Marquette State Prison inmates repair toys for distribution by Christmas Bureau. Story on Page 2.

Vol. 81, No. 164

Marquette, Mich. — Friday, December 13, 1963

(14 Pages)

(Price 10 cents)

More Military Closings Seen Likely Next Year

WASHINGTON (AP) — The Pentagon pushed ahead today with studies likely to lead to more military base closing moves in the year ahead — an election year in which such actions could be politically risky.

Over a 3 1/2-year period, the move will cut off about 8,500 civilian jobs and result in a reduction of about 7,800 military personnel, McNamara said.

DETROIT (AP) — Pentagon cutbacks in military operations in other states will create about 850 new jobs in the Detroit area, Army officials announced Thursday.

Eight Yanks Die In S. Viet Nam

SAIGON, Viet Nam (AP) — Eight U.S. servicemen were presumed killed Thursday in the separate crash of a big helicopter and an Army plane.

Several hours later a single-engine Otter plane carrying four U.S. military advisers and three Vietnamese crashed in the central highlands on a flight from Nha Trang to Ban Me Thout.

Most of the 400 base eliminations and curtailments ordered since March 1961 were spaced out and handled without national publicity, although there were local announcements.

Full Year Of Mourning

Mrs. Jacqueline Kennedy, above, intends to observe a full year of mourning for her late husband and will make no public engagements, her press secretary announced Thursday.

Snow, Cold Hold Icy Grip On U.S.

(By the Associated Press) Snow and cold, packing the punch of a midwinter storm, held an icy grip on wide areas from the Northern Plains into the Midwest today.

up to 15 inches in parts of Montana and ranged from 6 to 12 inches in most other areas as well as in the Great Lakes region and parts of the Northeast.

U.S. Scores Successful Titan Shot

CAPE KENNEDY, Fla. (AP) — The United States man-in-space program has received a boost with the successful flight of a Titan 2 rocket and a setback with the postponement of the first two-stage launching of the Saturn 1 U.S. officials believe the Saturn 1 is the world's most powerful booster.

Meanwhile, the unmanned satellite program moved ahead with a space agency announcement today that it will attempt next Tuesday to orbit an improved Tiros 8 weather observatory capable of delivering "instant pictures" of cloud cover to more than 50 stations around the globe.

While economy in government is politically appealing, it carries certain risks. Thus, a community which loses a military base and several thousand jobs could resent such economy at its expense—and vote accordingly.

Rusk Flies To Paris For NATO Meet

WASHINGTON (AP) — Secretary of State Dean Rusk flies to Paris today to assess with the foreign ministers of the Atlantic Alliance how the dramatic changes in the Communist bloc (Moscow-Peking dialogue and the bloc's economic problems) affect the security of the Western world.

This will be the main task of North Atlantic Treaty Organization ministers, who meet in the French capital Monday.

Traditionally, the defense and finance ministers of the 15 allied nations also attend the winter session of NATO's ministerial council meeting, and Secretary of Defense Robert S. McNamara and Secretary of the Treasury Douglas Dillon will assist Rusk at the three-day party.

Marian Anderson Plans Farewell Tour

NEW YORK (AP)—Famed Negro contralto Marian Anderson, whose voice has thrilled millions, will make a farewell world concert tour next year and retire the following spring.

Miss Anderson, 55, announced her plans Thursday at a news conference. On the lapel of her blue satin jacket was pinned a silver eagle set on a blue ribbon—the Freedom Medal presented to her by President Johnson last Friday.

The official agenda of the Paris conference includes a review of the international situation, the question of cooperation in military research, civil emergency planning and East-West relations.

Argentina Asks Spain To Extradite Peron

MADRID (AP)—The Argentine government has asked Spain to extradite Juan D. Peron to face a 7 1/2-year charge of seducing the janitor's teenage daughter who solicited his last two years as Argentina's dictator.

The 68-year-old former strongman, who recently moved into a luxurious Madrid residence with the former secretary he married after his overthrow in September 1955, was not available for comment.

Happy To Run

Rep. Robert A. Taft, R-Ohio, above, declared Thursday he would be happy to run for the Senate on a Republican ticket headed by Barry Goldwater.

One Or Two Of Kidnapers Identified

HOLLYWOOD (AP) — The FBI, mum here on its investigation of the Frank Sinatra Jr. kidnap case, began distributing in Washington today serial numbers of bills in the \$240,000 ransom.

Numbers on some of the bills, ranging in denomination from \$5 to \$100, were photographed hurriedly at the bank which prepared the ransom package. The list is being distributed nationwide.

Marina Kept Isolated By U.S. Agents

DALLAS (AP) — She is a somewhat bewildered young woman, shaken over the tragic slaying of President Kennedy, but gallant in her resolve to create a future for her children in America, and bear whatever burden is her lot.

Meanwhile, in Canoga Park northwest of Hollywood, the FBI lifted a guard at a ramshackle home raided by its agents Thursday.

Vast Changes Forecast For Aid Program

WASHINGTON (AP) — President Johnson is reported planning a sweeping reorganization of the Alliance for Progress in a broad move to develop more dynamic and effective U.S. relations with Latin America.

News In Brief

LANSING (AP) — Gov. George Romney goes to Washington Tuesday to ask that a space-age electronics research center be established in southeastern Michigan. He said he hoped the \$50 million center will be located in the "southeastern Michigan educational complex," which he said includes Detroit, Ann Arbor and Lansing.

Marina Oswald

MARINA OSWALD immediately sealed off by the Secret Service.

The Weather

Forecast for Marquette and vicinity: Snow flurries, windy and colder tonight and Saturday, with occasional heavy snow squalls developing and considerable blowing and drifting snow; low temperature tonight, 5 to 10 near the lake and zero or a little lower inland; high on Saturday, 10 to 15.

WASHINGTON (AP) — The 60-year-old Bob Hope said Thursday he is almost positive he'll make Yule Trip.

Hope Almost Positive He'll Make Yule Trip

SAN FRANCISCO (AP) — Bob Hope left Children's Hospital after a week of treatment for his ailing left eye.

'Toys For Tots' Big Project For Prison Inmates

There's one project at the Marquette State Prison in which inmates enjoy participating. It's referred to as the "toys for tots" program, by which inmates repair toys for subsequent distribution to needy children of the area at Christmas time.

The inmates repair, repaint, recover, etc. various toys which have been discarded or donated for this purpose. The toys are then turned over to the Marquette Christmas Bureau for distribution to needy families.

Because of the length of time needed to repair the toys, and the limitations on time, work on the program, which is supervised at the prison by Patrick Ellsworth, director of vocational education, begins in October.

Given Out This Weekend

The schedule calls for the work to be done about two weeks before Christmas. This season's repairing was completed today and the toys are to be returned to the Christmas Bureau this weekend for distribution by the bureau to the

families in need. Mrs. Alden S. Clark, president of the bureau, is in charge of the agency's program.

This year, Ellsworth said, around 30 inmates pitched in to, repair, and reconstruct various type toys which were collected for the program.

Storage Problem

"Actually," he said, "storage is our only problem, as our space is limited. We have no trouble getting inmates to work on the project, as they know they are doing something for someone in need at Christmas."

Another limitation, he said, is spare parts. For this reason, it's difficult to do anything with plastic or stuff toys. The inmates usually can handle repairs to large wooden or steel toys, however.

"We have no funds with which to purchase spare parts," Ellsworth pointed out, "and consequently we do the best we can with what we have or fabricate ourselves."

"Insofar as bicycles are concerned, we try to keep as many spare parts from year to year, because each season we

get a certain number of bicycles to work on."

Frames Welded

Buggy frames are repaired in the welding shop, canvass covers for doll buggies are made from spare or end covers in the tailor shop, etc., he explained.

Last year the prison received a large number of discarded toys from K. I. Sawyer Air Force Base. This enabled the inmates to prepare a large number of toys for distribution by the bureau.

Over 250 Toys

This year the number continued high, with well over 250 individual toys readied for the bureau by the inmates.

"We don't have to ask the inmates to help on this project," Ellsworth said, "they are glad to work on it."

It was pointed out that some of the inmates may identify their work on the toys as the "labor of love to those happy days with their families," while others feel eager to bring some cheer into a small child's life.

At any rate, Ellsworth said, the inmates enjoy the thoughts of being "Santa's helpers."

Sarasien, Johnson Get Union Posts

Officers of Local 414, Plumbers and Fitters Union, AFL-CIO, for the coming year were elected at a meeting of the membership held this week in the Union Hall.

Richard E. Sarasien was elected business agent and Dean Johnson was selected president. The latter succeeds Robert Johnson as president.

Other officers chosen were Charles Gogam Jr., vice president; Clarence Sarasien, recording secretary; Richard Schwemin, financial secretary-treasurer, and Dean Johnson, assistant business agent. All terms are for two years.

12 Years On Job

Charles Gogam Jr. resigned as financial secretary-treasurer, after serving 12 years. Sarasien was appointed business agent to succeed the late Edward Schwemin and also was picked for a two-year term.

Sarasien is a native of Marquette and has been a member of the union since 1946. He is married to the former Leona Dugas of Marquette and they have a son, Richard. The family resides at 1831 Fitch Ave.

\$214.7 Million Spent On Great Lakes Ports Between 1946-1962

NEW YORK (AP) — The Port of New York Authority says \$214.7 million was spent on development of Great Lakes ports between 1946 and 1962.

Total development figure for all North American ports during the period amounted to more than \$2 billion, the agency reported.

Shopping Season Hits Peak, But No Coin Shortage Here

Although there's a nationwide coin shortage, Marquette bankers say there's plenty of pocket change in this area. The nationwide shortage is expected to end after Christmas. It dropped up this month because of the extra demand for coins and the extra amount of money put in circulation during the shopping season.

There's no chance of a serious coin shortage in the Marquette area, the bankers said. They point out that the Marquette area has no immediate coin shortage problems and the Christmas shopping season is now at its peak.

Marquette banks have never had to refuse businessmen who asked for coins in exchange for paper currency and bankers are sure that it won't happen this month.

However, they said they're operating with a smaller stock of coins than usual.

Because of the nationwide shortage, Marquette banks have not been able to get the amount of coins requested from the "bankers' bank," the Federal Reserve Bank.

Marquette's banks are members of the Ninth Federal Reserve Bank of Minneapolis, which gets its coins from the mints and from surplus stocks at member banks.

The nationwide shortage in all fractional currency except the silver dollar doesn't mean that the coins are being used more than ever and are tied up temporarily.

'Vending Machine Age'

One banker noted that "we're entering the vending machine age" and that the vending machines tie up vast amounts of coins. One of the biggest drains on coins in this area are the vending machines at K. I. Sawyer Air Force Base, he said.

The piggy bank is a major means for keeping coins out of circulation, the bankers said. A thousand piggy banks, each filled with a hundred pennies, keeps 100,000 pennies out of use.

Parking Meters

An increase in the number of parking meters across the nation and sales taxes also

add to the demand for coins. A tremendous growth in the past two or three years in the number of coin collectors has kept a tremendous amount of coins out of circulation or tied them up temporarily, the bankers said.

Obituary

KENTON BOYER

Services for Kenyon Boyer, 62, managing director of the Marquette County Historical Society, who died yesterday morning in St. Luke's Hospital, will be held at 1:30 tomorrow afternoon in the Swanson Funeral Home. Burial will be made in Park Cemetery.

Friends may call at the funeral home this afternoon and evening.

MRS. AGNES BRENDT

Mrs. Agnes Brendt, 57, the former Agnes Berry of Marquette, died Tuesday morning in St. Ann's Hospital, Chicago, following a long illness.

Mrs. Brendt was born on Oct. 30, 1906, in Marquette. She is survived by a brother, Edward Berry, Sandstone St., Marquette, and several nieces and nephews.

The body will be removed to Tonella's Funeral Home, where friends may call after 2 Sunday afternoon. Liturgical services will be held at 7 Sunday evening.

Funeral services will be held at 9 Monday morning in St. Peter's Cathedral. Burial will take place in Holy Cross Cemetery.

Al Jolson, the famed singer, was born in Russia and came to the United States when he was about seven years old.

Mercury Dips To 14 Here; More Winter Blasts Due

Marquette area residents felt frigid blasts of winter this morning, with the temperature around the 14 degree mark and a biting wind intensifying the cold.

The area has had eight inches of snow and subfreezing temperatures since Monday, with frequent periods of snow and cold predicted through mid-week.

It remained below freezing

all day yesterday (the high was 30), although the brief periods of sunshine made it appear somewhat milder. The streets continued slippery again, however, with the light snow acting "like grease" on pavements.

Cold air usually sweeps into Marquette from the Northwest, but this morning the cold circulated around the elongated low air mass which was centered over Minnesota. With a wind shift to from the north, the area will get flurries and snow squalls tonight. Meteorologist Fred Mueller said.

Snowfall Below Normal

Marquette's snow depth this morning was seven inches, tops for the season, with the season's snow total being 16.7 inches, which is a foot below normal.

Yesterday's average temperature of 26 was one above normal. It was much colder inland, with the Marquette County Airport having a low of 10.

The long-range forecast for this area calls for temperatures to average eight degrees below the normal extremes of 29 and 19 the next five days.

Snowfall during this period will total five to nine inches, occurring Sunday and Wednesday, and in frequent periods at other times.

C-C's Movie For Children Tomorrow

Marquette children under 10 years of age will be able to attend a theater party tomorrow morning as guests of the Marquette Chamber of Commerce's retail division.

The chamber expects 1,200 children to attend the party, from 10 a.m. to 12:15 p.m. Parents have been invited to shop in Marquette while their children view the movie at the Delft Theatre.

Extra Santa Visits

Santa Claus will offer treats to the children as they enter the theater tomorrow morning.

Clifton Wagner, chairman of the retail division, said that because of the large number of children who have lined up to see Santa downtown on Friday nights during the Christmas season, Santa will be downtown four extra times before Christmas.

In addition to greeting children tonight and next Friday night, Dec. 20 from 6 to 9 p.m., in the First National Bank & Trust Co. lobby, as previously scheduled, Santa will be on hand in the First National lobby on four mornings before Christmas.

Santa will be stationed in the bank lobby from 10 a.m. to noon Thursday, Dec. 19; Friday, Dec. 20; Saturday, Dec. 21; and Monday, Dec. 23.

3 Young Escapees Nabbed by Police
ST. JOHNS (AP) — Three youths enjoyed scant hours of freedom after escaping from the Ionia Reformatory and stealing two cars, police said. Authorities captured Thomas Kleeman, 17, sentenced for two to 15 years for burglary in Luce County, shortly after the youths were reported missing from a dormitory. The other two picked up were Jerry Kiles, 20, serving a 2½-15-year term from Wexford County for burglary, and Raymond Fisher, 18, sentenced to 21 months to two years for car theft in Wayne County. City's Steam Plant Will Be Efficient, Attractive, Sims Says

Marquette's steam electric generating plant will be the most efficient, attractive and modern plant possible and an asset to the waterfront, J. Bryan Sims, Grand Haven, the city's consulting engineer, said.

Construction of the \$3,775,000 steam electric generating plant, which will be financed by light and power department revenue bonds, is expected to start this spring.

