GEORGE A. PRESCOTT,  
SECRETARY OF STATE.  
CLARENCE J. MEARS,  
DEPUTY SECRETARY OF STATE.

MICHIGAN  
DEPARTMENT OF STATE  
LANSING

Gentlemen:

I enclose herewith blanks for the report required to be filed by your company in the month of July. The report should be executed in duplicate and one copy sent to this office accompanied by a filing fee of fifty cents. This fee is not a perquisite of this office but must be turned over to the State Treasury. The other copy of the report should be filed with the clerk of the county in this State where the business of the corporation is located.

A company which has not been in active business for a year or more is not required to file in this office a report showing the financial condition of the company. However, in accordance with Section 11,364 of the Compiled Laws of 1897, as amended, all companies issuing shares of stock are required to file a report showing a list of stockholders, their postoffice addresses and the number of shares held by each, unless this information is given in some other report filed in the office of the Secretary of State.

I would therefore suggest that, if your company has not been in active business for one year or more, you indicate this fact on page one of the blank, in which case it will not be necessary to complete statements Nos. 1 to 13; but in all other respects the report should be completed. It should include a list of stockholders and be properly signed and sworn to by the President and Secretary. I think this arrangement will be more satisfactory to the companies and to this office than to have those companies which are not in active business file a separate list of stockholders in January or February each year, as required by the section named.

If your company has ceased to exist as a corporation, kindly notify this office of that fact.

Very respectfully,

G. A. PRESCOTT,

Secretary of State.

Gentlemen:

I enclose herewith blanks for the report required to be filed by your company in the month of July. The report should be executed in duplicate and one copy sent to this office accompanied by a filing fee of fifty cents. This fee is not a perquisite of this office but must be turned over to the State Treasury. The other copy of the report should be filed with the clerk of the county in this State where the business of the corporation is located.

A company which has not been in active business for a year or more is not required to file in this office a report showing the financial condition of the company. However, in accordance with Section 11,364 of the Compiled Laws of 1897, as amended, all companies issuing shares of stock are required to file a report showing a list of stockholders, their postoffice addresses and the number of shares held by each, unless this information is given in some other report filed in the office of the Secretary of State.

I would therefore suggest that, if your company has not been in active business for one year or more, you indicate this fact on page one of the blank, in which case it will not be necessary to complete statements Nos. 1 to 13; but in all other respects the report should be completed. It should include a list of stockholders and be properly signed and sworn to by the President and Secretary. I think this arrangement will be more satisfactory to the companies and to this office than to have those companies which are not in active business file a separate list of stockholders in January or February each year, as required by the section named.

If your company has ceased to exist as a corporation, kindly notify this office of that fact.

Very respectfully,

G. A. PRESCOTT,

Secretary of State.

The other copy of the report should be filed with the clerk of the county in this State where the business of the corporation is located.

A company which has not been in active business for a year or more is not required to file in this office a report showing the financial condition of the company. However, in accordance with Section 11,364 of the Compiled Laws of 1897, as amended, all companies issuing shares of stock are required to file a report showing a list of stockholders, their postoffice addresses and the number of shares held by each, unless this information is given in some other report filed in the office of the Secretary of State.

I would therefore suggest that, if your company has not been in active business for one year or more, you indicate this fact on page one of the blank, in which case it will not be necessary to complete statements Nos. 1 to 13; but in all other respects the report should be completed. It should include a list of stockholders and be properly signed and sworn to by the President and Secretary. I think this arrangement will be more satisfactory to the companies and to this office than to have those companies which are not in active business file a separate list of stockholders in January or February each year, as required by the section named.

If your company has ceased to exist as a corporation, kindly notify this office of that fact.

Very respectfully,

G. A. PRESCOTT,

Secretary of State.

CLARENCE J. MEARS,  
DEPUTY SECRETARY OF STATE.

MICHIGAN  
DEPARTMENT OF STATE  
LANSING

Gentlemen:

I enclose herewith blanks for the report required to be filed by your company in the month of July. The report should be executed in duplicate and one copy sent to this office accompanied by a filing fee of fifty cents. This fee is not a perquisite of this office but must be turned over to the State Treasury. The other copy of the report should be filed with the clerk of the county in this State where the business of the corporation is located.

A company which has not been in active business for a year or more is not required to file in this office a report showing the financial condition of the company. However, in accordance with Section 11,364 of the Compiled Laws of 1897, as amended, all companies issuing shares of stock are required to file a report showing a list of stockholders, their postoffice addresses and the number of shares held by each, unless this information is given in some other report filed in the office of the Secretary of State.

