## Defense Chief Says U.S. Could Destroy All Russian Society

PARIS (AP)—Defense Secretary Robert S. McNamara said today the awesome might of the growing U.S. atomic arsenal could destroy Russian society if the West ever was subjected to a nuclear surprise attack.

He also said the North Atlantic Alliance is strong enough to fight a conventional war with the Soviet Union without plunging the world immediately into a nuclear conflict.

McNamara told the ministerial meeting of the North Atlantic Treaty Organization that new appraisals of Eastern and Western military strength showed that the West is able to take care of itself in any war, little or big.

McNamara challenged the conventional picture of a world in which the West was so hopelessly outnumbered and outgunned by hordes of Communists that Western military leaders would have to fall back at once on nuclear weapons in case of attack.

In his speech, relayed to correspondents by briefing officers, McNamara put the American case for a multitude of possible Western responses to Communist war.

McNamara stressed that this was not the moment for the Atlantic Alliance to slacken its efforts to build up conventional military strength. With a bit more effort, he said, the deficiencies in NATO strength could be made good now.

30 Divisions  
For years NATO has maintained a target of 30 battle-ready divisions deployed in Europe, but has never been able to reach this figure. The alliance's strength now amounts to about 23 divisions.

Secretary of State Dean Rusk spoke in forceful terms of the political and military advantages of Washington's proposal for a mixed-manned, Polarized surface fleet — a pet project of the late President Kennedy.

Soviet-Chinese Split  
Earlier, Rusk had urged the alliance to support the Soviet Union in its "fundamental and far-reaching split with Communist China."

Johnston lauded the United Nations for successes exceeding failures. Yet he recognized that vast problems remain: conflicts between great powers and between small nations, disagreements over disarmament, persistence of ancient wrongs against human rights, tag-end problems of colonialism.

Work Together  
But nations which created these problems by working apart can solve them by working together, the President said.

He did not emphasize specific areas of conflict and disagreement or suggest any specific solutions.

He did say what the United States wants.

He mentioned an end to the cold war, first of all.

He said his country also wants to prevent the spread of nuclear weapons to nations not now having them, to push on with arms control and reduction, to cooperate with all U.N. members in conquering hunger, disease and ignorance.

He mentioned an end to the cold war, first of all.

### From Santa, With Wool

Santa solved the problem of what to give a good little girl and boy, Sheryl Reid, 3, and Johnny Treacle, 2½. Blond cocker puppies and a fluffy orange kitten in their Christmas stockings. They received their cuddly presents ahead of time to tell the world about the 10th Annual Pets for Christmas day in Tacoma, Wash. (AP Wirephoto.)

## Probers Call For Evidence

WASHINGTON (AP) — After preliminary study of the FBI's report on the assassination of President John F. Kennedy, the Presidential Investigating Commission is calling for the evidence on which the report was based.

Chief Justice Earl Warren, heading the high-level board of inquiry, announced its decision Monday night and disclosed that the commission is building a legal staff to help it scan the evidence.

Warren told newsmen the move was "a perfectly normal thing." But it was clear that the commission intends to scrutinize and evaluate the FBI's work on the case instead of taking the FBI findings at face value.

The still-secret FBI report is understood to indicate that Lee Harvey Oswald, 24, was the

hidden rifleman who killed Kennedy on Nov. 22 in Dallas and to dismiss, by omission, the theory that Oswald had help or accomplices.

Wants To Sift Evidence  
The Warren commission, it appears, wants to sift every scrap of evidence available which might resolve, one way or the other, any suspicion of collusion or conspiracy. Such talk gained circulation after the captured Oswald was shot dead in a Dallas police garage by nightclub owner Jack Ruby, 52.

Documents  
The commission wants to inspect the documents, investigation reports, statements of individuals, and similar basic investigative material. Warren said, not only from the FBI but from the other federal agencies involved in the far-flung inquiry.

## Jack Ruby Seeks Release On Bail

DALLAS (AP)—Jack Ruby's lawyers are trying to get the man who killed the accused assassin of President Kennedy out of jail before Christmas. The state insists he should be kept behind bars.

Hearing  
Dist. Judge Joe Brown ordered a Dec. 23 hearing on a defense request Monday for release of Ruby under bond. His trial on a charge of murder is set for Feb. 3 before the same judge.

During this legal activity at the county courthouse, heavier-than-normal traffic continued outside the building past the point where a hidden rifleman ambushed the President Nov. 22.

Flag At Half Mast  
A flag flies at half staff over a grassy parkway beside this spot in the edge of the business district. Fresh flowers appear there daily. Dozens of wreaths hang from a fence erected to support them.

Tom Howard of Dallas, one of the lawyers representing Ruby, applied for a writ of habeas corpus in the move to free the prisoner. The applica-

tion contends that Ruby, 52, owner of a Dallas strip joint, is entitled to release under bond pending trial.

Psychiatric Exam  
Howard also said the defense staff, headed by Melvin Belli of Los Angeles and San Francisco, wants Ruby to undergo psychiatric examination and this cannot be done properly in jail.

L. A. Flood Victims To Get Money  
LOS ANGELES (AP) — Victims of the Baldwin Hills Reservoir disaster got a word of encouragement—and a promise of money — from Mayor Samuel Yorty.

"It's obvious these victims are not responsible for the damage," Yorty said Monday. "They will be compensated and we will help them file claims against the department of water and power and the city," Yorty said.

Damage  
Damage from Saturday's devastating flood could run to more than \$10 million dollars, officials estimate.

Yorty's promise of help came as a residents and businessmen picked through the mud-slick rubble below the now-empty reservoir.

300 Million Gallons  
Nearly 300 million gallons of water roared through a break in the earth-filled structure Saturday afternoon, crashing down on the homes below and sweeping in at least three persons to their death.

Sixty-four homes were destroyed, and 82 homes and 55 apartment buildings received major damage. At least 27 persons were injured.

## Court Overturns Conviction Of U.S. Red Party

WASHINGTON (AP) — A federal appeals court overturned today the conviction of the Communist party for failure to register as an agent of the Soviet Union.

The basic ruling of the Court of Appeals for the District of Columbia was that to support the verdict of conviction the government would have to prove that a volunteer was available to register for the party under the 1950 Subversive Activities Control Act.

Contention  
Throughout the trial in De-

cember last year the principal defense contention was that no such person could come forward because doing so would incriminate him as an individual under other terms of the act.

The party had drawn the maximum penalty of \$120,000 fine — \$10,000 on each of 11 counts, each count covering one day's failure to register, and another \$10,000 on a 12th count alleging failure to provide information about Communist party officers, members and finances.

In rejecting the Communist

defense contention that registration was impossible because the registrant would be incriminating himself, Judge Alexander Holtzoff of the U.S. District Court here had ruled that the Fifth Amendment protection against self-incrimination can be claimed only by an individual and not by an organization such as the Communist party of the United States.

The Appeals Court sent the case back to the District Court for either a new trial if the government requests it, or a directed verdict of acquittal.

## Johnson Pledges U.S. Support To United Nations

UNITED NATIONS, N. Y. (AP) — America's new President came before the community today with a pledge of support and an "unswerving commitment to the keeping and the strengthening of peace."

President Johnson addressed the United Nations in the great hall of its General Assembly. It was his first international forum since he took the helm of government Nov. 22, upon the death of John F. Kennedy.

Purpose Not Altered  
"I have come here today to make it unmistakably clear," Johnson said, "that the assassin's bullet which took his life did not alter his nation's purpose."

The President thus brought the reassurances expected of him, but no new major policy

pronouncements or proposals. He did suggest in generalities that a modern new deal could build a better world, that it is time for a peaceful revolution on a universal scale to improve human welfare and dignity.

Greatest Task  
But, said Johnson in a prepared text: "The greatest of human problems—and the greatest of our common tasks—is to keep the peace and save the future."

"If there is one commitment more than any other that I would leave with you today, it is my unswerving commitment to the keeping and the strengthening of peace."

"The United States wants un-

Ex-Song, Dance Man To Seek Nomination  
LOS ANGELES (AP) — One-time song- and -dance man George Murphy will seek the Republican nomination to oppose U.S. Sen. Claire Engle, California Democrat, in next year's election.

Tippett Family Fund Reaches \$277,951  
DALLAS (AP) — The fund for the family of slain Policeman J. D. Tippett reached \$277,951 today.

The Weather  
Forecast for Marquette and vicinity: Mostly cloudy and cold tonight and Wednesday; occasional light snow tonight, changing to snow flurries late tonight and Wednesday; low temperature tonight, 0 to 5 above; highs on Wednesday, 10 to 15. Outlook for Thursday: Snow flurries and cold.

Forecast for Lake Superior: West to northwest winds 15 to 25 knots tonight and westerly 20 to 30 knots Wednesday; light snow or snow flurries. Lake temperature, 39.

Data for 24 hours ending at noon:  
Temperatures — 8 at 6 a. m.; 13 at noon; highest in last 24 hours, 16 at 3:30 p. m. yesterday; lowest in last 24 hours, 6 at 3 a. m. today.  
Relative humidity at noon — 72 per cent.  
Precipitation — Trace in last 24 hours; total to date this year, 23.31 inches; normal to date, 30.83 inches.  
Sun rises at 8:29 a. m. and sets at 5:03 p. m. tomorrow.  
Records for Dec. 17 — Maximum temperature, 46 in 1895; minimum temperature, -16 in 1884; most precipitation, .72 of an inch in 1912.

## Reds, West Reach Yule Agreement

BERLIN (AP)—West Berlin and East German authorities have signed an agreement opening the wall for West Berliners to visit relatives in East Berlin over the Christmas season. Western officials announced today.

Western officials said details of the agreement would be announced later today.

The agreement was reached today after six days of tough, touch-and-go negotiations. It opens the Red wall to West Berliners who have relatives in the East for the first time since the wall was built more than two years ago to stop the escape of refugees.

Western officials estimated that about 400,000 West Berliners will be eligible to cross into the Soviet sector.

Stock Split At Chrysler  
DETROIT (AP)—Stockholders of Chrysler Corp. today overwhelmingly approved a two-for-one stock split by Chrysler within the past year.

The new split, which follows a similar split last April, will become effective Dec. 20.

Chrysler President Lynn A. Townsend told the stockholders that Chrysler sales for the first nine months of this year totaled \$2.2 billion with profits of \$100 million.

"This exceeds our profit margin in any similar period since 1950," Townsend said.

Townsend added that Chrysler car sales for the first 11 months of the calendar year totaled 878,820 or 13.1 per cent of the market. This compared with 621,206 cars or 10 per cent of the market in the same period in 1962. He reported that all of Chrysler's operations are in the black.

Another hostage, Bernard Rifkin, 52, Brooklyn-born labor adviser for the U.S. Agency for International Development, said the worst part of the ordeal was the night of their capture.

"They put guns in our backs and set off dynamite," he reported.

Michael A. Kristula, 41, another U.S. Information Agency officer, commented: "I felt the embassy did everything possible and we never questioned their efforts nor did we ever doubt the support of President Johnson or the American people."

'Frightening As Hell'  
Kristula's wife also is in La Paz and he has relatives in Niles, Ill., and Cadillac, Mich.

Robert Fergerson, 26, of Honolulu, the Peace Corps member, also said, "that first night was frightening as hell."

Another hostage, Bernard Rifkin, 52, Brooklyn-born labor adviser for the U.S. Agency for International Development, said the worst part of the ordeal was the night of their capture.

"They put guns in our backs and set off dynamite," he reported.

CHRISTMAS GREETINGS

## Liz, Burton Almost Free To Marry

HOLLYWOOD (AP) — Richard Burton is free today to marry Elizabeth Taylor, who may be free any day now to marry him.

Thus, the world's most publicized lovers are halfway to the altar, a trek that took two years and \$40 million to accomplish.

The love affair started when Burton played Marc Antony to Liz's Cleopatra.

Mexican Divorce  
Sybil Burton, long - suffering wife of the swinging Welshman, got a Mexican divorce Monday and a reported settlement of \$1.5 million. She also got custody of the couple's two young daughters.

Next step calls for singer Eddie Fisher to institute Mexican divorce proceedings against the raven-haired star he married after Mike Todd's death.

Anything Liz wants she can get from Eddie. "I will do anything to make Elizabeth happy, I wish her only the best," he told a newsmen.

Divorce By Proxy  
Elizabeth's lawyer is in New York now discussing settlement terms with Eddie's lawyer. A settlement is expected momentarily. Then the lawyer — not Eddie — will go to Mexico and obtain the divorce by proxy.

Once the pre-trial formalities are ironed out, the actual courtroom proceedings take about 15 minutes.

Fisher, informed of Mrs. Burton's divorce Monday, said: "Marvelous! Bravo!"

Insiders believe that the Burton-Taylor nuptials will take place almost immediately after the settlement between the actress and Fisher.

## 9 Coal Miners Killed In Blast

HELPER, Utah (AP) — Nine coal miners were killed and another injured Monday in an explosion in what was described as a "model mine in the West."

The blast occurred at the face, or end, of one of two shafts which branch out from the end of a 2,800-foot tunnel into the side of a mountain near this central Utah community.

"They never knew what hit them," said James Diamanti, mine co-owner. "They fell right where they were working. They must have hit a pocket of gas."

Theory  
State Industrial Commission officials at the scene theorized the blast was caused by gas.

It was the second major mine disaster in Utah this year. Eighteen men were killed Aug. 27 in a potash mine explosion at Moab, about 100 miles south of Helper.

Jesus Nunez, 45, was near the entrance to the west shaft, about 2,000 feet from the explosion.

The blast hurled him 200 feet, broke his arm and cut him badly. "I know I was lucky," he said.

Nine men were working in the east shaft and said they didn't hear the explosion.

"We've been told that the mine was a model mine in the west," Diamanti said. "Every safety precaution was taken. There hasn't been a trace of gas in the area for many, many months. I just can't explain it."

Pocket Of Nethane  
Diamanti said the nine victims were drilling at the face of the west shaft and theorized a drill bit may have exposed and ignited a pocket of nethane.

Explosives were not being used.

## House Upholds Foreign Aid Cuts

WASHINGTON (AP) — The foreign aid battle has cost President Johnson his first setback on Capitol Hill since becoming chief executive, and with stinging criticism of Congress he looked hopefully to the Senate to recapture some of the losses.

The House dealt the administration a double jolt Monday, upholding an \$800-million cut in foreign aid appropriations and adding a surprise amendment prohibiting the government from guaranteeing private financing of wheat sales to the Communist bloc.

It added up to another obstacle in the path of the battered aid measure and there seemed to be a good chance that final passage would have to be put off until next year.

As the House was voting 249-133 to hold spending for economic and military assistance to \$2.8 billion—\$1.7 billion below what the late President John F. Kennedy requested — Johnson issued a sharply worded statement.

Johnson used as a vehicle for his criticism the foreign aid authorization bill which puts restrictions on the program and fixes a spending ceiling of \$3.6 billion.

Dangerous Deduction  
In his statement after signing the measure, Johnson made clear that he considers \$3.6 billion "a dangerous reduction in funds" and that "anything less would represent 'a policy of weakness and retreat.'"

In words similar to those once spoken by his predecessor, Johnson said tartly "we cannot oppose the spread of communism and promote the growth of freedom by giving speeches."

Wheat Deal  
U.S. and American negotiations for the sale of about 4 million tons of U.S. wheat have been hung up on the question of shipping rates. In approving the proposed sale Oct. 9, Kennedy had added a requirement that the wheat be carried on U.S. ships when available. Russians have objected to the higher U.S. shipping rates.

The House amendment, designed to throw a monkey wrench into the wheat deal, was adopted by a 218-169 vote when offered by Rep. Paul Findlay, R-Ill.

Johnson Signs Bill To Combat Pollution  
WASHINGTON (AP) — President Johnson signed today a bill providing \$95 million over the next three years to help states and local agencies combat air pollution, including that from automotive exhausts and industries.

## Girls Bid To Save Leo

PHOENIX, Ariz. (AP) — Leo is a derrick.

He's getting bald and his teeth are cracked. Leo still has a little of the old fire—he growls and paces up and down in mock anger—but to be honest he's not much when it comes to lions.

Nonetheless, 12 Phoenix girls — 8 to 13 years old — are determined to get Leo a chance to start life anew as a real, scary African lion.

Leo was abandoned near Phoenix last year. His owner left him cramped in a small cage without food or water.

The girls formed a club to help Leo.

First they staged a backyard circus. Total collections—\$19.35. "It was a beginning," said Alava Bell, 13.

Art Show  
Next came an art show. Working from school-odd until dark for days, they set up a gallery in 9-year-old Shelly Springman's back yard. Paintings, needlework and ceramics were displayed on picnic tables.

It cost 25 cents to make the tour. The art was for sale, too. One young artist tagged this note to her painting: "For sale—50 cents. \$1 if you have it."

The show netted \$153.02. The girls are still at it—the time selling homemade novelties.

"And just think," said 12-year-old Tina Ayers, "we just need \$15,827.63."

# Deep Freeze Here In Ninth Day As Mercury Hits 6°

Marquette continued to have deep freeze weather for the ninth straight day today, with no letup expected in the next few days.

Since the temperature dropped below 32 degrees in the early morning hours of the 9th, it has remained well under the freezing point. In fact the maximum temperature of 16 recorded yesterday was the lowest this season, the previous low maximum having been 19 on the 1st.

Yesterday's low was seven above, the mean reading of 12 was 12 degrees below normal. It was expected to climb near the 20 mark today, but it'll get down to near zero again tonight.

**3 Below At Airport**

Temperatures throughout the Upper Peninsula were on the frigid side today, with the low-

est official temperature reported being 3 below zero, at the Marquette County Airport. It was 1 below in Escanaba, 9 in Calumet and 10 in Sault Ste. Marie.

