TWO KINDS OF TRAGIC ACCIDENT

ALICE CAMERON, AND SAMUEL RANQUETT RECEIVED DEATH

Miss Alice Cameron, 24, and Samuel Ranquette of Escanaba met a tragic death at an early hour Thursday morning when the car in which they were returning to Gladstone, crashed into the switch engine at the intersection of the track and highway near the ore docks at North Escanaba. The car was struck with such force that the motor was shoved through to the back of the car, where coming in contact with the gas tank the car immediately burst into flames. The two occupants were pinned and no means of escaping the horrible death that awaited them.

Rushed to St. Francis Hospital it was found that Miss Cameron's lower limbs were severely bruised by her hips and she suffered a fractured skull. Her brother Percy Cameron and sister Mrs. A. Seubert of Gladstone were notified of the tragic accident and were their sister until death relieved her suffering about 8:30.

Samuel Ranquette received a fractured skull, received a fractured skull, his death came two hours later. His hopes had been held for the accident victim. Miss Cameron did not even gain consciousness.

The young woman is survived by her mother, Mrs. W. A. Cameron, matron of Good Will Farm at Houghton who arrived Thursday afternoon, one sister, Mrs. A. Seubert, formerly Miss Marian Cameron, five brothers, Percy and George of this city, Wallace, who has been employed recently at Watertown and arrived Thursday, Howard of Buffalo, New York and Evan of Metamora, Michigan, who is expected for the funeral. Funeral arrangements were not definite at this writing, pending word from the relatives. It is probable that the funeral will be held Saturday afternoon from the Alice Memorial Methodist Church. Rev. H. W. Coleman will officiate. Interment will be made in the family lot at Fernwood Cemetery.

The body was removed to Swenson Bros. Undertaking Parlor for preparation for burial. The young woman is a graduate of Gladstone High School with the class of 1922 and has since been making her home in this city. Since April first she has been employed at the Soo Line Office in the capacity of stenographer.

Mr. Ranquette leaves a wife and two children residing at Escanaba. His car completely burned. Only pieces of screen and iron remained, visitors to the scene of the tragedy. With the almost immediate explosion of the gas tank the car was demolished within a few minutes. The accident occurred between two and three a. m.

SUMMER SCHEDULE OF MASSES BEGINS SUNDAY

John Mallongree Has Wired Important Buildings And "Turned on" Lights For Over 18 Years

John Mallongree, who has been an electrician in Gladstone for the past eighteen years, has wired many of the important buildings in this city, and throughout the county. His last big job was the new home of J. T. Jones at the corner of Wisconsin and 6th streets. Buildings of importance that he has wired include the Junior High School, Third Ward School, Finck's Sanatorium at Powers, Hermansville, High School, Soo Line Round House, Riato building, First National Bank, Rapid River Commercial house, Keefe Store, and the Saw Mill at Manistique. Mr. Mallongree has wired the electric of the later homes in Gladstone.

He received his first experience in the electrical line working for McLauren and Needham of Escanaba, who conducted a store in the Krantz building where Peterson's Flower Shoppe is now located. He worked for them for four years, spending all his spare time trying to master the trails of the electrical line. He spent his nights as operator of the movie picture machines at the Opera House and at the Grand Theater, then the prominent show houses in this city.

In December of 1913, he and Joseph Cagnon purchased the business of McLauren and Needham. Mr. Mallongree was the electrician and left Mr. Mallongree alone in the electrical business. In June 1917 he moved his store to his present location.

Says Work Not Dangerous

Most people have an erroneous idea that the electrical work is the most dangerous kind there is.

"They think so, because they don't understand it," Mr. Mallongree said. "It has its dangers of course, but no more than is to be found in any other occupation."

The work of a lineman, Mr. Mallongree pointed out, has many dangers, including the possibility of being struck by lightning, or falling from a high place, usually during storms, when breakdowns in the wires have been caused. They are forced to work in all kinds of weather conditions and often times during the night.

Mallongree has had experience in this phase of electrical work also. He has taken care of the service calls for the Rapid River Light and Power Company for the past ten years, and knows how it feels to repair breakdowns in a drenching rain, or in the middle of the night.

"Lights Are Out"

"The greater percentage of the work is in installation jobs, rather than in the maintenance of the same." (Continued on page five)

EDITORIAL controversies are not editing, and yet if they will serve to concentrate attention on topics of the day...

Our young editorial friend of the Gladstone Reporter is rapidly becoming one of the most persistent critics in the newspaper fraternity...

