SITE NO. 1: Warshawsky Brothers yard at north end of Arbutus Avenue, 6.5 acres.

SITE NO. 2: Approximately 10 acres north of Schoolcraft Memorial Hospital and the Schoolcraft County fair building are scheduled to be constructed in the same area.

Plan vet home campaign

Members of the committee to place the U.P. veterans' nursing home in Manistique have agreed to meet Friday to organize a letter writing campaign.

Doug Kraatz, director of Social Services for Schoolcraft County, suggested the 2 p.m. meeting in the courthouse as a way to influence state representatives who will be appropriating funds for the home.

Kraatz said he thought the members should get together to make a list of things which would make Manistique the best place to put the home.

He suggested that the list could then be distributed to area service organizations and interested persons as a guideline for letter writing.

Pioneer-Tribune General Manager Arnold Mackowiak said that letters should not be written on a form.

"My understanding of what is most effective in a letter to a legislator is that it be written in hand, concise and to-the-point," he said.

Mackowiak said each person should set down his or her own ideas as to why Manistique is the best place to put the home.

The Manistique veterans' home committee presented its possible sites and available facilities to a survey group which came to Manistique Monday.

The survey group will consider the locations and facilities for a recommendation to the Michigan legislature.

The proposed veterans' home is being sought by several other U.P. cities.

Already reviewed are the locations of Marquette General Hospital and Kincheloe Air Force Base.

By the end of this week, the survey team will have completed a review of Iron Mountain, Escanaba, Ironwood and the Houghton-Hancock area.

The survey team consisted of a physician, Dr. Edward O. Willoughby; a nurse, Randall E. Phillips, R.N. and an engineer-administrator, Robert S. Hicks.

Hicks, who acted as principal spokesman for the team, said input from the community was the type of thing which would sway location of the facility.

"A lot of people say the die is already cast," he said, apparently referring to rumors of Marquette's strong bid. "I don't think that way."

He said the legislature and the governor would ultimately decide the location of the facility.

"You're best ammunition is to tell the good things about your area. Enthusiasm. Tell it right from the heart. But don't tear down anybody else's chances," he said.

Manistique couple killed in head-on collision

Two persons from Manistique died and a woman from Algonac was listed in critical condition after a head-on car crash west of Manistique on US-2 Monday.

Sadie E. Wright, 66, of 704 Park Ave., was dead on arrival at Schoolcraft Memorial Hospital.

Her husband, Byron E. Wright, 68, was dead upon arrival at Marquette General Hospital after being transferred from Schoolcraft Memorial Hospital.

Brenda L. Baies, 21, of Algonac, Tuesday was listed in critical condition in the intensive care unit at Marquette General Hospital. She was transferred there from Schoolcraft Memorial Hospital.

Police said the car driven by Mr. Wright attempted to pass a truck going eastbound on US-2. The westbound car driven by Miss Baies apparently turned off the pavement

to avoid impact. Police said the cars collided on the shoulder of the road.

The accident occurred about 3.5 miles west of the intersection with M-94. Police received a report of the accident about 4:30 p.m. It was raining at that time in Manistique.

A sister of Mrs. Wright said a call was received from Mrs. Wright at 2 p.m. the day of the accident. The sister said the couple was apparently returning to Manistique from home of Mrs. Wright's brother in Fayette when the tragedy happened.

The accident is still under investigation by police.

A mass will be said at 10 a.m. today at St. Francis de Sales Catholic Church. Burial will be at Fairview Cemetery following the mass. There will be no funeral procession from the church to the cemetery. See obituary on Page 8A.

are at the end of Arbutus Avenue near Warshawsky's junk yard, vacant county land northwest of the hospital and vacant city land in the area of Harbor View Towers on U.S.-2.

Hicks said he thought two of the suggested sites were usable. However, the one near Harbor View Towers would be objectionable because of water table hazards.

The location of the facility would mean almost 300-related jobs for Manistiguers, according to employment theories. The facility itself may hire as many as 100 persons.

ation made to the state health department survey group with the group chairman, Bob Hicks, assistant chief, Division of Health Facility Planning and Construction. Other members of the survey team are

SURVEY TEAM: County Commissioner Ed Way, far left, who is also chairman of the community group to bring a proposed Upper Peninsula Veteran's Facility to Manistique, discusses details of a presentation made to the state health department survey group with the group chairman, Bob Hicks, assistant chief, Division of Health Facility Planning and Construction. Other members of the survey team are to Hicks' right, Randall E. Phillips, R.N., nursing consultant for the Michigan Department of Health; and Dr. Edward O. Willoughby, a medical consultant for the department.

A coalition of interested businessmen, county commissioners, city officials and civic and social leaders have been working on site selections and gathering statistical data to present to the team.

Manistique was offered a chance to bid for the facility two weeks ago Tuesday. Since then, community leaders of the committee have been working together in a way that has been rare in Manistique, some officials have indicated.

"If we could work together this way on everything," committee chairman Ed Way said, "we could get lots of things done faster."

State park user fees to be hiked to \$5

LANSING—The Natural Resources Commission approved, at its October meeting, an increase in state park user fees.

The increase covers overnight camping, rental cabins, frontier cabins, and ski-tow fees.

Effective Jan. 1, camping will cost \$5 per night per site at all campgrounds having modern facilities including electrical service, whether or not it is used. At campgrounds having either flush toilet facilities and sites with electricity, or vault-type toilets with electricity at each site, fees will be \$4 per night.

In campgrounds having no modern facilities and for those areas used by backpack or hike-in campers, fees will be \$2 per night.

The Schoolcraft County Board of Commissioners approved a 1978 budget of \$973,061 for the county in a special meeting held Monday night.

Two other budgets, one for federal revenue sharing and another for federal anti-recession money, also were approved.

The approved budget for the county was \$133,510 less than what county agencies had asked for. However, the 1978 budget was \$89,699 more than what was allocated last year for county expenditures.

Among those departments receiving a substantial amount more than last year and requested for this year was the county treasurer's department. The amount approved for this year is \$47,604 — a full \$10,000 more than it was given last year.

Trial winding up on two for Presque Isle assault and robbery

by Ed Zasko

The trial of two men for charges of assault, armed robbery and intent to commit murder may continue at the Schoolcraft County Courthouse until late today or early Friday.

This was revealed by Circuit Court Judge Philip J. Glennie, who is presiding at the trial.

Darrel L. Jarvis, 23, of Millersburg, and James E. Siebert, 21, of Pontiac, are charged with the Nov. 5 assault and armed robbery of a Presque Isle County storeowner and her son.

Glennie granted a change of venue motion on the case Oct. 7 to move the trial from Presque Isle County to Schoolcraft.

The change of location motion followed four days of efforts to select a jury in the lower Michigan county.

The motions were requested by the attorneys for Jarvis and Siebert, Richard Collins of Alpena and Nicholas Hile of Cheboygan.

Before jury selection began in the trial at Schoolcraft courthouse Monday, Collins presented a motion to Glennie that the trial be dismissed.

He said that the Department of Corrections, which had custody of the two in December 1976, had failed to notify himself and Hile as to the location of Jarvis and Siebert.

Under a Michigan court ruling, once a person has been convicted of a crime, is under the custody of the Department of Corrections and is under arraignment for other crimes at different locations, the prosecuting attorneys must be notified of the suspect's location.

This is done so that the defense attorneys who are assigned to the case can receive word from the prosecuting attorneys as to the location of their clients.

Collins said, in this case, that Prosecutor Larry Farmer of Rogers City should have received notice of the location of Jarvis and Siebert within 180 days of Nov. 5.

During that time, Jarvis and Siebert were being prosecuted for other crimes.

Glennie said he would consider the motion but wanted to proceed with selection of a jury.

After a day and one-half in the courtroom, a final panel of 12 jurors was approved early Tuesday by Glennie and the attorneys. The selection process had eliminated the first two panels and about 85 jury candidates.

Opening statements by the attorneys and witness testimony started in the trial Wednesday morning.

A key witness in the case, Karen Simpson, a first cousin who accompanied Jarvis and Siebert on the day the incident occurred, was granted blanket immunity Tuesday by Glennie.

Collins said it was possible that in her testimony she could be charged as an accomplice to Jarvis and Siebert.

She was provided with the council of Attorney Michael Brooks of Manistique. In his opening statement, Farmer outlined the details of the crime.

About 4:30 p.m. on Nov. 5, Jarvis and Siebert allegedly went to a small country store, called the Halfway House, on Highway 638 in Case Township, Presque Isle County.

The setting was rural, with no businesses or other residences nearby.

Farmer said Jarvis and Simpson had been to the store earlier that day for gas. This time they bought gas again and were waited on by Laurette Schepke. In her early 50s, Mrs. Schepke had owned the station for about 11 years with her husband.

After she had delivered gas to the two, they asked to come into the store for other supplies. Once in the store, Farmer continued, Jarvis produced a sawed-off shotgun and pointed the gun at Mrs. Schepke. He convinced her at that time that he intended to hold up the store.

She gave them cash from the register and also took other items such as groceries, putting them in a sack for Jarvis.

Since Jarvis is from the general area of the Halfway House, Farmer said, he knew other members of the family and asked Mrs. Schepke when her husband and older brother were expected to return.

About this time, a school bus pulled up to deliver Mrs. Schepke's 10-year-old son, Mikel, to his house. Mike came to the front door, but finding it locked started around to enter by the rear door. Before he reached the door, the prosecutor said, he was detained by Siebert, who then guided him into the house.

According to Farmer, Jarvis and Siebert then guided Mrs. Schepke and her son into the living quarters of the combination store and summer home.

At that time, he continued, Mrs. Schepke saw blood coming from her son's head. She mentioned this to the two men but was told to cover her eyes. She then felt a blow to the back of her head and then additional blows. Briefly, she heard her son say, "Why are you hurting me and hitting my mommy?"

When she awoke, she was dazed and half-conscious. She remembered seeing her son lying next to her in a puddle of blood.

She was not certain what had happened, the prosecutor said, but she was sure that they were alone.

Farmer said that Leroy Schepke, an older son of Mrs. Schepke returned home from work about 6:15, and found the two with his father, who had arrived a few minutes before, in the condition earlier described. He said the father was trying to care for the two as best he could. Police and an ambulance were called.

Farmer said Karen Simpson had been in the car with the two men during both of their visits to the station.

When they returned to the car, according to Farmer, she saw blood on their clothing, that Jarvis was carrying a blood stained sawed-off shotgun, and that Siebert was carrying a blood-stained knife.

Additional prosecution witnesses will be called to construct the scene of the crime and extent of injuries to the two victims. Mrs. Schepke is to testify but her son is not expected to.

Also, Leroy Schepke is scheduled to testify before the trial ends.

The two men are being lodged in the Schoolcraft County Jail. Security for the men while outside the jail is being provided by the Presque Isle County Sheriff's department. Under all conditions, security surrounding the two men will be kept at maximum, Schoolcraft County Sheriff Lloyd Gray says.

Board OKs \$973,061 budget for county

The Schoolcraft County Board of Commissioners approved a 1978 budget of \$973,061 for the county in a special meeting held Monday night.

Two other budgets, one for federal revenue sharing and another for federal anti-recession money, also were approved.

The approved budget for the county was \$133,510 less than what county agencies had asked for. However, the 1978 budget was \$89,699 more than what was allocated last year for county expenditures.

Among those departments receiving a substantial amount more than last year and requested for this year was the county treasurer's department. The amount approved for this year is \$47,604 — a full \$10,000 more than it was given last year.

The county building code department received \$5,201 more than its \$17,158 allocated last year.

One thousand dollars was allocated for a Schoolcraft Historical Society, whereas there had been none allocated during 1977.

In another item, the board appointed Jack Phillips of 113 State St., to Department of Social Services. Phillips had been recommended to the board by

Social Services director Doug Kraatz. Herb Calhoun of 111 S. Third St. was appointed as the Democratic member of the county canvassing board. Howard Hewitt of 504 Gero Ave. was appointed as the republican representative to that board.

The Schoolcraft County Mental Health Services Board received the okay to replace four of its members with nominees of its chairman, Ingmar Levin.

Those appointed to the board are Margaret Holland of Manistique; Essie Jarvis of Thompson; Thurman Skarritt of Germfask, and Ingmar Levin of Manistique.

They all will be serving terms ending on Dec. 30, 1980.

In other action, the board: —Appointed Eugene Johnson to temporarily replace the county drain commissioner during his absence in the winter months.

—Approved a 1978 wage scale for county employees.

—Authorized the sale of county property to Chapter Four of the Chippewa Indians.

CUB SCOUTS FROM THE Manistique area joined together Wednesday night of last week to raffle off cakes they had baked. There was a contest and the winners are shown here. From left to right: second judge's choice, Douglas Barr and father; judge's choice, Chris Doyle and father; theme cake, Mark Halverson and father; largest cake, Steve Godlewski and father; unusual cake, Mike Macklem and mother.

46 Cub Scout cakes bring \$226

Cub Scout Pack 402 held a Father and Cub Cake Bake and Pack meeting on Wednesday evening Oct. 26 at Manistique High School.

A total of 46 cakes were entered in the judging and auctioned off. A grand total of \$226.50 was brought in from the auction. Auctioneer for the evening was Cubmaster Wallen Godlewski, who was dressed as a baker.

This year the theme was "Discover America," on which the cakes were judged. The winning cakes were: Judges Choice No. 1, Chris Doyle of Den 6, with a logging truck; Judges Choice No. 2, Doug Barr of Den 7, with a cake of the United States.

Best Theme Cake went to Mark Halverson of Den 9 with all three of Columbus's ships. Prizes for most unusual shape went to Mike Macklem of Den 3 with a forest cake representing Boone's trail, and the largest cake award went to Steve Godlewski of Den 6 with a huge Indian Head Cake. The largest cake also brought

in the most money per cake with a total of \$8.75 being paid for it.

Judging the cakes were: Mary O'Brien, Ruth Reid, Pam Martin, Brenda Swanson, Lucy Swanson, Sandy Michael, Delores Keen, Sandy Ballard, Gert Warren and Eula Rosebusch.

During the Pack meeting songs were sung by Dens 3, 5, and 8. Den 2 put on a skit.

The following Cub Scouts and leaders received awards:

BOBCAT BADGES: Doug Barr, Philip Berger, Guy Bosanic, Matt Brown, Deane Deloria, Chris Herlik, Jeff Jewett.

WOLF BADGE: Steve Rose.

BEAR BADGE: Todd Nagel.

ARROWS: Den 5 - Tony Boyer, 1 silver under Wolf; Steve Rose, gold under Wolf; Darrin Young, 1 silver under Wolf; Den 6 - Steve Godlewski, 1 silver under Wolf.

WEBELO ACTIVITY PINS: Jeff Herlik, Aquanaut, athlete; Tom Williamson, Aquanaut, athlete.

SERVICE STARS & PERFECT ATTEN-

DANCE: Den 3 - John Anderson, one year service star and 1 year perfect attendance; Erik Johnson, 1 year service star and one year perfect attendance; Mike Macklem 1 year service star; Todd Nagel, 1 year service star; Jim Wayne, 1 year service star; Den 5 - Tony Boyer, 1 year service star and one year perfect attendance; Dan Erickson, 1 year service star and one year perfect attendance; Don McPhail, two year service star; Den 6 - Dave Zentner, one year service star and one year perfect attendance; Den 1 - Jeff Herlik, one year service star; Tom Williamson, two year service star and two year perfect attendance.

LEADER SERVICE STARS: Barb Boyer, one year; Mary Herlik, one year; Dixie Klagsstad, one year; Liz Macklem, one year; Dave Seiterlind, five years; Ruth Eakley, six years; Sally Seiterlind, six years.

The next pack meeting for Pack 402 will be held Nov. 16 at the Manistique High School Auditorium with the theme being "The American Indian."

Garden

by Mrs. Eleanor LaBute 641-2522

Repair and renovation have begun on the old Garden school which has been purchased by Russ and Irva Peterson of Garden.

Extensive plans for a three-year, three-step program by the Petersons include a family style restaurant to be located in the former kindergarten room of the school. It will be called the Garden Spot. There will be menus but each day a fish, fowl and meat will be served and a help yourself menu with vegetables and potatoes.

Ted Spaulding, a master chef and restaurant manager from the Ramada Inn in Ithaca, N.Y. will be coming to Garden in January to supervise and organize the project. The opening is tentatively scheduled for April or May of 1978.

The Petersons also plan to add within three years a canning center under the direction of Ball Canning Co. of Muncie, Ind. and a maple syrup processing center. They hope to have a truck to pick up syrup from local producers.

The Petersons also have purchased the old fire tower from Flat Rock which has been reassembled behind the school. The 122-foot tower will be used primarily for a windmill generator to power the steam fire boiler for the processing of maple syrup and possibly as an energy saving heating source.

Peterson may reserve a couple of rooms for the Ross Peterson School which he teaches. He intends to employ mostly local help in these projects.

Peterson, a para-psychologist, teaches others how to increase their psychic awareness in order to utilize the sixth sense as a practical and useful tool. In Toronto he was a counselor in the medical and technology motivation field for two years. He also was engaged in research with different doctors associated with Clark Institute in Toronto.

Prior to this he had a private practice in Marion, Ind. as a para-psychologist with his own television and radio show. He also spent six years with the Lansing Hypnosis Center.

A book has been written and published about him called "Slumbering Seer" by Alan Sproggert, a well-known writer in Toronto.

Peterson will have a pre-school class during the winter months.