**From Arctic Air Mass**

Meteorologist Fred Mueller said the cold weather the area has been experiencing was due to the Arctic air mass which descended from Canada and centered over the north central part of the country.

This air mass is gradually shifting southeastward, and this morning was over the Ohio River, but another batch of cold air is following the same path and will be in this area tomorrow.

In between that brief period there'll be some light snow, with perhaps a bit milder weather in some areas tonight due to the expected cloudiness (which will prevent radiation,

or giving off of heat by the earth). But tomorrow it'll be cold again, with the high being only 10 or 15.

**10-Inch Snow Depth**

The city has a snow depth of 10 inches, the snow having settled a little, but some drifts formed by the winds earlier in the week are still up to three feet in sections.

So far this month 16 inches of snow has fallen here, four more than normal, while the season's total is 24.6 inches, or four below normal.

Mueller said the light snow expected early this evening will change to snow flurries late tonight or tomorrow, with scattered snow flurries and cold weather expected to prevail Thursday.

**Driving Conditions Bad**

Meanwhile, streets in the city continued to remain slippery and driving conditions were still bad this morning, prompting Chief of Police George G. Johnson to caution drivers to be careful, especially at intersections and on hills.

The light snow which falls covers the icy spots and deceives drivers, he noted, and this should cause motorists to drive much slower and more carefully than they normally do.

# Davidson Sentences Eight Defendants To 90-Day Jail Terms

Eight persons were each ordered to spend 90 days in the county jail yesterday by Circuit Court Judge Bernard H. Davidson on charges of drunk and disorderly — third offense.

All eight men had entered pleas of guilty earlier during the current term of Marquette County Circuit Court to the charge, a circuit court misdemeanor.

Judge Davidson told the first man that a weakness for drink made him his own worst enemy. Pointing out that the defendant had been in jail previously on drunk and disorderly charges, Judge Davidson said: "Prison would do you no good and apparently justice court is tired of you."

Judge Davidson noted that his comments to the first defendant could apply to all of the men charged with drunk and disorderly — third offense.

Sentenced were:

Charles Linna, 49, Ishpeming; Eugene Kotel, 29, 516 Baraga Ave., Marquette; Sulo V. Jarvi,

46, Dukes; Fred W. Priebe, 52, Route 1, Green Garden; Glen Gage, 75, Brunswick Hotel, Marquette; Earl Bressette, 41, of 425 N. Fourth St., Marquette; Leland Pelto, 45, Anderson Rooming House, Ishpeming; and John Osicki, 69, Levine's Rooming House, Marquette.

**Previous Arrests**

Linna was arrested by Ishpeming police Sept. 20 for being drunk and disorderly on Second St. in Ishpeming. Previous drunk and disorderly convictions in Ishpeming Municipal Court were Sept. 16 and Sept. 18.

Kotel was arrested by Marquette police and convicted by Marquette Municipal Judge Edward H. Dembowski April 1, July 29 and Sept. 23.

Jarvi was last arrested Oct. 7 on Baraga Ave. by sheriff's officers. He was bound over to circuit court by Judge Dembowski. Previous drunk and disorderly convictions were Aug. 26 in Marquette Township Court and April 19 in Negaunee Municipal Court.

Priebe, who appeared with his court-appointed attorney, Michael J. Khoury of Marquette, was arrested by Marquette police Oct. 30, June 8 and Sept. 19.

Gage was arrested by Marquette police Nov. 9, Sept. 9 and Oct. 14 and was bound over by Judge Dembowski.

**'Bound Over' Here**

Bressette, bound over by Judge Dembowski, was arrested

# Braddock, Niemi On C-C Board

Dr. Allan L. Niemi and James Braddock were selected this morning as Marquette Chamber of Commerce directors-at-large.

Dr. Niemi is dean of students at Northern Michigan University and Braddock is a vice president of the Union National Bank.

Along with six directors elected last week and eight holdover directors, they make up the chamber's board of directors for the coming year.

The two directors-at-large were elected by the six new directors and eight holdover directors.

by Marquette police Nov. 23, July 19 and Sept. 13.

Pelto was arrested by Ishpeming police and appeared before Ishpeming Municipal Judge Fred Berg Dec. 6, Dec. 2 and Nov. 13.

Osicki, bound over by Judge Dembowski, was arrested Dec. 7, Jan. 10 and May 6.

Jack Tauch, Jack McCracken and Patrick L. Bennett.

# Opening Of Municipal Ski Area At Mt. Mesnard Set Tonight; Schedule Given

Marquette's municipal skiing area at Mt. Mesnard will open at 6:30 this evening, it was announced today.

James C. Engle, superintendent of the parks and recreation department, said the opening is believed to be the earliest ever. In former years it opened on the weekend before Christmas or later.

Also, this season a special schedule has been arranged for the holiday period, to keep the ski area open more for the vacation time. After Sunday, Jan. 5, the regular schedule will be in effect for the remainder of the season.

**Ski Patrol Ready**

Again this year, Mrs. Alethea Rossi will be in charge of the ski hill for the city.

The Ski Patrol will be on duty at all times that the hill is open, Engle said. "We are fortunate in having a good number of quali-

fied persons in the Ski Patrol," he added.

Ski Patrol members will be ready to assist skiers in trouble and will help to enforce good safety regulations on the hill.

**Holiday Times Listed**

Following are the times the ski hill will be open and the tow will be in operation during the holiday period:

Saturday, Dec. 21 — 1 to 5 p. m.  
Sunday, Dec. 22 — 1 to 5 p. m.  
Thursday, Dec. 26 — 1 to 4 and 6:30 to 9:30 p. m.  
Friday, Dec. 27 — 1 to 4 p. m.  
Saturday, Dec. 28 — 1 to 5 p. m.  
Sunday, Dec. 29 — 1 to 5 p. m.  
Thursday, Jan. 2 — 1 to 5 and 6:30 to 9:30 p. m.  
Friday, Jan. 3 — 1 to 4 p. m.  
Saturday, Jan. 4 — 1 to 5 p. m.  
Sunday, Jan. 5 — 1 to 5 p. m.

The regular schedule for Mt. Mesnard, which takes effect after the Christmas holiday period, follows: Saturdays and Sundays, 1 to 5 p. m., and Tuesday and Thursday evenings, 6:30 to 9:30 p. m.

"We have plenty of snow on the hill and it's in good shape," Engle said. "We expect to have another good year. Last season was perhaps our best yet and this one may exceed it in attendance."

**Obituary**

**JOSEPH H. MERCURE**

Funeral services for Joseph H. Mercure, who died Sunday evening in St. Luke's Hospital, will be held at 10 tomorrow morning in St. John's Church. Burial will take place in Holy Cross Cemetery.

The escorts will be Henry Mercure, Archie Mercure, Arthur Mineau, Arthur Neault Jr., Arthur Mercure and Herman Beaucaamp.

The body is in Tonella's Funeral Home, where the Rosary will be recited at 8:30 this evening.

**FOOLER**

Using fine grains of sand and its own spun silk, one species of caddis fly builds a house in the exact shape of a snail shell and the replica is so perfect that specimens have deceived the most experienced shell collectors.

# Kelley Ready For Legal Action In Rail Ferry Issue

LANSING (AP) — Atty. Gen. Frank Kelley reports his office is ready to take the legal action necessary to assure continuance of railroad ferry service across the Straits of Mackinac.

The Coast Guard had ordered the discontinuance of such service between Mackinaw City and St. Ignace on Dec. 31. The Coast Guard contends the boilers are unsafe on the ferry "Chief Wawatam," operated by Mackinac Transport Co.

The company, which operates the ferry for the Pennsylvania, Michigan Central and Soo railroads asked for a temporary extension until some agreement could be worked out.

Kelley said he is sending a staff investigator to the straits to collect facts for possible legal action.

"This service is important not only to the residents of the immediate areas involved but to all the people of the state of Michigan," Kelley said.

Judges for the 1963 Marquette residential Christmas lighting contest are shown together in the First National Bank & Trust Co. building, where they went over rules for the event, which is being sponsored for the 11th consecutive year by the Kiwanis Club and the City of Marquette. From left are Mrs. Walter Toupin, chairman; the Rev. Vincent Ouelette, assistant; St. Peter's Cathedral; James W. Gooch; Mrs. Joseph Bickler and the Rev. Eugene W. LeVine. Not present for the photo was Mrs. Elmer K. Carlson.

## Mrs. Toupin Heads Judges Group For Yule Lighting Event

Judges for the Marquette Christmas residential lighting contest were announced today by Frank T. McKeown, chairman of the Kiwanis lighting committee.

The contest is being sponsored for the 11th straight year this season by the City of Marquette and the Kiwanis Club. Being stressed again this season is the spiritual theme of the holiday.

Mrs. Walter Toupin, 116 Fisher St., who served on the judges committee last year, will be chairman of this year's committee of judges.

Other members of the committee are the Rev. Vincent Ouelette, assistant of St. Peter's Cathedral; the Rev. Eugene W. LeVine, 1515 Birch St., Protestant chaplain for the Marquette State Prison; Mrs. Elmer Carlson, 534 E. Arch St.; Mrs. Joseph Bickler, 808 W. College Ave., and James W. Gooch, 814 W. College Ave. Each year the committee chooses two clergymen for

the judges committee, one Catholic and one Protestant. Judges are assigned sections which they will represent and closely inspect.

"Again we're fortunate in having received the services of this outstanding group of persons to act as judges," McKeown said. "These persons are willing to give up some of their time during the busiest of all periods of the year to serve."

"We are grateful for their acceptance of this responsibility and help on the project."

None of the judges, however, are members of Kiwanis or, in the case of the women, whose husbands are Kiwanians, will have the final say in the awards. Members of the Kiwanis-City of Marquette committee besides McKeown are Frank Rogers, Adorno Salani and Paul J. Kinville.

As in the past, the Christmas theme will be one of the prime factors the judges committee will take into consideration in selecting the winners. Prizes well over \$250 will be distributed in the event. A grand prize winner is chosen, with the winner being selected from the city-at-large. Sectional prizes also are given out to the top winners in each section and a number of other cash awards also are distributed.

'Christ Back Into Christmas' The Kiwanis Club and the city undertook the contest in an

effort to "put Christ back into Christmas," and since the event has been staged by Kiwanis it has worked well, club officers note.

Reports received by Kiwanis and city officials show that the lighting contest has resulted in an unusually large number of outdoor lighting displays with a religious theme.

"The real spirit of Christmas is being put back into the holiday," McKeown said.

The lighting contest is open to residents of the city who have set up displays and illuminated them in some manner. The display must be erected at or near a private residence within the city limits.

Residents are asked by the committee to keep their displays lighted from 6 to 10 p.m., both for the benefit of judges and for the pleasure of other residents interested in seeing the displays.

In Air Force lingo, "three-headed monsters" are men qualified not only to fly their planes, but to navigate and serve as bombardier as well.

The Knights of Columbus Rosary will be recited at 7:30 and the parish Rosary will be

## Two Autos Wrecked In Crash Here

A motorist was injured, a summons was issued and two automobiles were wrecked in a traffic smashup at 5:20 yesterday afternoon in Marquette.

City police said a car being driven south on N. Front St. by Ronald E. Bannan, 17, of 316 E. Michigan St., smashed into an automobile operated by Oliver A. Raymond, 78, of 501 E. Magnetic St., who was traveling west on College Ave.

Raymond complained of a sore left leg and suffered a cut on his upper lip. He sought his own treatment.

City police said Raymond had stopped for the stop sign at Front St. and then started to proceed across the intersection when the mishap occurred. Witnesses said his vision may have been partly obscured by other traffic.

The impact shoved Raymond's car across the intersection, and it struck a wooden utility pole located at the southwest corner. Extensive damage resulted to

the entire front end and right side of Bannan's car, a 1956 four-door sedan, and to the right side and front end of Raymond's vehicle, also a 1956 four-door. Both automobiles had to be removed from the scene by wreckers.

City police ticketed Raymond for a right-of-way violation.

## Final County Board Meet Of Year Set

Marquette County's board of supervisors will hold its final meeting of 1963 tomorrow afternoon, beginning at 2, in the county courthouse here.

With Board Chairman Carl W. Corneliuson of Ishpeming presiding, the board will hear the various reports of the department heads and county officers.

Requests also will be heard from the county's newly-appointed clerk, Roy C. Lee of Marquette, for permission to attend the midwinter conference of county clerks, and for a snow

plowing bid in Ishpeming Township.

### City Paragraphs

Fellowship Chapter, Order of DeMolay, will hold a special meeting at 7:15 tomorrow evening in the Masonic Temple.

recited at 8:15 tonight in the Fassbender Funeral Home.

## LBJ Meeting On U.P. Jobs Postponed

WASHINGTON — The office of Sen. Pat McNamara, D-Mich., said today that a planned meeting with President Johnson this week on the job situation in Michigan's Upper Peninsula has been delayed for

an indefinite period. Johnson had been reported ready to meet Wednesday with officials of Michigan and Wisconsin to discuss creation of a Great Lakes Regional conference on unemployment.

An aide of McNamara said the meeting never had been firmly scheduled. He said he assumed that the delay can be attributed to Johnson's heavy schedule.

There was no immediate indication when the meeting would be held, the aide said.

Probably less is known of the archeology of the Guadalupe Mountains of Texas than any other area in the Southwest.

## U.P. Dairy Production, Income Dips

Upper Peninsula dairy farmers produced less milk in November than in the same month a year ago and sold it for less money, the U. S. Department of Agriculture reports.

Producers milk at test was worth \$375,962, which was \$3,656 less than a year ago. The number of producers slipped from 624 to 560 and the trend to tank production as against can production continued.

Average seven day producer income was \$156.65 compared with \$141.95 in 1962.

Blend Price \$4.03 The blend (average) price of milk in November was \$4.03 a hundredweight, compared with \$4.02 in October and \$4 in November, 1962.

Production was 8.8 million pounds compared with nine million a year ago and more went into Class 1 (drinking milk), 85.7 per cent, than a year ago when the figure was 83.6 per cent and less into manufacture.

## Miss Michigan, Clown Unit, State Legion Commander Due Here For Yule Event

Miss Michigan, the state Legion commander, television personalities and the Shrine clown troupe will be present at the American Legion's Christmas party for children.

The party, open to every child in the Upper Peninsula who is accompanied by a parent or guardian, will be held next Sunday, from 2 to 5:30 p. m. in the Marquette National Guard Armory.

Jack Dempsey is general chairman of the Marquette Legion's party.

Dempsey said that Miss Michigan, Miss Kathy McLaughlin of Ishpeming will appear under the sponsorship of the Pepsi-Cola Co. of Marquette.

Elected in July.

Also in attendance will be C. Oscar Hammond, Detroit, the Michigan Commander of the American Legion. Hammond was elected commander during the state Legion convention in Entertainer at the party will include Darby O'Six and Wolfgang Sauerbraten from WLUC-TV, a 12-piece orchestra, James Boerner at the electric organ and dancing elves.

Also on hand will be the Ahmed Shrine Temple clown troupe.

Dempsey noted that several service clubs and fraternal organizations have canceled their own club parties and are financially assisting the Legion party.

**50 Volunteers**

"The party couldn't be possible without the help of many businessmen and service clubs in the area," Dempsey said.

Fifty Legionnaires have volunteered to lend a hand with members of other organizations to assist with the party, he said.

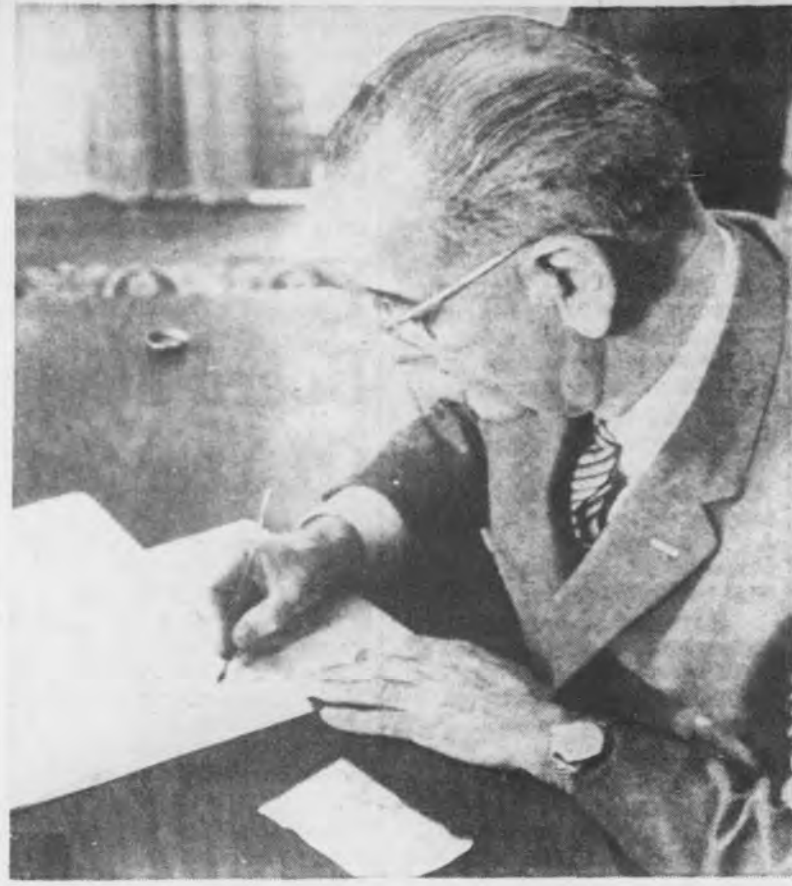

The first Legion children's Christmas party in 1961 was attended by 1,708 children from Marquette. Last year invitations were extended to all children in Marquette County and there was a total attendance of 2,507.

