

Ore carrier avoids gales

PLAYING IT SAFE - The ore carrier Brookdale lies in a protective harbor about one-quarter-mile south of Thompson.

According to the U.S. Coast Guard in Escanaba, who made contact by radio with the boat, Tuesday it was waiting for gale warnings on Lake Michigan to subside before making its trek to the lower lake.

The boat is a 504-foot, 9,000-ton self-unloader owned by a Canadian firm. It was built in the early 1900's and for the last several years has been making about 100 trips per year out of Port Inland.

Mr. Bunyan won't be cut down

The Manistique City Council Tuesday granted a short reprieve to landmark figure Paul Bunyan after passing a motion to provide temporary repairs to the 17-year-old structure.

The community sign was built by the Manistique Centennial Committee in 1960 and presented to the city.

City Manager Robert Risik proposed to the council that until such time when it is determined exactly where the new US-2 will be located, the figure should be maintained and a final decision postponed.

Risik told the council that it could probably be repaired for under \$1,000. He indicated that HUD money may cover the cost of the repairs.

In related action, the council approved a motion by Councilmember Mary Moffat instructing the city manager to draft a letter to the state protesting any possible bypass of Manistique by a new US-2 route.

Moffat was referring to a route suggested by the Michigan United Conservation Clubs that would bypass Manistique entirely.

Risik said after looking into the matter and making sure that it is a legitimate proposed route being considered by the state, he would send the letter.

In other action, the council: -heard a report from Risik on new funds made available from the Environmental Protection Agency. Risik said the grant would cover 75 percent of the cost involved in repairing existing sewer lines.

The city would pick up 20 percent, with the Department of Natural Resources filling in the remaining five percent. -approved letting bids for landfill operations. Risik said the council should ask for one-year contracts with an option for renewal.

Councilmembers asked Risik how present landfill operators are doing and if there is a way to measure the quality of work that is performed.

Risik told them that the landfill must be operated under strict guidelines. He added that present operators have been commended by various state agencies on the improvements in landfill operations.

Township projects OK'd; 1977 tax levy adopted

Three of eight requests for federal Title VI CETA funds were approved by the Schoolcraft County Board of Commissioners Tuesday night.

The largest request came from the Schoolcraft County Townships Association, which asked for \$48,409.25 to extend current projects one month, to Dec. 17, and fund 30 new projects next summer.

Louis Lauzon, president of the association, said the money will be added to \$38,000 approved this year for cemetery and park work in the townships, and also would be used to pay for three recreation directors for the summer season, June 1-Aug. 31.

Currently, 14 CETA employees are working on township projects.

Commissioners approved the additional funding, to be taken from \$121,000 earmarked for new public service projects in the county. The money will be available only until the first month of 1978, according to Steve LaFond, of the Six-County Consortium for Public Service Employment.

The board also approved a one-year slot for a family living assistant in the county office of the Michigan State University Extension Service, at a cost of \$8,987.88.

Also gaining approval was a request to microfilm county records and prepare abstract file cards at a cost of \$7,700.

1977 Schoolcraft County Tax Levy

	Factor	Mills
City of Manistique	1.16	36.72
Doyle Township	1.10	39.02
Germfask Township	1.48	38.02
Hiawatha Township	1.20	38.02
Inwood Township	1.04	43.66
Manistique Township	1.40	38.02
Mueller Township	1.00	38.22
Seney Township	1.09	33.64
Thompson Township	1.62	39.02
County's State Equalized Valuation:		\$65,064,278

The following projects were rejected: -a Community Action Agency request for \$3,256 for an eight-month slot for a person to conduct a Head Start bus survey on how long bus trips affect learning.

-FOUR requests from the Schoolcraft County Commission on Aging. One was to pay \$7,651.68 for a dispatcher and telephone clerk for an elderly and handicapped transportation service. Another called for \$3,826 to pay a needs assessment and forms clerk on a part-time basis. A third request was for a masseur to be paid \$12,269.86 for a one-year program. The other request was for a public relations

person, \$10,203.64 for 12 months.

In other business, the board also approved two major resolutions at the statutory meeting. Commissioners accepted the 1977 millage levy to be spread on the county's \$65,064,278 State Equalized Valuation.

Millage rates and factors for this winter's tax bills were adopted as shown in an accompanying table.

The board also adopted a resolution directing the county drain commissioner to determine a winter level for Indian Lake, repair the present old brewery dam or construct a new one and create a special assessment district to bear all expenses.

The document specifies that the financial obligation will rest with "those land owners and governmental units as may be determined to be benefited by such actions by special assessment and not be borne by the county of Schoolcraft as a whole."

The action followed a special meeting on Oct. 4 at which time citizens urged the county board to assume control of the project.

The board also: -rezoned a strip of land 500 feet deep along the south side of highway US-2 in

Doug Rose

Bob White

Council numbers three with two resignations

Manistique City Council numbers have officially dwindled to three after the council accepted the resignations of Councilmen Doug Rose and Robert White Tuesday night.

Eight-year veteran councilman and Mayor Pro Tem, Doug Rose, announced his resignation Friday following his appointment as Central Office Supervisor for the Gaylord office of General Telephone Company of Michigan.

First-term councilmember White also announced his resignation Tuesday night. White listed his reason for resigning as having moved out of the city limits.

The council moved to accept each resignation with regret. Replacements for the two are being sought by the council with appointments to the vacancies expected to come at its next regular meeting.

Mayor Frank Hewitt called White's presence on the council a "stabilizing effect" and said that Rose has been a "parental figure" guiding us through "turmoil."

Other councilmembers also expressed their regret over the loss of the two men. Appointments to fill the vacancies of the 199 seats will last until April, 1978 at which

time a general city election will be held. Under city charter, appointees may hold office until the next general election, when any vacancies are filled by election for their remaining terms.

Councilman Rose's term as scheduled to expire in April. That seat will be available for a full term.

Councilman White's term was scheduled to expire in 1980.

Councilwoman Mary Moffat will also face an expired seat next April. Moffat was appointed last fall to fill the vacancy created by the resignation of Harold Becks.

Rose, 34, Monday assumed duties at his job in Gaylord. First elected to the council in 1970, he served as mayor from 1970 to 1972. He was re-elected as councilman in 1974.

He and his wife Carolyn have two boys, Steven, 8, and David, 6. Mrs. Rose and the children will stay at the family's Manistique home until they find housing in the Gaylord area. They have lived in Manistique for 10 years.

The council will meet next Thursday night, Oct. 20, to interview possible candidates for the two vacancies.

County to receive \$66,000 grant

Gov. William G. Milliken announced last Thursday that Schoolcraft County will receive payments totaling more than \$66,000 from the federal government to replace tax revenue lost due federal ownership of lands within the county.

Payments are being made directly to the county.

"Since the federal government does not pay local taxes," the Governor said, "this

system is required to compensate local units of government for lost revenue. The result will be a reduced tax burden on those private landowners within the local jurisdiction."

The governor also said the State of Michigan has made payments in lieu of taxes for many years on lands owned by the state.

Dewey appeal filed on murder conviction

An appeal has been filed for William R. Dewey, convicted in Manistique last fall of the 1975 slaying of a Gaylord St. Mary High School graduate.

According to Grayling attorney Terrence Bloomquist, quoted in the Otsego County Herald-Times, the appeal has been filed with the Michigan Court of Appeals. Bloomquist is Dewey's court-appointed attorney.

Bloomquist said he anticipated receipt of a transcript of the eight-day trial within 30 days. He will then have to review it for specifics on which to base his appeal.

Dewey was found guilty in October, 1976 in the second degree murder of Ricky V. Welsh, 17. Twelve jurors from Schoolcraft County delivered the unanimous verdict after deliberating for 13 hours.

The trial was transferred from Gaylord to Manistique on a change of venue because of pre-trial publicity in the Otsego County area.

City gains grant

The water pollution clean-up project in Manistique has received additional funding, according to Congressman Phil Ruppe, R-Houghton.

The latest grant of \$1,255,000 has been approved by the Environmental Protection Agency as its share in the construction of the city's comprehensive sewer project.

The federal government is paying the entire cost of the project with other funds coming from the Economic Development Administration and the Farmers Home Administration.

The project includes construction of a new secondary waste water treatment plant, repairs to existing sewer lines and rehabilitation of the city's sewer collection system.

Long, long hike

If you noticed two backpackers trudging along highway US-2 this week, you saw some long-distance trekkers.

The two were hiking from Ludington to Green Bay, according to persons who talked to the ambitious backpackers.

Board ponders new girls' sports

The Manistique Area Board of Education Tuesday accepted the athletic booster club's offer of \$772 to finance freshman basketball for the coming season.

Jessie D. Schnurer, of Route 1, who represented the club at the board's regular meeting, said it was the consensus of the club that the next sport for which to pick up the tab would be freshmen wrestling.

However, Schnurer said the club wanted to consider each sport one at a time.

The action brought the topic of equal sports for boys and girls to the attention of the board.

Margaret Waters, the board's secretary, said she felt there should be some equalization of sports as far as time and money spent.

She said she also had been receiving phone calls saying that not enough attention was being paid to girls' sports at the high school.

Waters said she felt the girls should have more sports in which they can compete. It was mentioned that the girls don't have enough opportunities to earn a major sports letter.

The board discussed different sports that might be offered to the girls. Swimming, because of the school's already existing facilities, and gymnastics, because of girls' aptitude for it, received favorable mention.

Superintendent Richard Bonifas said that if gymnastics was started, the program must be top caliber.

"I think that educators and the school board tend to want to do things when they can't do them right," he said.

"You better have a good gymnastics person or you better not compete -- because that is a very difficult sport," he said.

However, Bonifas noted that under Title IX (equal sports law), equal payment for sports is not required.

"The law doesn't say you have to have it," he said.

Coach Dan Skatzka, who attended the meeting, said that logically the next sport to start would be girls swimming because of low equipment cost.

"If you want to start gymnastics," he said, "you will be paying for a lot of

equipment the school presently does not have."

In another item, Bonifas brought up the idea of hiring a 30-hour-per-week bus attendant and mechanic to have most of the day covered with a person on duty.

"We are continuing to have difficulties in maintaining our transportation fleet," he said.

"Involved in this is a lack of staff, excessive amounts of overtime by the mechanic, and insufficient time to perform the responsibilities of maintenance," he said.

Bonifas said the regular mechanic was putting in 50 to 60-hour weeks.

He said he had discussed the idea with the state department director of service, and it was feasible to hire a part-time bus attendant to assist at the bus garage.

"A good portion of this cost could then be borne as part of the transportation cost through the state," he said.

What sort of year was it for the rutabagas?

The experts are all telling us that it's been a great year for zucchini, but they are neglecting the main issue.

What sort of year was it for rutabagas? Those of us who remember the Great Rutabaga Famines of '35 and '36 wait anxiously every year for the crop report on this, nature's noblest vegetable, the true staple of any Upper Peninsula diet, the main ingredient of our most famous product, the Cornish pasty.

Beware of any pasties not containing rutabagas. They may be digestible and throw your innards completely out of whack. Word has reached us that some pasties without rutabagas are reaching the open market, and while their creators may try to make up for the lack by throwing in extra dollops of carrots and potatoes or even, may heaven forbid, turnips, there is no substitute for the rutabaga. Any bog trotter knows that.

Along the Sidelines

By Dave Rood

In order to get a reading on the rutabaga harvest this year we checked three sources. One was our good friend Belgrave T. Seertamaki, the big rutabaga broker from Upper Inwood. The other two were county agents - Don Pellegra and Alvin Hopeful. Both cover the Upper Inwood area, there being some sort of jurisdic-

tional dispute over exactly where the county line is.

"Things look pretty good," reported Alvin. "The dry weather the first part of the summer forced the plants to send their roots down deep, and then when we did get rain it helped to finish out the growth. I wouldn't be surprised to see a state record rutabaga produced this year."

Don isn't all that optimistic. "All that rain may have brought the rot," he explained. "When the soil gets saturated the water has only one other place to go - into the rutabaga. This gives them the blight which in turn brings on the rot, which is usually always fatal."

Alvin discounts that theory. "Any plant needs water," he says, "and the rutabaga is no exception. In fact, good beggies absorb it like a sponge, which is why the best scientific minds of the day have been unable to come up with a process to

dehydrate the rutabaga. If we could dehydrate it, we could grind it up and market it like instant mashed potatoes. Just think of the potential there-Instant Rutabaga!"

Don was still pessimistic, however, even after I told him Alvin's theory.

"He's forgetting about the jackpine budworm," he pointed out. "They've not only decimated the jackpine stands, but they've gone through the rutabaga fields as well. Not to mention the cereal leaf beetle, which thrives on rutabaga leaves."

This disagreement was a great puzzlement, so we turned to our friend Belgrave the Rutabaga Broker, and found him behind the bar of the Aragon Ballroom and Billiard Parlor in Greater Downtown Steuben. (Belgrave runs the Aragon in the rutabaga off-season, which is about 50

weeks of the year.)

How does Belgrave read the rutabaga market?

"I dunno," he said. "Too early."

"Too early? In October? The wheat is shocked, the corn is shelled, the beans are bushel'd, how come too early?"

Belgrave is a patient man, and he patiently explained the reason.

"You have to wait for the first frost," he said. "A good, hard frost, that withers the leaves and heaves the ground, and the beggies pop up out of the dirt like a cork from a champagne bottle. Then all you have to do is walk along and scoop 'em up. Come back in a week or so...right after the first hard frost. Then we'll know what kind of crop we had."

To tell you the truth, Belgrave made more sense than either Alvin or Don. Seems like we'll just have to wait and see.

Fall fashions

APPROXIMATELY 100 women attended the annual Fall Fashion Show during the Manistique Women's Club regular meeting Tuesday, Oct. 11 at the Fireside Inn. The Fall Fashion Preview is sponsored by the Peoples Store and the Vogue, downtown businesses. Modeling some of the upcoming fashions are: Top, Jeanie Richards for Peoples; Marion Parks for Vogue; Clara Goudreau for Peoples; Emma Fountain for Peoples; Carolyn Miller for Peoples; and Emma Wilson for Vogue. Life members were also honored and presented with pink carnations.

Pioneer-Tribune photos by M. Eisenlohr

GenTel plans \$141,300 in exchange improvement

GAYLORD--General Telephone customers in the Manistique exchange will benefit from the company's \$141,300 service improvement and expansion plans for 1978, Jim Love, Manistique exchange manager, said.

Love said the expansion program will provide for both local and long distance telephone service growth and expansion. "Virtually all of our customers in the exchange will benefit by either local or long distance equipment additions and, in many cases, by both," he said.

The 1978 program represents an average additional investment of more than \$55 for each of the 2,566 customers served in the area, Love said.

"To meet our increased customers demand for both local and long distance service, we will be making equipment additions within our present central offices and we'll add cable outside," he said.

He pointed out that most of the new cable will be buried or placed underground in

conduit.

Love mentioned improvement plans in this order:

- A building addition to the Maple St. facility that is scheduled to begin in June 1978. This building will house additional local and long distance equipment.
- Automatic Number Identification (ANI) installation. With this system, the caller doesn't have to give the operator his or her number and may dial direct. This is scheduled to start May 1, 1979.
- Central office dial equipment that will provide for total exchange growth. This area will receive 100 new lines and terminals.
- Long distance circuits to Escanaba and Garden to facilitate additional equipment being added in the years to come.
- Local exchange cables that will provide for exchange growth in rural areas. This exchange will probably be making the additions on the east side of Manistique where growth is expected.

County board . . .

Continued from page 1A

Section 9 and 10 of Manistique Township to commercial. It had been zoned in different residential classifications. A 270 by 270 foot lot in Thompson also was rezoned from residential to commercial.

- accepted a high bid of \$626 from Tom Kitzman of Indian Lake for a county 1971 12 1/2 horsepower lawn tractor.
- supported development of the Pines area next to the county airport for a 150 horse ring south of a wooded area and north of Northshore Inc. A judge's stand, bleachers and a cedar post fence will be erected as part of a county CETA project, which is expected to be ready for the first 4H horse show next June.
- delayed making appointments to the Department of Social Services Board to fill the expired term of Jack Phillips; the County Canvassing Board to fill two vacancies; and the county mental health

board to fill the term of Robert O. Smith. Nominations were made, but the appointments will be decided at the board's Oct. 31 meeting.

- appointed Elvin Hepker director of the local Federal Surplus Properties Assistance Program.
- tabled discussion of a juvenile justice program until Oct. 31.
- approved an invitation for a health care administrators to visit Manistique on Oct. 17 to study the establishment of a 120 to 125 bed nursing home for veterans in the eastern U.P.
- "Marquette's going to win regardless of what they do," Commissioner Ken Morenson said of Escanaba's bid for the facility. "But they want to spend a lot of money canvassing the area."
- The meeting was adjourned by 9:30 p.m. on Commissioner William Tennyson's request. Tennyson suggested adjournment because the first game of the World Series was being televised.