I would therefore suggest that, if your company has not been in active business for one year or more, you indicate this fact on page one of the blank, in which case it will not be necessary to complete statements Nos. 1 to 13; but in all other respects the report should be completed. It should include a list of stockholders and be properly signed and sworn to by the President and Secretary. I think this arrangement will be more satisfactory to the companies and to this office than to have those companies which are not in active business file a separate list of stockholders in January or February each year, as required by the section named.

If your company has ceased to exist as a corporation, kindly notify this office of that fact.

Very respectfully,

G. A. PRESCOTT,

Secretary of State.

Section 12. Every corporation subject to this act, including every foreign corporation admitted to carry on business in this State under the provisions of this act, shall annually, in the month of January or February, make duplicate reports showing the condition of such corporation on the thirty-first day of December next preceding, on suitable blanks to be furnished by the Secretary of State, as hereinafter provided: Provided, Flour milling corporations shall make and deposit annual reports in the month of July for the year ending June thirty, preceding: Provided further, That any such corporation, which shall make and file with the Secretary of State a statement in writing certified to by its president and secretary, showing that its fiscal year ends at a time other than December thirty-first and that it is its custom to take an inventory and balance its accounts at the close of such fiscal year, and cannot make an accurate report for any other date, shall make its report showing its condition at the close of its fiscal year, such report to be filed within sixty days after such close of its fiscal year. Such reports shall state the amount each of common and preferred capital stock authorized, and the amount thereof subscribed for, and the amount thereof actually paid in in cash, and the amount thereof paid in property; the total value as near as may be estimated, of all property owned by the corporation; the value of different items or classes of property as follows: Real estate used in its business; real estate not used in its business; goods, chattels, merchandise, material and other tangible property; patent rights, copyrights, trademarks and formulas; good will; and all other property, specifying the kind; value of all credits owing to the corporation; the amount of debts of the corporation; the name and postoffice address of each stockholder and the number of shares of preferred and common stock held by him at the date of such report; the name and postoffice address of each officer and director of the corporation, and such other information as the Secretary of State may require. It shall be the duty of the Secretary of State in the month of December in each year, or in case of corporations whose fiscal year ends prior to December thirty-first, on application of such corporation, to mail to each corporation which is subject to the provisions of this act, suitable blanks on which shall be printed a copy of this section. Such reports shall be signed by a majority of the board of directors and verified by the oath of the secretary of the corporation, and deposited in the office of the Secretary of State within the said month of January or February, or within sixty days after the close of such fiscal year, accompanied by a filing fee of fifty cents. The Secretary of State shall carefully examine such reports, and if upon such examination they shall be found to comply with all the requirements of this section, he shall then file one of them in his office, and shall

forward the other by mail or express to the county clerk of the county in which the office in this State, for the transaction of the business of said corporation, is situated. And it shall be the duty of such county clerk, upon receipt of such report, to immediately cause the same to be filed in his office. If any corporation neglect or refuse to make and file the reports required by this section within the time herein specified, and shall continue in default for ten days thereafter, its corporate powers shall be suspended thereafter until it shall file such report, and it shall not maintain an action in any court of this State upon any contract entered into during the time of such default; and any director of such corporation so in default, who has neglected or refused to join in the making of such report, shall be liable for all the debts of such corporation contracted since the filing of the last report of such corporation, and shall also be liable to such corporation for any damages sustained by it by reason of such refusal or neglect. And in case a corporation organized or doing business under the provisions of this act shall be dissolved by process of law, or whose term of existence shall terminate by limitation, or whose property and franchises shall be sold at mortgage sale, or at private sale, or if for any reason the attitude of the corporation toward the State shall be changed from that set forth in the articles of association, it shall be the duty of the last board of directors of such corporation within thirty days thereafter to give written notice of such change to the Secretary of State, signed by a majority of such directors and accompanied by a recording fee of fifty cents, which said notice shall be recorded as amendments are required to be recorded. And in case of neglect to give such notice, they shall each be subject to a penalty of five dollars for each and every day during the continuance of such neglect or refusal. The neglect or refusal to file the report, or to record the notice required by this section to be filed or recorded, shall be deemed wilful when such report or notice is not filed or recorded within the time herein limited. Whenever any corporation has neglected or refused to make and file its report within twenty days after the time limited in this section, the Secretary of State shall cause notice of that fact to be given by mail to such corporation, directed to its postoffice address. The certificate of the Secretary of State or his deputy, of the mailing of such notice, shall be prima facie evidence in all courts and places of that fact, and that such notices were duly received by said corporation.  
This act is ordered to take immediate effect.