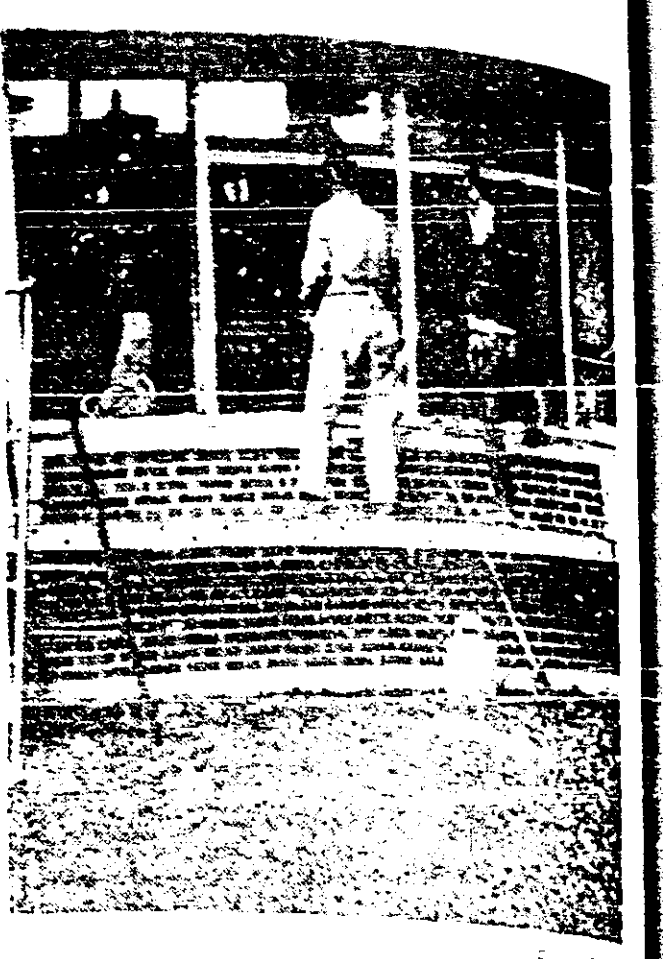

Mr. and Mrs. Charles Grenier of Cedarville were weekend visitors at the Bernard Grenier home in Kate's Bay.

The bazaar held by the Women's Fellowship of the Congregational Church of Garden was well attended and a success. Proceeds from the bazaar were added to the building fund which will be

used to build an addition to the church which will be used for Sunday School classes and fellowship meetings.

The Kate's Bay Home Ec Club met Thursday, Oct. 27 at the home of Marian Cota. After the business meeting which included a report given by Marian Cota on the invitations and attendance at the special education room at the Big Bay de Noc School, the members and guests enjoyed the club's annual Halloween party. Guests were Skele Tatro and Helen Cota. The next meeting will be at the home of Molly Guertin on Nov. 10.

Mrs. Diane Pizzala, Mrs. Joanne LaBute, Mrs. Norman Bodette and Mrs. Norma Harbinski attended the CA Church Convention in the Port Plaza Mall in Green Bay last weekend. Carrie Pizzala, daughter of Mr. and Mrs. Darrell Pizzala attended the convention as a representative from TBI in Ellendale, ND. A busload of area children also attended.

OLD GARDEN school is undergoing conversion to a family restaurant and classrooms. From left to right, Charles Rasmussen, Roy Laux and Doug Rasmussen repair windows in one of the classrooms.

'Boogie Fever' THE MANISTIQUE HIGH SCHOOL Marching Band will present a concert at 7:30 p.m. Wednesday, Nov. 9 featuring selections from the football shows and Band Day at Northern Michigan University. "Theme from Rocky," "Send in the Clowns," and "Boogie Fever" will be among the compositions performed. Also, the pom-pom girls and majorettes will be featured in special routines. The concert will be held at the high school auditorium. There is an admission charge for adults and students, but senior citizens will be admitted free.

Esther Bonifas and Alma Howersox study goofy costumes.

MORE THAN 200 people attended a Halloween party for senior citizens Friday, Oct. 28 at Cooks Township Hall. Costumed guests and a ghoulish decor highlighted the event.

"NURSE" Eileen Males and "Surgeon" Bill Males parade with a sign on his back "Brain Surgery while you wait."

Pulpit and pew...

Celebrating 90th anniversary

Sunday Nov. 6 will mark the 90th anniversary of the Church of the Redeemer. Special events have been planned to mark the occasion.

Saturday at 7 p.m. the Covenant Players will present a program at the Church. The dramatic presentation will be followed by a period of fellowship.

Sunday, Nov. 6 a special Sunday morning service will be held which will include a reading from the record of the Michigan House by State Rep. Charles Varian. At 10 a.m. the Mary Wood Singers from Sault Ste. Marie will give a concert which will be followed by a potluck dinner.

Thirty-five young people enjoyed a Halloween party at the church given by members of the 4th, 5th, 6th grade class. Hosting the party were Andrea Ott, Tom Williamson, Mike Seterhnd, Elizabeth Senger, Gna Lauzon, and Jim Kastanusen.

The public is cordially invited to attend the concert and the potluck dinner which will follow. Persons are asked to bring a dish to pass and their own place setting.

The 45-member chorus, under the direction of Mary Wood will be giving its 13th performance of 1977, its 13th year of existence.

Mrs. Robert Agnes Dybeck was the accompanist for the Chorus for 14 years and will be returning from retirement to play again for the chorus this Sunday.

The Mary Wood Community Chorus, Sault Ste. Marie will present a sacred concert Sunday, Nov. 6 at 7 p.m. at Church of the Redeemer, Presbyterian, in celebration of the church's 90th anniversary.

Awana program

Don Allen of Awana will present a special program at Awana on Thursday, Nov. 3 at 7 p.m. Everyone is urged to come and bring a guest to the Bethel Baptist Church. There are thousands of extra points which will be awarded for each new guard or protect.

Winners of the costume contest last week were Laurie Sundling, Lisa Heminger, and Mark and Brock Bergman.

If rules are needed to Awana, call 341-5561.

Harvest dinner

United Methodist Church will hold their annual Harvest Dinner on Nov. 10 from 5-7 p.m. The home cooked meal will feature turkey and the trimmings and an array of sides. The dinner will be served family style.

Eileen Renton and Francis Hoar are co-chairpersons of the dinner. Norma Johnson and Ellen Derber will head the dining area. Jack Phillips is heading the ticket sales and has arranged for tickets to be sold by Dorothy Cook, Ed Roland, Ellen Derber, Evelyn Grimes, Mary Ann Neddow, Edna Fiegel, Mary Stephans, members of the Women's Society and a Gamble's, Maytag, Western Auto, Sine's Service and at the church. A limited number of tickets will be available at the door.

Prayer meeting

There will be a Charismatic prayer meeting at 8 p.m. Thursday Nov. 3 in the 6th grade room at St. Francis de Sales School. The meeting welcomes participants of all faiths.

Dissingers to show travelogue

Don and Nedra Dissinger will present a travelogue for the Manistique Women's Club at the Zion Lutheran Church on Tuesday Nov. 8 at 1:30 p.m.

Final plans for the Bazaar to be held on Nov. 19th will be made.

Remember to bring your gift for your forgotten friend.

Hostesses are Mrs. George Schweikert and Mrs. Leo Curran. Serving on their committee are: Mrs. Nicholas Bonifas, Mrs. Archie Carpenter, Mrs. Alfred Radgens, Mrs. Laura Alberts, Mrs. William Guinan, Mrs. Nick Modders, Mrs. Howard Benson, Mrs. William Dreffs, Mrs. Lester Breitman, Mrs. Eric Tornberg, Mrs. Maynard Blanford, Mrs. Aldred Farley, Mrs. C.S. Johnson, Mrs. Bud Malloy, Mrs. Henry Nowak, Mrs. Harold Sell, Mrs. Leanne Senger and Mrs. Dorothy Shipman.

Card marathon

Arrangements will be made for the Nov. 22 Card Marathon Awards Party during the Nov. 27-30 p.m. meeting of the St. Francis de Sales Court No. 992 of the National Catholic Society of Foresters in the parish center.

Members are reminded of the 4:30 p.m. memorial mass, which will be offered for deceased members and chaplains of the Society on Saturday, Nov. 12.

Hostess committee members for next Tuesday night's meeting are Mrs. Richard Kocik, Chairman; Mrs. Dan Barber, Mrs. Dennis St. Pierre, Mrs. Ray Krusic, Mrs. Darryl Bertrand, Miss Betty Faketty, and Mrs. Elmer Brazeau.

Mr. and Mrs. Mark Bryan Gregory

What's Going On

311-5200

Books have been written explaining the various methods of tracing family histories and of finding relatives. Many of them are quite intricate. Mr. and Mrs. William Dehut have found an easier way.

The Dehuts shared the news of their recent houseguests with What's Going On and were contacted by the John Hockstads who had read the column and discovered the name of one of their relatives as guest of the Dehuts.

The Dehuts are going to try again. Their guests this week were niece and nephew Mary and Ken Rousseau of Green Bay.

Kay Curran had an extra happy birthday last weekend. She celebrated it in East Chicago, Ind. with her husband Leo, mother Mrs. Anthony Vrbnich and daughter and son-in-law Mr. and Mrs. Walter D'Jordjevich.

Mr. and Mrs. Harold Smith of Dallas were visiting Manistique friends and relatives for a month.

Roberta Worley is recuperating at home after having surgery on her foot at Marquette General North.

Mr. and Mrs. "Shorty" Brunet returned from Paw Paw, Mich. where they visited their son Jim and wife, Sally and granddaughters Jessica and Megan. Jim and Shorty hunted geese and Shorty bagged two Canadian Honkers. Besides getting in some good hunting it also gave Shorty and Honey a chance to spoil their granddaughters for a few days.

The Phillip Villamures enjoyed a visit from their daughter Jan of Petoskey.

The Don Currans had a happy daughter weekend too. Cindy was home from Northwoods Institute in Midland.

Gail Pistulka spent the weekend with her parents, the Bill Pistulkas.

Jack and Rebecca Weinert are now making their home at 604 Range Street, the former Amos Bowman home.

Following a 20-year tradition, Mr. and Mrs. Herman Asquine of Chicago took a U.P. color tour with Mr. and Mrs. Erland Danielson.

Mr. and Mrs. Neil Schulte of Roseville travelled to Manistique to visit Mr. and Mrs. Pete Olsen and attend the wedding of the Olsens' daughter Debra.

The Ray Ranguettes spent the weekend spoiling their grandchildren. Mr. and Mrs. Larry Fisetle and family of Green Bay were their guests.

Otto Linden was the pleased recipient of three cakes in honor of his 86th birthday. His daughter Mrs. Dixon gave him a special cake decorated with lumberjacks

as a remembrance of his favorite work. Guests at the party held at Medicare were Mr. and Mrs. Dixon and daughter Linda, Linda's school friends, Cornelia Arrowood, Sally Lauzon and her sister Mae Carney.

Mr. and Mrs. Donald Benish of Manistique are the parents of a boy born on Oct. 21 at Marquette General North. Timothy Allen weighed 6 lbs. 3/4 oz. Paternal grandparents Mr. and Mrs. John Benish are as proud of Timothy as they are of grandson Jason Lee who was born in Logansport, Ind. His parents Mr. and Mrs. Richard Benish report that he weighed 7 lbs. 1/2 oz.

Navy Hospital Corpsman Third Class Marcia Denny, granddaughter of Mr. and Mrs. William Bellore of North Cedar St., has graduated from the Navy's Hospital Corps School. The daughter of Betty L. Denny of Munising joined the Navy in December 1973 and presently is stationed in the Philippines.

Hospital receives accreditation

Schoolcraft Memorial Hospital has received an accreditation by a commission which represents the hospital as being of a quality higher than governmental licensure alone.

The Joint Commission on Accreditation of Hospitals of Chicago recently made an on-site survey with its field representatives of the hospital.

Commission representatives determined that the hospital met the standards of the commission.

The accreditation covers a period from August 1977 to August 1979.

The hospital is one of about 4,800 general hospitals throughout the United States to have earned this recognition.

Pioneer-Tribune

The Manistique Pioneer-Tribune is published each Thursday at Manistique, Mich. as second class mail matter, by the Senger Publishing Company, 212 Walnut St., Manistique, Mich. 49851. Office hours: 8:30 a.m. - 5 p.m. M-F. Subscription prices: \$9 per year in Schoolcraft, Delta, Alger, Luce and Mackinac counties; \$11 per year elsewhere. Second class postage paid at Manistique, Mich.

Double ring ceremony performed

Elaine Mary Gouin of Isabella and Mark Bryan Gregory of Bay City were married at St. Ann Catholic Church on Sept. 10. The 2 p.m. double ring ceremony was performed by Fr. Ephraim Siko.

Parents of the bride are Mr. and Mrs. Francis Gouin of Isabella. Mr. and Mrs. William Seiden Stucker of Bay City are the parents of the groom.

The bride given in marriage by her father wore a floor-length candle light colored gown with a finger tip veil.

Maid of honor was Mary Gouin of Green Bay, sister of the bride. Best man was Mike Gregory of Madison assisted by usher Wayne Gouin.

Following a wedding trip to Canada the couple will make their home at the Michigan State University campus in East Lansing.

The bride is a 1974 graduate of Bay de Noc High School and is a senior at M.S.U. The groom, a senior at M.S.U., is a 1973 graduate of Bay City High School.

Constructing a bird house

The U.S. Fish and Wildlife Service has a Conservation Bulletin entitled "Homes for Birds."

This 18-page booklet provides practical information for construction of bird houses for a wide variety of species that regularly use them. Protection of the birds from

would be predators and proper maintenance and cleaning of the houses are also discussed.

The booklet may be obtained for 35 cents per copy by writing to the Refuge Manager, Soney National Wildlife Refuge, Soney, MI. 49883.

THANK YOU FOR MAKING THE SENIOR CITIZENS HALLOWEEN PARTY THE BEST!!

Rood visits Rotary

MANISTIQUE ROTARIANS board President Rood visited the Manistique Press editor earlier this morning. Rood is editor following his firing this summer by Panax Corp. Rood recently testified before the National News Council in New York.

The News Council had censured Panax for its action. Pictured with Rood are Rotary President John Miller, left, and Frank Senger, Pioneer-Tribune publisher and Monday's program chairman.

Milliken eyes bridge bond retirement

Gov. William W. Milliken said he is one step closer to the response of Michigan's citizens to the federal proposal to build \$44 million in federal highway funds for the construction of bonds that financed construction of the Mackinac Bridge.

He said favorable federal action allowing federal Interstate Highway funds to pay off the outstanding bond indebtedness on the bridge would permit the state to reduce bridge fares by at least two-thirds and, at the same time, free up nearly \$4 million a year in state gas and weight

taxes for use to maintain state and local road systems.

"I would benefit the tourist industry by encouraging travel to and from and across the Straits of Mackinac," Milliken said. It would help to stimulate commercial and industrial development in parts of northern Michigan that need it most; it would strengthen ties between the people of our two great peninsulas; and it would help ease economic problems in some areas of the U.P.—such as those to be caused by the closing of Kincheloe Air Force Base.

Nutrition program opens at Mueller Town Hall

Some 160 area residents recently held a grand opening for Community Action senior citizens nutrition program site at the Mueller Township Hall.

With a Harvest Day theme, the grand opening featured a ribbon cutting ceremony by Schoolcraft County Commissioner Earl LeBrasseur and a turkey dinner which followed. He is also chairman of the CAA's Executive Board.

LeBrasseur said those outside the program, like himself, would help the elderly in any way they could. "However, his nutrition meal is your program and only you can make it work," he noted.

Vickie Deroun, director of the CAA's nutrition program, explained procedures about the program. She indicated future meals will be served at the township hall

every Tuesday and Thursday. Clarence Whalen of Thompson gave the invocation for the meal.

The meal consisted of turkey, white and brown mashed potatoes, fruit salad, stuffing, gravy, cranberry and pumpkin pie. At the nutrition program, meals were prepared for 160 citizens, many of whom were also turned out for the grand opening.

Mrs. Deroun, the meal coordinator, said she was glad to see citizens with their families and friends at the program.

She said the program is a benefit to the population of Mueller Township. The program is open to all citizens, regardless of age. The program is a good example of opportunity for the elderly and their families.

A big stir

ESTER ZOOK of Gulliver stirs potatoes for the grand opening of the Community Action nutrition site for senior citizens at Gulliver last week.

Guide to holiday turkeys

What size and kind of turkey should you buy for the holidays?

"Turkey is sold in so many different forms, the hostess can serve a family or two or a large crowd," says Marilyn Mook, Michigan State University Extension Food and nutrition specialist.

A small family can purchase a small bird or turkey parts, cut from a larger bird. For church groups and clubs, tender birds are available that weigh as much as 30 pounds.

"Look for the USDA grade mark, U.S. Grade A poultry is the finest available, but all inspected poultry is nutritious and wholesome," states Mook.

Ninety-five percent of the turkey crop is prepared ready-to-cook, either fresh-chilled or frozen. A ready-to-cook turkey is fully drawn, pinfeathers removed and cleaned inside and out. Giblets are wrapped and packed inside the body cavities.

In some places, turkeys are sold dressed. They have been bled and pickled, but not drawn. The head and feet haven't been removed. So the homemaker must draw and clean the turkey before cooking it.

When buying whole, ready-to-cook turkeys weighing under 12 pounds, allow 1/2 to 1 pound per serving. For larger birds, allow 1/2 to 3/4 pound per serving.

Use this table as a guide:

Approx. serv.	Ready-to-cook turkey lbs.	4 to 8	8 to 12	12 to 16	16 to 20
4 to 6	4 to 8	4 to 8	8 to 12	12 to 16	16 to 20
6 to 8	8 to 12	8 to 12	12 to 16	16 to 20	20 to 24

Family Living

by
Cecile Turner
Extension Home Economist

4 to 6 20 to 24

For each serving of roasted turkey quarter or half cut from a larger bird, allow 1/2 pound of the ready-to-cook weight per serving. For uncooked boneless turkey roasts, allow 1-3 pound per serving.

Mook says, "keep in mind that only about half of a turkey provides usable meat."