Bill Moreau

Harold Becks

Real Estate One debuts here

Harold "Chick" Becks and W.A. "Bill" Moreau, local real estate men, have become representatives of Real Estate One through the DePaul associates of Saul Ste. Marie.

Real Estate One is the Midwest's largest

real estate firm with both company owned and associated offices across Michigan. Both Becks and Moreau were associated with a local real estate firm for a number of years. They will handle all phases of real estate from their present offices.

School board . . .

Continued from page 1A

He said that by reducing the amount of overtime of the present mechanic, a good portion of money could be saved.

"It would have to be the right person to be available at the right times and have the experience," he said.

He asked the board to assist in studying the possibility of the adjustment.

The board also approved the school calendar for 1977-78. According to the calendar, the school's Christmas recess will begin Dec. 22 and school will reconvene Jan. 2. Schools will dismiss for the summer on June 2, 1978.

In another item, Waters said she had finished her initial survey of neighboring

schools' curriculum to determine Manistique High School's standing compared to them.

She said the high school was shoulder to shoulder to area schools in the areas of business and vocations. However, she noted that she found 20 deficiencies in other areas.

The high school is deficient in the traditional courses one needs to take before entering college, she said. These courses include sociology, psychology and related courses.

She said she wanted more community input to determine what the curriculum for the high school should be. Anybody interested in this work, should sign up in the superintendent's office, the board announced.

State police apprehend Albion boys

State Police apprehended a youth from the Starr-Commonwealth Home for delinquent boys in Albion in Manistique Tuesday.

Along with the youth, 17-year-old Allen L. Pierce, of Rt. 1, Trautk, was apprehended and charged with possession of marijuana.

Police say the two met while hitchhiking and stayed together. However, the pair ran into trouble when the youth's feet began hurting.

The two went to Schoolcraft Memorial Hospital for medical attention. The youth then decided to run out of the building when a nurse called his father.

This was the second time within a month that police have apprehended a runaway from the home in the Manistique area. Police caught a 16-year-old youth at a restaurant near Thompson on Sept. 26. He too had hitchhiked up from the lower peninsula.

Voice of Democracy seeks views on U.S.

"Students win self-confidence and poise, experience in communicating with others and valuable training in self expression when they participate in the 'Voice of Democracy Scholarship Program,'" Commander Steven DeRousha of V.F.W. Post 4420 said.

DeRousha was discussing the broadcast script writing program conducted annually by the Veterans of Foreign Wars.

The program has started and continues until Nov. 5. For more information, contact Carl Archey, 341-2967 or Mrs. John Lehman, 341-5928.

Notice

In order to fill the vacancy on the City Council, the Council will take applications for the position of City Councilman in the form of Nominating Petitions. Each Petition must have fifty (50) signatures of registered voters in the city of Manistique.

Petitions are available at the City Clerk's office at City Hall, 300 N. Maple Ave., Manistique.

Deadline for filing Petitions is Noon, Thursday, October 20, 1977.

Lowest prices in the State of Michigan

Introducing Supertuner. Two years ago we wondered what would happen if we built a car stereo that had the specs of a home stereo system. So we told our engineers to forget about price—just build the State of the Art Car Stereo. They did. It's called Supertuner. And to prove that specs don't lie, we tested it 75 feet below the rim of the Grand Canyon. Supertuner got a super signal. The others? Nothing. We think it's the best car stereo ever built. **SUPERTUNER**

Sobieski-Tatrow vows spoken in Cooks church

Carmen Sue Sobieski, daughter of Mr. and Mrs. Richard Sobieski of Cooks and Donald Duane Tatrow, son of Mr. and Mrs. Duane Tatrow of Garden were married at St. Mary Magdalene Catholic Church in Cooks on Sept. 24, 1977 at 2 p.m.

The double ring ceremony was performed by Father Ephraim Sikko. Janet Caldwell sang "The Wedding Song," "My Sweet Lady" and "We've Only Just Begun." The organist was Sissy Chandler. Both girls are from Cooks.

The church was decorated with bouquets of dahlias, gladiolas, and mums arranged by the bride's mother and sister.

The bride was given in marriage by her father. Maid of honor was Sandy Sobieski of Cooks, sister of the bride.

Bridesmaids were Jill Wolfe, cousin of bride from Sandusky Ohio; Michele Denkins, sister of the groom from Garden; Roberta Tatrow, sister of the groom from Garden; Lynn Forhart of Marquette.

The bridesmaids wore identical pink, floor-length gowns of an a-line style with matching waistline jackets trimmed in burgundy velvet at the cuffs and neckline. The matching headpieces were made of pink and white carnations, pink bud roses and baby's breath, accented with pink ribbons secured in the back. They carried bouquets to match the headpieces.

Bestman for the occasion was Jeffery Tatrow, cousin of the groom, from Garden.

Groomsman were Darryl Tatrow, brother of the groom, of Garden; Paul Sobieski, brother of the bride, of Cooks; Stephen Minor of Garden and Chris Forhart from Marquette.

The men all wore matching burgundy velvet tuxedos with pink shirts. The groom wore a white shirt with his tuxedo.

Ushering for the ceremony were Darrell Tatrow and Kevin Roche of Garden.

A cousin of the bride, Jennifer Thill from Garden Corners, was the flower girl. She wore a long, white dress and veil and carried a bouquet of pink and white carnations.

Jamie Tryan, cousin of the bride from Cooks was the ringbearer. He wore a black and white tuxedo to match the father of the bride and father of the groom.

The bride wore a bouffant hair style with a

complete overlay of chantilly lace on the v-neck camisole bodice and Victorian sleeves. The skirt was fashioned with tiers of chantilly lace. The attached chapel train was fashioned in tiers of lace, also.

The bride's fingertip veil was silk-illusion and the blusher was bordered in chantilly lace to match her dress. The camelot headpiece was also covered in chantilly lace to match her dress. The camelot headpiece was also covered in chantilly lace and seed pearls. She carried a bouquet of miniature carnations, pink bud roses, and baby's breath. Ivy and pink bud roses were on the cascade with attached white ribbons.

The bride's mother wore a peach and white dress with butterfly sleeves and wore a shoulder corsage of white carnations, yellow roses and baby's breath.

The groom's mother wore an off-white polyester gown with a peacock blue hooded jacket to match. Her shoulder corsage was of white carnations and pink bud roses with sprigs of baby's breath.

The wedding reception was held at the new Manistique Armory. The six-tiered cake was cut by Mary Middaugh and the guest book was held by Annette Spaulding. A dance followed the reception with music provided by The Big Blue.

The couple is touring around Lake Michigan and will make their home on Van's Harbor Road in Garden upon their return.

Both are graduates of Big Bay de Noc High School.

The groom is employed as an apprentice ironworker of the Local No. 783 of Marquette.

Special guests for the wedding were Mr. and Mrs. Henry Sobieski of Milwaukee, grandparents of the bride; Mrs. Garland Wolfe of Cooks, grandmother of the bride; Mrs. Irene Roach of Escanaba, grandmother of the groom; Mrs. Mary DeMandros of Escanaba, great-grandmother of the groom.

A rehearsal dinner was served at the home of the groom's parents for 20 people immediately following the church rehearsal. A groom's cake, decorated with the saying "Get me to the church on time" was baked by Mrs. Gerald Tatrow.

What's Going On

Las Vegas—city of sinners or saints? Four special reporters from Manistique checked into the real story and found that the city is a great place to vacation.

Sis Creeden, Melba McKenzie, Fran Barr and Lorraine Ranguette left from Iron Mountain last week on a tour bound for Las Vegas. Even though the line for tickets was long they found the Libeace show well worth it. They also saw the Lido show and toured Hoover Dam. One of the group reported that financially she did very well.

Beth Beaudin and Lecia Prieskorn of Germtask participated in what may replace swalloved goldfish and jamming phone booths as college extracurricular activities. They were among 1600 participants in a game of musical chairs which made the Guinness Book of Records. The game took 2 hours with 100 players being eliminated at a time.

Janet Segerstrom in addition to raising six children has found time to write for publication. She recently had an article entitled "Nature's Flashlight" published in the Menonite magazine "On the Line." The story is about fireflies and was written for children.

Other towns have famous sets of brothers and Manistique does too. The Bunker brothers are back in town for their annual fall reunion. The sons of Joe and Rose Bunker are here for the 14th consecutive year. Returning are Chet, George, Russell, Raymond and Richard. Richard has purchased the Bill Petrich home on Indian Lake and will be returning to home territory.

Bill and Ruth Petrich are moving to Chicago. Ruth has been working with the Community Action Agency.

The forest service is importing several new faces. New to our area are Paul and Beth Bosen, Jim and Jean Klus and Bob and Lila Panak.

Congratulations to Mr. and Mrs. Tom Misiano Jr., of Isabella, Minn. who are the parents of a son born on Sept. 24. The baby will be Thomas III. He weighed 6lbs. 13ozs. Maternal grandparents are Mr. and Mrs. Jerome Beaudy of Manistique. Mrs. Beaudy spent several days with daughter Cheryl when she returned with her new son from the hospital. Paternal grandparents are Mr. and Mrs. Tom Misiano Sr. of Chicago.

Mr. and Mrs. Bob Broullire gave a surprise dinner party for JP and Marcie Quick in honor of the Quicks' 25th wedding anniversary. Several friends gathered to help them celebrate.

Flight jockey Mary Livingston daughter of Ralph Livingston, got her flying start from Vern Bernard. In August of 1973 she took about 10 hours of training with Vern but was not able to solo before she left for the Air Force due to bad weather. Her dad travelled to Arizona to pin her pilot's wings on her in a special ceremony.

Dorothy and Roland Hoholik tried to spur the Packers on last weekend but to no avail. The Packers still lost to the Bengals, 17-7. The Hoholiks also visited their

daughter Mollie in New Berlin Wis. and Mr. and Mrs. Richard Hoholik in Madison.

Flossie Dauzy of Munising celebrated her 85th birthday on Sunday. The party was held at the home of Jim and Clare Sangraw. Other guests were daughters and their families, Lois Eimerman and Dorothy McClish.

Mr. and Mrs. J. P. Quick and Mr. and Mrs. George Schweikert attended the funeral of Mrs. Peterson of Munising, brother of Mrs. Myrtle Quick. Mrs. Quick had been in Munising for ten days prior to her brother's death.

Mr. and Mrs. Robert Broullire and their daughter and son-in-law Mr. and Mrs. Tom Redd of Detroit attended NMU's homecoming last weekend. Kathy Broullire was homecoming queen last year.

Mr. and Mrs. Edwin Gray attended the wedding of their granddaughter Lori Simi to Ken Stokes of Newberry on Oct. 7. She is the daughter of Mr. and Mrs. Carl Simi. Other relatives attending were Mr. and Mrs. Byron Peterson and Colleen and Ken, Mr. and Mrs. Marvin Gray of Milwaukee, Mr. and Mrs. Elsworth Gray and Jeff, Mrs. Agnes Sorson and Mrs. Alfred Erickson. The reception was held at the Fennell Hall.

Mr. and Mrs. Marvin Gray of Milwaukee spent a week visiting their parents Mr. and Mrs. Ed Gray and Mr. and Mrs. George Grankovich. The Ed Grays also enjoyed a visit from Mr. and Mrs. Elsworth Gray of Cedarburg, Wis.

Mr. and Mrs. Francis McNamara left Sept. 15 on a nine day tour in Ireland. Others going on the tour were Mr. and Mrs. Clarence McNamara, Mr. and Mrs. James McNamara of Blue Lake.

Last week, Mr. and Mrs. Francis McNamara's son, George and son Patrick of St. John's were visiting for a couple of days.

The McNamaras also went to Manitowoc to watch their three grandsons play some football. Their names are Kirk Hurzog and Shay McNamara and Brian Hurzog. Manitowoc won with a score of 23-7.

Accompanying them to the games were the McNamara's daughter, Clare, Mrs. Edward Bush and children, Brad, Steve, Lisa and Jenny.

Another grandson, Kim Hurzog, also played in the J.V. football game.

U.P. Choir Concert

The first U.P. Choir Concert will be held in the Newberry Community Building on Sat. Oct. 22, at 8 p.m.

Participants will be: The Manistique Community Choir; Marywood Chorus of the Soo; Munising Vanguard; Negaunee Male Chorus; and the Newberry Community Choir.

Each group will perform two songs. They will perform together and sing: "Battle Hymn of the Republic," "You'll Never Walk Alone," and "How Lovely is Thy Dwelling Place." Admission is \$1.50.

Key Leader Training

Mrs. Elizabeth Anderson, GERMASK, Mrs. Ellen Aldrich, Hiawatha, Dennis Pierce, Thompson and myself attended a Key Leader Training session in the Craft Area at Kettunen Center this past weekend.

The workshop was a sharing of ideas and actual learning sessions in country carving, carving toy animals, macrame wreaths and decorations, rope wreaths, Christmas decorations, Dip and Drape dolls, String Art and more.

Leaders were excited about the workshop and claimed it being the best they've attended.

The 4-H Awards banquet will be held next Sunday evening, Oct. 16. This will be a Potluck dinner which will begin at 6 p.m. It will be held in the Gulliver Town Hall. Each one is asked to bring their own table service and a dish to pass.

The 4-H'ers have received letters regarding the event in which they have been asked to attend and to also invite their parents

4H Report

by Chris Keene.

and the 4-H members of their family, also their 4-H leader and husband or wife. You are also asked to return the card telling us how many of you will be attending the event.

We hope to see all of you who received a letter and who will receive recognition that evening. Don't forget your parents, family and 4-H leader.

Also a dish to pass and your table service.

See you on the 16th. Mrs. Grace Jackson, Phone 283-5991, Gulliver, is chairperson for this event.

Fayette auction wares

THE 30TH ANNUAL Lord's Acre Auction Saturday at the Fayette Town Hall brought in more than \$4,500 in sales. The traditional array of bake goods, garden produce, cider, quilts and assorted craft items drew hundreds to the event sponsored by the Fayette Congregational Church. The crowd was a bit smaller than last year, however, due to rainy weather.

Above, auctioneer Pete Seidell auctions

a plate of wares as others keep track of proceeds.

The money will be used to help support the mission church and cover costs of installing bathroom facilities in the parish hall. Church members and others in the community work year-round to obtain itmes for the annual auction and plan the day.

Kneff aboard ship

Navy Electronic Warfare Technician First Class David R. Kneff, son of Dorothy J. Schneider of 110 S. Fourth St., Manistique, recently returned to his ship's homeport of Mavport, Fla.

He is serving as a crewmember aboard the frigate USS Patterson. He joined the navy in April 1965.

Awana newcomers

Awana clubbers who became new members recently are Dave Archer and Blaine Beckman. Clubbers passing their rank were Tricia Peters, Bobby Walker and Rod Hebbis. Clubbers of the month awards will be presented Thursday night during council time. Awana starts at 6:30 p.m. at the Bethel Baptist Church. Grades 3-8 are welcome. If a ride is needed call 341-5561.

Elks celebrate jubilee Oct. 28-30

The Manistique Elks Lodge will celebrate its diamond jubilee Oct. 28-30. The lodge, No. 632 will be celebrating the 75th anniversary of the granting of its permanent charter on Aug. 14, 1902.

On its diamond jubilee, the lodge will initiate a class in honor of the occasion.

The weekend will also be the lodge's visitation period. Deputy Grand Exalted Ruler Earl Anderson of Ishpeming and District Vice-president Phil Ott of Manistique will make their annual inspection.

A dinner dance will be held on Saturday night with many state and district officers in attendance. The dinner will be limited to only 150 persons. Members are encouraged to get their tickets as soon as possible. Tickets are available from Walt Rich and Jim Rodgers at the lodge.

Another gardening season begins with fall

Falls signals the end of one gardening season. But, because fall is the time to plant spring-flowering bulbs, it is also the beginning of another. Even as you're winding down this year's garden, you're getting next year's under way.

August De Hertogh, flowerbulb specialist at Michigan State University, has observed that home gardeners often like bulbs because they don't require a lot of maintenance. Bulbs also aren't picky about where they're planted. They will do well in any well drained spot, in either shade or full sun.

"Home gardeners often get into a rut when they think bulbs, however," he notes. "They don't think any further than the familiar tulips, daffodils, crocus and hyacinths. There's no reason to limit yourself to these, though. There are literally dozens of other bulbs that will grow well in Michigan, providing blossoms in your garden as early as March."