Site purchased for the plant is the Standard Oil Co. bulk plant property on Lake Superior at the foot of E. Hampton St.

"The grounds are planned to be improved and landscaped," Sims said in a report to the city. "In the opinion of my firm, the city has an opportunity to set a splendid example for further improvement to the remaining waterfront area."

The building will be constructed of aluminum with a three-story frontal administration section of masonry colored brick and stone facing. Attractive color will be used inside and out, Sims said.

Twelve Cars Involved In Seven Area Road Mishaps

Twelve automobiles were damaged and three motorists were ticketed in seven area traffic accidents reported this morning by city and state police.

Six of the mishaps occurred in the city. State police probed two accidents (account of second one in Ishpeming section). Reports on this area's collisions follow:

1. At 11:50 yesterday morning an automobile being driven east on W. Washington St. by Paul M. Dagenais, 36, of 121 E. Ohio St., was struck on the right side by a delivery truck operated by Joseph D. Holland, 23, of 602 S. Third St., in the 600 block.

Right-Of-Way Violation
Holland had been proceeding east on Washington St. and had went to the left, to back up into a warehouse, and in going into the street again his truck struck the car. He said he was unable to stop. Dagenais tried to go to the left to avoid the crackup.

Extensive damage resulted to the right side of Dagenais' 1959 four-door sedan and minor damage resulted to the front bumper of Holland's 1956 truck. Both vehicles were driven from the scene under their own power.

City police ticketed Holland for a right-of-way violation.

2. An automobile being driven south on County Road 553 by Raymond Trybeck, 26, K. I. Sawyer Air Force Base, went out of control on an ice-covered hill, about 2 of a mile north of the Carp River Bridge, at 5:05 this morning.

The car slid to the left shoulder, traveling on the shoulder about 120 feet before coming to rest against three trees, eight feet off the highway, city police said.

Car Towed Away
Icy conditions were blamed for the mishap, which resulted in extensive damage to the left side and front end of Trybeck's 1955 two-door sedan. It had to be towed from the scene by a wrecker.

3. At 12:45 yesterday afternoon a car being driven west on County Road HD by Gerald E. Trotochaud, 20, of 700 Summit St., was struck on the left side by an oncoming truck-tractor operated by William S. Wilson, 46, Kiva, about 9 of a mile west of County Road 550, in Marquette Township.

State police said they met on a curve, with Wilson applying his brakes but his truck sliding and Trotochaud being unable to get out of the way. Icy conditions were blamed for the mishap.

The left side of Trotochaud's 1957 coach and the left front of Wilson's 1959 vehicle were damaged. Both were driven from the scene.

4. An automobile being driven east on W. Kaye Ave. by Clifford E. Olsson, 22, Carey Hall, struck a car operated by Dorothy L. Mugford, 47, Laur-

Initiation For Moose Lodge Set

An initiation for 12 new members and two former members of the Marquette Moose Lodge will be held at the lodge's club-rooms in the former Chateaubault building on County Road 492 tomorrow evening.

The program will begin at 6:30 p.m., with a potluck supper. The initiation will be conducted by Harris Oust, lodge governor. Wives are invited and a dance will follow, with music being provided by the Gadabouts.

Initiates Listed
New members being initiated are James Johnson, Arthur Nakarado, John Balbierz, John Peterson, John Carlson, Vertin Dobbs, John Holland, Carl Olson Sr., Francis L'Huillier, James Kirkpatrick, Paul Specker and Norman Ball.

Former members being re-enrolled in the Moose Lodge are Arvid Tamminen and Arion Hokenson.

Firemen Called Out Two Times
Marquette's fire department was called out twice early today, with no serious damage resulting in either case.

At 7:28 a. m. firemen extinguished a chimney blaze at the residence of Lawrence Hamel, 2815 Lake Shore Blvd., by use of a booster hose off the service truck. There was no damage.

Six firemen responded to the call. The No. 2 (1,000-gallon) pumper also was driven to the scene. Firemen returned to the station at 7:59 a. m.

Overheated Space Heater
Firemen also were called out at 2:30 a. m. to a house trailer owned by Daniel Clark, at the Birch Grove Trailer Court, off Pioneer Rd., where an oil space heater became overheated.

Four firemen responded to the call in the No. 4 pumper. Nothing was used, with firemen standing by until the heater cooled off. They returned to the station at 2:45 a. m.

While most U.P. stores will increase their sales, some won't hit their peaks for the year. Mackinac Island, for instance. Its summer trade isn't even approximated by its holiday buying, now that the horses and the humans (resorters, that is) have gone from the island.

Liquor Sales Triple In Pre-Holiday Period

People who think that the holiday season brings a crush in the post office should visit a liquor store, especially downtown. "It's a madhouse the week before Christmas," says Dexter Babcock, Escanaba, U. P. district manager of the Michigan Liquor Control Commission.

Michigan's state monopoly liquor system sells its liquor out of three warehouses, in Detroit, Lansing and Escanaba. Their volumes almost triple in the week before Christmas, and in some of the bigger state stores the sales are four times average.

3.01 Per Cent In U. P.
Michigan's 1962 December sales of liquor were \$25.7 million gross, of which \$17.2 million or 67.6 per cent was in the Detroit district, \$7.7 million or 29.9 per cent in the Lansing district and \$776,693 or 3.01 per cent in the Upper Peninsula.

Kiwanis Club Installation Meet Slated

Installation of 1964 officers of the Kiwanis Club will be held at a ladies' night dinner meeting to be held in the Northwoods Restaurant at 7 Sunday evening.

The installation will be conducted by Francis Schubert, lieutenant governor-elect for the Peninsula Division of the Wisconsin-Upper Michigan District of Kiwanis International.

Al Wickley, current lieutenant governor of the division, also will attend. Both are from Houghton.

Wickley was in charge of the installation here a year ago. Finkbeiner President

Over 90 persons are expected to attend the program, which will see William Finkbeiner being installed as president for the coming year. Other officers for 1964 are Charles York, first vice president; Norman Potochnik, second vice president, and Lowell A. Carlson, secretary-treasurer.

The new officers take over Jan. 1.

Melvin N. Nyquist, president of the Marquette club, will be in charge of the meeting. George T. Kendrick, a past president, will be the master of ceremonies.

Attendance awards will be distributed to Kiwanians who have maintained perfect attendance for the past year.

New members of the club's board of directors are William Jackson, Earl Mottard and Richard R. Bur.

Other members of the board are Frank McKeown, Harlan Larson, Adorno Salani, Clifton Wagner and Ellwood A. Mattson. Board members whose terms expire Jan. 1 are Dr. Claud A. Bosworth and Richard Angell.

Press Meet Slated For Tourist Event

The Upper Michigan Tourist Association here said today it will host Upper Peninsula press representatives, tourist industry leaders and educators at an Escanaba dinner on Thursday, Jan. 9, to announce regional winners of the 1963 "Pays To Know" hospitality program.

UMTA President Ken Slater of Hulbert said county winners will be announced shortly. Regional winners, to be announced and introduced at the Escanaba gathering, will include the U.P. sweepstakes winner and three honorable mention winners.

"We're inviting all U.P. newspaper, radio and television people," Slater said, "because their communications support has been a big factor in this very successful program." He said Michigan State University extension personnel in Marquette had handled most of the organizational phase of the program, along with local chambers of commerce.

5,000 Participated
Approximately 5,000 persons

Saturday, Jan. 18, are asked to send their name, address, phone number, a description and length of their act to the March of Dimes Telethon, Box 636, Marquette.

Those acts requiring an accompanist or music will be required to furnish their own, drive officials said.

Talent will be notified by Jan. 10 regarding the time they are to appear on the show.

Funds raised through phone pledges will help provide medical care for children suffering the physical and psychological handicaps of birth defects, arthritis or polio.

Volunteers Being Sought For Polio Drive Telethon

Persons interested in appearing on the 1964 March of Dimes telethon to be staged over WLUC-TV, beginning at 11 p.m.

Control Of Conservation

Several weeks ago one of Gov. Romney's aides indicated to a Lansing news correspondent that some thought was being given to the possibility of a governor-appointed director of conservation to replace the conservation commission system that has been in effect in Michigan since 1921.

This "trial balloon" was sent up prior to the announcement last week of the findings of the Governor's special committee of 21 that spent eight months studying the conservation department, its organization and its operation.

Peninsula Perambulator

The 1963 iron ore shipping season at Escanaba will be closed Friday when the steamer Cornelius is loaded with about 16,200 tons, which the Boland & Cornelius vessel will carry to Trenton, Mich., at the Chicago & North Western dock.

Inland Lime & Stone Co., after completing its best year since 1957, has closed its plant for the winter and will load its last vessel Dec. 14-15. The last carrier out of Port Inland, near Manistique, will be the steamer Dow Chemical, which will be loaded with open heart stone for Bethlehem Steel, Buffalo.

Possible integration of Escanaba's police and fire departments as a method of meeting rising operating costs is being studied by that city's administration. City Manager George Harvey informed the city council that the integration question is being considered because of wage and hour demands by firemen, who have asked (1) equal pay with the police department, (2) holiday pay—double pay for those working, (3) half pay for sick leave on leaving city jobs, and (4) a 56-hour work week.

Sheriff Cully Johnson of Delta County is looking for a dog napper who stole Duke, a valuable registered Weimaraner male, from the yard of the Harry Johnson Home in Groos. The sheriff said, however, that Duke may not be having such a bad time of it, since it is possible that some owner of a female may want a litter sired by a full-blooded Weimaraner.

The R. J. Enstrom Co. of Menominee is now going into production of a helicopter of simple design and low cost which is expected to have wide and ready acceptance. In a talk to the Escanaba Rotary Club, John M. Christensen, president, said the three-place helicopter will carry a price of \$27,400, which is one-half the price of its nearest competitor.

About 40 relatives, friends and neighbors turned out for a good old-fashioned "barn building bee" at the Eugene Hanson farm near Bark River. And before the day was over, the Hanson herd of 47 dairy cows had a roof over their heads. Fire on Nov. 30 had destroyed the barn, 90 tons of hay, 1,000 bales of straw, a new milk house, new grain drill, hay elevator and barn cleaner.

Organization of a group of blowing lane operators was completed at a meeting in Escanaba. Heading the group — to be known as the Upper Peninsula Blowing Lane Proprietors Association — is William Miller of Laurium. Standardization of conditions throughout the U.P. is one of the association's aims.

From The Journal Files

60 Years Ago

—Marquette—
Yesterday, two of the employees of the Marquette City and Presque Isle Street Railway Co., who went on a strike two weeks ago, returned to their jobs and were given their old positions, the loop run. The schedule is arranged to give two crews 10 hours work a day for seven days, one crew 12 hours a day for seven days and 14 hours run on the Washington St. run. The men all can thus make over \$50 a month.

30 Years Ago

—Marquette—
First steps toward procuring work for unemployed women in Marquette County were taken yesterday by the Marquette County Emergency Welfare Relief Commission, administering the civil works program, which announced that plans have been made to place 12 women in libraries of the county.

lolutely ruled out.

There is no question but what a single political appointee to direct the conservation department would be an inexcusable step backward in Michigan conservation. It was the involvement of partisan politics in managing the state's resources that led to establishment of the present system of conservation department operations 42 years ago. If the conservation commission is now disposed of and replaced by a political appointee, the state can expect nothing but political domination of its conservation agency.

"To return now to the political appointee system would be a disastrous backward retreat, in which would be lost everything for which Michigan's sportsmen and conservationists have fought for all these years," said James L. Rouman, Lansing, executive director of the Michigan United Conservation Clubs. "In these days of multiple use and over-use of our badly depleted resources, the mistake could be well-nigh fatal."

"MUCC believes that, in the reorganization (under the new Constitution), the conservation department, the water resources commission and all other state responsibilities in natural resource management should be combined into a 'Department of Natural Resources.' Within this new department, the conservation department must be headed by a commission, appointed in the same way as the present commission, with much the same duties and responsibilities."

Dr. Ira N. Gabrielson, president of the Wildlife Management Institute, has said, "The wrong governor appointing the wrong commissioner under a one-man setup can irrevocably wreck a conservation department in a matter of months, and I've seen it done."

Despite the fact that the Michigan Department of Conservation was the object of an intensive study by the Governor's committee, it remains one of the outstanding conservation departments in the nation, and it got that way under the present commission system of organization. It is true that the study committee recommended many changes to further strengthen the department, but it also is true that one-man control of the department was not one of these recommendations.

The Governor's office should clear the air immediately by announcing that any thoughts of one-man control of the department that may have been entertained have been abandoned.

Traffic Problem

Dear Sir:
I am one of many local motorists who, in recent weeks, have found cause for concern with the traffic problem at Front and Washington Sts.

This intersection is not only hazardous for the driver, but for the city patrolmen who are sent into the street to direct traffic, even though the signal lights are in operation. I feel these signals should be shut off if an officer is in the street, because in an attempt to keep things running smoothly he finds it necessary to move about quite hurriedly.

His dark uniform may blend in with traffic, people, gay lighting or other elements, so that a driver who is instinctively watching for the signal light cannot, in time, catch his hand signal. This, I feel, could result in serious injury to the patrolman, in addition to the consequences the driver would have to bear.

I am sure the records will show that an officer has already been injured, however slightly, at this corner. With winter comes slippery roads, and the danger increases. Let's not wait until someone gets hurt. Either shut off the signal lights or keep the patrolman on the sidewalk.

The National Whirligig News Behind The News

By ANDREW TULLY

WASHINGTON — Indiana's Charlie Halleck summed up Lyndon Johnson, politico-diplomat, in a nutshell. "He showed me things I never saw there before," said Republican Leader Halleck of his tour of the White House with the President.

Better than anything else, Halleck's experience tells why Johnson will enjoy a far more cordial relationship with Congress than did the thoughtful, intellectual John Kennedy and the lofty Dwight Eisenhower. Johnson knows what the folks like, and it is the man's nature to enjoy giving it to them,

whether it is an intimate tour of the White House of a soothing clause in a tax bill.

Texas Hospitality

It seems incredible that Charlie Halleck had never seen the White House swimming pool until Johnson showed it to him. He was like's right hand man in the House for eight tough years, yet apparently it never occurred to him, a man of kindly correctness, that Charlie might enjoy a peek at the pool. But it is the sort of thing that does occur to Lyndon Johnson, this big, hospitable Texan, whose happiest hours have been spent showing folks around his ranch

and who has a special affection for and understanding of his former colleagues on the Hill.

Thus, it was perfectly natural for Lyndon to have a long talk with his old friend, Sen. Richard Russell of Georgia, the day before he went to the Hill and demanded action now on a civil rights bill which is anathema to Russell. It is not only that Johnson is a skilled practitioner of the art of the possible; he has a genuine respect for the opinions of men with whom he differs. And what he wants most is to get the best civil rights bill he can without leaving too many wounds. To do this, he will court his old friends in Congress, a chore made easier by the fact that Johnson is devoted to those friends.