This year children from the entire Upper Peninsula have been invited and the Legion is preparing for 5,000 children.

**To Be Broadcast**

The party will begin with an invocation delivered by the Rev. Vincent Oulette, assistant at St. Peter's Cathedral, and the arrival of Santa Claus by sleigh shortly thereafter.

The party will be carried "live" over WDMJ, The Mining Journal radio station.

President Lyndon B. Johnson is shown signing the federal aid to education bill. — (AP Wirephoto)

## Education Bill Signed By Johnson

WASHINGTON (AP) — President Johnson signed yesterday legislation providing nearly \$1.2 billion in federal aid to higher education over a three-year period and said he was "proud and happy to do so."

He called the legislation the "most significant education bill passed by the Congress in the history of the Republic."

A big delegation from Capitol Hill, educators and government officials watched the signing.

Johnson said this and other legislation in the field of education would mark this Congress as one of the greatest in history in providing the tools to fight illiteracy, poverty and disease.

**'Monument To JFK'**

The late President John F.

a deer which ran out from the south side of the highway, 1.2 miles west of the Lake Superior & Ishpeming Railroad Co. overpass, in Negaunee Township, at 11:50 last night.

The front end of Schroeder's 1960 station wagon was damaged and the car was driven from the scene.

Kennedy sought hard for aid to higher education, Johnson said and called the legislation a monument to him, as well as to all those in Congress who assisted in its passage.

The federal money will be used to help colleges and universities build classrooms, laboratories and libraries.

## Gordon, Ford Optimistic; Praise LBJ

DETROIT (AP)—The heads of Ford Motor Co. and General Motors agreed on at least two things Monday—words of praise for President Johnson and prediction that the auto business will have another good year in 1964.

Henry Ford II, chairman of the board of Ford, and John F. Gordon, president of GM, made their predictions in separate interviews. Ford also announced plans to spend more than \$500 million on plant expansion, with some \$75 million earmarked for Michigan.

**Year-End Assessment**

Ford gave his traditional year-end assessment of business conditions in an interview with 50 newsmen at his company's headquarters. He and Arjay Miller,

## Rules Under City's Snow Ordinance Cited By Chief

Businessmen and residents of the city today were reminded by the police department that the city has a snow ordinance which regulates the dumping of snow on the streets.

Chief of Police George G.

city's public works department crews in their snow plowing operations.

**Prevents Hazards**

Such snow or ice must be piled on the banking immediately in front of and adjacent to the property so owned or occupied, Chief Johnson said, and the ordinance stipulates that in no case shall the snow or ice so placed extend more than two feet, six inches further into the roadway than the existing banking.

**Optimism**

Then he added: "This optimism is based in part on the conviction that the economic policies and philosophy of President Johnson's administration will be conducive to business confidence and expanded economic activity. I am most hopeful also that the Congress will enact a tax cut expeditiously."

Meanwhile, GM's Gordon said in a speech to the Economic Club of Detroit: "In the economic area, the new President has moved forcefully and has lost no time in calling upon the leaders of American business for the 'can do' spirit that keeps the economy strong and growing."

**7.7 Million Sales**

Ford and Gordon agreed that U. S. auto sales, including imports, would hit about 7.7 million this year for a new high mark. The old mark of 7,169,908 was set in 1955.

Johnson said the ordinance has limits and controls on the placing of snow, ice or other materials on the streets of Marquette.

He noted that anyone may remove snow or ice from a driveway 12 feet or less in width on the property and pile it on the street, but only along, parallel with and as a part of the banking of snow formed by the

## Five Ticketed, Ten Cars Damaged In Area Crashes

Five motorists were issued tickets and 10 automobiles were damaged, but no one was injured, in eight area traffic mishaps reported this morning by state police.

Four of the accidents occurred on County Road 553, and three of these were in the same location, officers said. Icy conditions prevailed in that area. Reports on the crashes follow:

1. At 7:40 yesterday morning an automobile being driven north on County Road 553 by Gloria J. Bell, 22, K. I. Sawyer Air Force Base, went out of control on the icy pavement and skidded into a guard rail on the west (left) side of the highway, a mile south of County Road 480, in Sands Township.

The right side of her car, a 1960 convertible, was damaged and a wrecker towed it away.

**Excessive Speed**

State police ticketed Mrs. Bell for driving at an excessive rate of speed for conditions.

2. Another mishap occurred in the same location at 8:55 yesterday morning as Patrick V. O'Laughlin, 25, of 230 E. Ridge St., Marquette, was driving north on Road 553 and lost control of his car, which skidded into the ditch and its front end being damaged.

**Speeding Count**

O'Laughlin also was ticketed by state police for violation of the basic speed law.

3. At 9:40 a. m. a car being driven by Bruce R. Zirkle, 22, Gwinn, skidded out of control in the same location and slammed into the ditch, striking O'Laughlin's vehicle.

The left side of Zirkle's 1955 coach and the front end of O'Laughlin's 1961 coach were damaged in the crashes and wreckers were required in both cases.

**Speed Law Count**

Zirkle also was ticketed by state police for a speed law violation.

4. The fourth mishap on Road 553 occurred at 1:45 yesterday afternoon, a mile north of County Road 480, in Sands Township, as Nancy L. Harrison, 31, Sawyer Base, lost con-

trol of her car as she was driving south.

She told officers a snow plow forced her over to the right shoulder, where the loose snow "pulled" the car over, and it struck a tree.

The right front of her 1961 station wagon was damaged and the vehicle was towed out by a wrecker.

5. At 10:15 yesterday morning a vehicle being driven south on M-95 by Wilho E. Paulson, 30, of 2312 Center St., Marquette, was struck by a car operated by William N. Waine, 67, Box 115, Marquette, who state police said had driven out (east) from County Road 601, in Republic Township, into the Paulson truck.

**Right-Of-Way Violation**

The right side of Paulson's 1958 utility truck and the right front of Waine's 1956 two-door sedan were damaged. State police ticketed Waine for a right-of-way violation.

6. An automobile being driven east on County Road 502 by Jack T. Matchett, 28, U.S. Coast Guard Location, Marquette, struck a car operated by Reino V. Laine, 49, Route 1, Negaunee, at 8:30 last night, .2 of a mile west of County Road 510, in Negaunee Township.

State police said the mishap occurred after Laine had backed out of a driveway onto Road 502 and his car got stuck.

**Speed Law Violation**

The left side of Laine's 1954 coach and the front end of Matchett's 1962 convertible were damaged.

State police issued Matchett a ticket for a speed law violation.

7. At 2:20 yesterday afternoon a car being driven west on Werner St. by Isabelle C. Salo, 43, Ontario St., slid out of control and smashed into a wooden telephone pole, about 200 feet west of Woodruff St., in Marquette Township.

The pole was knocked down and the front end of the Salo car, a 1960 sedan, was damaged. The car was driven from the scene.

8. An automobile being driven east on U.S. 41 by John W. Schroeder, 45, Bay City, struck

## Probation Terms Totaling 11 Years Given To Four Here

Four defendants in criminal cases were released on probation by Judge Bernard H. Davidson of Negaunee in Marquette County Circuit Court yesterday on terms totaling 11 years.

As in all probation cases, the defendants, during the terms of their probation, must (1) not violate any city ordinances or state or federal laws, (2) not leave the state without the permission of the court or the probation officer, and (3) report as often as requested, in writing or in person, to the probation officer.

### Special Conditions

Judge Davidson also ordered special conditions for some of the persons placed on probation. Two were ordered to spend time in the county jail as part of their probation.

Also in circuit court yesterday, Judge Davidson extended the probation period for one year for a person who had violated his probation conditions and ordered another probation

violation to make restitution.

Judge Davidson warned the defendants placed on probation that for failure to comply with the conditions set up in their probation, they will be apprehended and, in all probability, probation will be revoked and they will be sentenced on the original charge.

Released on probation yesterday were:

**Robert Fosmoe, 27,** North Lake Location, Ishpeming, charged with breaking and entering in the nighttime; five years.

**George V. Carlson, 18,** Route 1, Ishpeming, breaking and entering in the nighttime, three years.

**James Kurian, 29,** Route 1, Negaunee, larceny, two years.

**Paul Mendez, 30,** New York City, drawing a check without a bank account, one year.

**Occurred In August**  
Fosmoe and Carlson were arrested by state police and charged with burglaries in

August at the Ishpeming Steel Corp. warehouse, the property of Maurice Warshawski, North Lake, at North Lake Location.

Fosmoe was bound over to circuit court by Marquette Township Justice George J. Fezzy Sept. 9 and Carlson was bound over by Justice Fezzy Sept. 14.

Fosmoe appeared in court with his attorney, E. Nicholas Bridges, Negaunee. He had entered a plea of guilty to the charge Dec. 2 in circuit court.

### Second Court Appearance

"This is your second appearance in circuit court, but your conduct in all other ways indicates that you should be given another chance," Judge Davidson told him.

As special conditions of his probation, Fosmoe was ordered to spend six months in the Marquette County Jail.

In addition, he must make restitution of \$15 to the Ishpeming Steel Corp., and he must not associate with persons under the age of 16 during the period of his probation.

**Carlson, who entered a guilty plea in circuit court Dec. 3, was ordered to be at home from 11 p.m. to 6 a.m. on week nights and from midnight to 6 a.m. on Friday and Saturday nights during the period of his probation.**

Judge Davidson also ordered him to make restitution of \$25 to the Ishpeming Steel Corp.

"In view of your age and previous good record, the court feels you should have a chance to make good," Judge Davidson told Carlson.

**Theft From Lumber Co.**  
Kurian was arrested by state police and charged with a larceny Oct. 20 at the Ahonen Lumber Co. building in Marquette. He was charged with taking 33 sheets of plywood paneling and eight rolls of roofing felt.

He entered a plea of guilty to the larceny charge in circuit court Dec. 2.

Judge Davidson told him: "It appears that your action stemmed from an excessive use of alcohol. However, you do have a job and support your family."

**Mendez Case**  
Mendez was arrested by Marquette police and charged with writing a \$10 check Sept. 30 on the First National Bank and Trust Co. of Marquette without an account at the bank. The check was made payable to the Hotel Northland.

Mendez entered a plea of guilty in circuit court Dec. 3, after consulting with Aaron Lowenstein, Negaunee, who was appointed as his attorney.

Judge Davidson ordered that, as a condition of probation, Mendez spend six months in the county jail.

"However," the judge said, "Provided that you obtain transportation to South Carolina, where you have relatives and where you desire to go, the remainder of the jail sentence will be suspended on the day that your transportation leaves Marquette."

### Probation Extended

Judge Davidson extended probation for one year for Wilfred J. Ayotte, Ishpeming, who was placed on probation for one year in May of 1961 for uttering and publishing a forged check.

Probation Officer Donald R. Smali, Marquette, informed the court that Ayotte absconded from supervision in January of 1962 and was returned to Marquette this November.

Smali requested that Ayotte's probation be extended for a year so that restitution can be completed, in view of the fact

that Ayotte had committed no other offenses.

**Ayotte also was ordered to spend 60 days in the county jail.**

Mrs. Martha Schupp, 24, Trowbridge Park, placed on two years' probation in February for writing a no-account check, was released from probation. She was assessed \$220, the cost to the county for returning her here from Kentucky, and ordered to make restitution of \$15 for the bad check.

For failure to make restitution, she will be held in the county jail for 90 days. Mrs. Schupp appeared in court yesterday with her attorney, E. Nicholas Bridges, Negaunee.

### Charge Dismissed

Also in circuit court yesterday, Prosecuting Attorney Edward A. Quinnell of Marquette entered a petition of nolle prosequi (dismissal) on a felony charge of attempted larceny against Haskel Lyttle, 23, Route 1, Champion.

Quinnell noted that Lyttle was convicted last week in Marquette Municipal Court on a misdemeanor charge of attempted larceny, after a circuit court jury failed to agree in a trial on the felony.

### PLANT HABITATS

Plants of arid regions are grey, thick-leaved or leafless, succulent and often thorny, in contrast to those of humid regions, which have delicate, bright-green abundant foliage, according to the Encyclopaedia Britannica.

Highest temperatures recorded in the United States was 134 degrees, July 10, 1913, at Death Valley, Calif.

## Outstanding Scout Service Record In Peninsula Cited

Boy Scout leaders in the Hiawathaland (Upper Peninsula) Council are writing a "tremendous record of service" to the boys of the region.

So asserted Burton Boyum, Negaunee, council president, following the receipt of reports at the December meeting of the council's operating committee here.

Twenty-eight of the council's officers and committee chairmen were present, coming from 10 of the major areas in the council, reports R. Ralph Smith, Marquette, council Scout executive.

Reports were heard from all standing committees as well as several special planning committee chairmen.

### Ahead Of Last Year

The council chairman of the organization and extension committee, Guy A. Peterson, Marquette, announced that all six administrative districts of the council were ahead of last year's record membership growth and three areas had already exceeded their challenging goals set last January. The remaining three districts are all very near their goals and are expected to "go over the top" in boy member growth, he said.

"This proves that boys still want to be Scouts and that responsible adults are willing to devote time necessary to organize and staff a Cub Pack, Boy Scout Troop, Explorer Post, Sea Scout Ship or Air

Scout Squadron," Peterson stated.

The council's chairman of the advancement committee, Richard Felix, Sault Ste. Marie, announced that the council had reviewed and passed a record 50 new Eagle Scout ranks since Jan. 1, and others are expected before the end of the year.

"We were justly proud of the record twenty-eight, an increase of six, achieved last year, but this year's almost double amount only demonstrates numerically the current enthusiasm of boys and the leadership of our Scoutmasters," Felix said.

### Lapsed Units Down

Dr. Hereford Garland, Houghton, council commissioner, reported that the lapsed or inactive units reported to him by the District Commissioners were at an all time low of four percent and urged the other council groups to match the increased activity and membership with sufficient committeemen and commissioners.

The combined meeting of the camping and activities committee and the health and safety committee made several announcements, including much needed repairs and replacements were made at Camp Red Buck, Scouters Work Day at camp will be held in June and the council's annual Klondike Derby, Saturday, March 7, will be hosted by the Chippewa

District scouters and would probably be held in the Newberry area.

Boyum, reporting for the meeting of the officers and finance committeemen, stated that the treasurer would not be able to accurately predict total receipts until all United Funds and Community Chest of the council had reported, but that from some preliminary contacts most communities have not been able to achieve their goal and further program cuts would need to be studied and made if this proves to be true.

### Next Meet Here

The group was shown a short movie regarding the credit given Scouters and Scouting by Astronaut Gordon Cooper at the National Council meeting in New York, heard a recorded message from National President Ellsworth Augustus of Cleveland about the national "Program of Emphasis."

The next meeting of the council's committees will be in Marquette, Thursday, Feb. 20.

## Senate Puts Okay On 27 House Bills

LANSING (AP) — Sidestepping even the mildest arguments, the Senate late Monday night whipped through House-approved legislation, passing bills at the rate of one every three minutes.

As the senate adjourned at 9:30, President Pro Tem John Smeekens, R - Coldwater, announced "in the past 81 min-

utes, you have passed 27 bills, given them immediate effect, and done this without one single dissenting vote."

Sen. William Ford, D - Taylor, answered with a facetious motion that to preserve party harmony the senate adjourn for good "before we get into a dog-fight."

### Left For Action

He referred to several items, mostly dealing with the court system, which were skipped over at the sign of a floor fight.

Left for possible action today were bills to allow appointed judges to run as "incumbents" for election to their posts, and to keep nine appointed circuit judges in office until 1966.

Ford, speaking for many senate Democrats, has argued vigorously against both bills, and party-line votes are expected.

Legislation passed includes measures standardizing the governing bodies of state colleges and universities and requiring audit reports from them, and a host of election and judicial matters, mostly bringing statutory language into conformity with the new constitution.

### Civil Rights Bill

A Civil Rights Commission bill with five amendments was reported out by the House State Affairs Committee and referred to ways and means, where it is expected to stay only briefly.

Among amendments was one specifying that persons found guilty of discrimination by the commission would have the right of trial "de novo," or a complete hearing, on appeal to court.

## Respiratory Diseases:

# Chronic Cough May Prove Symptom Of Serious Illness

(There is the third in a series of articles of respiratory diseases. The series is sponsored by the Marquette County Tuberculosis Association.)

How many bottles of cough medicine did you buy last winter? Do you usually have a package of cough drops with you?

A cough may seem like such a common thing—you just dose it and ignore it. Don't do that. Your cough, if it is a chronic one, may be serious.

### It all depends on the facts. When Cough Is Chronic

Has your cough been hanging around for a month or more? Then you have a chronic cough. It doesn't matter that you cough only in the morning when you get up, or only at night when you lie down. If you've been coughing for more than a month, your cough is chronic.

Maybe you cough only during the winter and you feel fine the rest of the year. That winter cough is a chronic cough.

### Short-Term Coughs

Just about everybody coughs from time to time. The common cold, for instance, is often followed by a cough that can last as long as two or three weeks. But if your cough following a cold hangs on longer than usual, it may be developing into a chronic cough.

If there is shortness of breath with a cough, or any pain, or blood in the stuff you cough up, you should see your doctor immediately, even though your cough may not have lasted more than a few days.

### What About Smoking?

Do you smoke more than a pack of cigarettes a day? If you do, you're considered a heavy smoker. Heavy cigarette smoking can cause a chronic cough.