De Hertogh and his associates in the Michigan State University Department of horticulture tested 118 species and cultivars of these so-called miscellaneous bulbs in gardens on the Michigan State University campus. Those that performed well during the first season after planting and in successive years included many in the families Allium, Galanthus, Fritillaria and Scilla. For details on varieties and cultivars that performed best, ask your County Cooperative Extension service agent for Research Report 301, "Evaluating Fall-planted Dutch-grown Miscellaneous Bulbs for Spring and Early Summer Flowering."

Whether you choose to experiment or play it safe with tulips and daffodils, some general guidelines for planting bulbs apply

County Extension

by Elvin Hepker

to all:

—Plant bulbs in well-drained areas. Bulbs planted in low-lying boggy areas generally rot.

—Avoid planting bulbs where heat from a building will keep them warm. They need a winter cold treatment to flower in the spring.

—Work up the soil to a depth of five inches for small (one-inch) bulbs and seven to eight inches for larger (two- to three-inch) ones. Add bone meal at a rate of one handful per two square feet to the soil beneath the bulbs and work it in.

—Space small bulbs one to two inches apart and large ones four to six inches apart.

—Cover the bulbs with half the soil removed from planting site, water and cover with the remaining soil. Then water again.

—After the ground has frozen, cover the site with mulch to hold moisture in the soil and to prevent excessive temperature variations.

—In the spring, fertilize with a nitrogen and potassium fertilizer as the plants emerge. As flower petals fade or fall off, snip off the remaining flower parts but

the foliage die naturally!

"Uses for bulbs in the garden are almost as varied as the choice of bulbs," De Hertogh says. "They can be used in beds, borders, ground covers and in rock gardens. They can also be planted around trees and shrubs. Many can be harvested for cut flowers or blossoms for drying."

For best results, choose large, firm, healthy-looking bulbs, the specialist advises. Do not buy soft or moldy bulbs!

For the best effect, plant bulbs in masses rather than skinny rows.

Scattering some of the smaller bulbs in your lawn makes a very picturesque spring scene, but it takes some planning to create a planting that will do well year after year.

"Except for the earliest ones, most spring-flowering bulbs will not have died down before the grass starts to grow," De Hertogh explains. "The plants need their leaves to build up the bulb for next year's bloom. So if you plant bulbs where they're likely to lose their foliage the first time you mow the lawn, they may not survive to appear a second time."

CONTROL BROADLEAVED WEEDS

Want to save yourself a lot of work next spring? Then treat broadleaved weeds in your lawn now.

According to Paula Dietz, extension turfgrass associate at Michigan State University, one application of 2,4-D and silvex applied between mid-September and mid-October will give better control than two treatments next spring. The weeds are busily storing food reserves in their roots now, she explains, so they will readily take up herbicides.

"You can still injure or kill ornamental

als," she warns, "especially if your herbicide also contains dicamba. Follow label directions for rates and keep all herbicides out of the root zone and off the foliage of desirable plants."

"A combination of 2,4-D and silvex should take care of chickweed, ground ivy, spurge, purslane, white clover, black medic, dandelions, plantain, burdock, thistles, shepherd's purse and wild carrot," Dietz says. Crabgrass, quackgrass and tall fescue will not be affected.

The best way to eliminate crabgrass is with a preemergent herbicide applied in early spring," she says. "Quackgrass is very difficult to control anytime. Anything that will kill quack will also kill any other grass it touches, so control in lawn or garden areas presents quite a problem."

Silvex and 2,4-D are often included in lawn weed and feed mixtures, she notes. This makes it easy to combine an early fall feeding with a chemical weeding.

OFFICIAL PROCEEDINGS

Board of Commissioners

A regular monthly (September, 1977) meeting of the Schoolcraft County Board of Commissioners held on Tuesday, September 20th, 1977, at the Courthouse, City of Manistique, Michigan, commencing at 7:00 o'clock P.M., E.D.S.T.

The meeting was called to order by the Chairperson, Ernest S. Hoholik.

The roll was called and noted as follows: Present were: Daniel N. Klarich, Earl LeBrasseur, William Tennyson, Lindsey Frenette, Edward Way, Kenneth O. Mortensen, and Ernest S. Hoholik. Absent: None.

It was moved by Earl LeBrasseur, supported by Kenneth O. Mortensen, that the minutes of the August 16th, 1977 regular monthly meeting be approved as published in the Manistique Pioneer Tribune, a copy of which was furnished each member. Motion carried by unanimous Aye vote.

Representatives of the 4-H Horse Council, Eva Burrell, Beth Henriksen and Beverly Henriksen, requesting that the County Board give them a firm commitment that a "Horse Arena" would be built at the County owned "Pines Location" in sufficient time to hold the various horse shows in FY-78. They informed the Board that these shows are scheduled and advertised in January and February, and that they need to know the exact location of the place the show will be held. They presently have permission to hold the horse shows in Central Park but would prefer that a new arena be built for use in the summer of FY-78.

Commissioner Frenette informed the 4-H Horse Council Members present, that he is calling a Public Meeting for Thursday, September 29th, 1977, at the Courthouse to get public input into the proposed development of "The Pines", and asked that the 4-H Horse Council be represented at that time. Also discussed in a proposed 150' x 250' building which would be built in the area to be used for multi-purposes. The exact location of this proposed building is still undecided and it is hoped that this can also be resolved at the Thursday night meeting.

Steven LaFonde, 6-County Manpower Consortium representative, who is in charge of all C.E.T.A. projects and programs for Schoolcraft County, was present, and reviewed the projects currently active, and the proposed new projects which need this Board's approval, and the approval of the executive committee of the 6-County Manpower Consortium.

He discussed the proposal to hire a co-ordinator for supervision and execution of the C.E.T.A. projects throughout the County. He stated that he thought he could come up with a person qualified under the provisions of Title VI, and that he would review all the eligible applicants and report back as soon as he had such a person.

Discussed was the hiring of a Director, or Co-ordinator for the Germask Commission on Aging, a Handy-man type of worker for the Commission on Aging, two workers to be employed on the Bi-centennial Park Project, and two employees who are to start preliminary work on the County Fair Building.

Mr. LaFonde reported that still unapproved, and for which he is searching for additional projects for Schoolcraft County, is the sum of \$121,000.00. He stated that he was sure that sufficient number of projects would be planned so as to exhaust the appropriation for Schoolcraft County.

Thereupon, it was moved by Earl LeBrasseur, supported by William Tennyson, that all of the above mentioned projects as submitted by Steven LaFonde, be approved by this Board. Motion carried by unanimous Aye vote.

Mr. Jim Dooley, CUPPAD representative, appeared concerning the Indian River "Brewery Dam". A letter from the Indian Lake Property Owners Association, was read, which letter also presented signed petitions of the various property owners requesting that the County Board of Commissioners take necessary action to investigate the condition of the Dam, the necessary repairs, to check availability of State and/or Federal Funds to repair same.

Prosecuting Attorney, John L. Thompson, stated that it was possible to re-establish a new lake level under P.A. Act no. 146.

It was noted that the dam and surrounding area is owned by Indian Lake Property Owners Association, and that they are anxious to relinquish the responsibility of controlling the lake level and control (fee title) of the dam and surrounding lands.

The Department of Natural Resources stated that they do not desire to take over the dam and will not participate financially in said repairs under P.A. no. 146.

The possibility of a Special Assessment District being set-up to finance same was also discussed. The D.N.R. stated that the cost of an Engineering feasibility study of the dam would run approximately \$5,000.00.

After a lengthy discussion on many of the possibilities involved in this matter, it was moved by Commissioner LeBrasseur, supported by Commissioner Mortensen, that a special meeting of this Board be called (this meeting set for October 4th, 1977 at 7:00 o'clock P.M.) at the Courthouse, City of Manistique, Michigan, and that all interested parties be present, that all necessary information be gotten and prepared for presentation at this meeting.

Mr. James Dooley stated that he would contact the people in Lansing, and see if he can get some firm commitments from them. Motion carried by unanimous Aye vote.

A resolution from the "Cash Match" division of the Law Enforcement Assistance Administration was read. Commissioner Frenette stated that some of this work might be done in conjunction with the Schools with an Intermediate School District Detention office or Truant Officer.

Commissioner LeBrasseur, a member of the Criminal Justice Committee, stated that no money is available for this project at this time, whereupon the matter was tabled.

The Chairman announced that there was no "Housing Committee Report" available

at this time, as the Housing Committee had not met, but that it is hoped that information would be available in time for the next regular Board meeting in October.

The matter of adopting a Retirement Resolution dealing with the coverage under benefit program as provided in 1969 Amendment to Act 135, P. A. 1945, as amended, was referred to the Personnel Committee for study and recommendation.

It was moved by William Tennyson, supported by Kenneth O. Mortensen, that the taxes to be levied for FY-77 to pay the Bonds of the Medical Care Facility be set at 1.01 mills. Motion carried by unanimous Aye vote.

County Treasurer, William Cowman, asked that the Finance Committee consider putting all County Courthouse employees on a calendar year basis rather than on the present anniversary date basis, stating that this would aid the payroll department and all bookkeeping records.

The matter of a request by the County Drain Commissioner, Archie Carpenter for a \$150.00 supplemental increase to the 1977 budget was tabled.

It was moved by William Tennyson, supported by Earl LeBrasseur, that a supplemental appropriation of \$2,000.00 be granted to the Schoolcraft County Commission on Aging. Motion carried by unanimous Aye vote.

Commissioner Frenette reviewed his plan to use portions of the Airport property for farm projects in 1978, and he further reported that he was meeting with County Extension Director, Elvin Hepker to work out the details and it is hoped that a CETA project could result from this plan, and that said plan is nearing completion for submission to proper authorities.

It was moved by William Tennyson, supported by Kenneth O. Mortensen, that the written report of the 4-County Health Board meeting held at St. Ignace and given both written and orally by Edward Way, be accepted, and a copy placed on file in the office of the County Clerk. Motion carried by unanimous Aye vote.

It was moved by William Tennyson, supported by Edward Way, that the oral and written report on the Medical Care Facility, as given by Commissioner Klarich, be accepted, and a copy placed on file in the office of the County Clerk. Motion carried by unanimous Aye vote.

It was moved by Kenneth O. Mortensen, supported by Edward Way, that a drawing and sketch of the proposed garage to be built adjacent to the Schoolcraft County Jail, be sent to the Michigan Department of Corrections for review, comment and approval, in compliance with the Department of Corrections policy when dealing with any law enforcement change to either policy or physical structures. Motion carried by unanimous Aye vote.

The Chairperson, Ernest S. Hoholik, read a "Thank You" Resolution from the Schoolcraft County 4-H Fair Board for their help, support and co-operation in promoting the 1977 County Fair, and with the effort given in getting the CETA project approved for the construction of said County Fair Building.

A-95 Review and Comment section, all projects approved.

A request for re-zoning of 500 feet of land on the South side of U.S. Highway no. 2 in Sections 9 and 10, T41N, R15W, Manistique Township, from R1F to C-1 was presented by Elvin Hepker, Secretary of the Schoolcraft County oning Appeal Board. Thereupon, it was moved by William Tennyson, supported by Kenneth O. Mortensen, that the County Zoning Appeal Board set-up a public hearing on Thursday, September 29th, 1977 to get public input into this matter prior to approval, by the County Board. Motion carried by unanimous Aye vote.

It was moved by Earl LeBrasseur, supported by William Tennyson, that speed restriction signs to be placed in the "Tanney Location", Manistique Township, Schoolcraft County, Michigan, to better control the speedy driving through the area, as this area is growing and the need is very much in evidence. Motion carried by unanimous Aye vote.

Commissioner Frenette asked about having local artists paintings displayed in the lobby and various corridors of the Courthouse. Concern was noted for possible destruction and defacing, so no action taken.

Commissioner Frenette reported that he will have a report on the status of the electrical code, which code is due to take effect as of November 1st, 1977, throughout the State of Michigan.

There being no further business, the meeting was adjourned at 10:15 P.M., E.D.S.T.

SIGNED: Ernest S. Hoholik, Chairperson
 ATTEST: Lena Mae Gilroy, Deputy County Clerk

Tuesday, October 4th, 1977

At a special meeting of the Schoolcraft County Board of Commissioners held on Tuesday, October 4th, 1977, at the Courthouse, City of Manistique, Michigan, commencing at 7:00 o'clock P.M., E.D.S.T.

The meeting was called to order by the Chairperson, Ernest S. Hoholik.

The roll was called and noted as follows: Present were Ernest S. Hoholik, Daniel N. Klarich, Earl LeBrasseur, William Tennyson, Lindsey B. Frenette, Edward Way, and Kenneth O. Mortensen. Absent: None.

The Chairperson, Ernest S. Hoholik, welcomed the approximately 25 persons in attendance, explained that the purpose of the special meeting was to try and determine, with the input of the interested property owners, what can and should be done to repair, replace, or remove the present "Brewery Dam" on the Indian River, Hiawatha Township, Schoolcraft County, Michigan.

Present and representing the Indian Lake Property Owners Association, and who spoke in behalf of same, were: Walter Garvin, Lawrence Gorsche, Merwin White, Donald Hoholik, Nic Frankovich, Hiawatha Township Supervisor, Leon

Cook, D.N.R. Waterways division, James Dooley, C.U.P.P.A.D. Archie Carpenter, Schoolcraft County Drain Commissioner, Eugene Johnson, Schoolcraft County Road Commission Engineer and Joseph Bal of Michigan Department of Public Health.

Prosecuting Attorney, John L. Thompson, opened the meeting with remarks as to the legal aspects of the case, citing the fact that in 1945, the Circuit Court set the Indian Lake level at 613.27 feet above sea level, which level was a year-around level, whereas there should be set a high and low level. He spoke on the legal aspects of who owns fee title and the need for the County to obtain fee title to the property before any tax money can be spent on said property. He reviewed the necessary steps that need to be taken to set-up a "Special Assessment District", and the boundaries of same, and the method of taxation to be used to pay for said project.

Mr. Leon Cook, of the D.N.R., advised the Board that the State owns approximately 23 per cent of the frontage on Indian Lake, and that the State of Michigan would pay its proportionate share of the cost on the same basis as other property owners in a "Special Assessment District".

Mr. Garvin reviewed the work done to date on petitions, and obtaining signatures. He indicated that he alone had over 100 signatures of interested parties. He further stated that not only property owners fronting the waterfront should be included in the "Special Assessment District", but all property owners benefiting from the use and control of Indian Lake including the City of Manistique, whose water for commercial and personal use comes from the Indian River basin.

Mr. James Dooley of C.U.P.P.A.D., stated that he has researched the possibility of obtaining some Federal or State funding either as a grant or marching funds, and that as of this date no such funds are available.

Mr. Dooley stated that the first step should be an engineering study of the needs and the costs of same. Mr. Leon Cook of the D.N.R., stated that he would furnish the Board with the names of several engineering firms who specialize in this type of work, who would be very willing to submit proposals, which the Board could evaluate before proceeding. He also offered his services to assist in any way possible.

Eugene Johnson, Schoolcraft County Road Commission Engineer, reviewed the project, noting that the U.S. Corps of Engineers, did complete a study of the water problems in the Indian Lake area basin in 1963, and much valuable information can be obtained from this report, plus the fact that the City of Manistique prior to construction the water plant in Intake Park, did an engineering study of the water sources, and that this information would be available to the Board from the City of Manistique, and should be most helpful.

Mr. Johnson further stated that there is a stone ledge intersecting the Indian River approximately mid-way between Copenhagen Bridge and the Brewery Dam, which ledge does render some control of the level of Indian Lake, and that as a result of this ledge that the lake would not drain beyond a certain point even if the dam were not there.

Mr. Merwin White, reviewed the Property Owners Association position from the time the Association acquired the property from the Escanaba Paper Company, citing the problems in controlling the water level and the need for a thorough study prior to taking action.

Donald Hoholik, an officer of the Association, spoke on the need for immediate action, citing that this matter has been before the Board at various times in the past 15 years without any action being taken.

Hiawatha Township Supervisor, Nick Frankovich, stated that the Board has not in the past, nor is it presently appropriating enough money to the Drain Commissioner's Department, so that it can function adequately. Commissioner Tennyson, the Finance Committee Chairman, responded that the needs of the Drain Commissioner have been met in the past, based on his need for work to be done, and that this policy would be continued, that if there is a need for more appropriation for this project, that he felt sure that this question would be met when the need arose.

After the completion of the testimony, it was moved by Commissioner Frenette, supported by Commissioner LeBrasseur, that necessary action be taken to acquire the names of available Engineering firms from the D.N.R., and from other sources, and have them submit written proposals for the cost of an Engineering study of this project. Motion carried by unanimous Aye vote.

It was moved by Commissioner Tennyson, supported by Commissioner Frenette, that this Board proceed with this project without the necessity of the Property Owners Association submitting signed petitions requesting this action. Motion carried by unanimous Aye vote.