Perhaps we shouldn't go on to say what it is all about, nor attempt a rejoinder in fear of being labeled more persistent than ever...

And by the same token, we suppose, according to our young friend, we should do nothing toward restraining murder, highway robbery...

Murder, highway robbery, and many other such crimes have been committed for years and yet we do not find that the human family is getting any better...

Our editorial friend in the above distortion makes the same mistake as all advocates of prohibition. He makes it a criminal offense to commit murder, robbery and other major crimes...

same way every crime must be combated, even to a too free use of intoxicants. But the present campaign against violators of the liquor laws is a farce. The drinkers are not prosecuted because no court has as yet upheld any attempt to curtail personal liberty...

What do we suggest? If we had our way, liquor would be so plentiful and so cheap, there would be little profit in handling it and drinking it would be so common...

Just as a means of showing that editors may disagree and yet remain on speaking terms, let it be said that this writer has accepted the invitation of Editor O'Brien to attend a dinner at Iron River...

The meetings have been arranged semi-annually as a means of talking over affairs of mutual interest, and have proven most helpful to those attending.

Editors may not agree on all things, but boy, when it comes to restraining murder, highway robbery, and the many other crimes which continue day in and day out throughout the entire country...

AUDITOR General O. B. Fuller, upon Michigan's reliable official, has lost the suit started against him by Ed. A. Nowack of the Michigan State Digest...

There were many ovations during the speeches by political splinterers at the Republican convention down in Kansas City this week, but listening in on some of the speeches...

MAN SAVES BOY FROM DROWNING

ALFRED ROBERTS NEARLY DONE FOR WHEN FRANK HRUSKA RUSHED TO RESCUE

Alfred Roberts, age 10, son of Mr. and Mrs. Alex Roberts had an experience Sunday set him to remember when he was saved just in the nick of time from drowning. With a number of other little playmates, Alfred was playing and fishing from the mill dock. Becoming more venturesome than the other boys he went out on a log extending from the side of the old dock. After nearly reaching the end of the log and lifting himself one to turn about to return to the dock he slipped and fell into the water. He managed to pull himself up on the log once but slipped back again. His playmates attempted to reach him but were unable to do so, and also tried to get him out on a pole shoved out to him. None of the boys were able to swim and were all afraid of getting in with the same danger Alfred was in.

Frank J. Hruska of Nahma was in a boat some distance away from the dock fishing when he heard the first terrified screams of the boys. Knowing that the boys had been playing around the dock and that one or more of them had fallen into the water. Rowing with all speed possible he reached the boy just as he had his hold on the log and his second fall in the water. The water soaked clothing and shoes of the boy had become so heavy that much for him and he could hold on no longer. Mr. Hruska pulled the boy into the boat and lifted him on to the dock. Alfred was able to walk to his home but spent a very restless night due to the excitement and fright from his experience.

CLASS OF 1928 GIVEN DIPLOMAS

SENATOR H. J. RUSHTON GIVES INSPIRING ADDRESS TO GRADUATES

Long hours of hard work in preparation for the graduation of the class of 1928 and the closing of school ended for teachers, parents and students alike Wednesday evening when the graduation class were presented their diplomas by Senator H. J. Rushton at the conclusion of an interesting program held in the high school gym.

Atty. H. J. Rushton, of Escanaba, delivered an inspiring address to parents as well as students. His message to the students on their future conduct in the business and professional world and his advice to parents as well as attentively listened to and deeply impressed all.

Miss M. E. Peterson sang "The Spirit of Spring" in her pleasing voice and responded with another number after much applause. The Wolverine orchestra under the direction of Charles Johnson of Escanaba gave an interesting program of music, opening with an overture followed by another number with the graduates marching into the auditorium and taking their places on the stage.

The Baccalaureate services were given in the high school auditorium Monday evening with Rev. Robert Grant of Gladstone as the speaker. His message to the class was for them not to seek the worldly things but to also remember the spiritual as well.

The Class Night program on Monday evening was featured by the singing of the girls chorus. They were forced to respond to every number several times to appease the packed audience present. The graduates put on their little skit of Class history, prophecy, will, etc. in good style and produced much laughter and applause.

All grades and high school students enjoyed a picnic Thursday, some of the grades going to the Rapid River Falls and the high school students going to Gaults.