Bread Cast On Waters

Lyndon Johnson the historian is acutely aware of the prerogatives of the presidency, but he will not split hairs. Kennedy refused to give Virginia's Sen. Harry Byrd a peek at his fiscal 1965 budget during his battle for his tax bill, but Johnson had a talk with Byrd and assured him he could have his look-see. As a result, Byrd, chairman of the Senate Finance Committee, in turn assured Johnson he would get his tax bill early in 1964, retroactive to Jan. 1.

Johnson, in sum, is already doing some things better than Kennedy did them. He is maintaining his close, personal relationship with the men on the Hill via cozy visits and long telephone conversations. Kennedy preferred to deal with members of Congress through such aides as his congressional liaison man, Larry O'Brien. Of course, it saved time, but Johnson will make time to talk to the folks.

Boysish Delight

Charlie Halleck is a tough, sophisticated politician, who seemed more like a small boy as he told the press about his breakfast meeting with the President. He told of how Johnson had called for him in his car. "I got up two hours early," said Halleck. "It was quite a trip. We got over on the left side a time or two." And he proudly showed off the three cigarette lighters impressed with the vice presidential seal which Johnson had given him.

Then Halleck reverted to type. "The President knows the score up here," he said. He could not have paid Lyndon Johnson a higher compliment.

Preminger Picks Tryon

By HAL BOYLE

NEW YORK — The honesty of Tom Tryon, who may be Hollywood's next big star, is as impressive as his acting ability.

A year ago Tom, who is 6 feet 4, dark and handsome, was a good journeyman actor well-known to movie and television producers, but comparatively unknown to the public.

Signed To 5 More Films
Then Otto Preminger picked him over 20 other candidates for one of the best roles on the movie horizon for some time.

The title role is in "The Cardinal." After viewing some of the early scenes, Preminger signed Tryon, who looks much like Bishop Sheen and Sir Laurence Olivier, for five more films.

Fascinated By Ritual
Tom is neither Irish nor Catholic. He is of Dutch-English descent, and as a youth in Hartford, Conn., attended a typical New England Congregational church—"You know, big, white steeple, white pillars and hard seats."

Although fascinated by the ritual of the Catholic Church, Tryon said his experience in portraying "The Cardinal" had not made him any more religious.

Studied At Yale
"I'm in no sense a convert,"

he said frankly. "But after President Kennedy's death — I don't usually go to church too often—I felt the need of being in one, and I went into a Catholic church, and I lit a candle for him."

"I felt at home there," he said. Tom, who studied painting at Yale University, spent three years in the Navy. He didn't decide to become an actor until after he had tried a few walks on parts in a summer stock company and performed such other theatrical chores as holding up television cue cards.

Has Canny Eye

After an apprenticeship on about 10 films and more than a hundred television shows before Preminger, who has always had a canny eye for a promising newcomer, gave him the biggest break of his career.

"Television gives you the chance to learn to act in front of 10 million people," Tryon said. "But the trouble with it is that the industry has become too imitative. As soon as anyone comes up with a bright new idea, everyone else rushes in and tries to copy it."

"Now it is just rubberstamping sausages."

Writer's Question
Tom said that one of the funniest things about his recent fame came when a fan magazine writer asked him to name "all the disasters in your life, such as whether your mother ever fell down the stairs, and things like that."

When Tryon couldn't think of any, he said the writer finally asked him in desperation, "Well, didn't you at least have acne when you were a kid?"

Firm Urged To Build In South Bend

DETROIT (AP) — The United Auto Workers Union urged Chrysler Corp. to locate a proposed Illinois assembly plant at South Bend, Ind., where Studebaker Corp. is shutting down auto production.

The UAW also called on Chrysler to give laid off Studebaker workers "preferential hiring rights."

Studebaker announced Monday it would halt auto assembly operations at South Bend and henceforth make its cars at Hamilton. Some 6,000 hourly rated Studebaker workers at South Bend will be idled.

Chrysler recently disclosed plans to construct an assembly plant at Belvidere, Ill. It said some 5,000 would be employed. Chrysler also announced it would build a stamping plant in Sterling Township near Detroit.

Emil Mazey, UAW secretary-treasurer, said in a letter to Chrysler president Lynn Townsend that the firm "now had an opportunity to meet its obligation to the welfare of the national economy in light of Studebaker's ceasing auto production in South Bend."

Mazey added that by making the switch from Belvidere to South Bend, Chrysler would get "a fully trained and highly skilled work force by hiring former Studebaker workers."

There was no immediate comment from Chrysler.

Side Glances

"She met him at WHATnanny?"

The Brides In The Bath

By JOSEPH ALSOP

WASHINGTON — President Eisenhower's mildly astonishing intervention in Republican pre-convention politics may not bring Ambassador Henry Cabot Lodge back from Saigon. But it certainly underlines, with ironic emphasis, the difficulty of the Republican problem.

The facts concerning the Eisenhower intervention are in dispute, so they had better be got out of the way to begin with. In brief, the former President either saw or talked by telephone with Ambassador Lodge while the latter was in this country; and Eisenhower then urged Lodge to come home and re-enter Republican politics.

Not content with this, the former President also encouraged the publication of a report of what he had done, based on his own account of his exchange with Lodge. When this report stirred up considerable excitement, the usual crawlingfish ensued; and the most remarkable crawlingfish of all was done by the former President himself.

Eisenhower in fact sought the publication of another report, explaining that he was still as impartial as ever, that he was by no means backing Ambassador Lodge and that his sole desire was to see as many good horses in the race as could be induced to enter.

The episode quite wonderfully reveals the strange Eisenhower blend of political naivete with great instinctive shrewdness. For what could have been more naive than to suppose he would not be regarded as backing Ambassador Lodge, after he had asked him to enter the race, and had also caused this fact to be published?

Shrewdness Outweighs Naivete
Yet the shrewdness outweighs the naivete; for it is quite obvious that Eisenhower's motive was simply eagerness to take better advantage of the opportunity offered the Republicans by the radical change in the national situation. How he went about it was a bit odd, but what he was trying to do was highly sensible.

It was sensible, to begin with, because all the Republicans' reasons for being tempted by Sen. Barry Goldwater ceased to operate when President Kennedy was assassinated. The Republicans of the Northern industrial states saw no point in fighting the well-financed Goldwater drive as long as they were certain that President Kennedy would win their states anyway. But now they have a real chance of winning those states with the right kind of Republican candidate, though not with Goldwater.

By the same token, Sen. Goldwater's chief asset is now a busted flush. The best forecaster of Southern trends, Sen. Herman Talmadge of Georgia, was glumly convinced that President Kennedy would lose every Southern state to Goldwater. But he is now quite as firmly convinced that President Johnson will carry the whole South, even against Goldwater, and even if the new President presses on with the Kennedy civil rights bill — as, of course, he will. For this very reason, it is even possible that Sen. Goldwater will decide in the end that this is not his year. Meanwhile, the political obstacle of Gov. Nelson A. Rockefeller's remarriage is still as great as ever. And no politician who saw Richard M. Nixon's macabre farewell television interview after his last dire failure in California has a really compulsive hankering to leap aboard a Nixon bandwagon.

Republicans Just Might Win
In short, with President Johnson strong in the South but in some trouble in the industrial states which generally choose the President, Republicans just might win the race. Yet the Republicans find themselves confronted with one front-runner carrying a heavy handicap, another front-runner who is suddenly broken-winded and a third front-runner with the political equivalent of glanders.

In these circumstances, in view of Ambassador Lodge's proven ability, President Eisenhower's impulse to get Lodge into the race was quite understandable. But despite the recent increase of talk about Gov. William W. Scranton of Pennsylvania, too little attention is still being paid to his dark-horse potential. And this is true, although Scranton will probably remain a dark horse for some time to come.

One of the more remarkable English murderers was George Joseph Smith, who had a sad habit of marrying rich spinsters and then drowning them in their baths. The first drowned bride was dismissed as a natural accident, and so was the second. But the third bride died in her bath stirred investigation and brought George Joseph Smith to the gallows.

George Joseph Smith is in point here, because Gov. Scranton has already twice accomplished the rarest feat in politics. He has twice held sweetly yet ostentatiously aloof from a bitter fight for a nomination, only to be nominated by acclaim in the end — first for a seat in the House of Representatives and then for the Pennsylvania governorship. Like murderers, politicians tend to be repetitive. Hence a third performance of this rare feat can hardly be ruled out — especially as Scranton can be counted on to do very well in the crucial industrial states.

An Age-Old Question

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — The important problem of age gets scant notice down through the generations as constitutional experts argue a question as old as the Constitution itself.

Who should succeed to the presidency if there is no president or vice president? Should it be a member of Congress? Should it be a member of the President's Cabinet, starting with the secretary of state?

An Old Truism

You can do arithmetic which will show that over the past 30 years, on the average, the secretary of state was younger when he began his job than the speaker of the House or the Senate's president-pro-tem.

Then you run into an old truism: It's not just a question of age but how good a man is at whatever his age happens to be.

Two Aging Men
Right now age is getting at-

ention because under present law next in line behind President Johnson for the presidency, if he died, are two aging men: House Speaker John McCormack, D-Mass., and Carl Hayden, D-Ariz., the Senate's president pro tempore.

McCormack is almost 72; Hayden is 86.

"No Limit To Decency?"
Neither could be accurately described as a ball of fire. There were reports Wednesday that both might step down to let younger men be in line if anything happened to Johnson.

But when a reporter asked McCormack about it, he stormed out, saying: "Is there no limit to decency?" He had previously said he favors the present arrangement which puts him next in line for the White House.

Defended Hayden
And in the Senate, Democratic Leader Mike Mansfield of Montana not only defended Hayden but practically called him a monument.

Under law for 94 years, from 1792 until 1886, this was the line of succession: The Senate's president pro tempore and then the House speaker.

Changes In Law
Under a change in the law and for 61 years, from 1886 until 1947, this was the succession: The members of the Cabinet, starting with secretary of state.

The law was changed again in 1947 and for the past 16 years this has been the succession: The speaker of the House, the Senate's president pro tempore, and then the Cabinet, starting with the secretary of state.

Average Ages
The average age of the Cabinet which Johnson took over from President Kennedy — in contrast to McCormack's 71 years and Hayden's 86 — is 49 years. Secretary of State Dean Rusk is 54.

For the past 30 years the average age at which a secretary of state took office — there were eight secretaries in that time — was 58.

Confused Picture
In that same 30-year period the average age of House speakers when they became speaker — there have been six — was 64.

But the picture gets a little mixed when it is remembered that some men stay on and on in a job, getting older, but still highly capable.

Legion To Sponsor 3rd Yule Party For Children On Dec. 22

Marquette's American Legion post will sponsor its third children's Christmas party Sunday, Dec. 22. Jack Dempsey, general chairman, announced today.

In past years the post has held the children's Christmas event for all youngsters in Marquette County. This year the post is inviting all children in the Upper Peninsula who are accompanied by a parent or guardian.

Last year, when the party was limited to county children, 2,507 youngsters attended. This year the post is preparing to host 5,000.

The party, which will be held at the Marquette National Guard Armory, is scheduled from 2 to 5:30 p.m. It will be carried "live" by WDMJ, The Mining Journal radio station.

Children and their parents are invited to be at the Armory at least a half hour before the party begins to be on hand for the arrival of Santa Claus, Dempsey said.

Refreshments, including soft drinks, candy and cookies, will be given to children again this year. Santa's helpers will assist in the distribution of refreshments under a 25-foot Christmas tree.

12-Piece Orchestra
A 12-piece orchestra will play Christmas tunes. The orchestra is provided by Local 218, American Federation of Musicians, in accordance with grant provisions of the Music Performance Trust Funds of Recording Industries.

In addition, James Boerner will play the electric organ for the singing of Christmas carols.

Dempsey noted that parents do not have to belong to the American Legion in order to take their children to the party.

Superior's Level Equals 1962 Figure

DETROIT (AP) — The water level has dropped in Lake Michigan and Huron to the all-time low December water mark of 30 years ago, the Army Corps of Engineers said today.

Surface water levels in the two Great Lakes stood at 575.82 feet—equalling a record set in 1933. Both lakes—which always stand at identical levels—are 10 inches below their levels a year ago. They dropped four inches in the past month.

Lake Erie, at 598.52 feet, is a foot below last year's level and 11 inches above the all-time low for December, which was recorded in 1934. Lake Ontario is 11 inches down and 23 above the all-time low for December, recorded in 1934.

Superior's At 600.22
Lake Superior was the only one to match last year's level, at 600.22 feet. This is 14 inches above the 1925 all-time low. Water in the largest of the Great Lakes dropped two inches in the past 30 days.

Lake St. Clair is down to 571.37 feet—a foot below last year's level and only three inches above the low recorded in 1925. It dropped three inches since a month ago.

Casino, Blatz Win; Sportsman's Top Independents

In the Marquette City Cribbage League, Casino Bar defeated Central Bar, 11,554 — 11,314, and Blatz beat Schlitz, 11,411 — 11,371.

High, 1,217, Don Maki-Albert Beauchamp, Casino, Low, 1,088, John Connors-Frank Balbierz, Blatz.

Schedule: Central at Schlitz and Blatz at Casino.

Sportsman's Bar held first place for the eighth consecutive week in the Marquette Independent Cribbage League, with 48½ points.

High, 1,207, H. Jackson - E. Outinen, North End, Low, 1,031, E. DeMarse-K. Ester, North End.

Schedule: Antler's at Pat's; Howard's at Furnace; Harvey Inn at Moose; North End at Park; Shamrock at Ging's; and Remillard's at Sportsman's.

Light from the constellation Andromeda, traveling 186,000 miles a second, requires 2 million years to reach the earth.

"Crew of the quarter" at K. I. Sawyer Air Force Base is the 46th Air Refueling Squadron Sweeney, Capt. Anthony S. Syracuse and unit commanded by Capt. Gerald H. Schmidt Lt. Dennis A. Boston. — (USAF photo.)

Schmit Unit Top 'Crew Of Quarter'

Capt. Gerald H. Schmit's KC-135 crew has been selected "crew of the quarter" for the 46th Air Refueling Squadron at K. I. Sawyer Air Force Base.

The crew is made up of Schmit, aircraft commander; 1st Lt. Dennis A. Boston, copilot; Capt. Anthony S. Syracuse, navigator, and TSgt. LeRoy G. Sweeney, boom operator.

Selection was based on the crew's performance during the July-September quarter. During the period, Capt. Robert G. Vanderstraten was the pilot. He is now attending Squadron Officers' School, Maxwell AFB, Ala.

All crews in the squadron which are combat ready during the entire period of training, plus those which have been upgraded to combat ready status early in the period and which maintain that status, are considered for the award.

Items Considered
Items considered under the local plan are minimum proficiency training requirements, profile mission effectiveness, navigation reliability, rendez-

vous reliability, operational readiness inspection test effectiveness, testing, combat crew effectiveness, mission completed as briefed, standardization flight check and standardization written exams.

Also considered are 5EX testing, weight control, etc. A near-perfect score in all items is necessary to take the honor.

Runner up for the award was Capt. Robert L. Abernathy's crew. Capt. Mark R. Richard's crew was third.

Enrollment At Tech Tops U.S. Average

HOUGHTON — Michigan Tech's engineering enrollment at both the master's and bachelor's degree levels has shown a 1963 increase greater than the national average, according to figures published recently by the American Society for Engineering Education.