But don't dismiss a cough

that hangs on as "just a cigarette cough." That cigarette cough of yours is serious in itself. It means that your excessive smoking has already damaged your breathing passages.

You may be so used to your cigarette cough that you can't tell when something new has been added. Are you coughing more than you used to? For longer at a time? Or has your cough changed in character? Maybe you're coughing up more phlegm (mucus) or streaks of blood. Any of these happenings may be a sign that something is wrong in addition to your cigarette cough.

### Chronic Cough Is Symptom

A chronic cough is not a disease in itself. It is a sign of something wrong with the breathing system. That's why it isn't smart to take cough medicine for more than a week or two unless your doctor tells you to. Medicine may help with the cough, but meanwhile the underlying illness can be getting steadily worse.

The most likely causes of chronic cough are: (1) tuberculosis; (2) lung cancer; (3) bronchitis (inflammation in the lung tubes); (4) bronchiectasis (in which pus pockets form along the tubes) and (5) other respiratory diseases.

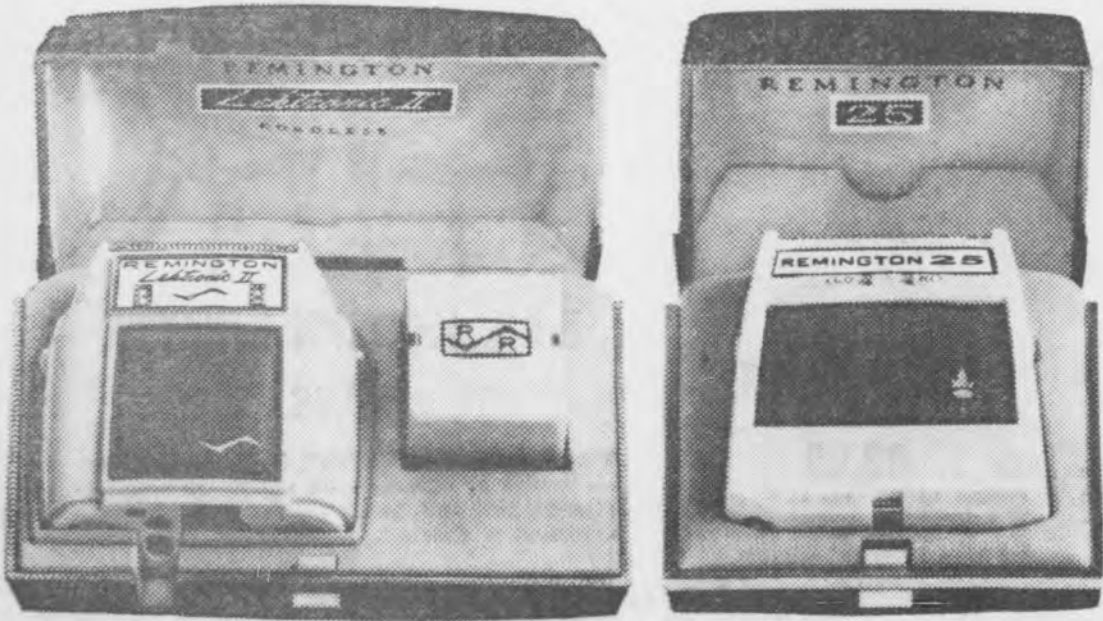

### Why Go To Doctor

The instant you realize you have a chronic cough, go to your doctor. The doctor can make a number of tests to find out if a respiratory disease is causing your cough. Then he can start treatment early in the game, which is when most respiratory diseases can be successfully dealt with.

If you're coughing too much, find out why. It may be something minor or it may be serious. Until you know for sure, it's nothing to fool around with or neglect.

Be sure — or you may be sorry.

Lots of electric shavers cost less than a REMINGTON,

so why give him a REMINGTON for Christmas?

**HERE'S WHY:** Every REMINGTON® Shaver has 348 whisker cutting edges. Made of surgical high-carbon steel, they're sharper, longer lasting than stainless steel.

- Big shaving head eats whiskers up faster
- Exclusive adjustable Roller Combs

- The LECTRONIC II is cordless. Works on rechargeable energy cells. If you forget to charge, plug in cord and shave on the spot.
- Extra touch: Each shaver comes beautifully gift-wrapped for the easiest giving ever. Very festive. Very convenient.

## Balsam Fir, Scotch Pine Trees Preferred Here For Holiday Period, Skog Says

This is Christmas tree selection time again, and many homeowners aren't sure what type of a tree they want.

Although many residents know exactly what they'd like, for others it's an annual decision that is complicated by the fact that there is such a large selection of quality trees in this area.

So notes Roy E. Skog, Marquette, Upper Peninsula forester with the Michigan State University Extension Center, who offered some pointers today that may help in the selection of trees.

### Native Trees Listed

Most trees sold locally are native white spruce, black spruce or balsam fir cut by producers from wild land area, Skog says. Very few, if any, of these trees have had cultural care.

Quality varies considerably depending upon the care the producer has taken in selecting trees, he added.

The most abundant and popular plantation tree will be the Scotch pine, a European tree, commonly planted for Christmas trees. This tree, like all pines and firs, holds its needles well indoors.

Trees that have been properly sheared usually have dense foliage and a good conical shape.

There may also be some plantation spruce on the market, although these have not been planted locally for Christmas trees to any large extent.

Of the wild trees, balsam fir (commonly called just balsam) is the preferred tree and the one found in most homes. It has many good Christmas tree characteristics including good needle retention, and a pleasant fragrance, Skog said.

Wild balsam trees that have grown in full sunlight usually develop quite dense foliage and a good conical shape, Skog said.

Wild balsam that have been thinned, sheared and given other cultural care, usually are very high quality trees, but not many are produced and sold locally.

Wild spruce is also marketed to a considerable extent locally. Although spruce has rather poor needle retention a freshly cut tree will hold its needles fairly well for about a week indoors.

There are two kinds of native spruce. One is white spruce which generally grows on the better moist upland soils, and the other is black spruce, typically found in poorly drained muck swamps. Black spruce often develops a very dense and nearly perfect conical shape.

### How To Avoid Hazards

These are some things that can be done to help prevent a tree from drying out and creating a serious fire hazard.

First, Skog says, obtain a tree that has been freshly cut. Keep it in a cool place and do not take it indoors until a few days before Christmas.

When it is taken indoors, he said, cut off some of the stem at the base on the slant to expose fresh wood.

Indoors keep the tree standing in a container of water, he said. It will take up considerable water and remain less combustible.

Also, he added, check all electrical wiring used to light the tree, and keep the area around the tree free from wrapping paper and other highly combustible materials.

## Ford Plans To Expand Facilities

DETROIT (AP) — Ford Motor Co. is going to shell out more than half a billion dollars on expanding its facilities next year, Henry Ford II told a news conference Monday.

He said upwards of \$75 million had been allocated to Michigan projects.

### Some of these included:

1 — A basic oxygen steel-making facility scheduled for completion early in 1964. It will be adjacent to, and will replace, Ford's present open hearth facilities in the Rouge area. It will be equipped with one of the largest dust collectors ever built to clean air escaping from the stacks.

Arjay Miller, Ford president, said the new plant will have a capacity of two million tons a year. He said workers now at the Ford Rouge hearth plant will be transferred to the new plant.

2 — Also underway and scheduled for completion in January

is a new Michigan truck plant. Builders are adding 125,000 square feet to the former Wayne Station Wagon Plant, unused for production work since 1959, and converting the facility for the production of trucks. The new plant will employ approximately 750 people.

3 — A new automotive performance and reliability testing laboratory at the Dearborn Engineering Center will be completed in May. The 104,000 square foot laboratory will be used for testing the 15,000 parts that make up an automobile.

4 — A 39,700 square foot addition to Ford's automotive assembly division office building

will be completed in April and this month a 44,000 square foot addition to the Dearborn assembly plant will be finished.

5 — Additions of 54,000 square feet to Ford's Rawsonville, Mich. plant and 77,000 square feet to its Ypsilanti plant will be completed in January. In both manufacturing plants the areas will be used for warehousing and increased manufacturing space.

6 — A 91,800 square foot addition to the Monroe plant will be completed this month and will be used for warehousing. A new major press line was installed at the Monroe plant this year and another will be added in 1964.

## State Audit Charges

The state auditor general, Billie Farnum, has made his annual contribution to honesty and distrust in government in the course of his duties. He has suggested that Michigan Tech should mend its bookkeeping and that several Mackinac Island State Park Commission members owe money to the state.

The reaction to the auditor's charges, we fear, will in many persons be a response of "Didn't I tell you? Politics are crooked as a snake."

This isn't true. Government is at least as honest as business and probably more so, as it operates in a pitiless light of public examination. This is proper, of course, because there are the inevitable defaults and they should be minimized, but there is being created a difficulty of informing the public of the devotion of its auditors without creating the impression that without them the office holders would run away with the state.

The auditors on the average are no more honest than the persons they hold up to public criticism and they should devise some means of being effective without being abusive.

It is not being suggested here that the auditors soft pedal their reports on defaults in public accounting, but accounting is a system of practices subject to enormous debate. This is why we have tax law courts. And when the fiscal balance is struck in government accounting it may neglect services in kind and other things so that the financial picture of the relationship is distorted.

Government, of course, operates by rules. It must to avoid chaos. And its employees and persons dealing with it should obey those rules. They ignore or circumvent them at their peril. But practically this goes on all the time because rules tend to be inflexible and progress rides with the ability to cope with day-to-day situations.

Michigan Tech violated the rules by diverting money to provide a home for President Van Pelt. The home, of course, serves many college purposes as well as that of sheltering the president and his family. The action of the Tech Board of Control is legally indefensible, but anyone who has faced the frustrations of government red tape will be sympathetic. The money wasn't lost, strayed or stolen. It was used

to rehabilitate a house without the approval of the State Administrative Board.

Auditor General Farnum said that Wilford Doyle of the Mackinac Island State Park Commission charged \$229 against the state for utility service to his Mackinac Island home. Mr. Farnum also said Mr. Doyle had had rough laundry done for him "a couple times" at the state-owned facilities at Fort Mackinac.

The audit alone doesn't tell what happened. In 1954, the park commission agreed to forego commissioners' right to travel and other expense and to pay private utility bills at the commissioners' private residences on the island.

"I accepted utility costs for 1954 and '55," said Mr. Doyle, "and was off the commission the next five years and never reinstated the services when I returned. Incidentally, the auditor general's figure is wrong. These utility bills for me totaled \$153.15, not \$229.65."

Mr. Farnum acknowledged that records available to him indicated the commissioners had chosen to have the state pay for certain private services and in return did not submit expense accounts, but he said, "the commissioners are without (legal) power to do this."

One of the commissioners said that Mr. Farnum himself had used one of the state-owned cottages at Fort Mackinac about which he said an attorney general's opinion should be sought to determine the legality of free use by state officials.

The you-did-you-didn't character of these exchanges can only leave the public with a muddled reaction of charge and counter-charge and probably finally a recollection that there was some fiscal shenanigans at the park or Tech. The temptations to use such audits for political purposes of discredit are obvious and have been employed in the past. Our thesis is that the truth tends not to emerge and triumph but that a suspicion is created which endures and flourishes and discredits the integrity of democratic government, which is devoted and efficient far beyond its reputation.

## Editor's Mail

(Contributions are invited. Letters should be limited to less than 300 words. Only signed letters will be considered for publication. Personal attacks on individuals will be eliminated.)

### Quotations

Sir: "The wisdom of the wise and the experience of the ages may be preserved by quotation." —Disraeli.

"What I am concerned about in this fast-moving world in a time of crises, both in foreign and domestic affairs, is not so much a program as a spirit of approach, not so much a mind as a heart. A program lives today and dies tomorrow. A mind, if it be open, may change with each new day, but the spirit and the heart are as unchanging as the tides." —Owen D. Young.

"We settle things on a majority vote, and the psychological effect of doing that is to create the impression that the majority is right. Of course, on any fine issue the majority is sure to be wrong. Think of taking a majority vote on the best music. Jazz would win over Chopin. Or on the best novel. Many cheap scribbles would win over Tolstoy. And any day a prize fight will get a bigger crowd, larger gate receipts and wider newspaper publicity than any new revelation of goodness, truth or beauty could hope to achieve in a century." —Rev. Dr. Harry Emerson Fosdick.

"A government for the people must depend for its success on the intelligence, the morality, the justice and the interest of the people themselves." —Grover Cleveland.

## From The Journal Files

### 60 Years Ago

—Marquette—  
Yesterday marked the opening of the commercial fishing season in Michigan waters, and at many ports it was the occasion of a general resumption of fishing operations. The state law now forbids any commercial fishing between Oct. 30 and Dec. 15, the season when the fish are spawning, the design being to further the natural propagation of the food species by preventing them from being caught while they are reproducing themselves. Now, however, the spawning season is supposed to be over, and it is judged wise to throw open the Michigan water for those of the fishermen who are hardly enough to brave the winter storms.

—Ishpeming—  
In the presence of one of the most brilliant audiences that has ever assembled in the county, comprising several hundred leading Ishpeming residents and representative people from the other cities and towns, the new Ishpeming Theater last evening was dedicated

to the muse of dramatic art by a charming presentation of Walker Whiteside's newest success, "We Are King." It was a happy and felicitous occasion, without a single blot to mar its success or pleasure. The house, to which all but a few people in the audience had access for the first time, was a blaze of light, rich color and attractive furnishings. It transcended the expectations of most of the first nighters.

—Negaunee—  
At a special meeting Monday night, the council turned down a proposition by the Ishpeming and Negaunee Electric Co. to do the street lighting and provided for obtaining funds with which to make proposed improvements at the city plant. There was practical unanimity on these points, but when the question of the proper time to start the work was broached there was some difference of opinion. Those in favor of starting at once won out in the vote.

Otto Korhanen has taken a position as assistant pharmacist at Perkins'.

### 30 Years Ago

—Marquette—  
Good news for the thirsty fold of Marquette comes from Lansing with the announcement yesterday that the new State Liquor Control Commission has authorized the sale of high alcoholic content beer at 6 p.m. today.

The office force of the solicitor for the United States Department of Agriculture in the Marquette post office building has been increased from one to eight persons within the last few months as the result of special appropriations of the government to buy more land to add to its system of national forests.

—Ishpeming—  
The City of Ishpeming Saturday will begin meeting all obligations it has incurred since last March as the result of efforts by C. H. Moss, conservator, and other officials of the Miners' National Bank in obtaining the release of \$65,000 of \$103.00 city funds impounded in the closed bank.

Over 1,000 Ishpeming residents will witness

the presentation of a cantata, "The Coming of the King," and a Biblical drama, "On the Road to Bethlehem," in the Ishpeming High School Auditorium at 8:15 Sunday night. The program is sponsored by Korayb Temple, DIKK, for the benefit of charity.

—Negaunee—  
Asserting that students were not entirely to blame and that action by school authorities might have averted the walkout last Monday, climaxing the dismissal of a teacher from the high school faculty, John J. Hauserman, one of three men chosen by the "striker" to represent them at the forthcoming hearing, spoke during the 1:15 assembly period in the high school this afternoon.

Over 100 telegrams and numerous letters and gifts of congratulation from all parts of the country came pouring into Negaunee today as Christine Lodge No. 1, Danish Sisterhood of America, observed the semi-centennial of the order's founding Dec. 15, 1883.

## Holiday Roulette

## The National Whirligig News Behind The News

By ANDREW TULLY  
WASHINGTON — Over the phone, the Democratic congressman's voice was larded with cheap concern. "You don't want us to hurt that old man's feelings, do you?" he asked. "We'll get to the civil rights bill in January — that's only a couple of weeks away." This guy was totally unaware of the audacity of his remark. And yet what he was saying, in effect, was that the U. S. House of Representatives was running the country not

for the benefit of its some 190 million constituents but to protect the vanity of Rep. Howard Smith. This 60-year-old Virginian singlehandedly has forced Americans to wait for House action on civil rights until next year, but the House continues to fret about hurting his feelings.

Strange Hold  
Smith is chairman of the House Rules Committee, which was created as a traffic cop for House legislation. Its only

legal function is to schedule for floor action bills already approved by other committees. In doing so, it sets the length of House debate and decides to what extent a bill should be open to amendment. It was intended as a tool of the leadership, to speed up action on legislation sponsored by the party in power.

But under Smith, the rules committee has become a road block to hold up any legislation Smith doesn't like. If he doesn't like a bill, Smith merely refuses to call a meeting of the committee or holds long tedious hearings on the merits of the legislation, although his committee is supposed to be concerned only with procedure. Smith is boss of the House, not Speaker McCormack.

House Called Cowardly  
The question is not whether a bill should be passed by the House; certainly the civil rights bill as it stands needs some rewriting, at least in its public accommodations section. But any bill sponsored by the leadership should be considered by the whole House with as little delay as possible. That is what the House membership is for; it commits a cowardly crime against the country by abdicating this right to Howard Smith.

Despite the catchpenny solicitude for Smith's ego, there is only one proper stand in the future for members of the House. That is the stand taken by the rules committee's newest member, Rep. John Young (D., Tex.), who only recently took office. Young says he will vote to send to the floor all bills requested by the leadership whether he favors them or not. Meanwhile, he signed the discharge petition to wrest the civil rights bill from Smith's grasp.

To Quote The Poet  
Smith likes to talk about "the rules of orderly procedure." But there are rules and rules, and one of them provides for taking a bill away from a committee which is obstructing its orderly procedure to the floor.

In the days to come, House members should discard their phony preoccupation with noblesse oblige and call Howard Smith to order. Age may not have withered this legislative tyrant, but custom sure as hell has staled the infinite variety of his obstructionism. (Bell-McClure Syndicate)

## Side Glances

"Well, I won't bore you with any more snapshots, but I do want to show you my X-rays."