Thereupon, the Chairperson, Ernest S. Hoholik, designated the Parks and Recreation Committee, of this Board as the committee to proceed with this project, and to have the necessary legal documents ready for submission to the Board at the earliest possible date. The Committee is comprised of the following: Edward Way, as Chairperson, Kenneth O. Mortensen, and Daniel N. Klarich.

Thereupon, it was moved by Earl LeBrasseur, supported by William Tennyson that the meeting adjourn at 9:05 P.M., E.D.S.T.

SIGNED: Ernest S. Hoholik, Chairperson
 Schoolcraft County Board of Commissioners

ATTEST: Ferdinand Lesica, Its Clerk

WANT AD FOR BIG RESULTS

OFFICIAL PROCEEDINGS

Board of Education

James Goudreau, Vice President, called the Regular Meeting of the Manistique Area Schools Board of Education to order September 27, 1977 in the Board Room of the Junior-Senior High School Building at 8:00 P.M.

Members present: Billie Doyle, James Goudreau, Denton Nelson, Virginia Stark, Margaret Waters.

Members absent: John Mincoff arrived at 8:30 p.m., Bruce Steinfeldt and Tom Broullier.

MINUTES
 Denton Nelson moved, supported by Billie Doyle that the minutes of the August 23, 1977 meeting be approved. Motion carried with five yes votes - two members absent.
 Denton Nelson moved, supported by Billie Doyle that the minutes of the August 31, 1977 meeting be approved. Motion carried with five yes votes - two members absent.
 Denton Nelson moved, supported by Billie Doyle that the minutes of the September 13, 1977 meeting be approved. Motion carried with five yes votes - two members absent.

GASOLINE, FUEL OIL, MOTOR OIL BIDS
 Margaret Waters moved, supported by Denton Nelson that the Gasoline, Fuel Oil, & Motor Oil Bids be opened. Motion carried with five yes votes - two members absent.

The following bids were opened: (See attached). Will be a part of the permanent minutes.

Margaret Waters moved, supported by Billie Doyle that the bids be referred to a committee for analysis. The committee composed of Denton Nelson and James Goudreau is empowered to award the bid in the best interests of the School District. They will meet at 12:00 noon on September 28, 1977. Motion carried with five yes votes - two members absent.

SCHOOL SIGN
 Norm Chenier, Instructor of the Vocational Ed Building Trades Class presented a sketch drawn to scale of the School Sign for the Board's approval. Denton Nelson moved, supported by Virginia Stark that Norm Chenier, with the Vocational Ed Building Trades Class involved, build the sign using Building and Site Funds. Motion carried with five yes votes - two members absent.

AUXILIARY CONTRACT RATIFICATION
 The Board was informed that the Auxiliary Contract had been ratified by members of our local Teamsters.

Virginia Stark moved, supported by Denton Nelson that the Auxiliary Contract be approved from July 1, 1977 to June 30, 1978. Motion carried with five yes votes - two members absent.

GYM FLOOR
 The Administration was authorized to contact the Band Boosters regarding the insurance for damages to the gym floor as a result of the Circus held in the Gym on September 14, 1977.

TRUANT OFFICER
 Mr. Bonifas informed the Board Members that the Delta-Schoolcraft Intermediate School District has hired, through the CETA Program, a Truant Officer to serve the Manistique Area, Big Bay areas and some of the outlying schools in Delta County. We are currently scheduled to have the services of Carol Landis, the Truant Officer, at least two days a week.

PROFESSIONAL CONTRACT MEDIATION
 Professional contract mediation will be held October 5, 1977 at 7:00 p.m. in the Board Room with Walter Quilico present.

INFORMATION FOR BOARD AND BOOSTER CLUB
 Board Members and Booster Club representatives were presented with an Estimated Program Reductions and Re-statement Costs sheet and an Equal Yield on Equalized Millage Formula. A committee to review the curriculum received from other school districts was proposed with Margaret Waters as Chairman.

THE BOARD RECONVENED AT 9:08 P.M.
 Bruce Steinfeldt joined the meeting in the middle of the Executive Session.

ADJOURNMENT
 John Mincoff moved, supported by Denton Nelson that the meeting be adjourned. Time: 9:10 P.M.

GASOLINE, FUEL OIL & MOTOR OIL BIDS

Manistique Oil Company
 Gasoline .477 per gallon

Fuel Oil
 Hiawatha 413 per gallon
 Fairview 413 per gallon
 Central 413 per gallon
 Lincoln 413 per gallon
 Doyle 438 per gallon
 Germfask 438 per gallon

Above prices are subject to change due to any increase or decrease as per US Oil Week

MOTOR OIL
 Straight Weight
 10 20 or 30 Barrels per gallon \$1.34
 10 20 or 30 Cases per gallon \$1.57

MOTOR OIL
 10 W 40 Barrels per gallon \$1.79
 10 W 40 Cases per gallon 1.99

Diesel Motor Oil
 10 20 or 30 Barrels per gallon \$1.49

Wood's Distributing, Inc.

 Germfask School

At a cost of .399 per gallon

Thompson

By Charlene Turek 341-6188

The 4-H leaders held a meeting last week. They decided to have a potluck supper in December along with a Christmas party for all 4-H families.

Heleen and Martin Cousineau and son Martin Jr. (Buck) of Charlevoix visited Saturday with her father Noel Hursh and sister and family Mr. and Mrs. Harry Hasting.

Frank and Nancy Hastings, daughter Chris of Lainsburg and friend Bill Denny of DeWitt visited for a week with his parents Mr. and Mrs. Harry Hastings, grandfather Noel Hursh and her mother Mrs. Arva Sundling in Manistique and enjoyed days of bear hunting with Bill going home with a bear off the Thompson plains.

Noeliella, Becky, and Bruce Rossier of Manistique, spent a week and a half with their grandparents the Harry Hastings while their mother had major surgery at Schoolcraft Memorial Hospital.

Mrs. Mary Hursh, daughter Lorraine, daughter and son-in-law Phyllis and Bob Marsh of Kalamazoo while visiting in Thompson recently visited with Noel Hursh and the Harry Hastings and with Earl Hursh and the Paul Schneiders.

New citizen

Mr. and Mrs. Michael Harm of Fayette are the parents of a baby girl born on October 11 at 1:14 p.m. and weighed 7 lbs. 7 oz. Her mother is the former Linda Gale Erick.

Fuel Oil
 Approximately 80,000 gals. of No. 2 Fuel Oil to be delivered to all locations
 At a cost of .369

Motor Oil
 Single weight meeting API specifications MS-DC-DM in 55 gal. drums and in cases or sealed quarts.
 55 gal. drums \$1.25 per gal.
 1 qt. cans 1.40 per gal.

Multi-grade Motor Oil meeting API service - Specifications 10 W 40 in 55 gal. drums and in sealed quarts.

Key plays

JOHN PISTULKA fights off Norway Knight Dave Kimichik for reception of this Norm Jahn pass. (Tribune photo)

GEORGE DANKO recovers a fatal fumble by the Norway Knights during overtime and heads for the open spaces. Manistique took possession of the ball on

the 10-yard-line, according to overtime rules, and in two plays scored the winning touchdown. (Tribune photo)

Emeralds surprise Norway, 20-14 in last-minute blitz, overtime

It was cold enough to be a Norwegian night. And for most of the evening it appeared that Norway would prevail. But the plucky Manistique Emeralds warmed the air with football losses and ignited a dramatic 20-14 overtime victory over the Knights Friday in the first home game of the season.

The triumph lifted the Emeralds to a 4-2 record overall, assuring improvement over their 1976 season, when they went 3-6. In Mid-Peninsula Conference action, Manistique stands 2-2. Norway is now 2-1 in the league.

"Everybody in the park thought we were done for," said Emerald Coach Dan Skatzka, recalling Norway's 14-6 edge in the final three minutes of regulation play. "But the kids kept believing in themselves and it finally paid off."

Norway led at halftime 8-0, frustrating the Emeralds on two second quarter scoring opportunities inside the Knight five-yard line.

Sixty-five yards in penalties also handcuffed the Emeralds, but the breaks finally went Manistique's way in the closing minutes.

"When you play that hard," Skatzka said of his charges, "you're bound to get a break."

The Emeralds found themselves against the wall in the fourth quarter. Leading 8-6, the persistent Knights sailed for 88 yards in two plays to claim a 14-6 advantage.

Paul Menard set up the touchdown with a 67-yard run to the Emerald 21. On the next play, quarterback Dave Kimichik

Sports Pioneer-Tribune

exploded for the rest of the yardage. However, the Emeralds stopped the Knights' try for a two-point conversion, and took the ball after the kickoff on their own 35. The clock showed 4:11.

In the next five plays the Emeralds passed successfully three times to put the ball on the Knight 10. Rob Lee first hit John Pistulka for 31 yards, then Norm Jahn connected with Pistulka two more times for a total of 21 yards.

From there, Tony McClaren ran for two yards and on the next play Jahn pitched to Doug Bertrand, who broke through for the TD. A PAT pass from Jahn to D.J. Brady tied the game at 14-14 with 2:47 showing.

On the next Norway series, Larry Larsen, the Knights' star runner, sustained an ankle injury and left the game. The Emeralds and the visitors each had one more chance with the ball before time ran out, setting up the overtime period.

Manistique won the post-game toss and elected to defend their goal first, with each team having a chance to score from the opponent's 10-yard line without the clock running.

On the second play, John Pelon knocked

the ball loose from a Norway ball carrier and George Danko secured it for the Emeralds.

With help from blockers, Brady set up the final score with a 9½ yard run. "Bertrand did an excellent job blocking," Coach Skatzka said. Jahn then punched it across on a quarterback sneak.

"We thought before the game we'd stop their passing attack," Skatzka said. Going into the contest, Kimichik was the most productive passer in the league for all games, compiling 526 in six contests.

But the Emeralds secondary closed off the opportunities Friday night, limiting Norway to only 30 yards -- four completions on 13 attempts -- and intercepted one pass.

Skatzka credited a group of pass defenders--Tom Burns, Tom Anthony, and McClaren--with key roles in shutting off the passing attack.

After the game-opening kickoff by the Emeralds, the teams exchanged punts before Norway engineered a 65-yard drive capped by Kimichik's four-yard burst for the first TD of the night. The Knights' quarterback ran it in for the two-point PAT to complete the first half scoring.

Their next time with the ball, Manistique marched 62 yards in 14 plays to the Norway three before giving the ball up on a fumble.

A bad center snap on a punt attempt handed the Emeralds another second quarter scoring chance on the visitors' 19. Brady cracked through to the five on the

next play, but four running plays failed to push it across and Norway took over with 3:02 remaining. The Knights controlled the ball for the rest of the quarter.

Receiving the second half kickoff, the Emeralds punted after a series, but stopped a 56-yard Norway drive on their own 20. Four plays later, Jahn unleashed a pass that was tipped by a Norway defender into the hands of Carl Levin, who completed the 71-yard touchdown play. The Knights protested to no avail, claiming an Emerald had tipped the sphere.

The PAT try failed, and the score stood at 8-6.

In the fourth quarter, Manistique drove to the Norway 12, gave the ball up on downs at 5:11. That's when the Knights tallied what many thought would be the final touchdown.

For the night, Manistique drove the Emeralds on the ground, 219 yards on 51 carries to the hosts' 164 on 43 tries. Manistique led the passing game, 145 yards on 6 of 15 attempts to Norway's 30. The edge in first downs went to Manistique 15-13, and the Emeralds were assessed more yardage in penalties, 65-10. Each team lost one fumble.

Brady led Emerald ground-gainers with 63 yards on 14 plays, while Bertrand had 58 on 16 carries. Pistulka caught four passes for 71 yards.

Devisively, Bertrand collected nine solo tackles and six assists; Rob Lee, 6 solos and 6 assists from defensive safety; and Ed Roddy, 8 solos and 5 assists.

Emeralds keep eyes on Patriots

Coach Dan Skatzka is a bit concerned that his Emeralds might get stale after the big Norway win Friday.

"The kids will have to show how tough they are," Coach Skatzka said. "They can't look ahead to Munising."

Several players are hobbling in practices this week, nursing bumps and bruises as they prepare for Westwood, 2-3-1, in their last away game of the season.

"Overall, physically we're in the worst shape of the year," the coach said. "No one is out, but several players are less than 100 percent."

He worries that the Emeralds might be slowed down while facing a speedy band of Patriots.

"They've got as fine a group of athletes as anyone in the league," he said, noting that five have been clocked at 10.5 seconds or better in the 100-yard dash.

Westwood, operating from several offensive formations, has passed wins over Gwinn and Stephenson, tied L'Anse and lost to Negaunee, Munising and Norway. Skatzka noted that the Patriots led the Knights 7-6 until the last few minutes of the game before bowing.

On Friday, Oct. 21 the Emeralds will face rival Munising in the 1977 Homecoming contest. But, as the coach says, "Munising won't be as big a game as it could be if we don't win this week."

