

## Hirvonen Index

Jussu Hirvonen self-published *Michiganin Kuparialue ja Suomalaiset Siirtolaiset* in 1920, with the *Päivälehti* in Duluth handling the printing. The work is a history of the Finns in Houghton and Keweenaw Counties in Michigan, also known as "The Copper Country," *Kuparisaari* ("Copper Island") in Finnish. In this book there are short biographies of many early Finnish American community leaders and businessmen, listed below.