## How Johnson Voted

By PETER EDSON

WASHINGTON — (NEA) — President Lyndon Baines Johnson has a 23-year voting record in Congress which gives the best insight on his ideas, particularly on domestic policies.

This is the real background against which his statements as President should be measured. Comparison will show how liberal he has been or, if his ideas have changed, just how conservative he has become.

His own appraisal is that he is neither liberal nor conservative, but votes on the merits of issues.

In his early years in Congress, when he was a protégé of the late President Franklin D. Roosevelt, Rep. Johnson piled up a formidable record in favor of New Deal farm policies.

He voted for the original Agricultural Adjustment Act. He voted for increased Commodity Credit Corp. borrowing authority and increased parity payments to farmers. He opposed all the Benson programs during the Eisenhower administration.

Backer Of TVA Expansion  
Johnson's voting record shows consistent, affirmative support for flood control, reclamation projects, prevention of water pollution, desalination experiments to increase fresh water supplies and public power development. He has been a backer of Tennessee Valley Authority and its expansion.

In the 1960 Democratic convention, organized labor leaders were cold on Johnson all the way. They charged that he had used his position as Senate majority leader to slow down liberal legislation that labor wanted most.

He had voted for the Taft-Hartley act in 1947 and the labor-management reporting acts of 1958 and 1959. But he did vote for minimum wage increases.

After becoming Vice President, Johnson tried to improve his relations with labor. He gained union backing for his equal employment opportunity and apprenticeship training programs.

Last year, the AFL-CIO invited him to address their legislative conference in Washington. He gave them a fight talk on the Kennedy programs and they liked it.

Advocate Of Civil Rights  
As an advocate of civil rights, Johnson bases his claim on two principal activities. He put through the 1957 and 1960 civil rights acts. These measures were compromises and did not go as far as the Negro leaders wanted. Also, they have not been too effective or enforceable.

But Lyndon Johnson ran for the vice presidency on the 1960 Democratic platform which advocated more far-reaching reforms than are proposed in the bill now before the House Rules Committee. And as Vice President, Johnson has served effectively as chairman of the President's Committee on Equal Employment Opportunity.

All On The Side Of Liberals  
In the health, education and welfare fields, the new President's congressional voting record is all on the side of the liberals. He has been for the national defense education act all along and has supported federal funds for both public school construction and teachers' salaries.

He has voted for big health research and public health appropriations, social security and welfare payment expansion. He has voted for slum clearance and public housing. He was for an anti-recession bill in 1959 and backed redevelopment aid for depressed areas before the Kennedy administration.

In 1960, he was for the Kennedy-Anderson bill to put medical care under social security, but when this was defeated in the House, Johnson voted for the substitute Kerr-Mills bill.

His position on tax legislation needed the partial clarification President Johnson has now given it by announcing he will support the Kennedy tax cut proposal. He made no mention of tax reform.

He has been consistently against reduction of oil depletion allowances.

As chairman of the Space Council, Johnson has given full support to this multibillion dollar program.

He was chairman of the Senate Preparedness Committee after World War II, but his efforts were directed at reducing waste, not cutting defenses.

## Alliance For Progress

By JAMES MARLOW

Associated Press News Analyst  
WASHINGTON (AP) — President Kennedy's Alliance for Progress sounded glamorous when he announced it. But it had trouble getting off the ground, grew increasingly rocky.

Now, after two years, President Johnson, as one of the first important acts of his administration, is trying to put new life into it.

Point Program  
Kennedy proposed the alliance, to help the social and economic development of Latin America, in his State of the Union message to Congress in January 1961. He outlined a 10-point program for it March 13 of that year.

He even liked the sound of the program and repeated it in Spanish many times: "La Alianza para el Progreso." He described it as "Progress, yes! Tyranny, no!"

Better Life For Masses  
It was to be a \$20 billion program, with the major share coming from the United States. So far the United States has committed loans and grants totaling \$2.3 billion.

The Latin American governments for their part were to put in reforms to give the masses of their people a better life and more of a share in it: Tax reforms, land reforms, education, industrialization.

Reform Or Perish  
Kennedy pointed out conditions in Latin America: Life expectancy, 46 years, compared with 70 in this country; almost half of all Latin American adults can't read; about 50 percent of the children have no schools to attend.

Latin America is a land where the rich stay rich and the poor are helpless. In effect, Kennedy said: Reform or perish.

Delays Encountered  
On Aug. 16, 1961 the United States and 19 other American countries signed an alliance charter. They pledged themselves to "end those conditions which benefit the few at the expense of the many."

But just three months later, The Associated Press was reporting from Central America—despite all the fanfare—that the alliance had no clear image there and its future was uncertain.

By the end of 1962, The Associated Press was reporting from Latin America that there was too much restlessness and resentment there to make Uncle Sam a permanently popular neighbor, and years of strife

lay ahead.

Mistakes On All Sides  
And Nov. 15, 1963 W. Averell Harriman, undersecretary of state, went to Brazil where the American republics put the alliance under examination. He admitted there had been mistakes on all sides.

Officials in Washington and Latin America were quick to agree the alliance had not accomplished in its two years all it should have. Among the factors causing delay: Political instability in some countries, some irresponsible if not corrupt governments, economic troubles in most of them, plus opposition to reform by the rich.

And Dec. 1, 1963, an Associated Press reporter wrote after a tour of Latin America: "Latin American Criticisms  
"So far the alliance has meant little to the people of South America." One high official said it had failed to capture the imagination of the people. Another said it was bogged down in red tape.

Among the criticisms of Latin American leaders:  
The United States is more concerned with building immediate defenses against communism than with eradicating the basic conditions of misery and want that encourage communism.

Another was that this country is using the alliance as a means of enforcing a kind of colonialism in protecting U.S. business interests. And there were complaints this country lays down too many conditions for the aid it gives.

Johnson Makes Appointment  
With all this piling up, Johnson decided to act. Saturday he picked Thomas C. Mann, ambassador to Mexico and a personal friend from Texas, as assistant secretary of state for inter-American affairs.

Mann replaced Edwin M. Martin, who is to be given an ambassadorship. Under Kennedy, Martin and Moscoso were equals in handling Latin American policy. It is believed Mann will be the boss of the works, over Moscoso.

Prisoner Walks Out Wearing Pajama Top  
NEW YORK (AP) — Ronald Fornera disappeared from Manhattan Criminal Court where the 22-year-old prisoner had been taken to appear as a witness in a burglary case.

Police said no one thought to question Fornera when he walked from the courtroom because he had stood in the plaintiff's section.

Thus, there was nothing to arouse anyone's suspicion—except maybe that Fornera was wearing a pajama top over blue pants.

The phraseology of the Koras may not be altered and translations are never use in mosques.

## Prison Terms Given Three In Circuit Court Here

Three men were sentenced to terms in the Marquette State Prison by Judge Bernard H. Davidson in Marquette County Circuit Court yesterday.

Ordered to spend terms in the state prison were: **James W. Davidson**, 49, an inmate at the Marquette State Prison, two to four years to be served concurrently with his present sentence, for felonious assault.

**William H. Beatty**, 54, Route 1, Champion, two to four years, with the recommendation that the term not exceed two years, for larceny.

**Michael A. Guidebeck**, 146 Fisher St., Marquette, one and a half to two years, with the recommendation that he be sent to the Michigan Training Unit at Ionia State Prison, for probation violation.

**Used Hammer In Assault** Davidson pleaded guilty Dec. 3 to a charge of assaulting another prisoner with a hammer in the prison yard during a recreation period Nov. 7.

His sentence is to be served concurrently with the term he is now serving for attempted prison escape at Jackson State Prison in September 1957, where he was serving a 15 to 30 year term for armed robbery in Grand Rapids.

Beatty was arrested by state police Nov. 8 and bound over to circuit court by Marquette Municipal Judge Edward H. Dem-

owski. He pleaded guilty Dec. 2 to a charge of taking \$87 belonging to Mrs. Priscilla Matthews of Marquette at the Club 41 on U. S. 41 west of Ishpeming.

Beatty asked to be placed on probation, but noting that he had served four previous prison sentences, Judge Davidson said: "Your record does not indicate that you are good probation material."

**On Probation In May** Guidebeck was placed on probation during the May term of circuit court for writing a check with insufficient funds in the bank. Probation Officer Donald Small of Marquette informed the court that Guidebeck had written two no-account checks since then and had left Michigan, Wisconsin and the United States without permission.

"I'm sorry to see that you have broken faith with the court," Judge Davidson said. "The court has no alternative but to revoke your probation and impose sentence."

Judge Davidson recommended that he be allowed to serve the minimum sentence of one and a half years and that he be sent to the Michigan Training Unit.

"The court recommends that you learn a trade which will enable you to make a living. You're an intelligent man with a good personality and you've just been going in the wrong direction," Judge Davidson said.

## Studebaker's Change To Canada Stirs Memories

By JEAN WORTH

**Journal Special Correspondence** ESCANABA — American businessmen will regret the closing of Studebaker Corp.'s automaking operation at South Bend, Ind., and auto buffs will mourn.

Studebaker has been making wheeled vehicles in America for more than a century. Now its dealers in the Upper Peninsula are wondering just what the exact arrangement will be between them and the corporation for Studebaker cars assembled in the company's Canadian plant at Hamilton, Ontario.

**Canadian Business Up** U.P. dealers say they'll be selling Studebakers made in Canada, but that the fine print on sales policy hasn't been written yet because import duties will be dependent upon tariff determinations that will be affected by the proportion of the cars still to be made at South Bend.

While Studebaker's car business in the United States has been dwindling, its Canadian branch business has been increasing. The modern Hamilton works were a general export point for Studebaker cars as well as a supply source for the Canadian market.

Auto making was 73 per cent of Studebaker's business when Sherwood H. Egbert became company president in 1961, but he diversified and auto making became only half of the firm's business. It lost \$9.3 million in the first nine months of this year.

**Founded By Blacksmiths** With the introduction of its Lark, Studebaker regained sales in 1959, but when the Big 3 went into compacts it trended down again.

Two blacksmith brothers, Henry and Clem Studebaker, founded the Studebaker wagon works in 1852 in South Bend, and the firm is the only one in the automobile business that predates the advent of the auto. The Studebakers made only three wagons in their first year of business, but three other brothers, John, Peter and Jacob, joined the firm, and it grew steadily, and Studebaker wagons became standard for farm, livery and private use. The Studebakers turned out a lot of prairie schooners to help win the West.

**First Auto In U.P.** Their wagon works became one of the biggest in the country, and from 1902 they were also making the new fangled vehicles called automobiles.

The first recorded automobile to visit the Upper Peninsula was a Winton motor carriage which took two weeks to run from Cleveland to Marquette in August of 1899.

It used "common stove gasoline" for fuel, could attain speeds up to 15 miles an hour and carry enough fuel for a day's run of "over 75 miles over ordinarily fair roads. The car can be run forward or backward."

**First Car Dealer** Douff F. Poyer of Menominee was the Upper Peninsula's first automobile dealer. Earlier he had been an employment agent and a dealer in bicycles, and he kept up the bike business in the early auto period in fear it was a fad. He advertised in 1904 that he would handle "the best line of automobiles and touring cars in the Upper Peninsula: Packard, Winton, Locomobile, Cadillac, Rambler, Knox and Oldsmobile. In con-

nection with the repository, Mr. Poyer will conduct an automobile livery."

In 1910, Poyer had his most successful year up to that time and sold 44 automobiles. In 1911 was advertised in the U.P. "the first family tourist car in motor car manufacturing history offered for less than \$1,000." It was the Maxwell Maschotte for \$980.

**Manufactured In U.P.** In 1913, the Dudley Bug, only automobile made in the Upper Peninsula (it was a cycle car), was offered for sale. It was made by the Dudley Tool Co. in Menominee.

The first Studebaker car listed in the Roll Call of Horseless Carriages of the Automobile Club of Michigan was the Studebaker Electric in 1902. The Studebaker was offered in 1904, The Studebaker-E.M.F. in 1909 and the Studebaker-Garford in a period not reported.

**'Every Morning Fix'** The E.M.F. will be remembered by older broken-arm crankers as the Everett-Mitchell-Flanders or, more commonly — "Every Morning Fix."

To indicate the great numbers — hundreds and hundreds — of makes of American automobiles which have emerged and died, here's part of the "S" listing from the roll call:

Saginaw, Salisbury Motorcycle, Salter, Salvador, Sampson, Sandlow, Sanford, Sandusky, Santos Dumont, Savage, Sawyer, Saxon, Sayer, Savers, Scoville, Schacht, Schaum, Schleicher, Schlosser, Schoening, Schrader, Schwartz, Scott-Newcomb, Steam, Scripps, Scripps-Booth, Seabrook, Seagrave, Searchmont, Sears Motor Buggy.

Sebring, Sekine, Selden, Sellers, Senator, Seneca, Serpentina, Serrifile, Seven Little Buffaloes, Severin, S.G. Gay, S.G.V., Sha, Shad-Wick, Shain, Sharon, Sharp-Arrow Shelby, Sheridan, hoemaker, Sibley, Sibley-Cur-hoemaker, Sibley, Sibley-Curlent, Silent Knight, Silver Knight.

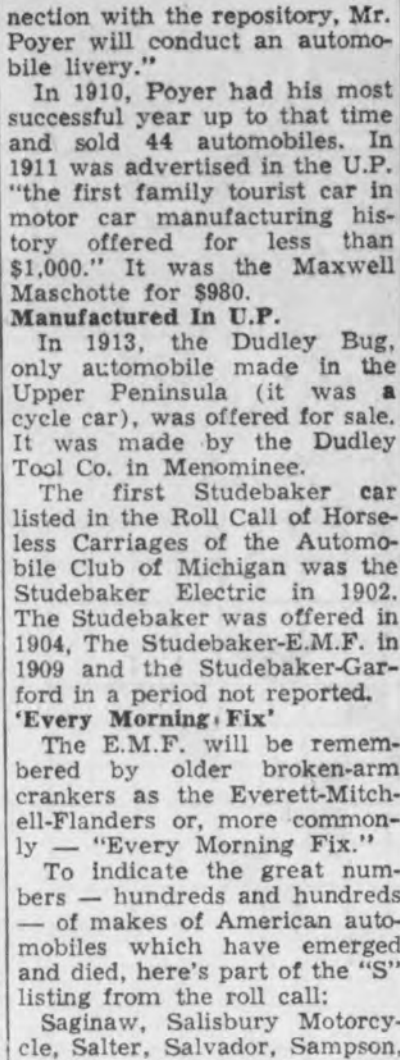

**Radically Re-Styled** Menzajipe Perron, who had made a tidy fortune in the sawmill business and given his name to the community of Perronville in Menominee County, built a handsome garage building to house the Studebaker agency in Escanaba. The building now houses the Upper Peninsula office and warehouse of the Michigan Liquor Commission.

The Studebaker came back into civilian production after world War II with a radically restyled car. It was the first of the "Which is the front?" cars, and some of the unkind drivers who had been calling Ford's "Tin Lizzies" said that Studebaker should have stuck to making wagons. But the styling became popular and is a continuing influence in auto design today.

Car buffs hope that, as with Britain, "there'll always be a Studebaker" but it will come from Canada with the change, although substantially made in the United States. If there hadn't been a change of government in Canada, the wags would be calling them not Studebakers but "Diefenbakers," but political change has spared them that fate.

In South Bend there's been disappointment, of course, but no economic panic. Studebaker was once South Bend's chief economic unit, but even with 7,000 jobs it's now only providing three per cent of the city's payroll.

The tuna is one of the very few fish that maintain a body temperature somewhat higher than that of the surrounding water.

Almost all the 9,300 ties purchased for the repair of the recreational railroad line to Big Bay were laid this fall. Foreman Lloyd Johnson (above, left) and J. H. Kline, vice president of the Marquette & Huron Mountain Railroad Co., both of Marquette, watch Waino Binala, Ishpeming, remove an old tie. At right is view of some of the rehabilitation work being done for steam operation on the railroad line to Big Bay, which hadn't been used since 1957. Construction work is being done on the Yellow Dog River bridge. — (Jim Gooch photos.)

## Scenic Railroad In Area Set To Begin Operations June 15

Target date for Thunder Bay Recreations, Inc., to begin operations is June 15.

"We're going to try very hard to start handling passengers on the railroad to Big Bay by the middle of June," J. H. Kline, Marquette, vice president, said.

The 23.74-mile railroad line from Marquette to Big Bay has been purchased from the Lake Superior and Ishpeming Railroad Co. by the Marquette and Huron Mountain Railroad Co. and will be leased to the Thunder Bay company for operational use of the recreational railroad.

**Up To 500 Daily** Kline said he expects the recreational railroad to handle several hundred passengers per day and "won't be surprised" if it carries up to 500 people per day.

He pointed out that the steam railroad will bring a great number of people who will require meals and overnight lodging to the Marquette area. "I definitely feel that the railroad will make a big difference in the demand for overnight accommodations in the Marquette area," he said.

Rehabilitation work on the line to Big Bay has been halted for the winter, with more

work completed this summer and fall than had been expected, he said.

**Decorative Trains** Kline said that the recreational railroad officials are now in the process of acquiring passenger cars to be hauled by the two steam locomotives, which will be in operation next summer.

"We're not going to have just another train," Kline said. Riding the decorative train to Big Bay and back will be four conductors, who will point out interesting sights and tell passengers the story of steam railroading and the history of the area.

The passenger cars will even have "news butchers" walking up and down the aisles selling candy, soft drinks and balloons.