All the teachers residing out of town left for their homes Thursday evening. Herbert A. Nelson going to his home at Ogema. Wm. Miss Marie Bachm, Libertyville, Ill. Miss Anna M. Kelly, Williamsburg, Va. Miss Mary Luttre, Menominee, Mich. and Miss M. E. Peterson, Sault Ste. Marie, Mich. All the teachers with the exception of Miss Kelly will return tomorrow. Miss Kelly has accepted a position near her home in Iowa.

SCHOOL ELECTION IS QUIET AFFAIR

FINANCIAL STATEMENT ENCOURAGING SHOWING \$6,000 IN DEBT CUT

The school election held Monday for the selection of two trustees was a very quiet affair, less than 40 voters being cast. There was no opposition to the two candidates Dan Oberg and Neil D'Amore, who had announced their declaration some time ago. The new board will hold a meeting within a week for organizing and election of officers. The membership will be Herbert A. Harris, Alex Robertson, Carl O. Carley, O'Neil D'Amore and Dan Oberg.

The annual business meeting of the school board was called at 8 o'clock. The financial statement for the period from July 11, 1927 to June 9, 1928, inclusive, was read by the secretary, Alex Robertson. The report of the financial conditions of the township school district is not long and can be easily understood. Copies may be had upon application to the secretary and all taxpayers should closely examine the statement to see for themselves the favorable showing made by the school board during the past year. A more complete report will be made at the end of the school year, June 30. This annual report will be given general circulation.

The total operating receipts of the eleven months from July 11, 1927 to June 9, 1928 were \$13,887.84. The expenditures during this same period were \$26,242.65 leaving an operating surplus of \$7,745.19. A summary of the debt reduction is as follows:

Debt July 11, 1927.....	\$34,838.08
Debt June 9, 1928.....	26,735.80
Reduction.....	\$ 7,403.29
Cash bal. June 9, 1928.....	341.91
Operating Surplus.....	\$ 7,745.19

In addition to the present indebtedness of \$26,735.80, there will be due for June salaries for teachers and janitor, \$1,550.00 to take care of which money will need be borrowed. This would still show a reduction of more than \$6,000.00 of the school debt in one year. No bills to speak of outstanding and \$90.00 in tuition is due the township from a neighboring township.

The taxpayers at the business meeting authorized the school board to dispose of the Whitefish school building and grounds at the best available offer.

Allen Johnson has purchased a Ford coupe from Edwin J. Lind.

Miss Emily Rabideau accompanied by Miss Carolyn Miller of Gladstone motored to Marquette Sunday for a visit with friends.

Robert Vietzke of Milwaukee arrived Sunday morning for a week's visit at the home of his parents, Mr. and Mrs. William Vietzke.

Miss Ruth Bjorkman who is employed in the State Savings Bank at Ewen, Mich., spent the week end with her parents, Mr. and Mrs. August Bjorkman.

Joseph Parent, local conservation officer, attended a conference of conservation officers at Escanaba Monday. George R. Hogarth, director of conservation, was present at the meeting.

Mrs. John Bresadole returned to her home at Milwaukee Monday morning after a visit of several weeks at the home of her parents, Mr. and Mrs. J. A. Forest. Mrs. Bresadole was accompanied by Miss Margaret Bresadole of Hartley, Wis., who has been visiting here for the past week.

Arthur J. Martin suffered another paralytic stroke since moving to their home near the Henry Martin farm. He was unconscious for three days and his condition was very serious. Mr. Martin is an ex-teacher and last fall returned from the government hospital at Waukegan where he was confined for more than a year.

Mr. and Mrs. Fred Langberg of Gladstone spent Monday evening here with friends.

Adolph, a nephew of Mrs. Ingrid Person, arrived Saturday from Sweden and will leave today for Chicago where he will make his home with a brother, Gunnar Swanson.

Mrs. George LaBumbard was taken to the St. Francis hospital Wednesday morning suffering from an attack of appendicitis.

Draggy Power

YOU know how it seems when you've just had the carbon taken out and the valves ground—maybe the timing pushed up a wee bit ahead. How it jumps when you step on it—how it takes the hills—and gives the other fellow the dust!

Why, you wonder how you let that valve job run so long. That stepped-up power feeling is worth dollars and cents to you in tickled satisfaction alone!

There's the same brisk exhilaration when you step from the drabby, jaded dullness of cheapened gas to the up-and-dusted sprightliness of Wadhams 370. You get the same worth-its-cost-and-then-some feeling of lightened heels and abounding energy. You marvel that you put up with poor running so long.

