropped their second ball game of the season Thursday, bowing 118-108 to the Cincinnati Royals.

All and Cincinnati needed to beat Boston for the second time was 48 points from Oscar Robertson and 21 from Jerry Lucas.

Four-Way Tie In Negaunee

NEGAUNEE — Victories by the Palmer Mets, Boosta's Sport Shop and Bosch Beer marked Tuesday's play in the Negaunee City Basketball League.

The Mets took a 53-50 win from Heru's Bar. Boosta's and Bosch won, 73-65, over Cain's News.

Howe, Delvecchio Scoring Again, Wings Ascending

DETROIT (AP) — Now that Gordie Howe and Alex Delvecchio have snapped their scoring chumps and Sid Abel has found a third man to play on the No. 1 line, the Detroit Red Wings seem ready to make their bid to move up in the National Hockey League standings.

Howe and Delvecchio each scored two goals Thursday night as the Red Wings defeated the Boston Bruins 4-2. The victory, first for Detroit in eight games, and a 4-2 win by Montreal over New York in the only other league game played lifted the Red Wings into sole possession of fourth place.

Johnston had neatly stopped Doug Barkley's shot from the point.

Delvecchio scored again later in the period after taking a picture cross-rink pass from Howe and beating Johnston from about 15 feet out.

Howe counted Detroit's fourth goal just after the six minute mark of the final period, and Oliver matched it with a shot from the blue line less than a minute later.

Sawchuk, who missed two games after wrenching his back last Thursday in a game with Montreal, made 20 saves, half of them in the final period.

Johnston made 33 saves, with 25 of them coming in the first two periods.

At Montreal, the Canadiens spotted the Rangers an early goal, then came back with two within a minute in the first period and won easily. The victory moved Montreal into a second place ahead of idle Toronto.

Could Happen Again

It could happen again Saturday when the Middies from Annapolis and the Black Knights from West Point clash in their 64th meeting at Philadelphia's Municipal Stadium.

Wayne Hardin, the red-haired Navy coach, seems to get a pucker of delight out of springing nerve-jarring tricks which are kept in closest secrecy until just before the kickoff.

In 1959, the game that started the current streak, Hardin installed a brand-new formation for the Army game — a formation calling for wide flankers and plays not used all year.

Score: Navy 43, Army 12.

Other News

The next year — 1960 — Army

was expecting some more of the same skullduggery. The Knights were ready for anything — and were waiting for it. Hardin suspected this, so he didn't change a play. The other shoe didn't drop.

Score: Navy 17, Army 12.

In 1961, Navy warmed up in regular attire. Then, just before the kickoff, the Middies loped onto the field with their "Flaming Mammie" helmets. If Army team was stunned, the 100,000 spectators were half-blinded. The helmets were painted with luminous aircraft paint — a garish orange color. On the sleeves of their jerseys, Navy men had inscribed: "Beat Army."

Score: Navy 13, Army 7.

Answer For Chinese

Last year, the Middies had an answer for Army's celebrated Chinese Bandits, the defensive unit plan which Dietzel had employed so effectively at Louisiana State.

On the front of every Navy helmet were inscribed the words: "Jolly Roger." On one side was written the word "Beat" and on the other the word "Army."

Nothing very trick about that, except the words were inscribed in Chinese.

Score: Navy 34, Army 14.

Traders Pausing, More Action By Middle Of Month

LOS ANGELES (AP)—Major league traders paused for breath today but several additional deals may follow the four already made before the inter-league trading period ends on Dec. 15.

Lewis Alone On First String As State Star

DETROIT (AP) — Sherman Lewis, Michigan State's 154-pound speedster, is the only state college player who made the first string on the 1963 Associated Press All America football team. Several other Michigan players received honorable mention.

Olympic Men Humble Tech

HOUGHTON (AP) — The U.S. Olympic hockey team defeated Michigan Tech 3-1 Thursday night as it fired 23 shots on goal in the final 20 minutes, after two scoreless periods.