**Trains will load in Marquette at the L&S&I dock office, which has been purchased and will be moved a short distance, nearer to Island Beach Rd. The ticket office area is now being cleared for ample parking space and station grounds,** Kline said.

Up to 30 men, with 25 employed steadily this fall, were employed this summer on rehabilitation work on the line to Big Bay.

**Most Work Finished** Nels Nelson, Ishpeming, a retired L&S&I roadmaster, is di-

## Financial Scene: Construction Boom Seen Continuing

By SAM DAWSON

**NEW YORK (AP)** — Demands of a growing population and a prospering economy are counted upon to keep the seemingly endless construction boom going strong in 1964.

An increasing number of doubters have been wondering out loud lately if a housing and office surplus wasn't in the making. Vacancies in new apartment and office buildings have been increasing in several cities as available floor space

**Confusion Prevails** But those in the construction business are confident the nation's needs as a whole are still not met in these, and especially in some other, lines. And the Commerce Depart-

ment also forecasts that the industry will have a banner year in 1964, helped along by a big gain in public projects.

**Backlog Of Demand** Contractors insist that a growing population and the spread from cities to suburbs have built up a backlog of demand in many areas for houses, streets, schools, hospitals, churches, water and sewer systems, and shopping centers. Some of this will be satisfied by private investment, much of it by spending of local, state and federal governments.

The Commerce Department puts 1962 spending for construction at \$38.8 billion. It rose by 6.6 per cent this year to \$41.5 billion. The department estimates 1964 will see a 5 per cent rise to \$43.6 billion.

But government's share of this spending will be a record \$20.2 billion, a gain of 8 per cent over 1963.

About 50 cultivated plants in the United States require insect pollination, including alfalfa, sweet clover, watermelons, apples, and cucumbers.

reting the rehabilitation work. Before winter weather stopped the work, 95 per cent of the track work and 60 per cent of the bridge work, had been completed.

Next spring about 30 men will be steadily employed on the completion of the track and bridge work and on construction of a mile and a quarter track extension at the L&S&I yard, Kline said.

When the recreational railroad is in operation, employment will jump to about 40, including station agents, train operators and maintenance men, Kline said.

**450 Inquiries** Kline noted that 450 inquiries have already been received in response to advertisements of the Thunder Bay Railroaders Club in issues last month of recreation and railroad fan magazines.

Inquiries have come in to Thunder Bay headquarters from all of the United States, Canada, England and West Germany, he said.

## Legion Post Meeting Set Tomorrow

Reports on this year's membership drive will be given at the regular meeting of the Richard M. Jopling Post of the American Legion, to be held at 8 tomorrow evening in the club-rooms.

Topics on the agenda will be the joint Christmas party for Legionnaires and auxiliary members to be held this Saturday. Gifts will be exchanged.

Participation of the legion members in the Upper Peninsula Christmas Party for children to be held next Sunday will be discussed.

Reports from various committees will be read. Plans for furnishing the new club rooms on Bluff St. will also be discussed. A silent prayer will be conducted for the late President John F. Kennedy.

**Induction In January** To date, 200 members have paid their 1964 dues and among these are a number of new members. An initiation program for all new members will be held in January.

Following the regular meeting, a venison stew will be served.

## SOCIAL REFORMER

Samuel Plimssoll, a 19th century British politician and social reformer, crusaded successfully for more seaworthy ships, and also visited the United States to promote adoption of a less bitter attitude toward England in historical textbooks used in American schools, according to the Encyclopaedia Britannica.

**OUTSTANDING IN PERFORMANCE MOTOROLA STEREO AND T.V. SETS ERIKSSON RADIO & TV 197 N. 4th St. & 321 W. Washington**

## Television..Radio

Cable TV viewers will find their stations on different channels as follows: Ch. 6 becomes Ch. 5 on Cable — Ch. 11 becomes Ch. 4 and Ch. 5 is Ch. 2.

### THREE WONDERFUL WAYS TO GIVE "THE THIRD WAY TO SHAVE"

First came the razor blade. Then came the back-and-forth electric shaver. Now enjoy the third way to shave . . . Norelco with rotary blades.

**Norelco**  
"FLOATING HEAD" SPEEDSHAVER 30 WITH ROTARY BLADES

Heads swivel to fit the face. Rotary blades stroke off whiskers. Adapts to world-wide use. 110/220 volts (AC/DC).

**Norelco**  
"FLIP TOP" SPEEDSHAVER 20 WITH ROTARY BLADES

Newest model of world's largest selling shaver. Rotary blades. Economical price. "Flip-Top" cleaning. 110 v. only. (AC/DC).

**Norelco**  
"CORDLESS" SPEEDSHAVER 20C WITH ROTARY BLADES

Gives smooth rotary blade shaves on four tiny batteries. No cord. No bulky recharger. "Flip-Top" cleaning. Mirrored case.

Distributing Packages To Needy

Pictured are members of the Phi Kappa Tau fraternity of Northern Michigan University who delivered packages from the Christmas Bureau to needy families. Front row, from left, are Don Nord, Jerry Wazara and Dave Cooley. Back row, Garry Hess and Jim French. Lake Shore Engineering and Carroll Motor Supply furnished trucks and personnel to help in the effort. (Mining Journal photo.)

150 Women Attend Party For Isabella

About 150 women attended the Father Marquette Circle 332, Daughters of Isabella, Christmas party held in the multi-purpose room of St. Peter's Grade School Thursday.

The theme of party, "Patriotic Holiday," was carried out in red and white checkered table cloths, drip candles and by can can dancers. White French caps and aprons were worn by waitresses, who served the desserts at the sidewalk cafes.

The highlight of the program, the final scene, was at Lourdes. Our Lady and Bernadette were portrayed by Mrs. Hans Muelle and her daughter, Kathy. At this scene, Miss June Bater sang "Mother, at Thy Feet is Kneeling."

The children taking part in the "Rheumetz" song and action number were Pamela Gibson, Kathy Schmelz, Terry Bannister, Mary Ann Dagenais, Scott Radloff, Steven Engman, David Parent and Michael Letts.

Models for the shop at "Christian Dior's" were Mrs. Grace Damake and Mrs. Florence Sanders.

Mr. and Mrs. Ronald Garceau performed a Randy Ann and Andy number to entertain the children and also presented them with the sacks of candy.

Others on the program included Shirley Saviski's dance

group, Louis Theriault, Mrs. Richard Bolz, Howard Treado and the choral group from Bishop Baraga High School.

The Rev. Raymond J. Garin, circle chaplain, was presented with a gift and gave a Christmas message to the group.

Serving on the committees were Mrs. Jerome O'Neil, general chairman, Mrs. Henry Caron, Mrs. Walter Toupin, Mrs. Howard Treado, Mrs. William Matthews, Mrs. S. J. Chartier, Mrs. Orval Cherrette, Mrs. Mabel Cossitiere, Mrs. George Summers and Mrs. Stuart Johnson Jr.

Serving as waitresses were Mrs. Merle Detroit, Mrs. William Rule, Mrs. Ivan Raish, Mrs. Frank Sciotto, Mrs. James Parker, Mrs. Robert Yuma, Mrs. Russell Olson, Mrs. Robert Haley and Mrs. Raymond Gingrass.

VFW Auxiliary Plans Christmas Party Thursday

The ladies auxiliary to the Veterans of Foreign Wars will hold its Christmas party Thursday at 8 p.m. in the Veterans' Building.

Members are reminded to bring their donations for the Christmas basket to be given to the Salvation Army. There also will be an exchange of \$1 gifts.

Ever add minced green onions (scallions) to hamburger beef?

Plans For Witnesses' Conference Announced

Final arrangements are nearly completed for the second 1963 ministers' conference of Jehovah's Witnesses in the Upper Peninsula, according to Bruce Turner, presiding minister of the Marquette congregation.

The three-day gathering, to be held in Iron River High School's Windsor Auditorium Friday, Saturday and Sunday, requires much volunteer help, Turner pointed out, adding that most of the preconference work is spent on locating rooming accommodations in hotels, motels and private homes for the approximately 500 persons expected to attend from 17 congregations of Jehovah's Witnesses in Upper Michigan and northeastern Wisconsin.

Thirty-five persons from Marquette plan to attend the assembly, and several of these delegates will actively assist in the operation of the assembly by participation in the program and by behind-the-scenes activities in one of the 22 volunteer departments needed to insure a successful conference.

According to Turner, Daryl Gravedoni, Jean Olson, Clarence Wiley, Duane Kantola and

Richard Lytkainen will be on the assembly program. Edward Fairbanks, also of Marquette, is the assistant cafeteria supervisor.

Otto Kugler To Speak

Final preparations for the conference are being handled by Otto Kugler of Brooklyn, N. Y., recently appointed circuit supervisor for Upper Peninsula and northeastern Wisconsin. Kugler has been a minister of Jehovah's Witnesses for over 30 years. Prior to his appointment in this circuit, he held a similar position in North Carolina. He is scheduled to speak several times at the coming conference.

Demonstrations, discussions and Bible discourses comprise the meeting, which Turner says is aimed at helping each individual improve his Christian ministry.

Eugene R. Brandt of Brooklyn will deliver the keynote address, "The Bible Triumphs in a Scientific World," at 3 p.m. Sunday. He is district supervisor of more than 150 congregations of Jehovah's Witnesses in the Midwest.

All assembly sessions are open to the public.

Meetings

**The United Marquette Community Chest** council will meet tonight at 7:30 in the Veterans' Building.

**The Marquette Altrusa Club** will hold its board of directors meeting tonight at 7 in the Union National Bank Lounge. A social meeting will follow at 8.

**The Third Order of St. Francis** will meet Thursday in the Holy Family Home. Novice instruction will be at 7:30 with a regular meeting beginning at 8.

**The Superior Lodge, Order of Vasa** will meet in the Odd Fellows Hall. A Christmas social will follow the meeting.

**First Methodist Church Activities:** The Simon - Pennell Circle will meet in the home of Mrs. George Traicoff, 13 E. Nicolet Blvd. at 8 p.m. tonight. Junior choir rehearsal today at 4:15 p.m. The youth choir meets Wednesday at 6:30 p.m. and the senior choir at 7:15 p.m. Thursday at 7:30 p.m. all women of the church are invited to the WSCS meeting in the church social rooms. A Christmas party is planned, plus the drawing of names for new circle membership.

**Legion Post, Auxiliary Hold Christmas Party**

American Legion Post 44 and Auxiliary held its Christmas party Sunday night at Morgan Heights Sanatorium.

The Legion clown band, in costume, gave a concert, and Santa visited all patients, giving out candy and special gifts to three veterans.

Several members of the post and auxiliary attended.

Mrs. Marin's Piano Students To Give Recital

ISHPEMING — Piano students of Mrs. Martin Marin will present a recital of Christmas music in her home at 218 Maple St. Saturday beginning at 3 p.m.

Included in the program will be Christmas solos, duets and the singing of carols accompanied by students.

Students in the recital are Marianne Akel and Susan Werner of Negaunee, Joanne and Mary Louise Arsenault of Champion and Susan Tupala, Jean Morrison, Janice Holmgren, George Bengtson, Miles Martin, Earl Oja, Susan Jenkin, Ann Lindstrom, Kenelm Winslow, Tom Sivula, Carol Saari and Garey Stensaas, all of Ishpeming.

Refreshments will be served at the conclusion of the program.

Answer to Previous Puzzle

Students Hear Trio, Scientist

The Chicago Percussion Trio presented a concert for Gravenet High School students Monday.

The group, headed by James Dutton, director of the percussion department of the American Conservatory of Music, Chicago, gave a variety program, from Bach to jazz. Included in the program were solos, demonstrations of percussion instruments and an analysis of the Latin and American jazz rhythms.

GHS science students also heard a lecture by Dr. Harold A. Iddles, director of college and elementary programs, National Science Foundation, Washington, D. C.

Dr. Iddles was introduced by Dr. Roy E. Heath, research coordinator and professor of chemistry at Northern Michigan University.

Eagles Auxiliary Serving At SA Kettle Booth

It was announced by Robert E. Moore, Christmas committee chairman of the Salvation Army, that members of the Eagles Auxiliary are manning the Salvation Army Christmas kettle booth today from 1 to 9 p.m.

This is the third women's organization that has served at the kettle booth this season. The others were the Jayettes and the Business and Professional Woman's Club.

Moore emphasized that the funds collected finance the Salvation Army Christmas

### Dear Abby...

By ABIGAIL VAN BUREN

**DEAR ABBY:** When I married "S" it was agreed that we would raise his two sons, 4 and 6. He and his wife had a friendly divorce on grounds of incompatibility. Now he wants to HIRE his ex-wife to come and live with us and take care of the boys. I work out and make as much as he does, and we hired a housekeeper who does a good job. I don't want that woman in my house. My husband says she isn't capable of working out, could use the money, knows the boys and can handle them. He sees nothing wrong with it! (He is 30, she is 42 and I am 28.) He claims he feels nothing for her and she feels nothing for him. Is this possible? We have been married for seven months and I am ready to walk out.

**READY TO LEAVE**  
**DEAR ABBY:** Don't let the "nothing" they feel for each other mislead you. If your husband wants the boys' mother to raise them, he should provide a separate home for them. Three

is a crowd.  
**DEAR ABBY:** My husband bought me a beautiful muskrat stole on our anniversary. Now every time one of my friends sees it, the first thing she asks is, "What kind of fur is it, and how much did it cost?" I think this is very rude. What can I say to this person?

**LONG BEACH**  
**DEAR LONG:** Say, "It's muskrat" — and ignore the second question.

**DEAR ABBY:** My mother is widowed and lives alone. She gets very lonesome and is sometimes forgetful, so she calls me quite a lot. I really don't mind, but my husband gets very irritated. I don't want to hurt my mother's feelings by asking her not to call me so much, but I can see where this annoys my husband because he gets some business calls at home and he is the one who answers the telephone. Have you any suggestions? Please print your answer. My husband opens all the mail and I don't want a personal reply coming to the house.

**MRS. IN BETWEEN**  
**DEAR MRS.:** If it's to be your mother's "feelings" vs. your husband's peace of mind, you should be more concerned with the latter.

Tell her that in the evening hours, "Don't call me, I'll call you."

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.

### LBJ Retains 'Hot Line' To Moscow

WASHINGTON (AP) — The Washington - Moscow emergency "hot line" set up in the administration of President John F. Kennedy, is being retained for President Johnson, including extension to his Texas home or wherever he may be at any time.

These extensions will make possible instant telegraphic printer conversation between the Soviet and U. S. chiefs of

state if a war threat becomes imminent.

### FINE ARTS

The term "fine arts" is used for those arts, such as sculpture, painting and music, which are intended primarily to affect the emotions and to give an exalted kind of pleasure as distinguished from the "useful arts" which serve the physical needs.

## Bethany Children Present Christmas Program Sunday

REPUBLIC — The primary department of Bethany Lutheran Church School will present its Christmas program at 3 p.m. Sunday, Dec. 22. The open song will be "Hark! The Herald Angels Sing" sung by the congregation.

The following pupils will participate: "Away in the Manger" and "Happy Birthday, Dear Jesus" will be sung by the nursery class, Sherry Johnson, Clint Monett, Nathan Niemi, Judy Voegtline, Debra Juchemich, Denise Olson, James Valenzio, Becky Kerkela, Kathryn Mari-

son, Holly Johnson, Sherry Kaleva, Brian Kangas, Kathy Kangas, Timothy Levi, Keith Olander, Donald Hill, Debra Ritola and Cindy Preidis.

First grade recitations and songs, "O Come Little Children" and "Dear Little Stranger" will be offered by Peter Saless, Brian Autio, Jean Mattila, Eunice Koski, Judy Stala, Lee Hendrickson, Brett Vaughan, Wade Vaughan, Melanie Martii, Shane Carlson, Betty Durfee, Christine Ritola, Steven Antilla, Deanna Preidis, Diane Olander, Darla Mattson, Lynette Aho, Alan Mattila, Rhonda Huotari, Jody Mattila, Marie Hendrickson, Kathy Benti, Debra Kempainen, Gary Rankinen, Sharon Heikkinen and Greg Johnson.

"O Little Town of Bethlehem" and "Beautiful Saviour" and recitations will be rendered by second graders, Cindy Rankinen, Susan Aho, Kerwin Skogman, Wallace Helmila, Kathy Hellste, Curtis Voegtline, Elaine Holtgard, Larry Martin, Garry Martin, Daryl Ritola, Brian Martin, David Kumpula, Alan Warlin, Richard Olander, Doris Benti and Ruth Heikkinen.

## Fish Fry Smashing Success

LANSING (AP) — Whether it gets the Michigan fishing indus-

try off the hook remains to be seen, but Monday's promotional fish fry at the State Capitol turned out to be a whopper.

"There's such a demand that we haven't even got enough," said Gov. George Romney, casting an eye at some of the more than 800 persons who showed up.

"Greatest meal ever served in the rotunda," declared Lt. Gov. T. John Lesinski, noting that as far as far as anyone knew it also was the first.

**No Timidity**  
The fish fry was cooked up as

a way of demonstrating confidence in the commercial fishing industry, which has watched consumer demand decline after a series of food poisoning incidents.

But there was no timidity at the dinner table by the guests. Officials who put the fish fry together agreed that everything went swimmingly.

The crowd-jamming into the main capitol rotunda like sardines in a can — consumed the better part of a half-ton of seafood.

**Perch, Pike, Whitefish**  
There was Perch, Pike and

Whitefish from various Michigan Great Lakes ports as the main course, surrounded by shrimp and two kinds of lobster from some ocean or other.

Also fresh fruit, fried potatoes, coffee and ice cream with embossed fish decoration.