Here's your test today! Let a good motor man key down your carburetor to where it sputters and pops with ordinary gas—too thin a mixture, in other words. Then fill with

Wadhams 370

—the Year-Round Gasoline

No more popping or backfiring! The greater proportion of air with less gas is just right for "370". Right away you begin getting back the slight additional gallon cost of better gas. And with it, that sparkling, eat-up-the-road eagerness that shakes up the old adventurous corpuses in your red blood. You'll show 'em!

You've left kerosene behind as a motor fuel — you're done with its dullness and its motor danger — done with its oil-diluting ravages under the mask of false economy. On pocket book and power — no more drag for you!

Every comparison and every test proves conclusively the savings and the satisfaction of Wadhams 370. Every season, year-in and year-out, its steady use is the soundest motoring investment you can make.

BLIND MAY READ ORDINARY PRINTED MATTER BY NEW DEVICE

New York City—A new apparatus, combining the principles of radio, the television and the selenium cell, with which a blind person may read from books, magazines and other printed matter, was demonstrated by its inventor, Robert E. Naumberg, of Winchester, Mass., in New York, recently. By a complicated action of a light cell the shape of the letter is magnified and transferred to a moving steel rod which shapes them. A blind person need only to grasp the rod lightly and the letters of the words will be formed in his hand.

Belen-Miller Nuptial. Miss Fern Belen, daughter of Mr. and Mrs. Robert Belen, became the bride of James Miller, son of Mrs. Fred Miller, of Renton, Thursday morning at a nuptial High Mass at seven o'clock. Rev. S. Maier performed the marriage ceremony.

Attendants were Miss Antonette LaPine, school mate of the bride, and John Norton. The bride made a charming picture dressed in a beautiful gown of pale blue georgette with ribbon hat to match. She carried a bouquet of bride's roses and wisteria tied with a bow of white chiffon. Her attendant, Miss LaPine, wore a dress of pink georgette, with hat of a pale green shade. She also carried an arm bouquet of roses.

A wedding breakfast followed at the bride's home on Voorhis Avenue, with covers laid for relatives and the bridal party.

Mr. and Mrs. Miller left at once on a ten day motor trip to visit Chicago, Milwaukee, Detroit and cities in Indiana. They will return to make their home at Renton, where the groom is the proprietor of the Renton General Store.

The bride is a graduate of Gladstone High School and of the Northern State Teachers College at Marquette. She has been teaching during the past year at Renton and also taught a year at Issaquah and Peroville. She has a host of friends in Gladstone who have been pleased to extend their congratulations.

REGINALD DENNY IN HIS LATEST COMEDY AT RIALTO

Motion picture followers all over the country are welcoming the return of the ever-popular star, Reginald Denny, to the role of a boxer in his recent Universal picture "On Your Toes." The enthusiasm aroused over Denny's portrayal of a fighter in the "Leather Pushers" has never quite died down although the series has been released for some time.

There is no doubt, therefore, that many persons will await with eager interest the opening of his latest screen hit at the Rialto Theatre where it has been booked as the feature attraction commencing Sunday. Reginald Denny is familiar to every movie patron in the world; it is said, through his numerous screen successes, but in this newest and greatest comedy he surpasses everything that he has given film audiences in the past. "On Your Toes" is now showing over the country and is raising the high standard of entertainment set by the most successful season in the history of the motion picture industry.

Universal has selected the finest cast it could assemble to support Denny. Barbara Worth, the leading lady, is one of Hollywood's most beautiful and charming women. She is a worthy opposite for the handsome Denny. Mary Kay, the screen "best-known mother," has a featured role. Others in the cast are such players as Hayden Stevenson, Frank Hagney, and Gertrude Howard. Frank Newmyer wielded the megaphone.

SISTERS MUSIC CLASSES CONTINUE FOR SUMMER

Sister Adrian has announced that music classes will continue as usual during the summer months. A number of the sisters are leaving to take summer school training, but the music instructors will remain in Gladstone, and their classes will continue as usual.

Republican Nominee for President

Friday will decide "Who's Who" of the probable Presidential nominees at the Republican National Convention. It looks very much as though Herbert Hoover has the nomination clinched on the first ballot. Names presented to the Convention were certain to include Frank O. Lowden, Senator Watson of Indiana, Senator Curtis of Kansas and Senator Goff of West Virginia.

JOHN MALLONGREE HAS WIRED MANY BUILDINGS

(Continued from Page One) than repair jobs," Mr. Mallongree said. "Repair work amounts to very little. Usually the jobs are a matter of only a few minutes work. Promptness is what most people want however. They call you, and expect service at once."