EMERALDS

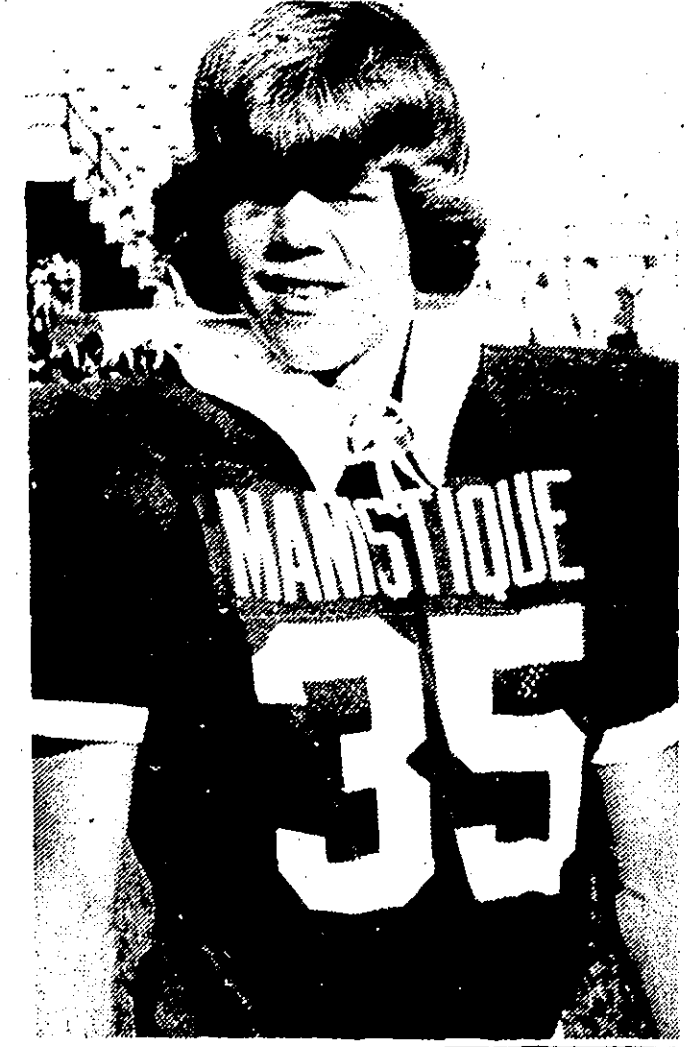

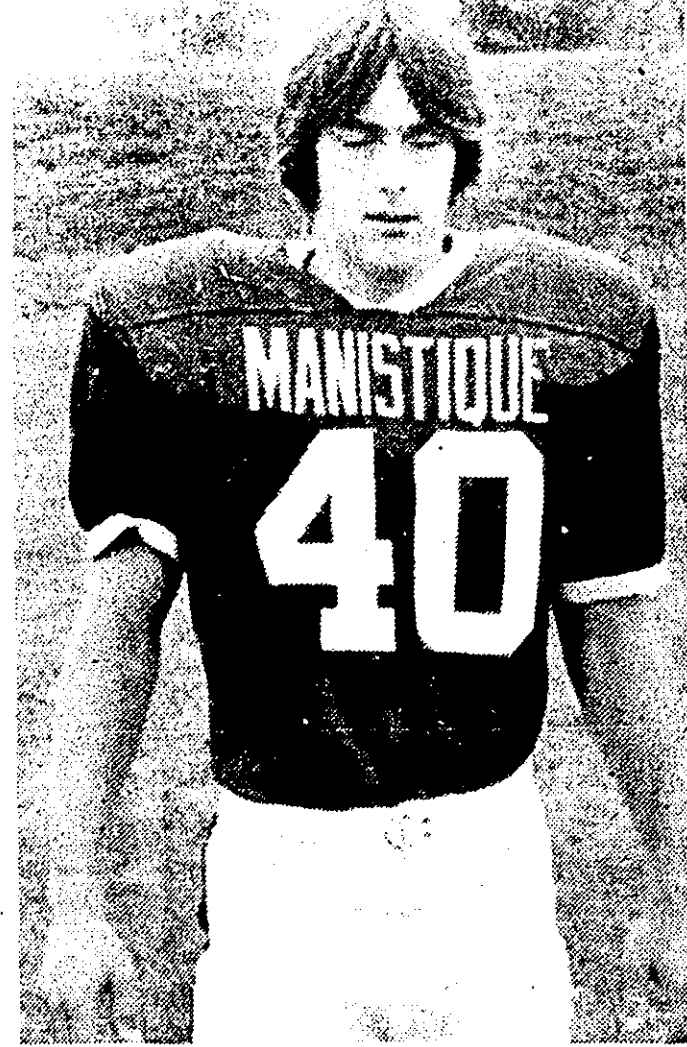

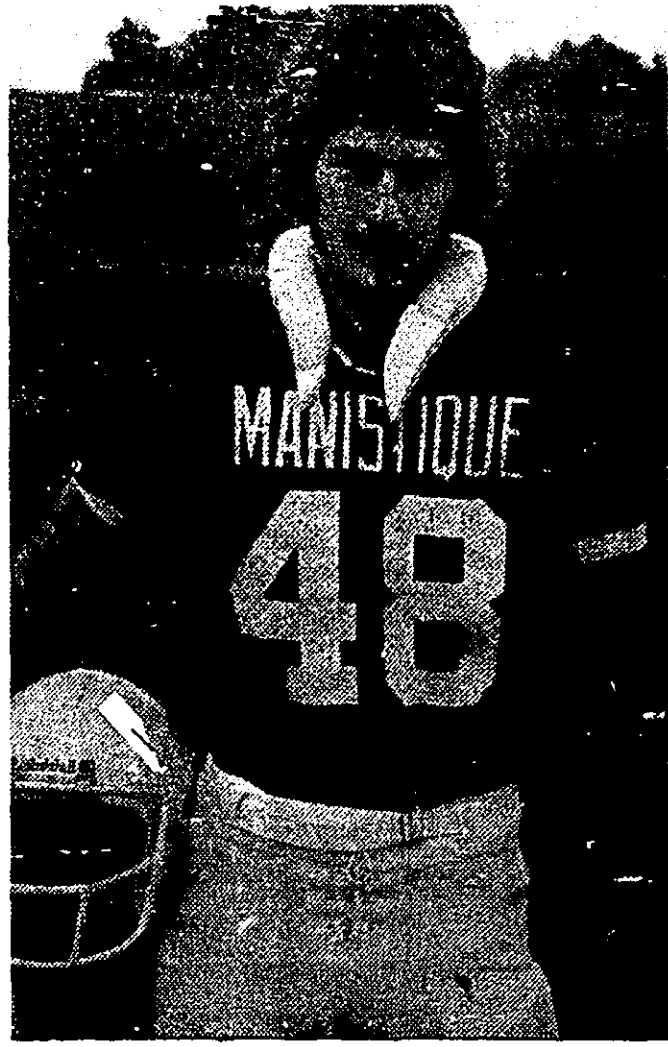

Players of the week

OFFENSE: Norm Jahn (1), whose key pass completions sparked a victory over Norway in overtime Friday, 20-14. Jahn scored the winning touchdown.

DEFENSE: Rob Lee (48), who nailed the Knights for 6 solo tackles and 6 assists and gathered in an important pass interception to aid the Emerald cause in a 20-14 win Friday.

OFFENSE: D.J. Brady (40), who led all Emerald runners with 14 carries and 63 yards. He caught a key pass to tie the game in the fourth quarter.

DEFENSE: Doug Bertrand (35), who supplied 9 solo tackles and 6 assists from his linebacker post and delivered key blocks.

Win over Norway 28-18 propels JVs

Coming off a 28-18 win over Norway last week, the Emerald JV football team is looking for a tough game at 4:30 p.m. today at Westwood.

Since the Westwood team beat Norway two weeks ago, the coaches say their team has improved since last year.

Coach Dan Skatzka said the strategy will be to try and run as many options as possible and tighten up on passing.

"We can get the people in the open," he said. "If we can get them the ball-and they catch it-we'll be alright," he said.

Last week's battle against Norway was a defensive duel in the first half. The only scoring came on a safety in the second quarter. After a long drive, Manistique's rushing stalled on the one-yard line. On the first play in which Norway ran the ball, their carrier was tackled in the Emerald end zone by Dean Wood and Paul Swanson.

Scoring came easier in the second half as Manistique chalked up 26 points. Steve Hicks, singled out by the coaches for a fine running job, took two plays into paydirt in the third quarter.

Jim DeMers, in the fourth quarter, grabbed a Norway pass and crossed the goal line after a 30-yard run. He also received a pass from Brian Smith for the point after conversion.

In final scoring action for the Emeralds, Paul Culey took the ball sevenyards into the shadow of the posts.

Also mentioned for fine performances were offensive linemen Ben Godlewski at center, Paul Swanson at left guard, Tom Broulliere at right guard, Mark Burnis at left tackle and Dean Wood at right tackle.

Coaches said defensive standouts were alternating tackles Mark Burnis, Steve Videtich and Kurt Jahn.

Scoring by quarters:
Manistique 0 2 12 14 -- 28
Norway 0 0 6 12 -- 18

The Manistique freshman football team played at Norway Thursday, losing 56-0.

JACQUELINE KRUSIC might past a Krusic scored an all-time school high of 20 Gwinn Player last Thursday night in the points in a girl's basketball game Thursday over the Model Towners. (Tribune Photo)

Girl cagers knock off Gwinn 47-40; next five games on road

The Emerald girls' basketball team refused to give up last Thursday night as they beat the Gwinn Model Towners 47-40.

The victory, which places Manistique at a 1-2 record in the Mid-Pemistula Conference, was a battle to the finish because of Gwinn's stiff defense.

A highlight of the game came when Jackie Krusic scored 20 points to set a school record for points in a game in girls' competition.

A contributing factor in the outcome of the game was the free throws scored by Manistique. The team hit 13 of 25 from the line while Gwinn suffered 0 for 5.

Jackie Krusic set the pace in the first quarter with the first basket -- an 18-foot bullseye to the hoop.

The Model Towners answered with two

straight baskets and then followed with six points to give them a 10-6 lead at the end of the first quarter.

In second quarter action, Mary Gregurash picked up three fouls early to cause some concern to Coach Diane Stimac. A seesaw battle raged throughout the quarter but was climaxed by Jackie Krusic's swish with 1:05 on the clock. The Model Towners led 18-17 when time ran out.

At the beginning of the third quarter, Manistique was troubled with fouls--and a press by Gwinn. The Emeralds failed to cross the 10-second line resulting in a costly turnover. Gwinn did not capitalize immediately but later sank three unanswered field goals. Besides an 11-point setback at this time, the Emeralds' Gregurash fouled out with 1:05 on the

clock. However, Manistique came back to tie the score 36-36 with 5:20 remaining, in the game. A bucket by Gwinn gave the Model Towners a two point lead but one more basket was all they could muster.

The Emeralds caught the scoring field goals and free throws to walk off the floor with a conference victory.

Summary: J. Krusic, 20; L. Kaiser, 7; R. Larson, 6; K. Krusic, 6; M. Gregurash, 4; and J. Creeden, 4.

The Manistique JVs dropped a 43-38 decision to the Model Towners in preliminary action--giving them a 5-3 mark on the season. Kim Danko led her teammates with 12 points and 30 rebounds.

The Emeralds varsity will play their next five games on the road.

Black Bears off to Rapid River

The Big Bay de Noc Black Bears, winless in five games, travel to Rapid River Saturday for a 1:30 p.m. clash with the Rockets.

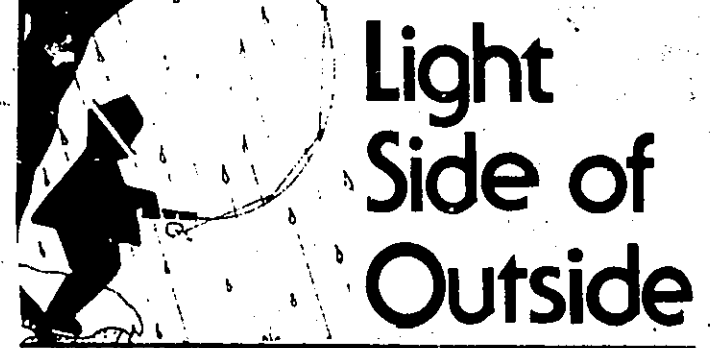

The Black Bears were stung by Bark River-Harris 30-0 last Friday, in a game marred by five Big Bay interceptions and two fumbles.

Coach Paul Babladelis said he would continue with the changes he instituted for that game, giving a new quarterback and running back more experience in their new positions.

Bark River, which has lost only to a Class C-sized Wisconsin school, scored on runs of one yard, 32 yards and four yards; and recovered a fumble leading to a touchdown. The broncos succeeded in picking up three two-point conversions.

Bark River, rated eighth in the state in Class D, amassed 163 yards rushing and 76 through the air to the Black Bears' 54 on the ground and 74 passing.

Big Bay will face North Dickinson for its 1977 Homecoming game at the Black Bear field at 1:30 p.m. Saturday Oct. 22.

Light Side of Outside

Conservation officer's strange requests

A conservation officer responds to an awful lot of strange requests involving sick seagulls, stinky skunks and nuisance animals of all sizes...during the past summer, over 60 problem bears were live-trapped and deported in Baraga district alone. Most of these odd jobs are pretty much routine but occasionally a unique incident sneaks into the agenda.

When conservation officers George Eckelbacker and Stan Poreda received word that some local gerbils were under attack, they never anticipated a bedroom scene involving a mink or that a typically disrupted boy's room could have so many hiding places.

After the initial pursuit faded into a waiting game, the process of elimination narrowed the search down to the top dresser drawer and a subtle movement of the contents indicated that the moment of truth was near. Rather than risk a reactivation of the chase by probing through the underwear and socks, the officers slid a piece of cardboard over the top of the drawer and the entire complex was moved to more suitable habitat. Very likely the released mink is still talking about the experience...the gerbils, too.

Obituaries

George Gardner

George Gardner, 66, of 3240 Getty St., in Muskegon, died on Sunday, Oct. 9, 1977 at Blodgett Hospital in Grand Rapids after a brief illness. He was born April 26, 1911 in Manistique.

In 1936, Mr. Gardner married the former Clara Vanderwall. Surviving are his wife, Clara Vanderwall; three daughters, Mrs. Robert Nordhoel, Mrs. Ronald Friday, Miss Gloria Gardner, Mrs. Debra Bradford, six grandchildren; a brother Robert of Florida; three sisters, Mrs. Gladys Scott, Mrs. E. Selving, and Mrs. Elizabeth Popour, all of Manistique.

Funeral services were held Tuesday at 10 a.m. at the Clock Funeral Home in Muskegon.

Burial was at the Norton Cemetery in Muskegon.

Edward Mikulich

Edward Mikulich, 67, of 127 S. First St. died Oct. 11 at 10 p.m. at the Little Traverse Hospital in Potosky. He was born Sept. 6, 1910 in Chatham.

A resident of Manistique since 1946, he moved here from Munising. He was educated in the Chatham public schools. On April 23, 1935, he married the former Elizabeth Ash in Munising.

He was a member of St. Francis de Sales Church. He was a W.W. II veteran and worked for Manistique Pulp and Paper as a crane operator from Dec. 1950 to Oct. 1, 1973.

Survivors are: his wife, Elizabeth; one daughter Mrs. Phyllis Hollman of Sterling, Va.; one brother, Henry of Kingsford; two sisters, Mrs. Frank (Mary) Mika of Detroit, Mrs. Edward (Elizabeth) Johnson of Utica; several nieces and nephews, and two grandchildren.

Friends may call at the Messier-Broulliere Funeral Home beginning at 4 p.m. Thursday. Parish liturgical prayers will be said at 8 p.m. at the funeral home. Complete services will be held Friday at 10 a.m. at the St. Francis de Sales Church with Father Norbert Freiberger officiating.

Burial will be in the Fairview Cemetery.

Rev. Martin Davis

Rev. Martin W. Davis, SDS, 53, of 2408 Kimberly St., Silver Spring, Md. died unexpectedly last week in Washington Hospital Center, Washington, DC.

He was a frequent visitor to Manistique and participated in many services at St. Francis de Sales Church.

Survivors include his mother, Mrs. Francis Weber Davis of 823 N. 10, Manitowoc, Wis.; two brothers, John of Manitowoc and Richard of Palatine; two sisters, Mrs. Richard (Patricia) Russo of Concord Calif., Mrs. Michael (June) McMeel of Memphis, Tenn. and many aunts, uncles, nieces and nephews.

Services were held in Washington DC and in Manitowoc. Burial was in the Evergreen Cemetery in Manitowoc.

Correction

Due to a typographical error, an obituary in the Oct. 6 issue of the Pioneer-Tribune incorrectly stated that Mrs. Mary Alta Smith is survived by 3 grandchildren. There are 30.

State Police

State Police report that a hunter was lost but later located near Indian Lake State Park early Monday.

Leslie J. Savage, 79, had gone hunting south of his residence at 2 p.m. Monday but had not returned.

A number of relatives were searching the area when police were called. The man was located following a search with dogs about 11:45 p.m. He was found in good health about 1.8 miles east of his residence.

A 10-year-old Manistique girl was reported in good condition Monday at home after suffering dog bites on the left side of her face.

Melissa Jenerou, of Route 1 Dump Road, was taken to Marquette General Hospital's pediatric unit last Thursday. She was listed in good condition there with facial injuries.

District Court

Her parents, Mr. and Mrs. John Jenerou said she sustained two bites on the face and an arm and leg were also scratched.

State Police report that the owner of the dog, a one-year-old male black labrador retriever, is Charles Tracy, of Route 1 Dump Road.

He was advised by police to keep the dog under observation for 14 days to determine if the animal has rabies.

October 1, 1977

Mary A. Cowman, 17, of Swartz Creek was charged with simple larceny and receiving and concealing stolen property. Fined \$20 and \$25 court costs.

TIRED HOUSE PLANTS
 Window sill gardening can be so much fun, but not with "tired" house plants. How long has it been since you really looked at your house plants with a critical eye? When you stop to think of how long some of your plants have existed on the cup or so of soil in their flowerpots, it's no wonder that they have become straggly or fail to blossom as happily as in their youth.

That one word youth often holds the key to success with house plant. Older ones, even as you and I, are not as spry as the new generation! Young plants fresh from a greenhouse, growing as they are in fertile soil, blossom more freely and have richer foliage than older plants.

This is the time of year to discard your disheveled, worn-out plants.

Start over again with healthy young ones that are full of vigor and see how much more fun it is to garden indoors.

Manistique Floral

Send flowers by wire.

We have a good selection of hummingbird feeders!

MANISTIQUE FLORAL

the community calendar

homecoming

"Theater Movies" is the theme for 1977 Homecoming activities at Manistique High School. A day by day schedule for the week, beginning Oct. 17, follows:
 Monday-Dress Up Day.
 Tuesday-Clown Day.
 Wednesday-Dress to represent any TV, cartoon or movie character.
 Thursday-All Sports Day (dress like a sports person).
 Friday-Green and White Day Parade at 6:30 p.m. Homecoming football game against Munising, 7:30 p.m.

today

First Baptist Church
 The Pulpit committee meets Thursday October 13, at 8 p.m. at the church for a very important meeting.
 Monday night October, 17 is the quality business meeting with a six o'clock potluck supper. This is also a very important meeting with much business to transact.

friday

A news luncheon and seminar for correspondents and publicity chaperons contributing to the Pioneer-Tribune will be held at noon Friday at the Ramada Inn.
 The event, sponsored by the newspaper, coincides with the celebration of National Newspaper Week, Oct. 9-15.

saturday

The Knights of Columbus Council No. 2026 will be having their Columbus Day Party on Saturday, Oct. 15 at 7 p.m. Social hour is scheduled to begin at 6 and end at 7 p.m. Dinner will follow.
 Pete Berger is the chairman for the event and Phil Villemure will be the toastmaster.
 Any member who has not been contacted is asked to bring a dish to pass.