Most homemakers buy the tender young hens and toms (5 to 6 1/2 months old). Roasting-age young hen turkeys of all breeds may weigh 5 to 9 pounds, ready-to-cook toms 9 to 15 pounds. (These are small meaty turkeys such as Beltsville Whites.)

Slightly larger breeds—white Holland, black, bourbon red and the Narragansett—are available. These ready-to-cook hens weigh about 8 to 11 pounds; toms 11 to 18 pounds.

Broad breasted bronze and the new large whites are the largest turkeys. Ready-to-cook hens average 10 to 15 pounds, toms 16 to 30 pounds.

Fully matured hen or tom turkeys are occasionally found on the market.

"They are less tender than young hen and tom turkeys and have hardened breast bones and coarse skin," says Mook. "Do not roast these turkeys. Braise them in a covered roaster or cook in a pressure cooker."

Eight honors band students to represent MHS at concert

Eight honors band students from Manistique High School will participate at the sixth annual Michian School Band and Orchestra Association District 13 Honors Band concert at 3 p.m. Sunday, Nov. 6 at Sault Area High School's Strahl Theater. Kim Tufnell, Carol Wilcock, Sue Williams, Linda Schubring, Jim Green, Julie Prunty, Mary Orr and Al Barr are among 75 students for the band chosen by area band directors at auditions held on Oct. 5 at Newberry. Participating schools are Brimley, Engadine, DeTour, Newberry, Big Bay de Noc, Sault and Manistique.

Stuck? You're not alone

Three hours of a recent duck hunt were devoted to ungluing our 4-wheel drive vehicle from a backwoods mud wallow and I got to wondering what makes an impassable road so doggone challenging. Even a successful wallow is of brief satisfaction, for the prospects of a return engagement at the end of the day does little for the peace of mind during the interim. Yet, as long as one set of tracks enters a wallow and emerges on the other side, every red-blooded sportsman is compelled to follow suit...and he seems more than willing to contribute mufflers, oil pans and fenders to such a glorious cause.

Mud wallowing is not a contemporary phenomena limited to 4 wheel drive vehicles...a profile of perennial wallows would reveal fragments of Model A's, Terraplines and jeeps which will probably baffle archeologists for eons to come. And it's not that mud wallowers enjoy being wallowed...in fact, when shadows grow long, they become desperately innovative in their efforts to alter the situation.

Invariably, the first step is to jack up the rear end of the vehicle so that rocks can be slipped beneath the tires for traction...and invariably, the vehicle scarcely stirs as the jack disappears in the mud.

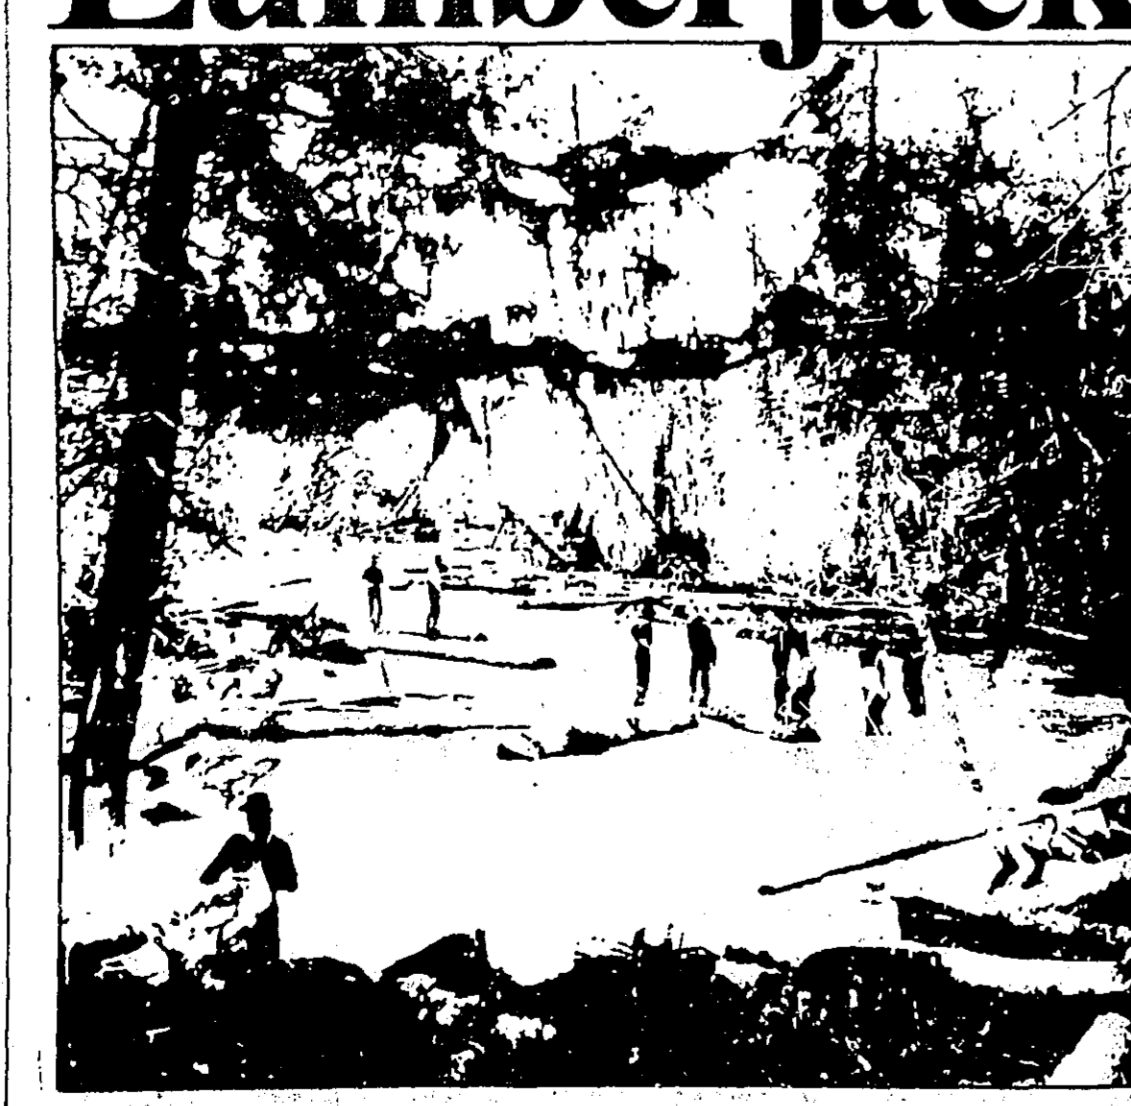

Light Side of Outside

The second step is to jam the rocks gathered for the first step against the front and back of tires hoping for mobility in any direction. The rocks join the jack and following them in short order are strips of cedar bark, the heavy bag and a previously usable running gear. The last item to disappear is pride...following shortly thereafter by the long trek for help. Confirmed mud wallowers who carry small winches, shovels and axes, seldom find themselves in such a predicament. Reformed mud wallowers, who have finally learned that hunting is just as good on either side, never have these problems...statistics show they also have more time for hunting, wear cleaner clothes and suffer fewer heart attacks. ...and that's worth thinking about.

Elks complete photograph wall

Manistique Elks Lodge No. 632 has completed its Past Exalted Ruler Wall. Since April 1, 1976, the Elks have been trying to complete the wall of photographs. At that time only 17 of the 46 Past Exalted Rulers' pictures were on display.

The wall is now complete with the addition of Carl J. Merkel's picture. The completion of the project coincided with the first day of B.P.O.E. 632's Diamond Jubilee Celebration.

Sir Edwardo's
Custom Blended Tobacco's
Many of our Tobacco smoking friends are wondering why our tobacco's are so delightfully different from others in aroma. To this, at Sir Edwardo's, we answer, that we only use the top grade of selected Tobacco's, which are the choicest leaves on the market. We do not use any spray on our Tobacco's, because this will bring mouth burn. This irritation causes pipe smokers to quit the pipe, but they do return when they find out that our blends leave a pleasing after effect only.

D. J. Brady finds his way to a few more yards Friday in the Emeralds' season-closing 31-30 loss to Newberry. Brady finished with 154 yards for the night, and 995 for the year.

Emeralds lose thriller 31-30; close year 6-3

Ignore each team's record and the Emeralds-Newberry season finale Friday was quite a ball game.

But Manistique was a heavy favorite over the winless Indians, and Newberry's 31-30 victory in the final seconds tarnished an otherwise sparkling Emerald grid campaign.

"We just didn't have a good pass rush and their quarterback caught us standing flat-footed," Coach Dan Skatzka said. Four pass interference calls also handcuffed the Emeralds.

Newberry's Doug Morrison complete 16 of 21 passes for 321 yards in a game that saw the lead change hands six times.

"We just didn't play well enough defensively to win it," Skatzka added. "We had an outstanding season. It's just too bad we had to end it that way."

The coach said that for several previous weeks the team had to get sky-high for top-rates opponents. Newberry, 0-8 going into the contest, did not appear to be a strong challenge.

"The kids just weren't mentally ready to play football," he said. "They were caught sleeping."

The Emeralds, who finished 6-3, were stunned on the first play of the game when Morrison flipped a screen pass to Rob Rubick. The senior end romped for 93 yards for the touchdown. Another Morrison-Rubick aerial connection was good for a two-point conversion.

Manistique came back in the period on a 65-yard drive capped by a two-yard run by Doug Bertrand for the score. Tony McClaren carried the ball across to tie the game at 8-8.

Early in the second period, the Indians engineered a 88-yard drive culminating in a five-yard run for a TD by Warren Gritzenger. The PAT try failed.

The Emeralds gained the lead for the first time on a 64-yard drive when Bertrand cracked through from the four and ran in a two-pointer to make the score 16-14.

But the lead was short-lived. The Indians marched 65 yards, with Gritzenger plunging in from the one and Morrison hitting

Rubick for the PAT to light the scoreboard for Manistique at 21-16.

The Emeralds charged back in the third quarter with D.J. Brady running it in from the six to cap a 58-yard drive. A Norm Jahn pass to John Pistulka gave Manistique the lead, 24-22 with 2:14 left.

A subsequent Indian drive starting on the visitors' nine yard line carried over into the fourth period, with Morrison again hitting Rubick for an eight-yard TD pass. The PAT failed, leaving the score at 28-24 with 9:11 minutes remaining in the game.

The Emeralds took the next kickoff and started a drive from their own 32. Brady carried the ball for most of the campaign, ramming through on a four-yard run to score a go-ahead six-pointer with 4:11 left. The senior back wound up with 995 yards for the season, including 154 on 24 rushing attempts Friday.

A PAT pass attempt failed and the score stood 30-28.

After receiving the Emeralds' kickoff, the Indians were pushed back to their own 25 and had a fourth down and eight situation with 1:29 left before the fireworks began.

Morrison then found Rubick again and the two combined for a 54-yard pass play that put the Indians on the Manistique 21. Another pass completion and a two-yard run set Newberry up on the eight with 12 seconds left. Rich Bouchard booted a 26-yard field goal to give the Indians the winning 31-30 edge.

The Emeralds had one more chance after returning the kickoff to the Newberry 44, but a pass attempt with two seconds left went awry.

For the night, Manistique rushed for 278 yards on 48 carries to Newberry's 103 on 31 tries. But the Emeralds managed just 93 yards on six of 12 aerial attempts while the Indians rolled up 311, mostly Morrison-Rubick tandem efforts. Manistique held the edge in first downs, 19-18, but also was penalized for more yards, 75-22.

Pistulka gathered in five passes for 64 yards and defensively contributed 10 solos tackles and four assists in his final high school football game.

Black Bears, 0-8, look ahead

Big Bay de Noc's varsity football team completed its season Saturday with an 0-8 record, and Coach Paul Babladelis is relieved.

"We've got the whole winter to catch up," Coach Babladelis said. "A new system has been established and we're looking forward to next year."

The Black Bears ended up on the short end of things Saturday, being crushed by Baraga 64-6 in an away contest.

Big Bay was handicapped by the loss of six starters, three for disciplinary reasons and three due to injuries. John Lucas, Dan Lester and Mike Parkinson all were sidelines because of various injuries.

Only 19 players were suited up to face the Vikings, who sped to a 40-6 advantage

by halftime, and rolled up 501 yards to post their second victory against seven defeats.

John Miller tallied the lone touchdown for Big Bay, sliding in from the three near the end of the first half.

For the day, the Bears collected 123 yards on offense, 49 passing and 74 rushing. Dan Dalgord had 11 tackles and Rocky Brooks had 10 to pace the Big Bay defense.

Babladelis said he'd like to forget the scores from the past season and concentrate upon improving the formation system installed this year.

"The groundwork has been laid," he said. "Next year will be a whole new ball game."

A LIMIT CATCH of steelhead, brought to the faces of John Reinke, right and Don Rhoude of Marinette. The two men made their fine catch Saturday morning and were headed home by 3 o'clock after a successful fishing trip to the mouth of Thompson Creek.

THE 'WHITE RAJAH' CHINESE EVERGREEN

Most of the tropical foliage plants that grow so well in our homes have dark green leaves and for that reason alone the 'White Rajah' Chinese evergreen, with its strikingly mottled green-and-ivory foliage, is especially valuable. But it has an even greater attribute as a house plant: it not only will grow in shade, it prefers a dimly lighted location.

The 'White Rajah' Chinese evergreen, sometimes called the variegated Chinese evergreen or Aglaonema pseudobracteatum, is a long-lived house plant that thrives in the gentle warmth of our homes. The soil beneath this plant should never be allowed to get dry, nor should it be soaking wet; try to keep it barely damp. Two or three times a year give your plant a light feeding with any house plant fertilizer. This is enough nourishment to keep the foliage healthy without fostering rapid growth. Tall plants can be cut back at any time, causing new growth to appear at the base. The only care the leaves need is an occasional wipe with a damp cloth or a tepid shower at the kitchen sink.

Nutrition program opens at Mueller Town Hall

Some 160 area residents recently held a grand opening for Community Action senior citizens nutrition program site at the Mueller Township Hall.

With a Harvest Day theme, the grand opening featured a ribbon cutting ceremony by Schoolcraft County Commissioner Earl LeBrasseur and a turkey dinner which followed. He is also chairman of the CAA's Executive Board.

LeBrasseur said those outside the program, like himself, would help the elderly in any way they could. "However, this (nutrition meal) is your program and only you can make it work," he noted.

Vickie Derouin, director of the CAA's nutrition program, explained procedures about the program. She indicated future meals will be served at the township hall

every Tuesday and Thursday. Clarence Whalen of Thompson gave the invocation prior to the meal.

The meal consisted of turkey, white and sweet mashed potatoes, fruit salad, stuffing, gravy, cranberry, and pumpkin pie. Although the nutrition program meals were provided for senior citizens, many local residents also turned out for the grand opening.

According to Mrs. Derouin, the meal serves as a pleasant social activity for senior citizens with a social activity relating to their age group.

Besides promoting better health among the older segments of the population through improved nutrition, the program attempts to unlock the isolation of old age by offering senior citizens an opportunity to live their remaining years in dignity.

Guide to holiday turkeys

What size and kind of turkey should you buy for the holidays?

"Turkey is sold in so many different forms, the hostess can serve a family or two or a large crowd," says Marilyn Mook, Michigan State University Extension Food and nutrition specialist.

A small family can purchase a small bird or turkey parts, cut from a larger bird. For church groups and clubs, tender birds are available that weigh as much as 30 pounds.

"Look for the USDA grade mark. U.S. Grade A poultry is the finest available, but all inspected poultry is nutritious and wholesome," states Mook.

Ninety-five percent of the turkey crop is prepared ready-to-cook, either fresh-chilled or frozen. A ready-to-cook turkey is fully drawn, pinfeathers removed and cleaned inside and out. Giblets are wrapped and packed inside the body cavities.

In some places, turkeys are sold dressed. They have been bled and picked, but not drawn. The head and feet haven't been removed. So the homemaker must draw and clean the turkey before cooking it.

When buying whole, ready-to-cook turkeys weighing under 12 pounds, allow ¾ to 1 pound per serving. For larger birds, allow ½ to ¾ pound per serving.

Use this table as a guide:

Approx. serv.	Ready-to-cook turkey lbs.

40 to 50 20 to 24

For each serving of roasted turkey quarter or half cut from a larger bird, allow ½ to ¾ pound of the ready-to-cook weight per serving. For uncooked boneless turkey roasts, allow 1-3 pound per serving.

Mook says, "Keep in mind that only about half of a turkey provides usable meat."

Most homemakers buy the tender young hens and toms (5 to 6½ months old). Roasting-age young hen turkeys of all breeds may weigh 5 to 9 pounds, ready-to-cook toms 9 to 15 pounds. (These are small meaty turkeys such as Beltsville Whites.)

Slightly larger breeds—white Holland, black, bourbon red and the Narragansett are available. These ready-to-cook hens weigh about 8 to 11 pounds; toms 11 to 18 pounds.

Broad breasted bronze and the new large whites are the largest turkeys. Ready-to-cook hens average 10 to 15 pounds; toms 16 to 30 pounds.

Fully matured hen or tom turkeys are occasionally found on the market.

"They are less tender than young hen and tom turkeys and have hardened breast bones and coarse skin," says Mook. "Do not roast these turkeys. Braise them in a covered roaster or cook in a pressure cooker."

A big stir

Eight honors band students to represent MHS at concert

Eight honors band students from Manistique High School will participate at the sixth annual Michigan School Band and Orchestra Association District 13 Honors Band concert at 3 p.m. Sunday, Nov. 6 at Sault Area High School's Strahl Theater.

Participating schools are Brimley, Engadine, E-Tour, Newberry, Big Bay de Noc, Sault and Manistique.

Kim Tufnell, Carol Willcock, Sue Wil-

liamson, Linda Schubring, Jim Green, Julie Prunty, Mary Orr and Al Barr are among 75 students for the band chosen by area band directors at auditions held on Oct. 5 at Newberry.