"About the easiest repair job I get is that of turning on lights for folks. My lights are out," or "The fuses are burned out," they phone me all in excitement, and I rush down there to find that they have the lights shut off. All I have to do is turn the switch for them." This happens quite frequently, Mr. Mallongree stated.

In the case of wash machines Mr. Mallongree has made a practice of servicing all that he sells, and he finds that women learn the electrical trade mighty fast. Having a wash machine for a month they know exactly what attention it needs when they call him to repair it for them. Sometimes they're right, but most of the time they're not.

Electrical Set, Popular

Speaking of the radio business, Mr. Mallongree said of the electrical set: "It has almost completely replaced the battery set in city homes. In the rural districts where electrical connections are not available, the battery sets of course are serving. The electrical set requires practically

no repair work, while the battery set needs constant attention."

Mr. Mallongree spent his boyhood days in Gladstone, coming here with his parents from Hermannville at the age of ten years. He attended local public schools. Upon reaching manhood, and deciding his vocation, he learned his trade locally and the home town has provided his opportunities through the years that followed.

MY DOG Kathryn Mehr

I told my troubles To the wind, one day. He laughed at me And blew away.

I told my troubles To a friend, on day. Said he, "That's life" And went his way.

I told my troubles To my dog, one day.

He looked at me in such a way That plainly said, "I'll never stray— Your troubles are mine and mine are yours. Tell me them always while life endures."

So now my dog is my confidant And a finer one I could not want.

Attacked Woman
ESCANABA—Lester Paulin, 21 years old, 306 North Eighteenth St. confessed that he criminally assaulted Mrs. Carl Johnson, 130 North Eighteenth street, after he had induced her to take a ride in his automobile through a clever ruse. The confession was given to Sheriff Elmer Swanson, Chief of Police John Tolan, and Prosecuting Attorney Glenn W. Jackson at the county jail after a brief questioning. Fear of mob violence following reports that citizens were becoming aroused over the crime, the officers removed Paulin to the Menominee county jail. He is being held under \$10,000 bonds on a charge of assault.

Mr. and Mrs. Thomas Jachor have returned to Gladstone from Manistiquie following the funeral of Mr. Jachor's mother.

Totally Lost
"I'm having a terrible time teaching that youngster of mine right from wrong," complained Myra, a young mother.

"Why, my dear?" ejaculated Myra's dearest friend and severest critic. "Have you forgotten entirely"—American Legion Monthly.

OLD RIVALRY BEAT LOCALS IN OPENER

Gladstone almost got away with the first game against Escanaba to its credit last Sunday afternoon on the local diamond, and in the ninth inning the visitors rallied and when the dust had settled they had scored five runs, which with the one scored in the seventh gave them a total of 6 and a lead of four as Gladstone had scored but twice up to that time. The locals made a game fight in their turn at bat in the final stanza, making two runs on a double by Burroughs and a single by Geraldine, followed by an error and a fielder's choice, but Escanaba managed to make the third out before any greater harm was done, finishing the game 6-4 in Escanaba's favor.

Mervin Kircher's home run started the scoring. The visitors in the fourth inning and Lefty Geraldine followed with a three-bagger, scoring on a wild pitch. With Walter Vandeweghe going at top speed, the runs looked good but not after the Escanaba rally in the ninth inning already told about.

Next Sunday Gladstone will play at Nahma in the second league game of the season. Nahma beat Wells last Sunday so a hard game is expected.

Following is the box score:

MRS. A. Z. WHITE LAID TO REST

Mrs. A. Z. White, 76 was laid to rest in Fernwood Cemetery Monday morning following a solemn requiem high mass at All Saints Catholic Church at nine o'clock. Rev. S. Maier was celebrant, and Rev. Raymond Bergson, assistant pastor at St. Patrick's church of Escanaba served as deacon, with Rev. Anthony Waechter, assistant pastor at St. Anne's church, sub deacon. Pallbearers who carried the body to its last resting place in Fernwood Cemetery were H. E. Hie, Jake Naizger, John Murdoch, Steve Carter, W. O. Baldwin, and William Pearson, of Kenosha.

Mrs. White was a charter member of the Sacred Heart Order of the Women Catholic Order of Foresters and the members of that organization attended the services in a body. Rev. S. Maier in his sermon paid a fine compliment to the high and noble traits of her character and gave her life as an example of fine Christian living.

Mrs. White passed away at her home at 22 N. 7th street Thursday morning of last week, following a short illness. She has been in ill health for a long time, suffering with frequent attacks of asthma, but had been up and feeling quite well until only two days before her death came.