There will be a Harvest Dinner Sponsored by St. Martin Circle at St. Francis de Sales Parish Hall Saturday, Oct. 29 at 5:30 p.m. The cost of admission is \$3.50 for adults and for children from ages five to 12, \$1.25. Roast beef with all the trimmings will be served.

monday

The Schoolcraft Soil Conservation District Directors will meet Monday, Oct. 17, at 7:30 p.m. in the Soil Conservation Office, Room 54AA of the Courthouse.

tuesday

The Church Council of Zion Lutheran Church will meet at 7 p.m. on Tuesday, Oct. 18.
 Lutheran Church Women will meet on that date as follows: Priscilla group will meet at 7:30 p.m. at the home of Mrs. Ingmar Levin, with Lois Nylander leading devotions; Elsie Cowman will host the Esither group at 2 p.m. with Florence Pawley as study leader; Marha group will meet at 2 p.m. at the home of Mrs. Edgar Cox with Mrs. Herbert Krause leading devotions; and Olga Anderson will host the Ruth group at 7:30 p.m., with Ann Jorgenson as study leader.

wednesday

The Homecoming pep rally will be held tonight at 7:30 in the A.F. Hall Stadium.

thursday

The Lakeside PTO will meet on Oct. 20 at Lakeside school at 7:30 p.m.
 A program will be presented by the fourth, fifth and sixth grades. The highlight for the evening will be "Meet Mrs. Nugent."
 A lunch will also be served.

A tale of two Newberrys; more on Lakeside slide, Howard Studio

A short reprieve from this brewery business:

Mr. Frank Reese of Seney was down this week and brought me some interesting information. It doesn't really pertain to this area but it does have connections with Newberry. Thought it might be interesting.

It seems that several weeks ago, Mr. Reese was reading an article concerning the Newberry Library in Chicago and was struck by the similarity of names. He researched the library and discovered it was named after an uncle of the man who founded Newberry.

The village of Newberry was named for John Stoughton Newberry with the streets, Helen, John, Truman, Harrie, Parmalee and Handy named after members of his family.

The Chicago Library was named after Walter Loomis Newberry, uncle of John Stoughton Newberry.

Both Newberrys were very wealthy men. John Newberry was a Detroit "capitalist" with interests in the Detroit and Mackinac Railway and the Vulcan Furnace Company.

John Stoughton Newberry lived from 1826 to 1882.

Not much information is available on John Stoughton Newberry. It's too bad, because he certainly is a man who has played an important part in the development of the Upper Peninsula.

Don Willcock, 119 N. Laurel, Royal Oak, Mich. 48067, writes:

"Dear Mr. Eisenlohr:

"Would like to start this off by telling you how much I enjoy reading your column. It sure brings back a lot of good memories.

"I think the reason that you are not getting more data on the old ski jump is because you have been given the wrong information.

"The structure that was near the Lakeside School was a large toboggan slide that went east towards the Weber and Schuetter homes. This was in operation for many years and was very popular even

Memoirs

By Mark Eisenlohr

though most of Manistique's young people could not afford toboggans.

"The only ski jump was directly east of the old stone quarry.

"This was built and maintained by Pete Stamness and as far as I know Pete was the only person with nerve enough to use the jump.

"This news may help the memory of many people and may help you complete the item.

"Please ask Mrs. Males to advise how Norm Jahn ever became cribbage champion. Norm never could count as high as 15.

"Yours very truly, (Signed) Don Willcock."

I'd like to thank Mr. Willcock for writing and straightening us out on the slide. A few people had thought they recalled that there were two slides but could never say positively. This may help quite a bit in putting the slides into perspective. And as far as Mr. Jahn....

Ida M. Howard, 1885 Cliffview Dr., Rochester, Mich. 48063 writes:

"Mr. Mark Eisenlohr,

"Our enjoy your 'Memoirs' so very much. Having been born and raised in Manistique and now senior citizens it brings back names and places we had almost forgot.

"I'm writing in regards to the pictures you published a few weeks ago taken by the Howard studio in 1898.

"Our Uncles Archie and Oliver Howard owned and operated the studio. I think it was in the old flatiron block. The Historical Society has most of their old pictures.

"Our grandfather Oliver Baker Howard and family came of Manistique in 1884 with Western Lumber Co. Our father, Charles

H. Howard was born in Gong Mills (Painted Post) N.Y. and came by barge from Tanawanda N.Y. when he was seven years old.

"Several of the old Howard boys had arrived a few years earlier.

"The family lived in town (about where the Peoples Store is now) for several years, then built a home on five acres of land acquired from Sam Brown in 1891. The house still stands at the heights not too far from the Brewery.

"Our father's brothers, Byron, Archie and Oliver, left Manistique in the early 1900's and settled in California.

"Charles H. Howard lived in Manistique until his death in 1949. We, his children, have lived in Lower Michigan for a good many years but still call Manistique our home.

"(Signed) The Howards."

I would like to thank the Howards for the informative letter concerning the Howard Photo Studio. To refresh a few memories, several weeks ago we ran two pictures belonging to Mrs. Ray Rice of Gulliver, one of which was taken by the Howard Photo Studio.

Mrs. Rice had brought the pictures to the column in the hopes that someone would recognize the names as neither she nor I had ever heard of that Manistique business before.

Incidentally, the other photo was taken by Lockwood Studios. If any readers remember that name, it would help Mrs. Rice out considerably.

While going through some old papers discovered to me some weeks ago, I brought a calendar for the year 1904. It was published by the New Eagle Livery and Sale Stables of Manistique.

The stable boasted the "best turnouts and prices reasonable." Harry Tucker and Howard A. Fox were the owners.

By the way, according to the calendar there was a full moon on Feb. 1 of that year. Sounds like it would have been a good night to hook up a sleigh and take a date for a little ride.

\$1,000 winner

\$1,000 WINNER -- Mrs. Elmer (Muriel) Hamiel, 48, of 313 N. Maple receives a check for winning a Bingo game at the Manistique A & P grocery store. She is one of two \$1,000 winners in the Upper Peninsula. The mother of three children, Charles 21 and Cindy 18, both attending

Michigan Technological University, and Carla, 16, a junior at Manistique High School, she plans to spend the money on her family for Christmas. Other winners in the \$100 category at the store were Mrs. Joanne Fagen of Rte. 1 and Svea Vixner, of Gulliver. (Tribune photo)

State aid distributed to schools

Area school districts have been sent the first payment of state school aid funds for the 1977-78 fiscal year, according to Senate Republican Leader Robert W. Davis, (r-Gaylord.)

The payments to the schools are as follows: Manistique Area Schools -- state aid, \$202,915; Title I, \$2,298. Big Bay de

Noc School district -- state aid, \$63,642.

These funds, Davis explained, are based on a formula designed to enable each school district to provide equal educational opportunities for children throughout the state.

Garden

by Mrs. Eleanor LaButte 644-2522

The Garden Historical Society will meet on Oct. 18 at 8 p.m. at the conference room of the First National Bank Branch. Dues will be collected at the meeting. Any interested persons are welcome to attend the meeting.

St. Anthony's Circle met at the home of Del Tatrow on Sept. 29. A business meeting was held followed by games and lunch. Visiting were Mrs. Angie Bergen, Mrs. William Carey, both of Muskegon. The next meeting will be held at the home of Edna Ouradnik.

Paul Rodgers and son, Jimmie of Battle Creek; were weekend visitors at the Grover Spaulding home in Kates Bay.

The Garden volunteer fire department answered a call late Sunday evening. The cabin of Mike Gould on Little Harbor Road burned to the ground but the fire was prevented from spreading in the surrounding trees. The State Police were notified and are investigating a possible arson of the cabin.

Bids to be taken on highway projects

LANSING--Bid will be taken Oct. 19 in Lansing on a major highway project in the Upper Peninsula, State Representative Charles H. Varnum (R-Manistique) reports.

The project, estimated to cost \$1.3 million, calls for modernization of M-28 in Luce and Schoolcraft counties.

Specifically, Varnum said, the improvements to M-28 include 9.5 miles of resurfacing and intersection improvements at seven locations from M-117 east 16 miles to the Chippewa County line.

An additional 4.1 miles of resurfacing on M-28 from M-77 in Seney east to the Luce County line is included in the project, Varnum reported.

Varnum said the Department of State Highways and Transportation expects to have the two projects completed by October of 1978.

Prevent Fires!

Each of us can reduce the threat of fires... the tragic loss of lives and irreparable damage they incur... by being alert to the rules of fire safety and practicing them. It's up to you, you and YOU!

The Voice of Schoolcraft County Since 1876

AMA slugs it out with gun supporters

The American Medical Association slugging it out with the National Rifle Association? At such a fight I would be delighted to hold both coats.

The battle was suggested by Dr. Amasa Ford of Cleveland. "I think doctors looking at the mortality that results from the casual use and ready availability of guns in this country ought to be strongly opposed to the handgun in particular," he said.

Dr. Ford was a member of a research team which studied the cause of death among young black men in Cleveland. Most of them were shot to death.

"The homicide trends reported in this study shock us," the researchers wrote. "What happened in Cleveland reflects, in a magnified way, national trends during the same period."

Guns were used in 80 percent of all homicides. Most victims were killed by relatives, friends or acquaintances during a quarrel.

All of which prompted Dr. Ford to say doctors should take up gun control as a medical issue. But he did not suggest how doctors might go about removing all those guns from under all those pillows. I will do that for him.

Psychiatry is the branch of medicine most immediately concerned. Many gun nuts really are nuts. Harlan Carter of Oklahoma City, for instance. He is president of the National Rifle Association.

Carter recently suggested that all citizens be armed, as a deterrent to crime. He spoke longingly of frontier days when the average man carried a gun on his hip and was always prepared to kill a crook.

Carter said gun control laws "can't prevent evil, and they won't do anything against the ever-increasing crime rate."

Countless Studies, such as the one made in Cleveland, have proven that most gunshots are family affairs. Last week, in Ohio, a 14-year-old boy killed his 11-year-old brother with his father's .22-caliber derringer. Next week, in Newark, an enraged wife will grab her husband's pistol out of the nightstand drawer and shoot him dead for coming home late for dinner.

The wife will not be a criminal until the second she pulls the trigger. The 14-year-old boy was not a killer until he found his father's gun. These unfortunate people are

If It Fitz

by Jim Fitzgerald

typical of those who contribute the most statistics to the "ever-increasing crime rate."

If there were not so many lousy guns handy, there would be a lot less crime. That is a fact.

But Harlan Carter doesn't agree. He thinks there would be less crime if everyone had a gun. And thousands of gun owners, afraid they'll lose their constitutional right to kill a pheasant, agree with him. Good lord.

So what can the medical profession do to cure guys like Carter? I suggest aversion therapy. That's the type of treatment where a patient quits smoking because he is given an electrical shock every time he reaches for a cigaret.

Doctors should be on the alert for people who insist they must own revolvers so this nation will have a well-armed militia ready when Paul Revere rides again.

Also in need of medical care are those persons who claim a gun ban would not have prevented a barricaded maniac from killing 34 of his neighbors as they sat on their porches. "If he hadn't had a gun, he would have stoned them to death," these sick people say.

Gun nuts are easy to diagnose because, when they talk, their words come out of their mouths stuck to car bumpers. They should be immediately hospitalized, with full coverage of Blue Cross and the Auto Club.

The patient should be isolated in a bare room. Whenever a bumper begins to protrude from his mouth, he should be slapped smartly in the face by his doctor. This treatment should be repeated until all the bumper words have been eaten.

When the patient asks why he is being hit, the doctor should answer: "Because I do not have a gun handy."

A revised US-2 bypass?

Hearings are continuing on a specific route for a widened highway US-2. But it may take some initiative on the part of Manistique area citizens to make sure that this community's view is represented.

At the most recent hearing conducted by the Department of State Highways and Transportation, representatives of the Michigan United Conservation Clubs stated opposition to the proposed widening of the highway from St. Ignace to M-117. That is the first leg of envisioned improvements to the highway that laces across the Upper Peninsula, from the Mackinac Bridge to Ironwood.

In a news release last week, the MUCC announced its total opposition "to construction of a new east-west highway in the Upper Peninsula on an all new right-of-way." The release suggested alternative inland routes that would avoid a lakeshore route altogether. One suggestion would send the highway north along the present route of M-123 to M-28, and then west on that route to Marquette.

That would funnel a great deal of traffic to the booming Lake Superior town, but it would hurt the tourist and recreational development of the Schoolcraft County area.

A new and wider US-2 route through Manistique has been a controversial subject over the past couple of years. But it now appears that there are forces at hand that would have the federal highway bypass the city by a substantial distance, thereby further isolating recreational opportunities here.

Certainly, there will be more discussion before any plans are finalized, and particularly if a major revision is contemplated. However, it would be in the best interest of citizens here to contact our representatives, namely State Rep. Charles Varnum of Manistique and State Senator Bob Davis of Gaylord and let them know our feelings regarding better highway access to the Manistique area.

Rose moves on

City Councilman Doug Rose, who has filled the mayor's post and a seat on the Manistique City Council over the past few years, has left public service here to accept a new job in Gaylord with General Telephone Company of Michigan.

His loss will be felt on the council. Not that he supplied final answers to all the city's problems. He didn't. But Rose did do some homework on many of the matters that have come before the council.

And whether his conclusions on a given issue were right or wrong, he at least provoked discussion on a wide range of subjects that otherwise might not have been given close examination.

Our best wishes for him and his family in his new job.

Publisher's Corner

by Frank Senger

An exciting month for U.P. papers

The past month has been one of the most hectic and exciting and that I have spent during my 15 years in the newspaper business. It has also been both frustrating and exciting.

If those sound like contradictions—maybe they are—but since Sept. 1 there have been many things that have happened that can only be explained in contradictory terms.

This is meant as something of a progress report to readers of The Escanaba Reporter, The Delta Reporter and The Manistique Pioneer-Tribune.

Some of our readers might question my use of the word progress because to many it may have seemed like there hasn't been much progress made in the past four weeks. Regular subscribers to The Delta Reporter and The Manistique Pioneer-Tribune have found that their faithful friend and weekly newspaper has been reaching their homes or neighborhood newsstands late by a few hours each week.

New readers of The Escanaba Reporter have been receiving the paper later on Wednesday night, or in many cases not until Thursday, than we would like to have intended.

Hopefully, during the new month that begins this week, we will have eliminated some of the problems that cause the papers to be late and readers will be able to count on their paper arriving on time.

Part of the problem has been mechanical. We have had computer breakdowns one week that caused the paper to be late. The following week we had problems with our web offset press that forced delays in our printing schedule.

Another week, when we thought we had all the production problems ironed out, we ended up on Wednesday morning with no plates on which to print the newspapers. Plates that were to have arrived at our plant a week or two earlier had been delayed in shipment and couldn't be located.

In order to get plates we had asked a fellow publisher to put some on the bus to us and had taken every precaution to see to it that the plates would arrive by Wednesday morning. When the bus station opened Wednesday morning and there were no plates we really scrambled, but located the missing plates at the bus station in St. Ignace, 90 miles away.

