OBRECHT SISTERS PLEASE CROWDS

STOCK COMPANY HAS TWO MORE GOOD SHOWS FOR TONIGHT AND SATURDAY

Clean shows, delightful costumes, beautiful scenery and an exceptional strong cast are a combination that "can't be beat." The Obrecht Sisters Stock company holding forth at the Community Theater this week have just such a combination and more.

They opened last Monday evening with "Kempy." The play was a good clean comedy and made a decided hit. The show Tuesday evening was "What's Your Wife Doing?" and was another good comedy in which there were many situations that created an uproar. Wednesday evening they presented "The White Sister." It was the only play of their repertoire which was not a comedy and it is one of the most beautiful plays ever shown here.

Thursday evening they presented their feature play of the week, entitled "Just Married" and this comedy kept the audience in one round of laughter. "Just Married" is filled with funny situations and brilliant lines and was built for laughing purposes only.

Johnnie Sullivan scored a decided hit as the jovially intoxicated young man who gets aboard the ship by mistake and later in the evening wanders into the wrong stateroom.

Tonight the company will play a well known comedy entitled "Keep it to yourself" and Saturday matinee and night for their farewell performances will play the famous German Cartoon comedy entitled "Hans and Nix."

GLADSTONE DOWNED IN OPENING GAME

Gladstone's basketball team got off further than the first game in the upper peninsula high school basketball tournament held at Marquette last Friday and Saturday. They put up a game fight against Wakefield Friday afternoon, but lost, 36 to 27. The locals were going strong in the last quarter but could not overcome the earlier lead of their opponents.

The championship was awarded to Lake Linden, that team winning a brilliantly played game against Negausne in the final, 23 to 26. Lake Linden made a fine record at the tournament. In their opening game, the champions beat Norway, 29 to 25. Their second game was Lake Linden 26, Michigan 21; third, Lake Linden 26, Wakefield 25, and the final against Negausne 33 to 26.

Solo—Harry Stock.

Solo, Planoloue—Helen LaFaver.

Solo—Genevieve Lewis.

Love's Old Sweet Song—Chorus.

The program ended with a very interesting talk on St. Patrick by Rev. Father Maler.

Both entertainments were very well received and attracted large crowds on the "Fishman's Holiday."

GOODMAN'S FORD TRUCK BURNED AT MARQUETTE

While attending the Basketball Tournament, held at Marquette last Friday and Saturday, Myron Goodman had the misfortune of seeing part of his Ford truck go up in smoke. The box on the rear and part of the upholstery was destroyed. The car had been left in a garage over night. The fire occurred about six o'clock Sunday morning.

Gordon Seger, Alfred LaLine and Myron had clothes stored in the back of the truck. The value of these is estimated to be about \$150.

As luck would have it, fire insurance had been procured the previous day thus lessening the loss. The car was driven back to Gladstone Sunday under its own power.

TWO TICKETS IN FIELD FOR ELECTION

TOWNSHIP CANDIDATES NAMED ON SATURDAY AND INDEPENDENTS MONDAY AFTERNOON

Two tickets have been placed in the field in Masonville township as the result of two caucuses held at the Rapid River town hall Saturday and Monday afternoon. The Township ticket was selected at the first caucus and Monday afternoon, a new ticket the Independent Party was placed in the field. The nominees, Township ticket:

Supervisor—W. J. Miller. Clerk—C. R. Johnson. Treasurer—H. J. Wilford. Highway Commissioner—William Rushford. Justice of Peace—full term August Bjorkman. Member Board of Review, Nels Weeding. Constables, Fred Smith, Albert Caswell, John Grandchamp and Charles Rabideau.

The Independent candidates nominated Monday:
Supervisor—W. J. Miller Indorsed. Clerk—J. A. Forest. Treasurer—H. J. Wilford Indorsed. Highway commissioner—Oliver Neveu. Member of Board of Review—Alpha Cole.

Justice of the Peace, full term—Carl O. Carlson. Constables—Henry Martin, Jr., Peter Larson and Ed Hill.

At the Township caucus Saturday afternoon, there were contests for the offices of clerk, treasurer and highway commissioner. C. R. Johnson received 46 votes and J. A. Shippy 21 for clerk. H. J. Wilford received 68 and Alpha Cole 2 for treasurer. Mr. Cole did not attend the caucus. For highway commissioner, Eli Schram ran William Rushford a close race, the latter receiving 35 votes to 36 cast for Mr. Schram. Supervisor W. J. Miller, Justice of the Peace August Bjorkman, Nels Weeding for the board of review and the four candidates for constable received the entire vote of the caucus.