The report, based on 1963 enrollment data from 80 per cent of the nation's engineering schools, said master's-level enrollment has increased seven per cent over last fall and bachelor's enrollment has gained 1.3 per cent. At Tech the master's enrollment increased 51 per cent and bachelor's enrollment 2.1 per cent.

In addition, Tech showed an above-average gain in master's degrees conferred in 1963. Based on degree data from 90 per cent of the engineering schools, the national increase in master's degrees over 1962 was 8.3 per cent; Tech's jumped 31 per cent.

Reversed At Tech
The number of bachelor's degrees in engineering declined for the fourth consecutive year, and a further drop is seen for 1964. The prediction was based on current national enrollment figures, although at Tech the trend is completely reversed.

Current enrollments indicate a decline of one per cent in fourth year undergraduate enrollments, which suggest that engineering bachelor's degrees for the current academic year will probably decline slightly from the figure for 1962-63. Figures for Tech show a 4.1 per cent increase in fourth-year students this year.

In San Juan, Puerto Rico, the highest temperature ever recorded is 96 degrees and the lowest 62 degrees.

Hollander To Address UPCAP Meet

County delegates to UPCAP, the Upper Peninsula Committee on Area Problems, will hear a proposal tomorrow for speeding up efforts to activate their nearly completed economic development plans for the Peninsula.

Meeting in Escanaba, from 10 a.m. until 3:30 p.m., delegates will hear proposals for economic goals from Edward Hollander, vice president of Robert R. Nathan Associates, Washington D. C.

Area Redevelopment Administration and UPCAP officials will discuss a proposed extension and diversification of technical assistance staff needed to accomplish the organization's goals over the next 18 months.

Aarne Ervast, Laurium, chairman of the UPCAP technical committee and field agent for the Michigan Department of Economic Expansion, will discuss UPCAP's work program for the period from Jan. 1 to June 30, 1964. Each county delegate will report on the status of planning and development in his county.

Lawmakers Split On Judges' Fate

LANSING (AP) — The Legislature Thursday passed in final form the first legislation implementing Michigan's new Constitution.

The eight election bills passed in a glow of bi-partisan harmony—which later split into discord over the fate of nine circuit court judges appointed by Gov. George Romney.

Sen. William Ford, D-Taylor, accused the Republican-dominated Senate Judiciary Committee of trying to "freeze" nine into office "by means of a

Commission Bows Low To Romney

LANSING (AP) — Members of the State Conservation Commission almost scraped the floor in bowing to Gov. George Romney Thursday.

They told Romney his citizens committee appointed to investigate and criticize the commission and the department did a "beautiful" job.

In an unusual personal appearance before the commission Romney told members in effect, to get going and carry out the recommendations of his committee.

Romney told the commission it should take a sharp look at the organization of the department. He said the commission should make a clear-cut distinction between its policy-making functions and the administrative duties of the department.

Unanimous Statement
The report had strongly criticized commissioners for trying to influence administrative procedures the carrying out of field programs and hiring policies.

The unanimous commission statement was almost humble in its reply to the report.

Compliment Governor
"The commission accepts the report and unanimously agrees that it is an outstanding and constructive accomplishment and we wish to compliment Gov. Romney and the committee," it said in part.

The statement further said the

cute little amendment."

'Phasing'
Committee chairman Farrell Roberts, R-Pontiac, said the amendment would do this, but said it was "all part of phasing into the staggering of terms in multi-judge districts."

He said without the amendment, the nine would be in the unique position of being the only circuit court judges facing election next year.

Ford expressed confidence the amendment will be killed Monday when the legislature returns.

The eight house-approved bills unanimously passed in the senate apply to Michigan's election law or to city and township voter qualifications, and are technical matters.

Bills
One changes the election law to comply with the new Constitution's establishment of eight-member elected governing boards over universities and the department of public instruction.

Another erases the election laws applying to the superintendent of public instruction and highway commissioner, whose jobs become appointive under the new Constitution.

Commission Bows Low To Romney

report was "beautifully expressed."

'On The Right Track'
Then in significant wording the statement said that much of the program for reorganization in the report was already contained in a plan drawn up by the commission committee on reorganization.

"This study indicates we were on the right track and gives our plan considerable backing," it said.

The commission said it would study the report and work out a time-table for appropriate action.

City Paragraphs

The St. Luke's Hospital student nurses choir will be heard over WLUC-TV at 7 this evening. Larry Baker is the director.

Township officials in Michigan will stay in office two years longer than the terms for which they were elected, Sen. Haskell Nichols, R-Jackson, said today in Lansing. He said the Legislature has not set a date for

One Lock At Soo Closed Sunday

DETROIT (AP) — One of the Soo Locks in the St. Mary's River at Sault Ste. Marie will be closed Sunday as the navigation season comes to an end.

The Corps said the Mac Arthur Lock will stay open another five days to meet the requests of American and Canadian shipping firms.

Only daytime shipping will be permitted through the Mac Arthur Lock, the corps said. The locks operate around the clock during the navigation season.

Nights gradually become longer than days in the northern hemisphere after the autumnal equinox. As the earth moves in its orbit, its northern half begins to tilt increasingly away from the sun.

A MUNICIPAL POWER PLANT TO BE BUILT

PROUD OF—AND A SITE TO MATCH!

Location Meets Greatest Number Of Tests Engineering Study Shows City Acted Wisely In Its Choice

Many interested citizens have asked why the so-called Standard Oil site along Lake Street has been chosen as the location for Marquette's new steam electric generating station. And they have a right to know.

Your city officials want every citizen to know that the site was not chosen impulsively or arbitrarily. The consulting engineering firm of J. Bryan Sims and Associates made an exhaustive study of possible sites and on November 16, 1963, made a report which is condensed here.

Site at the existing diesel plant on Dead River:

This site has a limited cooling water supply, aggravated by shortage of water in event of shutting down of hydro plants; fuel available by rail or truck ONLY with attendant possibility of increased costs; higher temperature of river water compared to lake water; location would bring higher electric losses because further away from heavier load center; disadvantage in event of catastrophe because of two plants at one site.

Presque Isle Park area:

Property use is restricted by deed for recreational purposes only; question of nearby privately owned docks being available; site removed from center of heavy electric load.

Spear Coal Dock site:

Property not available and too small even if it were made available in the foreseeable future.

Cliffs Dow Chemical site:

Marine development too expensive; would involve a substantially higher initial investment by the city with questioned ability of plant to pay proper return in face of heavier investment.

Soo Line property (foot of Baraga Ave):

Property too small and available only on lease basis; existing expensive improvements by present tenants and others would have to be acquired and moved.