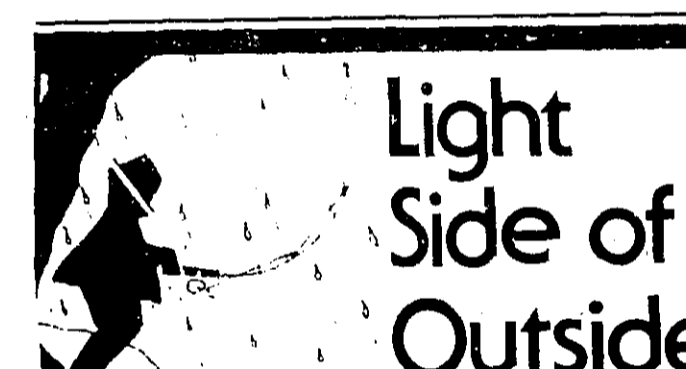

Stuck? You're not alone

Three hours of a recent duck hunt were devoted to ungluing our 4-wheel drive vehicle from a backwoods mud wallow and I got to wondering what makes an impassable road so doggone challenging. Even a successful wallow is of brief satisfaction, for the prospects of a return engagement at the end of the day does little for the peace of mind during the interim.

Yet, as long as one set of tracks enters a wallow and emerges on the other side, every red-blooded sportsman is compelled to follow suit...and he seems more than willing to contribute mufflers, oil pans and fenders to such a glorious cause.

Mud wallowing is not a contemporary phenomena limited to 4 wheel drive vehicles...a profile of perennial wallows would reveal fragments of Model A's, Terraplanes and jeeps which will probably baffle archeologists for eons to come. And it's not that mud wallowers enjoy being wallowed...in fact, when shadows grow long, they become desperately innovative in their efforts to alter the situation.

Invariably, the first step is to jack up the rear end of the vehicle so that rocks can be slipped beneath the tires for traction...and invariably, the vehicle scarcely stirs as the jack disappears in the mud.

Light Side of Outside

The second step is to jam the rocks gathered for the first step against the front and back of tires hoping for mobility in any direction. The rocks join the jack and following them in short order are strips of cedar bark, the decoy bag and a previously usable hunting coat. The last item to disappear is pride...following shortly thereafter by the long trek for help.

Confirmed mud wallowers who carry small winches, shovels and axes, seldom find themselves in such a predicament. Reformed mud wallowers, who have finally learned that hunting is just as good on either side, never have these problems...statistics show they also have more time for hunting, wear cleaner clothes and suffer fewer heart attacks.

...and that's worth thinking about.

Elks complete photograph wall

Manistique Elks Lodge No. 632 has completed its Past Exalted Ruler Wall. Since April 1, 1976, the Elks have been trying to complete the wall of photographs. At that time only 17 of the 46 Past Exalted Rulers' pictures were on display.

The wall is now complete with the addition of Carl J. Merkel's picture. The completion of the project coincided with the first day of B.P.O.E. 632's Diamond Jubilee Celebration.

Sir Edward's
Custom Blended Tobacco's

Many of our Tobacco smoking friends are wondering why our tobacco's are so delightfully different from others in aroma. To this, at Sir Edward's, we answer, that we only use the top grade of selected Tobacco's, which are the choicest leaves on the market. We do not use any spray on our Tobacco's, because this will bring mouth burn. This irritation causes pipe smokers to quit the pipe, but they do return when they find out that our blends leave a pleasing after effect only.

Call 341-5351 after 6 p.m. for a free sample of choice tobacco blends

Emeralds lose thriller 31-30; close year 6-3

Ignore each team's record and the Emeralds-Newberry season finale Friday was quite a ball game.

But Manistique was a heavy favorite over the winless Indians, and Newberry's 31-30 victory in the final seconds tarnished an otherwise sparkling Emerald grid campaign.

"We just didn't have a good pass rush and their quarterback caught us standing flat-footed," Coach Dan Skatzka said. Four pass interference calls also handcuffed the Emeralds.

Newberry's Doug Morrison complete 16 of 21 passes for 321 yards in a game that saw the lead change hands six times.

"We just didn't play well enough defensively to win it," Skatzka added. "We had an outstanding season. It's just too bad we had to end it that way."

The coach said that for several previous weeks the team had to get sky-high for top-rates opponents, Newberry, 0-8 going into the contest, did not appear to be a strong challenge.

"The kids just weren't mentally ready to play football," he said. "They were caught sleeping."

The Emeralds, who finished 6-3, were stunned on the first play of the game when Morrison flipped a screen pass to Rob Rubick. The senior end romped for 93 yards for the touchdown. Another Morrison-Rubick aerial connection was good for a two-point conversion.

Manistique came back in the period on a 65-yard drive capped by a two-yard run by Doug Bertrand for the score. Tony McClaren carried the ball across to tie the game at 8-8.

Early in the second period, the Indians engineered a 88-yard drive culminating in a five-yard run for a TD by Warren Grizenger. The PAT try failed.

The Emeralds gained the lead for the first time on a 64-yard drive when Bertrand cranked through from the four and ran in a two-pointer to make the score 16-14.

But the lead was short-lived. The Indians marched 65 yards, with Grizenger plugging in from the one and Morrison hitting

Rubick for the PAT to light the scoreboard for halftime at 22-16.

The Emeralds charged back in the third quarter, with D.J. Brady running it in from the six to cap a 58-yard drive. A Norm Jahn pass to John Pistulka gave Manistique the lead, 24-22 with 2:14 left.

A subsequent Indian drive starting on the visitors' nine yard line carried over into the fourth period, with Morrison again hitting Rubick for an eight-yard TD pass. The PAT failed, leaving the score at 28-24 with 9:11 minutes remaining in the game.

The Emeralds took the next kickoff and started a drive from their own 32. Brady carried the ball for most of the campaign, ramming through on a four-yard run to score a go-ahead six-pointer with 4:11 left. The senior back wound up with 995 yards for the season, including 154 on 24 rushing attempts Friday.

A PAT pass attempt failed and the score stood 30-28.

After receiving the Emeralds' kickoff, the Indians were pushed back to their own 25 and had a fourth down and eight situation with 1:29 left before the fireworks began.

Morrison then found Rubick again and the two combined for a 54-yard pass play that put the Indians on the Manistique 21. Another pass completion and a two-yard run set Newberry up on the eight with 12 seconds left. Rich Bouchard booted a 26-yard field goal to give the Indians the winning 31-30 edge.

The Emeralds had one more chance after returning the kickoff to the Newberry 44, but a pass attempt with two seconds left went awry.

For the night, Manistique rushed for 278 yards on 48 carries to Newberry's 103 on 31 tries. But the Emeralds managed just 93 yards on six of 12 aerial attempts while the Indians rolled up 311, mostly Morrison-Rubick tandem efforts. Manistique held the edge in first downs, 19-18, but also was penalized for more yards, 75-22.

Pistulka gathered in five passes for 64 yards and defensively contributed 10 solos tackles and four assists in his final high school football game.

D.J. Brady finds his way to a few more yards Friday in the Emeralds' season-closing 31-30 loss to Newberry. Brady finished with 154 yards for the night and 995 for the year.

Black Bears, 0-8, look ahead

Big Bay de Noc's varsity football team completed its season Saturday with an 0-8 record, and Coach Paul Babladelis is relieved.

"We've got the whole winter to catch up," Coach Babladelis said. "A new system has been established and we're looking forward to next year."

The Black Bears ended up on the short end of things Saturday, being crushed by Baraga 64-6 in an away contest.

Big Bay was handicapped by the loss of six starters, three for disciplinary reasons and three due to injuries. John Lucas, Dan Lester and Mike Parkinson all were sidelined because of various injuries.

Only 19 players were suited up to face the Vikings, who sped to a 40-6 advantage

by halftime, and rolled up 501 yards to post their second victory against seven defeats.

John Miller tallied the lone touchdown for Big Bay, sliding in from the three near the end of the first half.

For the day, the Bears collected 273 yards on offense. 49 passing and 74 rushing. Dan Dalgord had 11 tackles and Rocky Brooks had 10 to pace the Big Bay defense.

Babladelis said he'd like to forget the scores from the past season and concentrate upon improving the I formation system installed this year.

"The groundwork has been laid," he said. "Next year will be a whole new ball game."

A LIMIT CATCH of steelhead brought smiles to the faces of John Reinke, right and Don Rhouette of Marinette. The two men made their fine catch Saturday morning and were headed home by 3 o'clock after a successful fishing trip to the mouth of Thompson Creek.

THE 'WHITE RAJAH' CHINESE EVERGREEN

Most of the tropical foliage plants that grow so well in our homes have dark green leaves and for that reason alone the 'White Rajah' Chinese evergreen, with its strikingly mottled green-and-ivory foliage, is especially valuable. But it has an even greater attribute as a house plant: it not only will grow in shade, it prefers a dimly lighted location.

The 'White Rajah' Chinese evergreen, sometimes called the variegated Chinese evergreen or Aglaonema pseudobracteatum, is a long-lived house plant that thrives in the gentle warmth of our homes. The soil beneath this plant should never be allowed to get dry, nor should it be soaking wet; try to keep it barely damp. Two or three times a year give your plant a light feeding with any house plant fertilizer. This is enough nourishment to keep the foliage healthy without fostering rapid growth. Tall plants can be cut back at any time, causing new growth to appear at the base. The only care the leaves need is an occasional wipe with a damp cloth or a tepid shower at the kitchen sink.

EMERALDS

Players of the week

OFFENSIVE: D.J. Brady (40), who rushed for 154 yards on 24 carries in the Newberry game. Brady wound up with 995 yards for the season.

OFFENSIVE: Tom Anthony (51) offensive tackle, who produced many key blocks to aid the Emeralds' ground game against the Indians Friday night.

DEFENSIVE: John Pistulka (88), who collected 10 solo tackles and four assists in the Emeralds' disappointing 31-30 loss to Newberry Friday.

*Congratulations
for a great grid
season!*

Girls 3-5 in league

Emerald cagers glad to be home

Losing the last two games they have played, the Emerald girls' basketball team stands at 3-5 in the Mid-Peninsula Conference.

However, the Emeralds are looking for a turnaround in their progress with four straight home games starting with Newberry tonight.

The last five games have been away, and the team is looking for some support from its fans.

At Norway on Tuesday, the Emeralds were shaken 64-35.

Scoring only two points in the first quarter, they fell behind by 24. Other quarters left the team in just about as bad of shape as Manistique managed only between 10 and 15 points per quarter.

The Emeralds finished with about a 30 percent field goal shooting average while Norway shot at an approximate 50 percent clip.

High scorer for the Emeralds was Mary Gregurash with 19. Other scorers were Robbin Larson, 4, and Karen Krusic, 4.

High rebounder was Jackie Krusic with 10. Also grabbing cars were Gregurash with 9, Robbin Larson, 6, and Linda Kaiser and Karen Krusic with 2 each.

In action last Thursday at Gwinn, the Emeralds were defeated 47-45.

The Emeralds, who rimmed 41 percent of their field goal attempts to Gwinn's 33 percent, seemed to be playing catch-up all the entire game.

The Model Towners hit five in a row at the start of the first quarter without a Manistique interruption. However, Emeralds Karen Krusic, Linda Kaiser and Robbin Larson combined for a total of ten points. The Emeralds trailed 12-10 at the end of first quarter action.

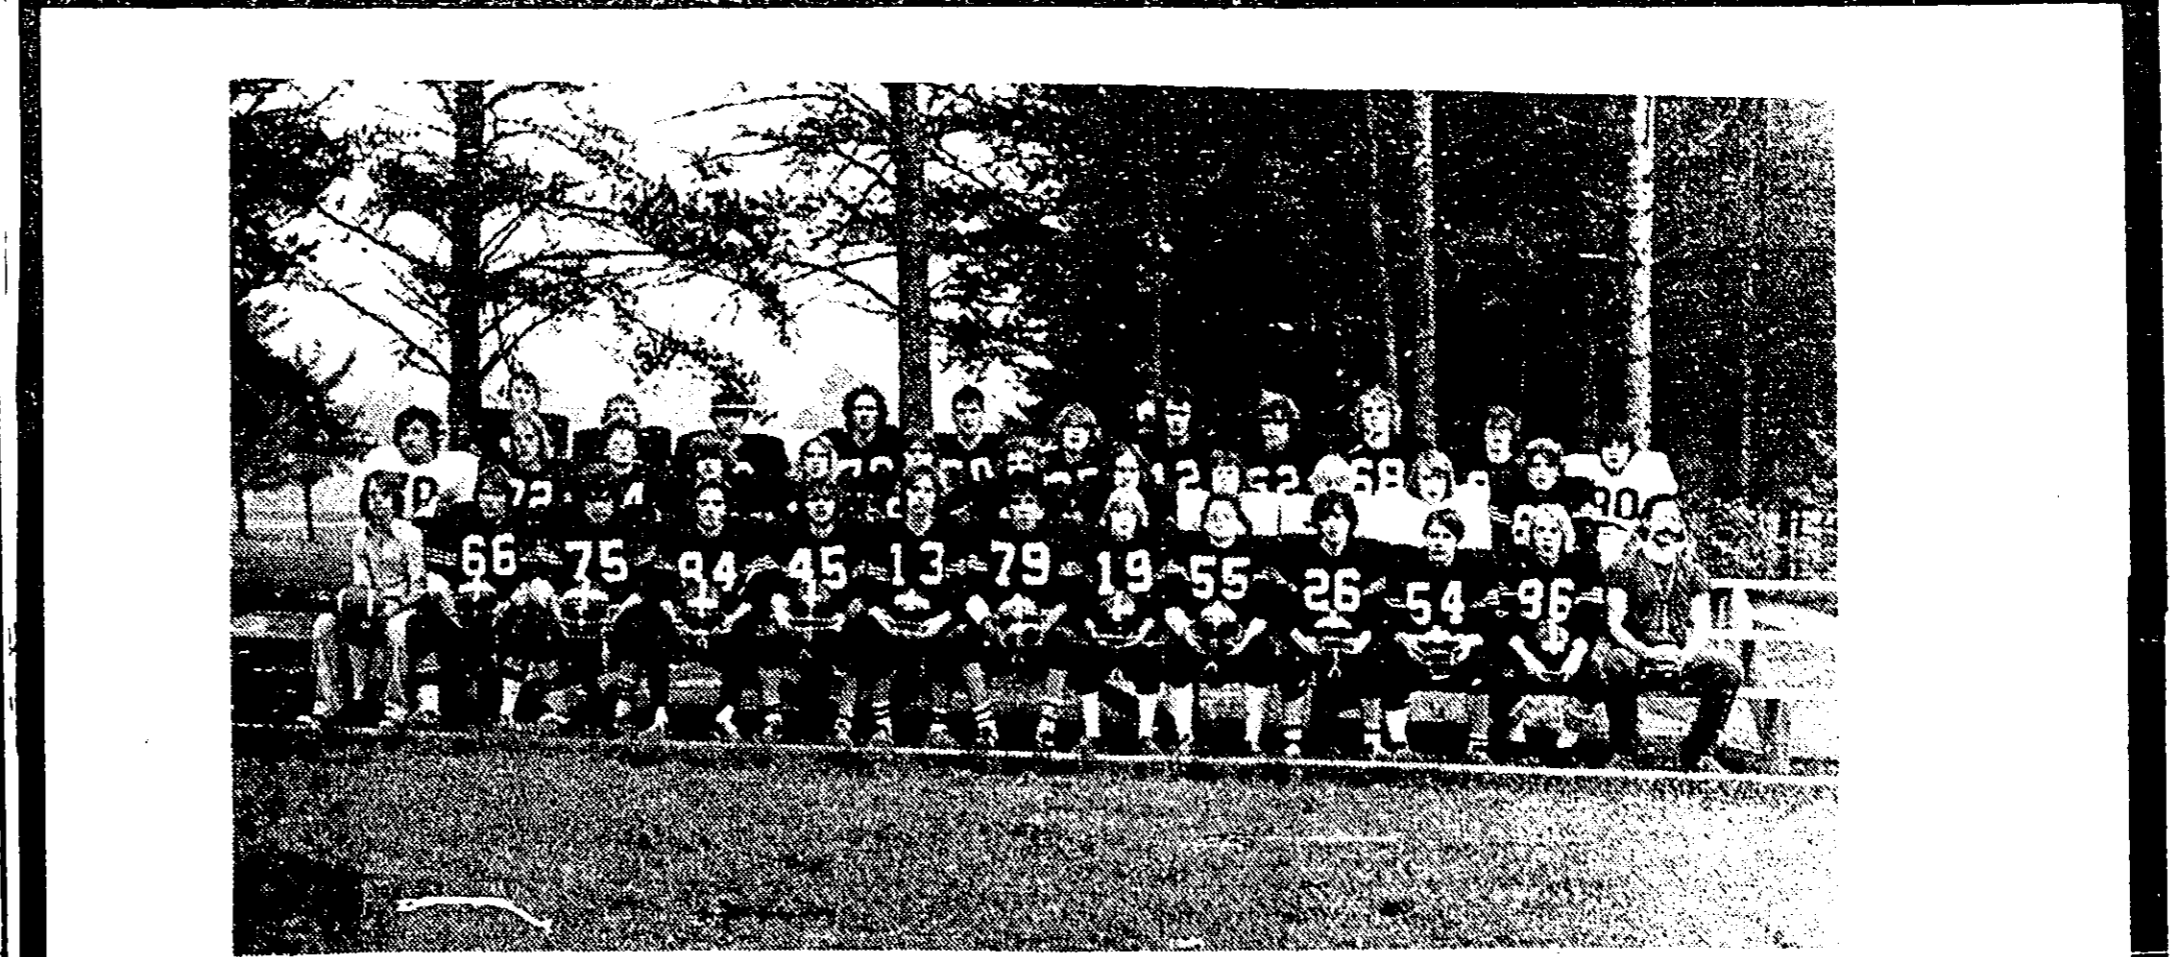

Scoring was see-saw in the second quarter. With three minutes left, the Model Towners scored two field goals. Manistiquers Krusic and Kaiser bombed in three shots but it was not enough. The Emeralds trailed 27-25 going to the lockers.