Out of town relatives who were here to attend the funeral were one brother, William Beirne, three nephews, John, Joseph, and William Beirne, a niece Miss Margaret Beirne all of Fond du Lac, nieces Mrs. J. A. Anderson of Port Huron, Michigan, Miss Margaret Morrison of Escanaba, Mrs. Clifford Bushie of Green Bay, and Mrs. Lee Hanson of Fond du Lac. The following list of town friends attended the services: Mrs. and Mrs. Joseph Cousina of Trecey, Mrs. Kate Conzidine, Mrs. Peter Garrity, Mr. and Mrs. Thos. McDonough, Mr. and Mrs. Herbert Barry, Steve Murphy, Miss Hannah Dalton, of Escanaba, Mrs. I. J. Harlin of Fond du Lac, Mrs. William Rogers, daughters the Misses Lillian and Myrtle and son Earl of Appleton.

Mrs. White has been a resident of Gladstone for the past forty years, and her kind and loving disposition and desire to be of service to her fellowmen endeared her to many.

The church was crowded with sorrowing friends and relatives at the funeral service on Monday, and while the body lay at her home on 7th street many friends called to express their sympathy. Many beautiful floral and spiritual offerings were received.

STATE FERRY BUSINESS SHOWS JUNE INCREASE
 The business of the state automobile ferries at the Straits of Mackinac is showing a satisfactory increase over that of 1927. Receipts for the first ten days in June were about \$1,000 over those of a year ago.

The new ferry Straits of Mackinac will leave Detroit under command of Captain Gerald Stufflebeam June 17 and will be placed in commission at the Straits shortly thereafter. Prospects for a season's business of over 100,000 cars by the three ferries are considered good, as against 92,000 cars handled last year by two ferries.

H. H. Albin motored to Nahma on business Wednesday.

LADIES AID ASKS FOR OLD NEWSPAPERS

The Ladies Aid Society of Westminster Presbyterian church is making an effort to gather together a cartload of old newspapers and magazines, and they have requested that anyone having this material to donate to them leave it on their front porch next Tuesday, and a truck will call for it.
 At this season of the year, and during house cleaning time, housewives are usually glad to dispose of their old newspapers and magazines

W. S. Skellenger will be the speaker at Special services conducted by the Epworth League at Alice Memorial Methodist Church Sunday evening. The service will be at 7:30 and take the place of the usual evening service.
 Vocal solos will be given by Lawrence VanHorn and the Misses Aileen Hufford and Josephine Mackoon.

JUNIOR EPWORTH LEAGUE ENJOYED FINAL PICNIC

The Junior Epworth League of Alice Memorial Methodist Church held their closing gathering for the school year Thursday afternoon at the Tourist Park. A picnic luncheon was served, and games were led by Rev. H. W. Colenso.
 Mrs. F. F. Cowen was in charge of the outing. Sessions of the League will be resumed at the opening of school in the fall.

SUES "ANDY GUMP" CARTOONIST FOR A \$1,000,000

David A. Hoag of Canadigua, N. Y., who claims to be the original of "Andy Gump" of cartoon fame, has filed suit in the Supreme Court against Sidney Smith, the cartoonist, seeking \$1,000,000 for what he alleges is a violation of his facial copyright. The comic strip is said to have brought "bitter, contempt, ridicule and obloquy" to Hoag, in addition to injury to his business and several other things.

STUDENTS RECEIVE DIPLOMAS, AWARDS

(Continued from Page One)
 Play Presented
 A play, "Play Save the Day," presented by the graduates pleased the audience. The action of the play centered around the efforts of the 8th grade class to find the traditional spade of the Fox court school which has been hidden by the Freshman class. The finder of the spade had the honor of crowning the May Queen. Things looked dark for the 8th graders, but through a clever concealing of the original spade and submitting another in its place the real spade was brought forth at the crucial moment, and the 8th grade claimed the honor.

Those taking part in the play, all of whom are deserving of credit for the way they handled their parts, are Adelaide Raiche, Melinda Delorier, Beulah LaCasse, James Cannon, Raymond Weinsinger, Dorothy Miller, Margaret DeMenter, Eleanor Royer, Olga Stanich, Harold McGee and Leo Weinsinger.

Dance Numbers were given between acts by pupils of the High School physical training department under the direction of Miss Lucille Webb.
 The program was enjoyed by a large audience, and the Sisters and their pupils are deserving of praise for their fine work.

ANNUAL SUPPER, JUNE 20