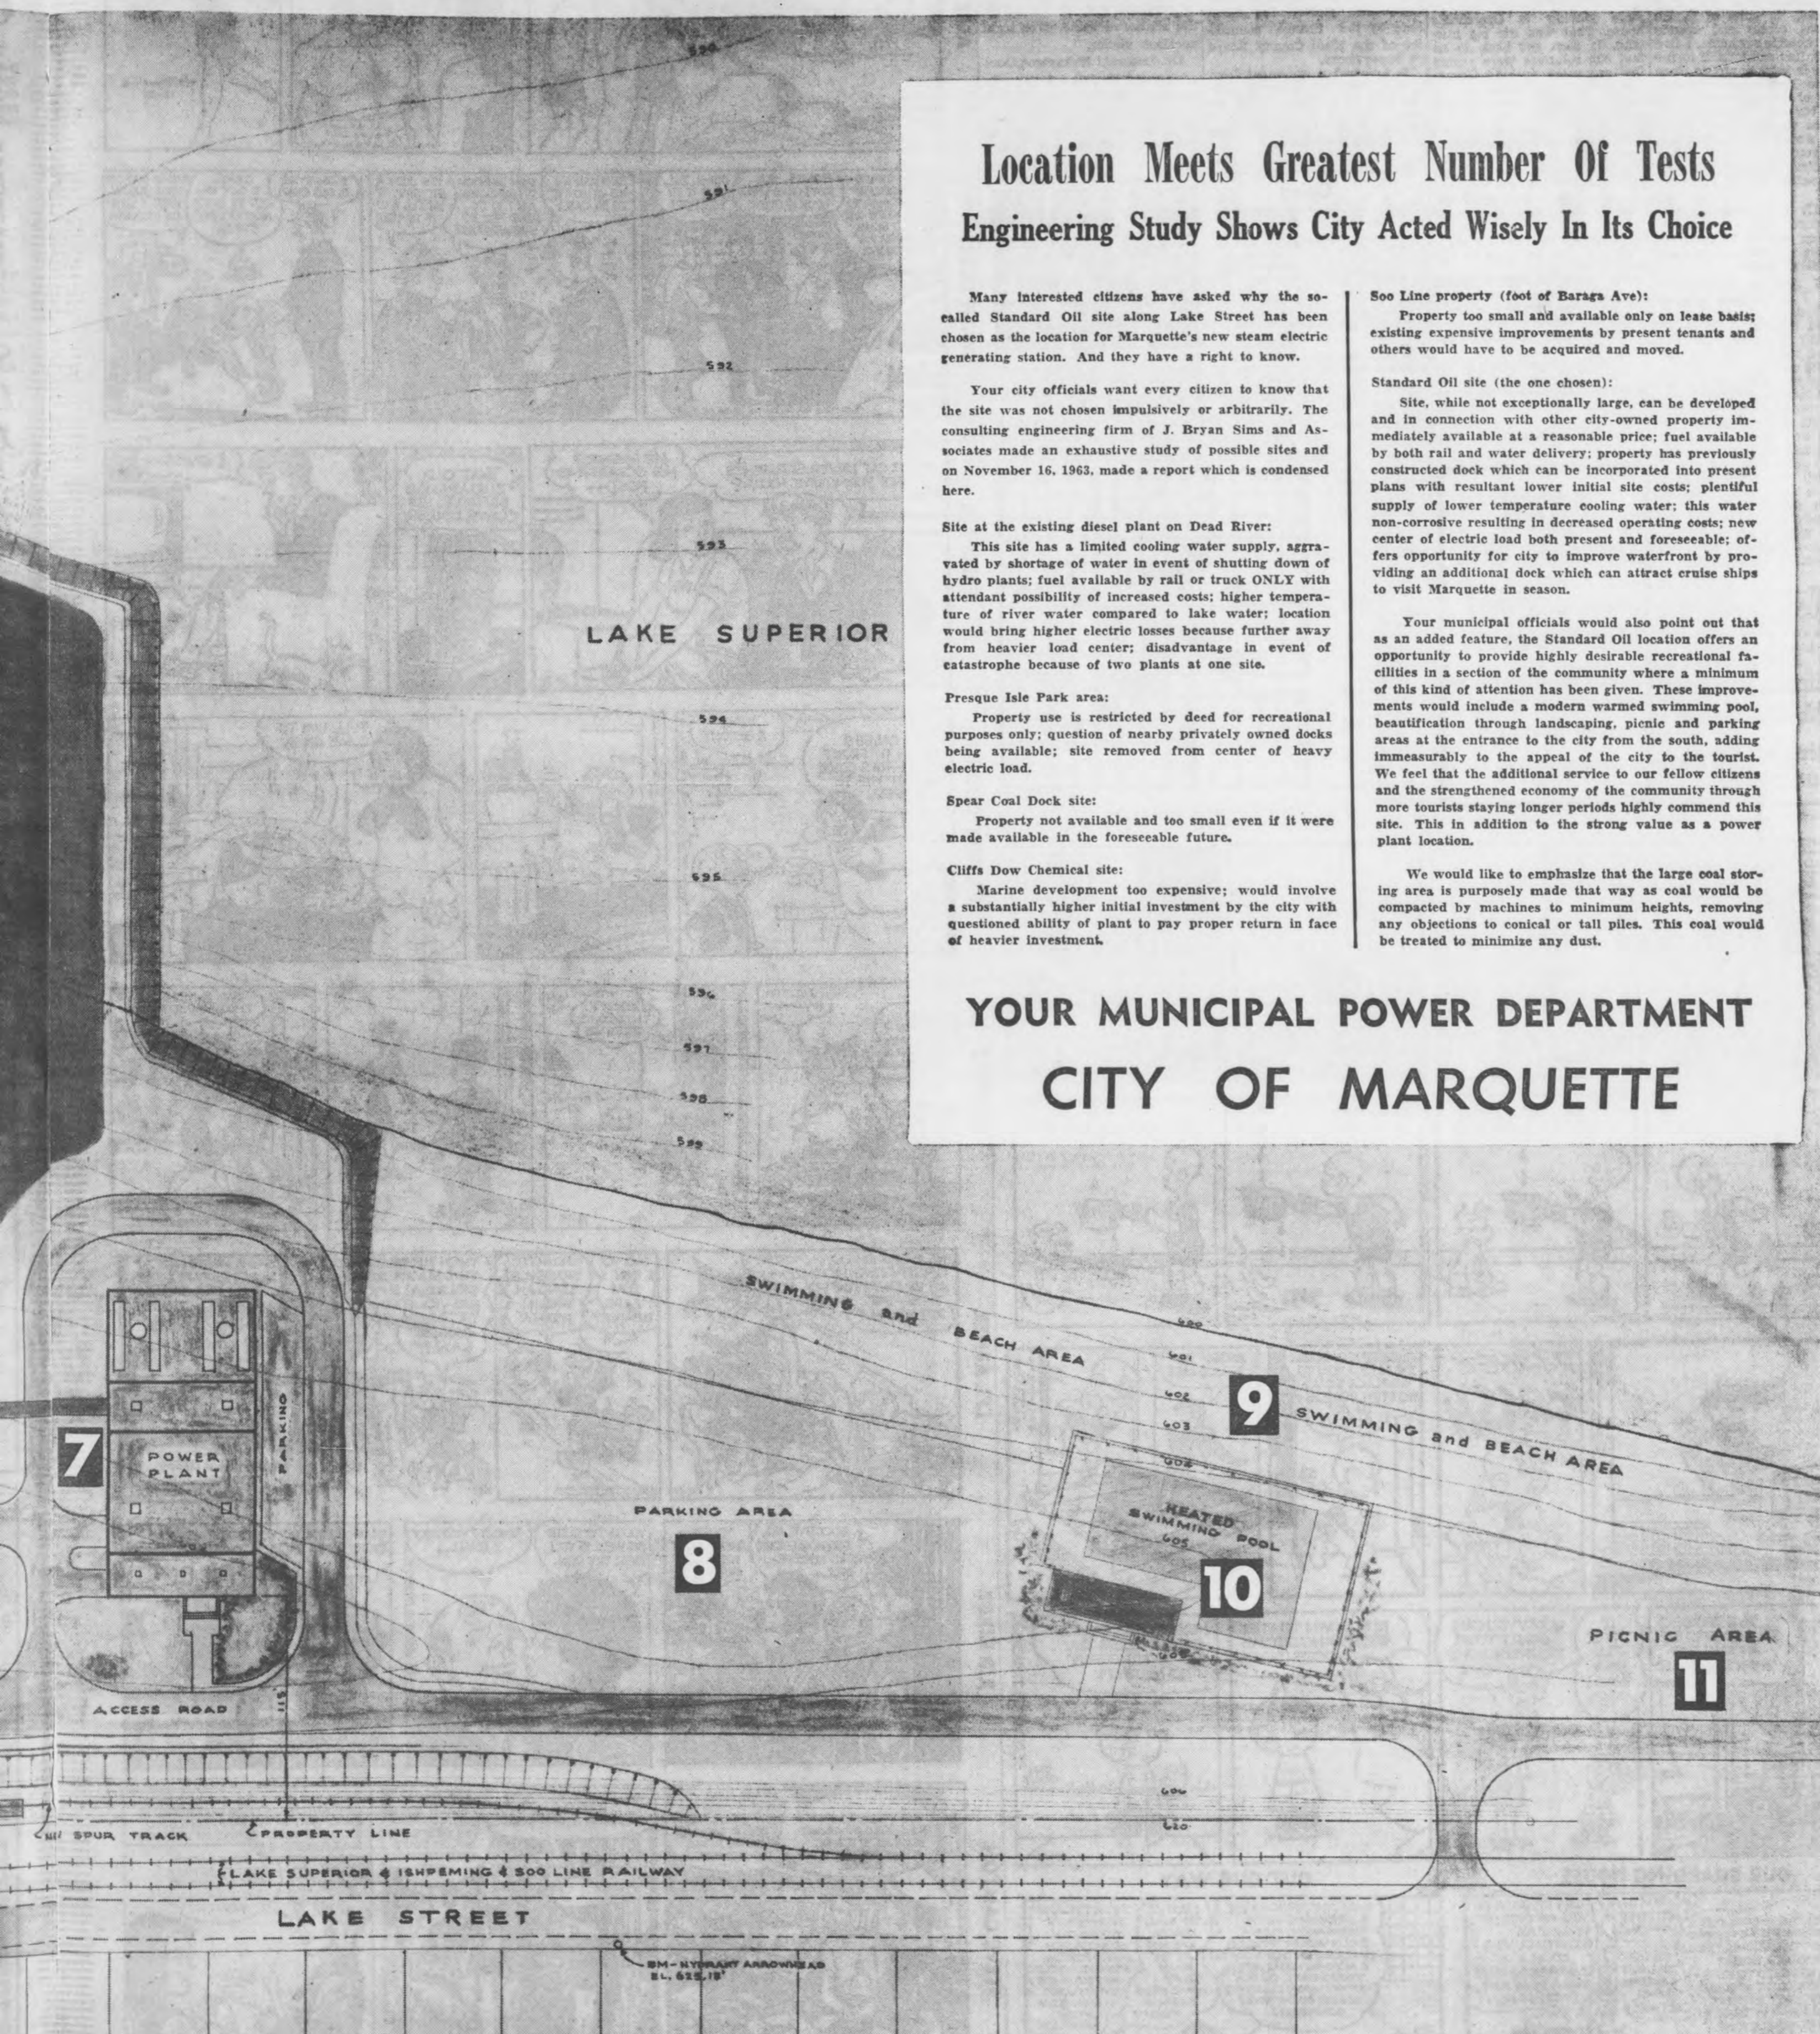

Standard Oil site (the one chosen):

Site, while not exceptionally large, can be developed and in connection with other city-owned property immediately available at a reasonable price; fuel available by both rail and water delivery; property has previously constructed dock which can be incorporated into present plans with resultant lower initial site costs; plentiful supply of lower temperature cooling water; this water non-corrosive resulting in decreased operating costs; new center of electric load both present and foreseeable; offers opportunity for city to improve waterfront by providing an additional dock which can attract cruise ships to visit Marquette in season.

Your municipal officials would also point out that as an added feature, the Standard Oil location offers an opportunity to provide highly desirable recreational facilities in a section of the community where a minimum of this kind of attention has been given. These improvements would include a modern warmed swimming pool, beautification through landscaping, picnic and parking areas at the entrance to the city from the south, adding immeasurably to the appeal of the city to the tourist. We feel that the additional service to our fellow citizens and the strengthened economy of the community through more tourists staying longer periods highly commend this site. This in addition to the strong value as a power plant location.

We would like to emphasize that the large coal storing area is purposely made that way as coal would be compacted by machines to minimum heights, removing any objections to conical or tall piles. This coal would be treated to minimize any dust.

YOUR MUNICIPAL POWER DEPARTMENT CITY OF MARQUETTE

LEGEND: 1—coal boat as it would come in for unloading; 2—retaining wall to built up outlining border of coal storage area; 3—coal storage area; 4—intake for lake water for subsequent passage through plant; 5—assembly which would handle coal from rail delivery showing crusher, the reclaim hopper and the coal gallery extending to the power plant itself as fed to modern spreader stokers; 6—the sub-station as an auxiliary unit; 7—the power plant which would be beautifully finished on all exterior appointments; 8—ample area for parking; 9—a swimming and beach area that would add greatly to Marquette recreational facilities; 10—a warmed water swimming pool that would give maximum length to the swimming season; 11—a community picnicking area making for a complete outing accommodation.

POWER PLANT IMPROVEMENTS
MARQUETTE, MICHIGAN

PLOT PLAN

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: My husband and I were married for 10 years. We were divorced, but have maintained a very good relationship in spite of it. He sometimes comes and spends the weekend in my home. I live alone. It has come back to me that this is very improper since he is no longer my husband. Neither of us has married again. We are both over 35, and what we do is OUR business. I would like you to run this in your column so all the busy-bodies will quit running their mouths. Thank you.

DEAR OLD: What you do is indeed your business. But you should be aware that you are doing business without a license.

DEAR ABBY: A neighbor whom I considered a good friend had a garage sale. I bought an old lamp for a dollar. In the meantime I became interested in antiques and, after this lamp sat in a corner of my basement for about a year, I found out the glass shade was a genuine antique and was worth \$30. My friend heard about it and came across the street to tell me that since we are such good friends I should either sell the lamp back to her for a dollar, or split the \$30 with her if I sell it. I've never been so hurt in all my life. My friends say a deal is a deal and I should keep the lamp. What is your opinion?

DEAR UPSET: A deal IS a deal, and if your neighbor's friendship isn't worth any more than \$15 you won't have lost much.

DEAR ABBY: Last year

Grandpa died, and Grandma complained that the big old house she'd lived in for so many years was too much work for her, so my husband and I offered to buy it from her. We put our house on the market and went apartment-hunting for Grandma. Our children told all their friends that we were moving to Grandma's house. That was our big mistake. It soon got back to us that our relatives were saying that we were pushing Grandma out of her house so we could live in it, so we quickly gave up the idea. Yesterday I learned that my brother had just signed the papers. He is buying Grandma's house, and Grandma is moving into an apartment! If you are wondering what the relatives think, from all I've heard, they think it's great. There must be a moral somewhere in this dirty deal, but I'm too mad to figure it out. Can you?

DEAR DIRTY DEAL: When you know you're shooting square, don't be influenced by the babbling of others. What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.

Board Raps Practice Of Giving Cigarettes To Confined Juveniles

GRAND RAPIDS (P) — A practice of furnishing cigarettes to juvenile delinquents in state institutions came under attack here by the finance committee of the Kent County Board of Supervisors.

It followed a statement from a New York institution to cover the cost — including \$1.68 for cigarettes and magazines — of returning a 14-year-old boy here from New York.

Jap Surgeons Report Medical Breakthrough

TOKYO (AP) — A historic medical breakthrough was claimed today by Japanese surgeons who said they successfully rejoined several nerves in the shattered spine of a train accident victim.

Dr. Tsuneaki Nakayama, surgery chief of Chiba University Hospital, said the operation 15 months ago has given 28-year-old Kiyoko Oninuma partial control of her legs.

Certificates Awarded To New Scout Leaders

Training of Girl Scout leaders of the Timberlane Council has been completed in three areas.

Due to the new program and the four program levels, all leaders will have to complete the basic 16 hours of program change as directed by the national council.

Each group, during the course, was taught the following: What is Girl Scouting? Where do I fit? program planning, troop government, standards, girls and working with girls, activities, creativity, resources, council structure, foundation elements and the overall view of Scouting.

Mrs. LaRhea Gange of K. I. Sawyer Air Force Base conducted the training at Sawyer with completion certificates going to Mesdames Roberta Calcutte, Pat Cook, Helen Hernandez, Wilma Henri, Norma Stevenson, Dorothy Spoth, Veronica Sutterly and Sally Thompson. Twenty other women attended some of the classes.

In the Negaunee-Ishpeming area 30 women attended some sessions besides the women re-

ceiving certificates. They are Mrs. Barbara Larson, Negaunee; Mrs. Jean Erickson, Palmer; Mrs. Lois Miller, Marquette, and Mrs. Betty Bannon, Mrs. Rosemary Clark, Mrs. Clare Bodi, Mrs. Marion Bronell, Mrs. Betty Pennala, Mrs. Laurabelle Mahoski, Mrs. Janet Foster and Mrs. Nancy Swanson, all of Ishpeming.

Trainers were Mrs. Maxine Closser and Mrs. Ruth Cole, president of Timberlane Girl Scout Council.

Mrs. Betty Dausey, field executive director, and Mrs. Betty Smith, training chairman, gave training to 29 women, and the following received certificates: Mesdames Einar Ahlsten, Janith Frazier, Stella Fassbender, Joan Mayworm, Francis DePetro, Kenneth Case Jr., Nancy Dionne, Fritz Myzraich, Clifford Bourgeois, Tony Ozarich, Howard McKie, all of Marquette, and Mrs. William Hoy of Skandia.

The songs and games workshop has been rescheduled for some time in January and will be announced later.

Choral reading—Entire class.

NMU Sets Concert Sunday

Northern Michigan University's Department of Music will present its Christmas concert Sunday in the Little Theater.

The public is invited to this first concert to be given in the Little Theater. Because the seating is limited to 550, the program will be presented twice, at 3:30 p.m. and at 8:15 p.m. There will be no admission charge. However, those planning to attend are asked to pick up "courtesy tickets" for either performance at the information desk in the University Center of at the music department office of the Fine and Practical Arts Building.

The concert will be videotaped by NMU's WNMRTV and will be televised at a later date.

Party Planned For Sisters At St. Mary's

St. Mary's Hospital Auxiliary will hold a Christmas party for the hospital nurses Tuesday at St. Mary's Hospital beginning at 2 p.m.

The committee for the party includes Mrs. Norman Dobson, chairman, Mrs. Donald McCormick, Mrs. H. L. Kirk, Mrs. Leo Bruce, Mrs. William Carlson and Mrs. Louise Libby.

Members are reminded to bring wrapped gifts for the sisters. A visit from Santa Claus will highlight the party.

Women interested in becoming members are invited.

2 Coeds Initiated At NMU

Delta Delta Chapter of Northern Michigan University initiated two students from Marquette into its membership at a recent meeting.

They are Miss Irene Oust, daughter of Mr. and Mrs. Harris Oust, and Miss Janet Kiva, daughter of Mr. and Mrs. M. J. Kiva, 908 N. Front St.

Delta Delta is the first chapter of a national fraternity for women to be established on NMU's campus. It was organized in the spring of 1962.

Clubwomen To Serve At Kettles

The Business and Professional Women's Club of Marquette will serve at the Salvation Army Christmas kettle booth Saturday from 1 to 5:30 p.m., according to an announcement by Robert E. Moore, Christmas committee chairman of the Salvation Army.

Moore points out that this is the second woman's group to man the kettle booth this season. Woman's organizations assist the Salvation Army in this way in many communities throughout the country, and the plan has been instituted here this year. Woman's groups to serve later are the Eagles Auxiliary and the Altrusa Club.

Moore emphasizes that the income from the Christmas appeal finances the Salvation Army Christmas cheer program among the needy of the Marquette area.

Chocolay 4-H Club Plans Meeting Monday

The Chocolay Community 4-H Club will hold a meeting Monday at 7 p.m. in the Chocolay Township Hall.

Mrs. Elizabeth Beyne will show slides of the trip she won to Washington, D. C.

Mrs. Beyne is a former member of the North Delta 4-H Club in Rapid River. As a member, she entered the achievement booth contest at Camp Shaw and was chosen to represent the Upper Peninsula at the state show in East Lansing, where she was awarded the trip to Washington.

Mrs. Beyne is a fourth grade teacher at the Silver Creek School.

Paul Lamirand and Mark Sandell will give a demonstration on stamp collecting.

Refreshments will be served by Nancy and Susan Priebe, Rosemary and Mary Sloat, Pamela and Kathy Dionne and Elaine Wittler.

Fifty cents in coins for this pattern—add 15 cents for each pattern for first-class mailing and special handling. Send to Marian Martin, Box 418—Pattern Dept., 232 West 18th St., New York 11, N. Y. Print plainly NAME, ADDRESS with ZONE, SIZE and STYLE NUMBER.

CLIP COUPON FOR 50c FREE PATTERN in big, new Fall-Winter Pattern Catalog, just out! 354 design ideas. Send 50c for Catalog.

Col. Orillion Hosts Meeting Of Sawyer CCD

A monthly board meeting of the K. I. Sawyer Confraternity of Christian Doctrine was held in the home of Col. Arthur Orillion recently.

The Rev. B. P. Karpowicz, Col. Orillion, Sgt. C. A. Rodriguez, Mrs. Russell Smith, Mrs. C. W. Coward, Lt. Col. Howard Ball, Sgt. W. Golabek and Major George Hanlon attended.

Fr. Karpowicz, spiritual director, declared the second Sunday in January as annual CCD Sunday. All Masses will be offered for the intentions of the organization, and all sermons at the Masses will be dedicated to CCD interests. On this Sunday, questionnaires will be distributed in an effort to enrich the organization with potential new members.

Lt. Col. Ball reported that the School of Religion was functioning well. Despite the many permanent changes of station among the teachers, the 23 classrooms remain staffed with efficient teachers, he said.

Mrs. John McAvoy, elementary principal, was praised for her "diligence and close personal contact kept with personnel working for her."

Sister Kathleen Vincent, two accompanying nuns, and 12 students from Bishop Baraga Central High School observed CCD classes in session, attended noon Mass and took part in a Communion breakfast at the Officers' Club.

Sgt. Golabek's adult education group will begin a series of study on Pope John's encyclical. Pamphlets have been ordered for this study by the spiritual director. After this series, the group will determine its own interests of study.

Major Hanlon and his group, the "Helpers," who handle miscellaneous duties of the organization, are working to provide bus transportation from the McDonald School to the Sawyer School, where the religion classes are held.

Sgt. W. Beck, CCD librarian, will catalog all the visual and audio aids, reference books and the discussion books so they will be readily accessible to the school of religion teachers and also available to the parish.

Mrs. Smith, CCD secretary-treasurer, was bid farewell at the meeting. Her husband, Major Smith, staff officer of SAC's Operational Plan, has been called to the Armed Forces Staff College at Norfolk, Va., to be subsequently assigned to SAC Headquarters at Offutt Air Force Base, Omaha.

The many organizations of which Mrs. Smith was a member include School of Religion teacher, senior choir member, junior CCD choir leader, St. Ann's Sodality and volunteer

Former City Resident Passes 100 Paragraphs

Miss Mattie Foster, former Marquette resident, celebrated her 100th birthday on Dec. 3 in Bradenton, Fla., where she now resides.