The Emeralds could only manage six points in the third quarter. Kaiser, Larson and Mary Gregurash each donated a field goal. Gwinn lead 40-31 at the beginning of the final quarter of play.

With three minutes left, the score was tied 40-40. Gregurash made an attempt to gain the lead after a Model Towner surge, but the Emeralds ran out of time.

Gregurash and Krusic had high-scoring honors with 12 points apiece. Larson had ten and Kaiser hit for eight.

In rebounding, Larson led the Emeralds with 11. Jackie and Karen Krusic followed with 7 and 6 grabs.

The 1977 Bay de Noc Black Bears Varsity Football Team: Front row, left to right, Ron Hampton, manager; Mike Parkinson, Tim Tatrow, Tom Ansell, John Lucas, Jon Hider, Mike Lester, Greg Hazen, Charlie Hatrow, Perry Brooks, Ben Carley, Andy Lang, and Coach Paul Bahladits.

Obituaries

Mr. and Mrs. Byron (Sadie Ellen) Wright

Mr. and Mrs. Byron (Sadie Ellen) Wright of 704 Park St. were killed in an automobile accident that occurred on Oct. 31 at 4:30 p.m. on highway U.S. 2, just west of Manistique.

Mrs. Wright, 56, was born on April 28, 1911 in Fayette. Mr. Wright, born on Aug. 24, 1905, was 68.

Mr. and Mrs. Wright lived in Pontiac until 1970 when they moved to Manistique. He retired in 1966 from Pontiac Motors. The former Sadie Ellen Palgareo and Mr. Wright were married on June 27, 1934. He was a 1927 graduate of Cooks High School and she attended Burnt Bluff and Fayette Schools.

They were both members of Our Lady of Refuge Church, Orchard Lake and of the Indian Lake Golf and Country Club. Mr. Wright belonged to Elks Lodge No. 632 and St. Ignace Moose Lodge No. 99. She was a member of the Elks Auxiliary.

Survivors include two daughters: Miss Sallie Jean Wright of St. Ignace and Mrs. Stanley Doris Rochefort of Alpena; his mother, Mrs. John Tenelia Wright of Cooks; his two brothers: Harold and Virgil of Cooks; her two brothers: Victor Dalgard of Milwaukee and Leo Dalgard of Fayette; his sister, Mrs. Howard (Fern) Anderson of Muskegon; her three sisters: Mrs. Tulbo (Grace) Girardi of Milwaukee, Mrs. Willard (Lillian) Garvin of Manistique, Mrs. Leonard (Mable) Hutchinson of Drayton Plains; three grandchildren, two great-grandchildren, and several nieces and nephews.

Friends called at the Messier-Broullire Funeral Home beginning at 4:30 p.m. Elks Memorial services for both were held at 7 p.m. followed by liturgical prayers at 8 p.m. Funeral services will be held at St. Francis de Sales Church at 10 a.m. today (Thursday) with Fr. Norbert Frieberger officiating. Burial will be in the Fairview Cemetery.

Arnold N. Lee

Arnold N. Lee, 60, 1850 Lakeside Drive, Tipton, died Oct. 30 at 3 p.m. at the Herrick Hospital, Tecumseh.

Mr. Lee was born Dec. 8, 1916 in Gould City. He spent the greater part of his life in Gould City and Tipton and attended Gould City schools and Wayne State University.

He was married to Alice Geneve Sorenson in Manistique on Nov. 2, 1940. He was a retired heavy equipment operator.

He is survived by his wife, Geneve of Tipton; seven sons: Michael, Timothy, and Edmond, all of Brooklyn, Mich.; Patrick of Monroe, Barry of Manchester, Kurt of Addison, and Bryon of Jackson; three brothers: Vernon and Kenneth of Gulliver and Quinton of Onsted; 16 grandchildren.

Friends called at the Messier-Broullire Funeral Home beginning at 7 p.m. Tuesday. Services were held at the funeral home Wednesday at 1 p.m. with Rev. Philip Hoffman officiating.

Burial was at Newton Township Cemetery at Gould City.

Pallbearers were William, James, Gary, Dale, Don and Robin Lee, all nephews.

Mrs. Beverly Shelly

Funeral services were held Monday, Oct. 24, at 2 p.m. from the Bowerman-Halifax Chapel at Munising for 44-year-old Beverly "Sally" Shelly of Shingleton. Father Timothy Desrochers officiated and burial was in Maple Grove Cemetery.

Mrs. Shelly died suddenly Saturday, Oct. 22, at Munising Memorial Hospital following a month long illness.

Born in Manistique on Oct. 3, 1933, she had resided in Shingleton for the past 25 years. She attended Manistique Area Schools.

She is survived by her husband, Clyde of South Lyons, Mich.; two daughters: Mrs. Francis (Debra) Putvin, Jr. of Munising and Brenda Shelly of Shingleton; two sons: Rodney and Michael of Shingleton; her mother, Mrs. Edith LaLonde of Manistique; two brothers: Robert LaLonde of Escanaba and Larry LaLonde of Manistique; two sisters: Mrs. Harry (Patricia) Nelson of Kenosha, Wis. and Mrs. John (Norma) Aleksa of Burlington, (Ontario) Canada; one granddaughter, Erin Putvin, and several aunts, uncles, nieces and nephews.

The Thompson Women's Club will meet Wednesday, Nov. 12 at 9:30 a.m. at the home of Ilene Pierce. Anyone wishing to purchase Stanley products may do so at this time.

John and Jackie Fox of Orchard Lake visited recently with Jackie's stepmother, Ilene Pierce and family.

ASC Committee

Farmers are reminded that the county ASCS office is now receiving nominations for ASC county committee election candidates.

R.A. McCarney, county executive director, encourages farmers to use this opportunity to nominate their farm neighbors as candidates in the ASC committee election.

McCarney said that ASC committee provides the service of administering government farm programs to the farm community. The election will be conducted by mail from Nov. 25 to Dec. 5.

Cooks

by Mrs. Charles Reid 644-2365

Wilbur and Madelyn Silkworth were honored on their silver wedding anniversary Saturday, Oct. 22 with a surprise party at the home of friends Arthur and Dorothy Herbert, at Ogontz Bay, Stonington.

The Silkworths are parents of six children. Mr. and Mrs. David Silkworth, Manistique, Miss Norma Silkworth and Peter and Wayne Silkworth, Cooks, were all in attendance. Staff Sgt. Roger Silkworth with the Marines in Kansas City, Mo. and Daniel Silkworth, Pontiac were unable to attend. There are also two grandchildren.

Others present were Gaylord and Norma Swagart, Guy Swagart, Mrs. Joseph Cousineau, Garden Corners, Lloyd and Lorraine Walter, Maurice "Moe" and Marcelien Chandler, Bernard and Eloise Poupore, Kent and Melanie Peterson, George and Janet Cole and Frances Swagart, all of Cooks.

Mr. and Mrs. Wayne McGahan, Kenai, Alaska, spent the past week visiting friends in the area. The McGahans are former Cooks residents and have been living in Alaska for the past 16 years.

Bruce Timothy Spaulding Jr., son of Mr. and Mrs. Bruce T. Spaulding Sr. was baptized Sept. 23 at St. Mary Magdalen Church by Rev. Ephraem Sitko. Godparents were Sandy Sieski and Allen Spaulding.

Ida Chapter No. 54 will hold its regular meeting this Saturday, Nov. 5 at 8:15 p.m. at the Masonic Temple. Refreshments will be served by Anna and Clinton Leonard, Justine and Shannon Hubble. Each member is reminded to bring two food items for baskets.

Rotarians offer scholarships

The Rotary Club of the U.P. and Northern Wisconsin is offering several educational awards to qualified applicants.

Available are two graduate fellowships, two undergraduate fellowships, one technical training award, one for teacher of the handicapped and one for journalism.

Local applicants for the awards must contact the Rotary Club secretary, C.A. Lewis, of Box 68, Curtis, before the end of the year.

The objective of the awards is to increase international understanding. The recipient is required to study in a country other than his own.

However, Lewis said there may be exceptions to that rule.

The graduate fellowships are for those who have received a bachelor's degree or the equivalent.

The awards may be in the amount of up to \$7,500 per year.

Undergraduate fellowships are for those who are studying at the university level but have not completed their bachelor's degree.

Technical training awards are for those who are secondary school graduates or the equivalent and who have been employed or engaged in a technical field for at least two years at time of applications.

Teacher awards are for those who have been employed or engaged as full-time teachers of the physically, mentally, or emotionally handicapped for at least two years.

Journalism awards are for those who have been employed in a full-time position as a journalist at the time of application or have been actively pursuing full-time post secondary studies in print or broadcast journalism for two years prior to the commencement of the award.

The Rotary Foundation covers the cost of round-trip transportation between the recipient's home and place of study. Also, registration, tuition, laboratory fees, necessary books and educational supplies, room and board, incidental living costs and limited educational travel costs are covered. Where necessary, the cost of intensive language training is provided.

Rotarians and their families are not eligible. Lewis said the ambassadors will be looking for good candidates for the United States. A panel headed by Harold Meese, Dean of Michigan Technological University, will review the applications for the awards.

He said last year there were eight candidates for two awards.

Composed of about 20 members, the Manistique Rotary Club is a service organization which supports many educational and social activities.

Halloween pot luck

The gymnasium at St. Francis de Sales Parish Center was the scene of the Junior Forester Halloween pot luck dinner and party on Oct. 25.

Assuming themselves for the occasion, more than 50 children displayed their imagination. Prizes were given to Ed Clement, Marion Balog and Sue Clement for the funniest, prettiest and most original costumes.

Following dinner, games were played in the gym, which sported a variety of Halloween decor including pumpkins, corn stalks, witches, black cats and scarecrows. Dunking for apples was the favorite activity of the evening.

Michelle Grimm was in charge of the music for this party, and Juniors helping in the kitchen were Jill Osterhout, Mary McNamara, Marsha Crimm, Sue Clement and Greg Grimm.

Dinner guests of the Junior Foresters were Father Norbert Freiberger, Father Frank Lenz, Sisters Janice Wilke, Dismas Scharinger, Mary Gardner, Rose Cecille Armbruster and Ludmilla Gramann and Ms. Julie O'Polka.

Junior Directors Mrs. Rudy Aider by Mrs. Harry Osterhout were kided by Mrs. Robert Lasich, Mrs. George Grimm, Mrs. Richard Balog and Mrs. Ardell Gardapee.

The Juniors of St. Francis de Sales Court No. 992 of the National Catholic Society of Foresters will meet again in December for a Christmas celebration at the parish center.

Day of prayer

Monday Nov. 7 the First Baptist Church will host the Baptist Women's Day of Prayer at 7:30 p.m. A social hour for fellowship will follow the prayer service.

Thursday Nov. 3 the Board of Trustees will meet at 7 p.m. at the church.

MEMBERS OF Lakeside School participated in a costume procession from the school to the Schoolcraft County Medical Care Facility. The general idea was to try to scare people. But as it turned out, the kids were greeted very warmly by patients at the facility.

4-Her's ride 18-mile trail

Despite the chilly weather, 15 horses and ponies took part in the 18-mile trail ride, Saturday, Oct. 15.

The ride was sponsored by the Schoolcraft County 4-H Horse Council.

The riders gathered at Prieskorns Road Horse Ranch and began by taking a tour through the woods and around Blaney Park's Ford and Ice Lake Trail. Several deer were spotted by the riders. Noon break was at Ford Lake where everyone enjoyed hot dogs, hot chocolate and a short rest.

Participating in the ride were 4-H'er's Sherry Smith, Diana and Cheryl Norris, Stacy Lawrence, Leola Prieskorn, Shelly Larsh, Amy and Stephanie Henriksen and Sharon Burrell. Horse Council members were Beth Bunnell, Shirley and Laurie and Lynne Prieskorn, Eva Burrell and Bev

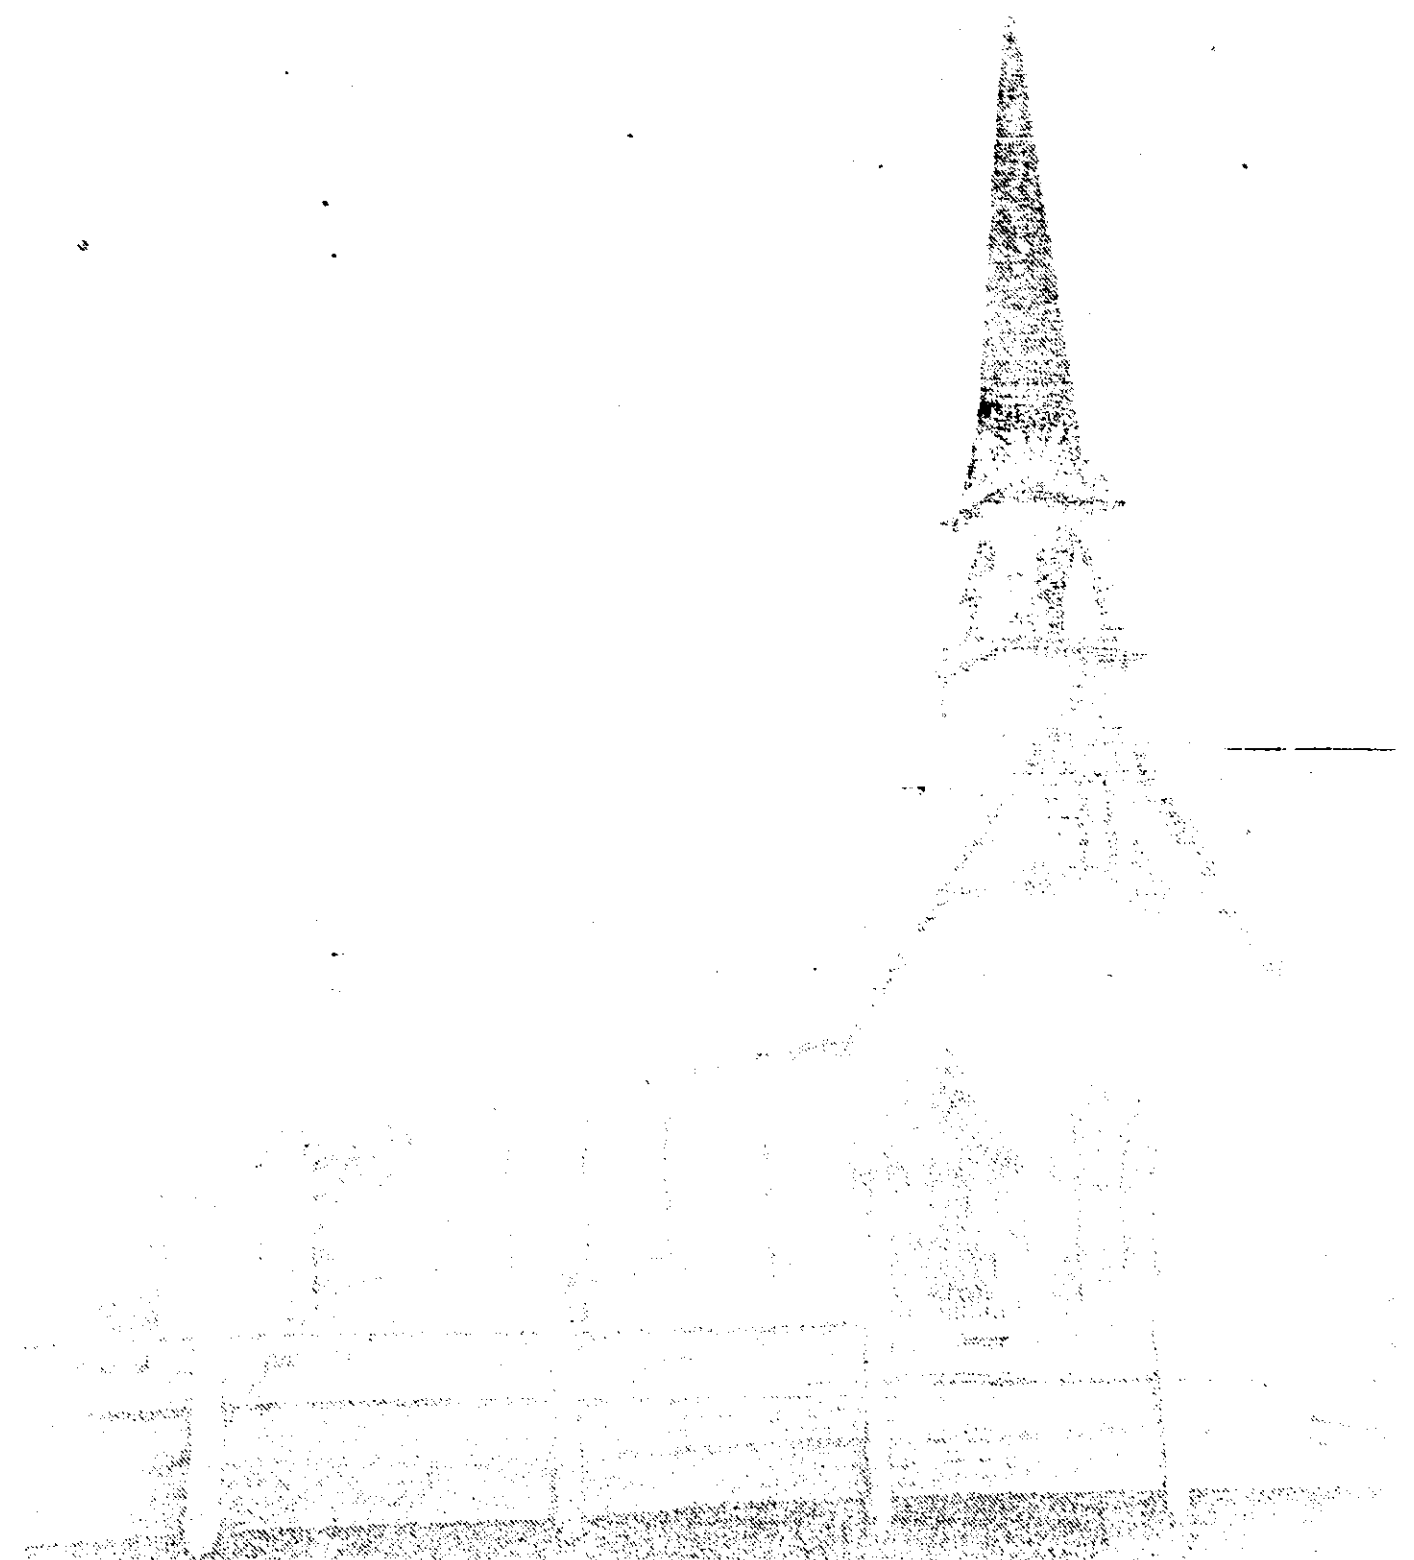

Henrichsen. Harry Prieskorn, Betty and Bob Laish and Dan Henriksen and family were in charge of the noon break and had the hot dogs steaming as the riders arrived.