C. E. Hamilton was chosen as chairman of the meeting. S. J. Viets, clerk and L. R. Messenger and Nels Weeding as tellers. The largest number of votes cast was for the office of highway commissioner a total of 75, of which Mr. Rushford received 59. When the voters met Monday afternoon for the independent party caucus, Mr. Hamilton was again the unanimous choice to serve as chairman. Grace Minor was named as clerk and Robert McPherson and John Grandchamp as tellers. The only contested office was for clerk, the nominee, J. A. Forest receiving 21 votes to 23 cast for J. A. Shippy.

Both Supervisor Miller and Treasurer Wilford, the Township ticket nominees, were readily indorsed for the offices. For highway commissioner, Oliver Neveu received the entire vote of the caucus and a vote by acclamation was also taken for Alpha Cole for member of the Board of Review, Carl O. Carlson for Justice of the Peace and the four nominees for constables.

Considerable rivalry is evident in some of the contests, but although this rivalry is spirited, it is not of the bitter variety, and the fact that two tickets will be voted on at the April 6 election is expected to result in a much larger vote being cast.

FIREMEN SAVE HOME FROM FIRE MONDAY

To the promptness of the Rapid River volunteer fire fighters may be attributed the credit for saving the William Dutcher home from flames Monday afternoon. Many citizens were still about the street following the independent party caucus when Oscar Johnson ran up to the town hall with the warning that a fire was breaking out at the home. Charlie Rabideau pulled the alarm, started both trucks and took the wheel of one while C. R. Johnson took the driver's seat on the Chevrolet truck. By that time several volunteers had already taken their places.

When the department arrived smoke was emerging from the roof and sides of the rear of the building. Archie Forest cut through the sliding where flames were already starting to break out, a chemical was turned on by H. J. Wilford and other volunteers and the fire was checked in short order.

Mrs. Dutcher was visiting with neighbors next door and there was no fire in the kitchen stove at the time. The fire started just below the electric light meter and it appeared that defective wiring was the cause. Just a delay of a few minutes would have meant the loss of the home. As it was the loss was held down to a few dollars, and a little hard work in getting the kitchen straightened out again.

The excitement was too much for Mrs. Dutcher it was necessary to call a physician to attend her.

"CAUGHT IN THE ACT"

Chats With The Editor

J. A. Sturgeon

WE HAVE not been reluctant to indicate our disgust with the present tendency to provide laws that would regulate the lives and conduct of our liberty-loving American citizens. There are many evils in this work and for each one some how or is always ready to provide a law that would be intended to curb it, whatever it might be.

MICHIGAN is still without a capital punishment law. The bill that would provide the death penalty for murderers and other arch criminals went down to defeat last week. Just as it did in the 1921 and 1923 sessions. Laws have been added to the statute books by the hundreds and the number of murders goes on increasing year in and year out. More jails and more cells are being provided and the end is not yet.

TOMORROW, March 21, is the first day of Spring, beautiful Spring, when all nature springs into life anew. Unhappy indeed is the individual who at this glad time of the year cannot cast aside all thoughts of care and worry, and look upon life with a better appreciation of its meaning and possibilities.

WITH warmer weather gradually breaking in upon us, baseball fans are becoming restless and beginning to wonder more about the 1925 prospects. While these are none too bright, for want of unified action, still we cannot but feel optimistic enough to think that the proper action will be taken at the proper time.

lent to the greatest number, before April 5 at which time a meeting will be held at Marquette for the purpose of discussing a schedule and regulations for all upper peninsula teams. The association formulated at the start of the 1923 has worked for the good of the game and with the six previous already gained, it can be made even more desirable in the season ahead.

THERE should be more discussion of city affairs at this time preceding election, to be held Monday, April 6. Gladstone will elect two commissioners. There are now five candidates in the field. We believe that all five are well qualified to serve happily, so that no serious consequences would result regardless of the two elected. But the vote should be sufficiently representative of the wishes of the citizens.

THERE are those who insist that the President should have a free hand in the selection of his cabinet. The Constitution says that nominations made by the President shall be approved by Senate. That seems like proper safeguard, we cannot agree with critics of the present Senate for its action in refusing to follow out President Coolidge's wishes in the appointment of Charles B. Warren of Detroit for attorney general.

MANISTIQUE officials have decided, in response to a petition circulated by the citizens, to submit a proposal at the April 6 for the redrafting of its city charter. This writer was particularly pleased to note that Mayor Harry Eriksson's name was placed at the head of the list of signers to the petition.

THE MELLON-COUZENS row, in which one of America's richest men has broken on the front pages again, this time a charge from the treasury that the Senator from Michigan failed to pay all the income tax that was due the Government as a result of his sale of his holdings in the Ford Motor company.