She formerly was in business with her brother and owned and operated Foster's, the first department store in Marquette. It was located in the middle of the block on the north side of Washington St., between Front and Third Sts.

The Fosters then moved to Stanford, Conn., and later operated a large store in St. Louis, Mo., for 16 years. She worked in the store until 80 years of age and has been a resident of Bradenton since 1945.

Miss Foster was honored informally on her 100th birthday at a party that Mr. and Mrs. Dewey Malin of Marquette helped arrange. She received greetings from many friends in the Bradenton area.

Like Hymns, Poetry

Miss Foster was born in Illinois Dec. 3, 1863, and remembers seeing President Grant when he came through Nashville, Ill. Her sister died in Bradenton three years ago at the age of 102. She had received greetings from President Eisenhower.

Friends of Miss Foster are amazed at her alertness and interests. She likes to have the Bible read to her and is affiliated with the Methodist Church. She likes to sing old hymns and recite poetry.

70 Piece Orchestra

Appearing on the program will be the 70-piece Northern Community Symphony Orchestra directed by Dr. Harold Wright and the 105-piece NMU chorus under the direction of David Streetman.

The chorus' presentation of Haydn's "Lord Nelson Mass," with accompaniment by an instrumental ensemble, will feature nine soloists at each performance. The orchestra will open the program with "A Song of Peace," by Ingalls, followed by Beethoven's "First Symphony in C Major, Op. 21" and "Praise Be to Thee, O Jesus Christ," by Buxtehude.

The program will be concluded with the traditional "caroling" by the audience, orchestra and chorus.

Quaal Ski Area Open Saturday

ISHPEMING — Announcement was made today by Leonard Ritari, winter sports director for the City of Ishpeeming, that the Al Quaal Recreation Area is now open for skiing.

One tow on the main slope will be in operation Saturday and Sunday afternoons from 1 until 4:30.

Ritari said there is a good base on the slopes and skiing should be excellent for the weekend.

Children also are invited to bring their sleds and ride in the "bow!" east of the clubhouse.

"Although the cardboard slides have not been completed, they will be ready by Christmas," Ritari said.

He added that the toboggan slide would be in operation during the first part of January.

Swedish Service At Wesley

ISHPEMING — Persons who understand the language will have opportunity to attend a Swedish Christmas service Dec. 25 at the Wesley Methodist Church.

The Rev. Carl J. Hammar, minister emeritus of Central Methodist Church of Escanaba, will conduct the service and preach at the 9 a. m. service.

For the last several years, the Rev. Mr. Hammar has conducted services in Swedish at Christmas in Christ the King Lutheran Church of Escanaba.

The service at Wesley is open to all persons in the area. Organist will be Mrs. Edith Hager. Special selections in Swedish will be sung by a vocal group.

Bethany Sets Song Event For Sunday

ISHPEMING — Rev. Eskil E. Bostrom, pastor of Bethany Lutheran Church, announced today that a "Festival of Christmas Songs" will be sung this Sunday at 7 p. m. in the church.

Vocal solos, hymns and readings will highlight the musical program.

Douglas L. Holmgren will be the organist and Gerald Anderson will direct the choir.

Soloists in the program will be Mrs. Carl Pellonpaa, Gerald J. Anderson, Harry Jacobson, Pastor Bostrom and Miss Carole Carlson.

Another highlight will be the singing of "Star of Bethlehem (Glorum)" and "What Child Is This" (Lowden) by a trio composed of Mrs. John Crabb, Mrs. Ray Levertson and Miss Dora Swanson.

A social hour will follow the program, which is sponsored by the Lutheran Church Women of Bethany.

Munising Club's Party On Monday

MUNISING — The Business and Professional Women's Club will hold a Christmas party Monday night in the Forest Inn supper club starting with dinner at 6:30.

Miss Lupeta Gonzales and Alberto Abizaid, exchange students from Mexico who are spending two months in Munising, will appear on the program after the dinner. Club members are asked to bring unwrapped dolls to be given to needy children as Christmas gifts.

Shingleton Area Children To See Santa On Sunday

MUNISING — Santa Claus will be at the Shingleton Town Hall Sunday from 6 to 7:30 p. m. to visit and pass out treats to all pre-school and elementary school children in the Melstrand, Van Meer and Shingleton areas.

Canned Goods Admission Price At Youth Dance

NEGAUNEE — Members of the Negaunee Youth Council will assist in the campaign to collect items for baskets which will be distributed to needy local families at Christmas.

The council will sponsor a dance from 8:30 to 11:30 Saturday night at the Youth Center to which admission will be any item of canned goods or non-perishable foodstuffs.

Canned goods and foodstuffs will be turned over to various churches in the community for baskets they distribute in their respective parishes.

Covenant Sunday School To Give Program Dec. 22

ISHPEMING — The Sunday School of the Evangelical Covenant Church will present a Christmas program entitled "Glad Christmas" Sunday, Dec. 22, beginning at 4 p. m.

The program will begin with the nursery rendition of "Making Christmas Merry" under the direction of Mrs. Hazel Arndt and Miss Margaret Haglund.

Members of Mrs. Arndt's class are Helen Marie Brotherton, Elizabeth Ann Brotherton, Susan Bengston, Gwen Brown, Randy DeToma, Paul Dobson and Michael Dobson.

Miss Ethel Johnson's primary class will present "What Can We Bring?" Included in this class are James Askainen, Steven Bengston, Debby Bengston, Tom Brown, Kenneth Eckloff, Jonathan Hakka, Douglas Heliste and Dale Holmgren. Miss Judy Holmgren will assist Miss Johnson.

"How Can I Tell It?" is the selection chosen by the junior girls under the direction of Mrs. Robert Haglund. Kathy Askainen, Kathy Hakka, Mary Corneliuson and Patty Eckloff will take part.

Junior boys, Robert Askainen, Robert Corneliuson, James Haglund, William Hakka and Clifford Heliste, under the leadership of Miss Edith Haglund, will present "Thank You, Dear God, for Christmas."

Members of Edward Mahon's class will act as readers and as a speech choir in bringing "The Glad Message," "Glad Worship," "Glad Stewardship" and "Glad Life."

The class roster includes Susan Brown, Gary Askainen, Teddy Haglund, Nancy Haglund, Cheryl Heliste, David Holmgren, Paul Peterson, John Peterson, Kristina Hakka, Donald Pohlman and Glenda Pohlman.

Also appearing in the program will be the Trailblazer choir, which will sing several carols, and Miss Judy Holmgren, who will offer a solo, "Lullaby on Christmas Eve." Mrs. Maude Mudge will accompany her at the piano.

Tri-County Briefs

Alger . Baraga . Marquette

Ishpeeming

The Friendship Circle of Wesley Methodist Church will meet at 1 p. m. Tuesday, Dec. 17, for a luncheon in the home of Mrs. Mona Robert, 301 W. Ridge St. There will be a gift exchange.

Mr. and Mrs. Ralph Maki, 572 W. Division St., will observe their silver wedding anniversary by holding an "open house" reception at their home Sunday, Dec. 15, from 3 to 10 p. m. Relatives, friends and neighbors are invited.

46 Join Girl Scout Units In Diorite

DIORITE — Spurred by successful formation of a Boy Scout troop in June of this year, the Ely Township Parent-Teacher Association undertook sponsorship of a Girl Scout troop this fall.

As a result, 46 girls were invested in the Girl Scout organization in appropriate ceremonies.

The new Girl Scouts and their leaders are:

Brownie Troop — Mrs. Robert Pearce, leader, and Mrs. Norman Arpiainen, assistant; Kathy Arpiainen, Laurie Hill, Paulette Pearce, Dona Pearce, Susan Peltier, Susan Pepin, Sandra Bell, Lynn Salminen, Rachel Mattson, Diana Hanuksela, Gail Paavola, Susan Paavola.

Junior Girl Scouts — Mrs. Robert Peltier, leader; Debra Arpiainen, Nancy Salmi, Debra DeLongchamp, Lana Warlin, Vicki Pearce, Sherry Laakso, Cheryl Hupp, Roxanne Salmi, Diane Quellette, Mary Peltier, Diane Jaykka, Diane Mattson, Cheryl Junak, Deborah Kelly.

Cadet Troop — Mrs. Wesley Mattson, leader, and Mrs. William Robinson, assistant; Pamela Sperling, Audrey Syrjala, Rose LaForge, Kaye Grund, Barbara Laakso, Jane Fowler, Kathy Rackley, Nancy Robinson, Joan Michaud, Lois Westman, Colleen Mattson, Linda Hooper, Sharon Lusic, Sharyl Lusic, Betty Rock, Patricia Orjala, Barbara Vahamaa, Dolores Hupp, Karen Hupp, Connie Lake.

Some insects have been air conditioning their homes for million of years. Paper wasps drench their nests with cool water during particularly hot spells.

The Order of Eastern Star

will hold a Christmas party for children of members at 2 p. m. Saturday in Masonic Hall.

Women of the Moose will meet at 8 p. m. Monday. This will be their Christmas party.

Mr. and Mrs. Otto Swanson, N. Main St., have left for Los Angeles, where they will attend the Christmas wedding of Marcia Carlson, former Ishpeeming resident. They also will spend several weeks in northern California before returning home.

A rehearsal for the Bethany Lutheran Sunday School Christmas program will be held at 1 p. m. tomorrow and at 3 p. m. Bethany choir will have a special rehearsal.

Negaunee

The monthly meeting of the Lakeview Parent-Teacher Association will be held at 7:30 Monday night, Dec. 16, in the school multi-purpose room. The program will consist of entertainment by the "Choraleers," popular Ishpeeming vocal group.

The Knights of Kaleva will hold an important meeting Monday night at 7:30 in Kaleva Hall.

A regular meeting of the Negaunee VFW Post will be held at 7:30 Sunday night. Lunch and refreshments will be served.

The Post-Hi Group of Immanuel Lutheran Church will meet Sunday afternoon at 1:30 to go bowling at the Miricle Bowl in Ishpeeming.

The Negaunee Township Homemakers Group will hold a family night get-together Sunday at 7 p. m. in the Negaunee Township Community Center. A short program will be presented. Lunch will be served and the public is invited.

Republic

A party sale will be conducted by St. Augustine's Rosary Altar Society next Tuesday, beginning at noon, at the church hall. Orders may be phoned to DR 6-2398 or DR 6-2363.

Gwinn

St. Mary's Guild of St. Anthony's Church will hold a Christmas cookie sale in the parish hall. Sunday, Dec. 15, after the 8:30 and 10 a. m. Masses.

A regular meeting of the Veterans of Foreign Wars will be held Sunday afternoon beginning at 2:30 in the club in New Swanzey.

'Students' In Modern Mathematics Class

Teachers in the Gwinn public schools have been students in special modern mathematics classes conducted by Robert Syrja, mathematics coordinator. Last year when Syrja began introducing modern mathematics techniques into the curricula, teachers asked for in-service

training to keep them informed of modern trends. The above group has devoted free time each week for the past several months to such classes. They are (from left) Mrs. Betty Coran, Mrs. Margaret Brown, Vincent Heric, John Sormunen, Vernon Miljour and Syrja.

Legislature Invited To Capitol Fish Fry

LANSING (AP) — The Legislature has been invited to the first fish fry ever held in Michigan's Capitol Rotunda after approving a resolution declaring Dec. 16 - 21 "Michigan Fish Week."

Public Invited To Republic Bethany Program Dec. 22

REPUBLIC — The junior and intermediate departments of the Bethany Lutheran Sunday School will present a Christmas program at 7:30 p. m. Sunday, Dec. 22, to which the public is invited.

Following an opening song and prayer, junior boys will sing "As Each Happy Christmas," then Joy Hakola will present the introduction followed by recitations by Dorrine Hangas, Dorothy Heliste, Diane Mattson and Darla Rankinen. The first part of the program will be concluded with the Sunday School choir singing "O Come, O Come, Immanuel."

Recitations by Anna Hill, Marie Heikkinen, Lou Ann Johnson, Debby Maki, Pauline Lina, Christine Carlson, Debby Mattila, Dawn Koski, Rita Heliste and Pamela Hendrickson

will begin the second part of the program followed by a duet with Debby and Wendy Mattila. Two songs, "Silent Night" by the intermediate department and "O Little Town of Bethlehem" by the junior department, will be presented.

Helen Hangas will offer the introduction to the last part, followed by a recitation by Julia Hill. Readings will be given by Cynthia Wourenmaa and Helen Hangas; exercise by Judy Pasberg's class and songs sung by the Sunday School. "Tell Me the Old, Old Story," "I Gave My Life for Thee," "Oh Dearest Jesus" and "Take My Life and Let it Be."

An offering and a closing prayer will precede the closing song, "All Hail the Power of Jesus' Name."

THE UPPER PENINSULA POWER COMPANY

announces an interruption of electric service to its customers in Gwinn, Little Lake, and outlying areas in Forsyth Township.

This outage will occur on Saturday, December 14, 1963, beginning at 7:30 a. m. and continuing for approximately one (1) hour.

During this interruption, new equipment will be placed in service at the company's substation in Gwinn.

22 Schools To Take Part In Preliminary Debate At Negaunee

NEGAUNEE — Approximately 200 students from across the Upper Peninsula will participate in the first preliminary tournament of the 1963-64 interscholastic debate season Saturday at Negaunee High School.

In addition to the host school, entries representing the following high schools will take part: Baraga, Bessemer, Eben, Escanaba, Holy Name of Escanaba, Felch, Gladstone, Hancock, Houghton, Ironwood, Ironwood St. Ambrose, Iron Mountain, Ishpeming, Kingsford, Manistique, Marquette Gravaert, Menominee, Munising, Negaunee St. Paul, Newberry and Norway.

Members of the Negaunee High Tri-Hi-Y will serve as time-keepers and clerical personnel. Student council members will act as guides and the cafeteria staff will provide a noon luncheon.

The schedule for the day includes registration from 8:30 to 9 a.m., general announcements and welcome by Principal R. K. Richards from 9 to 9:15 a.m.; first round of debates, 9:15 to 10:30; second round, 10:45 a.m. to noon; luncheon, noon to 1 p.m.; third round, 1 to 2:15 p.m.; final round, 2:30 to 3:45 p.m.

Escanaba will be the site of the second preliminary tourney Saturday, Jan. 18.

Christmas Program In Eben School Thursday Afternoon

EBEN — Pupils of the kindergarten, first, second and third grades of Eben Elementary School will present a Christmas program in the multi-purpose room of the school at 1:30 Thursday afternoon, Dec. 19.

The kindergarten program, under the direction of Mrs. Mildred Kallio, will begin with a welcome by Teddy Bonner. Cindy Haapala and Cindy Lindquist will recite, "Our Wishes." Cheryl Haavisto, Vickie Erkkila, Connie Nelson, Susan Nelson, Daren Salmi, Kenny Matson, Clifford Johnson and Michael Lintula will take part in a recitation, "Who's Old Santa?"