Pioneer Sundays beginning

Bethel Baptist Church will conduct the first in a series of seven Pioneer Sundays commencing with the 9 a.m. Sunday School on Sunday, Nov. 6.

Persons in the community who hold positions and have professions relating to early pioneers of Manistique are being invited to share their areas of responsibilities.

Recognition of the local pioneer spirit will continue into the 10 a.m. worship service. Equipment and photo displays also will be available.

FIRST SCANDINAVIAN Baptist Church and parsonage, about 1893. The church, now the Bethel Baptist Church, was built in 1889. Marian Peters brought in the photo as an observation of the church's heritage.

Remember ?

Remember the old one-room schoolhouse? It may be making a comeback.

A story reprinted earlier by several other newspapers down south explains how:

Once upon a time, there was a little red schoolhouse with one big room for 27 children. The teacher sat with an American flag on one side of her and a blackboard on the other. The children sat in rows facing her, the littlest ones in front. The youngest was seven, and she was very little. The biggest was 16, and he was six feet tall. The youngest was smart, and she could read with the older children. The biggest was dumb, but he was strong and could help the teacher carry in wood. In bad weather, he carried the littlest girl across the puddle in front of the schoolhouse. And sometimes she helped him with his reading.

Then one day the state built a big highway, right past the schoolhouse door. And the State Education Department came by and said, "Great things are happening in education. There are special teachers for arithmetic, reading, art and music. If you combined with other schoolhouses, you could have a great big school where your children could have all the advantages. And big yellow buses could carry your children over the new highway right up to the school door." So the parents voted to consolidate and the little red schoolhouse was abandoned.

At first things went well in the big school. But after a while, the State Education Department said that it wasn't

Memoirs

By Mark Eisenlohr

providing the children with enough meaningful experiences. And some parents complained that the children were not learning to read and write and figure as well as they had in the little red schoolhouse. "We will try some new things," said the educators. So they tried the ungraded primary, where fast readers were not slowed down by slow readers, and where children who had trouble with numbers did not get moved on to the next grade before they could add 3 and 5. This helped, but not enough.

"We will try something more," the educators said. We will tear down some walls in the new school, so the children will be working together in one big room. That way, there will be less peer-group competition."

Finally, an important educator came along, looked at the school and said, "This is good, but it is not good enough. It is too big, and the children are losing their identity. There are not enough interpersonal relationships in the infrastructure. What we really need is a one-room schoolhouse. And since red is a cheerful color, I think we will paint it red."

-Mt. Kisco, N.Y., Patent Trader

Lakeside School poster contest winners

The first through sixth grades at Lakeside School last week participated in a poster contest advertising a children's style show at the school.

The winners are Sara DeRousha and Austin Pinsky, first grade; Angie LeVey and Mike Hintson, second grade; Sue Bignall and Angela Lasich, third grade; Kim Anderson and Amy Kraatz, fourth grade; Lisa Burns and Becky Larson, fifth grade; and Jill Vickery and Mike Setterlind, sixth grade. Their posters are on display at Creighton Ford and also will be seen at the

style show where each student will receive a prize.

The Lakeside Children's Style Show to be held in the high school auditorium on Thursday, Nov. 10 at 7:30 p.m. will feature door prizes, Christmas gift ideas and fashions from the following local merchants: Ben Franklin, The Kiddie Shop, Lauerman's, The Pants Place, J.C. Penny Store, Peoples, the high school School Store, and All-Seasons. Tickets are available for adults and children under twelve.

How do you measure success?

Success is not . . .

- just dollars and cents
- just figures and totals

Success is . . .

- business employed
- business success and growth
- students in school
- farm progress
- financial growth of people
- safety of funds and earnings
- a sound, progressive community

The Voice of Schoolcraft County Since 1876

You wouldn't believe this New York City

Along the Sidelines

By Dave Road

To: Helmut C. Tuscavaara, Editor
Upper Inwood Bugle-Advertiser
Steuben, Mich.

Dear Helmut:

Even though the Bugle-Advertiser carries very little news about New York City, you've got to hear about our recent trip to the Big Apple.

Matter of fact, you can appoint me as the new chief of the Bugle-Advertiser New York Bureau, and that way we can both deduct it from our income tax.

Appoint or not, you are going to get a full report that will no doubt tell your readers more than they really want to know about New York City. After all, a frequent visitor there (the last time was 1948) can offer other insights that escape a full-time inmate.

+++

Nine million people live in New York City. If you want to compare apples and oranges, nine million people live in Michigan.

Most of the nine million there spend their time either going to or coming from work. Eliminating hospital patients, residents of Sing Sing, Jackie Onassis and Mayor Abraham Beame, this means that at any given time, eight million people are riding the subway.

It would be nice to be able to report that we were not mugged during our stay. Riding the subway, however, it is difficult to tell if you are being mugged or not. What happens is, you stand on a platform and wait for the train. When it arrives the doors open automatically, and a big pile of people push out while a big pile of people push in. Once inside it is impossible to fall down.

It would really be great if you were being pushed up against someone like our mutual friend Maybelle McZoom, but most of the time you are pushed against folks who have had pastrami, garlic pizza and three beers for lunch, which has a tendency to give you the staggers before you can make the break for fresh air.

This is not to put the knock on New York food. You can buy food there you can't buy anywhere else, which isn't all so much when you come right down to it.

For example, Suegood and I went to a fancy French restaurant one night for supper. The theory is, why go to the Big City and not try something special that you can't get at home? It doesn't make sense to fly to New York just to eat another Big Mac.

Your friend,
The Sideliner

Your comments may be crucial

Competition is bound to be keen for the placement of a new Michigan veterans' nursing home facility in the Upper Peninsula. At least six other U.P. towns besides Manistique are making their pitch to a survey team from the Michigan Department of Health for the 120 to 125-bed facility.

Members of the survey team, who visited Manistique Monday, indicated that sites no. 1 and 2 in town would be usable for new construction, and that medical resources appeared to be adequate locally.

Another factor feeding desirability of a location is the local enthusiasm and support for it, they added. We've observed some of that over the past two weeks from officials, veterans, and citizens.

But it would behoove everyone who has said or thought something positive about placement of the proposed facility in Manistique to dash off a quick letter to State Rep. Charles Varnum or State Senator Bob Davis. It doesn't need to be a literary masterpiece. Just say in a few words why you think locating the facility here would be best for veterans in northern Michigan.

As well, the task force of citizens that has prepared information on sites and the community needs your comments on why Manistique would be a good area to place a facility for Michigan veterans. The blank form on this page may be used, or a separate piece of paper, and forwarded to the Pioneer-Tribune.

The local committee will meet again at 2 p.m. Friday to draft a letter supporting a Manistique location. Your comments may provide a key to generate needed favor in Lansing.

In the final analysis, team members said, legislators and Governor Milliken will aim to do only one thing. And that's not

what's best for Manistique or Marquette or any of the areas being reviewed, but what will be best for veterans in northern Michigan.

If we truly believe Manistique would be best to serve veterans throughout northern Michigan, then there's no reason we can't show Lansing why.

Why US-2 delays?

Discussion and controversy continue over proposed expansion and rerouting of highway U.S.-2 in the Upper Peninsula, and Manistique specifically.

But delays in the proposed project have made the whole matter appear to be an asphalt fairy tale.

The U.S. 2 Improvement Council, which supports a four-lane highway along its present route, is holding a meeting for county boards traversed by the highway at 2 p.m. Thursday, Nov. 10, at the Dickinson Inn at Iron Mountain.

The council says representatives of the state highway department and the governor's office have been invited to respond to questions on how the improvements would be funded, since Washington authorities recently reported that the freeway construction system is practically completed.

Information on the status of this project is vital. There are Manistique businesses and homes whose future hangs in the balance, especially those laying directly in the path of preferred rerouting.

Publisher's Corner

by Frank Senger

Condiment conspiracy

Hardly a week goes by that I don't get a letter in the mail from someone who is trying to make their fame and fortune writing a weekly column. Usually, the offering is from someone who is or has been associated with a newspaper, but it isn't always the case.

Enclosed with the letter is a brief biographical sketch and then several sample columns plus a return envelope, sometimes even with postage attached. I'm supposed to look over the material, get excited about including it in my papers and quickly subscribe putting the budding column writer on the road to a new career.

Unfortunately, most of the columns aren't that good, cost too much or just aren't necessary for our newspapers. We have enough feature columns written locally to satisfy our needs and don't have the space for another column.

Last week, I got a letter with some sample columns from John P. McPartlin, U.S. Air Force retired, living in lower Michigan. His column, "Sorry About That," wasn't all that bad. We aren't going to subscribe, but thought our readers might be interested in what we are being offered and pass the following column along. It's entitled, "Eating Out is an Exercise, Not a Treat."

Several years ago I quit putting catsup on my hamburgers because the catsup was so hard to get out of the bottles. I would pound the bottom until my glasses slipped down my nose, and would nearly upset the table.

When a friend showed me a shortcut by putting the knife into the mouth of the catsup bottle, I thought my problem was ended.

But, instead, I found that the catsup flowed so quickly I could not shut it off, and had catsup all over the hamburger, the bun, the plate and the table. Not only that, but I had a messy red knife which looked as though it had been used by Lady MacBeth.

Not wishing to fight the problem any longer, when I discovered that my ulcer was getting ulcers, I switched to mustard and its cozy plastic squeeze bottle. But the industry is not letting me go so easily.

Try to find a place which has mustard in the cozy containers anymore; they have gone to the Open, Shake and Pour bottles. I've tried it.

I open, and shake it with the same success as the catsup bottle. My glasses fall down my nose, which is not a short trip; the idle and useless catsup bottle on the table is knocked over by my knees hitting the table while I'm shaking the mustard bottle; and, my hamburger gets no mustard.

The knife works with the same success on the bottle as it did with the catsup, only the color is changed.

I have a friend who works for the mustard company and he tells me the whole thing is a plot.

The plot includes reatops which are served when you ask for hot tea to drink. The reatop, unlike the catsup and mustard, does not fail to pour, but it pours from the wrong end. Nothing comes out of the spout, it rolls down the bottom over the table cloth, your cuff and clothing.

Some day I'm going to one of these restaurants which are in cahoots with this plot, and pay for my hamburger with nickels glued onto a piece of cardboard, fifty cents to the cardboard.

A U.P. veterans' facility located in Manistique would be best for veterans in Northern Michigan because:

Too eager for plastic promises

Dear Credit Card Company:

Please forgive the impersonal, computer-like tone of this letter. There just isn't time to write a response to each one of your gracious offers to pay up to 18 percent annual interest for the privilege of flashing your colorful card.

There were times, I must confess, when I eagerly accepted every offer to receive a credit card. The acetate jackets in my billfold were so chock full that upon opening it, a rainbow of oil companies would tumble down onto the counter and the flapping would continue down to a puddle on the service station floor.

Sleek and smooth, credit cards were built for speed and mobility. Unfortunately, there was a pecking order that had to be observed.

One time as the proud new possessor of a distinguished credit card, I attempted to use it as a financial calling card at an outstate bank. I was curtly informed that my card was of the utterly common green

Side Tracks

by Arnold Mackowiak

variety, and that only gold card customers could get their \$5 checks cashed.

I took me a while to understand that credit cards were made for the primary purpose of taking money out of one's hands, not putting it in. The lesson was painful but clear 48,000 miles later. Two oil companies wanted their respective cards back, plus a quick payment on the substantial arrearage accumulated through too-eager credit card use.

Credit is never having to say you're sorry. A few months after paying off the deficit, one of the companies apparently thought I had controlled the credit compulsion enough to send me not one, but two more cards.

I know. The credit card can be a prestigious financial instrument for buying, eating and lodging. But it also provides instant access to debt.

Even as I pay my bill I see lavish offers of stoneaware, CB radios, and complete sets of volumes on Zemyian civilization stuffed with the invoice. All this and more available on credit.

Not that I'm against the New Money. The idea of money itself may be purely in the mind. Trouble is, so is bankruptcy. Financial liberalism ends somewhere.

For now, I won't add any more weight to my collection of plastic promises. But keep sending me exotic brochures about Tahiti and Ceylon and all the rest. It's nice to window shop.

Food, Fun Club formed

To The Editor:

Through the combined efforts of the Mueller Township Board and the Menominee-Delta-Schoolcraft Community Action Agency the senior citizens of the Gulliver area have formed a "Food and Fun Club."

The purpose of this club is to provide older Americans, particularly those with low incomes, with low cost, nutritionally sound meals at a center where they can obtain other social and rehabilitative services. Besides promoting better health among the older segment of the population through improved nutrition, the program is aimed at reducing the isolation of old age, offering older Americans an opportunity to live their remaining years in dignity.

The Mueller Township Board has provided the senior citizens with a center, namely the Mueller Township Hall. The Menominee-Delta-Schoolcraft Community

Laurels for Eisenlohr

To The Editor:

Last August I wrote a letter requesting a copy of Mr. Crowe's "Lumberjack." I got all carried away with a love note to Mr. Eisenlohr.

I could've died. There I was in Manistique and he queried my love note in the paper. I swore I would get even—I had to call Detroit to warn my sister, I had to hide my face, etc.

I went right ahead and bought a house right down there at 442 Walnut Street and

Action Agency is providing the Title VII Nutrition Program meals.

Mr. Wells Bower, township supervisor, was beneficial in getting the required tasks fulfilled to provide the seniors with the barrier-free site. I hope the community will join me in thanking him and all the members of the township board for their interest in the senior citizens of the area.

I would like all the senior citizens of Gulliver to know that the "Food and Fun Club" will meet every Tuesday and Thursday for a wholesome meal. This gives you a chance to get to know and socialize with other seniors in your area that you share common interests with.

I hope all seniors will take advantage of this fine program. Our major concern is for their happiness.

Vickie Derouin
Title VII Nutrition Program Director
Menominee-Delta-Schoolcraft counties

every time I walk by the Pioneer-Tribune office, I'll hit the door with my cane!

Besides, I think I should get 50 cents back on the postage for "Lumberjack" as I haven't had time to look at it.

When I get home, I'll tell you all about the flood of 1920. I was born that night. So, effective with your Oct. 28 paper, would you please change the address to 442 Walnut Street, Manistique, Michigan 49854. Harriett Abramsen

Letters to the Editor

Scandinavian committee draws thanks

To the Editor:

This is addressed to the Scandinavian Bicentennial Committee, Manistique.

Dear Friends, The CBC Committee wishes to take this opportunity to thank the Scandinavian Bicentennial Committee for its generous donation.

In so doing, you are helping cancer patients, handicapped children and adults, and also, a year going to Bay Cliff Health Camp.

Each year more people are asking for assistance from our organization in Schoolcraft County. Through these generous donations, we are able to provide more services to the afflicted. Thank you.

CBC Committee:
Cancer, Richard Ketcik, Chairman; Bay Cliff, Dorothy Hoholik, Chairman; Easter Seal Society for Crippled Children and Adults, Eleanor Broullire, President.

Will it be necessary to subsidize crime?

To avoid police layoffs, will it soon be necessary for taxpayers to subsidize crime? This question worries me more than the possible embarrassment of having my life saved by a cop who can't read.

The worrying began as the traffic cop stepped in front of my car and signaled stop. He almost dropped the copy of "War and Peace" wedged into his left armpit.

"I must commandeer your car," the cop said. "I have to get this book back to the library before it becomes overdue. It is not possible for police to stamp out crime without the co-operation of citizens."

I refused to co-operate, so the cop gave me a ticket for disobeying the lawful command of a policeman. Before handing me the ticket, he read it aloud three times, front and back, sounding a lot like Richard Burton.

"Am I not articulate?" he asked. "I sneered, but there was considerable applause from people standing along the curb. If all policemen could read like that, I would move back into the city," one admiring woman said.

As you must know, there has lately been considerable fuss about whether Detroit cops know how to read. The hassle was started by crusading newspaper reporters who revealed that some new cops had flunked a test.

There is nothing more crusading than a newspaper reporter who has uncovered someone who can't spell as well as he or she can. The reporter's satisfaction is greatest, when the uncovered dunbbell is an editor, but a policeman will do.

The July 29 graduates of the Detroit Police Academy scored an average of 59 per cent in a test administered by the Michigan Law Enforcement Officers - Training Council. That is 11, below the acceptable average. The test results indicate the cops are lousy readers.

The Detroit Police Officers Association (DPOA) said an impartial committee should be appointed to investigate the training of police recruits. But Police Chief William Hart said the DPOA was offended more by the recruits' complexion than by their intelligence.

And besides, Hart added, reading skills are not indicative of job performance as a police officer.