Romney, Lesinski and Senate Minority Leader Charles Blondy, D-Detroit, made brief welcoming speeches after donning chef's caps.

The Governor also confessed that his so-called "fight" with Lesinski over who suggested the fish fry was a red herring. "We just did that to build up

the publicity angle," said Romney. "ha, ha, ha."

"Ho, ho, ho," said Lesinski. The most important guest from outside the state was John Carver, assistant secretary of the interior for public land management, who responded to an invitation from Lesinski.

## Albion College Board Names President

DETROIT (AP) — James R. Sebastian of Grand Rapids was named president of the Albion College Board of Trustees at the annual meeting.

## Alger Crash Took Lives Of Two Young Women

Two cars which met head-on in a snowstorm on M-28 in Alger County Sunday afternoon took the lives of two Wayne County young women. The two — Sally Marie Forster, 18, Detroit, driver, and her cousin, Ruth Ann Forster, 21, Madison Heights — were riding in the car at the right. Occupants of the vehicle at the left, Mr. and Mrs. John Betts, Belleville Hastings, Ontario, were injured.—(Hullfax photo.)

## Pre-Contract Talks Fruitful: Henry Ford

DETROIT (AP) — Henry Ford II says he is convinced that informal pre-contract talks which have been underway between his company and the United Auto Workers have been fruitful.

### Car Strikes Tree South Of Negaunee

NEGAUNEE — City police investigated six accidents, one of which occurred yesterday and five on Saturday. Chief Ralph Carlson reported this morning. Occupants of vehicles involved suffered only minor bruises and, with the exception of Monday's mishap, damages were negligible.

At 8 a.m. Monday, Arvo E. Poutanen, 427 New York St., Ishpeming, demolished his car, a 1936 model, in an accident occurring approximately one and one-quarter miles south of the city on Highway M-35.

Chief Carlson attributed the majority of the Saturday accidents to hazardous driving conditions, including poor visibility and slippery pavements resulting from the storm which started Friday night and continued most of Saturday.

At 9:20 a.m. the police car being driven by Officer Wayne Parkkonen was struck at the corner of Main St. and Pioneer Ave. by a vehicle driven by Woodrow W. Maki, 100 Michigan St., Negaunee. Maki was ticketed for failure to yield the right-of-way.

Seven minutes later an accident involving three vehicles occurred near the municipal water works station at the junction of U. S. 41 and M-35. According to the police report, George E. Hoyem, 114 Ahmeek St., Laurium, stopped for the traffic control light at the intersection and was struck from behind by a car driven by Ralph F. Omness, 115 N. Bond St., Saginaw.

The Hoyem car was then hit from behind by a vehicle driven by Thomas Lee Joley, Barry Road, Route 1, Wheeler, Mich. Both Omness and Joley were ticketed for violations of the basic speed law.

Approximately one-half hour later another accident occurred at the same spot when John Marietti, 718 S. Pine St., Ishpeming, driving east on U. S. 41, was struck by a car driven by Wilbert Safranek, 618 East F St., Iron Mountain. Safranek also was ticketed for violation of the basic speed law.

**Parked Vehicles Damaged**  
While driving west on Jackson St., James A. Meni, 510 Bluff, Negaunee, was responsible for damages that occurred to two cars, 1961 and 1964 models, in an accident that occurred at 11:20 a.m. Both units were owned by Wilfred Hill and parked in front of Hill's Garage. Meni struck the 1961 model and caused it to strike the 1964 vehicle. He was ticketed for driving a car with defective equipment.

No ticket was issued in the final accident of the day, which occurred at 6 p.m. on Brown Ave. and involved cars driven by Gregory A. Pontti, 1310 N. Second St., Ishpeming, and Edwin R. Penhale, Second St., Ishpeming.

**Party For Gwinn VFW Children At 2 Saturday**  
GWINN — The Gwinn Veterans of Foreign Wars Post will hold a Christmas Treat for children of post and auxiliary members Saturday afternoon from 2 until 5 in the club in New Swanzy.

Santa will be present to distribute candy and gifts. The room will be decorated in greens and there will be a Christmas tree. Coffee and refreshments will be served to parents of the children.

**Obituary**  
MRS. ROSE PASCOE  
NEGAUNEE — Services for Mrs. Rose Pascoe, who died Sunday morning in Bell Memorial Hospital, will be held at 2 p.m. tomorrow in the Koskey Funeral Home. The Rev. Byron Hatch, pastor of Mitchell Methodist Church, will officiate and burial will be made in Negaunee Cemetery.

Friends may call at the funeral home this afternoon and evening.

**BARTHOLOMEW DUSHANE**  
NEGAUNEE — Funeral services for Bartholomew Dushane, who died in the VA Hospital in Woods, Wis., will be held at 9 a.m. tomorrow in St. Paul's Catholic Church. The Rev. Robert Harris, pastor, will officiate and burial will be made in Negaunee Cemetery.

Friends may call at the Bjoerk & Zhulkie Funeral Home after 2 tomorrow afternoon. The Rosary will be recited at the funeral home at 8 p.m. Thursday.

**MRS. ANTOINETTE ZAIA**  
ISHPEMING — Services for Mrs. Antoinette Zaia, who died Sunday, will be held in St. Joseph's Church at 9 a.m. Friday. The Rev. C. J. LePine will officiate and offer a Solemn High Mass.

Friends may call at the Bjoerk & Zhulkie Funeral Home after 2 tomorrow afternoon. The Rosary will be recited at the funeral home at 8 p.m. Thursday.

### Party Wednesday For Cub Scouts

ISHPEMING — Cub Scout Pack 328 will hold a Christmas party at 7 tomorrow night in the Wesley Methodist Church.

Santa Claus will appear to give out gifts, and prizes will be awarded to winners of games played during the evening.

Refreshments will be served.

**Young's Team Gains In Crib League Race**  
ISHPEMING — In the Ishpeming Ladies' Cribbage

League, Young's team picked up 202 holes to reduce Coombe's team lead to 856 holes.

High score laurels went to Lorraine Nault and Mary Houseman with 1,196.

**Portage Township Adopts City Charter**  
KALAMAZOO — Portage Township, a suburb of Kalamazoo, adopted a city charter by a vote of 3,976 to 1,268. The new city will be called Portage.

Portage will assume city status for its 23,000 residents on Dec. 31 with a city manager form of government.

### Sunday School Presents Yule Program In Trenary

TRENARY — The Methodist Sunday School will present a Christmas program at 7:30 p.m. this Saturday in the church.

The singing of "Joy to the World" by the congregation will open the program followed by a welcome by Kelly Cady and Mark Lockhart. The primary department will sing "Away in a Manger," "Little Baby Jesus" and "What Is Christmas," Janet Buchholz will give a "welcome" recitation and Julie Ostaken will recite "A Little Word for Jesus." The youth choir will sing "In the Mellow Light" and "Once in a Manger."

Recitations will be offered by Kevin Aho, Suzanne Nance, Tami Geilhart, Doyle Bush and Julie Nance. The girls of the youth choir will sing "Safely Sleep, Little Babe."

"Merry Christmas to All" is the recitation to be given by Rick Geilhart followed by poems by Russell Viton and Mark Hager. The youth choir will sing "Jesus Was Once a Sweet Baby" and "I Love You."

Other recitations will be given by Ricky Hendrickson, Donald Aho, Gail Fygar, Lauri Aho, Barbara Quarf, Rock Sandstrom, George Flygare, Joan Cady, Kin Geilhart, Billy Smith, Jill Ostaneck, Gary Lockhart, Leanne Laurich, Joyce Lockhart, Paul Smith, Darryl Bush, Judy Lockhart and Coke Geilhart.

Lynn and David Marlin will sing "Loveliest Night," Tim Aho will sing "A Beautiful Song" and Linda Laurich will play an organ solo.

The Sunday School teachers are Mrs. Ruth Jacobson, Mrs. Louis Laurich, Mrs. Harlan Foster, Mrs. John Knaus, Mrs. Esther Cauchon and Miss Karen Hager. Mrs. Frank Richmond is the youth choir director and Mrs. Vance Davis is the accompanist. Miss Hager is the accompanist for the Sunday School classes.

Youth choir members are Tim Aho, Jana Aho, Ty Cady, Curtis Cady, Stephany Cady, Jack Davis, Carolyn Davis, Melanie Davis, Joyce Carlson, Diane Carlson, Katherine Carl-

son, Carleen Easton, Gloria Eaton, Gary Hager, Allen Hager, Kristine Hager, Jackie Quarfoot, Debbie Manier, Lynn Marini, Davis Marini, Donald Sandstrom, William Sandstrom, Marcia Ostaneck, Susan Ostaneck, Susan Ylunen, Ruth Flygare, Linda Viton, Karen Viton, Margaret Foster, Harlan Foster and Janis Foster. The pastor is the Rev. Densel Fuller.

### Most Courteous Driver Sought In Alger County

MUNISING — A campaign to make the Christmas and New Year's holidays safe on streets and highways in Munising and Alger County is under way here. The Munising Rotary Club heads the drive, assisted by state and city police.

The drive began Dec. 4 and will continue through Jan. 4. Spotters have been assigned

throughout Alger County to be on the alert for courteous and safe driving acts performed by motorists in the county.

At the end of the campaign, judging will take place and the Alger County resident voted the most courteous driver will be presented with a \$25 savings bond by the Rotary Club.

### St. Paul Debaters Post 6 Victories In U.P. Event

NEGAUNEE — St. Paul High debaters, coached by Sister Mary Elise, C.S.J., recorded six victories in eight contests in the Upper Peninsula preliminary debate tournament held Saturday at Negaunee High School.

Both varsity and junior varsity debaters posted records of three victories and one loss. St. Paul defeated teams representing Escanaba, Newberry, Eben, Escanaba Holy Name and Negaunee. Six teams from the Negaunee parochial school competed with entries from 22 schools which are members of the Upper Peninsula Debate League.

Varsity debaters included Lois Marta and Andrea DeGabelle, affirmative; Mary Gleason and Charlene Russo, negative. Personnel of the junior varsity squad included Joseph Bertucci, Barbara Goodhue, Rose

Marie Maino and Bonnie Smith, affirmative; Rose Marie Paterno, Kathleen DeGabelle, Jolette Kinkella and Patricia Bogetto, negative.

On Jan. 18, debate squads will take part in a second preliminary tournament at Escanaba. The Upper Peninsula finals will be held in March at Northern Michigan University, Marquette.

### Christmas Program At 2 Thursday

NEGAUNEE — Students attending Lakeview School will present their annual Christmas program at 2 p.m. Thursday, Dec. 19, in Memorial Gymnasium.

Kindergarten pupils will present a winter fun action game and first grade sections will offer six musical selections entitled "The Christmas Suite," "The Singing Christmas Tree," "The Christmas Fair," "Behold That Star," "Our Schoolroom Friendship Tree," "Our Christmas Tree" and "The Christmas Tree."

Six popular Christmas selections will be sung by a massed choir from third grade classes. Fourth graders will present a skit entitled "A Christmas Singing Lesson" with Eric Johnson as the teacher and Mrs. Vernor Norell as accompanist.

Rounding out the program will be two groups of carols by fifth and sixth grade choirs. Parents and friends are invited.

### Decorating Contest In Rock River

CHATHAM — The Chatham Lions Club is sponsoring a home Christmas decorating contest. It is open to residential decorating only and is limited to residents of Rock River and Limestone Townships.

The prizes follow: First, \$5; second, \$3; third, \$2. Any person interested in entering the contest must register at either the Eben or Chatham Post Office. Judging will take place Thursday, Dec. 26.

### Sion Church Pageant Set For 4 Nights

CHATHAM — The Luther League of Sion Lutheran Church of Chatham again will present the "Living Nativity Pageant" for four nights, Dec. 21 through Dec. 24, at 7 each evening.

A manger has been constructed on the south side of the church grounds where the pageant will be portrayed. The cast will be as follows: Mary, Norma Maki; Joseph, Bruce Hill; three wise men, Deane Pokela, Donald Maki and Gary St. Onge; shepherds, Steve Norman, David Akkala and Jim Seppi, and the angel, Dan Johnson.

This is a live enactment of the birth of Christ with recorded narration as the pageant takes place and scenes change accordingly. Colorful costumes and a lighting system have been prepared to highlight the outdoor setting.

The public is invited to view this enactment of the Lord's birth.

### Pre-Winter Cold Wave Continues

(By the Associated Press) A pre-winter cold wave, longest of the season, continued over most of the eastern half of the nation today but there was a promise of a little relief in some sections.

Sub-zero cold again stung most of the northern areas from the Rockies into northern New England and northern New York state. Freezing weather again nipped many parts of the Southland.

Temperatures were as low as 13 below in Augusta, Maine, and near that mark in Rome, N.Y. In the Midwest, the mercury dropped to -11 in Lon-

Rock, Wis., but rose to 6 below in a few hours. Much colder weather was reported in many Midwest areas Monday, including 36 below in Bemidji, Minn. Chicago had its fourth straight morning of zero or lower, with 7 below in northwest suburban areas.

Increasing cloudiness and light snow spread into the Plains and the western Mississippi Valley and temperatures were expected to moderate.

The mercury dropped to the 20s and lower along the East Coast and in parts of the South. The 40s covered the Gulf Region and most of the Pacific Coast and far Southwest.

Spanish moss gets its sustenance largely from the air and uses trees, telephone poles and fences as an anchor.

### Bible Church Program Set For Sunday

ISHPEMING — The children and young people departments of the Bible Baptist Church Sunday School will present a Christmas program at 7 p.m. Sunday, Dec. 22. The Rev. Lloyd D. Welton, pastor, announced today.

Following the opening hymn, "Joy to the World," Pastor Welton will lead the group in prayer.

Recitations will be presented by Joy Rolstone, Alice Sparks, Norma Aho, Charles Johnson, Debbie Spencer, Kathleen Aho,

Carol Sparks, Mary Sparks, Barbara Johnson, David Vial, Rose Sparks and a group of children.

"We Tell of Thy Glory," by the Sunday School; "Jesus Loves Me," by the beginners class; "Away in the Manger," by the beginners and juniors, and "Merry Merry Christmas," by the young people, will be sung throughout the program.

Peter Fischer and Robert Johnson will present a dialogue, "The Story of the Star," followed by "The Christmas Story in Pantomime" by the young people and a musical reading, "There's A Star in the Air," by Alice Racine, which will be highlights of the program.

A candlelight service by the Sunday School will precede the closing message, an offering, announcements and a prayer led by Pastor Welton.

### Trenary Church Gifts Dedicated

TRENARY — Gifts dedicated at the Methodist Church Sunday included a Christian flag given by Mr. and Mrs. Andrew Rodgers in memory of their daughter, Nancy; an American flag given by the family of Mrs. Carl Markley in her memory; and an offering plate by the Women's Society of Christian Service and friends of the church in memory of Clyde Spielmacher.

In 1957 the Bureau of Engraving and Printing introduced a new printing process that permits the printing of 32 1/2 bills at a time on a single sheet of paper, rather than 18.

### Eben School Pupils Offer Yule Program On Thursday

E BEN — Students of Eben Community School will present a Christmas program at 8 p.m. Thursday in the Veterans Memorial Gymnasium. The public is invited.

The senior band, under the direction of Emil Peterson, will open the program with "Christmas Greetings," followed by "Children's Prayer," "Messiah," "March of the Toys," featuring junior baton twirlers, "Rudolph the Red-Nosed Reindeer" and "Jingle Bells Rhapsody."

Seventh graders will sing "Bring a Torch, Jeanette, Isabella," and "We Wish You a Merry Christmas." "Joy to the World," "Away in a Manger," "Deck the Halls," "Better Watch Out" and "Silent Night" will be presented by fifth graders, followed by recitations of Baby Jesus and "Just Fore Christmas," and a scripture reading.

Recitations by fourth grade pupils will be "Lord Octopus Went to the Christmas Fair," "The Friendly Beasts," "Christmas," "One Night" and "Day Before Christmas." A feature of the program will be the "Christmas Festival of Nations," presented by sixth grade pupils, which entails the customs in several lands told in the form of carols and words.

Concluding the program with a series of carols will be the glee club, under the direction of Mrs. Ruth Robinson. They will sing "No Candle Was There and No Fire," "Blow Winds, O Softly Blow," "Rockin' All Night," "Behold That Star," "Little Drummer Boy" and "Jingle Bells."

NEGAUNEE — Hugo A. Sumen, presiding minister of the Negaunee congregation of Jehovah's Witnesses, revealed plans today for the second 1963 ministers' conference in the Upper Peninsula, to be held this weekend in the Iron River High School auditorium. Approximately 500 delegates from 17 congregations in the Peninsula and northeastern Wisconsin are expected to attend.

Mr. Sumen announced that 25 persons will represent Negaunee at the three-day meeting, which opens Friday. The conference is designed as a training session for individual improvement in Christian ministry.

Eugene R. Brandt of Brooklyn, N. Y., district supervisor of more than 150 congregations in the Midwest, will deliver the keynote address, entitled "The Bible Triumphs in a Scientific World."

Otto Kuzler, also of Brooklyn, who was recently appointed circuit supervisor, is in charge of arrangements for the conference.

### Seven Pay \$8.70 Each

NEGAUNEE — Seven drivers arrested by city police for state motor vehicle code violations paid fines and costs amounting to \$8.70 apiece when they appeared before Judge William Haupt in Negaunee Municipal Court.

Ticketed for violations of the basic speed law were David Tourinemi of Marquette, Ralph Onness of Saginaw and Thomas Jolley of Wheeler, Mich.