A group of boys, Peter Maki, Jimmy Cherwinski, Mike Hakkanen, David Bell, Jon Paul Seppanen, Brian Ruska, Edward Monhead, Wayne Johnson and Lewis Keinitz, will present "The Visit of the Shepherds." Boys in the class will sing "Christmas Stockings," followed by two songs by the whole class, "On a Lovely Christmas Night" and "Mister Santa Claus."

Pupils of Mrs. Catherine Pelkki in the first grade will begin their program with a playlet, "Santa's Elves," and a song, "Up on the House top." There will be a recitation, "Trimming the Tree," by Charles Thurlow, Dawn Kempainen, David Puro, Virginia Woodaz, Lee Ann Nelson and Tommy Johnson. The group will sing "Rudolph, the Red-

Nosed Reindeer." "Christmas Windows," by Daria Hautamaki, Darol Young, Connie Lindfors and Janice Haavisto, will follow. Sandra Hakkola will give a recitation, "Long, Long Ago." The program will conclude with a song, "Christmas in the Air" by the class.

Mrs. Carl Christofferson's second grade pupils will begin their program with a song, "Who?" Arthur Koski, James Goin, Cleone Laurich and Patricia Ikkala will take part in a skit, "Christmas is Coming." There will be poems by Steve Lintula, Bernie Takkinen and Kim Salmi, "Christmas Joy." Mike Norman will recite "Uncle Jim." LeRoy Monhead will recite, "Christmas Week." Sixteen girls and boys will do a dance for the audience.

This will be followed by a poem, "What We Want for Christmas," by Christine Nelson, Deborah Erkkila, Vickie Ashbaugh, Judith Keinitz, and Diane Bonner. Billy Maki will recite a poem, "Santa Claus." All of the children will take part in a skit, "Looking for the Christ Child." The program will conclude with a song, "Away in a Manger."

Third grade pupils of Mrs. Hilda Treiloff will begin with an exercise, "Christmastide," by all the children, to be followed by a recitation, "Twas the Night Before Christmas." There will be two songs, "Jingle Bells" and "Silent Night." The public is invited.

Sion Lutheran's Sunday School Program Dec. 20

CHATHAM — The Sunday School of Sion Lutheran Church will present a Christmas program at 7:30 p.m. Friday, Dec. 20.

The program will begin with a Christmas message by the Rev. H. A. Linn and a song and the recitation of welcome by the primary, kindergarten and nursery classes.

The nursery class taught by Mrs. Albert Ikkala will recite "We Know What the Star Was." Children participating will be Jenny Thurlow, Sharlene Kirby, Russell Johnson, Kathy Williams, Kathy Young, Brian Kempainen, Jackie Ashbough, Julie Salminen, June Ylitalo and Lucille Keinitz.

Mrs. Esther Kallio's kindergarten class, consisting of Mike Hakkanen, Cindy Haapala, Louie Keinitz, Kay Johnson, Brian Ruska, Jeanne Wirtanen, Peter Maki, James Cherwinski, Julie Erkkila, Mike Lintula and Wayne Johnson, will recite "The Christmas Chain."

The kindergarten class of Mrs. Eino Sturvist will give two recitations entitled "Christmas Exercise" and "We Raise Our Voices." Children reciting will be Dawn Jean Kempainen, Kevin St. Onge, Connie Lindfors, Carol Young, Charles Thurlow and Kurt Tuimala.

The primary class taught by Mrs. William Wirtanen will give a "Christmas Acrostic." Children in this class are James Goin, Donald Johnson, Michael Norman, Mike Kirby, Barry Johnson, Steve Lintula, Judy Keinitz, Linda Williams, Debbie Erkkila, Vickie Ashbaugh, Jane Kelto, Donna Young and Patty Ikkala.

Obituary

MRS. IDA WILJANEN

MICHIGAMME — Services for Mrs. Ida Wiljanen, who died Wednesday, will be held at 1:30 tomorrow in the Bethlehem Lutheran Church. The Revs. Rodney Erickson and Leslie Niemi will officiate and burial will be made in Lakeview Cemetery.

Pallbearers will be Nillo Altonen, Arvo Lampinen, Jacob Pantti Sr., Fred Skytta, Edward Warren and George Koivula.

The body will be brought from the Jackson Funeral Home to the church tomorrow morning at 10. Friends may call at the funeral home this afternoon and evening.

MRS. LOUIS LAFOREST

NEGAUNEE — Services for Mrs. Louis (Minnie) LaForest, who died Wednesday afternoon in the Palmer Nursing Home, will be held at 9 a.m. Saturday in St. Paul's Catholic Church. A Solemn Requiem High Mass will be offered with the Rev. Paul Schiska as celebrant, the Rev. Joseph Charlevoix as deacon and the Rev. Charles Olivier as subdeacon.

Burial will be made in Negaunee Cemetery. Pallbearers will be Leroy and Gary Schmeltzer, Charles and Fred St. Arnaud, Paul Belpedio and Lloyd Dolenzini.

The body is in the Koskey Funeral Home, where the Rosary will be recited at 8 tonight.

Women Of Moose Party Saturday

MUNISING — Women of the Moose will hold a Christmas party Saturday evening at the Moose Lodge. Each member is requested to bring a gift costing not more than \$1 for exchange.

A potluck lunch will be served with Mrs. Delia Miller and Mrs. Derilda Tussing in charge.

Jill Pokela, Shelley Johnson, Joyce Kelto, Mareta Seppi, Kathy Hietikko, Duane Ruska, Peter Wirtanen, Jerry Williams, Dale Ruska, Leo Nieme, Steve Maki and Bobby Maki. They will be heard in four recitations, "Christ in Prophecy," "Today," "Christmas is a Chain of Love" and "Fishers of Men."

The junior high class taught by Sally Linn will give the "Prophecies of Christ's Coming" in scripture verse. The class includes Pamela Jill, Phyllis Ivey, Melanie Malnar, Patsy Johnson, Justina Kallio, Susan Maki and Sally Cummings.

Mrs. Beatrice Johnson's junior high class, consisting of Janet Kelto, Jeanne Maki, Marsha Johnson, Janet Pokela, Marilyn Anderson, David Maki, Paul Salminen, Peter Niemi, Norma Johnson, Sharon Hietikko and Billy Takkinen, will sing a Christmas carol with the junior and preteen classes.

The program will include a song sung by the four Kelto children and also singing by the congregation.

Joe Goin will be the acolyte and organist for the program will be Marsha Johnson, Joyce Kelto and Dianne Ikkala. Ushers will be David Maki and Peter Niemi. Paul Salminen and Bill Takkinen will be in charge of program distribution.

Following the program there will be an exchange of gifts and refreshments served to all in the dining room. Mrs. Mildred Kallio, superintendent of the Sunday School, extends an invitation to the public to attend.

Sleigh Ride Peril Brings Another Plea

NEGAUNEE — Following additional complaints during the past two days from motorists regarding children sleigh riding on city streets and in alleys, Police Chief Ralph Carlson today again requested cooperation of parents in immediately calling attention of their children to the fact that the practice is exceptionally dangerous.

Chief Carlson issued a similar plea about 10 days ago, and last week's warmer weather coupled with rain over the weekend eliminated any possibility of sleigh riding.

Following Monday's storm, however, youngsters immediately started engaging in one of their favorite forms of winter recreation. This resulted in several telephone calls to the police office from upset motorists who narrowly missed hitting children.

"As we announced before, youngsters must refrain from sleigh riding until such time as there is sufficient snow on the hills in the city designated for sleigh riding," Chief Carlson said.

"We can't afford to overlook the practice because sooner or later it will result in a fatality. Motorists simply don't have sufficient opportunity to see the sleigh riders that suddenly dart out in front of them at intersections and from alleys to avoid striking the children."

"In our opinion, there are two solutions to the problem and we are going to use both of them. First, we will confiscate the sleds of youngsters whenever future complaints are received, and second, if necessary, we will bring the parents into court for failing to take adequate precautions regarding the safety of their children."

Miss Kay Wester In Queen Event

NEGAUNEE — Miss Kay Wester, daughter of Mr. and Mrs. Arnold Wester, Phoenix, Ariz., former Negaunee resident, is competing in the Queen of Queens contest being held in Las Vegas, Nev.

Miss Wester was fourth runner-up last year in the national contest held to select a "Miss Teen-Age of America," representing Arizona in the event.

Her father formerly was employed by Cleveland-Cliffs Iron Co. and is now a dental technician in Phoenix. Mrs. Wester was the former Patricia Toranzo, daughter of Joseph Toranzo, retired Negaunee baker.

Miss Wester, 18, graduated from Camelback High School in Phoenix and is now attending Arizona State University at Tempe, Ariz.

Driver Pays \$29; Eight Others Fined

NEGAUNEE — Willis R. Anderson of Negaunee, who was arrested by city police for reckless driving, entered a guilty plea when he was arraigned in Negaunee Municipal Court. Judge William Haupt ordered him to pay a \$25 fine, plus \$4.30 court costs.

John Fluette of Marquette, ticketed by local officers on two counts — speeding and violation of the basic speed law — entered guilty pleas to both, paying a total of \$22.40 in fines and costs.

Seven other drivers who were ticketed for state motor vehicle code violations paid fines and costs amounting to \$8.70 apiece. Donald Leape of Ishpeming, Donald Hoappa of Palmer and Kathy Koskela of Munising were given summonses for violations of the basic speed law; Leland Gardiner of Pueblo, Colo., and Joseph Newman of Palmer for speeding; Thomas Bitner, Sawyer AFB, and George Elvetti, Iron River, for ignoring stop signs.

Youth Dances In Ishpeming

ISHPEMING — Two dances are on tap for teenagers in the city this weekend.

Tonight, immediately following the Ishpeming-Negaunee basketball game, a dance will be held in the Kron-Dingfelder Hall. Youths of 13 to 21 are invited. Members of St. John's parish will serve as chaperones.

On Saturday night at the Ishpeming High School gymnasium, a regular Youth Center dance will be held. Chaperones will be Mr. and Mrs. Charles Garceau, Mr. and Mrs. Charles Trebilcock and Mrs. Frank J. Tasson.

Car Sliding On Icy Road Crashes Into Overpass

ISHPEMING — An automobile was damaged in a mishap at 12:45 yesterday afternoon on County Road CB, a half mile north of County Road 492, in Ely Township.

State police said a car being driven south on Road CB by Leslie E. Melka, 27, of 604 Carr St., Negaunee, smashed into a railroad overpass when it slid on the icy roadway.

Officers said he met an oncoming vehicle and had attempted to stop, as there was only room for one car to pass in that overpass area.

The right front of Melka's 1959 sedan was damaged. It was driven from the scene under its own power.

Extra Hours For Gwinn Post Office

GWINN — Postmaster Michael Musatto advises that the post offices at Gwinn and K. I. Sawyer Air Force Base will be open extra hours as follows:

Saturday, Dec. 14 and 21, 8:30 a.m. to 5 p.m.

Monday, Dec. 16 through Friday, Dec. 20, 8:30 a.m. to 6 p.m.

No money orders will be issued after 5 p.m. or Saturday afternoons.

Beginning Monday, Dec. 23, the post office will return to a regular schedule, 8:30 a.m. to 5 p.m. The post office will be closed Sundays.

Patrons are advised to mail early in the day so that proper dispatch may be made and delays eliminated. Mail deposited late in the day will be held until the following day for dispatch.

IN APPRECIATION

We wish to express our heartfelt thanks and sincere appreciation to our many relatives, friends and neighbors for their many acts of kindness during our recent bereavement caused by the death of our wife and mother, Mrs. Irene LaFreniere. We especially wish to thank Fr. C. J. LePine, Mgr. David Spigattini, the Bjork & Zehrke Funeral Home, the pall bearers, those who sent flowers, cards and donations and all who helped in any other way. Their many acts of kindness will ever be remembered.

Packers Favorites Over Frisco 49ers

SAN FRANCISCO (AP)—Green Bay's Packers strive to keep alive their hopes for a fourth straight Western Conference title in the National Football League Saturday in meeting the last-place San Francisco 49ers.

Three touchdown favorites the Packers can't take the upstart 49ers lightly even though San Francisco has won but two games in this worst season for the entry in the NFL.

"Must Game"

"This is the must game for us," declared Green Bay Coach Vince Lombardi, whose club has a record of 10 victories, 2 losses and 1 tie. Chicago with 10-1-2 record can win the title with a victory over Detroit on Sunday.

San Francisco handed Chicago its only defeat and Coach Jack

Christiansen says, "The Packers are definitely a better, a more solid team than the Bears. That goes both for offense and defense."

A crowd of about 35,000 is expected for the 1:30 p.m. kickoff with a national television audience also looking in.

Playoff?

San Francisco can't even win its way out of the Western cellar with a victory yet the 49ers could ruin the remaining hopes of Green Bay. The Packers must win to stay in contention.

A Green Bay victory coupled with a Chicago loss would give the Packers their fourth title. A Green Bay tie coupled with a Chicago loss would force a divisional playoff. A Chicago victory or a Green Bay loss would give the title to the Bears.

Crusaders Come To Munising

MUNISING — Coach Bob (Pappy) Ellis and his Munising Mustangs will climax their 1963 portion of the current basketball season tonight, when they host the Escanaba Holy Name Crusaders in a non-conference game at 8:30.

The Mustangs will be seeking their first win in six starts and will be playing against a team which has a definite height advantage, a situation which has haunted the Munising quintet from their first contact.

An added attraction will be the crowning of Miss Bett Ann Gamelin as queen. Her court will include Misses Kathy Dolaskie and Jane Lokar.

Anyone Doubt Hockey Tough? Asks Astronauts

BOSTON (AP) — If you doubt hockey is a strenuous game just ask America's astronauts and the medical profession.

If there is any question about how Boston playing it to the hilt Chicago's National League leaders can straighten you out.

The Bruins climbed out of the NHL cellar for the first time in three years with a rocking 2-1 victory over the Black Hawks Thursday night during which Coach Milt Schmidt on the bench was "wired" in a top secret space agency test.

Ignored Injury

Veteran Dean Frontier disregarded a deep rash behind his right ear and scored his coveted 200th major league goal. After he had the wound closed by five stitches and sustained a solid rap on the nose he provided the screen for the winning goal a 50-foot back-hander by defenseman Tom Johnson.

New Weapon

A Detroit victory, coupled with a triumph by Green Bay Saturday, would give the Packers the National Football League's Western Division title over the Bears.

Clark, a 220-pounder who works out of the left linebacker position, is one of Detroit's newest defensive weapons. Assigned to the post at mid-season, the former Michigan State player developed fast as a try-to-get-around-me pro type.

Stress Reactions

Dr. Warren Guild of Lexington, Mass., a former distance runner headed a medical team conducting the electrocardiograph and related biological tests.

"We want to find out Coach Schmidt's reactions to stress and strain," Dr. Guild said. "We are not at liberty to tell who the information is for and how it will be used until it is cleared by Houston."

The data will be sent to the national aeronautics and space administration headquarters in Houston.

Don't Blame Bears For Shuddering

CHICAGO (AP) — The Chicago Bears are shuddering at the thought of the Detroit Lions and nobody can blame them.

Assuming the Green Bay Packers defeat San Francisco

Fernandez, Rivero In TV Match

NEW YORK (AP)—Rocky Rivero and Florentino Fernandez, a couple of Latin American middleweights who are able exponents of the art of blocking punches with their heads, clash in a return television fight at Madison Square Garden tonight.