Who is correct? I don't care. I am worried about something more important than whether a cop can read a comic book without moving his lips. That's why I wasn't impressed by the traffic officer and his overdue book.

I am worried what will happen if the FBI ever wins the war against crime. What

If It Fitz

by Jim Fitzgerald

turned me on to this scare is the compromise recently worked out to keep state troopers patrolling Detroit freeways.

Wayne County deputies wanted to replace the troopers. This would have furnished employment for deputies who had been laid off because the local jail population has shrunk.

The deputies' union pressured the state Legislature to jerk the troopers. But the Legislature received just as much pressure from Detroit drivers who want the troopers to stick around.

The politicians' compromise keeps the troopers on the freeways, but it also creates jobs for the laid-off deputies. The deputies will be used to guard state prisoners and to chase bail jumpers. A posse will be formed when a single deputy would be plenty.

Only a visitor from Mars would call most of these new jobs anything except feather-bedding, with the taxpayer paying for the feathers.

The smelly compromise wouldn't be necessary if there were more prisoners awaiting trial in the county jail. The judges are getting them out quicker than the cops can arrest them.

Empty cells put deputies out of work. That's a hell of a note, calling for swift union action.

I am reminded of USO hostesses who sobbed when the Vietnam War ended and there weren't enough lonely servicemen to justify keeping USO clubs open.

I've also known hospital administrators who were unhappy because they couldn't find enough sick people to fill their beds.

In recent months there has been a large decrease in crime in many cities. If this trend continues, the scarcity of crooks will create a surplus of cops.

To avoid layoffs, police unions may have to insist that an impartial committee be appointed to rob and murder people.

Otherwise there will be a lot of cops with nothing to do except sit home and read, if they can.

Our deadlines

Contributors and advertisers are requested to observe the following deadline schedule for the Pioneer-Tribune:

- 2 p.m. Monday: all social news and calendar of events items.
- 5 p.m. Monday: all letters to the editor for that week's issue.
- Neon Tuesday: news from correspondents.

3 p.m. Tuesday: display advertising.

5 p.m. Tuesday: classified advertising.

Neon Wednesday: deadline for news of an urgent nature.

Meeting these deadlines will facilitate proper treatment for each news item and add that the Pioneer-Tribune receives. If any difficulty is encountered, call 341-5200.

Your Neighborhood Church

Edited by Rev. Austin Patty

Considering denomination pros, cons

Ingmur Levin, Zion Lutheran:

When I consider how our denominational churches affect our lives as Christians, I recall the old story of the blind man and the elephant.

This story can serve as a kind of parable for today's topic: each blind man, through touch, had a unique and true perception of one part of the animal, one the trunk, another the ears, and so on; but each mistakenly thought his perception was all there was to the elephant! However, each man found the whole by joining the others in comparing perceptions.

If you will let each man's touching the elephant represent faith (through a particular denomination) and the combination of all the blind men's perception as Christian truth, there is a point to my grasp of religious truth, but each needs the other to find the full expression of the Spirit of Truth in Jesus Christ, who prayed that we "may all be one."

The following statements, written by ministers of your neighborhood denominational churches, make my parable more telling - each perception contributes to an understanding of the whole.

Christ's Church is richer because of her various denominations. Each denomination has developed in an honest effort to bear witness to the truth of the Gospel. Each denomination has its own particular and unique emphasis. Our Scriptures are rich and full because of four witnesses to the Gospel: Matthew, Mark, Luke and John. Our Church is rich and full because of many witnesses to the Gospel.

The important thing, despite our differences, is to know that we are members of His Body, the Church, holy, apostolic and catholic.

James Troyer, Cedar Grove Mennonite:

In the recent past a great deal has been written about the evils of denominationalism in western Christianity. These evils are real and should not be taken lightly. It is my feeling that these evils have been pointed out sufficiently and so I want to make a case for the necessity and the usefulness of denominations.

One of the greatnesses of American democracy has been its pluralism. This nation has been able to absorb a wide variety of religious, national and ethnic backgrounds into a common society. The common quality of the society has not been based on sameness as in Communist societies, but on diversity. This diversity has created a society that can cope with many types and forms of crises and stress. Denominations in Christianity have been helpful in meeting the needs of the pluralistic society. It has allowed everyone to express his Christian faith in a form that meets his needs. This variety has given Christianity a richness of expression that would otherwise not be present. The variety of denominations serves also to decentralize the organizational structure of Christianity, and prevents the centralization of power. It also serves as a check against apostasy as the various denominations constantly challenge each other to faithfulness to the Word of God.

Mike Peterlin, United Methodist:

The United Methodist Church, along with its founder, John Wesley, affirms a statement he made: "If your heart is as my heart, give me your hand." We place less emphasis upon head knowledge when it comes to cooperation.

Our denomination is truly pluralistic. We are not highly dogmatic. We believe that the differences between denominations are important, and we affirm others in their beliefs and ask them to affirm us.

We seek close cooperation and friendly relationships when our differences do not strike at the heart of faith. It is our desire to celebrate our differences while enjoying our areas of agreement.

John Shields, Free Methodist:

Chapter two of the Book of Acts tells us that the disciples were all together in one place and in one accord. The advantage of a denomination is that Christians who believe alike may all come together in one place and in one accord.

By representing a denomination, we become a stronger body of believers. An organized group of believers can have a greater outreach than a few going here and there and nowhere in particular.

The disadvantage of denominations may be that certain of them will claim to be the only true believers of Jesus Christ, as of God, which weakens the body of Christ until it has a bad effect on those who do not believe in Jesus as Savior.

Too often there is friction between denominations. However, the most important thing is not what denomination we belong to, but do we have a real relationship with Jesus who suffered and died that we might be redeemed and receive our citizenship in the heavenly place God has prepared for us.

Ralph Simmons, Assembly of God:

Ours being one of the newest in town it

would seem appropriate that I should address this. We were asked this when we started the church. Do we need another denomination?

Jesus dealt with this problem somewhat in the Gospel of John, Chapter 4 when he talked to the woman of Samaria. When she asked this question, his answer in verse 24 was in essence, that the main concern is not where you worship, but how. After all, the biggest differences in denominations is not so much theology, but modes of worship. Jesus said here that the important thing is to worship so that your whole being is involved and that the worship be directed toward him and not a denomination.

I believe people should be able to choose a way of worship that would best help them involve their whole being in worshipping Jesus.

One big disadvantage is that we even use the word denomination. I would prefer the word "fellowship."

Jesus dealt with this problem somewhat in the Gospel of John chapter 4 when he talked to the woman of Samaria. When she asked this question, his answer in verse 24 was in essence, that the main concern is not where you worship, but how. After all, the biggest differences in denominations is not so much theology, but modes of worship. Jesus said here that the important thing is to worship so that your whole being is involved and that the worship be directed toward him and not a denomination.

Quilters have been meeting for over eight years. Seated from left to right are Gunhild Storr, Olga Anderson, Helen Pawley, Dorothy Larson and Viola Steele. Standing from left to right are Pauline Miller, Wenona Krause, Svea Dixon, Irene Storrick, Lilly Farley, Eva Broman, Stella Anderson and Betty Levin.

Quilt milestone reached

THE LADY QUILTERS of Zion Lutheran Church display one of the more than 100 quilts they have sewed this year. Using materials donated by the congregation, the ladies have been sewing about five or six quilts per day at their meetings twice a month.

The finished quilts are sent to Lutheran World Relief and thereafter shipped worldwide to those in need. The Lady

Quilters have been meeting for over eight years. Seated from left to right are Gunhild Storr, Olga Anderson, Helen Pawley, Dorothy Larson and Viola Steele. Standing from left to right are Pauline Miller, Wenona Krause, Svea Dixon, Irene Storrick, Lilly Farley, Eva Broman, Stella Anderson and Betty Levin.

NOSTALGIA TRIP

A church steeple, slender the sky! What do you see? All across the country, spire church spires punctuate the landscape. To many of us, they are a part of the scenery, like autumn foliage, rolling hills and city streets.

To some of us, they bring back memories of childhood. Sunday. Going to church. Something many of us have gotten away from.

Yet with or without us the Church is still standing, the steeple is still there. But without any of us those spires would most certainly disappear. There would be a void. Do you really want this to happen? Something to think about, isn't it? It is certainly something to explore.

OFFICIAL PROCEEDINGS

Board of Commissioners

Tuesday, October 11th, 1977

The Annual (Statutory) meeting of the Schoolcraft County Board of Commissioners, was held on Tuesday, October 11th, 1977, at the Courthouse, City of Manistique, Michigan, commencing at 7:00 o'clock P.M. E.D.S.T.

Larry Priskorn, Gould City, Michigan bid \$281.75
William McKenzie, Range St., Manistique, Mich bid \$450.00
Nelson S. Freeman, Star Route M-94, Manistique, Mich bid \$255.00
Mike Sheppard, Rte No 1, Box 45A, Manistique, Mich bid \$200.00
Thomas Kitzman, Box 62, Rte No 1, Manistique, Mich bid \$626.00

Thereupon, it was moved by Commissioner Frenette, and supported by Commissioner Tennyson that the highest bid of Thomas Kitzman, be accepted as the best bid in behalf of Schoolcraft County. Motion carried by unanimous Aye vote.

Steven LaFonde, 6-County Manpower Consortium representative, who is in charge of all "CETA" projects in Schoolcraft County, reviewed with the Board, the seven (7) project applications, along with the application of the Schoolcraft County Township Association to extend their present project for an additional one month in 1977, and for 4 months in 1978.

It was moved by William Tennyson, supported by Kenneth O. Mortensen, that project No. 1, submitted by Michigan State University Cooperative Extension Service project title: "Family Living Assistant" in the amount of \$8,987.88, be approved. Motion carried by unanimous Aye vote.

It was moved by Earl LeBrasseur, supported by Kenneth O. Mortensen, that Project No. 2, submitted by Menominee-Delta-Schoolcraft Community Action Agency, project title: Bus Educational Programmer, in the amount of \$3,256.00, be approved. Motion defeated by 4 to 3 Nays votes. Voting Nay were: Ernest S. Hoholik, Daniel N. Klarich, William Tennyson and Lindsley Frenette.

It was moved by William Tennyson, supported by Edward Way, that Project No. 3, submitted by the office of the County Clerk, project title: Micro-filming of County Records and Up-dating of Abstract Card File, in the amount of \$7,675.38, be approved. Motion carried by unanimous Aye vote.

It was moved by Commissioner Way, supported by Commissioner Tennyson, to reject Project No. 4, submitted by Schoolcraft County Commission on Aging, Project title: Dispatcher and Telephone Clerk for elderly and handicapped transportation service, in the amount of \$7,651.68. Motion to reject was approved by 6 to 1 Aye vote, with Commissioner Hoholik voting Nay.

It was moved by Commissioner Mortensen, supported by Commissioner Tennyson, that Project No. 5, submitted by Schoolcraft County Commission on Aging, Project title: Needs Assessment surveyor and form clerk in the amount of \$3,826.44, be rejected. Motion to reject carried by unanimous Aye vote.

Moved by Commissioner Tennyson, supported by Commissioner Mortensen, that Project No. 6, submitted by Schoolcraft County Commission on Aging, project title "Masseur", in the amount of \$12,269.86, be rejected. Motion to reject carried by 6 to 1 Aye vote, with Commissioner LeBrasseur voting Nay.

It was moved by Commissioner LeBrasseur, supported by Commissioner Tennyson, that Project No. 7, submitted by the Schoolcraft County Commission on Aging, project title "Public Relations Person", in the amount of \$10,203.64, be rejected. Motion to reject carried by unanimous Aye vote.

It was moved by Commissioner Tennyson, supported by Commissioner Frenette, that the request by Schoolcraft County Township Association for a one-month extension to their CETA project currently funded thru October 17th, 1977, be extended for one month, then shut-down for a three (3) month period, until March 17th, 1978, then to re-open the project as of March 18th, 1978, and continued same for a period of 4 additional months, to care for approximately 30 odd work projects throughout the eight (8) rural townships, at an estimated cost of \$48,409.25, be approved. Motion carried by unanimous Aye vote.

Seven LaFonde brought up the project whereby the County was to hire a co-ordinator to field-supervise the various CETA projects throughout Schoolcraft County, noting that no CETA monies are available for travel allowances, and that he was alerting the Board that if this project is approved by the Manpower Consortium and the Administrative Board, along with the County Board of Commissioners, that the County would be expected to fund monies from the County General Fund to care for the co-ordinators travel expenses. After a short discussion, it was moved to table this matter until the next meeting at which time the Consortium and Administrative Board would have indicated their recommendations as to funding this project, that at this time the Board could take the above recommended action into consideration, and a decision granted.

It was moved by Commissioner William Tennyson, supported by Commissioner LeBrasseur that the Resolution of "Millage Levy for FY-77," as follows, be adopted. Motion carried by unanimous Aye vote.

SCHOOLCRAFT COUNTY BOARD OF COMMISSIONERS RESOLUTION OF MILLAGE LEVY FOR 1977

WHEREAS, This Board of Commissioners has ascertained and does hereby determine that it is necessary to raise taxes for General Fund purposes for the year 1977 A.D., a sum deriving from the levy of Five and Nine-Tenths Mills (5.9) on Sixty-Five Million, Sixty-four Thousand, Two Hundred Seventy-Eight Dollars, (65,064,278), the State Equalized Valuation of Schoolcraft County for the year 1977, A.D.,

BE IT RESOLVED, That the County Tax for all purposes in an amount deriving from the levy of Five and Nine-Tenths Mills (5.9) on the State Equalized Valuation of Schoolcraft County be and is hereby apportioned to the several Townships and the City of Manistique in said County in proportion to the taxable property therein equalized by This Board of Commissioners, and the Supervisors and/or Designated Assessor of the several Townships and the Assessor of the City of Manistique, in said County are hereby directed to spread the same upon their respective rolls for the year 1977 A.D., and

WHEREAS, Statements and/or certificates of the State Tax Commission and the several Township Clerks, the City Clerk, the Secretaries of the School Districts and the Secretaries or Superintendents of the Intermediate School Districts of Tax to be raised by millage in the several Townships and the City of Manistique, in said County for the year 1977 A.D., have been filed with the Clerk of this Board, and the several millages herein named have been either allocated by the several County Allocation Boards and/or voted by the respective Townships and the City of Manistique for the purpose designated and they are authorized by law.

THEREFORE, BE IT RESOLVED, That the Supervisors and/or Designated Assessor of the several Townships and the Assessor of the City of Manistique, in said County, be and they are hereby directed to spread the several millages upon the Assessment Rolls of their respective Townships and the City of Manistique, for the year 1977 A.D. as follows:

Prepared By:

William E. Cowan, Schoolcraft County Treasurer

ATTESTED BY: THE SCHOOLCRAFT COUNTY BOARD OF COMMISSIONERS Ernest S. Hoholik, Chairman

William H. Tennyson

Lindsley B. Frenette

Edward Way

Kenneth O. Mortensen

Daniel Klarich

Earl LeBrasseur

DATED:

Commissioner Frenette reported on the September 29th, 1977 public meeting on the development of the "Pines". He reported that the only interested parties present were representatives of the 4-H Horse Council, and that it was agreed that said Council is authorized with the help of Schoolcraft County Road Commission Engineer, Eugene Johnson, to prepare plans and specifications for said Horse Arena, and to have same submitted for approval to the Committee prior to commencement of construction.

Commissioner Frenette informed the Board that it is the Committee's intent to have prepared a master plan for the area; and that all these and other problems will be hopefully incorporated into the master plan before construction commences.

It was moved by Lindsley Frenette, supported by Edward Way, that this Board concurs with the Schoolcraft County Zoning Appeal Board in its recommendation to rezone a strip of land 500 feet deep along the south side of U.S. 2, in Sections 9 and 10, of T41N, R15W, Manistique Township, Schoolcraft County Michigan, from R-2 in Section 9, and from R-F in Section 10, to C-1 in both sections. Motion carried by unanimous Aye Vote.

It was moved by William Tennyson, supported by Kenneth O. Mortensen, that the portion of Out-lot "A", in the Village of Thompson Subdivision lying south of U.S. 2, be rezoned from R-1 to C-1, as recommended by the Schoolcraft County Zoning Appeal Board. Motion carried by unanimous Aye Vote.

It was moved by William Tennyson, supported by Kenneth O. Mortensen, that the following resolution be adopted. Motion carried by unanimous Aye Vote.

BOARD OF COMMISSIONERS

COUNTY OF SCHOOLCRAFT STATE OF MICHIGAN

At a meeting of the said Commissioners held in the City of Manistique in said County, on the 11th day of October, 1977, the following Resolution was unanimously adopted.

RESOLUTION

I WHEREAS, at a special meeting of the Schoolcraft County Board of Commissioners, held on October 4, 1977, there appeared citizens of Schoolcraft County, and others, who presented concerns for the security of the "Brewery Dam" which presently controls the level of Indian Lake, an inland lake located in Hiawatha and Thompson Townships, wholly within Schoolcraft County, Michigan;

II And WHEREAS, the structural soundness of the said "Brewery Dam", presently owned by the Indian Lake Property Owners' Association, a Michigan not-for-profit corporation, with voluntary membership of Indian Lake area property owners, appears necessary to be maintained for flood control, shoreline protection, lake level and ecological maintenance;

III And WHEREAS, the Circuit Court for Schoolcraft County set a level for said Indian Lake on June 19, 1945, of 613.27 feet above sea level;

IV And WHEREAS, it appears necessary to set a winter level at a lower elevation for the herein stated concerns;

V And WHEREAS, it is determined that the financial obligation that needs to be incurred in possible resetting of the normal level and setting of a winter level for Indian Lake and for repair or new construction of a water control dam should be paid by those land owners and governmental units as may be determined to be benefited by such actions by special assessment and not be borne by the County of Schoolcraft as a whole;

VI And WHEREAS, proceedings should obtain pursuant to the Inland Lake Level Act No. 146, Public Acts of 1961 because of the shown necessity to protect the public health, safety and welfare and the conservation of the natural resources of Schoolcraft County and to preserve property values along the said Indian Lake;

Now, THEREFORE, Be It RESOLVED: that the Drain Commissioner of the County of Schoolcraft is hereby directed to do all acts necessary to repair existing dam facilities or to construct new dam facilities if necessary, and to determine a preliminary winter level for Indian Lake, Hiawatha and Thompson Townships, Schoolcraft County, Michigan.