Trails to Nowhere

By O. Lawrence Hawthorne

"I have no time to travel far. The trails that lead to Nowhere. For I must learn where riches are. And follow roads that go there; I could not well afford," he said. "To wander where some cow-boy led!"

Inside Out

By Peter Keegan Special Correspondent for the Delta Reporter. NO PRESIDENT since Andrew Johnson (the only Chief Executive who ever was impeached) has ever received such an official slap in the face as that which Coolidge got when the Senate turned down his appointment of Charles Beecher Warren of Michigan as Attorney General.

ALTHOUGH THE house of Representatives is flatly on record in favor of American entrance into the World Court, it appears that there will be no action by the Senate on this Proposition during the present short session despite the renewed demand by the President for action. The trouble in the Senate is that there are too many factions each with its own private idea of how the United States ought to join the International court.

FRANK KELLOGG should become a popular Secretary of State, regardless of the source of the earthquake has been traced to Quebec, so we suppose some posterion encountered leech on the side walk there, too.

FIRE DEPARTMENT CALLED TO COMMUNITY BUILDING Some excitement was caused on Saturday afternoon when the contents of a rubbish can in the basement of the Community Building, caught fire. The "fire fighters" took charge of the situation in short order. No damage was done.

A COMBINATION church and office building is being planned by the building committee of the First Congregational church of Washington. President Coolidge's church. The new structure is to be ten stories high according to tentative plans, with the church occupying the first two or three floors and with the rest rented out to doctors, lawyers and other professional people. It is thought that a building of that kind will enable the church to pay its own way without making repeated financial appeals to the membership.

CHIROPRACTIC IS RIGHT

Nature is the Chiropractor's only aid—adjustments remove the pinch on the nerve and enable Nature to do her part to make and keep the body well.

Ninety-five per cent of diseases are due to pressure upon nerves along the sides of the vertebral column. This pressure interferes with their functions; hence inflammation, unnatural action pain and distress are manifested where these nerves end. All diseases are prolonged until pressure upon these nerves leading to the affected parts is adjusted. It is the business of the chiropractor to release this pressure with the hand, the doing of which has never been taught in other schools, nor practiced by them.

Ancient methods and cure-alls put but little check on disease. Times have changed and science is progressing.

Chiropractic adjustments, relieving nerve impingement, permit Nature to remove the CAUSE of disease and correct abnormalities without the use of drugs.

Consultation and spinal analysis free.

We studied and we examined A whole book in one night. Imaginary questions "bout Governmental right.

"Know your Civics!" next day was the cry.
"Holy Heck no," each one answered As they thought of by and by.

Civics class assembled.
Mr. Strickland took his chair.
Each Senator had his breath,
To speak, he did not dare.

Then in a voice that was in size
Like the Whale that swallowed Jonah
As it echoed round the room.
He cried, "The Test! I ain't a scound!"

Music vs. Vegetables

"What are the schools coming to anyway? Now my girl's teacher wants to know how many carrots in a peck?" exclaimed an irate mother over the telephone to the principal.

"I'll investigate," answered the principal. He did. The teacher had asked the pupils to find out how many beats in a measure.

REV. COLENZO SPEAKS AT H.S. ASSEMBLY

A very interesting talk was given by Rev. Colenzo at the regular semi-monthly Senior High School Assembly. His subject was "Common Courtesy."

Mr. Colenzo discussed some of the more common elements of etiquette in which he are to a great extent lacking today, and brought home to the students in a very forcible manner the necessity of common courtesy at least.

Use Doan's Pills stimulant diuretic to the kidneys.

Hosts of people recommend Doan's. This is a Gladstone case. You can verify it.

John Erickson, prop. barber shop, Delta avenue, residence, 810 Dakota Ave., says: "I had a dull, nagging ache through the small of my back and when I bent over to pick up anything, sharp, cutting pains darted across my kidneys. My kidneys were weak and acted irregularly. I certainly felt miserable and all out of sorts. After using three boxes of Doan's Pills from Erickson & VonToll's Drug Store, I was soon fixed up in good shape." 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

NAHMA LEGION VS. GARDEN

In the roughest game ever played on the Garden floor, Garden downed Nahma 22 to 11. The visitors passing was far superior to the home team but they lacked the eye to get baskets. La Valle scored 16 points for the Garden team, Tafrow 4, Dotseh 2. Time out was called frequently on account of knockouts.

On Friday and Saturday of this week basketball fans can see six good games of basketball. Rock, Perkins, Kipling and Cooks will be the visiting teams. Tickets are being sold by the high school students. Loving cups for 1st and 2nd place will be given and the tournament basketball to the winner of 3rd. place.