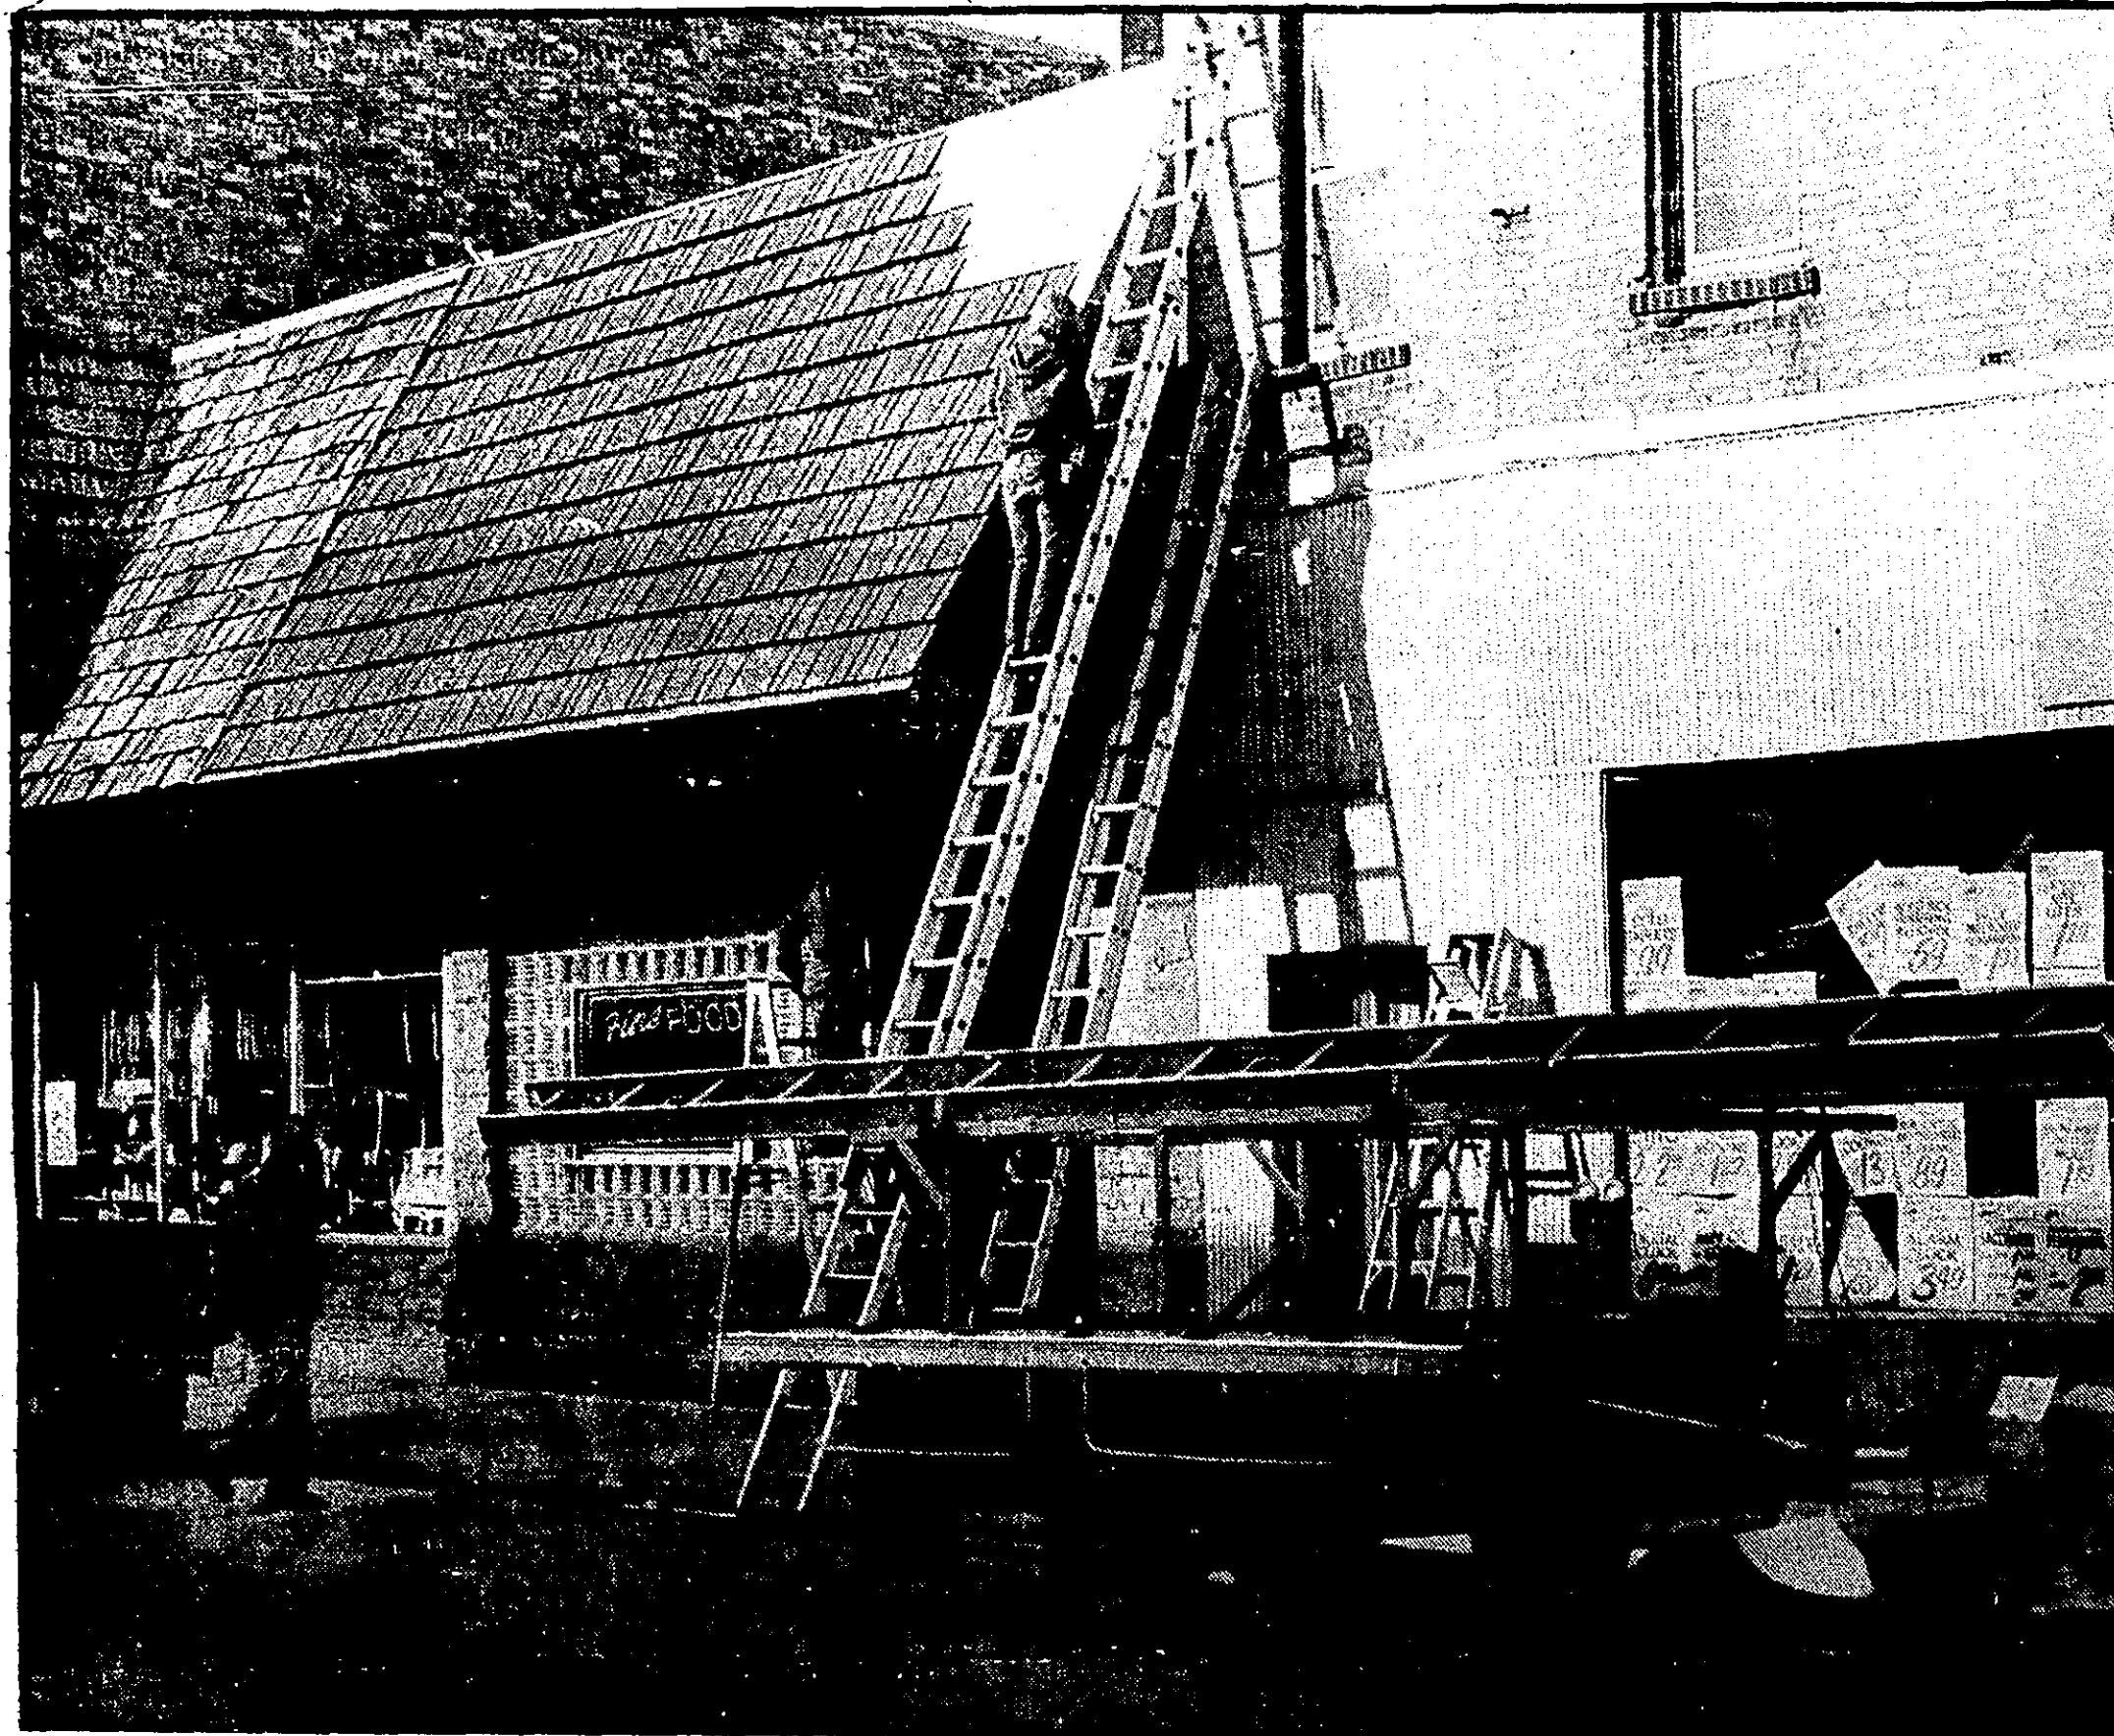

By the time the plates were retrieved and press runs made, our carefully worked out time table was out the window and the papers were again several hours late.

Through all of the bad luck and adversity of the past month we have been extremely fortunate to have understanding readers, patient carriers and some of the hardest working employees of any newspaper in the country. I make the statement without fear of contradiction.

Our readers, carriers and employees can take a great deal of satisfaction in their response to the problems of the month and in the job that has been accomplished. While we are not resting on our laurels and will continue to work to produce the best possible community weekly newspapers for Delta, Schoolcraft and Menominee counties we are pleased that the response to the new Escanaba Reporter has been so tremendous.

Readers like their new newspaper. Advertisers are pleased with the results from the ads that they have run. It has been a hectic and exciting month and in many ways it is just a beginning.

But with continued hard work, patience and understanding we are more confident than ever before that a new community newspaper in Escanaba is not only a reality but also going to play an important role in this area for many years to come.

RENOVATION — Gary Beasley, 27, of Beasley Roofing and Siding, Manistique, puts finishing touches on a new store front for the Hub Bar.

Moe Fagen, of 204 Cedar St., co-owner of the bar, said he was putting the canopy up to keep the rain out.

new front will improve the appearance of the business, and make the entire Cedar Street a bit more attractive as well. It's a good step.

A newspaper's unsung heroes

"What happened to the news I sent in? My club members are blaming me." "The name of our organization president is Chester Jurdley, not Jester Churdley, as you printed it last week."

"I sent in a five-page story but you only printed 15 words of it." The comments take varied forms. But they come from people who are vital to a community weekly newspaper. They are the regular correspondents and the publicity chairpersons for clubs, organizations and churches.

Those of us who work full-time in the news business sometimes forget that these people are really the unsung heroes of a community paper.

And the occasion of National Newspaper Week, Oct. 9-15, gives us a chance to pay tribute to the folks who help make the Pioneer-Tribune as complete a source as possible for information about the community.

Correspondents are people who work

Side Tracks

by Arnold Mackowiak

long hours talking to residents and visitors in their area, collecting the local news on a regular basis. If for some reason their report fails to appear one week, they're the ones who may hear criticism from folks hoping to see their family's name in print.

Persons filling publicity spots for organizations also may feel the sting of an omitted article, incorrect information, or a misspelled name. The newspaper may be to blame, but the publicity person usually

is the handiest target for a complaint.

Despite some of the difficulties, contributors to the Pioneer-Tribune have done a fine job. And at a news luncheon and seminar at noon Friday at the Ramada Inn, they will be so recognized. Additionally, there will be time to share any problems and suggestions for improved news coverage.

Besides these people, there are many others who are indispensable to the news gathering process. These include sources of information—officials, athletic coaches, concerned citizens, businessmen, teachers—without whose cooperation the public is less likely to be informed.

But this Friday the Pioneer-Tribune is focusing on those persevering souls who continue to bring in information week by week.

It may seem like a thankless job. But only because some of us forget to say thanks.

HUNTER'S CALENDAR '77 - '78

OCT. 15 Early crow season ends statewide.	NOV. 1 Mink become legal to hunt and trap in Zone 2. Muskrats and raccoons may be trapped in Zone 2. Deadline for application for December archery deer season at Shawassac River SGA.	NOV. 15 Statewide opener of firearm deer season. Hunter's Choice areas open, too.	DEC. 1 Archery deer season resumes statewide. Ruffed grouse may again be taken in Zones 2 and 3, except for portion of Grialot County. Put-take pheasant season resumes in specified areas of Lower Peninsula.	DEC. 15 End of archery deer season in Zone 1.
OCT. 20 Regular pheasant season begins in Lower Peninsula, but ends in Zone 1. Ruffed grouse, woodcock, cottontails and woodchuck come under the gun in Zone 3.	NOV. 10 Squirrel season ends statewide and regular pheasant season over in Zones 2 and 3.	NOV. 21 Hunter's Choice deer season ends in Zone 3 areas.	DEC. 2 Special muzzle loading deer season starts statewide with rifle or shotgun, .44-caliber or larger, round ball and black powder.	DEC. 31 End of archery deer season in Zones 2 and 3, ruffed grouse season in Zones 2 and 3, mink trapping in Zone 1, and muskrat trapping in Zone 1. Put-take pheasant season ends.
OCT. 21 Allagan Highbanks and farm units open to hunting for geese.	NOV. 13 Ruffed grouse and woodcock seasons end in Zone 1.	NOV. 22 Muskrat, mink and raccoon trapping legal in Zone 3. Mink may be hunted in Zone 3.	DEC. 9 End of goose season in Southeast Michigan Goose Management Area.	JAN. 1 Start of bobcat season (hunting only) in Cheboygan, Presque Isle, Otsego, Montmorency, Alpena counties, in portions of Zone 2.
OCT. 25 Bobcat and mink become legal to hunt and trap in Zone 1. Trapping season for muskrat and raccoon begins in Zone 1.	NOV. 14 Last day of bear season in Zone 1 under bow license. Temporary halts to archery deer season, put-take pheasant season, and ruffed grouse hunting in Lower Peninsula. End of woodcock season in Zones 2 and 3. End of season on snipe and rails. End of duck and grouse season in Upper Peninsula.	NOV. 25 Quail season ends. End of duck season in Lower Peninsula.	DEC. 11 Muzzle loader deer season ends.	JAN. 15 Mink and muskrat trapping seasons end in Zone 2.
OCT. 27 Quail season starts in 23 counties in Zone 3.	NOV. 30 Firearm deer season ends statewide, including Hunter's Choice in Zones 1 and 2. Bears no longer may be taken under deer gun license in Zone 1. End of goose season in remainder of state (except Southeast Michigan Goose Management Area).	NOV. 25 Quail season ends. End of duck season in Lower Peninsula.	DEC. 12 Crow season resumes in Zones 2 and 3.	JAN. 28 Crow season ends in Zones 2 and 3.

Officers are Named by Local Eastern Star

Ida Chapter 54, Order of the Eastern Star met Saturday evening for an election of officers.

Mrs. Ellen Burgess was elected Worthy Matron; Clarence Johnson, Worthy Patron; Mrs. Hazel Johnson, Associate Matron and Clifford Cool, Associate Patron; Mrs. Margaret Taylor, conductress; Mrs. Shirley Johnson, associate conductress; Mrs. Jean Lustila, secretary and Franklyn Burgess, treasurer.

First Cable Hookups for TV in 2 Weeks

Workers have started stringing cables on the east side of town and home TV cable hook-ups should be possible in some areas within two weeks.

M.N. Renk, president of the Manistique TV Cable Co., Inc., announced this week. The cable TV service will provide local reception from five stations plus FM music, for a fixed fee.

Care Facility Dedication Set

An open house and dedication of the new Schoolcraft County Medical Care Facility is tentatively planned for Nov. 25 and 26, it was announced Monday by Harold O. Carlson chairman of the county's medical care facility committee.

Tentative plans also call for the first patients to move into the new structure, adjacent to the hospital, around Dec. 1.

Please observe new Tribune deadlines

Contributors and advertisers are requested to observe the following deadline schedule for the Pioneer-Tribune:

2 p.m. Monday: all social news and calendar of events items.
5 p.m. Monday: all letters to the editor for that week's issue.
Noon Tuesday: news from correspondents.

2 p.m. Tuesday: display advertising.
5 p.m. Tuesday: classified advertising.

Noon Wednesday: deadline for news for an urgent nature.
Meeting these deadlines will facilitate proper treatment for each news item and that the Pioneer-Tribune receives it. If any difficulty is encountered, call 341-5200.