And, Be It Further RESOLVED: That the Drain Commissioner of the County of Schoolcraft is hereby directed to create a special assessment district upon which district shall be borne all expenses incurred pursuant to this Resolution and permitted by C.L. '48, 281.79 as amended (M.C.L. & 281.79, (M.S.A. &11.300(19)); and which financing and assessment district shall be accomplished as near as possible in compliance with the appropriate procedures set forth in Act No. 40 of the Public Acts of 1956, as amended, being sections 280.01 to 280.63 of the Compiled Laws of 1948, as provided for in C.L. '48 & 281.66 as amended (M.C.L. & 281.66, (M.S.A. &11.300(6));

And, Be It Finally Here Resolved: That upon the preparation of the special assessment roll and upon the completion of engineering reports stating a preliminary normal level, if different than that now set, and a preliminary winter level for the said Indian Lake, the Prosecuting Attorney of Schoolcraft County is then hereby directed to institute by proper petition in the Circuit Court for the County of Schoolcraft, Michigan, a proceeding for the determination of the normal and/or winter level of said Indian Lake, give notice of the date set for hearing as provided for by statute, and inform such persons as are able to be served their role as interested parties in the presentation of evidence at the hearing so set; and the said Prosecuting Attorney is also authorized hereby to include in said petition all such other matters as may be deemed appropriate to be determined in compliance with Act 146, as amended, of the Public Acts of 1961.

Dated:

Ernest S. Hoholik, Chairman

Ferdinand Lesica, Clerk

Commissioner Tennyson reported that there is no "Housing Committee Report" as it has been impossible to get the Housing Commission together to meet, but that it is hoped that a report will be available for the up-coming October 31st meeting of this Board.

Commissioner Tennyson further advised the Board that the 1978 Schoolcraft County General Fund budget is not completed, but that meeting with the various department adoption heads will be held on October 18th, and 20th; with the final draft ready for the Chair asked for nomination to fill the expiring term of Jack Phillips as a member of the Schoolcraft County Welfare Commission, Commissioner Tennyson placed the name of William McKenzie of Manistique in nomination. Commissioner LeBrasseur placed the name of Robert Hastings of Manistique in nomination. Commissioner Tennyson asked for a written secret ballot; he was informed by the Prosecuting Attorney that under the new "Sunshine Law", that this action cannot be taken in this manner. The Board then voted on open-roll-call-vote on the nomination of William McKenzie, with the result of the voting being 4 Nays to 3 Ayes. The Board then voted on the nomination of Robert Hastings, and again the result of the voting being 4 Nays to 3 Ayes.

Commissioner LeBrasseur then placed in nomination the name of the present member, Jack Phillips. The question was then raised if this was the proper procedure, with the Prosecuting Attorney indicating he was unable to render a decision on this matter until such time as he could research the matter. Thereupon it was moved by William Tennyson, supported by Earl LeBrasseur that the election of a

Minutes continued from 4B

Schoolcraft County Welfare Commissioner be postponed until the next meeting, October 31st, 1977; so as to permit the Prosecuting Attorney time to research the proper procedure to be used in making these selections. Motion carried by unanimous Aye Vote.

The Chair then asked for nomination for the position of membership to the Schoolcraft County Canvassing Board, one from the list recommended from the Democratic Party, and one from the Republican Party, in accordance with the Statutes. Neither political party having submitted any names, the chair called for nomination from the floor. The following names were named: the chair called for nomination: Dean J. Deloria, by Kenneth O Mortensen; Herbert Calhoun, incumbent, by Lindsley Frenette; and John Kelly, by Earl LeBrasseur, for the Democratic nomination.

Commissioner Tennyson placed in nomination the name of Howard A. Hewitt, for the Republican nomination.

Again, the method to be used to make the selection was postponed, and the Chair being without legal guidance and precedence, asked for a postponement of the selection; whereupon it was moved by Earl LeBrasseur, supported by William Tennyson, that the nominations be accepted as placed, but that the voting be postponed until such time a legal guidance is forthcoming from the Prosecuting Attorney's Office, but not later than October 31st, 1977, the next meeting date of this Board. Motion carried by unanimous Aye Vote.

Commissioner Mortensen, then asked if he could place in nomination the name of Mrs. Earl (Dawn) Tuffnell to fill the unexpired term of Robert O. Smith on the Schoolcraft County Mental Health Board. This election was also postponed until the October 31st, 1977 meeting.

It was moved by Edward Way, supported by William Tennyson, that the Airport License and the Airport Managers License for Auvern Bernard, FY-78, be renewed, and a fee of \$12.00 be authorized for same. Motion carried by unanimous Aye Vote.

The matter of adoption of the Juvenile Justice Resolution dealing with the participation agreement by Schoolcraft County in conjunction with Alger County, was approved by resolution of William Tennyson, and supported by Kenneth O. Mortensen. Motion carried by unanimous Aye Vote.

A thirty-three name petition submitted by the employees of the Schoolcraft County Courthouse, Michigan Retirement System was submitted wherein the employees are requesting that the Board consider adopting a newly enacted provision of said Retirement Act, namely: "BENEFIT E-1-yearly cost of living increase to retirees on rolls on effective date; based on cost of living index, up to 2.5 per cent yearly."

This matter was referred to the Personnel Committee for study, evaluation, and recommendation of action to be taken. Commissioner Tennyson, said his committee would study the matter and report back at the October 31st meeting its recommendation.

It was moved by William Tennyson, supported by Earl LeBrasseur, that the following "Membership Resolution" be adopted. Motion carried by unanimous Aye Vote.

MEMBERSHIP RESOLUTION

WHEREAS, the Schoolcraft County Overall Economic Development Planning (OEDP) Committee and the CUPPAD Regional Commission provide a means for public and private interests to jointly devise local solutions to area problems and to foster the economic, social and physical development and conservation of the Central Upper Peninsula; and,

WHEREAS, the SCHOOLCRAFT COUNTY BOARD OF COMMISSIONERS wishes to participate as a member of the Schoolcraft County OEDP Committee and the CUPPAD Regional Commission;

NOW THEREFORE BE IT RESOLVED THAT THE SCHOOLCRAFT COUNTY BOARD OF COMMISSIONERS WILL:

1. Be a member of the County OEDP Committee and the CUPPAD Regional Commission through December 31, 1978.
2. Name 2 representative(s) to represent this body on the County OEDP Committee.
3. Pay the FY77-78 local share contribution of \$6000 to the Treasurer of the County OEDP Committee by January 17, 1978 to be forwarded to the CUPPAD Regional Commission.

-s-ERNEST S. HOHOLIK
Signature

Oct. 11th, 1977
Date

It was moved by Commissioner Lindsley Frenette, and supported by Commissioner Tennyson, that this Board extend an invitation to the Bureau of Health Care Administration, Division of Health Facilities, Planning and Construction, inviting them to Schoolcraft County to review the plans for construction of a Veterans's Nursing Home, and asking that Schoolcraft County be considered as a potential site for said nursing home. Motion carried by unanimous Aye Vote.

Commissioner Mortensen commented that the local Veteran's Organization has taken action on this matter endorsing Marquette as the logical site for said facility, noting the availability of a building and the centralization of the site location. However, he said, "We should invite them to Schoolcraft County, hear their plan, and approach such a public meeting with an open mind."

The Chairman then designated the Hospital Committee of this Board to take care of said invitation and public meeting.

Manistique Township Supervisor, Louis Lauzon, asked the Board if it was going to take any action to comply with the new Electrical Inspecting law for local units of Government. The Board indicated to Mr. Lauzon, that it had no intentions at this time to take over the County Electrical Inspection work, and that if the Schoolcraft County Township Association, which the Statutes provide for, that they are free to proceed, and that this Board urges this method of enforcement of the electrical code to a county-wide plan.

Thereupon, it was moved by William Tennyson, supported by Earl LeBrasseur, that the meeting adjourn until Monday, October 31st, 1977, at 7:00 o'clock P.M., E.S.T. Motion Carried.

Ernest S. Hoholik, Chairpersons
Schoolcraft County Board of Commissioners.

ATTEST:
Ferdinand Lesica, Its Clerk

Senior Citizens

by Eileen Males

Approximately 200 people attended the Senior Citizens Halloween party at the Cooks Township Hall. The hall was superbly decorated featuring numerous ghosts, cornstalks, jack-o-lanterns, and crepe paper wired across the ceiling. Each table featured fall centerpieces and the basement dining area was also profusely decorated in the Halloween motif.

Potluck was served at 6 p.m. A fish pond and a cake walk were featured after the meal.

Entertainment for the evening was Norma Johnson and Felicia Frog, a skit by Tillie Tennant and Howard Benson, Ernie Hoholik playing the harmonica and the Senior Singers Band and Chorus. Ernest Derwin furnished the music for listening and dancing enjoyment.

Prizes for costumes were as follows: funniest, Ken Van Eyck; most creative, Martin and Gerry Hoholik; most original, Bill and Edith Washburn; prettiest, Esther Bonifas and Elma Bowersox and scariest, Lila DesJarden. Prizes for the most original decorated home-made Halloween cakes went to Fronia McKenzie and Alice Neville.

Volunteers helping at the party were Jim Gardner, Ken and Doris Van Eyck and Dr. Lyle and Emma Wilson. The chairman of the party was Sharon Gardner with Joan Kriesch assisting.

This was one of the finest put together and most elaborately decorated party we've ever had and if you missed it you missed a good time.

One of the ladies from Gulliver said "I haven't had this much fun in years."

We are going to try to put together a bi-monthly potluck which will be held on Thursdays for the Gulliver residents. So we'll keep in touch for time and place. Sharon Gardner will be in charge so she'll be needing volunteers from that area so let us know if you'd like to offer your help. Volunteers may be any age.

Our handymen will be starting this week so if you need help with odd jobs, taking off storm windows, washing windows, painting, fixing, let us know. You must furnish the supplies. This work is done for people who are ill, disabled or physically unable to do it without the financial means to hire someone or cannot find anyone to hire. Please keep in mind our choreservice workers also. If you need help in your home let us know by calling 341-2021. These services are done free of charge. The help

is being paid for by the Six County Consortium for Employment and Training and the program is called CETA Title VI Special Project and offered by our county board of commissioners.

We are now taking reservations for our health screening program, under the auspices of the Community Action Agency, which will be held at the Manistique Senior Citizens center on Nov. 21 and 22.

Memorials were given to the center in the name of Bud Petersen by Myrtle Quick in the name of Elsie Smith, sister of Elsie Nelson, by Ken and Doris Van Eyck and in the name of Martha Malloch by Les and Myrtle Breitzman

We got a check for \$125 from the Scandinavian Club for our building fund. Other donations came from Myrtle McDonough, Gunhild Hokenson, Alice Neville, Ossie and Olive Smiths, Isabell Banker, Ruth Rieckhoff and one donor who wishes to remain anonymous.

Thrill Store or prize donations came from John and Ruth Girvin, Christine Lindstrom, Frank Provo, Clare Sangraw, Paul and Patty Heinz, Fred Haines, Roland and Eva Boudreau, Hazel Lamontagne, Ruth Davis, Mabel Hill, Lila DesJarden, Bob McEwan, Elsie Johnson, Evelyn Schuster and Viola Richmond. Connie Donovan brought in some of his delicious apples which we distributed.

Edith Washburn made some very beautiful clown costumes which took many hours of labor for the dramatics class and we really are grateful to her.

All of these acts of kindness and concern are so deeply appreciated.

We are going to undertake a new money raising project for our building fund. We are asking people to have card parties in their own home, asking for a donation to play and 25 cents for the prize. The hostess will furnish the dessert, invite whom ever she'd like and then turn the dollar for each player to the center's building fund. We are encouraging you all to participate, young and old alike. We'll publicize each of the hostesses with their proceeds.

Birthday greetings go out to the following: Edward Cook and Clarence McNamara, Nov. 3; Martha Wolsey, Nov. 4; Eric Tornberg, Leo Lillie, Elsie Polman-ter and Dora Duquette, Nov. 5; Carl Backman and Ivan Slough, Nov. 6; Annis Carney, Charles McNeil, John E. Storr, George Beckman and Herbert Fagan, Nov. 7; Lillian Gregoras, Nov. 8; Lucy Zuehlsdorf, Nov. 9; Mike Bezhertney, Nov. 10.

Good-bye to spooks and goblins

Hi Everyone,

The month of spooks and goblins (not to mention egg throwing and shaving cream) is past us now and the poor turkey is the one who'll have to watch out for his hide now. The Medical Care Facility Volunteers sponsored a Halloween party last Friday and everyone had a great time. The afternoon started with a visit from the grade school children from Lakeside school who made a dash through the facility in their costumes and the visit was thoroughly enjoyed by all the patients. After the visit, many of our residents chose to be dressed for the party. Costumes were judged by Dennis Baking and Doug Carter with Gust Nye taking first place, Edith Olsen, second place and Dale Streeter, third place. A lovely luncheon was served and a good time was had by all. Many thanks go to the nurses aides and the volunteers who worked so hard to make this party a real fun time. I'm sure it will be remembered for a long time.

The V.F.W. Auxiliary sponsored the monthly birthday party on Oct. 18. Cake and coffee were served and Tillie Tennant played the piano for a sing-a-long. Otto Linden, who celebrated his 86 birthday on the 18 had his family with him and he received two harmonicas for birthday gifts. He plays them beautifully and provides a lot of great entertainment for all the patients here.

Wednesday prayer service was provided

Smith in Germany

U.S. Forces, Germany-Staff Sergeant Robert E. Smith, son Mrs. Rhoda V. Smith, Manistique, recently participated in an Army Training and Evaluation Program in Germany. The program is designed to evaluate individual and unit efficiency under simulated combat conditions. Sgt. Smith is regularly assigned as a section chief with the 40th Field Artillery in Hanau, Germany.

Medical Care

by Sally Schuetter

by Pastor Ralph Simmons in the Facility Chapel. Mass was said on Friday by Father Frank Lenz for members of the Durham family. Many thanks to Viola Fredrickson and the Malloch family for bingo prizes. Birthday greetings for the half of November go to: Nov. 1, Elizabeth Carlso, Delina Larson Nov. 19. Have a nice week.

Head Start opens in 3-county area

ESCANABA-Some 130 tri-county area four and five-year-olds are assigned to classes in Head Start Centers this year, according to Marsha Green, project director.

Of those registered, 93 pre-school children returned to their Head Start classrooms Monday while another 29 went back Tuesday. Classes are located in Manistique, Escanaba, Powers, Stephenson, Menominee.

And 18 more Head Start children are scheduled to begin class next week in Stephenson.

Mrs. Green says more applications are still being accepted for the program. More information can be obtained by calling her at 786-7060.

Graduate course

MARQUETTE - A graduate course in education will be offered in Manistique during the second half of the current semester by Northern Michigan University.

"Ed 504 - Psychology of Education," will be offered for graduate credit beginning Tuesday, Nov. 1, 6:30 p.m., in Room 201 of Manistique Area High School.

Registration will be available at the first class session.

Additional information is available by contacting the Bureau of Off-Campus Education at NMU, phone 906-227-2100 or toll free 1-800-682-9797.

Bird book available

The U.S. Fish and Wildlife Service has a book entitled "Fifty Birds of Town and City". This 50-page book has color illustrations and a short write-up of the 50 species that most often frequent urban areas.

Anyone interested may purchase this book at the refuge office or by writing to: Refuge Manager, Seney National Wildlife Refuge, Seney, MI. 49883 and asking for it by name.

Arrives in Kansas

Wichita, Kan.-U.S. Air Force Staff Sergeant Neil G. Hammaker, son of Mr. and Mrs. Raymond L. Hammaker of Linden, Pa., has arrived for duty at McConnell AFB, Kan.

Sergeant Hammaker, a pavement maintenance specialist with a unit of the Strategic Air Command, previously served at Kincheloe AFB.

The sergeant is a 1970 graduate of Williamsport (Pa.) Area High School. His wife, Patricia, is the daughter of Mr. and Mrs. L. Smith of Manistique.

Bids Wanted

Inwood Township will accept sealed bids for winter snow removal until 8 p.m., Nov. 15, 1977. For more information, call Kenneth Rochefort 644-2231 or 644-2710. The Township has the right to reject any or all bids.

Cards of Thanks

A sincere thank you to our many friends and relatives for the kindness shown us at the time of the last illness and death of our dear Mother, Grandmother and Great-Grandmother.

Special thanks to Dr. Waters, the staff at the Medical Care Facility, Pastor Levin, the VFW and the pall bearers. Also to the L.C.W. the VFW Auxiliary, the many who furnished food and the memorial gifts. We will always remember you with gratitude.

The family of Mrs. Earl Malloch, Sr.
22p1

I would like to thank each and everyone who helped make my 60th birthday such a wonderful day.

Thanks to the VFW Auxiliary for their help and to everyone who gave me cards and gifts. A special thanks to my daughter and her family for the beautiful birthday cake and gift. God Bless you all.
Odo Linden
22p1

In Memoriam

In loving memory of Joseph Frederick Haindl who passed away November 7, 1976.
22p1

A link of our chain is missing From our earthly family. But he and our years together Remain in our memory.

We miss his presence among us— His smile and his helping hand— But we know that he is living In that grand heavenly land.

Someday we will see him again When we, too, are called away To be with our Lord and Savior, On that magnificent day.

Sadly missed and fondly remembered by Thora Haindl and family.