Rivero, a chubby Argentine with a jaw of steel, whipped the tall bull-shouldered Cuban exile in their first meeting at the Garden on Nov. 1. Rocky was a 4-1 underdog that night and he's rated below Fernandez for the second fight but at lesser 8-5 odds.

Rivero has a 40-8-1 record including 36 knockouts. Fernandez' record is 36-7 including 30 knockouts.

Stone Wall Would Suit Ernie Clark

DETROIT (AP)—If the Chicago Bears erect a stone wall in Sunday's crucial game with the Detroit Lions, that'll be all right with Ernie Clark.

The Lions' rookie linebacker warms up for a game by ganging into concrete pillars.

"I've seen a lot of guys do weird things getting ready for a game, but never one like Ernie," said Detroit Coach George Wilson Thursday as the Lions drilled for the battle at Chicago's Wrigley Field.

Teams Do O.K. Without Stars

(By the Associated Press)

Elgin Baylor of the Los Angeles Lakers and Oscar Robertson of the Cincinnati Royals may be two of the outstanding players in the National Basketball Association, but they're certainly not indispensable.

Baylor and Robertson were sidelined for their team's games Thursday night but it didn't make any difference as far as the Lakers and the Royals were concerned.

Fox Traded By Chisox For Two Men

CHICAGO (AP)—Veteran second baseman Nellie Fox has been sold by the Chicago White Sox to the Houston Colts.

At the same time the White Sox bought right-handed pitcher Jim Golden and outfielder Danny Murphy from the Colts' Oklahoma City farm club in the Pacific Coast League.

Houston's purchase price for Fox was not disclosed.

Fox, who will be 36 on Christmas Day, had been in the American League 15 seasons and was the league's Most Valuable Player in 1959 when the White Sox won the pennant. He has batted .300 or better six times, but had a .260 average in 135 games this past season.

Watched

Someone told Wilson about Clark charging into the concrete pillars under Tiger Stadium. So the coach decided to watch him last Sunday.

"Coming out of the locker room, he stopped by one of those pillars and whump! He whacked it with his arm and shoulder," Wilson related. "Then whump! He hit it with the other. I hurt just to watch him."

Saturday, the Bears will have to tie or defeat the Lions to qualify for the National Football League championship game Dec. 29.

"It's unfortunate that we're hitting the Lions when they are at the top of their game," said Owner-Coach George Halas. "Not only are the Lions in fine shape but they're going to be loose and the pressure will be on us. Look what they did to Cleveland Sunday. Need I say more."

Halas referred to the 38-10 Detroit victory over Cleveland that knocked the Browns out of the running for the Eastern Division title.

It's tip-off time at Northern Michigan University tonight at 7, when Ferris State College and Lakeland College clash in the opening game of the second Northern Michigan University Basketball Classic. The nightcap, beginning at 9, will pit the host Wildcats against the Tommies of Aquinas College. (NMIU photo by Jim Arnestad.)

Wildcats Seek Third Win On Classic Court

Northern Michigan University (2-3) will be seeking its third win tonight when the Wildcats meet Aquinas College (1-2) at 9 in the nightcap of the second annual Northern Michigan Classic.

The first game, scheduled for 7 p. m., will find Ferris State College (1-1) going against the rangy Muskies of Lakeland (Wis.) College (2-1).

The championship tilt is scheduled for 3:30 p. m. tomorrow afternoon with the consolation game starting at 1:30 p. m.

Sportswriters will select the tournament's most valuable player and an all-tournament team immediately following the final game.

Ferris, which dumped Alma after dropping its season opener to unbeaten Central Michigan, will be led by an impressive array of experienced cagers. Heading the list is Bernie Kilpatrick, 6-5 forward who last year gained Little All-American honors as both a scorer and rebounder. Kilpatrick has averaged 18 points per game this season.

Saturday's Jr. Hockey Game Slate

The Marquette Junior Hockey Association continues action at the Palestra tomorrow, with games scheduled at the following times:

7:15 a.m. — Elks vs. LS&I; 7:50 — Pepsi Cola vs. Mobil Specials; 8:25 — Elks vs. Lions; 9:00 — Bancroft vs. Bunny Bread; 9:35 — Wildcats vs. Owls; 10:10 — Bears vs. Tigers; 10:45 — Carpenters vs. Jr. Sentinels; 11:20 — Standard vs. Vollwerth-Brebner.

Teams Do O.K. Without Stars

(By the Associated Press)

Elgin Baylor of the Los Angeles Lakers and Oscar Robertson of the Cincinnati Royals may be two of the outstanding players in the National Basketball Association, but they're certainly not indispensable.

Baylor and Robertson were sidelined for their team's games Thursday night but it didn't make any difference as far as the Lakers and the Royals were concerned.

Los Angeles whipped the Baltimore Bullets 120-105 as Baylor missed the game with a severe cold. A knee injury benched Robertson but Cincinnati turned back the New York Knickerbockers 112-102.

Fox Traded By Chisox For Two Men

CHICAGO (AP)—Veteran second baseman Nellie Fox has been sold by the Chicago White Sox to the Houston Colts.

At the same time the White Sox bought right-handed pitcher Jim Golden and outfielder Danny Murphy from the Colts' Oklahoma City farm club in the Pacific Coast League.

Houston's purchase price for Fox was not disclosed.

Fox, who will be 36 on Christmas Day, had been in the American League 15 seasons and was the league's Most Valuable Player in 1959 when the White Sox won the pennant. He has batted .300 or better six times, but had a .260 average in 135 games this past season.

Someone told Wilson about Clark charging into the concrete pillars under Tiger Stadium. So the coach decided to watch him last Sunday.

"Coming out of the locker room, he stopped by one of those pillars and whump! He whacked it with his arm and shoulder," Wilson related. "Then whump! He hit it with the other. I hurt just to watch him."

Saturday, the Bears will have to tie or defeat the Lions to qualify for the National Football League championship game Dec. 29.

"It's unfortunate that we're hitting the Lions when they are at the top of their game," said Owner-Coach George Halas. "Not only are the Lions in fine shape but they're going to be loose and the pressure will be on us. Look what they did to Cleveland Sunday. Need I say more."

Halas referred to the 38-10 Detroit victory over Cleveland that knocked the Browns out of the running for the Eastern Division title.

Ishpeming, Negaunee Teams Clash Tonight In Top Prep Battle

BY RONALD R. PORTALE of the Journal Staff

ISHPEMING — The Negaunee Miners and the Ishpeming Hematites clash tonight in battle number 146 between the arch-rivals, in a series which dates back to 1910, and in which Ishpeming holds a 79-67 edge. The game in the Ishpeming High School gymnasium must be tabbed the "county's top basketball attraction" in this evening's prep play.

As sports fans know, to predict the outcome of this affair would be "highly impossible" as the existing rivalry between these two schools is terrific.

Negaunee Nov 3-1

Negaunee comes into Ishpeming sporting a better record, having won three and lost one, while the IHS are on the losing side, three to two.

A rundown on the games played by each club follows:

Negaunee: The Miners gained a 70-68 win over Gladstone as Jim Carlson enjoyed his finest night of his school basketball career, gunning in 25 points. Negaunee displayed good defensive balance in their opener as four players hit in double figures. It was Dave Luoma, a senior who dropped in a pair of gift shots to make Bob Herman's coaching debut a success.

In the Miner's second encounter, they tipped a stubborn Iron Mountain squad in the final quarter, 55-32. Although Negaunee had a balance in scoring, mistakes nearly led to their downfall.

Trounced Newberry

Showing a rebounding ability and displaying phenomenal free throw shooting, the Miners trounced Newberry in their third encounter, 66-40. The hustling Miners pulled in 71 rebounds to 37 for the Indians, and connected on 22 of 27 shots from the charity line.

Victims of an overall poor shooting performance and excessive fouls, the Miners suffered their first setback as powerful Sault Ste. Marie, now Great Lakes Conference leaders, walked over them, 63-48.

Mistakes, Range

Ishpeming, a combination of mistakes and an inability to find the range from the field led to the Hematites' opening defeat at the hands of a rangy Manistique squad, 55-51. Balanced scoring by the IHS

helped, but excessive fouling resulted in defeat as the Emeralds converted time after time.

In their second game, a smoothly-working Hematite squad maneuvered its way to a 58-44 victory over Stambaugh for the first win of the season. Coach Duane Phillip's cagers, despite a height disadvantage, controlled the boards and earned a decisive win. Good shooting at the line and from the field was a contributing factor.

The IHS were given a scare by Munising in the third game, but managed to eke out a 41-38 win. Erratic passing and poor shooting almost spelled defeat for the Blue and White.

At Iron Mountain, the IHS stumbled their way to a 47-41 loss in another "cold night".

Ishpeming has played one more ball game than the Miners and perhaps warmed up for the Negaunee clash by playing a vastly improved game against Escanaba, only to lose to the tall and determined Eskymoes, 72-62.

There you have it—who will take this one? Will it be the question mark Hematites who have had trouble finding the game club, which has shown balance in each game by consistent control under the boards plus the ability to sink that vital free throw in each contest?

St. Louis 31, Dallas 21—Charlie Johnson pitching over the running of the Cowboys but nothing like their 3-4-7 romp on opening day.

Baltimore 28, Los Angeles 14—Johnny Unitas on beam and Rams are vulnerable to air attack. Colts bitter about 17-16 loss Nov. 24 on a field goal.

Minnesota 24, Philadelphia 21—Ron VanderKelen gets a starting chance for Vikings for first time. Eagles should be ready for supreme effort to save jobs and Nick Skorich's scalp.

Hand Picks Bears, Giants In Finale

BY JACK HAND

NEW YORK (AP)—The New York Giants and the Chicago Bears are the picks here in Sunday's "big ones" in the National Football League, setting up a Giants-Bears title playoff at Wrigley Field, Dec. 29.

Here we go again—all games Sunday unless otherwise indicated:

NFL

Green Bay 35, San Francisco 14 (Saturday)—Packers must win to keep hopes alive. A victory and a loss for the Bears Sunday would set up a playoff. This one on national (CBS) television.

Chicago 20, Detroit 17 — They will play this one close to the vest with a field goal the likely margin.

New York 31, Pittsburgh 24 — Giants will have Y.A. Tittle this time and Alex Webster is ready. Steelers will roll on the ground with John Henry Johnson the key, but Y.A. will do more damage if Giant pass blockers can handle Pittsburgh's rush. The battle will be won in the line.

Cleveland 28, Washington 21—Jimmy Brown riddled Skins in opening game 37-14 victory. Rumors say Bill McPeak's job may be at stake.

4 Victories In Class B League Play

Wins were taken by Park Tavern, Larry's Shell, Mobil Specials and Showland basketball squads last night in Class B action of the Marquette City Basketball League.

In the first game of the evening, a big second quarter helped Park Tavern to its 65-45 win over Elson Bottling. Mark Trochoud led the winners with 15 points, and Marv Ruspakka shared scoring with Mike Black for the losers with 12 points each.

Larry's Shell took a 44-30 victory from Electrical No. 107, as all Larry's players scored, taking a 16-2 lead at the end of the first period and leading throughout the game. Dave Blomquist and Bits Olds led scoring for Larry's with 12 each.

In quite a defensive battle, the Mobil Specials eked out a close 31-29 win over the National Guard entry, as Paul Murk made the winning bucket with 12 seconds left in the game. Murk was high man for the winners with 16 points and Jack Nelson led the losers with 12.

In the finale, Shoreland's topped Mel's Sinclair, 46-40, winning on the basis of a big first half and outscoring Mel's in the second. Down 25-11 at the half, high scoring by Louie Taccolini, with 16 points, and Curt Vandenberg with 14, led Shoreland's to victory. Gino Wachter had 17 for Mel's.

IAC PLAYER OF WEEK

MOUNT PLEASANT (AP) — Central Michigan's Dave Nelson has been named the Intercollegiate Athletic Conference's player of the week for his efforts in CMU's upset basketball victory over defending champion Western Illinois last Saturday.

Nelson, a Muskegon native, scored 25 points, picked up seven assists and grabbed 13 rebounds as the Chippewas won, 77-63.

YAT Named MVP In NFL Before Showdown Game

NEW YORK (AP) — Y. A. Tittle came home from work a little late—he is busy getting ready for the showdown game Sunday with the Pittsburgh Steelers—so his wife was the first to hear the news.

"That's just wonderful," Minnette Tittle said. "Y.A. will be so pleased. And imagine beating out Jimmy Brown. He's great."

MVP In NFL

The news was that Y.A. Tittle, the old Bald Eagle of the New York Giants, has been named the Most Valuable Player in the National Football League by an Associated Press panel of sports writers and broadcasters from the 14 league cities.

Tittle got 33 of the 40 votes cast and Brown, the fullback of the Cleveland Browns, the other seven.

"That's tremendous," said Tittle, when he got home from practice and got the word. "I'm proud and pleased. I hope I prove worthy, especially in Sunday's game. That's the big one."

The Giants and the Steelers

will play winner-take-all for the Eastern Division title.

Tittle has been just about all the offense for the Giants, and usually he has been enough. The Giants lead the league in scoring by a wide margin.

Tittle has thrown 33 touchdown passes this year, equalling his own league record set last year. He has 204 completions in 341 attempts for a 59.8 percentage and 2,837 yards.

Two Career Marks

The star quarterback, who is 37 and looks maybe five years older than that with his weather-beaten face and bald head, also has established two NFL career records with 199 touchdown passes and 1,954 passes.

Tittle said his selection as MVP shouldn't make any difference in the game Sunday. "I don't think the Steelers go around with my press clippings in their pocket," he said. "And I was going to go all out anyway."

Y.A. stands for Yelberton Abraham.

But even his wife calls him "Y.A."

Enjoy a quality blend and don't overspend

Hank Aaron New NL Bat Champion

CINCINNATI (AP) — Hank Aaron, Milwaukee's hard-hitting outfielder, ended Frank Robinson's three-year reign as National League slugging champion by capturing the 1963 title with a .386 average, the final official averages showed today.

Aaron who won the crown in 1959 had 29 doubles, 4 triples, and 44 homers among 201 hits last season. Robinson, the winner in 1960, '61 and '62 was far down the list in 1963 with a .442 mark. The Cincinnati outfielder accumulated 213 total bases in 482 times at bat.

Recreation Class To Delay Meeting

NEGAUNEE — It has been announced that the adult recreation class, usually meeting on Monday nights, will not meet again until Jan. 6, 1964.

Persons interested in the program may register at that time. The future of the class will be determined on the basis of the interest shown at the Jan. 6 meeting.

First Baseman Norm Siebern led the Kansas City Athletics in homers last season with 16, one more than third baseman Ed Charles.

Announcements

SKATE SHOP AT PALESTRA Will be open for skating at 8:00 a.m. SATURDAY MORNING. GRINDING RENTALS.

Card of Thanks

THANK YOU

We wish to express our sincere thanks to Mr. and Mrs. Ben Nykkanen, Dr. Paul Ripper and the staff of the Sarepta Rest Home for the excellent care and kindness extended our mother during her stay at the home.