Senior Citizens

by Eileen Males

The following are wished a happy birthday: Frank Elliot, Mary Stephens, Lloyd Stull, Gertrude Orr and Lena Lambert, Oct. 13; Lois Lausten, Marian Henrichson and Judith Rose, Oct. 14; Lillie MacFarland and Kaoul Bertrand, Oct. 15; Carl Bradley, Oct. 16; Mike Barkovich, Mary Schubring, Swede Nelson and Antoinette Bigelow, Oct. 17; Edith LaVake and Otto Linden, Oct. 18; Robert McEwan and Hildreth Binder, Oct. 19; Victor Beaudry and Mary Bosanic, Oct. 20.

Thrift Store donations have come from Vera Seidel, Millie Herro, Mrs. Robert Walters, Russ and Tillie Tennant, Hazel LaMontagne, Clara and Jim Sangraw, Bob and Elsie McEwan, Clarence and Marie Henderson and Dora Courneya.

Building fund donations have come from Grace Ruddock Alice Neville, Grant and Nora Taylor, Sr. and Veronica Buesh, Viola DuFour, Gus Hahne, Russ and Tillie Tennant, Verice and Carlton Hollister, Joseph and Maurine Beaudoin, Elmer and Irene Jestila, John Faketty, Mr. and Mrs. Joseph Sangraw, Cordel Beaudoin, Inez and Clifford Wagoner, John A. Stoor, Thelma and Willis Brauer, Irene Smith, Ethel Howland, Berdene Harrington and one anonymous donor.

Memorials have been given to the center in the name of Mr. and Mrs. M.P. Strong, parents of Leona Williams, by Jack and Leona Williams, in the name of Mr. and Mrs. John E. Williams, parents of Jack Williams, by Jack and Leona Williams, in the name of Fred Hinkson by Bob and Jerry Sleeper, in the name of Matt and Ida Henderson by Clarence and Marie Henderson, and in the name of William Peterson by Bill and Helen Olsen.

Baked goods have been brought in by Clarence and Marie Henderson, Ethel Howland, Irene Smith, Eleanor Wacker and Esther Bonifas.

Connie Donovan donated apples which were distributed at the center and Gladys Heinz donated playing cards.

I had the pleasure of spending the weekend at Mackinac Island and staying at the Grand Hotel. I never stayed there before and the hotel is so impressive, the food so delicious, and the rates to groups so

reasonably priced that I told the sales staff to send me all the pertinent information pertaining to tours. So we'll be taking a group there next year, believe me. It really is something everyone should do once in their lifetime.

I had the pleasure in talking to various senior citizens' groups from Michigan and Wisconsin, there at the hotel. This particular group from Wisconsin had a recreation center only and they never heard of transportation services just for the older person, and when I told them we had a center's nurse, three women to do house work, free of charge, young people to do yard work and that we were going to get "Two handy men" to help take off storm windows, paint and do minor repairs, they just looked and said, "How come, we don't have that?"

We really have services we can be proud of. I am sure we offer more than any other community.

Remember our Halloween party at Cooks Town Hall, Friday, Oct. 28. You don't have to wear a costume but there will be prizes for those who do. We'll have some super entertainment. Doors will be open at 5 p.m. Bring a dish to pass for the potluck and a \$1 donation to cover expenses.

You'll have the time of your life. So sign up at the Manistique center now.

Free drug course

A free drug course aimed at helping parents identify and know the ramifications of drugs and drug abuse will be given at Manistique High School starting Oct. 24 in room 204.

The Manistique Community School Program is sponsoring the course. Instructing will be Phil Jones who is the director of the Schoolcraft County Mental Health Program. A presentation will also be given by the state police.

The course is directed at parents, but it is open to anyone. The course will run about four weeks and each two-hour session will start at 7 p.m. on Monday.

Interested persons may sign up for this course at the community school office in the high school. It is hoped that between eight and 20 people will attend the sessions.

Medicare patients getting a head start on Christmas

Hi, everyone.

We are trying to get a head start on the holiday season and with the good, helpful, hard working people I have in here, we're doing quite well in keeping up with our orders.

It won't be too long and Halloween will also be here. That's a day we look forward to also. The Medical Care Facility Volunteers will sponsor the party and the girls are already thinking of what to use for costumes. The nurses aides dress the patients for the party and it's hard to say who enjoys it more, the patients or the workers.

Women's retreat to be in Boyne Falls

Jeannette Clift George, of Houston, Tex. will speak at the sixth annual Win-Some Women's Retreat at Boyne Mountain Lodge, Boyne Falls. The retreat is set for Friday and Saturday Nov. 4-5.

Mrs. George co-starred with Julie Harris in the film "The Hidden Place." She played the part of Corrie ten Boom, a Dutch woman who saved the lives of scores of Jews in her native Holland during the Nazi occupation.

Theme for the retreat is "The Christian Home." Seminar sessions will deal with practical ideas involving various types of family relationships.

Reservations must be in on or before Tuesday, Oct. 25 to Win-Some Women, Box 503, Petoskey, Mich. 49770. The retreat is sponsored by Neighborhood Bible Study groups in Petoskey. Women from 10-12 different church denominations make up the study groups. All women are invited to attend.

Medical Care

by Sally Schuetter

Wednesday's service was offered by Pastor Ingmar Levin and Mass was said by Father Frank Lenz on Friday, Sept. 30 for Mildred Tatrow in the Medical Care Facility Chapel.

Many thanks to Mr. and Mrs. C.E. Henderson of Rosemont, Ill. and Merle Arcey for the bingo prizes and treats. A monetary donation was given by the Curran family in memory of Mrs. Bessie Baker Spratt. Mrs. Spratt was the mother of Mrs. Frances Beaton.

Birthday greetings to Mary Webb, Oct. 1, Uno Rajala Oct. 3, Helga Neville, Oct. 7, Lois Lausten, Oct. 14; Aina Kanerva, Oct. 16; Otto Linden, Oct. 18, Minola DeSautel, Oct. 29; and Clara Wood, Oct. 30.

Have a nice week.

BELLS AROUND THE WORLD

The Indians could send a rallying call many miles by drums. Each drummer, stationed on a lonely ridge, would listen for the sound of distant drums, and relay the message to tribes waiting across the valley. Overnight a dozen others could be rallied to a common cause.

We don't need such crude methods of communication today. Men with a common purpose can join forces around the world at a pre-arranged time.

World Wide Communion Sunday is such an expression of unity. In every Christian land the church bells will summon men and women to the Lord's Supper on this Sunday.

And the universality of this great religious event will not depend on bells relaying the message from town to town. It will depend on folks like yourself coming to their Church to receive this Holy Sacrament.

T. Krumrey carves his memories

by Ed Zaske

THEODORE H. KRUMREY works on a carving from a single block of wood. The German citizen does all his (Tribune photo)

"Whenever he gets a chance to carve — that's what he does," Karl H. Krumrey, of Indian Lake, said.

"One day he was out in the garage helping me fix a car. When I was putting the tools away, I turned around and he was gone — back to the house to finish his work on a carving!

"That's just about all he has wanted to do since he's been here," Krumrey said.

The person being referred to is Theodore J. Krumrey, Karl's 54-year-old younger brother from Sehnde, Germany. That's a little town of about 15,000 population near Hanover.

Krumrey was here for a month with his wife, Ruth, to see his brother for the first time in 26 years. A bricklayer by profession, Krumrey does not speak English. However, his American relatives speak German fluently.

The two Krumrey brothers are part of a five-son family that was reared in Rethmar, another little town close to Sehnde. All five sons were inducted into the German armed forces during World War II — and all of them lived.

Karl H. Krumrey served his time as a paratrooper in Africa. During an excursion on foot, he was captured and spent 5 years in a prisoner of war camp.

His brother was a sailor in the German Navy on the Battleship Cologne. He was put in a war camp in Holland just shortly before the war ended.

By 1951, the paratrooper and his wife, Erica, decided to go to America where she had relatives. Because Theodore had no such sponsors, the two brothers parted.

In America, Krumrey continued his German-learned painting trade. He eventually opened up a decorating shop here about 1957.

The Krumrey family seems to be overflowing with talent. A third brother, Hubert, is an engineer working in Nigeria. One of Karl's sons, Dietmar, is among the top wildlife artists in the nation. Another son, Peter, is an architect.

The Krumrey's Indian Lake home is filled with his son's paintings — and his own. Krumrey is a craftsman, and the house is decorated with handmade furniture. Many of the walls are finished with murals.

The German Krumrey got started in his art form by carving out Christmas plates for his wife and four sons in 1962. He used flat sections of tree trunks, hollowed them out and put relief scenes on the bottom.

However, just carving out Christmas plates did not get the carver's blood out of Krumrey. As a matter of fact, it started a whole new life for him.

In 15 years, Krumrey has become an

accomplished artist, showing his work in amateur shows near Hanover.

During Krumrey's visit to America, he preferred short walks in the woods near Indian Lake to endless driving from sight to sight in the Upper Peninsula.

He envisioned birds in flight and other animals on burnt pieces of pine and would give them wings or faces with his knife.

To him, a sawed off piece of firewood was the Blessed Virgin kneeling before a Babe in swaddling clothes. A little larger piece of wood became — after tireless gouging and sanding — the form of an old photograph of a young boy and his father.

Krumrey's father is splitting a tree trunk while he is sitting, hands to his face, watching.

And the list goes on. Several flat pieces of sawed off tree trunk would serve nicely as hollowed out plates. The coat of arms of Sehnde or a relief scene was carved into the bottom of the plates.

"He likes America very much," his older brother said. "If he didn't have so many things in Germany, he would like to come over here for good."

As it is now, he plans to retire at age 62 and then come over here for about six months.

Krumrey said his brother gets his ideas for the carving from his memories. He uses no models. As an amateur naturalist, he seems to know the name of every plant in the woods. His family bought him a botanic encyclopedia to help.

At home, he keeps a garden and various kinds of animals. There are dogs, sheep, ponies and goats. He even had a fox until the zoo took it away from him.

Even though Krumrey is an amateur and does not carve expressly to make money, he will sell an average carving for about \$98. He does all his carving at home, taking about two days time to finish a figure.

THE BLESSED VIRGIN kneels before a Babe in swaddling clothes. Krumrey takes about two days to complete a figure. (Tribune photo)

KRUMREY'S FATHER splits a tree trunk while his son looks on. This carving was inspired by an old photograph of the boy and his dad. (Tribune photo)

A FEW OF THE FIGURES Krumrey has completed during his month at Indian Lake are shown here. (Tribune photo)

Germfask Senior Citizens

by Alma Thibideau 586-9697

Health screenings again on agenda

We have just received the good news lately that health screenings are again on the agenda.

We had two consecutive days allowed us but had to change the screening to one day on Oct. 18, which has been filled, plus another on Nov. 29.

We still have some openings on that day. If you are interested in having one and are 55 or older you are welcome to call us and we'll put your name on the list.

The following poem was written by one of our senior citizens who has just turned 80 and we thought you might enjoy it:

So I'm "80"

So I'm 80 what the heck, I've some little zip left in me yet.

Maybe I've become a little slow, and there's flab where muscle used to grow.

I used to be firm of flesh and slim, now it's all fat where it should be thin.

Sure and I'm glad to be helped down a step, though I may stumble, I'm walking yet.

Without the help of a crutch or cane nor even the twitch of rheumatic pain.

I reach for my glasses for my eyes are dim, my teeth are false and my hair is thin.

How true, I'm not what I used to be, just happy that life's been so good to me.

Belated birthday greetings to the following: Elizabeth Anderson, Oct. 1; Audrey Newborn, and James Burns, Oct. 4; John Zellar, Oct. 6; Abie McGahan, Oct. 7; Jennie Crown, Oct. 8 and Edna Skarritt, Oct. 9.

Also some celebrating their birthdays (this coming week are, Paul Richter, Oct. 18; Harland Ackley, Oct. 18; and Carl Lengel, Oct. 21.

Our nutrition meal menu for Oct. 17 will be: boiled dinner, jello salad, rolls and butter, ice cream cookies and milk.

Menu for Oct. 19: meat loaf, baked potatoes, spinach, coleslaw, rolls and butter, cake and milk.

We received our first order of name badges and they are really nice. You can still order them by giving us a call or see what they are like by dropping in at the center. The cost per badge is \$1.25.

St. Martin Circle

St. Martin Circle met at the home of Theresa Gray last Thursday night at Indian Lake.

Helen Norbotten was co-hostess. Prizes were awarded to Joyce Lesica and Roberta Smith. Audrey White won the door prize.

New publication donated to library

"Six Men" by Alistair Cooke has been presented to the Manistique School & Public Library as a memorial to the late Henning Mattson.

The new publication, given by friends of the family, is the story of six famous transatlantic figures—three English, three

American—each of who was a legendary meaning for our time. They are Charles Chaplin, H.L. Mencken, Humphrey Bogart, Adlai Stevenson, Bertrand Russell, and Edward VIII.

The book is currently available for circulation.

Cards of Thanks

Many thanks for all the cards, flowers
and visits I received while I was a patient
in Schoolcraft Memorial Hospital. A
special thanks to Dr. Urban and the
hospital staff for the wonderful care I
received.

Edward Swanson

19p1

October 13, 1977 The Manistique Pioneer-Tribune 7L
Our sincere thanks to all my friends,
neighbors and relatives for the many acts
of kindness shown at the time of our recent
loss.

Special thanks for the cards, flowers,
food and donations; to the ladies who
prepared and served the luncheon; to
Messier-Broullire Funeral Home and to
Dr. Sell.

We are deeply grateful to all.
God Bless each of you.

Opal Davis & Children

19c1

The thoughtfulness and kindness shown
our family during our time of sorrow will
never be forgotten.

& up, must be straight & sound. Will pay
\$72.00 a cord delivered to our yard. For
further details, call #616/549-2421 days,
or #616/549-2706 evenings.

THE NEW SCHLITZ BONUS-PAK.

12 extra oz. of gusto in every 6-pak.

When it's gusto you want, here's a new way to get it.
Introducing the new Schlitz Bonus-Pak. What's the
bonus? 14-oz. cans, instead of the regular 12-oz.
That's 12 extra ounces of gusto in every 6-pak.
The new Schlitz Bonus-Pak - now available all over
town. It's a great way to get together with gusto.
And plenty of it. 14 oz. at a time.

14oz. 6-Pak.

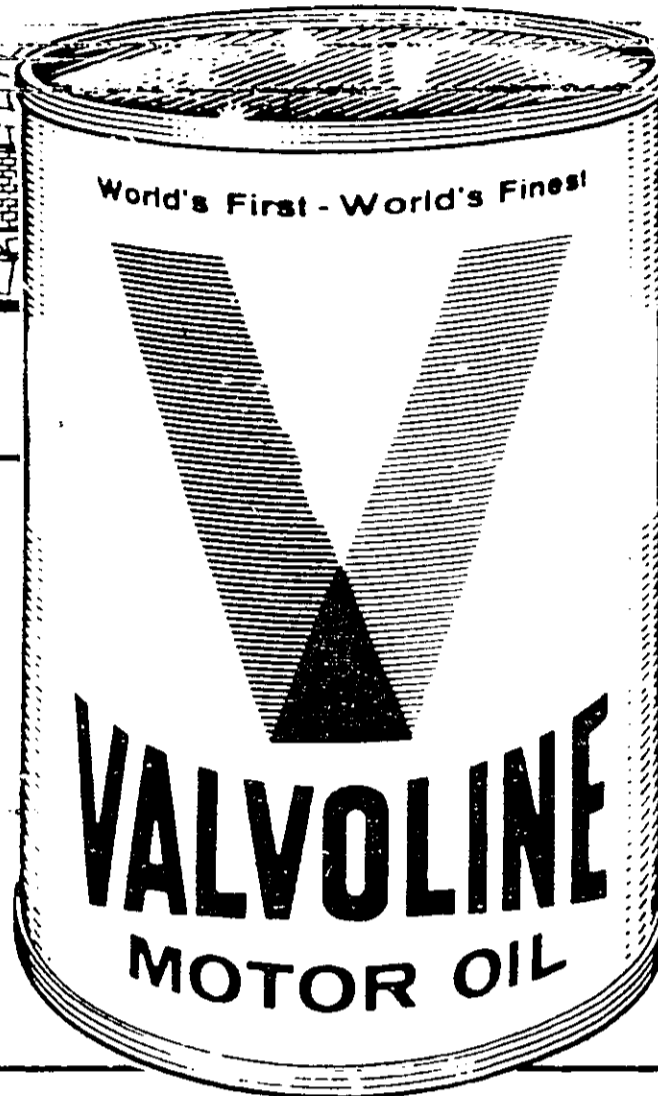

All items may not be available at all station stores. Offer limited to quantities of stock available. Limit rights reserved.