## Nobody Scoffing At Mass; Floor Play Does Trick

By JAMES E. TRETHERWEY  
Of the Journal Staff

Some members of the "Mighty Mass" teams of the late 40's and mid-50's might snicker at the few points being scored by Mass High School's basketball players these days.

But they can't scoff at the quintet's defense which, in view of today's liking for the fast break, must be regarded as an enigma. Ball control and accurate passing, resulting in fewer mistakes than opponents make, are producing victories for Coach Ernest Toivonen's team.

Few prep squads hold foes to less than 50 points per game now. But nobody's scored that many against Mass in five contests; opponents' average, in fact, is under 38 points — best in the Upper Peninsula.

None of Toivonen's cagers has gone over 14 points in any outing this season, but the team has compiled a 5-0 record and is sharing the Porcupine Mountains Conference lead with three straight victories.

### Member Himself

Oddly enough, Toivonen, himself, was a member of the Mass teams which scored points like no other Upper Peninsula quintet had before it in 1947-48-49 to compile a 59-game winning streak, a record that stood until Chassell put together 65 victories in 1956-58. Toivonen apparently decided to go to the ball control type of play because of the lack of tall players during much of the six years he's been at Mass. Without a 6-footer in the Rockets' lineup, the team last year averaged only 52 points. But because it held opponents to 42 per game, Mass compiled a 17-2 regular-season record, won the White Pine holiday tournament and the Porcupine Mountains Conference championship, then in post-season competition grabbed a Class D district title before bowing to Negaunee St. Paul, 57-42, in regional action. St. Paul went on to the state finals.

Only St. Paul and Ontonagon, the Copper Country Conference champ, scored as many as 57 points against Mass last winter.

Toivonen has a few taller players this year — one reserve even goes 6-2 — but the Mass coach is convinced that his tight defensive and offensive style will continue to pay dividends.

### Chance For Proof

He'll get a big chance to prove his point this week when the Rockets face White Pine on the latter's court Thursday night. White Pine, coached by another member of the "Mighty Mass" quintets of the late 40's, Roy Luttinen, has been rather rusty on defense, at the same time averaging nearly 60 points on attack. Luttinen turned out several good teams while coaching at Bergland before becoming assistant at White Pine where he succeeded

### Clerk Charged In Hit-Run Death Of Basketball Star

NEW YORK (AP)—A factory clerk is charged with homicide in the death of a basketball star run down by an automobile that police say was deliberately aimed at a group of college students.

The victim was Mike Schaffer, 19, sophomore star at City College, who only an hour earlier had led his teammates to their fourth straight victory.

### Led Team To Win

He was high scorer with 18 points in Saturday night's 74-44 triumph over Rensselaer Polytechnic Institute of Troy, N.Y.

After the game, Schaffer left the uptown Manhattan gymnasium with nine other boys and girls, including his girl friend, Molly Irganz, 15. They began walking toward a subway. But death intervened five blocks away.

### Arrest Made

About four hours later, armed with the license number of the auto, police arrested Eddie Weissman, 19, of Manhattan, and charged him with homicide. Weissman admitted being in the car at the time Schaffer was killed but denied trying to hit anyone with it, police said. He was held without bail.

## Olympic Ski Team Scores 1st Victory

VAL D'ISERE, France — U. S. Olympic skiers appear to be ready for an all-out attack on European prestige in the 1964 Winter Games, but U. S. team coach Bob Beattie is far from happy.

Beattie's displeasure has nothing to do with his athletes' performance in last week's first pre-Olympic encounter with Europe's top skiers. Americans won four of six events in the Critérium of the First Snow which drew skiers from every Olympic contender except Germany.

White Pine also was a victim of Negaunee St. Paul in last year's regional tournament, by almost the same identical margin as Mass.

And like Mass, White Pine is unbeaten to date. Luttinen's Warriors, however, will face Bergland two nights before meeting Mass.

This week's action virtually closes the curtain on U. S. P. high school basketball competition until after Jan. 1. A few scattered games are scheduled for the holidays, with most of the vacation play slated during the second annual tournament at White Pine Dec. 26-28.

Fifteen teams already have ended their pre-holiday schedules. Included are three with perfect marks: Kingsford (5-0), Doelle (3-0) and Carney (6-0).

Here's the week's schedule:

**Tuesday** — Gladstone at Escanaba Holy Name, Norway at Calumet, Hancock at Houghton, Ontonagon at Dollar Bay.

**Wednesday** — Painesdale at Calumet, Hancock at Houghton, Ontonagon at Dollar Bay.

**Thursday** — Stambaugh at Iron River, Chassell at Lake Linden, Baraga at L'Anse, Ewen at Ironwood St. Ambrose, Mass at White Pine.

**Friday** — Iron Mountain at Escanaba, Marquette Graverat at Manistique, Menominee at Crivitz, Wis., Sault Ste. Marie at Stephenson, Marquette Baraga at Escanaba Holy Name, Maple, Wis., at Ironwood, Newberry at Rudyard, Crystal Falls at Niagara, Wis., Pickford at St. Ignace, Wakefield at Superior (Wis.), East, Amasa at Alpha, Brimley at Champion, Nahma at Engadine, Garden at Michiganam, Perkins at Rock, Vulcan at Florence, Wis.

## Appleton Credits Others With His Honor As Lineman

AUSTIN, Tex. — A coach's decision and a teammate, says All-America Scott Appleton, are responsible for his being named Monday in an Associated Press poll as the outstanding college football lineman of 1963.

Gordon Roberts is the teammate, and like Appleton, is a senior tackle for Texas, the nation's top-ranked team. The decision Appleton referred to was made in mid-season and it placed the rugged 239-pound Appleton at middle guard as primarily a defensive specialist.

"It's on defense that linemen gets publicity and wins honors," said Appleton. "I also feel that I help the team more on defense."

"I never was real outstanding on offense."

His replacement at offensive tackle is Roberts, called "Yankee" by his teammates because he played high school football at West Lafayette, Ind.

"Gordon's a real fine blocker — better than I am — and his play helped me to concentrate primarily on defense," Appleton said.

"I'm thrilled and very proud to win this honor," he added when told of his selection by

eight votes over Illinois center Dick Butkus, Nebraska guard Bob Brown was third.

"Really Earned It"  
"That's great, just great," said Appleton's Coach Darrell Royal. "I don't think anybody could deserve it more. He really earned it."

It was Appleton's ability to make the big play, especially on defense, that pushed Texas to a 10-0 season and limited opponents to 6.5 points and 80.2 yards rushing per game.

Appleton received 32 votes from a panel of 105 sports writers and sportscasters.

Butkus, a 235-pound junior and key man in Illinois' drive to a Big Ten title and Rose Bowl invitation, got 24.

**Spark**  
Brown, agile and quick despite his 269 pounds, was the spark of a Nebraska team that won its first Big Eight championship in 23 years.

The rest of the votes were collected by 25 athletes, with Damon Bane, Southern California guard, being named on three ballots as were Cal Eller, Minnesota tackle; Vern Burke, Oregon State end, and Rick Redman, Washington linebacker.

## Northwood Star Killed Giving Aid To Injured

MIDLAND (AP) — Richard Goedertier, 22, of Warren, star athlete, honor student and classmen's leader at Northwood Institute, died today of injuries suffered Sunday when he was hit by a car while aiding victims of a five-car traffic smashup.

The car that hit Goedertier also struck and injured a second man, Peter Koopman, 34, native of Switzerland and Dow Chemical Co. employee. Goedertier died in St. Mary's Hospital at Saginaw.

Police continued an investigation. They did not release the name of the driver.

Goedertier, (former Harper Woods High School athlete) left his car to give aid after two other cars collided and three more piled into them about 2 a.m. Sunday. Three persons had been hurt.

Goedertier played center on the Northwood Institute basketball team and pitched for the baseball team. He was vice president of the Student Senate and president of his fraternity, Theta Gamma Epsilon. Northwood Institute announced the basketball team will play a memorial game for Goedertier. Faculty and students plan a memorial fund.

## Holiday Games Scheduled For Thursday Night

MUNISING — The annual holiday event sponsored by the Mather High School Booster Club featuring two basketball games will be held in the school

gym Thursday evening. The Mather Alumni, headed by Jim Wickstrom, will play the Mather Teachers, guided by Bob "Pappy" Ellis, in a contest that will get under way at 7 p.m. The second game brings together the students from Munising attending Michigan Tech led by Gary Maki and those from Northern Michigan University guided by Fred Matson. This tilt is scheduled to start at 8:30.

The Booster Club will serve a lunch to all players after the games. Mrs. Dorothy Feldhusen is in charge of arrangements and Mrs. Aileen Maki is in charge of concession stands.

## Roger Staubach Chosen Back Of Year In AP Poll

NEW YORK (AP) — Honors continue to pile up for Roger Staubach.

Navy's All-America quarterback and Heisman Award winner who attained nationwide respect for individual prominence in gridiron skills, in character and dramatic appeal, was voted the outstanding college backfield performer of 1963 in a poll conducted by The Associated Press.

**Overwhelming**  
The slender, handsome, quiet-spoken field general from Cincinnati was an overwhelming choice, receiving 57 of the 107 votes cast by a panel of sports writers and broadcasters from every section of the country.

Nineteen other backfield stars attracted attention with Billy Lottbridge, Georgia Tech's "Mr. Everything," topping the also-rans with 11 votes. Baylor quarterback Don Trull, the nation's

leader in passing, was third with eight votes.

Sherman Lewis, the pint-sized Michigan State halfback who had five runs of 80 or more yards this past season, was next with six votes. Jimmy Sidle, Auburn's great runner and the nation's second leading rusher, had four votes. He was followed by Mel Renfro, Oregon's triple threat, and Terry Isaacson, the star quarterback of the Air Force Academy. Each had three votes.

**Bork, Sayers**  
Two votes each went to Gayle Sayers of Kansas, the nation's third leading rusher, and George Bork of Northern Illinois State, the top college passer, big and little. Bork had a fantastic record that included 244 completions in 374 attempts.

Staubach, in his junior year, smothered all Navy passing and scoring records. He piled up 1,890 yards in total offense while piloting the second ranked Mid-dies to a 9-1 record and an invitation to a Cotton Bowl clash with unbeaten and top-ranked Texas. Jolly Roger's 67.3 passing percentage topped the nation.

**Set Record**  
Lottbridge, the Engineers' versatile quarterback, set a college record of 12 field goals and was one of the nation's leading scorers. The 6-foot-1-inch, 187-pound senior's value to his team was inestimable. He ran, passed, punted, kicked field goals and extra points and kicked off.

Trull re-wrote the NCAA record book. His national marks included 167 pass completions, 2,157 total offense yards and 406 total plays.

"TRY KING EDWARD" America's Largest Selling Cigar

## Four Marks Set In Last NFL Matches

(By the Associated Press)  
Four records were set and one tied as the National Football League ended regular season play Sunday.

Cleveland's Jimmy Brown became the first player to gain more than a mile on the ground, picking up 125 yards against Washington to bring his record total to 1,863 yards.

New York's Y. A. Tittle passed for three touchdowns against Pittsburgh, surpassing his own record by bringing his TD total passing to 36 for the season.

Baltimore's Johnny Unitas wound up with 236 completions, surpassing the record of 235 by Sonny Jurgensen of Philadelphia in 1961.

Minnesota rookie Don Hultz recovered his ninth fumble, against Philadelphia, bettering the record of eight by Detroit's Joe Schmidt in 1955.

San Francisco's Tommy Davis kicked his 156th consecutive extra point, tying the record set by George Blanda, with Chicago, from 1949-56.

## Two Quintets Tied At Top Of Ladder In Negaunee League

NEGAUNEE — In Thursday night's Negaunee City Basketball League action, victories were taken by Herb's Bar over Russo's, 49-37, Palmer Mets over Hotel Bar, 63-53, and Bosch Beer from Cain's News, 60-47.

Russo's, putting up a fine team effort, matched the much taller Herb's team for three quarters, but could not last, as height played the major part, as Russo's could not get near the basket or get off a decent shot. Roger Burkhardt scored 21 points for the fast-moving Herb's squad, and Mike Wilson had 14 points for Russo's.

In the second game of the evening, Hotel Bar lost its grip on first place as the Palmer Mets turned the tables on the rough-and-ready Barmen. Ger-

ald Reikki hit for 22 points and led Palmer to another upset. Donald Lampi kept the Hotel team in the game for the first half, but the Mets were just too much for them.

**Complete Report**  
Bosch Beer jumped on the sliding Cain's News team and completely routed them, 60-47. From the opening tip-off to the final horn, the Beermens dominated the whole show. Paul Jandron scored 15 points for Bosch, but it was a case of 10 men against a couple of ball players. Sonny Guizzetti was high for Cain's with 16 points, and it was his never-give-up spirit that kept the Newsmen from losing face altogether.

Bosch Beer and Boosta's Sport Shop remain in a tie for first place.

Due to other activities in the Negaunee High School, the City Basketball League schedule for Tuesday will be postponed to Thursday evening with the following games slated:

6 p.m. — Russo's vs. Palmer

## Yastrzemski's .321 Makes Him AL Bat Champ

BOSTON (AP) — Carl Yastrzemski of the Boston Red Sox paced a four-man group of .300 hitters in winning the 1963 American League batting championship, the official averages have confirmed.

The young Red Sox outfielder finished with a .321 average, the final statistics released Sunday disclosed. Al Kaline of Detroit was second with .312 followed by Rich Rollins of Minnesota, .307 and Albie Pearson, Los Angeles, .304.

Rookie Pete Ward of the Chicago White Sox was fifth with a .295 slat among those who qualified for the batting crown with a minimum of 502 plate appearances.

Dick Stuart, Boston's slugger first baseman, was the 1963 pace-setter in runs batted in with 118 and total bases, 319. Harmon Killebrew of the Minnesota Twins slammed 45 homers to lead for the second straight year.

Minnesota had the highest team batting average, .255, and hit the most home runs, 225.

Mets: 7 — Cain's News vs. Hotel Bar; 8 — Bosch Beer vs. Boosta's.

## County Jr. Hoop Play Scores Told

ISHPEMING — Here are the results of the Marquette County Junior High basketball games played last week:

**Western Division:** National Mine 25, Diorite 24; Pierce 37, Republic 28; Ishpeming St. John's 23, Marquette St. John's 19; St. Paul's 52, Diorite 21.

**Eastern Division:** C. L. Phelps 43, Negaunee 20; Marquette St. Peter's 43, Gwin 18.

**Schedule:** Western Division; Dec. 19 — Negaunee St. Paul at Champion; Eastern Division — Dec. 18 — Marquette St. Michaels at Negaunee; Dec. 19 — Phelps at Marquette Howard.

## Strange Episode Leaves Parseghian Dangling Over Job

SOUTH BEND, Ind. (AP) — The door may remain open at Notre Dame for Ara Parseghian to enter as head football coach.

But if it is closed, who did it — Notre Dame or Parseghian? The strangest episode in coaching has taken place.

The Rev. Edmund P. Joyce, C.S.C., Notre Dame executive vice president, announced Saturday that Northwestern's Parseghian has become the new coach of the Fighting Irish, succeeding Hugh Devore, who was elevated to assistant athletic director.

**Didn't Happen**  
A news conference Monday for official signings of a four-year contract never materialized.

After a delay of more than two hours, Parseghian appeared from a meeting with Father Joyce. The usual voluble, dynamic 40-year-old coach appeared distraught and shaken.

In a written statement, he said that a story Saturday in the South Bend Tribune naming him as the new Notre Dame coach touched off his decision to agree to the job.

But, he said, the story was premature and came when details of the contract were not fully worked out. Therefore, he wanted a few more days to have it resolved.

With that, and no more elaboration, he left by car for his home near Northwestern University, where he has served as

coach for eight years.

All this amounted to a walk-out on final negotiations with Father Joyce, who remained firmly noncommittal on their meeting.

Parseghian returned home, went to his bedroom and refused to be disturbed.

With neither side clarifying the matter, speculation was rife. Father Joyce had a brisk "no comment" when asked if Parseghian had:

1. Wanted assurance eventually of becoming athletic director.

2. Wanted complete freedom to name his assistants and their salaries, including a hefty pay check for his No. 1 lieutenant, Alex Agase, if Agase were not chosen as his successor at Northwestern.

3. Wanted an unhampered hand in recruiting with the aid of more than the 30 to 35 athletic scholarships Notre Dame now has available.

Father Joyce, asked point-blank if Parseghian would be the next Notre Dame coach, said "At this time I really can't say."

Meanwhile, Northwestern's athletic director, Stu Holcomb, said that Parseghian never had resigned officially and still had one more year to go on a five year contract.

## NEW! STROH'S IMPROVED ZIP-TOP

STROH IS FIRST WITH THE NEW SMOOTH HANDLE ZIP-TAB... RAISED/ROUNDED/ROLLED

**Services Held For 81 Plane Crash Victims**

ELKTON, Md. (AP) — In a frozen cornfield covered with snow, about 100 friends and relatives and three clergymen held a memorial service Sunday for 81 persons killed in a jet liner crash.

The simple ceremony was conducted about 50 yards from the place where the Pan American jet crashed in flames a week ago Sunday night.

**MEXICAN FLOWER**

The poinsettia is native to Mexico and is named for Joel R. Poinsett, of Charleston, S.C., who introduced the plant into the United States when he was minister to Mexico.

**NOTICE OF ANNUAL MEETING**

The regular annual meeting of the Stockholders of The First National Bank & Trust Company will be held at its banking rooms in the City of Marquette, State of Michigan, on Tuesday, January 14, 1964, between the hours of 3:00 o'clock and 5:00 o'clock, P. M., for the purpose of electing directors and the transaction of such other business which may properly come before said meeting.
